HSC TO MEET ST. MARY'S FROSH

Lumberjacks To Play Powerful Eleven Sunday

A surprise attraction was added to the Humboldt State College football schedule with the announcement last night by Athletics Director Harry Griffith that the Lumberjacks will play the St. Mary's Frosh Sunday, October 5th, in Eureka.

The scheduling of the game was completed yesterday afternoon after brief negotiations between the athletic department of the two schools.

Because of the suddenness of the negotiations, no information is yet at hand about the St. Mary's team, but every year the freshmen have a great number of outstanding high school athletes from all parts of the United States.

EIGHT GAMES NOW

The Humboldt squad was enthusiastic about the addition of this home game to their schedule as there was an open date for this weekend. The St. Mary's game gives the Lumberjacks a full schedule of eight games for the season. This is the most they have attempted for several years.

"FALL FROLIC" SLATED FRIDAY NIGHT IN BIG GYM; MUSIC BY JIM FASULLO

Co-chairmen Mary Westbrook and Sarah Southworth paused long enough yesterday in the midst of last minute arrangement to describe the keynote of the coming Mutsuhito dance as "strictly sport."

Jim Fasullo will furnish the music, with dancing from 9 to 12 p. m. in the big gym. Decorations will be simple: greenery and balloons.

PLEASE PASS THE BEANS!!

The grapevine has it that the odor we've been breathing around the old Humboldt State Country Club lately has been traced to the corpse of the DEAD Humboldt State student body. In plain talk, the frosh class of '41 and all the rest of us who want some excitement are being short-changed this semester.

How come???

How come no BEAN FEED?

Ever since Carl Owen and Franny Moore enrolled at Humboldt as freshmen (the year before Dr. B. eloped from Asia Minor with Helen of Troy), the HSC student body has been celebrating the opening of football season with the ANNUAL Bean Feed, the traditional rally program after which our guys and gals adjourn to down-town Eureka for a serpentine rally and a pile of joy.

But this "aint all"—not by a jug full!

How come no bounce after the battle at Albee Stadium, Saturday P. M. for the San Francisco State Warriors? And just incidentally, our team looked pretty sharp in their first go under Coach Hoos—an added cause for jubilation. Does anyone think that the open jig at 2nd and F in Eureka was a fair substitute? Neither do I.

Yeah!

How come no freshman "dinks" this semester?

And maybe it might be a thoughtful gesture if a group of us from the college would meet the players of a visiting team at the train so they wouldn't have to lug their stuff around town till they find their hotel,—as the S. F. boys had to do Saturday morning.

Already we can hear the excuses coming in from those responsible. But no matter how convincing their alibis sound, remember gang, WE'VE BEEN SHORT-CHANGED. Let's salvage what we can by demanding a bean feed, rally and serpentine before the Chico State game.

Stan Roscoe—'43.

PERENNIAL BEEF

The men's smoker is a disgrace to the college. Poorly ventilated, ill lighted, devoid of all but the crudest furniture, the smoker is anything but conducive to relaxation, as a place of its kind should be. A decent place should be available, particularly during the rainy weather when it is impossible to go outdoors to smoke, relax and indulge in a bit of a bull-session as the men so desire. Under the present conditions, it's an ordeal rather than a let-up even to enter the smoker, much less stay there longer than five minutes.

EVIL FEATURE

A particularly evil feature of the place is the proximity of the incinerator, and when the trash (leaves, papers and old tires, we suspect) is being burned, the smoke blows in the window, mingles with the already stale tobacco smoke and produces a mixture of odors that even the most "seasoned" veteran can't stomach. Surely there must be some other room in the college that

could be converted into something that resembles a smoker more closely than the present lethal chamber!

How about it fellows? Let's have some suggestions as to ways and means of improving this situation.

"Seasoned"—'43.

WHAT GOES?

I'VE BEEN ROOKED! Look, pal—here I am a new student in this mighty institution and I'm talking to all the various guys and gals about what goes on and what, and they tell me that next Saturday night there is a home game and as per usual a dance—victory or otherwise.

So I waited with bated breath and stuff till Saturday night rolls around, and I wheel out my crate and pick up my mouse, promising her football games and dances. She gets the football game but NO DANCE! What goes? The game was peachy but it is a very surprised student body I am talking to the next Monday morn and we want to know. What goes?

Nick Nickerson—'45

Out Of The Fog

Who's the lovelorn Lothario who wrote (in part) to a certain cute lil' Freshman gal like so: "My Darling—, Since I first saw you I have worshipped you from afar—I am 5 ft. 3 1/4 inches—have blue eyes—brown wavy hair—and I love sports and you dearest—" etc. . . . ? Wow!

MURKY:

Elated were the throngs of students at the football game Saturday night, and very surprised was one defeated S. F. Stater who was overheard singing dauntlessly as he trudged off the field of battle in his dingy lavender togs, "When the deep purple falls—" . . .

