# HSC VOTES WEDNESDAY

DICK HARMER

No campaign speeches . . . no speculation . . . no election excitement!

Students will not find it difficult to vote next Wednesday in the annual spring Associated Student Body Election because they have only a few students to choose from. Present student body officers say the alternative is an undercover "write-in" candidate campaign for "dark horse" candidates which might develop between now and the balloting time on April 22.

A lack of interest in the election is indicated by the fact that four of the eight openings have only

one person seeking the office. The rally championship, the position which leads spirit on the campus, does not have any person trying for the position. Election officials view this as an ill omen of the general spirit or lack of spirit.

Although the deadline for nominees was March 27, Dick Harmer, Student Body president for this year, said: "There will be spaces on the ballots for 'write in' nominees. The only requirement for all candidates is a one point average."

#### Where To Vote

The voting table will be placed in the main hall across from the entrance in the Administration building. Hours for voting will be

between eight a. m. and four p. m.

This spring there are again two parties, the "Rumble" party and the "Independents." Under the "Rumble" party there are these people on the ballot: President, Earl Rumble; vice-president, Jerry Beck; secretary, Floy Johnston; treasurer, Bruce Sweet. The commissioners include, publicity, Joan Flockhart; awards, Bob Eggers; organization and activities, Ken Gelatt; rally, no candidate.

The Independents have only three candidates. Secretary, Albert Babich; awards commissioner, Frank Zak; and organization and activities commissioner, Bill Glover.

#### FILL EIGHT POSTS

Collegians will cast ballots next Wednesday (April 22) to fill eight places on the Associated Student Body Executive Council. Four officers will be named: president, vice-president, secretary and treasurer and four councilmen-commissioners. Balloting will be in the lobby of the administration building from 8 a. m. to 4 p. m.

Vote "Yes" or "No" on the following measures:

#### (1) Interim Government

The executive council shall, at the end of the spring semester, appoint a commission of five members who shall be available upon call during the interim between semesters. At least three of the members of said commission to be officers and, or officers-elect of the association. This commission to be known as the Interim Commission shall have authority to conduct the business procedure to be laid down by the Executive Council and all its acts being subject to final approval by the Executive Council.

#### (2) Board of Finance

Article IV, Section 1, of the Constitution is hereby amended to read:

The Board of Finance shall consist of the Treasurer of the Association, who shall act as the presiding officer; a representative at large; and two students, appointed by the president with the consent of the Executive Council; a faculty advisor in the field of the business administration; the Student Executive Manager, President of the Association and faculty advisor to the Executive Council as ex-officio members.

#### Scholarship Applications Open for Next Fall

The Faculty Committee on scholarships last week announced awards to Miss Pansy Peterson and Ronald Goble. These are not new scholarships but scholarships awarded in the fall to students who failed to re-enroll this spring.

Miss Peterson received a \$50 balance left in a scholarship donated by the Humboldt Pomona Grange to a student in elementary education. Goble received \$50 donated by William Smullin of the Redwood Broadcasting System.

Scholarship applications for 1953-54 may be filed at any time now in the office of the registrar. Students who have a scholarship index of approximately 2.0 or higher or who excel in a given field, particularly those fields mentioned in the stipulations governing specific scholarships, are encouraged to apply. All applications should be filed by May 1.

#### Marriage Consultations Set For Early May

"Preparation for Marriage" will be the topic for discussions during the two-day stay, May 7 and 8, of Dr. Milton Babitz, parent consultant of state department of education.

Thursday evening Dr. Babitz will present his keynote address in the College auditorium. The talk will be followed by group discussions in assigned rooms. Friday morning during the assembly hour a panel, led by Dr. Babitz, will be held on the findings of Thursday evening's group discussions. The afternoon will be devoted to personal counseling or discussion.

## 'Curious Savage' New HSC Play

Humboldt's annual spring three-act play will be "The Curious Savage," a comedy by John Patrick, under the direction of Drama Professor Dr. John Pauley. It will be presented in the College Auditorium on the evenings of April 30, May 1 and 2, at 8:15 p. m.

#### Egg Shell Living

The action of the play goes on in a private sanitarium for the mentally ill. Ethel Savage is sent to this home by her three greedy step-children who believe she is mad because of her eccentric use of the family money. Her relationships with the five guests of "The Cloisters" provide excellent opportunity for heartwarming humor. The "egg shell" world of the home makes a surprising contrast with the money mad world outside in which Mrs. Savage's children exist.

