

# SNO-BALL IS ROLLING FOR INN TOMORROW NITE

By Bobbie McCrosy

Winter white, in the form of huge snowflakes and a white Christmas tree to carry out the traditional Christmas theme, will provide the setting for the sixth annual Sno-Ball which will take place tomorrow night at the Eureka Inn.

The Sno-Ball is the big winter formal dance for all students and faculty and is sponsored by the Associated Student Body. The Jerry Moore Combo will play for the dance which will last from 9:00 to 1:30.

Honored guests, who will form the receiving line, will be President and Mrs. Cornelius H. Siemens, Dr. and Mrs. Don Karshner, Mr. and Mrs. Martin Mondrus, Dr. and Mrs. E. Nedd Girard, Larry Flammer and his

guest, and Jim Callison and his guest.

The affair will take place in the two large dining rooms at the Eureka Inn. Punch and cookies will be served at candlelit tables in a specially reserved dining room intermission.

The Arthur Murray School of Dancing will present a feature dance as part of the entertainment.

The green and gold bids, which will be used as tickets, are available at the Dean of Activities office today and will be available tomorrow night at the dance. The bids are free to Student Body Card holders and the price is \$1.25 to others.

The Booster committee, headed by Sylvia Harris and assisted by Joyce Jacobs, made the large banner, advertising the dance, which has been in the main hall of the Administration Building this week.

The committees working with Jim Callison, chairman of the Sno-Ball, are Shirley Mace, Elaine Brott and Larry Mitchell, decorations; Harriet Khul, Kay McDaniel and Paul Williams, refreshments; Roberta Johnson and Jim Barnes, invitations; and Mike Fielding and Roland Atterbury, publicity.

## Starlighting Fete For Sunday Night

The traditional Starlighting ceremony, sponsored by the Spokes, a women's service organization, will be held at 7 p. m. Sunday, December 4, in front of the administration building, or, in case of rain, in the auditorium.

This is the fifth annual lighting of the star, marking the beginning of the Christmas season on the campus. The star is 5 feet in diameter and may be seen all over Arcata.

Included in the program will be Lou Hill, singing "O Holy Night"; Joline Benites will read "The Littlest Angel"; and the College Choir under the direction of Dr. Leon Wagner will sing Christmas songs. The benediction will be given by Mr. Albert Blood.

Co-chairmen for the affair are Geri Baker, senior from Healdsburg, and Diane Johnson, sophomore from Smith River. Everyone is invited to attend the ceremony.

### AWARDS ASSEMBLY

The first semi-annual awards assembly will be held Friday, Dec. 9, according to George Ibarreta, awards commissioner.

## Dr. Siemens Meets In Budget Hearing At Sacramento

Dr. Cornelius H. Siemens met last week in Sacramento with representatives of the Departments of Education and Finance for the annual budget hearing, to review the complete operating budget for the 1956-57 school year.

President Siemens is requesting an increase of about 30 percent over the present year, with the new budget slightly exceeding \$1,500,000.

The new budget makes provisions for 38 new positions, including 21 new faculty positions, 2 administrative positions, and 15 new office and maintenance staff members.

The expected large increase in HSC's enrollment, for the third year in a row, will necessitate adding professors in all six instructional divisions.

Following the hearings before members of the Departments of Education and Finance, the budget will become a part of Governor Knight's Budget Bill, which will be placed before the Legislature next spring.

In addition to the operating budget, capital outlay funds totalling about \$750,000 will be requested to build the swim pool, a field house and a number of minor construction projects.

## Stafford Inn Art Show Slated By HSC Instructors

Sunday, Dec. 4 will mark the opening of an art exhibit, by the instructors of the Humboldt State College art department, to be shown at the Stafford Inn.

Featured in the display will be water colors by Mr. Richard Bibler, oil paintings by Mr. Martin Mondrus, enamels by Mr. Hal Chambers and ceramics by Mr. Reese Bullen.

This exhibit at the Stafford Inn, located 5 miles south of Scotia on Highway 101, is tentatively slated to continue through Sunday, Dec. 17.

