Student Speaker Will Address Conference Here

Keynote speaker for the coming Student Government Conference held on this campus Feb. 12 will be Bruce Kidder, President of the University of California Student Body. His topic will be in the field of campus leadership.

Mr. Kidder will address more than 150 high school students from the area in the initial round of activities planned for the visiting students.

The Government Conference is being sponsored by the HSC Executive Council members who will lecture and lead discussion groups. The groups will cover those problems that are facing the students of today on high school and college campuses all over the state and nation.

ASB president, Mike Fielding, pointed out, "The Executive Council wants to promote better student government for the benefit of all the schools and colleges sincerely concerned." The Council feels that the only way to attain progressive college government is to start in the ranks of the student leaders of our local and national high schools. I am sure the Council is taking a step in the right direction.

Palais, Turner Are Improving

Two Humboldt State professors who were stricken with illnesses recently are making satisfactory progress toward recovery and both are expected to be back at work in March.

Dr. Lawrence E. Turner, executive dean, who was hospitalized with a heart ailment early in January, has returned home for convalescence.

Dr. Hyman Palais, hospitalized Dec. 15, has been moved from Trinity Hospital in Arcata to St. Joseph's Hospital in Eureka for physiotherapy. His classes for spring term until his expected return next month are being handled by Dr. Archie Jones, assistant professor of history; Dr. Stanley Spaid, chairman of the division of social sciences and Delmar Stanley, a graduate student.

Berry Exhibit At Rockford College

A one-man show of work by Humboldt State College faculty artist Glenn Berry is currently being exhibited in the Rockford College art gallery, Rockford, Ill.

Berry's oil paintings and crayon drawings will be on exhibit during the month of January. The young artist, who joined the Humboldt staff this year, received his BA from Pomona College and his Master of Fine Art from the Art Institute of Chicago.

Seen here from the cast of *Cradle Song* are Betty Faulkner, Gunvor Roberts, Darol Beauchamp and Jean Richards. *Cradle Song* will

be presented in the CES auditorium at 8:15 p. m. tonight and tomorrow night.

Annual Faculty-Student Basketball Game To Be 'Played' This Morning In Gym

The third annual faculty-student basketball game—a yearly guarantee of many a laugh for students and many an aching back for the pros—will be "played" today at 11 a.m. in the college gym.

Faculty members of assorted shapes and talents will pour themselves into gym togger to give their all as they did for dear old Siwash.

And all in a good cause. The college Desk Force, organization of secretaries on campus, is charging 25 cents for admission, the proceeds to go toward a \$100 scholarship provided yearly for a student majoring in secretarial science.

Previously dubbed "Earthquakers" and "Highwater Hoopers," the faculty squad this year agreed to the more candid name of "Faculty Fakers." And that's a pretty light way to describe the outright larceny and devious tactics of a crowd that will include such stalwarts as Twinkletoes Siemens, Dandy Don Karshner, Agile Art Stegeman and Sharpshootin' Sinclair.

The student stars will have to be on the watch for Fancy Fred Telonicher, who out rustled Bill Russell on the backboards last year with the aid of a ladder and his trusty butterfly net. And of course the team again will have to give weighty consideration to Jumping Joe Forbes and Jolly John Baker.

As if this isn't enough a faculty pep band will be on hand to stir things up a bit. Jimmy Nameth will look to his laurels when John Pauley and Stanley Spaid step out front in a display of the fanciest footwork since the Charleston. Half-time will feature a clown gymnastic show.

Four New Exhibits Planned Here For Heritage Week

Four distinctly different exhibits will contribute to the single theme of American Heritage Week being observed Feb. 13-15 on the Humboldt State College campus.

The exhibit of representative reproductions of American paintings in the audio-visual gallery shows the growth of American art from provincial isolation to that of international influence.

In planning the show, Melvin Schuler and Glenn Berry, of the college art faculty, point out that the American artist of today is contributing as much, if not more, than his European counterpart.

The oil paintings of James Grant, young contemporary California artist will be exhibited in the art gallery. Grant's work, according to Berry, is an example of one direction in which the younger artists of today are moving.

Documents of American history from the college library; and a display of old American wooden hand-tools will make up the exhibit in the library lobby.

A display of record albums and book jackets covering American folklore and folk song is planned for the special services room of the library.

JOLINE BETTENDORF DIRECTING CHARMING, SENTIMENTAL PLAY

The charming and sentimental comedy, *Cradle Song*, will open tonight at 8:15 on the College Elementary School stage.

Sierra's heartwarming story of life in a convent is under the direction of Joline Bettendorf, Humboldt State College graduate student, as partial fulfillment of her Master of Arts Degree requirements. A second performance will be held tomorrow night, Feb. 2. General admission is 50 cents, with season ticket and student-body card holders admitted free.

Humboldt State students make up the cast, with lead roles played by Gunvor Robbert as the Prioress; Sally Conklin as Sister Joanna of the Cross; Jean Richards as Mistress of the Novices; and Pat Hammond playing the part of Sister Marcella. Other members of the cast are Kay Killinger, Wallace Sinclair, Jeanette Dick, Herbert McLellan, Jon Tonge, Betty Faulkner, Irene Gautraud, Carol Beauchamp, Mary Ham and Stanley Mott.

Mrs. Bettendorf, who has appeared many times in leading roles at Humboldt, is remembered for her performances in *Iolanthe*, *Madwoman of Chaillot*, *The Beggar's Opera* and *The Imaginary Invalid*. To fulfill the Master Degree requirements, Mrs. Bettendorf must supplement production and direction of the full-length play with a written thesis covering the author's life and times, and the relationship of the play to its contemporary literature. The basic themes and plots must be thoroughly analyzed along with the various characters in the play. Casting, set design and construction, costuming—all must be executed by the director, according to Mrs. Bettendorf. She also adds that a limited amount of money is budgeted for such a production and must be carefully allocated.

Mrs. Bettendorf received her Bachelor of Arts degree from Humboldt in 1956 and will receive her General Secondary teaching credential this June.

New Magazine To Appear This Semester

A new, general interest magazine written and edited by students is being planned for at least one issue this semester as a journalism laboratory project.

Still unnamed, the magazine "will aim to provide the campus with the provocative and penetrating type of articles one finds in the highest-type general circulation magazines," according to Dr. Milton Hollstein, assistant professor of journalism and publications adviser.

"We expect the students will turn out exploratory or digging type articles on campus personalities and on problems of interest to a collegiate audience," he pointed out.

