

LETTERS TO LUCERNE OPENS THURSDAY

New Buildings
For Humboldt

President Arthur S. Gist recently returned from Sacramento, where he was in conference with the state department of finance and the state architect's office.

Funds were appropriated by the last legislature to finance the immediate preparation of plans for post-war construction in the state. The legislature also set up a tentative program of construction projects, but plans to appropriate the money for the definite items at a subsequent session. Assemblyman M. J. Burns and Senator T. Quinn were active in the legislature in the formulation of these post-war plans.

To carry out the intent of the legislature, the state board of control meets from time to time to authorize the architect's office to prepare plans for definite projects. Within the next few days, the board of control will very likely approve the authorization of plans and specifications for the new industrial building at Humboldt State College.

The last legislature also earmarked certain sources of income to be set aside for the post-war construction program. At the present time, the income from these sources is exceeding the estimates. There is hope, therefore, that the postwar plans for Humboldt will also include a library-science building.

The new library is to be where the present Industrial Arts Building is situated and the Science Building where the Co-op and little gym are. The Industrial Building will be where the Messner Apartments are located.

Christmas Music
To Be Held Tuesday

A Christmas Music Assembly will be held December 14 at 11 o'clock.

The program will consist of selections by the college instrumental ensemble, women's chorus, a sextette composed of selected voices, and two guest artists, Mrs. Garrison of Eureka, and Mrs. Gordon Manary of Hydesville.

The guest participants are familiar to the college audiences. Mrs. Garrison has appeared several times as soloist in past concerts, and Mrs. Manary presented a program of readings last year at one of the assemblies.

The assembly will close with a community sing of familiar carols.

THANKS to Mr. G. W. Roberts of the Empire Cleaners in Eureka, the Drama Department now has many new swallow-tailed coats, white pants and dress suits in its costume room. Warren Hill will wear one of the new coats in "Letters to Lucerne."

Mu Epsilon Psi
Amateur Hour

Thursday, December 2, the Mu Epsilon Psi will hold the Amateur Hours which is to be in the auditorium at 11. The program will include everything from classics to Boogie Woogie. A prize in war stamps will be awarded the winner which will be judged by the applause from the listening audience.

Miss Gilberta Negro will be Mistress of ceremonies.

Arabella Carpenter
To Attend CSTA
Convention In L. A.

Miss Arabella Carpenter, who has been chosen as the Humboldt State Delegate to the California Student Teachers Association, will attend a convention of CSTA in the Biltmore hotel of that city, which will be held December 4 and 5 in Los Angeles.

The CSTA which is an organization of all juniors and seniors who plan to become teachers, meet every year to discuss current problems. Delegates from all of the colleges in California come to this convention with all expenses paid.

Humboldt State
Goes On The Air

The Humboldt College radio program over KIEM last night advertised the fall play, "Letters to Lucerne," to be given December 9 and 10 in the college auditorium.

The broadcast consisted of "cuttings" from the play; that is, portions of scenes taken in sequence, which give an idea of the play without giving away the plot.

Gladys Roberts, who has the part of the elderly maid in the play, was mistress of ceremonies. Cast members who participated in the broadcast, were Sally Blackford, Walter Bennett, Opal Shull, Valjean Frazier, Mary Borel, Warren Hill, Jean Hardwick, Shirley Thompson Maxine Olsen, and Rosanne Hill.

The Rev. Arthur W. Reed, pastor of the Baptist Church in Arcata, spoke over KIEM Tuesday morning of last week. He spoke on Thanksgiving and giving thanks. The Rev. Mr. Reed is enrolled in Humboldt State College.

CHEMICAL EQUATIONS

Chemical equations are a bore. They make my head feel very sore. I try and try but all in vain, I cannot reprimand my brain. So pity me, the mortal soul—Who cannot reach his chemical goal.

Five members of the cast of "Letters to Lucerne" are: Front row—left to right: Rosanne Hill, Sally Blackford. Back row: Mary Borel, Sissy Thompson, Opal Shull, Valjean Frazier.

Fall Play To Open
On December 9th

Humboldt's first 3-act play for the year, LETTERS TO LUCERNE will be presented in the auditorium on the evenings of December 9 and 10 at 8:15. The scene of the play is a girls' school in Switzerland at the outbreak of the war in Europe.

