

# Jazz Concert Here April 22

## FIRST JAZZ TROUPE TO VISIT HSC CONTAINS TOP ARTISTS

"Jazz Showcase '57" is coming to Humboldt State College Monday, April 22. This is the first big name jazz troupe to come to HSC.

Some of the top artists who will be here to perform are the Pete Jolly Trio, Jack Montrose, Donna Fuller and Sonny Criss. These stars have traveled from one end of the country to the other giving performances.

Pete Jolly, who is only 21, is a mature pianist, who loves swing. He has a highly individual style with a trace of Bud Powell in his work. Everything he has picked up along the way has been

adapted to, and transformed by, his own personality, by his own distinctly original and refreshing ideas on the music before him. The Pete Jolly Trio now record for RCA Victor.

Jack Montrose wanted to play the cornet. By accident his father bought him a clarinet. Thus started his musical career. After several years of playing the clarinet he switched to the tenor saxophone which he now plays. Montrose has become one of West Coast's Jazz' strongest voices. He was recently with The Stan Kenton orchestra. He records for RCA Victor, Atlantic and Pacific.

Donna Fuller was born in Northern California a few miles from San Francisco. In 1950 she won the Miss San Mateo contest, and represented San Mateo county in the Miss California contest. After traveling all over and singing in many different night spots she was signed for Liberty records by Si Waronker and Jack Ames. Miss Fuller is a relatively new performer, but destined to go a long way.

Sonny Criss has been playing Jazz literally "since the cradle," and is universally recognized as one of the more competent musicians in the field. Criss has appeared with Billy Eckstine, the Jazz at the Philharmonic Tours in 1948 and 1949, with Howard Rumsey & The Lighthouse All-Stars in 1950, Flip Phillips, Buddy Rich, George Shearing and last year, with the 1955 Stan Kenton "Jazz Showcase."

With these popular stars coming to HSC, "Jazz Showcase '57" promises to be a show no one will want to miss.

This jazz concert is open to the public with the admission price of 75 cents for all students with Student Body Cards, including high school students, and \$1 general admission. It will be held in the college gymnasium at 8 p. m.

## FIRST HILLTOPPER NEAR SELL-OUT

The first issue of Hilltopper magazine was a near sell-out Wednesday, according to business manager Phil Bartlett.

"The sale met our best expectations," Bartlett said. The staff placed 550 copies on sale and printed an additional 450 for distribution by the public relations committee and journalism department.

The few remaining copies were placed on sale in the book store Thursday morning. Price is 25 cents.

Hilltopper was produced as a journalism laboratory project, the first printed magazine ever to appear on campus.

Other staff members are Chloe Kiggins DeBrunner, editor; Fran Stark, photo editor; Tom Freeman, distribution manager. Other contributors were Dick Laursen, Harmony Harper Moreland, Sid Fauerbach, Eddie Keenan, Tony Vasquez and Arnold Carter.

Assisting in the sales program were members of Intercollegiate Knights and the Veterans club. The publicity staff includes Kay Price, Sandra Aycock, Paul Groves, Buck Downard and Joe Romero.

## Student Body Elections Well Underway; Petitions Not Due Until April 24

Student body elections are getting well under way with petitions out and not due back until April 24. Petitions can still be picked up in the graduate manager's office or the Student Body office.

All indications point toward one of the biggest elections Humboldt State has ever had. Parties are in the process of being formed with the announcement of candidates and platforms soon to be made.

In the general election of May 1 the following offices will be filled: president, vice-president, secretary, treasurer, awards commissioner, organizations and activities commissioner, publications commissioner, rally commissioner and assemblies commissioner.

Revisions have been proposed to HSC's Constitution. These revisions have gone through the Inter-Club Senate and the Executive Council. In the general elections on May 1 students will have the opportunity to approve or disapprove these revisions.

Members of the Executive Council along with the Inter-Collegiate Knights, Circle K and Comus have been working on the

plans of the general election.

It was decided to have two days with voting in the main hall of the Administration building. Thursday the voting polls will be moved to the Coop and Wildlife building.

## NEW POLITICAL PARTY FORMED

The campus political pot began boiling this week with the announcement of the formation of a new political party to be known as the Senate party.

The Senate party members describe their organization as a "conservative governmental organization formed as a permanent part of the student functions on campus." The group has written a platform but has not yet chosen to make the planks public.

Chip Brodie was chosen by the Senate Party to run for the ASB presidency as were Nick Zuppo, vice president; Pat Hodges, secretary; Jim Knox, treasurer; Jay Eshelman, activities commissioner; Gary Mead, Rally commissioner; Sid Fauerbach, publications commissioner; Larry Westlake, assemblies commissioner and Warren Baker, awards commissioner.

The general student body elections are scheduled for May 1.

## Last Faculty Forum Set For April 24

The final Faculty Forum presentation of this school year will be given Wednesday, April 24, at 8 p. m. in the Humboldt State College Wildlife auditorium by Leland Barlow, chairman of the division of fine and applied arts.

"European Pasticcio," the title of his talk, will be a series of impressions gained by Barlow during his last year's sojourn in Europe. The purpose of his study there was church music and while pursuing this subject he and his family saw most of the countries of Europe.

The medley of ideas and information Barlow has obtained and will share with his audience will be interspersed with color slides.

## Dr. Roske's And Van Doren's Narrative To Be Released By Harper's Wednesday

"Lincoln's Commando," the recently publicized historical narrative written by Humboldt's Assistant Professor of History Dr. Ralph J. Roske and his TV-prominent collaborator, Columbia University professor Charles Van Doren, will be released by Harper's next Wednesday.

The book is an exciting account of the life and adventures of William Barker Cushing, erratic naval hero of the 1860s.

Cushing first entered the life of Ralph Roske when, as a youngster, Roske avidly devoured Teddy Roosevelt's book, "Stirring Tales For Children," and discovered a vivid account of Cushing's resourceful and daring sinking of the iron-clad Albemarle in 1864.

"It wasn't until some twenty years later that I ran across a book entitled 'Battles and Leaders,' which contained one of Cushing's own accounts of a battle," Author Roske reveals. "A little later I learned that the Wisconsin State Historical Library contained original letters he had written to relatives, and so I sent for microfilm copies."

This was the germination of the book to be distributed in bookshops all over the nation beginning next week.

### BEGUN IN DECEMBER

"Lincoln's Commando" was begun in December of 1952, and the first draft was completed in June, 1953, after which the young Ph. D. dispatched it to Harper's.

"They decided it was a good story, but that it would have to be written in a more popular, less scholarly vein," Dr. Roske recalls. "They suggested local touches—on-the-spot research in Delafield, Wisconsin, where Cushing and his family had come from, and in Fredonia, where he had been raised. But it was impossible for me to get away at the time, so they then suggested I have a collaborator. This was fine with me."

"They came up with Charles Van Doren, son of Poet Mark Van

Doren. Now, of course, he needs no introduction. This was before he became famous," Dr. Roske laughs, his eyes twinkling behind the rust-colored horn-rimmed glasses which seem to type-cast a scholar.