TOUCHING TABLEAUX

A carload of grammar school kiddies "Hello, Miss Baldwin"ing our Betty—Don Hurst and Les Larson waltzing to the Alma Mater at the game Sat'day nite—An unknown Frosh quietly gasping for air as he entered the men's smoker. You'll get seasoned to it, chum—

HOOS, IN MINIATURE

Mentor Tommy Hansen coached his C.E.S. Varsity Eleven to a crushing 30-0 win over the Arcata Grammar School Bruisers last week. Attaboy, T. H.

SO SODDY, DOCTOR

We owe Doc Jenkins an apology for the yarn we printed about him last week (the "bone" boner, remember?) We have been told it was the doctor who discovered the faux pas. For the misinformation they gave us, we'll give our Gestapo thirty lashes apiece.

"E" FOR EFFICIENCY

The social unit was closed. In order: an investigation. Results: grand re-opening of the HABITAT. But behind the simple turning of the lock lies this touching bit of meller-drammer:

Editor: "Go to Mrs. McKittrick."
 Mrs. M.: "Go to Mrs. Brookins."
 Mrs. B.: "Go to Miss Davies."
 Miss D.: "Ask President Gist."
 Prexy G.: "See Dr. Balabanis."
 Dr. B.: "Ask the board of control."

About this time, feeling faint and baggy at the knees, the helpless reporter wandered down the hall, and bumped into a member of the b. of c., who explained the mystery of the closed door—"We can't find the janitor with the key!"

A SPECIAL PARTY

Make your party one to be remembered and Borden's Ice Cream will help a lot. Your guests will be delighted with its smooth, tangy richness. Get a variety of flavors, we have all kinds, and let them take their choice.

THE THINGS WE LOVE

Charlie Fulkerson's loong overcoat (d'ja see him at the game?)—The yarn about the moth who went to the night-club and ate a hole in the carpet so he could see the floor show—The gal who tells us she got an "A" in Biology but swears she never could see anything in the microscope!—Jessie Woodcock's red hat and mittens. Oh, so violent!—This Murph Davies coalition—"Army Life," a three point speech by Mr. Karshner—Special love of our'n: these unexpected quizzes in Econ that catch the student unprepared (you know these notes-on-the-cuff stuff.)—

OVERHEARD

Docor B: screams of "Stop beating me!!" emitting from the Lumberjack office.

Right into the waiting arms of Humboldt's stationary Romeo backed Joan Roth. Did she heave sighs of ecstasy plus sweet nothings into his ear? Nope, all she said was—"?—," for the Romeo" was none other than the biology skeleton!

HSC Maintains An Outstanding Placement Record

Maintaining the excellent record that has been upheld since 1929, the Placement Bureau has concluded its 1940-41 season with a record of 95.8 per cent. All students who desired teaching positions have been placed with the exception of Earl Meneweather who is now playing professional football in the bay area.

Since 1929, students desiring and obtaining teaching positions have made the placement bureau record 94.4 percent. In the years 1936-37 and 1939-40 a record of 100 percent was reached.

The services of the Placement Bureau are available to former graduates. This past year, 47 alumni took advantage of this service. Of these, 35 secured new positions, 6 returned to former positions, and one is still unplaced. The remaining five registered with the bureau in order to bring their records up to date before withdrawing from the teaching profession.

Of the students who received credentials last year, ten received positions in Humboldt County, thirteen were placed in other counties of the state, and nine returned to former positions.

The list of this year's graduates and the place where they are now teaching is as follows:

Barbara Crnich and Haven Howatt, Weott; Clarence Edsall, National City (San Diego County); Helen Friedenbach, Table Bluff; Christine Jacobsen, Garfield; Catherine Caltoft, Bakersfield (Kern County); Arline Delp, Bridgeville; Helen Woodcock and Doris Waldron, Klamath (Del Norte County); Archie Forson, Pecwan; Dorothy Fountain, Del Paso Heights (Sacramento County); Elinor Buck, Fillmore (Ventura County); Jean Hood, Kelsey (Eldorado County); Helen Howard, Sawyer's Bar (Siskiyou Coun-

Mu Epsilon Psi Elects New Prexy In Initial Meet

Mu Epsilon Psi held its initial meeting of the semester last Thursday at 11:00 A. M. in room "K." Before the business meeting Jean Schussman sang "In the Luemburg Gardens," and Chinese Mother Goose Rhymes, and was accompanied at the piano by Kay Swapp.

The meeting was called to order by vice-president Katherine Jean Pratt, president Bob Pinches not being in school this semester, and the minutes were read by secretary Nadine Swan. A report of the meeting of the executive committee was given, and their suggestion that there be music at all meetings, and that the monthly meetings alternate between day time meetings, and night meetings was accepted by the club. It was moved and seconded and passed that Katherine Jean Pratt take the presidency, and Wallace Look and David Sammons were nominated for vice president.

Initiation of new members was set for October 7. Committees for the coming year were: To Revise the Constitution: Carolyn Crane, Grant Ferguson, Walter Carr. Committee for new members: Warren Elmore, Ledo Mattioli, Patricia Bartlett. Initiation: Jack Sutherland, Mariane Lambert, Wallace Look. Refreshments: Virginia Hill, Jane Mahnkay, Fern Blakey.

