

# BUSINESS DAY SET FOR WEDNESDAY

## LeHouse Dance Troupe Presents Program Here Monday Evening

Bob LeHouse, famous choreographer and dancer, will present a concert of West Indian and African dances Monday at 8:15 p. m. in the college gymnasium.

LeHouse, who is of French and Sudanese ancestry, and his company of four dancers and drummer accompanist, have selected from their backgrounds the best in songs and dances known throughout Africa and the Middle East, as well as the West Indies.

According to Miss Kay Gott, associate professor of physical education and teacher of dancing at Humboldt State, LeHouse is an unusual personality with an unusual background. He has danced in concert at Los Angeles Philharmonic and the Pasadena Civic auditoriums, as well as performing for television and at Ciro's in Los Angeles.

Mr. LeHouse is tentatively scheduled to give a free performance Monday in the auditorium.

LeHouse taught at Universal International Films and has done choreography and dancing for films. He has been guest teacher at Eugene Loring's American School of Dance in Hollywood.

As a member of the staff at Idyllwild Arts Foundation during the summer her conducted both adult and children's classes in dance. Arrangements have been made for a Master Dance lesson while he is on the Humboldt campus.

Tickets may be obtained from Miss Gott or from the three local dance studios under Laverne Krel, Betty Merriweather and Celeste Kennedy, Eureka. Admission is \$1 for adults and 60 cents for students with activities cards.

## Balabanis Goes On Trip Today

Dr. Homer P. Balabanis, dean of instruction, will depart today for the mid-west to interview prospective instructors for Humboldt State College.

Dr. Balabanis will visit college and university campuses in and around the Chicago, Detroit and Iowa City areas.

HSC President Dr. Cornelius H. Siemens is currently in the east on a similar mission.

## 10 To Attend State College Conference

Ten Humboldt State College faculty and staff members will attend the northern section meeting of the California state colleges to be held in San Francisco tomorrow, on the San Francisco State College campus.

Dr. Fred Reddell, dean of students of SFS will preside at the general meeting scheduled for 9:30 a.m., after which section meetings will take place for the rest of the day.

Chico, Sacramento, San Jose, San Francisco, Fresno and Humboldt State Colleges will be in representation at the meeting.

Those attending from HSC and their sections are: Dr. Don Karshner, dean of students; Miss Kate Buchanan, dean of student activities, Dr. E. Ned Girard, dean of student guidance, Dr. Chester Collins, test officers, Mrs. Myrtle McKittrick and Mrs. Mary Ann Smith, registrar and admission officers, Dr. Albert Blood and Mrs. Mary Lou Humphry, placement officers, Jack Sears, graduate manager-bookstore manager and Mrs. Beverly Griffith, representing Dr. George C. Scheppeler, health officer.

## Group Attends Press Meeting

A six-member delegation from Humboldt State college left yesterday to participate in the annual convention of the California Intercollegiate Press Association in San Jose today and tomorrow.

Making the trip were Sandra Aycock and Kay Price, co-editors of the Sempervirens, Phil Bartlett, business manager of the new campus magazine, Dr. Milton Hollstein, publications adviser, and Richard Bibler, assistant professor of art. Bibler will be a featured speaker at Saturday's general session.

## Tape Recording Workshop Set For Friday, March 8

The Audio-Visual Department will host the Supervisory staff of the Humboldt County Schools at a Tape Recording Workshop on Friday, March 8, from 1:30-3 p.m.

The general function of the workshop is to teach the techniques of a tape recorder to the administrative and supervisory officers of the Humboldt County schools.

The workshop will be set up by the HSC Audio Visual Department in the Radio Hut, at the request of the Humboldt County schools. Under the direction of Mr. Lyman Miles and Dr. William Ladd.

According to Mr. Jerry Cameron, audio-visual coordinator of the county, "an increasing amount of interest is being shown by teachers in the use of the tape recorder in the classroom. Because of this, it was felt that the supervisors have an opportunity to become acquainted with the tape recorder. Like most workshops the emphasis will be on the actual participation."

"The secondary purpose of the workshop is to acquaint the participants with the contents of the HSC tape library." The tapes now available in the tape library are music and social studies, singing, instruments of the orchestra, and story telling.

Dr. Ladd states, "I am very pleased with the interest that has been shown by the county schools, I hope that this tape recording workshop will be the first in a series of such workshops in which the college may play host to public personnel."

## STUDENTS TO RECEIVE COUNSEL ON VOCATIONAL OPPORTUNITIES

Business and professional men in the Arcata-Eureka area have given enthusiastic support to Business Day, scheduled here next Wednesday.

According to Philip Briggs and Edwin H. Caplan, assistant professors of business and sponsors of the HSC Business Club, every firm and professional organization that has been approached relative to sending a representative to act as a vocational coun-

selor for the afternoon session has agreed to participate, and some have offered constructive suggestions for the conduct of the event.

In addition, a few local firms have agreed to stage exhibits of office machines, which is to be an accompanying feature of the afternoon session.

Approximately 200 high school business students and all HSC business administration majors will have the opportunity of getting vocational information and advice from outstanding individuals in 18 occupational areas: Accounting, Retail Merchandising, Direct Selling, Advertising, Office Management, Law, Public Utilities Management, Personnel Management, Transportation, Government Careers, Banking, Small Loans Management, Investment Management, Research - Economic and Marketing, Insurance - Life and general, Business Teaching, Real Estate and Industrial Engineering.

Registration for the event will begin at 9:30 a. m. in the Administration Building, followed by group meetings in the College Auditorium between 10 a. m. and noon. Counseling and viewing of exhibits is scheduled for the hours between 1 and 4 p. m.

Guest speakers will include R. C. Van Wagenen, chief of the Bureau of Business Education, State Department of Education, Sacramento, and Allen Voorsanger, Univac division of Remington Rand, Inc. Voorsanger will demonstrate Remington's electronic

(continued on page 8)

### BUSINESS DAY PROGRAM WEDNESDAY MARCH 6, 1957

9:30-10 a. m.—Registration-Foyer.

10-10:15 a. m.—General Assembly - Auditorium.

In charge: John Mayfield, President of HSC Business Club.

Speaker: Mr. R. C. Van Wogenen, Chief of Bureau of Business Education, California State Department of Education, Sacramento - Topic: "Predicting Your Future in Business".

