ARCATA, CALIF., FRIDAY, MAY 15, 1959

No. 30

SPECIAL ALUMNI NEWS SECTION

SEE PAGES 5, 6, 7

PICTURED left to right are Bob Cruikshank, Ernie Spitz and Joe Mayfield, three of the contestants in the Lucky Logger II contest. The contest will be judged by a local barber and crowned tonight at the Wood Chip Chop dance by Pat Mayer, Miss Eureka of 1959. The winner of the contest will reign over the remaining activities of the first annual Lumberjack Days.

2nd Hilltopper Issue Scheduled For Next Week

The Hilltopper, Humboldt State College's general interest magazine, will make its appearance next week. The magazine which comes out once a semester, will sell for twenty-five cents.

Featuring a creative art theme last semester, the magazine has switched to a general theme and will carry stories dealing with everything from dating to life in a Russian town.

Of special interest in this issue will be the announcement of the athlete of the year. Winners of this award in years past have been Earl Barnum and Warren Baker. Dennis Guintini, football player and Lumberjack sportswriter, has used his fine writing ability and athletic background to do the story for the Hilltopper on the "athlete."

Kay Morrison wrote the lead story which delved into the art of dating, married college students, etc., with the aid of her tape recorder. Miss Morrison, assistant editor of the Lumberjack, interviews four prominent campus personalities and got their views and opinions of the boy-girl situation.

Paul Hann, born in Russia and a resident of that country for 19 years, wrote a story entitled "The Russia I knew." It gives us a first hand look into Russia under the reign of Stalin. Hann is a drafting major at Humboldt State College.

Larry West, at his usual humorous best, wrote an article that cannot be described and must be read to be appreciated.

Pat Baker, noted for her perusals, took the bull by the horns and wrote an interesting piece on college traditions. There are some fine photos contributed by the University of Nevada featured here.

Don Peterson, ASB president, gives his impressions of a year in office. The story goes to show it is not all hearts and flowers holding the responsibility of ASB prey.

Art editor Sally Wilkinson has contributed a very unique cover, which for simplicity's sake is being called "The Chase." Joe Romero, at his cartooning best, contributed a page concerning the coop, and life in it. Jack Maze, yearbook editor, and a photographer, did the center piece. It is a picture essay and all about the five most beautiful girls at Humboldt State College.

WORK ON DISPLAY

Outstanding work by students from Eureka Senior High will be on exhibit in the down stairs gallery in the Art Building until May 21. The work was done in classes under the direction of Mrs. Ruth Culbertson. The exhibit was arranged by student teacher Pat Gallagher.

Two Days of Gala Spring Festivities On Campus

By KAY MORRISON

"Lumberjack Days" officially open here on campus this afternoon at 3 o'clock as classes are dismissed and the two days of scheduled festivities get underway. The Lumberjack Days replace the former All-School Picnic.

Opening the "Days" will be a one-act play, "Twenty - Seven Wagons Full Of Cotton" by Tennessee Williams. The drama will be presented in the Auditorium at 3 p. m. Stan Brandenburg, a freshman drama major, is the director of this adult play.

Students of Eureka High School will present a water ballet at HSC pool, also at 3 p. m. Friday.

Following the drama presentation and the water ballet there will be various relay races open to student participation in Redwood Bowl. A committee under the chairmanship of Bill Crichton has planned a frog jump, pie eating contest, suitcase race and an egg throw.

Redwood Bowl will also be the location of a dinner at the conclusion of the relays. The Home Ec club will serve fried chicken, potato salad, bread and butter, fruit and cookies. The Student Body will furnish free cokes and coffee.

Carnival booths on the tennis courts will be opened after dinner. Proceeds from the booths will go to the World University Service. Simultaneously, there will be football movies shown in the gym.

Donkey Rodeo

Tau Kappa Epsilon fraternity is also sponsoring a donkey riding contest this evening. Several live donkeys have been obtained for the competition that will determine the top bronc buster of HSC.

The final event today will be the Wood Chip Chop in the tennis courts. During the dance, Tom Morgan of The Plaza Barber Shop will judge the contestants in the Lucky Logger II contest. The man behind the beard that Morgan considers best will be crowned Lucky Logger II by Pat Mayer, Miss Eureka of 1959. Lucky will receive a cash prize and a free shave in addition to reigning over the rest of the Lumberjack Days festivities. The Melodiers will

play for the Wood Chip Chop and the recommended dress is bermuda shorts. There is no admission charge.

The variety show featuring student talent will begin the festivities tomorrow morning at 10 a. m.

Following the variety show will be the scheduled HSC-Sacramento State baseball game, which, in turn, will be followed by a swim demonstration and competition at the pool. According to Linda Sarboe, chairman of the swimming events, there will be diving exhibition, variety races, and water comedy acts. Following the demonstration and competition will be time for free swimming for all students.

"Garden in the Rain," the junior prom, will conclude the first annual "Lumberjack Days." The prom will be held at the Eureka Inn from 9 p. m. to 1 a. m. Denny Sullivan's newly organized Combo will provide the music. Bids for the formal dance may be obtained in the Dean of Students office for \$2.50 per couple.

SCHEDULE

Friday:

- 3 p.m.—Classes dismissed.
- Drama—auditorium
- Swim ballet—pool
- 4 p.m.—Relay race—Redwood Bowl
- 6 p.m.—Dinner and Band Review—Redwood Bowl
- 7 p.m.—Football movies—auditorium
- ICS Carnival Booths—tennis courts
- 8 p.m.—Wood Chip Chop dance—tennis courts

Saturday

- 10 a.m.—Variety Show—Auditorium
- 11:30 a.m.—Baseball, HSC vs. Sacramento State
- 1 p.m.—Swim Demonstration and competition—pool
- 3 p.m.—Free swimming—pool
- Movie—"The Benny Goodman Story"—auditorium
- 9 p.m.—Junior Prom—Eureka Inn

"Teahouse" Tickets

Tickets for "Teahouse of the August Moon," a three-act comedy to be presented tomorrow night on stage at the State Theater in Eureka, may be purchased today in the Lumberjack office of from Diane Anderson. The play, directed by Herb McLellan, is being presented by the drama students at Arcata Union High School. Tickets are 90 cents.

Arrangement For Summer Session Fees Announced

Students who have paid the \$20 student body membership fees for the 1958 fall semester and this semester will not be charged for membership in either the 1959 summer session or post session.

In order to avoid being charged summer session membership fees, students who have been full time for the two semesters are advised to secure a waiver of fee card from Mrs. Edna Johnson in the Business office. These cards must be presented at summer session registration if the student is not to be charged the regular summer session fee.

AWS Election To Be Held Today

The Associated Women Students' election was again postponed until yesterday and today where elections will be held in the administration building. The cabinet was still undecided at the first of the week as to who was going to run for office.

The past AWS officers are: president, Mary Ann Regan; vice president, Pat Hodges; corresponding secretary, Anita Sbrana; recording secretary, Judy Ferguson; treasurer, JoAnne DeFino; ICS representative, Muriel Armstrong; senior representative, Merle McCormick; junior representative, Ann Barker; sophomore representative, Bonnie Montgomery; social chairman, Betty Rea; publicity, Ruth Hayden; decorations, Linda Sarboe.

Eureka Concert Set For Sunday At Sequoia Park

The Park Band Concert will be held Monday at 2 p. m. in Eureka's Sequoia Park on the city bandstand. The concert is sponsored by the Eureka City Recreation Department. There will be rows of park benches for the audience to sit on during the concert.

