

'Court' Drama Here Tonite

A scene from Herman Wouk's "The Caine Mutiny Court Martial," directed by Dr. Stanley Glenn, is displayed by the HSC players during practice this week. The play is built around the dramatic breakdown of "Captain Queeg"

while being questioned. The play opens tonight and will play Saturday and next weekend the play will repeat the Friday and Saturday showings.

FOUR PERFORMANCES SET FOR POPULAR STAGE PLAY

The popular stage play, "Caine Mutiny Court Martial", is scheduled to begin tonight in the college auditorium. Curtain time is 8:15.

"Caine Mutiny" is being presented by the drama department, under the direction of Dr. Stanley Glenn, tonight, tomorrow evening and next Friday and Saturday, March 1-2. Leading roles will be portrayed by Tom Turner, Homer Ratcliff, Bob Maupin, Herb McLellan, Bob Lloyd and John Tonge. Others in the cast are: John Smith, Larry West, Bob Crichton, Jim Shaver, John Heron, Ed Spencer, Jim Nameth, Hal Lewis, Bob Richard, Jim Palmer, Glenn Lewis, Tom Brown and Harmon Bonnicksen.

Dr. Glenn states, "This is an exciting court room dramatic play in which certain ideas and confusions, that arose out of World War II are expressed. The ideas and characters are expressed by using only a small amount of scenery."

According to critics the climax in which Capt. Queeg, played by Tom Turner, breaks down, is one of the most intense moments in theatrical history.

Frank Bettendorf, HSC senior, is the switchboard operator under the direction of Mr. John Van Duzer, technical director. Costumes are under the direction of Mrs. Lynn Pauley.

"Caine Mutiny" promises to be a big success. Tickets are going fast, so the Drama Department advises you to reserve your tickets as early as possible. "All seats may be reserved by calling VA 2-1771, ext no. 63, or going to the Language Arts office in the Administration Building." Student Body card holders are admitted free, high school students and children 50 cents, adults \$1.00.

Dr. Hall Speaker In Faculty Forum Series Monday

Dr. Bernard Hall, assistant professor of economics, will speak on "The History and Significance of the Public Debt" on Monday. This is one of the series of Faculty Forums and will begin at 8 p.m. in the wildlife building auditorium on the HSC campus.

"An understanding of the significance of the national debt today requires a knowledge of our complex money and banking system," said Dr. Hall. He briefly covered this subject, and also he will trace the history of the national debt and the reasons for its growth. Such questions as why the government has to borrow in war periods, why it is fallacious reasoning to consider that every government debt is bad, and what are the positive benefits that might stem from a national debt, will be answered.

Dr. Hall, whose main economic interest are monopoly versus competition problems and also problems concerning business cycles, public finance, and money and banking, received his bachelor's degree from Brooklyn College and his doctor's degree from the University of California at Berkeley.

Before coming to Humboldt State he taught at the University of California and was employed as a research economist for the Industrial Relations Institute at the University of California.

Stockton College Hosting HSC In Forensic Debate

The Lumberjack forensic squad is competing today in the opening event of the second semester of its 1956-57 schedule at Stockton College which is hosting a novice debate and individual events tournament for the Northern California Forensic Association.

The contest is limited to lower division students and those without competitive experience before this season. HSC representatives include three debate teams: Marni Brede and Vivian Brede, Kay Carlson and Freda Wood, and Sharon Poff and Carol Torrence. Also entering individual speaking events will be Carol Torrence in women's oratory, Marni Brede, Kay Carlson and Freda Wood in women's extemporaneous speaking, and Vivian Brede, Kay Carlson, Sharon Poff and Freda Wood in expository speaking.

This is the largest entry of feminine speakers to represent HSC since the start of the forensic program at the college. There is also a male contingent tentatively scheduled to represent the

(continued on page 6)

Marital Bug Bites Lumberjack Editor

The marriage of Keith Barnhill and Janis Lang will be solemnized Sunday at 2 p. m. in the Christ Episcopal Church, Eureka. A reception will follow the ceremony at the church hall.

Miss Lang is the daughter of Howard J. Lang and Barnhill is the son of Mrs. J. L. Peterson of Eureka. Both Miss Lang and Barnhill are 1955 graduates of Eureka high school and both have been active in Humboldt State speech and journalism activities. Barnhill is editor of the Lumberjack.

