## HUMBOLDT LUMBERJACK

WEDNESDAY, MAY 25, 1949

### Thespians Plan Future Events

The College drama department has planned a tentative program for the next school year. The group hopes to select a Shakespearean play, Restoration drama, or an Ibsen play, such as "Taming of the Shrew," "Midsummer Night's Dream," or "This Spring". Tryouts for this mid-year play will be held during the first or second week of school in September. All members of the cast will join a reading-aloud course and spend Fall semester studying oral interpretation and period acting styles through recordings, personal interpretation reading, and sound films. The play will go into rehearsal near the end of the semester.

In addition, three short plays will be given during the Fall, and four short plays during the Spring semester. The annual Drama Festival will be held on the campus in March and the Humboldt State Chico State Drama Festival in April.

### Campus Becomes Social Center

Opportunities for the improvement of the social life of Humboldt State students have been enlarging this year. Nelson Hall Dining room for the first time was made available for social affairs. The faculty show was revived. Dances after football and basketball games were encouraged. Faculty and students grew to know each other better through such events as Work Day. Informal teas were given at Nelson Hall and Nelson Hall girls acted as hostesses. More social activities have taken place and centered on the campus.

But there is yet quite a bit to be done in Humboldt's social world. Miss Kate Buchanan, dean of women, suggested several things. She believes that the dances should be better organized, planned, and advertised, and that rallies have more participation and cooperation. She thinks the faculty and students can have a better understanding if the faculty invite students into their homes and the students in return invite the faculty either to special dinners at Nelson Hall or into their own homes. She stressed the fact that the student body should appropriate money for social affairs.

If these points can be carried out Humboldt's social life will be greatly helped.

### Things To Come!

Many general repair and construction jobs are planned for this summer to put HSC in better condition for this fall semester. A few of them are here listed -- The road behind the main building will be paved before long, the bleachers will be scraped and repainted, and a flagstone sidewalk, twelve feet in width will lead to both bleachers.

The main building will have a new lighting system by next Sept. The maintenance crew has al-

### Campus Improvements

Work on the track is nearly completed with the marking of the lanes being about the only work left to put it in presentable condition. Humboldt has received new water system, guaranteed by city of Arcata to produce more water pressure. The new system will be used in all parts of the school for all purposes. That work going on behind the bookstore developed into an electrical shop for the storage of all the electrical supplies. All minor electrical installations are handled by the college maintenance crew, contractors being called in only to work on the major installations. Redwood Hall has come in for a lot of attention lately what with receiving new lockers, getting the floors worked on, new sidewalks, and plywood added to the walls.

### Dawn Redwood Planted Here

One of the famous Dawn Redwoods has been planted on the southwest corner of the main building. This recent addition to the rapidly growing collection of trees and shrubs on the campus is one of a number imported to this country recently from China. It was only a few months ago that these ancient trees were discovered in China, and steps were immediately taken to import some of the species to this country.

The Dawn Redwood closely resembles our own native Redwood but is said to be deciduous, while our Redwood, (Sequoia sempervirens) is a coniferous species.

ready started scraping and repainting the roofs on all the quonset huts. Orders have been received from Sacramento to have Redwood Hall painted. This will be undertaken sometime this summer.

### Gist, White, Flye Popular Targets

Carnival night, May 20, at the HSC gym, with its gayly decorated booths and laughing crowd, succeeded in its purpose. All the booths were well patronized. Fortune Telling, Penny Toss, Nail Drive, Food Concessions and the Telegraph were popular. One of the more interesting concessions was the Tunnel of Terror by Nelson Hall. Filled with spider webs, weird sounds, and queer devices, the tunnel brought screams from the feminine visitors.

The Sling Shot Range was popularized by the fact that the targets were wooden imitations of such well known figures as President Gist, Dr. White, Mr. Flye, and others.

Norma Gentry and Carol Jackson were the stars in the kissing booth.

A favorite with the children was the fish pond. Business was active in that region as in all of the concessions.