The program will include works for solos and ensembles.

Soloists are Claudine West singing, "The Way You Look Tonight"; Jim Babcock playing on the cornet, "Magic Trumpet" in beguine style, and Rowland Nielson playing on the snare drum, "Downfall of Paris."

The ensembles are: Horn trio: Tom Hamilton, Roger Olsen, Bob Elkins playing a number typical of hunting horns, "Horns A-Hunting"; Trumpet trio: Gary Wright, Jim Babcock, Elsie Tomson playing, "Trumpets Wild"; Percussion quartet: Rowland Nielson, snare drum; Roger Olsen, cymbals; Jerry Wright, snare drum; Joe Chapelle, bass drum, playing "Bombardment."

Included in the program will be the "1812" Overture written by Tchaikovsky to commemorate the liberation of the Russians from the 1912 Napoleonic Invasion. Featured in the overture will be "Church Chimes" and "Cannon Fire."

The program will close with John Phillip Souza's ever popular march, "The Stars and Stripes Forever."

The concert is open to the public and there will be no admission charge.

Attitudinal Survey

By "DAVE" HULL

As freshmen—we enter the college with great hopes for the future. We enter full of enthusiasm, secure with the knowledge that we are to inherit the nation, secure with the knowledge that we as entering freshmen will in four long years, by diligent application learn all that we need to know to handle the world's problems with ease.

As sophomores—we are absolutely sure that we are far superior to the "masses" in acquired knowledge — still secure with the thought that our education will equip us to handle life. Take notice, "Aren't we already members of the upper crust by virtue of our education?"

As juniors—some double forms in our minds. How much have we really learned in the last two years and how much will we be able to learn in the next two. Have we studied hard enough, will our education be adequate?

As seniors—the school year rapidly fades away, graduation is only four short weeks in the future, and now we know — our education is nothing more than a solid foundation for the house of knowledge and experience that we will build on it in the future.

Dat's Perusals

- News Around Campus -

Pat Baker

The California constituency of the Society for the Prevention of Frog Racing is upset . . . It all began when the University of Toledo's chapter of Pi Kappa Alpha Fraternity announced a frog race. The society feels that any frog lover should know that frogs don't race . . . they jump. Despite this the fraternity announced an "Undisputed International and Inter-planetary Amateur Championship of Frog Racers." They also dubbed the university the "Capitol" of Frogdom (Again I remind you, these are the University's claims . . . I'm on the side of the Lumberjacks). This announcement was enough for the Calaveras County Fair and Jumping Frog Jubilee Committee to make an announcement that this was unfair advertising.

Toledo's Pi Kappa's said their frogs were racing! A 500 word plea was sent to Michael Di-Salle, Ohio's governor, asking his opinion on the subject of whether frogs jumped . . . or raced. This was his answer, "There are some qualifications to meet before an individual can become governor, but none of these qualifications involve previous knowledge of the locomotion of the frog family." He finally conceded, however, that frogs can race. So, frogs were raced in Toledo, as scheduled, last weekend.

During Lumberjack Days afternoon, race them or jump them, but enter a frog in the big race. Oops, enter a frog in the big jump.

Look what you started Mark Twain, when you wrote a story for the Nevada "Territorial Enterprise" after you had covered your first frog derby.

Are you tired of your present major? If you are, how about a major in jazz. The only drawback is that you will have to trans-

fer to North Texas State College. Dr. M. E. Hall is the instructor. The jazz program began in 1947 when Dr. Hall came to North Texas after playing saxophone in "every panic band in the country." He believes that NTSC is the only accredited college in the country where a student can obtain a degree in jazz, except for possibly a couple of private schools. Also offered in the jazz course is a class dealing with the sociological effects of jazz on our society. Not all of the 210 students enrolled in various phases of the jazz program are music majors. In fact, the students in these jazz classes represent all the major fields. Two classes in Jazz band are held in the Student Union Building, so the members can gain experience in front of an audience.

These classes are held each Thursday morning when the musicians can get together for a jam session. The rest of the student body avoids taking classes at these hours so they can attend.

Dr. Hall pointed out there is one

STUDENT COUNCIL MINUTES

The meeting was called to order by Larry West, acting chairman. Those present were Armand Baradat, Karin Dahl, Joan Rasmussen, John Burger, Bob Merritt, Linda Sarboe, Fred Johnson, Jacquie Callihan, Jack Menzia and Dr. Karshner.

The minutes were approved as submitted.

Committee Reports:

Blood Bank — Jacquie Callihan reported that the Blood Bank is taken care of and everything is fine.

Float — There will be a float in the parade with a combo playing. Decorate the truck, Karen Dillard, Joan Rasmussen.

Retreat — Joan Rasmussen reported on plans of the retreat and we discussed the agenda, making some definite plans.

Old Business:

The Student Council awards will be given out at the retreat.

New Business:

Bob Merritt asked the council to approve funds in case the Saturday afternoon meal will run over the amount set aside. Bob Merritt moved that we give tentative approval on funds up to \$75.00 for the meal. Fred has to get approval of board of control.

Dr. Hollstein is going to publish an extra sheet for the paper covering the tentative plans for Homecoming 1959. This will cost \$56.00. The paper will be mailed to the alumni for which they are paying \$20.00 for 1000 copies and the mailing of said copies. It was moved, seconded and passed that we pay the \$56.00, out of unallocated for the purpose of printing extra pages on Homecoming 1959.

Treasurer's Report:

Fred Johnson asked that \$220.00 be taken from Assemblies and transferred to Executive Council. Jack Menzia moved that the money be transferred. This will be changed in the budget. Edna Johnson would like \$400.00 to get a full time assistant. Bob moved we approve the addition of \$400.00 to the \$800.00 Mrs. Johnson has so she may have a full time assistant next year. This will be inserted into the Budget for next year.

Commissioners Reports:

Jacquie Callihan reported that it would cost \$36.00 for the 20 notebooks that are needed for ICS. It was moved, seconded and passed that we buy the notebooks.

There being no further business the meeting was adjourned.

drawback in teaching a jazz course. Those Thursday morning jam sessions seldom get over before some time around midnight Thursday evening.

Thoughts In The Night . . .

By Larry West

I just can't understand it . . . A nine-passenger station wagon for only five people . . . but then I always say . . . buy with an eye for the future. Ought to be quite a chance too. Like moving from a tent into the gym. Ah, to be learned.

Someday I'm going to put all of my notes into a study guide and have it printed up. I think I'll call it something catchie, like "Columbus Didn't Discover America" or "A Keg Kustomer's Yearn To Learn." If it sells, well, maybe I can have 3 or 4 printings in a pocket book edition. Oh boy, I can see it all now. The pocket book will have a very sexy medieval wench on the front and will be called "Frightened Old World — 1982, 83, 84 and 85."

Think I could get it published by someone like the Zadek Tent & Awning Co., Ltd. of Finkville, Siberia, with branches in Kiev, Dawson and Aku-Aku.

The fly will read something like this: "The click of her three-inch heels sounded harsh in the dark hallway, and suddenly she stopped. The door clicked to room 13 and the girl entered the dark hallway of the apartment. She went into the living room and her figure was

momentarily silhouetted against the light grey of the outside world. She was tall and moved with the grace of a panther . . . and the silk shawl she wore did little to hide the fact that there wasn't padding underneath.