New Art Exhibit Set For March

Paintings by James Grant will remain on exhibit in the main art gallery until March 1, according to Glenn Berry, art instructor and a former student of Grant's. Herbert Pannier of Rockford, Illinois, will be the next exhibitor in the gallery.

Several examples of student art from Midwestern University of Texas are to be seen in the audio-visual room in the Library. The exhibit will remain through Feb. 28.

SEVEN ADDITIONAL STUDENTS NAMED TO GREEN, GOLD KEY

Seven more HSC students, one senior and six juniors, were accepted as members of Green Key and Gold Key, the men and women's honoraries, it was announced today.

New members of Gold Key are Joan Brozovich, senior, and Roberta Johnson, Kay Killenger and Diane Johnson, juniors. Accepted by Green Key are Jim Mayo, Wally Sinclair and Jim Barnes.

Green and Gold Key were created to give recognition to those students who have made unusual contributions to the college in more than on field or activity. To further qualify, a student must be of good character and have a grade point average of 2.5 or better.

Selection of members is determined by nomination by a secret faculty committee and approved by a majority vote of the combined honoraries.

Joan Brozovich has been a member of the Womens Athletic Association for two years. She is also active in orchestra and band, being a member of the latter all of her college years.

Roberta Johnson is quite active in student government being secretary of the Associated Student Body and a member of the Student Executive Council. She also belongs to Spurs, a women's

service organization.

Vice president of the Associated Women Students is Kay Killenger. She has also been a rep-

By The Way

BY KEITH BARNHILL

This week saw more opinions travel across my desk, very good ones at that. Those who are raising their pens now are also raising their caps and thinking about the problem at hand.

May I take the liberty to point out the remarks and attitude Mr. Reese Bullen used last week were stepping stones for the students to follow. They apparently have followed Mr. Bullen's diplomatic and sensible approach to the comments of Mr. John Cherry, in a previous Lumberjack.

STUDENTS VOICE OPINION

As two students who feel concerned about the ideas contained in Mr. John Cherry's letter to the editor of two weeks ago, we would like to present our opinions. These opinions are our personal answers in part, to the questions Mr. Bullen raised last week in his letter entitled, "What Is Art?"

Art is very personal - both to the artist and the public. Mr. Cherry's opinion that "real art" is only "faithful reproduction" is not everyone's opinion. Remember - the artist must be considered. If an artist is a creative man, then surely we cannot judge all paintings by any inflexible criterion such as realism. The artists of this or any generation have new ideas and they present them in new ways. Art is not standing still and letting our rapidly advancing civilization pass it by. Why should it? The artist loses his individuality and purpose if he tunes himself to society in general and paints only what he knows will not offend it. He is no longer a creative artist; he is a mirror which reflects for the masses their own reluctance to be individuals.

It would be a versatile man indeed who could like all the different types of art; we must learn to understand what an artist is trying to do or say before we can make a fair value judgment. This is not simple. You cannot stand in front of a work of art and expect it to shout out its values to you. You have to read and reflect upon a painting just as you read and think about a poem. If you are really interested you will meet it halfway - you will sincerely try to understand before you pronounce judgment. More important than being able to judge is keeping an open mind. Everyone has his own ideas but does that mean he has to reject everyone else's?

From the standpoint of the intelligent viewer, one does not blindly accept what is put before him. He broadens his mind through study of what has been done, and in the case of the art student, through experimentation in the various mediums and techniques. Only through exploration and education can one form a basis for discrimination - blind acceptance or rejection is not the answer.

When the artist puts his canvas before the public it is no longer his idea - it is whatever idea each individual associates it with. It is not necessary or possible that a work of art mean exactly the same thing to everyone. Is this a fault in modern art? Perhaps it is not the failure of art but rather the inadequacy of the public to sympathize with the artist and give him the right to express his own views. Artists are serious, honest, normal people. They feel that what they are doing is worthwhile, necessary work. They are not trying to fool or pervert anybody! The necessity for urging this point is regrettable. It is unfortunate that people feel justified in questioning the mental stability of the artist just because they do not understand what he is trying to do. It is more than unfortunate; it is unfair.

Why can we not attempt to understand modern art when we accept modern architecture (which is a form of art), modern medicine, modern industry - and call it progress?

Joyce Van Alen, Art major
Marian Holverson, English major

Sam Hinton, noted folk singer, displays his art for some students in the Coop during his stay here for American Heritage Week. Hinton appeared on Thursday and sang folk songs and ballads for HSC students and faculty.

