### FOUR-NIGHT RUN FOR LAST MAJOR PRODUCTION OF 1956-57 SEASON

The Humboldt Players will open a four-night run of their last major production of the 1956-57 season, "The Playboy of the Western World," this evening at 8:15 in the Humboldt State College auditorium.

The comedy, written by the famous Irish playwright John Millington Synge, is also scheduled for tomorrow evening as well as May 10 and 11.

Directed by Dr. Stanley Glenn, John M. Synge's well known Irish comedy will present an evening's entertainment rich in the lore of the peasantry in the wild and rugged country of Ireland.

Robert Lloyd, of Arcata, plays the lead role of Cristy, a shy young man who believes he has just killed his father.

As the female lead Sally Conklin, also of Arcata, portrays Pegeen Mike, daughter of a tavern keeper in the small Irish town. Pegeen has nothing but contempt for the men of Mayo because of their lack of romantic accomplishment.

Both Mrs. Conklin and Lloyd are sophomores and graduates of Arcata Union High school, with past experience in several high school and college productions.

Other roles are held by Arthur Loveland as Michael Flaherty, father of Pegeen and tavern keeper; Irene Riley, who plays the part of the Widow Quin; and Stanley Mott as Shawn who seeks the hand of Pegeen. George Steele and Hal Lewis play the roles of two farmers, Jimmy Farrell and Philly Cullen; and girls of the village, played by Pauline Hendrix, Anne

Johannsen, Pat Hodges are Susan, Sara and Honor. Town crier is Wally Sinclair and village peasants are Harriet Kuhn, Buck Downard, John Smith, John Tonge and Alleen Fredin.

Tickets for "Playboy of the Western World," the last production of the year, are \$1. They may be obtained by calling Va 2-1771, ext. 63.

### 16 HSC Students In San Francisco On Art Tour

Sixteen HSC art students left yesterday for a two-day trip to San Francisco, where they will visit the major public and private art galleries and the city's art sections.

The group was accompanied by Melvin Schuler, associate professor, and Glenn Berry, instructor. It will return Sunday, traveling by private auto. Members of the group pay their own expenses on a "shared cost" plan.

On the schedule today are visits to the M. E. deYoung Memorial Museum in Golden Gate Park, the California Palace of the Legion of Honor in Lincoln Park and the Lusien Labaudt gallery, the city's three public galleries.

At the deYoung museum the students will hear from the museum director, Charles Lindstrom and at Gump's gallery from Hal Willmith, director.

Tomorrow the group will visit the San Francisco Museum of Art, the rotunda gallery in the City of Paris department store and the art colony centering around O'Farrell and Stockton streets, China Town and Telegraph Hill.

At least part of the group plans to attend the season's final concert by the San Francisco Symphony at the Opera House.

For many of the group the trip will offer the first opportunity to visit major galleries, Prof. Schuler pointed out.

Students making the trip are Jean Eich, Gunvor Robbert, Ray Clark, Jim Sullivan, Marian Holverson, Ken Yamamoto, Jane Howard Clark, Joyce Van Alen, Carol Bishop, Evelyn Harris, Susan Chase, Robert Dean, Joe Romero, Pat Gallagher, Leonard Blomquist and Lora Dodge.

### Balabanis Returns From Meeting

Dr. Homer P. Balabanis, dean of instruction at Humboldt State College, will return today from a meeting in Sacramento with staff members of the State department of education and the state board of nurse examiners.

Plans were discussed for organizing and offering a four-year The group includes art majors and minors and other students in art classes.

### Choir To Present Spring Concert In Arcata Sunday

The HSC Choir, under the directorship of Dr. Leon Wagner, and just returned from its extensive concert tour, will present its annual spring choral concert this Sunday, May 5, at the First Baptist Church of Arcata.

The 36 singers will come home to Arcata on Saturday night after singing a total of 18 concerts between here and San Francisco in the past five days, thus offering to local concertgoers the climax of a week of strenuous musical activity.