Rosanne Hill who won acclaim last year as Judy in HEART OF A CITY, this year will play the role of Erna, the German student at the school. Opal Shull, who played also in last fall's production, will appear this year as Sally, the scatter-brained, wise-cracking Sally. Gladys Roberts, a veteran of many shows in the make-up room and in many behind-the-scenes-jobs will appear as the kindly Margaret, a servant woman. Gladys' other appearance on the stage was "Little Mary" in "Stage Door" in the spring of 1942.

New to the stage is Sally Blackford, who will play Olga, the Polish girl in love with Hans, portrayed by Walter Bennett. Sally is a first semester freshman majoring in history and before attending Humboldt, graduated from the Eureka High School. Before coming to Eureka she attended Stockton High. Sally plays the piano, sings, and in 1939 danced with the Pacific Little Theatre Group at the World's Fair in San Francisco. Her brother Bill Blackford went to Humboldt last year and is now with the armed forces.

Gustave, the old French gardener, will be portrayed by Warren Hill, Miss Linder by Maxine Olsen, and Koppler, the quivering police officer, by Gene Orlandi. Valjean Frazier, a student at Arcata

High last year, will play the role of Marion the English girl. Walter Bennett, a freshman, will play Hans, and Francois the humorous French postman, will be done by Darwin Belfils.

Prompting the play are Meredith Beck and Dorothy Rezzonico, Norma Crane is in charge of costumes, Marcille Garland and Hilda Biasca are in charge of properties, Pat Dumm, publicity, and Marie Syverston and Margaret Bugenig, sound effects. Students working in constructing the scenery are: Margaret Garland, Norma Crane, Pat Dumm, Meredith Beck, Dorothy Rezzonico, and Eula Westberg.

Jean Hardwick who appeared last year as the high brow matron in PROBLEM CHILD, will play the difficult role of Mrs. Hunter, head of the school. Sissy Thompson has the part of the lovable Bingo Hill, the American girl. Mary Borel, who attended Coquille High School in Oregon last year, plays the scheming French girl, Felice.

Mrs. Don Karshner is directing the play in the absence of her husband, now with the Navy Seabees in Virginia. John Van Duzer is the technical director. Mr. and Mrs. Charles Fulkerson will furnish the entre' acte music.

Alpha Psi Omega, dramatic honorary society, will be in charge of ushering and serving the coffee during intermission.

Tickets for the show are now on sale and students are urged to obtain them from Mrs. Brookins to sell to their friends. Prices are adults, 50c, and students 35c. Members of the HSC student body will be admitted free by presenting their student body cards.

Dr. Fisher To
Speak At Eureka
Rotary Club

Dr. Raymond H. Fisher, associate professor of history at Humboldt State College, will discuss Russia of today and the future at the meeting of the Eureka Rotary Club, December 6.

Dr. Fisher also spoke at last week's meeting of the Arcata Rotary Club at Big Four Inn on the same topic.

Dr. Fisher has devoted considerable study to the topic of Russia, being a student of Russian history, and writing his doctoral dissertation at the University of California on "The Russian Fur Trade, 1550-1700." This dissertation will be published later by the University of California Press. Dr. Fisher also was a student at the Russian Language School of Columbia University, New York City.

A CONTEST

Win a free ticket to Humboldt's first play of the year, "Letters to Lucerne," by selling 15 tickets to your friends, relatives, and acquaintances. In the last Lumberjack there appeared an editorial by Rosanne Hill urging students to back student activities in order to keep such activities going at Humboldt. Now here's a chance to do your part.

Our three act plays are the only chance we have to perform for the community at the college, and it is through your efforts as members of the student body that the performance can be a success. The cast and the crew have put in long hours of rehearsing, hammering, and painting on the set, but that isn't all it needs to make a good show. It's up to you to talk about the play and encourage everyone to come so we'll have an enthusiastic audience that will find the auditorium.

Tickets can be obtained now from Mrs. Brookins in the student body office. Adult tickets are 50c and high school student tickets are 35c. College students are admitted free with student cards. When selling a ticket be sure to remind the purchaser that he must call Arcata 46-J (Mrs. Brookins' office) to reserve his seat.

