## Lumberjack

PUBLISHED BY THE ASSOCIATED STUDENTS

OF HUMBOLDT  
STATE COLLEGE

Vol. XXX

ARCATA, CALIF., FRIDAY, MARCH 22, 1957

No. 23

Dr. Chester Collins and Mrs. Mary Ann Smith were this week appointed to the respective positions of associate dean of admissions and registrar. Their appointments will take effect June 30.

### Dr. Collins, Mary Ann Smith Appointed To Admissions, Registrar Positions

Dr. Chester Collins has been appointed to the position of associate dean of admissions, and Mrs. Mary Ann Smith has been named registrar. Dr. C. H. Siemens, president, announced this week.

Because of the continued growth and increased enrollment at Humboldt, the present office of registrar and admissions held by Mrs. Myrtle McKittrick will become two separate positions, according to Dr. Siemens. Appointments are effective upon the retirement of Mrs. McKittrick June 30.

Mrs. Smith, who has assisted Mrs. McKittrick for the year, is a business administration graduate of Humboldt. During the spring semester of 1956 she was a part-time instructor in the department of mathematics at the college. Mrs. Smith is the wife of Paul Smith of the Arcata Stewart school teaching staff.

Dr. Chester Collins joined the Humboldt faculty in the fall of 1956 as testing officer in the dean of students office, and as assistant professor of education and psychology. Dr. Collins received his Ph. D. at State University of Iowa where he was also a member of the college faculty. He is a member of Phi Delta Kappa, educational honorary society. Dr. Collins will continue his work as testing officer and counsellor.

### Kiggins-DeBrunner Vows Exchanged

Chloe Kiggins, senior journalism student and editor of Hilltopper magazine, was married to D. E. (Buster) DeBrunner last Friday afternoon in a double-ring ceremony in Reno, Nev.

The couple returned Tuesday after a four-day honeymoon in Reno and Virginia City. They are making their home at 224 W. Clark, Eureka.

Mr. DeBrunner is a photographer for the Eureka News-papers, Inc., and the new Mrs. DeBrunner is employed in the photo department there. They were engaged in January, 1956.

### AWS Dance Set Tomorrow Night

This is it girls — your big chance for that date you've always wanted. Yes, it's the Associated Women Students "Million Dollar Merry-Go-Round, the girl ask boy dance.

The dance will take place tomorrow night at Redwood Acres in the Home Economics Building. The popular Claude Gribbles and his combo will be playing the music for the evening. The dance is from 9 p.m. to 1 p.m.

Dressy or cocktail dress should be worn for this dance. Admission price is \$2 with an activities card and \$2.50 without. As you can see you can't afford to miss this gala affair.

Fran Singleton, A.W.S. president, is general chairman, and she and her committee have been working to make this dance a success. Her committee is JoAnne Beer, decorations; Gayle Allen, bids; Joyce Weaver, publicity; Marilee Ammer, refreshments and Kay Killinger, cleanup. The following groups have also been working with the committee: Spurs, buds; Sigma House, publicity; Nelson Hall, decorations and the Home Ec Club, refreshments.

Patrons for the evening will include Mr. and Mrs. Edwin Caplan, Mr. and Mrs. Reese Bullen, Dr. and Mrs. Frank Wood, Dr. and Mrs. John B. Russell, Kate Buchanan, Mrs. Katherine Corbett and Mr. and Mrs. John Farr.

So far the decorations have been kept a secret. All in all this is one dance you won't want to stay away from. So girls, if you haven't done so already, get on the merry-go-round and ask your favorite fellow.

See you at the "Million Dollar Merry-Go-Round!"

### Father Egan To Give Talk At Assembly Today

A talk on "The Treatment of Theological Ignorance" by Father Willis J. Egan, S. J., at this morning's 11 o'clock assembly will bring to close the sixth annual Religious Emphasis Week observance on the campus. Father Egan is chairman of the dept. of theology at the University of San Francisco.

A three day program of informal group and panel discussions, individual counseling, art exhibits and music were held this week for both the college and community.

Opening the observance Wednesday evening was Rev. Harry Toler Woodard, minister of the Roger Williams Baptist Church of Los Angeles and student pastor on the University of Southern California campus, who spoke on "Are Spiritual Values and Education Compatible?"

The Rev. Otto Bremmer addressed a group on Thursday morning on "Religious Emphasis in a World of Isms." Rev. Bremer is Lutheran student pastor at the University of California at Berkeley and executive director of the Lutheran Student Foundation of Northern California.

Taking part in a panel discussion on Thursday evening on "Why Spiritual Values" were Father Egan, Rev. Woodard, Rev. Bremer, Hugh Huntley, student pastor of the Arcata First Baptist Church; Duane Shelton, Humboldt State College student; with Norman O. Stewart, as moderator.

Special exhibits of religious paintings and religious figures were shown in the audio-visual gallery and the art gallery of the main building. The college choir under Dr. Leon Wagner presented a program of music Wednesday night and James Mearns played organ selections at today's assembly.

Members of the Religious Emphasis Week observance committee are Carol Molinder, chairman; Ruth Holmes, Virginia Wilson, Gordon McBride, Jim Shaver, John Funk, Shirley Christy. Faculty advisers were Richard Covington, Ted Ingebritson, William Jackson, Miss Kate Buchanan and Mrs. Clare Walton.

### Bishop's Company To Perform Here

Humboldt State College honorary dramatic fraternity, Alpha Psi Omega, will sponsor the famed Bishop's Company in their presentation of Christopher Fry's drama "A Sleep of Prisoners" on March 28 in the college auditorium.

A repertory troupe of national repute, the Bishop's Company is making its fourth annual appearance in a religious drama in Arcata.

Critics and clergy have acclaimed members of the company as dedicated artists who have returned great drama to the churches of America as an artistic, memorable and inspirational worship experience.

Admission will be \$1 for adults and 60 cents for children and students with activities cards.

## 250 EXPECTED TO ATTEND RECRUITMENT MEETING HERE

BY SID FAUERBACH

Nearly 250 persons are expected on campus Wednesday, March 27 to participate in one of a series of meetings of the state-wide California Teacher Recruitment Conference.

Harold E. "Doc" Neville, president of the Humboldt County

Harold E. "Doc" Neville, president of the Humboldt County School Board Association will preside over the day-long conference. Also Mr. Blair Hurd, coordinator of teacher recruitment for the California State Department of Education will be in attendance to participate in the meeting.

This on campus clinic is one of a series of 18 such conferences being held in strategic areas of California this year.

The general purpose of these conferences is to identify a program of teacher recruitment activities that can be accomplished, and to determine the means for implementing this program of activities. It is hoped that the conference will help to integrate the activities of the organizations working in teacher recruitment. The problem is being faced, it is felt, and must continue to be faced by all persons whether or not they are in the teaching profession. This is also one of the aims of the clinic, to bring the problem more into the local level in hopes that the local people will band together to help take measures to alleviate this common problem.

