

# "Campus Queen" Election Will Be Held Tomorrow

## Humboldt Lumberjack

Humboldt Lumberjack

WEDNESDAY, MARCH 19, 1941

### MUTSUHITO SPRING FORMAL FRIDAY NIGHT

#### Students Will Hold Regular Election For Queen Thursday

The Queen of the Campus will be chosen tomorrow in a regular student body election. Voting will take place in the Social Unit dining room from 11 o'clock until 4. The candidate receiving the highest number of votes will be crowned queen at the Mutsuhito formal dance, to be given in the gym Friday evening, March 21. Music will be provided by Jimmy Fasullo and his orchestra.

The candidate receiving the second highest number of votes will be the Lady of Honor, and the Court of Honor will be made up of the remaining candidates.

Candidates and their sponsors are: Sadie Ranta, W.A.A.; Alice Wilkinson, Nelson Hall (men); Alta Fulton, House of Rice; Frances Prather, House of Wiley; Betty Morrell, Home Economics Club; and Mary Acheson, Casa Del Reyes Boys.

#### "No Stuffing The Ballot Box Thurs.!"

By FRED SMITH

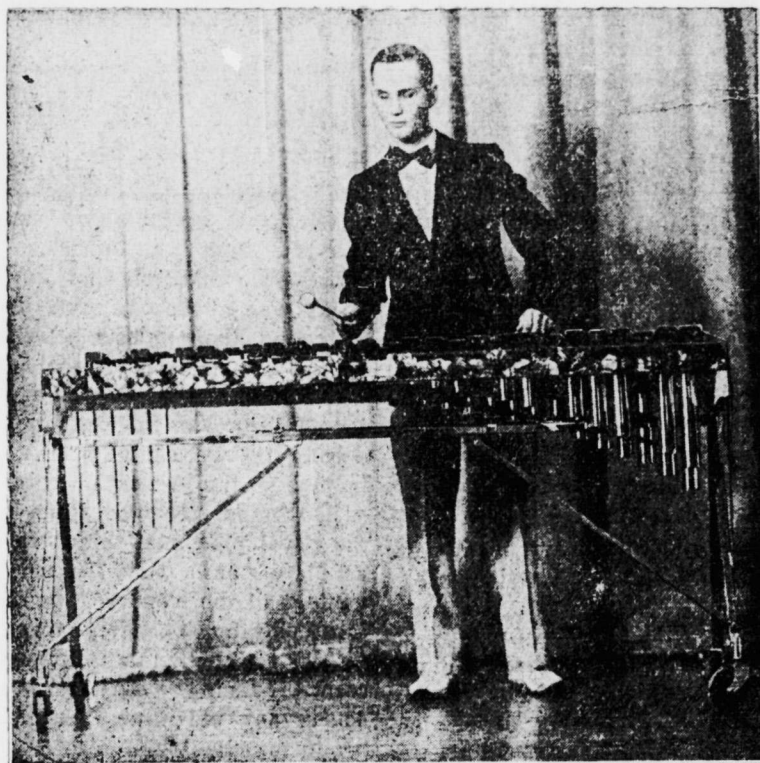

Voting polls will be jammed this week by Humboldt students to elect a campus queen, and break a precedent as famous as the third term. Some coed is to be the first queen of our campus when crowned by the Honorable Bud Villa, president of the student body at the Mutsuhito dance Friday night.

The candidates for the high office may be seen daily cluttering the campus with their beauty, charm, grace and etc. Our queen will rival Sheba's greatest and Hollywood's most glamorous.

An ugly rumor circulated yesterday states that stuffing of the ballot box will be prohibited.

The bid system will prevail for the Mutsuhito Formal this Friday night. Bids must be in by tomorrow at 10:00. (Thursday)

Sad lament in the hall all this week "And they actually kicked me out of class because I hadn't paid a little old course fee."

#### Blind Xylophonist Will Be Featured At Assembly

Feature artist in the blind concert program to be presented tomorrow at Humboldt State College is Pierce Knox, 20 year old blind Xylophonist.

Knox has been acclaimed as one of the greatest blind musicians in America, being gold medalist on the Xylophone in the National High School contests at Cleveland, Ohio. He

also played at Ripley's at the New York World's Fair.

Explanation of the Braille system of writing will be given by the blind students between musical numbers. By means of an electrical device the audience can see the process of writing Braille.

There will be a silver offering.

