

# Merry Christmas and a Happy New Year!

## AND FELICITATIONS, TOO

The staff of your own newspaper, The Lumberjack, takes this occasion to wish you Season's Greetings, including those expressed above. This has been a hectic and happy fall for us, we hope it has been happy for you, and that 1956 will prove up to the great expectations we held for it. Above all, don't let the knowledge that there are only two weeks of classes left, after vacation, spoil the next two weeks for you. Have a Happy Christmas and a Merry New Year's Eve.

## TODAY'S THE DAY Today's THE DAY Today's The DAY

Today is the big day when many of you won't even be here at HSC to read this paper and the few loyal patrons who have found it necessary to remain on campus, because of tests and other trivial matters, will find most of their classes only half full. The big occasion? Seventeen days of vacation beginning officially after the last classes this afternoon.

For the students and the faculty the Christmas holidays begin Saturday, December 17, and continue through Monday, January 2, with classes resuming on Tuesday morning. The non-academic employees, which includes the administrators, the maintenance and the clerical staffs, will continue their work as usual, taking only four days actual vacation from their schedule. They will not work from December 23 to December 26 or from December 30 to January 2.

Getting the holiday activities off to a good start was the party held at Dr. Karshner's home this past week for the staff in the registrars office, the health staff, and the placement officer and secretary. The Newman Club has added to the festivities by sponsoring a caroling party which went caroling in Eureka hospitals last evening.

Parties planned to take place during the holidays include a party to be held in the home of Mrs. McKittrick for the maintenance staff which will be held in Nelson Hall cafeteria on the same day.

This is the final 1955 edition of "The Lumberjack" and you won't see another until January, 1956.

## BOOKS CAN SOON BE SOLD BACK TO CAMPUS STORE!

A new book buying service will begin in the college book store in the Co-op next month, according to graduate manager Richard E. Harmer. Acting as representative of the Wilcox-Follett Co., of Chicago, the book store will buy back text books whether or not they have resale value at Humboldt. Books will be bought for about a week beginning at finals week.

For books that can be used locally the book store will pay 50 per cent of retail value. For books that cannot be used locally the book store will pay 25 per cent of retail value. The books must be "reasonably clean", Mr. Harmer said.

The tie-up with the Chicago firm was made at the California Association of College Stores' annual convention Dec. 1-3 at San Francisco. Mr. Harmer and Dr. Don W. Karshner, dean of students, represented Humboldt at the meetings.

The Chicago firm will take all books that can't be used here, and the student will be dealing with that firm. At the same time, the HSC book store will be buying for its own needs. Heretofore the HSC book store has bought only "limited numbers" of used books, Mr. Harmer pointed out.

Other problems discussed at the conference included the number of free services that should be given by college stores, store displays, the desirability of self-

## Play Honsa Slated For February 5

A reading performance of a new play, Honsa by John Pauley, is scheduled for February 5. This performance will require 7-10 two-hour rehearsals during January. Tryouts for casting the parts for 18 men and two women were held Wednesday, Dec. 14.

The play is based on the life of Jan Masaryk, the last non-communist foreign minister of Czechoslovakia. Masaryk is found dead outside a window of his palace a few days after the communists take over. The play is about the last 20 hours in Masaryk's life. The word Honsa is from the Czechoslovakia name meaning Johnny.

The play won third place in the National Collegiate Players playwright contest, and as a result it will be produced in January at the University of Arkansas.

According to Dr. Pauley, the productions here will be helpful in pointing out any weakness in the present structure and next spring he hopes to correct these weaknesses and submit them to agents and producers in New

## Library To Open During Vacation

For the benefit of studying-type Lumberjacks, the HSC Library has announced that it will be open during the Christmas vacation according to the following schedule:

Monday, December 19 through Thursday, December 22, open from 9 a.m. to 5 p.m.

Tuesday, December 27 through Thursday, December 29, open from 9 a.m. to 5 p.m.

