**Be Proud and Loud**

Sydney Leland

Peace is what we want  
A fight is what they'll get

Our anger makes you worried

When we are quiet  
we are not moving

Silence is what they want  
Being loud is what they'll get

Change does not happen quietly

People learn by being taught  
Society stays the same

We are all taught our place in this world  
and how to maintain that place  
from the moment we are born

Our place in this world is what we make it

If we don't make our place  
somebody will make it for you

A place is what we want  
A place is what we will not be silent for.
