

Popera and Dance Slated For April 10

Blanche Evans

Jacks Invited Too!

Rabbits to Show For Bunny Hop On Easter Eve

"Bunny Hop," a public dance in the Municipal Auditorium, is set for Saturday, April 4, sponsored jointly by the HSC Alumni Association and the Intercollegiate Knights, men's service organization. Proceeds from the dance will be turned over to the Student Loan Fund at HSC, in which students have the opportunity to borrow money for living expenses.

The timing of the dance was calculated to come after the close of Lent and the night before Easter Sunday. The "Band of Today," popular 11-piece orchestra, will furnish the music for the dancing.

The Yurok Chapter of the Knights has been assigned the duties of promotion and administration of the social affair while the Alumni group will handle the refreshments. Dr. Everett Watkins, president of the Alumni, said today, "The 'Bunny Hop' will be an excellent opportunity for the public and the alumni, as well as the students, to get together and have a good time for the benefit of the College."

Earl Rumble, a member of the Knights, was appointed general chairman of the dance, at the meeting of the alumni and student groups at the College recently.

Other committee members are Len Cook and Janett Oppenheimer, publicity; Dick Harmer, tickets and finance; Estelle McDowell and Sylvia Carlson, decorations; Bruce Sweet, coat check and Dr. Everett Watkins, concessions.

TALENT SHOW

A colorful talent show, sponsored by the Spokes, will be presented at the College Auditorium Friday. The program will include the following:

Bob DeBernardi and Combo.

Donna Reeves — "You're the Cream in My Coffee," song and dance.

Yvonne Morrison — Vocal solo, "Will 'o the Wisp."

Gerry Hagleskamp — Accordion.

Nelson Hall Girls — Melodrama, "The Sagging Saga of Lela Gumpseed."

Everyone is invited to attend this performance during the regular assembly hour.

POPERA MEANS

Coined on the campus, POPERA is a word combination of Popular and Opera, which refers to kinds of music, the popular variety and classical. Both kinds will be offered at the Popera on Friday, April 10, followed by a public dance.

A concert of light music will be presented as part of the fourth annual POPERA April 10 in the Municipal Auditorium in Eureka.

From 8:30 to 9:30 p. m. the College A Cappella Choir and Chorus, directed by Mr. Leland Barlow, and the College band and Humboldt Little Symphony, under the direction of Mr. Charles Fulkerson, will present a program of music and choral selections.

One-half hour is set aside for other entertainment and the coronation of the king.

Public Dance Follows

Following the coronation there will be dancing for the remaining part of the evening.

The POPERA is being sponsored by the College music department and assisted by the Musicians Union, Local 333.

Miss Blanche Evans, sophomore, is general chairman for the extravaganza and Charles Fulkerson, faculty chairman.

Committee Members

Other committees are publicity, Joan Flockhart and Red Pettersen; king contest and coronation, Joyce Jacobs and Joan Guyn; decorations, Marlene Greer and Pat Larsen; white elephants, Joline Killinger; tickets and program, Margaret Molini, and ticket presale, Frances Hunt.

Tickets may be purchased from Martin's Music Store and Malm and Murray in Arcata and Mathews Music House and Nygard and Green in Eureka.

Vacation and the Library

Students are reminded that books taken out Monday through Wednesday of this week will be due the first three days of spring vacation. If you want to keep them over vacation, they should be renewed sometime between March 19 and March 27. The Library will be open as usual on March 30-April 1. The college, including the Library, will be closed from April 2 to 5.

ONLY THE SEEN WORLD

TV TO REVOLUTIONIZE HSC EDUCATION?

By Dawn English

NOTE: Television is coming to the wilds of Humboldt County in October. Some of the changes in educational procedure at HSC are forecast in the following article:

Let's all take a flying leap into the future and see what fantastic changes television has brought about on the Lumberjack campus.

There, atop the Student Union, is an antenna which reaches high into the stratosphere. Inside the Coop a crowd of the usuals have cold coffee setting before them. From behind three dimensional glasses they are staring rudely at the new smaller three-foot portable screen. The "World Series" is on (baseball that is) and all the men are sitting down front with the coach. A new system being tried by the athletic departments all over the state is the screening of all sports events to be "TVied" into the colleges.

