HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

HUMBOLDT LUMBERJACK, WEDNESDAY, MAY 19, 1943

EVERYTHING SET FOR WORKDAY FRI.

Kay Swap Elected President Of Women Students

KAY SWAP

Kay Swap was elected to the Associated Women Students presidency at Friday's election, and Jean Hardwick to the office of vice-president. Kay, who is last year's vice president, is a sophomore majoring in music, and Jean, also a sophomore, is a science major. Kay hails from Arcata and Jean is from Fortuna.

Other officers elected were Vernes Cobeen, recording secretary; Faith Adams, corresponding secretary; Nell Dickson, publicity chairman.

Another election for treasurer was held yesterday in the hall from 11 o'clock to 1 o'clock, and the results will be announced elsewhere in the Lumberjack if available at time of publication. The girls who tied were Virginia Cloney and Phyllis Woodcock.

Chi Sigma Epsilon To Hold Assembly Next Tuesday

Next Tuesday morning at 11 o'clock Chi Sigma Epsilon, upper division scholarship society, will hold its scholarship benefit assembly in the auditorium. Admission will be 10 cents, and there will be a pre-sale of tickets soon.

Although the complete program has not been arranged yet, the Arcata High School A Cappella Choir under the direction of Miss Ruth Carroll, former member of Chi Sigma Epsilon, will sing. Other members on the program will feature some of Humboldt's best talent, promises the society's president, Zelma Woodcock.

The money derived from the assembly will go to pay tuition and student body dues for the fall semester for some entering freshman graduating from a Humboldt or Del Norte county high school. He will be chosen on the basis of scholarship, character, and participation in student activities.

MU EPSILON PSI CONCERT GIVEN LAST SUNDAY

Under the auspices of the Mu Epsilon Psi, college music organization, Miss Betty Barbour, cellist, and Mr. Benning Dexter, pianist, appeared in the college auditorium Sunday, May 16.

The program was opened by three numbers featuring both Miss Barbour and Mr. Dexter. A group of preludes by Chopin, Rachmaninoff, and Shostakovich were then played by Mr. Dexter alone. The conclusion of the program was the playing of Greig's Sonata in A minor for Piano and Violoncello.

Miss Barbour and Mr. Dexter were brought here through the special effort of several patrons and patronesses from Eureka and Arcata. The net proceeds from the concert will be given to the Red Cross.

Hilarities Shown For Last Time

The Hilarities was presented for the last time in Eureka, May 14, for the benefit of the Red Cross. The cast played to a filled Junior High auditorium. After the show, the cast was invited to the Presbyterian church, where sandwiches, cake, and hot chocolate were served.

There were minor changes in the cast, Guy Keith substituting for one of the fellows in the Guadal partol act, and a girls' trio taking the place of Karen Elmore, the "Me and My Gal" vocalist in the Stage Door Canteen act, who has gone to join her husband.

Son Born To The Don Karshners In Palo Alto, May 9

Gary Buchanan Karshner was the name given to the son born to Mr. and Mrs. Don Karshner Saturday, May 9. Gary was born in the Palo Alto Hospital, and weighed eight pounds, five ounces.

Mr. Karshner returned to Humboldt last Wednesday, and it is planned that Mrs. Karshner and Gary are to follow on June 8.

Senior Ball And Banquet June 10

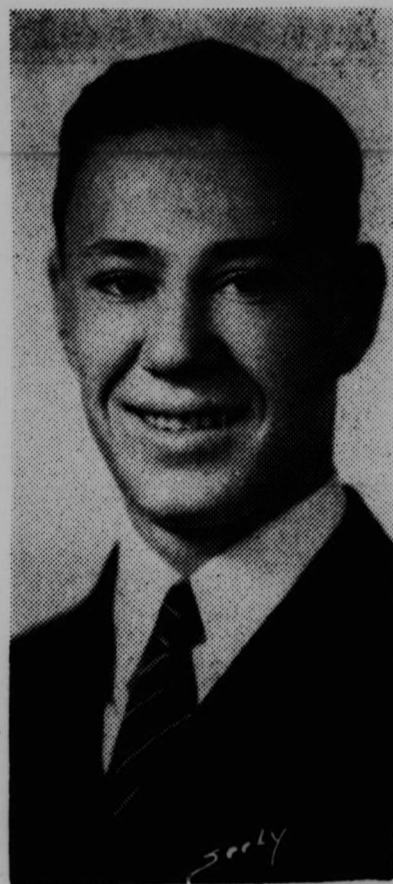

Plans are going ahead for a Senior Ball and banquet to be held on June 10. The committee in charge consists of Margery Cloney, Mrs. Elma Cariker and Norma Villa.