### SERIOUS PROBLEM

The seriousness of the problem can be seen by the fact that it has been estimated that California needs approximately 164,000 new teachers in a ten-year period ending 1965-67, and of this number more than 49,000 teachers will be needed to meet the increase in state schools enrollment alone. Also of the total number of teachers needed, almost 118,000 are needed to replace personnel who will retire or resign. Resignations are expected to total the loss of 89,000 teachers during the ten-year period.

The problem is reaching the college level as it is feared that the supply for persons with Ph. D.'s to teach for college will not keep pace with the expected need.

The 1955-56 shortage in California was estimated at over 20,000 teachers. Adding to the graveness of the shortage situation almost one-half of the 11,516 persons employed last year on provisional credentials were not fully qualified to teach. This year in Humboldt County alone, 22 per cent of the teachers are teaching on provisional credentials. So actually nearly 27,000 fully qualified teachers were needed last year.

(Continued on Page 4)

### TEACHER RECRUITMENT CONFERENCE PROGRAM

#### WEDNESDAY

MARCH 27, 1957

9 to 10 a.m.—Registration, Foyer

10 to 11 a.m.—General Session, Auditorium. Harold E. "Doc" Neville, presiding

1. Introduction of representatives from cooperating agencies

2. Welcome—Dr. Lawrence E. Turner, executive dean

3. Challenge to conference — Dr. Harry E. Griffith, chairman of the division of education and psychology, and Mrs. Naomi Cottrell

11 a.m. to 12:15 p.m. — Discussion sections

12:30 to 1:15 p.m. — Lunch

1:30 to 2:45 p.m. — Discussion sections

3 to 3:30 p.m. — Summary and proposed action — Mr. Blair Hurd, coordinator of teacher recruitment, California State Department of Education and Dr. Griffith.

### YEARBOOK CLINIC HERE TOMORROW

Ways to achieve better yearbooks will be explored by students from eight high schools in a clinic here all day tomorrow.

The "better yearbooks conference" is being sponsored by the college journalism department in cooperation with the American Yearbook Company.

Yearbook staffs from Leggett to Hoopa will assemble in Administration 110 at 10 a.m. for a general assembly. Sessions will be held in both morning and afternoon on such problems as art and photography, staff organization, layout, theme planning, ad sales and finance.

Coordinating plans for the conference is Dr. Milton Hollstein, HSC publications adviser, in cooperation with Al Yelvington, representative of the yearbook firm. Mr. Thomas Knight, instructor in art-photography, will conduct a session on photos.

Fern Fowler, senior and student teacher at the College Elementary School, instructs a group of third graders in a reading lesson. She is only one of the many teachers that will be needed in the California school system. Teacher recruitment will be discussed in a conference Wednesday.

Press Association

Last week the Lumberjack printed an article by Gordon McBride concerning man's purpose on earth, exploring the "why." No doubt many people read this and formed their own opinions of it. It may have moved some to agreement, moved others to disagreement and moved still others not at all.

It is a person's individual privilege to believe or not believe in any way he so chooses. And no man should be criticized for his beliefs.

The following comments by R. Kirkpatrick illustrate one man's opinions, and he is entitled to them. Because of the Lumberjack's belief that freedom of speech and and press should not be inhibited, we have given Mr. Kirkpatrick an opportunity to reply publicly. This policy holds true of most subjects and situations.

## Another Man's Ideas

It appears in your article "Do You Know Why," that several assumptions were made without proper justification. While attempting to determine why we exist, you (Gordon McBride) infer that Homo sapiens were created by a superior being, naturally our Christian God.

When peoples of the western world attempt to affiliate their lives with supernaturalism, they immediately refer to their Christian God and their Christian Bible. Why are we Christians? It seems that we accept religion as one accepts a particular political party — from our family, community or society. Before accepting one of the numerous beliefs within Christianity, we must first justify Christianity.

As about eight major religions exist in our modern world, environment alone seems to be an inadequate justification for accepting a theology. When people become Catholic or Protestant merely because of parental influence, they assume that Christianity must be the universally true religion.

If sufficient evidence existed to prove the authenticity of one true religion, why is it not accepted by world populations in Egypt, China or the United States? Why do specific environments tend to perpetuate their beliefs without regard to the beliefs of their neighbors?

Is there a universal religion, one which can be proven without the use of idealistic generalities, and meet the needs of all people? It may not be a pleasant thought to believe that we are "children of randomness" or higher animals who are the products of evolution but this, I believe, is a universal biological belief based upon intelligent reasoning and acquired knowledge.

When speaking of religion or attempting to justify existence by spiritual beliefs, we should not consider Christianity as the only religion. As there are other religions existing in our world, perhaps their beliefs are as authentic as ours. If we continue to accept Christianity, it must be justified on an equal basis with the other major religions before using it as an answer for metaphysical problems. — R. Kirkpatrick

## Should ASB Support Athletics?

At a recent meeting of the Athletic Advisory Committee, representatives of the Athletic Department raised a question which might be paraphrased as follows: "Are the students at HSC aware of the fact that our college is the only one in the state system where the student contributes NOTHING toward the athletic budget?"

This article was prepared by the HSC athletic advisory committee as budget talks begin in the student board of finance.

Accordingly, a logical corollary question would be, "Do the students and faculty appreciate the fact that football receipts are making possible expanded services and activities in virtually every other department on the campus. (It is apparent that funds which have NOT been appropriated for athletics, have been made available for other needs.)

These questions were prompted simply by the desire to inform the HSC community concerning existing realities. There was no thought of bidding for gratitude nor special favor of any kind. It was felt, however, that knowledge of this exceptional situation, which has obtained for six years on this campus, might prepare the way for sympathetic consideration to any future request for contributions, token or otherwise, toward athletic activities.

This exceptionally favorable financial position of our Athletic Department is the result of our income from home football games. Several factors have contributed toward this situation.

The people of this community are sports minded, and have been exceptionally loyal Lumberjack fans - win, lose, or draw. Near-boom conditions have encouraged free spending in this area, so support for season ticket sales and attendance at home games have been good. Naturally, a team that has maintained a good record is also a major factor in producing this result.

### EXCELLENT PUBLIC RELATIONS

Further, much credit is due to the excellent public relations that Coach Sarboe has maintained, at considerable expense of time and effort, by promoting and keeping alive his large group of "Monday Morning Quarterbacks" called "Lumberjack Coaches, Inc.," whose membership read like a "Who's Who in Humboldt County."

Your Athletic Advisory Committee is of the opinion, however, that this favorable situation, financially speaking, may not continue indefinitely - may not be forthcoming, in fact, during our next season, due to the more stringent economic situation in this area. Consequently, the athletic program may again become partially dependent upon other sources of revenue if activities currently enjoyed are to be continued, to say nothing of being expanded commensurate with current and anticipated growth of the college.