Minutes of the Student Council

Feb. 14, 1957

The meeting was called to order by Vice-President, Jim Arnot, on the above date. Those attending were Chip Brodie, Joe Chappelle, Jon Mitts, Keith Barnhill, Jim Barnes, Sandi Wahlund, Pat Duffy, Jim Callison, Mike Fielding, Jack Sears, Dr. Karshner, and Robert Johnson.

The minutes were approved as submitted.

Correspondence

A letter was read from Dr. Siemens, inviting the student council and its advisers for a social hour on March 21, following the regular meeting. A buffet dinner will be served at 6 p.m. at Dr. Siemens' home.

Old Business

It was moved, seconded and passed to accept Don Peterson to fill the vacancy of Assembly Commissioner.

It was reported that the student council has not received a report from the Board of Control about the Representative at Large election. Jim Arnot is to write a note to Pat Hammond asking for a reply before the next council meeting.

New Business

Jim Barnes, Jim Callison and Mike Fielding are on the committee to handle the ASB election and retreat. It was suggested that the election take place on the first Wednesday of May.

There was much discussion as to whether the Sweetheart Ball should be sponsored by the Freshman Class or by the Student Body. It was then moved, seconded and passed to table this discussion until the council can meet with the class officers. It was decided to have the meeting with the class officers on Thursday, March 7.

Jim Callison is to check on Activities Card holders. It is the policy that anyone participating in any activity on campus should have an activities card.

It was moved, seconded and passed to accept Jim Nameth's resignation from the Public Relations Committee.

Jim Nameth gave a report on the 1956 Homecoming. He also read the recommendations for next year's Homecoming. It was moved, seconded and passed to give Jim and his committee a vote of thanks for all they have done for the 1956 Homecoming.

It was moved, seconded and passed to accept the prices of 50c with and 75c without Activities Cards for the after game dance to be sponsored by the Cornus Club on Friday, Feb. 15.

There was much discussion about the problem of the students parking near and around the gym during the game nights. It was stated that the parking space is limited near the gym and the students should leave this parking area for the people coming to watch the games. It was then moved, seconded, and passed to make personal con-

tacts with Alpha House and Hank Cooper, the captain of the basketball team, and put a notice in the bulletin stressing the students not to park near the gym from 6-11 p.m. during night games.

The matter was also brought to the attention of the council by the P. E. Department about the over crowded parking around the gym during the students P. E. periods. It was decided to refer this matter to the administration.

Commissioner Reports

Publications Commissioner reported that Miss Chloe Kiggins has been appointed as editor and Phil Bartlett as business manager of the magazine to be published by the Journalism Class. He also stated that \$350 of advertising will be in the magazine and the probable cost will be 25c. It was then moved, seconded and passed to approve the transfer of funds and to accept this magazine.

It was reported that the council awards have been ordered and will be here in one month.

Dr. Karshner commended the student council on the High School Leadership Conference they held on Tuesday, Feb. 12.

Respectfully submitted,
Roberta Johnson,
ASB Secretary.
Jim Arnot,
ASB Vice-President.

Peterson Appointed To ASB Office

Don Peterson, HSC sophomore, was appointed Assemblies Commissioner by Mike Fielding, ASB president, at the last Executive Council meeting.

Duties of the Assemblies Commissioner include co-ordinating between the faculty and the students on the scheduling of assemblies, programing and working on any other problems having to do with the assemblies.

Peterson will be a regular voting member on the Executive Council and will work with the other Executive officers.

Inter-Club Senate and band are two of the second activities that Peterson has taken part in his first two years.

Peterson is filling the vacancy left by Jim Arnot who was appointed Vice President.

TEMPERMENTAL THESPIANS

Plans for a 1941 play production here at HSC were scrapped when one of the actors refused to play a part unless he could have his head shaved. Two other actors wanted to use real cocktails instead of props. It was then decided to produce "Tobacco Road," instead, as it was "a show more fitted to the natural talents of the 'characters'."

Faculty Frolic Set For Tuesday

A new HSC tradition will be inaugurated Tuesday night when the faculty and staff gather for the "Free February Faculty Frolic" at the Danish Hall, 16th and L Streets in Arcata.

Sponsored by the Faculty Wives and Faculty Social Committee, the free festivities will begin at 8 p.m. with dessert being served. A card party, dancing and a program are scheduled.

All faculty members and spouses or escorts are invited to "enjoy an evening of fun."

Is Ten Cents Too Much For Coffee?

That "annual gripe" - why can't a five cent cup of coffee be served in the Coop? - has come up again.