"Van Doren started work on the book in June of '55, and visited Fredonia and Annapolis to write in some local color and intimate touches. Then he began to send me the revisions, and we batted it back and forth for several months before the final manuscript went to Harper's in November of last year," he reveals.

### TV APPEARANCES

During Easter vacation Ralph Roske will make several radio and television appearances in San Francisco to publicize "Lincoln's Commando" on the West Coast, although probably not on such a large scale as has his collaborator, who spent 14 weeks on the eastern television extravaganza, "Twenty-One," and finished nearly \$130,000 richer (before taxes.)

## MEAD SELECTED HEAD LEADER

After yell leaders tryouts last Wednesday the Rally Committee chose Gary Mead as head leader for next year.

Backing Mead up will be Mary Hale, Armand Baradat, Dick Stokes and Glenn Bridges.

"I feel that next year, with the co-operation of the Student Body together with some new routines, HSC will have so much fire it will take more than water to put it out," Mead says.

It is the job of the yell leaders to perform at games and to keep up the school spirit.

Song queen tryouts were also held, but as the paper went to press the committee had not made its selections.

Posing for the Lumberjack cameraman are next year's new yell leaders. They are Mary Hale, center, and left to right, Armand Baradat, Dick Stokes and Glenn Bridges. Not pictured is head leader Gary Mead.

## What Have You Done?

With Easter vacation upon us, it is a good time to evaluate the school year thus far. Ask yourself these questions: What have I done this year? Have I accomplished anything worthy? Was the effort I put forth my best? If you can answer these questions and obtain the "right" answers, worthwhile, meaningful ones, then you haven't wasted the year. If, on the other hand, your answers are in a negative, unsatisfactory light, some tall thinking is in order. If you have not accomplished anything or have been lackadaisical another question should be put forth: Why? Once you've found this answer, be it laziness, an unwise use of time or an over-balanced social life, don't stop there. Plans should be made to correct the situation, that is if you are interested in doing so. No doubt a few are here for other reasons than learning. But for those of you who truly want an education, remember it just isn't absorbed without any effort being put forth on your part. So if you have fallen down a bit this year it will only hurt you; however, it still isn't too late to rectify, in part at least, a few of your mistakes.

You only get out of college what you put in it.

## The LOOKOUT

Unless a deadline deluge of applicants changes the situation, seven student body elective offices will go unclaimed in the April 30-May 1 election, and 11 candidates will run unopposed. Application deadline is 3:30 p.m. today in the Student Union.

No candidates had signed for ASB corresponding secretary, female senior justice, female junior justice, junior class secretary, junior treasurer, junior representative and sophomore treasurer by 4 p.m. yesterday.

Apparent apathy stems from a Student Court decision last week stipulating that students elected in the March 14-15 elections must re-run for office and the fact that the 2.25 grade point requirement is prohibitive.

—SPARTAN DAILY, San Jose State College

The symbolic guardian of the gates of Shasta College is suffering a cold winter with no pants. The Knight that used to stand near the front of the school is out in the shop awaiting a pair of metal pants. It seems as if this Knight has had more than his share of trouble anyway.

The Knight was built about two years ago in the college shop. Since that time he has had his lance stolen on several occasions. He has withstood the elements without pants and has taken a brief sojourn at American River JC. At Am-

erican River he was placed upon their main building and was ridiculed with great gusto. He made the trip back to Redding via U. S. mail, a mode of transportation ill-befitting such a distinguished personage.

—THE LANCE, Shasta College

The armadillo being shipped to ASUSF for a school "pet" fell under the spell of some cheese and hamburger sandwiches on his way here, and died quietly in Redondo Beach, Calif. Said armadillo was to have received many laurels on its arrival here. Unfortunately the chuck ruined his luck. Huk.

—FOGHORN, University of San Francisco

Women are superior to men, according to Dr. Ashley Montagu, noted anthropologist, and recent winner of \$32,000 on the \$64,000 question on television. In a lecture called "The Natural Superiority of Women," Dr. Montagu will expound this theory on the campus on Wednesday, March 13, at 12:15 p.m. in the Main Auditorium.

Dr. Montagu bases his opinions on social and biological evidence (he himself is also a professor of anatomy) and hopes a day will come when women will take their rightful place in the world. He has called men mere "undeveloped females", who have not the humanity or depth of feeling of woman.

—GOLDEN GATOR, S. F. State College

## CIPA CAPITOL REPORT

Legislative action on proposed new state colleges stepped up in volume last week as a senate subcommittee approved an omnibus bill calling for no fewer than 10 new sites.

The measure, which was approved April 2 by an education subcommittee, calls for "immediate construction" of five new colleges and for site acquisition for five others.

Passage by the full senate education committee was almost assured by the subcommittee action, but the bill faces an uphill fight from there to the governor's desk. Dr. J. Burton Vasche, state college director for the department of education, is on record as saying the state cannot afford more than "two or three" colleges during the next few years.

Meanwhile, the assembly continued its piece-meal consideration of each individual state college measure. The education committee gave its approval April 3 to a bill calling for a new state college in the Solano-Napa area. That was the second site approved by the assembly group.

The senate's measure calls for colleges in Alameda, Orange, and Stanislaus counties and in the Sonoma-Marlin-Solano-Napa and Monterey-Santa Cruz areas.

The bill provides for site acquisition in San Mateo, Kern and Contra Costa counties, in the San Bernardino-Riverside area and a second college in the Marin-Solano-Napa-Sonoma area.

A \$551,560 item for a health and infirmary building at California Polytechnic College's San Luis Obispo campus is back in the state budget.

The senate finance committee reversed a subcommittee's decision to trim the budget by that amount April 4. The subcommittee wanted to remove the money which provides hospital beds for the structure.