"She kicked off her heels and turned towards the bedroom. A minute later came the scream . . . for she had been proceeded by a special detachment of the Phanylx, the Mafia, the Gestapo, the NK-VD, the MVD, K Section, Smersh, MI. 5, Mike Hammer, and the FBI. And . . . Gregorie was dead."

Thus, after having suckered you in, my little publication will unfold the wonders of everything that you don't need to know about Louis XIV through Claire Luce . . . and then maybe I too, can get a nine passenger boat for five people.

Two visitors at last week's Industrial Art Club exhibit, view the many fine works shown at Humboldt State's Green and Gold

Room. The exhibition of metal and wood-work was said to be one of the best ever shown on the Hilltop campus.

Council Members To Attend Annual Spring Retreat

Humboldt State College's Executive Council will hold its annual spring retreat at Forest Lake this Sunday and Monday. This is the second year in a row that Humboldt's Council will meet with Chico State College's Board of Commissioners.

Discussion groups between the two schools will be held on the topics of Lumberjack Days, rallies, student activities program, budget make-up, and leadership conferences. After the joint meetings, each school will hold its own meetings.

All HSC Executive Council members, incoming and outgoing officers, are expected to attend the conference. Miss Kate Buchanan, Dean of Activities, Dr. Don Karshner, Dean of Students, and Mr. Howard Goodwin, Graduate Manager, will accompany the group to the retreat.

Industrial Arts Exhibit Termed Best In History

By MARY STEWART

Last Thursday and Friday the Green and Gold room was the scene of the most outstanding Industrial Arts Exhibit to date. Work from three local high schools, Arcata, Eureka, Fortuna and Eureka Junior High was on exhibit as well as outstanding work done by HSC students.

Exhibits were judged in the following areas by local business men considered experts in their fields: leather work, plastics, lapidary, jewelry, metal work, woodworking, drawing, printing, boatbuilding, model home building, wood turning, wood carving, art metal teaching aids, furniture, mosaic, foundry and electricity.

Judges were Jack E. Moore, Baker & Stanton Furniture, Eureka; Rolland Glines, General Contractor, Fortuna; Glenn J. Guthrie, retired Eureka Senior High School principal; Reese Bullen, HSC Art Department; Del Johnson, John-

son Brothers, Fortuna; Douglas Merrill, of Woodsman's Machine Works, Eureka; James L. Kay, Arcata City Manager; and J. B. Smith, retired highway engineer.

The "Best of Show" award was presented to James Tipton of Eureka Senior High for his beautiful "Welch Hutch." There were many outstanding projects including a desk from Fortuna and several projects from Arcata. The pictorial drawings and paintings from the Home Planning classes at Eureka were well received.

Outstanding college exhibits included hand carved dinosaurs by

Interviews Set For Nine Open ASB Positions

Art Dalianes, Associated Student Body President-elect announced today that he will interview any students interested in the positions of Representative at Large, Board of Control and Board of Finance. There are two women Representative at Large positions open and one men's. Two Board of Finance and five Board of Control members must be filled.

Dalianes said interviews will be held Tuesday, May 19, through Thursday, May 21 in Room 206, upstairs in the Coop from 2 to 4 p. m.

The chief duties of the Board of Finance members are to make a monthly check of the Association's finances and to propose the preliminary budgets to the Executive Council. The Board of Control's main duty is to interpret the ASB Constitution and to investigate a contested election.

Larry Beebe and mosaics by Mike Ladd. Ladd's parabolic roofed model house and a glass walled hay frame by Earl Barnum drew considerable attention. Also noteworthy was the redwood burl table and lamp combination made by Done Sutherland.

Approximately 2500 people viewed the exhibit including 800 students from Arcata High and 200 students from Eureka High.

Do You Think for Yourself? (THIS QUIZ IS THE TIP-OFF!*)

1. Do you think that men who look you straight in the eye when they talk are (A) to be trusted? (B) nearsighted? (C) watching your reaction?

A ☐
B ☐
C ☐

2. Of three men who have asked her for a date, should a girl pick (A) the one with a big car and money? (B) the one who makes lots of jokes, but is broke? (C) the one who helped her study for an exam?

A ☐
B ☐
C ☐

3. Mountaineers say they climb a mountain "because it's there." Does this strike you as (A) logical? (B) indicative of an inferiority complex? (C) a symbol of man's drive to conquer nature?

A ☐
B ☐
C ☐

4. If you were offered a million dollars to be the first man to fly to the moon, would you (A) leap at the chance? (B) take the money and hire someone else to go? (C) find out why the job paid so much?

A ☐
B ☐
C ☐

5. Do you think the maxim "A penny saved is a penny earned" is (A) an excuse for miserliness? (B) a thrift precept more people should follow? (C) a disastrous economic policy?

A ☐
B ☐
C ☐

6. Do you believe that the expression "Every cloud has a silver lining" is (A) sticky sentimentality? (B) optimism with a poetic license? (C) faulty meteorology?

A ☐
B ☐
C ☐

7. Do you think that helping other people at all times will (A) give you a lot of fun? (B) win you a lot of friends? (C) get you into a lot of trouble?

A ☐
B ☐
C ☐

8. Do you think the primary purpose of parking meters is to (A) stop all-day parking? (B) raise money? (C) make people leave their cars at home?

A ☐
B ☐
C ☐

9. In choosing a filter cigarette, would you depend most (A) on the claims you read and hear? (B) on satisfying yourself that you're getting the right filtration and taste? (C) on the recommendations of your friends?

A ☐
B ☐
C ☐

When you think for yourself... you depend on judgment, not chance, in your choice of cigarettes. That is why men and women who think for themselves usually smoke VICEROY. They know that only VICEROY has a thinking man's filter and a smoking man's taste.

*If you have checked (C) on three out of the first four questions, and (B) on four out of the last five... you certainly think for yourself!

State Board Voices Confidence in HSC Fund Handling

The State Board of Education, meeting in Northridge last week, expressed satisfaction with the trust fund accounts at five northern California State Colleges which were investigated by a special committee of the State Senate. Humboldt State was one of the five under study.

Dr. Roy Simpson, superintendent of public instruction, reported to the board on his special investigation of Humboldt State and concluded with a strong endorsement of the administration of the administration of President C. H. Siemens.

Sigma Xi Guest Lecturer On Campus Monday

Dr. Talbot H. Waterman, professor of zoology at Yale University, will be on the HSC campus for a series of guest lectures Monday and Tuesday. He is sponsored by the HSC Sigma XI Club.

"Animal Navigation in the Sea" will comprise Dr. Waterman's topic in an assembly Monday at 10 a. m. The assembly will be held in the Main Auditorium and is opened to the student body.

Dr. Waterman will conduct a discussion of the behavior of marine invertebrates for the Science 103 class at 2 p. m. Monday.

Among the scheduled appearances of Dr. Waterman will be an informal seminar on careers in marine biology and oceanography. This will be held in the Wildlife Lecture Room at 3 p. m.

On Tuesday at noon Dr. Waterman will talk before the Sigma Xi Club. His topic will be "Sensory Integration and Feedback Mechanisms in Animal Behavior."

Four Productions Planned For 1960 Humboldt Drama Season

By ROGER WERTS

The HSC Player's Season '60 will be a full and interesting one. To initiate the new speech-arts building the drama department has planned a production program which is probably as ambitious as that of any college in the country and is without a doubt the most ambitious program in HSC's dramatic history. This will be possible because of the favorable conditions for staging which the spacious new Sequoia Theater will have.

