

## LUMBERJACK

PUBLISHED BY HUMBOLDT STATE COLLEGE

Vol. XXV

ARCATA, CALIF., FRIDAY, MARCH 6, 1953

No. 14

A CRITICAL MOMENT in "In the Zone," the one-act play now in rehearsal, has Neal Patterson, Al Braud, Pete Linden and Charles Coon in close conversation (top). Around the table (below) Bud Greene, Vala Sheppard and Jim Edwards do some philosophizing in "The Long Voyage Home." The plays will be given tonight and tomorrow night in the HSC auditorium.

## NATIONAL CONSERVATION WEEK FROM MARCH 7 TO 13

Although National Conservation Week is being celebrated March 7-13, the campus observance will be devoted only to work projects, stream clearance, reforestation, and the John Lewis Memorial.

Conservation Unlimited, the wildlife club, had its Campus Conservation Week during the fall, scheduled at that time because of the many conflicting events during the spring of the year. A special edition of the Lumberjack told of the outstanding events, banquets and lectures of the HSC week.

Humboldt State College has the second largest wildlife program of any college in the nation in terms of student enrollment, Dr. Fred Glover has reported. Oregon State College was tops with 173 students, HSC had 88, and Utah State Agricultural College had 82.

Mr. John DeWitt, in charge of the fisheries program here, says that the new wildlife building, scheduled for the HSC campus in about two years, will give Humboldt State the only building devoted exclusively to wildlife and fisheries among U. S. colleges.

According to the building program schedule, \$575,500 will be financed on the building the first fiscal year, with more than \$100,000 later. Preliminary drawings provide for 16,884 square feet in the building plus 2236 square feet in the fish hatchery for a total of 19,120 square feet.

In California Humboldt State College offers the only four-year curriculum in wildlife and fisheries leading to a college degree.

### SIX INITIATED INTO ALPHA PSI OMEGA

Alpha Psi Omega, Humboldt chapter of the national drama society, conducted initiation of new members Saturday, February 28, in the auditorium. Following the initiatory degree members adjourned to the home of Dr. Don Karshner, head of the drama department, for informal social activity.

New members of the organization are Charles Coon, Gene Marks, Darlene Miller, Francis Stebbins, Ed Solenberger and Dan Gurnee. Honorary memberships were given to Dr. and Mrs. John F. Pauley. Eligibility for membership is based on participation in drama and radio activities.

### FINAL VOTE

The council took a final vote on the dual-price system in the Co-op and decided to keep the controls on by a 4-3 decision.

### HOLD IT, PLEASE!

A case of suspended animation these days is the situation concerning the ladders and rigging on the outside of the Administration Building. After installing the equipment last week Brizard-Mathews Co. has left the scene idle for seven days.

Object of the work is to clean and paint the eaves around the building.

## Highway Safety For Collegians; Assembly Talk

Guest speaker for the assembly hour today will be Mr. Dave Zebo of the California Highway Patrol, who will speak on highway safety. Officer Zebo's philosophy is that teaching safety ideas to motorists does more good than just giving tickets. Assembly time is 11:15 a. m. in the auditorium.

Twelve years as a traffic officer on the Golden Gate Bridge in San Francisco, Zebo now patrols the north end of Arcata to the county line in his capacity of State policeman.

Many of the residents of the flood area will remember him as one of the helpers during the disaster.

Another of the special assignments given Dave Zebo was piloting the plane which dropped the leaflets over the campus advertising the Mardi Gras. The film, "Night and Bad Weather Driving," will be shown.

Next Friday, March 13, commentator, interviewer and world traveler, Robert R. Gros, will speak to the College Assembly on The abortive Panmunjom Peace Conference and other world news topics.

## ASB CARD FIGURES, ENROLLMENT JUMP GIVEN BY STEGALL

Figures released this week from the office of Frank Stegall, student executive manager, show 78 per cent of the regular students belong to the Associated Student Body.

Student body cards sold this semester reach the 392 mark, 114 of which are combination fall-spring semester cards and 278 are fall semester cards.

Also shown was the jump in enrollment to 619, of which 115 are special students. Total enrollment is now 504 regular students.

### DRAMATIC CLUB BENEFIT

One-half of the proceeds from the advance sale of tickets to two movies at the Minor Theatre next Sunday, Monday and Tuesday will go to the College Dramatic Club.

W. Somerset Maugham's "Eclipse" and "Tight Little Island," a J. Arthur Rank comedy production, comprise the double bill.

### TIPS FOR TEACHERS-TO-BE

## TEACHER TROUBLES ARE ALL LITTLE ONES

By Dawn English

All aspiring people who are in the education field would do well to take tips from those now doing their student teaching. Any lunch or dinner time at Nelson Hall, you will find groups of haggard student teachers discussing their biggest problem, that of discipline for the "cute little demons" at the College Elementary School.

