**The Places We're From**  
Nico Chorny and Matt Aung

Leaving our nationality  
To find a better home  
Forming a new personality  
Navigating the new I've been shown

Mind fortified by two tongues  
Language barriers glorified since I was young,  
"¿De dónde eres?" "Where ya from?"  
"I don't know, I've always been on the run"

From the East to the West  
From the North to the South  
Two different people, two different mounds  
Searching for identity yet to be found

From the North to the South  
From the South to the North  
Crossing cultures, determining our worth  
These are the places from which we are from
