## Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

HUMBOLDT LUMBERJACK, WEDNESDAY, MARCH 10, 1943

### JUNIOR AND SENIOR MGRS. OF SHOW ARE CHOSEN

Gladys Smith and Patricia Bartlett, who were junior managers last year, were chosen as girl senior managers of the student show at a recent meeting held by the girl junior managers, and Homer Arnold as boy senior manager by the group of boy junior managers. These three will have charge of junior managers and will generally supervise the show.

Junior managers are as follows: in charge of committee on continuity and wardrobe, Nell Dickson; makeup and music, Gladys Roberts; swing band and picture display of Humboldt boys in the Armed Forces, Sam Merryman; properties, Janey Morgan; clerical staff, Homer Arnold; typing, Donna Irish; program cover design, Gladys Smith; programs and scenery painting, Bill Blackford; scenery preparation for painting, Imogene Elmore; scenery construction, Dave Tolle; lighting, Stan Pedley; dramatic directors, Pat Bartlett; dance directors, Marjorie Cloney; tickets and costume construction, Faye Nunes; ticket sales, Ralph Bryant; usherettes, Sally Westbrook; publicity, Barbara Conoly; posters, Des Shanahan; stage design, Phyllis Ricardo.

#### VERSATILE THEME

With "the war effort" as a theme, the show offers almost endless possibilities for various acts, both humorous and serious, showing phases of the war as it effects the college and the county in general. The series of acts as planned include the following:

#### PART I

The show is opened with a scene in the college "co-op," student-run store, after the bombing of Pearl Harbor and shows the reaction upon the students of the news. Then we have the "Three Little Angels of Peace," Hitler, Hirohito and Mussolini. This is followed by a dramatic set portraying a group of soldiers awaiting their zero hour on a south sea island, written by Merritt Neale. Next is a "Rumor" act by George Wilson, showing what happens when people believe and repeat everything they hear. This part of the show is ended by a South American Scene full of color, gaiety and music.

#### PART II

This second part begins with a scene entitled "Army Life" but no army was ever like this. The skit deals with but four soldiers and five WAACS, and is a satire on our modern army. The act was written by Joan Hovey.

The "quick blackouts" which come next are a series of amusing skits dealing with local participation in the war effort. The 1917-1943 parallel act which follows is a comparison of the last war with the present one. Adding a serious note to the show will be a short but touching scene written by a creative writing class member under the nom de plume "E. E. Statch." Closing the second

Pictured above is Miss Nancy Crane, who has been chosen as mistress of ceremonies in the last, or Stage Door Canteen, act of Humboldt State's 1943 Student Variety Show to be given here on April 13, 14, and 15.

part on a lighter note will be a south seas scene in which some American soldiers meet up with a native chief and his dancing daughters.

#### PART III

This last part of the show will be opened by an interpretive dance by the Modern Dance class. Then comes "Women In Industry," a humorous act written by Shirley Thompson. All the students in the show will participate in the Stage Door Canteen finale act. Miss Nancy Crane, attractive and golden-voiced sophomore student, will be mistress of ceremonies in this act.

### Health Measure Is Urged By Frs. Hadley

Mrs. Monica Hadley, director of health service, urges all students with sore throats (even in beginning stage) to remain at home or if the sore throat begins at school to report to Dr. Jenkins in the health office. It may be the early symptoms of scarlet fever. Measles also seems to be prevalent.

Mrs. Hadley asks that students exercise particular care not to expose others to either of these diseases and that they stay home upon the first sign of illness until they are certain it is not contagious.

Notice to those who have signed for the student show: watch the bulletin board in the front hall for your appointments.

## Honor Assembly Thurs.

### "LETTERS FROM ARMED FORCES" ON KIEM TONITE

This evening at 7:15 o'clock the radio production class will present "Letters From the Armed Forces," over station KIEM. The program is a dramatization of letters received by people here at college from former students and faculty members.

Those taking part in the broadcast are: Gladys Roberts, Barbara Conoly, Mary Budiselic, Imogene Elmore, Dave Tolle, George Wilson, Merritt Neale, and Des Shanahan. The script was adapted from the letters by Faith Adams, who will act as mistress of ceremonies. Sound effects will be under the direction of Mary Budiselic.

Don't forget Chi Sigma Epsilon's spring semester assembly tomorrow morning at 11 o'clock in the auditorium.