## DRAMA FESTIVAL ACTORS ARRIVE ON CAMPUS TONITE

By Gene Smith

Approximately 150 drama students representing nine high schools are scheduled to arrive here this evening to attend the annual drama festival being held tonight and tomorrow. The nine high schools attending are Arcata, Brookings, Del Norte, Eureka, Fortuna, Ferndale, Potter Valley, South Fork and Weed high schools. Besides these nine schools, members of the Arcata Community Players and the Burl Players of Eureka plan to attend.

The program is slated to get under way tonight with the Humboldt State drama students' presentation of "My Sister Eileen" in the HSC auditorium. Tomorrow six of the high schools, Arcata, Eureka, Fortuna, Ferndale, South Fork and Weed, will each present a one act play. Members of the student body and faculty are invited to attend, said Dr. Stanley Glenn, drama instructor.

A luncheon in Nelson Hall will

follow the first four plays with the remaining two acts to be presented after lunch. Later in the afternoon, a Snack Dance will be held in the Coop.

Students from Brookings, Del Norte, Potter Valley and South Fork High Schools will stay in various Arcata homes Friday night. The Intercollegiate Knights will provide transportation from the college to the homes for the students.

Dr. Pauley, head of the Fine and Applied Arts Department, is in charge of the Drama Festival.

## Denmark By Dane Chalked Up For Assembly Today

Erling Norlev, Danish lecturer and writer teaching at the University of California at Berkeley will speak on "Denmark Today" at the Assembly at 11 a.m. in the Auditorium.

Norlev's lecture tour, under the auspices of the Danish government, is taking him on weekends throughout many areas of California while he is in Berkeley as lecturer on the U. C. faculty.

Norlev graduated in law from the University of Copenhagen in 1945. After working about two years for the Danish Treasury Department, he was stationed in Scotland as the representative of the Danish Society for Information Abroad. Later he accompanied Danish study groups in the United States as interpreter under the sponsorship of the Foreign Operations Administration. He currently is writing on foreign affairs for "Borsen," the Danish Commercial and Shipping Daily.

## Photos Shown In Library Room

A series of 12 photographs, taken at Dinosaur National Monument, is currently on exhibit in the Library's Audio Visual room, and will remain through December 10.

The pictures are the work of Phillip Hude, a California scenic photographer of national repute, and views of the monument photographed from various vantage points while he was on boat, pack horse, automobile and airplane trips sponsored by the Sierra Club.

The exhibit was arranged by C. Edward Graves, formerly librarian of Humboldt State College, now Western Representative of the National Parks Association with headquarters at Carmel, California.

Dinosaur National Monument has been much in the news during the last few years because of the plans of the U.S. Reclamation Bureau to build Echo Park Dam there. The plan has apparently been abandoned within recent weeks after protests from various conservation groups.

## Faculty Scientists Form Sigma Xi

Thirteen scientists on the HSC faculty have been notified of approval to form a Sigma Xi club, according to Dr. William J. Wasserman, assistant professor of chemistry.

The approval was granted by the national Executive committee of the Society of the Sigma Xi, an honorary society for the encouragement of scientific research.

Installation of the new club is planned for some time in February, with the membership to consist of full or associate members of Sigma Xi, who have been elected in other colleges and universities.

The HSC members of Sigma Xi hope to form a regular Sigma Xi chapter, after a period of probation. The chapters are empowered to initiate new members and can add both student and faculty members as they earn such recognition.

## JUMPING JACKS' SEASON SHOVES OFF ON SHASTA

By Art Cook

Humboldt State's "Jumping Jacks" open their '55-'56 basketball season this Saturday night when they meet semi-pro Shasta Flywood of Redding in the HSC gym at 8 p. m. The game is the first of a tough 26-game schedule and should prove a real test of Lumberjack strength.

Coach Franny Givins says every man of his 16-man squad will see action against the Shasta team although seven of them came from the football squad and will only have had a week's practice. Starters will likely be veterans Paul Shields, George Ibarreta, Larry Taylor, Jerry Paul and Bob Lawson, all

of whom have been at practice sessions for the last month.

New arrivals to the team are Warren Baker, Henry Cooper, Caesar Flamma, Moe Montpas, Joe Myers, Warren Smith and Glenn Wallace. They will join along with the starters, Al Deniz, Ron Frederick, Jim Knox, and Dick Laursen.

