

# Close Competition Promised In Election

## HSC Extends Welcome Mat To Visiting Seniors

### Full Program Set For Some 450 HSC Guests

Humboldt State College today extends the welcome mat to some 450 high school students from five counties and 12 schools present for the annual Senior Day activities.

Registration began at 9 a. m. followed by a tour of the campus under direction of the Spokes, women's service club, Circle K and Intercollegiate Knights, men's service organizations.

Students were expected to be on campus from Arcata, Eureka, Fortuna, Ferndale, Del Norte, Fort Bragg, Hopland, Hoopa, Leggett, Middletown, South Fork and Round Valley.

#### PRESIDENT'S WELCOME

It is with genuine pleasure that I wish to welcome each of you to Senior Day on your college campus. One of the greatest decisions you will make in your life concerns the extent and kind of education after high school you will receive. Our complex civilization and our democratic living requires more and more technical training and general education.

Humboldt State College offers you a rich opportunity to obtain a high-quality college education. Each year, more and more high school graduates from this area are attending Humboldt.

For you and your friends, I hope you make this Senior Day only a prelude to your freshman year at Humboldt.

CORNELIUS H. SIEMENS  
President

Visiting of classes was taking place from 10 a. m. to noon to enable prospective college students to observe actual operation of Humboldt's learning situation.

Special entertainment has been arranged for the noon hour. After luncheon served in the gymnasium, Dwain Haines, president of the Associated Student Body, will welcome the students here.

Guests will then hear a few remarks from Dr. Cornelius H. Siemens, president of HSC. The Lumberjack Band under direction of Charles Fulkerson will present a musical interlude followed by a dance revue under direction of Miss Kay Gott.

Final noontime entertainment will find the Jumping Jacks presenting their version of an acrobatic three-ring circus. Using students from his gymnastics class and other performers, Ced Kinzer will feature antics on the trampoline, trapezole, mats, rings, parallel bars.

The 1 o'clock hour will be devoted to sessions with division representatives concerning the college curricula for which the students have pre-registered.

Closing the day's program will be a movie in the college auditorium. Entitled "The Future Belongs to You," the movie deals with the importance of furthering one's education in a higher institution of learning.

The Madrigal Singers will present several numbers under the direction of Leland Barlow and Larry Flammer. will conclude the session with an explanation of the Frosh Camp to be initiated this fall.

#### HILL TOP CHOICES

Hilltop candidates for offices are pictured around Larry Flammer, presidential nominee. From left to right are Ron Fredericks, awards candidate; Jim Nameth, organiza-

tions; Harmon Bonnikson, treasurer; Craig Stark, publications; Jackie Sintic, secretary; Larry Mitchell, vice-president; Hoben Thomas, rally.

#### OCTAGON CANDIDATES

Candidates for Associated Student Body offices to be decided at today's election include these members of the Octagon party headed by presidential candidate Ray Cesarreti. From left to right are Jim Westman,

organizations nominee; Bob Furber, treasurer; Cesarreti; Lou Sbrana, rally; Joan Guyn, secretary; Dell Wilson, publications; Mike Fielding, vice-president; George Ibarreta, awards.

## Hilltop, Octagon Parties Vie For ASB Officers

Two complete parties will fill the ballot today for next year's Student Executive Council officers. Voting, from 8 a. m. to 4 p. m. in the administration building will be for eight new officers to represent the student body.

The "Hilltop" party, under the leadership of Larry Flammer, prexy candidate, features Larry Mitchell, vice-president nominee; Jackie Sintic, secretary; Harmon Bonnikson, treasurer; Ron Fredericks, awards commissioner; Craig Stark, publications commissioner; Jim Nameth, activities commissioner, and Hoben Thomas, rally commissioner.

Ray Cesarreti heads the "Octagon" party. Candidates under him are Mike Fielding, vice-president; Joan Guyn, secretary; Bob Furber, treasurer; George Ibarreta, awards; Dell Wilson, publications; Lewis Sbrana, rally; and Jim Westman, organizations and activities.

Both presidential candidates are now members of the student council. Larry Flammer, junior transfer from HSC, is now serving as representative-at-large to the council and is also active in College Y and Rally Committee. Ray Cesarreti, also a junior, is organizations and activities commissioner, ICC president and Nelson Hall men president.

Mike Fielding, sophomore business education major, is a representative-at-large to the Student Executive Council and is vice-president to band and the Newman Club. Larry Mitchell is business manager for the Sempervirens. He is also a sophomore and is majoring in elementary education.

Both candidates for secretary are now representatives-at-large to the student council. Joan Guyn, junior, has been secretary to the board of finance, member of Spokes, representative to ICC and

(CONTINUED ON PAGE FIVE)

## Frosh Invited To Camp Here September 3, 4

A cordial invitation to attend Humboldt State College's first Frosh Camp, scheduled September 3 and 4 before the opening of school next fall, was issued today by Dean of Students Don W. Karshner.

Originated by a resolution in the Winter Retreat in February, the Frosh Camp will be a two-day introduction to college life, both academic and social. Participants will stay in Nelson Hall during the two-day session and will be guided through a continuous program of entertainment and informative talks by some 20 students and 10 faculty counselors representing every facet of school life.

The Frosh Camp, it was felt, would ease the shock of entering college life, explain customs and traditions and smooth the path of registration for entering freshmen. It would also enable freshmen to meet each other, and student leaders and develop a core of leaders in the class itself.