## The Inquiring Reporter

**QUESTION: What are you going to do on your Easter Vacation?**

**Carolyn Senter Pastorino**, Senior, group major. "I am going to stay home and catch up on all my house work."

**Betty Faulkner**, junior, business Ed. major. "I don't know yet but I will probably work."

**Jim Westman**, senior, music major. "I am going to Pasadena for a music convention."

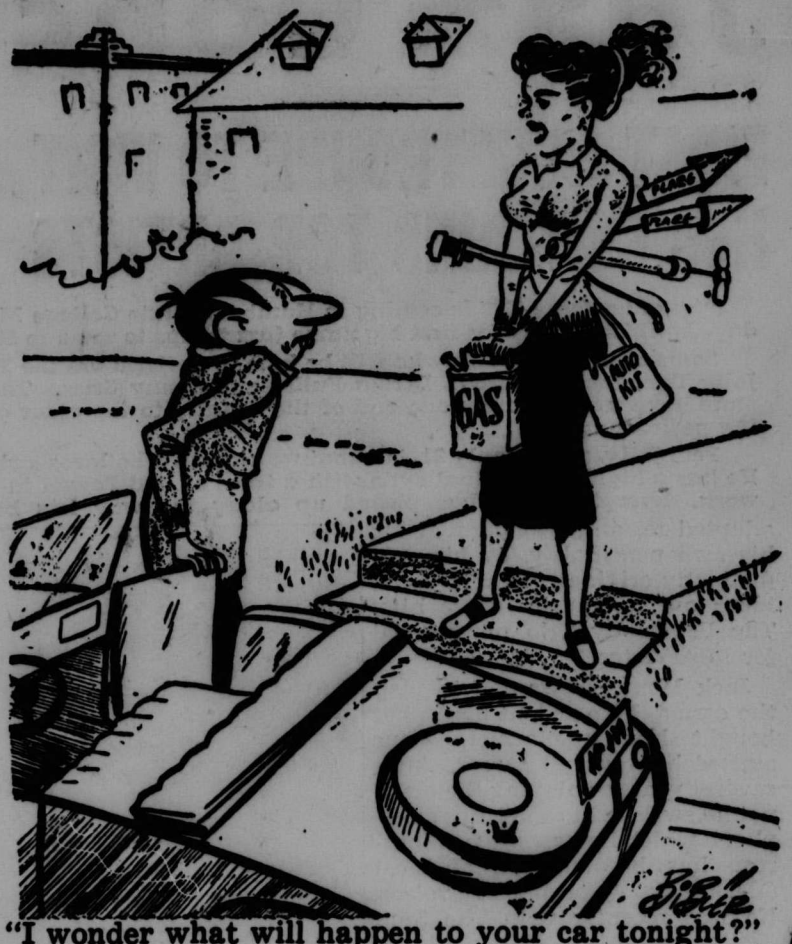

**Jim Babcock**, sophomore, physical education major. "Work nights and sleep days and also catch up on my economic geography and term papers."

**Harmony Moreland**, freshman, English major. "I'm going to work, clean house and study."

**Wally Sinclair**, junior, dramatics major. "I am going to San Francisco, then home to Fresno and have a general ball."

## Minutes of the Student Council

April 4, 1957

The meeting was called to order by President Mike Fielding on the above date. Those present were Joe Chappelle, Hank Cooper, Jim Callison, Sandi Wahlund, Jim Barnes, Jon Mitts, Chip Brodie, Joyce Weaver, Don Peterson, Dr. Karshner and Roberta Johnson.

The minutes were approved as submitted.

### CORRESPONDENCE

A letter was received from the Milton Morison Agency informing the council that a Carnivale Calypso is obtainable. The council agreed that we could not sponsor this show.

### OLD BUSINESS

It was reported that ICS has started working on the constitution ballot and the election banners have been started. A committee has been formed from ICS to see if we can secure a sign similar to that of the plaza sign for the campus.

### NEW BUSINESS

It was moved, seconded and passed to accept Jean Sylva and Sidney Fauerbach as Board of Control members for the present year. Sidney and Jean are to be notified that they will be considered for appointment for next year. It was decided to publicize in the Lumberjack that there will be a test given before May 1 to select new Board of Control members for the year 1957-58.

### COMMITTEE REPORTS

The ASB Election was discussed and the duties of each committee member were gone over. It was moved, seconded and passed to establish two voting days for election on Wednesday, May 1, and Thursday, May 2. On May 1 the voting booth will be in the Administration Building in the main hall. On Thursday the voting booth will be in the Wildlife Building for half a day and in the Coop the other half of the day. It was decided that there will not be any advertising in the foyer of the Administration Building during the election day.

### COMMISSIONER REPORT

Rally Commissioner reported that there will be Song Queen and Yell Leader tryouts on Tuesday, April 9. The council members are to attend this tryout, at 12 noon in the Little Dining Room.

Board of Finance: It was moved, seconded and passed to accept the following items:

1. Cornus prices for a dance to be held on Friday, April 5, at 50 cents with Activities Cards and 75 cents without.

2. Budgetary Change: \$425 increase in Card Sales Income, New Expense Account, Jazz Concert Expense \$425. The income from

the concert will be put in to U.S. allocated.

It was reported that a letter was received from Laurell Del Lodge concerning prices for the retreat. It will cost \$324 for 40 people. It was decided that before we accept this price that Jim Callison is to investigate Holberg's.

The duties of the Jazz Concert committee members were discussed. Mike handed out posters to advertise the Jazz Concert to be held in the Gym on Monday, April 22.

Dr. Karshner: Dr. Karshner complimented the Board of Finance on the excellent job they did on the Bookstore and Graduate Manager's salary schedule.

Respectfully submitted,  
Robert Johnson,  
ASB Secretary  
Mike Fielding,  
ASB President

## Home Ec Girls Brave 'Disaster'

Last week the senior Home Economics girls in the new Home Management House were rudely interrupted from their soft living room chairs by a stream of water flowing into the dining room from a room where the washing machine was operating.

The cause was soon discovered. One of the girls had started the automatic washing machine and had not noticed that the plug had been put into the draining basin by one of the other girls. The result was the mass of water overflowing and running into the two rooms. Rugs were thrown back and the girls, Carol Leach, Rose Linsor, Shirley Marsh and Miss Tschanz, house supervisor, all pitched in with towels and mops to stop the flood from reaching the living room.

Although it was nip and tuck to keep the water from running onto the new rugs in both the living room and dining room, the girls won and no damage was done.

## Spring Vacation Begins Monday

The halls of Humboldt State will ring quiet for over a week while students travel far and near for the annual spring vacation. Classes will end today and resume on Monday, April 22. The only life to be seen at Humboldt will be the office and maintenance staffs going about their jobs, and the building crews busily at work.

NIGHTS

## Drama To Present Last Play Soon

Humboldt State College drama department will present its last play of the year "The Playboy of the Western World" in four performances scheduled for May 3 and 4, and again on May 10 and 11 in the college auditorium.

Synge's Irish comedy will be directed by Dr. Stanley Glenn, and many drama students who have been outstanding in past performances make up the large cast. Leading roles are played by Robert Lloyd, Sally Conklin, Stanley Mott, Herbert McLellan, Arthur Loveland, George Steele and Harold Lewis. Others are Harriett Kuhl, Orville "Buck" Downard, John Smith, Jon Tonge, Aileen Levin and Wallace Sinclair. Bob Maupin is in charge of publicity.

As the fascinating and handsome hero in the Irish comedy "The Playboy of the Western World," Bob Lloyd becomes the center of a tug-of-war between Widow Quin, played by Irene Riley, and Sally Conklin in the role of Peepie Mink. The scene is from the coming drama department production scheduled for May 3 and 4, and 10 and 11, under the direction of Dr. Stanley Glenn.

## Dr. Jones Named Heritage Chairman

Dr. Archie Jones, assistant professor of history and philosophy, was named chairman of the 1958 American Heritage Week observance in a committee meeting. Dr. Ralph Roske, assistant professor of history, headed the committee that planned this year's program. Next year's American Heritage Week will be the third observance. It will be held between the birthday anniversaries of Lincoln and Washington.

## Humboldt Group Takes Steps Toward Establishment Of National Fraternity

A group of Humboldt State students has taken steps toward the establishment of the first national fraternity here.

Several months ago Alpha House, one of the Greek letter living groups on campus, organized the nucleus of a fraternity. Two pledge parties have been held and the group now boasts 45 pledges, who are prospective initiates into a national fraternity should one be established.