In each clan there are one or two boys or girls who persist in keeping the classroom in constant state of upheaval. With formations of erasers and paper airplanes flying, the student teacher must be in

## One-Act Plays Open Tonight; Turner to Direct

Quantity and quality will be in store for College drama followers at the opening of the three Eugene O'Neill one-act plays at 8:15 in the auditorium tonight with a second presentation tomorrow night.

The production is under the direction of Tom Turner, graduate student, who is presenting it as part of his work towards his master's degree in education.

The curtain opens on "Before Breakfast," a domestic monologue starring Mrs. Irene Riley, popular on campus for her Scottish recitations.

The next two plays are part of a trilogy "Long Voyage Home," consisting of "In The Zone" and "The Long Voyage."

The first takes the listener aboard a ship in enemy waters in World War I showing the emotional tension under which the sailors operated while under fire. In the second half of this series the boys have completed their term of service and are celebrating in a London bar. Here they run into a vicious gang and trouble.

The four leading characters are Oley, a Swede, Peter Greene; Ivan, a Russian, Gene Bradford; Cocky, a Cockney, Charles Coon; and Driscoll, a fighting Irishman, Al Braud. Then there are the shipmates, Davis, American, Peter Linden; Smitty, Englishman, Jerry Beck, and Scottie, Scottish, Neal Patterson. In "The Long Voyage" Fat Joe, the bartender (Jim Edwards) and his assistant, Nick (Bob Titlow) appear. To complete the plot Frieda (Vala Sheppard) and Kate (Pat Pratt) enter the story as call girls in the London bar. Don Ratzlaff, Lee Marvel, as Jack, are other sailors.

### Exec. Student Council Disbands "Coffee Time"

By general agreement members of the Executive Student Council ended the "free coffee time" during the hours of 7 to 11 every Friday morning. The decision was made at the regular meeting of the group Tuesday night in the radio hut.

This move was made on a basis of a report from the executive student manager stating that the Co-op is assuming an over-burdening debt. At the Friday noon meeting of the board of finance methods of raising the profits of the Co-op will be discussed.

### TRONE LEAVES

Dick Trone, sophomore and HSC athlete, left March 3 for the U. S. Army. Dick is a six foot one inch 19-year-old from Crescent City and while at Humboldt he majored in physical education. His brother, Frank, left for the service at the close of the fall semester.

topnotch physical form. Susie's ink blue pigtailed and Tommy's black eye present the problems of what will mother say or should the teacher catch the next stage to Alaska. Stick around, this is just the beginning; the mob at the back of the room have that gleam in their eyes.

Recess is another time for danger. If it was not for the high, barbed wire fence and locked gates, they would be sure to escape.

During the season for baseball the first aid kit is standard equipment on the playground. Those hard hit flying missiles are al-

ways directed towards the yard sergeant. Maybe they just do not like teachers.

You would think the modern swing and teter-totter would induce harmless play. But no, there is always a Tarzan in the crowd.

What should be done about this? If we are not too old we might think back and remind ourselves that these monsters are but carbon copies of our youthful days at P. S. 66.

Now we can stop wondering why teachers remain single and have gray hair.

# EVANS CHAIRMAN FOR POPERA ON APRIL TENTH

Blanche Evans, sophomore journalism major at HSC, will be chairman of the 4th annual Popera. This musical extravaganza, sponsored by the College music department, assisted by the Musicians Union, Local 333, will be held on Friday evening, April 10, at the Eureka Municipal Auditorium.

Miss Evans has been active on the College newspaper as photography editor; advertising editor for the yearbook, and a member of the Spokes, women's service organization. She was Freshman Sweetheart in 1952 and has been selected as Woman of the Year by the Sempervirens staff. She is

also employed as photographer and reporter for the Humboldt Standard.

Miss Evans is a graduate of Arcata Union High School and makes her home in Blue Lake. She entered Humboldt State on the Laura P. Mahon Scholarship and now holds the Arcata Union Journalism Scholarship. In the fall she plans to transfer to the University of Missouri where she will continue upper division studies in the journalism field.

## COLLEGE MUSICAL GROUPS PRESENT VARIED PROGRAM

By Joan Flockhart

The Humboldt State College A Cappella Choir and Madrigal group presented a capable performance for their seventh annual Home Concert last Sunday afternoon to a large audience in the College auditorium.