Shasta player-coach Doug McClary, 1951-'53 U. of Washington all-American, will bring a formidable squad to Humboldt which includes several ex-college stars. The squad is virtually the same one that won 24 of 25 games last year, its only loss a 75-67 game with the Harlem Clowns. The Shasta team also won the Redding City league title and took top honors in the Chico invitational tournament last season.

## Speech Prof Ladd Returns From LA

Dr. William Ladd, Assistant Professor of Speech and Radio, recently returned from Los Angeles where he attended a meeting of the California State Committee for Study of Occupational Curricula. Dr. Ladd met with representatives of every California state college, under the chairmanship of Dr. Albert D. Graves, Dean of Instruction at Los Angeles State College.

The meeting's purpose was to study occupational training in television, and to try to determine whether such training is desirable in state colleges, and if so, which colleges should be selected to offer such training.

Selection of a college to offer TV training would be determined by the availability of "trade" schools in the particular area the college serves, and if no such school presently exists, the actual need of the area for such training would be the determining factor.

This committee, which met in San Francisco last spring, will meet once more in the spring of 1956. After this final meeting, the State Department of Education will announce the results of this study. It is presumed that four state colleges will be chosen to offer television training. These four schools are expected to be San Diego State, Fresno State, San Jose State and S. F. State.

While attending the conference Dr. Ladd observed color television production at NBC studios in Burbank and attended several Hollywood premieres.

## Junior Class First In Scholarship For Frosh Camp

"The Class of '57 has credited itself in becoming the first class organization to have donated scholarships to the Humboldt State College 'Frosh Camp,'" John Dufour, junior class president, announced last Monday.

At a recent meeting of the executive board of the Class of '57 it was brought out that scholarship donations to the yearly "Frosh Camp" would help immensely in raising freshman attendance and new college spirit.

The "Frosh Camp," held each year just prior to fall registrations is a three day orientation program designed to acquaint new students with college classes and activities. Scholarship awards donated to this through various class or campus organizations are well on the way towards building a new record in freshman attendance for the fall of 1956.

## DEBATERS VISIT NORTH, McLELLAN TOPS FOR HSC

Humboldt State College debaters made their initial appearance at the annual Western Speech Association Tournament held in Parkland, Washington, last week. Humboldt State, which sent eight debate members to the affair, was one of 50 colleges and universities from 11 western states to attend. This also marked the longest trip ever taken by a HSC debate squad, as they traveled 1400 miles, round trip.

Also attending the tournament from the Western Conference were Chico State, San Francisco State and the University of Nevada. In the final unofficial standings, Humboldt finished seventh in the Lower Division, higher than any of the other three conference schools, according to John Dobkin, debate coach.

Humboldt entered only the Lower Division, which consists of Freshmen, Sophomores and inexperienced participants and not the Upper Division made up of Junior and Seniors. The reason for entering the Lower Division only, according to Mr. Dobkin

was because the squad is building and most of the people had not even been in a debate a month ago.

Top performer for Humboldt was Herb McLellan, who finished 2nd in interpretative speaking. McLellan competed against about 80 contestants in this event.

Others who made the trip are Mrs. Bette Dobkin, Jim Arnot, John Mayfield, Keith Barnhill, Jim Shaver, Carol Molinder and Evelyn Penfold. Although none of the debate teams placed, the group showed a great deal of improvement over their previous meet, stated Mr. Dobkin.

## NEW COACH AIDS COLLEGE TRY FOR NEW P. E. DEGREE

With the addition of Dr. Mark Dean to the Humboldt State College staff, Dr. Joseph M. Forbes, chairman of the division of health and physical education, says the College is well prepared to extend its program to an advanced degree, the master of arts in physical education.

The proposed new degree is one of several new programs which are up for approval by the State Board of Education in January.

Relying on 17 years' experience instructing and guiding youths in physical education, Dr. Dean now supervises students preparing to teach physical education. Nearly 50 men are majoring in physical education.

Feeling the strain of increasing enrollments at the College, the physical education department has increased its staff to eight full time and one half time member — new faculty being Dr. Dean and Hank Yamagata, 1955 HSC graduate now instructing freshman activity classes.

