

ASB Election Next Week

Valedictorian Speaker To Be Chosen Monday

Plans for graduation speakers were discussed at a meeting of the Graduation Committee last Tuesday.

Eight seniors have been picked by the graduation committee for consideration as valedictorian of the class of 1959. Balloting will take place Monday in the main hall of the Administration Building. Votes will also be accepted in the Registrar's Office on Tuesday.

Eight seniors on the ballot are: Don Peterson, political science major from Arcata; Richard Holmes, wildlife major from Alhambra; Martha Dudley, social science major from Arcata; Juanita Buell, education major from Cave Junction, Oregon; Mildred Gregg, education major from Rio Dell; Michael Pontrelli, game management major from San Jose; and Mary Stewart, business administration major from Fortuna.

Places will be allowed on the ballot for first, second, and third choices. Three points will be given for first place, two for second place choice and one for a third place choice. The person having the largest number of votes will be the valedictorian.

The eight candidates all have a cumulative grade point average of 3.5 or better. In voting for the valedictorian it should be taken into consideration that the student will have to give one of the keynote speeches at commencement.

Baccalaureate will be held in the HSC Quad at 11 a. m. on Sunday, May 29. Commencement exercises will be held at 3 p. m. that afternoon. The exercises will be held in the Men's Gymnasium this year.

Dr. Kasper Ingebritson, coordinator of secondary education, will act as procession marshal for the 250 graduates. Dr. Frank Wood, associated professor of foreign languages, will be the assistant procession marshal. Ushers will be the daughters of the faculty.

A reception is being planned for Nelson Hall immediately following the commencement exercises to honor the seniors.

Seniors are advised that graduation practice will be held May 28, at 9 a. m.

Seniors will be allowed five tickets apiece for the commencement program. Extra tickets will be distributed after everyone receives their quota. Seniors not needing five tickets will be asked to take only what they need.

PHS GRANT

According to Dr. Andrew Karoly, a Public Health Service grant has been given to HSC. This \$2,300 grant will be used for Tranquilizer Research on rats. It will last from June 1959 to June 1960.

ARCATA, CALIF., FRIDAY, APRIL 24, 1959

No. 27

Seek ASB Presidency in Election

DAVID MAXON

David Maxon has announced his candidacy for ASB president as head of the Right party. A platform for the party includes a schedule of action to accomplish the following:

1. Investigate ASB Bookstore and Coop price policies with economy for the student as the goal. Particular changes to be gained are higher payments for students' used texts and a nickel cup of coffee.
2. Reassessment of the parking problem.
3. Ways and means of improving the food at the cafeteria.
4. Strong, active student government.

Maxon is a veteran majoring in Wildlife Management. He is an honorary member of Conservation Unlimited and a columnist on the Lumberjack staff. He has served on the Inter-Club Senate, is a past president of C. U., was guest contributor to the Lumberjack, has published in the Hilltopper, is a former resident of Nelson Hall, and a band member. He began as a freshman here in 1952, returning after military service.

CLARENCE (Chip) BRODIE

Seeking the post of president as an independent candidate is Clarence (Chip) Brodie, a junior business administration major.

(Following is Brodie's official statement of his independent platform.)

1. Greater Student Control of Student Activities.

I recognize, of course, that ultimate control of all student activities must rest with competent administrative authority. However, I feel strongly that this control should be limited to advice; and only when absolutely necessary should it become a veto power. Young men and women on our campus should, wherever possible, be allowed the dignity of supervising and regulating their activities.

2. Revitalize the Constitution of the Associated Students.

I pledge that immediately upon

(CONTINUED ON PAGE THREE)

ART DALIANES

Art Dalianes is running for ASB president on the Octagon Volunteers ticket.

Dalianes has had much experience in student government. Graduated from Eureka High School, he held class offices for three years and was president of the Student Body in his senior year.

At HSC he has served as a member of the Homecoming, Popera and Frosh Camp committees. He has been a member of the Executive Council for two years, serving as representative at large and special activities commissioner. He is a member of Alpha Phi Gamma, journalism honorary, and the activities honorary, Green Key, and the Board of Finance. This spring he was a candidate for Popera King.

Last fall he was elected to the

Area High School Music Festival Today In Men's, Women's Gyms

The yearly spring music festival will be held today from 10 a. m. until 2 p. m. in the Men's and Women's Gyms on campus.

The music festival, officially titled the North Coast Festival for Del Norte and Humboldt Counties, is sponsored by the North Coast Section of the Music Educators National Conference. It has been an annual affair for more than twenty years. Each year the schools are invited by the college to hold their festival on the HSC campus. The music staff of the college is in charge of arrangements.

High school and junior high school bands, orchestras, and choirs will perform for the public and one another. There is no admission charge.

The program includes:

Men's Gym:
10 a. m.—Eureka Junior-Senior High School Orchestra; Arcata Union High School Madrigal Singers

10:25—Eureka Senior High School A Capella Choir, Ferndale High School Band

10:50—Eureka Junior High School Mixed Chorus, Hoopa High School Band

11:15—Ferndale High School

Chorus, Fortuna High School Advanced Band

1 p. m.—Arcata Union High School Combined Choruses, South Fork High School Band

1:25—Fortuna High School Intermediate Band, Eureka Senior High School Girls Glee Club

1:50—Jacobs Junior High School Band (Eureka), South Fork High School Choir.

Women's Gym:

10 a. m.—Eureka Junior High School 7th Grade A Capella Choir, Fortuna High School Orchestra

10:25—Eureka Junior High School Band, Arcata Union High School A Capella Choir

10:50—Eureka Senior High School Band, Jacobs Junior High School Tunetoppers

11:15—Fortuna High School A Capella Choir

1 p. m.—Del Norte High School Band, Eureka Junior High School Girls' Glee Club

1:25—Arcata Union High School Band, Jacobs Junior High School Mixed Chorus

1:50—Eureka Senior High School Boys' Glee Club, Fortuna High School Girls' Chorus.

Polling Places Open At 8 a. m. On Wednesday

Students will be going to the polls Wednesday and Thursday to elect new Associated Student Body officers for next year.

Parties are formed and publicity is under way for elections. On Wednesday the voting booth will be placed in the main hall of the Administration Building. Thursday it will be moved to the Wildlife Building from 8 a. m. until noon, and to the Coop from noon to 4 p. m.

Two complete parties are running for election in addition to Independent candidates. On the ballot will also be a constitutional amendment and an opinion poll on loyalty oaths.

Absentee ballots are available to any ASB member who will not be on campus election days. The ballots can be picked up starting today in the ASB president's office in the Coop.

The candidates are as follows: President: Chip Brodie, Independent; Art Dalianes, Octagon Volunteers; David Maxon, Right Reform Party. Vice President: John Burger, Octagon Volunteers; Jerry Flora, Right Reform Party; John Smith, Independent. Treasurer: Bill Livingston, Right Reform Party; Joe Mayfield, Octagon Volunteers; Dick Wild, Independent. Secretary: Joan Rasmussen, Octagon Volunteers; Ellie Spencer, Independent; Sally Wilkinson, Right Reform Party. Activities Commissioner: Stan Brandenburg, Right Reform Party; Neil Evans, Octagon Volunteers. Assemblies: Mary Lou Banes, Octagon Volunteers; Norman Wright, Independent. Awards: Larry Beebe, Right Reform Party; Bill Caver, Octagon Volunteers. Publications Commissioner: Pat Baker, Right Reform Party; Jack Mays, Octagon Volunteers; Ray Smeltzer, Independent. Rally Commissioner: Ron Edwards, Right Reform Party; Ross Stromberg, Octagon Volunteers.

Double Program Sunday Features Music And Art

Members of the Music Department will join the Art Department on Sunday, April 26th, for a combination monthly chamber music and art gallery reception.

The chamber music concert, beginning at 8 p. m. in the Music building will present the faculty quartet in Hayden's "Quartet in F", Handel's "Sonata", Charley Farley, oboe, Charles Fulkerson, piano, plus works by Pergolesi, de Fesch and Mozart. A large ink painting by Glenn Berry of the Art staff will be shown during the concert.

Following the performance, an informal coffee hour and viewing of oil paintings by Elmer Bischoff, San Francisco artist, will be held in the Art gallery. Mr. Bischoff is the winner of a \$10,000 Ford Foundation research grant for advanced study in art for 1959.

BOOKS EXHIBITED

"Early Children's Books" were on display from April 1 until April 17 in the main entrance exhibit case in the College Elementary School. Such books as Hornbooks (1590); Matteldore (1770-1890); Kate Greenaway Books; First American Readers, (1690); McGuffey Readers (1836-1920); fairy tales in display by Coldecott; and Chapbooks, which were the first children's books in short stories.

One-Act Play To Be Given Tuesday Night

Thornton Wilder's one-act comedy, "Queens of France" will be presented Tuesday at 8 p. m. in the CES auditorium, under the direction of Mrs. Jean Wagner. The public is invited and there is no admission charge.

"Queens of France" is being presented as a semester project in Dr. Jerry Turner's class on directing, Speech 126. The scene of the play is New Orleans around 1870 in the office of a shyster lawyer who bamboozles three guillible women into believing they are descendants of French royalty.

Playing the role of the confidence game crook is Dr. James McNelis, while the three victims of vanity are played by Marilyn Kamelgarn, Charlotte Tropp, and Beverly Allen.

Here Are Candidates In ASB Elections

JOHN SMITH

John H. Smith is an independent candidate for vice-president. He has been active in the drama department and has served as president of the Drama Club. He has also been vice-president of Nelson Hall and an Inter-Club Senate representative. He is a junior psychology major.

