## HONOR ASSEMBLY TO BE HELD TOMORROW

Famed Ellington Orchestra To Appear Sunday Mar. 2

'On Borrowed Time' To Be Presented

Chi Sigma Epsilon Society Will Laud High Scholarship

### "Just Incidentally"

BY JONES AND MOORE

Is not the essential question before the American people not whether we should give aid to England, but whether England could win even with our aid?? It would be obviously silly, foolish and puerile to strain all our resources in order to aid an England who could not win. This would be something like saving the world for democracy.

Undoubtedly, our Senate without too much squabble and debate will pass the Lend-Lease Bill. As far as we can see, the testimony upon the bill has only indicated that England is in extreme need of aid. No one, apparently, thought it was necessary to explain just how England could win even with our aid. Are the American people so intelligent or so confident and so guillible that they can assume an Anglo-American victory without any concrete evidence of its possibility?

Let's just stop and see how England could possibly defeat Germany. First possibility of course, is that England's armies could defeat Germany's armies. But where are the English armies going to contact the German armies? In the Balkans? If England should even attempt to aid the Greeks and defend Salinika, the English would find themselves in another Dunkirk and they might not be quite so lucky this time.

THE SECOND possibility that might lead to a German defeat is an internal breakdown in Germany itself. However, this breakdown might just as easily come to England. On what basis can we assume that Germany alone is afflicted with this possibility?

THE THIRD possibility is that Germany may crack up due to the economic strain placed upon her by the blockade. But the English are just as vulnerable in this respect, if not more so. The weekly shipping losses published by the English Admiralty will substantiate this point.

However, there is a fourth way. It is not too feasible and it is not inevitable. England could defeat Germany with the aid of Russia. This might make a fairly even war out of it—But since the men of the Kremlin seem determined to stay neutral, it would seem rather far-fetched to place all our hopes in their hands.

Consequently, why should we aid England when it would seem impossible for her to win?? How does this aid American defense? Rather than aiding defense, it would seem like throwing hard-earned American dollars down a rat-hole.

"THE DUKE"

"At last this week is at hand!" So say those who appreciate hot music, because its greatest exponent -- Duke Ellington--will make a one night appearance at the Eureka civic auditorium Sunday night.

This is the greatest dance band attraction that has ever hit the country, and music lovers at Humboldt State are elated over the prospect of hearing this great collection of musicians.

The Eureka Junior Chamber of Commerce, promoters of the dance, are making every effort to show off Ellington's talents to the best advantage, and have secured the white concert grand from the Eureka Theatre for the Duke to play.

The band will put on a special show for one hour--guaranteed to be the best ever seen in these parts and the rest will be devoted to dancing.

Continued on page 3

### Science Club Dinner Meeting Tonight

President Merlyn Allen has announced that the Science Club will hold its monthly dinner-meeting tonight at 6:30 P. M. in the College Social Unit. The main topic of discussion will be the Annual Spring Trip, with a report from committee members Ronald Acheson, Warren Polesley, Betty Ann Carlson and Berl McCann.

Since the original copy of the Science Club Constitution has been lost, a committee of the following students has been appointed to write a new one: Rod Bryan, Betty Ann Carlson, Lynette Hibler, Eleanor Matthews, Merlyn Allen, Ronald Acheson. Dr. Lanphere will act as advisor. The new constitution will follow the line of the original and will be ready for approval very soon, according to President Allen.

526 F St.

Eureka

"On Borrowed Time," a play rarely given by non-professionals because of the difficulty in casting, will be presented on the evenings of March 11 (Student night) and March 12 respectively.

Because one of the leading roles, that of "Pud," must be played by a small boy, the play has never been given until this year with the discovery of Maurice Elmore, a "find." Although still in grammar school, Maurice possesses a definite acting ability, an unusual sincerity and a good memory. Maurice Elmore is the small brother of Lavern and Warren Elmore, both of whom have won wide reputations for dramatic ability at Humboldt.