The first two plays will be presented arena style in the intimate new Studio Theater. The first on the bill is scheduled for the last week in October. "The Lady's Not For Burning," which will be directed by Mrs. Evelyn McCurdy, is a comedy in modern verse, set in the 15th century and written by Christopher Fry, who is almost single-handedly responsible for the revival of the use of verse in dramatic literature. One of England's great actors, Sir John Gielgud, was a hit as Thomas Mendip in the original London production.

Number two on the bill, to be presented in December, will be "Candida," a domestic comedy, and one of the earliest plays of George Bernard Shaw, the most important English dramatist since William Shakespeare. This is one of Shaw's most popular comedies, inspired by Ellen Terry, the actress of her time and one of the all-time greats, who played the role of Candida in the original production. This is one of the best female roles in the English language. It should be of interest to see who plays it in the HSC production which will be directed by Dr. Jerry Turner.

The third play of the season and the first to be presented in the new Sequoia Theater will be "Death of a Salesman." This bill is tentative and depends upon completion of the theater in time for the production which is scheduled for March. "Death of a Salesman" is to be directed by Mrs. Evelyn McCurdy. It is a modern tragedy written by Arthur Miller. The cen-

tral character Willie Loman, who strikes a responsive chord to Americans as a father image who fails, is one of the great acting roles of modern theater.

The fourth and final play of '60 will be directed by Dr. Turner and will mark the official opening of the new Sequoia Theater. For this event William Shakespeare's "Henry IV, Part I" has been chosen. This is a chronological history play with a strong comic element. One of the most wealthy in character of Shakespeare's works, it is full of wonderful men and women. There are 22 major name parts and numerous supernumeraries (walk-ons), giving a total cast of around 50 members. This will be an ambitious production of HSC's dramatic history in scenery, costumes, music and cast. The tryouts will be opened to the public, the faculty and the student body.

Committee Plans For Homecoming

The 1959 Homecoming Committee had the first planning meeting last Wednesday night. Joe Mayfield, committee chairman, stated that the three day weekend is scheduled for October 23, 24, and 25.

A tentative schedule of activities has been laid out and a theme, which will be revealed at a later date, was chosen.

The events will include a coronation assembly, cider and donut social, variety show, bonfire and rally, two dances, a Spurs reunion, parade, HSC vs. Cal Aggies football game, Green and Gold Key reunion breakfast, a concert and a reception.

TO MODESTO

Coach Bob Doornink announced he may take a few top Lumberjack cindermen to the California Relays in Modesto on May 30.

Next Week, in the Spring Edition of Hilltopper

"The Russia I Knew"

A description of life in the Soviet Union by a former Russian now an HSC student, Paul Hann.

Athlete of the Year

Hilltopper makes its third annual selection of Humboldt's outstanding athlete of the school year, with a warm personality profile written by Dennis Guintini.

"Marriage on the Campus"

A symposium on the problems of young marriage by knowledgeable faculty and students, compiled by Kay Morrison. . .

And many more feature articles, cartoons by Sally Wilkinson and Joe Romero, and photo stories.

CHEVY'S THE HOTTEST ONE AGAIN!

HOTTEST LOOKING, HOTTEST SAVING,

A V8-powered Impala Convertible . . . unmistakably '59!

HOTTEST SELLING OF THE LEADING LOW-PRICED 3

What we mean—this new Chevy's whipped up a one-car heat wave. Its fresh style caught on right away, of course. But—whether you prefer a V8 or 6—where Chevrolet really

leaves the other cars in the shade is out on the road. A pair of Chevy 6's came in one-two in their class in this year's Mobilgas Economy Run. And the winning average was 22.38 m.p.g.

Why not drop down to your dealer's and see for yourself why Chevy's this year's hottest selling car?

Try the hot one—see your local authorized Chevrolet dealer!

The Alumnus

THE ALUMNUS

ARCATA, CALIF., FRIDAY, MAY 15, 1959

Page 5

Campus Scene Is Changing As New Buildings Go Up

Before this ALUMNUS goes to press, it will be obsolete, as far as reference is made to the building program. Every day a hill seems to disappear, or a street is closed, or trees are cut down, as new edifices arise on every hand. Right now, the new two million dollar language arts building towers (and I do mean towers) above the other collegiate

structures as John Van Duzer's temple takes concrete form north of CES. Across from Nelson Hall, the new Administration Building is well on its way toward completion, and it will also house in addition to all administrative offices, the department of Business.

Shades of the Past! Alums will be heartened to know that the old days are not forgotten. The new women's dorm (north of Nelson Hall) is to be christened Sunset Hall. A new dormitory for men, nearby, is to be called Redwood Hall. Together, these two units will provide housing for two hundred students, and represent one of the most important contributions to the steady growth of the college. For years, limitations on available housing have constituted one of the most difficult problems — often resulting in the loss of students.

A SWIMMING POOL — at last! After years of hoping and planning, Humboldt has a gorgeous pool which has been in use since January of this year. It represents not only an expansion of the physical education curriculum, recreational opportunity for students and faculty, but also the possibility of fulfillment on the campus of the requirements for the credential in physical education, and training for life guards, swimming instructors and related activities. Many students will secure summer work in these fields as a result of this new facility.

The field house is also completed, and represents for the physical education department triumph over many obstacles in the past and for the future, triumph over Humboldt's moist climate. Practicing baseball and football under cover, holding physical education classes under its protective roof, coaches and instructors can thumb their noses at the rain!

Sadly we have watched the destruction of many of the trees in the grove between the north wing of the Administration Building and Nelson Hall. But no doubt when the new cafeteria becomes a fact and its surrounding lawns button it into the campus as it were, we shall glory in the convenience and attractiveness and in the attainment of another facility that will fill a great need in the life of HSC. The main dining room is planned to accommodate 350 persons at one time, and may be sub-divided into smaller rooms for group dinners. In the downstairs floor, will be permanent quarters for the student store.

The Lewis Memorial also had to go to make room for the cafeteria, and alumni are assured that it will be relocated at a central spot which is yet to be determined. Construction has already started on the new cafeteria, which will replace the present dining room in Nelson Hall.

West of Nelson Hall will be located the new Health Center, which is expected to be started soon, at a cost of approximately \$300,000. It will include day rest for men and women, a fully equipped x-ray laboratory, rooms for first aid and physiotherapy; offices and examining rooms for doctors and nurses; and facilities for the new nursing program which was launched this year.

Jessie T. Woodcock

'Jacks Date Nine Games For '59 Grid Season

Phil Sarboe, director of athletics at HSC, has issued the following schedule for football games for next fall:

Sept. 19—San Francisco State at San Francisco.

Sept. 26—Oregon College of Education

Oct. 10—Sacramento State College at Sacramento

Oct. 17—Western Washington College of Education

Oct. 24—Homecoming Game with Cal Aggies

Oct. 31—Chico State College at Chico

Nov. 7—University of Nevada

Nov. 14—Southern Oregon College of Education (Ashland)

Nov. 26—(Thanksgiving) Whittier College

(We obtained this item from Dean Kate Buchanan, who says she is not responsible for any changes of schedule or any defeats!)

If you are in the area, buy a season ticket. And begin making your plans now to attend the Homecoming festivities and game with Cal Aggies. You'll always regret it if you are not here!