Gordon Moore, group president, said the group is still seeking members and another pledge party is being planned.

Other officers are Jim Ennis, vice president; Wally Chase, treasurer; Neil Metcalf, secretary and Pete Carpino, sergeant at arms.

Auxiliary offices are filled by Ralph Johnson, social chairman; Dean McColum, activities chair-

man; Tony Vasquez, historian; Myron Robb, rush chairman; Ben Crabbe, scholarship chairman; Jim Palmer, alumni chairman, and Jim Colwell, pledge master.

Other offices will be filled as the organization grows.

Members who have been pledged have been issued pins and are wearing the badges on campus. The badge consists of a green triangle, denoting the delta, on a round white background. A more elaborate fraternity pin will be worn by members when they are accepted into a national fraternity.

The local organization is being encouraged and assisted by the Chico chapter of Delta Sigma Phi, a national fraternity, which has sent several parties to this region to look over the situation. Reports to the national have been favorable.

Dr. Don W. Karshner, dean of students, pointed out this week that "the group's plans for affiliating with a national fraternity hinge upon the group's ability to buy or rent a house in Arcata. State policy does not permit any organized fraternity to reside in a state owned house, such as the Alpha house dormitory."

As to the administration's policy on fraternities, he explained, "It seems inevitable, in view of the growth of our student body, that fraternities and sororities will someday be established here. The administration of the college feels such groups should be established only when they can prove that they are financially sound."

Group members have been assured that some help in acquiring a house in Arcata will be forthcoming from the national organization, possibly by next fall.

Living costs have been studied by the group and members hope final estimates will not be much more than what students now pay for board and room in the dormitories and Nelson Hall cafeteria.

The group has had one party, a lunch box social, and it was termed successful.

## Booklet Prepared

A 21-page booklet outlining the personnel services offered by the dean of students' office has been prepared by the office and circulated to the faculty.

Approximately 250 copies were included in the first printing. The booklet aims to aid faculty and the students they advise in learning what the functions of the office are and what personnel handle each job.

The booklet will be revised soon. It may be issued later in revised form to students, the office reported.

SACRAMENTO - (CIP) - The state department of public works awarded four contracts Wednesday (April 3) totaling \$693,221 for construction of a cafeteria at San Jose State College.

## Debaters Return; Took To Road Again Yesterday

Showing an excellent improvement in form, Humboldt State College's three man debate team of James Arnot, John Mayfield, and James Shaver returned from participation in the University of Nevada's invitational West Point qualifying debate tournament ready to take to the road once more.

The Lumberjack team left yesterday to represent the Humboldt State College chapter of Pi Kappa Delta at the national convention-tournament at South Dakota College in Brookings, South Dakota, during Easter vacation week.

"Humboldt's best" came out of the Reno event with an eight round debate average of 85 points per round, a total which put them squarely in the center of the "excellent" rating bracket and earned them three certificates of award.

The West Point qualifying tournament was held for the purpose of selecting the three best teams in District I comprising Arizona, California, Nevada and Utah, on the basis of quality ratings rather than wins and losses.

Redlands University, the University of Southern California and San Diego State College were selected to represent the district at West Point. An indication of the closeness of the competition is revealed by the fact that there was no more than a ten point margin between the average scores of top qualified Redlands and Humboldt State College's team.

The hilltop arguers met stiff competition in every round. In sequence they debated the University of Southern California, Stanford University, Redlands University, Occidental College, Arizona State, Loyola University, Los Angeles State College and the College of the Pacific.

At the South Dakota meeting they will debate against colleges and universities from 37 of the 48 states. This will mark the first time in the history of the college that the Humboldt area will have been represented in such competition.

Humboldt State College's forensic team was awarded a charter in Pi Kappa Delta, the event's national honorary sponsor, in November, 1956, and has competed previously in the Province of the Pacific.

The Humboldt State entry is

## COMUS SAYS

Old Comus seemed extremely pleased with the conduct of his followers at their "Happy Hour" last Saturday.

The quiet little get together featured the music of "High Fidelity" Smith and his ten talented toes with Tom Rocha on the drums.

The selections of Bach, Beethoven, etc. rendered by these two masters formed a perfect background for cries of "how did you get out" and "get off the floor Gordy."

Comus did not one small disturbance involving Jules Legier. He didn't go into much detail concerning this however.

Comus CO Turner claims the club is throwing a crab feed on April 27th. All those wishing to get in on it will have to sell out a buck. This bone admits one, or two if you drag a female (woman).

Attention all students... Comus members are now involved in a new racket, they're pushing tickets to the Jazz Concert. Any comusite can furnish a ducat to this collection of hot music for a measly seventy five pennies. The concert is scheduled for April 22 so get on the stick.

## DANCE SET TODAY

Music students will sponsor a dance today at noon in the quadrangle of the Administration building. Everyone is invited to come and relax from the "grind."

accompanied by its coach, Mr. Milton Dobkin, who is one of two Pi Kappa Delta faculty in charge of debate team pairings at the convention.

## 1957 Scholarship Awards Made

Scholarships awards given during this 1957 Spring semester at Humboldt State College have recently been announced by Mr. Albert Blood, coordinator of student scholarships.

Although the majority of scholarships are given in the fall semester for the entire year, with one-half of the amount given each semester, new scholarships are constantly being given. Others are reassigned if the original recipient withdraws from school.

The scholarships are as follows:

Larry Olson, Amity Birthday Club, \$50; Wendy Turner, Arcata Business and Professional Women's Club, \$50; Homer Ratcliff, Arcata Lions Club, \$100; Wallace Albin, Eureka Kiwanis Club, \$50; Douglas Fisher, Henderson Center Kiwanis Club — Game Management, \$25; Wallace Sinclair, Humboldt State College Department Service, \$50; Winifred Young, Alfred Plitz Trust, \$50; Mary West, Jessie E. Sorenson — Speech and Drama, \$50; Irene

## Survey Of Student Activities Made

A comprehensive survey of student activities was conducted this week through a questionnaire prepared by Miss Kate Buchanan, associate dean of students for activities.

The survey is the first of its kind ever undertaken on campus. Miss Buchanan said it was designed to determine whether Humboldt has the kind of activities program the students want; if not, what kind they do want.

"We're going to tabulate responses to the questionnaire and find out what percentage of our students are participating in activities and why the remainder are not.

"Another interesting determination we're looking for is whether student leaders are scholars as well," Miss Buchanan pointed out.

The two-page questionnaire asked students what club memberships they had, what outside groups they belonged to, provided a check list of activities students might be interested in and asked what activities each student has participated in during the past year.

It also asked point blank if the activities program had been adequate as far as the student an-

Van Horn, Soroptimist International of Arcata, \$50; Peter Pollack, Stuart J. Titlow, Memorial, \$50; Bruce Sleeper, YWCA Leadership, \$50.

Physical education awards of \$25 each went to Billy Caver and Rego Piva.

## LITTLE MAN ON CAMPUS

## MUSIC FESTIVAL

Several hundred music students will take part in the annual Humboldt-Del Norte Music Festival, Friday, April 26 in the Humboldt State College gymnasium. The public is invited to attend.