"On Borrowed Time" offers the veteran Richard Jarboe in probably his finest and most appropriate role. He will play the part of 80-year old Gramps, protector of grandson Pud. His appearance in the play will climax a long and noteworthy career.

The remainder of the cast includes:

Granny, Louise Corbin; Mr. Brink, Jack Sivert; Aunt Demetria, Warren Elmore; Marcia Giles, Betty Fay; Dr. Evans, Melvin Thayer; Mr. Pilbeam, Charles Waters; Mr. Grimes, Martin Stockel; the Sheriff, Dean Gallo-way; a workman, Herbie Gomes.

### To Sponsor New Men's Smoker Move

The Men's Association in their Thursday meeting discussed the possibility that the men's smoker might be alleviated. It was decided to appoint a committee composed of Tommy Hansen, chairman, Chan Jenkins, and Charlie Moore to see President Gist. The committee was authorized to offer \$25 to aid in the furnishing of a new smoker. The committee will report the result of its conference with Mr. Gist at the next meeting.

The Men's Association also authorized the expenditure of \$2.00 in order to secure a concession at the Senior Carnival. A suggestion of the Mutsuho Club that the Men's Association sponsor a girl in their Queen contest was dinged.

### NEW PROBATION RULES ISSUED BY PRESIDENT

The following two new rulings have been announced by the President's office with respect to Probation:

(1) A student who has once been on second probation shall be disqualified if, during any subsequent semester, his index drops below .50.

(2) Students who have been in school for two or more semesters and whose cumulative index is below .75 will be subject to disqualification by action of the scholarship committee.

### Former HSC Man Earns Commission

LLOYD YOUNG

Lloyd V. Young, former Humboldt State College student, has received his Ensign's Commission in the United States Naval Academy, at Annapolis, in the first mid-winter Graduation since World War days. Ensign Young left his Eureka home last Sunday, after a brief visit, to join his ship, "U.S.S. Rathburne," for duty.

### "BALLY-HOO"

Dr. Homer Balabanis sent his Eeon. 1B class into gales of laughter last Monday morning when he made the following comparison between a woman and a diplomat: (quote:)

"When a diplomat says 'yes,' he means 'maybe;' when he says 'maybe' he means 'no;' but if he says 'no,' he's no diplomat. Whereas:—When a woman says 'no' she means 'maybe;' when she says 'maybe' she means 'yes' and if she says 'yes,' she's no lady! —" unquote.

Support the teams Friday and Saturday nights for the last games of the season! And just incidentally and by the way, how about having the whole band turn out WITH INSTRUMENTS for the games??? This is the end of the basketball season—let's wind it up right!

The new members of the Chi Sigma Epsilon, honor society, and the honor roll for the past semester will be announced at the Chi Sigma Epsilon Honor Assembly Thursday, February 27 at 11 o'clock in the auditorium. The awards are based on scholastic achievement and participation in outside activities.

Mr. Hunter, as featured speaker, will discuss "The Marks of an Educated Man." Short talks will be given by President Gist and Dr. Balabanis, associate members of the society. The program will include musical numbers by Eugene Hammond, Marianne Lambert, and Lois Johnson.

Following the assembly there will be a luncheon at Nelson Hall to which all past and present Chi Sigma Epsilon members and all Rousers are invited.

The initiation of the new members will be held in the college social unit on March 14 and will be followed by a dinner at Nelson Hall.

The present members of the Chi Sigma Epsilon: Helen Woodcock, president; Catherine Caltoft, vice-president; Dorothy Fountain, secretary; Alberta Starkey, treasurer; Mary Borneman; Dorothy Hunt, Frances Larsen, and Suzan Wilson.

### Regular Meeting of Student Body

President Milton Villa presided over the regular business meeting of the Associated Students in the college auditorium held Tuesday, February 25. Secretary Rosie Ivanich read the minutes of past Executive Council meetings. President Arthur Gist then introduced the new professor of English, Mr. Murphy.

The meeting was then turned over to Chan Jenkins, program chairman. As a feature, motion pictures in color of both students and faculty were shown by Mr. E. Graves.