In the first group there were: "Exultate Deo" by Palestrina; "Advent Motet" by Schreck, with soloists Joline Killinger, soprano, Nadine Lozensky, alto, Edward Solenberger, tenor, and Fred Johnson, bass; and the Negro spiritual, "Let Us Break Bread Together" arranged by Montague with Marilyn Raglin, soprano, as soloist.

The Madrigal group sang three songs that especially delighted the audience. They were "Sing All Men," arranged by Niles with Darlene Miller as soloist; "The Angler's Song," by Lawes and sung by the men of the Madrigal group; "Fair Phyllis I Saw," by Farmer; and "The Witch," by Martinu.

On the lighter side the group sang "When I Know What You Know," by Lachner; "Christopher Robin," by Fraser-Simson-Gray; and "O, No, John," arranged by Thiman.

In the encore, "The Farmer's Cursed Wife," with Jerry Beck as soloist, met with approval.

## 'Hell You Say'

By John Norton

Did you dig those crazy harmonica players in the Coop last week? The juke box hasn't been the same, and the "Harmoniacats" will have a time re-establishing the "juice harp" to its former prestige. In fact one ardent patronizer of the juke box challenged the entire motley crew of tin-fish blowers to a duel (platters vs. harmonicas at ten paces.) Confession—We'll never do it again. (The Alley Cats.)

\*\*\*

Wanted: Three large Swedes for body guards. Must have Irish temper, and Russian disposition. Reason: Editorial, written by Dale Farris, alias Steve "the" Wilson, crusading editor of the Lumberjack, written about King Arthur's Knights of the round table. Knights prefer sword to gardening tools—touche!

\*\*\*

March has long been set aside for "Uncle, here's your money month." 'Back in the Ozarks the saying goes: "Here comes the revenue agent, Ma, set a match to the still; we'll pull through on the cellar supply." When the still blows, everything goes but the cellar kegs, and the taxpayers have one less agent on the pay-roll.

\*\*\*

Speaking of The Legion, they need men. Their motto: Join early; die young; no women; no troubles—have fun.

## COMBAT RADIATION

Hope — a scientist's cautious hope—was given recently in the quest to find effective means of combatting lethal doses of radiation, the poisonous dust released by the atomic bomb.

The hope, based on experiments on animals conducted at the United States Naval Radiological Laboratory in San Francisco, was disclosed by Dr. Maurice C. Fishler, a staff research scientist, to the State Office of Civil Defense at Sacramento.

NATIONAL CONSERVATION WEEK, March 7-13, will be observed on the HSC campus by the Conservation Unlimited Club. Members will engage in work projects, such as stream clearance and reforestation for the betterment of local wildlife conditions. Last Sunday C. U. members did some leveling work on the John Lewis memorial, which was followed by their clambake at Trinidad. Above, Elk look out on the highway from the State Park.

## Wildlife Dept. To Receive Study Area

By Glen Griffith

One of the weaknesses of the practical side of Wildlife Conservation training at Humboldt State College has been the lack of a permanent experimental area to put those hard learned theories into practice. Now, through the co-operation of the City of Eureka and Conservation Unlimited, facilities at the City Airport on Samoa Spit may be made available for use as a permanent practical study area for the Wildlife Department.

A total of 672 acres including several ponds is now waiting for development as a wildlife area. A preliminary survey of the area and wildlife present indicates that this acreage could be developed into a demonstration waterfowl refuge area, with the added advantage of being easily accessible as a permanent waterfowl banding site.

Dr. Daniel Brant, professor of biological sciences, states that this area has good possibilities for ecological studies, and two small mammal census plots have already been set up by his biocology class.

When asked for his views on the matter, Dr. Fred Glover, wildlife professor, stated, "This is an excellent opportunity for students to put into practice what they have learned in class, and to enable them to develop their own initiative in this field."

The advantage to the Wildlife Department and the College as a whole can readily be seen. Although the farmers of the locality have been highly co-operative, it has been impossible up to now to embark on any long term project or experiment in the Wildlife Conservation field. Of necessity, such projects have had to depend on the limited area and time the land has been made available for wildlife studies. It is to be hoped that the City of Eureka and the Conservation Unlimited Club can work out a long term agreement for the use of the area.