Operation Eye Watch

TV in the classroom is interesting. The drama class is intent on

Vol. XXV

ARCATA, CALIF., THURSDAY, MARCH 26, 1953

No. 16

PLANS for the fourth annual Popera slated for April 10 in the Municipal Auditorium in Eureka, are discussed at the meeting of the committee chairman. Left to right are Joan Guyn, Joyce Jacobs, Joan Flockhart, Blanche Evans, Marlene Greer, Pat Larson and Margaret Molini. Missing is Joline Killinger.

Holidays and Cinches

Students and faculty leave Friday after classes for spring vacation and return Monday, April 6.

This Friday, March 27, midterm warning notices will be sent to students who are delinquent in their studies. Notes are commonly referred to as "cinch" notices.

Candidacy Petitions Due Next Friday

Petitions for student government aspirants are to be turned into the student body office in the Coop next Friday, March 27. It must be signed by at least 25 members of the association. All nominees must have a 1.0 cumulative grade index.

The following students will be replaced by the election: Dick Harmer, president; Adrian Mendes, vice-president; Edith Penfold, secretary; Ken Gipson, treasurer; and the four retiring commissioners, Jackie Ambrosini, rally committee, Jerry Smith, organization and activities, Blanche Evans, publications and publicity, Eldon Watts, awards.

Election of officers for the fall and spring semester of 1953-54 will be held April 22 in the main hall of the administration building.

Wildlife Students Plan Field Trips

Easter vacation week will find groups of wildlife and fisheries students on two separate field trips, part of the annual program at HSC to have students talk to professional persons in the field and learn wildlife conditions first hand.

Students will be led by Dr. Fred Glover, wildlife professor, on their trip beginning March 28 to Lakeport and the Cow Mountain big game research area. The group returns next Thursday.

Professor John DeWitt leaves Saturday with ten fisheries students and Professor Howard Houck for a trip to points in Oregon as far north as Tillamook.

Fisheries students who will make the trip are James Adams, Robert Hughes, Ken Gelatt, Robert Perkins, Raw Rae Baxter, Paul Jensen, Jack Legate, Bill Meyer, Richard Ridenhour, and Robert Weddell.

Students on the wildlife trip in company with Dr. Fred Glover and Dr. Professor Dan Brant are Wayne Reed, Ken Poyfaire, Dan White, Don Gastineau, Bob Beeman, Bob Kirkpatrick, Ray Johnson, Steve Hrinsin, Mike Perensovich, Jim Yokum, Don McIntosh, Joe Marlow, Larry Stout, Frank Wetherbee, Fred Morss.

Fountain May Get New Control

Council Investigates Humboldt Foundation

Investigation of the possibility of transferring the management of the fountain in the Coop to the Humboldt Foundation Committee is currently underway by the Executive Student Council.

This step has been taken in the hope that some way could be found to keep the prices in the fountain at a low level and still break even. At present prices in the Nelson Hall cafeteria, which is run by the Humboldt Foundation, have been discovered to be at least a nickel lower than the ASB prices.

If the Foundation should take over the management of the fountain it is expected that the lower price would be maintained since the group's past policy has been to remain a non-profit organization as long as they could make enough to cover depreciation expenses.

Reports from the committee investigating the transfer indicate that the advantages would include an increase in purchasing power since supplies for the cafeteria and fountain would be bought from the same source. This would lower the cost of upkeep of the fountain.

It would also remove the book-keeping duties, the ordering and purchasing of supplies, and the employment of help in the fountain from the student body office.

The main disadvantage seems to be that the dual-price system would have to be removed making the price equal to all students, according to the report from the investigating committee chairman, Ed Hansen.

Postpone Dedication Of New Buildings

Dedication of Humboldt State College's three new buildings, originally set for May 15, has been postponed until the fall, President C. H. Siemens reported this week. The three new buildings are the library, the biological science building and the corporation house.