Chairmen Promise Work and Fun for HSC All Day Friday

"One of the best Workdays ever!" is the promise of the workday committee heads George Wilson and Wally Johnston as everything is getting in shape for the big event Friday, Kay Swap, girls chairman, has assigned her co-eds to various crews, and announced that this year the girls are out to show the men just how well they can do the jobs assigned to them. This year they will tackle many jobs that were in previous years reserved to the men of the campus.

The materials for the fireplace have been carried to the site of Council Crest, and fireplace chairman Wally Johnston has spent most of the time on the past couple of weekends, assisted by Wally Elliott and Jimmy Roscoe, in getting things ready for the actual construction. With a definite project such as this as the Workday goal, it is hoped by the committee that interest in Workday will reach a new high this year, and that every student will want to stay on his or her job until it is finished. It is emphasized that every job, no matter how small or insignificant-sounding, will contribute to the outcome of the project. It will be necessary to use all the boys on the Council Crest job, and the girls by doing the other work free them for this important task.

FACULTY SHOW

Deepest secrecy has surrounded the faculty show this year as usual, but from the inklings that have leaked out from behind locked and barred doors, it may be inferred to be definitely on the "wacky but wonderful" side. Secret dress rehearsals were held this week. It will go on promptly at 8 o'clock Friday morning, and only Humboldt Staters may come.

After the morning's hard labors, lunch will be served in the court at noon. Committees for this and for other girls projects appear on page 4. The fireplace committees are given below.

The day will end with the W.A.A. Steamboat Shuffle given this year in the big gym. Dancing will be from nine until midnight.

FIREPLACE COMMITTEES:

I — Clearing brush--Foreman: Frank Cerny, Committee: Homer Arnold, Earl Biehn, Darrel Brown, Jack Bolger, Cledith Davenport, Elmo Giulieri, Don Hurst, Brett Melendy, Charles Sweet, Richard Tinkey, Francis Cook.

II—Making trial--Foreman: Guy Keith, Committee: Pet Anderson, Bill Blackford, Gene Barkdull, Keith Chaffey, Stanley Eisner, Wylie MacPherson, Bob Slotte, Ralph Bryant, Sid Hanson, Richard Elkinton, Walter McCall, Pat Grazoli, Irven Davies, Bill Poe, Clark Nellist, Tom Paul, Joe

(Continued on page 3)

Shuffle Will Be Held On Night Of Workday

Maybe it won't be on a boat,

but it will be the same old Steamboat Shuffle! We mean the dance that the Women's Athletic Association is putting on Friday night after Workday. It will be a sport dance this year, and will be held in the big gym from 9 o'clock until midnight.

The girls are to invite the boys to the affair, and price will be 25 cents per couple if the girl belongs to the W.A.A. The attendance was limited in previous years because of the size of the Antelope, but this year, with the dance being held in the big gym, a new ruling has been made. That is, girls who do not belong to the W.A.A. may invite their man and come for 50 cents per couple.

CRUISE THEME

The theme of the dance has been announce as a cruise, and the destination of the cruise will be announced when the couples arrive. Music will be by Miss Ruth Carroll's orchestra, and there will be a program.

General chairman for the Shuffle and for the decorations are Vivienne Nelson and Nell Dickson. In charge of patrons and patronesses is Anne McMillan; music, Nancy Crane (chairman) and Kay Swap; tickets, Barbara Graham (chairman), Carolyn Merryman and Evelyn Tedsen; advertising, Elva Brand (chairman), Pat Cloney, Phyllis Ricardo, Marceille Garland, and Barbara Conoly; decorations, Nell Dickson and Vivienne Nelson (chairman), Pat Bartlett, Lena Taylor,

The Humboldt Lumberjack strives at all times to serve the best interests of Humboldt State College, without favoritism or partiality to any group or individuals within or outside of the college. Editorials express only the views of the writer, and not necessarily those of the editor, the Associated Students or the College Administration.

