AT ASSEMBLY TODAY — These variously-dressed Humboldt Staters will be seen today at 11:15 a. m. in the auditorium when the first performance of the annual road show will be presented in the college auditorium. Pictured are cast members of "Pyramus and Thisbe," the play within a

play from Shakespeare's "A Midsummer Night's Dream, from left to right are: seated, Jim Parks, Gunvor Robbert, Homer Ratcliff, Bob Pepper; standing, Chuck Coon, Lee Morrison, Wally Sinclair, Bob Maupin, Don Filbert.

Yell Leaders Will Compete in May

Road Show Will Premiere Today

At Assembly; Begins Tour Monday

Yell leaders will be selected on May 5 to serve for the coming year, Rally Commissioner Jim Nameth informed the Student Executive Council. He also reminded the council that they were to assist in the selection. It was the feeling of the council that, all other qualifications being equal, an undergraduate student should have preference over a graduate student.

Activities Commissioner Ray Casaretti reported that ICC has adopted a plan for reorganization which will be written up and submitted to the council at the next meeting.

The problem of students wearing other school jackets and sweaters was brought to the attention of the council. The problem was referred to the Block H requesting their assistance and a request was sent to Miss Buchanan to include this in the Freshman Handbook.

The possibilities of a direct hook-up between the Coop and the Radio building are to be investigated. If this is found to be impossible, the possibilities of purchasing a radio for the Coop are to be looked into.

Frosh Camp Subject Of Next Bull Session

Discussion of plans for the proposed Frosh Camp, to be held before the opening of school next year, will be the subject of next week's bull session. Dean of Students Don W. Karshner, moderator of the week's session, invited all interested students to attend this meeting Tuesday at 7:30 p. m. in the Dean of Students office.

The premiere production of the HSC Road Show will be presented at a Drama club-sponsored assembly in the auditorium at 11:15 a. m. today, before participants leave Monday to begin road performances at high schools as far south as Cloverdale.

The program will include

Up-Coming Events

SATURDAY, APRIL 16
BASEBALL—HSC vs. OTC, Arcata Ball Park, 8:00 p. m.
TULIP TEA—At Nelson Hall, 2 p. m. to 4 p. m.

SUNDAY, APRIL 17
BASEBALL—HSC vs. OTC, Arcata Ball Park, 1:00 p. m.
CHI SIGMA Initiation—At Coop.

TUESDAY, APRIL 19
S. F. STATE CHOIR—In Aud., 8:00 p. m.

WEDNESDAY, APRIL 20
FOLK DANCING—At Gym, 7 p. m. to 10 p. m.

FRIDAY, APRIL 22
H. S. MUSIC FESTIVAL.
C. U. CLAM BAKE.

Long Voyage Home To Be Shown Here

Eugene O'Neill's "The Long Voyage Home," a film classic starring John Wayne and Thomas Mitchell, will be shown in the college auditorium Saturday night at 8 p. m. Sponsor of the movie is the Humboldt Film Club.

Made up of parts of O'Neill's cycle of one-act sea plays, "The Long Voyage Home" contains parts of "In the Zone," "Moon Over the Carribees," and "Bound East for Cardiff," as well as the title play. These were among O'Neill's earlier productions, and are regarded by many critics as his best.

"Pyramus and Thisbe," the "play within a play" from Shakespeare's "A Midsummer Night's Dream." This selection was directed by Lyn Pauley. Vocal solos, including "Habanera" from "Carmen" sung by Jane Wyllie, a dance act by Gunvor Robbert, and an address to high school seniors by Executive Dean Dr. Laurence Turner will complete the show.

Itinerary of the road show will include: April 18, Leggett Valley, Laytonville, Willits; April 19, Lakeport, Ukiah, Cloverdale; April 25, Ferndale, Fortuna; and May 3, Crescent City.

Students taking part in the road show are Homer Ratcliff, Don Filbert, Chuck Coon, Bob Maupin, Lee Morrison, Bob Pepper, Wally Sinclair, Jim Parks, Bob Harris, Gunvor Robbert, Margaret Peterson and Jane Wyllie.

Faculty advisors are Dr. Turner and Dean of Student Activities Miss Kate Buchanan.

Applications Due For Scholarships

Applications for more than 100 scholarships valued at more than \$11,000 must be submitted today, Mrs. Myrtle M. McKittrick, registrar, warned this week. Disposition of the applications by the faculty scholarship committee will be made by mid-May, she said.