The program will include tours of the campus with students split up into specific interest groups, talks on campus social life, activities and traditions, student government, a picnic at Camp Bauer, bonfire rally and songs, dancing, a picnic at the beach, swimming, and a variety show.

## Journalism Day Planned on HSC Campus for High School Seniors

High school students from Brookings, Oregon, to Ukiah are being invited to the first Journalism Day at Humboldt State College May 20.

They'll hear discussions by top-flight newspapermen on opportunities in journalism, attend a luncheon with a nationally known guest speaker and participate in clinics on newspaper and yearbook production problems.

Planning the program in co-operation with the daily and local newspapers of the Redwood Empire is a faculty committee headed by Dr. Lawrence E. Turner, executive dean. Others are Maurice Hicklin, professor and head of the division of language and literature; Dr. Milton Hollstein, assistant professor of journalism; Mrs. Mary Baker, assistant in journalism and English, and Dr. Don W. Karshner, dean of students.

The day's tentative agenda calls for registration in the administration building at 9:30 a. m., fol-

lowed by tours of exhibits led by members of the Press-Radio Club; the opening convocation at 10:15 a. m. in College Elementary School auditorium; and two panel discussions by newspapermen in the forenoon.

After luncheon in Nelson Hall the students will meet for the workshop sessions.

The conference guests will include publications staff leaders from each high school, the high school advisers and editors and publishers of newspapers in the north coast area.

## State College Deans Meet Here Thursday; First Time at HSC

The deans of instruction and the deans of students for all of California's state colleges will meet here for their annual spring session Thursday and Friday.

This marks the first time the deans have met on the HSC campus, and, under the schedule now being followed, will not occur again for a decade. The meeting is held each year on the campus of the presiding chairmen of the groups; the offices of chairman are held in turn by deans from each of the ten state colleges.

HSC Dean Homer P. Balabanis is chairman of the deans of instruction of the state colleges this year, and HSC Dean Don Karshner is chairman of the deans of students.

## Welcome Aboard

Seniors from twelve high schools spread through five counties visit the Humboldt State campus today to get an idea of what college life in general and Humboldt State in particular have to offer them. If they were to ask the students they meet during the day a specific question on the subject, the answers they receive would be as different as night and day.

For students with a modicum of ability, a clearly-defined goal and a willingness and eagerness to learn, Humboldt State can offer a really rewarding program. If, like some now attending this institution, they choose to drift, never attempt anything new, attend classes reluctantly and without interest, scoff at student activities, and act as a drag generally, whatever time they spend here will be wasted, although few with such an attitude will remain the entire four years.

For the first category, Humboldt can offer an expanding curriculum, a well-qualified faculty, good and improving facilities, and a wide range of activities, all the way from a top-flight symphony orchestra through some of the best fishing and hunting to be found in the nation to a football team capable of giving any small college team on the Pacific Coast a rugged battle.

For the second, Humboldt has little to offer. No college has really, for college, like nearly everything else in life, yields returns only in ratio to the effort expended. The choice is the individual's.

## Whose Vote Counts?

An American tradition honored by observance as long as the right of democratic elections has been the old saying "my vote won't make any difference," when election time rolls around. Today, Humboldt State students go to the polls and if past performances are any indication, about half of the student body card holders will bother to vote. This, to be sure, is no worse than the performance of more mature voters in national and local elections, in fact, is considerably better than the record in many instances. The fact remains, however, that this is a miserably poor showing.

Some time within the next year, those jokers staring out of campaign posters at you will spend \$52,000 of your money and control activities affecting every single student in the college. Last year, the presidential election was decided by a single vote, another by the margin of three votes.

Those votes could be yours.

## Of All Things

By SYD STIBBARD

There is a trend these days in advertising to link a certain amount of oddity with an unmistakable mark of the Man-of-the-World; the man of distinction has been stamped with an irrefutable mark of individuality.

At first I noticed that the finer type of shirts were made much of by a distinguished gentleman wearing an eye-patch. With his savior-faire and one remaining eye he puts his stamp of approval on a type of shirt that is, apparently, just the right weight.

A little later I came across an ad featuring a fellow with a handsome pirate's beard who advocated a certain kind of mix for your booze. His aristocratic manner, his handsome features, his title and his huge beard were dedicated to his particular mixture to cut your poison down to size. He might even be wearing those light-weight shirts . . .

A newcomer to the ranks appears in the April 9 New Yorker magazine. It is a large picture of the head and hand of a very well groomed, handsome, young man. He is dressed formally, and has been caught dreamily contemplating something in the middle distance while availing himself of a lungful of Marboro cigarette smoke.

Is he at the Ballet? the Opera? Who can guess? But he is in high society . . . Suddenly you discover that a huge complicated tattoo shows on the wrist that is not covered by his expensive (and probably light-weight) shirt cuff.

It almost marks him as a man-of-the-world who has Done and Experienced Things, and who would, therefore have excellent taste in cigarettes. Which is what you're supposed to think I guess. It'll be interesting to see how far these ad men will go in this direction to get our attention.

## Road Show Off Again Monday

Members of the Road Show cast will leave to give the last series of performances Monday at high schools in Ferndale, Fortuna and South Fork. On Tuesday two performances will be given in Crescent City.

Twelve students have taken part in the program, which includes a performance of "Pyramus and Thisbe" from "A Midsummer Night's Dream" and several single variety acts. The purpose of the show is to interest students of the various high schools in the dramatic activities of Humboldt State College.

