Leadership Conference Set Here On Monday

Stanford Student Body Prexy Selected As Keynote Speaker

The second annual Humboldt-Del Norte Leadership conference will be held on the Humboldt State College campus Monday, Nov. 11.

Jim Messenger, Stanford student body president will start the day's festivities with his keynote address in the auditorium in the morning. Jim is also PSPA president. PSPA includes 14 western states, Hawaii and Mexico.

Jim Kidder, University of California student body president, was the keynote speaker at last year's leadership conference.

Eight schools will be represented in the conference. These are Arcata, Eureka, Fortuna, St. Bernard's, Ferndale, Hoopa, Del Norte and South Fork. Twenty-five students are expected from each school.

Joyce Hedberg is in charge of registration at 9:30 in the morning in the main hall. Tony Vasquez is in charge of all publicity.

Dale Callihan, ASB president, will give his welcome speech at 10:15 and introduce the ASB officers. Jim Messenger will take over at this point and give his keynote address.

The students will then split into four main discussion groups. Dale Callihan will lead the group entitled, "General Problems of Presiding Officers."

Larry Westlake, Joe Chappelle, Sandi Wahlund and Warren Baker will conduct the group entitled, "Student Participation in Activities." This group will meet in the CES auditorium.

SECRETARIAL PROBLEMS

Diane Johnson will lead a group entitled, "Problems of the Secretary." This group will congregate in the Green and Gold Room.

The last of the groups to meet in the morning will be Roberta Johnson's, "Functions of the Student Council." This group will meet in hut three.

The same groups shall meet again in the afternoon with the exception of the group, "Problems of the Secretary" led by Diane Johnson. This group will be replaced by Jim Ely's "Financial Operations."

GENERAL MEETING

A general meeting shall be (Continued on Page 8)

Yearbook Proofs Must Be Returned

A few students still have not returned portrait proofs of individual pictures for the 1957 Sempervirens and should do so immediately. It was announced this week by Hugh Monda, yearbook editor.

Proofs that are still being held by students should be returned in person or by mail to Swamlund's Studio, 527 F St., Eureka, with the preferred picture clearly marked on the back.

If proofs are not returned the Sempervirens cannot guarantee that the picture will be used in the book. Monda warned.

Sadie Hawkins Annual Dance Set For Nov. 16

The seventh annual Sadie Hawkins Dance, sponsored by the HSC Block H, is scheduled to be held Nov. 16 at the Municipal Auditorium in Eureka, announced Franny Givens, faculty adviser for the affair.

This year an emphasis will be placed on the wearing of costumes by all persons attending the dance, Givens said. However, this isn't a requirement for those not wishing to wear one.

In order to encourage the costume wearing, there will be six trophies given to the outstanding costumes. Also a trophy will be presented to the girl who wins the Daisy Mae contest. These trophies are being sponsored by the Eureka Newspapers, Inc.

Each high school in the area will be represented by two girls in the Daisy Mae contest, with the winner to be chosen by applause. Those high schools include Eureka, Arcata, St. Bernard's, Fortuna, Del Norte, South Fork and Ferndale.

Claude Gribble and his orchestra will provide the music for the dance which will begin at 9 p.m. and continue until 1 a.m. Soft drinks will be served for refreshments.

Harman Bonnicksen is general chairman of the event.

Koen To Speak At Forum Tuesday

Ross Koen, assistant professor of political science, will be the featured speaker in this year's second Faculty Forum to be held in the Wildlife auditorium next Tuesday, Nov. 12, at 8 p.m.

Mr. Koen will speak on America's foreign policy and its far-reaching ramifications, a current topic of interest to every thinking citizen.

Mr. Koen joined the HSC faculty last year coming here from the University of Florida. He received his Master's degree from the University of Michigan and is currently working on his Ph.D. from the University of Florida.

The HSC Faculty Forum is a public service lecture series designed to give students and townspeople an insight into various phases of important current trends.

These lectures are free and anyone interested is invited to attend.

'Rivals' To Be Presented Here In December

"The Rivals," a rollicking, fast moving comedy by Richard Sheridan will be presented on the HSC stage on the weekends of Dec. 4, 5 and 6, and 13 and 14.

Directing "The Rivals" will be Dr. W. L. Turner, assistant professor of drama, new to Humboldt this year, after spending the summer at the Ashland Shakespearean Festival in Oregon.

Sir Henry Irving, in commenting on the play's author, said, "Sheridan brought the comedy of manners to the highest perfection," as is seen in the character of Mrs. Malaprop, one of the stage's most colorful personages.

Graduate English major Patricia Hammond, from Arcata, has been cast as this well-meaning but ill-advised woman. Herbert B. McLellan, who recently wrote and directed "The Barbaric Scalpel" at Humboldt State College, will be seen as the bombastic Sir Anthony Absolute, and Wallace Sinclair, senior Drama major, will be seen as his son, Captain Jack Absolute. Jerry Flora will portray Faulkland; Bill Livingston, Bob Acres; Earl H. Lewis, Sir Lucius O'Trigger; Sandy Wilbur, Fag; Louis Francisco, David; David Moxon, Thomas; Margaret Douglas, Lydia Languish; Jean Huckfeldt, Julia; Claudine West, Lucy; and Judith Pospychala, Servant; Truman Worlick, Servant.

Season tickets may now be obtained. (Continued on Page 8)

Season tickets may now be obtained. (Continued on Page 8)

SECOND HIGH SCHOOL VISITATION DAY WILL BE HELD ON CAMPUS DEC. 5

Second in a series of visitation days by junior and senior high schools will be held on campus Thursday, Dec. 5, for students interested in elementary education and psychology.

The first in the series, natural sciences visitation day, was held last month. The visitation days replace senior day, a general orientation day for high school seniors.

Students will begin arriving at 10:15 a.m. and will be greeted by an adviser and a CSTA member, who will give out programs and identification buttons.

HSC students majoring in psychology will give various psychology demonstrations in the Green and Gold room, and tours of the campus are being arranged for the visitors.

At an assembly in the auditorium at 11 a.m. Dr. C. H. Siemens, college president, and Dr. Donald Strahan, division chairman, will address students. Albert Blood, placement director, will explain college policies on scholarships and part time jobs. Other speakers will be Dr. Lawrence Marx, associate professor of psychology, and Mrs. Eleanor Kellenberger, assistant professor of education.

Students interested in a psychology major will form one dis-

DAD'S DAY COMMITTEE SELECTS ALBERT NICKOLS

Albert A. Nickols, Humboldt County Sheriff since 1955, has been selected "Father of the Year" by the Dad's Day committee. Sheriff Nickols will be honored at the Dad's Day dinner in the Nelson Hall cafeteria at 6 p.m. tomorrow and will be introduced during half-time activities at the University of Nevada-HSC football game.

SHERIFF NICKOLS

Sheriff Nickols has been a resident of Humboldt county since 1915. He was Sergeant with the California Highway Patrol for 24 years, and is former president of the State Employees Association. He is a member of the Lions and Elks clubs.