JOHN BURGER

Octagon Volunteers candidate for vice president John Burger, from Eureka, has been active on HSC's campus the past three years. He has served as Honorable Duke of IK and is a member of Delta Sigma Phi fraternity. He is on the Executive Council serving as representative at large.

JERRY FLORA

Seeking the post of vice president in music and psychology major Jerry Flora, on the Right Party ticket. Flora is president of the Choir, vice-president of the Band, and active in Mu Epsilon Psi, MENC, and CS-TA. He has been a member of ICS, Drama and DeMolay.

JOE MAYFIELD

Joe Mayfield, sophomore from Ukiah, is the OV candidate for treasurer. He is a member of the Board of Finance committee. He has served as Sophomore Class president, publicity chairman of the 1958 Homecoming Committee, treasurer of Circle K, and is a member of the debate team and of the rally committee.

DICK WILD

Another candidate is Dick Wild, Independent running for ASB treasurer. He comes to HSC from Alhambra, and is a group major. He is a member of the Delta Sigma Phi fraternity, serving as treasurer of that group.

JOAN RASMUSSEN

Joan Rasmussen, sophomore from Danville, is the Octagon Volunteer's nominee for secretary. She lives at Nelson Hall, a transfer from the College of the Pacific. She has been active in the AWS, rally club, Spurs, Ski Club, and 1958 Homecoming Committee. She was elected representative at large last semester.

SALLY WILKINSON

Sally Wilkinson is an Arcata High graduate and is majoring in art. She is running on the Right Reform Party ticket for ASB secretary, having been an AUHS delegate to a Model U. N. Conference in Berkeley. Sally has the Henderson-Freeman Memorial Scholarship here at school and won a poster contest.

ELLIE SPENCER

Ellie Spencer, a junior, is a Stockton Junior College transfer and is majoring in Home Economics. She is running as an Independent for the office of ASB secretary. At Stockton she was a member of Alpha Gamma Sigma, Xi Omicron, and the Home Economics Club and was active in various class and student body offices.

MARY LOU BARNES

Octagon's nominee for the office of Assemblies Commissioner is Mary Lou Barnes, junior from Fortuna. She is a physical education major and has been active in HSC's Marching Band, California Student Teachers Association, PE's Major's Club, and this year's Delta Zeta sorority president.

NORMAN WRIGHT

Independent candidate for assemblies commissioner is Norman Wright. He is a psychology major coming to HSC from Ukiah. Among his activities are membership in the Psychology Club, and Comus Club.

STAN BRANDENBURG

Stan Brandenburg, candidate for Activities Commissioner on the Right Reform Party ticket is a veteran and a freshman majoring in speech drama. He has been active in the Humboldt College Players, carrying a lead part in Comedy of Errors and played Pozzo in Waiting for Godot.

PAT BAKER

Pat Baker, junior elementary education major, is running for the office of publications commissioner on the Right Party ticket. She is a graduate of Fortuna High School and transfer from Santa Rosa Junior College. At HSC she has been active on the Lumberjack staff and is a member of Alpha Phi Gamma.

RAY SMELTZER

Ray Smeltzer, independent candidate for Commissioner of Publications and Publicity, boasts several years experience as a reporter and photographer Eureka newspapers; has twice served as editor of Sempervirens; is a member of Alpha Phi Gamma, journalism honorary, and has been active in publicity.

JACK MAYS

Jack Mays, junior art major from Ferndale, is running for the office of Publicity and Publications Commissioner. Mays has been active in the field of publications, having served as editor of this year's Sempervirens. He is also Junior Class president, and a member of Delta Sigma Phi fraternity.

ROSS STROMBERG

Ross Stromberg, freshman from Arcata, majoring in pre-dentistry, is the Octagon Volunteers candidate for Rally Commissioner. Among his activities at Humboldt State are Intercollegiate Knights and Delta Sigma Phi fraternity. Last fall he was elected president of the Freshman Class.

ASB Election Candidates

RON EDWARDS

Ron Edwards is candidate for Rally Commissioner on the Right Reform Party ticket. Ron has been active in the Industrial Arts Club, and served as its ICS representative. He has also been active as a member of the Forensics Squad, and was awarded this year the first annual Gem and Mineral Scholarship given at HSC.

BILL LIVINGSTON

Bill Livingston, candidate for Treasurer on the Right Reform ticket is a sophomore speech drama major. He is now engaged in his seventh role in the HSC theater, and is a member of Alpha Psi Omega, national dramatic fraternity.

BILL CAVER

Junior business administration major, Bill Caver came to Humboldt State from Alameda. He is running for the office of Awards Commissioner for the OV party. He has been active in four years of intercollegiate basketball and two years of intercollegiate golf. He is treasurer of Block H.

LAWRENCE BEEBE

Lawrence Beebe is a candidate for the office of awards commissioner on the Right Party. A junior industrial arts major from and graduate of South Fork High School, he has been an active member of the forensics squad, an officer of the Industrial Arts Club and an Inter-Club Senate representative.

NEIL EVANS

Neil Evans is vying for the office of Activities Commissioner on the Octagon Volunteers party. He is a sophomore from Calistoga. He has served as secretary of Circle K, frosh camp counselor, Dad's Day committee, and the 1958 Homecoming Committee. This year he is president of the Circle K.

Sunday Afternoon Band Concert Shows Versatility

By DAVID MAXON

I arrived early for the Music Department's Spring Concert last Sunday afternoon in the Men's Gym. One of the student conductors was ironing out several passages in a selection by Bach and the feeling expressed by both the Arcata High Choral group and our band seemed indicative of a fine performance to come. Fortunately this piece was sung later during the program with the vocal group in front and to the side of the band, which gave a better volume balance. Assorted pastel colored dresses of the high school girls, balanced with the dark blue, brown or neutral suits of the boys, gave a warm, summery atmosphere spiced with one adventure-some soul in a white dinner jacket!

The opening number was "Sara-bande and Bouree" arranged by Osterling from Hendel. Good contrast was achieved between the woodwinds and the brass section. Several movements of Tchaikovsky's Sixth Symphony were done next with a light touch, a good feeling for the crescendo, and a show of balance in the brasses. The second movement was a substitution for that listed on the program and showed good timing, especially in the closing phrases.

A selection called "Trumpets Wild" by Harold Walters was done by a Trumpet Trio consisting of Jerry Wright, James Babcock and Elsie Thomson. Its classical theme of wild horse men began coursing through the gym, only to change into a light jazz number. The accompanying group did well, although the last chords of the trio showed some strain.

Arcata Participants

"Jesu, Joy of Man's Desiring" by Bach was sung by the AUHS group, accompanied by the HSC band and was a good addition to the program, but hardly a strong piece for a vocal group of this type. As least one good number by the Arcata High voices alone would have given us a better basis for judgment.

The trumpet section developed jitters in Bilik's "Concert March, the Block M," during a loud staccato sequence, but adequately compensated by a good show in the muted syncopation which followed.

Law Definitions Discussed At Faculty Forum

The legal liability of state employees in the field of education was discussed by Dr. Lawrence Turner, executive dean, at the last Faculty Forum of the 1959 academic year. The Forum was held Tuesday night. Certain general concepts concerning negligence were treated by Dr. Turner.

"In the abstract, negligence is a difficult word to define. One attempt says that negligence is the failure of a reasonable man to exercise that degree of care which an ordinary prudent or reasonable person would exercise under similar circumstances resulting proximately in injury either to the person or to his part," Dr. Turner said.

Dr. Turner said there are three abstract and subjective elements apparent in this definition. First, the concept of a reasonable man, secondly the absence of the exercise of due or ordinary care. The third element is that the injuries were the result of care not being exercised properly.

"The difficulties involved in attempting to define the term negligence in any meaningful manner make it apparent that it is possible to determine whether or not negligence has been committed only in the light of facts of a specific case when these are presented in the form required in court proceedings," Dr. Turner pointed out.

DALIANES

(Continued from Page 1)

regional Board of Directors of the Association of College Unions by students from eight colleges in the Western United States, Canada, Australia, Hawaii, and the Philippines. Dalianes has also played intercollegiate tennis for HSC for the past two years.

(Following is the official party statement of the Octagon Volunteers in the members' bids for ASB offices next year.)

"Nine candidates make up the Octagon Volunteer party. Many of the candidates have had experience in student government at HSC. Our services on your Student Executive Council ranges from two years of service to active participation in almost every organization on campus. We have actively represented the following groups: Band, Block H, Circle K, CSTA, Inter-club Senate, Intercollegiate Knights, Press Club, rally committee, publications, Spurs, Nelson Hall, AWS, Psychology Club, Ski Club, Delta Sigma Phi, Delta Zeta, Alpha House, Alpha Phi Gamma, and choir.

"We as OV candidates are interested in serving each and every one of HSC's students to the greatest of our abilities. We are interested in seeing more and better activities on HSC's campus. We want more assemblies, we encourage more Jazz Concerts, and we want to promote better student government. We also encourage bigger and better rallies.

"The Octagon Volunteer party has promised to work hard in building the student government at HSC to include a wider variety of student body-sponsored activities for a greater participation of the Associated Student Body as a whole.

"We are running for ASB office because we are sincerely interested in Humboldt State College. We want to help the government of our school grow and become a more active part of the school."

BRODIE

Continue from Page 1)

taking office as president, I will appoint a suitable committee to study the inconsistencies, shortcomings, and omissions of the present constitution, and recommend all necessary amendments to accomplish the following:

- (a) A re-evaluation of the A. S. B. Card.
- (b) Strengthen the Board of Control, and state clearly its field of operations.
- (c) Eliminate unnecessary provisions from the text.
- (d) Strengthen the position of the Inter Club Senate.