#### Tentative Cast For New Play Announced

Dr. Garff Bell Wilson, of the Drama department, has announced the tentative cast for Humboldt's next dramatic offering, the light comedy, "French Without Tears": Brian, Milton Villa; Alan, Zane Nichols; Kenneth, Roberick Bryan; Marianne, Marilyn Brown; Monsieur Maingot, Dan McClure; Rogers, Jack Sivert; Diana, Maxine Maxwell; Kit, Clark Nellist; Jacqueline, Marella White; Lord Heybrook, Reece Morrel.

#### Mutsuhitos Enjoy St. Patrick's Day

Mutsuhito members gave their annual St. Patrick's Day Breakfast Monday morning at 6 o'clock in Nelson Hall's banquet room. The dining room was decorated in the traditional green and white, with a white camillia at each girl's plate. After breakfast dancing was enjoyed in the little gym until time for classes.

Those attending were Eleanor Shaw, Sarah Southworth, Mary Westbrook, Hazel Hagne, Muriel Yaley, Lois Wrigley, Marion Stickels, Doris Waldron, Carolyn Crane, C. Ostrander, J. Schussman, Helen Howard, Vivianne Nelson, Rosie Ivancich, Shirley Kirkpatrick, Channing Jenkins, Gaylord Moxon, Bill Farber, Bert Davis, Herb Gomes, Howard Lee, Fred Iten, Leon Flink, Jack Sievert, Louis Walton, Ward Falor, Ted Speier, Dick Fitzpatrick, Bill Fiedler.

#### DAVIS STUDENT CLAIMS HITCH-HIKING CROWN

William Hallisey has the undisputed title of the intercollegiate hitch-hiking champion of all college students! Hallisey is a student at the agriculture college at Davis, and he hitch-hikes to there from his home in Suisun, a distance of 35 miles, every day. He claims he hasn't missed a class yet.

#### DANCE AWAITED WITH GREAT EXPECTANCY BY STUDENTS

By P. P.

The music stops. Dancers, expectant, crowd about the platform. Maestro Jim Fasullo raises his baton for silence—the big moment is at hand!

"Ladies and Gentlemen, it is my pleasure to announce that the first queen of Humboldt's campus is none other than beautiful, vivacious—" and there, patient readers, censorship restrictions prevent our revealing the name of Humboldt's new femme fatale. Of course, you understand that the "Little Grey Wabbit" has already whispered to us the name of Humboldt's Queen—to be—but we cannot tell you ahead of time. You'll simply have to attend the Mutsuhito Formal Dance Friday night and see for yourself!

#### Choir Will Give An Extra Performance At The Hotel Oakland

Mr. Edmund Jeffers, director of Humboldt's A Cappella Choir, announces that the choir, while making its Spring Tour, will give an additional request performance in Oakland April 8, at the Hotel Oakland, before the Association of the Principals of Secondary schools.

In preparation for their trip, the choir has been practicing Monday, Tuesday, and Wednesday noons; Friday afternoons; Monday, Tuesday, and Thursday nights; special sectional rehearsals, and a Sunday afternoon rehearsal is scheduled for March 23rd.

The thirty four members of the choir include:

First Sopranos: Beverly Gosse, Lois Johnson, Gwyneth Langdon, Mildred Lewis, Katherine Pratt, Jean Schussman and Vera Vincent. Second Sopranos: Helen Arnold, Dolores Scholl, and Nadine Swan.

First Altos: Barbara Bird, Nancy Jo Birnie, Imogene Elmore, Helen Hartsook, and Betty Morrell. Second Altos: Carolyn Crane, Warren Elmore, Belva Walch, and Karen Loft.

First tenors: Rico Bonjio, Bob Pinches, and Eddie Ruud. Second tenors: Ward Falor, Berton Speer and Charles Roscoe. First bass: Darwin Belfis, Eugene Hammond, Ledo Matteoli and Ted Speier. Second bass: Bill Beer, Wallace Look, Allan Lowry, David Samons and Reno Orlandi.

#### THIRD EDITION FOR FRED

Mr. and Mrs. Fred Telonicher of Arcata, are the parents of a baby girl, Margaret Moore, born March 16, at the Trinity Hospital in Arcata. The baby weighed eight and three-quarter pounds at birth. Dr. Harry L. Jenkins is in attendance. The Telonichers now have three children. Fred Telonicher is assistant professor of biological sciences at the College.