CHRISTMAS PARTY

On Wed., Dec. 15, the faculty of H. S. C. will have their annual Christmas Party. The party will consist of a pot luck supper, games, singing, and an exchange of gifts. No final plans have been made as they haven't yet met.

Sixth Grade Pupils of the College Elementary School, gave a 3-act play Tuesday the 23rd. The Magna Charta—The Great Charter, was the title of the play which was written by the students themselves, after having read the story.

Those assisting the children were: Miss Susan Wilson of the College Elementary staff; Miss Ellen Purse, Mrs. Mary Lengel, and Miss Miller Koger. After the play there was community singing.

Students and their roles were: Robin—Roddy Barnes. Alfred—Remo Pecolatto. Dame Elsbeth—Lois Anden. Lord Gordon—Jimmy McKitt-rick.

Lady Gordon—Grace Kern. Lord John—Duane Hall. Sir Knight—Lester Cook.

Peasants—Barbara Watkins, Elvin Peters, Desmond Burgess.

Soldier—Dorothy Molander, Jay and Ray Parker.

Frances Thompson — Curtain Puller.

Henry Enos—The Announcer.

The students are writing a Christmas play, which they will present in December.

THANKSGIVING LUNCHEON

A Thanksgiving luncheon was surveyed last Wednesday in the school cafeteria to the pupils of the College Elementary School, under the direction of Dr. Jessie McCombs of the home economics department. Place cards made and decorated by the pupils, holly berries, and paper turkeys were used for table decorations. Ann MacMillan, student teacher, aided the children in their plans.

The following pupils of the College Elementary School sold war stamps in the school corridors last week: Duane Hall, Norman Smith, James McKittrick, Jay Parker, Ray Parker, and Elvin Peters. L. J. JR.

The first issue of the 1943 "Junior Lumberjack" is scheduled to be published shortly by the pupils of the eighth grade of the College Elementary School.

PAPER—JUST PAPER

The older students of C. E. S. have been participating in a scrap drive which is sponsored by the Truth of Consequences program of NBC and KPO.

During the drive the students collected 2½ tons. C. E. S. got a

Regional Red Cross Director To Speak To A.W.S.

College women are to have suggestions as to how they can be active in the War Effort in a talk given by Mrs. Clara Duncan, regional director of Red Cross.

This was decided in a board meeting of the A. W. S., November 24, under President Kay Swap. Board members present were Jean Hardwick, Vernes Cobeen, Faith Adams, Phyllis Woodcock, Sally Westbrook and Florence Getchell. For further information watch the Bulletin Board.

Plans Annual Xmas Party

Delta Kappa Gamma, which is composed of women in education will have their annual Christmas Party on December 12th. It will be held at H. S. C. in the Social Unit. Present at the meeting will be the State President of Delta Kappa Gamma, J. Mana Pierce, Music Superintendent in Pasadena. New members will be initiated. There will be an exchange of gifts and a truke dinner will be served. Miss Little is in charge of decorations, and Faye Jackson is in charge of the music. Mrs. Myrtle McKittrick who is president, and many of the college faculty women are members of the organization.

To The Day

From out the silent wings of darkness flies the dawn,
Come to charge the thousand columns of the day.

Roused from its bed of night as the dawn,
The morning dashes forth bringing light across its turquois way.

A pollo awakened from the night goes dashing on his morning's flight,
And where he passes all is bright and dazzling with the new day's light.

And often times it proves quite true that credit given is not due,
And so it is beneath the blue the moon is old the day is new.

Now's the time for all to say that daylight comes along with day.
When animals will work and play, but Homo saps will sleep all day.

The stars and moon all act as one to steal the glories of the sun,
Glories night has never won, for with the daylight night is done.
(Or is it?) —Anon.

rather late start on the contest as the rules and regulations were a little late in reaching the school.

The winner of the contest was Moore School in Missouri, which has a total attendance of 12 pupils.

What's With The World Works

By J. B.