Ferguson, Marsh, Loder, Goldie, Hawkins, and Seufert are some of the names associated with the boxing matches that took place.

A few of those who worked in the booths and sold tickets were Earl Davis, Marilyn Brizard, Dolly Dunn, Dwain Wright, Irma Watts, Jane Martin, Carol McKeown, Patsy Hackett, Tom Hodge, and Frank Short.

After the carnival the sawdust was brushed aside for the dancers, who danced in their socks to the music of Woody Thompson's band.

I often pause and wonder at fates peculiar ways, For nearly all our famous men were born on holidays.

Have you heard about the peacock? Nope. Well, it's a beautiful tale.

### Junior - Senior Prom Begins Festivities For Seniors

"Tropical Cruise" is the name of the prom the juniors are sponsoring for the seniors on Fri., May 27, at the Masonic Temple in Eureka which starts at 9 and ends at 1. Seniors who have paid their dues will be admitted free. Guests will be .75 and couples \$1.50. Tickets are on sale now.

This formal dance will have the music of Woody Thompson's Orchestra.

Some of those working to make the ball something that the seniors will long remember, are Claire Valentine, Betty O'Neal, Lee Hawkins, Don Chestnut, D. Lawitazke Janet Oppenheimer, John Adams, and Mary Ellen Hovey and many others.

### PICNIC

The American habit of picnicking will have staunch supporters when the senior picnic, attended by graduating seniors or Humboldt State, begins. This happens at 11 a. m. Wednesday, June 1st. College Cove will be the place if our usually fair skies are still fair. If the unusual happens, Camp Bauer will be the scene of festivities. The seniors will leave in private cars from in front of college at 11 a. m. Food and games aplenty. Red Hunt is picnic chairman.

### FISHING

"And we shall go down to the sea in ships!" That is what the graduating seniors of Humboldt State, or at least some of them will do on Thursday, June 2nd.

The excursion of deep-sea fishing will be an all day event. The boat to be used is Stan Commerford's "Masco" which will accommodate 25 persons. Other boats will be available if it is necessary. The cost of the trip is not covered by the \$5.00 dues already paid by seniors, but will be pro-rated by the number of people in attendance.

The ship or ships will pass over the bar in Humboldt Bay and proceed to the fishing grounds to the north. Everyone must have a fishing license and good, strong stomachs. All bait and fishing gear will be furnished. Good fishing!

The Arden theatre is giving a special matinee showing of "Joan of Arc" for the Senior Theatre Party, June 3. Seniors will be admitted for a reduced price, while others attending will pay the special rate for this first showing in this area of the movie.

### DINNER-DANCE

A semi-formal dinner dance for seniors and their guests only is to be given on Sat., June 4. The dinner dance will begin at 8:00 at the Eureka Inn. The delicious dinner will have ham as its main course.

Ray Bulock's Orchestra will provide the music

### BACCALAURATE

Baccalaureate services for graduating seniors of Humboldt State College will be held June 5th, at 2:00 p. m. in the College Elementary School auditorium, or, weather permitting, in the inner court of the administration building.

The program will include the entrance of the seniors in their caps and gowns, an invocation by Father Edmund Gray of St. Mary's Church, several selections by the College Choir, an address by Rev. erend Justin Follett, Pastor of the Arcata Methodist Church, remarks by President Arthur Gist, and a

benediction given by Reverend Arthur Reed, of the Baptist Church.

The graduating class is urged to insure good attendance at Baccalaureate by including a note of invitation to these services with their graduation announcements.

### COMMENCEMENT

Monday evening, June 6, will see the thirty-fifth annual commencement held in the college gymnasium. Leon Dillon, Economics and Business Administration major, and Zatha Bralich, majoring in the field of Speech and Drama will represent the Senior class as valedictorians.

President Arthur S. Gist will act as chairman of the commencement program and will introduce the commencement speaker, Dr. Harry J. Rathbun of the School of Law, Stanford University. Dr. Rathbun will speak on the topic, "What's Ahead".