Events Announced

The Alumni Board met Monday night, May 4th, and set the calendar of events for the 1959-1960 School Years as follows:

Kickoff Dinner — September 12, 1959

Homecoming Banquet — October 24, 1959 (See article about Homecoming Train)

Christmas Party — December 12, 1959

Founders Day Dinner — April 12, 1960

Senior Reception — June 5, 1960

Many '59 Graduates Going Into Teaching Jobs

The office of Teacher Placement announces the following assignments for the 1959-60 school year:

Marilee Ammer, Home Economics in San Diego; Marijean Bertrand, Rohnerville Elementary; Vera Blood, Oakland Elementary; Frances K. Carlson, Milpitas Elementary; Mariann Lorenson Donley, South Bay Union (Elementary); Judy Ferguson, Pacific Union Elementary; Larry Flammer, Campbell Unified School (Secondary); Mildred Gregg, Loleta Elementary; Marian Holverson, Petaluma High School; Jules Legier, Del Norte County High School, Crescent City; Elizabeth Locke, Portland City Schools (Girls' Physical Education); Peter Mathiesen, Delmar High School, Campbell; Jim Mayo, San Juan Unified District, Carmichael (High School);

Carol McClain, El Cajon Elementary; Joye Miller, Washington Union High School, Fremont; Orrill Stedman, Pacific Grove (Kindergarten); Ruth Susmilch, Stockton Junior High School; Irene Woods, Mount Diablo Union School District (Elementary), Concord. Arcata Elementary Schools — Dorothy Sousa Benjamin, Sharon Christen, Frank Clark, Ann Mertola Forbes, Edwina Hash, Nancy Hadley Lindstrom, Richard Quintrell.

Arcata Union High School — Irene Van Horn, Archie Weathers. Eureka City Schools (Elementary) — Russell Bradford, Thelma Burgstahler, Jackie McLeod Callihan, Beverly Nielsen, Kay Nielsen Renwick.

Eureka High School — William Wilber; John Mitts (Junior High School);

Robert Boehme, Michael Ladd, Long Beach Junior High School; Joanne De Fino, Judy Shaw, Ravenswood District (Elementary) Palo Alto; Fred Diaz, Gloria Kallio, Marilyn Potter, Castro Valley Elementary.

Of those who completed their work in January, teaching positions have been filled as follows: Chris Church, Oakland City Schools; Janice Gulliver, Meadow Vista Elementary; Calvin Martin, Fontana Unified Schools (Elementary).

Tom Rocha and Dennis McGilivray have secured positions with Ernst & Ernst, Certified Public Accountants in San Francisco. They will enter upon their new positions after their graduation in June.

Placement of other June graduates will be announced in a later issue of the ALUMNUS.

Physics Program At HSC Grows, Serves Industry

Recognition of Humboldt State College in a new field has recently been achieved as the first graduates from this program in physics have received their degrees. Instituted in 1957, this program bids fair to become a stepping-stone between industry and the campus, and to afford employment opportunities for students not heretofore available.

Dr. Roscoe Peithman, Charles Parke, and Lester Clendenning are instructors in physics and Dr. Peithman reports that the following graduates are already employed:

Class of 1957

Ali Abdul-Latif, physics instructor, Bir Zeit College, Bir Zeit, Jordan.

Morton Carrothers, physicist, University of California Radiation Laboratory, Livermore, California.

Stephen Fountain, physicist, Combustion Engineering, Inc., Reactor Development Division, Windsor, Connecticut.

James Patmore, physicist, Motorola Corporation, Semiconductor Laboratories, Phoenix, Arizona.

Richard Woodcock, physicist, University of California Radiation Laboratory, Livermore, California.

David Mills, instructor in Oakland (secondary).

Class of 1959

Michael Berker, Convair (aeronautics), Vandenberg Air Force Base.

Leo Faust, General Electric Company (Nuclear), Richland, Washington.

Jerry Long, Federal Aeronautics Administration (electronics). "Rocky" thinks he is in Oklahoma City.

Ronald Fuchs, Boeing Aircraft Company (Missiles) 11037 26th Avenue South, Seattle, Washington. (This is his home address where he lives with his wife, the former Ann Peithman, also a graduate of HSC.)

Robert Tiller, General Electric Company (Nuclear), Richland, Washington.

Ted Luick, Boeing Aircraft Company, (Missiles), Seattle, Washington.

Other graduates whose programs emphasized the physical sciences:

Jerry Anderson, instructor in mathematics and physical science, Amador Valley Union High School, Pleasanton, California.

Earl Abrams, Field Engineer, Western Electric Company, El Paso, Texas.

George Jacobsen, instructor in mathematics and physical sciences, Amador Union High School, Pleasanton, California.

William Papke, instructor in physics, American River Junior

President Siemens Reports On Progress at Humboldt

Since my report to you last fall, much water has passed over the dam, not all of it clear and clean. However, progress is the watchword at HSC and all programs are on schedule. In addition to the six buildings to be completed on or before next September, two more are under way; namely, the cafeteria and health building. With a rash

CORNELIUS H. SIEMENS

of faculty going on leave for next year (10 at last count), and 20 new positions to be added to the faculty, plus a few who are leaving us for the greener (?) pastures, it means that 35 or more positions must be filled.

About 20 new faculty have already been hired, representing highly selected, well-trained, and experienced teachers from various parts of the United States. In student enrollments, we should exceed 2200 next Fall, an increase of almost 300 over this year. With the two new dormitories, Sunset Hall and Redwood Hall, each having a capacity of 200 students, there will be over 500 students living on campus. This presents a new problem of 24-hour planning for the Dean of Student's office.

No doubt the Senate Committee investigation of the five state colleges, including Humboldt, has come to your attention, probably through the means of journalistic sensationalism. I am pleased to assure you that except for clarification of accounting procedures, the matters referred to have been judged to be proper and accounted for by the State Division of Audits, the College Advisory Board, the ASB Council and the Faculty Advisory Committee. Because the Survey made at the college was incomplete and the report heavily biased, it resulted in unnecessary embarrassments and complications for the colleges and presidents involved. The San Francisco Call-Bulletin referred to it as "a monstrous job of reputation-baiting," whereas the Chronicle recommended that it be "censored" by the Senate. The final recommendation of the Senate Survey asked the State Board of Education to review it.

On May 9, State Director Roy E. Simpson made his report of a special audit and I had the opportunity to explain with respect to Humboldt, the entire situation, to the Board. In passing a resolution, the State Board indicated its satisfaction with the explanations and agreed to adopt new policies for the operation of auxiliary trust funds at all state colleges.

As always, I extend to each of you a most cordial welcome to visit us at any time; our doors are open and you are our favorite stockholders.

Cornelius H. Siemens
President
Humboldt State College

250 To Graduate From HSC May 31

In excess of 250 graduates will receive their degrees at the Commencement Exercises to be held on May 31, according to Mrs. Betty Wolfer, of the staff in the Office of the Registrar. Plan now to attend the day's program, if you want to be impressed by the growth and progress of your Alma Mater.

Baccalaureate exercises will be held at eleven o'clock in the College Court. Commencement will be held in the new gymnasium at three o'clock in the afternoon, to be followed by the reception given by the Alumni Association to honor the new graduates. All alumni and friends are invited.

Here's News of Humboldt's Alumni - - - Where They Are, What They're Doing

VIRGIL S. HOLLIS, class of 1939, was elected Superintendent of schools for Marin County. Mrs. Hollis is the former Marjory Cropley, class of 1940.

MERRITT NEALE, at Humboldt State 1941-42, has been named new executive director of the Public Parking Authority, Pittsburgh, Pa. He and his wife live at Mt. Lebanon, Pa.