The all-day affair, starting at 10 a. m. and continuing through the afternoon.

Floyde Glende of the College Music Department is in charge of the day's program which will include numbers presented by high school bands, orchestras, chorus and choirs.

swering the questionnaire was concerned.

Responses will be tabulated by Dr. Chester Collins, testing officer in the dean of students office. Class time was allowed Tuesday and Wednesday for filling in the questionnaire in order to get the largest number of responses possible.

Fly ash, formerly a wasted by-product of coal consumption in generation of electricity, now is a valuable manufacturing raw material, used in a multiple number of products, including ready-mixed concrete, building blocks of cinder and concrete, road base coking material in highway construction, as a sand substitute in sand blasting, and many others.

## People May Still Contribute Letters

Faculty members, students and other friends of Mrs. Myrtle M. McKittrick, who will retire as HSC registrar and admissions officer on June 30, are invited to contribute to the two volumes of letters she received as a token of esteem at last week's Alumni Association banquet.

Dr. Don Karshner presented the volumes, including some 135 letters, at the banquet. When the letters were being compiled the association planned to present one volume, which was expanded to two because of the huge response.

"We know there are still others who would like to contribute letters and we would like them to feel that they still may," Dr. Karshner said. Letters should be sent directly to Mrs. McKittrick.

Veterans will be collecting \$2.9 billion by 1960 in government pensions and bonuses for military service, notes a survey of the Twentieth Century Fund.

## AS NAVIGATOR OR PILOT

GET ON  
THE TEAM  
THAT DEFENDS  
AMERICA

The flying U. S. Air Force is a team of men who command the aircraft and men who plan the attack. These are the pilots and navigators, both equally important to the defense of America.

You, as a young man of intelligence and sound physical health, may join this select group in the world's most exciting and rewarding adventure. Your training will stand you in good stead, whatever your future plans may be—and you'll be earning over \$6,000 a year 18 months after training.\*

If you are between 19 and 26½ years of age, investigate your opportunities as an Aviation Cadet in the U. S. Air Force. Priority consideration is now being given to college graduates. For details, write: Aviation Cadet Information, P. O. Box 7608, Washington 4, D. C.

\*Based on pay of married 1st Lieutenant on flight status with 2 years' service or more.

Graduate — Then Fly...U. S. AIR FORCE AVIATION CADET PROGRAM

## Who Dun It... Is Lumberjack Ax Still On Campus

BY SID FAUERBACH

Events and words of grapevine this past week pushes the mysterious disappearance of the Lumberjack Ax deeper into the realm of questionability.

It seems that the vein of feeling concerning its abduction leans towards the idea that the Ax has not taken a trip to the Chico State campus but is staging its hideout somewhere in the Humboldt State College area.

Even the unofficial word of the HSC Student Council has it that such is the case and that they are waiting for further developments before proposing any action for investigating the case in an attempt to find and replace the Ax to its display spot of honor in the Coop.

Also the second metal bracket that held the Ax before its being "lifted" has been broken leading to a scanty supposition that the guilty party has returned to the scene of the crime and has left in its wake another act of "violence," seemingly to flaunt his or their prowess in front of anyone who wishes to observe the area of actions.

Another aspect of the case is that so far no concrete word has been heard to the effect that anyone on campus is forming a group to stage a forage to Chico to see if they can find and regain possession of the Ax, another indication of a feeling being prevalent that the Ax is still in this area.

In trying to formulate an opinion as to the whereabouts of the Ax it must be taken into consideration the idea that it would be very poor timing on Chico's part to steal the Ax, it being five months ago since the last HSC-Chico State football classic and now the time of year being so close to the end of school with final exams and spring functions for students to focus their attention on rather than the Ax itself.

So anyone wishing to become the campus hero of the day may very well have his or her chance at doing so by turning Sherlock Holmes and returning the Ax to a grateful student body.

It is possible to tell whether a deer died of starvation by the color of its bone marrow. If the marrow is white, death was not caused by starvation. If pink to cranberry red, the deer starved.

Welcomed aboard this week as Humboldt State Graduate Manager was Howard Goodwin. He took over Monday, replacing Jack Sears, who resigned to enter private business.

## Five Vacancies On Board Of Control

There are five vacancies on the Board of Control. To become a member of this Board students must be upper division and pass a written examination which will be administered before May 1.

The powers and duties of the Board of Control are to interpret the constitution. Their decision is the final student authority on constitutional matters; to pass on the legality of petitions of initiative, referendum and recall; to review all constitutions that organizations submit to the Executive Council for approval; to assist any member of the Association in matters pertaining to student government; to investigate a contested election. If the Board judges an election illegal, it must call a new election within five school days; to pass on the constitutionality of the actions of the officials, committees and chartered organizations of the Association; to issue writs of mandamus and writs of injunction to all officers of the Association; to take the following measures of enforcement to violate this constitution:

To recommend that the Executive Council discontinue all allocations of Association funds to the official or organization;  
To recommend that the Executive Council revoke the charter of the organization;  
To impeach any officer who persists in the violation of this constitution;

Also to keep a record of the proceedings of the Board of Control; meetings shall be open to all interested parties, but may be adjourned to executive session for study and review of all pertinent data concerning the issue.

Anyone who is interested in applying for the Board of Control should contact Dr. John Baker and plan to take the examination before May 1.

## Dr. Milton Hollstein Answers Questions About Hilltopper, New HSC Magazine

BY DR. MILTON HOLLSTEIN  
Publications Adviser

In the weeks between the announcement of plans for a campus feature magazine and the appearance of Hilltopper Wednesday, the staff received quite a number of questions about the project. What was the magazine's purpose (if any), for whom would it be written, what would it contain.

has Humboldt a "need" for such a publication? These questions came from the general education committee, the public relations committee and, inevitably, the student council and board of finance, as well as at random from students and faculty.

Hilltopper itself should answer most of these questions, but now that the campus has had a chance to examine the magazine perhaps some statements on magazines in general and the Hilltopper in particular will help to indicate just what it is the journalism laboratory is trying to do with this venture.

In the first place, Hilltopper is a radical departure from most campus magazines. The staff hasn't found a single campus magazine quite like it. Most large universities have, or had until their banishment, so-called "humor" magazines that rarely are humorous to anyone but the staff itself. I have gone through entire issues of such magazines without finding a single article I considered was worth the time to write much less the expense to produce, even when considering these articles might contain private or institutional jokes to which I am not privy.

**NEED NOT BE SMUTTY**  
We believe a campus magazine need not be smutty to be lively. We do not believe dullness a virtue and nothing would distress us more than to see Hilltopper degenerate into a "humor" magazine because serious subjects can't be made readable. This, as we see it, is one of the challenges that face journalism students or any students who want to communicate. If we find humor - - tasteful, humorous non-fiction that a fair-minded group of people would agree was funny - - we want, of course, to publish it.