Program officials are Dr. Hyman Palais, Commencement Marshall, and Dr. Burton Henry, Senior Advisor. Dr. Milhous will present candidates for degrees in Education while Dr. Balabanis will present candidates for degrees in Liberal Arts. Announcements of honors and awards will be made by Mrs. Myrtle McKittrick.

The Humboldt Little Symphony, under the conduction of Charles Fulkerson, will play the psessional, recessional, Star Spangled Banner, and the alma-mater. The A Cappella Choir under the direction of Leland Barlow will sing several numbers.

Reception for the graduates will be in the college social unit following Comencement.

In order to participate in the activities of Senior Week, the Prom, picnic, the deep-sea fishing trip, theatre party, the dinner-dance and Baccalaurette services, a nominal fee of five dollars must be paid before the first of the activities begins. After paying this little amount, one may attend one or all of these activities without any other charge whatsoever. One more little message, you're able to graduate anyway! But who would want to be kept away from all the fun of Senior Week--- this only happens once in a lifetime.

One last thing, there is a conflict on the calendar and the Senior prom and All-Star baseball game are scheduled on the same night at the same time. But all Seniors should attend in spite of this conflict.

### Schedule For Fall Registration

The registration schedule for the fall semester 1949-1950 has been issued:

September 12-13 (Mon. and Tuesday) ...Testing Program.  
September 14 — Pre-programing.  
September 15-16 — Registration.  
September 19—Classes begin.  
December 17—January 2—Christmas Holidays.  
January 23-27 — Final Examinations.

I woke up last night with a feeling that my watch was gone. So I got up and looked for it. Was it gone? he was asked, Nope, he replied, but it was going.

## MANY THANKS

"College life is swiftly passing,  
 Soon the sands are run.  
 Still we'll ever cherish  
 Friendships here begun."

These four lines from the Alma Mater of our college  
 express my feelings and, I know, those of others who are  
 winding up their semester's work on the college activities.

They express many hours of hard work, headaches,  
 arguments, with co-workers, disappointments, and, in some  
 cases, heartaches. But, yet, they express many more hours of  
 happiness, personal satisfaction, sharing your work with  
 helpful and willing worker, and most of all it expresses the  
 pride one feels when a job is well done.

My job as editor of the LUMBERJACK has brought me  
 all of the before mentioned. I only hope you have enjoyed  
 reading the LUMBERJACK as much as I have preparing  
 for you.

I'd like to thank Marilyn Brizard (ass't editor; Tom  
 Knight, Copy Editor; Alf Braun, business manager; Mr. Al-  
 ward, Advisor; and Gordon Hadley, printer for all their  
 wonderful help and cooperation throughout this semester.  
 Being Editor of the LUMBERJACK is an honor I shall  
 never forget.

It is with great pride and sadness that I turn the pub-  
 lishing of the LUMBERJACK over to Alf Braun, Editor for  
 the coming semester, who I know is capable and willing.

## Last Issue's Editorial Explained

As the ancient proverb says, "Blood can not be squeez-  
 ed from a turnip." Likewise, the administration can not  
 supply housing without means. The present housing plan at  
 Humboldt is far better than most of the other schools in  
 our conference and every one concerned has done his ut-  
 most to offer adequate housing.

A budget is a program with which the student body is  
 concerned and should not be a problem of the administra-  
 tion.

A training table for athletes is a truly great and ben-  
 efiticial project. Many hours are directed to training and  
 working to perform at greatest strength and a training  
 table makes this possible, but, it is not dependent upon the  
 administration for its organization, but to either the stu-  
 dents themselves, or to the citizens. Should the administra-  
 tion make any claims to a training table it would be suf-  
 ficient basis for dismissal from the Far Western Confer-  
 ence.

These three problems which have been clarified have  
 been taken from last week's issue of the Lumberjack.

## Advice To The Love-Scorned

by Magnolia Farthingdale

Magnolia Farthingdale, noted  
 analyst on affairs of the heart, has  
 brought sunshine to many souls in  
 correcting their difficult problems.  
 If you have such a problem, write  
 Magnolia Farthingdale, esq., c/o  
 the Lumberjack, and see your prob-  
 lem solved in print.

