

Humboldt Lumberjack

HUMBOLDT STATE COLLEGE in the REDWOOD EMPIRE

WEDNESDAY, APRIL 23, 1947

Conclave Set This Weekend

High school students from throughout northern California will gather at Humboldt State this Saturday for a day-long conference on youth affairs. A dance in the college gym to the music of Don Wilson's Collegians will climax the conference. Conference delegates will be guests at the dance, and all HSC students are also invited to attend.

"Boy and Girl Relationships" will be the discussions led by Bob Telfer, California Youth Authority field representative, Mrs. Monica Hadley, former dean of women at Humboldt State college, Rev. David MacMurdo, pastor of the Eureka Methodist church, Horace Taylor, secretary of the Humboldt County YMCA, Mrs. A. Verne Turner, parent education chairman, district PTA, and Lee Browne, president of the Arcata Recreation commission.

"Why Go to College" will be under the leadership of Dr. Eugenia Loder Humboldt State college dean of women, and Theodore DeLay, Humboldt State college radio workshop head.

Art Authority Speaks Here

Mrs. F. V. Rohr, an authority on contemporary art, was the principle speaker at the art assembly held yesterday in the auditorium. Mrs. Rohr's topic was "American Art Today."

Mrs. Rohr has a fine background in art, having studied at Munich, Germany, and Rome before the war, and later at Radcliffe and Harvard. In recent years she has been in charge of a large Eastern art museum.

AWS Fashion Show Slated Tomorrow

Humboldt State Associated Women students will present a fashion show displaying the latest in spring wearing apparel tomorrow afternoon at 1 o'clock in the auditorium. The entire student body is invited to attend the show, and wives of HSC students will also be welcome.

The show will be staged as a skit taking place in the girls Nelson Hall dorm.

Spring fashions which will be shown will be provided by the White House of Eureka.

Girls who will take part in the program include Jerry Abbey, Joy Charleston, Gloria Simmerly, Pat Lauritzen, LaVerle Morley, Shirley Sweet, Eleanor Brannock, Alene Beers, Anne Murphy, Betty Priest, Clara Ann White, June Alexander, Janet Oppenheimer, Margaret Puckett, Caroline Cathy and Peggy Allen. Frances Brizard is in charge of the models for the show.

High School Music Meet Here Friday

The annual music festival which each spring brings choral and orchestral groups from all high schools in Humboldt and Del Norte counties to the Humboldt State campus will open in the HSC auditorium Friday morning at 9 o'clock.

It will be the second high school music festival since the close of the war.

The morning program will be given over to solo numbers and small ensembles from the various high schools. The afternoon session will take place in the gymnasium where choruses, choirs, combined choruses and orchestras will make their appearance.

In the evening, the scene will shift to the Eureka Junior High school auditorium, where the program will include numbers by bands and a cappella choirs.

Participants in the festival will be groups from South Fork, Fern-dale, Hoopa, Eureka, Arcata, Fortuna and Del Norte High schools. Music directors of the schools are in charge of arrangements.

The public is cordially invited to attend all three programs.

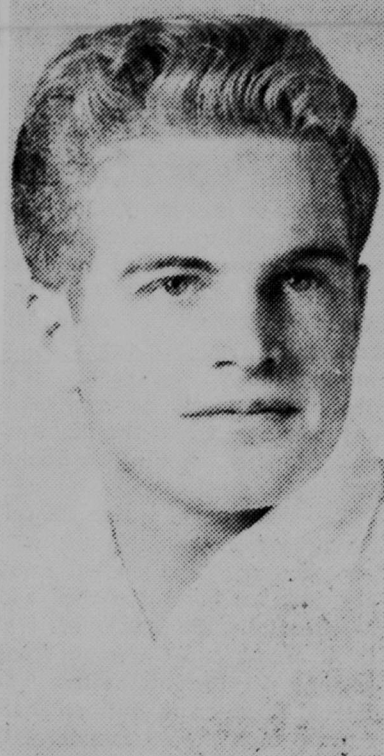

State Educators At HSC Last Week

Five members of the division of health education, physical education and recreation, state department of education, met last Thursday with education major students of HSC and with the college faculty.