## IE Club Hosts Northern Section

An Industrial Arts club formed by students majoring in industrial education here recently hosted the North Coast section, California Industrial Education Association, at a dinner meeting in College Elementary School.

Ernest Bednar and Dr. Roscoe Peithman, faculty advisers, said the club is planning to affiliate with the CIEA. Club members prepared and served a spaghetti dinner.

## Formosa Talk By Cal Prof At Assembly

An up-to-the-minute discussion of major developments on the crisis on Formosa will be made by Dr. Robert A. Scalapino at the student-body assembly here Friday at 11:15 a. m.

Dr. Scalapino, associate professor of political science at the University of California and an expert on the Far East, will speak on "Report on the Far East: Crisis in Formosa."

Dr. Scalapino will illustrate his lecture with colored slides of Formosa, which he made during his latest trip to the Far East in 1954.

He has been teaching Far Eastern governments and politics at the University of California, Berkeley, since 1949 and was an instructor at Harvard University in 1948-49. During World War II he was a Japanese language officer in U. S. Naval Intelligence and served in the Orient. He has an extensive knowledge of Chinese and Japanese and has made many tours of the Far East.

Dr. Scalapino is a contributor to various American, British and Japanese periodicals and the author of a book, "Democracy and the Party Movement in Pre-War Japan."

## HERE AND ELSEWHERE

By CHLOE KIGGINS  
Exchange Editor

Eight colleges and universities to be visited by the eleven Soviet student editors who will make a three-week tour of the United States this spring were announced today by the Institute of International Education, New York City. They are: Columbia University, Fordham University, Hunter College, Tuskegee Institute, University of New Mexico, Stanford University in California, and others. —Daily Barometer, Oregon State College, Corvallis, Oregon.

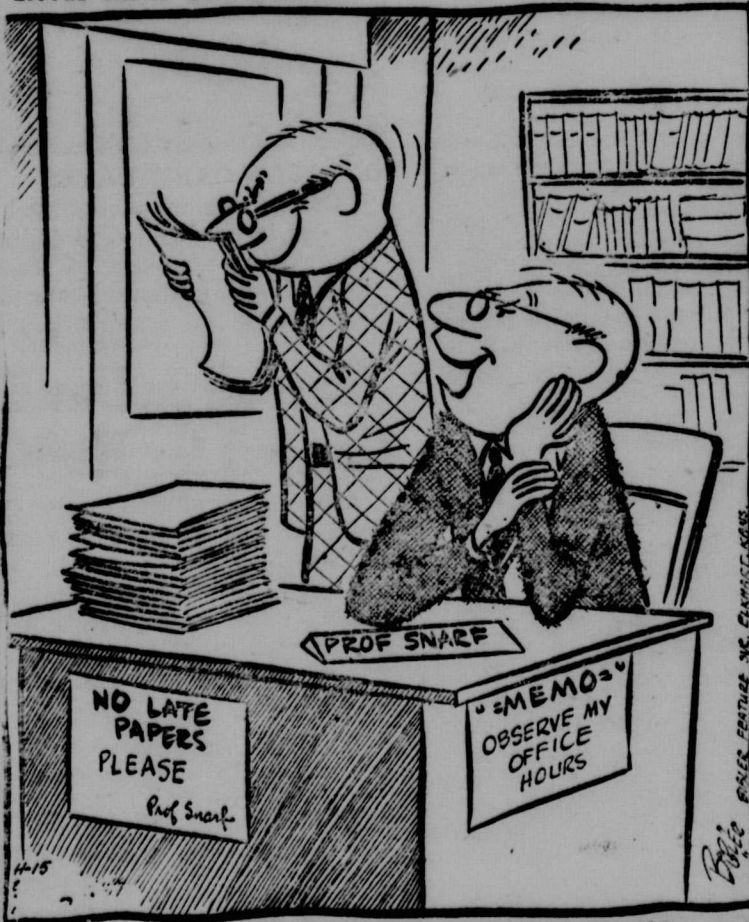

The Fresno State College track and field team will go after its first win against the powerful San Francisco Olympic Club in Ratcliffe Stadium at 2 p. m. tomorrow. The Winged "O" has had two meets so far this year, finishing second to Stanford in a triangular meet with the Indians and the Santa Clara Youth Center, and coming out on top last week against the University of California and the Youth Center. The Olympic Club will bring several top performers to town, including Lon Spurrier, who last week cracked the world record in the 880 —The Collegian Fresno State College, Fresno, California.

The college's traditional observance of Pan-American Day will take place today with a speech, a luncheon, a showing of colored slides and an exhibit in the Library scheduled to highlight the occasion, according to Mrs. Mildred Winters, assistant professor of history. —Spartan Daily, San Jose State College, San Jose, California.

"Campus Standouts" is the subject of a nation-wide photography contest for collegiate photographers, and any student on S. F. State campus may enter. Photographers may submit as many entries as they wish in an attempt to share in the \$1000 prize money offered the best photographers and captions describing a typical collegian. —The Golden Gater, San Francisco State College, San Francisco, California.

# Why do more college men and women smoke VICEROYS than any other filter cigarette?

**BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!**

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
4. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

**20,000 TINY FILTER TRAPS . . . plus Richer, Smoother Flavor**

## Guests Artists To Appear With Little Symphony

The Humboldt Little Symphony will present its annual Spring Concert at the Eureka Junior High School Auditorium, Thursday evening, May 26. Two guest artists will be featured with the Symphony.