Problem No. 1 - Dear Miss Far-  
 thingdale: I have been going  
 steady for the past year with a  
 certain young man here at Hum-  
 boldt State. He loves me, and I  
 love him except for one thing; he  
 isn't very strong. He's so timid  
 that everytime some one insults  
 him he apologizes. Do you think  
 this would hurt our marriage?  
 Signed Waiting Wilma.

Ans: Dear W. W. If you love this  
 boy, marry him. Physique isn't

everything. Some of these muscle-  
 bound romeos are more to be pitied  
 than censured. Evertime they take  
 you out, the muscles go with it.  
 As far as your boy-friend is con-  
 cerned, they still have brass  
 knuckles, lead pipes, and swing-  
 ing doors. Marry him. Magnolia  
 (Athlete's foot) Farthingdale.

Problem No. 2 - Dear Miss Far-  
 thingdale: If I'm in the Co-op,  
 there he is. If I'm on the bus,  
 there he is. If I'm at the main en-  
 trance, there he is. Whatever class  
 I'm in, there he is. Can this be  
 love? Signed Musing Mary.

Ans: Dear M. M. If you go home  
 someday, and there he is; it's love,  
 and there you are. Magnolia  
 (Where am I?) Farthingdale.

How do you like your hair cut

## KATTY KORNER

The worst part of writing the  
 column this week is that every-  
 thing that's happened, that is  
 worth writing about, must be  
 written in a "printable-style". And  
 there's such "choice - bits".

My how the location of Camp  
 Bauer and Moonstone Beach has  
 changed. Here I thought the me-  
 were to have their fun at Camp  
 Bauer and the girls at Moonstone;  
 but what happens, they all wind  
 up having fun at the College Cove.  
 And my! oh! my! what fun they  
 did have.

First to arrive were a group of  
 co-eds all fancy in shorts and T-  
 snappy looking bathing suits. A-  
 mong them were Lois "My-shorts-  
 will-never-be-the-same" Carlson,  
 June "I-didn't-make-this-in-sew-  
 ing" Jorgensen, Mary "To-be-or-  
 not-to-be" Hull, Mary "Dynamite-  
 in-a-small-package" Lou Ball,  
 Maren "Willow-waist" Murphy,  
 Norma. "Best-you-try-golfing"  
 Gentry, and Carol "Light-em-up"  
 Jackman.

Peggy Malzbergen, who spent  
 the afternoon being one of the  
 many in "Life's Passing Parade"  
 was joined later in the afternoon  
 by Jerry Falor.

I've often heard that the way  
 to work it is to go out early with  
 one and then always get back in  
 time for the second date; but it's  
 the first I've seen work it that  
 way. For instructions see Donna  
 Sherman. She was lucky Tom  
 Hodge didn't insist on keeping her  
 longer or that Frank Williams  
 didn't arrive early.

If there had been a "Kiss-O-  
 Meter" on the beach. I wonder if  
 Tom Siefert could have succeeded  
 in making the lights glow with  
 Dona "She-was-glowing-anyway"  
 Burbage as he did with Carol Mae  
 at the Carnival. What's this I hear  
 about her giving him the ticket  
 when it was over with.

"Never say die" is the motto of  
 Art Chase and Fred Cole, who  
 after mucho thinking solved the  
 perplexing problem of "What to  
 do when you forget your bathing  
 suit". It would be nice if the girls  
 could solve the same problem the  
 same way those fellows did. Oh!  
 these rules of society.

Although he can't quite fill the  
 membership requirements for the  
 Royal Order of the Cardinals,  
 Jake Williams is the only fellow  
 who has succeeded in keeping a pair  
 of feminine shoes under his bed  
 in Room 1 Hall. Jake's theory for  
 is-one day at the beach  
 means a start in the shoe business.  
 Anyone interested in brown suede  
 shoes?