Those here included Verne Landreth, chief of division, James W. Barton, consultant in community recreation, Mrs. Cecyl Havelin, director, community health education project, Dr. Bernice Moss, consultant in health education, and Winifred Van Hagen, consultant in physical education.

For the finest in music hear the HSC A Cappella choir in the concert tonight.

Ernie Gianotti Heads Public Relations Group

ERNIE GIANOTTI

An eight person HSC Public Relations committee, headed by Ernie Gianotti and designed to bolster good will for Humboldt State throughout northern California by contacting the various high schools in Humboldt and Del Norte counties, is now functioning and will make its initial appearance before the Eureka High school student body this week.

"Public relations," says Gianotti, "is of major importance for Humboldt State college. The coming year will require organization and planning. We are still way behind other colleges as far as equipment, athletic facilities, etc. are concerned. If our college is to go places we must have the enrollment of local high school graduates. There is not any educational factor that Humboldt cannot fulfill. The purpose of the Public Relations committee will be to inform these schools that they need not look farther than Humboldt State college to fulfill their needs."

Members of the committee who are working with Gianotti include Darrell Brown, June Alexander, Dayton Murray, Katherine Miller, Bob Oliveira, Bob Brennan and Len Conry, student body president.

Men's Association Meets Tomorrow

A meeting of the Men's association has been scheduled for tomorrow at 12:30 in the college auditorium. President Jim Walsh will preside.

It is important that all men students attend the meeting, as plans for the coming annual Men's association picnic will be laid tomorrow.

Hear the Humboldt State A Cappella choir in the concert tonight in the auditorium.

A Cappella, Madrigal Singers To Present Concert Tonite

The Humboldt State college A Cappella choir, under the direction of Leland Barlow, and the Madrigal Singers will present their annual concert tonight in the HSC auditorium starting at 8:15 o'clock.

Admission is free for college students having associated student cards. Tickets may be obtained at the office of the graduate manager.

Following is the program for tonight's concert.

Break Forth, O Beauteous Heavenly Light—J. S. Bach.

Ave Verum Corpus—Byrd.

The Choir

This Endris Night—arr. Whitehead.

Christmas Hymn—Juengst.

The Sleep of the Child Jesus—Gevaert.

Patapan—Old English Carol.

The Choir

Sing We and Chant It—Morley.

Wassail Song—arr. V. Williams.

Weary, My Heart With Thee Doth Plead—di asso.

An Acre of Land—arr. V. Williams.

The Madrigal Singers
Salvation Is Created—Tschernokoff.

Carol of the Russian Children—arr. Gaul.

Nunc Dimittis—Gretchaninoff.
Hospodi Pomilui—Lvovsky.

The Choir

Members of the HSC Madrigal group are Joyce Bruner and Mary Christiansen, sopranos; Elain Haas and Justine Swift, altos; Chester Bosch and William Wilkins, tenors; Bob Oliveira and Leland Barlow, basses.

Campus Queen Race Is Postponed

The annual Campus Queen election, held in conjunction with the yearly Alpha Psi Omega costume ball, will not be held this year, it was announced by Helen Ribiero, Alpha Psi Omega, president.

In making the announcement, Miss Ribiero said, "The student body displayed a marked disinterest in (holding) a third such contest this year."

(A Sports Queen contest, held as a part of the Homecoming celebration last fall, and a Sweetheart Queen contest, in conjunction with the Sweetheart Ball in February, were the other two such contests referred to.)

However, plans for the costume ball are still being made.

New Fellowships At Stanford U.

Stanford University has announced establishment of six new \$2,000 fellowships in creative writing.

President Donald Tressider stated that the fellowships will be given for work in fiction, non-fiction, poetry and drama.

All fellowships will be awarded on a competitive basis, and their

Dates Set For "Blithe Spirit"

CORA LEE DAVIS

In the college auditorium May 8, 9, 10 and 11 the Humboldt Players will present Noel Coward's "Blithe Spirit," an improbable farce in three acts.