#### Cast Has Eleven

The play has a cast of six women and five men including: Mary Ellen Turner of Arcata as Mrs. Savage; Vala Sheppard of Eureka as Florence; Joan Gowell from Fortuna as Fairy May; Carol Braun of Arcata as Mrs. Paddy; Patti Pratt from Seattle, Wash., as Lilly Belle Savage; Yvonne Morrison of Myers Flat, Miss Wilhelmina; Chuck Coon of Eureka, Hannibal; Ray Cabrera of Eureka, Jeffrey; Bob Titlow from Arcata as Titus Savage; Hal Sieber of Eureka, Dr. Emmett, and Lee Morrison of Fortuna, Samuel Savage.

## Eight New Faculty Named for Fall

Eight new instructors have been named to the faculty for next fall. They will fill vacancies and new posts in the College and the College Elementary School. The announcement of the appointments came from Dr. Homer P. Balabanis, dean of instruction.

#### These new faculty include:

Mr. Floyd Glende, assistant professor in music education; Mr. Hal Dick Chambers, assistant professor in art; Mr. Donald M. Soule, assistant professor of economics; Dr. Giles M. Sinclair, assistant professor of English; Dr. William R. Raleigh, principal at CES; Mr. Bednard Hall, assistant professor of economics; Dr. Louise Watson, assistant professor of women's physical education; Mr. Frank B. Wood, assistant professor of foreign languages.

## Council Retreat For Planning

Student government officers and council members will convene for a two-day work session at a local lodge May 2-3 with a full agenda of discussions scheduled. Included in the group will be the newly elected commissioners and ASB officers, the present officers and council members, and members of the faculty who have assisted in the operation of the Executive Council.

The conference is slated to begin at 1 p. m. Saturday with group discussions during the afternoon. Sunday morning will be devoted to discussion and explanation of the ASB budget. Reports of findings by the Saturday group meetings will be presented during the afternoon.

## H. S. Seniors To Visit Campus

Approximately 300 seniors from six different high schools are expected to converge on Humboldt State College Wednesday, April 29. This is the day when the seniors get a preview of college life.

Last year on senior day over 200 students visited the campus. The seniors spent the day visiting different classes, were taken on a conducted tour of the campus, were served lunch in the cafeteria and in the afternoon were entertained by a 45-minute variety program. They also talked to faculty members regarding courses of study.

A special issue of the "Lumberjack" will be published that day welcoming the seniors, and each visitor will receive a special brochure, containing information about the college.

Bob Titlow and Dr. Stan Spaid head the Greater Humboldt Committee, which is sponsoring the "Senior Day."

#### Recruitment Itinerary

A student recruitment committee made up of faculty members traveled to local high schools recently to speak with upper classmen about college training and acquaint them with campus life and the educational program at Humboldt State College.

#### CALENDAR

Next Wednesday — ASB elections.

April 24 — Junior-Senior Prom.

April 29 — Senior Day.

April 30, May 1, 2—Drama.

May 2—Mother's Day Tea.

Student Council Retreat.

May 3 — Faculty-Senior Breakfast.

## Dean of Guidance On Air Sunday

Dr. Edward Girard, associate dean of students and assistant professor of education, will speak Sunday on the faculty radio show "For Your Information," heard over KIEM.

Assistant professor of Biological Science John DeWitt will be the speaker on April 26.

#### HSC PICNIC

Bob Church is chairman of the All-College Picnic to be held Wednesday, May 6, preceded by the annual faculty show in the College auditorium.

## Prom Friday for College Steppers

All students are invited to the Junior-Senior Prom to be held in the HSC gym next Friday. Dress is formal, suits for men and formal for the women.

At larger institutions only the upper classmen are permitted to attend a junior-senior prom.

Admission for couples without a student body card will be \$2, and with a card \$1.75.

The prom will be from 9:00 p. m. until 1 a. m. with Oden Hansen's orchestra providing rhythm.

## Wildlifers Set Barbecue For Sunday, April 26

Conservation Unlimited members and guests are invited to the Seventh Annual Barbecue, Sunday, April 26, at Camp Bauer, starting at 10 a. m. The cost is \$1.00 per person, children free.

The activities for the day include: Casting contests for all fishing gear (bring your rods and equipment for this contest), chopping contest, bucking contest, packboard relays, fire building, volleyball and the Wildlife Mgt. vs. Fisheries Mgt. softball game.

#### WANTED

A 100 per cent vote of the Associated Student Body of Humboldt State College at the annual spring election to be held Wednesday, April 22, in the main hall of the Administration building.

## LUMBERJACK

Editorials and columns appearing in the Lumberjack reflect the opinion of the writer and not necessarily the opinion of the staff or of Humboldt State College.  
All unsigned editorials are by the editor.