The announcement which came following a meeting with the President's Council stated that "a delay in several contracts has forced the decision."

Tentative plans now are that the dedication ceremony will be held sometime in October when the buildings will be completely finished and most of the landscaping will be done. According to the President, the week of Homecoming activities has been suggested as a possible time.

Observance of the 40th anniversary of the College in May will be recognized by a special 16-page brochure issued by the News Bureau and the Executive Dean, Dr. Lawrence E. Turner. No special meeting or ceremony is contemplated for the May anniversary.

Monday, April 6—
Classes reconvene.

TV TO REVOLUTIONIZE HSC EDUCATION?

throughout the States.

Viewing Horizontal

Classroom lectures over channel 3 are wonderful for students who are ill. Health records show an increase of flu germs in the area and better college attendance.

Education majors have made the most of televised educational programs. On the spot classroom situations give these students a preview of the work ahead of them and answers many of their questions before they ask them.

Life in this TV world of Northwestern California is all graphic. No more the abstract symbols of the alphabet and assignments in reading. Now the educational assignment is to look through the picture window of the world, onto the television screen.

All the student needs is regular consultations with his personal optometrist to keep his eyesight from breaking down. Appointments can conveniently be made between "eye classes."

Shakespeare's "Hamlet," which is coming to the United States directly from the stage of an open air theatre in England. Beginning speech students are giving the President of the United States the critical ear and eye. This study of a poised professional, gives these beginners many pointers. The geography class is wandering through South America on a well conducted tour.

Down at the College Elementary School an extra recess has been added so the little ones can enjoy technicolor legends and folk tales from foreign countries. The older students view stories more on the order of "Travelogs."

The state allotted enough money for one community dorm TV set; so that's where many students gather after dinner every night, saving on show money. The big game between Humboldt and Notre Dame is coming up next Saturday. Arrangements are underway to have the event videoed

POLITICS OF THE FUTURE

Who will be president in 1956? The answer you give to this question could be the right one, but it is not likely. Why? Because it is more than probable that your answer will be politically inspired, owing to your party affiliations. However, if your answer is Thomas E. Dewey, you are absolutely correct. Why? This question is easily answered.

It is well known, by those who follow politics and who have made a study of its highly complex mechanisms, that in order for a man to rise to prominence in either political party, the machinery of the party must be working for him and not against him. To further explain this, let us examine the Democratic party.

Crimebuster Busts

The leading candidates in '56 for the Demos will probably be Estes Kefauver of Tennessee and Adlai Stevenson of Illinois. There, of course, will be dark horse candidates, but it is not likely that any of these will overturn anyone's apple cart. In the 1952 primary, Senator Kefauver was waging a stirring grass-roots campaign until he got to the convention where he folded up. The reason? He was not well liked by his party leaders. On the other hand, Stevenson was well liked, especially by labor, and labor unions primarily pull the strings in the Demo lineup. The rest is known history.

In the Republican camp, it is generally conceded that Ike will not seek a second term of office, and also that one of the strongest men in the GOP ranks, Senator Robert A. Taft, will be too old to seek office of any sort, and this leaves but one man—Dewey, third term governor of New York.

Why did Dewey refuse appointment to Ike's cabinet when he could have taken any post he desired? Dewey was the instrument of Ike's election at the GOP convention, and he still pulls the strings in the "Grand Old Party."

—By John Norton

OUT of the WOODS — EXCHANGE NEWS

"Chico State recently held an election on Compulsory Student Body Cards on which only 42 per cent of Student Body voted. Even though the vote was 270 in favor and 220 opposed, lack of a two-thirds majority downed the measure."

"Sacramento State College has recently forced a new organization of campus police. This organization consists of junior and senior law enforcement majors and has the job of enforcing parking and traffic

WHAT'S THAT AGAIN??

By Judy Schussman

What would you do with it if someone gave you a "Hexenbesin"?

Floy Johnston—"I'd preserve it in formaldehyde."

Ray Mechals—"Open it up and drink it."

Lee Ann Jennings—"I'd give it to Jo Meyerhoffer."