11-11:50 a. m.—General Assembly - Auditorium.

In charge: John Mayfield.

Presentation of awards to high school students for outstanding achievement in business studies.

Dr. R. M. Woodward - HSC and high school business teachers.

Speaker: Mr. Allan Voorsanger, Univac Division of Remington Rand, Inc.

12:15-1 p. m.—Lunch-Cafeteria.

12:45-4 p. m.—Office machines displays.

Business careers: displays and individual conferences.

## Spring Elections Set For April 24

The Spring elections of the Associated Student Body have been set by the Executive Council for Wednesday, April 24.

The following offices will be open for nominations: president, vice president, secretary, treasurer, activities commissioner, assemblies commissioner, awards commissioner, rally commissioner, and publications commissioner.

Article 404 of the Constitution states that "officers shall be nominated by signed petitions of twenty-five members of the Association. Petition for nomination shall be filed with the Executive Council not less than one week nor more than three weeks prior to the regular election, during which time a notice to the effect that nominations are in order shall be posted on the official bulletin board, and shall be published in the school newspaper. The bulletin board notice shall include a copy of this section, a list of the officers to be nominated, and the date of the election."

### SOPHOMORE ELECTIONS

The ballots were still being counted at a late hour Thursday in the Sophomore Class elections. Four students were running for each of the five class offices open this spring.

Tom Turner gave an exciting, believable portrayal of the psychotic Captain Quessy in the Humboldt Players production of "The Caine Mutiny Court Martial" last Friday and Saturday nights in the HSC auditorium. The play will be repeated tonight and tomorrow night. (See story on page 3.)

## CONGRATULATIONS COUNCIL

I would like to take this opportunity publicly to congratulate your Student Executive Council for the splendid way in which they conducted the Student Leaders Conference on campus Feb. 12.

President Mike Fielding, Vice-President Jim Arnot and the entire Council exhibited unusual organizational ability and thoroughness in the manner in which they prepared for the conference. They personally contacted high school administrators and student leaders, carefully developed appropriate agendas for the general meetings, section meetings and small group discussions, scheduled necessary meeting rooms, developed mimeographed materials for registration and the discussions, and secured Jim Kidder, President of the Associated Students of the University of California as keynote speaker of the conference.

On the day of the conference they graciously and skillfully conducted the guests through registration, the numerous meetings, and the luncheon program.

From talking with some of the high school student leaders and administrators and reading the evaluation statements of many, I am confident this first conference was helpful to each of the more than two hundred high school students who attended.

Don W. Karshner, Dean of Students

## "HELLO" ... LANE?

On our campus lies a large cement slab, a sidewalk, which through some chance of fate has acquired the name "Hello Lane." Have you ever seen a real lane? — Well, they're a different type of thing from a sidewalk. When someone says "lane" to me, a different picture comes to mind, that of a lovely path through the trees. We have here on the campus a fine location for just such a path, in fact there is already a natural pathway through the area. Of this fact the C.U. should take notice since they are involved in the outdoors a lot and also because the proposed path could be a benefit to the practical use of the route, the beautification of the campus and would bring much favorable attention to the C.U. monument. The path, I think, could be directed through the C.U. monument and to the door in the North end of the main building, near the auditorium. If you'll look there next time you pass you'll get the picture.

By the way, while I'm grinding axes, have you ever tried to read the bronze plaque which says "Hello Lane" through about a quarter-inch of good rich Humboldt topsoil? — I doubt that many people even know, let alone care, that old HSC has a "Hello Lane"! Don't you think a small upright sign just past the C.U. monument and another near the sidewalk on top the hill would be much better? We'd really have a "Hello Lane" worthy of the name then!

Let's have some reactions to this thought and then get a campaign rolling to bring this needed change about.

— Ed Keenan

## LITTLE MAN ON CAMPUS

by Dick Bibler

"I tho't you'd like to know, Worthal - - Your name has just come up."

## Minutes of the Student Council

FEB. 21, 1957

The meeting was called to order by Vice-President Jim Arnot on the above date. Those present were Mike Fielding, Jim Barnes, Jon Mitts, Don Peterson, Sandi Wahlund, Pat Duffy, Chip Brodie, Keith Barnhill, Hank Cooper, Joe Chappelle, Jim Callison, Dr. Karshner and Roberta Johnson. The minutes were approved as submitted.

### CORRESPONDENCE

A letter was read from Del Norte High School. They asked if Humboldt State could secure Jerry Moore's Band for their Spring Dance. This letter is to be referred to Jerry Moore.

### OLD BUSINESS

A letter was read from the Board of Control concerning the Representative at Large Election. They stated that the election was constitutional. It was also brought out that Dr. Baker will give the Constitution Examination to anyone interested in being a member of the Board of Control.

### NEW BUSINESS

Representatives from Nelson Hall, Redwood Hall, Theta House and Alpha House met with the council to discuss the present parking situation. There was much discussion about restricting areas for each living group. Those representatives from each house will meet with Student Council on Thursday, Feb. 28. They will bring the following information:

1. Number of parking spaces around house at the present time
2. Number of cars at each house
3. Number of people living at each house
4. Number of parking spaces that each house would want to reserve.

A notice is to be put in the bulletin urging all students to keep the campus clean.

There was much discussion about the bill this year for insurance. It was stated that \$200 was allotted in the budget this year for the insurance but the policy will cost the ASB \$400. It was moved and seconded to pay the \$200 in lieu of the budget adjustment. It was then moved, seconded and passed to amend the motion that \$200 come from unbudgeted revenue. The motion was then passed as amended.

It was reported that an Intra-Mural Plaque has been made. It was moved, seconded and passed to accept the Intra-Mural Plaque and to hang it in the Coop.

### COMMITTEE REPORTS

It was moved, seconded and passed to go to Lake County for the Student Council Retreat on May 18 and 19. The retreat will start Saturday, May 18, 7:30 p. m.

It was moved, seconded and passed to hold the ASB Election on Wednesday, April 24, and if a run off is necessary it will be held on the following Wed., May 1.

### COMMISSIONER REPORTS

Activities Commissioner reported that Joyce Weaver is Chairman of the Downstairs Coop Committee. They have contacted Feuerwerkers for prices on furniture.

It was asked if the band could not get more members to play for the basketball games. Mike will attend a band meeting tomorrow and talk with them.