Whether or not this contingency materializes, however, there is the theoretical obligation on the part of the ASB to support all desirable student activities to a feasible extent. It would seem eminently logical, accordingly, that plans should be made immediately for including Athletics in the apportionment of income from student body cards, in order to provide for the continuation of a program of current scope, even though gate receipts should shrink materially during the coming season.

In support of this point of view, Dr. Forbes has compiled the following figures which compare the situation at San Francisco State with ours, and he points out that the San Francisco position is quite typical of what obtains in the other state colleges.

San Francisco State College:  
Total Athletic Budget \$25,026  
From ASB Cards 21,512  
From gate 3,388

Humboldt State College:  
Total Athletic Budget \$35,725  
From ASB Cards None  
From Gate 36,190

Degree of gamble on gate, weather, caliber of team, public relations, etc.:

San Francisco State ..... 13.5%

Humboldt State ..... 100 %

Some readers may wonder why

HSC's Athletic budget is greater than that for a school the size of San Francisco State, so they should be reminded that our football team went to Hawaii during the past season, thereby adding a considerable sum to the total. Further, every trip taken by our squad involves a considerable distance, because of our location, resulting in mounting costs for both travel and lodging. San Francisco State can play a number of its games within a relatively short distance, permitting them to return home after the game.

In addition, State funds which are allocated for the support of academic activities within the Athletic department are based upon enrollment, giving San Francisco State considerable funds other than those budgeted by the student body.

## Breakfast Honoring Senior Women Set For Sunday

The annual faculty women's breakfast, honoring graduating senior women, will be held at Lenzi's on March 24, according to Miss Dorothy Bissell, president of the faculty women. Approximately 75 people will be in attendance at the 10:30 Sunday morning breakfast.

Miss Rita Jones has been appointed general chairman and working under her are Mrs. Eleanor Kellenberger, decoration chairman; Mrs. Helen Everett, invitations chairman; Mrs. Mary Farr and Mrs. Charlotte Cooper, in charge of the menu and Miss Hazel Hagne, program chairman.

The highlight of the affair will be the traditional poem. It has been written by Mrs. Myrtle McKittrick, residing, and as the tradition goes, it will mention the name of every girl present and say something about her college life. The senior girls in turn will make their reply in poem form. The reply will give the girls' impressions of the faculty women. The answer has been written by Joan Brozavich.

According to Miss Hagne, Miss Kate Buchanan and Mrs. Gayle Karshner will be the principal performers in a skit to be presented also.

## the lookout

When 49 College boys announced to her, "Ma 'am, we're going to paint your house," Mrs. Edna Mae Phillips was understandably a bit dubious.

But she soon learned that they meant it, as the men from Tau Kappa Epsilon, LBSC chapter, swarmed over her small bungalow at 215 Moringside Street. Armed with paint brushes and rollers, and working in 20-man shifts, they proceeded not only to rejuvenate her modest home, but also to clean up the 82-year-old widow's yard.

Even Chick, Mrs. Phillips' long-haired Chihuahua, was pleased. He refused to bite even one college boy.

THE FORTY-NINER, Long Beach State College.

Closed circuit TV soon will be on campus if a budget request now before the Legislature is approved. The request asks for TV equipment and a small staff to operate it.

According to Dr. Richard Lewis, professor of education, it would be strictly a closed circuit TV for the present. However, it would be used for two purposes.

First, it would be used to train teachers and other persons who can benefit from seeing classroom situations over the network.

Also, it would give persons majoring in radio-TV the opportunity to work with professional equipment.

SPARTAN DAILY, San Jose State College.

Tom Willoughby, president of the Associated Students of Sacramento State College, wrote a letter to Chuck Coyle, University of Nevada Associated Students president, asking for an official apology and \$150 damages for the treatment of SSC students attending the basketball game last weekend at Nevada.

Both nights the players and rooters from SSC were insulted by the Nevada students, and one of the coeds from SSC was reportedly slapped by a Nevada student. (THE HORNET, Sacramento State College.)

## REFUSE ACTION ON LIQUOR BILL

SACRAMENTO (CIP) - A legislative committee refused to take action recently on a bill which would prohibit the sale of liquor within one mile of state colleges.

The Assembly Committee on Government Organization turned down a measure, supported by the Los Angeles County Superintendent of Schools, which would have added state colleges to the prohibition on liquor which now

surrounds the University of California.

The bill was opposed by several committee members and by Beer Lobbyist Daniel J. Creedon.

Creedon said that other bills have been introduced to relax the restriction at the university. He asked the committee to postpone action until the other proposals are argued before the committee on March 19.

## Webster Screens Applicants For Freedom Camp

Mr. William Webster, coordinator for the Freedom Union Elementary School Camp was on campus recently to screen applicants to attend the Freedom School Camp, beginning April 29, on Santa Cruz Mountain near Santa Cruz, California.

The purpose of the camp is to give students another experience with other children in 24-hour-a-day periods. In the camp they try to tie up classroom experience with practical experience.

In 1956 the FUES, located near Watsonville, California, sent three seventh grades to the camp for periods of one week each. This year four seventh grades are going for periods of one week each.

The FUES was very pleased with the camp counselors that Humboldt State College sent last year, according to Dr. Harry E. Griffith, chairman, division of education and psychology.

The school camp takes care of living while at camp and pays for transportation to and from the camp.

The Dean of instruction has in the past allowed any student counselor attending the camp to be absent the one week they are there. HSC will furnish help for the first three weeks of the camp but will be unable to help during the last week of camp as it is finals week here on campus.

Applications from any upper division or graduate student of education, will be accepted in the division of education office, room 209 of the administration building. Eight to ten students will be selected to attend the camp.

## 'Play Boy' Next Drama Production

"The Playboy of the Western World" has been chosen by the Drama Department for the next play production.

The comedy was written by a famous Irish playwright, John Millington Synge. Although Synge died at an early age he managed to write about five plays of which "The Playboy of the Western World" has been considered his masterpiece.

Dr. Stanley Glenn, director, announces the scheduled dates for production May 3 and 4 and also May 10 and 11.

Those in the cast will be Bob Lloyd, Stanley Mott, Merb McLellan, Art Loveland, George Steele, Hal Lewis, Irene Riley, Anne Johannsen, Carol Wise, Pat Hodges, Pauline Hendrix, Sally Conklin, Wally Sinclair, Harriett Kuhl, Larry West, Buck Downard, John Smith, Jon Tonge and Aileen Lerin.

## 'Hilltopper' To Be Magazine Name

"Hilltopper" has been selected as the name for the new campus general interest magazine by staff members, it was announced this week by Chloe Kiggins, editor.

Miss Kiggins said the decision was reached by staff ballot after a number of suggestions were received. "The name, to us, symbolizes the lofty and yet the attainable, and at the same time is a name already associated with Humboldt."