Regular hours will resume when the library opens at 7:50 a.m. Tuesday, January 2, the first day of classes following vacation. York City.

service in college stores, and the necessity of planning the campus store for an expanding student body.

Mr. Harmer announced that in an effort to justify construction of a new book store building for Humboldt State or expansion of present facilities, he has addressed a questionnaire to heads of 20 college stores. Data obtained in this study will be used to determine what business volume other schools are doing per student in relation to space and facilities available to them.

Dr. Karshner and Mr. Harmer visited the book stores of San Francisco State College and San Francisco City College while at the convention.

Mr. Harmer also disclosed that the HSC book store has made application for membership in the National Association of College Stores, an organization of 794 college stores representing nearly three-fourths of all American college students.

Just like an early Christmas present - only these boys earned their's battling on the greenward for the Green and Gold. Shown at last week's awards assembly are ASB awards commissioner George Ibarreta, left, Caesar Fiamma, center, and Happy Haft, right. Both Fiamma and Haft are three-year lettermen who received "Block H" awards sweaters.

## Frosh Campers Hold Christmas Party In Coop

The newly chosen Frosh Camp counselors met for the first time Wednesday, Dec. 14, at the Frosh Camp Christmas party held in the Coop between 6:30 and 8 p. m. Refreshments were served, new counselors were introduced, Director John Dufour spoke on Frosh Camp organization, and gifts were exchanged, followed by dancing.

The new Frosh Camp counselors introduced at the party are: Marilyn Wright, a sophomore in education; Ed Spencer, a freshman with a general education; Mary Jane Brown, a sophomore in business education; Michael McGovern, a freshman in civil engineering; Sally Conklin, a freshman in dramatics; Larry Mitchell, a junior in education; Jo Anne DeFino, a freshman in education; Jim Callison, a junior in business administration; Linda Cobb, a freshman in business administration; Don Peterson, a freshman in political science; Ann Metcalf, a freshman in secretarial science; Mike Ladd, a freshman in industrial education; Judy Shaw, a freshman in education; Les Schneitter, a freshman in engineering; Karn Mae Soules, a junior in education; Robert Lloyd, a freshman in business education; Harriet Marsh, a freshman in chemistry; Carl Wolters, a sophomore in business administration; Mary Anne Ely, a freshman in secretarial training; Patrick Benson, a freshman in pre-med; and Kay Nielsen, a freshman in education.

## TYRO TEACHERS A THIRD OF HUMBOLDT STATE STUDENT BODY

A third of Humboldt State college's record enrollment this year is engaged in teacher training, with the remaining two thirds distributed among liberal arts, preprofessional, two-year courses and miscellaneous groups.

This was reported to the faculty this week by Mrs. Myrtle M. McKittrick, registrar and admissions officer. She pointed out the ratio of education students to those in other programs has remained fairly constant despite the tremendous enrollment - from 189 in 1945 to 1256 at the time the report was compiled earlier this fall.

The report was compiled from the students' own statements of their objectives.

Enrolled in the lower division as pre-professional students, most of whom have signified an intention to transfer to other schools for advanced work, are 168 students. They are aiming for careers in such fields as law, medicine, pharmacy, veterinary science, dentistry and engineering.

A third of the total student body, 413 students, is enrolled as degree candidates in the liberal arts - such fields as English, social sciences, speech and dramatics and wildlife management.

The wildlife management courses this year have drawn the largest number of liberal arts students - 40 in fisheries and 97 in game management. A close runner-up is business administration, with 129 students enrolled this year compared with 88 last fall semester.

In addition, 38 students are enrolled as secretarial train-

ing students and 16 as general business students in the two-year vocational program.

Twenty-eight masters degree candidates are enrolled in education and four in social sciences. The graduate division also includes 25 students working toward the general secondary credential and 15 working toward other education credentials.

