ARCATA, CALIF., FRIDAY, FEB. 13, 1959

No. 18

## Poetry Search Now In Progress

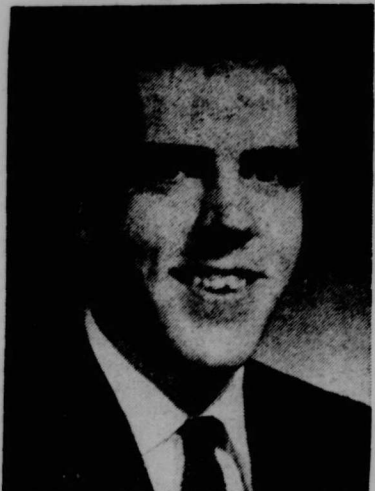

For the third consecutive year the Dorothy F. Kerr Poetry Search will be held on campus. The award, founded by Mrs. Kerr of Kerrydale ranch, Korbel, is held to stimulate interest in the writing of poetry and is considered a search for interest and ability rather than a contest. Cash awards totalling \$100 will be awarded to the winners.

The winning poems will be selected by a panel composed of faculty members of the HSC English department. Prize-winning poems may appear in the Toyon, HSC literary magazine.

Poems must be submitted to Dr. James McNelis, administrator of the award, by May 1. Students may submit as many poems as desired and on any subject. The poem should follow traditional forms.

For further information concerning the contest see Dr. McNelis. Dr. McNelis hopes that many students will enter this contest as it is good experience and provides an opportunity to make some extra money.

## Chairman Named For Popera

BUD KOLDING

Bud Kolding, sophomore history major, has been named chairman of the ninth annual Popera concert of the HSC music department.

The Popera is billed annually as "classical music for those who hate classical music." It is scheduled Friday, March 6, at 8 p. m. in the Men's Gymnasium. Ticket prices are one dollar for adults and fifty cents for students.

The college choir, chorus, band, and symphony will be featured on this year's program, which will be followed by dancing.

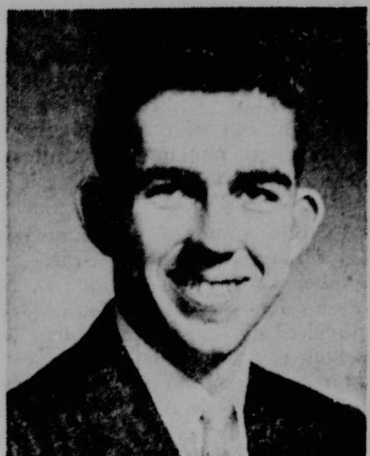

Kolding has a music minor and has been active in the band and as a member of Mu Epsilon Psi, campus music society. He also has been active in Circle K, Rally Committee and the 1958 Homecoming committee.

## Chairman Needed

Application for Homecoming Chairman are now available in the Office of the Dean of Students.

Any student in good standing who feels that he has the qualifications and leadership ability is eligible to apply.

All applications will be reviewed by the Student Council, which will recommend one of the applicants to Miss Kate Buchanan and the Activities commissioner. Miss Buchanan and the commissioner will give the final approval.

LARRY WEST

JOHN BURGER

## ASB Executive Council Appoints Three To Fill Vacated Offices

Three Associated Student Body appointments were confirmed by the HSC Executive Council last week, according to Student Body President Don Peterson. Appointed to offices were Larry West, John Burger and Armand Baradat.

Named to the post of publications commissioner was Larry West, senior political science major, who replaces Gary Mead, who resigned. West will serve as commissioner for the remainder of the semester. He has been an active member in student government, having previously served as representative-at-large, on the board of finance and the board of control. Last fall he was elected to membership in the Green Key honorary society.

Burger was named to replace

West as representative-at-large. He is a junior from Eureka, majoring in Business Administration. Burger has served as past Honorable Duke of the Intercollegiate Knights and is a member of the Delta Sigma Phi fraternity. He has also served as a frosh camp director and was a member of the HSC band.

With the resignation of Joyce Hedberg as rally commissioner, Baradat was named to the post. He has been an active member of the rally committee, and is presently a cheerleader for HSC. In the field of sports, he has taken part in cross country, track, and wrestling.

All three of the positions include voting power on the ASB Executive Council.

## Annual Boxing, Wrestling Show Tuesday At 8 p. m.

The second annual Humboldt State Boxing and Wrestling show will be staged this Tuesday evening at 8 p. m. at the Women's Gymnasium. Miss Adrin Molnar, former Olympic Gold Medalist, will perform her gymnastic routine as one of this year's featured events.

Director Gordon Schroeder said this year's show would be the best ever with 11 top bouts and matches on the card along with Mrs. Molnar and an added event called the "mad-man scramble" where a number of blindfolded boxers battle at the same time.

Another special event will be boxer Rich Ames against Phil Butterfield, the wrestler. Coach Bob Doornink has been working with the boxers while Schroeder has been holding wrestling sessions in order to get the Lumberjack grapplers ready for their first dual meet next Thursday with Chico. The meeting will mark the first in HSC intercollegiate wrestling history.

Pairings have been set as follows for the wrestlers and boxers: Chuck Atkinson vs. Larry Westlake, heavyweight; Phil Butterfield vs. Al Frakes, light heavyweight; Armand Baradat vs. Ron Kunstel, 130 pound class; Rich Machado vs. Reg Mintey, 150 pound class; Dick Donley vs. Dan Herrera, 155 pound class; Bob Hoagland vs. Mike Stone, 155 pound class; Carl Struby vs. Tony Moreno, 155 pound class; Ves Flanagan vs. Bill Nickols, heavyweight; Jerry Ostrum vs. Neal Tomsin, 160 pound class; Bernie Cannon vs. Chuck Knicker

kerson, heavyweight; Frank Schmidt vs. opponent to be named later.

## Indian Art Exhibit Stresses Freedom

An exhibit of Indian art is currently being held in the Art Gallery under the supervision of Melvin Schuler, associate professor of art. The exhibit will be divided into four sections and will consist of pre-Columbian Mexican stone and pottery work loaned to Prof. Schuler by the Obelesk Gallery in San Francisco, Indian art of the Southwest of Prof. Schuler's private collection, local Indian art loaned by Miss Cecil Clark from the collection of the Eureka Museum, and Eskimo art, also from Prof. Schuler's collection. The exhibit will continue until Feb. 27.

Freedom from European influence will be stressed and the purpose of the exhibit is especially to build public interest in local Indian art work and show through comparison its outstanding quality and technical perfection.

## Lumberjack Band To Receive New Marching Style Uniforms Soon

SEE PICTURES PAGE 4

According to Dr. David Smith, HSC band director, the group will soon receive new uniforms. The new uniforms, of which 90 have been ordered, are more along the conventional marching band styles than the present ones.

The new outfits are a pine green with a gold side stripe on the trousers. A web belt of white offsets the green. "HSC" is embroidered on the shoulder patch, next to a braided shoulder strap of gold. White cotton gloves will also be worn. Each band member will wear a slant top shako of gold sparkle with a seven inch white plume. White duck spats will also be worn.

In addition, the drum major and director will also receive new uniforms.

The present "back woods" uni-

forms have been the official garb of the band for the past eight years. Prior to 1952 there were no official band uniforms.

During this past semester the band participated in seven football games, four rallies, two parades, three concerts, and two basketball games. This semester the group will play at nine casaba games, four rallies and several concerts.

A total of 66 students participated in the band last semester, with 76 enrolled this semester.