Sunday's program will run the gamut of choral music from 15th century Europe to 20th century America, including a wide variety of sacred and secular choral compositions. Special features will present separate selections sung by male voices and treble voices, two numbers being directed by choir members Jim Westman and Bob Cutting.

An informal note will be added by the Madrigal Singers, a group of ten picked singers, presenting in traditionally intimate chamber-style, a variety of light choral pieces and including one of the earliest known part songs in the English language. Soloists Jean Richards and Rich Ames will be featured in Dr. Wagner's new arrangements of two little-known Negro Spirituals, "Freedom" and "Who'll be a Witness for my Lord?"

Concert admission is 75 cents for adults and 50 cents for students and children, and free to holders of Associated Student Body cards. Tickets may be obtained from Choir members or at the Fine and Applied Arts Division Office (Ext. 42) and at concert-time, which is 3:30 p.m. Sunday.

### CALLIHAN, BONNIKSEN TO VIE FOR ASB PRESIDENCY

This week's ASB elections ended in a series of run-offs with Dale Callihan, Octagon-Volunteers, and Harman Bonniksen, Hilltoppers, vying for the office of president. Joe Chappelle, running for activities commissioner on the OV ticket, was the only candidate to receive a clear majority on the first ballot.

### COLLEGE Y DANCE TOMORROW NIGHT

Tomorrow night, May 4, will feature the annual College Y dance in the HSC gymnasium. The College Y has abandoned its traditional barn dance and square dancing and will present dancing to the music of Ed Keenon's Venitian Blinds. Dancing will be from 9-1 and the prices will be \$1 without a student body card and 75 cents with a student body card.

Betty Rea and Merle McCormick, the decorations chairmen, said that the dance will feature a May Day theme complete with May Pole.

The proceeds of the dance will go to WUS, the World University Service. It is a service organization which keeps a rainy weather fund for needy universities throughout the world.

### AWS Fashion Show, Tea Is Tomorrow

"Patio Promenade" is the theme chosen by the Associated Women Students for their Mother's Day Fashion Show and Tea tomorrow.

The fashion show and tea will be held in the CES dining room and auditorium. The tea is from 2 p.m. until 3 p.m. with the fashion show following from 3 to 4. This affair is to honor the mothers, and boys, as well as girls, are asked to invite their mothers.

Homer Ratcliff will be commentator for the show which will also include entertainment. Refreshments will be served by the Home Economics Club. They will also be modeling the clothes they made in class. Members of the Circle K will provide escorts for the models.

Fran Singleton, AWS president, is general chairman with Carol Leach in charge of invitations; Jo Ann Beer, decorations; Gayle Allen, entertainment; Gayle Reynolds, lighting; and Barbara Brown and Karen Dillard, greeters.

Octagon-Volunteers showed their dominance as their candidates all made the run-off elections. They will be up against two Hilltopper and five Senate party members. Races will be between Roberta Johnson (OV) and Nick Zupo (Senate), vice-president; Diane Johnson (OV) and Pat Hodges (SP), secretary; "Snuffy" Smith (OV) and Jim Ely (HP), treasurer; Larry Westlake (SP) and Dick Fauerbach (OV), assemblies commissioner; Warren Baker (SP) and Ralph Mayo (OV), awards commissioner; Tony Vasquez (HP) and Joe Romero (OV), publications commissioner; Gary Mead (SP) and Sandi Wahlund (OV), rally commissioner.

Constitutional amendments passed by a 487-83 margin. A total of 666 students voted in what was termed a "good turnout". Mike Fielding, present ASB president, said "we are looking forward to an even bigger turnout in the run-off elections" to be held Monday. Balloting will take place in the Main Hall of the Administration Building.

Callihan, heading Octagon-Volunteers which is now approaching its third year in student government, has been president of the Junior Class, Circle K president in 1955, Director of Frosh Camp and on the Spring Prom, Sno Ball, Dad's Day and All-School Picnic committees. He is present director of the Lumberjack Band.