### NEW MEMBERS OF HONOR SOCIETIES TO BE TOLD

#### ROY C. SMITH GIVES TALK ON JAPAN TO HSC

"Living in Japan After Pearl Harbor" was the topic of Roy C. Smith, who lectured at an 11 o'clock assembly before the student body yesterday. Mr. Smith taught in a government school in Japan for about 35 years, and returned to the United States in June of last year.

Mr. Smith believes that the main reason for the success of the attack on Pearl Harbor was the fact that the United States underestimated Japan as an enemy, and was thus unprepared.

The United Nations, he felt, should first try to smash Japan's military machine and then would be able to do business with the Japanese people.

Their annual spring assembly will be held by Chi Sigma Epsilon, upper division honor society, at 11 o'clock tomorrow in the auditorium. There will be no admission charged, and student body and faculty are invited to attend.

The program will open with remarks by Zelma Woodcock, president of the society. Guest speaker will be Mr. Don W. Karshner whose topic will be: "The Role of the College Student in War Time." Important features of the assembly will be presentation of the scholastic trophy to the house having the highest average index, to be made by June Fountain, and announcement of new members of Chi Sigma Epsilon and of Rho Sigma, sophomore honor society.

#### MUSIC ON BILL

Also included on the program will be several musical numbers. Clifford Hansen will play a piano solo, "A la Bien Aimee" by Schutt; Brigetta Laskinsen will render Brahms' "Sarabande" on her violin, accompanied by Mr. Hansen; and the Arcata Union High School choir under the direction of Miss Ruth Carroll may appear.

The assembly will be concluded with remarks by President Gist and the singing of the alma mater.

#### MEMBERSHIP

At present the membership of Chi Sigma Epsilon includes: June Fountain, Vivienne Nelson, Norma Villa, Zelma Woodcock, and Mary Silva.

Those in Rho Sigma are: Faith Adams, Philip Gilhousen, Earl Gossard, Guy Kieth, Colleen Murray, Dayton Murray, Merritt Neale, Charles Roscoe, and Oscar Sequist.

Associate members are Arthur S. Gist, Homer P. Balabanis, Dr. Harry McGinitie, Mrs. Eleanor Kellenberger, and Miss Adella Johnson, who is also advisor for the society.

## ANNUAL SPRING PICNIC TO BE HELD THURS. BY MEN

By "Dustbowl" Kieth

#### FOR MEN ONLY (All Fear of Us)

You too can be the life of the party—you too can learn to drink some water??? You got it chum. There's going to be a hot time on the old sand dunes Thursday.

What am I gabbing about? Just this. The Men's Association annual spring picnic will be held Thursday, March 11, 1943 in the sand dunes back of Dr. Lanphere's ha-ha-hacienda.

Now fellows, remember this—bring your lunch and a container, as beverages will be served. Also pretzels will be provided.

Remember, Thursday March 11, 1943. Come on, you Navy reserves and show us even if you are left behind you can be a man. Lets get behind these goings on and really boost.

#### WHISKERINO

No, that's not dirt, them's whiskers you spy decorating the manly physogues of what few males are left in the Humboldt Seminary. Although there is often doubt, a little swim in the fish pond helps mightily to clear up any dispute. That's right. Alkire and the rest of the mermals.

Why all the hubbub bub? Here it is, both barrels. That super colossal, famous extravaganza commonly known as the Men's Association Barn Dance is to be held March 26, and pardner I do mean thrown. Brothers and sisters this is going to be the dance of the season (Ah, season, reminds me

of my old girl friend Pepper—boy, she was plenty spicy.)

To get back to the dance, it will be complete with hot and cold running musicians, bearded ladies (by the looks of some of the fellows' fuzz they might as well be women.) and assorted wolves of both genders. The price is merely a pittance, a mere nothing—it would be cheap at half the price. For gals what could catch a guy it is 75 cents and for the lone curly wolves, 50 cents. This I hope will clear up all doubt about this—a and that—a.

### Fireplace Site Is Discussed At Recent Meeting

A short movie of college life was shown by Coach "Marty" Mathiesen, after minutes were disposed of at last Thursday's student body meeting. Jack Piersall presided.

Following the movies, Bob Oliveira's quartet made their last appearance before the student body, as Bob leaves soon for the Army.