Among the new volumes in the archives of H. S. C. is "My Native Land" Yugoslavia—1933-1943, by Louis Adamic. Those who are interested NOT having another war in twenty years, would do well to read this. Perhaps it's as Mr. Adamic says, "the future is here now," that the Yugoslaves are shaping it and the way they shape it may determine the pattern of life for the rest of the world. Adamic tells of more than one war existing that besides the Gurrilla warfare between Yugoslavia and Germany and of Civil War between the partisans and the Mikhalovich forces there is also a possible beginning world war III since Russia has backed the partisans while United States and Great Britain have supported Mikhalovich. Read of the Nazis "Technique of Depopulation."

Miss "my native land" and perhaps mess the peace.

We who are lovers of the varied and quite amusing works of Bub Benchley will find extreme delight in the fact that "Benchley Beside Himself" is in the libe.

This creation Benchley's opus of late and much earlier to a toothsum bit to say the least. Containing such Scientific morsels of wisdom as "polyp with a post." And "penguin psychology." Benchley is like some other things we know. Once you know him you can't do with or without him. When the Bub Bug's got you, son, you're shot.

Stepen Leacock, whose opinion we respect, after some of the sharp deals he has turned out says, "None excell Robert Benchley in the ingenious technique of verbal humor. As a writer of nonsense for nonsense's sake, he is unsurpassed."

"Benchley Beside Himself" by Robert Benvhley with drawings by Gluyas Williams of "My ten years in a quandary, and how they grew" and "From bed to worse; or Comforting thoughts about the bison." We know it's no insentive, but that's the reason why we're same.

The Story of George Gershwin the boy who came from the bottom up, from beating out tailor-mades in Tin Pan Alley to the tops of American Composers. He pulled jazz out of the water and on the deck, with everything from "Swanee" to the "Rhapsody in Blue" which anyone knows. David Ewen based his biography on his personal acquaintance with Gershwin. For a very interesting and readable biography of the man acclaimed one of America's greatest musicians it's David Ewen's "The Story of George Gershwin."

A second boo in the field of music is Dmitri Shostakovich "The Life and Background of a Soviet Composer" a contemporary musician. Collaboration with Nadejda Galli-Shohat, aunt of the composer.

"We followed our Hearts to Hollywood" new, and to those readers of Cornelia Otis Skinner's and Emily Kimbrough "Our Hearts were Young and Gay" I need say no more than that its by Emily Kimbrough.

It is a bit of light on what 20 years of not travelling cannot do to change the things these women do and how they do them. What fiendish fluke of fate forced these famous females to such foul feasts. (We're sorry.)

Come up again on "We Followed our Hearts to Hollywood" log of a shake down cruise after 20 years on the Beach.

Be sure to come to the dance here December 11.

GREMLIN GAB

Saw Betty Bassford talking long and earnestly with Dick Jones, aerial gunner home on leave, in front of the college the other day. —Albin Kryla spent all of his leave with Mary McLellan—looks like love.—Marge Briggs and Ellis Williamson, Faye Nunes and Ralph Bryant spent a very enjoyable Sunday last week-end. Went for a drive up the coast, dined and danced at the Big 4, and saw "Dixie."

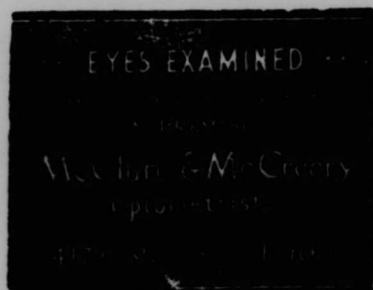

Everyone seemed to be having a good time at the Freshman dance. Congratulations, kids, you really put it over.—Saw George Wilson and Virginia Couer. George was sure miserable with a bad case of poison oak.