## Bullen Exhibits At Mills College

Included in the present exhibit at the Mills College Art Gallery, is the work of Reese Bullen, associate professor of art at Humboldt State College. The pieces Mr. Bullen is displaying were exhibited at the American House in New York City last September. Mr. Bullen entered the New York exhibit as a member of the San Francisco Bay Area group. This exhibit is being reviewed in the current issue of Craft Horizons magazine.

Mr. Bullen, who has been a member of the HSC faculty since 1946, has shown his pottery at the Lafayette Valley Show, the Jack London Square Exhibit, and the San Francisco Art Festival. He exhibited one piece at the California State Fair where he received an honorable mention.

Some of Mr. Bullen's work is being displayed now, with paintings and enamelware by other members of the HSC art staff, at the Stafford Inn in southern Humboldt county.

## Tommie Thompson Pro Tem Chairman

Tommie Thompson, freshman  
science major from Arcata, was  
elected chairman pro tem when  
the Returning Students of HSC  
met Thursday, December 8, for a  
Christmas get-together and de-  
cided while partying to organ-  
ize as a campus service club.

Miss Thompson appointed an  
organization committee consist-  
ing of Mrs. Clara Byers, fresh-  
man of Fortuna who is studying  
elementary education; Mrs. Opal  
Kruger, sophomore education  
major from Arcata; Mrs. Dorothy  
Handley, freshman elementary  
education major from Arcata,  
and Mrs. Lois Kauffman, fresh-  
man business education major  
from Eureka.

The group immediately voted  
to assume the responsibility for  
serving, at the annual Christmas  
Coffee Hour for students that was  
given yesterday in the adminis-  
tration building.

The returning students in-  
clude those who have been out  
of school for some time, for var-  
ious reasons, and have decided  
to return to HSC to complete  
their education and, in many  
cases, to prepare themselves for  
new careers.

## Kon-Tiki Pilot Plans New Trip

A new scientific expedition to  
the South Seas will be led by  
Thor Heyerdahl, the Norwegian  
who piloted the raft "Kon-Tiki"  
across the South Pacific, accord-  
ing to press reports from Oslo.

The exploring party which in-  
cludes American, French, Nor-  
wegian and Chilean natural Sci-  
entists will sail to Pitcairn and  
Easter Islands. It hopes to prove  
the theory that the Polynesian  
Islands were populated by mi-  
grants from South America. It  
will compare the giant stone  
statues on Easter Island with  
statues erected in South America  
before the days of the Incas.

## Shades of Errol Flynn; Fencing Now Taught Here

Each Monday and Tuesday  
at noon the sounds of clashing  
foils bite into the quiet of the  
almost deserted Administra-  
tion building. From the audi-  
torium come shouts of "ad-  
vance," "retreat," and "lunge."  
Bringing with it the roman-  
tic aura of "The Student  
Prince" and "Heidi," fenc-  
ing has come to HSC.

The course, begun shortly after  
the first of the semester, is taught  
by 26 year old sophomore Carl  
Eifler, an ex-GI who learned the  
"gallant art" in Germany  
and has participated in tourna-  
ments there, and fenced in Hono-  
lulu, Hawaii, his home. For a  
year he taught foil techniques in  
Auburn.

Although the class was given  
no credit this semester, next  
term it will be listed as a full-  
fledged PE course to be held  
twice a week.

The activity is recommended  
for all drama majors and min-  
ors, and is open to anyone in-  
terested in balance, poise and  
speed. During subsequent se-  
mesters the "oppe" and the  
saber will be taken up if there  
is sufficient interest, Eifler says.

He expresses the hope that a  
fencing team may eventually be  
organized to take part in com-  
petitive exhibitions.

Another class in fencing will  
be taught by the speech-drama  
major at the Eureka Recreation  
Department as soon as equipment  
arrives.

The HSC classes will, necessar-  
ily, be on the restricted list, so  
all would-be-Musketeers are ask-  
ed please to "advance" and be  
registered as early as possible.