#### FOUR HUMBOLDT CO-EDS IN FASHION SHOW

Co-eds Rosie Ivancich, Louise Corbin and Helen Hartsook were models in Daly Brother's Spring Fashion showing "Americana" last Thursday, March 18. The afternoon showing of latest fashions was held at the Eureka Theatre, while the evening showing was given at the Eureka Inn on Thursday.

Maxine Maxwell, Humboldt's "Sempervirens" editor, was stylist and did an excellent job of announcing the show.

#### Soap-Box Rally For Queen Candidates Held In Small Gym.

By Pat Patterson

Campaign time is here again! The time of cee-gars, kissable babies, and fat politicians. Soap-box orators are in their glory, and "cokes on the house" are in order for the day.

A great deal of publicity has been given to the Queen's crown candidates through posters, rallies, and private persuasion (but not of the knuckle variety). The planned rally of Thursday morning in the small gym aroused the student populace, and, under the leadership of Richie Jarboe, the candidates were presented.

The Home Ec's candidate, Betty Morrell, was brought to everyone's attention first of all. Chuck Waters, of the House of Wiley, interviewed Lois Wrigley and Jack Sivert on behalf of their candidate, Frances Prather. Louie Kotick, of the Nelson Hall Men, and Earl Mene-weather from Cassa De Reys, spoke of the individual charms of their respective hopefuls; Alice Wilkinson and Mary Acheson.

The W. A. A. failed to soap-box for their candidate, Sadie Ranta, and the rally was concluded when Rod Belcher, spokesman for the House of Rice, spoke for Alta Fulton.

All high-pressuring will climax in the election tomorrow, when the Associated students turn out en masse to vote for their candidate. The election will be conducted in the usual way in the social unit, between the hours of 10 a. m. and 4 p. m.

#### THIS WEEK

MARCH 19, WEDNESDAY—	Men's Intramural-Seniors vs. Sophs.
MARCH 20, THURSDAY—	Blind Students' Assembly Silver Offering, 11:10 Audit. Campus Queen Election— Social Unit. Men's Intramural-Frosh vs. Sophs.
MARCH 21, FRIDAY	Mutsuhito Formal-Queen Crowned Choir Rehearsal— Men, 4 p. m. Men's Intramural—Juniors vs. Seniors.
MARCH 25, TUESDAY—	"There Shall be No Night"— Reading by Mrs. Gordon Man- nary and Dr. G. B. Wilson.

Recognizing the many and varied criticisms of the Science Club, and feeling that these comments should be brought to the attention of the student body, we would like to state certain grievances and suggestions in the hope that the much needed changes may be made.

Although the purpose of the Science Club ostensibly is to create interest in science at Humboldt, we have not found any evidence of such creative accomplishment. The only thing accomplished at all is an annual trip, and this is admittedly not a scientific project nor is any attempt made to make it anything but a pleasure tour. The meetings are typically dedicated, not to science, but to eating and gossiping. Above all is the fact that the Club's entrance requirements are not a legitimate basis of judgement of a person's interest in science.

These faults are due mainly, we think, to a lack of progressive leadership. Then, too, the lax requirements tend to attract students not keenly interested in science; and, at the same time, fail to attract the real enthusiasts.

The remedy for this situation lies in a reorganization of the leadership and the making of requirements which will give the Science enthusiasts something to accomplish in order to meet, and by the same token, will discourage those who would join for purely social reasons. When these two things have been done, Humboldt State will have a Science Club which is worthy of its name and its reputation.

(Signed:)

S. E. Reaume, Chem. E. '43.

Dean Lansing, E. E. '44.

**"WHAT'S THE BEEF?"****MINORITIES AGAIN—**

We are very unhappy about the apparent discrimination shown in using the halls as an advertising medium. The Senior Class is refused permission to put up posters advertising their Carnival, nominally because the office, in pursuance of a new policy, says "Unh-uh." The A.W.S. ran into the same situation when they attempted to boost their recent panel. Yet "Queen" posters turn up everywhere. How come?

Plenty Grieded '41.

To the editor:

What happened to the radio programs about which we heard so much? After getting many of the students interested, Jack Sivert has given no further information as how the projected broadcasting program was shaping up. It seems to me that this was a very good chance to advertise Humboldt; and, at the same time, an opportunity for which many students have been waiting. Let's hear more about it!