Sheriff Nickols is the father of William Nickols, a freshman industrial arts major at HSC. His wife is the former Aileen Myers of Portland.

Dad's Day will begin with registration in the administration building foyer from 4-6 p.m.

CAMPUS TOUR

The Intercollegiate Knights and Circle K's will give the fathers a tour of the campus beginning at 4 p.m. The fathers will see proposed building sites, academic divisions and see aspects of campus life. HSC's recent

building additions, the Art-Home Economics, Music, Gymnasium and Wildlife yard will be open and staff members will be on hand to explain their facilities.

After inspection of the campus the Dads will be guests at the Coop for free coffee. Department heads will be in the Coop to talk with the fathers and students. Tentatively scheduled to be at the Coop are William F. Jackson, Division of Business; Dr. Donald F. Strahan, Division of Education and Psychology; Leland Barlow, Division of Fine and Applied Arts; Dr. Joseph M. Forbes, Division of Health and Physical Education; Dr. Charles Yocom, Division of Natural Resources; Dr. Roscoe Peithman, Division of Natural Sciences and Dr. Stanley Spaid, Division of Social Sciences. Buffet dinner will be at the Women's gymnasium at 6 p.m. Speakers at the dinner will include Cornelius H. Siemens, president of Humboldt State college; Dr. Don Karshner, Dr. E. Nedd Girard and Dale Callihan, president of the Student Body. Jesse Washington will be soloist with a short program of songs. The Lumberjacks will meet the University of Nevada team at 8 p.m. in Redwood Bowl. A special rooting section will be at the left of the bandstand and printed copies of HSC yells and songs will be furnished for the dads who wish to participate. The stunt band will perform at half time, and "Father of the Year" will be introduced by Richard Sorenson, general chairman of Dad's Day.

Meeting - Class Conflicts

Have you had trouble planning a meeting time for your group because of class conflicts? This has been a problem for some time. Along with the growth of our school have come other problems and this is one.

Several years ago HSC had an activity or assembly period every Friday at 11 a.m. At this time assemblies were presented in the auditorium. The programs were varied and some of them quite good. There were no classes scheduled at 11 a.m. on Friday in those days.

The school began to grow and the number of classes offered expanded tremendously. Slowly but surely the activity hour was infringed upon until it no longer existed. Classes were scheduled on a whole-sale basis during the activity hour.

After this the problem arose of not having a special time for assemblies. Therefore assembly became a non-existent thing.

Last year the Industrial Arts Club and Block H were holding their meetings at 7 a.m. in the morning. This was for want of a special activity hour. Many other clubs have had this similar conflict.

Last week ICS sent their yearly recommendation to the Student Council that they recommend to the administration that a special activity hour be reserved for clubs.

This was no new item for the Student Council because the Council who had met at 4 p.m. Thursday afternoon for some years had to change their meeting time to 5 p.m. Wednesday evening because of class conflicts. This is a very inconvenient time.

And so the recommendation was sent to the administration that Monday, Wednesday and Friday afternoons from 12 noon to 1 p.m. should be reserved as an activity period this coming semester, the Friday probably being set aside for assemblies.

Whether anything can, or will, be done about this situation remains to be seen. At any rate, this reporter is pulling for it. How about you? — Tony Vasquez

New Paintings By Student Artists Will Soon Be Adorning HSC Campus

New paintings by student artists will soon be adorning the campus.

Their works are being placed in the 16 large frames in various administrative offices, the Library, Nelson Hall, the Health Unit and other strategic points on campus. There they will remain for the next few months.

Melvin Schuler, associate professor of art, three years originated a program of hanging student and faculty works in response to requests from various administrators for such paintings and drawings.

The maintenance department constructed hardwood frames approximately 30 by 36 inches and with suitable glass. The program of replacing the pictures with newer works lapsed for a time and is now being undertaken by Glenn Berry, instructor in art.

Works are selected by the art faculty with the approval of the

administrator in whose office or surroundings the picture will be exhibited.

The project, Mr. Schuler explained, seeks to give the opportunity to students to have works on display and also to provide suitable paintings and drawings for offices that desire them.

Contributing to the project are classes in watercolor painting, oil painting and drawing.

The "painting of the week" exhibit downstairs in the Student Coop also has been revived this week by Tom Knight, instructor in art.

Different watercolor paintings done in the art 27 class are exhibited there each week.

LITTLE MAN ON CAMPUS

SPORTSCASTER: "IN SPITE OF INJURIES, FOLKS, OLE STATE FIGHTS BRAVELY ON WITH POLANSKY GOING IN FOR HEAVEN—"

Minutes of the Student Council

Oct. 30, 1957

The meeting was called to order by vice president Roberta Johnson. Those present were Joe Chappelle, Jon Mitts, Jim Ely, Don Peterson, Pat Duffy, Larry Westlake, Dr. Karshner, Dale Callihan, Sandi Wahlund, Tony Vasquez, Warren Baker, Joyce Hedberg and Diane Johnson.

COMMITTEE REPORTS

Leadership Conference—Rooms were assigned to the discussion groups. Committee chairmen and discussion group chairmen reported on their progress.

Game Prices — Jon Mitts reported that after negotiating with the Eureka High School Student Council, the following was resolved: (1) The rate of admission to all the remaining athletic events of the Eureka High School will be 50 cents with activity cards to Humboldt State College students; (2) Regular general admission charges will be charged those without student body activity cards; (3) This agreement will be subject to revision each year.

Fly Committee — Don Peterson suggested that the following improvements be made to remedy the fly problem in the Coop: (1) better ventilation, (2) keep the doors closed as much as possible and put screens on the doors, (3) put screens on windows and only those windows may be opened for ventilation and (4) cover the food. It was moved, seconded and passed to designate Howard Goodwin to take care of the preceding recommendations.

NEW BUSINESS

Sno Ball — It was moved, seconded and passed to accept Janice Gulliver and Rolph Hellberg as co-chairmen for the Sno Ball.

Activity Hour — ICS sent a recommendation to the Student Council stating that they want the hour from 12 to 1 p.m. free from scheduled classes throughout the week which would provide for an activity period. It was moved, seconded and passed to endorse this recommendation and send it on to President Siemens. It was also moved, seconded and passed to send a letter to President Siemens asking that the auditorium be free on Monday, Wednesday and Friday from 12 to 1 p.m. for activities.

Jazz Concert — The Humboldt Jazz Society in cooperation with the Intercollegiate Knights are contemplating bringing a jazz

group up on Dec. 16. They want to know if the ASB is planning to sponsor a jazz concert in the remainder of 1957. It was moved, seconded and passed to empower Dale Callihan to make a decision as to whether to take Van Tonkin's group or to turn the Fall Jazz Concert over to the Knights and the Humboldt Jazz Society. The Spring Jazz Concert will be sponsored by the Student Council.

ASB Piano — It was moved, seconded and passed to loan the ASB's piano which is stored in Hut 6 to Delta Sigma Phi until such time as the ASB has a place and a use for it with the condition that it be returned in as good condition as it is now.