Copy for the magazine began moving to the printers' this week, with publication expected next month. Phil Bartlett, business manager, has completed ad sales that will help make the experimental venture self supporting.

### WRITING CONTEST

The Redwood Council of Language Arts is sponsoring a writing contest in poetry, the essay, and the short story. First, second and third prize awards will be made. Deadline date for the contest is April 12. Manuscripts should be sent to the Language Arts division office, or to Dr. Ralph Samuelson.

## Presenting Your— Roberta Johnson, Jim Callison Highlighted Student Body Officers

This is the third in a series on the Associated Student Body Officers. The president and vice president will be featured next week.

BY JOYCE WEAVER

ROBERTA JOHNSON  
Secretary

JIM CALLISON  
Treasurer

In last year's general election Roberta Johnson was elected Secretary of the Associated Student Body. Before gaining this honor Roberta was very active around school and in different activities.

She has worked on Frosh Camp, is a member of CSTA and Spokes. This year she is secretary of the Junior Class as well as the S.B. Roberta was recently named Woman of the Year and elected to Gold Key.

The duties of the secretary are to keep the records of all proceedings of the Association and of the Executive Council; to be responsible for such communications as are approved by the Executive Council or the President; to attend the meetings of the Executive Council as a voting member; and to perform such other duties as are peculiar to the office.

It is also the job of the secretary to co-ordinate between students in activities and the Executive Council concerning any problems the students might have.

Secretary includes being corresponding secretary as well as recording secretary. The Council minutes are now being given out to over 100 people each week. She is in charge of typing various reports necessary, such as the booklet published on the recently held High School Leadership Conference. At the end of the year the secretary prepares a booklet stating the important policies that have been adopted by the Executive Council during the year.

Mike Fielding, ASB president, says, "Roberta has carried out her numerous responsibilities excellently, along with helping to develop many plans and projects of the Council. If there is a job to be done, she'll do it."

Jim Callison is the treasurer of the Associated Students. "Along with his many duties and responsibilities as treasurer, Jim always finds time to serve on numerous AS projects, and never fails to get the job done", said Mike Fielding, ASB president.

The duties of the treasurer are to submit an oral report to the Executive Council each month, showing the condition of the Association's finances; to act as the agent of communication between the Executive Council and the General Accounting Department; to attend the meetings of the Executive Council as a voting member; to preside over the Board of Finance; to give financial advice to any student organization.

Callison also has to know the functions of the Student Body Accounting system and make checks periodically on various budgetary accounts to see that each student activity is meeting its anticipated income.

He also has to determine whether or not various activity expenditures may be a legitimate charge against state rather than ASB funds.

Callison has been very active since entering Humboldt State. He is now a senior majoring in Business Education. In the past he has been Treasurer of the Junior Class, chairman of the 1955 Sno Ball and chairman of the queen contest for Homecoming in 1955. He is a member of the Inter-Collegiate Knights and was treasurer of this organization last year.

At the present time Callison is on the Board of Finance and is assisting in the screening of applicants for the office of graduate manager. He is also serving on the retreat and elections committees.

# Minutes of the Student Council

MARCH 14, 1957

The meeting was called to order by vice-president Jim Arnot on the above date. Those present were Jim Callison, Jim Barnes, Jon Mitts, Pat Duffy, Joe Chapelle, Hank Cooper, Sandi Wahund, Don Peterson, Mike Fielding, Dr. Karshner and Roberta Johnson.

## CORRESPONDENCE

A letter was read from the Coro Foundation informing the Student Body Officers that there are scholarships available for an internship in public affairs. The Public Affairs Internship is designed to give fundamental training to those who desire public careers.

## OLD BUSINESS

The class presidents met with the council to discuss participation and organization of their classes. Those present were: John Johnson, frosh; Ed Spencer, sophomore; Dale Callihan, junior and Larry Mitchell, senior. There was much discussion about the organization of the freshman class. These are the suggestions that were made:

1. Inter-class council meeting consisting of the four class presidents
2. Frosh class meeting during registration
3. Establish class projects at the beginning of the year
4. Active advisers
5. Sophomore class to help in the organization  
(a) Sell class cards for freshmen at registration
6. At Frosh Camp have orientation about the projects that the freshman class will have during the year

It was recommended by the council that the class officers meet together and draw up recommendations for the promotion of the freshman class for next year.

## NEW BUSINESS

It was moved, seconded and passed to accept the resignation of Keith Barnhill as Editor of the Lumberjack. It was moved, seconded and passed to accept the resignation of Keith Barnhill as Publications Commissioner. It was moved, seconded and passed to accept the recommendation by Dr. Hollstein of Jewell Hyman as Editor of the Lumberjack.

Jon Mitts was appointed to see Bill Johnson concerning the proposed plumbing fixtures in the Bookstore.

## COMMITTEE REPORTS

It was reported that the applicants for the Graduate Manager's position are now in the process of being screened. The name will be submitted to the council within the next two weeks.

## COMMISSIONER REPORTS

Activities Commissioner reported that ICS discussed school spirit and card stunts.

Board of Finance: Jim Callison reviewed the proposed expenditures and income for the Fiscal Year of 1957-58. It was moved, seconded and passed to accept 75 cents with and \$1 without Activities Cards for the prices for the Mardi Gras to be held on Friday, March 15. It was moved, seconded and passed to increase the pay for an employee in the Co-op 15 cents per hour from \$1.25 to \$1.40 per hour. It was reported that before the council can approve of the transfer of \$100 from the

# Seventy-Five Are Expected To Attend High School Tourney

More than 75 high school students from Six Humboldt and Del Norte county high schools are expected to attend and participate in the first high school forensic tournament to be held at Humboldt State College. The event, scheduled for tomorrow in the administration building of the college, will be participated in by the Arcata, Del Norte, Eureka, Ferndale, Fortuna and South Fork high schools.

The schools have indicated, according to preliminary registrations, that their students will participate in the debate, extemporaneous speaking, oratory and oral interpretation events offered at the tournament.

The contest, a novelty to the Humboldt-Del Norte area, is similar to many such events participated in by high school students in many other areas of California and nationally by high school members of the National Forensic League.

The local tournament has been named the "Redwood Forensic Tournament" by the sponsoring Humboldt State College forensic squad and the Lumberjack chapter of Pi Kappa Delta, National Forensic Honorary.

Speech department faculty and varsity forensic squad members will serve as critic-judges for the student speakers.

Interest in a Humboldt-Del Norte county high school forensic program developed out of a high school forensic workshop sponsored at the college last October in which 200 high school students participated as observers.

# Krohn, Telonicher Awarded Honors

Mr. J. J. Krohn, sportsman and Mr. Fred Telonicher, professor of zoology were both honored with Honorary Membership in Conservation Unlimited, campus conservation club, at the eighth annual Conservation Banquet held Saturday at the Eureka Inn. These were the eighth and ninth such memberships to be given by CU since it was founded in 1947. Mr. Krohn and Mr. Telonicher were both active in the organization of the wildlife curricula at HSC and in CU activities during the early years of its growth.