Humboldt Will Host High School Student Music Festival Saturday

Humboldt State College will host the Annual Humboldt Del Norte Music Festival next Friday, April 22, under the direction of the college music staff.

The event, sponsored by the North Coast Section of the California Music Educational Association, will consist of orchestras, bands, choirs, solos, small ensembles and other representatives of Humboldt and Del Norte County high schools and junior high schools.

Petitions Due Wednesday for ASB Elections

Petitions for student body elections now scheduled for April 27 will be accepted no later than Wednesday, ASB President Dwain Haines said this week as preparations for the annual elections entered their final week.

Humboldt State's 1955-56 student body president, vice-president, secretary, treasurer, and four commissioners will be named in the election. Polls will be open from 8 a. m. to 4 p. m.

Petitions for election may be obtained from Coordinator of Student Affairs Richard E. Harmer. The candidate must possess a student body card and a petition signed by 25 cardholders in order to be eligible.

Absentee ballots may be obtained by registering with a member of the executive council no less than four school days before election.

Revision Of ICC Accepted; Plan Senate Function

The proposed revision of the Inter-Club Council into a student senate-type body was accepted by the ICC at its last meeting March 24, and the proposal now goes before the ASB Executive Council for final approval.

The revision, originally proposed in the Winter Retreat held in February, would remodel the heretofore nearly dormant ICC into an investigating and recommending body which would augment the Executive Council. Of particular concern to the ICC-Senate would be club and student welfare problems.

Membership, a controversial problem when the proposition was first announced, would be optional for each club, under the provision adopted at the meeting. Once the club had joined the ICC, however, only three unexcused absences would be allowed its representative, on pain of losing his club's ICC membership. Each club would announce its choice anew each semester.

Since the ICC is not included in the constitution, no constitutional amendment will be necessary for the revision. The new function of the Council must still be approved by the ASB council.

Floyd Bettiga Art Exhibition On View

An exhibition of ten pen and ink drawings by a Humboldt State graduate student is now in view in the Audio-Visual Gallery. Floyd Bettiga, a graduate student majoring in art, will continue his exhibition through April 22. He is a native of Ferndale.

BUCHANAN CHAIRMAN

Miss Kate Buchanan, dean of activities, was recently elected state chairman of the college and university division of the California Deans of Women and Vice Principals for the term 1955-57. The election was one of the results of the recent association meeting on March 10, 11 and 12 in Santa Barbara which Miss Buchanan attended.

A full day of music is scheduled to begin at 10 a. m. with the solos and small ensembles performing in the college auditorium and the orchestras, bands and choirs in the gymnasium. Floyd Glende, assistant professor of music, said that the programs would probably conclude at about 5 p. m. The programs in the auditorium and gymnasium will run concurrently, with time out for lunch in the Nelson Hall Cafeteria.

Those taking part include: Eureka Junior High School Band and instrumental groups under the direction of James T. Eeds, instrumental soloists and ensembles, and the mixed chorus, Girls' Glee Club, vocal soloists and vocal ensembles and seventh grade A Cappella choir, Mrs. Ella Schalansky, director.

Fortuna High School band and orchestra will be directed by Don Brewer, and the A Cappella choir, Girls' Glee Club and small vocal ensembles by Shirley Jacobsen.

Ferndale will send their chorus and band, William B. Crane, director. Hoopa High School's band and chorus will perform under the direction of Dan Cobb.

The chorus, conducted by Syd Smith, and the concert band and A Cappella choir under Raymond Miller will represent South Fork High School.

Eureka Senior High School will send Thomas Hibden to direct the A Cappella choir, Girls' Glee Club and mixed chorus. Arcata will be represented by the band, Woodrow Thompson, director, and the A Cappella choir and mixed chorus, Miss Ruth Carroll, director.

Student, Faculty Member Injured During Vacation

Easter vacation told two stories of accidents, in which a student and a faculty member were injured.

Walt Vom Steeg, 19-year old HSC sophomore, received severe foot injuries while working at the Western Studs lumber mill north of Arcata, on Monday, April 4.

The accident occurred when Vom Steeg's foot caught in a conveyor belt and was pulled into a saw. He was taken to the Trinity Hospital in Arcata where he underwent extensive surgery. He was moved to the Stanford Hospital in San Francisco on Wednesday morning, April 13, for further treatment.

Vom Steeg, a social science major, has been residing at Redwood Hall. His home is in South San Francisco.

In a freak accident on Tuesday, April 5, Dr. John Baker, assistant professor of political science, sustained a fractured heel when his foot became lodged between a tree and the tail gate of his truck.