Jerry Smith—"I'd run over it and give it to my roommate, Ray Mechals, for a wedding present."

Dolores Corning—"I'd spit in it."

Bud Linden—"I'd give it to Jerry Spellenberg."

Janis McClaskey—"I'd put it under my bed."

Don Filbert—"I'd tie it to an elephant."

Joe Meyers—"Take it down to Africa and bury it."

A Hexenbesin is a witch's broom.

regulations on campus. This provides training for the students and also greater safety for the students and faculty on campus."

Little Man On Campus

"Professor Snarf, would you mind if we staple one of our little folders to all the 'F-papers' before you hand them back?"

by Bibler Assembly Turnout Gets Attention

Editor's Note: The following item appeared in the Arcata Union newspaper last week in the column "Party Line," written by Mrs. Monica Hadley, wife of the publisher:

"Pause for Thought—Bob Gros, one of the outstanding men in the country so far as having first hand information of world events and just back from Korea and Far East, spoke at an assembly at HSC Friday morning . . . the auditorium seats 325 and the student body numbers close to 700 . . . But (and ponder this) the auditorium was barely two-thirds full INCLUDING faculty and townspeople . . . we feel sorry today (and we really do) for these young people who are having to go to Korea and other spots in the world to do the actual bloody fighting—we're told many don't even know what they're fighting for . . . we feel sorry too for this country of ours if this is an indication of the attitude of college men and women over the country."

Cost of the HSC office remodeling, according to Mr. Frank Devery, was \$25,000. He pointed out that still further remodeling is being done on the administration building.

23 Complete Studies End Fall Semester

Twenty-three students have completed studies for degrees at Humboldt State College as of the close of the fall semester. The between-the-semester graduates will receive their awards in the annual commencement ceremony in June, Registrar Mrs. Myrtle McKittrick has announced.

Of the group 12 students have earned a bachelor of art degree in liberal arts. A bachelor of science degree in wildlife management and fisheries has been earned by six men students. Three others have an A. B. degree with a general secondary; one with an A. B. degree in kindergarten-primary credential. There is one B. S. award in nursing.

In addition to the 23 who have earned college degrees, two others have completed work for teaching credentials.

A. B. Degree with kindergarten primary credentials: Beverly J. Larsen, Eureka; A. B. with general elementary credential: Nancy Lee Jacobson, Blue Lake; Alice

Louise Stockhoff, Eureka; Anne Kavanaugh Mearns, Arcata.

A. B. degree in liberal arts: John S. Burgh, San Francisco; Kenneth Mickey Gallagher, Eureka; Leigh Manley, Arcata; Locke Bernard McCorkle, Eureka; Irving Oden Mills, Eureka; Charles Robert Mostyn, Eureka; Rex A. Pryer, Fortuna; Ethel Thomas Ratel, Redondo Beach; Mary Patricia Roscoe, Eureka; Jerome Schroeder, Fortuna; Thomas Dudley Turner, Eureka; Doris L. Weltz, Arcata; Fern Stahl Wilkins, Mill Valley.

B. S. degree in wildlife management and fisheries: Gerald Everett Cummings, Akron, N. Y.; George Eugene Gruell, Ventura; Richard Haley, Eureka; Richard Erickson Ransom, Ramona; Arnold Giovanni Torrigino, Berkeley; Gerald Alan Wetmore, Fairfax.

B. S. degree in nursing: Dolores M. Kunkel, Arcata. General secondary credentials: Ruth Elizabeth Everett, art, Arcata; credential only: Truman Davidson (general elementary).

State Teachers Exams Announced for April 17

Students who expect to get a California teaching credential may apply now for classroom positions with the California state government.

The State Personnel Board today announced two examinations for appointments as elementary teacher and Youth Authority teacher. The positions start at \$310 to \$358, depending on academic qualifications, with incentive increases ranging up to \$481.

Application blanks and information are available from the campus placement office, located at CES, and from the State Personnel Board at Sacramento, San Francisco and Los Angeles.