## Debate Schedule Shows Busy Semester Ahead

According to Mr. Milton Dobkin and Dr. Edward Steele of the Speech department, a tentative debate schedule has been arranged for this semester for members of the debating team. Team members will participate in the Portland Town Meeting at Portland State College this weekend; Stockton Tyro, Friday and Saturday; Humboldt State Tournament, March 14; International Debate, April 6; Nevada Great Western Tournament, April 9; and HAC Pentathlon, March 8-9.

Members of the debating squad are enrolled in some type of forensics course in the Speech department, and each will participate in six meetings of the various civic organizations.

Each year a national committee selects a question which is debated by all colleges and universities in the United States. This year's question is "Resolved: That further development of nuclear weapons should be prohibited by international agreement." The committee also selects a question which is used for group discussion. "What should be done to improve the relation between the United States and Latin America" is this year's question.

Members of the debating team are Ed Spencer, Karl Harber, Douglas Kane, Ron Edwards, Larry Hines, Larry Moogerman, Tom McGowan, Tony Karochale,

## Carl Allen Here Wednesday For Assembly Review

"The Lincoln Story" will be reviewed by Carl J. Allen of Santa Barbara at a student body assembly on Wednesday at 2 p. m. in the main auditorium.

Mr. Allen, a personal friend of Carl Sandberg, and a recognized authority on Sandberg's works will review the book "Life of Lincoln" by Sandberg. This book gives new material, insights, and verification to certain facts in the years of Lincoln's groping for self-discovery.

Mr. Allen will read directly from the book, using his own narration to tie the story together. He reads exceedingly well and has his heart in his subject matter.

Regarding his presentation, Mr. Allen says, "Whenever I do this reading it always impresses me that here is a recital that ought to make us proud to be Americans — since America is a place where only such a life could be lived; and proud to be human beings who also could achieve, if we pay the price. I think this reading should be especially valuable to young people."

Classes will not be dismissed for this special program, but all students who are free at this hour are urged to attend.

Carla Kaski, Muriel Armstrong, Diane Gillespie, Gerry Goble, Bernard Mouton, John Rawlinson, St. Clair Adams, Ron Wehner, and Dave Atkinson.

## 'What--Me Worry?'

This example of Indian art is part of the current display in the art gallery. The display will be open to students until Feb. 27.

## How Good of You To Come

It was a refreshing hour, well-spent, Tuesday afternoon, when monologist Dorothy Crawford appeared on the HSC stage in the second of this year's assembly programs. Miss Crawford, in four distinctive sketches, captured the admiration and response of a full house in her opening lines on through the program to curtain call. Her skill in creating a believable character was evidenced by the audience response to Mrs. Carter Wilson's drinking of lemon juice for breakfast in the opening sketch. In addition to the audible reaction to lemon juice on the palate, we'll wager that more than one throat constricted as the imaginary liquid went "down the hatch."

With obvious gesture and inflection very much in character, it was the subtle follow-through of characterization that impressed us... the use of the slightly quivering chin, the small, almost repressed snuffle, the flat-footed walk of Lisa in the second sketch. By the use of the double-take, the well-timed pause, the glow of expression, the sketches seemed real. In her third presentation, "Rosa of San Francisco's Fisherman's Wharf," the proverbial pin could have been heard had it been dropped during the scene in which Rosa peered out into the fog for her husband, so well was empathy established.

The characters were real, as were those to whom she was speaking: you could visualize them and say, "Why, sure, that's true — that's just the way I've always pictured it. How right that is."

In the final sketch, "Sherry at Six," the use of the hostess smile in varying degrees of stiffness and the hostess handshake in varying degrees of limpness said as much and more than the hostess cliché "how good of you to come."

We'd like to hand an editorial bouquet over the footlights to Miss Crawford, and invite her back for a third visit to HSC, as Tuesday marked her second appearance on the college's stage. We hope her next visit will be soon, for of Tuesday's performance, to borrow Miss Crawford's curtain line, we say "how good of you to come."

## KHSC Back On Air This Week With New Staff, New Programs

Station KHSC, 700 KC, campus training radio station, started regular broadcasts this week.

Under the management of St. Clair Adams, broadcasting is every day except Friday from 8 a. m. to 4 p. m. and from 6 p. m. to 9 p. m. On Fridays the schedule is from 8 a. m. to 2 p. m. The Radio hut, under the direction of adviser Dale N. Anderson, is located by the parking lot, south of the CES playground.

Most types of music, news, and public service programs for the military are carried over KHSC, and top radio programs for KINS are often scheduled.

Department heads include Val Webster, program director; Pat Vandever, music director; Diane Gillespie, traffic and continuity director; Hugh Clark, news and sports director; Coleman Banister, engineering director; Meh-

rad Azarmi, publicity and special events director.

Stan McDaniel, Bob Merritt, Brian Silver, Charles Tracy, Tom Hedges, Carl Moon, and Margaret Moore are new radio staff members.

From 8 to 12 a. m. a program entitled "Morning Variety" will be programmed, including music of all types. CBS News, at 9 a. m. and 1 p. m., will be an added feature of the station. At 9:35 a. m. and 12:30 p. m. the station will broadcast the weather report and forecast. The bulletin will be read at 10:35 a. m. "Music for Dining," a mood musical program, will be presented from 6 to 7 p. m. From 12 to 4 p. m. "Mid-afternoon Melodies" will be played. "Dance Time" will be presented from 8 to 9 p. m.

On Wednesdays and Fridays

## Glamour Contest Includes HSC

Humboldt State College has been invited to participate in Glamour magazine's 1959 "Ten Best Dressed College Girls in America" contest. This marks the first year HSC has been included in the annual contest.

The Glamour contest is being sponsored on campus by the Associated Women Students, and contestants will be judged on the ten points that Glamour considers necessary for best-dressed campus women: 1. Good figure, beautiful posture. 2. Clean, shining, well-kept hair. 3. Imagination in managing a clothes budget. 4. Good grooming—not just neat, but impeccable. 5. Appropriate campus look (she's in line with local customs). 6. A clear understanding of her fashion type. 7. Individuality in her use of fashion color, accessories. 8. A workable wardrobe plan. 9. A neat way with make-up (enough to look pretty, but not overdone). 10. Appropriate — not rah rah — look for off-campus occasions.

Three pictures of the candidate selected to represent Humboldt State — in an on-campus outfit, a daytime off-campus outfit, and a date dress (full or cocktail length) will be submitted with the official entry form to Glamour. At the beginning of March, a panel of Glamour editors will choose the "Ten Best Dressed College Girls in America" from entries submitted by hundreds of colleges in the United States and Canada.

The ten winners will appear on New York television (the 1958 winners were on Dave Garroway's "Today" show and on Arthur Godfrey's morning show), will be entertained in the homes of Glamour editors, at the theatre, and in famous New York restaurants. They will also have photographic appointments and will be interviewed by various Glamour editors.

The contest is being sponsored by the Associated Women Students under the direction of Judy Ferguson and Edwina Hash, co-chairmen. The AWS cabinet will select ten girls from the campus who best qualify. Voting will take place before March 1 and voting members will be the members of the AWS cabinet, Miss Kate Buchanan, dean of activities, and Mrs. Mary Farr, AWS adviser.

This is the first time such a national contest has been undertaken on this campus and the Associated Women Students are very pleased to be sponsoring it.

## Business Day Set For Next Month

The Business Division's annual Business Day will be held March 4 and 5.

This year the format has been changed to contain two days. One will be for high school visitation and the other will be a college instructional day.