The mishap took place when Dr. Baker, who is building a home in Arcata, was unable to drive his station wagon over a newly-graveled road. His wife took the wheel while he sat on the tail gate to increase wheel traction. Mrs. Baker, believing the truck was in low, engaged the clutch and the car backed into the tree. Dr. Baker was also treated at the Trinity Hospital for a fractured heel.

Take Me Out To The Ball Game

Throughout the football season each fall, Humboldt State students attend games in reasonably large numbers. The audience falls off in basketball, but is still visible. But when spring sports season rolls around, the lack of student participation is almost total.

Just why this should be true has never quite been ascertained. True, baseball is not a sport highly emphasized by most schools, but college baseball is pretty fair baseball, as the number of college players going directly into upper minor or major league competition has demonstrated.

In fact, at Humboldt, it can be downright good baseball, the size of the school considered. Even when the Lumberjacks were undergoing their most disastrous seasons in football and basketball, the horsehiders at least held their own, and often prospered. With the resurgence of Humboldt fortunes in other sports, the baseball situation has improved also.

The Humboldt baseball team opens its 1955 intercollegiate season tomorrow night. At the risk of putting the Lumberjacks too far out on a limb, we can say that they'll play good baseball. Why not support your baseball team? You'll find it as rewarding as any other sport.

Offer Information On Foreign Study

A Handbook on International Study was published today by the Institute of International Education, 1 East 67th Street, New York City.

The 300-page book which sells for \$3.00 is a compact guide for foreign students on study in the United States and for U. S. citizens on study abroad.

Covering the field of student exchange, as it is related to the United States, the Handbook represents a compilation of material from many sources—from educators in the U. S. and abroad, from American and foreign government officials, from organizations active in international education and from authorities on the subjects discussed.

Of All Things

By SYD STIBBARD

The library is a nice building. It is of the latest construction; earthquake proof and vermin proof. It is quiet and air-conditioned.

Engineers from well-known places have planned this building. The people of California have paid their good money for it. And in this beautiful vault of dried brains is the most Ridiculous Doorknob in the world.

This Doorknob snuggles close to the doorjamb like a Timken roller-bearing looking for a home. When a hand is placed on the Door knob it acts on the principle of a Daisy wall can-opener. You find that parts of the fingers can go around with the knob as it turns, but the joints of the fingers or the knuckles (depending on the size of the hand) catch between the knob and the doorjamb.

This is the nicest bit of humbug I've seen for a long time. Sort of a small safe humorous dividend to the funnybone of the practical joker who put it in.

Don't be fooled by the doorknob on the outside of the door—that is bland and regular and does not hint at what is inside. When you go into the Audio-Visual Room of the library (for that is where it is) to look at Bettiga's picture now on display, you will see that to get out (unless the door is propped open) you will have to grab the Ridiculous Doorknob. I have found that the crab-claw pincer method opens it as easy as any other.

All I can figure out is that either the whole library has been built two inches too far north, or that the Doorknob is two inches too far north.

Club Capers

The only girl to grace the membership roster of **Conservation Unlimited** will soon be out of circulation. This coming June—the 4th to be exact—Wildlife and Fisheries will merge when Sera Miller, whose major is the former, and Rae Baxter, who majors in the latter, wed. Rae will graduate June 5th, and the couple will leave for an Alaskan honeymoon on the 6th. Rumor has it that they met over a couple of razor-back clams.

C. U. mentions also that their membership is now officially closed for the semester.

College "Y" square dancing will be held again next Wednesday in the Gym.

Student Wives are smoothing the way for their fashion show to be held in the middle of May. Outfits will be Hawaiian prints provided by the White House, and models will be the wives themselves, aided by professional model Frances Baribault, who is, herself, a student wife. Elaine Dufour says that the theme of the show will be a cruise to Hawaii.

Members of the **Drama Club** who went to San Francisco over Easter vacation are still talking about their festivities and activities.

Some of the thespians visited former HSC-ites, and went to foreign films. Some toured San Jose State's new drama building, and wandered through the quadrangles of Stanford University in Palo Alto. Almost everyone saw "Teahouse of the August Moon"—and also there was the Sukiyaki dinner to celebrate President Homer Ratcliff's 24th April moon. Chop Sticks? You bet!

FLASH! Treasurer of the **Home Economics Club** Sandra Soules became Mrs. Larry Knoph over Easter vacation in Reno, Nevada. Sandy is a Home Ec major and Larry a pre-engineering frosh, and a vet.