President Jack Piersall re-opened the meeting by calling on Jimmy Roscoe to discuss the sites of the new barbecue pit to be built near the college. The sites suggested are Council Crest and east of the administration build-

### Kenneth Atwood Leaves For U. S. Army Service

Kenneth Atwood, 19-year-old son of Mr. and Mrs. C. L. Atwood and freshman at Humboldt State College, left Wednesday night with 50 other selectees for Monterey, where he will start his basic training in the U. S. Army.

Following his preliminary training Atwood will apply for entrance into the ski troopers.

Other Arcata youths leaving for Monterey included Deveraux Pedley, nephew of Miss Evelyn Fielding.

A vote on the suggested sites will be taken in the near future.

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College, without favoritism or partiality to any group or individuals within or outside of the college. Editorials express only the views of the writer, and not necessarily those of the editor, the Associated Students or the College Administration.

At last Thursday's student body meeting, pros and cons of a question concerning the college were brought up—discussion on the site of an outdoor fireplace, money for which was left by last year's senior class.

Although it may not seem to be much of an issue on the surface, it actually amounts to quite a lot. An outdoor fireplace near the college, accessible by its organizations and students, and large enough so that the whole student body could be accompanied on a picnic or gathering at the same time, would serve an invaluable purpose. It would afford an opportunity for outdoor assemblies in good weather, and most of the students are agreed that with all the natural beauty of the Redwoods Humboldt has, it would be unthinkable to put it in a less inspiring setting.

Of the two sites mentioned, in back of the dorm and on

Council Crest, the latter seems to have all the advantages but one—namely, the danger of vandalism. In regards to a former fireplace in this spot which was destroyed, it seems that the culprits must have been of high school age—it was physically impossible for smaller youngsters to hurt it, and college students wouldn't deliberately wreck their own picnic grounds.

Supposing this to be true, why not remove the motive for vandalism? If we invited the high school and its organizations to participate in use of the fireplace, they would be just as anxious as we are to keep anyone from willfully damaging it.

This was only one of a number of ideas on the issue. Before the vote on the matter is taken, there are many angles that should be considered if this project is to be successful.

—the editor.

## RETURNS HOME

Mrs. W. B. McKittrick, registrar for Humboldt State college, returned Thursday morning to Arcata from a visit at Camp Haan with her husband, Major W. B. McKittrick.

## Former Eureka Is Prominent At San Jose State

Glancing over a recent exchange from San Jose State College, we noticed in a column entitled "KSJS Calling" on college radio news something to interest friends and acquaintances of Elsie Benge, class of June '41 of Eureka High School. Miss Benge has been attending San Jose since her graduation, and has made a name for herself there in radio and drama.

"Elsie Benge, sophomore English major," the Spartan Daily stated, "has been turning out a number of fine plays this year. Tomorrow you'll hear her latest, which is an adaption, 'The Invisible Wound,' over KQW at 1:30. It's her first adventure with murder mystery, and promises to be FRIGHTFULLY good."

### WON PRIZE

"Elsie started this business of writing plays in high school in Eureka. She wrote, directed, and produced a number of them there. Last year she won the Phelan prize for her play, 'Long Live the Queen.'"

"Her ultimate aim is to be a radio writer, and by the looks of the excellent play, 'Catherine the Great,' she turned out last week, she'll probably reach her aim."

More people in the exchange department needed by the Lumberjack! If you want to do a real service toward the college's morale-building activities, help in this way. See Barbara Conoly or Florence Getchell, or drop a note in box 48.

## -- THE SPOTLIGHT --

FOCUSES ON --

BY C. B.

### ASSEMBLY LINE

That's essentially what the Presidio of Monterey is. Mass production is the order of the day. A time schedule of processing and accustoming the rookie to army life. Uniforms, haircuts, shots, educational movies, fatigue duty, K. P., shipping civilian clothes. When you leave the Presidio you are an expert at drilling, packing a barracks bag, making a bunk, saluting an officer, beefing, and gold bricking.

### G. I.

Stands for "Government Issue." Everything you get is G. I. You wear G. I. uniforms and G. I. shoes. At chow, you devour G. I. beef and G. I. coffee. When you're sick you take a G. I. pill (one is sufficient). You use G. I. brushes and G. I. soap when you G. I. scrub the G. I. floors.