Bonniksen heading the new Hilltopper ticket, has been treasurer of the Freshman Class, president of the Sophomore Class, chairman of Sweetheart Ball, Associate Director of Frosh Camp, Inter-Collegiate Knights, Block H, co-chairman of the Howdy Doody Hop, Greater Humboldt Committee, Spring Prom Committee and Popera King.

Many observers felt that this year's election campaign was one of the most energetic in recent years. Such stunts as passing out free cookies, loudspeaker systems and striking and original posters were employed to promote votes for the parties and their candidates.

### AWS Election To Be Wednesday

Associated Women Students elections will be held Wednesday, May 8. A committee has nominated the candidates and an open meeting was held May 2.

Those running will include Jackie McLeod and Diane Johnson, president; Ann Ritola and Pat Hodges, vice-president; Janet French, Pat Miller and Judy Shaw, recording secretary; Mary West and Judy Ferguson, treasurer; Marilee Ammer and Mona Armstrong, corresponding secretary; Annie Gwerder and Freda Wood, Inter-Club Senate representative; Emily Glines, senior class representative; Maryann Regan, Sue Crichton, Margaret Langenbaugh and Deanne Brown, junior class representative; Kay Price and Betty Reah, sophomore class representative; and the freshman class representative will be selected by the freshman class. All appointive officers will be selected by the new cabinet.

Initiation of the new officers will be held on May 13. All women students with an activities card are urged to vote.

A scene from the "Playboy of the Western World" show (l. to r.) Hal Lewis, George Steele, Bob Lloyd and Art Loveland. First performance is tonight with curtain time at 8:15 p.m.

## Lumberjack Axe Makes Mysterious Reappearance On Campus This Week

The wandering Lumberjack Axe is back. It returned to the campus this week as mysteriously as it left March 22.

Four women students who share an apartment at 370 Plaza Ave., half a block from the campus, reported they stumbled over the Axe on their back porch last Friday night. Apparently the celebrated trophy was deposited there by the thieves who snatched it from the Coop a month before.

The women are Kay Price, Diane Johnson, Deanne Brown and Martha Smith. They permitted the Axe to be taken to the annual Spring Prom last Saturday night at Redwood Acres as part of the decorations. This week the Misses Price, Johnson, Smith and Sandra Aycock huffed and puffed against the weight of the Axe and brought it from the apartment to a "safe hiding place" on campus.

There it will remain until the student council can make repairs on the mounting board in the Coop. One of the two metal holding brackets was sawed through in the theft.

While no one knew . . . or at least would not, tell . . . who the thieves were, a strong supposition was going the rounds this week that the Axe snatchers were Humboldt State students. Why they would want to steal the trophy was the biggest mystery of all.

The Axe, which is emblematic of Humboldt State-Chico State football rivalry, has a nine-foot redwood handle into which are burned the scores of Lumberjack-Wildcat games since 1946. The bitted head was cast from aluminum. Humboldt won back possession of the Axe by defeating Chico on the gridiron last fall.

## Best News Photos To Be Exhibited Here Next Week

Prints of the best news pictures of 1956 will be on exhibit in the Audio-Visual room of the Library and Art Department Gallery in the Administration Building for two weeks beginning Monday under the auspices of the journalism and art departments.

The "News Pictures of the Year" exhibit was made available by the Encyclopedia Britannica and National Press Photographers Association, which annual conducts the largest photo competition in the world. From 5000 prints entered in the contest, 120 make up the exhibit, and the best of these will be hung in the HSC showing.

All pictures are captioned, indicating which won prizes. Among the photos are the such diverse shots as the handshaking picture that helped make Howard Sochurek of Life the "Magazine Photographer of the Year" and the first prize picture in the color category by Ben Samroff of Look Magazine on "25 Ways to Stuff a Turkey."