Mrs. Lydia Boothby, harpist, and professor of music education at San Jose State College, will join the Little Symphony in the performance of several works, among which will be Debussy's, Afternoon of a Faun; Gymnopedies by Satie; and Matinee Musicales by Britten.

Ralph Linsley of Pasadena, for the past several years accompanist for Nan Merriman, will appear with local soloists in a performance of Bach's Brandenburg Concerto No. 5 in D Major. Mr. Linsley is well known in Southern California for his solo and accompanying work, and is one of the many soloists appearing each summer at the Carmel Bach Festival.

Floyd Glende and Mrs. Margaret Jones, together with Mr. Linsley, will comprise the solo group in the Bach Concerto. Other works included on the annual spring concert will be Handel's Water Music, and the Second Symphony of Sibelius. The concert is free of charge and the public is invited to attend.

## PLAN PROM

Organizers of the annual Junior Prom's 1955 edition slated Friday night in the Carson Memorial Building, Eureka, are these two members of the junior class. Seated is Rose Linser, general chairman, with Joan Guyn.

## Berlin, Los Angeles, Nebraska Meet in HSC Play 'Angel Street'

Berlin, Germany, Los Angeles, California, and Oakdale, Nebraska, will meet and intermingle when Bill Busch, Pat Hammond and Frank Bettendorf take their places on the Humboldt State College stage May 6 for the first performance of John Patrick's Victorian melodrama, "Angel Street."

Freshman Bill Busch, born January 14, 1936, in Berlin, will portray the villainous Mr. Manningham around whom the suspense of the play centers. Busch, whose home is San Leandro, graduated from high school in Fowler, California, last June. There he was active in band, public speaking, dramatics, chorus and radio.

Since coming to Humboldt the speech-drama major has taken part in two productions, one of which was "Madwoman of Chaillot," and was one of the finalists in the Linfield debate tournament, and is a member of the Drama Club.

Nineteen-year-old Sophomore Pat Hammond, whose home is Arcata, will interpret the role of the disturbed Mrs. Manningham who is methodically being driven mad by her husband. Miss Hammond, an English major, has been active in drama both at Arcata High, from which she graduated in June, 1953, and at Humboldt.

A member of the Neuman Club and choir, she played supporting roles in three HSC major productions: "Iolanthe," "Room Service" and "Madwoman of Chaillot."

As Sergeant Ruff, the mature, wise-cracking but sympathetic detective who saves Mrs. Manningham from the climax of her tortures, speech-radio major Frank Bettendorf will be featured. Bettendorf, a sophomore and a vet-

eran, lives in Arcata, and graduated in 1949 from Arcata High. He first registered at Humboldt in September of that year, but a stint in the Marines interrupted his education. Frank has taken part in "Madwoman of Chaillot," the reading of "Sondelis," and a one-act, "The Woman Who Was Acquitted."

## Knights Attend Annual Meeting

Three members of the local chapter of the Intercollegiate Knights, Lewis Bruun, Jack Retz and Howard Kraus, attended the 32nd annual convention in Pullman, Washington, April 14-16.

The meeting was held on the Washington State College campus.

## Student Wives Will Model Hawaiian Fashions at Show

A Hawaiian cruise featuring clothes for play to formal wear will be the theme of the annual spring fashion show to be presented May 14.

Sponsored by the Student Wives, the style show will be given at 2 p. m. in the College Elementary auditorium. Students wives also will model the fashions furnished by White House of Eureka.

Entertainment will be interspersed throughout the afternoon showing of the latest styles for summer wear. Mrs. John Dufour said guests are expected from all over the county. Admission is 25 cents.

Plans were formulated at a meeting held recently at the Dufour home in Sunnybrae.

## TB X-Ray Unit Here Monday

Miss Kate Buchanan, associate dean of students, strongly urged all students to take advantage of the TB X-ray mobile unit during its all-day stay on campus next Monday, May 2.

The unit will be free from 9 a. m. to 5 p. m. with its services offered free of charge to any student. The service is offered by Humboldt County in an effort to stamp out tuberculosis.

"We can't afford to pass by this opportunity," Miss Buchanan said. "We owe it to ourselves and to our associates and families to be sure we are not endangering their lives."

## Club Capers

The second annual Beach Party of the Class of '57 (before you get out your pencil to begin figuring, that's the Sophomore class) will be held on Sunday, May 8, somewhere—probably on a beach. To quote from the little pink sheet, there will be "Fun for all! Entertainment! Cardholders Free! Caravan! Sports! Tug-of-War! Hot Dogs—Punch."

**SPECIAL** to those who yearn to feel the salty spray of Humboldt Bay in their faces, and the wind, and possibly the rain in their hair: Several HSC students, including Max Wilkinson and the Lumberjack editor, would like to start a **Sailing Club** after the plan put into operation by the Flying Club. The idea is to purchase a boat to be owned in common by club members, since a small expenditure would be required from each. Those who have a spirit of adventure, a devil-may-care philosophy of life, and a love of Humboldt Bay, are invited to drop a note in Box 802 and see what develops. No obligation. (Are swimming lessons included in this package deal?)

Perhaps, too, a **Fencing Club** might be organized on campus. See Max Wilkinson or drop a note in his box. Seriously.

The first issue of the **Circle K** "Weakly" is only slightly cool from the mimeograph machine. It came off last week, telling, among other things, of a current project of the club in conjunction with Kiwanis: Collecting magazines for children and adults at the TB sanatorium in Eureka. So, if you have spare magazines, tie them up and tell a member of Circle K or the club advisor, Dr. Carl Strand. Also in the little sheet was the news that the club will present an assembly on May 6.