Bob Close, business major from Rio Dell, this year's student chairman, reports that plans are moving ahead rapidly and that this year's program will be one of the most successful the school has seen. Faculty adviser for Business Day is Paul Menges, assistant professor of business administration.

The schedule differs slightly with "GI Record Shop," a program dedicated to the college veterans being heard on Wednesdays at 1:30 p. m., while a program of favorite classical music will be heard Wednesday at 7 p. m. "Concert and Khaki," a program of band music, will be presented on Fridays from 11:30 a. m. to 12 p. m.

For persons liking Broadway show tunes, "Show Time" can be heard on Monday, Tuesday, Thursday, and Friday from 7 to 8 a. m.

Anyone who buys an advertisement in the Lumberjack will be entitled to get a spot commercial as part of the station's training program.

Colorful Campi

## Be Prepared!

By Larry West

Used to be... back when I was a little kid that the future was nothing but bright. Now there's nothing but trouble. Used to think that when I got out of high school... Man, I had it knocked. But, then it looked like the way to have it really knocked was to get that ole sheepskin. Now I've 'bout got it and what happens. Everybody looking for engineers.

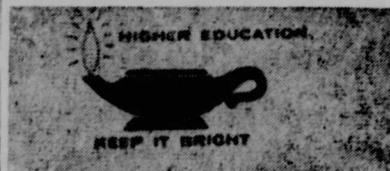

Come March and April you'll see what I mean. Down on the Cal Campi the recruiters are crawling out of the cracks in the sidewalk to nab unsuspecting seniors about to become ME's or CE's or AE's, etc.

Reminds me of a pal of mine... name of Indigot Snitz... Snitz was a group major... (his group included three nurses, two physical ed majors, one quad delt which is a square tri delt, and two housemothers.) With a major such as this Indigot didn't have much time to study... so he took such course as Ed. 111 (How to teach), Ed. 112 (How to teach teaching), Ed. 317 (How to teach bareback Hippo riding), Ed. 717 (How to teach Russian Roulette with hand grenades), and Ed. 1007 (What to do in case your Ed. teacher didn't cover the subject). Indigot reasoned that with all of these finer Ed. courses he would have no trouble getting a job... for even someone with a group major such as his is always in demand cause they can teach any subject. In fact, he went so far as to reason that if he took nothing but Ed. courses for four years he would be qualified to teach anything... he was right. But I digress.

After spending four glorious years at State College, Indigot

was happily strolling through the quad, when he was accosted by a smiling young man who had just emerged from the fish pond where he had been hiding. Before he knew what had happened the young man had signed him to a \$50,000 a year job, with expense account and a promise of every necessity... the young man then took Indigot down the steps and showed him a long, low, lovely Rolls Royce... the trunk of which held an assortment of the most delectable group specimens Indigot had ever seen. All Indigot had to do was spend the rest of his life putting test tubes together.

Indigot finally got through to the young man that he was not an engineer... but that he would be happy to do what he could for the company... so he was hired... and he moved lock stock and group to a villa in Hawaii where he trains secretaries for the chairman of the board.

A handful of tiny blossoms, patterned on polished cotton with one perfect rose. Washable.

## Campus Spotlight

By BONNIE

Well hello again,

A very happy Valentine's Day to you tomorrow!

CAROL FINLEY, CAROL MOLINDER, and BERNICE FINLEY certainly seem to prefer Oregon food rather than that of California. At least they gave that impression a few Sundays ago when they drove to Grants Pass merely for a cup of coffee!

Want to be sure and wish JANICE MOORE, LYDIA KAROLL and GINNY BAKER a very happy belated birthday.

Say fellas! in case that special gal of yours is still wondering what to get you for Valentine's Day, why not tell her to stop in at DALY'S Men's Department and ask for the "Hartog of California Gaucho". These new Care-free-Washable Knit Sweater Shirts are the very latest on every college campus. They come in a great variety of colors, for the low, low prices of \$5.98 to \$10.98. Also, for only \$1.00 she can get the new Phoenix Wash 'n Wear Drip Dry Socks to match! These soft Combed Cotton Stockings have the nylon reinforced heel and toe for your added comfort. Boy, will you men look sharp! She just can't go wrong with a gift from DALY'S.

Pre-teen conversation overheard at CES. "I had a long talk with my father about girls last night—he doesn't know anything about them either."

Wasn't the AWS "Spring Fancy" Fashion Show just beautiful? LINDA SARBOE surely did a wonderful job on decorations; HELEN CUNNISON, advertising manager at DALY'S, did a terrific job as commentator; and the ten lovely HSC coeds did a modeling job of perfection. BARBARA WILBER, chairman of the fashion show, also deserves a lot of credit for a big job well done.

Here's another hint to all you fellas. Will that special someone ever be thrilled if you give her a new Sissy Drip Dry Blouse from DALY'S Center Aisle. Best of all, these Tuck-in and Over Blouses require little or no ironing! Better hurry though, as tomorrow is Valentine's Day, and you won't want to miss a gift like this. \$3.95 to \$5.95 buys one. DALY'S also have a very special gift wrap, and I'm sure MARY SUE will be more than happy to help you.

For that special little added touch tomorrow, why not send your friends a clever Contemporary Card from DALY'S Center Aisle. Just any variety of cards imaginable, from 5c to \$1.00.

Am running out of space . . . so bye till next time! Don't forget that DALY'S is open tonight till 9 for your convenience.

Give Cupid a lift  
With a Valentine gift,  
From DALY'S

## Pat's Perusals

By PAT BAKER

Things have been real quiet around the Lumberjack office due to the loss of voice by the editor Diane Anderson. None of "Where have you been?" "Out!" "What did you do?" "Nothing!" business. All kidding aside, hope you are feeling better. Besides, it is hard to explain why a story isn't in the copy box by writing the explanation on the blackboard.

A Syracuse journalism professor thinks he has a solution to the problem of increasing enrollments at the college level. The solution: persuade more girls to stay home. His reasoning behind the thought is that girls are just in college to find a husband and marry. He feels they never make use of their college education! How about it, girls?

Oops! Wrong door. By reading the Today's Bulletin you find out the dressing rooms in the Women's Gym have been changed. The north locker room, formerly the Women's dressing room is now for MEN ONLY. The east lean-to, formerly football dressing area, is now for WOMEN ONLY. Ah! confusion . . . and what if you are absent-minded?

More students are needed for the dance club. If you are interested in learning the basic steps in both American and La-HSC dance club. The lessons will be only \$6 . . . from Arthur Murray Studio . . . includes six one-hour lessons plus two evening practices. However, if more than 50 of you danceable students sign up, the cost will be reduced to \$5. The first lesson will be Wednesday at 8 p. m., at the Arthur Murray's studio in Eureka. All you have to do is sign up in the Dean of Activities Office . . . now!

Interested in sports? There are quite a few sporting clubs and events now being offered on campus. Like to bowl? If you want to do some bowling with the Student Union . . . contact Gary Timmons at HSC box 1242. You do not have to be a good bowler . . . just interested in having fun and making friends. Are you a golfer? If so, varsity golfers are needed, and interested persons are desired. See Mr. Sarboe in the Men's Gym, room 103. Also, some of the students are interested in forming an Outing Club. Plans underway call for hikes and a variety of events worth participating in. All you have to do is take your choice, if you are sports minded.

Valentine's Day! "Valentine, you're a real live angel!" . . . Flip the card and you get the message, "Always Harping!" Feb. 14 is not what it used to be.