New Conference Well Underway, Sarboe Says

By Les Ryan

"I am quite hopeful of a new athletic conference for Humboldt State," reported Athletic Director Phil Sarboe on his return from a recent meeting at Davis.

Coach Sarboe, along with faculty representative Fred Telenicher, attended a meeting on Tuesday of last week to discuss prospects for the formation of a new six school conference. The colleges included were San Francisco State College, Cal Aggies, Sacramento State, the University of Nevada, Chico State and Humboldt State College.

Coach Sarboe said that he was happy to have received an invitation to the meeting as five of the schools had met previously and agreed to invite HSC. This announcement quelled the rumors that Humboldt State was to be omitted.

The schools will compete in the major sports such as football, basketball, baseball, tennis, golf, track and in the future such sports as swimming, boxing, wrestling and soccer.

The next meeting was scheduled for April 20 and at that time there will probably be some definite action taken.

Spring Sports Fight Weather in Workouts

In the spring a young man's fancy lightly turns from basketball to baseball, track, tennis, hot-rods and parties. On the diamond the words "Play Ball" ring out as baseball prospects slush around like Humboldt mud-hens trying to work into condition for their opening game April 11 when Southern Oregon travels here. Then on the 26 Oregon Tech comes to HSC to take on the Jacks.

Thinclads Train

Track Coach Birger Johnson vies his track team against the weather in their workouts also, and the thinclads must be in fair shape by April 10 when they hold their annual intra-squad meet. The following week Arcata and Eureka High Schools come to the mud-bowl for a tri-practice meet.

The racket-men have been holding their workouts in the gym under Coach Givins the past weeks. The tennis team has till May 2 to reach their top performance when they entertain SOCE. However, they will have practice games in the interim.

Replace Divots

Golf hopefuls will also have practice sessions before the conference meet at Chico on May 15-16.

Then we have intramural ping-pong, badminton and softball starting in the near future.

Snow at Last

Nancy Earle Wins In County Ski Race

The annual Humboldt County Ski Meet was held recently. Among those placing were several former students.

Nancy Earle, a junior majoring in English, took first in the women's downhill race and third in the women's slalom. Pat McCutcheon took first place in the women's slalom and second in the downhill.

In the men's races, John Giannotti of Scotia, and former member of the University of Nevada Ski Team, swept through all competition to take three firsts. Men's races were the slalom, downhill and cross country. His wife, Eleanor, also placed in both women's races.

Men who also placed were Don Cunningham, Fred Gredagan and Finn Jackson.

The races were held on Red Ridge just beyond the turn-off to the Cooper Mine. Conditions for the races were good; the sun was out and warm.

Second row, C. Phelps, L. Marvel, B. Jamar, J. McAuley, D. Thomas, M. Hurd, C. Psaras, B. Joy. Bottom row, L. Payntor, C. Perry, S. Amdsen, T. Corrogan, H. Reinford, W. Baird, B. Tuttle, S. Simpson. Joe Sarboe is the batboy up front, son of Baseball Coach Phil Sarboe.

Bob Dunaway Is Named All-Conference Cager

LUMBERJACK CAPTAIN
Bob Dunaway last week was named to the first team in the All-Far Western Conference basketball lineup. The HSC all-around athlete was also all-conference offensive end in football. At the present Bob is turning out for tennis. He is president of the senior class.

Humboldt State's basketball captain, Bob Dunaway, was named by the coaches of the conference to the first cage team, while Glenn Wallace and Joe Myers were placed on the second team. Center Len Pollard was honorable mention.

Chico's George Maderos was a unanimous selection as was Ken Kimura of SOCE and Bill Wetmore of the Aggies.

FAR WESTERN CONFERENCE

1953 ALL-CONFERENCE BASKETBALL TEAM

First Team	Second Team
Bob Dunaway, Humboldt	*J. B. Wilson, Chico State
	*Bill Ceaglio, Chico State
*George Maderos, Chico State	Glen Wallace, Humboldt
Ellis Rolls, Chico State	Leon Keefe, So. Oregon
*Ken Kimura, So. Oregon	*Carl Reich, Cal. Aggies
*Bill Wetmore, Calif. Aggies	Joe Myers, Humboldt

*Tied in voting.