So to the Frosh, the next time you believe that there is little social life at HSC, remember the half-dollar you had to pay out of your lunch money because you failed to attend the social function you professed to be non-existent. To the upper-classmen and sophomores who are advocates of a better social program, participate in the social functions that do exist, before you label yourselves authorities on Humboldt's social program.—**John Norton.**

## SWINGING THE AXE

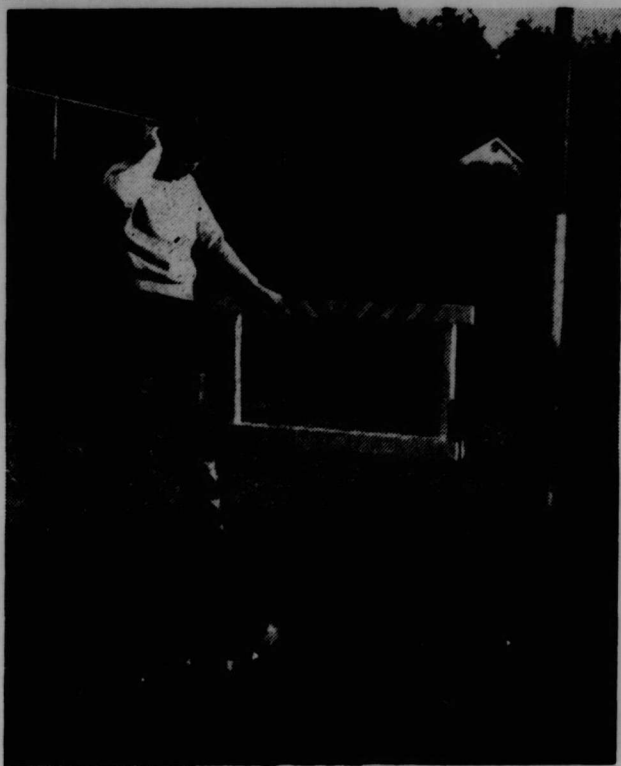

By MURL HARPHAM

Probably another first on the HSC campus is the Junior Varsity baseball team that is being formed by Coach Phil Sarboe.

This squad will be made up of the boys who might be transfer ineligible and the rookies who need the experience before they are ready for varsity ball. Sarboe has put Bob "Stub" Chapman in charge of the Jayvees, and Bob will probably be player-coach. Bob has years of experience and at the present is playing for the famed Arcata Crabs.

Whenever a player looks good enough to be playing varsity ball then Coach Sarboe will move him up. Some boys will be playing both Jayvee and varsity ball trying to pick up added experience.

The squad will challenge all surrounding high school teams and independent clubs.

(Photo By Bob Eggers)

Trackman Dale Gibson looks with question at the rather damp condition of the College track. He scratches his head as if to say, "This year we'll hold swimming meets."

At least Dale has the right idea when he wears boots (Probably because he doesn't have web-feet like the rest of the trackmen.)

Incidentally, the rains are supposed to start next week.

Despite the beautiful weather last Saturday, Coach Phil Sarboe cancelled the doubleheader with Southern Oregon which would have opened the 1953 conference schedule.

Many questioned this, but upon closer consideration one could find that it was a very wise move.

Because of (and we hate to repeat it) the bad weather the past few days—er—weeks, well months, the baseball squad has seen very few practice sessions. At the present the pitchers are ahead of the hitters, but the pitchers still have a long way to go before they are in good condition. The team has great possibilities and Sarboe doesn't want to risk the team's chances by any early season mistakes.

Saturday the team will be in Oregon playing the Oregon Tech Owls; today they open their conference play against SOCE at Ashland.

## Jack Ball Nine On Road For Four Games

Lumberjack baseball team left Thursday evening for Ashland, Oregon, where they will play a doubleheader this afternoon against SOCE. Then the Jacks move to Oregon Tech for another twin bill, with the Owls on Saturday. They will return home Sunday to resume workouts for games the following week-end.

Weather permitted Humboldt State to play three practice games this last week, winning a pair. Arcata High was the victim of the Jacks in the first two games. The scores were 2-0 in the first game and 13-2 in the second contest.

Hitting was the main problem for the Jacks in the first game, but in the second game they used their Louisvilles well.

Sunday the Jacks fell to the Humboldt Crabs, 13-4. In the first inning Cal Phelps hit the ball to deep center for a triple which brought in two runs for the Collegians. Two more runs crossed the plate in the second and third innings. This was all the Crabs allowed the Staters.