The **Engineering club** will sponsor a field trip for students of Eureka and Arcata high schools on

LITTLE MAN ON CAMPUS

"—On th' other hand—This 'F' JUST MIGHT reflect a pretty poor job of teaching."

Foreign Service Exams Scheduled

Written examinations under the U. S. Department of State's new recruiting program for the Foreign Service Officers Corps will be held in 65 cities throughout the country on June 24, a release from the State Department announced this week.

Procedures have been revised and age and marriage classifications broadened in accordance with recommendations made by Secretary John Foster Dulles' Committee on Personnel recently.

To be eligible, candidates must be at least 20 years of age and under 31; American citizens of at least 10 years' standing, and if married, married to an American citizen. Applications and information can be obtained by writing to the Board of Examiners of the Foreign Service, U. S. Department of State, Washington 25, D. C. Applications must be filed before May 2, 1955.

SUMMER SESSION

More than 350 students are expected to attend Humboldt State College's summer session, which begins June 20.

Thursday, April 21. The tour will take the students through the offices and testing lab of the Eureka Highway Department. Another coming project of the club is the selling of tags at the All-School picnic. Each class will be represented by a tag of a different color, and "door prizes" will be handed out.

Please put club news for this column into box 803 each Monday noon at the latest. This will aid in two ways: Better club coverage and fewer deadline headaches. Thanks.

HERE AND ELSEWHERE

By CHLOE KIGGINS
Exchange Editor

A 22-minute LP recording will be enclosed in each yearbook at San Francisco State College. The record has been designed to provide a picture in sound of the year's most important events at S. F. State as well as day-to-day campus happenings. — **Golden Gater**, San Francisco State College.

A summer study tour of Scandinavia, for nine quarter units credit, will be offered this summer for the second consecutive year by San Jose State. More than 20 persons were included in the tour last year and visited Norway, Sweden and Denmark. Purpose of the accredited summer study trip is to provide an acquaintance with the peoples and institutions of the three major Scandinavian countries. — **Spartan Daily**, San Jose State College, San Jose, Calif.

Intercollegiate frog jumping will be held at San Francisco State. Student Body President Bob Horn received a letter from Frogtown, Angels Camp, where the annual "Jumping Frog Jubilee" is being held May 20, 21 and 22, inviting S. F. State students "to participate in a special phase of frog jumping." — **Golden Gater**, San Francisco State College.

Los Angeles City College won top honors at Long Beach State College Junior College Speech Tourney last Friday in the Little Theatre. Seven certificates for superiority and 10 for excellence were awarded to the Los Angeles speakers. — **The Forty-Niner**, Long Beach State College, Long Beach, California.

Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroys have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroys cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

20,000 TINY FILTER TRAPS . . . plus Richer, Smoother Flavor

Evelean Hebrard

Gastone Usigli

Famed Singer, Conductor Slated For Concert Appearance Here

Miss Evelean Hebrard, lovely San Francisco soprano, will be presented in concert here April 24 at 3 p. m. in the college auditorium by Mu Epsilon Psi, music society.

Her accompanist will be Gastone Usigli, the noted founder and conductor of the Carmel Bach festivals, conductor of the Marin Symphony guild and teacher and coach in San Francisco.

Miss Hebrard will sing a program of German, French, Italian and American songs, including original works of Maestro Usigli.

Known in the San Francisco bay area for her versatile soprano roles, Miss Hebrard has been a soloist with both the San Francisco and Los Angeles orchestras and a regular member of the Carmel Bach festival troupe each summer.

At 17, she was finalist in the San Francisco music week city-wide competition. For three successive years she held the Federation of Music clubs scholarships in voice.

Maestro Usigli is known for his compositions for chorus, orchestra and solo voice. He has been guest conductor of the New York Symphony, the San Francisco Symphony and the LaScala Opera Company of Philadelphia.

Senior Day Plans Near Completion

At least 450 high school visitors from five counties are expected to attend the annual High School Senior Day at Humboldt State College, to be held this year on Wednesday, April 27.

Twelve high schools in Humboldt, Del Norte, Lake, Mendocino, and Trinity Counties have already responded to the invitation extended by HSC President Cornelius H. Siemens and Dr. Stanley Spaid, Senior Day sponsor.

The special day's program for visiting seniors will include tours of the campus conducted by student service organizations, visits and counselling with faculty members, a band concert by the Lumberjack band, a dance revue, performances by the Jumpin' Jacks, songs by the Madrigal Singers, and a movie, "The Future Belongs to You."

