No. 24

Final Exam Grind To Begin Tomorrow

Finals begin tomorrow. This date marks the beginning of the end of concentrated study by some 1000 serious-minded Humboldt State College students during the past nine months.

It also marks the beginning of three months of loafing on the part of the majority of the students marred only by a few hours of work daily—but no homework. Of course, there will be the few exceptions who will be attending summer and post sessions.

After Saturday's exams, students will not be taking tests until Tuesday since Memorial Day falls on Monday. Exams will continue through Friday.

Awards Slated At Assembly

Outstanding students and their achievements will be recognized this morning at 11:15 during the annual HSC awards assembly, according to Jim McAuley, awards commissioner.

Among those to be honored will be members of the drama department, choir, band, student council, Interclub Senate, and the board of finance. Recipients from the athletic department will include outstanding participants in golf, tennis, basketball, track and baseball. Awards will also go to cheer leaders and song queens and to a member of the medical unit.

Presentations will be made by the various coaches and instructors who have been associated with students.

Council Okays Football Bids

Bids of three Humboldt State College clubs for football concessions were accepted last week when the ASB executive council met.

Conservation Unlimited's bid of 40 per cent of the net to the student body treasury, the Spokes' offer of 20 per cent of the gross for their club and IK's flat rate of \$25 per game to the ASB treasury were approved on the recommendation of Treasurer Bob Furber.

Murl Harpham and Sharkey Walsh were approved as editors of the Lumberjack and Sempervirens, respectively.

President Dwain Haines reported on the PSPA convention which he and President-Elect Larry Flammer attended in San Diego the previous week.

Yearbook Copies Still Available

Distribution of the Sempervirens will continue today and next week from 11 a. m. to noon and from 2 to 4 p. m. in the student publications offices in the Coop.

Holders of two-semester student body cards are entitled to a yearbook at no additional cost. Holders of one-semester cards pay \$2 and students without activity cards pay \$4. There are a limited number of books for non-card holders.

Humboldt Organizations Name Officers For 1955-56 School Year

Newly elected club officers of the various campus organizations not named in last week's Lumberjack are as follows: Conservation Unlimited: Bruce Wyatt, president; Kaye Johnson, vice president; Joe Harn, treasurer; Dick Laursen, corresponding secretary; Dave Lenhart, recording secretary; and Bill Shaw, Sergeant-At-Arms.

Four Appointed To HSC Faculty

An expanding curriculum to meet the varied needs of a constantly expanding enrollment at Humboldt State College is reflected in the announcement of four new appointments to HSC for the 1955-56 school year.

Three new positions are in the fields of audio-visual education, business education, and speech and forensics, with one replacement position in art occasioned by Associate Professor Melvin Schuler's sabbatical leave for one year.

John E. Black, who holds the master of science in education degree from the University of Southern California, has been named assistant professor of business education.

Milton Dobkin received his master of arts degree with special honors in discussion and debate from the University of Southern California in 1950.

Lyman Miles has been named Audio-Visual Coordinator for HSC and will teach audio-visual courses in the department of education and psychology, and photography courses. After receiving his bachelor's degree from the University of Minnesota, Miles was for five years manager of a photography firm in Minneapolis, then went back to the University of Minnesota for his master's degree and graduate study toward the doctorate.

Martin Mondrus, who has been named instructor in art for next year, will be awarded the master of fine arts degree in painting and sculpture at Claremont Graduate School this June. He received his bachelor of arts degree from Los Angeles State College in 1953 and comes to HSC from Pasadena City College where he has taught drawing, painting, watercolor and design since 1948.

Jenkins Loan Fund Approved

A loan fund in memory of Roy Horace "Pop" Jenkins, beloved Humboldt State College professor who died last month, has been approved by the faculty here.

The "Pop Jenkins Memorial Loan Fund" will be used to provide short-term small loans to students for any need. The maximum loan will be \$5. The fund will be administered by Dr. E. Nedd Girard, associate dean of students for guidance.

Similarly set up and administered already is the Jacobson "loan a buck" fund. Dr. Girard said the original sum has been used three times this year, revolving as loans are made and repaid. Although a small sum is outstanding, there is more in the fund than the original grant because of voluntary "bonuses" paid by students who received loans.

The Associated Women Students elected Dian Arvidson president; Fern Fowler, vice-president; Roberta Johnson, recording secretary; Frances Singleton, corresponding secretary; and Valerie Monighetti, treasurer.