Workday this year has taken on a new importance. Last year it was more frolic than anything else, for everyone concerned; this year it will be a frolic, too, because it's fun to get out and work with your fellow students. However, it is something else, too. It means of getting done work that could not be done otherwise, due to the shortage of labor since the beginning of the war.

Every student has been assigned to a committee, and each of those committees is vital, since they all have to function properly if all the work planned is to be completed.

The day will start on a hilarious note with the presentation of the faculty show Sophomores and upperclassmen remember with appreciative comments and reminiscent chuckles last year's show and workday.

The Steamboat Shuffle, being held this year in the Big Gym, will end the day.

PING PONG AND BADMINTON ARE BEING PLAYED

From Vickie Petrovich, social chairman, comes the request that everyone signed up for the ping pong and badminton tournaments play off their games as soon as possible so that the school champions may be published. Games can be played at any time. The tournament roster has been placed upon the closed bulletin board on the right in the front hall.

Equipment may be obtained from Coach Mathieson.

Ping pong may be played in Pop Jenkins' shop at any hour except 2 o'clock. So far Elva Brand is in the lead for girls' ping pong singles, and Don Hurst and Vickie Petrovich for badminton mixed doubles.

The schedule is arranged so that the winner of the two challenging players or teams will play the winner of the other combination, until one group wins.

All scores and outcomes of games should be put into box 177.

Don't forget that the Faculty show comes off Friday, along with Workday and the Shuffle.

Tennis Playoffs Scheduled For Today and Friday

Tennis playoffs to determine class contestants for Individual Sports Day neared completion Monday afternoon when Joyce Bruner defeated twin sister Janice Bruner to gain the privilege of playing singles for the sophomores. Joyce and Janice will for the soph's doubles team.

Georgie Williams will play singles for the upperclass girls, and the upperclass doubles team will be Georgie and Imogene Elmore.

The freshmen have not yet completed their playoffs, but the four freshmen now in the running are Sissy Thompson, Marcille Garland, Marg Ackerman and Maxine Toft.

Others playing on the ladders include Jean Robinson, Sally Westbrook, Marion Langer and Jeanne Sweet for the frosh; Jo Landahl, and Marjorie Kemper for the Sophomores.

The playoffs to determine the doubles winners will be as follows: frosh vs. upperclassmen on Wednesday (today); the soph-

CORNERED BEEF

To the Editor:

It sure has come to a fine state of affairs hasn't it? Here we are, a fine lot of peaceful, studious (?), and healthy students with plans almost complete for a workday, and a Steamboat Shuffle, and what happens. I'm askin' you, what happens? O. K. I'm tellin' you! Somebody, I don't know who, anyway somebody gets the idea of giving the student show all over again, and without consulting anybody, he or she or they, whoever it was, took the date planned for Work Day, Now what happens? Work Day is switched to the 21st from the 14th and the 21st was scheduled for the Steamboat Shuffle. The shuffle can't change because there's no moon on the 28th. Oh well, maybe it will all come out in the wash. The Red Cross is a very worthy cause, sure, but why couldn't we have been consulted rather than told what was going to be done?

Just Gripped No. 703.5.

Editor:

Today a great emphasis has been placed on safety. Every time I go into the commons through the west entrance to the dining hall, I come so close to getting killed that it's not funny anymore. That cement is altogether too slippery to have for a public entrance. I have seen many people slip on that stuff and some day someone will get seriously hurt if it isn't fixed.

Westbrook-Ostrom Wedding At Mrs. Little's Friday

At 8 o'clock Friday evening, May 14, in the home of Mr. and Mrs. Little in Arcata, Mary Westbrook, Humboldt senior, and Ensign Ernest John Ostrom of Twin Falls, Idaho, were married before a small group of friends and relatives.

The marriage rites were read by Rev. Dodds Bunch of the Methodist church; the bride's attendants were Joan Hovey and two cousins, Sarah Westbrook and Katherine Layman. The best man was Ensign William Carton.

Ensign Ostrom attended schools in Twin Falls and Universities of Washington and Idaho before enlisting in the Naval Reserve. He is now stationed near Eureka in the lighter-than-air unit.

Guests at the wedding included the bride's mother, Mrs. H. E. Westbrook, her brothers and wives, Mr. H. Edward Westbrook, her uncle and aunt, Mr. and Mrs. Clarence Westbrook, all of Smith River; Ensign Ostrom's mother, Mrs. Nellie Ostrom of Twin Falls, Idaho, Mr. and Mrs. Gratton Little, Miss Imogene Platt, Ensign Hayward, Miss Doris Lightford, Ensign Charles E. Klick and Mrs. Klick, Ensign Dale Richardson and Mrs. Richardson and others.