## College Mothers Feted Saturday

Mothers and special guests of Humboldt State College women students will be honored Saturday at the annual Mother's Day Tea in Nelson Hall.

The affair will begin at 2 p. m. continuing until 4 o'clock. High-light of the afternoon social will be a fashion show at 3 p. m. presented by members of the college home economics department.

The tea is sponsored jointly by the Associated Women Students and the Home Economics Club.

Miss Peggy Brady and Miss Rose Linser are co-chairmen with Miss Gayle Reynolds handling entertainment, Mrs. Robert Hanson and Miss Shirley Marsh in charge of decorations, and Mrs. Agnes Robbins, the fashion show.

## Booster Club Formed; Will Aid Publicity

A new organization, the Booster Club, is in the early stages of formation on the HSC campus, it was reported last week by Gerald "Sharkey" Walsh, general chairman of the group.

The primary aim of the club is to dress up the campus by making banners and posters for the various college organizations. The club will not, however, be responsible for posting or taking down any signs, Walsh explained.

So far the club has acquired one of the state houses in which to carry on its activities and has drawn up rules to govern the type of posters to be produced.

Advisers for the Booster Club are Dr. Don W. Karshner, dean of students, and Mr. William Johnson, chief of maintenance.

There were only 382 students enrolled for the fall semester in 1940. In 1941, the graduating class consisted of 28 people.

## Predict HSC Enrollment of 1500 by Fall of 1956

The swelling enrollment at Humboldt State College is expected to reach nearly 1500 in another year.

This was the eye-popping prediction made Thursday by Mrs. Myrtle McKittrick, college registrar and admissions officer. In a carefully prepared report submitted to President Cornelius H. Siemens, Mrs. McKittrick predicted conservatively:

Enrollment would climb to 1244 by next fall and to 1486 in the fall of 1956 (enrollment last fall was 1053).

Half of the freshmen, 90 per cent of the sophomores and 80 per cent of the juniors from 1954 and 1955 will continue studies at HSC.

The college will enroll 377 freshmen next fall and 455 in the fall of 1956, including 45 per cent of the graduating classes of Arcata and Eureka High Schools alone.

Mrs. McKittrick's figures on predicted freshman enrollments were based on the actual and expected number of high school graduates in Humboldt and Del Norte Counties. Her predictions on enrollments in other classes were

based on the comparative attrition percentages between 1952, 1953 and 1954.

A year ago Mrs. McKittrick predicted 926 students would enroll in the fall of 1954—a conservative figure in view of the actual enrollment of 127 more than that. The college enrollment reached the four figure mark last fall for the first time in history.

The percentages of the graduating classes of other high schools expected to enroll at HSC in 1955 and 1956 are: Ferndale, 7 per cent; Fortuna, 30 per cent; Hoopa, 8 per cent; South Fork, 11 per cent; Del Norte, 17 per cent. About 23 per cent of the freshman class will come from all other high schools.

Of the estimated enrollments, 17 per cent are expected to be limited students, those taking six hours a semester or fewer.

Most of the estimated figures on enrollment of freshmen contain a generous safety factor. That is, most of the predictions on estimated enrollment of freshmen are lower than the actual percentage enrolled this year. In 1954 HSC registered 54 per cent of the grad-

uating class of Arcata High School and 53 per cent of the graduating class of Eureka High School, compared with the predicted figure of 45 per cent enrolling in 1955 and 1956.

If Mrs. McKittrick's predictions hold firm, the 1955 enrollment will shape up like this: New freshmen 455 and returning freshmen 152, total 607 in the freshman class; sophomores 251; juniors 208; seniors 114; graduate and unclassified students 59; limited students 253.

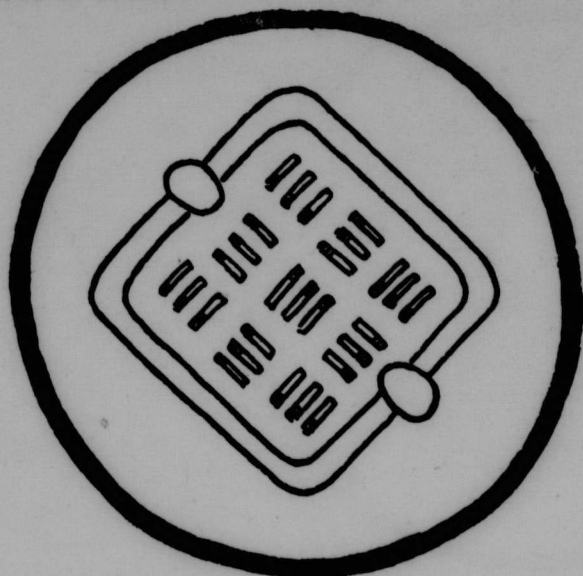

## Barlow Honored By Choir Members

Director Leland Barlow was honored by members of his choir last week at a surprise dinner in the Big Four Inn. Barlow, who is chairman of the division of fine and applied arts, will spend next year studying and traveling in Europe.

President Jack Retz presented Mr. Barlow with a camera outfit on behalf of the entire choir. General chairman of the dinner was Joline Benites.

## LUCKY DROODLES! ALL BRAND NEW!

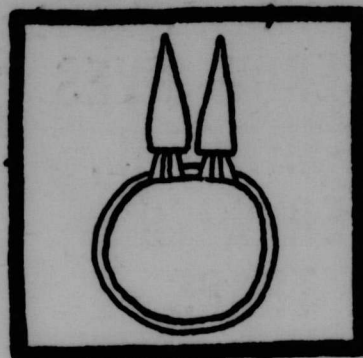

WHAT'S THIS? For solution see paragraph below.