Next year's officers for the Class of '57 will be John Dufour, president; Braley Pastorino, vice-president; Fern Fowler, secretary; Jim Callison, treasurer; and Jim Nameth, I. C. S. representative.

Fern Fowler Wins

Nelson Hall Women have chosen Fern Fowler as president; Norma Shreve as vice-president; Ann Gwerder as treasurer; Roberta Johnston as secretary, and Darlene Spann as fire chief.

Newman Club has elected Bob Jacobson, president; Bill Papke, vice-president; Pat Hammond, secretary; and Norma Shreve, treasurer.

Herman Bonnicksen will be president of the Class of '58; Mike Stone, vice-president; Roberta Johnson, secretary; Mary Brown, treasurer; Jon Mitts, parliamentarian; and Kay Killinger, one of the representatives at large. The other has not been named.

Spokes Elect

Results of the Spokes election are: Fern Fowler, president; Barbara Guckeen, vice-president; Jackie Sintic, secretary; Gert Baker, treasurer; Carolyn Senter, historian; Patty Hartley, parliamentarian; Harriet Hubert, I. C. S. representative, and Dian Arvidson, publicity editor.

New officers of Student Wives are: Leone Cramblett, president; Mary Johnson, vice-president; Sall Burris, secretary-treasurer, and Evelyn Ibaretta, corresponding secretary.

Members of Chi Sigma announce that their next year's officers will be: Joyce Jacobs, president; Geri Baker, vice-president; Mary Ann Smith, secretary, and Joan Guyn, treasurer.

Band members have elected Larry Mitchell as president, Edwin Rodriques, vice-president; Maxine Williams, secretary-treasurer, and Jim Ely, I. C. S. senator.

President of the Senior Class of '56 is Ron Goble, vice-president is George Ibaretta, and Mona Christenson is secretary-treasurer.

Jack Legate Wins HSC-YWCA Award

Jack "Tex" Legate, a junior business administration major from Fort Worth, Texas, is the 15th recipient of the YWCA-HSC leadership scholarship, donated by the YWCA, and awarded to HSC students for their leadership ability.

Legate has been demonstrating his leadership ability by conducting a square dancing class of about 20 Y-teens, every Tuesday night in Korbel and by calling for adult groups every second and third Saturday at the Humboldt Grange.

Dwayne Orton Will Speak At Graduation Exercises

Dr. Dwayne Orton, editor of "Think" an International Business Machines publication, will be the featured speaker at the Humboldt State college 41st commencement exercises at 3 p. m. Sunday, June 5, in the gymnasium.

The Baccalaureate sermon will be delivered by the Rev. Sam Kleinsasser, Arcata Baptist church, in an 11 a. m. ceremony in the college court.

Dr. Orton will address about 125 students who will receive diplomas and degrees at the exercises.

In addition to editorship of "Think," Dr. Orton serves as educational consultant to the IBM Corporation. He has headed their department of education for 11 years.

The Reverend Kenneth Samuelson will read the invocation and benediction for commencement. Valedictorian had not been named at press time.

Graduates will march in and out of the gymnasium to the music of "Pomp and Circumstance, No. 4," played by the Lumberjack Band. They will also play "The Star Spangled Banner."

Choir Sings

Special music will be heard from the a cappella choir. Selections are "Go Lovely Rose" by Stevens and "Salvation Is Created" by Tschenesnokoff.

Dr. Homer P. Balabanis, dean of instruction, will present the diplomas while President C. H. Siemens confers the degrees. Dr. Ivan Milhous will present the higher degrees with the president conferring the honors.

Completing the commencement program will be the announcement of awards and honors.

Music for the morning Baccalaureate service will be provided by the a cappella choir and an instrument ensemble. The ensemble will play "Ava Maris Stella" by Grieg and "Andante con moto" by Beethoven. "The Call to Worship" by Mendelssohn will be sung by the a cappella choir followed by "Tenebrae Facta Sunt" by Palestrina and "For God So Loved the World," by Tschenesnokoff. They also will sing the "Seven Fold Amen."

Introductory remarks will be made by President C. H. Siemens while the scripture will be read by Harry Wagner, senior class president.