Following the production of the play on the Humboldt stage, the cast will travel to Chico to present their performance at the annual Drama Festival held on the Chico State college campus. The Drama Festival has been revived this year after being discontinued in 1942.

"Blithe Spirit" was written at the height of the German blitz on England. Immediately, it became a tremendous hit in England and America, being chosen one of the ten best plays of the year. In spite of its illogical and comical situations, the play requires a mature characterization for its clever dialogue.

Those students making up the cast of the spring play are Alene Beers, Barbara Black, Cora Lee Davis, Mary Ellen Hovey, Cliff Mitchell, Helen Anne McClure, Ed Traverse, Jim Walsh and Margaret Wurche. John Van Duzer is in charge of stage design.

terms, except in unusual circumstances, will be limited to one year.

Applications for the autumn quarter of 1947 should be sent not later than June 15 to Wallace Stegner, director of the Writing Center, department of English. Candidates are asked to submit a detailed prospectus of what work they have in preparation, samples of completed sections of the work which they think will fairly represent it; a list of their published writings, if any; and letters from at least two persons capable of testifying to their character and talents.

VETERANS CORNER

One of the most promising developments in the present Congress is the organization by a group of 169 ex-G. I. members of the House of Representatives into a "caucus" to "effectively sponsor legislation to aid our comrades." In this group are Democrats and Republicans of both World Wars, but the boys pushing for veteran legislation are the veterans of World War II. They assert that they do not form a "bloc", but if they as a group support veteran legislation, call it what you will, a "bloc" it will be.

The first objective of the group will be to make terminal leave bonds immediately payable in cash. Because of the recent developments in Greece and Turkey, action has been delayed; but last week Congress Republicans were working on a plan to earmark two billions of dollars in budget savings for immediate cashing of terminal leave bonds.

By the way, if you haven't applied for your terminal leave bond, it might be well to do so

now as there will undoubtedly be a rush of applications when and if G. I. Joe finds immediate cash payments available. The deadline for applications is September of this year. The blanks, which are not hard to fill out, can be secured in the Post Office. You had better get another set of photostats of your discharge to send with your application. Some of you who received terminal leave pay as officers may also receive some terminal leave pay for the time you served as an enlisted man. It might pay to look into it.

Nearly 1,750,000 World War II veterans were attending school last January 31 under the Veterans Readjustment Act (G. I. Bill) and the Vocational Rehabilitation Act, statistics released recently by the Veterans Administration show.

The number of veterans in schools increased 34,062 over the December 31 totals. This increase of only two percent was one of the smallest since the program began, and reflected the approaching end of the fall term.

In three branch areas, decreases in the number of veterans in school during January were reported. The decreases were in Boston, Denver, and Richmond, their combined decreases totaling only 2,000.

The January report showed that 1,600,393 ex-service men and women were attending school under the G. I. Bill, while the remainder were being rehabilitated under the Vocational Rehabilitation Act.

January subsistence payments to veterans in training under the G. I. Bill totaled about \$154,000,000, while some \$21,000,000 was paid

HSC Broadcast To Be Aired Nationally

"The Voice of Atomic Energy", a radio play written by Neska Jeffers of HSC and produced recently by the radio workshop class has been sent to the Intercollegiate Broadcasting system, and the script of the play will be distributed from there to colleges and universities throughout the country for further broadcasting use.

This play presents the need for a united world government, arguing that such a program of world government is a vital necessity in today's world.

The Intercollegiate Broadcasting association is made up of colleges and universities carrying current radio programs. Humboldt State is now an associate member.

HSC Students Air World Peace Debate

The open forum which was staged last Thursday in the auditorium by members of the Humboldt State branch of the United World Federalists and other members of the HSC student body concerning the possibility and practicability of world government today was carried to the air waves last Monday evening in debate form.