LOUIS TALLMAN, class of 1934, former supervisor in the College Elementary School, was the subject of a recent feature article in the Culver City newspaper, calling attention to his attainments in the educational field. His name appears in Who's Who in American Education. His wife is the former Eloise Aune, class of 1936.

JAMES EVANS, class of 1958, was recently appointed to a career position in the Bureau of Land Management, U. S. Department of Interior. He is stationed at Ely, Nevada. The position is a training type for one of a more responsible nature wherein he will assume a more important roll in the conduct of the affairs of the agency.

FRANCIS SMIGLE, assistant Humboldt County surveyor since 1957, will enter private engineering work in Napa. He attended HSC in the early '50s.

ODEN HANSEN, class of 1938, now Superintendent of the Arcata Elementary School District, was named vice-president and placed in charge of state membership at a recent meeting of the California Elementary Administrators' Association.

HERMON W. JONES, class of 1942, has been appointed adjutant in charge of Tulare district, in the firm of Brown Brothers, Adjustors of Sacramento. Presently he lives with his wife and three sons on a ranch near Modesto. Some of you will remember his sister, Mrs. Hally Jones Irving of Eureka, who is an active member of our association.

VIVIAN MCKITTRICK, class of 1951, is teaching in the American School at Leidwigsburg, near Stuttgart, Germany. She has visited Spain, France, Italy, and plans to visit other European countries before returning to the United States.

PAUL SMITH, Jr., class of 1951, is turning over principalship of Bayside School to Wallace Elliott, class of 1956. Paul is going into business.

JACK PIERSALL, who attended Humboldt for two years, later graduating from California, recently sold his business, Blue Lake Builders Supply, and plans to purchase a ranch. His wife is Hilda Biasca, class of 1945.

Honorary Life Membership Parent-Teacher awards were received by **MRS. ROY SORENSON** (Jessie Eastburn, class of 1926) and **Mrs. LOLETA FORD THOMPSON**, class of 1924. Jessie teaches in Sunset School and Loleta in the Trinidad Union Elementary School.

IONE RUSSELL BRADLEY, class of 1932, visited many of the old grads and faculty last fall. Remember Ione and her brother, Ronald in their flying trapeze act in the old lyceum days? She now lives at 1450 Greenwood Ave., Palo Alto.

Mr. and Mrs. Ted Watson (**MARTHA LYNN**), class of 1952, live in Stockport, Iowa, and have two children, Scott Keith, 3 and a half years, and Susan Lynn, born Aug. 5, 1958.

WEDDINGS

Miss Ruth Gist, daughter of former President Arthur S. Gist, is now Mrs. John Casey Baldwin.

Ila Faye Harris now Mrs. Dean A. Ipsen.

Peter Mathiesen, class of 1958, married Kathi-Joan Wrigley.

Mrs. Louis Lima, class of 1924, and a teacher at Sunnybrae, became Mrs. Bruce V. Glenn the first of this month.

BETROTHALS

A May wedding is planned by

Miss Lee Ann Jennings of Arcata and Caesar Fiamma of Eureka.

August 28th is date set for wedding of Miss Vivian Swartz and Albert Morris.

Miss Roberta Kay Johnson, class of 1958, will become Mrs. Elmer Hansen on June 14th.

The engagement of Judith Ferguson, class of 1959, and Harmon Bonnicksen, class of 1958, has just been announced.

FORMER STUDENTS IN ARMED FORCES

Pvt. **DONALD E. HEINIG** of Arcata recently was graduated from the 82nd Airborne Division Jump School at Fort Bragg, North Carolina.

Pvt. **JON B. MCBRIDE** of Leta completed 14 weeks of mediating April 16 at Brooke Army

Medical Center, Fort Sam Houston, Texas.

Airman 2c **RALPH TARRANT** of Eureka received a certificate of achievement for a 95 per cent average at recent graduation ceremonies from the 30 week aircraft electronic repairman course.

DONALD RAYMOND McDONALD of Arcata recently enlisted in the U. S. Navy, and will attend one of the Navy's technical electronic schools.

IN MEMORIAM

BETTIE REES STEVENS, class of 1951, Fortuna.

GLADYS ROWLEY TRUMBULL, class of 1917, Fortuna.

MARJORY BRENNER HOVEY, class of 1937, Arcata.

FRANCIS MELVIN "Toddy" THOMAS, class of 1931, Rohnerville.

Here Are Your Alumni Officers

| | | |
|----------------------------|------------------------|--------------------|
| James Palmer | President | Arcata |
| Richard Blackburn | Vice President | Eureka |
| Nona Kraus | Secretary | Eureka |
| Jessie T. Woodcock | Treasurer | Arcata |
| Earl Biehn | Director | Arcata |
| Lenore Cady | Director | Arcata |
| Nancy Johnson | Director | On leave in Mexico |
| Pat Roscoe | Director | Eureka |
| Margaret Telonicher | Director | Arcata |
| Estelle McDowell | Historian | Eureka |
| Robert Goss | Director | Arcata |
| Franny Givins | Director | Arcata |
| Richard Harmer | Director | Arcata |
| Harvey G. Harper | Director | Eureka |
| Francis Stebbins | Director | Arcata |
| Albert W. Blood | Adviser | Arcata |
| Don Karshner | Faculty Representative | Arcata |

Many Alumni Events Since Fall; Two More Big Ones This Spring

HOMECOMING BANQUET, Nov. 1, 1958 — Leonard Longholm, Director of Physical Education and Athletics of the Eureka High School District was honored as the fourth member to be admitted to Humboldt's Hall of Fame. Earl Menewether being the first, Billie Lee the second, and Roy "Dobe" Harrison the third.

TOM AND JERRY PARTY, Dec. 20 at Lenzi's Supper Club, with about 100 attending.

SAN FRANCISCO BAY AREA MEETING, chairmaned by Francis "Toad" Stebbins.

FOUNDERS DAY DINNER, April 4, honoring Jacob Relac, stationary engineer in the Maintenance department of HSC, who was to have retired in June 1959. See article.

LOS ANGELES MEETING, April 12. Over 50 ex-Humboldtians in the Los Angeles area attended an alumni re-union at the Western Avenue Golf Course near Gardena on Sunday, April 12, to visit and re-live the old days at Humboldt State College. Jack and June (Alexander) Sivert made the arrangements and Bob and Marlene (Commons) Linstadt helped with the decorations and programming.

Deans Homer Balabanis, Ivan Milhouse and Don Karshner attended the meeting. Colored slides of the old and new campus and of the faculty were shown in an illustrated talk by Don Karshner.

Wilson Woodcock and Mr. and Mrs. Lou Tallman were the oldest alumni present, with the majority being graduates of the 1947-1953 vintage and Jim Shaver, class of 1958, the neophyte in the group. Others present were: Serge and Marilee Stashuk, Pat Murray Gundersen, Colleen Murray Junker, Charlie Sutton, Fred B. "Bernie" Johnson, Mel Klein, Eddie O'Donnell, Len Mann, Dr. Clarence Ferguson, John Gasser, Pat and Bernice Hofferbert, Dr. Ted E. DeLay, Beverly Winzler Peterson,

Malcolm Buchanan, Loretta Riffe Allen, John "Pedro" Elmore, John and Elaine Dufour, Ron Lampella, Milt Makoski, Shuck Wilcox, and their wives and/or husbands.

COMING EVENTS

SACRAMENTO MEETING, May 29. Emeritus Professor and Mrs. Maurice Hicklin will be honored at the May 29th meeting of the Sacramento Chapter of the Humboldt State College Alumni Association, to be held at 6:30 p. m. at the Buckboard Restaurant, 6135 Stockton Blvd., Sacramento, about one-half mile south of Sacramento.