Former Administrator

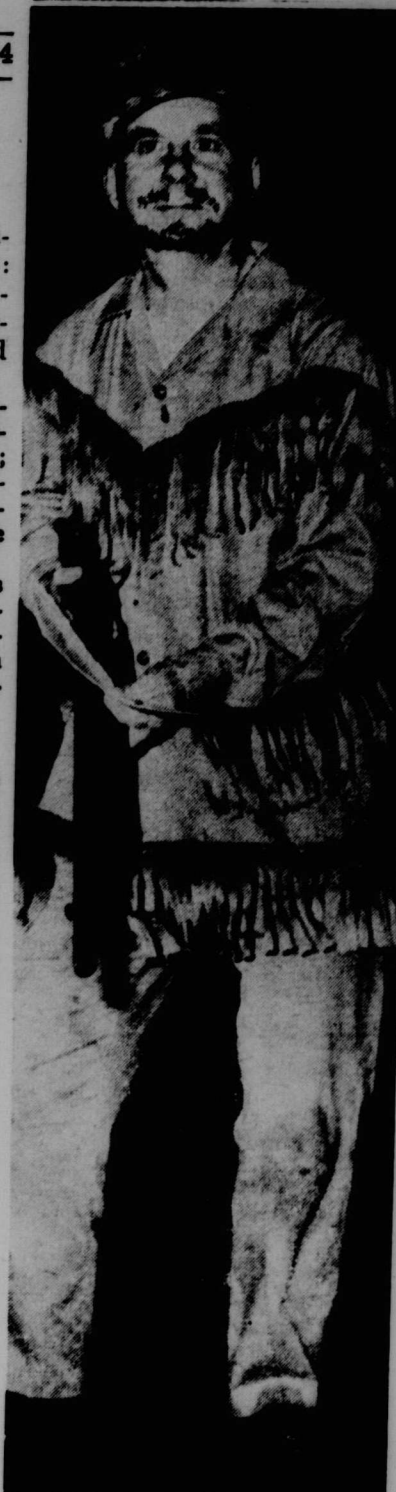

Dr. Orton is a former assistant administrator of the Federal Civil Defense Administration and is currently consultant to the United States Air Force, director and executive committeeman of the American Arbitration Association, trustee of Pratt Institute, director of Council for International Progress in Management, director of the New York Chapter, Society for the Advancement of Management, member of the New York State Regents Council on secondary education, director New York state citizens council and a New York City Rotarian.

A graduate of the University of Redlands, he received his master's degree from College of Pacific. Dr. Orton later became founder and president of Stockton College in Stockton. He also holds honorary doctor of laws degrees from University of Redlands, Tusculum College and St. Lawrence University.

Industrial Art Show on Today

Outstanding work of Humboldt State industrial education majors will be on display today when the IE club's first exhibition will be up in room 211 of Jenkins Hall.

Examples of woodwork, cabinet making and metal work will be among many items on display. The exhibit began yesterday.

DR. CROCKETT

Hit of the faculty's annual dig at college life, the Faculty Show, last week was Humboldt's dean of instruction, Dr. Homer Balabanis. Two showings played to packed audiences.

Semester Art Show On Exhibition

What Humboldt State College art students have been creating this semester in and for their classes is being shown this week as the final art exhibit of the year at the college.

The exhibit is similar to the end-of-semester showing of January. It will remain up in the art gallery in the administration building through Friday, May 27, from 8 a. m. to 5 p. m. and the public is invited.

Included in the exhibit are pottery, silk screen prints, lettering, block prints, paintings, landscape drawings, batik photography, general photography, jewelry, three-dimensional design, and other objects.

The exhibit has something to offer every gallery-goer, it was pointed out by Reese Bullen, associate professor of art. Of particular interest, and occupying the central portion of the art gallery, is a mosaic made from magnesite and bits of broken pottery by students of Melvin A. Schuler, Jr., associate professor of art.

Editorials and columns appearing in the Lumberjack reflect the opinion of the writer and not necessarily the opinion of the staff or of Humboldt State College.

More Orchids

With this issue, the Lumberjack writes "30" to another year of publication, the 28th in its history, and another year of school activities. The Lumberjack and its sister publication, the Sempervirens, have taken a definite stride forward during the 1954-55 school year. So, too, have many campus activities.

Many students have taken part in these improvements and in maintaining those worthwhile college activities previously established. Some have been and will be mentioned in the form of awards. To the rest, the majority by far, must go only the satisfaction of a job well done, and this, the thanks of the Lumberjack to the hundreds of students whose participation is the grease which makes the wheels of student activities go around.