### BOARD OF FINANCE

It was moved, seconded and passed to accept 50 cents with and 75 cents without Activities Cards for the Mu Epsilon Psi Dance to be held in Nelson Hall on Friday, Feb. 22. It was suggested that the process for getting prices accepted for activities should be shown to ICS so they can take it back to their clubs.

### PRESIDENT'S REPORT

It was moved, seconded and passed to accept the recommendation that Dick Fauerbach be appointed as student representative to the Public Relations Committee.

It was then moved, seconded and passed to adjourn the meeting.

Respectfully submitted,  
Roberta Johnson,  
ASB Secretary  
Jim Arnot,  
ASB Vice-President

## Music Department. Producing Sunday Program On KENL

By ED KEENAN

The music department of HSC is now producing an occasional Sunday evening program on radio station KENL consisting of educational and informative comments and the records of various composers.

Two weeks ago it was Professor Jim Mearns at the turntable, and those who listened will agree, I am sure, that he did a fine job of commenting, as well as in selecting the works. His information about composer Charles Ives was enlightening to many of us.

It is interesting that America has composers, such as Ives who was far ahead of his time with his "ultra, ultra modern ideas," who have been on this path previous to some of the European pioneers, such as Stravinsky. At the time Ives wrote, had it been his sole means of support he would have starved, probably, because it was so progressive. Fortunately, for us, and him, his music was a hobby and he supported himself and his family with an insurance business.

So, today we have a sample of music composed not for the coronation of some monarch, but, perhaps for the satisfaction of the composer himself. Much of Mr. Ives music is based on our American folk tunes; could he be some sort of ancestor of Burl Ives?

The music has only been tentatively scheduled, so keep an eye or an ear out for the word. Any comments may be addressed to Leland Barlow, publicity director of the Music Department of Humboldt State College.

## New Nelson Hall Officers Elected

New officers were announced by the Nelson Hall Women recently at a Valentine party.

They are Pat Hodges, president; Lorraine Gabbert, vice president; Mary West, secretary; Virginia Fish, treasurer; DeAnne Brown, Inter-Club Senate representative; Betty Rhea, Associated Women Students representative; Sandra Aycock, fire-chief; Carol Leach, first floor proctor; and Joyce Rasmussen, second floor proctor. Each retiring officer read the name of the new officer off valentines and presented them with a scroll of the duties of their respective office.

Refreshments of cake and ice cream were provided by the Nelson Hall cafeteria.

Retiring officers include Diane Johnson, Jackie McLeod, Evelyn Horn, Mary Stewart, Harriett Jo Marsh, Lorraine Gabbert, Sandy Peretto and DeAnne Brown.

## 'Caine Mutiny' Production Called Professional, Provocative, Puzzling

BY DR. ARCHIE JONES

The Humboldt College Players production of "The Caine Mutiny Court Martial" was professional, provocative and puzzling. This alliteration is a description of the play, not the result of the reviewer's literary naivete. Ordinarily, one should proceed

to a serial discussion of the judgments implied by the adjectives, but this would be logical and the play throws into sharp focus the illogical nature of the human situation. Let us, then, begin in the middle.

The play raises a question which, because the United States has no strong military caste or tradition, is ever present in our society. Who really won the war, regular or civilian? This is the simple form of the question, but ultimately a matter of the highest policy is involved. Can a great power defend itself without creating a warrior caste? From Plato to the Prussians the answer is no. Yet in America, grown to great power status isolated from and protected by the strife of Europe, the tradition is anti-military. As late as 1940 a military career was emphatically not the most desirable niche for the enterprising young American. Obviously, World War II would have been disastrous without the professional officer cadre but it would have been equally disastrous without the civilian officers who came late but not too late. Neither professional nor civilian could have succeeded alone. There must be a balance, but where? The author of the play, Herman Wouk, presents the civilian side in Lt. Maryk and Lt. Keefer and the professional argument in Lt. Grenwald and Lt. Commander Challee, but no answer to the problem is found. It is indeed a thought provoking play. Can the United States survive without creating a military caste?

### MORAL QUESTION PUZZLING

The moral question deserves the adjective puzzling. The Court-Martial declares Maryk innocent and Queeg incompetent. Then in the final scene, the brilliant defense lawyer, Lt. Grenwald, declares Lt. Keefer, the civilian "brass" hater, guilty because he had persuaded Maryk of Queeg's mental incompetence. Who is correct? There are great difficulties in Grenwald's position. One must assume Lt. Maryk to be the epitome of conscientious stupidity and Lt. Keefer the epitome of Satanic cleverness. Neither of these judgements is adequately established by the evidence presented. Also, Grenwald assumes that Queeg could have been rationally persuaded to make the correct decisions during the typhoon or that by continuing on the course set by Queeg the Caine could have survived. Yet the evidence at the trial proved Queeg irrational under severe stress and proved the condition of the Caine during the typhoon to have been perilous in the highest degree. Grenwald did not have the concrete evidence necessary to establish his position in court, yet there is moral ground for thinking as he did. The necessary combination of stupidity, cunning and hatred probably has existed. But this is one of those shadow areas in man's personality which cannot be proven legally. The law is established custom, not ultimate justice. This is a moral question which can be decided

only by each individual. Here is the puzzle. Who was, guilty? Queeg? Maryk? Keefer?

### NEEDS PERSONAL ANSWER

A question of this kind deserves to be answered personally and I can think of no better way than by seeing the excellent play at Humboldt State College either tonight or tomorrow. The production has a truly professional air. Dr. Stanley Glenn, the director, must be congratulated for the pace and timing and especially for resisting what must have been a real temptation to incorporate his own moral judgments. It is difficult to single out any person from the excellent cast for special commendation. All deserve praise — from the silent orderlies, court members and celebrating officers (Earl Lewis, Stanley Mott, Herman Bonniksen, Phillip Swartzell, Thomas Brown, Leighton Claussen, Thomas Lofthouse, Patric Tonge, Wallace Sinclair and Dion Wright), to the testifying experts (James Shaver, John Herron, Edward Spencer), to the comic relief (Walter West), to the principals Herbert McLellan as Capt. Blakely, John Smith as Lt. Keefer, Robert Crichton as Lt. Kieth, Robert Lloyd as Lt. Com-

## Literary Magazine Soliciting Material

Toyon, the campus literary magazine, is now soliciting manuscripts for selection for its forthcoming issue to appear in the Spring, according to Dr. Ralph Samuelson, adviser. Stories, poems, novel chapters and plays will all be considered.