Missoula, Mont.
Sat., May 8

Dear Barb,
Just came in from open post and found a letter from Rosanne with a Lumberjack tucked in it. Thought now would be a good time to let you know how much I appreciate the old school paper. It's a lot like being home again to glance over the rag and see what the kids are doing.

Montana is really a nice place. It's the closest thing to Humboldt I've seen yet, and I've seen practically every state from Nebraska west.

My squadron is flying now and it's really a lot of fun. Like everything else in the Army, they give it to you awfully fast. The first flight my instructor took off, leveled off at 1500 and said to me "O. K., you take the controls and do some 90 degrees turns." I did some beautiful turns, but found myself diving like a hawk right in the middle of them. Oh well, can't expect to be a hot pilot right away. We fly three days out of four, which is quite a lot for beginners.

I'd like to bring Doc MacGinitie the meteorologist up here and see if he could do anything about the rough air. Sometimes you think you're in a rowboat in a heavy sea instead of a plane.

Well, Barb, think I've rambled on enough, have to get my customary five hours sleep per nite.

If it's possible, could you arrange to have the Lumberjack mailed to me regularly?

Sincerely,

Dayton.

Shuffle out and ask your fellow to shuffle with you Friday.

Conference Being Held In CES Aud. Saturday Morning

On Saturday, May 22, Delta Kappa Gamma and Humboldt State College are holding a conference on Inter-American Relationships to be held at the College Elementary School auditorium. There are also several other sponsoring organizations.

President Arthur S. Gist of the college will preside at the morning session at 10 o'clock, at which the theme will be "Understanding Latin America." The symposium will include talks on understanding in the following ways: Through History, Dr. Raymond Fisher; Through Geography, Miss Lillian Hagopian of Arcata High School; Through Economics, Dr. Natalie Hall; Through Art, Mrs. Stella Little; Through Music, Dr. Edmund V. Jeffers; Through Literature, Mrs. Helen Everett.

Miss Dorothy Ames, President of Delta Kappa Gamma, will preside at the luncheon session at noon, at which the speaker will be Miss Helen Hefferman, of the State Department of Education on "Our Government and Complementary Relations With The Other Americas." Latin American dances will be given under the direction of Mrs. Monica Hadley.

At 2 o'clock in the afternoon another session will take place with Mrs. Paul Brizard of the Travel Club presiding. Miss Hefferman will again speak, this time on the topic "Inter-American Education and the War Effort." There will be Latin American music under the direction of Charles Fulkerson, and Latin American pictures will be shown by Dr. Carol Carson.

Signs of War:

Decrease of Males and increase of mails.

Steamboat Shuffle now just a Shuffle. What happened to the steamboat? The Navy says "no."

Special credit should go to Wally Johnston for all the work he has done on the building of the fireplace. He, Wally Elliot, and George Wilson have done nearly all the preliminary planning and work on this project. They drew the plans for it, saw to it that the gravel and bricks were hauled to the foot of Council Crest, made a path up to the fireplace site, and in general have done much to make a success of one of the main Workday projects.

Flash! It was just learned that the Board of Control has granted the college dramatic honorary, Alpha Psi Omega, the privilege of having next week as an all-Alpha Psi Omega week. The club, under the presidency of Patricia Dillon, has planned activities that will take place throughout the entire week, some for members only, and others to which the general public is invited.

For further details, see the articles below and to the left, or the calendar on page 1 of this issue.

ALPHA PSI OMEGA TO SPONSOR PLAY READING TODAY

With a rush of activities crowding into the last few weeks of school, Alpha Psi Omega, college dramatic honorary, planned for at least three occasions at its recent meeting in Don Karshner's office. These will be the play reading sponsored by the club to take place in the social unit this afternoon, a theater party next Sunday afternoon, and pledging the initiation of new members.

PLAY READING

At four o'clock this afternoon in the college social unit, Donna Garland will give a cutting of Kesselring's "Arsenic and Old Lace." Tea and cookies will be served and anyone who wants to come may. There is no admission charge. If interest warrants, another play reading will be held next Wednesday.

Next Sunday members of Alpha Psi Omega are planning a swimming party near Arcata followed up by seeing the movie "Random Harvest," to be shown in Eureka. Discussion on the movie and refreshments will follow.