## OUT of the WOODS

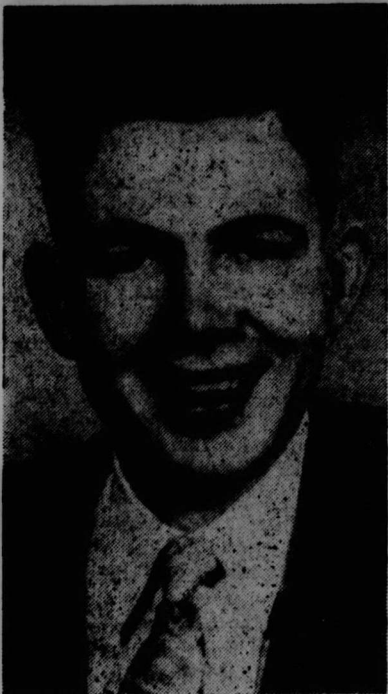

EXCHANGE NEWS

Spring semester registration figures at the University of California at Davis show an increase of 52 students this semester and a total of 1176 students. Out of this number 183 are enrolled in a two-year curricula, 732 undergraduates and 261 graduate students.

Chico State College held a variety show January 31 in which they made over \$903. These receipts are going toward new uniforms for the Chico State band.

University of San Francisco College students have started a weekly television show on Sunday afternoons. The show, entitled "You Are the Jury," is intended to demonstrate the value of professional training, as well as to provide Sunday afternoon entertainment for the television fans in and around the Bay Area.

## APPEAR IN PLAYS...

Robert Titlow (left), senior speech-drama major, and Peter Greene, freshman radio-speech student, portray two of the leading characters in the three Eugene O'Neill one-act plays which are opening tonight in the College auditorium. Titlow, well-known to College audiences in past HSC drama productions, takes the part of Nick, a bar employee, in the play "In the Zone." Titlow has previously been seen in "The Silver Whistle," "A Mid-Summer Night's Dream," "Our Town," "HMS Pinafore" and "Sing Out Sweet Land." He is also familiar in this area for his song and dance routines. Green, a freshman, will characterize Olsen, Swedish sailor, who appears in two dramas of O'Neill's trilogy, "Long Voyage home." This is Greene's first appearance in an HSC stage production.

## What To Do...

By Judy Schussman

What would you do if someone handed you some Nippitate?

Darlene Taylor — "Slap their face."

Glenn Wallace — "I'd take it."

Meri Monroe — "I'd give it to Chuck and let him fight with it."

Doug Carter — "I'd shine my shoes with it."

Dawn English — "I'd wrap it up as a present and give it to my roommate, Pat Quackenbush."

Red Petterson — "Damned if I know."

Jim Dunsire — "Pour Vodka in it and drink it."

Jane Sherman — "I'd put it under my pillow."

Stan Simpson — "Hang it on the wall down at Redwood."

Jim McAuley — "I'd file it."

Rae Dixon — "Brush my teeth with it."

Toad Stebbins — "If Marilyn Monroe gave it to me, I'd kiss her."

Carolyn Goldsmith — "I'd give it to the Republican party."

Keith Darling — "Send it to Premier Stalin."

Art Johnson — "Drink it."

Chuck Perry — "Give it to my girl."

(What is "Nippitate?" A strong ale or other liquor!)

## CORNELIUS CITES MAJOR CHALLENGE AT MEETING

"The major challenge to education today is to educate for citizenship in a democracy," stated Miss Sarah Cornelius, assistant professor of education, before a recent reading workshop at Shasta College in Redding. Approximately 150 Shasta County teachers attended the workshop.

In a modern school reading program, said Miss Cornelius, reading is taught better than "in the good old days." That, in turn, she pointed out, leads to better citizenship.

An appropriation of \$1500 has been allotted the Registrar's office for the fiscal college year of 1953, with the balance to be appropriated after July 1, of this year.

## California Lacks Teachers To Fill Vacancies

California elementary and high schools face a drastic shortage of 8700 teachers next year, Dr. Ivan C. Milhous, chairman of the division of education, stated upon his return from a recent credentials workshop in Oakland. Mrs. Myrtle McKittrick, Humboldt State College registrar, also attended the meeting.

Dr. Milhous pointed out that 13,300 new teachers will be needed in California's elementary and high schools next year, and only 4600 students now completing teacher training in the state will be available to fill the positions. He said the 13,300 vacancies were created by death, resignation and retirement of teachers as well as increased school enrollment.

Translating his figures to ratios, Dr. Milhous pointed out that for every four vacancies occurring in elementary schools, only one teacher would be available to fill it. For every two vacancies occurring in high schools, only one person will be available to fill it.

"In my opinion, teaching is one of the most attractive occupations open to young people these days," said Dr. Milhous, "and salaries are now keeping in step with the present cost of living."

### CORRECTION

Alpha Psi Omega is not the College music honorary as was stated in the Lumberjack article "New Members Added to Music Honorary," last Friday. It is the dramatic honorary.

## STATE OFFICIAL VISITS CAMPUS FOR ANNUAL VISIT

Dr. J. A. Burkman, assistant chief, Division of State Colleges, Sacramento, made his annual visit to Humboldt State College last week. In Sacramento Dr. Burkman processes all budgets, contracts and personnel documents for the state college system.