### MEDIEVAL TORTURE

During the dark ages, the wheel and the rack were considered the last word in mechanics of torture. But such fiendish contrivances have been banished as far inferior to that ingenious modern invention, the hypodermic. Hypo needles range from four to ten inches in length and up to one quarter inch in diameter. Among the more specialized types are the square hypo, the corkscrew hypo, and the one with the barb on the end of it. Capacity is unlimited although most injections are less than a quart.

The potent potion contained in these awesome weapons is guaranteed to make a shoulder ache for at least ten days. The recipient usually quickly passes into a period of unconsciousness although when some inferior brands are used as high as fifteen percent fail to collapse.

### FOR SANITARY REASONS

Early in your military career you are introduced to the G. I. haircut. This is not so much a haircut as it is an airconditioning job. (In civilian life, army barbers shear sheep). You can be justly proud, however, for this is your first sacrifice for your country. I shudder to think what Murray will look like when he loses those five pounds.

### KIPLING PARAPHRASED

Hut — Hup — Trip — Fowuh!  
 Hut — Tupe — Three — Phour!  
 Leu-ft — Le-uf — Left right le-uf!  
 Le-uf — Le-uf — At ease — back there!  
 Hut — Two — Three!  
 —Straighten up that line! Dress to the right — Hu-ut — Hu-ut!  
 Slow down, you first three men!  
 No use killin' yourselves off.  
 We're goin' up a hill, Hup — Two!  
 Count cadence—count! One — Two—Three Four! — One—Two—Three—Four!  
 Hut — Two! Column right — March!  
 Hut — Hup — Trip — Fowuh!  
 Hut — Hup! . . .

### \*Shut up.

"AN ARMY TRAVELS ON..." Attention! All men of "A" Company fall out for chow immediately! In a bored voice over the P. A. system. Corporals yell continuously in a vain effort to get their particular barracks in formation and marching first. There is a continual friendly competition between barracks leaders in maneuvering their groups to the Mess hall.

After various intricate traffic problems are solved you pick up a knife, a fork, a spoon and a six-room tray. Then you hold the tray in front of a line of animated robots who deal out impartial amounts of meat, vegetables, bread, and dessert. Another mechanism points you in the right direction while still another diverts

you to the right table.

Then you fall to. For diversion you yell authoritatively for the coffee, make heated comment concerning the lousy K. P. service and beef about everything in general and chow in particular.

### TAPS

Light out at 9:00—in bunks at 11:00. Cool evenings. Moonlight. But you don't have much time to make connections if you're only here a week. After the poker game disintegrates, the Post Exchange closes, and the movie is over, the fellows begin to turn in. Subdued conversation gradually runs down and the rookie gets time to think over things.

Looking back. College life. Friends. The fun he used to have. That was where he fit in. Where he was a member of the gang with a particular groove of his own. Somehow he doesn't think he is fitting in quite so well here in the Army. But after a few days he begins to change his attitude slightly. He's making friends. He's getting used to the set-up. He begins to have a feeling of pride when he thinks that he is a part of the U. S. Army. Gradually, imperceptibly, he is becoming a soldier.

## ROBESON HEARD LAST NIGHT BY HUMBOLDTERS

Dozens of season ticket holders from Humboldt State College attended the concert given in Eureka last night by the famous artist Paul Robeson, secured for local audiences through Community Concert Association.

A short review of Robeson's life follows:

### BORN 1898

He was born in Princeton, N. J., on April 9, 1898. His father, born in slavery, was a minister—his mother, a school-teacher. The family moved some years later to Somerville (N. J.), where Robeson went to school and sang in the choir of his father's church. Even before he entered Rutgers, he had made a reputation for himself as a debater. One day, two Rutgers professors, acting as judges in a high school debate in which Robeson took part, were impressed by his sincerity and his powerful, moving voice. They asked him later if he had thought of college, and encouraged him to enter Rutgers.

### GREAT ATHLETE

Robeson did so with the idea of following in his father's footsteps and becoming a preacher. But his prowess at football was such as to make him All-End man for two seasons. After winning his degree in Rutgers he played for two seasons in professional football. Then he decided to take a post-graduate degree in law at Columbia.

Always an enthusiast for amateur dramatics, he was appearing one evening in a YMCA production in Harlem, at which Robert Edmund Jones and Kenneth MacGowen were present. They "spotted" him, recommended him to Eugene O'Neill. When O'Neill's "Emperor Jones" was revived a few years later, Robeson was chosen for the title role.