## 70 Courses For Summer Session

Approximately 70 courses in a wide variety of areas will be offered in the 1957 summer session, according to Dr. Ivan C. Milhous, dean of the summer session. The regular six-week session scheduled to begin June 17, will close July 26. It will be followed by a four-week post session July 29 to August 23. Several special workshops are scheduled and a faculty of 35 instructors will participate in the various sessions.

Planned to meet the needs of regular college students seeking additional work toward degrees and credentials as well as for teachers and administrators, a broad range of courses in liberal arts and professional education courses has been planned.

## Conservation Club Picnic Set Sunday

Conservation Unlimited will hold its annual picnic at Pat's Point State Park Sunday. The activities are to get underway at 1 p.m. with the softball game warm-ups. The game will be played after lunch with the fisheries boys versus the Game Management personnel. Members are asked to bring salads and deserts, the main dish and pop being provided. Members and their guests are invited.

## SEVEN INITIATED INTO CHI SIGMA

Seven students were initiated into Chi Sigma Epsilon, upper division scholastic honorary, in ceremonies last Sunday in Nelson Hall.

Chi Sigma Epsilon members are selected during the first part of each semester on the basis of high scholastic attainment, qualities of leadership and high ideals of character. Initiates were Upton Bruce Henderson, game management senior from Riverside, Calif.; Gene Leon Housesolter, accounting major of Eureka; and Jerry Zane Long, physics major from Crescent City. Others are James John Nameth of Medina, Ohio who is majoring in business education; Barbara Lewis Parke, an education major and Archie S. Weathers, social science major, both from Arcata; and Jack Bodell Pearce, majoring in conservation education from Tucson, Arizona.

Guest speaker at the dinner meeting was Dr. James McNelis, assistant professor of English. In asking the question "Is Heaven Desirable?", Dr. McNelis compared the ideas of George Meredith, who believed immortality was to be found in ones spiritual and physical offspring, with those of Dante and Milton who accept the Christian doctrine of immortality involving both judgement and retribution.

Norma Shreve is student president of the group and Dr. Stanley Spald is faculty adviser.

## Industrial Arts Exhibit Ends Today

The Third Annual Industrial Arts Club Exhibit, in Jenkins Hall, closes at 5 p. m. today.

The work of college students in various industrial arts classes on the campus is on display.

Outstanding projects of high school students from this area are also exhibited. Awards are made annually to high school projects in each of the major areas. High school instructors from the area were the guests of the Industrial Arts Club Wednesday evening at a crab feed after which they judged the high school projects for the club. Dr. Ernest Bednar and Mr. Arthur Stegeman are the club sponsors.

Free coffee will be served during the time the exhibit is open.

San Francisco's first Ferry Building was erected in 1877.

## STATE-SUPPORTED RESIDENCE HALLS NEARING REALITY

State-supported residence halls for state colleges are nearing reality following legislative action providing money for the projects.

The senate finance committee approved a budget item of \$15,347,600 April 22 to provide dormitories for seven of the 10 state colleges.

# Switch to Shell!

**Before TCP...** The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

**After TCP...** The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP\*, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clock acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even

the most careful driver sometimes needs for safety.

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

## All-School Picnic And Faculty Show Scheduled For Wednesday, May 15

Wednesday, May 15, marks the day of the 7th annual HSC All-School Picnic and the approximate 20th Faculty Show.

This day, which is one of the most anticipated and enjoyable days of the college year, is a time for all students, faculty and families of both to get together for a day of classroom-forgotten festivities.

The Faculty Show will begin the traditional day with two performances in the auditorium. The first is scheduled for 9:30 a. m. and a second, or "command performance" to start at 10:30. The setting then moves to Camp Bauer with the day ending with a bonfire and a dance on the camp pavilion.

All students and faculty are urged to get together and prepare their pot luck lunch for the noon meal at the picnic.

There has never been even a minor traffic accident during the past six caravans to and from the

picnic grounds. All attending this year are asked to do their utmost in keeping the record blemish-free.

Also as a part of the tradition, all taking cars to Camp Bauer are urged to decorate their car with gay crepe paper or other colorful ornamentations.