HUMBOLDT OPENS FOOTBALL SEASON WITH 14-2 WIN OVER SAN FRANCISCO STATE

—BY ROD BELCHER—

Scoring twice on beautifully executed pass plays, Humboldt State College's Lumberjacks trounced a determined but ineffective San Francisco State eleven in their first game of the 1941 season and their first game under Coach Earl Hoos by a score of 14-2.

The whole team shared honors in the victory, with Billy Lee and Len Longholm carrying the brunt of Humboldt's offense with their brilliant passing and running. The Lumberjacks also had in this game their best punting in five years, with Harvey Delfatti, giant tackle, getting credit for some sensational booting.

FIRST SCORE

Near the end of the first quarter, Dick Chin, diminutive S. F. State back, quick-kicked beautifully over Longholm's head to the Lumberjack 28 yard line, and from this point the green and gold-clad warriors marched down the field to the first score. Lee and Longholm alternated in the ground attack and a pass, Lee to Red Briggs, put the ball on the Gaters' 31 yard line as the quarter ended.

Longholm gained 6 yards off tackle and then Lee passed to Art McGrath for the touchdown. It appeared that the ball would fall short, but McGrath made a fine shoe-string catch and recovered his balance to race over the goal line ahead of a desperate Gater defender.

40 YARD DRIVE

Midway in the third quarter, Humboldt drove 40 yards to their second score. A perfect pass from Lee to Jack Piersall, who was in the clear behind the Gater secondary, was the scoring play—good for 23 yards.

LOSE ON DOWNS

Never able to get going on the ground, the San Franciscans made a determined drive on passes by Chin in the fourth quarter, but lost the ball on downs on the Humboldt five yard line. On the first play, Longholm fumbled and then fell on the ball in the Lumberjack end zone for a safety, giving the Gaters their lone 2 points.

Humboldt again threatened in the warning moments, when Briggs intercepted one of Chin's passes and ran through a broken field to the S. F. 14 yard line. The tired Briggs, playing his first game for the Lumberjacks, was stopped only because he was exhausted. One play failed from this point and the gun ended the one-sided contest.

Defensive stars for the Lumberjacks were Gene Ward, Ernie Caro, and Dick Fitzpatrick, who, with the rest of the Humboldt forward wall, completely bottled up the San Francisco running attack.

DON HURST

The first of a long line of notches to be added later in the football season has been earned on the axe of the Lumberjack team. Last Saturday night's victory over San Francisco State has shown all the local grid fans the kind of playing to expect from Hoos' boys this year and I really think they will like more of the same.

—Mention of Coach Hoos and the fine job he has done with the team is putting them in condition reminds me of the old idea that all football coaches are nervous. Did any of you ever witness such a nerveless exhibition of anxiety? I am sure that Coach worried some but it wasn't evident at all. Boy, he must drink Postum!

Some of us were baffled by the strange things happening on the field at the game. No, the referees weren't all wrong when they seemed about half way to the squirrels! The new rules were showing their hand. If the bewildered among you had purchased a GRIDIRON as advised, you would have been enlightened on the subject of these new rules.

Veterans in the Humboldt State backfield and line who showed us that they still had the old stuff were Len Longholm, and Billy Lee. Jack Piersall and Lee Briggs, two frosh backfield men also put plenty of spirit and fight into the fracas. Del Fatti was constantly on the go and busted up many a fine looking play and punt.

The most surprised man in this section is, no not the pessimist who favored S. F. State 18-0, none other than our smiling lineman and center, Ernie Caro. While looking for someone to slap a block on in a certain play, Ernie suddenly found that he had become the receiver of a lateral and naturally that meant the ball was in his hands. Did he stoop down and center it to an absent backfield in a moment of weakness? No, for Ernie showed that he has good stuff in him by fighting until

downed by most of the S. F. team. Out of the field of sports for a moment: Thanks to the Arcata High School students for their participation in our game. And a bucket full of flowers to the game little bunch of spirited guys and gals that form our own band. Also to Eddie Ruud.

While in Albee Stadium I began thinking of the time when we would be playing in our own. It may seem like work is not progressing very rapidly but if one notes carefully all the changes from day to day it dawns on him that maybe next year we can use it. Then watch us roll!

Heard in the stands: Humboldt ought to roll this year—Those boys (Humboldt's) certainly are in good condition!—The new unlimited substitution rule isn't so bad after all!—Wish that the Lumberjacks had more home games!—It looks like H.S.C. is back on the football map again!

I'll close with the one about the fan who bragged, "Why, I'm 100 per cent behind the team!" The fact was that he was too far behind !!! Don't be Like That !!!

DEAR ED.

A couple of us sophs staged it over the class meeting the other day and found ourselves practically alone. Well there were only 23 others there, and that isn't all of them by a long shot—I don't think! When we walked in the door the racket deafened us—almost. When they finally settled down to business, it was more of a popularity contest than an election. One of the officers elected was not even present. Humboldt is going to the dogs. No school spirit!