3. An End to Secret Activities of Officers of the Student Body.

The Constitution of the Associated Students of Humboldt State College states clearly that student government activities shall be posted for all members to read, and shall be published in the Lumberjack. This has not been done. I pledge that during my incumbency ALL such proceedings and activities will be posted and published throughout the entire school year — and not merely in the last two issues before election.

4. Democracy in Student Government.

With 1600 students on campus, drawn from all parts of the United States and many nations, HSC is no longer a small local college. It is intolerable to allow the affairs of a broad, cosmopolitan, student body to be controlled by any one self-interested group. Student officers must represent the member from Pennsylvania or Pakistan as conscientiously as they now do the fellow who lived in the next block and sat in the next seat in high school. Voters should have this in mind at election time.

I have, during the past three years served as: Representative at Large, vice-president of Redwood Hall, ICS representative for Redwood Hall and the Rally Club, Publicity chairman for the Rally Club, chairman of the All School Picnic, as a member of the Homecoming committee and the Sno-Ball committee. Two years ago,

Debate Members Break Even On Tournament

Two HSC debate teams returned from the Great Far Western Championship debate tournament at Reno, Nevada recently with a .500 record and a fourth place tie out of fourteen major colleges and universities.

Larry Moogerman and Larry Hines, Tom McGowan and Tony Karachale won three out of six debates each against teams consisting largely of upper division students.

Each HSC team won debates against members of the University of California at Berkeley, University of Nevada, and the University of Washington teams, but they lost to the University of Southern California, Nevada, the University of Wyoming and San Jose State College.

In addition to the colleges debated by the HSC teams, Stanford, the University of Oregon, Sacramento State College, Montana State University, Denver University, Washington State College and Oregon State College also competed in the tournament.

The Humboldt squad earned an invitation to the premium tournament on the basis of its past two year's record in forensics and proceeded to display its ability by placing above ten other college and university teams in the final scoring.

Coupled with the debate rounds was a Student Congress session devoted to U. S. policies with respect to Latin America. Larry Hines' bill to establish an Inter-American development agency was one of the two pieces of legislation to be adopted in the final session of the Congress.

In individual events competition, Tony Karachale (oratory) and Larry Moogerman (extemporaneous speaking) were rated high in two of the three rounds. While not earning outstanding awards in these events they did display sufficient promise to indicate better things to come in future competition for HSC.

The directors of the event indicated that Humboldt would receive annual invitations to the contest based on its participation and quality ratings in early season events.

In addition to the HSC students, Prof. Milton Dobkin participated in the tournament as a critic-judge.

Beauty Contest

Three Humboldt State women will compete in this year's Miss Eureka contest May 9 at 8 p. m. at the State Theatre in Eureka.

Contestants from HSC are Margaret Moore, freshman, sponsored by Humboldt Marine Supply; Pat Mayer, freshman, sponsored by White House Appliances, and Ellen Sebeck, sophomore, sponsored by DeBon Motors.

during my freshman year, I came within 30 votes of being elected the president of the ASB. I am currently on the Board of Control. This position on what is effectively the Supreme Court of Student Affairs had, in my judgment, precluded by participation in campus politics during my incumbency.

Summing up, I pledge that during my term in office, Humboldt State College student government will be a subject which all members can discuss with pride — not excuse with embarrassment.

Let's Vote!

Associated Student Body elections are here again. Next Wednesday and Thursday, Humboldt State College students will be going to the polls, voting for people whom they want to represent them in student body government. The decisions of the men and women elected will affect each and every one of us here at HSC.

Like other schools, Humboldt State faces the problem of getting students to the polls to vote. Voting privileges are one of our many freedoms that we take for granted! Too often we place little importance on this privilege during election time.

Too often the best man loses at the election polls. The reason? Poor election campaign, personality, or LACK OF VOTES!!!

Needs More Than Just "Personality"

A person should not be elected to represent a student body on personality alone. Among the many qualifications a leader should possess are dependability, ability to accept responsibility, some knowledge of student government, and the quality and thoroughness of his work.

This is the type of a person who may lose an election if the people who think he is qualified or the man for the job, do not take time to place an "X" next to his name. These are some of the qualifications a should investigate before assuming a bright smile and a sparkling personality make the best choice.

However, it should be pointed out that a person should not be disqualified because he doesn't have a bright smile or a sparkling personality. The point is, find out more about your candidates so that you will know he will do the best for you.

Turnout Better Than National Average

In the spring election of 1955, Associated Student Body officers were elected by 85 per cent of the Associated Students. That was an exceptionally high figure considering that national percentages are considered high if they reach the 50 per cent level. This is a record that students of HSC should try to reach this year.

Many readers probably think it is ridiculous to always stress the point of "Getting out to the polls and voting." In effect, people should not be pushed or forced to vote in elections, but they should feel it is one of their most precious rights. But then on the other hand, if we do not get out and vote on an election at the college level, we will more than likely not take time out to vote in a local, state or national election.

Remember that all Humboldt State College students are eligible to vote. Why not take time out and cast a vote either next Wednesday or Thursday! A point to keep in mind is that students you elect will be representing YOU next year.

Faculty Promotion List Announced By Pres. Siemens

Promotions of 13 faculty members from the academic rank of assistant professor to associate professor were announced to the faculty last week by President Cornelius H. Siemens.

The promotions are effective September 1.

Instructors promoted, and their

teaching assignments are: Dr. Ernest Bednar, industrial arts; Miss Dorothy Bissell, home economics; Mrs. Katherine Corbett, sociology; Milton Dobkin, speech; Dr. Milton Hollstein, journalism; Dr. Kenneth Humphry, psychology and education; Mrs. Eleanor Kellenberger, education; Gerald Partain, forestry; Dr. Ralph Roske, history; Dr. Ernest Salo, fisheries; Dr. Donald Strahan, education; Dr. Leon Wagner, music; and Dr. Orley Wilcox, education.

Amendment On Election Ballot

During the Associated Student Body elections Wednesday and Thursday, April 29-30, there will be a constitutional amendment on the ballot to separate the duties of the Activities and Organizations commissioner into two offices.

In order for this amendment to become effective, it must be passed by a two-thirds majority of the Associated Students, and at least one-third of the Association must vote to qualify election results. During the representative at large elections last fall this same amendment was defeated as less than one-third of the Association voted.

The amendment reads as follows:

Article II in section 26, the phrase "a Commissioner for each of the five permanent commissions, Rally, Publications and Publicity, Organizations and Activities, Awards and Assemblies" shall be changed to read "A Commissioner for each of the six permanent commissions, Rally, Publications, and Publicity, Organizations, Activities Awards and Assemblies."

In section 90, delete the words "and Activities" from both phrases of the section, so that section 90 will read "Organizations Commissioner; The duties of the Organization Commissioner shall be: To add a Section 140, to read, "Activities Commissioner: The duties of the Activities Commissioner: shall be: To add a section 141, to read, "To attend all meetings of the Executive Council as a voting member." To add a Section 142, to read, "To be in charge of the student activities program." To add a Section 243, to read, "To be the presiding officer of the Student Activities Committee. The Student Activities Committee is organized and the size is determined by the Activities Commissioner."

Article III In section 160 the phrase "five Commissioners" shall be changed to read "six Commissioners." The first phrase appears twice in the section and shall be changed in both instances. In Section 166 the phrase "five permanent commissioners" shall be changed to read "six permanent commissioners."

Article X To add a new Section 375, to read "The Amendments to Article II and II of this Constitution of January 1959, shall become operative February 3, 1959. The position of Activities Commissioner provided for in this Amendment shall be filled by the Executive Council until the regular spring semester election of 1960."

Business Seminar Being Offered

Humboldt State College, in cooperation with the Small Business Administration, began its Small Business Seminar on April 7, and will continue through May.

The Seminar is designed to help the small businessman operate his business in the best possible manner. Members of the HSC faculty, SBA officials, and other men who are familiar with the problems facing the small businessman, will be the speakers.

The program is slated to last eight weeks, with sessions on Tuesday and Wednesday nights. Two sessions per week were necessitated by the strong response local businessmen made to the announced program. Each session is limited to 35 students to produce maximum benefits from the seminar.

The Advisory Committee includes William F. Jackson, chairman, Division of Business, HSC; Dr. Ivan C. Milhous, Dean of Extended Services, HSC; Sero Mafria, president, Eureka Chamber of Commerce; Oscar Swanlund, Mayor, City of Eureka; Ralph G. Lyman, Mayor, City of Arcata; Tom E. Field, president, Arcata Chamber of Commerce; William E. Graves, owner-manager Graves Department Store; and Chet Schwartzkopf, Schwartzkopf Real Estate, Eureka.

Colorful Campi

Life's Little Problems

By Larry West

My friends . . . and all of you are my friends. I am a worried man. I can't sleep . . . I can scarcely choke down my oatmeal in the morning . . . I've burned out three bowls on my pipe . . . I beat my wife regularly . . . and my supply of dexidrene is threatening to give out at any moment.

What is the cause of my consternation you ask. Just this . . . "The secret activities of student body officers." Yes, friends, I've been harboring this information long enough . . . it's time the truth was told. It's shocking, it's scandalous, it's stranger than fiction and my conscience can stand it no longer. I call it "Humboldt Confidential 1959."

The Big Story

It starts out in the fall of 1958. The officers have been elected and as they file through the trap door in the basement of the Coop to the "secret" underground meeting of deputies' chamber number 1944 gunfire breaks out on the stairs above. Ha, chortles the president . . . the guards must have eliminated another student who wanted to visit the council meeting.