The magazine is not intended as a "college humor" periodical or as a literary magazine. Fiction, poetry and other "creative writing" will continue to be the province of Toyon, the campus literary magazine, of which Dr. Ralph Samuelson, assistant professor of English, is adviser.

Work on the new magazine also is intended to give students experience in magazine layout and design.

The magazine will be sold on campus for a nominal charge and will be self-supporting from sales and advertising.

Staff positions are still open. Dr. Hollstein urged students who wish to work as writers, photographers or artists to register for either Journalism 27 or 127, journalism lab, for one or two credit units.

Freshmen Forced To Cancel Annual Sweetheart Ball

Lack of interest has forced the cancellation of the Sweetheart Ball, originally scheduled Feb. 8.

Traditionally the Freshman class sponsors this annual formal dance, but because of the non-support of the class members, this year's frosh officers and advisers had no choice but to decide against undertaking the event.

Miss Kate Buchanan, dean of activities, brought out at a Freshman class meeting Tuesday that the idea of supporting the Sweetheart Ball is inherited. The class is under no obligation to put it on merely because it has been done in the past, she said.

The class held two meetings this week, and cancelled a scheduled third one, to discuss the Sweetheart Ball. No one attended the first and about five students were present at the second. It was also disclosed at the meeting Tuesday that only thirty out of nearly five hundred freshmen bought membership cards in the recent drive.

Those who purchased cards were promised reduced admission to the Sweetheart Ball. In order to fulfill this obligation, the class will sponsor or co-sponsor an after-game dance or other affair. Card holders will be admitted at a reduced price or possibly free.

Miss Buchanan commended the decision for cancellation and felt, even though it would be a disappointment to many, that it was the wise thing for the class to do.

A lace night-gown was re-
portedly taken by person or
persons unknown on Thurs-
day, Jan. 10, while hanging on
the washline at Polyview, be-
tween the hours of 11 a. m. and
3 p. m., according to Polyview
residents.

The owner of the gown, iden-
tity withheld on request, put
a sign in the wash-house ask-
ing that the night-gown be re-
turned or hung back on the
line. So far, the sign has
brought no visible results.

State Polytechnic College.

College graduates are now
forced to make a painful choice,
reports John Gardner, president
of the Carnegie Corporation. The
choice, he says, is among the fat
salaries offered him by dozens
of corporations.

Gardner writes in the January
issue of Harper's, "Without ex-
perience the college graduate
can command from \$360 to \$500
a month. He sorts out the firms
that compete for his favors."

On industrial firm official is
quoted by Gardner as saying, "we
don't screen them; they screen
us."

—THE COLLEGIAN, Fresno
State College.

The veteran still is a potent
force on the American college
campus, according to John W.
Davis, Santa Clara County Vet-
erans Service Officer.

Approximately one out of
every four males in the nation's
colleges and universities is a
veteran, enrolled under the
Korean GI Bill. Further, large
numbers of veterans are expect-
ed to be attending schools of
higher learning for at least the
next five or six years.

—THE SCHIBE, San Jose Ju-
nior College.

"Give a boy something con-
structive to do and he'll stay out
of trouble."

These words came from Don
Fields, fourth semester social sci-
ence major. With this thought in
mind, four months ago, he be-
came the proud organizer of the
Fiftieth Street Boys' Club.

Since then the group has at-
tended and helped support all
JC sports events. Other past-
times of the club include organ-
izing sports activities of its own
along with holding parties and
occasionally attending the jalopy
races.

Now boasting 20 lively mem-
bers, ranging from 9 to 13 years
of age, Fields and the boys are
looking for a reliable sponsor
who will continue working to-
wards their welfare.

—FORTNIGHTLY, San Diego
Junior College.

LITTLE MAN ON CAMPUS

by Dick Bibler

"He's writing letters of application to four other col-
leges -- He thinks he just flunked th' college entrance
exam."

Minutes of the Student Council

The meeting was called to or-
der by vice-president, Jim Arnot,
on the above date. The meeting
was held at Dr. Karshner's home.
Those attending the meeting were
Mike Fielding, Jim Barnes, Jim
Callison, Keith Barnhill, Joe
Chappelle, Fern Fowler, Pat Mil-
ler, Roland Atterbury, Jack Sears,
Dr. Karshner, Dr. Hollstein, Dr.
Baker, Mr. Sarboe and Roberta
Johnson.

The minutes were approved as
submitted.

CORRESPONDANCE

A letter was read from Sacra-
mento State College inviting any
member of our student body to
attend a dance to be held after
the game in Sacramento on Fri-
day, Jan. 10.

OLD BUSINESS

Mr. Sarboe attended the meet-
ing and gave his view on a policy
to be set for athletic awards. It
was moved, seconded and passed
to recommend to the Athletic Ad-
visory Board that persons be
awarded an athletic award if they
have completed the requirements
set by the coaches and are en-
rolled in Humboldt State College
at the time of the presentation
of awards with the exception of
those persons who involuntarily
leave school.

Pat Miller reported that Hum-
boldt State College is not evolved
in any blood program at the
present time. It was moved, se-
conded and passed not to enter in
a competitive blood drive.

Dr. Baker attended the meet-
ing and gave his views on the
constitution and how it stands.

NEW BUSINESS

It was moved, seconded and de-
feated to take money from the
ASB Funds to cover the expense
incurred by the Sno Ball Dance.
It was moved, seconded and
passed to refer this matter to the
Board of Finance for their con-
sideration.

It was suggested that a book-
let be published telling of the
duties and functions of the Stu-
dent Council and the Inter-Club
Senate. This matter was turned
over to the Publication Commis-
sioner for investigation.

COMMITTEE REPORTS

Expansion of Food Products

Committee made recommenda-
tions for the improvement in the
Co-op. These recommendations
were referred to the Board of
Finance and a definite recom-
mendations will be given at the
next meeting.

COMMISSIONER REPORTS

Activities Commissioner re-
ported that Mr. Devery attended
the last ICS meeting and will
meet with them again on Tues-
day, Feb. 5.

There will be an Awards As-
sembly on Friday, Jan. 11.

Publications Commissioner re-
ported that there will not be a
Lumberjack published until Re-
gistration Week.

Rally Commissioner reported
that there will be a Pep Rally
held next semester.