Ideally and in fact the magazine is a medium of interpretation. Newspapers are becoming more interpretive but under present conceptions of their role and

under prevailing newsgathering variables they are primarily geared to the presentation of spot news. As many kinds of magazines as kinds of people are found on news stands, but the general interest, mass circulation magazine has developed a social conscience. Some critics blame the occasional demise of a magazine to the fact it has been edited by manufacturers rather than journalists - - solely to make money. The better magazines speak more plainly and directly and more forcefully than most newspapers. They are less concerned with "promoting" events than with enlarging upon our understanding of events and the people who make them.

We are intrigued by the vast possibilities a campus magazine has of interpreting the campus community both to its own students and to publics to whom the campus looks for support.

Not even the Lumberjack, tied to the weekly chore of presenting news as completely as possible and facing limitations in time and space, can do this interpretive job fully. Yet the possibilities for feature articles on the Humboldt campus and its people are endless.

**A GOOD START**  
We hope you agree that Hilltopper's first issue has been a good start in this direction. My own feeling is that the staff has done an astonishingly good job and retained the purpose and feeling set out in the magazine's prospectus.

Next year Hilltopper will draw a small subsidy from student body funds. We hope and expect with more pages, more color, to publish two issues a year, with more art work, more articles and more filler than in this first modest effort. We hope the magazine will offer to writers, photographers and artists another creative outlet and to advertising and sales students another laboratory. You are most welcome to join us or to give us your constructive suggestions.

## Campus Spotlight

BY JEWELL

Ahhhhhhh... Easter vacation! Rest, relaxation, recreation... but alas and alack, for yours truly, and many, many others, this will not be the entire story. What with the end of the semester rapidly drawing to a close, and term papers and tests flying thick and fast, this "vacation" will be mainly a catch-up, study period. Oh, well...

Talking about Easter makes one think of new Easter finery. And, fellas, get on the ball - - the girls always get "decked out", so why not you? And what better way to "put on the style" than with the new Ivy look? Daly's Men's Store of Eureka has a tremendous new selection of Ivy sport coats and slacks. Louart of California is presenting a smart and snappy three-button, narrow lapel sport coat. All wool and wool blends, your choice of grey, beige, charcoal and brown. Regulars and longs, sizes 37-44. \$39.95.

And the sharp slacks are all-wool flannel with a medium grey, charcoal and medium brown color range. Sizes 29-34, \$14.95.

After school resumes again, social activities will continue in full force. A spectacular first for HSC will be the "Jazz Showcase" April 22, Monday night. So remember to carry the holiday mood through until that Monday night... And then comes the Spring Prom, Saturday April 27. This big social event of the Spring promises to be even bigger and better than before. Start thinking about it now.

Speaking of firsts, the initial issue of HSC's new non-fiction magazine, Hilltopper, appeared last Wednesday. And we must add, that it was really a superb effort. CHLOE DeBRUNNER, editor, and all her staff and the contributors are to be congratulated. Hope you were all able to secure a copy.

Girls, sit up and take notice - - Daly's of Eureka brings to you a brand, sparkling new Swim Suit Shop. Effectively and attractively decorated, it's "out of this world." The suits, in such a section all by themselves are easy to see and select. And what a selection! Cotton, orlon and wool knits in little boy leg, sheath and bloomer leg styles. And colors! Yellow, pink, red, aqua, turquoise, mint, navy, black, white, beige, brown, light blue. These are available in prints, stripes, checks, plaids, polka dots, and solid colors. Wow! Sizes 10-20, \$9.95 to \$29.95. Daly's invites all to come in and just browse around in the shop.

Well, April fool's day has come and gone, and from what we hear, it was a humdinger. The dorms, it seems, really went ALL the way. Frinstance: several people retired that night to a bed generously sprinkled with cleanser and steel wool. Of course, such things as the exchanging of dresser drawers took place, but by far the most "ingenious" stunt was the following: JUDY FERGUSON, MARY WEST and JACQUIE McLEOD were to return from a weekend away from the dorm to a room nearly full of crumpled newspapers. And then we heard that the "culprits" (who will remain nameless) were caught posing for a picture beside the rubble. Such is life...

Well, everybody, be sure to have a good vacation... and if it's possible, don't work too hard.

Jewell

# Netters Sweep Southern Oregon, Teams Meet Again

The HSC Netmen took a clean sweep from the Southern Oregon Red Raiders in their first inter-collegiate action of the year.

The tennis team took all five singles matches, and the only doubles match which was played. The number one match between Jack Geary, Bob Agnew of Humboldt, and Bill Crawford, Bill Isaacs of the Raiders, was called off on account of rain.

This victory was somewhat of a revenge victory for HSC's netmen, as last year they were beaten 7-0 by the same Southern Oregon team.

In the singles matches Geary defeated Crawford 6-2, 4-6, 6-3; Agnew defeated Isaacs 6-3, 6-2; Bill Williams defeated Dick Clark 6-0, 7-5. HSC's John Marcuz won out over Lynn Cannam 6-2, 6-1, and Mike McGovern took Juan Swendener by the same 6-2, 6-1 count.

Marcuz and Williams teamed to

# HORSEHIDERS TAKE FOUR WINS, LOSE ONE CONTEST

By BOB BESTOR

Humboldt's defending Far Western Conference title-holders came snarling back to win four consecutive games last weekend after being upset in the opening encounter by the Oregon Tech Owls.

After Friday night's 9-5 drubbing at the hand of the Owls, Humboldt came back on Saturday to trounce Tech 17-9 and 21-3. Sunday afternoon at Crescent City it was all Humboldt again as Ced Kinzer's charges stormed to a 7-3, 13-4 twin win over the Southern Oregon Red Raiders.

Highlight of the Oregon Tech games on Saturday were two tremendous home run shots by freshman outfielder Jesse Washington and veteran catcher Al Schrader. Washington's circuit clout came in the fifth with the bases jammed and sparked a nine hit Humboldt attack in that inning. The big blast carried the high left field wall and lit on the highway 101 freeway.

In the second game Schrader unloaded a home run to dead center field for the 'Jacks. Winning pitchers for the 'Jacks were a pair of port siders, Frank Burke and Bill Wilber.

beat Clark and Cannam 6-1, 6-1, in the doubles match.

The Humboldt Team will meet the Raiders again today for another practice meet which will be played in Ashland. Humboldt is also slated to meet the Arcata Tennis Club Sunday afternoon at the Eureka High courts.

In Sunday's double bill at Crescent City the 'Jacks looked impressive as they whitewashed Southern Oregon 7-3 and 13-4. In the opener the 'Jacks top hurler Jim Richardson handcuffed SOCE with only seven base blows while his mates backed him with nine base hits.

First baseman Al Deniz and second sacker Dick Dudley led the Humboldt hit parade with four hits between them and a pair of triples included in that total.

In the second game of the afternoon the 'Jacks trailed 4-3 until the fifth inning when they opened up eight big runs. Big blow of the game was Dudley's home run which came in that wild eighth inning.

Gary Mauney went the route and yielded only nine safeties while his team mates were collecting 13 bingles off three Red Raider hurlers.