It was easy to see that Bob

Brambani, Richie Bryant, and  
 Locke McCorkle didn't pass their  
 Geometry courses or they wouldn't  
 have spent so much time walking  
 if they would have known that the  
 shortest distance between two  
 points is a straight line. 'Course in  
 their condition it's a wonder they  
 didn't pass out.

What's this new occupation of  
 "married-men sittin'" that George  
 Kruse has taken up. And such a  
 funny place of business, the beach.  
 Seems his charges Ernie Beebe  
 and John Gordon didn't mind at  
 all.

Couples seen hither and thither  
 were Harry Gift and Rickey Boyd,  
 Perky Milnes and Vern Roberts,  
 Don Carlson and Pat Hackett,  
 Charlotte Marks and Alf Braun,  
 and Doreen Shannon and Con Ne-  
 ville; however, these couples were  
 changed without a moments notice.  
 Should have had the beach marked  
 of in squares; then we could have  
 a cute game of chess, what with  
 all the shifting and check-mating.

Well, this issue winds up  
 another semester of eves-dropping  
 keyhole-peeking, and just plain  
 snooping. It's been grand being  
 able to write all this and still have  
 friends, I think. Bye for now and  
 be waiting to hear from all of  
 you next semester. Let's hope you  
 all have a joyous summer.

I'm tired of love; I'm still more  
 tired of rhyme; But money gives  
 me pleasure al lthe time.

## Baker - Middleton Joined In Wedlock

Grant's Pass, Oregon was the  
 scene of the wedding of Bertha  
 "Kitty" Baker and Cliff Middle-  
 ton Friday, May 20 with the  
 County Judge performing the  
 rites. Witnesses for the ceremony  
 were Rickey Boyd and Bob Lin-

 State College.

The bride was dressed in a tan  
 tweed suit with a rose-gardenia  
 corsage on her shoulder.

Mrs. Middleton, daughter of Mr.  
 and Mrs. Norman Baker of Healds-  
 burg, California, is now complet-  
 ing her sophomore year at HSC in  
 the field of Education. "Kitty," as  
 called by her friends, will finish  
 her education.

Cliff Middleton will graduate in  
 June with his Bachelor of Science  
 degree in Wildlife. Cliff's home is  
 in Bonners Ferry, Idaho where his  
 parents Mr. and Mrs. Cliff Middle-  
 ton now live.

The couple is now residing at  
 989 - 9th Street, Arcata.

Big Bob McWilliams, Sports Editor for this year's Lumberjack is still going up the ladder in journalism. Big Bob is going to be next year's business manager.

**TOM KNIGHT**

Tom Knight serving as this year's copy editor and Sempervirens Business Manager, will move to next year's assistant editorship for the Lumberjack staff.

**JOHN McMURRAN**

The Student Council has appointed John McMurrin as editor of the college annual for next year. A freshman student from Blue Lake, is a social science major and a journalism minor; he hopes to receive a general secondary credential. He has had experience in yearbook work as editor of his Arcata High School annual, the 1948 Advance, and was Photography Editor of the 1949 Sempervirens. He is active in the newspaper field and is proof editor for the college newspaper. While at Arcata, McMurrin served as editor of the high school paper for two semesters.

McMurrin holds the Henry F. Brizard Honor Entrance Scholarship and is a life member of the California Scholarship Federation. He belongs to the CSTA, the Yell Leaders Organization. While at high school he was active on the Student Council, Student Court, Excalibur Club, and many other organizations.

John has already started working on next year's annual by taking pictures of this year's spring sports and other spring activities that are usually not in the yearbook. The SEMPERVIREIS of 1950 is to be a joint venture of the staff and the student-body; supported entirely by book sales and advertisements.

by BOB McWILLIAMS

Education is like a merry-go-round. You have your ups and downs, but stick with it long enough and you catch the gold ring. In College they call it a degree. Well, this year a few more have earned the ring and in the sports department this will be sorely felt next year. Tex "Tawific" McKown, who did so well at fullback on States football team, Al Bartlett, who filled in at tackle, Jack Newman, the boy who played a great game at the end position with a broken wrist, and Clarence Ferguson, who started late but performed well at center. Bob Brambini, a mainstay on the basketball court and big "Red" Hunt, the hurling ace on this year's baseball team, all leave to receive their spades and become members in the affiliated brothers of the (B. O. D. D.), Benevolent Order of Ditch Diggers. Here's to bigger and better ditches.