All students are urged to leave manuscripts either in the Language Arts office or in Dr. Samuelson's mail box in Hut 4-3.

Members of the newly-formed Toyon staff include Todd Collins, Ronald Sells, Mark Gaddy, Tony Vasquez, Gabriel Carranco, Roberta Ellis, Alan Hendrickson, Garth Stull and Dathene Gammon. The staff will be responsible for making final selections for publication in Toyon.

mander Challee and Robert Maupin as Lt. Maryk. Among the smaller roles John Herron's characterization of a gradually deflating psychiatrist was outstanding.

This reviewer must admit, however, to considerable personal satisfaction at the sight of a deposed king of the couch. Tom Turner's handling of the collapse of Lt. Commander Queeg was perceptive and powerful; Homer Ratcliff's interpretation of the tortured Lt. Grenwald was intelligent and more than effective. The play is good theatre, well acted, well directed, well staged and well worth an evening of the reader's time.

## HSC SKI CLUB COMPETES IN LASSEN MEET

The first Far Western Conference ski meet was held this past weekend at Mt. Lassen. HSC Ski Club was represented by a team consisting of Roland Atterbury, Rod Sandretto, Art Pierce and Hal Brusher.

The other competing teams were Nevada and Chico State.

The HSC team entered the Downhill and Slalom Races. Several individual times in the races were very good but the total team standings placed HSC third with Nevada first and Chico second.

Moral support came from other Humboldt skiers who went along. They were Carol Priestly, Lois Morrow, Beverly Helberg, Niel Metcalf and Jim Vaughn.

## BARLOW AT CONFERENCE

Mr. Leland Barlow, HSC music professor, is attending the conference for California Music Executives today and tomorrow at Santa Barbara, according to the music department.

The department also stated that the conference will chiefly concern curricula of California Colleges.

## Ed Psych Classes Observing Childs Classroom Behavior

Something new has been added to the Ed Psych 113 classes this semester. The classes, instructed by Dr. Joseph Trainor and Dr. Kenneth Humphry, assistant professors of education, as part of their regular work are observing, in area public schools, child behavior in the classroom, while studying the classes taught.

The plan developed from regularly suggested evaluations of the course by previous classes. It was felt that they would get more out of the class if there was more classroom observation.

It is hoped to make classwork more meaningful to the students by their observing directly a variety of pertinent factors such as classroom learning, child behavior and child growth and development.

The students observe the type of course that they are majoring in. If a student is planning to teach history he observes a high school history class. If a person is majoring in elementary education a elementary school class is observed.

Public schools participating in this venture are those in the Arcata Elementary School District, also the Arcata Union High School and the Eureka Junior and Senior High Schools.

This is the trial semester of this method and there are many practical problems involved, but they are being followed by Dr. Kasper Ingebritson, coordinator of student teaching, with the cooperation of the teachers and principals of the participating schools. The results of the course will be evaluated by students now taking the course.

## Sturgeon Caught In Big Lagoon

Last Sunday history was made at Big Lagoon! A 30-inch Green Sturgeon was caught there by Jim Joseph and Stan Elcock, graduate fisheries students. The fish was caught in a gill net set near the north end of the spit where the lagoon usually breaks open.

Joseph and Elcock state that this is the first time that a sturgeon has been recorded in any of the north coast lagoons. The sturgeon are found regularly in the Klamath River, occasionally in the Eel River and possibly in some of the other rivers of Humboldt and Del Norte counties. Whether the fish caught is a stray or is part to a normal run into Big Lagoon is still being speculated.

The fish can be seen in the aquarium (room 110) in the Wildlife building.

Mr. Frank Gianoni, Arcata merchant and member of the college advisory board, received the award for outstanding service to the college and community at the second annual Circle K awards banquet recently. Presenting the award are Russ Bradford, center, newly-elected president of Circle K, and Jim Ely, outgoing president.

## SENIOR HOME EC GIRLS TO MOVE INTO NEW HOME MANAGEMENT HOUSE SOON

The senior Home Economics girls will be moving into the "Home Management House" sometime this month.

## Local Compositions To Be Featured

Arrangements have been made to perform some of the works of contemporary composers living in Humboldt County tomorrow at 2:30 p.m. at Washington Elementary school in Eureka.

The American Association of University Women expressed interest, and the HSC music department, with the aid of the chorus, is going to supply the program. It will feature songs by Dr. Leon Wagner, assistant professor of music; a concerto for piano and orchestra by Mr. Fred Owens, music instructor, and a piano sonata by Mr. Paul Johnson, assistant professor of music.

There will also be a panel discussion concerning contemporary composers, their activities and how their work is received by the public. Many other factors of interest concerning these composers, such as "Are any of the present-day composers of the caliber of such masters as Beethoven," will be discussed, according to Dr. Wagner.

## 3 CES Teachers Attending Meeting

Taking leadership roles in the West Coast Camping Association meeting that started yesterday, and continues through March 1 and 2 at Earheart, Oregon, are Mrs. Hellen Grilley, Mrs. Helen Macpherson and Mrs. Charles McDermid, supervisory teachers at the College Elementary School.

They are invited to participate in the conference because of their work in camp counseling here at Humboldt State College.

This is the first time in Humboldt State College history to have such a house on campus. The purpose of the house is to give girls majoring in Home Ec an actual chance to participate in a home situation instead of studying in a laboratory.

The girls will have a chance to use all the many techniques they have been taught in class. For instance the girls will be making curtains and draperies. It will be their responsibility to fix the house up to make it as attractive as possible by using a variety of different types of textures and fabrics.

Just as in all walks of life, financial budgeting will be one of the most important aspects of the home management house, according to Miss Tschanz, home adviser.

The home management house will be open each year to senior girls majoring in Home Economics. This semester there will be four girls and one adviser living in the house, for the one month period. However, there will also be three girls in class that will not be living in the house itself. The girls that will be living in the house this semester are Rose Linser, Carol Leach, Shirley Marsh and Claudette Hummel. Avis Fredricks, Sandra Knoph and Dorothy Lancaster will be in the class only. Miss Tschanz is home management adviser.