Dr. Dean came to Humboldt State after four successful years as head football coach at Indiana State Teachers' College at Terra Haute. He was selected by college coaches as Indiana College Coach of the year in 1952.

In addition to conducting a class in methods of teaching physical education, Dr. Dean instructs students in the skills they will be required to teach. Each student must attain proficiency in individual and team sports before being recommended for a teaching credential.

The holder of a unique degree, doctor of physical education, Dr. Dean obtained this degree last fall from the only school which issues it, Indiana University.

After receiving a bachelor of education degree from Northern Illinois State Teachers' College, DeKalb, Illinois, in 1938, he taught and coached for six years in high schools in Iowa and Illinois. Following two years in the Navy, where he served as lieutenant (jg), Dr. Dean began directing the athletic program of the Austin, Minnesota, Junior College in 1946. In 1948 he earned a master of arts degree from the University of Iowa, at Iowa City and became assistant professor of physical education at the Superior, Wisconsin, State Teachers' College, where he remained until 1951.

The entire Dean family is active in the academic life of the community. Dr. Dean has officiated at numerous local high school football games, and his wife, Lucille, teaches the third grade at Blue Lake. Their children, Jill, 14, and Jack, 12, attend Arcata schools.

The Harlem Clowns, famed basketball comics, like Shorty Buckner, picture above, will be seen against the Humboldt State varsity in a two-game series next week. The Clowns will play HSC at the Arcata High gymnasium Tuesday night and at the Fortuna High gymnasium Wednesday night. The games will start at 8 o'clock with 7 o'clock prelims. At Arcata the HSC Jayvees will meet the Arcata high heavyweights in the opener.

## But Then There's The Other Side Of The Record Too!

"If we print jokes, people say we are silly; if we don't, they say we're too serious. If we print original matter, they say we lack variety; if we publish things from other papers, we're too lazy to write. If we stay on the job, we ought to be out rustling news. If we're out rustling news, we're not attending to business in the office. If we don't print contributions, we don't show appreciation; if we do print them, the paper is full of junk. If we use copy as it is, we are lacking in education; if we make changes, we're spoiling good material and making someone angry. If we select some articles and leave others, we're too critical; if we don't, we're asleep. If we're seen reading a newspaper, we've got too much time in the office; if we don't we're considered ignorant and not up to date. Like as not someone will come along and say we took this from another paper. WE DID—Borrowed from The Eureka Independent.

## HSC Cheaper For Students Than Most, Is Report

The Life Insurance Agency Management Association has just published the results of an extensive study into the cost of going to college, using data received from 550 institutions.

The information was collected 18 months ago, when HSC enrollment was \$50, and average costs here for fees, board and room, were listed at \$590 per year.

From the list, Mrs. Myrtle McKittrick has selected 51 other schools having enrollments of less than 1600, and found the average cost for schools in this group was \$628.70.

This shows an HSC cost of about \$40 less than the average among schools of similar size.

The highest cost in the group was at Lowell Technical Institute with 600 students, spending about \$1125 per year.

The lowest was the State Teachers College at Towson, Maryland. With 1059 students, the average yearly cost was \$225. Of this \$216 was for room and board.

For the entire group, the most expensive are the private women's colleges, says Mrs. McKittrick. Finch College leads the list with 225 students and an average annual cost of \$2540. Next on the list were Bennington, \$2100; Bryn Mawr, \$2,020; then Sweet Briar and Vassar, \$2000 each.

From the entire group, the Towson school mentioned above was still the lowest.

These figures include only tuition, compulsory fees, and room and board. No voluntary fees, such as our student body fee, no books, and no personal expenses such as laundry, were included. Also, these figures in no case include out-of-state-tuition fees.

## Do-It-Yourself Fad Hits Money Making Field

Three prizes totaling \$300 will be given to Humboldt State college students writing the best essays on some phase of Humboldt county history, it was announced this week by Dr. Cornelius H. Siemens, college president.

Money for the awards has been made available through the generosity of the late Charles R. Barnum, Eureka timber broker, who had hoped that some contribution would be made to the knowledge of Humboldt county history through such a contest.

Essays will be judged on the basis of originality, reliability, literary excellence and contributions to the knowledge of the county, said Dr. Hyman Palais, professor of history.