Chapter President Mr. James Hemphill, Supervisor of the School Lunch Program, State Department of Education, Sacramento 14, is in charge of the banquet and urges all alumni in the Sacramento area to come to the dinner to visit with Maurice and Martha. Please contact Jim at the above address for details. Gilberta ("Gilly") Negro) Mooney is secretary of the chapter.

SENIOR RECEPTION, May 31. The Alumni Association sponsors and conducts the senior reception each year which takes place immediately at the conclusion of the graduate exercises.

MEETINGS OF BOARD OF DIRECTORS

The Board of Directors and officers meet the first Monday of each month. All members of the Association are welcome to attend these meetings and bring us new ideas and news.

NAMED APPRAISER

Rob Roy Nielson, former instructor in accounting at Humboldt State College, was recently named Inheritance Tax Appraiser for the Arcata area. He and his wife make their home in Sunny Brae.

Humboldt State Instructors Garner Awards, Fellowships, Honors

Alumni may well take pride in the calibre of the faculty of Humboldt State College, which is, of course most important among the criteria for evaluating the educational standing of an institution. This year, many awards, fellowships and honors have been granted to faculty members, some of whom may not be known to many alumni, but whose achievements reflect credit upon their alma mater.

An outstanding honor has come to Dr. Harry Griffith, who came to Humboldt in 1939. He has been selected by the U. S. State Department to serve in a two-year Teacher Education mission to Jordan. After a period of indoctrination in Washington, D. C., Dr. Griffith will leave for Annam, Jordan in June. He will be accompanied by his wife, Beverly, who for ten years has served as college nurse, and who has resigned her position. Their daughter, Susan, will attend high school in Switzerland, spending her vacations with her parents in Jordan.

Science Award

Dr. Arthur Smith, HSC professor of chemistry, has been awarded a National Science Foundation fellowship, and will spend the 1959-60 school year doing post doctoral studies at the University of Southern California in the field of electrochemistry. His wife, Dorothy, and their two children will spend the year in England, where Mrs. Smith will hold an exchange position in the Lawrence Infant's School, Bethnal Green, London.

Harry Tropp, assistant professor of mathematics, is also the recipient of a fellowship from the National Science Foundation. He will work toward his doctor's degree during three consecutive summer sessions under his award.

Edwin W. Pierson, associate professor of forestry, received the 1958 Merit award in conservation, an annual award conferred by the California Conservation Council to a person in the state who has made an outstanding contribution to conservation.

Dr. Homer P. Balabanis, Dean of Instruction, is serving as a member of a twelve-member committee to study means of improving the National Education Journal. The invitation to Dr. Balabanis to serve was extended by the editor of the magazine. The first meeting of the committee was held in March in Chicago.

To Study Big Game

Dr. Raymond Dasman, associate professor of wildlife management, has been awarded a fellowship for study of Big Game in Rhodesia for the year 1959-60. He will be accompanied by his wife and children.

Philip Sarboe, Humboldt's ever-popular football coach and professor of physical education, has been appointed Chairman of the Ethics Committee, one of the most important committees of the NAIA.

Reese Bullen, professor of art, won the \$100 Phelan Purchase Award at the 1958 State Fair. Mr. Bullen has been granted a year's leave of absence and will spend his time travelling in Europe with his wife, Dottie, and two children. He will emphasize study of art in Italy.

Faculty members who have received grants from various agencies for summer study include: Dr. Erwin Beilfuss, assistant professor of biological science; Edwin Caplan, assistant professor of business; Kathryn Corbett, associate professor of sociology; Dr. Warren Houck, associate professor of biological science; Charles Roscoe, associate professor of engineering.

Miscellaneous Awards

Miscellaneous awards for research have been granted to Dr. George H. Allen, assistant professor of fisheries; John DeWitt, associate professor of fisheries; Dr. Andrew J. Karoly, assistant professor of psychology; and Dr. Ernest Salo, associate professor of fisheries. One of the subjects for research has been a study of the pollution of Humboldt coastal waters.

Publications by Humboldt faculty members during the past year include the following: "Environmental Conservation," by Ray-

Emeritus Faculty Members Invite Alumni To Call

Humboldt's Emeritus Faculty wish to be remembered to the alumni and extend an invitation to all to call at their homes to talk over all times. They are:

Homer L. Arnold (1921 to 1956) now living at 320 13th St., Arcata. Doing much traveling throughout the United States.

Miss Ruth Bestor (1931 to 1943) lives at 32 South University Ave., Redlands. Doing club and church work.

Miss Belle Dickson (1927 to 1948) lives at 2315 East 65th St., Seattle, Washington.

C. Edward Graves (1924 to 1945) lives in Carmel, California. His address is Box SS. Traveling, taking pictures, writing. Emily, his wife, who assisted him at Humboldt State library, is becoming quite an artist.

Maurice Hickin (1925 to 1956) lives at 12 East 12th Street, Arcata. Belongs to the Pistol Club, plays golf, studying foreign languages.

Miss Adella Johnson (1931 to 1953) lives at 350 Plaza Avenue, Arcata.

Myrtle M. McKittrick (1938 to 1957) lives at 1460 G Street, Arcata. Traveling to Mexico, Canada and writing books.

Leo G. Schussman (1924 to 1941) lives at Blue Lake, California.

Jessie T. Woodcock (1920 to 1951), 1387 K St., Arcata. Does private accounting, works at City Clerk's office part time, gardening and swimming with Myrtle McKittrick in the new swimming pool at Humboldt State.

Photo Students Win Honors

Tom Knight, assistant professor of art, and Humboldt State College received national recognition this spring in the field of photography when his students ranked second in the United States in the number of wins and honorable mentions in a national collegiate photography contest. Humboldt was outranked only by the University of Missouri in the number of wins.

Neil Babcock of the class of 1959, won first prize out of 158 entries with a photograph of driftwood on the Mad River beach. His prize was a \$400 set of the Encyclopedia Britannica.

Dasmann; "History of Northwestern California," by Hyman Palais; and "Wildlife of the Intermountain West," by Charles F. Yocom.

Stories in national magazines have been published this year by Dr. Ralph E. Samuelson, assistant professor of English whose stories appeared in the Atlantic Monthly for January; Dr. Esther Wagner, wife of Dr. John Wagner, whose stories appeared in the New Yorker, Harpers Monthly, and the Atlantic Monthly. Her story "Beat Down Frigid Rome" was selected to receive the annual award as the best Atlantic First for 1958.

Max Butler, assistant professor of art, was highly honored when he was invited to present a one-man exhibit by Men of Art Guild of Fort Worth, Texas.

Faculty Members, Past And Present Are A Widely Travelled Crew

Dr. William Lanphere, professor of Botany, has been granted a Sabbatical leave of absence for the ensuing school year. He expects to work on organizing a herbarium to become the permanent possession of the college.

Faculty members who have resigned their positions at Humboldt State College as of July 1, 1959, include: Dr. Archie Jones, assistant professor of history; Dr. John Wagner, assistant professor of language and literature; Dr. Robert Woodward, associate professor of business education; Beverly Griffith, college nurse; Lora Palovic, librarian at CES.

Leaves of absence have been granted to Albert Blood, Lynwood Carranco, Leland Fetzer, Helen Grilley and Rita Jones. Helen Grilley is to be an exchange teacher and will spend the year in Scotland.