Students are asked to comply with the fact that no intoxicants are allowed at the picnic grounds and everyone is asked to do his personal part in keeping with the ruling.

Sign-up sheets will be posted in the main hall Monday, May 13, and all planning to attend are requested to sign up and indicate the number of persons they expect to bring to the picnic.

Admission to the picnic is free for ASB Activities card holders and 75 cents for those without. Picnic dinner is free. Children will be admitted free.

Committee in charge of planning the All-School Picnic May 15 are (front row, 1 to 5) Miss Kate Buchanan, Harriet Marsh and Sid Fauerbach. (Back row, 1 to 5) Gary Mead, Chip Brodie, co-chairman and Dick Fauerbach, co-chairman.

## Golfers Practice For FWC Meet

Coach Phil Sarboe's Humboldt State golf team is currently preparing for the Far Western Conference golf meet in Sacramento May 10-11. Monday afternoon at 2 p. m. on the local links the varsity golfers will tuneup for the big conference go in a match with Benbow golf club of Garberville.

In matches last weekend the 'Jacks split a pair of matches, winning from Benbow and losing to Southern Oregon.

Scores by the Humboldt golfers in last weekend's matches and also in this weekend's action will be averaged to determine which five of the six top golfers on the squad will make the trip to Sacramento.

# HSC NINE PLAYS IN RENO TOMORROW

## MEET WOLFPACK IN FWC ACTION, TRACK TEAM READY FOR CONFERENCE MEETING

Its back to the league wars for the Humboldt State baseball team tomorrow as they meet the University of Nevada Wolfpack in Reno in a doubleheader, while squad will sit back and wait for the Lumberjack track and field next Saturday's Far Western Conference meet following yesterday's final tune-up action.

Coach Ced Kinzer's horsehiders took a respite from loop action last Tuesday night when they hosted the Crescent City Merchants in a practice game at the Arcata ball park but the Hilltop nine resumes its chase of the FWC pennant tomorrow.

The twelve trackmen who are to represent HSC in the conference meet got their final seige of practice competition yesterday at Chico as they met the Wildcats and the Cal Aggies in a triangle affair.

After last week's split with the Cal Aggies the defending co-champion Lumberjacks now find themselves in second spot behind the other title holder the Sacramento State Hornets. HSC's league record stands at 3-1 now.

The lineup remains the same except at third base where Bill Matsen and Ike Peterson are batting it out for the starting nod.

Only three more weeks of competition are in store for the diamond crew as the season ends May 18 against the Cal Aggies at the Arcata ball park.

Coach Bab Doornink's track crew has completed a successful practice season and it is expected that the dozen thincads selected to represent the college will give a good account of themselves in the Far Western meet.

Team members and their events are Larry Amos, relay; Earl Barnum, relay, broad jump and high jump; Harman Bonnicksen, 100 yard dash and relay; Ralph Johnson, discus, javelin and high hurdles; Dale Kohinka, two-mile run; Rego Piva, pole vault; Tom Schubert, shot put and discus; Larry Smith, mile; Manuel Vasquez, 100 and 220 yard dashes, pole vault and low hurdles; John Washington, 220; Paul Williams, 100, 220, broad jump and relay; Ben Zlateroff, shot put and discus.

This line up, Doornink said, concentrates Humboldt's strength in the areas where there is greatest likelihood of compiling points. Emphasis in the conference meet will be on winning the relay event.

### WOLFPACK WINS

Nevada University's pole valuting Dave Harris set a new school record of 13 feet 2 inches as Nevada defeated San Francisco State 80151 in A Far Western Conference dual track meet.

## BASEBALLERS SPLIT TWO FWC CONTESTS WITH CAL AGGIES

Humboldt State College baseball title hopes were slowed down somewhat last weekend at Davis when the Cal Aggies defeated the Jacks in the first game of a double header 3-2. The Lumberjacks came back with a vengeance, however, and smothered the Aggies in the night-cap 11-1.