Cal Phelps was the big gun for the Jacks. He had a perfect day at the plate, collecting three hits for as many times at bat. Cal got a triple, double and a single.

Bob Kezely, pitcher for Humboldt, started the game and Larry Paynter relieved Bob in the bottom of the fourth inning.

## Thinclads Train Despite Weather

The weather has been holding up track workouts the past few weeks. With the rain and cold weather, the track men have not been able to do their best training.

The locals will host Arcata High in a dual meet this afternoon on the HSC oval, if the weather permits.

Don "Curly" Torrence, the young rookie from Spokane, is the leading candidate for the mile and the two mile races. His scorching pace is expected to win many firsts for HSC this season.

Murl Harpham and Wendell McKay are the leading contenders for the 880-yard run and have turned in good times so far.

Jim Alexander, Bob Hughes and Len Pollard will run the sprints this year. Bob will also run the hurdles.

Jim Ingram, John DeMartini and Jack Legate will be the weight men for the team. They have been working hard with the "heavies" and they should take a few places in the conference meets this year.

**BASEBALL SCHEDULE**  
April 17—HSC at SOCE (2 games).  
April 18 — HSC at Oregon Tech (2 games).  
April 21—SOCE at HSC.  
April 25—Cal Aggies at Chico.  
April 26—Oregon Tech at HSC.

May 2—Chico at HSC.  
May 9—HSC at Cal Aggies.  
May 16—HSC at Chico.  
Games Played in FWC:  
Chico 3, Cal Aggies 1.  
Chico 3, Cal Aggies 2.

**TRACK MEETS**  
May 2—FWC meet (Triangular) at HSC.  
May 9 — Triangular meet, Shasta, SOCE at HSC.

## HSC Barter Wildlife Samples

By Glen Griffith

The Wildlife Department of Humboldt State College possesses an excellent collection of wildlife specimens. Unfortunately, due to geographic distribution of some animals, certain specimens are missing.

To fill these gaps a barter system with other schools has been worked out in the form of a "mutual-aid swap." Colleges participating at present are Penn State, Cornell and Washington State.

We hope to send Penn State a mountain beaver, a dusky-footed woodrat, a pair of black brant, and a pair of cinnamon teal, and in exchange to receive an eastern cottontail, a pair of ruffed grouse and a pair of weasels.

Cornell, which has one of the best ornithological departments in the country is sending a pair of woodcock and a pair of ruffed grouse. We have already sent a mountain beaver and a dusky-footed woodrat, and hope to supply in the near future a pair of black brant and a female and a downy young of California quail.

We have already received from Washington State a blue grouse and Hungarian partridge; in exchange we have sent a brush rabbit and a dusky-footed woodrat. We will also be sending a yellow-billed magpie.

(Photo by Bob Lester)

**BASEBALL BACKSTOP** and slugger Mel Hurd is a returnee from last year's squad. Mel has had considerable experience and should prove a valuable asset to this year's Jack aggregation with his power hitting.

## Campus View In Year 1963 Has New Look

A preview into 1963 and how Humboldt State College campus will appear ten years from now is available to students and the public since Monday when a three-dimensional model of the Master Development Plan was placed in the lobby of the College administration building.

Prepared by the College Art Department under the direction of Mr. Reese Bullen, the scale model includes all of the present and future buildings and facilities with the following numbers added for identification. Present buildings to be retained in the 1963 plan (1) Nelson Hall dormitory (2) Administration Building (for classroom use) (3) Redwood Bowl (4) Quonset Hut (5) Jenkins Hall (6) College Elementary School.

New buildings and facilities planned are: (7) Wildlife and Fisheries (8) Men's Dorm (9) Women's Dorm (10) Women's Dorm (11) New Administration Building (12) Fine Arts (13) Home Economics (14) Music, Speech, Auditorium (15) Cafeteria (16) Student Union (17) Metal Shops (18) Library (19) Biological Science (20) Women's Gym (21) President's House (22) Health Building (23) Corporation House (24) Baseball Field (25) Men's Gym and Swimming Pool.

## King Bob Rules Fourth Popera

Bob Collyer was crowned King at the third annual Popera held last Friday evening at the Municipal Auditorium in Eureka.

King Bob, who was sponsored by the Spokes, is a junior and is Honorable Duke of the Intercollegiate Knights, planner of the all-College picnic, past president of Nelson Hall, a member of Mu Epsilon Psi, and is in the Lumberjack band.

Entertaining a crowd of over a thousand people, the Humboldt Little Symphony and the Lumberjack band, directed by Mr. Charles Fulkerson, and the HSC chorus and A Cappella choir conducted by Mr. Leland Barlow, were well received.