No one was more surprised than Robeson himself when a widely enthusiastic audience brought him again and again to the footlights. From then on, Robeson's career has been connected with the

## George Inskip Now Project Head

George Inskip, son of Mr. and Mrs. H. R. Inskip of Arcata is now project personnel head for a construction company in Honolulu, according to information received here. His wife, the former Kathryn Wrigley, is section head of the U. S. Engineers.

George and his wife are former Humboldt State College students.

footlights. He has been acclaimed internationally, both as actor and singer; for in both fields it is the magnificence of his vocal powers that give color both to speech and song.

## SCOOPIING THE SHOW

### MAKEUP

Ten students peering into the faces of old people, wrinkled and worn.

"Study these people. What did you do to make that sunken place on her face? Thus said Mrs. Karshner as the makeup class progressed.

Various characters are being studied. Old, young, sweet, hard--yes, these will all be seen in the Student Show and we may thank the students who are studying this art.

Even though they may misplace an eyebrow now and then you may be sure that all the grease paint will be in the right places in time for the show to go on.

Carolyn Merryman is the chairman of this essential committee and also thanks to Mrs. Karshner for her work in this part of Humboldt State's all-student show.

—Gladys Roberts

### TYPING

The many copies of scripts for the Variety Show are now being rushed to completion with the help of Mary Papini, Florence

## Rev. Whittaker Is Speaker At Recent Meet

Reverend Whittaker of Ferndale was the speaker at a recent assembly sponsored by the college social science department, one of a series of several assemblies planned for the spring semester.

Reverend Whittaker's topic was China, and he told of incidents that happened while he was a missionary there and General Chiang's army occupied the province 12 or 13 years ago. Due to illness in the family, the Whittaker's returned to the United States until 1938, when they went back to find China an occupied country, this time by Japanese. The Chinese however were reported by Rev. Whittaker to be able to take the initiative in outwitting the enemy on economic and other fronts.

### CAUSE OF CONFLICT

The cause of the constant conflict between Chinese and whites was attributed by the speaker to racial arrogance on both sides. Chinese written history, he emphasized, goes back at least 4000 years, while that of the western nations is much younger.

According to the amount of lend-lease aid now being tendered to our allies, said Rev. Whittaker, we consider them important as in a ration of 1 to 1 to 4 to 50—that is, we put Great Britain on the same plane as ourselves, Russia as

Getchell, Nell Dickson, Marcille Garland, and Alice Caltoft.

A good many have already been finished and the rest are on the way to completion.

—Donna Irish

## Men To Sponsor Noon Dances On Fridays

Every Friday from 12 noon until 1 o'clock the Men's Association will sponsor a noon dance in the little gym with music by the Humboldt State College Swing Band. Admission will be five cents per person. These will be continued as long as student interest in them is sufficient.

## HOME EC. CLUB HAS MEETING

A meeting of the Home Economics Club was held last week. The president, Ilene Jensen, presided. It was decided that all girls who would like to have sewing machines available to make over garments should see Mrs. Walter or any member of the Home Ec. Club.

The club decided to give a radio program on the topic of clothing. The date was not set.

Those girls present at the meeting were Anne McMillan, Phyllis Gray, Alice Wilkinson, Faye Nunes, Ilene Jensen, Mary Silva, Esther Silva, and Jean Quarnheim.

## Five HSC Students To Report For Duty

Five enlisted Army Reservists who are students at Humboldt State college have been ordered to report for active duty March 11. They are Darwin E. Belfis, Melvin S. Johnsen, William J. McMillan, Peter F. Schmitt and Richard Tinkley.

Three Air Corps enlistees who left recently are Bradley Barnes, Dayton Murray and Donald Terbush. Barnes reports to Fresno and Murray and Terbush will go to San Francisco and then to Nebraska.

Wesley Graham will leave for Army meteorology work soon.

## Assembly Slated On March 25 By Dramatic Club

Plans are being made by Alpha Psi Omega, dramatic society, for an all-school assembly to be held two weeks from Thursday, March 25.

It is planned to have an outsider, possibly Mrs. Gordon Manary of Scotia, for entertainment. A complete schedule of the assembly will appear in the March 24 Lumberjack.

Listen in this evening at 7:15 over KIEM for HSC's "Letters From the Armed Forces" broadcast.

a fourth class ally, and China as only a fiftieth class ally. Unless China, after a four years' struggle with Japan, receives more aid, she is in serious danger of economic collapse.