While visiting the campus, Dr. Burkman met with the president's council and spoke to the faculty on current issues of state college administration.

An informal reception was held for Dr. and Mrs. Burkman in the College Elementary School on the campus. In charge of the reception was Mrs. Mary B. Farr, assistant professor of home economics at the college. She was assisted by Mrs. Flo Ramsey, also an assistant professor in home economics. Men home economics students served at the reception.

Sixty-five Arcata Union High School students were guests of the College at the recent assembly on Iran.

# Track Prospects Good; 30 Out For Baseball

Coach Birger Johnson's track team may add another conference trophy to the collection this year. With just three lettermen returning, and a group of promising talent the season could be great for the Jacks.

The returning lettermen are: Hank Yamagata, sprints, broad jump; Merle Akins, javelin.

Lost from last year's track squad are: Rich Harris, weights, hurdles; Ray Kozuik, broad jump, and Bill Petri, pole vault. Petri tied for first in the conference meet last year.

In 1952 HSC started with nothing and won a few places in the meets. This season the boys could win the dual and tri-meets.

New talent to the squad this year include: Don Torrence, distance; Bob Hughes, hurdles; Len Pollard, 440 yards; Jim Alexander, sprints; Lucas, distance; Jack Legate, Jim Ingram and John DeMartini, are working with the weights this year.

Coming meets:  
Inter-squad, HSC  
Intramural, HSC  
Inter-school, HSC-Arcata

## SWINGIN' THE AXE

By Muri Harpham

Everyone has his own opinion and should express it, as this column does. We are going to pick an all-conference basketball team based on individual performance. This team may not coincide with yours, but here is the way it looks to us:

F—George Maderos, Chico, high scorer of the league.

F—Joe Myers, HSC, a mad-man on the backboards;

C—Bill Wetmore, Aggies, greatest potentially;

G—Kim Kimura, SOCE, outstanding floor man;

G—Bill Ceaglio, Chico, most underrated player.

There was many a fine ball-player in the FWC this year. It would be hard to pick a second and third team, but one player who is in line also for first team honors is Jack Marcus from Chico. Marcus played very little this season, because of difficulties with his coach, but when he did see action he proved a valuable asset to their team and broke the backs of many an opponent.

Another outstanding ball-player was Leon Keefe of the Southern Oregon Raiders, who was a fine rebounder as well as a top scorer. HSC's Glenn Wallace was also among the top ten. Wallace was high scorer for the Jacks with 367 for the season and 176 in the conference.

### Drama Organizations Sponsor Movies

Two movies, "Encore" and "Tight Little Island," will be presented at the Minor Theatre in Arcata March 8, 9 and 10.

The Drama Club and Alpha Psi Omega are sponsoring these two attractions. Tickets are selling for 60 cents and can be purchased at Dr. Karshner's office, or from any member of the Drama Club.

"Tight Little Island" recently was shown in San Francisco with general admission 85 cents.

Baseball practice began Monday of this week with approximately 30 players answering the first call of Coach Phil Sarboe. While the weather is still too cold to give the baseball arms too much of a workout, Sarboe is making plans to give every player a chance to show his ability, in the practice games this month.

Infielders are Skip Amsden, Wayne Baird, George Ibarreta, Bryan Jamar, Don Leach, Lee Marvel, Jim McAuley, Ray Mechals, George Psaras, Bill Tuttle, Marv Wilson and Harry Rainford.

Outfielders are Gene Bradford, Bob Clauson, Bob Daniels, Cal Phelps. Norm Stuart, Dale Thomas, Red Wright, Wendle McKay, Tim Corrigan.

Catchers are James Bartlett, Bob Lester and Bill Joy.

Pitchers, Cal Phelps, Bob Kezseley, Larry Paynter.

### Jacks Average 66 Per To Opponents 59 Points

With the conclusion of the season, the HSC Lumberjacks had a fairly successful record with 15 wins against 11 defeats in the 26 games. HSC has scored 1721 points for a 66.2 per game average against the opponents 1539 points for a 59.1 average. The following is the record which is one of the best in HSC history:

HSC 72, Alumni 50  
HSC 68, Skagit Valley JC 59  
HSC 71, Skagit Valley JC 48  
HSC 72, Oregon Tech 55

## Cagers Tie For Second In FWC Race

The Lumberjacks made their bid for the FWC basketball crown last week-end against Southern Oregon, climbed within reach of glory, only to miff it in the crucial game. Chico won both their games against the Aggies 75-67 and 79-55 to whip into the throne while the Jacks split with the Raiders 88-63 and 63-60. The game results put HSC and SOCE in a tie for second place.