High schools which have indicated that they are sending seniors include Arcata, Del Norte, Eureka, Ferndale, Fortuna, Fort Bragg, Hopland, Hoopa, Leggett, Middletown, South Fork and Round Valley.

Watercolor Show In Art Gallery

An exhibition of watercolor paintings by Robert Gilberg, noted Oakland-born artist, is on display in the art gallery and will continue through April 30.

This one-man show follows a long series of exhibits the noted painter has displayed in many galleries, including the Oakland Art Gallery, City of Paris, Kingsley Art Club, Newport Beach, and many other famous art galleries.

The paintings are the artist's work done in and around Nevada City, California, where he is now residing.

Mr. Gilberg won several prizes including first prize in Annual Art Show at Auburn, water color award at Kingsley Art Club Annual, and second awarded in oil at Auburn show.

The artist was commissioned by Nevada County to do background murals for county's booth at California State Fair in 1949. In 1952, he was again commissioned to decorate a booth for State Fair and was put in permanent exhibit in county's niche in new wing of State Capitol building.

Exchange Students Advance Knowledge

Student exchange is no "psychological wonder drug" for world problems, no sure-fire weapon against the spread of Communism.

But exchange of persons programs do advance knowledge. They are a positive long-range factor in better relations between the United States and other countries.

This view is presented in The Goals of Student Exchange, an Analysis of Goals of Programs for Foreign Students, published today by the Committee on Educational Interchange Policy.

SF College Choir In 2 Local Shows

The San Francisco State College A Cappella Choir, under the direction of Dr. John C. Tegnell, will appear locally in two concerts—on Tuesday evening, April 19, at 8:15 o'clock in the Humboldt State College Auditorium, and on Wednesday evening, April 20, at 8:15 o'clock in the Eureka Junior High School Auditorium.

The choir has made numerous concert, radio and television appearances in the Bay Area and has performed frequently with the San Francisco Symphony Orchestra under the batons of such prominent conductors as Pierre Monteux, Leopold Stokowski, William Steinberg and Bruno Walter. Some of its past performances have been "Boris Godounov" by Moussorgsky and "Symphony of Psalms" by Igor Stravinsky.

During the past season the choir was well received when it sang "L'Enfance du Christ," an oratorio by Hector Berlioz, with the Symphony. Thomas Scherman was guest conductor.

Last month the choir, singing with members of the Symphony, presented the world premiere of Marc Lavry's "Sacred Service" in commemoration of the 105th Anniversary of Congregation Emanu-El. This well known Israeli composer came to San Francisco from Israel in order to conduct his magnificent work.

Excerpts from "L'Enfance du Christ" and "Sacred Service" will be included in the program.

ITALIAN FELLOWSHIPS

The Italian Government and two Italian universities will offer fellowships to American graduate students for the 1955-56 academic year, it was announced today by Kenneth Holland, President of the Institute of International Education, 1 East 67th Street, New York City.

THE PROGRAM for the annual All-School picnic is in the hands of the above quartet including George Ibarreta, general chairman, Ron Goble, Ray Cesaretti and Marilyn Wright. Date of the affair is May 12.

Summer Session Opens June 20 With More Than 350 Expected

The six-week summer session at Humboldt State College will open June 20, Dr. Cornelius H. Siemens, college president, announced Wednesday.

A catalog giving general information, including a listing of courses available in the summer term, is available in the office of the registrar or by mail from the office of Dr. Ivan C. Milhous, dean of educational services and summer sessions.

In addition to the regular summer session June 20-July 29, the college offers a post session Aug. 1-Aug. 26. Students may earn up to six units of credits, plus physical education activities, in the regular session and an additional four units of credit in the post session.

Summer work has particular appeal to teachers and to students who want to speed up their education program. The college anticipates an enrollment this year of more than 350 summer students.

Teachers who want to enroll for summer session to renew provisional teaching credentials issued

after July 1, 1954, should write to Dr. H. E. Griffith, chairman of the division of education and psychology, before May 1, Dr. Milhous said.

Registration is scheduled June 20 from 9 a. m. to 4 p. m.

Tentative Plans Made for Annual All-School Picnic

Plans are progressing apace for Humboldt's annual outing, the All-School picnic, Chairman George Ibarreta said this week as his committee members buckled down to work on the event. This year's picnic has been set May 12 at Camp Bauer.

Beginning with the traditional faculty show in the morning and progressing through a tall tale contest in the evening, this year's edition will be crammed with activity from beginning to end, Ibarreta promised.