Lumberjack Axe — It was moved, seconded and passed to put the Lumberjack axe in the (Continued on Page 3)

Dedication Fame Still Echoing

The far-reaching fame of Humboldt's recent dedication ceremonies for five campus buildings is still echoing up and down the state, as evidenced by an increasing volume of congratulatory letters still pouring into the President's office daily.

To date nearly 300 communications have been received, ranging from official documents bearing impressive gold seals, to simple hand-written expressions of good will. Well-wishers include some 35 colleges and universities, 25 state offices, 30 county and regional offices, plus regional newspapers, industries, and individuals.

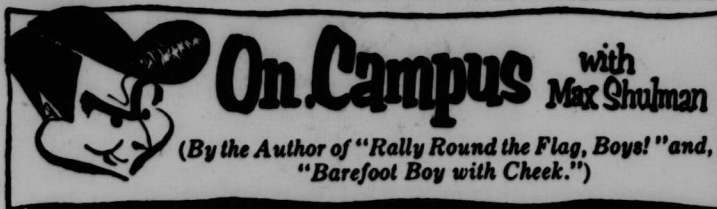

Also included were good wishes

from high schools and junior colleges from 30 California counties.

Little Symphony Concert Nov. 21

Humboldt Little Symphony will present their first concert of this year the evening of Nov. 21 at the St. Bernard Elementary School auditorium, 222 Dollison St., Eureka.

Charles Fulkerson, associate professor of music, will be the director. Works to be presented are by Dvorak, Grieg, Bach and Strang.

THE PARTY WEEK END: ITS CAUSE AND CURE

With the season of party weekends almost upon us, my mail of late has been flooded with queries from young inmates of women's colleges wishing to know how one conducts one's self when one has invited a young gentleman for a weekend. This morning, for example, there were more than 30,000 letters, each containing a lock of hair. I gave the hair to a bombsight maker and the lanolin to a dry sheep of my acquaintance, and I turned instantly to the question: How should a young lady deport herself when she has asked a young gentleman to be her guest at a party weekend?

Well, my dear girls, the first thing to remember is that your young gentleman is far from home and frightened. Put him at his ease. You might, for instance, surprise him by having his mother sitting in a rocker on the station platform when he gets off the train.

Next, what kind of corsage should you send your young gentleman? Well, my beloved maidens, orchids are always acceptable.

If you find, my esteemed fillies, that your local florist has run out of stock, do not be dismayed. Make a corsage out of paper. But pick good, stiff, durable paper—twenty dollar bills, for example.

Remember at all times, my fond wenches, to show your young gentleman courtesy and consideration. Open doors for him, walk on the traffic side of the path, assist him to the punch bowl, zip his parka, light his Marlboros. (What, you ask, if he doesn't smoke Marlboros? Ridiculous, my precious nymphs! Of course, he smokes Marlboros! Don't you? Don't I? Doesn't everybody who knows a hawk from a handsaw?? What other cigarette gives you such a lot to like? Such filter? Such flavor? Such flip-top box? No other, my sweet minxes, no other. Marlboro stands alone, and any man worthy of you, my estimable damsels, is bound to be a Marlboro man.)

If you will follow the simple instructions stated above, my good lasses, you will find that you have turned your young gentleman into a fast and fervent admirer. There is nothing quite like a party weekend to promote romance.

Serafina sat anxiously by the mailbox...

I am in mind of a party weekend some years ago at Miss Pomfritt's Seminary for Genteel Chicks in West Linotype, Ohio. Serafina Sigafos, a sophomore at this institution, majoring in napkin folding, sent an invitation to a young man named Fafnir Valve, a junior at the Joyce Kilmer School of Forestry, majoring in sap and holes.

Anyhow, Serafina sent an invitation to Fafnir, and he came, and she showered him with kindness and cuff links, and then he went away, and Serafina sat anxiously by the mailbox, wondering whether she would ever hear from him again. Sure enough, two weeks later she got a letter: "Dear Serafina, Can you let me have fifty bucks? Yours, Fafnir."

Whimpering with ecstasy, she ran to the bank and withdrew the money and mailed it to him. From then on, she got the same request every week, and as a result, she became very well acquainted with Ralph T. Involute, teller of the West Linotype Bank and Trust Co., and their friendship ripened into love, and today they are happily married and live in Stamen, Oregon, where Ralph is in the extruded molasses game and Serafina is a hydrant.

Every weekend is a party weekend when you smoke Marlboros, whose makers bring you this column throughout the school year.

DICK'S DUNGEON

By Dick Wassmouth

When I had finished my bowl of corn flakes and sauerkraut (this cafeteria serves the strangest desserts) I made my way over to the Coop to check with the boss for a story.

"Awright Steve, Wilson," (someday I'm going to take away his TV set) "there's a story going around that they're giving away free pictures of Gina Lollobrigida with every polio shot at the health cottage. Check it. Haaarrrrruuuuup Hoorraar HO" (I wish he would stop watching Sgt. Bilko, he gets so carried away).

The waiting room of the health cottage wasn't very crowded and after just a few minutes a young girl popped out of one of the doors, popped a thermometer in my mouth and asked me what was wrong with me.

"Ahnsikdyenoasha," I gargled (Translated — I'm not even sick.)

She blushed, muttered something about saying that to all the girls, and disappeared.

I was sitting there wondering what Freud would do in this case when a zoology major shuffled through the door and stood in the middle of the room. The only way I could tell he was a zo major was that if I closed my eyes and sniffed, I could swear he was a pickled shark.

Quick as a wink little Florence Nightingale, Jr. was upon him with her knapsack full of thermometers and her official Red Cross handbook. It seemed as though this poor soul had been bitten by a rat in the . . . ah, in the . . . laboratory. That's why he stood up.

INNER SANCTUM

We were both called into the inner sanctum and placed in separate booths. From this new vantage point I could see "Young Dr. Malone" in his office, adding another notch to his hypodermic needle. This was too much. I motioned the nurse over and took the thermometer out of my mouth.

"Look," I said, "All I want is a st . . . argumilnpghtf." (she sure was fast with those thermometers)

"Just sit tight," she consoled, "and keep that under your tongue."

The fellow with the rat-bite was next in line and she took him over to the sink to wash his hands.

He protested, "But the rat bit me on the . . ."

"WASH YOUR HANDS!"

He must have lost his temper because he really started working up a lather (with the soap, that is). After about five minutes I could hear the doctor in the other room. "Turn off the bubble machine-aahh. Wunnerful-aahh."

After the rat victim got his shots for tetanus, typhoid, cholera, scarlet fever, polio and seven other undiscovered diseases, the nurse shooed him out the back door and turned to me with a strange look in her eye.

"Now wait a minute," I quiver-

Home Economics Marriage Class To Be Offered

Next semester the Home Economics Department will offer a course entitled "Home Economics for Marriage."