Have you heard about the new course being offered at HSC? It's entitled "Barkstripping" . . . offered DHR . . . by Holmes Eureka Lumber Company.

## Inquiring Reporter

This week's question: "HOW WOULD YOU START A CONVERSATION ON A FIRST DATE?"

Virginia Baker, frosh, Bus. Ad.; "The first thing that pops into my head."

Clyde Klaumann, soph; Elem. Ed.; "Was it cold standing on the street corner?"

Jonette Gillispie, frosh; Sec. Science; "Usually something about school, or anything that's interesting."

Ray Schofield, frosh; "Ever seen Fickle Hill by moonlight . . . hmmmmmmmmmm?"

Joan Broderick, frosh; Business; "All depends on who I was out with."

Keith Weidkamp, frosh; "Have you been working out for track late?"

Jan Reynolds, Soph; History; "Where you from, and what's yer major?"

Doug Kane, Soph; Poli Sci; "Ever been on the beach at Table Bluff after dark?"

Alice Glines, Jr., English; "Who talks?"

Tom Hedges, Frosh; Sociology; "I'm speechless!!!!"

Jerry Batten, Sr., Psych; "Do you dig Kenton? He's ah com-in' to HSC!"

Gary Thrapp, Jr., Elem. Ed.; "What's on at the drive-in, babe?"

## Alums Schedule Annual Dinner; To Raise Dues

The executive board of HSC Alumni Association met Feb. 2 at the home of Mr. Earl Biehn '48. On the agenda was discussion of dues and plans for the Founder's Day Banquet, which will be held April 4.

As of July 1, 1959, the annual dues will be raised from \$1 to \$5. Life membership dues will be raised to \$25. Formerly these dues were \$10. Anyone joining the Association before July 1 of this year will be eligible to pay dues under the old schedule.

Any student who has completed 16 units is eligible for membership into the Alumni Association. Applications for membership can be obtained at the Placement Office.

Co-chairmen for the Founder's Day dinner are John Mitts '58, and Mrs. Pat Roscoe '53. The banquet will be held April 4 at the Bella Vista Inn. The purpose of the dinner is to give honor and recognition to the staff members who are retiring at the end of the academic year.

## THE PEN IS MIGHTIER THAN THE SMOOCH

Back in my courting days (the raccoon coat was all the rage, everybody was singing *Good Morning, Mister Zip Zip Zip*, and young Bonaparte had just left Corsica), back, I say, in my courting days, the standard way to melt a girl's heart was to write poetry to her.

I don't understand why young men today have abandoned this gambit. There is nothing like poetry for moving a difficult girl. What's more, poems are ridiculously easy to write. The range of subjects is endless. You can write a poem about a girl's hair, her eyes, her lips, her walk, her talk, her clothes—anything at all. Indeed, one of my most effective love lyrics was called *To Maud's Pencil Box*. It went like this:

In your dear little leatherette pencil box  
Are pencils of yellow and red,  
And if you don't tell me you love me soon,  
I'll hit you on top of the head.

Honesty compels me to admit that this poem fell short of success. Nothing daunted, I wrote another one. This time I pulled a switch; I threatened myself instead of Maud.

Oh, Maud, pray stop this drivel  
And tell me you'll be mine,  
For my sweetbreads they do shrivel  
And wind around my spine.

My heart doth cease its beating,  
My spleen uncoils and warps,  
My liver stops secreting  
Soon I needs be a corpse.

When this heart-rending ballad failed to win Maud, I could only conclude that she was cruel and heartless and I was better off without her. Accordingly I took back my Hi-Y pin, bade her adieu, and have not clapped eyes on her since. Last I heard, she was working in Galveston as a Plimsoll line.

But I did not mourn Maud long, for after Maud came Doris—Doris of the laughing eyes, Doris of the shimmering hair, Doris of the golden tibiae! Within moments of meeting her, I whipped up a torrent of trochaic tetrameter:

Oh, my sweet and dulcet Doris!  
I love you like a Philip Morris  
With its mild and rich tobacco  
In its white and scarlet pack-o.  
I'd swim from Louisville to Natches  
For Philip Morris and you and matches.

Well, of course, the dear girl couldn't resist a poem like that—what girl could?—and she instantly became my slave. For the rest of the semester she carried my books, washed my car, and cored my apples. There is no telling where it all would have ended if she hadn't been drafted.

So, men, you can see the power of poetry. Try it yourself. All you need is a rhyming dictionary, a quill pen, and a second-hand muse.

© 1959, Max Shulman

Let's drop rhyme and turn to reason. The reason Marlboro has gone to the head of the filter cigarette class is simpler better "makin's"—a flavor that pleases, a filter that works. Marlboro—from the makers of Philip Morris.

## 'Waiting For Godot' Offers New Experience For Theater-Goers

By ROGER WERTS

"Waiting for Godot" holds the promise of being a stimulating production. Though not purported to be entertaining in the common sense of the word, the play should be a remembered experience for those in the audience who see the play with emotions rather than intelligence. The meaning of "Waiting for Godot" must be felt; it can't be explained. "It is a hauntingly strange play, conveying impressions of some melancholy truths about the destiny of the human race," according to one drama authority.

The character of the author, Samuel Beckett, is reflected in this, his first play. He is a strange, moody and pessimistic man, and has been described as tall and gaunt, "like a fiery apostle." Over the years he has written about 20 books — poetry, novels, and short stories.

The play was first produced in Paris in 1952 where it was a huge success. It was then produced in various European cities where it was equally successful. It was not

so readily received in the U. S. and although its success has increased here it has not yet reached the peak that it has in Europe.

"Waiting for Godot" is now in rehearsal in preparation for production on Feb. 27 and 28. Dr. Jerry Turner, who is directing the play, has closed the rehearsals to the public, an unusual procedure at HSC. Dr. Turner felt this was necessary because of the nature of the play and the difficulty of preparation for production.

## ASB Council Sets Way Of Selecting Committee Chairmen

Because of the interest shown by students on the campus in chairing the various committees which plan activities throughout the school year, the executive council has instituted a new procedure for choosing these chairmen.

All of those people who wish to become the chairman of a particular activity, such as Homecoming and Dad's Day, must apply at the Dean of Students Office. The applicants will then be screened by appearing before the executive council and presenting an outline of their plans for the particular activity they are interested in.

As explained in the council, the procedure will serve a two-fold purpose. First, it will give the council a chance to meet and to discuss with the prospective chairmen their ideas concerning the various activities. Secondly, it will give an added incentive to prospective chairmen to thoroughly plan a course of action for the various activities. This should build a reserve of good ideas which can be drawn upon in conducting each activity.

## Circle K To Hold Installation Tomorrow Night

The Humboldt State Circle K will hold their installation of officers ceremony tomorrow night at Eureka.

Newly elected officers are Neal Evans, president; Frank Alden, vice president; Jack Lewis, recording secretary; Joe Mayfield, treasurer and Hugh Clark, corresponding secretary.

Also named to the club's executive board for the spring semester were John Berry, Frank Chester, Fred Morse and Ruben Segura.

The ceremonies will be held at 7 p.m. in Eureka at Walt's Steak House on Broadway.

## Contrast Of New Band Uniforms Shown

The past and future of HSC band uniforms are shown here in contrast. The old, left, was in use prior to 1952, was replaced by the familiar Lumberjack uniform which in turn will soon be replaced by new marching style outfits, right, according to Dr. David Smith, band director. See story page 1.