BOARD OF FINANCE

It was moved, seconded and
passed to accept the prices set
for the after game dance spon-
sored by the Spurs as 5c with ac-
tivities card and 75c without ac-
tivities card. It was moved, se-
conded and passed to transfer \$33
from the Unallocated Fund to the
ASB Account.

GRADUATE MANAGER

Jack Sears presented drawings
of the porch for the Co-op that is
being sent to the State Depart-
ment.

It was moved, seconded and
passed to give a vote of thanks to
Fern Fowler, Roland Atterbury,
Pat Miller and John Marcuz for
their very successful terms as
Representative at Large.

Respectfully submitted,
Jim Arnot, vice-president
Roberta Johnson, secretary

"THE APPLE CART" ROLLS ON

Dr. Archie Jones, with hand upraised, plays the American ambassador in a scene from the faculty reading performance of George Bernard Shaw's "The Apple Cart," which was presented on the HSC stage Jan. 17. Cast members, left

to right, are Dr. Frank Wood, Miss Kay Gott, Dr. Giles Sinclair, Mr. Milton Dobkin, Mrs. Raphaela Kingsbury, Dr. Jones, Dr. Reginald White, Miss Eleanor Kellenberger, Dr. Stanley Glenn and Herb McLellan.

By DR. DON KARSHNER

A large and appreciative audience in the college auditorium Jan. 17 thoroughly enjoyed the Humboldt State College faculty reading of George Bernard Shaw's 1929 comedy, "The Apple Cart", which incidentally is currently starring Maurice Evans in New York City.

"The Apple Cart" exhibited its share of Shaw's wit, humor and satire which rippled throughout the dialogue as the author attacked the arrogance, selfishness, intolerance and dictatorial traits of those commoners who gain political power and extolled the democratic virtues of a mythical King of England.

In developing his plot Shaw obliquely foretold the decline of the British Empire and the rise of the United States to world power. His master stroke in resolving the conflict between the badgered king and his attackers, the scheming cabinet, by having the king threaten abdication to become a commoner and fight his aggressors on equal terms in Parliament so frightened his ministers that they capitulated and let him keep his veto power over their actions.

GLENN SUAVE, DROLL . . .

Dr. Stanley Glenn was delightfully suave, droll, sincere, polished and subtle as King Magnus, who convincingly defeated his obstreperous political antagonists. Mrs. Eleanor Kellenberger charmingly enacted his understanding and gracious Queen Jemima.

With tongue in cheek the actors comprising the diverse cabinet members, the chief recipients of Shaw's venom, were skillfully portrayed by Dr. Reginald White as the determined yet harassed Prime Minister; Mr. Milton Dobkin, the gullible, conceited Labor Minister; Miss Kay Gott, the honest and distraught former school teacher now Power Mistress General; Dr. Frank Wood, the corrupt Chancellor of the Exchequer; Dr. Giles Sinclair, the grasping Foreign Secretary; and Mrs. Raphaela Kingsbury as the playful Post Mistress General.

A HIGHLIGHT

One of the highlights of the performance was Dr. Archie Jones' handling of Shaw's stereotype

characterization of the American Ambassador whose admiration of all things American alarmed rather than re-assured the Royal family of his intended good will. Herb McLellan upheld not only the honor of the King (but also that of the student body) as Pamphilius, the servant.

Mrs. Lyn Pauley, director of the

production, skillfully managed the reading scenes to provide variety in setting and interpretation, flow of movement and a zestful pace for the crisp dialogue.

All told, "The Apple Cart" was a delightful evening of theater for both the cast and the audience. - - - D. W. K.

U. S. Civil Service Jobs Available

Opportunities to earn while you learn are being offered under-graduates in a number of additional majors.

The U. S. Civil Service Commissions Office in San Francisco has announced that summer vacation and part-time trainee jobs are open in Federal establishments in California and Nevada.

Interesting jobs as trainee assistants to professional personnel previously open for students specializing in engineering, metallurgy, chemistry, physics and mathematics are now open to majors in biological sciences, accounting and economics. Students not only have an opportunity to assist in the performance of professional of scientific work while taking their undergraduate course but they also

have a chance to find out about the working conditions and future careers in one of a wide variety of establishments engaged in work of national importance.

Information about these positions and how to apply for the examinations is available in the placement office or in the post office. Some but not all of the positions require competition in a written test.

Executive Council Meets New Reps

The Executive Council of the Associated Student Body met yesterday for the first time this semester with the new Representatives-at-Large making their debut.

New members recently elected to the representative posts in the Executive Council were Pat Duffy, Sandi Wahlund, women's representatives, and Jon Mitts, 'Chip' Brodie, men's.

The Council is now preparing for a Student Government Conference to be held here Feb. 12 with more than 100 students of local high schools attending.

SAM HINTON, NOTED FOLK SINGER, TO APPEAR IN HSC HERITAGE WEEK

A program by Sam Hinton, noted American folk singer, Thursday, Feb. 14 at 8 p.m., will be one of the highlights of the second annual American Heritage Week on campus Feb. 13 through 15.

Students, faculty and townspeople are invited to this and other programs during the week without charge. In addition, other appearances by Hinton for the student body and children at College Elementary School will be announced.

A recording artist for the Decca Record Co., Hinton believes that the professional singer of folk songs has the responsibility of considering folk songs not only for their entertainment value but also for their relations to a folk culture.

He is both a professional musician and professional zoologist. He is curator of the Aquarium-Museum at Scripps Institute of Oceanography at LaJolla.

The entire American Heritage Week will be full of music.

While no formal theme has been planned for the week this year, music will be featured on all programs, all of which will be open to the public without charge.

"We hope to show in word and song some of the achievements, and at the same time some of the problems, that have gone into making what we call the American heritage," said Dr. Ralph Roske, chairman. "Every program will be serious, provocative—and entertaining."

American Heritage week was inaugurated last year at Humboldt State after a year of planning. The college was the first in the nation to hold such an observance. Stressing "the development of American life," the week

was planned as an annual event to take place between the birthday anniversaries of Lincoln and Washington.

Committee members are Dr. Archie Jones, vice chairman; Dr. Carl Strand, Gerald Partain, Miss Kay Gott, Dr. Milton Hollstein, Dr. Leon Wagner, Dr. Ernest Bednar, Charles Bloom, Dr. William Wasserman, Dr. Donald Strahan, Dr. Donald Bowlus, Dr. Don W. Karshner and Miss Kate Buchanan of the faculty, and Don Peterson, Jim Ely, Naomi Cottrell, Gary Berry, John Marcuz, Harriet Jo Marsh, Shirley Christy, Pat Hammond and Herb McLellan of the student body.