This is a survey course open to both men and women, and it is a non-major course with no prerequisites. In offering this course, the department is trying to help solve some problems which present themselves to most all men and women.

Often college students neglect to learn about home management because they are occupied with their major field of interest, and inevitably they are not equipped with this knowledge when they marry. It is recognized that home-making is a full time job when it includes caring for a family, planning meals, balancing the budget and buying supplies. Training can make this job much easier.

The course skims the fields of nutrition, meal-planning, home management, and consumer buying and makes use of the very latest information from the fields of research, and from laboratories set up to experiment with nutrition, textiles and equipment. In a short time the class attempts to learn good sound principles of homemaking and where to go for help and information.

ed, "All I came for was a st . . ."
"Roll up your sleeve!"

NOT ME, OH, NO . . .

Not being one to stand in the way of medical advancements, I ran — head-on into the doctor who was just coming out of his office where he had been dulling the points of all the needles.

I caught him by surprise with, "Have you had your second polio shot yet?"

"Why no — I — " That did it; the nurse turned on him with her hypo poised, and I grabbed the stack of Gina's pictures and ran.

"But nurse — I'm the doctor — I don't need shots — I'm immune to polio — I don't get sick — I'm allergic to vaccine — and besides, THEY HURT."

The last thing I heard as I left was a blood-curdling scream and a triumphant laugh.

I turned the story into the boss that they are not giving away pictures of Gino Lollabrigida at the health cottage. I'm selling them for one term paper each.

Minutes Of The Student Council

(Continued from page 2)

care of Comus Club to take to Chico. It was moved and seconded to exhibit the axe, with protection, in the main hall on Friday. A roll call vote was called for. Those voting yes were Tony Vasquez, Larry Westlake, Don Peterson, Joe Chappelle and Warren Baker and those voting no were Dale Callihan, Joyce Hedberg, Sandi Wahlund, Pat Duffy, Jim Ely, Jon Mitts and Diane Johnson. The vote being seven to five against it, the motion was defeated.

Parliamentary Procedure Tests — It was moved and seconded to table the discussion about a test on parliamentary procedure for all applicants for student council and class officers and have the secretary write to San Diego State and ask about their test. It was moved, seconded and passed to amend this motion to delete sending a letter to San Diego. It was then moved, seconded and passed to accept the motion amended.

COMMISSIONERS' REPORT

Activities — ICS is working on the problem of decorating the tree for Christmas. Dr. Karshner will be present at their next meeting to explain the functions of all the officers within the Dean of Students' Office.

Awards — Kelly's Jewelers will give a special rate on engraving the trophies. Warren is now working on getting the names to be engraved on the trophies.

PRESIDENT'S REPORT

It was moved, seconded and passed to accept Fred Johnson as a member of the Board of Finance.

DEAN OF STUDENTS' REPORT
Dr. Karshner suggested that the membership card not be referred to as a compulsory card but as a universal card.

Roberta Johnson,
ASB Vice President

DISC JOCKEY QUEST BEGINS

A disc jockey quest will be kicked off Monday when the first in a series of popular music programs will be presented by KHSC on radio station K-RED.

The program, which will be from 8 to 9 p. m., Monday through Friday, will be manned by disc jockeys from KHSC. It will be open to any Humboldt State student who would like to try his hand at spinning platters. A substantial award will be given to the DJ who turns out the top performance.

The series will end Dec. 19.

CU Is Compiling Student Directory

Conservation Unlimited this week started compilation of the 1957-58 student directory.

Members said they are working toward an issue date in late November.

The pocket-sized book will be of slightly different format this year — longer and slimmer. It will be mimeographed. Information contained in the volume will be about the same as that listed last year, including the name, local address and local telephone number, permanent address, year and major of all students.

C.U. will sell the book on campus.

The first student directory was published two years ago as a project of the Desk Force, organization of secretaries on campus.

Health Building Sketch Received

The first preliminary sketch of the new Health Building has been received in the office of Dr. Lawrence Turner, executive dean.

The blueprint sketch was the first of the five new buildings which are to be built before next fall. The sketch was drawn up by architect Edward Fralich in San Francisco.

The building will be started in the spring and will be located on the corner of Plaza and Sequoia Streets, across from Nelson Hall.

The one-story structure will feature private offices for three doctors with two examination rooms for each. There will also be a room with complete X-ray facilities and another which will be fully equipped with physical therapy facilities.

Dr. Turner stated that the large multi-purpose room will be unique in the building. It can be used for nurse's education classes, for mass physicals or even as a ward in case of emergencies.

Dr. Turner said, "The building looks as if it will be adequate to meet our needs except for the infirmary. This has been taken into account, however, and there is room to add an infirmary onto the building."

Laurald Stebbins Exhibiting Here

A one-man show of water colors by Laurald Stebbins is being exhibited in the audio-visual room of the library. The exhibit, which began last week, will run through Nov. 15.

Mr. Stebbins received his A. B. and M. A. degrees at HSC and is presently teaching at the Alice Birney school in Eureka.

The paintings were done by Mr. Stebbins this past summer.

to help support a scholarship fund. Last year two students, Tom and Tonya Rocha, submitted the successful bid to the student council and produced the volume.

Dr. Charles Yocom, chairman of the division of natural resources and Stephen Speur, professor of forestry at the University of Minnesota, stand beside the redwood memorial erected to the memory of Dr. Vernon L. Hunt. Dr. Hunt, who lost his life in a fishing accident in October of 1954, was an enthusiastic supporter of the wildlife and fisheries program of Humboldt State. The memorial is located in the main stairwell of the Wildlife Building.

CES To Observe Nat'l. Book Week

National Book Week Nov. 18 through 22 will be observed at the College Elementary School through displays, an assembly and a tea for parents.

The assembly program will feature children in grades one through four in the CES auditorium at 1:30 p.m. Thursday, Nov. 21. The tea is scheduled in the curriculum laboratory at CES immediately after the assembly.

Displays of new books for children have been arranged for the CES library and will be on exhibit there all week, said Miss Lora Palovic, CES librarian.

Dr. Ralph Roske, assistant professor of history, recently spoke to the Crescent City and Arcata Rotary clubs at Crescent City.

Mustangs Lose Again, 39-0

Santa Barbara College romped to a 39-0 triumph over the Cal Aggie Mustangs in an inter-sectional gridiron meeting last Saturday.

The game was played as a preliminary to the UCLA-California contest at Los Angeles.

1st Music Forum Is Held Tuesday In Choral Hall

Don Moehnke, Bernice Shepler and Francis Neilsen conducted the first forum discussion in the "Music-At—" series, held at 1 p.m. Tuesday in the choral rehearsal hall.

Selected movements of the Bartok Concerto for Orchestra were played and discussed. Bartok is a contemporary composer who just recently died, and the work discussed Tuesday was written in 1943. His music reflects his background, for he was born and grew up in Hungary, and emigrated to the U.S. when the Nazis began to "take over" his native land.

The "Music-At—" series is designed to give music students on campus an opportunity to discuss and learn about different forms of music and composers, and also to give other students a chance to participate in informal music appreciation.