Lou "Dapper Dan" Tsoutsouvas has decided to accept a head coaches berth at Pacific Grove High School, which is situated in the county of Monterey. Lou did a great job in handling last year's grid machine and gained admiration from all those who know him. Good Luck Lou!

George Renworth announces his graduation from Humboldt after a very successful season with the baseball club, holding a batting average of .333. Incidentally George was chosen captain of the team, but getting back to degrees, George must have administered the third

## Seniors Win As Fans See Red

After a slight tiff over who would wear the red jerseys the faculty-senior basketball game got off to a rollicking start last week with the faculty wearing the jerseys. The score tied 0-0 for the first eight minutes of the game until Red Hunt scored two points to give the seniors a lead.

The audience, composed mostly of students, cheered ardently for the faculty and booed the seniors. Despite the fans the seniors took the lead in the final moments of the game and held it to win 20-18.

Some of the highlights of the game were Fred Telonicher's long set shot; Choo-Choo under a pile up; Reese Bullen and his south paw shots; Tex McKown charging full steam down the floor; Brambani picking himself up after hitting Choo-Choo; Himstreet's speed and accuracy in shooting. and Arthur Gist's five tries.

Players and scores were as follows:

Faculty: Christiansen, 2; Griffith 1, Himstreet 6, Norton 1, Shepherd 1, Telonicher 5, Tsoutsouvas 2, Bullen 0, Johnson 0, Gist 0.

Seniors: Hunt 4, Shanahan 1,

## Second Annual Game

Tomorrow at the Big Four Inn, the H. S. C. baseball team will hold it's annual dinner. All members of the squad will be present along with coach Lou Tsoutsouvas, Rod Shepard, as acting master of ceremonies, and Dr. Balabanis, representative for the college.

The Bob Brennan Memorial Trophy, given each year to the most valuable player on the squad, will be awarded to this year's winner, Cliff Prelow, outstanding player and sportsman for the H.S.-C. nine.

George Renworth, winner of the trophy last year, will make the presentation.

On Friday evening, at the Arcata ball park, the second annual game between H. S. C. and the Highschool All-Stars will be played.

Humboldt won the first game last year by the score of 5-3. This year the all-stars will be out to even the count at one game a piece.

Friday night's game will be dedicated to Don Walkenshaw, one of the most brilliant, all-around athletes, to come out of Arcata High school.

His tragic ending at Big Lagoon last Thursday was a sorrowful loss to his many friends throughout Humboldt County.

The line up for the High-school All-Stars presents a fairly strong aggregation.

The mound duties will be handled by Phelps of Eureka, Turner of Del Norte, and Jewell of Fortuna.

On the receiving end will be Peterson of Del Norte, At first base will be Himango of Eureka. Kellis will play second base. He's from Del Norte. The third sacker will be either May or Girsback, also from Del Norte. Hoopa's representative will be Davis, at short stop.

The out field will find either Clark or Semas from Arcata, Sorenson from Fortuna, and Magness from Eureka.

Humboldt's starting line up will consist of Red Hunt, starting pitcher, Jim "the voice" Brown, behind the plate, Shumin at first, Cliff "most valuable" Prelow, at second base, Brambani at third, and George "knockout" Renworth, at short stop.

In the outfield it will be, Bobby Thompson in leftfield, Jerry "lover" Zottola in centerfield, and Dave "never catch" Dana in right field.

These are the probable starting line-ups for both teams. Game time is 8:00 p. m., admission, 50 cents plus student body cards.

Brambani 2, Williams 1, Dumond 2, Stachuk 3, Newman 7, McKown Bartlett, Ferguson, Stebbins, Hofferbert, Renworth, 0.