Especially appealing to the audience was the symphony's playing of "The Young Prince and Princess from Scherazade" by Rimsky-Korsakoff; "On Top of Old Smoky" by the College chorus; the A Cappella choir's "The Farmer's Curst Wife" arranged by Leland Barlow with Jerry Beck as soloist; and the "HSC March" by Daniel Gurnee and Bagley's "National Emblem March" as played by the Lumberjack band.

### Sunday Night Movies Out This Semester

Sunday night movies have hit several delaying snags recently and their future is still uncertain. The latest is that the Humboldt Foundation has not yet approved their showing.

Word from Nona Hogg reports that the reply received from the company which provides the films rejected the HSC application.

### Art Students Exhibit

Water color students under the direction of Mr. Melvin Schuler in recent vote named "The Cow Barn" by Wes Willits and "The Lady and the Hoe" by Floyd Bettiga, as paintings of the week. These awards were given at the Art Hut on April 9.

"The Cow Barn," which is a scene painted by the artist at the Arcata bottom, won first prize. The second prize went to Floyd Bettiga's "The Lady and the Hoe," which was a scene painted in the Ferndale area.

Other paintings nominated for candidates were: Darlene Taylor's "Still Life"; Joe Meyerhoffer's "Blue Against White"; and a Still Life by Mary Bowersox.

The paintings of the week will be exhibited in the campus for all the HSC students to see.

The students of the California College of Arts and Crafts in Oakland exhibited 14 of their works at the HSC gallery from April 7 closing today. The display represented art from different angles and types. There were abstract, semi-abstract and realistic paintings and drawings.

### INSPIRATION FOR STUDY

An education isn't all you can get at HSC. Wallace Pedrotti, a senior, a science major and honor student, has four kids already. Unless someone can exceed him in this accomplishment, it is suggested that he be proclaimed the Champion Father among students.

### Lumberjack Rates In CIPA Convention

An excellent rating in college newspaper advertising was brought back from the fourth annual California Intercollegiate Press Association convention at Fresno last week by the HSC delegation. Blanche Evans, Joan Flockhart, Gerry Hagelskamp and Mr. Justin McIntyre, publications adviser, were the representatives for Humboldt.

Delegations from 11 member colleges and two guest colleges were present. Represented were Orange Coast Junior College, Los Angeles, Sacramento, Humboldt, Fresno, San Diego, Chico and Long Beach.

In proportion to their size Humboldt is putting out a much larger yearbook in comparison to the other colleges, it was revealed.

### Music Students Benefit From Tulip Tea Saturday

Tulips in their various colors together with spring blossoms marked the setting at Nelson Hall last Saturday when the California Federation of Women's Clubs held their 19th annual Tulip Tea. Proceeds of the affair will be used for music scholarships.

Preceding the tea the women enjoyed a delightful musical program in the College auditorium featuring the college choir with Leland Barlow directing.

The social kitchen has been installed next to the registrar's office and is for the use of small social groups on the campus.

### WAR AND PEACE

(CONTINUED FROM PAGE TWO)

a powerful and efficient military state. We feel obliged to speak of brotherhood, but deep in our hearts we know we are a superior race of people destined to rule the world, and the quickest way is the road to war.

#### Peace For Cowards

There are a few who really desire peace because of a fear of dying and an aversion to killing. Clearly, peace is a dream that cowards dream. Such a lad who was (but is no longer) a friend of mine spoke with me about the modern youth who is called on to take part in war. Let me repeat his ideas to show their absurdity.

He described war rather naively as the mass murder of youth brought about by a failing of human judgment. He went so far as to say that young men have the right and even the obligation to decide themselves whether or not war is the intelligent solution to present world problems. In vain I spoke of his duty to his government and pointed out that youth has not the wisdom to decide these questions. He had the gall to ridicule the "exceedingly great wisdom" shown this far by the world's elder statesmen.

#### Treason Talk

He said: "I have been told that I am important because I am an American, but I feel that America is important because it belongs to me. The government is obliged to serve me and the best interests of my country, and I am obliged to serve the government to the degree that it represents me."

Now there is muddled and subversive talk indeed. Luckily there are few such cowardly radicals about who do not understand the blessings of war. For what could be more noble than to cough out your blood on

the dust of some remote land, and to die with the rewarding thought that somewhere back home your name will be etched on brass riveted to marble? What could be more desirable to those of us who remain behind? The war will make us rich if we can manage to live through it.

Rest easy, and ignore those who try to frighten us with talk of peace. Such prospects are as remote as the stars. Don't go away, my fellow monsters, the next war will be worth waiting for.