It was probably the tightest race in the history of the FWC, which saw three teams tied for first place in the last round of play. Any of the three had eight possibilities of finishing from first to third place or in a combination of ties.

THE FIRST game saw the Jacks take a slim 33-29 half-time lead, then come out red hot as they pumped in 55 points in the final half while the Raiders could only hit for 34. Glenn Wallace led the attack with 24 points.

The following night SOCE set their teeth and came out determined to put the Jacks on ice, which they accomplished after considerable hustle and fire which the Jacks seem to lack under pressure.

KIMURA led the winners with 20 points but was topped by HSC's Bob Dunaway who played his best game while favoring a sprained ankle. Dependable Dunaway hit for 24 points to equal that of his roommate the night before.

Baseball and track aspirants will have their pictures taken for Sempervirens yearbook this afternoon at 3:30. This is the last chance for spring sportsmen to have team pictures in the yearbook, since March 15 is the yearbook deadline.

## Five Jacks Score Over 200 Points

In 26 cage games Glenn Wallace led Jack scoring with 367 points for a 14.2 game average. Wallace also hit for 176 points in conference play for an average of 14.8. Joe Myers had a 12.8 game average with a total of 331 points and 151 in conference play.

Following is the individual season's scoring records:

	GP	TP	CP	GAV	Con
Wallace	26	367	176	14.2	14.8
Myers	26	331	151	12.8	12.7
Pollard	26	247	114	9.5	9.5
Ibarreta	26	253	104	9.8	8.7
Dunaway	24	202	110	8.4	10.0
Wilson		65	27		
Mechals		49	23		
Smith		31	19		
Pelleberg		34	5		
Anderson		29	6		
Ambrosini		17	5		
Pigg		14	5		
Baird		5			
Perry	8	56	43	7.0	8.6

## Seven Divoteers Tennis Team Readies In First Turnout For League Campaign

Phil Sarboe, who will coach both baseball and golf this spring, announced that golfers have already commenced workouts.

Prospects at present are not bright, but Coach Sarboe looks for improvements. Keith Sharp appears to be the top linksman and Frank Pike, Humboldt's other returning letterman, will reportedly join the squad for workouts.

Golfers who are making bids for the squad are Robert Church, Harry Vance, Tom Maxon, Bill Rall and Herb Rodgers.

Sarboe said that HSC's golfers will compete with the faculty aggregation and if they emerge victorious will travel to the Far Western Conference meet at Chico on May 15 and 16.

### DESIRE

O but to have a love-lock Key,

That would for me,

Open up right wide,

Li'l cold hearts of Pride,

Alas! to have a love-lock Key,

To open up your heart For me,

—John Allan Norton

Tennis aspirants have been working out for about a week, according to Coach Franny Givins. Givins has only two returning lettermen, Buzz Lincoln and Chris Colgrove. Students participating in tennis workouts are: Chuck Perry, Paul Jensen, Bill Meyer, Allen Berg, Jerry Lyons, Ted Luick, Bob Dunaway and several others.

The schedule is May 2, Chico here; May 9, Southern Oregon here; and May 15 and 16 conference meet at Chico. Givins announced that he is attempting to schedule matches with the Cal Aggies and Santa Rosa Junior College. Matches also will be played with local high school squads.

Last year's netsters were paced by the doubles team of Lincoln and Geary. These two gained the finals in the conference meet at Chico. The new talent should strengthen HSC's chances this year, Givins reports.

## Sarboe Books New 1953 Grid Games

Athletic Director Phil Sarboe announced this week that the 1953 Lumberjack football team will play eight games and possibly nine if arrangements work out for next fall.

The 1952 Far Western Conference Champions will defend their crown in at least five games at home and three away. The Jacks will open against Pacific Lutheran College on September 19 in Parkland, Wash. Their first home game, as in the two years past, will be against Oregon Technical Institute. In two season openers the Jacks have split with the always-tough Owls, winning 19-12 and losing 7-6 last year.

In Far Western Conference play the Hiltoppers will play Chico State and Southern Oregon in their backyards, at Chico and Ashland, Ore. The Cal Aggies game will be in the Redwood Bowl on the night of October 3.

Tentative games on the schedule include the Stanford University Jayvees on Armistice afternoon in Eureka's Albee Stadium, Football Coach Phil Sarboe reports. Two other open dates on the HSC 1953 grid slate may be filled with the University of Oregon Ducklings with whom the Jacks have split in the past two

years, winning in '52, 21-6, and losing the previous year, 14-13.