All students and faculty are invited to these programs.

"Music at 2 p.m." next Tuesday will be held in the rehearsal room of the new Music Building.

Barbara Soulingny will perform some Bach two-part inventions on the piano. Also included in the program will be Claudine West, a soprano. She will sing Handel's "Oh Sleep" and Bishop's "Love Has Eyes."

"Music at 2" consists of informal recitals given by HSC students with faculty fill-in from time to time, and is given at a different hour every Tuesday to enable as many performers and listeners as possible to attend without conflicting with other things. It presents weekly a well rounded program of talent.

Paul Johnson, faculty coordinator of the affair, extends an open invitation to anyone who wishes to present his or her musical talent before an audience, whatever your major may be.

The concert room can be entered at any time during the performance.

LITTLE MAN ON CAMPUS

"I'M SO GLAD YOU'RE THRILLED ABOUT FRATERNITY LIFE, SON - WHEN WILL YOUR 'PLEDGE TRAINING' END?!"

Fishermen May Find Catches Augmented Soon

Sports and commercial fishermen along Northern California's shoreline may find their future catch augmented if a study now underway by the HSC Fisheries department bears the result students hope for.

The study was begun early this year under a \$27,000 research grant from the Wildlife Federation Board and is being undertaken in the waters of Big Lagoon north of Trinidad Bay.

Directed by Dr. Ernest Salo, assistant professor of fisheries, and carried out by two graduate students, James Joseph, Los Angeles, and Stanley Elcock, San Francisco, the project is recording water samples from six representative sections of Big Lagoon, in an effort to discover what types of food, in particular interest to trout and salmon, are available in the lagoon, and to chart the movements of the fish in relation to food supply.

It is the first such study ever undertaken in a north coast lagoon.

Continuation of the study was assured last week, when Dr. Charles Yocom, chairman of the HSC Division of Natural Resources, announced that the Big Lagoon Project Advisory Board had renewed the grant for a second year.

Members of the advisory board met on the Humboldt campus in October to review the project so far and to approve its renewal. Board members attending the meeting were Leo Shapovalov, senior fisheries biologist, and Eldon Hughes, marine biologist, California Dept. of Fish and Game; Chester Woodhill, fisheries biologist, Region I; Gray Evans, logging manager, Hammond-California Redwood Co., Big Lagoon, and Dr. Yocom, Dr. Lawrence E. Turner, executive dean, and Dr. Homer P. Balabanis, dean of instruction, represented President Cornelius H. Siemens at the meeting.

If results of the study warrant

Class Election Attempts Fail

Recent attempts to elect class officers have drawn blank ballots for the sophomore and junior classes. According to class spokesmen the problem lies in the fact that not enough students show up for meetings and classes cannot seem to get together.

Mr. William W. Haverstock, library cataloger and sophomore adviser, stated John Johnson, freshman president last year, has made several attempts to round up the class for elections but to date the class has not held an election.

BUS MAKES CHICO TRIP

A rooter's bus embarked on the long trip to Chico for the Chico-HSC football game at 9 a. m. Saturday morning. There were 33 riders altogether. Eighteen of these were band members and 15 were rooters.

The bus left the coop at 9 a. m. Saturday and arrived at Chico at 4:15 in the afternoon. Sandy Bishop, a sophomore secretarial training major, had only this to say: "It was cold."

The rooters and band members remained in Chico for the aftergame dance. A dixie land group supplied the music.

The bus left Chico at 1:30 a. m. and arrived in Arcata at 8 a. m. The return trip was also reportedly very cold. The bus took the "Burma" route over Highway 299. No comments were received as to road conditions.

Westlake Resigns From ASB Post

Larry Westlake, ASB assembly commissioner, has resigned his post because of pressing family obligations. Larry, a sophomore pre-dental major, was elected last spring and has served since the beginning of this year.

Larry's resignation leaves a hole in the student council. Dale Callihan, ASB president, will recommend a student for this post in the near future.

it, the Board may consider turning Big Lagoon into a natural rearing pond for small steelhead and salmon.

The two graduate students are carrying on the research as part of the work toward their Master's degrees.

Christmas Seals To Be Distributed To Student Boxes

This year for the first time in several years, students at Humboldt State College will be included among the 30 million Americans who will be receiving Christmas Seals in their mail boxes.

The annual Christmas Seal sale begins in Humboldt county on November 15, when the seals will be mailed, together with a letter from the local TB and Health Assn., explaining some of the work being done with seal sale proceeds.

This year, in answer to a request initiated here on the campus, the Humboldt County Assn., is placing one sheet of seals in each HSC student box. You are asked to buy the seals - the whole sheet if you can, if not, even a few seals will help.

Here's what you'll be buying with your pennies:

1. A sock in the jaw for America's No. 7 killer. Contrary to popular opinion, TB is NOT liked! Although the death rate from TB has fallen, due to advanced medical treatments made possible by money received through seal sales, actually, the number of active cases has risen - again, thanks to a stepped-up campaign for detection that seal sales has made possible.

2. Another fuse toward burning your bridges behind the chance of harboring the killer in YOUR system. Do you know how fortunate you are to live in Humboldt County? This is one of the few areas in the entire U. S. where X-ray equipment is owned by the local Association and is available free at anytime during the year.

Thanks to seal sales YOU don't have to wait for few-and-far-between visits from a mobile unit. And this is just part of the free service available through your local Association.

All this is yours whether or not you buy even one seal - BUT - can you afford to take the chance?

An X-ray in time can save a life - is a life worth a sheet of seals - IF that life happens to be yours?

Deans To Attend Meeting In LA

Dr. Don Karshner, dean of students and Dr. Homer P. Balabanis, dean of instruction, will attend the meeting of the California State College Deans of Students and Deans of Instruction in Los Angeles Nov. 14-15.

Dr. Karshner and Dr. Balabanis will leave Nov. 13 by plane and return Nov. 16.

The purpose of the meeting will be discussion of common problems in the colleges in the respective areas. The meeting is called by the State Department of Education and representatives from the 10 state colleges will attend.

The representatives will first meet as a joint group for about an hour, discussing the problems of both deans of students and instruction and then break up into separate groups for study of various problems.

Dr. Donald Bailey, Dean of Students at Sacramento State and Dr. Steven Walker, Dean of Instruction at Sacramento will preside at the individual group meetings.

Campus Spotlight

BY JEWELL

Ye olde spotlights again falls. On what unsuspecting souls the beam will shine on, read, on.

What comes first, may be very evident to all those who frequent the Coop - and especially to those "unfortunate" souls whose misfortune happens to take them upstairs. To the "fortunate" ones who are not "in-the-know", this is the simple story. If you are in the Coop, you need never wonder if ROBERTA JOHNSIN is. You'll know - even if you are outside a 50-foot radius of the Coop. What is this "charm" that Roberta has? Well, if you want to call it charm let's call it her "permeating giggle" and let it go at that...