The members file in and take their places. Someone moves to plan an orgy for the following Tuesday. . . the motion is seconded in chorus and passed. The meeting moves along and three professors are sentenced in absentia to extermination. The activities commissioner calls in the Mafia representatives to HSC and they are sent out on the extermination detail. Later in the meeting someone moves to install a bar in the meeting hall . . . but it is voted down on the grounds that it would turn the meetings into "functions."

Agenda Of Events

And thus it goes throughout the semester . . . an orgy every Tuesday . . . a meeting every Thursday

and exterminations in-between. Late in the semester someone moves to pass a resolution which calls for all students to sign a loyalty oath to HSC. This, in addition to singing the alma mater before going to bed every night. The resolution is passed and an amendment to the resolution calling for a signed affidavit saying that the student didn't lie when he signed the loyalty oath is attached. A third oath is attached requiring allegiance to the State of California, the President of the United States, the Strategic Air Command, the Fathers of the Constitution, General Lee, Aaron Burr, Alfred E. Newman, Paul Revere's Horse, Kim Novak and George Liberace.

Finally a movement by the president to have four secretaries is squelched . . . and he is compensated by voting him an extra \$80,000 for miscellaneous expenses during the rest of the year.

Thus it goes my friends . . . those of you who are oppressed, down-trodden, stricken with the strangulation of dictatorial rule . . . arise and revolt . . . let's stop this horrible "secrecy" . . . never let it be said of the HSC student body that: "Within these walls moves a student body . . . oppressed at every turn . . . ground under the heels of demagogues . . . a molitile mass of protoplasm moving without cause . . . without hope . . . without money . . . without voice . . . without music . . . without fun . . . without." Arise I say . . . Illegitimi non carborundum.

Pat's Perusals

- News Around Campus -

Pat Baker

The "Carnation," official magazine of Delta Sigma Phi, devoted a section of the Spring 1959 issue to HSC's chapter of the fraternity, Delta Kappa. An article written by Tony Vasquez, Delta Kappa '59 tells of the founding of the chapter on the HSC campus. Also the article gives background on the history of HSC. The article is illustrated with photographs of the HSC campus and scenes of the fraternity's social affairs. So, Humboldt is obtaining a little publicity!

The art department is sponsoring a contest for the "best painting" . . . The painting chosen will be hung in the living room of the Home Economics Building. There is a prize of \$75 for the winner. Any prospective artists around the campus?

In case you readers have not heard of Alvin C. Durich, vice president and director of the fund for the Advancement of Education . . . you had better become acquainted with Durich's views. In a talk at the Western Regional Workshop on Higher Education this month, he gave this advice: "U. S. colleges and universities should set a minimum achievement standard for students attempting

to graduate from institutions of higher education." Durich pointed out that in order to maintain "some level of quality perhaps colleges and universities could establish cooperatively some minimum standards for graduation on the basis of actual student achievement rather than the accumulation of credits." Durich suggested that various types of comprehensive examinations, including oral tests, could be administered to graduating students . . . What are your readers' opinions?

The girls at Nelson Hall are really upset . . . They have even been forced to do their homework. If someone doesn't return the television set missing since way back when, the girls will even be forced into studying for finals. A "final" plea . . . Please return the television set so life can get back to normal at Nelson Hall . . . Please!

Have you obtained your copy of "Toyon" yet . . . Why haven't you (if your answer was no)! Today is the last chance to buy the 1959 issue . . . so get busy.

Here's Preview of Band Uniforms

As Keith Anderson models, Marilyn Flowers and Dr. David Smith admire the new HSC band uniform style. The sample uniform arrived recently with ninety more due to arrive here May 20. The first public showing of the marching style uniforms is scheduled for May 22 at the American Legion Field Night in Eureka. Anyone interested in signing up for the marching band next semester is asked to contact Dr. David Smith, band conductor. There will be openings in percussion and brass, especially tubas and trumpets.

Graduate Fellowships Available For Study In Foreign Countries

Two hundred fellowships for graduate study in 15 foreign countries will be offered by foreign governments and universities through the Institute of International Education for the academic year 1960-61.

The Institute has announced that applications for the fellowships will be available on May 1 and will be accepted until November 1, 1959.

Student Injured In Parking Lot Mishap

By SANDY ZUNINO

Raymond Rakestraw, HSC student, was injured on campus Tuesday, April 14, while helping a friend.

Rakestraw was helping shove a car out of the parking lot north of the co-op when a board that was under the rear tire broke, flew forward, and went through the calf of his leg. An ambulance transferred him to Trinity Hospital in Arcata.

No tendons or ligaments were torn and reported late last week in good condition at the hospital.

Dasmann Receives Fulbright Award For Game Study

Dr. Raymond F. Dasmann, associate professor of wildlife management, has received a Fulbright Fellowship for the 1959-60 academic year. He plans to use the grant for a post-doctorate study of big game in South Africa.

He plans to leave by air for South Africa in August and will stop in London for an orientation period before proceeding to Bulawayo, Southern Rhodesia where he will be stationed on the South African government-sponsored big game preserve. Mrs. Dasmann and their three children, Sandra, Marlene and Lauren will accompany him.

Dr. Dasmann is the author of a college textbook on conservation which came off the press last month. This is his fifth year with the HSC faculty. He came here in 1954 from the University of

The scholarships cover tuition and varying amounts of maintenance in universities in Austria, Denmark, France, Germany, Iran, Israel, Italy, the Netherlands, Brazil, Sweden, Switzerland, Canada and Mexico. Students applying for Italian university awards or Austrian, Danish, French, German or Netherlands Government awards may apply for a Fulbright travel grant to supplement their scholarships. Two additional awards, offered by an American foundation, are for any country in the Far East, South or Southeast Asia and Africa.

General eligibility requirements are United States citizenship, a Bachelor's degree or its equivalent before departure, language ability sufficient to carry on the proposed study, and good health. A good academic record and demonstrated capability for independent study are also necessary. Preference is given to applicants under 35 years of age who have not had extensive foreign experience. While married people are eligible for most of the above described awards, the stipends are geared to the needs of single grantees.

For further information and application forms, prospective applicants should write to the Information and Counseling Division, Institute of International Education, 1 East 67th Street, New York, 21, N. Y. or the Institute's regional office at 291 Geary Street, San Francisco 2, Calif.

Minnesota where he was an instructor.

Dr. Dasmann earned all of his degrees at the University of California. He completed work for his Ph.D. degree in 1954, under a National Science Foundation study grant. He will return to his faculty post at HSC in the fall of 1960.

Inquiring Reporter

This week's question:

"Next fall HSC will invoke a state law that requires all students under 21, unmarried, and not living with parents, to live on campus, except in special cases and where parents approve of other arrangements. What do you think of this new compulsory dorm living?"

Sandy Zunino, soph., PE—"It would be fine if not so expensive."

Stan Brandenburg, Speech-Drama—"I think it's terrible! I'd like to know ONE good argument why this law was proposed. It's just one more step toward socialization."

Betty Bird, soph., Art—"Living off campus as I do is evidence of my parents' faith and trust in me. Compulsory dorm living robs the girls who want to live off campus of the opportunity and experience of household managing."

Joan Boyton, soph., Home Ec—"I suppose that since it's a state law there isn't much that we can do about it. If other colleges can do it, so can we."

Ray Stanley, frosh, Soc—"Well, I guess the school authorities must get the new dorms filled some way!"

Patti Lower, soph., Ed—"I think the students living in the dorms should have a vote in it. Dormitory life is good for all freshmen, but one year in the dorm is more than anyone can take. Also there will be many students dropping out of college because of the high expense. Why did they double the rent?"

Joe Romero, jr., Art—"I feel that any student, man or woman, while in college is fully capable of determining his or her own residential quarters, especially in such cases where the student has the parents' permission."

Pat Hodges, sr., Elem. Ed—"It's okay, just as long as it doesn't cause a hardship on the students who are attending college on a shoestring!"

Tony Vasquez, sr., English-Journalism—"More conformity, huh? Maybe we should all wear the same uniform too—yellow pants and green shirts and little flags to wave."

Arlene Goble, soph., Art—"Good idea, it'll bring more unity to the college."

Jack Maya, jr., Art—"I think the administration is on firm ground with the passing of this rule. Most students are incapable of controlling their own lives and besides . . . I will be 21."

Carol Molinder, sr., Soc. Sci—"I don't like it . . . it's too expensive."

Joe Mayfield, soph., Bus. Ad—"Even though it would be a step toward unitizing the college from a social point of view, I'm sure that this would discourage potential students of HSC, particularly those older than incoming freshmen simply by insulting them as to their ability to be independent!"

Jonette Gillispie, frosh, Sec. Sci—"It's okay for underclassmen, if they haven't raised the rent, but now it's going to be too expensive for many students to afford."

Bud Kolding, soph., History—"Judging by my experience living in an apartment is much cheaper than living in the dorm. I think this is a crude way for the state to extract money from the students to pay for buildings which we have already paid for in taxes."

Carol Finley, sr., game management—"too expensive."

Butler Paintings Chosen

Paintings by Max Butler, assistant professor of art, were selected for showing in two separate national art shows this month. A water color painting "Decay in Moonlight" was included in the Texas Watercolor Annual Exhibit in the Witte Museum, San Antonio, while a wash and pencil drawing "Decay in Rain" was shown with the National Drawing Show at Ball State College, Muncie, Indiana.

Both works were selected from national competition. Butler has been a consistent show winner since coming to HSC in 1957.

THE MANY LOVES OF THORWALD DOCKSTADER

When Thorwald Dockstader—sophomore, epicure, and sportsman—first took up smoking, he did not simply choose the first brand of cigarettes that came to hand. He did what any sophomore, epicure, and sportsman would do: he sampled several brands and then picked the mildest, tastiest, pleasingest of all—Philip Morris, of corris!