A cup of coffee costs approximately 7 1/3 cents making the sale of it at five cents virtually impossible, according to a breakdown, released by Jack Sears, graduate manager. It reveals the following costs in producing one cup of coffee: coffee, two cents; cream, one-half cent; sugar, one-third cent; labor in making coffee, one cent; labor for washing cups, one cent; labor for picking up cups, one cent; cup loss, one-half cent and rent, lights, water and miscellaneous, one cent. This makes a total of 7 1/3 cents leaving a possible profit of 2 2/3 cents per cup.

As is to be expected everyone does not use cream and/or sugar in his coffee. The figures per cup were arrived at by taking the total amount of cream and sugar used in a day and pro rating it over the number of cups of coffee sold in a day. Mr. Sears stated that if a self-service coffee dispenser was not in use the cost per cup would be even more.

He also stated that ten cents a cup is the standard price now, and that a five cent cup of coffee is a thing of the past. Some restaurants in the Bay Area have raised the price of coffee to 12 and 15 cents a cup.

Hoop Season Ends This Weekend

HILLTOPPERS OUT TO EVEN FWC MARK AGAINST CAL AGGIES HERE

BY DON HARRIS

Full of spirit and optimism after their unexpected successes against Nevada, the Humboldt State Lumberjacks will be out to end their 1956-57 basketball season on a high note by leveling off their conference mark at five-five as they host the Cal Aggie Mustangs in two contests at the HSC gym tonight and tomorrow.

The Jacks enter tonight's tilt with a record of three wins against five losses in Far Western Conference action and an overall season standing of 10-13. If Humboldt plays the same brand of ball that carried them to wins over the Wolfpack last week they will end up with an even won-loss record in loop action and a near-even total record.

Main enemy of the Lumberjacks may not be the Aggies, who have a 1-7 record, but over-confidence on the part of the Humboldt five. Such an attitude could easily develop in a young squad that has suddenly come into its own as the Jacks appeared to do against the "uncrowned champion" Nevadans.

Coach Franny Givins stated that the feeling of being "up on cloud number seven" was evident in practice session early this week. He added on a more optimistic note that he thought the club would come back down to earth by the time the series started and that, if Humboldt played ball the way it should, the odds were with them.

JACKS FAVORED

It should be a pleasant experience for Humboldt to enter the game as favorites as it is a role that they have not held before in league play this year.

On the gloomy side of the picture Team Captain Henry Cooper, the only player on the squad who will be lost via the graduation route, will be on the sidelines for the series. A bone spur in his foot that developed slight infection cause him to miss last week's action and, although, the ailment is on the mend and is not serious, he will not be able to play in the season finale.

Givins will field the same starting five that delayed — if not permanently destroyed — the Nevada championship express. That means that freshman Grant Erhart (6-5), freshman Don Robinson (6-4), junior Bob Lawson (6-1), junior Warren Baker (6-4), and junior Jack Evans (5-10) will be on the floor for the Jacks.

Coach George Strombren of the Aggies will likely counter with sophomore Gordon Fisher (5-11) and sophomore Jim Ralph (5-11).

Baseball Team To Play Intrasquad Game Tomorrow

With only a week of outdoor practice under their belts Coach Ced Kinzer's defending Co-Champion Lumberjack baseball team gets off and rolling tomorrow morning at 11 a.m. as the club plays an intrasquad tilt at the Arcata ball park.

Well stocked with veterans, hopes are high that the horsehiders will enjoy a season similar to their successful 1956 year that saw them wind up with a 9-1 FWC record and 21-6 overall.

Kinzer stated that, despite the fact that the squad is back virtually intact, nobody has a starting position cinched. Many fine-fielding newcomers have seen to that and although they have yet to prove their abilities with a bat several of them are ranking candidates for a starting nod.

Prior to the official outdoor turnout Monday, the squad of about thirty had been holding indoor practice sessions with emphasis primarily on conditioning and loosening up of the throwing arms for two weeks.

at the guards, senior Rollin Wilkinson (6-4) at center and Bob Koenitzer (6-2) and either Dave Gaynor (6-5) or freshman Bill Rosenman (6-1) at the forwards.

Gaynor, the team's top scorer in 1956 who plays an important roll in the Aggies potent fast break, is reported suffering from an infected leg and may not be able to see action.

In the pre-season FWC tournament the Jacks edged the Mustangs 74-71 in a thriller. Since that time the visitors have lost the services of Fred Peterson, a top scorer and one of the club's MVP last season, as the result of mid-year graduation.