### "HERE'S YOUR CHANCE"

Anyone looking for a good extra-curricular activity need no longer look in vain. There is room for several more reporters and typists on the Lumberjack staff.

The Lumberjack is a purely student organization, run by and for Humboldt students. It offers excellent opportunities for news and feature-story writing, which will be both educational and lots of fun. For further information as to duties required, see Tom Hansen or Helen Hartsook.

### THIS WEEK

Feb. 26, Wednesday—Science Club Dinner.

Feb. 27, Thursday—Honor Assembly, 11 A. M.

Feb. 28, Friday—Cal-Aggies Game.

March 1, Saturday—Cal-Aggies Game.

March 4, Tuesday—Choir Rehearsal.

Editorials and columns appearing in the Lumberjack are solely the opinion of the writer. They make no claim to expressing the opinion of Humboldt State College. All unsigned editorials are by the editor.

Today, as we see a steadily growing number of college men going into training, we cannot fail to realize what a serious situation we are facing. How difficult it is for a man to decide what direction to take! Those who have a deep desire for purely academic learning should be encouraged by President Roosevelt's wish that college training continue as strongly as ever—because a land is never more sorely in need of educated men than in time of crisis.

Those, on the other hand, who have decided upon training for the service now find increasing opportunities before them in the Army, the Navy, the Marines, the Air Corps, and the Coast Guard.

In accordance, the Lumberjack hereby wishes to state this policy: That it is in full accord with the government's National Defense program and in carrying out this policy the Lumberjack is willing to publish from time to time information regarding different phases of defense service.

Further, it is willing to publish from time to time information regarding other types of work for students with the purpose, at all times, of serving the best interests of Humboldt State College.

## "Step right this way" "In The Shade of Peanuts, Popcorn—the Old----

By Tom Hansen

"Breathes there a Humbolter with soul so dead who never to himself hath said—"Hooray for the Senior Carnival!!?" Should such an individual be at large, the Senior Class will gladly show him the error of his ways, come Friday night, March 7th, at the Big Gym.

The Senior Carnival will be exactly what its name implies—the Senior class giving one final fling for the student body in the form of a real carnival of fun.

The gym will be divided into concessions sponsored by various school organizations and individuals around a center space which will be devoted to dancing. Games and entertainment, ranging from pitching pennies to tagging Rod Belcher's noggin with a ripe tomato, will be indulged in by those present.

Remember—this is strictly a carnival and not a formal dating affair. Don't stay away because someone doesn't "ask" you. The carnival will be open to the public. Everyone is invited to attend, and bring your friends!

Apple tree? well, it seems that shade is about the only thing not strictly essential to the horticultural product produced by John Van Duzer's Dramatic Workshop class. Their current assignment is to make an apple tree, that: (1) will bear apples (2) will have leaves, (3) may be climbed—for the set of "On Borrowed Time."

An apple a day may keep the doctor away, in accordance with proverbial tradition, but we rather imagine that they, in this particular case, will not contribute to the amount of hair on Mr. Van Duzer's chest!

Mr. and Mrs. Clifford S. Foster visited their daughter Vie, at Nelson Hall over the weekend. They came from Covelo and stayed overnight in Arcata.

## FACULTY PRESENTS

### How Are You Physically?

Many people are conscientious objectors to the drafting of the manpower of the United States while we are presumably at peace. On the other hand, from the standpoint of health, this inventory of our fighting strength can be used very effectively.

In some of the earliest returns on the matter of rejections due to physical deficiencies, the figures are appalling. In Chicago, for example, approximately 45 per cent of those called have been disqualified before being sent to camp because of their poor physical condition. An additional 12 per cent have been rejected after their arrival at an army post for the same reason. Discounting those who temporarily simulate ill health, and those who are rejected because of some wire pulling perhaps, it seems reasonable to assume that the United States is not the healthy nation it is supposed to be.

It is time college men and women realized the opportunities for their physical development which practically all colleges now offer. It is necessary to develop an interest in regular, planned physical activity.