Mr. Carl Anerson, Assistant Supervisor of the Redwood Region State Parks was the main speaker. He explained the functions of the state park personnel and the different types of vegetation and terrain found in the state park system. He said that "life as a ranger in the Division of Beaches and Parks is not all peaches and cream . . . but it has been worth the effort." He ended his speech with phrases: "Our natural resources are the basis of our national wealth . . . stripped of them, we have nothing."

Many stayed for the dance which followed the dinner. The music was provided by the Lowell Round Combo.

Thanksgiving Day Game Trust Fund for the NAIA Tournament expenses it will need President Siemen's approval.

President: Mike read a letter that was sent to Van Tonkins accepting the date of April 23 for Lennie Niehaus-Bill Perkins Kenton All Stars Quintet to appear at the college gym. Then a letter was read from Van Tonkins informing the council that Lennie Niehaus will be available at this time but that the Pete Jolly Quartet; Sonny Criss from the Jazz at the Philharmonic and Jimmy Griffre will be available on April 22. Mike will continue correspondence in regards to this matter.

Respectfully submitted,  
Roberta Johnson,  
ASB Secretary  
Jim Arnot,  
ASB Vice-President

# Lou Cimini, Publications' Business Manager, To Leave Humboldt Area

LOU CIMINI

Lou Cimini, probably Humboldt State's best known student among the merchants of Arcata and Eureka and business manager of student publications, is leaving the Humboldt area this week.

And his final week here was spent in a characteristic endeavor — soliciting advertising.

Lou was graduated last summer in elementary education but continued as business manager of both the Sempervirens and Lumberjack this year virtually on a full-time basis. During his three years as business manager of the Lumberjack, he has helped the paper grow from an occasional, four-page publication to a weekly of six to 10 pages.

Lou is a charter member of Humboldt's chapter of Alpha Phi Gamma, honorary journalism society, and last year won a special certificate of merit for "outstanding service to the Lumberjack" at the annual Press-Radio club banquet.

Since coming to Humboldt in 1951 from Solvay, N.Y., Lou has been the "Mr. Hustle" of virtually every student funds drive and has never been too busy to help a worthy endeavor.

He conceived and helped to carry through a fund raising plan among the merchants of the area that resulted in the Peace Carillon chimes for the Administration building in 1952. He promoted a blood drive during the Korean war. He served four years as football manager and a year as head resident of Redwood Hall, and at one time had ambitious plans for a campus laundry. This year he has been active as alumni representative on a student-faculty committee exploring the possibilities of constructing a campus chapel through voluntary donations.

Active in a number of business enterprises before enrolling here, Lou at one time owned a restaurant and was a lumber broker. He plans to enter a business in the San Francisco bay area.

# Teacher Confab

(Continued from page 1)

Despite the fact that if state teacher education institutions continue preparing teachers at a rate similar to that of the past six years, and 134,000 teachers would become qualified, it is estimated, that only about 87,000 of them will actually enter the teaching profession, leaving 80,000 teachers still to be recruited. Today, in California, there are 100,000 persons who are qualified to teach, but are not doing so.

## TWO MILLION PUPILS

The scope of the problem can be seen from the fact that it took California 103 years, from 1849 to 1953, to enroll two million pupils in its public schools and that this figure is expected to be doubled by 1965.

This great demand for new teachers has occurred as a part of an overall shortage of trained manpower. Other factors blamed are the low birthrate of the 1930's resulting in a limited supply of young adults maturing during the 1950's, the great amount of opportunities now open to women than formerly and the effects of competition for personnel by industry, business and other professions.

The first California teacher recruitment conference, held in 1955, came as a result of efforts by the CSDE and professional school organizations.

As a result of the 1955 and 1956 conferences, Dr. Ray E. Simpson, state superintendent of public instruction, recommended that a teacher recruitment be formed in each county for the purpose of coordinating the activities of teacher recruitment.

# Harley Flander To Speak Tuesday

Dr. Arthur Smith, chairman of the Science Seminar at Humboldt State College, has announced that Dr. Harley Flander of the mathematics department of the University of California will speak on Tuesday, March 26, at 4 p.m. in the Wildlife Auditorium. Dr. Flander's subject will be "Elementary Differential Geometry in the Euclidian Plane."

# Hearings Open On 1957-58 Budget

Jim Callison, treasurer of the associated Student Body and the Board of Finance this week opened hearings on 1957-58 budget requests. All the requests are in and budget should be completed in three weeks, according to Callison.

The Board of Finance, consisting of Bill Williams, Norm Imeson, Jim Barnes, Mike Fielding and Mr. Jack Sears, graduate manager, has met this past week and will continue to meet until the budgets are completed.

Requested expenses .....\$73,562.71  
Estimated income ..... 69,719.00  
Necessary cut ..... 3,843.71  
"This above cut figure is necessary only to make the budget balance. This figure does not include an approximate \$1,000 necessary in unallocated funds for successful operation throughout the coming school year," says Callison. "This would increase the necessary cut to slightly less than \$5,000."

Present for the installation of HSC chapter into the national group were (1st row) Helen Olson, Sandra Perreto, Joy Branaman, Jo Anne Defino, Sally Conklin, Jo Anne Beer, Ruth Susmlich, Marijean Bertrand, Sharon Christian and (2nd row) Harriet Marsh, Mrs. Myrtle McKittrick, adviser, Barbara Halberg, Pat Hodges, Judy Ferguson, Jacquie McLeod, Evelyn Horn, Judy Shaw and Sue Crichton. The HSC group is now the 30th national chapter.

## Forty-Two Students On President's List Of Scholars For 1956 Fall Semester

Forty-two students were named on the president's list of Humboldt State College scholars for the fall semester of 1956 which was released last week by Dr. Cornelius H. Siemens.

The list is based on courses completed by full-time students enrolled in not less than 12 units of work and achieving a grade point index of 3.3 or higher which is at least a B plus average, according to Dr. Stanley Spaid, adviser of the honor society.

Upper division students elected to Chi Sigma Epsilon from Arcata are Joan Elaine Brott, Education; Ann Peithman Fuchs, English; Alan Eugene Hendrickson, a group major; Leslie Holgeron, Mathematics; Joyce Kay Killinger, Social Science; Margaret Holmes McFarland, Elementary Education; Barbara Lewis Parke, Education; Laura Davenport Peithman, History; Jean Lillian Richards, Elementary Education; Rodney Royce Skelton, Elementary Education; and Archie S. Weathers, Physical Science.

Upper division honor students from Eureka are Wendy Mansfield Alexander, Elementary Education; Carolyn Notley Falkenberg, Business Education; Johnny Ray Grammer, Physics; Ralph Eugene Hellberg, Art; Ruth Marilyn Holmes, English; Gene Leon Householder, Business Administration; Darrell Francis Johanson, Business Administration; and Diane Louise Moehnke, Elementary Education.