The same panel which set forth their ideas on the subject of world government at the student assembly was on hand for the radio broadcast. On the panel were Jackie Anderson and Cameron Woods, arguing in the affirmative and Harold Turner and Norman Discher who took the other side of the question.

to veterans in training under the other act.

World War II veterans with 90 days of active service and a discharge other than dishonorable are eligible to apply for education and training under the G. I. Bill. Veterans with less than 90 days active service are eligible if they were discharged for a service-connected disability.

Benefits include one calendar year of education or training plus the equivalent of the time spent in active service between September 16, 1940, and the end of the war, with a maximum of 48 months of education or training.

To be eligible for education or training under the Vocational Rehabilitation Act, a veteran must have had active service between than dishonorable. He also must have a compensable service-connected disability and show the September 16, 1940, and the end need for vocational rehabilitation.

The Madrigal Singers will be a featured part of tonight's concert in the auditorium.

Tonight's A Cappella concert gets under way at 8:15.

BRASH TRASH

Since (if you will pardon the profanity) cinch notices have wended their merry way into the lives of the more fortunate kiddies, said holders of the lucky box numbers are wondering how things would be in Glocca Maura. The inconsiderate powers to be should realize that the lights in the local pool parlor are rather inadequate for studying.

Nothing but good was the carnival dance given for the relief of the baseball team and their families. Especially novel in the evening of cultural gaiety was the record smashing booth as set up by Mu Epsilon Psi. Petrillo scent D.W.C. (cute way of saving the printer the trouble of spelling out Don Wilson's Collegians) kicked through with their promise to those adapted to jumping low hurdles for a simply ginger peachy time. Besides the refreshment concession well managed by a competent crew, jam was dished out in abundance by Sharkey Walsh via the hot skin passages. Evidence of being up in the current classics was the sweet swinging of "There Is No Greater Love."

Noticeably absent from our lurid landscape lately are the discarded remnants of cigars which is an indication that student body campaigns will be under way soon. Not detracting from track, but these events should be the races of the year. Will be very interesting to see who will be the next "light of loves and hope of generations yet unborn."

Still on the hard to get list, but like 50-gauge nilons still worth waiting for and accepting no substitutes is Bobby Sherwood's "Elks Parade." The versatile Mr. S. throws everything he's got into this

MEET THE PEOPLE

by Al Tingstrom

Most of us have had the opportunity to meet Jack Magee. He's an ex-farm boy from Iowa, but I guess we can't hold that against him.

Jack and his wife Jean are living in one of the Campus Apartments, across from the College Grammar School. Their apartment is very neatly kept, and is quite comfortable looking.

Jack was stationed here in Humboldt County while serving his sentence in the Navy. He made quite a few friends here, and so he decided later to honor H. S. C. with his presence.

Jack and Jean were married over a year and a half ago in Santa Rosa, Calif. They have known each other almost all of their lives. Jean, like Jack, is a farmer (or should I say farmerette) from Iowa.

While Jack is attending college here, Jean is teaching school at Canal Grammar School a few miles outside of Arcata. She is very pleased with her position, and I'm sure her pupils are pleased to have such a lovely teacher.

Jack isn't following in his father's foot steps, but rather in his wife's foot steps. He's anxious to be a teacher, and I know he has the good qualities to make a good teacher.

platter which makes it a dish worth standing in line for.

Also a boon to instrumental collectors is Benny Goodman's "King Porter." Benjamin performs this immortal in a manner that should force the long hairs to take the pledge and bob their tresses.

Plant you now, and when your tablets get down to 4, that's the time to buy some more.

Lumberacks To Meet Crabs In Arcata Ball Park Sunday

Coach Larry Pape's Humboldt State college baseball team will make its first appearance on its home diamond this Sunday afternoon when the Lumberjacks face the Paladini Humboldt Crabs in the Arcata ball park.

Sunday's game will also be the initial appearance of the present season for the Crabs, a local independent semi-pro nine.