The loss dropped the Hilltoppers out of the league lead into second place, one full game behind undefeated Sacramento State. Ace right-hander for the Jacks Jim Richardson was tagged with his first loss in league play in two seasons of FWC conference hurling. Richardson gave up only six hits and four walks but his teammates could not back him up with any more than four hits.

The Jacks jumped off to a one-run lead in the opening stanza on the strength of four straight walks by winning Aggie pitcher Bill Stam. All Aggies scores came in the fifth inning when the Davis crew put together three singles, a walk and a Lumberjack error for three runs. Humboldt added one more run in the sixth but it was not enough.

Coach Ced Kinzer's baseballers did an about face in the second game as they bombarded the Aggies with 11 hits and 11 runs. Gary Mauney went the distance for the Jacks, giving up seven hits, one run, striking out two and walking three. Second baseman Dick Dudley and Center fielder Jesse Washington each connected with three base blows to lead the Humboldt hit parade.

# SPORTS

By DICK LAURSEN  
Last Saturday opened the 1957 trout season and the Humboldt State College anglers spread far and wide in search of the finny quarry.

The only open waters in Humboldt and Del Norte counties are the lagoons and Lake Earl and Talawa. Hal Brusher and Clyde MacQuoid are doing a creel census project on Big Lagoon and they reported about 20 anglers on opening day and about 160 on Sunday. About 40-50 steelhead were caught Saturday, in the neck of the lagoon near its mouth, along the 20 or so nice cutthroat 12-16 inches long from the bridge area. All the adult steelhead taken had already spawned.

Many HSC anglers traveled to Trinity county where all waters are open except any part of the Mad or Eel River drainages.

Jim Adams and Jack Legate tried New River first with no success then moved to the Klamath River where they enticed several fish to rise to their flies.

Nick Zupo and his party went to the Salmon River near Somes Bar and did quite well there on native rainbows and six steelhead.

The lagoons are in good shape and fishing should be good this weekend also. The rivers in Trinity county never looked better and should be hot this weekend - provided it doesn't rain and spoil it all.

This week has had some good clamming tides and tomorrow and Sunday will also be good. The tides are -.08 and -.05 respectively. The time for the tides is about 9:20 and 10:12 a. m. Its time to get out that clam shovel and go up to Clam Beach for razor clams or to Humboldt Bay for horse neck clams. The limit is 20 razor clams and 25 horse necks (gapers) in Humboldt Bay, elsewhere only 10 gapers.

## INTRAMURALS REACH FINAL PHASE; THREE SPRING SPORTS END YEAR

Intramurals have now reached their final phase and the season will wind up with baseball and horseshoes and tennis. Baseball has now started and in the games played to date there has been some interesting developments.

On Tuesday April 23 Alpha House and Redwood Hall opened the baseball season with a 12-12 tie. The game was finally called because of darkness. The highlight of the game came in the fifth inning when Ed Hansen hit a grand slam home run. This was part of a 7 run rally in the last inning which enabled Nelson to tie the game.

Wednesday night the Faculty forfeited to Block H in the first game. Alpha House gained an 8-2 victory in the second game behind the two hit pitching effort of Jim Ennis. Dean McCollum pitched for the Ramblers.

Thursday April 25 Nelson Hall displayed a strong hitting barrage and snowed CU under 16-1. Larry Clark pitched for Nelson Hall and Ed Hansen caught.

Thursday also found the forces of the IQ's gathering behind the arm of Pete Cengia as they conspired to defeat the men of Redwood Hall 4-2. Bob Gray pitched

for Redwood Hall and Dick Turner caught.

In Friday night's action the Faculty forfeited to Alpha house in the first game. The IK's forfeited the second game to Block H.

Intramural tennis will start May 1. There will be three brackets and the winners of each bracket will play off for the championship. Participants are to furnish their own balls and rackets.

The official scorekeeper is Nick Zupo. Bracket scorekeepers are Warren Smith, bracket one; Dick Trone, bracket two; and Tony Vasquez bracket three. All scores will be kept on file in the intramural office.