PROFS WIN TOP PRIZES IN READER'S DIGEST CONTEST

College professors are better amateur magazine editors than college students, according to results of a \$41,000 Reader's Digest college contest announced today.

Dr. Philip G. Horton, a 62-year-old professor of chemistry at Henderson State Teachers College, Arkadelphia, Arkansas, won first prize, \$5,000 in cash and \$5,000 for that college's scholarship fund, in a competition to choose the six articles in the October issue of the magazine which a later readership survey found the most interesting. Dr. Horton was the first to mail the nearest correct list.

Second prize, \$1,000 cash and \$1,000 to the college scholarship

A two-week exhibit of some of the best work produced by Humboldt State art students closed Friday in the art gallery. Viewing some of the black and white drawings at an informal coffee hour in the gallery were, left to right, Mrs. James Cady, Mrs. Robin Arkley, Dr. Homer P. Balabanis and Glenn Berry, instructor in art. Also on exhibit were crafts, lettering, photographs, watercolors, oil paintings, pottery, enameling, and silk screen designs.

Jacks To Play 11 Grid Games In '57 Season

Humboldt State will play another ambitious 11-game football schedule without an open date next fall.

Phil Sarboe, head football coach and athletic director, announced that the season would open early again, on Sept. 14, against the Seattle Ramblers, the top-notch amateur club of the northwest. This will mean the squad will have only two weeks of practice before plunging into the strenuous schedule.

Two squads Humboldt has never met before, College of Idaho and Lewis and Clark, will be on the slate this season. Lewis and Clark was scheduled to be Humboldt's Thanksgiving Day foe last season before HSC re-

fund went to Herbert Prescott, 48-year-old associate professor of English and journalism at Grinnell College, Grinnell, Iowa.

leased the team so that the Pioneers might play Hawaii.

Hawaii will be here Sept. 28 in the second game in a home and-home arrangement. Humboldt played in the islands last fall.

Western Washington and Southern Oregon will be other opponents from outside the Far Western conference.

The complete schedule: Sept. 14, Seattle Ramblers, home; Sept. 21, College of Idaho at Caldwell; Sept. 28, Hawaii, home; Oct. 5, San Francisco State at San Francisco; Oct. 12, Sacramento State, home; Oct. 19, Cal Aggies, home; Oct. 26, Western Washington at Bellingham; Nov. 2, Chico State at Chico; Nov. 9 or 11, Nevada, home; Nov. 16, Southern Oregon, home; and Nov. 28, (Thanksgiving Day) Lewis and Clark, home.

Oil Paintings By James Grant Now On Exhibit

Oil paintings by James Grant, contemporary young California artist are currently on exhibit in the Humboldt State college art gallery. The show will continue through February.

This month's issue of Art News carries a review of Grant's successful one-man show in the Pasadena Art Museum. Covering southern California art news, Jules Langsner writes "... A member of the emerging generation of California artists, Grant is rapidly establishing a niche for himself here. An incisive draftsman, Grant appears to be swung into action by the way in which linear pathways can be made to unfold one from another. He favors still-life, plant and flower forms, and skulls of cattle as sources for linear embellishment. This usually takes the form of an electric black line moving in staccato rhythms, now spun into skeined networks, now jagged and spicular, now blurring atmosphere. That atmosphere is saturated in vibrant color, the foil for line..."

Grant is a member of the Claremont College art faculty. He received his masters degree from the University of Southern California and studied painting under the famed Rice LeBrun. Many of his drawings are in the California-drawing show, currently travelling through the west. The show is scheduled in the Humboldt gallery in May.

HAVE A REAL CIGARETTE... have a Camel

Discover the difference between
"just smoking"...and **Camels!**

Taste the difference! No fads, frills, or fancy stuff — simply the finest taste in smoking. Camels are rich, full-flavored, and deeply satisfying.

Feel the difference! The exclusive Camel blend of quality tobaccos is unequalled for smooth smoking. Camels never let you down.

Enjoy the difference! More people smoke Camels, year after year, than any other cigarette of any kind. Try Camels — they've really got it!

TEAM, STUDENTS RECEIVE AWARDS AT ASSEMBLY

Special recognition was paid to Humboldt football teams and to other students who won distinction during fall semester at the semi-annual awards assembly Jan. 11.

Awards were presented to three debaters by Milton Dobkin, debate coach. Bob Chagwidden received a certificate of special distinction in oral interpretation and Norm Stewart a certificate for first place in extemporaneous speaking. Both awards were won in the Northern California Forensics Association tournament in November.

Carol Torrence received a certificate for distinction in oratory, having won the award in the Western Speech Association meet last fall.

Theta House members received a special house award.

Outgoing members of the student council, representatives at large Fern Fowler, John Marcuz, Roland Atterbury and Pat Miller, were recognized.

Four year awards in the Women's Athletic Association were presented by Dr. Louise Watson, assistant professor of physical education, to Ann Hitt, Carol Trowbridge Vinum and Betty Laursen. Football letter awards were presented to 36 members of Humboldt State's co-championship football team and to 28 junior varsity players by Coaches Phil Sarboe and Bob Doornink. (See sports pages).

Master of ceremonies was Jim Arnot, with Joe Chappelle, student body rally commissioner, handing out football awards in the absence of Hank Cooper, awards commissioner.

Football varsity players receiving first year awards were Pete Cengia, Jim Ennis, Darol Foster, Bob Hanks, Charles Hubler, Marion Mapes, Chuck McAninch, Gordon Moore, Rego Piva, Walt Price, Dave Thomas, Bernard Mouton, Earl Dimmick, Joe Verhaus, Pete Dye and manager Ben Crabbe.

Receiving second year awards were Warren Baker, Dick Cahill, Jim Colwell, Ralph Johnson, Bob Renwick, Dennis Golleran, Zeke Van Deventer, Earl Barnum, Hank Cooper, Roy Escarcega and manager Mike Ladd.

Third year awards went to Russ Ashburn, Jerry Bartlett, Jim Evans, Phill Huff, Gerry Kilduff,

Head Coach Phil Sarboe looks on as Joe Chappelle, Rally Commissioner, awards Gerry Kilduff with a jacket.

Ralph Mayo, Jack Menzla and Warren Smith.

A four-year letterman's blanket went to Caesar Fiamma.