## SOCE Nips Jacks In Cross Country

Humboldt State cross country  
runners lost again by a single  
point to Southern Oregon, 28-27,  
in last Saturday's meet at Ash-  
land park. The HSC squad drop-  
ped an 11-10 decision to SOCE  
at Arcata November 19.

SOCE's Dick Gustafson ran the  
2.2 mile course in 14 minutes, 41  
seconds to take first place. Hum-  
boldt State runners, and the or-  
der in which they finished were,  
Paul Williams, third; Harvey  
Kesterson, fourth; Armand Bara-  
dat, sixth; Norman Scott, seventh  
and Dave Sturdyvin, eighth.

Eric Hughes, who finished first  
in the Arcata meet with the out-  
standing time of 13:42 over a 2.5  
mile rugged course, was kept  
home by exams and unable to  
compete at Ashland.

Cross country scores are com-

## Christmas Party Held Here For Returnees

By Lynne Graham

There are several students on  
campus who are just resuming  
their education. They are stu-  
dents who have been out of  
school raising families or work-  
ing.

These returning students were  
to have had a Christmas party in  
the Nelson Hall Lounge at 2 p.m.  
yesterday afternoon. The main  
reason for having the party was  
to give these students an oppor-  
tunity to get acquainted. The  
group of returning students share  
a common interest. They have  
been out of school for some time,  
and now they are resuming their  
studies at Humboldt State, their  
party has given them the chance  
to become acquainted.

Several committees were set  
up to prepare for the Christmas  
Party. Members of the committees  
worked very hard to make the  
party a success.

Committee members are: Viola  
Barnes, chairman of invitations;  
Tommy Thompson, publicity;  
Helen Smith, refreshments; Nora  
Auxier, program; Harriet New-  
man, decorations; Clara Byers,  
transportation.

Personal invitations were sent  
to the group of returning students  
so that they would be sure to  
have the chance to attend the  
party.

## JV's Win Two, Play Tonight

Humboldt's Junior Jacks will  
meet the Master Bread Bakery  
team here at 7 p.m. tonight and  
will play a preliminary to the  
varsity game tomorrow night  
against Fortuna High at Fortuna.

Last week the JV's won two  
games. Saturday night they  
scored a 43 to 35 victory over the  
South Fork High Cubs, and Fri-  
day night they went into over-  
time to defeat the Del Norte  
High Warriors in a 52 to 50  
thriller.

Jack Eisel paced the Junior  
Jacks in the South Fork contest,  
scoring 13 points, while high  
scorer against the Warriors was  
Gary Mauney, with a total of  
20 points.

Both games were played in  
the HSC gym as prelims to the  
varsity-Oregon Tech series.

Besides Eisel and Mauney, the  
JV roster includes: Jim Babcock,  
Carl Carlson, Dennie Collieran,  
Warren Hadley, Charles Hale,  
Jerry Hasz, Donald Hoefle, Don  
Malte, Lyle Peterson, Tom Rovai,  
Lester Schneitter, Bob Spencer,  
Mario Toso and Dick Voorhees.

## CES Pupils Give Christmas Show

Pupils of the College Elemen-  
tary school presented their an-  
nual Christmas program for par-  
ents and friends last night in  
the CES auditorium.

Each of the grades, one through  
eight, sang traditional Christmas  
carols. A verse choir from grades  
six, seven and eight, read the  
Prophecy and the Christmas  
Story. The girls' chorus, the  
string ensemble and a brass choir  
also appeared on the program.

Senior Sid Stibbard takes a mallet and chisel to the Wildlife building's new totem pole. Stibbard is not only the pole's carver, but the designer as well. The National Museum of Canada says this should be called a house post or entrance pole, forerunners of the totem pole. Totems are similar to coats of arms, the Museum adds.

## Wildlife - Ugh! Carving A Totem

Humboldt State College will borrow a custom from northern Pacific Coast Indians in completing the exterior of its new wildlife building.

To symbolize the work of the wildlife department of the college, a turtle, bird, bear and two fish will be carved from the pillar at the building's entrance. The design for the totem was submitted by student Sid Stibbard, who was commissioned to carve the pole.