Three cheers and a resounding "huzza" for JOVIAL J. B. McFARLAND, the man who is keeping Humboldt on the hill! His latest of a dazzling series of movements has counter-acted and eliminated an age-old institution of evil at HSC, it Cuckoo clocks. Unfortunately, the "New Dials" progressive spirit does rather raise the dickens with a formerly fool-proof alibi.

\*\*\*\*\*

**INFORMATION PLEASE?**

We are kinda stoopid. In fact, we have been accused of having practically no "smart" a-tall. We are particularly over our heads in sports slangage, but we would like to know if the term "love" game was "thunk" up to apply to MAURY AYALA on the tennis court when KAY NELSON is on the sidelines. What a racket! (Figuratively speaking, of course).

\*\*\*\*\*

**PENALTY . . .**

It's a good thing basketball season is over, 'cause we're a bit afraid that scoring ace BILLY LEE would "foul out" rather quickly now. He has developed quite a "holding habit," to which FRANCES PRATHER apparently sees no objection, but we doubt if there would be a referee as lenient.

\*\*\*\*\*

**HACK, HACK . . .**

We had fun yesterday! We visited a couple of friends of ours who were correcting history papers. We were rather curious as to the methods employed, and at this point we would like to assert that is only a nasty, insidious rumor, designed to undermine Democracy, that readers throw a stack of papers into the air, giving only those which stick to the ceiling A's. They count those that land on the mantel, too.

\*\*\*\*\*

**SAME SONG, SECOND VERSE...**

One answer we enjoyed particularly was about the Puritans, who, according to one girl, were handled in a very unhappy fashion. Namely, "They were tortured to death, and sent to America in exile." Maybe that's were "Dead-heads" come from.

**MORE WAR PAINT "TOUTE SUITE"**

By TOM HANSEN, '41

The office of the Humboldt Lumberjack is having its "face lifted," with a brand new paint job for the new partition recently added. The color scheme so far is half white and half "flesh" ("natural" to you), where the doughty brush wielders ran out of paint. It promises to be a pretty smooth job upon completion.

Currently referred to as "Hartsook's Prison," the office will soon be one of scenic beauty on the campus! Renovation proceedings are "carrying on" under the direction of Helen, the Jailer herself, and jovial J. B. McFarland, with "Gomer, the Roamer" Jones playing a strong supporting role.

**What's Cookin'?**

BY ROSIE

All in all, according to reports, the Mutsuhito St. Patrick's Day breakfast which is an annual event was a success even if the girls and their guests were still wiping cobwebs out of their eyes when breakfast was served at Nelson Hall at 6 a. m. Yes, and the decorations were mighty fine, too, including the beautiful camellia each member received along with the novel pipe men which served as place cards . . . Taking advantage of the wonderful weather, Humboldt has been enjoying, aspirants for the tennis team can be seen practicing diligently on the courts any old time, whether it be during the lunch hour or just any time. Among those seen participating in the "fine old game" are Ellis Williamson, Frank Crichton, Betty Morrell, Zane Nichols, Katherine Jean Pratt, Marilyn Brown, Dean Galloway, and then some. Nothing like an exciting game of tennis these days to get one into condition . . . Elected to represent the W.A.A. at the conference to be held at San Jose State in April were Nadine Swan, and Mary Caprile, president of the organization. Barbara Crnich, former student who was outstanding in women's athletics while at Humboldt, is now teaching at Weott. . . Which reminds me, don't you all forget to attend the Mutsuhite "Queen's Ball" to be held Friday night or—you'll be missing something, honest. . .

JONES AND MOORE

Wavell, the "desert fox" of Lybia, has, according to the latest reports, landed about a hundred thousand men in Greece. It is pertinent that Wavell did not do this until after a conference with Dill, his superior. Can it be that Wavell, who is considered by the Germans as the best British general of the war, is not in sympathy with an Allied Balkan campaign?

If Wavell has any misgivings as to the astuteness of the English move they are probably founded on several very important insecurities of position and equipment, relative to the Germans. The Empire troops did an excellent job in the North African desert, but that has no direct bearing on their ability to conduct an action in the Balkan mountains. They are confronted with an entirely new set of problems — to be met with equipment designed for the desert.

Just take, for example, their tanks. The tank is basically the same but a lot of gadgets are necessary to make them effective in the sandy, dusty desert. Treads, air-cleaners, cooling systems, and other minor details which, if not changed, will greatly impair the efficiency of the tank when used in a hill country. Another item is the detail of a million or so Germans in Bulgaria who are undoubtedly armed for the specific job at hand.