Another possible opponent Sarboe is considering is the Oregon State Frosh for the October 17 or November 6 open dates. Games on both nights would be played at home.

In winning the FWC crown for the first time in College history the Jacks topped their three league opponents and four others besides outside of the loop. Their only loss was to Oregon Tech. It was Coach Phil Sarboe's second year as football mentor for the Lumberjacks.

### Humboldt State College 1953 Football Schedule

Sept. 19, Pacific Lutheran College, Parkland, Wash.

Sept. 26, Oregon Technical Institute, Arcata, Calif.

Oct. 3, California Aggies, Arcata, Calif.

Oct. 10, So. Oregon College of Education, Ashland, Ore.

Oct. 17, open, Arcata, Calif.

Oct. 24, Oregon College of Education, Arcata, Calif.

Oct. 31, Chico State College, Chico, Calif.

Nov. 6 (Friday), open, Arcata, Calif.

Nov. 11, Armistice Day, Stanford JV's (tentative), Eureka, Calif.

### Football Results, 1952 Humboldt State College "Lumberjacks"

Oregon Tech 7, Humboldt 6.

HSC 7, Pacific Lutheran 6.

\*HSC 41, Chico 6.

\*HSC 50, SOC 0.

HSC 21, Oregon Frosh 6.

\*HSC 28, Cal Aggies 21.

HSC 72, Cal Poly 0.

HSC 41, Pepperdine 6.

\*Far Western Conference games.

## Spring Sports Schedule Slated

The incomplete spring sports schedule has been released by the athletic department.

Baseball Coach Phil Sarboe said that his squad will face teams from the strong Redwood League and the noted Arcata Humboldt Crabs. These games have not been officially scheduled as yet because of conflicting dates.

Track Coach Birger Johnson is planning on a couple of high school meets along with the conference meets.

### FWC Baseball Schedule, 1953 (Incomplete)

April 5—Oregon Tech.

April 11—SOCE at HSC; Chico at Cal Aggies.

April 18—HSC at SOCE.

April 25—Cal Aggies at Chico.

May 2—Chico at HSC.

May 9—HSC at Cal Aggies.

May 15—HSC at Chico.

### Track Schedule, 1953

March 26—Sacramento State at Cal Aggies.

April 4—USF at Cal Aggies.

April 11—Cal Aggies at Chico.

April 16 — Chico, Sacramento State at Cal Aggies.

April 24—Cal Aggies at USF.

May 3—Chico-SOCE at Humboldt.

May 9—Nevada at Cal Aggies.

May 9—SOCE at Humboldt.

May 15 and 16—Far Western meet at Chico.

### Golf Schedule, 1953

March 20—Chico at Cal Aggies.

April 11—Cal Aggies at Chico.

May 15 and 16—Far Western meet at Chico.

### Tennis Schedule, 1953

April 18—Chico at SOCE.

May 2—Chico at HSC.

May 9—SOCE at Humboldt.

May 15 and 16—Far Western Conference meet at Chico.

### HOW TO SUCCEED

He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of children; who has filled his niche and accomplished his task, whether by an improved poppy, a perfect poem or a rescued soul; who has never lacked appreciation of earth's beauty, or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration and whose memory is a benediction.

## Faculty Speaker

Miss Kate Buchanan, scheduled to speak on the faculty radio program, "For Your Information," this Sunday, March 8, was heard instead over KIEM last Sunday. A mixup at the station means Mr. Leland Barlow, music professor, will speak this Sunday instead of last week as originally announced.

## 608,000 STUDENTS DRAFT DEFERRED

General William Hershey, director of Selective Service, has reported figures on the manpower situation in relationship to prospective military needs. Those deferred by regulation include 1,100,000 dependency deferments, and 180,000 under the Selective Service student deferment program. An additional group deferred by law includes about 333,000 in ROTC programs, and 95,000 students deferred either to finish high school or their current college year.

## Building Plan Illustrated by Scale Model

To illustrate to the community the long range building plan for Humboldt State College, Dr. C. H. Siemens, president, appointed a committee to construct a small scale three-dimensional model showing the future campus layout.

Mr. Reese Bullen, associate professor of art, heads the committee. Those who assisted were Wesley Willits, Herman Fleischer, George Eue, Mr. Arthur Smith, all of whom helped build the contour elevations. On details were Nova Jaques, Jean Stephens, Bernie Johnson and Ed Solenberger.

The model, now in the finishing stages, will be put on display in the administration building and eventually the president expects to use the plan for demonstration purposes in the community. There is also a possibility that the model will be exhibited at the Humboldt County Fair.