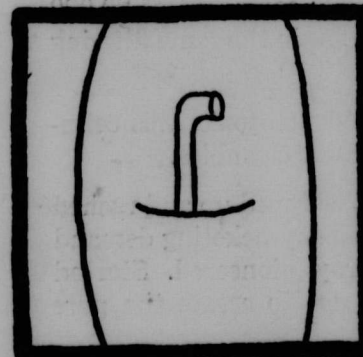

**ARE YOU METICULOUS** about your choice of cigarettes? Do you want exactly the right taste? Then take a hint from the Doodle above, titled: Ash tray belonging to very tidy Lucky smoker. Luckies taste neat—and for excellent reasons. First of all, Lucky Strike means fine tobacco. Then, that tobacco is *toasted* to taste better.

"It's Toasted" is the famous Lucky Strike process that tones up Luckies' light, good-tasting tobacco to make it taste even better... cleaner, fresher, smoother. So enjoy yourself thoroughly whenever it's light-up time. Light up the better-tasting cigarette... Lucky Strike.

(CONTINUED FROM PAGE 1)  
president of Nelson Hall women. Jackie Sintic is active in Mu Epsilon Psi, the sophomore class, drama club and Madrigal Singers.

Bob Furber, incumbent treasurer and member of the board of finance, will seek re-election. Competing against him is Harman Bonniksen, freshman class treasurer.

Lumberjack Editor Craig Stark also has been active in drama club and Alpha Psi Omega. Dell Wilson, running against him for publications commissioner, is a junior dentistry major.

Lewis Sbrana, president of Mu Epsilon Psi and band and vice-president of A Cappella Choir, is also active in IK and the Greater Humboldt Committee. Hoben Thomas, sophomore education major, is a member of photo club and rally committee.

Athlete George Ibarreta, recently chosen playground supervisor for this summer by the Arcata City Council, is a nominee for awards commissioner. Ron Fredericks, also a basketball player, is a junior elementary education major.

Two sophomores are competing for the title of organizations and activities commissioner. Jim Westman is a representative to ICC and is a member of band, orchestra and A Cappella Choir. Jim Nameth, present rally commissioner, is a member of the assembly committee, drama club and IK. He is also drum major.

Officers elected today will replace present officers Dwain Haines, president; Bill Glover, vice-president; Leana Hemenway, secretary; Bob Furber, treasurer; Jim Nameth, rally commissioner; Barbara Ratzlaff, publications commissioner; Ray Cesaretti, organizations and activities; and Jim McAuley, awards.

## Let's Go To Church

JOHN ADAMS, JR.

FRANK SCHNEIDER

## Unique Sport Opens New Vistas For Underwater Enthusiasts

By MURL HARP HAM

The depths of the ocean, bay, lakes and rivers are the world's last frontier for adventure and excitement. Anyone who can swim can conquer this relatively new and fascinating world where weight is no more and beauty is unlimited.

The new and popular sport of skin diving can be found right here at Humboldt State in the persons of John Adams, Jr., and Frank Schneider, who are professional divers.

Recently Jack and Frank have gone into underwater salvage and repair work. Their biggest job was changing propellers on a large ship for Balestrieri Fish Company which required long underwater work. They have also dove for mooring anchors in Crescent City and for a boat motor at Trinidad.

Last week John donated his services in getting a line aboard the Patatraya, a 37-foot sailing boat that went aground on Clam Beach.

Both John and Frank are equipped with rubber suits which are used in cold water below 55 degrees F., aqua lungs, as designed and used by Captain Cousteau and the United States Navy Frogmen, flippers, face masks, spear-guns and spears.

John acquired his aqua lung last December after using his friends' breathers for three years. Frank just recently acquired his lung. The lung is strapped to the back and will allow underwater swimming up to an hour.

Adams, a father of two children, stated in an interview that "It's like going into a different world." He said that he gave up pole fishing and hunting for his new sport. (Anybody interested in buying a rifle and fishing rod?)

The two divers made their own spear-guns and spears and at present

John is working on a camera box which will allow him to take underwater pictures which will give proof of the mystic depths. Adams recommended interested skin divers to read "The Silent World" by Captain Cousteau and "Underwater," the skin divers manual.

The world under the sea is unlimited. Some of the sports are bottom hunting, a term used for the most part in stalking lobsters, clams, abalone, etc.; sports fishing, which involves the art of spearing fish while underwater, and treasure hunting, which is actually salvaging. For centuries people have been losing or dropping things into the water; you can readily see the tremendous possibilities.

John and Frank said they would be glad to help any prospective divers in any way they can.

John Adams, Jr., is a married army vet living in Humboldt Village and is a fisheries major. His partner, Frank Schneider, is a graduate part-time student and teaches the sixth grade at Freshwater. Frank is a Navy veteran and a father of one child. He lives next door to John in Humboldt Village.

John and Frank are not the only skin divers in school. John's brother, Danny, a freshman wildlife major, has a rubber suit as does Eric Hughes. Senior Dick Chain has done skin diving down south about Petaluma. Dick is waiting for the arrival of an aqua lung which he recently ordered. He will be the third person in the area with a lung. Other local divers just "hold their breath."

HSC held its first Homecoming on September 13, 1924. It has been an annual affair since that time.