Miss Tschanz says, "the girls are very excited about being the first ones to move in and set up the house. Naturally they want to make a big success of the home management house."

The home management house is located directly behind Jenkins Hall. Miss Tschanz stated, "The house has recently been redecorated and all new furniture was purchased, consequently living in the house will be a benefiting experience to all the girls."

## Ranger Carl Anderson To Speak At C. U. Banquet March 16

March 11-15 is Conservation Week on the Humboldt State campus. Displays of various outdoor scenes and wildlife will be presented by Conservation Unlimited and the Forestry Club.

Ranger Carl Anderson, Supervisor of the Redwood State Parks will be the main speaker at the Conservation Banquet held on March 16 in the Eureka Inn. Mr.

Anderson has been active in public education for the past decade and has proved himself to be a very capable leader.

Other plans for Conservation Week are Conservation Education programs of slide or movie showings to various schools in the county. The program for Friday's assembly (March 15) has not been completed at this early date.

## After-Game Dance Successful Venture

According to Bob Harris and his committee, the after-game dance last week, which was for the benefit of Conference-bound Music Students, was a successful venture and the proceeds will help defray the expenses for all concerned. He commented that people were quite surprised to actually see (what turned out to be) a 16 piece outfit, and hear the mellow sounds that resulted.

The music conference will take place at Pasadena and will be April 15 through 20. Those attending this event are listed: Bob Cutting, Don Moehnke, Shirley Christy, Joan Brozovich, Bob Harris, Bob Swede, Keith Anderson, Lucretia McKeown, Jim Westman, Jerry Davies, and Bernice Scheepeler. These students will be accompanied by some faculty members including Music Professors Floyd Glende, Dan Backman, Leland Barlow and a teacher from College Elementary School, Doris Eikenberry.

Mr. Glende commented that the program at Pasadena will include meetings for band directors and orchestra leaders and also classroom teachers and there will be opportunities to hear outstanding vocal and instrumental groups consisting of students from elementary schools, high schools and colleges.

## Three Assigned Part-time Teaching

Three persons have been appointed to part time teaching assignments at Humboldt State College, it was announced by Dr. Homer Balabanis, dean of instruction.

They are Mrs. Rhea Houck, wife of Dr. W. Houck of the HSC biological science staff; Mr. Delmar Stanley and Mr. Robert Beeman, both HSC graduates.

Mrs. Houck aids the biology staff; Mr. Beeman, zoology and Mr. Stanley, the history department.

There are several teaching posts to be filled for next year in the engineering, organic chemistry, economics, physical education, radio-television, speech, zoology and nurse instruction areas.

## Phil Bartlett Wins Vita Craft Trophy

Phil Bartlett, Humboldt junior business administration major, has won the Vita Craft Pacific Sales Supervisor's Trophy for the first semester of the academic school year, according to an announcement just received from John W. Arnold, the firm's west coast manager.

Phil led his sales crew to first place in the standings which included the leading colleges on the Pacific Coast. The Vita Craft trophy will be awarded at a special Campus Manager meeting in Roseburg, Oregon, on Saturday, March 16, 1957.

Happy Haft, Duane Shelton and Bill Greenwood join Phil to make up this Vita Craft division that registered sales of \$10,814.80 during the first semester. Sales were made on a part time basis in the Eureka-Arcata area with occasional trips to Crescent City and Ukiah on weekends and during school vacations. All men are in training for the right to join a summer crew that will cover Northern California selling aluminum cookware, stainless steel cookware, Bavarian china, stainless steel flatware, cutlery and salad machines.

During the summer these men earn scholarships based on the amount that they have sold. This summer the company expects to pay out over \$5,000 in scholarship grants which is in addition to the regular weekly earnings. "This job is one that lends great opportunities to college men," according to Manager Bartlett. "Its rewards and experiences surely merit interest." The emphasis has been upon rewards with Phil as he was paid \$600 for one of the four 30-day pay periods during the first semester. Both Phil and his wife, Shirley, are attending classes at Humboldt and find that this part time job handles the expense problem quite handily.

The Republican Party of Jefferson, Madison, Monroe and John Quincy Adams is known today as the Democratic Party.

Planning the annual Mardi Gras festivities are members of the Humboldt State Newman Club. Seated, left to right, are Jim Mayo, general chairman; Sylvia Graham, Dr. Donald Strahan, adviser; Jean Spadoni, Joan Stempka, Camille Kopriva. Standing, left to right, are Mary Jean

Campbell, John Funk, Mike Pontrelli, Bill Nolan, Ike Peterson, John McCaddon, Prof. William Jackson, Adviser, Rich Michado, Bob Sestor and John Borel. The Mardi Gras is scheduled March 15.

## Engineering Exams Set For April 6

Qualifying examinations for students planning to enter the college of Engineering, University of California at Berkeley or Los Angeles, in September 1957, will be given at Humboldt State College in Room 9 of the Administration Building, on Saturday, April 6 at 8 a.m.

Persons who plan to take one of these examinations should apply by application form or letter to the College of Engineering, University of California, Berkeley 4, Calif. In making application, Humboldt State College should be identified as the examining center.

The Freshman Engineering Examination is required for entering freshmen and sophomores and the Junior Engineering Examination is required for entering juniors and seniors. Each of these examinations requires the entire day.

All the necessary scratch paper, pencils and test material will be furnished although students taking the Junior Engineering Examination must have slide rules. The fee for the examination is \$5 to be paid at the time the test is given.

Additional information can be obtained from Dr. R. E. Peith-

## Women's Division Of HSC Forensic Team Walk Off With Honors At Stockton

The women's division of the HSC forensic squad returned from the Tyro (novice) Forensic Tournament sponsored by the NCFA at Stockton College last weekend with the best record made to date by a Lumberjack group entry.

Practically sweeping the feminine division of the tournament, the contingent paced by the debate team of Freda Wood and Kay Carlson earned six awards for superior work against speakers of equal experience.

The total record in debate showed ten wins against five losses compiled by the debate teams of Freda Wood and Kay Carlson, Marni Brede and Vivian

## Griffith Invited To CSTA Meet

Dr. Harry E. Griffith, chairman of the division of education and psychology, has been invited to a San Francisco meeting with the Personnel Standards Commission of the California State Teachers Association tomorrow.

Dr. Griffith will attend the commission meeting in his capacity of chairman of the north coast section of the California State Teachers Ethics Commission.