Similarly, when Thorwald took up girls, he did not simply select the first one who came along. He sampled. First he took out an English literature major named Elizabeth Barrett Grisht, a wisp of a girl with luminous eyes and a soul that shimmered with a pale, unearthly beauty. Trippingly, trippingly, she walked with Thorwald upon the beach and sat with him behind a windward dune and listened to a sea shell and sighed sweetly and took out a little gold pencil and a little morocco notebook and wrote a little poem:

*I will lie upon the shore,
I will be a dreamer.
I will feel the sea once more
Pounding on my femur.*

Thorwald's second date was with a physical education major named Peaches Glendower, a broth of a girl with a ready smile and a size 18 neck. She took Thorwald down to the cinder track where they jogged around 50 times to open the pores. Then they played four games of squash, six sets of tennis, 36 holes of golf, nine innings of one old cat, six chukkers of lacrosse, and a mile and a quarter of leap frog. Then they went ten rounds with eight-ounce gloves and then they had heaping bowls of bran and whey and exchanged a manly handshake and went home to their respective whirlpool baths.

"I think I'll stick with PHILIP MORRIS" he said

Thorwald's final date was with a golden-haired, creamy-browed, green-eyed, red-lipped, full-calved girl named Totsi Sigafos. Totsi was not majoring in anything. As she often said, "Gee whillikers, what's college for anyhow—to fill your head full of icky old facts, or to discover the shining essence that is YOU?"

Totsi started the evening with Thorwald at a luxurious restaurant where she consumed her own weight in Cornish rock hen. From there they went to a de luxe movie palace where Totsi had popcorn with butter. Then she had a bag of chocolate covered raisins—also with butter. Then they went to a costly ballroom and cha-cha'd till dawn, tipping the band every eight bars. Then they went to a Chinese restaurant where Totsi, unable to decipher the large and baffling menu, found a simple way out of her dilemma: she ordered one of everything. Then Thorwald took her to the women's dorm, boosted her in the window, and went downtown to wait for the employment office to open.

While waiting, Thorwald thought over all of his girls and came to a sensible decision. "I think," he said to himself, "that I will stick with Philip Morris. I am not rich enough for girls."

© 1959, Max Shulman

Anybody is rich enough for Philip Morris—and for Philip Morris's brother cigarette, filter-tip Marlboro, the cigarette with better "makin's". The flavor's fine, the filter filters, the price is right.

Summer Science Study On Campus For High Schools

High school students in northwestern California and southwestern Oregon who show outstanding abilities in science studies may be eligible to attend an Institute for High School Students in Science on campus this summer.

The four-week Institute is sponsored by the National Science Foundation as part of the Foundation's program to "increase the understanding of scientific contents and methods through instruction offered by persons of recognized scientific status." Humboldt State College has received a \$20,000 grant from the NSF for

carrying out the Institute. Dr. Donald Strahan, chairman of the division of education and psychology, has been named director of the program.

Current high school sophomore and junior science students (students who will be juniors and seniors next fall), living within the local and regional service area of HSC will be given first priority, although as many as ten or twelve of the total attendants may be chosen from other parts of California or other states. A maximum of 60 students may be chosen.

The Institute will pay all costs for students selected to attend, including housing in college dormitories, meals, and transportation costs where necessary. Students chosen will live in the newly completed college dormitories, Redwood and Sunset Halls, under competent staff supervision. The Institute will include lectures by HSC faculty and visiting staff members, plus field trips and conducted tours.

Students selected to attend will be certified by their own high school science faculty, and those students interested will apply through their own teachers. They will not apply directly to Humboldt State College.

Dr. Strahan said that information about the Institute will be sent to all area high schools in the near future, with full instructions as to how to apply.

HSC Rifle Club Wins Trophy

The first Student Union sponsored activity to add a trophy to the HSC collection of awards is the Rifle Team. The recently organized club under the leadership of Ken Ewing, met the Arcata Junior Rifle Club April 5 in their first match. A gold trophy was the prize and it is now being engraved prior to assuming its permanent position in the trophy case outside the Dean's office.

An aggregate score of 1,388 points was amassed against the 1,281 points fired by the opposing team, with the high score of 194 out of 200 possible points fired by Walt Salmen. The three top scores were fired by Walt Salmen, Hal Koke and Ken Ewing, all of the HSC team. Other team members included Yvonne Anbin, Dennis Manyak, Orvil Rogers and Sandra and Jim Styner.

Both teams are affiliated with the National Rifle Association and a three-way match is being planned with a third affiliate — the Arcata High School team.

Ken Ewing, club president, mentioned the meeting times and added that new members are welcome. The monthly business meeting are held at 7 p. m. on the first Tuesday of each month and the next one, May 5, will also be the annual election of officers. Shoot-

The winning HSC Rifle team is pictured above after a successful match with the AUHS team. Left to right, front row, are Ken Ewing, Sandra Styner, Yvonne Anbin, and Dennis Manyak. In the back row, left to right, are Orville Rogers, James Styner, Harold Koke and Winn Chase, faculty adviser. Also present, but not pictured, was Roy Stevens, NRA official.

Marshall Awards Open To Students

Twelve two-year Marshall Scholarship Awards are awarded annually by the British Government to outstanding American students, selected on a basis of intellect and character, from different regions of the United States.

The scholarship scheme was established in 1953 as a British gesture of appreciation for Marshall Plan Aid. The grant covered tuition, transport to and from the United Kingdom, and an adequate allowance while there. So far, 60 students have benefitted, and this year's quota will bring the numbers to 72.

The students may major in a variety of subjects and each has the opportunity to choose the university he or she wishes to attend in England, Scotland, Wales or Northern Ireland.

Awards are made for two years in the first instance, but may be extended for a third year. The scholars are required to take a degree at their British university.

Each Marshall scholar receives \$1,400 a year, and approved tuition fees. A married man's scholarship may be increased by \$560 a year, in certain circumstances.

Marshall scholars also receive their transportation to and from their university in the United Kingdom.

In appointing Marshall Scholars the selectors look for distinction of intellect and character as evidenced both by scholastic attainment and by other activities and achievements. Preference is given to candidates who combine high academic ability with the capacity to play an active part in the United Kingdom university to which they go.

Three scholarships are awarded every year in each of the four regions of the United States: Eastern, Southern, Middle Western and Pacific. This year's selections come from eleven universities and colleges from all over the country, ranging in size from Cornell with its 10,000 enrollment to the small Kentucky college of Berea, roughly one tenth that size.

Applications for the Marshall Scholarship Awards may be obtained in the Placement Office.

THINKLISH

English: HILLTOP HASH HOUSE

Thinklish translation: This diner is perched on a mountain peak, which makes it a *crestaurant*! The view is tops—but from there on, things go downhill. A typical meal includes a puny melon (*scantaloupe*) and your choice of sandwiches (*shamburgers* or *rankfurters*). It's all served up, naturally, on 50-yr.-old dishes (*crackery*). Best course to take: light up a Lucky . . . enjoy the honest taste of fine tobacco. There's no tip at the end!

English: FEATHERED MUSICAL GROUP

Thinklish: STORKESTRA

ALLAN BISHOP, NORTHWESTERN U.

English: HAG'S TIMEPIECE

Thinklish: WITCHWATCH

DONALD MACPHERSON, N. Y. U.

English: AVERSION TO COOKING

Thinklish: PANIMOSITY

Bear-Hunting Parties

Judging by the number of bear hunting parties I've seen near Orleans and the eagerness with which they pursue their sport, any rancher or timber outfit would need only to drop the slightest word when his "depredation problems" arise. The chances are good that he'd never be able to hunt bears again on his own property, since a good pack of bear dogs is an efficient sort of blitzkrieg as far as bears are concerned.

A letter to Assemblywoman Pauline Davis in Sacramento would be appropriate in this case, since she is chairman of the Fish and Game committee.

The general consensus of opinion was that opening day on the lagoons was poor. Some nice Cutthroats were taken upriver from the 101 bridge on Little River. This area was recently opened to fishing upriver for a distance of 1,000 yards from the mouth.

The South Jetty continues to provide excellent fishing when the ocean isn't trying to sweep you into the Pacific.

An old-timer lost "the biggest Ling Cod I've ever seen" on Sunday, off the Trinidad Pier, when

it bit through his thirty pound test leader.

The Wilderness Bill is in Congress once again and its passage is vital to every conservationist. This bill specifies the areas to be protected and provides measures to administer them, but does not add a single acre to the existing areas. The U. S. Forest Service has been notorious, in my opinion, in reneging on statements of policy and in actual practice with regard to the protection of these areas. The unchanged aspect being paramount in a Wilderness Area, all uses, such as educational, recreational, etc. must be secondary to it. Since the Forest Service has turned into a timber selling business, it is obvious how the encroachment on a Wilderness area proceeds. This law, therefore, is designed to give some teeth to the statutes protecting our wilderness, so that the Forest Service, among others, can point to the law when timber interests begin lobbying for more logs, and say NO.

Your support of this bill should be written to Representative Clem Miller and Senator Thomas Kuchel in Washington.

Actor Describes Experiences In Humboldt Dramatic Productions

By BARBARA O'NEIL

Lee Mitchell, a handsome dark-brown haired young man with a flair for acting, who found the HSC Drama Department a testing ground for his acting ability, has given some of the outstanding performances of the year.

Mitchell, who played Antiphrus of Syracuse in Shakespeare's "Comedy of Errors" produced earlier this year at HSC, names the bard as his favorite playwright. "I enjoy acting in Shakespearean plays more than any other because they have such a poetic and timeless quality."