## History Exams Set For May 4 Here

The comprehensive examinations in U. S. history, California constitution and U. S. constitution will be given here May 4 from 2 to 6 p. m., it was announced this week by Dr. Stanley Spaid, chairman of the division of social science.

Those wishing to take any one or all the exams should make arrangements with Dr. Spaid in room 114, administration building.

A passing mark in the examinations excuses students from classes in each area that are otherwise compulsory for degree candidates. Teachers seeking the first renewal of credential must show competence in U. S. constitution and may take this exam.

## Junior Prom Will Be Held Friday

Highlight of the spring social season, the traditional junior prom, will be held Friday night with dancing 9 p. m. to 1 a. m. in the Carson Memorial Building, Eureka, to the music of Ray Poscie's orchestra.

Planned around the theme of "King Neptune's Ball," the decorations will feature an underwater motif.

The ball is open to all members of the student body, Chairman Rose Linser stressed. Ray Poscie's orchestra will play for the dance. Holders of Associated Student Body cards will be admitted for \$1 single, \$2 a couple. Others will be admitted for \$1.25 single, \$2.50 a couple.

## Council Okays ICC Revision

The revision of Inter-Club Council is an accomplished fact since it was approved by the Student Executive Council with the amendment that it be titled Inter-Club Senate. The newly revised Senate will hold weekly meetings and will consist of representatives from all organizations wishing representation.

Jim Nameth reported that approximately \$365.65 has been received from the use of the ASB car, \$115.00 has been expended, leaving approximately \$250.65 profit. Also, about 2000 miles credit has been accumulated on the faculty car.

Mr. Patchen of the Minor Theatre informed Coordinator of Student Affairs Dick Harmer that he wishes to donate a confection stand to the ASB.

Mike Fielding reported that he had contacted Benbow Inn about tentative prices per room for the Spring Retreat. He said he would present a tentative schedule for the retreat at the next council meeting.

## SWINGING THE AXE

By MURL HARPHAM

### CLAM DIGGERS

It looks like it might be a good idea if a swimming and diving team were to replace the Humboldt State track team. At least that is the impression one would get after looking at Redwood Bowl.

Perhaps some race horse raiser should bring his string to HSC for the sole purpose of developing "mudders." Might as well for all the good the track is serving coach Bob Doornink's cindermen.

Since Doornink issued the track call back in February, most of the workouts have been confined to the gym and huts with light work outside with the exception of a few days of sunshine which only partially dried the track before the next rains set in.

For the past five weeks now Doornink has planned an intra-squad meet to get a better idea of just what kind of a team he has. Each time the weather has forced him to postpone it. Up to now the only time his team has been in action was in a very informal meet against Eureka High early in the season. Since then other meets with high schools have been cancelled.

Shasta Junior College was to meet the Jacks in a duel meet last Friday and earlier in the week Doornink announced that the meet would go off as planned come hell or high water. Little did he know then that high water really would come. We wonder what clam digging would be like on the oval?

Up to last Monday morning when this page went to press it still wasn't certain whether the meet would be held or not.

### GREAT PITCHING STAFF

It looks like baseball coach Ced Kinzer has himself an outstanding pitching staff. This is especially true in the person of Ben Henke. Henke is probably one of the most improved players on the squad. In a period of a week, Henke has pitched a one hitter and a three hitter while leading the Jacks to 10-0 and 4-3 wins. In one contest he struck out 18 men which must be some kind of a record for HSC.

Al Gray and Jim Richardson have also been proving themselves worthy chuckers. Gray held Oregon Tech to six hits while Richardson held the Aggies to five.

Early indications are that HSC is going to be extra vile in the conference baseball race.

### FROGS AGAIN

Latest report from Frogtown U. S. A. is that if you have a frog you wish to enter and cannot make the trip yourself, send him and they will enter him for you. If he wins you will be \$1000 richer.

## Henke Whiffs 18; Humboldt Wins

The Oregon Tech Owls fell hard in a double-header against the HSC diamond squad 7-5 and 10-0 as the Owls faced tough pitching opposition in the persons of Ben Henke and Al Gray.

Henke struck out 18 of the 24

men that faced him in the seven inning first game and gave up only one hit, a single, in the sixth by Lou Emerson, that ruined his no-hitter.

Al Gray gave up only six hits in the first game while his teammates batted out eight hits to win 7-5.

While Henke was concentrating on shutting out the Owls his teammates were banging out 10 hits in six innings and scoring five runs in the first inning, two in the second and singletons in the third, fourth and fifth.

## Hilltop Netters Romp Over So. Oregon 7-0; Rematch Next Week

Coach Franny Givins' Lumberjack tennis squad displayed championship form last week-end in sweeping the Southern Oregon College netmer 7-0 in matches held on the Eureka High courts.

The HSC netters will have one more series with the SOCE Red Raiders next Saturday at Ashland before the Conference Championship matches on May 14 at Chico.

Givins' tennis team has already beaten one conference team when they handed the Cal Aggies a 6-2 defeat. The other conference squad they met were the Sacramento Hornets who previously had beaten their opponents by scores of 9-0. The Jacks fell to the powerful Hornets 7-2.

In the matches with SOCE last week-end, Bill Williams, playing in the number one spot, staged a late rally to come through with a 6-2, 4-6, 6-3 win over Jim Stucky.

Bob Agnew posted a 6-2, 6-2 decision over Bud Perdin while Paul Jensen added a 6-4, 2-6, 6-2 win over Noel Deets.