Dr. Palais, Dr. Stanley Spaid and Dr. Ralph Roake of the history department will judge entries. Essays must be submitted in triplicate to Dr. Palais by Feb. 15, 1956. First prize will be \$150, second prize \$100 and third prize \$50.

Humboldt State scored its greatest number of points in a single football game in 1952 when it won 72-0 over Cal Poly of San Dimas.

## Little Man On Campus

by Bibler

"Awfully nice of you to stop by, Louise! We very seldom see girls over here in the School of Engineering."

## It's Men Students Two To One!

The ratio of men students to women attending Humboldt State College is ever increasing, according to fall registration figures released by Admissions Officer Myrtle M. McKittrick. Men now outnumber women nearly two to one. Last year at this time the ratio was three to two.

Students seem to be taking more courses than a year ago. The number of limited students—those taking five hours of study or less—has decreased. This may be due to Humboldt State's increased faculty and number of courses, thus offering greater variety than ever before.

Regular students this fall number 1295, with people attending extension classes bringing this total well over 1300. Last year there were 243 fewer students regularly enrolled.

The present freshman class is larger than the combined enrollments of the sophomores, juniors and seniors. This difference was even more obvious last fall. The rise in the number of seniors—140 this year—has lessened the difference.

Freshmen and sophomores have noticeably increased, with about a hundred more in each class now, compared to last year.

## Spokes Join Spurs

Spokes, women's honorary service organization, this week received word the group has been accepted for membership in Spurs, national honorary service organization for sophomore women.

The Spokes are awaiting further word as to how the national affiliation will affect the local group. Membership in Spurs requires one year's probationary status of local chapters.

## Prof. Watkins Writes Article

An article by Martin A. Watkins, assistant professor of American literature, was recently published in "American Speech," a Columbia University publication concerning changes in modern American speech.

Entitled "Cracking the Sound Barrier with Mach," the article is on the origin and use of the word Mach, now gaining popularity, particularly among those engaged in supersonic flight, and among science fiction fans.

Although the word is not yet included in any dictionary, following the publication of Professor Watkins' article, it will be seen in new editions of dictionaries and means "sound barrier" speed.

The article was published in the October 1955, issue of the magazine, which is holding for future publication another article by Professor Watkins.

## U. S. Students Studied Abroad

More than 9,000 U.S. students studied abroad during 1954-55, according to the preliminary returns of survey taken by the Institute of International Education, New York City.

Initial returns from this first statistical report on American students abroad indicate that 9262 U.S. citizens studied in 47 foreign countries and political areas during the past academic year. The survey was limited to students having both U.S. citizenship and permanent residence in the United States.

The Institute's survey, first undertaken as a pilot project in 1953, was conducted by questionnaires sent to 1000 institutions of higher education in 74 foreign countries and political areas. Replies have been received from 836 institutions, or 83.6 per cent of those polled: 379 institutions reported 9262 U.S. students enrolled; 457 reported no U.S. students. A final report on U.S. students abroad will be included in the 1956 Open Doors, the Institute's annual census report on foreign students, scholars and doctors in the U.S.

Where did the American students study? Almost 59 per cent (5461) of those reported were enrolled in European schools; 15 per cent were in Mexico; and 14.8 per cent in Canada. Four countries reported over 1000 U.S. citizens in their institutions of higher education: Mexico, 1395; Canada, 1374; Italy, 1084, and the United Kingdom, 1009.

European countries, in addition to Italy and the United Kingdom, where over 100 U.S. students enrolled were: Germany, 834; France, 805; Switzerland, 759; the Netherlands, 200; Spain, 165; Austria, 158; and Belgium, 134.

There were 624 students in the Far East, 491 of these in the Philippines and 112 in Japan. The Near East received 141—81 in Israel and 54 in Lebanon. In the Western Hemisphere, in addition to Mexico and Canada, there were 51 students enrolled in Caribbean countries and 100 in South America. Of this last number, 85 went to Peru.

There were 31 students in Africa. Oceania received 85 students—66 in Australia and 19 in New Zealand.

What subjects did the U.S. students study abroad? Of the first 8219 students reported, 74.2 per cent pursued studies in six academic fields: liberal arts, 1973; medicine, 1718; theology, 784; social sciences, 753; creative arts, 477; and natural and physical science, 415. There was no answer as to the field for 1735 students, or 20.9 per cent of the first 8219 reported.