**Unanimous selections.

Honorable Mention: J. Marcus, Chico; R. Donnell, Calif. Aggies; Len Pollard, Humboldt; Stu Rowe, Calif. Aggies.

Women Cagers Win Two At Santa Rosa Tourney

Women's basketball team from Humboldt State attended a basketball Sports Day at Santa Rosa Junior College recently.

Making the trip were Jackie Stein, Claire Edwards, Mary Jane Grediagin, Sally Fotens, Pat Hunt, Barbara Guckeen, Darlene Miller, Elsie Nelson, Pat Larsen, Kathy Olson and Instructor Miss Kay Gott.

Humboldt won in two games over Chico and East Contra Costa at Martinez. There was no declared winner of the tournament as it was just a friendly get-together among schools.

Daryl Lee, Mount Vernon; Bill Wetmore, Cal Aggies.

One rather unusual fact about the second team selection was that the Jacks considered Marcus good enough to be chosen despite the fact that he was a substitute on the Wildcat five.

Annapolis Candidate

Warren C. Sweet, a freshman major in pre-engineering, has been recommended for appointment at Annapolis Academy training by Congressman Hubert Scudder. Sweet graduated from high school in June of 1952. Last fall he attended San Jose State College.

All-Opponent Five Chosen by Jacks

Victorious in 15 starts while losing 11 and tied for runnerup honors in Far Western Conference cage competition, the Humboldt State basketball squad today released its All-Opponent team for the 1952-53 season.

Out of the two clubs the Lumberjacks chose Southern Oregon, Chico State and Pasadena Nazarene, each placed two players.

The first string All-Opponent quintet:

George Maderos, Chico State; Bob Hopkins, Pasadena Nazarene; Ken Kimura, Southern Oregon; Ken Busby, San Francisco State; Glen Huffman, Pacific Lutheran.

The second string selections:

John Davis, Pasadena Nazarene; Leon Keefe, Southern Oregon; Jack Marcus, Chico State;

Conservation Talks Due For Schools

By Glen Griffith

One of the most important pieces of news to those people interested in Conservation of Natural Resources is the contemplated enactment of a program of Conservation Education in the high schools of California.

It is time that the wise utilization of our natural resources is stressed, for in the 300 odd years of America's life, our resources have been greatly depleted and plundered. The buffalo, once roaming the plains in huge herds and numbering at one time 60 to 70 million, have been reduced to less than 10 thousand, slaughtered for their tongues and hides.

Land Abused in South

In the south the soils have been savagely abused, worn to a point where they offer very meager support for the farmer. The vast stands of pine and hardwood of the south are all but gone; the mills that once whined with the noise of fast turning saws stand idle and rusting—an industry lost.

Here in our own northwest, the forests are being depleted at an alarming rate.

Not Know—Not Care

One reason for this is that we didn't care; the chief reason is that we didn't know. We lived blissfully under the old adage of what you don't know won't hurt you. There is about as much logic in this as in placing a door knob under a setting hen trying to hatch a hardware store.

We can all be thankful, especially the children, that we saw the light before it was extinguished, and started formal education in Conservation.

Linden's Take Over

Mr. Walt Watkins and Mrs. Elva Linden, the mother of two of our HSC students, Pete and Bud Linden, have taken over Hogan's restaurant on 17th and G Streets in North Arcata. It has been temporarily remodeled and is now open for business.

Spoke March 22
Dr. Harold K. Parker,
Dean of Students

On KIEM Sunday
Miss Sarah Cornelius,
Assistant Professor of Education

Speaks Easter
Dr. Fred Glover,
Wildlife Professor

NEWS ROUNDUP OF THE CAMPUS

Miss Cornelius Sunday Speaker

Miss Sarah Cornelius, assistant professor of education, will be the speaker on the faculty radio program "For Your Information" next Sunday over KHUM.

Dr. Harold Parker, dean of students, was the speaker last Sunday, March 22.