ALL FWC TEAMS PLAY

All Far Western Conference clubs will conclude their league season this weekend. The championship will be decided in a show-down series to be played between the Wolfpack and the leading Sacramento State Hornets, with a 7-1 mark, in Reno.

By DICK LAURSEN

Only six more days left to get that steelie up in the white waters of the local rivers. After the end of February, we will be able to fish only in the portion of the streams between the 101 Hiway bridges and the ocean or any other water designated by the angling regulations. Be sure to check the regulation booklet or with a warden if you are not sure just what waters are legal or not legal.

I don't know where a good place to go this week-end will be, as it depends on the weather man and the forces that he controls. Here is the scoop for the past week-end — you draw your own conclusions as to where to go.

Jack Legate and Reverend Sam Kleinsasser of the First Baptist Church of Arcata, had a fairly good day on the South Fork of the Smith River last Monday, though they were unable to land any of the fish hooked. Legate said that at least two of the fish hooked were in the 12-15 pound class. Not giants, but quite respectable fish.

Reports from the Trinity River are that the river is muddy and not too fishable. The recent warm weather resulting in melt-

ing of the snow is blamed for this condition.

Wayne Salmon and Frank Metcalf are still plying their devastating tactics on the poor defenseless steelhead. This time, their point of attack was near Dyerville on the South Fork of the Eel River. Their catch was nothing fabulous, but several nice steelies were brought to shore.

The Matole River was exploited by Jim Adams and Walt Price. They fished the river both Saturday and Sunday and brought in six nice fish. They used flies of various red and orange patterns exclusively in their efforts.

The California Wildlife Federation has made several proposals to the Fish and Game Department on Budget recommendations. Many of these recommendations have much merit, but there is one which I can see only disastrous results from if carried out. The Department also sees it in this light and gives reasons for its not taking the Federation's proposal. The proposal is: "Drop Conservation Education Supervisors in Regions III and V and cut the Conservation Education budget by \$50,000." It certainly seems to this writer that conservation education is needed more and more and that that particular branch of the Department should be expanded, not curtailed.

There is a bill before the California Senate at the present time which, if passed, will curtail the billboards along the state's scenic highways and freeways. The bill (Senate Bill 666) looks like a good measure and if you are interested, you should write to your local senator. The senator in Humboldt county is Hon. Carl L. Christensen Jr. You can write to him at the Office of the Senate, State Capitol, Sacramento, California.

DON'T LET BILLBOARDS RUIN THE AESTHETIC VALUES OF OUR HIWAYS — SUPPORT SENATE BILL 666.

THINCLADS WILL HAVE TWO HOME AND FOUR AWAY MEETS

The Humboldt State College track schedule promises to test the mettle of the 1957 version of the Lumberjack thinclads. The schedule will feature two home meets in Redwood Bowl and six away. The two home meets will be with Cal Aggie on April 6 and Chico State on April 20.

March 23 is the opening date for the Jack cinder squad when they clash with Nevada and Chico State in a triangular meet in Chico. March 30 will feature another three way meet with Sacramento State and San Francisco State at San Francisco. The April 13 and 27 dates are still to be negotiated but there will be another triangular meet May 2 with Chico and Cal Aggie at Chico.

The highlight of the season will come on May 11 when the Far Western Conference title will be layed on the line at Davis.

The Lumberjacks last season lost only to Chico in dual and three way meets, winning over the Aggies, Nevada, Southern Oregon, Shasta Junior College, and USF. They took fourth place in the conference but were only out of second place by two points. San Francisco took top honors last year.

Paul Williams, last year's track captain and top scorer, said, "I think we will definitely be stronger in the sprints and pole vault. We have a stronger all around team than we did last year."

CHARLOTTE JOHNSON

Charlotte Johnson, Personnel Clerk, Resigns Position

Mrs. William Johnson resigned this month from her position as supervising personnel clerk in the Humboldt State College business office, according to announcement from Frank Devery, business manager at the college. "Charlotte", as she is known to faculty and staff on the campus, began her career as an intermediate account clerk nine years ago under Mrs. Jessie Woodcock. With the growth and expansion of the college, Charlotte's job and responsibilities have grown. She was the college notary public for many years; she has been in charge of finger-printing all college personnel; and among other duties prepares and supervises preparation of the extensive payroll at the college.