Some people - especially men people - say that woman is a changeable creature. One day her mood is this, the next day it's that. The poor man, so THEY say, doesn't know what to expect. Well, gals, if you want to solve this problem for the males, I have the perfect solution. Get a reversible skirt from Daly's. This skirt can be worn on both sides. One side is light and bright, the other is darker and more subtle. It's simple. Wear the side that corresponds to your present mood and give the men their cue.

These unique skirts are by Pendleton (100 per cent wool) and Century and Townsman (65 per cent orlon and 35 per cent wool, washable and drip dry). They come in colors to suit your mood also - lilac, pink, red, blacks, browns, blues and greys. \$14.95 to \$29.95, sizes 10 to 16.

Short shorts: MARY WEST has a new disease. It's an "itis" of some sort - ask her about it... KAREN GEORGESON is a badminton champ and plans to enter the Olympics... CECILIA HUMPHREY has a new money making system. Put a nickel in the Coop's candy machine and get 25 cents, three packs of gum and a candy bar...

All you fellas know that the Ivy League look in pants, with the belt in the back, is THE thing. But to be even more in style, the tan pinwale cord by LEVI is the utmost. These have the traditional Ivy League sign, the cinch-back. They also have leatherette trimmed pockets to protect them from all that money wear and tear! \$6.95! Size 29 waist through 36.

The last straw: a certain member of the desk force (who shall remain unnamed by personal choice) was diligently typing a letter and was almost finished. Just as she was ready to type the complimentary close the phone rang. She picked it up without hesitation and nonchalantly answered it with a heartfelt "Sincerely yours"...

Well, I've gotten myself into enough trouble for this time.

Jacks Host Wolfpack Tomorrow

Junior Jacks To Play OTI Owls This Weekend

After two weeks rest and a three win-two loss record to work on, the HSC JV's return to action Saturday against Oregon Technical Institute in Klamath Falls.

OTI played Southern Oregon varsity earlier this season and lost by only one touchdown to the team that plays the Jack varsity on Nov. 16.

Coach Hank Cooper is expecting some fairly rough going but says it will not be a pushover for the larger, more experienced Owls.

Probable starting lineup for the Junior Jacks will be as follows: Ziegenbein, Call and Gay, ends; Hall and Moore, guards; Jennings and O'Quinn, half-backs; Francin, center; and Reynolds at quarterback.

BOTH ELEVENS 'HUNGRY' FOR WIN, CLOSE GAME IS LIKELY

Forced to come up with a win or be doomed to a losing season, Humboldt's Lumberjacks host the not-to-be-under-rated University of Nevada Wolfpack in a FWC meeting tomorrow night in Redwood Bowl starting at 8 p. m. in the Dad's Day game.

The Jacks now have a season record of 1-5-0 and with four varsity games remaining, must win all the rest to break even this year. The four games are all at home. They are with Southern Oregon, Sacramento State, Lewis and Clark and the Wolfpack tomorrow. A fifth game with Hamilton AFB will probably be played by the Junior Jacks and varsity reserves.

The Nevada game looms as pretty much a toss up, and, with both teams desperately needing a win to save face in the league, it promises to be a good one.

Nevada has a tale to tell similar to that of Humboldt's this season -- good showings in most of the games but not quite enough to get the job done.

Big gun of the Wolfpack is senior quarterback Ken Fujii, who is rated among the top ten in small college passing. A great split T general, he is also a running threat.

Soph end Tom Whitaker, from Ukiah, is Fujii's favorite target and is rated the top receiver at Nevada in four years.

The running game is led by freshman speedster Don Marone and fullback Mike Lommori.

KEN FUJII

The Lumberjacks came out of the Chico game injury free, but tackle Bill Hicks, hurt three weeks ago, is still on the doubtful list.

Payoff plays, that is key downs that meant the difference between keeping the ball or having a drive stall, didn't click for Humboldt against Chico but will have to tomorrow night or HSC will be in trouble.

Coach Phil Sarboe indicated that Zeke Van Deventer will start at center, Gordon Moore and Roy Escarcega at guards, Dave Patterson and Jerry Bartlett at tackles, Dave Thomas and either Carl Carlson or Jim Colwell at ends, Warren Baker at quarterback, Marion Mayes and Earl Barnum at the halves and Chuck McAninch at fullback.

SOMETHING

By TOM FAY

Well, anyway, we know where the Lumberjack Axe is now -- CHICO. It was taken over by the HSC cheerleaders, and when they carried it over in front of the Humboldt stands they were mobbed by a group of Chico students. But they won it fair and square by a 28-7 score.

At one point in the game the Chico fans let out with a "We want the Axe" yell and Humboldt retaliated with a "You're gonna get the Axe". They did, too, although not in the manner Humboldt rooters hoped, and it may be only a temporary situation, knowing HSC and Chico students.

From reports of people who went over to the game it can be safely said that "a rowdy time was had by all."

The 49'ers' R. C. Owen doesn't have anything on Humboldt's Earl Barnum when it comes to catching passes. R. C. saved the game for the 49ers last weekend when he made a leaping catch in the end zone with around 11 seconds left. Barnum's didn't quite save the game for the Jacks, but it was a great catch as he went high in the air, took the ball away from a Chico defender, and stepped across the goal line.

From now on all Humboldt State games this season will be played on the home field. Tomorrow night the Jacks meet the University of Nevada in a battle for fourth place in the FWC standings. The U. of Nevada is 1-3 and HSC is 1-2 in league play. But the Wolfpack only lost by one point to Chico, and Sacramento State could only manage to squeak by them by a 7-0 score. So Humboldt will be in for a tough game any way you look at it. A win could increase Humboldt's prestige in league standings very much.

Rumor Department -- A Sacramento State man, who was scouting Humboldt at the Chico game, was heard to comment about the doubtfulness of the HSC's squad actually having the flu when the game with the Hornets was postponed. A loyal Humboldt State student (who wishes to remain unknown, but should actually be commended for his effort) rose up and defended his school's position with all the fervor of a Senator running for office. When it appeared that he was not going to convince the man via the oral method, he punched him in the nose and calmly walked out (or at least considered the more violent solution.)

WILDCATS DEFEAT HSC LUMBERJACKS

SPORTS

IQ'S CAPTURE INTRAMURAL FLAG FOOTBALL LOOP CROWN

The intramural race as of early this week found high-flying IQ's leading the pack with an eight won, one tied record. This in addition to the 132½ points which they picked up on participation and victories clinched the title for the IQ's.

The point system works as follows: 10 points are awarded for showing up on schedule with six men, 5 points are given for winning a game, 2½ points are given for a tie and finally a team receives a -15 for a forfeit.

| Team | W | L | T | Pts. |
|-------------|---|---|---|------|
| IQ's | 8 | 0 | 1 | 132½ |
| Redwood | 4 | 4 | 1 | 112½ |
| Nelson | 2 | 6 | 1 | 102½ |
| Fraternity | 6 | 1 | 1 | 102½ |
| Ramblers | 5 | 3 | 0 | 85 |
| CU | 2 | 6 | 1 | 62½ |
| Alpha House | 3 | 4 | 1 | 57½ |
| Village | 6 | 3 | 0 | 70 |
| Block H | 5 | 3 | 0 | 35 |
| Comus | 0 | 9 | 0 | -135 |

The placement of the teams is according to points. Nelson Hall, despite a poor 2-6-1 record, stands high on the list because of outstanding participation. This same rule applies to some of the other teams.