### MADE FINAL POINT

Reverend Whittaker left the assembly after strongly emphasizing the fact that we are willing to give up material things for the sake of the war effort, but not our mental prejudices and these must be done away with if we are to win the war and keep the peace.

Also appearing on the assembly was Dr. Edmund V. Jeffers singing several selections. Dr. Raymond Fisher was master of ceremonies, and President Arthur S. Gist introduced the speaker.

## CONTEST WILL CLOSE ON APRIL 8, BALL APRIL 9

By Polly Humboldt

From now until Thursday, April 8, Humboldt State College will enter into an earnest and unusual bustle of activity. Our prettiest coeds will be polishing up their smiles and personalities, and our campus organizations will be casting critical eyes about for beauty and talent. In other words, something's afoot—namely, the annual Campus Queen contest and Queen's Ball sponsored by the Favonians club.

For the past two years this custom of queen electing has reigned and a good deal of school spirit, friendly rivalry, and fun has been its result. It has been the secret ambition of almost every coed to be recognized as Humboldt's prettiest and most popular girl, and by all who attend the Queen's Ball held the evening after the election, has been acclaimed the big event of the social calendar at college.

Miss Alta Fulton, then a first semester freshman, was campus queen in 1941, the first year the contest was held. Last year the honor went to Mary Acheson, one of 1942's commerce graduates.

### MAIN BOOSTERS

It is the tradition for each campus organization of any consequence to sponsor a candidate—usually the Men's Association, the men and women of Nelson Hall and the different houses (although there are none this year), are the main boosters. President Mary Westbrook of the Favonians has

urged that this year more organizations plan to take part.

The balloting will take place on Thursday, April 8, and the result kept secret until the Queen's Ball on the following Friday night, April 9, when the queen and her maid of honor (girl receiving second highest vote) are crowned.

The contest will open two weeks from today, on March 24.

## COSTUME PARTY LAST THURSDAY FOR DORMITES

The dorm had its weekly dinner party with everyone in old fashioned or unusual costume last Thursday with Janice Bruner, Lala Grove, Gilly Negro and Ardieth Peterson serving.

Pat Wright gave a reading, "The Cremation of Sam McGee," as the first number on a program, which included singing by Bob Oliveira's quartet.

Some of the interesting costumes were worn by Barb Conoly with her all-vegetable hat, Dave Tolle in his barrel and Finn Jackson in his dress suit with swimming trunks for pants. A pair that drew many a glance were Edra Emerson as Peggy Satterlee and Sal Westbrook as Errol Flynn. Then came the two convicts of Nelson Hall, Joan Roth and Eva Clayton.

Pop Jenkins was the head resident for week. Guests were Mrs. Jenkins and Nancy Crane.

## HSC Reserves Beat Arcata By Close Margin Of 29-28

In one of the most evenly matched games played on the HSC court this season, Humboldt frosh beat the Arcata High School varsity by a score of 29 to 28. Both teams played a very tight defensive game.

An overtime period was played in which Arcata scored 3 points and HSC scored 4 points on a basket by Des Shanahan and two free throws by Jim Roscoe, making the score 29 to 28. Allen Hill and Jack Williams tied for high points for the Reserves with 12 points each; while for Arcata, Dolson and Sweet tied for high point man with nine points each.

The Reserves ended the season with a total of nine victories and eight defeats. Most of the games played were with various service teams. In passing, I might state that the Reserves beat Eureka High by a score of 26-21. Eureka, as you know, won the Inter-High School Heavyweight Basketball tournament that was held here last Friday.

## Pictures Taken By Local Girl On Display

During the past couple of weeks Humboldt Staters may have noticed the downtown display of one of the community's most talented amateur photographers—Miss Betty Gayhart. She'll be recalled by college students as the lass who delivers the ice cream to the co-op and takes all the pictures for the 1943 Sempervirens. The display is in what used to be Robertson's ice cream store, next to Bledsoe's stationary store. Exhibits have included artistic shots of Humboldt State student Bob Oliveira and former Humboldt Doris Godden.

### WHAT'S LOOSE IN THE NEWS

Seen dating with a different fellow three nights in a row was MARGARET ACKERMAN with BUD, BUB, and BEANY, respectively.

An old flame never dies, does it DON WILSON? Have a nice time with DOT REZZONICO?

BILL, did you and ARABELLA have a good time at the show Saturday night?