Other upper division honor students are Robert Harold Beebe, Business Administration, North Bend, Oregon; Emily Constance Glines, Life Science, Fortuna; Upton Bruce Henderson, Game Management, Riverside; Marian Boyer Holverson, English, Garberville; Francis Jacot, Game Management, Garberville.

## Herbert Pannier, Current Art Exhibitor, Comments 'Objectively' On His Works

BY ED KEENAN

Recently I received a letter from Herbert Pannier, the Rockford, Illinois artist who has some of his sketches on display in the art gallery. I had asked him for some comments on the work which was sent to us. His reaction to this request was as follows: "The opportunity your present is indeed a most generous and difficult one," and he went to explain how hard it is for an artist to objectively speak of his own work, but basically he said this: "My approach could be stated simply as this: I strive for self-expression in a direct, honest effort. I draw from life experience and whatever symbolism or image comes forth is self-explanatory."

Pannier continued, "I rail constantly against the truly insipid art of fashion, whether non-objective, abstract or realistic in approach. Art which delivers itself to painless acceptance because it follows the dictates of the museum curator critic, gallery or collector. One is forced to 'burn' one's eyes out at each juried, non-juried or personally dictated exhibition on such tripe while seeking inspirational works of feeling. There are such gems in each show but by the evident majority present they seem to have slipped in by accident. However, I find solace in the fact that few works of art, REAL ART, meet with immediate acceptance and in the knowledge that great art thrives in rejection."

"I work constantly. I use whatever means at hand; I believe in inspirational experimentation to seek out new expression for myself. I don't wait for 'just right conditions.' I don't adhere to technique as such or high finish as an end. I believe my acceptance rating suffers by this approach as I sense I am unpopular with juries, but I know that adherence to the rules is monotonous." (Continued on Page Eight)

## Chamber Music Program Sunday

The Humboldt State College chamber music program for March will be offered Sunday, March 24 in Nelson Hall Lounge.

This program, which begins at 8 p.m., will feature Shirley Barnhart, mezzo-soprano, in a group of vocal numbers. She will be accompanied by Dr. Leon Wagner.

The program also includes Beethoven's Sextett, opus 81 for two French horns and strings with J. Opre McCoy and Ted Hamilton joining the faculty quartet for this week.

The faculty quartet, Floyd Glende, violin; Esther Thompson, violin; Dan Backman, viola; and Elaine Bux, cello, will also perform the Borodin String Quartet, number two in D major.

# TRACK TEAM GOES ON ROAD THIS WEEK FOR SECOND MEET OF YEAR AT CHICO

The Humboldt State College thin clads will tangle with the Chico State and Nevada thin clads tomorrow afternoon in Chico. Coach Bob Doornink said, "I am encouraged by our showing against Sacramento and Davis though we were weak in the hurdles. This situation will change once we can get the boys in shape."

Among the brightest spots of the Sacramento meet was the showing of freshmen Manuel Vasquez and Rigo Piva. Manuel won the 100 and 220 yard dashes and took a third in the pole vault. Rigo Piva, with no practice under his belt because of our recent foul weather, cleared an impressive 12 feet 4 inches in the pole vault to gather in first place.

Other winners were Paul Williams in the 440 and Earl Barnum in the broad jump and high jump. This gives us a total of six first place performers to carry against Chico.

Chico is an untested and unknown power. They also gave Humboldt their lone practice defeat last year. Nevada is also of an unknown caliber.

The main drawback in Humboldt's plans is the lack of proper conditioning but with better weather coming up more track meets the yellow and gold thin clads will show better.

The relay team of Earl Barnum, Paul Williams, Harmon Bonnicksen and Larry Amos took a first place at Sacramento and were

only several seconds off the school record. This group should make things interesting for any team in the conference with a little more practice and conditioning.

The traveling team will be picked from performances this past week. The weather has been a little clearer and this should make for better times at Chico. The pole vaulters and high jumpers have also had more time to practice this past week as have the broadjumpers and Chico may have more on their hands than they bargained for.

Freshman, Dale Kohinka, is also expected to show better and stronger as he gains experience. Dale has already broken the

# VARSITY HORSEHIDERS POST TWO MORE WINS OVER "B'S," 8-0, 9-0

The Humboldt State Varsity baseball team, improving with every swing of the bat, won two more games from the "B" squad by the unlikely scores of 8-0 and 9-0.

Both games were six inning affairs at the HSC field last Saturday, being played to sharpen up the horsehiders for the big weekend coming up in the Bay Area.

Both games were fairly close in number of hits and runs as the "B's" were able to get only four hits in the two games, a pair of singles in each one.

Bill Wilbur started the first game for the Varsity and went all the way allowing only singles to Ike Peterson and Ron Reynolds.

The winners got seven hits off the losing pitcher Gary Mauney. They used walks, costly errors, and sacrifices for several of their runs. The Varsity scored two in the third, four in the fifth, and two more in the sixth. Al Deniz, Bill Matson, and Wilbur each scored two runs and Deniz and Al Schrader both slammed triples.

Varsity chucker Jack Maze performed well in the second game, and allowed only two hits,

school two mile record in practice.

Coach John Black has been working hard with his middle distance and distance runners in an endeavour to make a stronger showing in the longer races. It was lack of conditioning here again that hampered the 880, mile and two mile men.

a single to Peterson and a scratch single to Carl Carlson.

The Varsity collected 11 hits, including a first inning homer by Bob Lawson. Deniz preceded Lawson's blow with a single to give the victors an early 2-0 advantage. Gerry Carlson was the pitcher for the "B's."

## Yell Leader Tryouts Set For April 9

Rally Committee has scheduled tryouts for Yell Leaders for April 9 at noon in the little dining room of Nelson Hall.

Any boy attending Humboldt State is eligible to try out for the four positions open. The new yell leaders will hold the position for one year.

Each person trying out will have to perform two or three of the standard yells for the Rally Committee. They will be chosen on the basis of spirit and ability.

Last year's yell leaders were Buck Crosby, Pete Mathiesen, John Thomas and Gary Mead.

Anyone who desires to try out, but is unable to appear at the tryouts should get in touch with Joe Chappelle, chairman of the Rally Committee.

### IQ'S HOLD LEAD AS LAST WEEK OF HOOP PLAY OPENS

BY TONY VASQUEZ

Franny Givins claimed another championship for the faculty last week as he took the badminton championship. He eliminated Nick Cizmich of CU and Dr. Kerker in the finals to emerge the final undisputed kingpin of the court. This is the second championship for the Faculty as they won the volleyball championship earlier in the season in a playoff with Nelson Hall.

In the basketball race the IQ's continued to show their complete domination of the league lead as they repulsed arch rival Nelson Hall in a thrilling 37-38 game Wednesday night. There is still one more week of basketball but it looks like the IQ's all the way. After the final tournament the top four teams will be picked to have a final elimination bout. The winner of this tournament will receive the basketball championship.