Four regulars on the Lumberjack varsity are former members of the Crab combine. Red Hunt, slated for mound duty in Sunday's game, wore a Crab uniform for two seasons, and two years ago twirled a no hit-no run game for the Paladini. Other ex-Crabs on the Humboldt roster include John MacDonald, first baseman, Ed Oliveira, shortstop, and Royce Lima, outfielder.

Although untested in competition so far this year, the Crabs should field a veteran, hard hitting ball club. Manager Lou Bonomini has a flock of long ball hitters in Bob Mathews, Clarence McClain, Bunny Hadley and Dave Hauger. Hadley and Hauger are not as consistent as the other two, but if they ever connect they can give the horsehide a real ride.

Bonomini and Rico Pastori are both dangerous at the plate. Both hit well over the .300 mark last season.

Humboldt also has plenty of strength at the plate. Mike Whalen, Oliveira, George Renworth, Bill Bailey, Bob Bell, Jimmy Dickinson and Phil Young are all capable of blasting the pellet around the park.

Pape is expected to stick by the

same lineup which he has used during most of the season. Right field is the only real question mark. Bailey will get the call if his injured ankle is healed, but otherwise Lima will probably open.

The rest of the lineup will probably be Jim Dickinson, second base; John MacDonald, first base; Ed Oliveira, shortstop; Mike Whalen, center field; Bob Bell, left field; Bailey or Lima, right field; George Renworth, third base; Phil Young, catcher; and Red Hunt or Gene Johnson, pitcher.

HSC Tennis Team Plays This Week

The Humboldt State tennis team will play its first matches of the season this weekend when the Lumberjack netsters trek to Oregon to meet the Grants Pass Tennis club at Grants Pass on Friday and then continue to Ashland for matches with the Southern Oregon college crew on Saturday.

Top man on the HSC tennis combine so far this season has been Ellis Williamson, only veteran returning from last season's Humboldt team, but he is being pushed hard for the number one man spot by Cliff Mitchell, a freshman and two years Humboldt county high school singles champion while at Eureka High.

Other members of the Humboldt team expected to make the trip north this week are Pat Hoffert, Paul Landwehr and Ken Peters. Bert Johnson, Williamson's doubles partner will see action when Humboldt plays their only home matches, against Chico State here May 16 and 17.

The Far Western conference tennis tourney will be staged on the Cal Aggies' courts at Davis May 9 and 10, with all schools in the conference participating.

Williamson also said last week that he hopes to organize a junior varsity team soon which will play the various high schools in the county.

Representative At CSTA Conference

Ellis Williamson, representing the Humboldt State branch of the California State Teachers association, last week attended a statewide meeting of the association held at the Mark Hopkins hotel in San Francisco.

Members of CSTA attending the conference met the representatives of the California Teachers association, the parent body, several

Johnson Twirls Five-Hitter To Blank CC Nine

Gene Johnson, lanky Humboldt State fastballer, turned in the best mound performance by a Lumberjack hurler this season as he shut out the Crescent City Merchants 5-0 with a four hit job. Johnson's mates clubbed three Crescent City pitchers for nine hits in the game played Sunday at the northern city on a wind swept diamond.

Johnson registered 12 strikeouts and issued only two bases on balls.

Humboldt opened the scoring in the first inning when they put together a pair of walks to Jim Dickinson and John MacDonald, a single by Ed Oliveira and an infield out to score one run.

Coach Larry Pape's charges added another counter in the fourth when MacDonald crossed on Mike Whalen's single, one more in the seventh when Oliveira came home on another base hit by Whalen, and scored two in the ninth on singles by MacDonald and Oliveira and a double by Whalen.

Johnson was in trouble only twice, in the second when a double by Bill Baldwin and a walk put men on first and third, and in the eighth, when Slusser drew a walk, stole second and third, but was tagged out by Phil Young in attempting to steal home after a squeeze play had failed.

Whalen, with three for five, and Oliveira and Young, with two hits apiece, were the big guns in the Humboldt attack.

Block "H" Club Planning Dance

A sweater dance to be staged sometime in May and the awarding of the trophy for the athlete year are the principle plans of the HSC Block H club for the remainder of the present semester.