### Mardi Gras Dance Draws Large Crowd

The annual Mardi Gras, sponsored by the Newman Club, was held last Saturday evening in the Women's Gym. The pre-Lent dance followed the HSC-Gonzaga basketball game.

Co-chairman Kathy Katri reported that about 300 students, many in costume, danced to the music of the Melodiers.

Prizes were awarded to John Funk and his date for best costumed couple. Jan Reynolds received the prize for the woman with the best costume.

The prize winning balloon in the traditional Balloon Drop was not found, so the members of Newman Club may raffle off the prize at their next meeting.

Mrs. Kathy Goetz was elected Queen of the Mardi Gras and coach Gordon Schroeder received the King's crown. Mr. William Jackson, Newman Club adviser, announced the King and Queen.

### "STAN KENTON DAY"

February is a month of special days — Lincoln's birthday, Washington's birthday, Valentine's Day, and Stan Kenton Day. Haven't you heard? Stan Kenton and his great, new, 20-piece orchestra is coming to HSC. When? February 25 at 8:30 p. m. Where? The HSC gymnasium. Get tickets for the Stan Kenton Concert from any member of the HSC Jazz Club. Make a date now to make Stan Kenton Day your big day in February.

### Casting Completed For Welsh Comedy

It has been announced by Mrs. Evelyn McCurdy, who will direct the play, that the casting for "The Corn Is Green" has been completed. "The Corn Is Green," a three-act Welsh comedy with a serious plot, is to be presented on May 1, 2, 8, and 9. It will be the final play of the 1959 season for the HSC Players.

# Do You Think for Yourself? (ANSWER THESE QUESTIONS AND FIND OUT!\*)

1. If you were about to buy an automobile, would you (A) study the road-test reports in the magazines, or (B) select the car that looks best to you?

A ☐ B ☐

5. In buying a radio, would you be influenced more by (A) low price, or (B) product features despite a slightly higher price?

A ☐ B ☐

2. When confronted with a menu with lots of foreign terms, do you (A) ask what is in each dish, or (B) accept the waiter's recommendation?

A ☐ B ☐

6. When deciding on what movie to see, do you usually prefer films that (A) are gay and diverting, or (B) have a social message?

A ☐ B ☐

3. When invited to play an unfamiliar game, do you (A) refuse to play until you fully understand the rules, or (B) pick up the rules as you go along?

A ☐ B ☐

7. When you run into a foreign phrase in a textbook, do you first (A) head for a dictionary to find the meaning, or (B) try to dope out the meaning yourself?

A ☐ B ☐

4. When invited to a party, do you (A) accept, hoping to enjoy yourself no matter who attends, or (B) try to learn who will be there before accepting?

A ☐ B ☐

8. When reading the paper, do you (A) catch yourself concentrating on scandal stories, or (B) spend your time on news and editorial matter?

A ☐ B ☐

9. In choosing a filter cigarette, (A) are you easily swayed by bold claims, or (B) do you think for yourself and stick by your decision?

A ☐ B ☐

If you're the kind of person who *thinks for yourself* . . . you use judgment in your choice of cigarettes, as in everything else. Men and women who think for themselves usually smoke VICEROY. Their reason? Best in the world. They know that only VICEROY has a thinking man's filter and a smoking man's taste.

\*If you checked (A) on three out of the first four questions, and (B) on four out of the last five . . . you really think for yourself!

The Man Who Thinks for Himself Knows — ONLY VICEROY HAS A THINKING MAN'S FILTER . . . A SMOKING MAN'S TASTE!

By DAVID MAXON

While testing a new method of toasting English muffins on a gas burner recently, I heard a newscast saying that the Six Rivers National Forest, which is east of us, will be receiving several hundred thousand Douglas Fir seedlings this spring for reforestation. Since even a few hundred trees takes a lot of work, I stopped to figure the number of men and man-hours required to play foster parent to each of these seedlings.

The slide rule jammed at the square root of pi, so I had to calculate roughly, arriving at the conclusion that the Forestry Club on campus would be busy most of the semester. As the smoke from an English muffin fouled the air, I resolved to speculate on the liniment market, since there will be lots of sore backs on campus very soon, and speculation seems to be pretty profitable 'round here. The correct method, incidentally, of toasting an English muffin, is to invert a pie plate over the flame and use your wits to keep the browned surface brown and not black.

Blurb in the Chronicle caught my eye the other day. The National Science Foundation has found in preliminary tests with guinea pigs that certain proteins produced by bacteria have been successful in protecting the rodents from tuberculosis. The interesting part is that these bacteria are found in the intestines of an African wax-eating bird. The bird, known as the "honey-guide," lives on the wax found in the honeycombs of wild bees. Various animals including man have used this dietary trait to locate the honey by watching the "honey-guide" bird. The article went on to point out that information gained in one field of the biological sciences, may lead directly to valuable finds in other fields. So next time you see the ornithology class strolling out on our end of the campus, with binoculars glued to their faces, don't laugh, for they may be protecting you from tuberculosis!

Yours truly investigated the advance report which I gave you last time and found the dope to be straight. Over the weekend I sampled the night fish populations and found that my cumulative index had risen with a fine but small mess of the silvery finsters to show for the heart of a bitter-cold night gone. The fire was warm and since I was the lucky one and didn't get rolled by a wave, for a change, the night was well spent with none of the usual blisters from the net. A word of warning however. It's not the danger involved, but the cumulative index which I mentioned above. This is the number of pounds of night fish that you have caught, divided by the number of nights spent at it. There is a high correlation between the relative importance which you attach to this index and your G. P. A. at our fair college. There is no more pleasant way to flunk out than to become afflicted with the night fishing malady. Believe me, once you have the bug you're gone!

The tenth annual Sierra-Cascade Logging Conference is in session in Redding now (12-14 Feb.). The theme of the meet-

## Humboldt Drama Display To Be Shown At SJSC

Dr. Jerry Turner announced that the HSC Drama department plans to enter a display in a dramatic exhibition to be shown at San Jose State College. The exhibition will be held in the lobby of their Main College Theater, April 10 through 18. The purpose of the exhibition is to show examples of the dramatic production works of west coast colleges and universities, consisting of photographs, posters, programs, model sets, design sketches, and any other appropriate material.

joy seeing the Moray eel which gloms onto my hand. A specimen in the aquarium in Honolulu with a total length greater than mine was a powerful persuader. The Crescent City jetty yielded 120 pounds of ling cod in two hours this summer for two student fishermen, when visibility was good. This was all by "free diving", that is, without the use of any breathing gear other than that with which you were born.

ing is "Logging — From Ox Team to Jet Stream."

The skin diving set reports that abalones and scallops are still available to those with a strong stomach. The latter is required with a set of steel nerves to boot to take the gummy quarry. Groping blindly in the muddy murk is not my idea of good spear fishing, of which I've done considerable. They said its a great sport — like playing tennis in the dark! I en-

## Nelson Hall Women Nominate Officers

Nominations were held for the spring semester officers of the Nelson Hall Women at a bi-weekly dorm meeting on Feb. 5.

Vieing for second semester officer are: pres, Mona Armstrong, Linda Woodruff; veep, Suzie Ratliff; secretary, Pat Laws, Loretta Trutal, Carolyn York, Rosalie Waits; treasurer, Lynn Richer; AWS rep., Joan Iverson, Joan Rasmussen; Inter - Club Senate representative, Karla Kaski, Helen Wilson; Fire chief, Sandy Zunino, Donna Cleveland, Yvonne Nielson, Lois Gardenhire, Gerry McGovern.