Matters pertaining to professional ethics and standards will be discussed, along with reports from the ethics commission chairmen as to their work in educating the teachers in matters pertaining to ethics of the CSTA.

## HSC Has Radio Program On KHUM

A new radio program, "Hilltop Highlights," may now be heard on radio station KHUM, every Saturday afternoon.

Larry Heise, senior speech-radio major, is announcer and master of ceremonies on this music-interview type show.

Heise says "Hilltop Highlights," is a half hour program featured every Saturday from 1:05 to 1:30 p.m. Heise plans to interview one college student on each program and play his or her favorite music. The rest of the show will be composed of the top four or five tunes on campus, as determined by a poll taken by the campus radio station, KHSC.

Any students interested in appearing on "Hilltop Highlights" may leave a message at the Radio Hut or in Box 426.

man, Professor of Physics, at HSC.

## Mardi Gras Set For March 15

Plans are now being formulated for the annual Mardi Gras. This fun-filled festivity will be sponsored by the Newman Club in Carson Memorial building in Eureka, Friday, March 15.

There will be dancing from 9 p. m. to 1 a. m. and the highlight of the evening will be the crowning of the King and Queen of the Mardi Gras, chosen from members of the faculty by student ballot. Prizes also will be given for the best-costumed man and woman students.

Jim Mayo is general chairman of the event, assisted by John Dufour, music; Jean Spadoni, refreshments; Joan Stempka and Angelo Lavagnino, Jr., advertising and ticket sales; Pat Hammond, decorations; and John Borel, Milton Funk and John McCaddon, planning and entertainment. Prof. William Jackson and Dr. Donald Strahan are advisers.

## COMUS SAYS

Attention Comus members . . . today, March 1, is "D" day . . . "H" hour will be 2000 . . . area of operations to be centered around the Big 4. All troops are hereby instructed to fall out fully equipped with one each female, type FM 1 as per Field Manual S206-1.

Questions have been raised concerning the attire of Comus president "Gordo" Turner . . . fatigue pants topped by a camouflage jacket. Gordo is attending HSC incongnito . . . disguised as a tree.

The Great Schism has again struck at the ranks of the contented. Another of the followers of Comus, Lewis Fowler, has fallen prey to the cunning of a female. Lou has finally surrendered to the gaping jaws of matrimony.

All Comusites are again reminded of the feast tonight and urged to attend.

Eugene Higginbotham, a junior animal husbandry major with a total of 546 points, placed first high individual over 87 other students and faculty members entered in the Livestock judging pavilion. Higginbotham was followed closely by Bill Jantzen, junior dairy husbandry major who gained second place with 540 points.

By Dick Laursen

Time and weather conditions have teamed together to end the stream steelhead fishing for this winter.

Last weekend's rains certainly drowned any hopes of catching that last day steelie. Several HSC anglers tried their luck Saturday in the Smith River and managed to hook into a couple of fish, but didn't land any. The water was rising rapidly and the fishing was over by noon. Time ran out with the season closing Thursday, marking the end to a very successful year. The weather, which is the main limiting factor to a good or bad season, was good to the anglers this past year.

Although it has been stormy this week, it is time to turn to the ocean for angling sport. The Humboldt coast line produces some of the finest shore fishing. Rock fish of many species are abundant, several species of perch, the Red Tail being most predominant and many other sea fishes. Glenn Eaton said that some large Cod were being taken

off the south jetty a week ago. Snappers are also available from the south jetty.

An interesting item this week is the fact that Jim Joseph and Stan Elcock, both graduate fisheries students, caught a sturgeon in their gill net in Big Lagoon where they are doing graduate studies. This is the first report of a sturgeon in any of the lagoons of the north coast.

Senate Bill 666, the billboard controlling bill, is getting quite a bit of backing by Conservation Unlimited and other responsive people. A resolution to back the bill has been posted on the Wildlife Building bulletin board and an impressive list of backers have signed. Any person interested in this proposal should write his senator and urge his support when the bill comes before the legislature in Sacramento.

SUPPORT SENATE BILL 666.

## NETTERS BEGIN PRACTICE FOR SPRING SEASON

Intensive practice got underway last week as Dr. Lawrence Kerker's Humboldt State tennis team prepped for its opening Far Western Conference tennis match with Chico State April 26-27. The opening conference encounter will be preceded by a number of pre-season matches with local High Schools and tennis clubs in Humboldt County, notably those of Eureka, Arcata and Fortuna.

Humboldt's first intercollegiate tennis competition comes early in April with Southern Oregon College at Ashland.

Dr. Kerker will be in his first year at the helm of the Humboldt "racketeers." Kerker stated that he was somewhat in the dark as to the relative strength of the conference but that HSC was looking forward to a very successful season. The new mentor will have a nucleus of four returning lettermen and some very promising transfers and younger players.

John Geary, a veteran of the service, comes to Humboldt with a great deal of tennis experience and is already tabbed a good bet to nail down the number one position on the team.

Robert Agnew, a Junior letterman, is slated to give Geary no little trouble in the battle for number one position. Other returning lettermen are sophomore Gary Holms, Junior Mike McGovern and Senior Bill Williams. Freshman John Funk, Junior Howard Johnston and another veteran of last year's squad, John Marcuz, will definitely give returning lettermen a battle for team berths.

### POPERA DATE ANNOUNCED

Popera committee chairman, Bob Cutting, has announced that this year's Popera will be held March 29 at the Eureka Municipal Auditorium. Candidates for King of the Popera will be announced by March 8.

## NELSON HALL, INDEPENDENTS TIED IN INTRAMURAL RACE

BY TONY VASQUEZ

Another week of intramurals has rolled around and Nelson Hall and the IQ's are still at the head of the pack. Nelson Hall has been led to their good 3-0 record by the efforts of strong men Jim Batten, Bob Swede, and the Hansen twins, Ed and Dick. The IQ's, who constitute the independents in the school, are in second place with a 2-0 record. They have been led by high scoring Larry Amos and Charlie Hale.

There was another outstanding intramural man this week, Nick Zupo. Despite the fact that Nick does not play for any team he has proven himself invaluable as Dr. Netcher's assistant and secretary. Nick has been a definite asset since the start of intramurals and for his excellent work thus far he has been named the outstanding intramural member of the week.