The Adam Hat-Jack Dempsey award will be made by a group of some 20 people to be selected by the Block H club. The group will have their choice of a list of candidates for the handsome trophy which will be drawn up by the Block H club itself.

of the superintendents and supervisors, including Roy Simpson, head of the state school system. The need for 40,000 additional elementary school teachers in California was stressed.

With 1.2 million acres of rented grazing land added to 1.3 million title-held acres, the Kern County Land Co. has a cattle range larger than Rhode Island and Delaware combined.

WINS TITLE . . . Pauline Betz, Los Angeles, who defeated Doris Hart to win the women's single title in the national indoor tennis championship, held at New York City. Miss Betz also holds the national outdoor tennis title.

Big Intramural Schedule Slated

With the foul shooting contest completed last Thursday and the badminton singles tournament expected to be finished this week, the Intramural board is now preparing a schedule of sports which will run until the close of the school year.

Other activities which are slated to get under way soon are the badminton doubles tourney, a horse-shoe tourney and the intramural softball league. The volleyball has already begun, initial games being played last week.

Darrel Brown won the foul shooting contest with a mark of 18 out of 25 shots from the free throw line, while Ed Oliveira and Jim Morrow tied for second with 17 out of 25. Oliveira beat Morrow in the second place playoffs.

Intramural managers are asked to consult the intramural bulletin board regularly in order to keep posted on the latest activities which are to get under way.

Members of the board sometime today will be in the front hall to explain the various cups and awards which are on display there. Five handsome cups will be awarded, one each for the outstanding intramural athlete of the year, the outstanding organization, basketball champions, won by the Men's association, volleyball champions and softball champions.

Large Attendance At Fun Carnival

Some 250 Humboldt State students and their guests attended the annual fun carnival and dance held last Friday evening in the college gym for the benefit of the baseball team and the junior varsity football squad.

During the early part of the evening, those attending patronized the various concessions operated by campus organizations and members of the baseball and jay-vee football teams. Most of the concessions closed at 10, and the remainder of the evening was spent in dancing to the music of Don Wilson's Collegians.

Choir To Make Southern Tour

The HSC A Cappella choir will leave Saturday on its annual tour of northern California and the bay region.

Opening concert for the group will be sung Saturday at Garberville. Sunday performance will be presented at Ukiah, and Monday the choir will make an appearance at Willits. Final concert of the tour will be on May 1 at San Mateo Junior college.

A radio appearance over station KSFO of San Francisco will be made April 30.

The Humboldt A Cappella choir has gained statewide recognition in the past for its fine appearances.

Varsity Cage Team Named by WAA

An honorary six-girl varsity basketball team has been named by members of the Women's Athletic association as a closing feature to the end of the girls basketball season.

Named to the honorary varsity were Anna Babler, Margaret Wurche and Phyllis Sequist, forwards; and Carolyn Cathy, Virginia Hill and Perky Milnes, guards.

At last week's WAA meeting, the possibilities of sending a representative to Sacramento for a conference for an extra-mural board were discussed.

John Lewis Talks To Lions Club

John Lewis, director of the Wild Life Management course at Humboldt State College, was guest speaker at the regular meeting of the Arcata Lions club Tuesday night at the Bella Vista Inn. Lewis discussed fully the activities of Wild Life Management and also explained the senate bill No. 308 to the club.

VILLAGE NEWS

Hi ya Folks?

Knowing that you are all hepped up about all the juicy tid bits going on at Humboldt State's newly constructed Village, I will proceed to peddle my news on this same ole stand each week.

I guess just about the biggest event this week was the deposit of a female bundle of squeals to Jan and Fred Iten of "humble abode" No. 13. Ye old stork must have had good flying weather, 'cause he deposited same on the very day expected. That busy ole bird is expected at the Knox Castle No. 1 also, but he must be grounded somewhere as he is long overdue.

A mighty descriptive specimen of life in the Village is expressed in these few verses written by a charter resident.