Bob Doornink, jayvee coach and assistant varsity coach presented the junior varsity letter emblems to Larry Baldwin, Mike Call, Carl Carlson, Pete Garpino, Walt Chase, Richard Cook, Richard Donley, Ron Edwards, John French, Bill Greenwood, Neal Metcalf, Joe Johnson, Joe Neal, George Hingo, Myron Robb, Dick Messer, Charles Miyashiro, Fred Scheffler, Ron Reynolds, Dave Shank, Terry Simpson, Gordon Sloan, Bob Spencer, Bob Tiplin, John Washington, Larry Westlake, Fred Whitmire and Bob Scoler.

Pierson Describes Forestry Program

A broad general education plus sound training in logging methods and forest management will be offered to students in Humboldt's contemplated four-year forest management program.

This was emphasized recently

Little Symphony Has Openings

Faculty and student string players this week were invited to join the Humboldt little symphony.

The full orchestra meets on Wednesdays at 7:30 p.m. in Jenkins Hall, it was announced by Floyd Glende, conductor. Some instruments are available to those who do not own their own instruments, he said.

Mr. Glende also mentioned that there are opportunities for faculty and students to begin on some string instrument. M75B, Elementary Strings, is a class set up for this purpose. This class is listed a DHR. See Mr. Glende in the Music Building during the noon hour this week or next week.

M75C, Intermediate Strings, is for any string player with some experience. There are some string instruments available for either of these classes. There is no fee charge for either the class nor the use of an instrument.

M71, Strings, is for music credential students only.

by Edwin W. Pierson, assistant professor of forestry, in a meeting of the Humboldt Bay Redwood Circle of the Redwood Region Conservation Council in Eureka.

Prof. Pierson told the group emphasis would be placed on practical field work.

He pointed out that the enrollment in forestry at HSC has doubled in the past year, now numbering 40 students, and that this number would grow rapidly. The four-year program will lead to the bachelor of science degree in forest management.

The State Board of Education tentatively has approved the four-year program and is expected to act on a final report this spring. Under the plan, the four-year program would go into effect next fall.

'Joe College' Is Attacked; Mononucleosis

If kisses leave you weak, you just have been bitten by a virus . . . a kissing virus.

Medical research still isn't quite sure just what kind of creature this is, but it causes a not-so-serious, but never-the-less pesky disease called infectious mononucleosis, alias "mono", the "kissing disease", and the "college disease".

Why? Because it is transmitted through kisses of the lingering kind. This, at least, is the theory put forth in a report in "The American Journal of The Medical Sciences", by Dr. R. J. Hoagland, for six years the academy physician at West Point. Hoagland gives circumstantial evidence to substantiate this. Children, he points out, rarely, if ever, develop the disease, and unmarried persons are victims far more often than are married persons.

In fact, the "kissing disease" is most prevalent in young adults between the ages of 17 and 26. Hoagland also noticed that "mono" was never transmitted to roommates by its victims at West Point. And, in addition, cases turn up most frequently after Christmas, summer, and between-semester holidays.

Another theory is that the college student weakens his natural body resistance by staying up late and not getting proper food, drink, and rest. Whether the student's late hours are due to study or play is an individual matter, of course.

Symptoms of infectious mononucleosis, common enough on campuses for doctors to refer to it as "college disease", include neck swelling, sore throat, and fever. "Mono" can so weaken its victims that from three to five months are sometimes needed for recuperation, which means that the student misses a semester's

Spring Enrollments Surpass Record

Spring semester registration rose to a record second-semester total of almost 1300 Wednesday with many more students in the process of enrolling.

After the two regular registration dates Monday and Tuesday 1255 students had completed registering and paid fees, the business office reported.

Last day for registration is Feb. 11. Last day for making changes in programs without penalty is March 1, the end of the fourth full week of instruction, according to the registrar's office.

Registration fall quarter an all-time high of 1422, but after the first two days of registration was only at 1233. In spring semester 1956 the college registered 959 in the two-day regular sign-up period and enrollment reached what was then a new spring semester record of 1192, it was pointed out by Mrs. Myrtle McKittrick, registrar and admissions officer.

work. And, too, scientists say there is no fool-proof diagnosis to pin down the troublesome ailment.

But, although medical men seem somewhat foxed by the varmint-virus, one thing is sure: If infectious mononucleosis is really "the kissing disease", then it's certainly here to stay.

Hoop Squads Have Open Weekend

Center Warren Baker, above, has been one of the top scorers all season long for the Lumberjacks. The lanky 6-4 Junior has been hitting the nets for close to a ton point average. Humboldt State draws a bye in conference play this week and will not see any hoop action until Feb. 8-9 at San Francisco State.

JOE JOHNSON IS INELIGIBLE FOR VARSITY ACTION

Both the Humboldt State Lumberjack varsity squad and the Junior Jacks draw open dates this weekend as no games are scheduled for either team before next weekend when the Varsity will return to FWC hoop play to take on the Golden Gators at San Francisco and the Jayvees will endeavor to better their already exceptional win-loss record.

Humboldt State stock took a reverse earlier this week when it was announced that Joe Johnson, Freshman star from Oakland, would be scholastically ineligible for Varsity games for the remainder of the season.

A 6-4 performer, Johnson earned himself a starting berth on the Lumberjacks and was one of the team's top scorers and rebounders. In addition he was rated as a fine defensive player.

The loss will be somewhat offset by the addition of Pete Mathieson to the Varsity. Mathieson will be brought up from the Jayvees to maintain the Jacks' squad at 13 men, Coach Franny Givins announced.

A split with Chico over the past weekend gave the Lumberjacks a 1-3 record in conference play and an 8-11 mark for the season. With six more games left to play before the season ends Feb. 23, Humboldt can still make this a winning season.

The Jacks were anything but gloomy as they assessed their chances in the conference race. Coach Givins pointed out that the club has played some outstanding defensive ball.

"We've held our opponents to an average of 55 points a game in conference play, and a bit more accuracy on foul throws would have made a whale of a difference," Givins said.

Under Coach Jack Netcher the Junior Jacks have romped to a 15-2 record against all comers. With a little luck they might still be undefeated, as both losses came at a time when the squad was not at full strength.

First the Jayvees lost to Washington of San Francisco during Christmas vacation when much of the squad was away and they were victimized again last week by Nichols Pontiac when only five players were present for the Junior Jacks because of the vacation between semesters.