Mr. Jones to son: "Did you have the car out last night?"

Son: "Yes, Dad, I took some of the boys for a spin."

Mr. Jones: "Well, tell them I found two of their lipsticks!"

## Student Analysis Of Paintings To Be On Display

A student analysis of famous paintings will be shown in the gallery of the administration building beginning Monday, Dec. 5, and continuing until a few days before Christmas vacation, when the student and faculty art sale begins.

This analysis, by members of the painting classes, will be of old and recent masterpieces of art. It is intended as an instructional exhibit, to help the layman see the main structural lines and movements of famous paintings.

## Registrar Returns From Berkeley

Mrs. Myrtle McKittrick, registration and admissions officer, has returned from Berkeley where she attended the annual convention of the Pacific Coast Association of Collegiate Registrars and Admissions Officers. Nearly two hundred persons representing colleges of the western states and Canada were present at the meeting.

After the Berkeley meeting, Mrs. McKittrick also attended a meeting of the State College Admissions Officers in Sacramento where she saw the IBM installation at Sacramento State College. She reports that after seeing the "Fabulous process of automation" in operation, she looks forward to the day when statistical reports will be forthcoming at the touch of a push-button.

## Toyon Contributes Sought By Lit Profs For Mag

Contributions are being accepted for Toyon, the college literary magazine, Dr. Gilles Sinclair, Assistant Professor of English, announced. Several manuscripts have already been turned in, but there is still a need for more.

Dr. Sinclair emphasized that this publication is for anyone who has written anything and would like a chance to see it in print. Anyone associated with the college is eligible to submit their work.

Material of any kind, short story, criticism of books or of movies, essays, radio or television scripts are welcomed. Manuscripts should be submitted to Dr. Reginald L. White, Professor of English, Dr. Clarence Kuliseheck, Assistant Professor of English, or to Dr. Gilles Sinclair. Further meetings for persons interested in Toyon will be announced in the Daily Bulletin. The Editorial Staff elected at previous meetings include Joy Brannan, Beverly Johnson, and Bruce Campbell.

ward to the day when statistical reports will be forthcoming at the touch of a push-button.

## Vets Club Elects New Officers

The reorganization of the Veterans Club ended November 22 with the election of the spring semester officials: Fred Byrd, president; Les Deharen, vice-president; Bob Talbott, treasurer; and Carl Eisler, I.C.S. representative.

Other business included a petition to the Veterans Administration for faster processing of subsistence checks; compilation of a spring calendar of events; distribution of the discount information; and the reaffirmation of the club's approval of the S.D. Day objectives.

Appointed to serve as Correspondence Secretary was Dave Erickson.

Soph: "Why is a crack in a chair like a traffic policeman?"

Sophess: "I couldn't say."

Soph: "They'll both pinch you if you don't park right."

## Applications For AWRT Scholarship

Applications for the second annual AWRT Scholarship, for women planning a radio or television career, are now open, it is announced by American Women In Radio and Television, Inc., of New York. The \$500 scholarship will be awarded to a woman student enrolled in her junior year during the current academic year at an accredited American college or university which offers a degree or elective major in radio and/or television.

Application blanks may be obtained from American Women In Radio and TV, 70 East 45th St., New York 17.

Designed to encourage talented young women to enter the broadcasting industry, the scholarship must be used for academic study in radio and/or television, or for necessary expenses in on-the-job training, subject to approval of the AWRT Board of Directors.

## HI! JOIN ME FOR A LUCKY DROODLE?

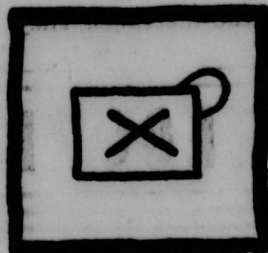

WHAT'S THIS?

For solution, see paragraph below.