The champions in flag football, the IQ's were led to their outstanding season by such stalwart football players as Bob Hoehn, Larry Amos, Otis Scaggs, Mike McCrady, Ed Johnston, Hal Brusher, Floyd Robinson, Bob Fullwater and Jim Steiner.

Nick Zupo, the intramural scorekeeper said, "The IQ's had the best rounded team this season, they were strong at all positions," and it would appear that Nick was quite right.

In games Thursday afternoon Comus Club forfeited their ninth straight game. This time they gave the game to the Fraternity. The Ramblers prevailed over Redwood Hall 7-6 in a hard fought game. Alpha House fell before the powerful but unpredictable Block H 34-18. The final game found the IQ's winning over Nelson Hall 13-7 in the most exciting game of the year.

Monday Nov. 4 ended the sea-

son for many of the teams. Others still had rescheduled games to complete. In the first game the fast finishing Fraternity ran over the Ramblers 26-12. The IQ's fought off CU 25-19. Nelson Hall lost another one by one touchdown, this time it was to the Village 20-13. In the last game Alpha House squeaked by the once powerful Redwood Hall squad 7-6.

Final scores and standings will be given next week. It is also hoped that an all-star team will be selected by that time.

Chico Takes On Aggies At Davis

The Cal Aggie Mustangs will meet Chico State on the Mustang field Saturday at 8 p.m.

The Aggies are rated as three touchdown underdogs, the games could go to either team. But traditionally, this has been one of the Far Western Conference games that the experts have had trouble predicting.

Chico State and San Francisco State College lead the Conference with a three win and no loss record. The Aggies, lone victim of HSC, will be hunting for their first conference win of the season.

EHS Game Prices Are Reduced

For those interested in Eureka High School games, it should come as welcome news that they have agreed to allow HSC activity card holders into the Eureka High School games for 50 cents.

Jon Mitts negotiated the reduced rate with the Eureka High School student council. This agreement shall run for the remainder of this school year. It is subject to revision from year to year.

CHICO CAPTURES AXE WITH 28-7 VICTORY OVER HUMBOLDT TO KILL JACKS FWC TITLE CHANCES

The Chico State Wildcats won back the Lumberjack Axe Saturday night by trouncing the Jacks 28-7, and thereby gained a tie in the Far Western Conference standings.

Two Humboldt fumbles in the first half gave the 'Cats a pair of easy scores over a Jack defense that was far from solid.

Jim Eaglin, Chico fullback, was a thorn in the side of the Jacks all night as he rattled off a total of 129 yards, including touchdown runs of 17, 15 and 1 to score three of the four 'Cats TD's. The other came on a 46 yard run by quarterback Carl Bloss.

The Jacks only score came in the second quarter when Earl Barnum caught a Warren Baker pass for a 42 yard touchdown play. Although Humboldt gained an even 100 yards in the air, their passing was far from effective, as they completed only six times out of 26 attempts.

Chico gained a total of 313 yards net on the ground and combined with 46 in the air, this one completion, gave them a total of 359 yards in the game.

Humboldt was limited to 135 yards on the ground and a meager total net of 235 yards.

The Jacks had the ball for only two plays to open the ball game when a Jack fumble was recovered by Chico on Humboldt's 40. It took Chico only three plays to go the distance to the goal, with Eaglin ripping off 36 of them in a pair of runs.

The second Chico score came in the opening minutes of the second period after a Jack punt had given them the ball on their own 31. Seven plays and 69 yards later, the 'Cats lead 14-0.

The big play in this series was a 46 yard pass play from Bloss to halfback Frank Enos, to give them a first down on the Jack 11.

On the ensuing kickoff, Humboldt fumbled and Chico recovered on the Jack 44. After one play had lost two yards, Bloss rolled out wide to his right on a bootleg and outran the completely fooled Humboldt defense for 46 yards and the third touchdown. Bloss then kicked his third of four straight conversions.

In the closing minutes of the first half, Humboldt took a Chico punt on their own 19, and Barnum returned it to the Jack 48. Two passes, one to end Dave Thomas for 10, and the other for the remaining 48 to Barnum, who made a terrific catch on the two, got the Lumberjacks their only score, and made the score at intermission 21-7.

In the second half the Humboldt defense was somewhat improved, but they still could not

gather enough punch to get a scoring drive started.

The only scoring in the second half came midway in the fourth quarter after reserve quarterback Syl Lucena intercepted a Baker aerial on the goal line and returned it to the Chico 16.

Eaglin then took over and almost single-handedly marched the Wildcats over the 84 yard route to the goal line. The drive took only 10 plays and Eaglin capped it by scoring his third touchdown of the game from 15 yards out.

HSC To Host Prep Ball Teams

Four high school football teams and their coaches will be guests of the college at the Humboldt-Nevada Far Western Conference football game tomorrow night in Redwood Bowl.

Teams invited to attend tomorrow are St. Bernard's, coached by Ernie Cunningham; Hoopa, coached by Roger Bohring; Arcata, coached by Ed Olivera and Del Norte, coached by Mike Wahlen.

Eureka, coached by Richard Renfro, and Ferndale, coached by John Kassiss, will be guests here at the Southern Oregon game Nov. 16. South Fork, coached by Bill McMillan, brought 40 squad members to the Cal Aggies game Oct. 19.

Co-Recreational Night Slated

A Co-Recreational night for HSC students will be held each Thursday night beginning Nov. 4 at both HSC gyms between 7 and 9 p.m. announced Dr. Joseph Forbes, chairman of Health and Physical Education department, recently.

The general purpose of the recreation night is to provide a free play session for HSC students, faculty and clerical staff. All persons participating in the sessions can select the activities of their choice, such as volleyball, basketball, badminton, ping pong and others.

There is no enrollment necessary and a person can come and go as he pleases. The only stipulation, said Forbes, is that everyone must wear tennis shoes on the gym floor.

Dr. Forbes also said that the night "is not to be a practice place for intramural teams because they have their own program and this is just for recreational purposes."

There is to be one supervisor for each session with the physical education department providing the supervision from its staff. Sponsoring the night are the WAA, the PE Major Club and the Division of Health and Physical Education Department.

Golden Gators Pick Up Another Grid Victory

Five touchdowns in the second half powered the San Francisco State Golden Gators to a 38-23 victory over the Long Beach State eleven in a non-conference tilt last weekend.

The Sochor brothers, halfback John and quarterback Jim, led the way. John Sochor punched over three scores and sparked the teams running attack.