Johnson, no longer eligible to play varsity, will remain in school and perform for the Junior Jacks which should guarantee that Junior Jacks opponents will have a even rougher time scoring a win over them here on out.

FIN AND FUR

By DICK LAURSEN

Spring semester 1957 is here! Monday and Tuesday were days of chaos on the HSC campus. New students going about with lost expressions on their faces and old students with set jaws and a look of determination. But amid all this mass confusion, one could see a group talking and over hear a fishing trip being planned or the reliving of a past hunting experience. This group is only a few of the vast number of nimrods and anglers on the HSC campus. If you are a new student and new to this area, you will find that the Humboldt-Del Norte area can provide you with an unlimited amount of outdoor recreation. This part of the state provides some of the best steelhead and salmon fishing to be found. Humboldt county ranked number five in the number of deer killed in 1956. Waterfowl shooting, while not in the same class with the Sacramento valley, provides some first class shooting to those who are at the right places at the right time.

Conservation Unlimited is the one campus organization that gives an outlet for the hunting, fishing and conservation emotions of HSC students. Most students in Game Management, Fisheries, Conservation Education and some students in other curricula are members in this organization. The club does stream clearance, tree planting projects and conservation education programs of slide or movie showings to school children, sportsmen's groups and other interested parties. If you are interested in this type of recreation, CU is the club for you.

Since the last issue of the Lumberjack, we have had alternately good weather and rainy weather. This has left the HSC anglers guessing as to whether to get up in the mornings or sleep in, and if they get up, just

where to go to find a stream clear enough to catch one of those elusive steelies. Some of the boys have done quite well on the Smith River while others have been skunked on the same stream. Most of the other rivers have been in a state of heavy turbidity. The Smith River was reported as clear and fishable by those who went up last Sunday, but the take was spotty.

Matt Keller came in with a limit of Brant taken in south bay, last Sunday morning. Seems if you are a good skuller, you can still pick up a few birds. Matt says that the birds are still there in fair concentrations.

START OUT THE NEW SEMESTER BY PROMISING NOT TO BE A LITTER BUG.

There will soon be a full picture of the Lumberjack staff in action appearing in the school publication.

Lumberjacks Are Sixth In Nation In Team Defense

Despite the rather poor season mark the Humboldt hoop team made the national statistics ranking. The Jacks, who had allowed only an average of 58.2 points to be scored by their opponents prior to the Chico series, were sixth in team defense.

Standings after last week's play are not yet available but HSC allowed Chico 53 and 51 points in the two nights so their rating probably wasn't hurt any by the tilts.

JAYVEES DIVIDE PAIR OF GAMES OVER WEEKEND

Humboldt State's Junior Jacks split a pair of games over the past weekend as they defeated the Rio Dell Tip Tops 51-43 and fell to the powerful Nichols Pontiac of Crescent City in tilts played at the campus gymnasium.

Eddie Thomas tanked 14 and Ben Garrison and Jerry Hathaway each added 13 as the Frosh handed the Tip Top crew their first loss in 15 starts. Ken Dunaway scored 12 for the losers.

The game was a close affair with the final outcome never sure until the final minutes.

Saturday night Hathaway put on another one of his now-common one man shows as he punished the nets for 28 points.

The slick performing Pontiac five combined to erase Hathaway's effort as Larry Taylor, former HSC stalwart, made 19. Sam Wiggle added 17 and two others hit in the double figures.

The Crescent City crew held a 28-25 edge at halftime in the tilt.

Jacks Split Series With Chico

HSC Spring Sked For Four Sports Is Made Public

Schedules for baseball, track, tennis, and golf for Humboldt State teams for this springs competition have been released by Athletic Director Phil Sarboe. The defending Lumberjack baseball team will open their FWC 10-game slate against the Golden Gators in San Francisco April 18. The season will close a home doubleheader against Chico May 18.

Coach Ced Kinzer's club are also scheduled to play 19 practice games, beginning with a tilt against the St. Mary's nine on March 23 in Moraga. Ten of the games are on a tentative basis.

Seven track meets are on tap for Coach Bob Doornink's thin-clads, starting with a dual meet with the Hornets at Sacramento March 16. The FWC Conference meet is at Davis on May 11.

Coach Larry Kerker's net club has four conference meets lined up as well as some practice meets. The tennis team opens play April 19 at Sacramento.

Sarboe's golf team will begin conference competition at Sacramento March 28 and will play in six matches. Several practice meets are also being negotiated for.

BASEBALL SCHEDULE

April 18—San Francisco State (there) two games.
April 27—Cal Aggies (there) two games.
May 4—University of Nevada (there) two games.
May 11—Sacramento State (here) two games.

Practice Games

March 23—St. Mary's (there) one game.
March 24—University of San Francisco (there) one game.
March 25—University of California (there) one game.
April 5—Oregon Tech (here) one game.
April 6—Oregon Tech (here) one game.
April 13—Oregon Tech (there) one game.
April 14—Oregon Tech (there) one game.

Tentative Games

Southern Oregon college, six games.
Santa Rosa J. C., four games.

TRACK SCHEDULE

March 16—At Sacramento State.
March 23—At Chico—triangular meet—Chico, HSC, Nevada.
March 30—At San Francisco—triangular meet—San Francisco State, HSC, Sacramento State.
April 6—Cal Aggies (here).
April 18—Chico State (here).
May 2—At Chico—triangular meet—Chico, HSC, Cal Aggies.
May 11—FWC conference meet at Davis.