Of All Things

By SYD STIBBARD

I guess that now would be the time to yell about finals and all the worrying I am supposed to be doing over them, and all that sort of thing. I am away off the track again like I was during the last finals. This is due to the combined effects of a book on Proust, a novel by a fellow named Gaddis called *The Recognitions*, and a letter from Howard Oldham . . . Anyhow, what I really have been thinking about this week is the Lewis Memorial that the C. U. members have made here on campus. The stone for the walk looks like Jacoby Creek stone . . . that sort of greenish, nice-looking stone.

Anyone knows that the reason the meat markets have that green parsley and paper jammed around the meat to make the meat look more red . . . The eye gets tired of the green and actually registers more green than there really is there.

The walk on the memorial is twice defeated. First of all it is a very light green stone, a subtle tint. Around this light color is cement to hold the rocks in place . . . And this is colored green, of all colors. And this all sits in the middle of the greenest of all green things . . . a lawn. That poor green stone didn't have a chance.

All of this might help you out if anyone asks you about the stone walk on a final test. If not, just use it for General Knowledge . . . of all things.

Club Capers

Spanish, French and German parties were held recently at the home of Dr. Wood, with slide showings, appropriate music and refreshments. C'est bon, no?

The Newman Club held a picnic last Sunday at Williams Grove. They were joined by members of the Stella Maris Club of Eureka. About 40 or 50 members of both groups swam and played baseball to their hearts content, Pat Hammond reports.

The bright sunshiny weather we're having lately seems to be inspiring other picnics, too. Alpha Psi Omega is joining forces with the Drama Club for an after-finals fling. Joline Benites is chairman of the affair.

Last Friday Journalism Day was a rip-roaring success, thanks to all the help from Eureka Newspapers employees, Publisher Don O'Kane and the many exhibitors who participated, plus all the eager high school students who covered the campus. Members of the Press-Radio Club assisted as guides, table-setters, and so on. The club itself as a climax of the busy day, sponsored its First Annual Awards Banquet at the Big Four Inn.

College "Y" members held a weiner roast Wednesday at Redwood Park to plan next year's program and decide on the next cabinet.

Clam Beach Study To Begin In June, Continue Until Fall

A study of clam beds on Clam Beach to be undertaken by the members of Humboldt State's fisheries and wildlife department will get under way next month and continue through September.

Authorized by the Humboldt County Board of Supervisors with the support of local sportsman's groups, and the State Department of Fish and Game, the survey will determine whether clams are being over or under-harvested, and the fitness of regulations applying to clam digging.

Traditional Senior Faculty Banquet Held In Scotia Inn

About 122 seniors and faculty members and their wives attended the traditional senior-faculty banquet Saturday night at the Scotia Inn.

Entertainment was presented by both seniors and faculty. The former presented a running skit "Things We Remember" which took-off on characteristics of the campus, weather and faculty.

Participating were Paul Jensen as master of ceremonies, Richard Soule, Bill Meyer, Jim McAuley, Ken Poyfaire, Harry Wagner, class president, welcomed guests early. A pantomime and harmonica solo was given by Charles K. Coon.

On the faculty side "actors" presented "suppressed desires" of instructors. Members of the skit were Dean Homer P. Balabanis, Charles Fulkerson, Miss Dorothy Bissell, Phil Sarboe, Mrs. Helen Everett, Dr. John Pauley, Miss Kate Buchanan and Charles Bloom.

LETTERS TO THE EDITOR

Sir:

Unfortunately, but understandably, the "dedication of a sidewalk" was not taken too seriously when announced during the Faculty Show, and consequently few students and faculty appeared for the ceremony.

Dr. Siemens and ASB Prexy Haines, speaking at the dedication, made it clear the greater the increase in enrollment the greater the risk of losing the tradition of the "friendly college."

This letter is to explain briefly the idea that prompted the designating a sidewalk section on campus as Hello Lane. The idea is not original; many colleges and universities have specified lanes, walks, paths where it is mandatory to speak to whomever one meets while walking there. Here, at least, the friendly, personal greeting is traditionally given.

The section of sidewalk in front of the Administration Building from the entrance south to the steps leading to the library has been so designated at Humboldt State. Interestingly enough, many lasting friendships will be formed from this simple beginning!

With an anticipated enrollment increase next fall, there will be literally hundreds of "short-time strangers" among us; let's remember to greet them on Hello Lane especially, thereby making one attempt to preserve our enviable reputation of "the friendly college."