This interest can be best developed by a thorough understanding of the rules and strategy in one or more activities. In addition, proficiency is most conducive to the promotion of interest; and this requires practice. In other words, participation and knowledge, or understanding, are the two essentials in raising the interest level. Do you participate? Have you this knowledge and understanding?

Humboldt State College presents many opportunities for the full development of the physical nature of the students. As a matter of fact, most students who come to Humboldt seem to have developed little initiative in their physical education. An excellent health service is maintained here at Humboldt, and students are taking advantage of it more and more. It is hoped this interest will continue. It should be noted that approximately two-thirds of the entering freshman class had physical defects which could be corrected by the individual if he will take the initiative. The health service is

## Mutsuhito Club Holds Meeting

Mutsuhito Club members held their regular monthly business meeting last Tuesday night, February 18, in the College Social Unit for the purpose of voting in new pledges and planning their spring calendar.

The following committee reports were given by chairmen:

Senior Carnival booths, Joy Stockton and Marion Stickles; St. Patrick's Day Breakfast, March 17, Sarah Southworth and Mary Westbrook; Queen contest, March 10—20, Shirley Kirkpatrick and Elinor Shaw; Formal dance, March 21, Helen Hartsook and Helen Howard.

Pledges were chosen, but their names are being withheld at present, to be announced very soon.

A letter from Chico State Mutsuhito Chapter was read stating Chico's pleasure at receiving an invitation to the Formal Dance at Humboldt State March 21. According to their present plans approximately twelve girls from Chico will attend the dance, at which Humboldt's Campus Queen will be crowned.

to be used for three purposes: diagnosis, preventive, and curative. Too much emphasis cannot be placed upon the urging of Humboldt students to take advantage of the facilities here provided for their physical development and the promotion of their health.

The physical education department urges the students of Humboldt State College to improve themselves physically, so as to better insure our nation's security.

Signed:  
Harry E. Griffith.

## Will Represent HSC At Fresno Conclave

Mrs. Monica Hadley and Clarence Edsall will represent Humboldt State College at the Eleventh Annual Conference of the California Association for Health, Physical Education and Recreation, which will be held at Fresno State College on April 3rd, 4th and 5th.

Mrs. Hadley has actively aided in the organization of this student conference and Mr. Edsall will be one of the student speakers. His topic will be "When is a person Physically Educated?"

## Platter - Chatter

BY

REAUME and LANSING

To you who savy swing slang-  
uage, this column is just what the  
name implies—a weekly comment  
on the up and downs of late swing  
band recordings. If you disagree  
with a comment,—and we hope  
you do—just let us know and we'll  
"have it out" in the column.

Considering the local interest in  
Duke Ellington, we and Rod Bel-  
cher think a word or two in that  
direction would be timely. Here  
are three of his latest groovings.  
"Rockin' in Rythm" has some  
really mellow sax-section work  
and a clarinet solo that is hard  
to beat. Throughout the song, the  
rythm section supplies good solid  
backing. "Pitter Panther Patter"  
is a string bass and piano duet.  
Listen for the intricate string-  
bass work in this one "No, Papa,  
No," supplies what every dancer  
wants—easy rythm. There is a  
smooth piano solo followed by  
changes in tempo which are mas-  
terpieces of arranging.

Now for some Artie Shaw. This  
week we have the famous "suicide  
song," "Gloomy Sunday," done as  
only Artie Shaw and his swing-  
phonic orchestra can do it. This,  
the latest of his new ideas, should  
convince any sceptic that Shaw  
is definitely nearing the top again.

On the flip-over we have a rare  
phenomenon—another good side  
on the same record, "Don't Go to  
Sleep." The opening clarinet can-  
denza gives to it a symphonic fla-  
vor without sacrificing Shaw's  
typical swing style. This side  
should appeal to those of you who  
listen with your feet. Barring the  
vocals, which we consider noth-  
ing special, this platter is one of  
the best bets for your four bits  
this week.