Eventative events planned for the picnic include the faculty show, lunch period, contests from 1 to 4 p. m., a handicap softball game between the boys and girls; entertainment, the traditional bonfire, free dinner and an evening entertainment period built around a tall-tale contest. Other events may be added to the list as the picnic nears, Ibarreta said.

Committee chairmen for the event are: food, Joyce Jacobs; contests, Hank Yamagata; entertainment, Don Philbert; PA, Ron Goble; parking, Knights; dance, Mike Fielding; and publicity, Craig Stark and Ray Smeltzer.

IE Announces Five Fellowships

Five fellowships for study in Spain are available to American graduate students for the 1955-56 academic year, it was announced today by Kenneth H. End, President of the Institute of International Education, 11 East 67th Street, New York City.

The awards, given by a private donor, are administered by the Institute. Closing date for application is May 1, 1955. The fellowships provide tuition, maintenance, travel and incidentals.

"IT'S TOASTED"
to taste better!

NO MATTER WHERE YOU ARE, you'll get more pleasure from your cigarette if it's a Lucky Strike. That's the point of the Droodle above, titled: Three deep-sea divers enjoying Luckies. You get deep-down smoking enjoyment from Luckies because they taste better. Why do they taste better? That's easy to fathom. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So, when it's light-up time, light up the better-tasting cigarette... Lucky Strike.

Better taste Luckies... **LUCKIES TASTE BETTER**... Cleaner, Fresher, Smoother!

Noon Practice For HSC Teams Planned In Fall

Athletic practices at Humboldt State next year will take a new twist when a plan devised by members of the PE department and approved by the President's Council will be put into effect.

Practice for Lumberjack athletes will be held from 12 noon to 2 p. m. under a plan drawn up by Athletic Director Phil Sarboe and Dr. Joseph Forbes, chairman of the division of Physical Education. Traditional practice time for Humboldt competitors is from 4 to 6 p. m.

The change in practice time, it was felt, would facilitate program scheduling and counseling, make work schedules easier and increase the willingness of employers to grant part-time jobs.

Athletes, it was pointed out, face a tougher problem in this respect than most students, because they must practice when most students are available for part-time jobs. It would also cut down training table programs and improve public relations with some athletes available to visit high schools in the area.

The change will necessitate postponing some lab periods from 2 to 5 p. m. and scheduling for 1 p. m. only those classes also offered at some other time during the day.

JUNIORS MEET

Members of the Junior Class will meet today at noon to discuss plans for the Junior-Senior prom, President Rae Jacobs announced. The prom will be held April 29 in Eureka's Carson Memorial building to the music of Eddie Clay's orchestra.

REHEARSE "ANGEL STREET" — Bill Busch and Pat Hammond, cast members of Humboldt State's spring Production, "Angel Street," rehearse a scene from the John Patrick melodrama. A long-run hit on Broadway and a successful movie under the name of "Gaslight," the Victorian thriller received outstanding reviews during its professional life.

Name Eleven Faculty Members To Receive Permaennt Status

Eleven members of the Humboldt State College faculty have been recommended for permanent status beginning in September, 1955, President Cornelius H. Siemens announced this week.

Those named for tenure have satisfactorily served during a three-year probationary status, and hereafter can be dismissed only for cause as stipulated by law, Dr. Siemens explained.

Golfers Have Practice Games in Sacramento

Lumberjack golfers made their second trip of the season to the Sacramento area yesterday to meet Sacramento State and possibly other conference teams at the Haggins-Oaks golf course there.

The teams teed off Thursday at 9 a. m. Phil Sarboe, golf coach, and a five-man team left Arcata by automobile Wednesday afternoon and returned after the matches Thursday evening.

Making the trip with Sarboe were the same golfers who traveled to the south March 25 and 26, winning over Cal Aggies but losing to other conference squads. Team members are Dennis Boese, Captain Bob Glende, John Halbach, Alan Hendrickson and Joe Kramer.

HONOR HUMBOLDTERS

Two Humboldt State students were honored last week at the annual convention of the state DeMolay Association at San Diego.

Harmon Bonnikson, freshman from Arcata, was elected state orator, and Pat Hutchens, another freshman from Arcata, crowned this year's DeMolay sweetheart. Miss Hutchens was 1954 sweetheart of the organization.

LAND DONATED

Land for Humboldt State College was originally donated by William A. Preston, who still lives near the college campus. The college was founded in 1914.