Sincerely yours,
KATE BUCHANAN,
Associate Dean of Students

Chamber Concert Set For June 4

The last chamber music program of the season, originally scheduled May 29, has been postponed until Saturday, June 4, the music department announced here this week.

The program will be given in Nelson Hall social unit at 8 p. m.

Floyd Glende, assistant professor of music, has arranged the programs for the past year. He announced that a similar series has been scheduled for next year.

On the June 4 program the college trio and woodwind quintet will be featured. Members of the woodwind group are Margaret Peterson, oboe; Maxine Williams, clarinet; Franklin Ward, bassoon; Gerald Chase, French horn, and Charles Fulkerson, flute.

The concert will be a program of pieces by French composers.

This program, like all others in the series, is free and the public is cordially invited to attend.

SALMON BAKE TOMORROW

Completing the year's activities for the HSC faculty and personnel, their wives and families, will be the annual salmon bake slated for tomorrow afternoon at Camp Bauer.

The affair will begin at 1 p. m. with Dr. William Lanphere as head cook assisted by Dr. Dan Brant. Recreation has also been planned, Charles Bloom, faculty social chairman, said.

Zehnder Named KHSC Manager; Goble Director

Announcement of campus radio station KHSC's staff for next semester was made Friday night, May 20, at the Press-Radio club first annual banquet.

In the student-manager position will be Fred Zehnder, with Ron Goble replacing Zehnder as program director. Both will be senior radio majors next semester. The two remaining members of the "old guard" in the radio department, Happy Haft and Don Leach, are news and sports editors.

Two newcomers to the campus station, Frank Bettendorf and Deyrol Anderson, have been named chief announcer and continuity director, respectively.

Joe Trainor, who redesigned much of the studio equipment last year, will again in the fall semester serve as chief engineer. Kathy Chapman, scheduled to be office assistant to Dr. William Ladd, professor in radio-speech, has been assigned to the duties of record librarian.

Today will mark the conclusion of ten weeks of broadcasting for KHSC, with a total of 269½ air hours. Operations will resume early in the fall semester.

Drama Students Plan Summer Play

"Dial M For Murder," a three-act thriller, has been selected for production this summer by interested Humboldt State drama students, announces Chuck Coon.

Coon, who will direct the mystery, stated that many students had expressed a desire for a summer theatre in which they would have time to participate.

Those who would like to try out for the drama are asked to contact the director by postcard at 2024 Third Street, Eureka, before July 1. Production dates will be some time in August.

Fisheries Students Make High Scores

Senior HSC fisheries students placed high on a recent nationwide test to determine qualified beginning professional grade fisheries biologists for the California State Department of Fish and Game.

The examination, given all over the US on March 5, has been designed specifically for the position of Junior Aquatic Biologist, which offers a starting salary of \$3720.

Top three HSC scores, determined by the examination, veterans points and professional fisheries experience, are held by Bill Meyer, Jim Joseph and Rae Baxter.

Others who scored well on the test include Harry Wagner, Ken Gelatt, Paul Jensen, Glen Russell and Dan Christensen. Places were determined by veterans preference points, which many did not have, and professional fisheries experience, as well as the test grade.

HAINES, FLAMMER BACK

Outgoing ASB President Dwain Haines and President-Elect Larry Flammer returned recently from a convention of the Pacific Student Presidents' Association at San Diego.

Harpham and Walsh Named Publications Editors

Muri Harpham, junior journalism major from Snohomish, Washington, and Gerald "Sharkey" Walsh, sophomore art major from Eureka, were named editors of Humboldt State publications when the college's Press-Radio club held its first annual banquet last Friday in the Big Four Inn.

Harpham, present sports editor, will move up to edit the Lumberjack next year, with Walsh replacing Ray Smeltzer as head man on the Sempervirens.

Some 41 Press-Radio clubbers, their guests and representatives of local newspapers and radio stations, attended the banquet, which rounded off the college's first observance of Journalism Day.

Guest speaker at the banquet was Richard A. Litfin, Pacific Division business manager of United Press, who outlined the services provided by the wire service which serves newspapers, radio stations and television stations with news, pictures and movie news briefs.

"The wire services are the most competitive business in the world," Litfin told assembled Press-Radio clubbers.

The resignation of Georgi Malenkov as premier of the U. S. S. R., he said, was won by United Press when a reporter out-ran his competitors in a three-block footrace to the nearest telephone, then tied up the line to London for seven hours.