# BLOCK H TAKES INTRAMURAL HOOP CROWN, ALL-STAR TEAM PICKED

By TONY VASQUEZ

Intramural basketball has come to an end and the Block H has established themselves as hoop champions. They were led by Ron Fredericks in the last two games as he scored 35 and 29 points in successive elimination tilts. The IQ's, who won the regular season title, came in second. They were nosed out by the Block H in the finals. Nelson Hall and the Ramblers fought it out for the third and fourth place. The Ramblers prevailed for third place and Nelson Hall settled for fourth.

An all-star team has been named by the managers of the nine teams and they are as follows: Forward, Norm Wright, Ramblers; Forward, Ed Hansen, Nelson Hall; Guard, Ron Fredericks, Block H; Guard, Larry Amos, IQ's; Center, Charlie Hale, IQ's.

A second team was also named and they consist of the following: Forward, Gary Mauney, Ramblers; Forward, Warren Smith, Block H; Guard, Jim Batten, Nelson Hall; Guard, Curt Bolton, CU; Center, Bob Swede, Nelson Hall.

Five men were chosen for honorable mention for their outstanding efforts and good play. They are Bob Wright, Dennis Coleron, Jerry Anderson, Dick Laursen and Earl Barnum.

Block H decidedly defeated the IQ's for the championship 52-45 last Wednesday. Ron Fredericks led the Block H attack with 29 points and was the outstanding man on the floor all night. John Borel racked up 14 points for the IQ's followed by Charles Hale with 12.

In the preliminary game the Ramblers marched over Nelson Hall 68-48. Gary Mauney scored 26 points to lead the Ramblers to victory. He was followed by Bob Wright with 12. Bob Swede garnered 15 points for Nelson Hall and he was backed by 13 points from Ed Hansen.

The championship game was a closely contested affair until the middle of the third quarter. At that point the Block H team began to assert their superiority and held the lead for the remainder of the game. The score at the end of the first quarter was 13-11 in favor of the Block H. At half time it was all tied up at 25 all.

The final league standings are as follows after the tournament: Block H ..... 1  
IQ's ..... 2  
Ramblers ..... 3

Nelson Hall	.....	4
CU	.....	5
Alpha House	.....	6
Redwood Hall	.....	7
IK's	.....	8
Faculty	.....	9

The leading scorers in five games or better in intramurals were the following: Charlie Hale, 119; Ron Fredericks, 93; Jim Batten, 82; Larry Amos, 69; Ed Hansen, 66; Bob Swede, 61; Warren Smith, 63; Curtis Bolton, 61; Dick Trone 61 and Dennis Coleron 58.

These points were all scored prior to the championship tournament and all nine team members were on equal footing. The championship tournament points were not taken into consideration.

The statistics are now out on the overall league standings. These points were taken in volleyball, badminton, basketball and table tennis, and are a total of all the winter sports.

Organization	Volleyball	Badminton	Basketball	Table Tennis	Total
Nelson Hall	130	22	115	45	312
CU	100	34	100	18	262
Block H	95	0	135	0	230
Redwood Hall	100	16	90	22	228
IQ's	65	0	130	16	211
Alpha House	85	22	100	0	207
Ramblers	55	0	120	16	191
IK's	65	18	60	18	161
Faculty	140	35	45	22	152

From the above table it can be seen that Nelson Hall leads in total points. It also shows that the Faculty because of their poor showing in basketball lost their place from among the top teams.

There may be an entirely changed picture in the standings at the end of the spring sports. The many teams are striving hard (Continued on Page Seven)

Make friends with Winston!

## WINSTON is in a class by itself for flavor!

It's fun to share a good thing! That's why you see so many Winstons being passed around these days. Try 'em. You'll like their rich, full flavor, too. And you'll like the way the Winston filter,

Smoke WINSTON...enjoy the snow-white filter in the cork-smooth tip!

# JACKS WIND UP PRACTICE SEASON

Earl Barnum goes high in the air on way to his winning broad jump in last Saturday's home meet with the Cal Aggies which the Jacks lost 69-62. Barnum is Far Western Conference record-holder in the broad jump.

## TRACK TEAM DROPS CLOSE AGGIE MEET

BY TOM FAY

In their only home meet of the year, the Humboldt State thin-clads lost out by a slight seven point margin to the Cal Aggies from Davis. The meet was nip-and-tuck all the way through and just a second and third place falling the other way could have decided the battle in favor of the Green and Gold.

The meet was predicted to be a toss-up, and that is what it was as the 69-62 score indicates. Points were awarded on a 5-3-1 basis, that is five for first and so on.

Freshman Manuel Vasquez, who came to Humboldt State as a mid-term graduate from high school, was a shining star in the meet as he won three firsts, a second and ran on the winning relay team.

Vasquez, who has yet to be beaten in a dash in four meets this year, took the 100 yard dash in 10.3, the 220 yard dash in 23.2 and the 220 yard low hurdles. This was only the second time he had participated in the hurdle event, and the time for the dashes were good considering he was running into a head wind.

Team co-captains, and also very consistent winners for the track squad, Earl Barnum and Paul Williams, each took victories in their specialties, Barnum winning the high jump and broad jump, while Williams took the 440 in 51.6. Larry Amos finished second in the event. Barnum's winning leap was 6' for the high jump and 22' 4 1/2" in the broad jump.

Rigo Piva, another frosh who has proved to be a consistent winner in the pole vault, went 12' in taking the event. Vasquez finished second behind him.

The lack of all-important seconds and thirds again told the tale as Humboldt led in first place finishes, eight to seven, but fell down after that.

The Lumberjacks other first

## Golfers Have Match This Weekend, Drop Events At Chico

Humboldt State's varsity golf will attempt to get back in the win column this weekend when they travel to Garberville to take on the Benbow Golf and Country Club squad Sunday at 11 a.m. at Benbow.

Last week at Chico the 'Jacks were beaten by Sacramento State 8-7, Nevada 9-6 and wiped out by Chico State 15-0. Chico's No. 2 man Vic Santa Maria ended the first nine with a 37, two over par, and then came back the second nine with a fine 33, two under par.

Top performance for Humboldt was turned in by freshman Bob Bestor as he fired a 79 and accounted for 5 of the 'Jacks total of 13 points. Bestor defeated Bob Tait of Sacramento 3-0, and Murray Gifford of Nevada 2-1 but was beaten by medalist Santa Maria of Chico 3-0.

Bob Archibald with an 82 and Jim Knox with a 90 each picked up 4 counters for the remainder of Humboldt's points. Other Lumberjack scores were Allan Hendrickson 87 and Captain Bob Rice 89.

Coach Phil Sarboe said his traveling squad would be composed of Captain Bob Rice, Bob Bestor, Bob Archibald, Al Hendrickson, Jim Knox and Rod Sandretto.

Next scheduled intercollegiate competition will be at Ukiah when the 'Jacks host San Francisco State, Chico State and Cal Aggies, April 20.

## BASEBALL NINE ON FIVE DAY ROAD TRIP TO MEET RED RAIDERS, OWLS

BY DON HARRIS

Five games await the Humboldt State baseball team this weekend as Coach Ced Kinzer's squad winds up a 16 contest practice season and prepares to open defense of the Far Western Conference Co-Championship the Lumberjacks garnered last year.