The totem is no more unique than the building which houses it. The modern, painted redwood structure, part of which was opened in October, is the country's only college building constructed solely for wildlife and fisheries studies.

Actually, according to a study published by the National Museum of Canada, Humboldt State's version of a totem should be called a house post, or entrance pole, which were predecessors to the totem poles. The study denies that totems were worshipped by Indians. It identifies the poles as emblems of the clan or coats of arms of individuals which were objects of veneration but not devotion. Carvings honor the dead, proclaim the importance and wealth of an individual, or commemorate an

## Four ASB Offices Still Open For Nominations

Nominations for four Associated Student Body offices to be filled January 10 are still open, ASB president Larry Flammer reminded student body members today. Petitions are due not less than one week prior to the election.

Four representatives - at - large will be elected to the student executive council in the election. Two of the student officers must be women, two men.

Petitions are available from the office of Richard E. Harmer, graduate manager, in the Coop, and must be filed with him. Each petition must be signed by 25 members of the associated students.

Such events might have been a marriage, feat of bravery or an occurrence from Indian mythology.

Stibbard, a senior, has provided extensive artwork for the college newspaper and yearbook, and prepares a weekly cartoon displayed in the student union. Stibbard, his wife and child, live in Humboldt Village on the HSC campus. He graduated in 1945 from Compton, California high school. His parents, Mr. and Mrs. A. E. Stibbard, live in Requa, California.

## Sno-Ball A Hit Says Chairman

The 1955 Sno-Ball, big social event of the year, held last Saturday night at the Eureka Inn, was a complete success, according to chairman Jim Callison.

The traditional Christmas theme was used as decoration and punch and cookies were served at candlelit tables in a specially reserved dining room during intermissions. A feature dance was presented by the Arthur Murray School of Dancing as part of the entertainment.

President Cornelius H. Siemens and chairman Callison, along with the other honored guests, formed the reception line.

The Sno-Ball was sponsored by the Associated Student Body and the Jerry Moore Combo provided the music for dancing.

## Dean Asks Student Activity Files Be Kept Up To Date

All students who have been active in campus organizations are asked to come into the Dean of Activities' Office, by the Dean of Activities, Miss Kate Buchanan, to complete their record on the permanent activities file.

Miss Buchanan would like to have those students who participate in the organizations of campus activities keep their file up to date. Since it is close to the January graduation, those students who will graduate in January, and have been active in campus affairs, are urged to see that a permanent record of their activities is left behind.

Although the activities file is compiled with voluntary information, it is the duty of each student to go to the Activities Office and bring his record up to date.

## ASB Constitution Under Council Pen

Work on the proposed new ASB constitution got under way last week when members of the Executive Council met.

Prepared by the Inter-club Senate, the constitution would replace the present document written in 1952. Work on the new constitution is expected to take two to three weeks, after which it will be presented for approval by members of the ASB.

## MY GAME! LUCKY DROODLES!

WHAT'S  
THIS?

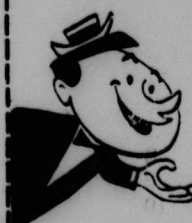

For solution, see  
paragraph at right.

THERE'S NO GETTING AROUND IT—Luckies taste better. And there's no getting around that thing in the Droodle at left, either—the Droodle's titled: Lucky smoker with bum seat at football game. Poor guy is really *up against it*. But he's got a swell point of view on smoking—he smokes Luckies for better taste. Luckies taste better because they're made of fine tobacco that's TOASTED to taste better. Chances are our friend in Section 28 is thinking, "This is the best-tasting cigarette I ever smoked!"

# JACKS-SF PRESIDIO CLASH IN BENEFIT TOMORROW

By Art Cook

Fresh from a 98 to 72 rout of Oregon Tech's Owls last week, the Jumping Jacks lock horns with San Francisco Presidio's capable squad in a benefit game Saturday night at 8 p. m. in the Fortuna High gym. The game is being sponsored by the Fortuna 101 club.