Quite a few guys and gals at the Thanksgiving day ball. Don Calder, Oscar and Colleen, Pat Cloney, Faye Nunes, Hilda Bissca, Ardith Petersen, Marge and Darrell Norberry, Shirley Rader, Barb. Reynolds, Wilma Tonini, Dot Rezzonico, Ralph Bryant, Dave Swanlund, and two H. S. C. alumni, Alta Fulton and Marge Cloney. —Margaret Bugenig spent her supper hour with Frankie. A nice guy, isn't he, Margaret?—Wilma Tonini seemed very glad that the date of the Christmas Ball had been changed. Wonder why?—Ask Janie Morgan why everyone is calling her Rosy. My, My.—Not many Humboldters at the two dances Saturday night. At the Labor Hall were Janie Morgan, Oscar Sequist, Kieth Chaffey and Carmen Norton. At the auditorium were Wilma Tonini, Dot Rezzonico, Shirley Rader and Ralph Bryant.

Well, guess that's all for now, kids. See you in the next issue, and be good little boys and girls 'cause Christmas is coming and you don't want Santa Claus to forget you.

Listening Hour

The Listening Hour, held at the Sample-Hagopian residence on Monday, November 22, was an all Brahms and Beethoven program. The first number of the evening was Brahms' Tragic Overture, followed by Marian Anderson singing a German song by Brahms. Other selections were: Beethovens Symphony No. 1, in C minor, two German songs by Brahms, and Sonata No. 17 by Beethoven. Refreshments were served after the concert.

The last Listening Hour before Christmas vacation was given at Mrs. Jeffers home last Monday evening. The numbers were: Brahms' Double Violin Concerto, an album of harpsichord music, and Lynn Fontanne's rendition of The White Cliffs of Dover.

Humboldt State College Basketball Opens For Season

By WALTER SWEET

Humboldt State has started its basket practice for the 1943-44 season. Spirit is high, with over one-third of the men students reporting to Coach Marty Mathieson for practice, though the schedule has been curtailed. Because of transportation and financial difficulties, only six college games have been lined up so far. Humboldt plays at Chico on January 14 and 15, and the Chico State Wildcats come to Arcata on January 28 and 29.

Two games have also been arranged with San Francisco State; H. S. C. going to the big city sometime in February. However, there is a possibility of more games being lined up.

In spite of all of last year's Varsity and Junior Varsity departure, this year's team looks good, as compared with other schools. Twelve men are out, giving their all. They are Franny Godec, Walt Sweet, Axel Lindgren, Mark Melendy, Sut Walsh, Brett Melendy, Art Reed, Gene Orlandi, Dave Swanlund, Web Bennett, Pete Anderson and Irvan Davies. Three practice games have been played so far, each game showing marked improvement for the college five.

HUMBOLDT 51, CLASSICS 43

The first practice game was played at the local gym against an independent five from Eureka, the Classics. The Humboldt hoopsters showed ability, winning a hard fought game by a score of 51 to 43. Franny Godec, Varsity forward, led in the scoring department, taking 24 points.

HUMBOLDT 53, CLASSICS 55

Playing an improved Classics team, Humboldt showed much improvement themselves, though they lost a thrilling game, 55 to 53. Humboldt was trailing by nine points with less than five minutes left of playing time, when they really got to going, and almost overtook the more tired Classics

Hockey Completed At Humboldt State

Fifty women completed in the hockey tournament sponsored by the W. A. A. which ended last week with the Freshmen team winning the tournament. Following the final game a hockey picnic was held at the college fireplace in their honor, with Colleen Murry, Amelia Relac, Marion Langer and Anna Babler in charge.

At the picnic chevrons were awarded to Jean Guarnkein, Pat Cloney, Marion Langer, Lucille Nordquist, Sissy Thompson, Marcelle Garland, who have earned 300 points in sport participation.

Members of the winning team were Anna Babler, captain; Justine Swift, La Verle Morley, Shirley Sweet, Pat Rimbey, Betty Bassford, Winnie Hoag, Goldie Petrovich, Valjean Frazier, Mary Borel, Betty Parton, Eula Westburg.

five, losing only because time ran out. This time "Frog" Sweet bucked the most points, sinking 21 from his center position.

HUMBOLDT 53, FERNDAL 79

Playing the strong and experienced Ferndale Town Team in the Ferndale high school gym, the Humboldt State Varsity lost a high scoring game 79 to 53. The Independents, always hot on their own court, couldn't seem to miss the bucket, making every kind of seemingly impossible shot, Humboldt was left rather in the lurch, behind for one-half, leaving the court behind 46 to 14 at half-time. However, Humboldt outscored Ferndale in the second half, after changing their style of play. Franny Godec again led H. S. C. in scoring, dropping 16 points through the hoop.