'Angel Street,' HSC Spring Play, Had Long Run

"Angel Street," John Patrick's Victorian melodrama, which will be presented here May 6, 7, 13 and 14, had a long run on Broadway, during which it was called "the biggest dramatic hit in New York."

Under the title "Gaslight," the drama was made into a motion picture which featured Ingrid Bergman, Charles Boyer and Joseph Cotton.

The setting of the play is a house on Angel Street in the Pimlico district of London; the year is 1800.

The plot centers around the desperate search of Mrs. Manningham and Sergeant Ruff for evidence to save her from the demoniac power of her when the gaslight goes down, indicating he is on the third floor. The pair search more desperately until suddenly the gaslight goes up again. He is returning . . .

Suspense mounts upon suspense until the final moment of revelation.

"Not in ten years at least have I seen an audience, including myself, so spellbound by a melodrama," commented Alexander Woolcott after seeing the New York production of Angel Street.

Soule To Illinois

Dr. Don M. Soule, assistant professor of economics at Humboldt State for the past two years, has been appointed to the faculty of the University of Illinois, it was learned here this week.

Dr. Soule, a graduate of the University of Wisconsin, was named assistant professor of economics on the Urbana campus. He will begin his duties there with the fall semester.

Tulip Tea Slated Here Tomorrow

Students and friends will gather at HSC tomorrow for the annual Tulip Tea sponsored by the Humboldt County Federation of Women's Clubs.

A program at 2 p. m. in the college auditorium opens the afternoon's activities. The tea will follow in Nelson Hall.

A background of chamber music at the tea will be provided by the Rev. Kenneth Samuelson, cello; Iris Anderson, violin; and Helen Crozier, piano.

Mrs. C. J. Clarke will arrange the flowers in the lounge and various clubs will decorate the individual tables, including Eureka, Fortuna, Ferndale and Trinidad clubs.

Mrs. Robert Dickson, who has been in charge of the project since it was begun 20 years ago, is general chairman and Mrs. Maurice Hicklin is in charge of tea arrangements. Cookies will be furnished by the various clubs.

SWINGING THE AXE

By MURL HARPHAM

We paid a visit early this week to the Trinity hospital to see Walt Vom Steeg who sustained a serious leg injury in a mill accident.

You can always pick up a Post or Colliers or the funny papers and find a story in which the hero or heroine lies in a hospital bed joking about his or her misfortune. We found a real-life version of this story during our visit. However what else would you expect from a great guy like Walt?

Walt was in an exceptionally good mood as he joked with us about the pretty nurse on the graveyard shift and other happenings behind the white walls. He plans on being back next fall even though it will be on crutches. His only regret is missing football.

Walt left Thursday for San Francisco where he will spend the next three months under a series of operations so that he will eventually have use of his foot again. At present he expects to spend about a year on crutches before gaining full use of his foot.

In case you didn't get to the hospital to see him, why not drop him a card. His address is 717 Hill Avenue, South San Francisco.

Sarboe Named to NAIA

Coach Phil Sarboe was named to the football rules committee of the National Association of Intercollegiate Athletics last Tuesday.

The appointment, a singular honor for small college coaches, was announced by Richard M. Godlove, NAIA president.

Sarboe has announced his intentions of working towards standardization of rules of the NAIA with those of the National High School Federation.

Miss Robin Hood

Bette Rowe, a modern woman Robin Hood of Humboldt State College, recently shot a perfect 54 in archery—a feat which ranks with the 300 game in bowling or the hole in one in golf.

Miss Rowe, a sophomore mathematics major, scored six bullseyes in six straight attempts at the 16-inch diameter bullseye while standing some 20 yards away.

Miss Kay Gott, assistant professor of physical education, stated that this is a rare mark even among male archers.

No Frogs Here ???

San Francisco State College has gone all out on the frog jumping jubilee that was announced in the last issue of the Lumberjack. Seems that they are going to hold elimination jumps to find which frog will be sent to the championship contest.

What happened to the Wildlifers of HSC? No frogs. Drop a note in box 344 for full details.

Track Team in Meet Today

The HSC track squad will hold a practice meet this afternoon against Arcata High School and possibly Ferndale High on the Humboldt oval.

The meet will supply Coach Bob Doornink with a better picture of his squad before they swing into college competition against Shasta Junior College next Saturday in Arcata.

The following week Southern

OPEN CONFERENCE

Humboldt State's baseballers open conference play next Friday in a doubleheader with the Cal Aggies at Davis. Home conference opener is not scheduled until May, when the Sacramento State Hornets come to Arcata for a twin bill.