Tuesday night's action was very small as there were two forfeitures. The IK's forfeited to Redwood Hall in the first game and the Faculty forfeited to the IQ's in the second game. The third game, however, was a thriller as Nelson Hall got past the fighting Ramblers 35-31. This was another step in Nelson Hall's fight back to the top. Jim Batten and Bob Swede were high for Nelson. They garnered 14 and 11 points respectively. John Klininger tanked 13 for the Ramblers.

The opening game Wednesday night told the tale of the champions as the IQ's squeezed by Nelson Hall 38-37. It was clutch playing by the IQ's that told the tale.

Behind at half time by more than ten points the IQ's fought slowly but doggedly until the end when they caught Nelson Hall in the closing seconds. The game ended with the score tied at 37 all. Jerry Anderson of the IQ's had a free throw coming

which he shot after the regulation game had ended. He tanked it for the winning point to end the most thrilling game of the tournament to date.

Jerry Anderson's clutch shooting for the IQ's has earned him the player of the week award. This victory kept the IQ's perfect record intact and made them a cinch for the championship playoffs.

Jim Batten was high for Nelson with 15 points. Nine of these came on free throws. Charley Hale was high point man for IQ's.

The second game of the night found Alpha House taking the measure of the IK's 40-20. Burnette scored 8 points to pace the IK's and Fran Hopper and Dick Trone scored 11 and 12 points respectively for Alpha House.

The Faculty forfeited the third game of the night to CU.

Table Tennis has moved to a rapid showdown and four tournament champions have emerged from the conflict. Bob Goodwin won the first tournament as he defeated Pat Barreras of the IQ's in the finals. Bob Goodwin plays for Nelson Hall.

In the second tournament Dick Hansen of Nelson Hall defeated Dean McColum of the Ramblers for the tournament number two championship.

The third tournament featured a final battle between John Geary of IK and Nick Cizmich of CU. John Geary emerged victorious.

Ed Hansen of Nelson Hall came up on top of John Washington of Redwood Hall in the fourth tournament. This made the third Nelson Hall man in the finals. This group includes Ed and Dick Hansen, twin brothers from Nelson Hall.

Dick Hansen beat finalist Bob Goodwin in the final elimination and the crown shall be decided when Dick Hansen plays the victor of the John Geary-Ed Hansen game.

Standings are now as follows:

IQ's	6-0
Nelson Hall	5-2
Ramblers	5-2
Block H	5-2
Alpha House	4-3
CU	3-4
Redwood Hall	1-5
IK's	1-6
Faculty	0-6

### Lumberjacks Play Top Teams Of Bay Area On Four Day Journey

By BOB BESTOR

Humboldt State's defending Far Western Conference champions invade the San Francisco bay area for a big four game series against some of the top college teams of the bay region.

The Lumberjacks will open its toughest four game set ever to face a Humboldt baseball club when they meet Hamilton Air Force Base this afternoon. Following the tilt with the "Fly Boys" the Jacks play Saint Mary's Saturday with the University of San Francisco following on Sunday. HSC winds up the bay area swing Monday at Berkeley in the big one with the University of California.

With a pre-season schedule that has thus far included only two games with intercollegiate competition the Hilltoppers are counting on these toughies to give them the needed experience and confidence to successfully defend their conference co-championship. The Jacks opened the season with a pair of wins over Shasta Junior College, 20-0 and 3-2.

After the trip south Humboldt will prep for a nine-day series of games at home and away against Oregon Tech and Southern Oregon. Conference play gets underway April 18 with a twin bill at San Francisco State.

Coach Ced Kinzer will take a 15 man squad into the bay area for the series. Making the trip will be pitchers Jim Richardson, Jack Maze, Gary Mauney, Bill Wilber, Frank Burke and Gerald Carlson; catcher Al Schrader; first baseman Al Deniz; second baseman Dick Dudley; third base-

man Bill Matson; shortstop and captain Bob Lawson; outfielders Ralph Mayo, Dave Thomas and Jesse Washington, and utilityman Carl Carlson.

Kinzer has indicated he will start the left-hander Bill Wilber against Hamilton Field, Carlson against St. Mary's, Burke or Mauney will be on the hill at USF and Richardson is scheduled to go in the big one with Cal. Kinzer very likely will not let any of his hurlers go the full nine innings unless the day is unusually warm and the pitcher is not working hard. None of the chucks on the Humboldt pitching staff have gone more than six innings yet this season.

"We're going into these games — probably the toughest series a Humboldt team has ever played — hoping to make a good showing. We'll play to win, but even if we lose we think we'll gain a lot from the trip," Kinzer pointed out.

Prior to their departure Thursday noon the Jacks spent the week working on hitting so that arms would be rested for the long weekend. Hurlers, Richardson and Burke worked six innings each in an intrasquad game Monday.

Varsity reserves remaining on campus this weekend will team up with the "B" team to play Arcata high school Thursday and Friday.

### THINCLADS PLACE SECOND IN THREE SCHOOL MEETING

The Humboldt State Lumberjacks opened their 1957 track season by taking second place in a three-way meet with the Cal Aggies and the Sacramento State Hornets at Sacramento.

Coach Bob Doornink stated that he was very pleased with the team showing, and said he felt certain they would enjoy a better year than last season, which was one of HSC's finest.

Earl Barnum and Manual Vasquez each took two first places to lead the Humboldt Staters to their victory. Barnum won the broad jump with a 22' 1 1/2" leap, and the high jump with a 6' 1" height. Vasquez won the 100 and 220 yard dashes, and Harmon Bonniksen placed second in each of these events.

Other first place winners for HSC were team captain Paul Williams, who won the 440 in 51.9 seconds, and Rigo Piva, who pole vaulted to the height of 12' 4".

Humboldt had not had a chance to practice the broad jump and pole vault events, and the showing in these events was encouraging.

Humboldt won the mile relay in the time of 3 minutes and 34.9 seconds. Members of the relay team are Bonniksen, Barnum, Larry Amos and Williams.

The final team standings were: Cal Aggies, 70; Humboldt State, 57 1/2; Sacramento State, 34 1/2.

The meet was originally scheduled to be a two way meet between HSC and Sacramento State, and the points were also figured that way. Competing against each other Humboldt ran up 82 1/2 points while Sacramento State could only gather 48 1/2.