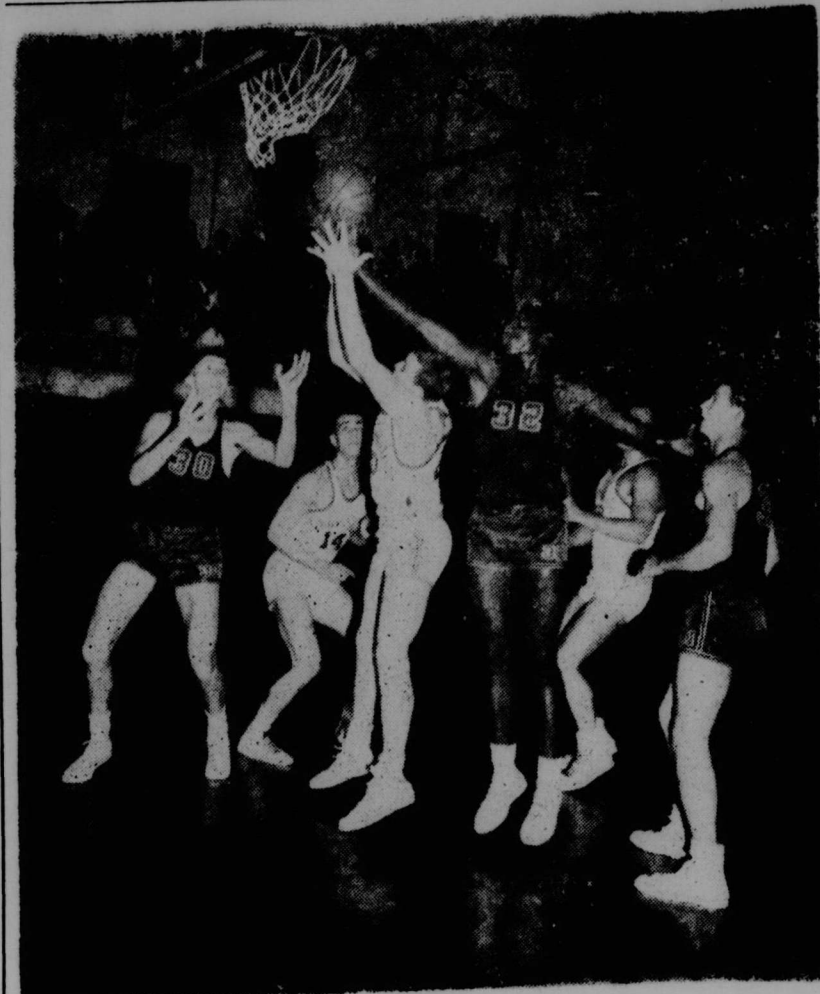

TENNIS SCHEDULE

April 19 and 20—Sacramento.
San Francisco State, University of Nevada, Sacramento State, Chico State.
April 26 and 27—Chico.
Humboldt State, Cal Aggies, University of Nevada, Chico State.
May 3 and 4—San Francisco.
Humboldt State, Sacramento State, Cal Aggies, San Francisco State.
May 10 and 11—FWC Tournament—Sacramento.
Humboldt State, Chico State, Sacramento State, San Francisco State, University of Nevada, Cal Aggies.

GOLF SCHEDULE

March 28—Thursday, 12 a.m.—Haggin Oaks, Sacramento; San Francisco State, Cal Aggies, University of Nevada, Sacramento State.
April 6—Saturday, 9 a.m.—Bldwell Park, Chico.
Humboldt State, Sacramento State, University of Nevada, Chico State.
April 11—Thursday, 12 a.m.—Sharp Park, San Francisco; Sacramento State, Chico State, Cal Aggies, San Francisco State.
April 20—Saturday, 12 a.m.—Municipal Course, Ukiah; San Francisco State, Chico State, Cal Aggies, Humboldt State.
May 4—Saturday, 12 a.m.—Washoe

SPORTS

Forward Joe Johnson (32) goes high in the air to take a rebound away from a Chico State player in last week's FWC series which the Jacks split. Other Humboldt players are Warren Baker (30) and Don Robinson (31).

SACRAMENTO STATE HANDS JACKS TWIN DEFEATS IN FAR WESTERN OPENERS

Sacramento State's Hornets made things a little rough for the Humboldt State College Lumberjacks by sweeping the two game Far Western Conference opening series by scores of 53-45 and 62-58 at Sacramento January 11-12.

Both contests were close battles all the way. Friday night the Jacks outscored their opponents from the floor but lost the tilt via the free throw route. In the series final Humboldt State led at the half but couldn't maintain their edge during the final minutes.

Poor shooting, an ailment that has haunted the Hilltoppers season-long, spelled their downfall in the initial contest. Although Humboldt hit 17 field goals compared to 16 for the winning Hornets the Jacks hit only 25 percent of their shots from the floor.

FREE THROWS HURT

To make matters even worse the Arcatans made only 11 out of 26 charity toss opportunities. On the other hand the Sacramento five jumped at the chance to make points one at a time as they made 21 free tosses to carry

Course, Reno; Sacramento State, Cal Aggies, University of Nevada.
May 10 and 11—Sacramento, Courses and starting times to be arranged.
FWC Medal Tournament: Humboldt State, Cal Aggies, Chico State, Sacramento, University of Nevada, San Francisco State.

them to victory.

Chuck Mobley and Sonny Rolfe were the top scorers for the Sacramento five as they tallied 21 and 13 points respectively.

Warren Baker led the scoring for the Humboldt team with ten points and Joe Johnson added nine to the cause.

BAKER STARS

Due largely to Baker's 16 points in the first half of the Saturday night game the Lumberjacks moved to a 34-26 lead at half-time before the Hornets came out to take play away from Humboldt in the final twenty minutes.

Eight minutes into the second stanza Sacramento tied the score and then went ahead decisively to stay. Humboldt State lost Joe Johnson on fouls with eight minutes left to play and the Lumberjacks lost much of their defensive strength and a good part of their rebounding power when he left.

The Arcatans staged a comeback however and cut the victor's margin to only two points with fifty seconds left before the Hornets cashed in on three fouls to pull away to victory.

Baker tied with Sacramento guard Bobby Schurr for high point honors as both tallied 20 markers for their respective clubs.

SCORING SUMMARY

HUMBOLDT STATE — Johnson, 9; Robinson, 4; Baker, 10; Cooper, 7; Lawson, 4; Evans, 5; Erhart, 6; Total, 45.

SACRAMENTO STATE — Rolfe, 13; Mobley, 21; White, 3; Troutman, 2; Schurr, 10; Gaussett, 1; Weirs, 3. Total 53.

SCORING SUMMARY

HUMBOLDT STATE — Johnson, 10; Robinson, 4; Baker, 20; Cooper, 5; Lawson, 14; Evans, 3; Erhart, 2; Total, 58.

SACRAMENTO STATE — Mobley, 14; Rolfe, 15; Troutman, 3; Fausset, 2; Weis, 3; White, 5; Schurr, 20. Total, 62.

Both Games Thrillers As Each Team Captures Four Point FWC Victories

Humboldt State's Lumberjack hoopsters picked up their first Far Western Conference win of the season last week as the Hilltoppers defeated the Chico Wildcats 57-53 in a thriller at the HSC gym. The visitors came back to gain a split by taking an equally exciting 51-47 verdict over the Jacks in Saturday night's tilt.