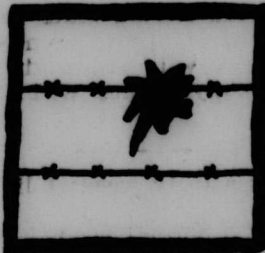

HERE'S A DROODLE THAT PACKS A PUNCH. It's titled: Lucky smoke rings blown by prizefighter with tooth missing. It packs a moral, too: Why knock yourself out looking for a better-tasting cigarette when all you have to do is light up a Lucky? Luckies taste better, first, because Lucky Strike means fine tobacco. Then, that tobacco is TOASTED to taste better. So light up a Lucky. It's the winner—and still champion—for better taste!

# JAYVEES OPEN HOOP SEASON ON TWO COURTS TOMORROW

Humboldt State's basketball Junior Varsity faces an unusual situation Saturday night when it opens its season by playing two different teams on separate courts.

Part of the squad will journey to Fort Bragg to meet Fort Bragg High School while the rest of the team will play Arcata High School in the HSC gym in a preliminary to the varsity contest.

Coach Ced Kinzer, who took charge of the JV's Monday night, will be attending a Far Western Conference meeting Saturday so Hank Yamagata and Red Wright will coach the travelers while Head Coach Franny Givins will take over in Arcata. The Arcata game will start at 6 p.m.

The JV roster includes several top-flight players who turned out with the varsity last month: Jim Babcock, Bill Barsitti, Dick Bauer, Carl Carlson, Jack Eisler, Charles Hale, Jerry Hasz, Warren Hadley, Don Malte, Gary Mauney, Larry Naylor, Glenn Orton, Lyle Peterson, Mario Toso, Dick Voorhees and Terry Wallace.

## W.A.A. Play Day Set For Dec. 10

The Women's Athletic Association has invited seven high schools to participate in Play Day to be held Dec. 10. The schools will participate in games and activities on that day.

The group is now holding a badminton tournament, led by Karen Soules. There are 30 people enrolled in the doubles round robin tournament. This activity will run until Christmas vacation, after which they will begin basketball.

Officers in the WAA are: Barbara Guckeen, president; Betty Larson, vice president; Lynn Warswick, treasurer; and Oleta Mills, secretary.

Professor Fred Telonicher was Humboldt State's first football coach. He coached from 1927 through 1934.

## Classes Crowded; New Gym On Drawing Board

Due to increased enrollment at HSC this year, the physical education classes have become a problem, according to Dr. Joseph M. Forbes. The present gymnasium is by far too small to accommodate the huge classes in team sports, and too much in demand to be used for some of the smaller classes.

At present plans for a new gym are on the drawing board and the job will be opened for bids some time this spring. In separate buildings from the main basketball floor will be a swimming pool and the new field house. These two structures will be completed some time after the gym is finished.

Under the crowded conditions which now exist, classes are being conducted from 7 a.m. until 10 p.m. with Monday being the only evening that the gym is free.

The quonset hut located next to the gym is being used as a second gym for several classes, and the teacher training courses have utilized the facilities at CES.

The HSC coaching staff has expressed the hope that the crowded situation will be somewhat alleviated in the very near future. It is hoped that HSC will be able to use some off-campus areas until the new gym is ready for occupancy, however, nothing definite has been arranged as of the present time.

## 2 New Awards Due At HSC Grid Banquet

Two new football awards will be presented when the Kiwanis club hosts Humboldt State's gridgers at the annual post-season banquet Thursday, Dec. 8, at 7:30 p.m. in the Lafayette school, Eureka.

Guard Jim Joseph has already been voted honorary season captain by his teammates and will also receive the "Mr. Scholar" award for his "B plus" average in academic work.

Other awards include Mr. Hustle, Tackling Award, Blocking Award, and Most Inspirational Award.

This year also for the first time, the Jacks named an all-opponent team from conference foes. Voting for this and the awards took place Wednesday.

George Psaros, sensational four-year letterman will not be represented in the balloting. He left Monday to spend a few days at his home in Stevenson, Washington, before reporting for duty as a naval aviation cadet. He will train at Pensacola, Florida.

## Concession Bids For Basketball Due In Monday

Those student groups wishing to operate concessions at HSC basketball games were notified this week that bids are to be turned in at noon Monday.

In the bid should be a statement of the per cent of net profit which will go to the Student Body and how much will remain with the club operating the concession.

Also the bid should state the type of concession, the number of people who will be working, and how many games will be covered.