Press-Radio club awards for outstanding service on publications and station KHSC staffs went to six students. Radio awards went to Happy Haft, most improved KHSC staff member; Deyrol Anderson, most promising newcomer; and Ron Goble, best all-around staff member.

Blanche Harpham was awarded the club's certificate of merit for the best all-around staff member of the Lumberjack; Chloe Kiggins, most improved; and Frances Stark, best writer.

Special praise went to Dr. Milton Hollstein, assistant professor of journalism; and Don O'Kane, publisher of the Eureka Newspapers, Inc.

Mr. O'Kane was lauded for his many services to the college, and in particular for his help in making possible Journalism Day.

Dr. Hollstein was praised for his work as Lumberjack and Sempervirens adviser, with the news bureau, and in organizing Journalism Day.

Some 60 high school seniors from all over Humboldt County had wound up a day of talks by outstanding local and state newspapermen earlier in the day in the college's first annual observance of Journalism Day.

High school students attended a career panel, saw many exhibits, including a working United Press teletype, heard shop talks by specialists in fields of journalism and were hosted at a special luncheon in Nelson Hall.

Guest speaker for the luncheon was John B. Long, general manager of the California Newspaper Publishers Association. Also on hand for the day's festivities were many publishers from the Redwood Empire, Walter Kane, president of the California Newspaper Publishers Association; Al Gilbert, San Francisco manager of the CNPA; Ray Gleason, editor of the California Publisher; and Mr. Litfin.

923 Fourth

Eureka

HSC Finishes 3rd After Split With Wildcats

Conference baseball activity came to a close last Friday when Chico met the Lumberjacks in Arcata for the FWC finale. The results put Sacramento in first with Chico in second and HSC in third.

The Jacks dropped the first game 15-0 behind the three-hit pitching of Wildcat lefthander Bob Stockton who gave the Jacks their first shutout in 23 starts. The second contest saw the Hilltoppers hit their mid-season stride as they laced out a 7-2 win. This time it was HSC's Jim Richardson who limited the opposition to three hits.

Al Gray, still weak from an operation on an ulcerated tooth, was not up to par in the first game as the Cats touched him for 11 hits in five innings, scoring a single run in the second on Norm Coons' triple, four runs in the third, four more in the fourth, two in the fifth and four in the sixth.

Jack Kinser, Bill Tuttle and Larry Taylor each got one hit which gave little help to the cause. The Jacks also committed 10 errors which accounted for a number of the runs.

Chico scored two runs in the top of the first in the second game, but from there on out it was the local's game. While Richardson was holding the Cats to three hits his teammates were connecting for seven well placed hits.

Humboldt scored four runs in the third when Tuttle doubled with the bases loaded and Bob Lawson followed with a single then collaborated with Tuttle for a run on a double steal.

Ossie Gooden put the game in the bag for the green and gold nine in the fifth when he rapped a three run homer over the center field fence. Phil Huff had a two for two day at the plate for the Jacks in the second contest.

SWINGING THE AXE

By MURL HARPHAM

Shakespeare once said, "All the world's a stage and all the men and women merely players." These words are well exemplified here at Humboldt when the final curtain rings down for those who will leave our halls with diplomas in hand.

Come fall and the football field will be filled with sweat streaked men again, but the gridiron will be absent of the men who only the year before had been the backbone of the squad. Others will rise to take their place, but only after a feeling of uneasiness. And it will go on and on, but never forgotten.

Twelve seniors will vacate lockers in the gym as they make the final burst for the tape. But yet, is it really the final lunge or only the start of the race?

After four years of great football at HSC, Ray Mechals will finally hang up his pads. It would take a whole column to list the honors Ray has won playing football for Sarboe.

Hank Yamagata is another four-year man who will be sorely missed next fall as will Dale "the toe" Thomas. Dale never starred as a player but his extra points won many games for the Lumberjacks.

Jim Ingram is another one of those guys with an armload of honors, both on and off the field. And who will ever forget Keith Darling, one of the boys who played four years for Sarboe after playing for him in high school.

Red "red dog" Petterson will leave after making a name for himself as a precise blocker.

Bob Eggers was another four-year man who won honors on and off the gridiron as was Jerry Smith who saw action three years for the green and gold.

Jim McAuley was only a three year man, but it took him only one year to become a dreaded man to the opposition.

Red Wright was an inspiration to any man who put on a uniform. He was always ready and always there.