Another point is the terrain. England can land troops at any port in Greece that she might choose. And then what? Where can she go with only ten divisions? Any drive up any river valley anyplace would so thin out the British force than even the Italians might cut them off.

One possible logical notice for the British occupation of Thrace might be to seize and hold a bridge-head and wait until sufficient troops can be assembled to force Germany's back door. Where these troops are coming from is problematical but after Roosevelt's speech last Saturday, your guess is as good as anybody's.

## Audiences Acclaim "On Borrowed Time" Very Unusual Hit

LOUISE CORBIN

"On Borrowed Time," Paul Osborn's warmly human fantasy, was received enthusiastically by student and public audience alike last week, when this story of devotion between grandfather and grandson was presented in the college auditorium under the direction of Dr. Garff Bell Wilson.

Easily one of the finest individual performances ever seen on a Humboldt stage was that given by Richard Jarboe, whose characterization of "Gramps" topped all his other outstanding roles. Jarboe's technique in creating the character of the lovable octogenarian was faultless, and his projection of feeling and emotion was superb.

Young Maurice Elmore, youngest of the dramatically inclined Elmore, shared honors with Jarboe for his performance as "Pud," the other half of the grandson-grandfather duet. This college elementary school youngster injected surprising talent into his role, and was always completely free from artificiality so prevalent in child actors.

In the difficult role of "Mr. Brink," Jack Sivert succeeded excellently in what the part demanded—that of being both menacing and kindly at the same time. His voice and stage manner were perfectly suited to the role of a gentle and sympathetic "Death."

In smaller character roles, Warren Elmore and Louise Corbin were also excellent. Both made the most of their parts by skillful and consistent creations of "Aunt Demetria" and "Granny." Also giving able support was the remainder of the cast, including Betty Fay, Dean Galloway, Charles Waters, Martin Stockel, Hobart Davis, Herb Gomes and

By ROD BELCHER

## Platter-Chatter

BY

REAUME and LANSING

This week, Platter Chatter's nosegay goes to Dinah Shore, the lady with the cream and velvet voice. One of her latest is called "I Do, Do You." Miss Shore's clever key changes in this one demonstrate the artistry that makes her one of the top swing-singers of today. The flipover gives us that familiar and hackneyed tune, "I Hear a Rhapsody." Again the Shore lady thrills us by rendering, in a thoroughly enjoyable manner, a tune which has taken a beating at the hands of practically every warbler in the business. Altogether, this is a platter worth chattering about.

A few times in one's life comes a platter which is something more than just an ordinary swing tune. Such is Artie Shaw's "Concerto for Clarinet." This masterpiece covers both sides of a twelve inch Victor. It is impossible to describe such variable artistry as is displayed here. The time in this piece changes from a slow deliberate tempo to the hottest of Artie's swing time. For those who are familiar with Shaw's works, shades of nearly all his former tunes can be recognized in the Concerto. Because of this, it can be classified as a perfect resume of Artie's repertoire of music. In the finale, Shaw starts way down below sea-level and intricately works his clarinet up to a perfect high "G," which you licorice stick suckers know is no breeze.

**NOTICE!! MR. FRED TENONICHER, HEAD OF THE BIOLOGICAL SCIENCES DEPARTMENT, REPORTS THE LOSS OF HIS TAN WHIPCORD OVERCOAT. HE IS VERY ANXIOUS TO RECOVER THE COAT, AND OFFERS A REWARD OF \$2.50 TO ANY PERSON WHO FINDS THE COAT AND RETURNS IT TO HIM.**

Anthony Armstrong.

The settings were again the usual well-done work of John Van Duzer and his dramatic workshop crew. His set of the apple tree drew spontaneous applause from the public audience when the curtain was drawn on it for the first time.

"On Borrowed Time" will take its place alongside the better productions by Humboldt State and by Dr. Wilson.

## 'Marriage vs. Career' At Women's Meet

Should women have careers after marriage? This was the topic discussed at an assembly sponsored by the A.W.S. last Friday, by a forum composed of Mrs. Edmund Jeffers, chairman; Mrs. Jessie Woodcock, Mrs. Raymond Fisher, and Mr. James Hunter. Mrs. Jeffers, who summarized both sides of the question, said she found that married women working were more self-reliant, and that their business contacts were stimulating mentally. However, they were also slightly envious of the housewife's leisure, and they feel that there is less companionship between the married working woman and her husband.