Mitchell gave another demonstration of his acting ability when he played Henry in Sutton Vane's "Outward Bound" on 17 days' notice. "I had watched rehearsals occasionally," said Mitchell, "but I did not try out for any of the parts because I was so busy with my school work. Then 17 days before the play was to open the actor who was playing Henry became very ill. Dr. John Pauley asked me to play the part, so I did. It was a difficult play, and I think I could have given a more convincing performance given more time."

Doubles In Brass

Mitchell also has tried his hand at directing. He directed the one-act play "Hyacinth Halvey" by Lady Gregory last month. It was only a fair job, and he admits "I learned quite a bit while directing the play, but it was only a fair job for the first directing role. I need to do a lot better."

At present Mitchell is working on Mrs. Evelyn McCurdy's production of Emlyn Williams' "The Corn Is Green." He has a small part and is also assistant director and stage manager of the play.

Mitchell, and his charming blond wife, Mary Lou, have been married since 1957 and have a son four months old, Leroy Mitchell IV.

College Romance

Mitchell met his wife while both were attending Reedley Junior College. "There were four girls whom I thought would be nice to take out. I decided to ask Mary Lou and well, that's it!"

Both will graduate from HSC in June. Mitchell will receive his B. A. in English, while Mrs. Mitchell will receive her degree in Home Economics.

Mitchell has no definite plans for the future right now. "I have not yet decided what I want to

do. I probably will go back to school though. If I do, I will work for an advanced degree in Drama. As far as schools go, HSC, UCLA or the University of Washington are all possibilities."

Dialect Problem Part Of Welch 'Corn Is Green'

"An 'education part' in a play is a defense mechanism used by actors to describe a small part," said Bob Graham, talking about his part in "The Corn Is Green," to be presented by the College Players May 1, 2 and 8, 9.

Graham describes his part of Idwal, as "a shy, nervous person who can't work in the mines because of tuberculosis."

The play has Welsh spoken in it, and English with Welsh accent. Graham said that learning the Welsh was the hardest thing he had to do for the play. Special sessions were held just to learn how to speak enough Welsh to pronounce the words in the play correctly.

The scene he most enjoys doing is one in which he talks to the character played by Bill Livingston, who speaks only English. Idwal speaks only Welsh, but later learns English. They try to understand each other but cannot.

Graham, a freshman drama major from Arcata, is a native of Alberta, Canada. He attended school in Canada and was pipe sergeant of a bagpipe and drum corps. During the visit of Queen Elizabeth II to Canada in 1953, he was part of her honor guard during her stay.

In Canada he studied Russian dancing as well as ballet to help him in his hoped-for stage career. He expressed a dislike for teaching, but decided that if he couldn't make a go of it on the stage, he would turn to teaching. Movies, TV, and radio held no interest for him. His ambition is to get his masters degree in drama and work on the New York stage.

The recently-organized campus Bowling Club has become one of the most active organizations on campus. The club meets Mondays at 5 p. m. at the Redwood Lanes in Arcata. Prof. Robert Kittleson is faculty adviser and Al Lath is president.

Rarin' to roll, above left to right, are Lath, Susie Ratliff, Yvonne Nielson, Em Darhaud, Sandy Ervin, Launi Mason, Edward Sarginson, Stan Yackamouth, Dennis Day, Loretta Trutalli, Rosalie Waits and Phyllis Thornton.

'The Corn Is Green' Opens Next Week For Four-Performance Run

By ROGER WERTS

Rehearsals for "The Corn Is Green" are progressing on schedule and the cast will be ready, willing, and able to present to the Humboldt Players' audience this Welsh comedy by Emlyn Williams May 1, 2, 8 and 9.

The basic plot of the play is serious but it progresses through a series of comic incidents intended to bring laughs and leave one with a feeling of heart-warming optimism. This, in spite of the fact that the play was written in the late 1930's, a time of almost world-wide conflict and pessimism.

"The Corn Is Green" revolves around a student-teacher relationship. Miss Moffat (Maureen Fegan), an extremely independent, self-willed social worker, comes to the small Welsh mining town of Glensarno with the intent of bringing education into the isolated lives of the inhabitants. An interesting parallel here is that Miss Fegan has been a speech-drama teacher at Eureka High School for the past three years. She was graduated from San Francisco State College and is now doing post-graduate work here at Humboldt. She has been cast in several plays during her college years, tops among them was probably "Bernardine."

Morgan Evans (Bill Turner) is the crude young miner in whom Miss Moffat discovers surprising potentiality. She directs all her drive, hope, and energy to shape this potential into something positive. Bill Turner is a freshman music major with a speech-drama minor. His last role was as pastor in "Outward Bound." Turner has been through "boot camp" training for this role. The student-teacher relationship goes back to his days at EHS where Turner was even then a student of Miss Fegan.

The play has many more interesting characters. John Gorowny Jones (Reginald Mintey) and Miss Ronberry (Mary Lou Mitchell) are Miss Moffat's teaching assistants. They lend local color to the play, being inhabitants of Glensarno themselves. Mintey is a freshman art major and speech-drama minor, appearing in his third Humboldt Players production. Mrs. Mitchell is a group major in home economics, music and english. The wife of Lee Mitchell, she shares his interest in the theater. Though this is her first appearance on the Humboldt stage, she has appeared in high school plays.

Supporting roles are played by Robert Graham as Idwal Morris, Virginia Luau as Sarah Pugh, John Rawlinson as a Groom, D. Lee Mitchell as Robbatt Robbatt, Larry Clevenger as Glynn Thomas, John Brandenburg as John Owen, Paul Conner as Old Tom, Bonnie Jean Carter as Mrs. Morris, and Tom Hedges as Will Hughes.

"The Corn Is Green" is to be presented Friday and Saturday, May 1, 2, 8, and 9. Tickets will be on sale one week in advance of performance in the Green and Gold Room. Reservations may be made by calling Humboldt State College, Extension 297.

Bill Livingston, who has been in almost every production of the Humboldt Players in the past two years, plays the role of the Squire. The Squire is the antagonistic element, the source of many laughs, and the pliable subject of Miss Moffat's will. Livingston is a sophomore speech-drama major and besides his impressive record at Humboldt he has appeared

Pats, Miller, Regli, Named Chairmen Of 'Garden' Junior Prom

"Garden in the Rain" will be the theme for the Junior Prom this year. The class met this week and appointed Pat Regli and Pat Miller as co-chairmen for the event. The dance will be at the Eureka Inn on Saturday, May 16, climaxing Lumberjack Days.

Decorations will be centered around the Garden in the Rain theme. Committees appointed were decorations, band, publicity, clean up and refreshment. All juniors interested in helping with the decorations or planning are asked to the meeting today at noon.

'Jacks, Hornets Clash

HSC CINDERMEN GO FOR SEVENTH STRAIGHT WIN

By HUGH CLARK

Humboldt State's track and field team meets head on tomorrow with Sacramento State's Hornets in a dual meet at Redwood Bowl beginning at 11:30.

The Lumberjacks are placing six meet win streak on the line and the Hornets need only one win from Humboldt to claim the unofficial Far Western Conference title.

The Sacramento cindermen have beaten every team in the FWC except Humboldt, and the Jacks hold wins over every team except Nevada. A Humboldt win would tie the unofficial title, which officially is settled at the annual FWC championship meet to be held on May 9 at Chico.

In tomorrow's meet the Hornets have perhaps the best balanced team that Humboldt has faced all year. Although in early season HSC was in the thick of the battle with Nevada and the Wolfpack was just nipped (67-64) by Sacramento last week, the visitors have definitely taken the early advantage.

The meet could well prove the breaking point for the Redwood Bowl records four of which were broken in Humboldt's only other meet of the year.

Actually ten of the fifteen bowl marks are under direct fire and any of the other five could very well be toppled when the two teams tangle in the top local cinder match this year.

Humboldt forces will be fully intact for the first time as coach Bob Doornink said early last week that the Jacks are in the finest shape they have been in all year with sprint star Manuel Vasquez finally ready to return to his 100 and 220-yard dash favorites.

The women speed merchant will still have a tough go, in order to beat Henry Wade who ran a close second to Nevada's Dick Strunk's 9.5 in the century and teammate freshman Frank Alden who beat him last week.

Keith Weidkamp, who has

shown promise after last week's 21.4 in the 220 will also press Vasquez. The freshman standout is also expected to be a strong entry in the 440.

The meet may go down to the wire with the relay deciding the winner. It will take a tremendous effort by Humboldt's field entries, the strongest ever to don the Lumberjack green and gold, to force the issue and to overcome the favorable hurdle and distance depth that the Hornets possess.

Included in this fine Jack group are freshman Bill Hook in the shot and discus, Tom Schubert in the discus, Roger Biffle and Bob Kaufman in the pole vault, Bill Crichton, Jim Christiansen, Don Black and Larry Krupka in the high jump and Vester Flanagan and freshman Jim Barker in javelin.

The meet will mark the last Humboldt effort at home and the next to last meet before the FWC finals. Next week the thinclads journey to Ashland for a triangular with Southern Oregon and Oregon Tech.

WAA Enjoys Overnight Camping Trip

Last Friday the WAA left HSC for an overnight camping trip at Redwood Creek.

The women left the campus ready for a weekend of fun. This is an annual event enjoyed more each year by all who attend.

The women returned to campus early Saturday afternoon.

I. Q.'s Top Frat In Basketball Play

The I. Q.'s came out on top of the intramural basketball play by defeating the Fraternity last Tuesday night by the score of 46-27. The two teams had fought their way into the finals by winning Monday night's games, the I. Q.'s defeating Walker's Warriors, and the Fraternity defeating Teke.

Coach Gordon Schroeder, director of intramurals, has issued a notice that anyone interested in intramural swimming should contact him at the gymnasium. He hopes to start the swimming program next week.