Bob Hughes only played one year for the Jacks, but in that time he earned honors as an outstanding all-conference end while Fred Yost played two years and made all-conference honors twice. At present Hughes is serving in the U. S. Army.

There are others who won't be back next fall for various reasons like freshman Bill Hicks who is also serving Uncle Sam now and Sophomore Walt Vom Steeg who was recently injured in a mill accident. Walt will be back, but is is not likely that he'll be out for football.

We of the Lumberjack salute you who leave us and hope your next years are as beneficial as the past four have been.

Humboldt Crabs Decision 'Jacks

A two-hit pitching performance by a former Western International league pitcher gave the Humboldt Crabs an 8-3 victory over Humboldt State's Lumberjacks in Albee Stadium Tuesday night.

Lanky Gene Johnson fired it up for the Crabs to give them the rubber game of the three-game series between the semi-pro's and the college and end Humboldt State's 1955 baseball season.

The loss was Humboldt's tenth against fifteen wins in the '55 campaign.

The Crabs scored four runs in the third inning when third-baseman Al Schrader, who'll be in Humboldt State togs next spring, walloped a triple with the bases loaded, and scored on an infield out.

Humboldt bounced back in the sixth with three runs on Bill Tuttle's single, a walk and three errors, but the Crabs got them all back in the bottom half of the inning. Johnson tripled with men on second and third, then two more hits sent Lumberjack starter Jim Richardson to the shower.

It was the first loss of the season for Richardson, who beat the Crabs 7-2 earlier in the year.

Football Prospects Look Bright As Coach Sarboe Surveys Squad

With summer vacation upon us and the spring sports wrapped up for another year, it is actually only a couple of weeks away till football again rises on the HSC campus.

Football Coach Phil Sarboe, realizing the nearness, held a meeting Monday night for prospective 1955 football candidates.

Two boys who may be back to help the squad considerably are a couple of chaps who helped lead the Jacks to their first conference championship in 1952. One is Glenn Wallace, a tall end famous in Humboldt county for his uncanny pass catching ability. Glenn caught the winning pass in the Jacks' bid for the championship. He is also an all-conference basketball player.

The other boy is Jerry Garcea who threw the winning pass to Glenn. Jerry is a triple-threat back and a coach's dream.

Those who signed up, not including incoming high school stars, are: Earl Barnum, halfback; Harman Bonniksen, speedy halfback; Garry Brennan, tackle; Bob Chapman, sturdy tackle; Henry Cooper, back; Jug Davis, flashy favorite halfback; Earl Ebert.

Jim Evans, dependable center; Ozzie Gooden, valuable back; Happy Haft, pass snagging end; Alan Hendrickson, dependable quarterback; Phil Huff, number one tackle last year; Ralph Johnson, rugged guard; Jim Joseph, rugged guard, Jack Kinser, quarterback with lots of promise; Gordon McBride, handy lineman; Ralph Mayo, all-purpose back.

Jack Menzia, quarterback with a good arm; Joe Myers, likely starter in the line; Jim Richardson, a new quarterback; Frank Santos, small but fast back; Warren Smith, another back who could draw the starting nod; William Wilber, a halfback with promise; Gerald Wilfley, a line prospect; Marshall Young, a rugged end; and Jerry Bartlett, a big guard who saw lots of action.

Phil Sarboe and his assistants are sweating it out with a few boys

who are in question about coming out next fall. They are: Russ Ashburn, a top-notch fullback; Jack Retzliff, who starred at halfback last year; Bob Stevenson, a first line tackle; Jug Davis and Ozzie Gooden.

Baseball Players To Keep in Shape

Those few students who followed the Lumberjacks through the baseball season will get a chance to see the college boys perform this summer.

Ralph Mayo, Jack Kinser, Paul Huff, Ben Henke, Jim Richardson and Bob Lawson all plan on playing for the Humboldt Crabs this summer while Ozzie Gooden, Bill Tuttle, Tom Retzliff and Jug Davis will be on the diamond for the Arcata Chiefs.

Ray Mechals, Bob Flockhart and Happy Haft plan on playing for Blue Lake while Troy Bramlet will turn out for Weott.

Murdoch To Head HSC Cheer Leaders

Tom Murdoch, senior social science major from Anaheim, was named head cheer leader for the 1955-56 school year this week after tryouts held under the supervision of rally commissioner Jim Nameth.

Assistant cheer leaders for the coming sports calendar will be Bob Maupin and Justin Crosby.