A group of new members will be pledged during the next week, and initiation will take place at a pot luck supper next Monday. Final plans for this have not yet been completed.

Pat Dillon, president of the club, is publicity chairman for today's reading, and Pat Bartlett and Margery Cloney are refreshment committee. Nell Dickson and Barbara Conoly will take charge of refreshments next Wednesday.

Following are the list of pledges to be initiated: Gladys Roberts, Gladys Smith, Jerry Falor, Wilbur Jensen, Rosanne Hill, Faith Adams, Mary Budiselic, Guy Keith, Rae Bengston, Dave Tolle, and Jim Roscoe.

Since some of the pledges are no longer in school, they will be notified that they were pledged and the others will be formally initiated.

Zorka Stemberger CSTA Prexy

Results of the recent California Student Teacher's Association election were announced as follows: President, Zorka Stemberger; Vice-President, Alice Wilkinson; Secretary, June Fountain; and Treasurer, Arabella Carpenter.

Creative Writing Contest To Close On Tuesday, May 25

FURTHER PLANS ARE MADE FOR A. P. O. WEEK

As this goes to press, further plans for Alpha Psi Omega week have already been made.

Initiation plans, incomplete at the time of writing of the article to the right, now include a formal initiation Monday at 5 p. m. in the college auditorium, a 7 o'clock pot luck supper in the social unit, and an 8 p. m. play reading by Donna Garland. The play will be Thorton Wilder's Pulitzer prize winner, "Skin of Our Teeth," now showing on Broadway. All alumni members are invited to these Monday activities.

"Eve of St. Mark" by Maxwell Anderson will probably be the play to be read in the social unit next Wednesday, May 26, and tea and cookies will again be served. The public is invited to attend, and there is no admission charge.

There will be no swimming party Sunday as planned, but on Friday afternoon, May 28, Alpha Psi Omega members will have a swim at Essex. Groups will start out at 3 o'clock in the afternoon, and more will come as classes are over. A cutting of a radio play may be given by Barbara Conoly on this occasion.

LIBRARY MAKING COLLECTION OF CAMP PAPERS

The library is making a collection of autographed camp newspapers from former Humboldt students now in the service. Any former students who may happen to read this item are asked to write their names on a copy of their paper and send it to the library and to repeat the operation when a change of camps is made.

Remember the Chi Sigma Epsilon scholarship benefit at 11 o'clock Tuesday. Admission is 10 cents.

Ed. Note.

For a long time we have been wondering what the students really wanted in their school newspaper and on their school broadcast. Now here's a chance to find out, so we'll better be able to govern the way these functions are run.

We are asking all students to fill in the blank (you need not put your name on it) clip it out, and put it in the box marked "Lumberjack student opinion poll" in the front hall. If there are other questions you would like to have asked in such a poll for the next issue, write them on a slip of paper and put them in with your blank.

Do you read the Lumberjack regularly?.....
Do your parents?.....Do your friends outside of college?.....If so, what features are liked best?.....
Do you think there should be a gossip column?.....
Do you hear from service men who are receiving the Lumberjack?.....Do you listen to the Humboldt State College broadcasts over KIEM?.....
Do your parents?.....Friends outside of college?.....Do you enjoy them?.....
If not, why not?.....
Have you any suggestions as to the type of college broadcast you would like to have?.....

(Please fill in and put in Lumberjack box in hall).

The President Gist Creative Writing Contest will take place again this spring at Humboldt State College, and will close on May 25. The winning piece of writing will be published in the Lumberjack June 2.

The contest is open to all and any creative writing done by Humboldt State College students. The writing may be either poetry or prose, in short story, essay, or any form the contestant desires. There is a prize of 10 dollars for the winner.

RULES

The rules are as follows: 1. The entry must be doubled-spaced typed on one side of the paper. 2. The entry must have a title. 3. The contestant's name must be written in pencil at the bottom of the first page. 4. There must be no illustration on the paper.

Last year Dean Galloway won the Gist award with his short essay "The Sun On His Back". The award was made at commencement, and the essay published in the Lumberjack along with some other writing entered in the contest.

The purpose of the Gist contest is to recognize talent in writing and encourage Humboldt students to express themselves in good writing.