Mrs. Woodcock gave the viewpoint of a woman who has successfully combined a home and a career. Mrs. Fisher, who taught school and was a personnel director of two large department stores before her marriage, stated that she did not believe a woman should enter the business world after marriage. Mr. Hunter gave the man's viewpoint, and the psychological results of a woman working after marriage. After the members of the forum had stated their views, the topic was discussed by the audience.

## "The Faculty Quips Like the Rest of Us"

Faculty mumblings heard here and there about the campus: Mr. Jeffers (in choir practice) "I have made so many arrangements now I am disarranged"—"Some one got a key stuck"—"I'm the lovely maiden you choir members may sing to"—"You basses would have to come dragging your muddy feet in with that entry"—Mr. Hicklin: "A skunk is a gentleman who tends to his own affairs, just don't press him"—"Shakespeare Class) Dr. Balabanis—"and they created a great big huge monopoly!" (Econ 1B class)

## VIVID BOOK ON WAR AVAILABLE IN LIB.

"The Wounded Don't Cry" by Quentin Reynolds is a Real book about a real war—it spares the reader no gruesome details. This book is by one of America's best known European correspondents, who is also one of our most popular magazine and short story writers. It is considered one of the best eye-witness stories to have come out of the war-area up to the present time. It's well worth the five cents it cost to read it, so why not splurge and "git edicated?"

## Fifty Enroll For Home Ec. Course

It has been estimated that about 60 per cent of the women college graduates in the United States get married within the first two years after graduation. Perhaps the women of Humboldt State, with this point in view, are developing a greater interest in the Home Economics courses offered here.

There are now 50 students enrolled in this department—the majority of them studying for an Elementary and Junior High School Teaching Credential. Enrollment in this department includes five Home Ec. majors, 15 Home Ec. minors, eight pre-nursing students, 12 electing the subjects, and ten taking more than one Home Ec. subject. Justly enough, the most popular subject is Nutrition.

## DIAMONDS and CINDERS

BY DON MAHAN

A real hitting duel took place when the Humboldt State Nine nosed out the Recreation All-Stars, 13 to 11 last Saturday afternoon. Although the All-Stars led the hitting with fifteen bingles, they only collected eleven runs. On the other hand, the Lumberjacks scored thirteen runs from thirteen hits.

Maury Ayala went through nine innings without any relief—which is too much for a pitcher in his first game of the season. Ayala's pitching, under the circumstances, was very good.

Darrell Brown looks like a fine prospect for the collegians, although only played a few innings at short-stop position. Veteran Menewether looked like the best fielder of the two teams.

Richie Davis, who formerly wrote the sports column, has left school to work. Richie's presence on the campus will be missed very much by his friends.

There's not much "cookin' for track, except that the boys are out there practicing every afternoon with Coach Hart. Starting this week, the boys will practice on the Arcata High school track which is a better set-up for them than the Elementary school field, which is now too soft. Bob Forbes, Cal-Aggies sprinter, is expected to give the boys plenty of competition for the Lumberjack sprinters this year, as he has run the 100 in 9.8 seconds.

## Eighteen See Action In Opening Game

Eighteen men turned out for the Humboldt State college baseball team in their first game with the WPA recreation team of Eureka.

The team is working for the game with the Hoopa High School Warriors here next Friday, Mar. 21. Following the game with Hoopa they will play Ferndale High school at Ferndale on March 28, and Eureka High school on April 4.

Members of the team out for practice are:

Speier, 2b; Crichton, 3b; A McGrath, c; B. Farber, 1f; Ayala, p; Lee Flink, rf; Armstrong, 1b; Merrick, ss; Orlandi, cf; Montgomery, c, ss; Courtright, 1b; Menewether, 1f; Vogel, rf; Hitchins, rf; Belcher, 1b; Orlandi, 2b; Haughey, 1b, ss, 2b.

# LUMBERJACK SPORTS

## SENIORS AND SOPHOMORES WIN INTRA-MURAL OPENER

### RICHIE DAVIS LEAVES H S C

RICHIE DAVIS

Richie Davis, Humboldt State athlete and sports editor of the Lumberjack for the past year and a half, has left school to work.