The Jacks' 98 point mark against the Owls was enough to set a scoring record for HSC-intercollegiate play. The previous high mark for the Jacks was 88 points scored against SOCE in 1952.

But Humboldt will face a tough Army squad when Coach Hal Fischer brings his Presidio team to Fortuna. Presidio boasts many former college stars including Mike O'Neill, former UC and Oakland Blue and Golds great, and Don Lofgran, former USF and pro performer.

Coach Franny Givins' likely starters are George Ibarreta, Jumping Joe Myers, Paul Shields, Hank Cooper, and Larry Taylor. Glenn Wallace and Warren Baker will also see plenty of action against the army. Wallace, who turned out late because of foot-ball, was an all-conference player before entering the service.

During the Christmas holidays the Jacks will be busy. They meet Southern Oregon Dec. 19 and 20 at Ashland and journey to San Francisco for the Far Western Conference tournament Dec. 28, 29 and 30.

## Plan For Czar At FWC Meeting

Preliminary plans for the ap-pointing of a Far Western Con-ference commissioner took place at the recent winter meeting of the FWC in Reno.

The association of athletic di-rectors, coaches and managers submitted a preliminary report supporting such a move to the conference faculty representa-tives, who approved the recom-mendation. The commissioner, if appointed, would appoint of-ficials at conference games, and act as mediator and final judge in case of dispute.

The conference also completed FWC football schedules through 1960. This will simplify the scheduling of non-conference games in the future as FWC games were previously scheduled on a year to year basis.

Next spring's baseball, track, golf and tennis schedules were also completed, and some regu-lations were adopted in a pro-gram aimed at uniformity in FWC baseball. Among these was a ruling making all baseball games this spring Saturday doubleheaders, each game seven innings.

Representing Humboldt State at the meeting were Dr. Joseph Forbes, chairman of the division of health and physical education, Athletic Director Phil Sarboe, head track coach Bob Doornik and head baseball coach Ced Kinzer.

## JACKS-OWLS SPLIT TWO GAME SERIES

By Bill Barsotti

The Humboldt State basketball squad split a two game home stand with the Oregon Tech Owls last weekend, losing the first game 63-57 Friday and then roar-ing back to dump the Owls 98-72 Saturday night.

The opener saw the Owls gain the advantage of the game by control of the backboards plus the 27 point output by towering Chuck Bogle, 6-9 Tech center.

Unable to penetrate the Owls' tight zone defense, the Hum-boldters were forced to shoot from the outside where George Ibarreta tanked 14 to top the Jacks scoring for the night.

The finale saw the Jacks hit their form and explode for a stunning 98-72 win to even things up. Again it was George Ibarreta who led the scoring for the Hill-toppers as he peppered the hoop for 29 points to take the indi-vidual scoring honors for the series.

A great team effort was evi-dent in the scoring column as five Jacks hit the double digit mark.

In running up the highest score in HSC intercollegiate history the Jacks tore open the same defense that held so tight the night be-fore.

## IBARRETA LEADS JACK SCORERS AFTER 43 POINTS AGAINST OTI

Forward George Ibarreta, who scored 14 points Friday and 29 Saturday against Oregon Tech, is the leading scorer for the Lum-berjacks so far this season with a total of 53 points and a per game average of 17.7 points.

The 5-11 senior led the Jacks in scoring in the 1953-54 season only to jumpin' Joe Myers last year.

Not far behind Ibarreta is Lar-ry Taylor with 41 points to his credit. Taylor leads in total field goals scored to total at-tempts with a mark of 51 per-cent.

Ibarreta also is high man at the free throw line, with 13 scored out of 18 attempted. Myers follows him with a 10 out of 18 mark.

In rebound recoveries, Myers is out in front with 11 off the back-board on offense and 21 on de-fense for a total of 32. Paul Shields is second with 24 to his credit.