Humboldters are glad to see  
Ward Falor back from the hospi-  
tal. A broken ankle is no joke—  
we feel for you, Ward!

## "CAD'S EYE VIEW" In And Around Humboldt's Campus

We understand that Rich Toni-  
ni can't make up his mind whether  
its Gillie or Sadie Ranta who is  
responsible for that happy look  
he's wearing these days. Why  
don't you come to an agreement  
girls—

The Marella White-Dave Wil-  
liams affair seems to be tottering—  
or is it just a "filthy rumor?"

Barb Bird no sooner calls it  
quits with one Bill than she snares  
another Bill—namely Bill Mc-  
Creedy—and he's an undertaker,  
too—

A recent survey of the faculty  
shows that Humboldt is blessed  
with only two bachelors— and  
both in the Drama Dep't—Could  
this be significant? However Dr.  
Wilson and Mr. Van Duzer don't  
seem to be in the least worried—

Bill Madsen will leave soon for  
Naval Air training, and seems  
that Marion Goss might be a  
little sorry—Any way they seemed  
to be having a swell time at the  
Fire-man's ball—

Mr. Hunter states that "Teacher-  
student" relationships can de-  
velop into something more than  
just a beautiful friendship. Mr.  
Hunter: "That little blonde in the  
front row looks alright"—and so  
they were married—

Among the "steadies" this week  
we find L. Johnson and B. Speer,  
C. Ostrander and L. Walton, S.  
Kirkpatrick and C. Harrison, L.  
Wrigley and Bunt Lee—

The Hartsook-Villa affair is still  
going strong but we can't figure  
out why they don't do something  
about it....They both seemed in a  
rather pensive mood at the Fire-  
man's ball in Eureka.

Sadest news of the week—  
Maxine Maxwell and her steady,  
have decided to call the whole

Plater Chatter  
thing off—They looked soooooo  
happy too—

Gomer Jones isn't satisfied with  
our charing co-eds, we suppose,  
because last week he publicly re-  
ceived a big kiss from a coed of  
a different school. The school?—  
C.E.S. The co-ed? We didn't catch  
the name, but she's in the First  
Grade—Shame on you, Gomer—

Orchids go to Helen Woodcock  
and Betty Baldwin for keeping  
their chins up when the train left  
last Tuesday night. We hated to  
see them go, too—Another "draft  
widow" is Nancy Jo Birnie.

Advice to the men—If the lady  
says she loves you, and you want  
to stay happy, don't try to make  
her prove it—

## Ellington Orchestra

Continued from page 1

Vocalists with Ellington are Ivie  
Anderson and Herb Jeffries, while  
featured musicians with in the  
band are almost too numerous to  
mention. Hot jazz fans will be es-  
pecially attentive to the virtuosity  
of Rex Steward on the trumpet.  
Johnney Hodges on Alto, Lawrence  
Brown, Juan Tizol and "Tricky  
Sam" Nanton on trombones, Jim-  
my Blanton on bass. Sonny Greer  
on drums, Ben Webster on tenor,  
Harry Carney on baritone, Barney  
Bigard on clarinet, and of course  
the Duke and his piano.

Hodges is considered the best  
altoist in the business, Carney is  
by far and away the outstanding  
baritone man in the country, Greer  
is among the top drummers and  
is easily the most subtle, Blanton  
is rapidly gaining recognition as  
the top bassist, and Brown, Web-  
ster, Bigard and all the others are  
rated as among the best instrumen-  
talists playing today.

All of the Ellington group's vir-  
tues cannot be put down in so  
short an article—he simply must  
be seen to be appreciated.

## KARL'S

Under New Management

## What's Cookin'?

Knew that one ray of sunshine  
couldn't last forever—you know,  
the one we saw "way back there  
when"—we all say that we enjoy  
dancing, but when time, the place,  
the music—and all free of charge,  
too!—are provided do we take ad-  
vantage? I'm referring to the  
dance held last Thursday in the  
Little Gymn. 'Twas nice of the  
P. E. department to sponsor these  
dances—let's show some appre-  
ciation!