John Marcuz romped to a 6-0, 6-1 win over Chuck Plummer and Mike Fielding gave the Lumberjacks a clean sweep of the singles matches with a 6-3, 6-2 verdict over Boyd Carstensen.

The doubles team of Williams and Jensen paired against Stuck and Purdin and lost the first match 4-6, but came back to win the next two 6-3, 8-6.

Marcuz and Bob Strout rang down the curtain on the Lumberjack's perfect day by defeating Deets and Plummer, 6-3, 6-4.

## Golfers Lose 4-1 To Sacs; Prepare For FWC Matches

The HSC golf squad suffered a 4-1 loss at the hands of the Sacramento Staters recently, but Coach Phil Sarboe was pleased with the squad's performance.

Sarboe stated that the squad made respectable scores considering the long trip and unfamiliar Haggins-Oaks golf course.

Dennis Boese, No. 1 player, shot an 84 in losing 2-1; Captain Bob Glende shot an 82 in his 2-1 loss; Keith Hart a 93 in his 3-0 loss and Joe Kramer an 88 in his 3-0 win.

John Halbach, who had been No. 3 man on the squad, was declared ineligible just before the team left for Sacramento. Halbach, as a transfer from Louisiana Tech, a four-year school, has to sit out a year before competing for Humboldt, under conference rules.

Coach Sarboe has his squad working out at the Bayside course in preparation for the conference matches May 14 at Chico.

Two other golfers are making strong bids to gain berths on the regular team before the conference meet. They are Jerry Smith and Jack Retz, both seniors. Doug Oldfield, a former letterman unable to turn out earlier this year because of a heavy academic schedule, may also turn out to help the squad.

OREGON TECH									
	AB	R	H	PO	A	E			
Canada, cf	4	1	3	0	1	0

Triples, Gray, Emerson. Home runs, Canada. Stolen bases, Tuttle 3, Gooden, Menzia. Struck out, Gray 9, Verrell 3, James 2. Hit by pitched ball, Garland by Gray. Winning pitcher, Gray. Losing pitcher, Verrell. Umpires, Ayala, Balocchi. Scorer, Stark.

## Baseball Squad Clash With Lassen This Week-End; Now Top in FWC

The Lumberjack baseball squad takes to the road again this weekend for games with Lassen Junior College at Susanville on Friday then a double header against the University of Nevada at Reno on Saturday.

## Diamond Squad Wins Conference Affairs In Week-End Games

The Humboldt State baseballers found themselves on the top rung of the Far Western Conference ladder last week-end after sweeping a doubleheader from the Cal Aggies 8-3 and 4-3.

It was the Jacks first conference affair that saw Ben Henke hurl a three-hitter in the second contest. A week before Henke pitched a one-hitter against Oregon Tech.

In the first game, Jack pitcher Jim Richardson did himself well by giving up only five hits to the Aggies.

The Hilltoppers came through with flying colors in the first inning of the first game with two runs. The Aggies tallied one in the bottom of the first and added a pair in the last of the fifth to take a 3-2 lead.

The Arcata boys then took over and rammed across four runs in the sixth stanza and iced it away with two more in the seventh. Final 8-3.

In the second game the green and gold again scored two runs in the top of the first, but this time the Aggies tied it up in the bottom half and took a 3-2 lead in the third.

Three runs were all that Henke allowed the Mustangs while his teammates tied the game up in the sixth then won it in the seventh. Final 4-3.

Ossie Gooden and Ralph Mayo had two-for-three at the plate for the Lumberjacks in the first contest while Bob Flockhart collected two hits in four trips.

Jack Kinser collected a pair of safeties in three tries in the second game. The Lumberjacks rapped out 16 hits while Henke and Richardson allowed the Aggies only half that many.

The double win gave the Humboldters a five-win three-loss 1955 collegiate record with an overall record (counting practice games) of nine wins and three defeats.

### HUMBOLDT STATE COLLEGE

#### 1955 Baseball Schedule

April 29—Lassen J. C., Susanville, 3 p. m., 1 game.  
April 30—U. of Nevada, Reno, 12, 2 games.  
May 3—Humboldt Crabs, Eureka, 8 p. m., 1 game.  
May 7—San Francisco State, San Francisco, 1 p. m., 2 games.  
May 13—SOCE, Arcata, 8 p. m., 1 game.  
May 14—SOCE, Arcata, 1 p. m., 2 games.  
May 17—Humboldt Crabs, Eureka, 8 p. m., 1 game.  
May 20—Chico State, Arcata, 6 p. m., 2 games.  
May 24—Humboldt Crabs, Eureka, 8 p. m., 1 game.  
\*Conference games.  
All home games to be played on the Arcata Baseball Diamond.

After last weeks double win over the Cal Aggies, the Lumberjacks are riding on top of the conference heap with an unblemished record. The other five conference teams have each lost at least one game. Last week Nevada split with Chico while Sacramento and San Francisco were splitting their games.

Two games and a possible third with the Humboldt Crabs have recently been arranged by HSC coach Ced Kinzer. The first game will be played next Tuesday, May 3 at Albee Stadium in Eureka. Game time is 8 p. m.

The second game will be played on May 17 at the same time and place with the third possible game on May 24. These games will give the Jacks a total of 27 games for the season, not including exhibition games with high school teams. This is the heaviest slate for the Hilltoppers in many seasons.

The college paper was called the FOG-HORN in 1924-25. The first printed edition of the Lumberjack was issued on February 13, 1931.