KEITH WEIDKAMP

one of Humboldt's many promising freshman track students, joined the Lumberjack Record Breakers Club last week at Chico. The middle distance and sprint star scamped the 220-yard dash in a :21.4 to erase the old HSC standard of :21.6 set last year by teammate Manuel Vasquez.

Clambake Program Features Skeet, Clams, and Sport

The annual Clambake was held at Clam Beach last Saturday beginning at 2 p. m. Foresters, fisheries and wildlife men gathered for the event of the combined C. U. and Forestry Clubs, which was begun with a skeet shoot. The course of fire consisted of five stations at varying distances and angles from the thrower, who hurled the birds with a hand trap from behind a large stump. The strong-armed hurlers were George Roether, Nick Zupo and Francis Schutz, who spelled each other for the 31 contestants. The wind and erratic flight of the birds caused many to miss rather consistently, but the high man in each of a half dozen groups of five contestants, was matched in a "sudden death" shoot off. This is a method of elimination whereby a semi-finalist is scratched, if he misses any bird. After the smoke cleared and the last empty shell lay in the sand, the Foresters had emerged with both finalists in the last sudden death competition. George Roether eventually won and split the entry fee prize money with the clubs.

Boys Will Be Boys

A "pecker pole" race was next with one team of biologists and two forestry teams participating. The biologists and one bunch of foresters got tangled with their poles and bit the sand, but the other forestry team, straddling its

Tracksters Dump Chico, Raiders in Triangular Meet

Humboldt State's surprising track and field tennis team took its fifth and sixth straight dual meet wins last Saturday at Chico when they downed the Chico State Wildcats and the Southern Oregon Raiders.

Golf Team Takes Faculty, 16½-4½

Humboldt State's golf team left the intercollegiate circles last Saturday to take on the Faculty All Star "Quiz Kids" in a sven match affair that the Jacks won 16½ to 4½.

Freshman John Yingst took the medalist honors with a three-under-par 69 and captain Chuck Blackburn added a two-under-par 70 to pace the HSC win.

Yingst's 69 edged Francis Givins 3-0, Blackburn downed Dr. Larry Kerker 3-0, Pete Dye took a 3-0 win from Floyd Glende, Rich Bailey split at 1½-1½ with Paul Menges, Mel Bailey took a 3-0 decision from Dr. Miles Sinclair, Kerker took a 3-0 win from Billy Caver and Givens downed Rod Sandretto 3-0.

WAA BANQUET

The WAA banquet will be held Monday, April 27, at the Towers Inn here in Arcata. All women interested in attending the dinner are to sign up in the women's gym. The dinner is \$2.25 per person. Further information is also posted with the sign-up sheet in the gym.

timber in fine style, completed the course standing up. The winning team consisted of Gary Todd, Al Johnson, Walt Saunders, Phil Gilmon and Jim McCarroll.

The foresters' supremacy ended here, however, with a 7-5 defeat in the baseball game. The tug-of-war headed by Dr. Charles Yocum on the C. U. side and Jerry Partain on the Forestry Club side commenced with a ditch of water between the contestants. In jig time Partain was dripping wet, along with most of his crew. When a rematch was requested, the wild-lifers proceeded to drag the timbermen in again, this time so violently that one brave anchor man on the losing team was jerked clear across the ditch.

At this time the chow committee, headed by Eldon Denanina and Dewey Riscioni, climaxed a superb job of making huge cauldrons of clam chowder and loaf after loaf of garlic-buttered French bread.

After the crowd was fed, guitars appeared and harmony (?) echoed from the dunes late into the night. And a jolly time was had by all.

Overshadowing the team performance was the individual showing of freshman Keith Weidkamp in the 220 and sophomore javelin thrower Vester Flanagan, who both broke school records.

Flanagan's toss of 195 feet with the spear reset his earlier mark of 188 feet and Weidkamp's fast :21.4 in the 220 set another Humboldt standard to bring the current record breaking total to five so far this season.

Humboldt outscored Chico 80-51 and dropped Southern Oregon's Raider's 102-28 in dual meet competition and added a triangular win of 84½ points to Chico's 62½ and the Raiders 15.

Weidkamp completed a double by annexing the 440 in a wind blown of :50.2. Bill Hook continued his usual twin weight win in the discus and shot put.

Frank Alden experienced his best day as a collegiate performer winning his first century, nipping out teammate Vasquez, and Roger Biffle took the pole vault in a 13'9¼" leap.

'Jack Netters Take Win From Raiders; Sac., Gators Next

The Humboldt State tennis squad won its third match in four outings last week when they beat Southern Oregon 4-3 at Ashland.

Jack Geary of Humboldt lost the first match to Bruce Merrill of SOC 6-4, 1-6, 4-6; but Art Dalianes evened the score with a 7-5, 6-4 win over Bob Gouley.

In other singles matches: John Root, SOC, defeated Gary Peterson, Humboldt, 6-4, 4-6, 7-5. Paul Zimmerman, Humboldt, defeated Bob Cramer, SOC, 6-3, 6-1; and Bruce Paige, Humboldt, defeated Dick Clark, SOC, 3-6, 6-1, and 6-3.

The doubles matches saw Geary and Dalianes of Humboldt beat Merrill and Root 6-0, 6-4, while Gouley and John Russell of SOC topped Peterson and Zinselmeier 7-5, 6-2.

This afternoon the team is in San Francisco to do battle with Sacramento and tomorrow they will play San Francisco State.

'Jacks Continue FWC Race Tomorrow With Contest At Davis With Cal Aggies

What's What Back To The Axe by Hugh Clark

Back this week to the grind of the axe, the much-talked about Lumberjack axe. Well, where is it????

Latest info has it located in Chico State!!!! Yes, a group of Humboldt State students reported the vaunted trophy is now hanging in the Chico bookstore.

Earlier this week one of the HSC students said he accompanied a group of Hilltop students to Chico and they saw the axe through the window, but were unable to retrieve the valuable possession.

Now hear this, Chico, now hear this — it's now time for you to return the axe.

Humboldt lost the axe in 1957 and Chico had legal possession but if the Wildcat school can remember Humboldt won last fall's contest and now have possession of the axe and may retain it another year.

So Chico, return the axe and you may have it if you win the next gridiron meeting this fall.

Two new coaches have joined the Far Western Conference recently as a turnover of personnel has been taking place at University of Nevada and Sacramento State.

At the capital city, Dr. Hal Wolf has left intercollegiate coaching after handling the Hornet basketball and baseball teams for a number of years.

Everett Shelton, a veteran of 20 years at Wyoming has accepted the position as head basketball mentor. The 60-year-old left Wyoming following an announcement that the "pressure of top collegiate competition, the fierce struggle of recruiting..." At Wyoming Shelton's over-all record was 329 victories and 199 defeats.

At Nevada young Dick Trachok was named at a recent board of regents meeting held in Las Vegas. The 33-year-old Wolfpack alumnaus will take over the gridiron duties next fall.

He is replacing Gordon McEachron whose six-year record is 6-1-23. Last year marked Eachron's best season with a 3-3 record including a major upset over Humboldt State.

Humboldt Announces 1959 Football Schedule

The Humboldt State Lumberjack football team will play a rugged 10-game schedule in 1959. The Jacks will open the season against FWC Champion San Francisco State in San Francisco on September 19.

Junior Jacks Suffer Sixth Loss Of Season

Humboldt State's Junior Jacks suffered their sixth loss of the season last Tuesday afternoon at the hands of the Arcata High Tigers.

Losing pitcher Charlie Jones went the distance giving up only three hits but he walked eight and a three-run double by Tiger Gary Howard spoiled the freshman chucker's best performance on the mound.

Steve Cottrell received the win, allowing the collegians only three runs, including hard-hit triple by Jones in the fourth.

The first home game will be played September 26, against Oregon College of Mommouth. Other home games will be played against the Seattle Ramblers, Western Washington, Cal Aggies, Nevada, and Whittier.

Games away from home will be played at San Francisco, Chico, Ashland, and Sacramento.

The complete schedule as announced by Head Football Coach Phil Sarboe:

- Sept. 19—San Francisco State at San Francisco
- Sept. 26—Oregon College of Education at Arcata
- Oct. 3—Seattle Ramblers at Arcata
- Oct. 10—Sacramento State at Sacramento
- Oct. 17—Western Washington at Arcata
- Oct. 24—Cal Aggies at Arcata (Homecoming)
- Oct. 31—Chico State at Chico
- Nov. 7—University of Nevada at Arcata
- Nov. 14—Southern Oregon at Ashland
- Nov. 26—Whittier at Arcata

Meet Mustangs In Doubleheader

The league leading Humboldt State College horsehiders will leave for Davis at noon today where they will meet the Cal Aggies in a double header tomorrow.

The 14 man traveling squad hopes to extend its conference record to 5-1. Slated to taw the mound for the Jacks are Alva Kinney and Bill Drabble. This duo pitched the double victory over the Nevada Wolfpack last weekend.

The Cal Aggies have a 1-3 conference record. They are reputed to have a strong hitting ball club. They split a double header with the San Francisco State Gators.

St. Bernard's In 6-4 Win Over Junior Jacks

St. Bernard's beat the Humboldt State Junior Jacks 6-4 in Eureka last Friday.

The Crusaders scored two runs in the second inning and four in the third to take the lead the Junior Jacks couldn't overcome.

In the fifth inning Ozzie Gooden singled, stole second, took third on a wild pitch and scored on a fielder's choice. The next inning saw the collegians score three times as Jim Walker and Chuck Nickerson reached base safely, and then Gooden slammed a three-run homer.

Charlie Jones was the losing pitcher for the Junior Jacks. He allowed two hits, struck out three, but walked 13 to receipt for the loss.