Results of the elections will not be revealed until the formal installation which is to be held in the Nelson Hall Cafeteria sometime next week.

Former fall semester officers

were; pres. Mona Armstrong; vice pres., Margo Cole; secretary, Llo-wina Kaapana; treasurer, Lynn Lehman; AWS rep., Joan Rasmussen; ICS Rep., Pay Mayer; and Fire Chiefs, Carol Ayers and Jonnette Gillespie.

Chances are you have Spark Plug "Miss"

# Super Shell *with TCP* *Adds Anti-Miss to anti-knock*

Super Shell with TCP stops spark plug "miss" which wastes gasoline and robs you of as much as 20 to 30 horsepower

You can't see it, you can't hear it, but you can feel spark plug "miss"—when your engine's power fades. And this happens at critical times when you need power most.

Now you can buy a totally new gasoline, Super Shell with TCP additive, so high in octane number that engine knock is no longer a problem. But in the high-compression engines of today's cars, anti-knock alone is not enough.

That's why TCP\* adds anti-miss to anti-knock. TCP additive neutralizes harmful deposits that cause spark plug misfiring—stops "miss"—restores 20 to 30 horsepower.

You'll get better mileage, too, from a "power pack" of aviation fuel ingredients. Their extra energy converts automatically to extra mileage.

See your Shell Dealer.

\*Shell's Trademark for this unique gasoline additive developed by Shell Research.

A totally new gasoline! Get it in the New White Pump!

The most powerful gasoline any car can use—Plus TCP for Anti-Miss

## Gymnastics Group Has Busy Schedule

Long hours of hard work again enabled the HSC gymnastic squad to demonstrate their crowd pleasing abilities during the halftime of the Humboldt State Gonzaga basketball game last Saturday night.

The gymnastic group under the direction of coach Carl Kinzer puts on fifteen shows in the Humboldt County area each year. In the first seven shows this year, the group performed on the trampoline, mina-tramp, long horse, mats and parallel bars. Another show is being planned for visitation day.

Students participating in the Humboldt gymnastic program include Fred Whitmire, Dolores Baldwin, Ruth Haydon, Barbara Hedberg, Diana Lyons, Tim Johnson, Don Johnson, Chlorita Furnish, Muriel Armstrong, Linda Sarboe, Donna Heckman, Kay Gerdes, Carol Sanders, Ron Petersen, Carl Struby, Tony Moreno, Jim Westmoreland, Dave Shank, Jim Styner, Pat Pinochi, Justin Crosby, Mario Toso and Sal Siino.

## Opponents Fared?

Chico State's young frosh laden varsity basketball club knocked Nevada down for the first time in Conference play last Saturday night when the Wildcats took a slim 62-59 upset from the Wolfpack. In the first game of the two night stand the varsity Reno five grabbed a fourth quarter 69-59 victory.

San Francisco threatened Nevada's dominance of the Far Western Conference when they won two games from Cal Aggies to remain only one game behind the Wolfpack quintet which fell a half game behind 3-0 Sacramento State.

The two Gator wins were by the large margins of 65-57 on Saturday night and 80-53 in the opening meeting.

## New Lumberjack Swim Pool Near Completion; Wide Program Planned

Many swimming activities have been planned for Humboldt State's new indoor pool. The pool, which is scheduled to open this week, will be used mainly by the physical education classes.

## Folk Dancing Still Open To Students

This semester Miss Kay Gott will have a Folk Dancing class on Thursday evening at 7 o'clock.

The class at the present time consists of twenty-two students—eleven men and eleven women. However, the class is open to all registered students if any wish to audit it without credit. It is also open to any student who wants a half-unit credit of P.E. 33.

At the present time, the class is working on the fundamental basic steps. These basic steps are: Polka, Two-Step, Waltz, and the Schottische step. In the future the class will go into some International Folk Dances, some Round Dances, and the Square Dance.

## Ned's Men's Wear Downs Junior Jacks

Greater experience proved to be the difference last Saturday night as Ned's Men's Wear downed Humboldt State's Junior Jacks, 54-40.

The two teams played almost even in the first half as Ned's led 26-22. But the former Humboldt stars started hitting the hoop in the second half and pulled away.

Marion Chandler led the Junior Jacks with 10 points while Ron Fredricks scored 22 for Ned's.

Paul	2	0	2	4
Wright	0	0	2	0
Lawson	0	0	2	0
Smith	3	0	1	6
Myers	2	3	3	7

There will be 15 swimming classes a week when the program gets into full swing. Four of these classes will be elementary swimming, two for men and two for women. Dr. Asprey will instruct the men and Mrs. Goetz, the women. Six intermediate classes are scheduled, four of which will be for men with Dr. Asprey and Mr. Schroeder instructing. One intermediate class will be held for the women and one will be coeducational, both under the supervision of Mrs. Goetz. For the advanced swimmers, Miss Gott will teach two classes of life saving. One water safety instruction class will be held under the direction of Dr. Watson.

A swim team is being provided for this year on an informal basis, the purpose of which is to develop swimmers. Also scheduled on an informal basis is water polo. This may soon be worked in the intramural program.

The pool will be open to the students for recreational swimming. The students will have to provide their own suits and swim caps. A lifeguard will be on duty at all times when the pool is in use.

## WHAT'S WHAT by Hugh Clark

The Humboldt basketballers sure made a big monkey out of us last Saturday night. The Jacks were really on and no prediction or top team like Gonzaga was about to stop them.

It was Grant Erhart rebounding, Eddie Thomas and Bill Caver shooting with Joey Miller scoring and Joe Johnson rebounding and Johnson and Erhart jumping against Jean Lefebvre when the tall 7'3" center was playing, that made the Humboldt ice box defrost.

It can be said from what's what, that Humboldt is one team that can win on any given night and we'll stick by that for the remaining six games.

W-H-A-T-'S-W-H-A-T-

Surprisingly enough, while Humboldt was having scored more points against them than in any previous game and still winning, that the NAIA announced through their services that the Hilltop campus was number two in the nation on defense. Perhaps Coach Franny Givins would gladly give up his position in the NAIA defense for a few more wins like the Gonzaga on last Saturday night.

W-H-A-T-'S-W-H-A-T-

Another milestone will have been reached when the first Humboldt student takes the initial dive next Monday when the new Lumberjack swimming pool is officially opened.

During the past week a continual line of students have moved back and forth anticipating the opening of the new collegiate size pool.

Dr. Joseph Forbes, head of Physical Education division, said, at present there will be no swim teams but eventually Humboldt may begin a water polo and swimming competition program.

W-H-A-T-'S-W-H-A-T-

Next week will be a busy one for Humboldt athletes. For on Monday the pool will open, Tuesday the second annual boxing and wrestling show will be staged and on Thursday the Humboldt wrestling team will travel to Chico for their first crack at intercollegiate grappling.

The next day Humboldt hosts the Cal Aggies for their final games of this season's Far Western Conference. And, that's what's what!!!!

## TURN IN LINEUPS!

An urgent request was issued by coach Gordon Schroeder for intramural team captains to turn in team lineups. Only one lineup was turned in during the last week.

Due to a lack of these lineups the first spring activity, basketball, has not yet started.

## Golfers Begin; Prospects Bright

With four lettermen returning, golf coach Phil Sarboe is very optimistic about the upcoming golf season. Coach Sarboe says "if Captain Rod Sandretto can iron out some work and study commitments, the 1959 golf team may be the best in the history of HSC."