#### RESULTS

Mile: Cole, SS; Cooper CA; Mayes, CA; Kohinka, HSC. 4:40.8.  
440: Williams, HSC; Greenberg, CA; Beaver, SS; Averza, CA. 51.9.  
Pole Vault: Piva, HSC; tie, Chamberline and Laviason, CA; tie, Vasquez, HSC, and Brush, SS. 12' 4".  
Discus: Bath, CA; Schubert, HSC; North, CA; Zlataroff, HSC. 128' 6".  
Two mile: Darwell, CA; Kohinka, HSC; Cooper, CA; Mayes, CA. 10:17.5.  
220: Vasquez, HSC; Bonniksen, HSC; Beaver, SS; Osborn, CA. 23.6.  
Broad Jump: Barnum, HSC; Masterson, SS; Lawrence, CA; Washington, HSC. 22' 1 1/2".  
880: Cole, SS; Higgins, CA; Hayoshi, CA; Barkdoll, HSC. 2:03.3.  
220 Low Hurdles: Winter, SS; Masterson, SS; Russell, CA; Gree, SS. 26.7.

### Ratings For 1957 Golfers Announced By Coach Sarboe

After a week of practice Coach Phil Sarboe has announced rankings for Humboldt State's golf team. At the top of the list is Bob Rice, senior three-year letterman and squad captain. Rice is followed in order by Jim Knox, Bob Archibald, Bob Bestor, Al Hendrichson, Rod Sandretto, Dean McColum, Pete Mathieson and Jerry Paul.

These nine Humboldt swingers will get their first taste of competition Sunday morning against a team picked from Bayside Country Club. The following weekend the Jacks will play their annual match with the faculty. The opening of Far Western Conference competition is scheduled April 6 against Chico State, Sacramento State and Nevada at Chico's Bidwell Park.

Player rankings will hold until a player is defeated by another in a 36-hole match.

# MARINE PROCUREMENT TEAM TO BE ON CAMPUS MONDAY, TUESDAY IN COOP

A U. S. Marine Corps Officer Procurement Team from San Francisco will be on campus on Monday and Tuesday from 9 a. m. until 3 p. m. and will be located in the Coop.

Captain Charles R. Stephenson III and First Lieutenant James S. Phillips will be available at the above time to interview men interested in enrolling in one of the Marine "in college" training programs that lead to a commission as a Second Lieutenant in the Marine Corps Reserves.

The Platoon Leaders Class (PLC) and Platoon Leaders Class (Aviation) (PLC) (AVN) are open to freshmen, sophomores and juniors. These programs are draft deferable and require no drills or military classes during the school year. The PLC receives his training at the famed Marine Corps Schools at Quantico, Virginia during two, six-week summer training courses. Upon successful completion of these courses and graduation from college the PLC is commissioned and ordered to active duty. PLC (AVN) candidates go through the same program but receive their flight tests during the summer training periods and upon graduation are commissioned and ordered to Pensacola, Florida for flight training.

The Officer Candidate Class (OCC) and Aviation Officer Candidate Class (AOCC) are open to seniors and graduates. These programs require a 10 week training course after graduation.

## President's List

(Continued from Page 5)

Management, Los Angeles; Jerry Zane Long, Physics, Crescent City; James John Nameth, Business Education, Medina, Ohio; Jack Bedell Pearce, Conservation Education, Dearborn, Michigan; Robert Pepper, a group major, Pacoima; and Norma Louis Shreve, Elementary Education, Vallejo.

## PANNIER

(Continued from Page Five)  
ous and sterile and juries are impotent, even those that accept my work. This makes me shudder. Art often escapes the jury. Art history shows this and I see no reason to contradict history. I STRIVE to be inspired od instinctive because I KNOW I can be technically adept."

"I feel that a great deal of art writing, of art criticism, finds its inspiration in a sort of 'rubbed off glory' wherein the writer identifies himself with the act of creation. This results in nonsensical observations and analyses that are only too frequent in our coming of age (in art). There is some good here as it serves to interest the public in art and to inform."

### NOT COLD-BLOODED

Mr. Pannier concluded with this statement: "My approach to my work is not as calculated nor as cold-blooded as these words make it appear. I find great joy in creating my work, and, in those days when I feel I have made progress towards attainment, is satisfaction beyond words. I really do not expect to

## Popera Tickets Are Now On Sale For March 29 Classical Music Show

Popera chairman Bob Cutting has announced that Popera tickets are now on sale and can be purchased from any music student or at Maxons' Music store, Melba's Organ and Piano salon, Nygard and Green, Gribbles TV and Appliances and the Music Mart at Fortuna.

Members of the Popera committee will also have tickets for sale. These committees and chairmen are: decorations, Barbara Brown; King committee, Art Dalianes; white elephant collection, Shirley Christy; and publicity, Ed Keenan.

Tickets are priced at \$1 for adults and 50 cents with activity cards.

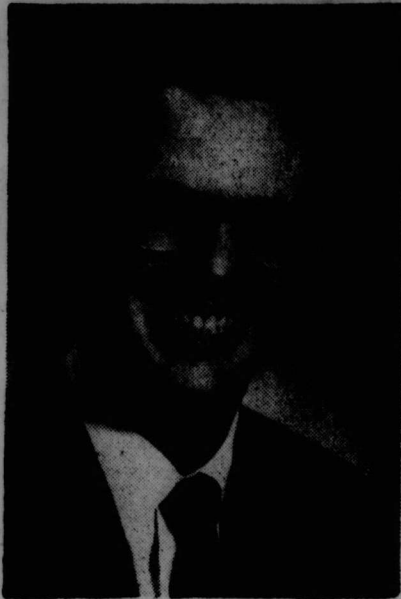

The Mar. 29 program will be an hour long and various selections will be performed by the HSC band, orchestra, choir and chorus. Following this event the dancing will commence and continue to approximately 12 midnight.

The Popera King candidates this year are Mike Fielding, spon-

sored by IK; Harman Bonnicksen Spurs; Larry Westlake, choir, and Dale Callihan, HSC band. Cutting also mentioned that every one eligible is urged to vote.

The following credits are due to these local firms for their donation of gifts to be used as prizes at the Popera: Bistrins of Eureka, Dalys, Melba's Music Center, Neds of Arcata, Cliff Petersons' Mens' Wear of Eureka, Milts' Mens' Wear, Eureka; Buxton Drugs, Henderson Center; Art Fudems, Henderson Center; 10 Window Williams, Eureka; Danielsons' Mens' Wear, Eureka, and C. O. Lincoln Co., Eureka.

Cutting has noted that he feels this year's Popera will be one of the most enjoyable ones that have so far been presented.

BOB CUTTING

Bob Cutting, senior, is this year's Popera chairman. He is from Eureka and is a music major.

# Marlboro

You get a  
lot to like  
-filter  
-flavor  
-flip-top box

NEW  
FLIP-TOP BOX  
Firm to keep  
cigarettes from  
crushing.  
No tobacco in  
your pocket.  
Up to date.

POPULAR  
FILTER PRICE

Here's old-fashioned flavor in the new way to smoke.

The man-size taste of honest tobacco comes full through. The smooth-drawing filter feels right in your mouth. Works fine but doesn't get in the way.

The Flip-Top Box keeps every cigarette firm and fresh until you smoke it.