Tomorrow morning the baseball team meets the Southern Oregon Red Raiders in a pair of seven inning contests getting underway at 10 a. m. in Ashland. Immediately after the two games the Jacks will travel to Klamath Falls for a night game with the Oregon Tech Owls.

Humboldt will end the road trip Sunday afternoon by staging another doubleheader with the Owls before returning home.

San Francisco State will host the Jacks in the two teams FWC opener next Thursday afternoon in the Bay city. Following the double-header with the Hornets, Humboldt will meet the San Francisco Presidio in a practice tilt one week from today.

To date the Hilltop diamond nine are supporting a 9-2 record, with only the University of California and the Owls holding victories over them.

Last season Humboldt recorded a 9-2 record to end up in a tie with the Sacramento State Hornets for the league crown. With virtually the same squad back hopes are high for another successful year for the Green and Gold under Coach Kinzer.

After last week's action in which the Jacks also played five games Kinzer reported that the team was "tired and pretty much

place came in the mile relay, with a time of 3:30. Members of the relay squad were Bob Rucker, Harman Bonniksen, Amos and Vasquez.

The Jacks don't have another meet until the end of April, when they go against Southern Oregon. Then on May 2 they engage Chico State and the Cal Aggies in a three way meet at Chico. The Far Western Conference meet is scheduled for May 11 at Davis.

Mile run: Viano, CA; Mays, CA: 4:39.2.  
440-yd dash: Williams, H; Amos, H; Greenberg, CA: 51.6.  
100-yd dash: Vasquez, H; Luxemburg, CA; Washington, H: 10.3.  
High Jump: Barnum, H; Knutson, CA; Baker, H: 6' 0".  
Shot Put: Kidd, CA; Edwards, CA; Zlatteroff, H: 47' 9 1/2".  
Javelin: Russell, CA; Carrier, CA; Cooper, H: 177.8.  
Pole Vault: Piva, H; Vasquez, H; Ayerza, CA: 12'.  
120-yd H. H.: Wakefield, CA; Russell, CA; Connor, CA: 15.9.  
880-yd run: Higgins, CA; Viano, CA; Hayashi, CA: 1:05.  
220-yd dash: Vasquez, H; Bonniksen, H; Washington, H: 23.2.  
2-mile run: Darnall, CA; Cooper, CA; Kohinka, H: 10:4.2.  
Discus: Bath, CA; Zlatteroff, H; Schubert, H: 125' 9 1/2".  
220-yd. L. H.: Vasquez, H; Russell, CA; Connor, CA: 26.4.  
Broad Jump: Barnum, H; Williams, H; Gray, CA: 22' 4 1/2".  
Relay: Bonniksen, Rucker, Amos, Vasquez, H: 3:39.  
Team totals: Cal Aggies 69, Humboldt State 62.

bruised, but fortunately with no sore arms." He added that the pitching didn't look too sharp and control was lacking in all cases except for Jim Richardson, who looked sharp in his one performance.

Defensively the team looked adequate according to Kinzer but the hitting was not as good as it could have been. Kinzer said, "Frankly, we looked better on our trip to the bay area and we still need lots of work."

The starting lineup will remain the same for the upcoming games. It is Al Schrader, catcher; Al Deniz, first base; Dick Dudley, second base; Bill Matson, third base; captain Bob Lawson, shortstop; Ralph Mayo, right field; Jesse Washington, center field, and Dave Thomas, right field.

The coot probably has more aliases than any other bird, being known as whitebill, mud hen, marsh hen, water guinea, crow duck, and in some sections by the classic name of poule d'eau. (Water chicken).

## INTRAMURAL

(Continued from Page Six)

toward the awards which shall be given at the end of the year.

There will be individual as well as team awards and special merit awards.

Intramurals have been a tremendous success this year and there has been much spirit generated among the various groups in all sports. The only thing that has been lacking is spectator support. There isn't any turnout to the games. And there have been some very exciting contests. Let's all go out and really support the remaining sports.

By DICK LAURSEN

Last weekend brought some of the nicest weather of the year to Humboldt county. It certainly made me want to get out on a stream somewhere and cast a fly to a trout dimpling the water in some clear pool. Believe it or not, the time is almost here when we can do just that.

By the time you return from your Easter vacation there will only be one week left till the first opening date which is April 27. This date opens the lagoons and Trinity county. Humboldt county and all of the Eel River drainage (even in Trinity county) is closed till May 30.

There is a very valid reason for the late opening of Humboldt county and the Eel River drainage. Steelhead spawn in the streams to about six or seven inches long before going out to sea. A few of these fingerlings are going out to sea during all months of the year, but the majority migrate downstream and out to sea during the months of April, May and June.

The same condition prevails for silver salmon except that the silvers stay in the stream for only one year and are five to six inches long when they migrate out to sea. The months April, May and June are the major downstream migration months with May being the peak period.

You can readily see that it is wise management to allow those fingerlings to escape so that we will have adequate runs of adult steelhead and silvers when they mature after two years in the ocean.

The King or Chinook salmon pose no fresh water fishery problem as they go out to sea within about two months after hatching. They then spend four to five years at sea before returning to spawn in the rivers. This longer time at sea while feeding heavily results in the larger size of the Chinook as compared with the steelhead or silver salmon.

Now that we know why we aren't allowed to fish in the coastal spawning streams during the month of May, just

## 2 More Sturgeon Caught For Aquaria

Stan Elcock and Jim Joseph, graduate fisheries students, added two more sturgeon to the aquaria in the Wildlife Building last week end. Several weeks ago Elcock and Joseph caught their first sturgeon which was the first sturgeon known to be taken from any of the north coast lagoons.

While operating a gill net in connection with their Master's degree work on Big Lagoon last Saturday, the two students brought in a sturgeon about 20 inches long. Sunday, a sturgeon about 14 inches long was caught in the net.

The two students are wondering now if the lagoons are used extensively by immature sturgeon as sheltered areas from high seas or feeding areas, or if the one's caught are just chance strays. Neither student is willing to make any statement as yet.

## Smith's Daughter To Special Class

Barbara Smith, fourteen-year-old daughter of Dr. Arthur Mc E. Smith, HSC associate professor of chemistry, has been selected as one of 25 high school students from all over the country to attend a special demonstration mathematics class to be held this summer at University of Kansas.

The six-weeks class is to be held in connection with an education project supported by the National Science Foundation, and will begin June 10.

Barbara is a sophomore at Arcata Union High school, and has recently changed her medical ambitions of eight years to a goal in the mathematics field.

# Sticklers!

WHEN THE LUCKIES are gone, you've still got the memory of some great smoking. You've also got a *Slack Pack*. Chin up, though, you can get more down at the store—and every Lucky tastes like a million bucks. That's because every Lucky is made of fine tobacco—mild, good-tasting tobacco that's **TOASTED** to taste even better. Have you tried a Lucky lately? It's the best-tasting cigarette you ever smoked!

**Luckies**  
**Taste Better**  
**CLEANER, FRESHER, SMOOTHER!**

**STUCK FOR DOUGH?**  
**START STICKLING!**  
**MAKE \$25**  
We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.