Sandretto, Chuc Blackburn, Billy Caver, Pete Dye, and Patrick Benson are returning veterans who all competed on the 1958 team.

Blackburn is the number one man on the team and is a strong candidate for honors as the top golfer in the Far Western Conference. Dye and Caver were strong last year and should give a good account of themselves. Caver at the present time is playing with the Lumberjack cage team. Benson was an alternate in 1958 and is fighting for a spot on the five-man team.

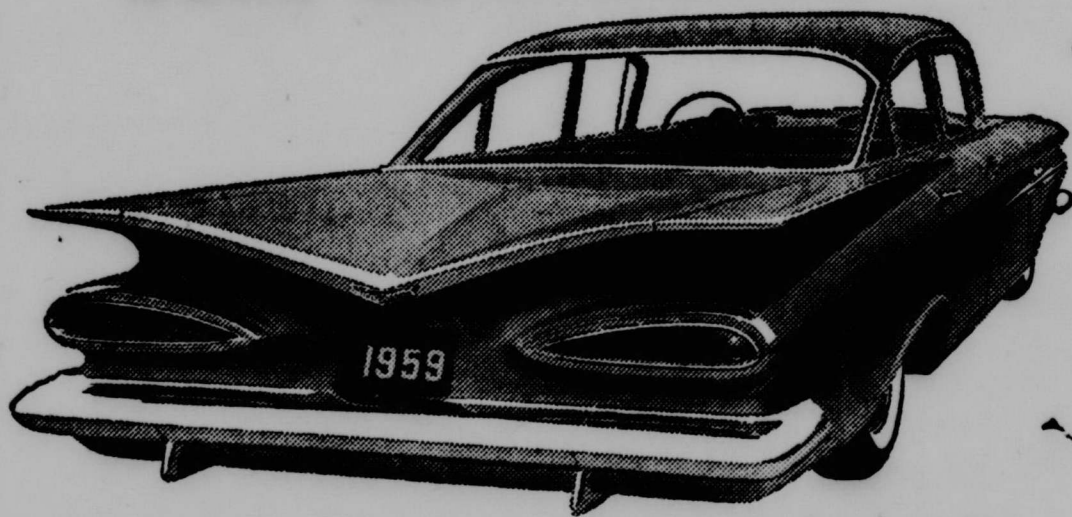

Also battling for berths on the team are three newcomers, John Yingst, Mel Bailey, and Rich Bailey.

## Outings Planned

The Outing, or Boot and Blister Club is now in the process of being organized, according to Dr. Charles Cooper, adviser.

The club is designed to stimulate interest in the natural beauty of the area around HSC. Charles Bloom, co-adviser, commented that the organization is not designed primarily for students in the Wildlife Department, but that it is designed for all students. The group will meet next week with date and time to be announced.

GOES AND  
GOES AND  
GOES ON A GALLON !

Biscayne 4-Door Sedan shows the Fisher Body beauty of Chevrolet's lowest priced series for '59.

## CHEVY'S NEW HI-THRIFT 6

More miles are back in a gallon of regular-grade gas—up to 10% more—and Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "git" in the speeds you drive the most.

Here's an engine that always seems able to coax extra miles out of a tank of regular-grade gas. In fact, if you're one of those drivers who keep tab on things like gas mileage, you'll soon see for yourself that this new Hi-Thrift 6 gets up to 10% more miles a gallon.

Another thing you'll like about this 135-h.p. 6 is the

extra pep it gives you for passing and climbing hills. This is due to higher torque at normal speeds.

It may be hard to believe anything that looks and moves like this '59 Chevy can be such a stickler for economy. But—whether you pick the Hi-Thrift 6 or a vim-packed V8—this is just one more reason Chevy's the car that's wanted for all its worth. Stop by your dealer's and see.

The smart switch is to the '59 Chevy!

now—see the wider selection of models at your local authorized Chevrolet dealer's!

# Wolves Here Tonight; HSC Wins

## Upset Victory, 70-65; Best Cage Showing Of 1959 Season

By DENNIS GIUNTINI

The Humboldt State Lumberjacks scored the first time they got the ball Saturday night and went on to post a 70-65 victory over the University of Gonzaga Bulldogs. From there the Jacks boosted the lead to 8-1 and did not relinquish it for the rest of the ball game.

Gonzaga threatened to take the lead only twice. Near the end of the first half the 'Zags cut the margin to four points, and midway in the second half they closed the gap to two points, 47-45.

In the first half, Humboldt hit on 19 field goals out of 40 attempts to take a 39-35 halftime lead, as Captain Joey Miller led the way with 10 points. Gonzaga hit on 13 out of 36 attempts from the floor.

The Jacks played ball control in the second half and went for the good shots. They tried 23 shots from the floor and hit on 13 for a very respectable 56.5 per cent. Gonzaga hit 11 for 36 in the second half and wound up with 24 for 72 for the night. Humboldt's over-statistics showed 32 hits on 63 attempts for 51 per cent.

For the first time this season, the Lumberjacks came up with an all-around offensive punch as four of the starters hit double figures. Joey Miller led the way with 16 markers, while guards Billy Caver and Eddie Thomas hit for 15 and 14 respectively. Center Grant Erhart chipped in with 10. Erhart did a tremendous job on Gonzaga's 7'3" Jean Claude Lefebvre under the boards. Erhart beat the Frenchman on several jump balls and also added two important tips that the big man couldn't stop.

For Gonzaga, Frank Burgess played a tremendous game as he kept the Bulldogs in contention with a 30 point effort. The 6'3" forward scored 17 points in the first half and added 13 more in the second.

With ten minutes to go in the game, the Lumberjacks used their deliberate style and forced Gonzaga into a press. The over-anxious 'Zags, who had to get the ball, fouled time and again and the Jacks converted these into valuable points in the closing minutes.

### SACRAMENTO UNBEATEN

The Sacramento State Hornets took a 70-47 win last Tuesday night over Cal Aggies' Mustangs to maintain their undefeated record in Far Western Conference cage play.

Behind Chuck Mobley's 26 points the Hornets had a slim 28-24 halftime lead and went on to an easy win. The victory gave Sacramento an unblemished 4-0 conference record.

# SPORTS

## Humboldt State Is Second In Defense

Humboldt State College was listed second in the United States in small college basketball defense, according to statistics released early this week.

Coach Franny Givins and his Lumberjack cagers have a 8-9 won-loss record but still remain one of the top teams in the nation on defense. The NAIA said that Humboldt was second to Oglethorpe State in Georgia.

The Hilltoppers have a defensive average of 49.0 to the first place's 43.4. There were 30 teams rated for their defensive abilities.

## May Start Tonight For Lumberjacks

These five Lumberjacks may get the opening call tonight, if not, they are all expected to see considerable action. Picture left to right with

Coach Franny Givins (back) are George Milonis, Joe Johnson, Larry Krupka, Grant Erhart, and Eddie Thomas.

## European Gymnast In Exhibition Monday, Tuesday

Miss Andrea Molnar, young Hungarian refugee gymnast, will be on campus Monday and Tuesday.

Miss Molnar is an Olympic Gold Medal winner in gymnastics, who won her medal in free exercise. She is proficient on the rings, rope, horse, and buck and balance beam. Miss Molnar has also requested the use of Humboldt's parallel bars as uneven bars.

Her tentative schedule is Monday, 11 a. m., Men Majors; 1 p. m., Women Majors; 2 p. m. Women Majors; 8 p. m. open to high school teachers and college students. Tuesday, 9 a. m., Gymnastics Class; 10 a. m. Men Majors; 11 a. m. Men Majors; 2 p. m. Women Majors; 3 p. m. Photography class; 8 p. m. Boxing and Wrestling show. The student body is invited to watch the workout demonstrations.