Intramural horseshoes will commence May 6. The horseshoe pits are located at the northeast end of the baseball field. Equipment will be checked out from Mr. Davis downstairs in the bays locker room.

Winners will be determined by winning the best out of three 21 point games. The championships will also be the best of three contests.

Bracket scorekeepers are Larry Amos bracket one, Warren Baker bracket two and Arman Baradat bracket three. Nick Zupo will be the official scorekeeper.

## NETTERS TAKE TWO MATCHES, DROP ONE IN FWC TOURNEY

The HSC net team pulled through with two victories in three contests last weekend in Chico as they scored victories over Cal Aggie and Chico. Nevada gave them their only set back.

The two day tennis tourney featured a close match between Nevada and HSC Friday. The match finally ended 4-3 in favor of Chico. The Lumberjack netmen went from there to two straight victories over Chico and Cal Aggie. The scores for the last two matches were an identical 6-1 in favor of HSC.

Today and tomorrow the HSC will be in San Francisco battling with the number one and number two ranked teams in the conference who are San Francisco State and Sacramento State respectfully.

## TRACKSTERS FINISH SECOND TO OREGON TECH IN THREE-WAY MEETING

A mere four points separated Humboldt State and the Oregon Tech Owls, as HSC finished a close second in another triangular meet.

Tech racked up 65½ points to Humboldt's 61½, while the other team in the meet, the Southern Oregon Red Raiders got only 34.

The regular winners in the THS team followed their winning ways, co-captains Earl Barnum and Paul Williams and Larry Amos turned in individual wins and the Jacks took the mile relay in the time of 3:37.4.

Manuel Vasquez, freshman speedster, who had been undefeated in the 100 and 220 came in second to a 9.8 hundred. Manuel garnered one second and two thirds in the meet.

Tony Vasquez and Don Robin-

son, two new additions to the HSC high hurdling ranks pulled through with second and third places respectively in this event.

Rego Piva, a consistent winner in the pole vault took a second place in his specialty.

Earl Barnum won the broad-jump with a leap of 22' 2". Larry Amos sped around the oval in 2:05.1 to win the 880 yard run. Paul Williams, Harmon Bonnicksen and Ray finished one, two three in the 440 for Humboldt.

# Campus Spotlight

BY JEWELL

It won't be long now and that joyous occasion will again be upon us — finals! Ah, how we look forward to that week of pleasure.

After finals, of course, comes the end of another school year, and for some, graduation. For the female graduate, an appropriate gift would be a necklace of very fashionable Freshwater pearls from Daly's of Eureka. They come in one to six strands, and are adjustable and graduated. They are perfect for evening as well as day wear. \$1 to \$5.95 with earrings to match at \$1 and \$1.95.

Last Friday, old HSC was literally over run with high school and junior high school students. Representatives from most Humboldt and Del Norte high schools and Eureka Junior High School participated in the annual Music Festival. From this reporter's observations, most of them congregated in the Coop!

## SPRING HAS SPRUNG

You know what they say about Spring and young men's fancies, etc. Well, it certainly must be true with all the engagements and marriages lately. Recently CAROL ANN HAMILTON, sophomore secretarial training major, became the bride of MATT KELLER, junior majoring in game management. The couple spent a week's honeymoon in La Paz, Mexico.

I hope many of you took advantage of that wonderful sunshine last weekend. And now that Spring is really here and summer is on its way, it's time to shed that winter garb for something a little more summery. Get in the swing, and try something really the most — a calypso set from Daly's. This "Trinidadian" outfit is a white sheen gabardine pedal pusher with a red cotton handkerchief print blouse. Only \$5.95. Sizes 10 to 16.

Also for nicer weather Daly's is offering a saucy little skirt and Blouse Set. Styled by Miss Pat of California, the blouse has a scoop neck with color-bright rick-rack trim . . . in prints and solid colors, your choice of violet, blue, red, maize and black. Sizes 10 to 16. \$10.95 to \$12.95 a set.