A new Romeo around school is none other than GLENN SAUNDERS. He's been escorting ELINE PETERSON from A. U. H. S.

That cute new couple, CURT SPINAS and KATY SWAP holding hands in the hall.

WYLIE MCPHERSON seen enjoying the Fireman's Dance in the company of DORIS DAMGUARD from A. U. H. S.

Who is it, BUD MERRYMAN, EDITH STRONGBERG, or HELEN HALE?

Another old couple seen dating Sunday night was ELVA BRAND and LELAND ANDERSON.

A cute couple but not seen on the campus is PAT CLONEY and SGT. JACK HANNON.

We see LALA GROVE is happy again. SERGE is home.

We hear and see CAROL BOYES and LOIS SHERMAN are giving their hearts to the Armed Service. ELMO GUILLERI and NORMA KINKELLA seemed to have a good time bowling one night last week.

How about LUCILLE NORDQUIST going to take a course in carpentering?

The noose in the Lumberjack office has a sign "For Reporters Only." The chair underneath is the one with the wobbly leg, too. Hmm.

## Kennth Williams At Camp Hood

According to a recent communication received by the Lumberjack from Pvt. Kenneth Williams, until recently a student at Humboldt State College, he is now at Camp Hood in Texas, and has been put into the tank destroyer corps. He sends greetings to all his former teachers and is anxious to receive letters from friends here. His address may be had through the Lumberjack office or the president's office.

## OREGON COMES BACK TO WIN SECOND TILT

Because the last issue of the Lumberjack went to press before the second Monmouth-Humboldt basketball tilt was played, it is necessary to give a full account of it in this later issue.

### SMALL MARGIN

Losing by a very small margin the first night, Monmouth came back the second night and evened the score with the Lumberjack five. The final score being 52-41 in favor of Oregon Normal (Monmouth).

Grant Ferguson played one of the best games of this season; and he was high point man with a total of 15 points. Darrel Brown was second with 10 points. Homer Arnold, who was absent from the first game on account of illness, tallied 6 points with his deadly long shots.

### HOLT STARS

Holt, forward for Monmouth, sparked the wolves the their hard won victory. Holt was high point man for Oregon with five buckets, and three field goals, totalling 13 points. Duncan, center, and Hyman, guard, were second and third with 12 and 10 points respectively.

The first half ended with a score of 27 to 10, wolves favor. The second half wound the Lumberjacks outplaying Monmouth; but time was not long enough to enable our team to overcome the 17 point lead at half time.

HUMBOLDT	Pts.	MONMOUTH	Pts.
Iten (f).....	2	Wilson (f) 10	
Hill (f).....		Smith (f).....	
Spinas (f).....	4	Taylor (f).....	4
Brown (c).....	10	Phelps (f).....	1
Williams (c)....		Duncan (c) 12	
Ferguson (g) 15		Hyman (g).....	10
Jackson (g).....	4	Byers (g).....	
Arnold (g).....	6	Holt (g).....	13
		Cook (g).....	2

## NEW PLEDGES SELECTED BY FAVONIANS

At a recent meeting held in room 136, the Favonians selected seven new pledges to be initiated into their club at a later date.

The following girls have been pledged: Evelyn Tedsen, Nell Dickson, Florence Getchell, Jeanne Sweet, Colleen Murray, Maxine Toft and Lucille Nordquist.

Gym Gossip has it—well, that is they say—of course we don't want to repeat it, but—well anyway there's a rumor to the effect that the gals in the Monday and Wednesday 4 o'clock sections of Spring Sports play DIRTY basketball. Listen - - PAT WRIGHT: "Listen, Jean Hardwick, you kicked me today in basketball!"

JEAN HARDWICK: "No I didn't! I just hit you over the head and tripped you. That isn't much!"

SAL WESTBROOK: "I won't play unless I can play dirty."

CONSENSUS OF OPINION: "Allie Wilkinson is FAST on the court, and you can't guard her because you're afraid you'll crush her if you run into her. And that little Opal Shull's a tricky forward too—and DIRTY! Gilly's good, and so's Colleen Murray. Jean Hardwick's no slouch."

But the thing that amazes everybody is that little gal VICKY PETROVICH. As clean a player as they come, she almost never fouls—and never misses a basket or a chance for one. The moral seems to be: "STRAIGHT SHOOTERS ALWAYS WIN! CRIME DOESN'T PAY!"

For civil service job information see B. F. Wilson.