The speaker on Easter Sunday, April 5, will be Dr. Fred Glover, professor of wildlife.

The rest of the April schedule is as follows:

April 12—Mrs. Helen Everett.
April 19—Dr. Edward Girard.
April 26—Mr. John DeWitt.

Faculty Raise

All Humboldt State College faculty members are receiving a five per cent salary increase retroactive to September 1, 1952. President Cornelius H. Siemens has announced.

This raise was contemplated and included in the governor's 1952-53 budget, Dr. Siemens pointed out. Other state employees under civil service, according to Dr. Siemens, received a salary raise July 1, 1952.

Inauguration Visitation

President C. M. Siemens left March 19 for Los Angeles and Berkeley to attend the inauguration ceremonies of Dr. Raymond B. Allen as chancellor of the University of California at Los Angeles March 20 and Dr. Clark Kerr as chancellor of the University of California at Berkeley on March 23.

Dr. Garff B. Wilson, former Humboldt State College faculty member and now assistant to University of California President Robert Gordon Sprout, is chairman of the Berkeley inauguration ceremony.

Windy City Interviews

During a recent trip to Chicago where he represented Humboldt State College at the national conference on higher education, Dr.

Homer P. Balabanis, dean of instruction, interviewed 25 candidates for HSC teaching positions. The candidates were selected from a list of 200 applicants, said Dr. Balabanis, and most of them had doctors degrees.

New CES Nurse

For the first time the College Elementary School at HSC now has a half-time public health nurse, Mrs. Lawrence Marx, watching over the health of the 233 youngsters in the school. Nursing duties at CES formerly were handled by Mrs. Harry Griffith, the College nurse.

Mrs. Marx's husband, Dr. Marx, joined the Humboldt State staff this year as psychology professor and coordinator of audio-visual aids.

HSC Art Students displayed some of their work at Ferndale High School March 21 and 22 in an exhibit sponsored by the Ferndale Garden Club.

Disqualification Rules Changed for '53-'54

Revision of the rules governing "disqualification" from college were announced this week by Mrs. Myrtle M. McKittrick, registrar. The changes, which are to go into effect at the end of the current semester, include the elimination of exceptions in the previous plan and the allotment of greater discriminatory powers in the College.

37 Years On Faculty

Not Humboldt Co. For 'Pop' Jenkins

By Gerry Hagelskamp

After 37 years on the College faculty, Mr. Horace Jenkins, better known as "Pop," still finds enthusiasm in his pottery classes.

"Pop" joined the staff in 1915, just two years after it was founded as the Humboldt Normal School. In the summer before he signed to teach here he was known to have said, "Humboldt County is one part of the world that will never claim me as a resident." He did become a resident, however, and has served under all of the presidents of the College. After his many years of service he is now working part time at the age of 71.

He struggled along with "hand-me-downs" in his pottery classes for a long time. When the new Industrial Arts Building was constructed in 1950 it was dedicated to him, now known as Jenkins Hall.

"Pop" Jenkins graduated from the Central States Teacher College of Oklahoma and since he has been at Humboldt he has done advanced study during the summers at the University of California, Stanford, California Arts and Crafts, University of Chicago, and Oklahoma A & M.

"Pop" has written a total of 30 articles on the "Industrial Arts and Vocations," "Education," "Popular Science," "School Arts," "Ceramic Age," "Design," "Science and Mechanics," and "Home Crafts" and related subjects for magazines.

Committee on Admission and Reinstatement.

It should be noted, said the announcement, that first-semester freshmen may now be disqualified, as well as students who may have a satisfactory over-all index, but who fall below a "D" average for a given semester.

Provisions set by the new regulations are as follows:

1—Maintenance of a 1.00 in a program of 12 or more units per semester. Under special circumstances, a lighter load can be carried if program is approved by the Associate Dean of Students (Dr. Girard).

2—Failure to achieve a "D" average in a given semester will mean disqualification.

3—Disqualified students may petition for reinstatement through the Committee on Admissions and Reinstatement. Reinstatement will usually be granted only after the lapse of one semester. Such students may also re-enter upon probation.