Congratulations are in order to CECILIA HUMPHREY, freshman biological sciences major. She became engaged to Bob Edwards of Eureka on Easter Sunday. The bunny sure knew what to bring this time, eh?

## AND WE QUOTE . . .

Well, as Paul Ward says, "gotta hit ya again." With Mother's Day and graduation right around the corner, here's another gift hint. Daly's Accessory Lane has a wonderful selection of Princess Gardner Continental French purses — the latest. They have such features as a pick-a-bill slot, all turned edges, photo card case, card pocket, nail head trim and a roomy leather lined seamless coin pocket. They're available in all the pastel colors and red and white. \$5 plus tax.

Ah, life's little miracles — due date extensions on term papers. Certain English 1B and philosophy students know what that means.

Well, gotta run, and remember — procrastination doesn't pay!

Jewell

## May I Say Something?

Dear Editor,

Words can not say how much I enjoy reading our college weekly, the Lumberjack. You are to be commended on doing a fine job.

It seems to me that there could be a section in the Lumberjack that depicts the lives of two different HSC students each week. Each week the section would tell about a man and a woman student.

Some people may say that this would be cliquish. But I say that this would create a friendlier college. Each week we would read about two different students. After reading about the students, we would know who they were and what they look like (perhaps that cute gal sitting next to you in class is one of our foremost coeds, and you didn't know it). We would know them and could say "Hi, Jane or Sue," instead of just "Hi."

Others may say that this would not be fair; only the cream of the crop would be selected to be in the section. Unfairness can be eliminated by featuring a well-known woman and a not-so-well-known male student one week, and then vice versa next week.

I hope that you and all the other students of HSC will give my proposal much consideration and serious thought.

We all want a friendly college

## Annual Hay Hop Set For May 11

The second annual Hay Hop is scheduled for Saturday, May 11, in the HSC gymnasium with dancing from 9 p. m. until 1 a. m.

The dance, sponsored by Nelson Hall women and Redwood Hall men, is the informal dance of the HSC social season.

A barnyard setting will prevail for the stag-or-drag, come-as-you-are affair with danceable music provided by the Dutones.

Admission is 75 cents with ASB activities card or \$1 without. Refreshments will be available.

## Toyon To Appear

Toyon's first issue of the year will appear in May.

Deadline for manuscripts is Wednesday, May 15. Short stories, poetry, novel chapters are all being solicited. They should be submitted to Dr. Ralph Samuelson, Hut 4-3.

Toyon will go on sale at 25 cents a copy.

— well, here's our chance to help make it friendly.

Thanks a million.

— A Lumberjack Reader

Your suggestion bears considerable merit. This past year we have done a few personality sketches of students, but not as a regular feature. May we have more comments on this reader's suggestion — Ed.

## CIPA News

Legislation designed to give California's state colleges their own administrative board of governors is dead.

The assembly education committee decided April 22 to leave responsibility for state college policy with the board of education despite the protests of the bill's proponents who said the board was not giving sufficient time to state college problems.

On a unanimous voice vote, the proposal, authored by Assemblyman Bruce F. Allen (R-San Jose), was sent to an interim committee. The bill will not be considered again for at least two years.

Dr. J. Burton Vasche, the state college representative for the state department of education, led the opposition to the bill.

## Play To Be Read Here Monday

An original student-written three-act play, "Reservation on the Rocks" will be read by Humboldt State College drama students at 8:15 p. m., Monday, May 6 in the College Elementary School auditorium.

The play was written by Tom Turner, a member of Dr. John Pauley's spring playwriting class, and will be directed by drama student, Naomi Cottrell. Making up the cast are Robert Maupin, Robert Stankus, Joline Bettendorf, Gunvor Robbert, John Swiarta, John Smith, Frank Bettendorf, Ailene Fredin and Mary Ellen Turner.

According to director Cottrell, "coffee, cookies and criticism" will be served in the college Coop following the play.