In the basketball parade Block H started out Tuesday night with a 39-28 victory over the IK's. Warren Smith with 13 points and Earl Barnum with 9 points led the attack against the IK's. Gerald Gurnette looked very good for the IK's as he racked up 13 points.

The second game of the night pitted the Ramblers against CU. The Rambler's won the game 36-21 behind Gary Mauny's 12 points and Bob Wright's 10 tallies. Bob Papworth and Dick Laursen accounted for 6 and 5 points respectively for CU.

The final game Tuesday night pitted the Alpha House against the Faculty. Alpha House took a 34-11 decision. In the scoring column Chuck McAninch tallied 11 and Dick Trone chalked up 9 for Alpha House. Big scoring man for the Faculty was Bob Doorink with 3 points.

Block H led off the ceremonies Wednesday night but not with success as they had the night before. The Ramblers humbled the lettermen 51-29. Gary Mauny was the top scorer for the Ramblers with 12. He was followed by Bob Wright and Bob Wasworth who scored 9 points each. Wolfly tallied 10 and Warren Smith racked up 9 for the Block H cause.

The second game of the night found high flying Nelson Hall taking the measure of Redwood

Hall. The final score of the game was 43-34. This made the third consecutive victory for Nelson Hall and put them at the top of the heap with a perfect 3-0 record. High scorer of this game was Dick Dudley of Redwood Hall with 15 points. Bob Swede and Dick Hansen both tallied 11 to spearhead the Nelson Hall cause.

The Faculty was unable to field a team for the third game of the night and the IK's won the game by forfeit.

### STANDINGS

Nelson Hall	3-0
IQ's, the independents	2-0
Alpha House	2-1
Block H	2-1
Ramblers	2-1
IK's	1-1
Redwood Hall	1-1
Faculty	0-3
CU	0-3

Ping-pong will start soon and tables have been set up upstairs in the gymnasium for those who wish to practice. The equipment shall be out on Tuesday and Wednesday nights from 7-9 p. m. At any other time paddles and balls must be checked out from Mr. Davis downstairs in the boys side of the gym.

# JACKS WALLOP CAL AGGIES, 67-52

## SPORTS

Paul Williams, captain and driving force behind the successful 1956 track team, will once again lead Coach Bob Doornink's crew on their energetic schedule. First meet of the year will be held in two weeks at Sacramento State.

### HSC TO MEET SHASTA JC IN BASEBALL DEBUT TOMORROW

Intercollegiate baseball makes its debut on the campus scene tomorrow when Humboldt State's defending Far Western Conference Champions meet the Shasta Junior College Knights of Redding in a twin bill tentatively set for 11 a. m. on the HSC practice diamond.

With only three positions to be filled by non-lettermen, Coach Ced Kinser's outfit is said to be "loaded". With a wealth of talent returning from last year's ball club and some fine new prospects, Humboldt is a very serious threat to repeat as FWC champs.

Kinser announced a tentative starting lineup for the two seven inning tilts. Letterman Al Schrader is slated to start behind the plate with six hurlers, lettermen Jim Richardson, Jerry Carlson, Gary Mauney, Bill Wilbur and non-lettermen Jack Mays and

Frank Burke, ready to go on the hill. The infield can boast nearly all lettermen in Al Deniz, Richard Dudley and Captain Bob Lawson. Deniz will be at first with Dudley and Lawson holding down second base and shortstop. Kinser stated that third base was still open but that transfer Bill Matson seemed to have the inside track on a starting berth at that position.

In the outfield Kinser stated he would start letterman Ralph Mayo in left field with newcomers Dave Thomas and Jesse Washington in center and right field.

### "FINEST MARKSMANSHIP OF YEAR" PACES HSC TO DECISIVE VICTORY

The Cal Aggies "didn't have a chance", as the Humboldt State Lumberjacks unfurled their finest marksmanship of the year, and took a decisive 67-52 victory from the visiting team. The Jacks hit 38.7 percent of their shots from the floor, and hit five of their ten free throws.

The Lumberjacks also controlled the backboards, and played a good defensive game. They broke fast after the opening tip-off and took a quick 6-0 lead. At the end of the first ten minutes they led 18-11 behind the shooting of Warren Baker, Bob Lawson and Jack Evans. In the next ten minutes the Aggies came back with their best offensive play of the evening and narrowed the gap to 30-29 in favor of the Jacks at half-time.

The Aggies took the opening tip-off after half-time and took the lead for the first and only time in the game. After that HSC cagers started clicking again and coasted home with the win.

Warren Baker, the Jacks lanky center, scored 18 points, while Bob Lawson was not far behind with 14. Baker led the Jacks scoring this year with a 13.1 average in the league games and averaged 10.8 over the rest of the season.

The second game of the series started out bad for the Humboldtters, as the Cal Aggies took a 7-0 lead in the first minute of play, but the "cagers from the hill" took over, both offensively and defensively, and in the next nine minutes scored 18 points while holding the visitors scoreless, and leading at the first intermission by an 18-7 count.

The Jacks were still going in the second ten minutes and the score at halftime was 39-23. After the rest period the Aggies came back and hacked away at the Jacks lead, but with no avail, as the closest they could get was

nine points difference in the score.

Coach Franny Givins substituted freely in the second period, and the fresh basketballers showed their mettle as they outscored Aggies 15-6, and iced the game for the Jacks.

#### ROBINSON HIGH SCORER

Freshman Forward Don Robinson was high scorer for the game with 17 points.

Thus Humboldt closed out its basketball season with a record in Far Western Conference standings of 5 wins and 5 losses. They were the only team to beat the champs of the conference, the Nevada Wolfpack, in league play, and did it twice on successive nights. The Jacks improved much during the season, and is rated one of the top defensive teams among small colleges.

### GOLFERS PREPARE FOR SEASON THAT OPENS IN APRIL

Coach Phil Sarboe's 1957 edition of the Humboldt State golf team is currently preping for their opening conference match at Bidwell Park in Chico on April 6. The initial FWC competition will see four schools vying for top honors in the match. Chico State, University of Nevada, Sacramento State and Humboldt will all send five man teams to the opening tilt.

Sarboe has a nucleus of three returning lettermen in Juniors Bob Rice, Jim Knox and Allan Hendrickson. However, capable of moving into one of the five available varsity spots at any time are Robert Archibald, Rod Sandretto, Dean McColum and Freshman Bob Bestor.