"Tobacco is a dirty weed: I like it.  
It satisfies no normal need:  
I like it.  
It makes you thin, it makes you lean,  
It takes the hair right off your bean;  
It's the worst darn stuff I've ever seen:  
I like it."

LUMBERJACK

Dec. 2, 1955

## PSAROS STARS AS LUMBERJACKS WHIP PEPPERDINE IN FINALE

Led by Galloping George Psaros, Humboldt State's Lumberjacks closed out their 1955 football season with a 26 to 14 upset win over the Waves of George Pepperdine College Thanksgiving Day in Redwood Bowl. The victory gave the Jacks a 7-3-1 season record.

Nine seniors wore the Green and Gold for the last time in the Kiwanis sponsored benefit game and they had to come from behind to stop the Southern Californians. Jim Joseph, game captain and honorary season captain; Jim Evans, Happy Haft, Merle Hagbo, Bob Hanson, Phil Huff, Gene Marks, Joe Myers and Psaros are all seniors this year.

The Waves drew first blood in the first quarter with a 39 yard touchdown drive to lead 7 to 0. But in the second period, Psaros recovered a Wave fumble on the Pepperdine 35. Two 15 yard penalties put the ball on the 5 and quarterback Hagbo went over to tie up the game.

Pepperdine scored again on a pass play but the Jacks would not be stopped. Psaros led a Humboldt drive for the goal line and capped it with a 10 yard gallop for the score.

Trailing 14-13 at half time, the Jacks took the lead in the third quarter. A 43 yard pass from quarterback Warren Baker to end Haft set up another Psaros TD. In the same quarter, tackle Joe Myers blocked a Wave kick to give Humboldt the ball and start another Jack scoring thrust. Baker again passed to Haft for the six to make it 26 to 14 and put the game on ice.

The crowd then paid tribute to the seniors as Coach Phil Sarboe took them out of the game one at a time. Psaros, last of the regulars to leave the field, carried the ball 20 times during the game, racking up 108 yards and providing the spark the Jacks needed for the triumph.

## Coaches Attend FWC Meeting

Humboldt State Athletic Director Phil Sarboe plans to renew his plea for free subscriptions in football and to argue for a more uniform conference scheduling system at the annual winter meeting of the Far Western Conference today and tomorrow in Reno.

Sarboe, Ced Kinzer, Bob Doornick, Dr. Joseph M. Forbes, head of the division of health and physical education, and Dr. Carl Strand, alternate conference faculty representative, will attend the meetings. They plan to return Sunday.

## CHICO CRUSHES JACKS IN BATTLE FOR AXE

Far Western Conference champion Chico State powered to a crushing 40 to 7 victory over Humboldt State's underdog Lumberjacks in Chico's College Bowl Friday, Nov. 18. With the win, the 'Cats remained in possession of the giant double-bitted axe which is the traditional trophy at stake in the contest.

Chico's unrelenting running game gnawed at the Jacks' defenses for three quarters and led by only six points going into the fourth period. But then the 'Cats went wild and scored four times with devastating suddenness.

Humboldt's fine passing attack was squelched by the alert Chico defense and the Jacks were bogged down offensively throughout the game.

Humboldt's lone score came late in the first half when end Happy Haft took a 14 yard pass from quarterback Baker in the end zone. A fine 47 yard pass from Baker to halfback Hank Cooper helped set up the touchdown.

## Jacks Schedule S. F. Presidio

Coach Franny Givins this week announced a change in schedule for his Lumberjack hoopers in their benefit basketball game on Dec. 17, in the Fortuna high school gym.

Previously slated opponent was the Athens Club of Oakland but since they have abandoned basketball for the season, the Jacks will meet the strong San Francisco Presidio team. "We're glad we were able to schedule such an outstanding team so late," said Givins.

The clash is being sponsored by the Fortuna 101 Club.

## Cramming for Exams?

## Fight "Book Fatigue" Safely

Your doctor will tell you—a NoDoz Awakener is safe as an average cup of hot, black coffee. Take a NoDoz Awakener when you cram for that exam... or when mid-afternoon brings on those "3 o'clock cobwebs." You'll find NoDoz gives you a lift without a letdown... helps you snap back to normal and fight fatigue safely!