JAYVEES 22, FERNDAL HIGH LIGHTWEIGHTS 28

Playing their first game of the season against the Ferndale High Heavyweights, the Humboldt State Junior Varsity dropped the tilt by a 28 to 22 score. The game was very close throughout, Ferndale pulling away in the last few minutes, making three quick buckets to win. Sut Walsh scored 12 points to lead the Jayvees.

The next games for Humboldt State will be played Friday night, December 3, at Fortuna. Two games will be played with the Fortuna High School Heavyweights and Lightweights. Then on Monday night, December 6, Humboldt will play their next home games in the college gym. The Varsity will play a return battle with the Ferndale Independents. The Jayvees will play a game, also.

Why not come out and cheer your team, for it is your team. The fellows like a little encouragement. Everybody can show up next Monday night, when Humboldt will be out for revenge against a good Ferndale Town Team. And if you live in or around Fortuna, and go home on weekends, come out to the Fortuna High gym this Friday night and give dear old H. S. C. some loud support. Win or lose, you can have a lot of fun at all of our games.

Students And Faculty Make Weekend Visits

Several members of the student body and faculty were gone over the holidays. Paul Ricks and F. Godec upon receiving notice from the Navy Department that they had qualified in the V-12 test were ordered to report for their physicals, but since only 50 per cent of those qualifying may enter at this time, they will not know for three weeks whether or not they are to be in the V-12.

Dr. McCombs, Mrs. Murphy and Dr. Hall all went to San Francisco on their vacations. Dr. Hall commented on the fact that it might be a good idea to travel on a holiday since everyone was either where he was going or wasn't going—She tried it and the bus was empty.

Marj Briggs went to Hydesville over the long week-end and returned with a very complex case of inflammation caused by toxicodendion radicon—poison oak to you.

WHO?

On a Monday at 3 a. m. recently, a barn burned down out on Samoa road. In a typical triangle conversation the lady who had announced the fire, and was to tell the details was being quizzed from all sides at once. One question, of course, whose barn? and the second was how did it start, by spontaneous combustion? The reply was, "No I believe the names were Johnson or something like that."

Outdoor Lecture In Psychology

Miss Dorothy E. Romero, principal of the College Elementary School and instructor in psychology at the college, gave an outdoor lecture to the class last week. The members participated in a twenty-minute walk in the redwoods back of the college. In the beginning the class was instructed to keep silent in order to the better observe the scenery.

Members of the class are Mary Borel, Vernes Cobeen, Helen Dushina, June Gassoway, Marian Langer, La Verle Morley, Ila O'Connor, Frances Oldridge, Arthur W. Reed, Bob Slotte, Forrest Waters, and Sally Westbrook.

The fall play, "Letters to Lucerne," will be given here December 9 and 10. Make more plays possible by attending.

Come to the two basketball games here December 6, with teams from Ferndale.

Panel Discussion Next Sunday

Dr. Ralmond H. Fisher will lead a discussion on: "A Christian Basis for a Just and Durable Peace," at the First Congregational Church, in Eureka, on Sunday, December 12, at 7 p. m. Rev. Charles H. Hudson, pastor of the church, is giving over the Sunday church service to an open panel discussion.

Mayor H. R. Simmons of Eureka, Superintendent Adams of Eureka city schools, and Secretary Norman Nevraumont of the Y. M. C. A., opened the series of discussions last week. Dr. Fisher and Manager Clifford Dumm of the J. C. Penny store, joined the panel last Sunday evening. A question and answer period follows the discussion, to which the public is invited.

THE LITTLE AND DEGENHART ART EXHIBIT

Mrs. Stella S. Little and Miss Pearl Degenhart will hold their art exhibit on Friday afternoon, December 3, in the Social Unit at H. S. C. All students and town people are invited to come at any time during the afternoon.

On Saturday afternoon from 2-5 the exhibit will be attended by invited guests.

The exhibit will consist of paintings, oil and water color, and some wood carvings.

Frosh Orientation Has Study Groups

The Freshman Orientation Class at H. S. C. has broken up into new study groups.