Article Written By Mrs. Murphy Is Published

Mrs. Nell Murphy has written an article entitled "Twentieth Century Folklore" which has been published in the May, 1943, issue of The English Journal, pages 242-247. The magazine is in the library.

There's 10 dollars just waiting to be won in the Gist Writing Contest. Give your gem of genius to Nell Murphy. The deadline is May 25.

Excess demand for California redwood is reflected in the fact the redwood lumber stock on hand for 1943 is lowest in the history of the California Redwood Association.

Thursday, May 14, a newly organized and a very out-of-condition baseball team left for Eureka High School where they played their first game of the season. The team had been out for practice only two days and they did very well, considering.

The ball game lasted 6 innings and ended up with a score of 8 for Eureka and 7 for the Lumberjacks. Humboldt was out in front until the last half of the fourth inning, when Eureka rallied and scored two runs putting them out in front. Hits were made by Frank Cearnay, Darrel Brown, Finn Jackson, Jack Piersall, Homer Arnold, Guy Kieth, Bob Filgas, and Jim Roscoe. A pitcher from Eureka hurled for the Lumberjacks.

Another game is scheduled today in Eureka, with Eureka High School, Come on over. With a little more practice, Humboldt will have a first class baseball team, we hope. Martin has scheduled games with Chicago Bridge and Iron and a few other teams to be played a little later on.

Of late the Rifle Club has been passing up some swell chances at moving target practice. Practical-

Frosh Girls Win Basketball Title By 13 Points

The freshmen girls recently won the women's interclass basketball championship, determined by the number of points scored by each team. Final game of the tournament was played a week ago Monday noon between the freshmen and sophomores. The sophomores won 18-15, which tied the tournament. Each team has won two games in each half of the tournament.

To decide the championship, the total points were counted with the frosh coming out on top with 114 points and the upperclass team and sophs tying for second place with 101 points each.

Freshman players were: L. Nordquist, M. Papini, J. Robinson, S. Westbrook, M. Langer, J. McMillan, P. LeValley, V. Coeur.

Sophomores: O. Shull, C. Murray, G. Fisher, J. Hardwick, B. Graham, J. Landahl, F. Getchell, F. Nunes.

Upperclass: A. Wilkinson, N. Miller, G. Williams, G. Negro, A. McMillan, R. Bengston.

Officiating at the games were Mrs. Hadley, W.A.A. advisor, and Vicky Petrovitch and Georgie Williams sophomore physical education majors.

ly every Tuesday and Thursday when they meet there have been some commandos down on the field playing softball, blithely disregarding the long rifle shells whistling over their heads. Maybe they're taking their training seriously and want to have their workouts under fire; then again maybe they put a lot of faith in the Rifle Club members and hope their aim is good. Either way it seems kind of foolhardy. We hear that they have a secret organization known as the "Get to Heaven Club."

There will be no admission for the reading of "Arsenic and Old Lace" in the social unit today at 4 o'clock. Free tea and cookies, too!

Last week the tennis courts were taken over by the gals who were trying out for the interclass tennis teams. Freshmen: Jean Robinson, Marcille Garland, Sally Westbrook, Marian Langer, Margaret Ackerman, Jeanne Sweet, Maxine Toft, and the ever present Sissy Thompson were seen trying desperately to drive into the wind that howls wolfishly whenever anyone nears the tennis courts. The Bruners and Jo Landahl represented the sophomores; Georgie Williams and Imogene Elmore will form the upperclass team.

Due to the additional showing of the Hilarities and transportation difficulties, the annual Mothers Day tea given by the Associated Women Students was postponed this year. To take the place of the tea, greeting cards, featuring an

Kangaroo Victim

Maj. Kenneth McCullar, 27, above, of Courtland, Miss., outstanding master of heavy bombardment tactics, was killed in a fresh action. He was taking off on a night bombing mission in New Guinea when a brush landed and directly in the path of his bomber, causing it to explode most of its bomb load.

original verse whipped up by Mildred Lewis and committee, were sent to all the mothers who had either sons or daughters in school last fall.

Out for the freshman softball team were Sally Westbrook and Sissy Thompson, Sally was pitching, and it seems that she really worked up a system. In her wind-up, she took care to punch Monica, who was refereeing, in the eye so she couldn't see clearly enough to call "strike" or "ball." Then anyone who challenged her assertion that it was a strike had to deal with Sally herself, which few are willing to do because Sally argues a point vehemently, not to say murderously.