Davis, a sophomore student majoring in Industrial Education, was half-back on the football team and middle distance runner on the track squad for two years. He was also on the basketball squad for one season, and he was active in amateur boxing, having fought in the Lions Club Amateur tournaments in Eureka.

## Fire Fighters' Exam Offered March 29

Local men are needed for employment with California's State Division of Forestry during the 1941 fire season and an examination for Forest Firefighter has been scheduled to be given in Eureka on March 29, the State Personnel Board announced today.

This examination offers local men the opportunity of state civil service employment in this region. No experience is required to enter the examination. Last year an insufficient number of men was obtained and everyone who applied and was successful was hired. It is anticipated that thirteen hundred men will be needed for the 1941 fire season for work on fire suppression crews.

Applications are to be filed in person at the Eureka Highway District Office, between 1:00 p. m. and 4:00 p. m. Complete information may be obtained at the Division of Highway office or by writing to the State Personnel Board, Sacramento.

The seniors and the sophomores have been the winners in the intramural basketball league which recently started under the direction of Art McGrath. The seniors took their game by forfeit from the freshmen while the sophomores won their tilt by upsetting the highly touted junior quintet by a score of 27-20.

These games are to be played at 12:10 each day. If five players from a team fail to appear on the floor by 12:15, the game will be forfeited by that team. There will be one round played, and if enough interest is shown and the players wish it, a second round will be played.

The schedule is as follows:

Freshmen vs. Juniors — Thursday, March 18.

Seniors vs. Sophs — Wed., March 19.

Freshmen vs. Sophs — Thursday, March 20.

Juniors vs. Seniors — Friday, March 21.

The lineup for the Freshmen team includes: Tonini, Del Fatti, Iten, Darrell Brown, Ed Ruud, Sivert, Cloney, Nichols, Matsen, Roscoe, Sanders and Hutchinson. The sophomores: G. Ferguson, B. Speer, Du Mond, Armstrong, Morton, Stashuk, Ayala, Courtright, Goodwin, F. Smith, F. Waters. Juniors: Longholm, B. Lee, C. Waters, Haughey, Caro, Eaton, Kotick and Speiers. Seniors: Flocchini, Belcher, Mitchell, Sandretto, Sundquist and Saunderson.

## Three HSC Pilots Take Exams.

Merwyn Riddle and Don Turner, Humboldt students, have left for Hamilton Field where they will take their physical exams for entrance into the Army Air Corps. Both are graduates of the California Civil Aeronautics Course offered at Humboldt.

Bud Villa, another C.A.A. graduate, left Thursday for Santa Rosa, where he took his physical examination for the Navy Air Corps.

## Lumberjacks Open Baseball Season With A 13-11 Win

The Humboldt Lumberjacks nine opened their season with a 13 to 11 victory over the Recreation All-Stars team last Saturday, March 15, at the Arcata High diamond. Leading the hitting for the Lumberjacks was Art McGrath, catcher, and Frank Crigh-ton, third baseman. Ellis and Pinches led the All-Stars Team's hitting.

The game was the first for both teams, with no practice before the actual game time for most of the players. Only one mis-cue was charged against the collegians—that by Orlandi, in center field. The game became more of a hitting duel with both pitchers allowing many hits.

Miss Betty Baldwin's radiant Monday morning expression can be due to nothing else but her trip last week end to San Francisco where she visited soldier boy Al Canapa.

## Financial Office:

Wanted: A boy or girl living in Arcata to work for meals. See Mrs. Woodcock, financial office window No. 130.

Wanted: Boy to work in service station evenings, Saturday and Sunday. See Mrs. Woodcock, financial office window No. 130.

FRANNY MOORE

One of Humboldt State's most famous alumni, Franny Moore, '39, has been coaching at Arcata High for two years. While at Humboldt he played football, baseball and basketball.

Moore's heavyweight squad won the Humboldt-Del Norte basketball championship this season.

**NOTICE!! MR. FRED TENONICHER, HEAD OF THE BIOLOGICAL SCIENCES DEPARTMENT, REPORTS THE LOSS OF HIS TAN WHIPCORD OVER-COAT. HE IS VERY ANXIOUS TO RECOVER THE COAT, AND OFFERS A REWARD OF \$2.50 TO ANY PERSON WHO FINDS THE COAT AND RETURNS IT TO HIM.**

Bill Farber quite calmly ejected "Ladies' man Bill Boggess" from the co-op the other day for all of three minutes.