The model includes three new wildlife buildings including two smaller sheds, and brood pens; three new dormitories; new student commons and cafeteria; new administration building; new fine arts building and auditorium; new metal arts shop; new gymnasium and swimming pool; new corporation house; new health unit; new ball diamond and bleachers; the second half of the library and science building; and a proposed boat dock.

It is planned to establish additional playground space for the College Elementary School; to completely roof the bleachers in the reserved section; to establish added entrances and exits to Redwood Bowl; to increase the amount of parking space at HSC; and to move the president's home to a new location.

## Represents College . .

Dr. Homer P. Balabanis, dean of instruction, left for Chicago this week to represent the College at the national conference on higher education and to interview candidates for teaching positions recommended by Middle West universities and colleges. They include the universities of Iowa, Chicago, Illinois, Indiana, Minnesota, Ohio and Pennsylvania State College.

## From The Files Of The Lumberjack

Tuesday, Oct. 12, 1937

"John Van Duzer, who graduated from Humboldt State last June, has been employed this year as a faculty assistant to Mr. Garff Bell Wilson."

April 21, 1931

"According to a recent announcement by Francis McKay of the music department, we of Humboldt State Teachers College are to witness a typical Gilbert and Sullivan opera, namely the "HMS Pinafore," which is to be a display of student talent for the College orchestra, music appreciation classes, and choral classes."

May 4, 1951

"The curtain will go up in the HSC auditorium at 8:15 p. m. on the nautical Gilbert and Sullivan comic opera, 'HMS Pinafore,' which is being presented by the choir in conjunction with the dramatics department."

Jan. 20, 1937

"If the population of our penal and mental institutions continues to increase as fast as it has in the past, I predict that we will all be in one or the other in the next ten years," Dr. P. Victor Peterson, a member of the San Jose State faculty declared in a recent science seminar.

Sept. 29, 1932

"Miss Platt has announced that the final count on heads here at Humboldt is 370. This is the largest registration in our history."

Nov. 24, 1936

"Humboldt students are studying harder this week. Cinch notices were out Thursday."

## ASSEMBLIES AT CHICO

Charles Laughton, famous Hollywood actor, will read "from pieces of books" at the Chico State College Assembly on the night of March 9.

A recent attraction on the CSC stage was the appearance of the well-known philosopher and promoter of 100 famous books, Mortimer Adler.

## Korean Vet Enrollment

"The total number of P. L. 550, (Korean G-I Bill) students enrolled in U. S. colleges at this time is estimated to be 42,000—about 1.9 per cent of the total college population. Of the total male students, those enrolled under Public Law 550 constitute about 3 per cent."

## "In The Zone"

Al Braud, senior, will appear in one of Eugene O'Neill's one-act plays, "In The Zone," starting tonight in the HSC auditorium. The production, student directed by Tom Turner, will be given Saturday night also.

## Who's Crazy?

In the article, "CALIFORNIANS ARE CRAZY," appearing in February Esquire released last month, author Frederick Van Ryn says that "when it comes to congenital lunacy there is no discernible difference between the proud inhabitants of San Francisco and the insolent beggars of Los Angeles. It can also be stated that there is a growing tendency in medical circles to classify each and every Californian as a refugee from the unabridged works of the late Dr. Sigmund Freud."

## HSC Journalists To Attend Press Conference

In a letter from Pete Lang, California Intercollegiate Press Association chairman, an invitation was issued last week to the members of the journalism staffs here to attend the 1953 CIPA conference March 20 and 21 at Fresno.

The annual conference, with headquarters at the Hotel Fresno and with Fresno State as the host school this year is held each year in an effort to give students from different colleges in California a chance to discuss problems and responsibilities involved in the production of campus publications.

The conference will start Friday, March 20, with a tour of the new, modern newspaper plant of the Fresno Bee, largest daily in the San Joaquin Valley. A buffet dinner and entertainment that evening will officially open the parley.

Saturday the delegates will get down to business with three sets of group sessions, (1) student-led "buzz" sessions; (2) roundtable discussions with professional resource persons and (3) a special set of "outlook to the future" talks by individuals now employed in typical journalistic fields.

The afternoon's activities will reach a climax with the election of a new president, convention chairman, vice-president and executive secretary. The convention will be climaxed with a formal banquet that evening. Following the dinner, Fresno State College president will speak and the installation of officers will take place.

The delegation from Humboldt has not been selected yet. Dale Farris, editor of the Lumberjack, will act as chairman of the group. Mr. J. N. McIntyre, journalism instructor, will accompany the party as faculty adviser.

SUMMER JOBS as seasonal rangers in the National Park Service will be filled from a new examination just announced by the U. S. Civil Service Commission.