Mrs. Johnson's husband "Bill" is chief of maintenance on the Humboldt State campus. Both Mr. and Mrs. Johnson are well-known in the community, having made their home in Arcata for the past 23 years. The Johnson's son, Fred who attended Humboldt State, is a graduate of Oregon State school of engineering and is now employed in Los Angeles by the Minneapolis Honeywell Aeronautical Division. Their daughter, Mrs. Joseph E. Wood makes her home in Arcata with her husband and two small children.

In discussing her reason for leaving, Mrs. Johnson said that she had enjoyed every minute of her job, but now she wants to "keep house, work in her garden and catch-up on her sewing".

Chamber Music Program Sunday

The February program in the series of monthly chamber music concerts on the Humboldt State college campus will be given at 8 p.m. Sunday in Nelson Hall lounge.

Featured on the program will be the Smetana String Quartet in E minor and the Mozart String Quartet in G, K387, played by the string quartet composed of Esther Thompson and Floyd Glende, violinists; Dan Backman, violinist and Elaine Bux, cellist.

representative-at-large and a member of Mu Epsilon Psi. As a sophomore she also attended the Governor's Youth Meeting.

Diane Johnson has also been very active in student government having held several ICS positions. She is also President of Nelson Hall women and corresponding secretary of AWS.

As a junior Jim Mayo has held several offices including secretary of the Board of Control, president and treasurer of Comus Club and treasurer of Newman Club. He is also a member of the Business Club and CTSA.

Wally Sinclair has been quite active in drama affairs. His experiences range from acting to building scenery. He is a member of Alpha Psi Omega and Drama Club.

For three years Jim Barnes has been an Intercollegiate Knight member. He is now vice president of the junior class and served as activities commissioner.

PLAY TRYOUTS ANNOUNCED

The initial tryouts for the coming spring play production of "Playboy of the Western World," by John Millington Synge, were announced this week by Dr. Stanly Glenn, director of dramatics at HSC. The tryouts will be held in the college auditorium Feb. 26 and 27 from 3 p.m. to 4:30 p.m. and 4 p.m. to 5 p.m. respectively.

DALE CALLIHAN

CALLIHAN DIRECTOR OF FROSH CAMP

Dale Callihan, junior, has been appointed Director of 1957 Frosh Camp, it was announced.

President of the junior class this year, Dale has also been president of Circle K and a member of the Lumberjack band. He has worked on the Dad's Day committee, All School Picnic and the last Sno Ball.

Dale has served as Discussion Committee Chairman of Frosh Camp the past two years. Assisting him with the preparations for the 1957 Frosh Camp will be Associate Directors Roberta Johnson and Harmon Bonniksen.

Robert Le House To Perform Here

Several HSC service clubs and three local dance teachers will present Robert Le House as the featured dancer in their program March 4. A company of four dancers and a drummer accompanist will appear with Le House in the HSC auditorium at 8:15.

The group specializes in songs and dances to the African, Middle East as well as West Indian people. The songs and dances are the result of the performers actual backgrounds in areas mentioned.

Le House has danced in concerts at Los Angeles Philharmonic and the Pasadena Civic Auditoriums. He taught for nearly two years at Universal-International Films and has done choreography and dancing for films. He has also danced for television and preformed at Ciro's in Los Angeles.

Stockton Debate

(Continued from Page One)

Jacks at Stockton, but the final entry list was not definite in time for the deadline of this issue of the Lumberjack.

The squad's season moves on to varsity events with the Linfield College "Tournament of Champions" scheduled for March 6-10 with a tentative entry list of 12 male speakers representing HSC while two hilltop debate teams will travel to Pepperdine College in Los Angeles for the spring western debate championship tournament on the same dates.

Much of the concentrated attention on the latter two events results from the problem of selecting a limited entry to represent the Lumberjacks in the premium Pi Kappa Delta national tournament at Brookings, South Dakota, during Easter vacation.

Sticklers!

MESSAGE to Botany majors: today's lesson is easy. No spore lore, plant cant or stalk talk. Just the fact that Luckies' fine tobacco is A-1 Puff Stuff! This information won't help you graduate, but it'll cue you to the best smoking you ever had. You see, fine tobacco means better taste. A Lucky is all fine tobacco . . . nothing but mild, good-tasting tobacco that's TOASTED to taste even better. Why settle for less? You'll say a Lucky is the best-tasting cigarette you ever smoked!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some easy money —start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

Luckies Taste Better

"IT'S TOASTED" TO TASTE BETTER . . . CLEANER, FRESHER, SMOOTHER!