HUMBOLDT VILLAGE

Most people think of a village as quaint,
With cute little houses of green and white paint,
With beautiful lawns and flowers galore,
For happiness there, you couldn't ask more.
Now there is a village in Arcata town,
The only one for miles around;
It isn't the quaintest one you will see,
But it's home for those thirty

families.

Those gravel roads with scattered holes,
The added beauty of electric poles,
The laundry house, not yet complete,
The soil offers flowers, nothing to eat.

No lawn or yard for the children to play,
But that doesn't stop little Terry and Jay;
The rocky ground doesn't stop their fun,

As can plainly be seen by the more things they've done.
The tots of the village are cute as can be,

There's Diane, Bobby Thoman, and Lynda Lee;
Rex and Greg; also Timmy and Todd;

Lynn will oblige with a smiling nod.
But the village sweetheart can only be one

Adorable, sweet, Bobby Jane Dillon,
She sits in her window like a little queen,

And bids greetings to all who can be seen.
The telephone is a convenience, too,

Especially when the call is for you;
A race to answer made by Chris or Jane,

But it's Leon or Jim when there is rain.
The laundry house has, without any questions,

Become the headquarter for history bull sessions,
The boys study real hard and do their best,

And never yet have failed a test.
Life in the village is not always delight,

Ask any tenant to prove that I'm right,
With the garbage upset by dogs and cats,

And rainy days make it "mud flats".
Their complaints may be many; luxuries few,

But they wouldn't consider a change with you,
Leave all the mud and holes to roam?

Why Humboldt Village is their Home!
—Jo Davis.

'Twas a mighty sad day for Jim Dickinson, the Village's own second sacker, when the Lumberjacks played Cal Aggies' "Nasty nine."

GRANDMOTHER A STOWAWAY . . . Mrs. Grace Albanese, Italian-American wife of a Bronx, N. Y., grocer, as she arrived aboard the army-operated American liner Marine Perch—a stowaway. Mrs. Albanese sailed to Italy last November to visit her failing mother and her married son, Tony, a sailor, who won a Silver Star in action. Stranded after four months, she walked aboard the Marine Perch in Genoa. The adventurous grandmother arrived wearing a navy jacket, on which she sewed her navy son's service insignia.

GRINS and GROWLS

Fellow students, here is your chance to blow off steam. If you have had something on your mind that you feel the rest of your comrades in textbooks should be aware of, write us a letter in care of this column. Sign your name, please, as no letters will be printed if not signed, but we will withhold the author's name upon request.

Here's a letter that has been around the office for quite a while, so to start things rolling, here it is.

Editor, Lumberjack

Dear Editor:

In each of us there is a hidden voice that cries out when it is hurt. Sometimes it just cries inwardly, and few realize when outward actions are manifestations of this hurt. But when the voice is willing to speak out we cast off our hurts and make room for more constructive thought and action. And so I want to "cast off" a hurt about your column, CINEMA SCOUT.

The writer of this column has

He arrived home sportin' a black eye and five stitches. It seems he didn't duck in time, but he can still boast of an "eye for the game."

Well, for this week, as the little boy said when he sat on a cake of ice, "My tail is told."

Sincerely
A. Nonnie Muss

been given a rare opportunity. He speaks and his voice is heard. He can help to educate public taste to the point where it demands and will patronize the best. Who can deny the need for this education in a world which now totters on the brink of World War III. There is nothing which educates public tastes so effectively and so rapidly as watching and listening to talking motion pictures which, in every phase of their production are a little better than the public expects. Every one of those courageous productions, which are thus disappointingly far ahead of their times, accomplishes at least this much—the thousands of those who see it acquire unconsciously new standards of taste for themselves. Such a picture was "The Razor's Edge." Your writer called it "false and artificial."

The will to create and maintain high standards must first exist within. We are in institution of education. Let's use our opportunities for guiding thought by progressive thinking.

Yours very truly,
Neska Jeffers
Student, HSC

Leland Barlow's A Cappella choir will bring you the best in music tonight in their auditorium concert.