From all reports, the sojourn at  
Grouse Mountain on Washington's  
birthday for a bit of snow sport  
was simply wonderful, and just a  
lot of people were there—

Coming back to Women's sports  
(or were we ever there?), Glenna  
Colwell is general basketball  
manager for this term, and ac-  
cording to reports, it won't be long  
now before the competition will  
be in full swing—Nominating com-  
mittees of the A.W.S. and W.A.A.  
are holding sessions to consider  
suitable women candidates for  
important offices on the campus—  
Snooky Edsall will soon go jour-  
neying down to Fresno State as  
a representative of the P. E.  
majors for Humboldt—Remember,  
the A.W.S. Mother's Day Tea  
isn't so far off— and even more  
immediate, the gigantic Senior  
Carnival is almost upon us! Don't  
miss it!

## Ernie Caro Starts Probation Society

FLASH! Word has just been re-  
ceived by direct wire that Ernie  
Caro will head the newly organiz-  
ed "Probation Club" at HSC! This  
famous executive wishes to an-  
nounce that the following officers  
have been elected: President, Ernie  
Caro; Vice-President, Ernie Caro,  
Second Vice-President, Ernie  
Caro; Secretary-Treasurer, Ernie  
Caro. One appointive office is still  
open—submit your applications to  
the secretary-treasurer, Box 59.

Mr. Caro states, and we quote:  
"It doesn't seem fair that the Chi  
Sigma Epsilon Society should get  
all the glory. I, therefore, am most  
happy to be able to give recogni-  
tion to those not-so-fortunates, the  
students on probation. We have  
been faced with many obstacles,  
especially the fact that the per-  
centage of students on probation is  
declining every year at Hum-  
boldt—we soon expect to be faced  
with extinction—However, in the  
short time remaining to us we  
are finally going to receive recog-  
nition, however humble, through  
the formation of my new society.  
The membership drive was found  
to be unnecessary, so I will be  
looking forward to seeing you all  
soon when we hold our first an-  
nual meeting. I thank you."—un-  
quote.

## MEN'S SPORTS BY DAVIS

The Lumberjacks made it seven straight wins last Friday night against the Oregon quintet but bogged down the next night to drop a close one to the fighting boys from the north—Howard Goodwin was the main cog in Humboldt's win when he scored 22 points to come within one point of the College record. Goodwin was a reserve at the first of the season but has developed rapidly enough to win a starting berth in most of the games played—Rod Belcher played outstanding ball in both games last week for the Lumberjacks. He not only contributed many of Humboldt's points but was a demon on defense—Oregon showed a lot of hustle in their comeback the second night and made enough points from free throws to run up the lead they won by. They sank 12 out of 16 tries—The Humboldt College Jayvee team lost their chance for the Eureka City League championship when they dropped a close game to the Papini Bros. team Thursday night in the College gym. Before this game the Jayvees were tied with the Papini team for the championship—The Lumberjacks will take on the California Aggie five from Davis, California this week in the local gym. The Aggie team does not bring a very impressive record with them and Humboldt is given an excellent chance to win both games from them.

## Air Enthusiasts Urged To Join

The student pilot training course which Humboldt State College is able to offer under the Civil Aeronautics Authority is in danger of being discontinued if there is not sufficient demand to warrant its continuation!

An increase in the quota allotted to the college by the C.A.A. now makes possible the enrollment of non-college students who may wish to take advantage of this training for a civilian pilot's license. The first quota of 10 is now filled, but there are several openings if the second quota is to be filled.

It has been suggested that possibly it is parental worry about the safety of this air training which may be keeping as large a number of students from enrolling in the course as usually do so. In answer to this question, the Civil Aeronautics Authority points with pride to its safety record established in the nation-wide training program of which Humboldt State College's offerings are a part. Although thousands of young men have availed themselves of this opportunity to learn the rudiments of flying, only ONE death in the nation has been reported C.A.A. further points out that the entire program is surrounded with extreme caution. There is far more danger in learning to drive an automobile! Lastly, the young men who are trained now are far more apt to be retained as instructors in case of war, rather than to be sent into active flying service. This is an encouraging factor to be considered by doubtful parents.