## Humboldt Could Spoil Nevada Title Chance

Humboldt State basketball fans get another chance to see the Lumberjacks in FWC play tonight and tomorrow night when they host the pride of the conference, Nevada University's Wolfpack.

While the visitors are not in first place they are less than a game away and have only one upset on their record. The same Reno five was able to collect a single win in the Christmas tourney but it seems that star center Stan Summers, 6'7" hook shot artist is ready to go. Against Chico on Friday night he managed 27 points but the young Cats came back to nip the Wolves on Saturday.

Meanwhile the Jacks have been counted down but not possibly out. Last week they upended the favored Gonzaga Bulldogs in the greatest upset in recent Jack cage history. They hit on over 50 percent of their attempts.

Joe Johnson, Joey Miller, Grant Erhart, Eddie Thomas and Billy Caver will open tonight for HSC. The Wolfpack boasts Summers along with veterans Bob Lyons and Chuck Walker and Ken Longero with Val York.

**"The System .. Part Two"**

By Tony Vasquez

When in the course of human events and more specifically in student events at Humboldt State College it becomes necessary for students to pay to get into an ASB-sponsored affair there is some screaming to be done. Being a screamer of the first school I shall therefore voice my opinion on the Gonzaga game.

It seems that sometime in the limbo of last year or last summer or somewhere thereabouts a fiendish scheme was dreamed up by parties unknown to bring into existence a compulsory activity card. This activity card, as such, was never put before the students for approval but was instead merely piled neatly upon the other expenses.

The constitution, as it reads now, makes provisions for two cards, a membership card and an activity card. Any person duly registered as a student of Humboldt State College and who has paid the membership fee shall be given a membership card. So reads the constitution. Having enrolled and received your card under Article 1, item 10 you have the PRIVILEGE of purchasing an activity card. There is nothing about a compulsory activity card.

Quote from the Lumberjack, "Students are reminded that the game may be a sellout and that only 800 students may get in with their student body cards." This is an outrageous situation. From this figure about 1000 Humboldt State College students with COMPULSORY ACTIVITY CARDS got left holding the bag. All this for a sensational "exhibition" game, for what else can we call it, after reading the advance publicity.

It grieves me that the Executive Council could let such a ruling as the Gonzaga game get past them, seeing that all monies and appropriations are the sacred ground of the Executive Council. It is about time that they were given the power, without administrative interference, to decide for themselves on some of these pressing issues. I am quite sure had they been given a chance they would not have let this gross violation of the constitution get past them.

The constitution allows all members of the association with an activity card to attend all ASB sponsored activities according to the provisions set down by the Executive Council. But a funny provision it is indeed to have to pay your way into the game.

I was quite incensed about the whole affair before going to the game and merely presented my shining new activity card at the door.

They said to me, "It will cost you 75 cents." I said, "But I am the proud possessor of a student body card."

"That is good," they said, "otherwise it would cost you \$1.25." This made for a very unhappy time. It was a student and a member of the Executive Council that said this to me. Too bad. It ruined a perfectly wonderful basketball game. The Humboldt State College basketball team last Saturday night at the HSC gym was the greatest I had ever seen. All I could think of all night was puppet.

Nuff said. But it was only something like this that could bring me out of my column writ-

ing retirement. I only hope that we are not sent down the tubes, sideways, screaming bloody murder again. Our chosen leaders Money isn't really all that important. There are certain ethics.

Thinklish: WOODLE

BARBARA ARLOW, SANTA MONICA CITY COLL.

English: LOVESICK REPORTER

Thinklish: YEARNALIST

DAVID PAUL, MARYLAND

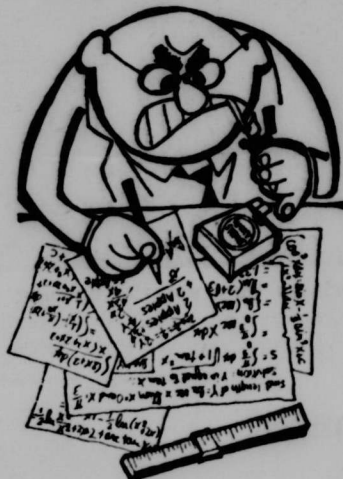

English: TALKATIVE ELEPHANT

Thinklish: YAKYDERM

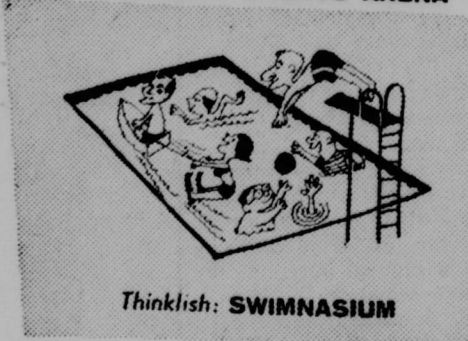

JUDY Sisson, U. OF WASHINGTON

English: ANGRY ALGEBRA TEACHER

**Thinklish translation:** This fellow reads nothing but the phone book (numbers only). The only music he likes is logarithm—the only dessert he'll eat is pi. When it comes to smoking, he's 100% for Luckies. Enjoying the honest taste of fine tobacco, he's a fairly agreeable fellow. But the second he misplaces a decimal (or his Luckies), his ire multiplies. Label him wrathematician . . . you've got his number!

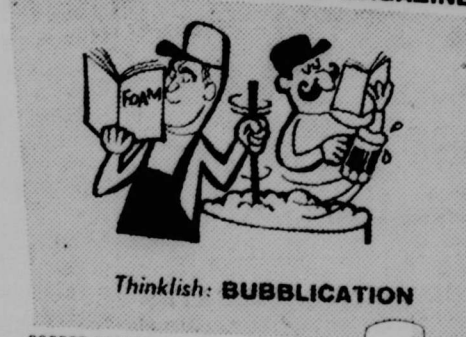

English: AQUATIC SPORTS ARENA

Thinklish: SWIMNASIUM

JOHN VISNAW, JR., U. OF DETROIT

English: BREWERY TRADE MAGAZINE

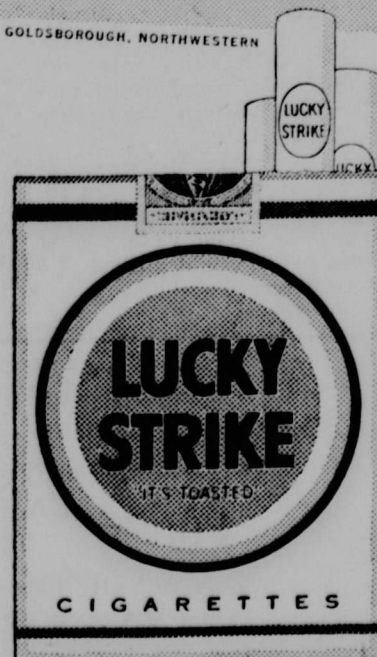

Thinklish: BUBBPLICATION

ROBERT GOLDSBOROUGH, NORTHWESTERN

**MAKE \$25**

Start talking our language—we've got hundreds of checks just itching to go! We're paying \$25 each for the Thinklish words judged best! Thinklish is easy: it's new words from two words—like those on this page. Send yours to Lucky Strike, Box 67A, Mt. Vernon, N. Y. Enclose name, address, college and class.