Lumberjack Baseballers Take FWC Leadership After Sweep

By BOB McCORD

The Humboldt State horsehiders came home victorious from Reno, Nevada, downing the Nevada Wolfpack 9-0 and 9-2. The double win put the Lumberjacks atop the Far Western Conference standings. Their conference record is now 3-1.

In the opener, Alva Kinney allowed only two hits as he shut the Wolfpack out 9-0. Kinney faced only 23 batters as two Humboldt double plays kept the basepaths empty. Kinney struck out three and walked none.

Leroy Orozco led the Jacks at the plate as he had a triple, double and single in three times at bat.

Humboldt started fast as they scored two times in the first inning. Joe Beeson and Dennis Pontoni led off with singles. Ike Peterson's sacrifice fly scored Beeson. Then Carl Carlson singled to score Pontoni.

The Lumberjacks made it 3-0 in the second inning when Orozco doubled and was followed by Bitt Matson's single. The third inning really put it away for the Jacks. Pontoni reached first on an error. Peterson doubled and Ron Reynolds walked to fill the bases. Then Orozco singled to score Pontoni and Peterson. Matson walked and Kinney singled scoring Reynolds and Orozco. Then Beeson walked and Ken Matias got on on an error scoring Matson. The score was then 8-0.

The final tally came in the fourth when Orozco tripled to score Reynolds who had singled.

Bill Drabble continued to show Humboldt's mastery over the Wolfpack as he struck out 10 men and allowed only 6 hits.

The Jacks first two scored came in the second inning on consecutive singles by Peterson, Reynolds, Bill Perry and Drabble. HSC added one more in the third on a

bases-load single by Orozco. The score had been set up by a Nevada error, a single by Carlson and a walk to Reynolds.

The fourth spelled disaster for the Wolfpack when the Lumberjacks spiked the plate 6 times. Two walks, two fielder's choices, three errors and two singles, both by Drabble, did the damage.

The Wolfpack scored a solo each in the fifth and sixth innings for their only runs of the day.

New Womens PE Majors Club Formed For Fall

In the past years, the Women's and Men's Physical Education Club has been combined, but next year the clubs will be separated so each major's group will have its own club.

On April 14, a committee of Women Physical Education Majors met to vote on a name for their club, adopt a constitution, and elect officers.

The Women's Physical Education Majors have named their club the PEM Club — Physical Education Majors. Officers elected were president Carolyn Sanders; vice president Bearnice Finley; secretary Sandy Zunino; treasurer Jackie Neely; ICS representative Mona Armstrong; AWS representative Nancy Hunsinger.

The club will go into effect this coming fall semester.

Many Activities Slated For Lumberjack Days

By KAY MORRISON

Lumberjack Days, a new activity on the HSC campus, will be held May 15 and 16. The event, which replaces the All School Picnic, will feature student and faculty entertainment.

On the agenda are two dances, a play, movies, swim ballet, a variety show and a band review. Other features will be carnival booths, a dinner, a luncheon, swim demonstrations and competition, free swimming and a baseball game.

The Hay Hop will be held Friday, May 15, in the tennis courts, while the parking lot will resemble a carnival with booths for refreshments and fun.

The Junior Prom will be the following night.

Drama Friday preceding the Hay Hop will be presented by a group of students under the directorship of Stan Brandenburg. A current rated movie will also be shown during the two-day affair.

Plans for Lumberjack Days are progressing well, under the chairmanship of Glendyne Baldwin. Miss Baldwin's committee includes Silvio Barrata, Marilee Ammer, Ken Ewing, Don Peterson, Cathy Cornwall, Neil Evans, Jack Mays, Tony Vasquez, Art Dalians, and Dean Kate Buchanan, adviser.

Pro And Con Arguments On Oath Provision Presented To Voters

By LARRY WEST

Since the controversy over the so-called "loyalty oath" has gained some prominence on the Humboldt campus a special poll will be taken during the spring elections next week. The Executive Council of the student body felt that in order to best determine the feelings of the student body at large the issue should be placed before them as a poll.

To better acquaint the student body with the arguments both for and against the loyalty oath, following is a condensed version of the arguments on each side. The student body is urged to study the question carefully before voting at the regular election.

In 1958 Congress passed the National Defense Education Act. This Act provides several million dollars to be made available to college students throughout the United States. The purpose of the act is to provide no-interest loans to students who intend to teach in elementary or secondary schools and those whose academic backgrounds indicate superior capabilities in science, mathematics, engineering, or a modern foreign language.

Under this program, Humboldt State has been allocated \$8200.

As we know, there has been somewhat of a controversy over the provisions of the act which require the student to sign to oaths in order to receive the loan. The first oath is merely an oath of allegiance to the United States promising to support and defend the Constitution and laws of the United States against all enemies. The second oath is an affidavit that reads as follows: "I do solemnly swear (or affirm) that I do not believe in, and am not a member of and do not support any organization that believes in or teaches, the overthrow of the United States Government by force or violence or by any illegal or

unconstitutional methods." This second oath is commonly called the "loyalty oath" and has been strongly opposed by many responsible groups in the education field. Such colleges and universities as Princeton, Bryn Mawr and Swarthmore have refused to accept the loan funds if the students are required to make the special affirmation of the allegiance to the United States.

Those opposing the oath claim that the oaths are a threat to academic freedom. That is, the right to free inquiry is seriously impaired by such an oath. In support the opponents point out that the American educational system operates under a government of reason rather than force and that the unhampered pursuit of knowledge is vital to that government's existence.

The continuation of the democratic political system depends upon the maintenance of an atmosphere in which criticism is accepted as normal and the educational process includes the consideration of a diversity of opinions.

Opponents point out that further, the purpose of the loyalty oath is questionable since those engaged in subversive activities would have few, if any, scruples about signing. If the intent of the oath is to cause these people to perjure themselves, their acts of violation of the law are sufficient to gain conviction without the charge of perjury. Opponents also feel that singling out college students is unfair discrimination since neither farmers receiving subsidies, nor people receiving social security are required to sign such an oath.

In closing their arguments the opponents call upon others to make similar protests on the assumption that individual protest is practically ineffective.

On the other side of the ledger the people supporting the loyalty oath point out that this is not an unusual requirement and that any loyal American should be eager and willing to sign. Furthermore,

Leone Lloyd, a junior at Arcata Union High School, will play the role of Lotus Blossom, while Dennis Rees, also a junior, will play the part of her admirer, Seito, in the high school's forthcoming production of "The Teahouse of the August Moon," when it is presented on the stage at the State Theatre May 14 and 16, under the direction of Herbert McLellan. Tickets, at 90 cents each, are available in the Lumberjack office.

Deadline Nearing For Essay Contest

May 1 is the last day when any HSC student can enter the Charles R. Barnum History Contest. Essays must be on some phase of Humboldt County history and must be submitted in triplicate to Dr. Hyman Palais in Room A-131C. These essays will be judged on the basis of originality, reliability, literary excellence, and contribution to knowledge of the county. The three judges will include Dr. Hyman Palais, Ralph Roske and Stanley Spaid. First prize will be \$100 and second prize will be \$50.

Charles R. Barnum, founder of the contest, was a Eureka business man and a member of the college advisory board until his death in March 1953. Shortly before his death he created a fund to be awarded annually to HSC students presenting a research paper which would contribute to the history of the county.

the signing of such an oath is strictly a personal matter and each individual should have the privilege of deciding for himself whether he wants to sign or not. If the Congress of the United States has deemed it necessary to have such an oath, confidence in our national leaders should make anyone needing or wanting a loan willing to sign. They also point out that any loss of academic freedom would be more than compensated by the money made available by the loan fund.

Students are urged to consider each side of the question carefully and after considering the contents of the loyalty oath and the arguments on each side, each student should make a special attempt to show his feelings on the subject at the regular spring elections.

'Teahouse' On State Stage May 14 And 16

"The Teahouse of the August Moon," John Patrick's Broadway and movie hit, will be presented May 14 and 16 at the State Theatre in Eureka by the drama students of Arcata Union High School under the direction of Herbert McLellan. Tickets, at 90 cents, may be purchased from Diane Anderson in the Lumberjack office.

"Teahouse," with a cast of more than 30 students, and a live goat, authentic costumes and Oriental make-up, and music under the baton of Woody Thompson, is one of the most ambitious high school presentations to be given in this area.

Action of the play takes place on Okinawa in the Tobiki village, Capt. Fisby's office, Col. Purdy's office, and the Teahouse itself.

According to McLellan's drama class, the play has something for everyone: comedy, costumes, music, dance, a few tears here and there for the sentimentally inclined, and lots of color; in short, good all-around entertainment for the audience.

Dreams Important In Daily Life, Emphasizes Speaker

It is dreams that keep us living from day to day, was the message brought to the senior women by Mrs. Evelyn McCurdy, assistant professor of speech, at the senior women's breakfast held Sunday.

Mrs. McCurdy pointed out that people sometimes don't realize the importance of dreams, especially the dreams of young people. Mrs. McCurdy then gave two interpretive readings, selections from "The Bridge" and "The Diary of Anne Frank."

The senior women were welcomed to the breakfast by Miss Imogene Platt, assistant professor of business administration. The class prophecy was read by Diane Anderson, senior speech major.

Scene of the breakfast was the Baywood Country Club. The breakfast is an annual affair of the faculty women to honor senior women. Faculty chairman was Miss Platt.

"If he should get by you, Emma,
double back for the Camels!"

More people keep going back for Camels than any other cigarette today. The Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. Today as always, the best tobacco makes the best smoke.

By-pass the fads
and fancy stuff ...

Have a real
cigarette -
have a CAMEL