The classes in ground school work will meet on Tuesday evenings from seven to ten in room 116 or room 213 at the college. This work meteorology, navigation, and civil air regulations is of much value to any young man whether he contemplates a career in aviation or not.

## Lumberjacks Split S. O. N. S. Series

Humboldt State's basketball team divided a twin bill with the Southern Oregon College team from Ashland last Friday and Saturday nights in the College gym. Humboldt took the first game by a 57-49 score but the Oregon boys came back strong the next night to take a 46-34 win over the Lumberjacks.

It was all Howard Goodwin, Humboldt State center, in the first game of the series, who scored 22 points to lead the Humboldt five to victory. He was ably assisted by team-mates Lee and Belcher who made 16 and 10 points respectively.

In the second game, the Oregon team came back strong in what proved to a rough game. They were led by their half-pint guard Hoefs, who led the scoring with 14 markers and also held Humboldt's Bill Lee to 11 points for the evening.

Oregon's strong comeback the second night can be contributed to a tight man-to-man defense. They took advantage of Humboldt's poor passing and fought hard all the way.

The lineups for the games follows:

FRIDAY NIGHT					
Humb. State	FG	FT	F	Pts.	
B. Lee, f	8	0	3	16	
T. Speier, f	0	1	1	1	
H. Goodwin, c	8	6	2	22	
R. Belcher, g	5	0	2	10	
J. Savage, g	4	0	4	8	
B. Speer, c	0	0	0	0	
C. Wilson, g	0	0	0	0	
H. Lee, f	0	0	0	0	
E. Floccini, g	0	0	0	0	
Stashuk, g	0	0	0	0	
Totals	25	7	12	57	

## SATURDAY NIGHT

Humb. State (34)	FG	FT	F	Pts.	
B. Lee, f	3	5	3	11	
T. Speier, f	1	0	3	2	
H. Goodwin, c	2	2	2	6	
R. Belcher, g	1	1	1	3	
J. Savage, g	3	0	3	6	
H. Lee, g	0	0	0	0	
C. Wilson, f	0	1	2	1	
B. Speer, c	2	1	1	5	
Totals	12	10	16	34	

Chan Jenkins, Semperviren's photographer, wishes to thank all Humboldt students for the co-operation and promptness at appointments.

## Good Showing May Mean All-Conference for Bill Lee

HOWARD GOODWIN

Drivers who live to see 80, never look for it on their speedometers.

Humboldt State College's late-starting basketball team will wind up their 1940-41 season Friday and Saturday nights in the college gym when they meet the Cal-Aggies in a two-game Far Western Conference series.

After splitting with Southern Oregon and being stopped in their late winning streak of seven games the Lumberjacks feel that the pressure of successive victories is off and they will be out to finish their conference season with two wins over the Aggies. Two victories would give Humboldt a .500 percentage mark in conference competition.

Bill Lee, Humboldt's outstanding forward who is already in line for all-conference honors should implant in the minds of the Aggies and their coach that he deserves that rating. If Lee turns in two good performances against the Mustangs, he is a cinch for the mythical conference team.

The Aggies have not fared too well this year, and have dropped almost all their games. They have yet to win a conference contest this season. However, it will be the first time the two schools have met in basketball and the visitors will be out to make a good impression on Humboldt. The series is also the last of the year for the Mustangs.

Captain Bob Forbe and John Johns are the leading Aggie basketballers. Others who may start or see reserve action are Elton Sanstead, Jerry Hendricks, Leroy Bord, Jim Blackstock, and Lloyd Smith.

Besides Lee, coach Harry Griffith will probably start Len Longholm at forward; Howard Goodwin at center; and Jim Savage and Rod Belcher at guards. Longholm will be a great help to the team after an absence of two weeks due to a shoulder injury.

The games will get under way each night at 8 o'clock, with preliminaries slated for 6:45.