Signal caller Jim connected on some fine passes including two touchdown aeri-

HORNETS SNEAK BY NEVADA, 7-0

Scoring with only four minutes gone in the contest on a 35 yard romp by halfback John Eaton, Sacramento State's Hornets held on to defeat the University of Nevada Wolfpack 7-0 in a week-end FWC contest.

After the opening spurt the Hornets tightened their defenses and, although they were unable to get on the scoreboard again, made their edge stand up.

LITTLE MAN ON CAMPUS

"HOW DID THE FACULTY MEETING GO, DEAR?"

Proposed Parking Area For Sports Cars Dropped

The proposed parking area for sports cars has been dropped because of the future parking problem.

As the situation now stands there will be no special parking area on campus next semester. The building program is such that all the larger parking areas available now may not be available next year.

This makes it impossible to reserve any more areas on campus. The matter was discussed and dropped at the student council.

Sno Ball Plans Begin This Week

Basic planning for the Eighth Annual Sno Ball began this week with a meeting of the committee chairmen with Miss Kate Buchanan, associate dean of students, in her office.

Rolph Hellberg and Janice Gulliver will be co-chairmen of the affair. Other committee members are Judy Bequette and Virginia Fish, punch; Carol McLean and Beverly Shaw, bids, invitation, chaperones and receiving line; Rolph Hellberg decorations; Carol Kirkby publicity; Hugh Monda, Sempervirens announcements. Miss Kate Buchanan is faculty adviser.

The Sno Ball will be held December 7, with dancing from 9 to 1 a. m. Jerry Moore's orchestra will provide dance music.

Man and Woman of the Year, Outstanding Seniors and Sempervirens Sweetheart will be announced.

tained by writing to the Division of Language Arts, Humboldt State College. The box office will open two weeks before production of "The Rivals."

May I Say Something?

October 30, 1957

Mr. Dale Callihan
President of the Associated Students
Humboldt State College
Arcata, Calif.

Dear Mr. Callihan:

In behalf of the University of Hawaii football team, I would like to take this opportunity to thank you and the students of Humboldt State College for your wonderful hospitality shown us on our trip to Arcata. The boys enjoyed the dance after the game and also the motorcade from the airport to the hotel. It is the opinion of the team that the trip to Arcata was one of the best ever taken by the University of Hawaii team.

Thank you again for making our trip an enjoyable one.

Sincerely yours,

Henry B. Vasconcellos
Director of Athletics &
Head Football Coach

Commercial Art Being Exhibited

In commemoration of its 50th anniversary, the California School of Arts and Crafts, Oakland, California, is presenting an exhibit of commercial art. The exhibit opened Monday in the HSC art gallery in the lobby of the Art and Home Economics building. The exhibit will run through Nov. 22.

Included in the showing, which appeared in the Oakland Museum in Oakland this past spring and the De Young Museum in San Francisco this past summer are fashion illustrations, advertising layouts, package and bottle designs and photography.

The exhibit will include originals and finished products done by students, faculty and members of the alumni of the California School of Arcata and Crafts.

Siemens Attending State Conferences

President Cornelius H. Siemens has been attending a series of four state-called meetings this week and last, to expedite policies affecting the Humboldt campus.

First in the series began on Oct. 29 on the campus of Fresno State College, with a meeting of California state college presidents. Among some of the common problems discussed there were student parking, a question currently being raised by all California campuses. Other studies were on adequate salaries for administrators and the management of new dormitories.

From Fresno, Dr. Siemens went to Yosemite for the semi-annual meeting of the California Council on Teacher Education in which around 140 California institutions preparing teachers convene to discuss problems of mutual interest. Two other delegates from HSC also attended this meeting. They are Dr. Donald F. Strahan, chairman of the Division of Education and Psychology, and Dr. Joseph C. Trainor, curriculum evaluator.

On Saturday Dr. Siemens traveled to Chico as the guest of President Glenn Kendall, where he took time out to root for the Lumberjacks at the annual 'Jacks-Wildcat clash.

While on the Chico campus, he studied the administration of Chico's new cafeteria for plans that can be adapted to the one soon to be built at HSC.

On Monday and Tuesday he was present at the annual budget hearing by the State Department of Finance in Sacramento. At this meeting Dr. Siemens began the first step towards defense of the proposed 1958-59 operating budget of \$2,200,000, an increase of 25 per cent over '57-'58.

He is attending the fall conference of the Western College Assn., with delegates from all accredited colleges and universities in California, Nevada and Hawaii. The conference opened Wednesday and closes today.

As chairman of WCA's committee on Research and Special Studies, Dr. Siemens reported on a study of new accreditation procedures employed during the past five years, for which his committee hopes to obtain a study grant from a national foundation.

Special speakers for this conference are T. S. Peterson, president of the Standard Oil Company; Dr. Henry T. Heald, president of the Ford Foundation, and Dr. Arthur S. Adams, president of the American Council on Education.

Cupcake Sale Held By Spurs

A cupcake sale was held in the main hall Oct. 31 by the Spurs, sophomore women's service organization, to raise funds for the club's regional convention to be held in Flagstaff, Arizona.

A Halloween theme was used in decorating the cupcakes and the table used for selling them.

Mona Armstrong, president of Spurs and Pat Rouse, chairman of the sale, would like to thank the Student Body for making the cupcake sale a success.

Leadership Conference

(Continued From Page 1)

held in the auditorium at 3 p.m. The various group leaders will compile their data and make suggestions and conclusions concerning their discussion groups.

The planning for the leadership conference is being done by the ASB officers. They are also leading the discussion groups.

The members of the student council are Dale Callihan, Roberta Johnson, Diane Johnson, Jim Ely, Tony Vasquez, Larry Westlake, Joe Chappelle, Sandy Wahlund, Joyce Hedberg, Don Peterson, Warren Baker, Pat Duffy and Jon Mitts.

The agenda is as follows:

9:30 — Registration — Main Hall of the Administration Building.

10:15 — General Meeting — Auditorium.

Welcome — Dale Callihan, ASB President.

Introduction of ASB officers.

Keynote Speaker—Jim Messenger

11 — Discussion Groups.

1. General Problems of Presiding Officers.

2. Student Participation in Activities.

3. Problems of the Secretary.

4. Functions of the Student Council.

12:30 — Lunch and Entertainment.

1:45 — Discussion Groups.

1. General Problems of Presiding Officers.

2. Student Participation in Activities.

Home Ec Girls Attend Confab

Humboldt State Home Economics Club representatives were on campus at Davis to participate in their annual Conference recently.

The delegates from the HSC Home Ec. Club were Mary Reagan, Marilee Ammer, Susie Ratliff, Betty Rea, and Anne Metcalf.

Some of the things they did while in conference were: select delegates to the National Conference and nominate people from this district for national office, hear special speakers talk about certain interest fields, hold buzz sessions in subjects such as "The effect of a career on home life," "The effect of home life on a career," and "Public relations."

3. Financial Operations.

4. Functions of the Student Council.

3 — General Meeting — Auditorium.