The Hilltoppers had to stave off a last minute rally by the fighting Wildcats to garner their four point edge in the opener. Captain Henry Cooper saved the day for the Jacks as he dumped in five out of six free throws in the final minutes and forty seconds to keep Humboldt just ahead of the rising Chico tide.

The Wildcats jumped to an 8-0 lead before the Lumberjacks began to take advantage of superior height. With eight minutes gone in the contest Humboldt had recovered sufficiently to pull up to a 14-14 score.

LAWSON SPARKS JACKS

Bob Lawson, who was eventually high point man for the Jacks with 16, went on a scoring spree as he got all but two of his total in the first half to enable the home club to pull away to a 30-22 lead at the rest period.

Humboldt maintained the pace throughout the third frame as they carried a six to eight point lead during the stanza.

With four minutes remaining to play the Chico five made their move as they clamped on a full court press and proceeded to cut Humboldt's margin to two points. The maneuver almost brought victory for Chico but the pressing cost them fouls and Cooper calmly drove five nails into the Wildcats' hide.

Individual high scoring honors went to Chico guard Billy Graham who netted 19 points during the evening.

Lumberjack scoring was well distributed as Lawson had 16, Cooper 13, and Warren Baker and Joe Johnson 12 each.

LOSE SATURDAY

Humboldt's Far Western season mark went to 1-3 Saturday night as Chico reversed the pattern of the night before to defeat the Jacks by four points, 51-47.

The home town squad jumped to a quick 10-4 lead early in the contest but the Wildcats used a fast break and took advantage of some poor ball handling by the Jacks to go ahead 25-16 by the end of the second period.

Humboldt staged a comeback in the third frame and tied the ball game up twice before Chico dumped in two quick buckets. From then until the closing seconds of the game the visitors maintained their edge.

Once again it was Cooper who led the closing surge as he dumped in a jump shot and a pair of free throws with but 23 seconds left in the contest to bring the Jacks to within two points of Chico. However Graham drew a foul from the Humboldt-ers pressing and sank two free throws to kill any hope for victory by the Jacks.

Freshman Joe Johnson, who it turned out was playing his last varsity game this year, scored 14 points for the Lumberjack cause. Cooper also had a total of 14. Allan Darby and Graham each scored 12 for the victors.

A familiar scene in the library Monday and Tuesday was the registration of students for spring semester. Here Bob Archibald, right, a forestry student, goes over his program with Gerald Partain, assistant professor of forestry.

Record Number Of Students Attending College

A record 2,947,000 students enrolled early last fall in 1,852 institutions of higher education, according to the annual fall enrollment survey of the Office of Education, Department of Health, Education and Welfare.

Additional enrollments during the school year are expected to bring the total to approximately 3 1/4 million, an all-time high, Lawrence G. Derthick, Commissioner of Education, said.

The ten institutions reporting largest enrollments this year are: University of California, all campuses, but excluding extension enrollment, 40,788; University of Minnesota, all campuses, 36,303; New York University, 31,203; City College of New York, 28,178; State University of New York, all campuses, but excluding the Agricultural and Technical Institutes, 27,566; Columbia University, 26,966; University of Illinois, 26,471; University of Michigan, 25,153; University of Wisconsin, all campuses, 24,442; and the Ohio State University, 22,470.

College enrollments increased for the fifth consecutive year, the survey showed. There were 39.2 percent more students enrolled than in 1951. Enrollment figures were 10 percent higher this year than last year, the previous high.

BUDGET ASKS \$4 1/2 MILLION FOR HUMBOLDT BUILDINGS

Humboldt State will get nearly \$4 1/2 million for new construction in 1957-58, if the legislature approves this item in the governor's budget.

The budget was submitted Jan. 14 by Gov. Goodwin J. Knight. It asks \$6,101,301 for Humboldt. Included in the total was \$1,610,486 in operating funds.

The total budget for support and expansion of the University of California and the 12-campus state college system lists 230 million dollars. A part of this amount, including appropriations for the new dormitory, is to come from monies made available in the favorable vote on proposition 3 in last November's general election. The proposition authorized the state to issue \$200 million in bonds to pay for about half of a

five-year program of construction of state buildings.

The budget predicted that full time students at Humboldt will number 1325 in 1957-58, an increase of 195.

President C. H. Siemens said the funds would be spent as follows: speech-arts auditorium, \$1,970,000; swimming pool, \$175,000; field house, \$415,000; administration-business, \$900,000; men's dormitory, \$790,000. Eight minor construction jobs costing \$100,000 are also envisaged, he said, and \$172,000 will go for land acquisition west of the campus including the Preston place.

He said the money will become available July 1 and construction on the speech-arts building should start by Sept. 1.

Spring Semester Extension Courses Now Available

Extension course offerings for the spring semester were announced this week by Dr. Ivan C. Milhou, dean of educational services.

Courses in art, education, foreign language, English, and social sciences are scheduled to begin next week in Eureka, Fortuna, Miranda, Hoopa, Crescent City and on the campus. Classes will meet once a week in twelve 1 1/2 hour sessions for 2 units; or fourteen 3 hour sessions for three units. Registration will be with the instructor at the first meeting of each class, with a registration fee of \$17.00 for a two-unit course and \$25.00 for three units.

Dr. Milhou points out that a minimum enrollment of 16 students is necessary to insure organization of the class, and urged those who expect to enroll to be present at the first meeting or notify the instructor in advance.

A maximum of 24 units earned in extension classes may be applied at the A. B. degree of credential requirements; and a maximum of six units may apply to the master's degree.

Students taking the course for college credit will comply with regular college requirements for class attendance, outside assignments and examinations. Persons not wishing to earn credit

may register as auditors.

Dr. Milhou said it is the policy of the college to organize extension courses whenever there is sufficient demand and instructors are available. Requests for a schedule of course offerings and further information on courses may be addressed to him.

Booklet Offers Travel Hints

If you are planning your first trip abroad - for pleasure, study or work - you will find helpful a new publication of the Council on Student Travel (179 Broadway, New York 7, N. Y.) titled, Europe: Sources of Information, priced at 25 cents. It is a 24-page booklet compiled as a service to students and young people traveling on limited budgets. In keeping with that fact, most of the publications listed are free.

The booklet lists, with brief descriptions, more than 50 current self-help books, pamphlets, directories and other guides. Jobs in Europe, study and summer projects abroad, travel hints and handbooks, all are included for the cost-conscious traveler.