At the present time, Sarboe is planning several pre-season matches with local country clubs, the faculty and a tentatively scheduled practice contest with Southern Oregon College of Ashland.

The Far Western Conference Meet is scheduled for Sacramento on May 11. At that time all schools in the Conference will be competing for the FWC championship.

### Junior Jacks End Season With Pair Of Victories

Losing only two basketball contests during the entire season of over twenty games, the Humboldt State Junior Jacks, under Coach Jack Netcher, wound up their year last weekend by defeating Wallace Brothers of Hoopa and Bernie Anderson Pontiac in a pair of preliminary contests.

Friday night the Jayvees were forced to stage a comeback in the second half to erase a 39-25 intermission bulge by their opponents to post a 78-65 verdict over the Wallace combo.

Ron Thomas led the attack with a total of 24 points while Jerry Hathaway chipped in 22 to the Jacks cause. Clark and Davis sparked the losers with 19 and 17 points respectively.

Again Saturday the Junior Jacks Trilled at the half and had to rally in the final periods to take the contest. Down 37-30 at the end of two, they came back to defeat Bernie Anderson 78-60.

Hathaway scorched the cords for 27 points to lead the Jayvees to the hard-earned verdict. John Washington added 16 to the Humboldt total.

Paul Shields, former Humboldt State star was high point man for the losers with 18 markers.

#### SCORING SUMMARY

WALLACE BROTHERS: Ferris, 8; Masten, 2; Clark, 19; Davis, 17; D. Wallace, 13; Totonart, 2. Total 65.

JUNIOR JACKS: Garrison, 5; Hadley, 8; Johnson, 10; Hathaway, 22; Thomas, 24; Fredrickson, 3; Washington, 7. Total 78.

## Baker Represents Marines, Humboldt At Recent Confab

Dr. John W. Baker, assistant professor of political science at HSC attended the recent Ventura session of the National Resources Conference as one of the eight Marine appointees from the Twelfth Naval District. Dr. Baker holds the rank of major, United States Marine Corps Reserve, and represented Humboldt State College as well as the Marines at the conference.

The National Resources Conference is conducted by the Industrial College of the Armed Forces for the U. S. Department of Defense, and is being held in 16 cities of the U. S. this year. The Ventura session was sponsored by the Ventura Chamber of Commerce in cooperation with the Eleventh Naval District, the Sixth Army, and Fourth Air Force.

The Conference is a condensed two-week course in economic mobilization for selected reserve officers of the Army, Navy, Air Force, Marine Corps and National Guard, and for selected civilians in the fields of industry, education, labor and civic life. Its scope is a broad presentation to highlight the inter-related military and economic problems inherent in mobilizing human and material resources for national security, according to the commandant of the Industrial College of the Armed Forces.

Included in the conference were presentations, lectures and films on topics of world human resources, U. S. human resources, technological progress, strategic and critical materials, transportation and communication, war, finance, power and fuels, agriculture, procurement and distribution, mutual security, economic warfare, civil defense, emergency management, Soviet communism, and a forum on post atomic attack. The areas of Latin America, Canada and the Arctic, Africa, Far East, Southeast Asia, Middle East, Free Europe, and Soviet Russia were studied from the viewpoint of Geopolitics.

## Forestry Students Plant Seedlings

By Dick Laursen

Early last Sunday morning, a group of sleepy Forestry Club members boarded the school's 'crumby' (a woods crew truck) in front of the Wildlife building and departed for Georgia Pacific's property north of Crannell. Supervised by Mr. Ed Pierson, assistant professor of forestry, 1000 redwood seedlings were planted in straight, evenly spaced rows. Two hundred of these were marked with yellow stakes for future identification and statistical information.

After the planting was completed, a three hour project, Mr. Pierson gave a demonstration on "healing in" seedlings (planting them in bunches for future transplanting).

## "Regular Dances" May Be In Offing

Comus Club announced today an activity which they think may become a regular thing on campus, a Friday night dance. Tonight's dance is from 10 p.m. until 1 a.m. and will be held at Nelson Hall. Says Secretary 'Snuffy' Smith, "Come one come all and have a ball."

Music will be provided by Ed Keenan and his combo "The Venetian Blinds." The group features sax, drums, piano, bass and guitar. A new addition to the group is drummer-man John Burger.

## LITTLE MAN ON CAMPUS

by Di- Sibler

"I'll take this course if this classroom has a fire escape."

## Business Day

(continued from page 1)  
computer, "Univac."

Exhibits are planned by the

Bank of America, Shell Oil Company, Vita Craft Manufacturing Company, International Business Machines, and Burroughs and Monroe business machines.

## HSC Offers New Extension Course

March 8 marks the beginning of "Rhythm and Games for children," an extension course of Humboldt State College to be held Friday evenings 5-10 p.m. at the Pine Grove school near Crescent City.

The course is open for two units of college credit, to teachers or others with upper division standing and may be taken as an auditor or a non-credit basis by any adult interested in children's games and rhythm activities.

All persons interested in taking the course are urged to register at the first meeting. Registration for credit will be closed after the second session.

The chief gold bearing region in California is the west slope of the Sierra Nevada.

## Teachers Attend Confab At CES

More than 120 teachers last week attended a visitation day and conference at College Elementary School sponsored by the Humboldt County Office of Education and the elementary school districts of McKinleyville, Orick, Ferndale, Holmes, Mattole, Trinidad and Big Lagoon.

Teachers observed classroom procedures and evaluated work done in science and language arts. Classes from kindergarten through eighth grade were visited in the morning and a special workshop in language arts was held in the afternoon.

The Wiltsee Memorial Collection of Western Stamps, Franks and Postmarks, of more than 1300 covers, is on exhibit at the Wells Fargo History Room in San Francisco.

# Live Modern!

## Pick the Pack that Suits You Best!

Newest, modern box. Crush-proof.  
Closes tight! Flavor stays in . . . everything else stays out.

Ever-popular handy L&M packs!  
America's fastest-growing King . . . largest-selling Regular filter.

## Smoke modern L&M and always get full exciting flavor

...PLUS THE PURE WHITE MIRACLE TIP

Yes, you are free to choose . . . only when you smoke modern L&M. And only L&M gives you the flavor . . . the full, exciting flavor that makes L&M . . .