As for team totals, the Jacks have outscored their three regu-larly scheduled opponents 228 to 204 for a 2-1-0 season record. They have sunk 90 field goals to the opposition's 72 but they trail in free throws scored 48 to 60.

Last week's 98 point blast of the Oregon Tech Owls broke the squad's intercollegiate scoring record of 88 set against SOCE in 1952, and came close to HSC's all-time scoring mark of 114 racked up against Malm Sport-ing Goods in 1946.

## IR Soccer Squad Ties Hammond

Hammond Lumber company's surprisingly fine squad battled Humboldt State College's Inter-national Relations club to a 2-2 tie Sunday afternoon at Redwood Bowl.

More than 100 spectators showed up to watch the fast game on the muddy turf. The Hammond squad, although older than the IA team and permitted to use substitutions in contraven-tion of regular soccer rules, sub-stituted only twice.

The International Relations squad, made up chiefly of fore-ign students who have played the game for years, led at the end of the first half 1-0. Ham-mond came back to score a pair early in the second half. The IR squad tied it up with ten minutes remaining on a pass from Ed Spencer to Noberto Borges, who knocked the ball through the goal posts with his head.

The game was the second of the year for the IR team. It won 1-0 over the college Block H club in a half-time exhibition at the HSC-Portland State football game last month. The team prac-tices every Sunday at Redwood Bowl and invites inspectors.

## I-M PROGRAM TO BEGIN AFTER HOLIDAY

By Dave Hull

According to Athletic Director Phil Sarboe, the intramural sports program is scheduled to begin on January 3.

The schedule has been set up for twelve teams and two leagues. Basketball games will begin on Tuesday, Jan. 3, at 7:30 p. m.

The games will last 45 minutes. There will be 30 seconds between quarters and one minute be-tween halves. No more than two time-outs will be allowed in the last ten minutes of play.

Tuesdays from 7:30 to 8:15, 8:15 to 9:00, 9:00 to 9:45, are the hours scheduled for the first three games. Games will also be played on Friday from 4 to 4:45, 4:45 to 5:30, 5:30 to 6:15 and on Saturdays from 9 to 9:45, 9:45 to 10:30, 10:30 to 11:15.

Following is a complete sched-ule of the intramural basketball games for the 1956 season:

- "A" LEAGUE**
- Jan. 3—Alpha vs. Redwood 1; Nelson 1 vs. Arcata; Married Men vs. C. U.
- Jan. 7—Arcata vs. C. U.; Red-wood 1 vs. Married Men; Alpha vs. Nelson 1.
- Jan. 13—Married Men vs. Nel-son 1; Alpha vs. Arcata; Redwood 1 vs. C. U.
- Jan. 26—Redwood 1 vs. Nelson 1; Alpha vs. C. U.; Married Men vs. Arcata.
- Jan. 30—Nelson 1 vs C. U.; Red-wood 1 vs. Arcata; Alpha vs. Married Men.

- "B" LEAGUE**
- Jan. 6—Gamma vs. Redwood 2; Nelson 2 vs. 513; I. K.'s vs. Block "H".
- Jan 10—513 vs. Block "H"; Red-wood 2 vs. I. K.'s; Gamma vs. Nelson 2.
- Jan. 14—I. K.'s vs. Nelson 2; Block "H" vs. Redwood 2; 513 vs. Gamma.
- Jan. 29—Redwood 2 vs. Nelson 2; Gamma vs. Block "H"; 513 vs. I. K.'s.
- Feb. 2—Nelson 2 vs. Block "H"; Redwood 2 vs. 513; I. K.'s vs. Gamma.

## Houses Re-Named

For the sake of simplicity the following campus living groups will hereafter be known by the listed Greek names; Brown or Womack house, 65 19th st., is now the Alpha House; McKittrick house, 1923 Pine st., is now Gam-ma House; Sarboe or Kinzer house, 155 19th st., is now Theta House; Nelson Hall annex, 2049 Sequoia, is now Sigma House.