The groups with their respective faculty heads will be: Social Relations and Personal Appearances with Dr. Lanphere, Mrs. Murphy and Dr. McCombs; Vocational Guidance, Mrs. McKittrick and Mr. Telonicher; Study Habits and Reading Skill, President Gist, Miss Platt and Mrs. Everett; Courtship and Marriage, Mrs. Karshner and Mrs. Hadley. The students divided according to the group in which they are interested. They may change from group to group, from week to week as they wish.

Rehearsal Notes

Casualties in the production of **LETTERS TO LUCERNE** rate with any peace-time football season. Have you noticed the sling, the cast, the crutch in the halls lately?

Warren Hill's crippled back didn't come from a slide in the skirmish. He's assuming the role of Gustave in the famous Stanislovski manner.

Walter Bennett does a pretty good love scene with Olga even if she does have her arm in a sling.

WANTED: A new member of the cast! Mrs. Karshner's sending out a plea for a doll to play the coveted role of Merriweather in the show. If you have a rag doll of female gender that you think might do let her know immediately. An erstwhile beer bottle has been doing a good standing until the real thing turns up.

Who's the regal looking tall gal? None other than Jeannie Hardwick practising being the school mistress. And if Maxine Olsen seems a little crisp and overwhelming—she's doing the same for her part as Miss Linder. (When she's not singing between scenes.)

Lights in the building at night from now until 9 and 10 mean rehearsals are in full swing.

Hilda Blasca can pound a nail better than any man.

Small voice from rear of auditorium—"You've only ten minutes." Explanation: Sissy Thompson's young sister and her friends from C. E. S. are urging cast members to get down to business. Patsy Thompson is a faithful onlooker at afternoon rehearsals.

U.S. Marines — DONALD L. HESTER

Our Merchant Marine

The South American Trade

Early trading with South America was marked with adventure of every description - hurricanes, pirates, yellow fever and revolutions.

In 1808, Brazil opened her ports to shipping and the following year the first cargo of coffee from that country arrived in Salem, Mass.

America quickly became a coffee drinking nation. By 1860 we imported 46 million pounds from the port of Rio de Janeiro alone.

With world trade generally at a low ebb in the eighties, the cargoes of a newly discovered rich fertilizer from the Chincha Islands, off Peru, proved a boon to the American Merchant Marine.

Now, in wartime, our vessels bring coffee, sugar, nitrate, copper, tin and many other cargoes from South America for war production and civilian needs.

HUMBOLDT MEN HOME ON LEAVE

Only a few ex-Humboldt men have appeared on our campus this week. Eldred Spineas, now a 2nd Lieutenant in the Marines, and Buzz Briggs were here for but too short a time. Ellis Williamson returned for a week before he reported again for duty at Monterey, where he is now stationed.

This tabulation is passed on the men whom we have seen. Please let us know whenever you are home so that we may properly publicize the fact.

Dr. Hall Speaks To Three Clubs

On Wednesday, November 17, Dr. Natalye Hall, who is instructor of economics at Humboldt State in the absence of Dr. Balabanis, spoke before the Rotary Club on the subject of Inflation.

Dr. Hall spoke on "Relations with Latin America" at the Soroptomists Club on November 18, and gave a third speech before the Business and Professional Women's Club in Eureka on "Winning the Peace," on November 22.

than students of H. S. C. will be admitted only by bid. The dance will be for couples only.

It is hoped that this year the ball will be given at the Eureka Women's Club. Nygards orchestra will supply the music for the glad-

Student Completes Basic Training

At Pecos Army Air Field, Texas, recently, Aviation Cadet Leslie F. Brazelton, son of Mr. and Mrs. Clarence W. Brazelton, Mitchell Heights, Eureka, was among a class of nearly 100 California cadets who finished their basic flying training at the Pecos Army Air Field last week. He will now proceed to another station for the last phase of his flying training before receiving his wings and commission.

He is a graduate of Eureka Senior High School, class of '41, and a former student of Humboldt State College, Arcata, and San Francisco State College. Before entering the service, he was a draftsman for the Chicago Bridge and Iron Company at Eureka.