## Humboldt - Chico Split Twin Bill In Baseball Finale

Playing on the windswept Arcata ball park diamond last week, the Lumberjacks from Humboldt State and the conference champions, Chico State, split a doubleheader. The Wildcats took the opener 12 to 6, and the Humboldters copped the nightcap 12 to 8.

These games rung down the curtain on the Lumberjack's conference campaign. They finished with a record of two victories and eight losses.

In the curtain raiser Chico got off to a fast start by tallying six runs on five hits in the second inning, and they were never headed. They also scored two runs in the fourth, sixth, and seventh innings.

Humboldt's total of six runs were accounted for by two runs in each of the third, fourth, and seventh innings. Jim Brown with a double and a single, and Dave Dana with two singles led the Humboldt attack. Evan Reilly pitched for Humboldt, and Torkelson worked on the mound for Chico.

### SCORE FIVE RUNS

In the conference finale the Lumberjacks came back strong against the Chico powerhouse to virtually clinch the game in the first inning by scoring five runs. George Renworth started the first inning fireworks when he hit a line drive to center field and came all the way home when the ball bounced over the fielder's head. The 'jacks scored four more runs on four walks, a long fly ball, and a Chico error. The Humboldt horseholders continued their scoring with one run in the second inning, two counters in the third, and four more tallies in the fourth stanza.

Big Don Carlson pitched beautiful ball for Humboldt allowing but eight hits to the power-laden Chicoans. He was never in serious trouble except in the seventh ining when Chico scored five runs on three hits and a Humboldt error. The hitting stars for the "pay your own way" boys in the second encounter were Cliff Prelow with a triple, a double, and two singles, Dana with three one base knocks, and Renworth with a homer and single.

With their conference season ended the Lumberjacks are now preparing for the high school all-star game on Friday, May 27.

First game: Chico - 0 6 0 2 0 2 - 12 H - 11 R - 1 E.

Humboldt - 0 0 2 2 0 0 2 -- 6 H - 8 R - 4 E.

Second game: Chico - 0 1 1 0 1 0 5 - 8 H - 8 R - 2 E.

Humboldt -- 5 1 2 4 0 0 \* -- 12 H - 12 R - 1 E.

## F. W. C. Results

San Francisco State and the Cal Aggies led the way in the Far Western Conference championships at Davis last Saturday each garnering two championships. The Golden Gaters from the bay area coped top honors in the golf meet, and the tennis matches, and the Mustangs took firsts in the track meet and the swimming and diving events.

S. F. State's golfers won their third straight conference championship with a team score of 841 strokes for 36 holes of play. The Cal Aggies were second with 864 strokes, and Humboldt was third with 883. Chico State was forced to withdraw. The "divot diggers" representing H.S.C. were Joe Oppenheimer, Bob Marsh, Jack Smith, Ernie Cunningham, and Vic Oglesby.

Th Gater's Tennis racqueteers also repeated from their 1948 top spot with their No. 1 man, Joe Wolfson, again taking the singles championship by defeating Paul Kuscel of the Aggies, 6-1, 6-1, 6-1. Kuscel went into the finals by defeating Humboldt's Keith Crane, 6-3, 6-4. Warren Logan and Bob Downs of S. F. State defeated Jack McGee and Hughes Davis of Chico in the doubles finale. McGee and Davis entered the finals by winning from Howie Emmerson and Pat Hofferbert of Humboldt State.

The Cal Aggies retained their track and field chamionship by rolling up 76 points. S. F. State was second with 54½ points, and Chico came in third with 30 points. The Lumberjacks from Humboldt entered three men in the meet but failed to take any places. Men entering were Tom Hannah in the 880, Art Chase in the 440, and Mel Klein in the discus. Carrol of S. F. State equaled the meet record in the pole vault with a vault of 13'6".

The Aggies also walked off with the swimming championship followed by S. F. State, Chico State, and Humboldt State respectively. Mel Klein, lone Humboldt entrant, made two points in the diving events to save his school from being blanked.