Oregon College will travel to the heart of the Redwoods for a dual meet with the Jacks.

A meet is tentatively scheduled with Sacramento in May which will be the last appearance before the conference contests at Chico.

HSC Baseballers Drop Three on First Road Trip

Lumberjack baseballers suffered disastrously last week-end on a trip to Southern Oregon which saw the squad open the 1955 collegiate season with three losses in four starts.

Last Saturday the squad took to the diamond against the Red Raiders of Southern Oregon College and fell 5-2 and 3-2, the final going into extra innings.

The following day at Klamath Falls they won the first game 8-7 and dropped the second 11-10 against Oregon Tech.

In the opening game with SOCE the Raiders drove home two runs in the last half of the first inning but the Jacks tied it up with runs in the second and fourth.

SOCE grabbed the lead again on two runs in the fifth and one in the sixth to account for the final score, 5-2.

Al Gray gave up nine hits and was charged with the loss while his teammates committed four errors and rapped out five hits.

The second game was a pitchers duel for four inning till the Jacks scored their only two runs in the top of the fifth. SOCE scored in the bottom of the fifth then tied the game up in the seventh and won it in the ninth.

Eight errors spelled defeat for the Jacks as they outthit the Raider 7-5. Ben Henke was charged with the loss.

The first contest against Oregon Tech saw the Owls hand the game to the Jacks as they committed seven errors on eight hits and seven runs while the Hilltoppers drove in eight runs on six hits and committed only three errors. Jim Richardson was accredited with the win while Ralph Mayo was the big stickman with two safeties.

The second affair turned out to be a slugfest with the locals out-hitting their opponents 13-10, but coming out on the short end of the 11-10 score.

Tom Retzloff and Al Gray shared pitching chores while Captain Phil Huff rapped out three hits in four trips to lead the Jack hitters. Bill Tuttle and Bob Lawson each hit safely twice in three trips.

Baseballers Win Two More Practice Tilts

The baseball squad continued winning practice games during the vacation period when they posted a 9-1 victory over the Eureka High Loggers then followed up the next day with a 12-0 shutout over Weott of the Redwood League.

Coach Ced Kinzer's HSC nine had little trouble in hitting the high school pitching of Wade Hammond and Stue Foster as they rapped out 14 hits including five doubles.

Little Bill Tuttle, ace Jack third sacker, collected two doubles and a single in four trips to lead the Hilltoppers while Mario Toso collected a single and triple which accounted for the Logger's lone run.

Lefty Ben Henke went the seven-inning distance for the Jacks, fanning nine while walking four.

Humboldt State was still sporting their hitting togs at Weott as they collected 16 hits while HSC chuckers Jim Richardson and Al Gray held Weott to six scattered hits.

Jack Kinser rapped out three safeties in four trips and scored twice to take high honors for the day.

Richardson, Bob Flockhart and Bob Lawson each hit safely twice in three tries while Tuttle and Larry Taylor collected two hits in four attempts.

Lumberjack Baseball Squad Opens Collegiate Play Saturday Night

Local baseball fans will get their chance to see the Lumberjacks in collegiate action for the first time this year when the Oregon Tech Owls invade the Arcata ball park for three games.

The first game will be played at eight p. m. tomorrow

night with the two teams clashing in a double header on Sunday. This will be the last practice game for the Jacks before they swing into conference action next Friday against the Cal Aggies at Davis.

Humboldt and OTI met last week in Oregon in a battle that saw the locals win the first game 8-7 and dropped the second 11-10. Both the Owls and the Jacks committed many errors in the double-header, but at times displayed outstanding play, both in the field and at the plate.

Glenn Nelson is number one pitcher for the Owls and gave up only six hits against the Green and Gold. Outstanding OTI hitter is Bill Dorn who rapped out an amazing six hits in nine tips, four of his hits came in the final game.

Jack coach Ced Kinzer has made a few changes in his line-up in an attempt to strengthen his squad defensively. Big Phil Huff, who has been playing at first base, has been moved to catcher and will be the other end of the battery in most of the games. Troy Bramlett will share the catching chores.

Larry Taylor, who has been seeing action in the outfield, has been shifted to first base with Jack with Jack Menzia and Jim Shearer serving as reserves.

Ralph Mayo will be at second, Bill Tuttle at third, Bob Lawson at shortstop, Bob Flockhart, Jim McAuley and Jack Kinser, outfield.

FEW SENIORS

Among Humboldt State's baseball players, only pitcher Ben Henke and outfielder Jim McAuley are seniors. All others have eligibility remaining.