Myrtle M. McKittrick, registrar emerita, has recently returned from Mexico where she and her husband spent two months traveling, as members of a caravan of 150 trailers, sponsored by the Air-stream trailer company. The caravanners included people from many walks of life, from all over the United States. They travelled as far south as Acapulco and Vera Cruz, and report a most interesting tour and a fine collection of Kodachrome slides as a record of their trip.

In Guadalajara, Mr. and Mrs. McKittrick visited Mr. and Mrs. Paul Johnsen, who were spending the year in that city. Johnsen, assistant professor of music at HSC, was on leave of absence, working on compositions required for his master's degree, which he expects to receive from the University of California when he has completed all of the requirements. His wife, Nancy, is the daughter of Dr. and Mrs. Balabanis. They are now back in Arcata, and Mr. Johnsen will return to active status at Humboldt for next year. He expects to continue his studies during the summer at USC.

During the summer of 1959, Mr. and Mrs. McKittrick will make another safari as caravanners, this time to eastern Canada. Accompanying them as members of the caravan will be Mr. and Mrs. Herbert Hart, of Sonoma. Hart was a member of the faculty at Humboldt State College and football coach 1938-1951.

In southern California, the McKittricks visited Dr. and Mrs. Adrian Gentry. Mrs. Gentry was formerly Dorothy Romero, principal of CES during the war years. Her husband is curriculum coordinator for Riverside County Schools, and Dorothy is a special consultant in the field of child study. They have a daughter, Kay, aged five.

In San Bernardino, Mr. and Mrs. McKittrick visited at the home of Dr. and Mrs. Kenneth Bailey. Dr. Bailey, formerly Dean of Students and professor of history at Humboldt, is now principal of Pacific High School in San Bernardino. Also teaching in San Bernardino High School is Barbara Neel, formerly Barbara Lydane, who was assistant professor of physical education at Humboldt for several years.

Dr. and Mrs. Vernon O. Tolle have finally severed connections with Redlands University where Dr. Tolle was head of the Education department ever since he left Humboldt State College in 1942. He is now superintendent of schools in Fall River, California. At Humboldt, he was professor of education and principal of CES.

Miss Ruth Bestor, formerly supervisor at CES, is retired and makes her home in Redlands. At Hemet, also retired, is Helen M. Garvin, who was assistant professor of music at Humboldt State College for several years.

Mr. and Mrs. Leland Barlow expect to spend the summer in Mexico. They will be accompanied by their daughter and by Mrs. Helen Everett, Humboldt librarian. Mr. Barlow expects to continue his work on his doctorate

dissertation while the ladies will enjoy travel in Mexico. Mr. Barlow is chairman of the Division of Fine and Applied Arts, and Mrs. Barlow is assistant professor of English and foreign languages.

Dr. Louise Watson and Kay Gott, popular members of the faculty in the field of women's physical education, will go to Europe for the summer, and have plans for an exciting tour. They will take delivery on a Volkswagen Kamper in Hamburg, and will tour large areas of the continent camping as they go. Hi! Girls! Another camper in Europe will be Dr. Glenda Richter who is going with a group of camping tourists from the midwest. Dr. Richter teaches German and expects to concentrate upon the German-speaking areas, spending considerable time in Germany, Austria and Switzerland.

Banquet Honors Jacob Relac

The annual Founder's Day dinner was held on April 4 by the Alumni Association of Humboldt State College, at which time Jacob Relac was honored. Paul Burns was master of ceremonies and Mr. Maurice Hicklin was the speaker of the evening, telling of Relac's history, his service to the college and many interesting events which occurred during his service as boiler maintenance man at the college.

President Siemens gave a brief talk praising Mr. Relac for his exceptional service during the past 28 years. On behalf of the Alumni Association Mrs. Jessie Woodcock, who, as supervisor of buildings and grounds at the college in 1933, hired Mr. Relac, spoke also of his service and presented him with an honorary life membership in the association. Mr. Relac's children, Mrs. Curtis (Amelia) Croco and Roy Relac came to Arcata for the event. Mrs. Charles Roscoe was general chairman.

All alumni who knew Jake Relac while attending Humboldt will be sorry to learn of his sudden death just two days after receiving this honor. He will long be remembered for his many kindnesses to students, faculty and employees at the college.

Cadys Construct Capitol Exhibit

Lanore "Skip" Cady and her husband, Jim, have designed and constructed Humboldt County's exhibit which will be on display for two years in the rotunda of the Capitol Building in Sacramento.

Each county in the State is assigned a niche for a representative display. This new exhibit proclaims impressively that "Lumber is King in Humboldt," and features a gorgeous redwood tree cut from plywood and covered with iridescent beads (Skip says she stuck on about \$20 worth, most of them one by one to achieve a most unusual and beautiful effect).

The background is modernistic in quality, featuring Humboldt plywoods furnished by local mills. If you visit the capitol, be sure to see Humboldt's unusual exhibit, prepared by our own alumni. Skip is the one who makes the design, and Jim is the craftsman who executes her ideas in wood. They really made a team!

WILDLIFE PLANT RECOGNIZED

In the 1958-59 edition of "American School and University," eight pages were devoted to photographs, plan drawings, and descriptions of Humboldt's unique wildlife management plant. The article was written by Dr. Lawrence Turner, executive Dean at Humboldt State College.

Alumni Accept New Positions

Darrol Altimus, '50, has accepted a position in Montebello Unified School District.

Elaine Brott, '57, has resigned her position in the Trinidad Elementary School to enroll for graduate work at San Francisco State College.

Wallace Elliott, '56, has accepted the principalship of the Jacoby Union Elementary School, succeeding Paul Smith, '50, who has purchased the School Supply Business servicing Humboldt and Del Norte counties.

Don Ratzlaff, '54, will be principal of McKinleyville Elementary School next year. He replaces Jim Carvell, '49, who has been promoted to be District Superintendent there.

Val Lee Rocha, '33, has accepted a position in San Rafael High School after teaching in Del Norte County, both elementary and high school, for many years.

Kenneth Stodder, '50, is leaving the field of radio and television to accept a full-time position at Arcata Union High School. He is receiving his master's degree in June of this year.

Homecoming Train For Aggie Game

A special alumni homecoming train is being lined up for the 1959 Cal Aggies-Humboldt State College football game. Stan Colwell, Glen Goble and Henry Trione, alumni of the '30's, are right now trying to work out the details to have a train leave San Rafael on the morning of Saturday, Oct. 24, so it will arrive in Eureka in time for the Alumni Banquet and the game. The train will return to San Rafael on Sunday.

All alumni south of Willits are urged to write Mr. Howard Goodwin, Graduate Manager of Humboldt State College, for details of the train trip. Stan, Henry and Glen hope to line up 200 alums (and spouses) and Lou and Eloise Tallman, class of '34, of Culver City have already said they are planning to be aboard. Basketball coach Franny and Bess Givins and others from Humboldt County hope to fly down and ride up with the gang. A great time should be in store for all who ride this Humboldt State College special train.

RUSSIAN TO BE TAUGHT

An innovation at HSC will be the introduction of a course in Russian language for 1959-60, according to Dr. Homer P. Balabanis, Dean of Instruction. Want to study Russian?

'Field Night' To Be Held Next Friday Evening

"Field Night" program will be held Friday evening, May 22, at Albee Stadium.

The band hopes to appear in their new uniforms, which the manufacturer has informed them, are being shipped this week.

They will play a short concert in the stands prior to the field night activities. Then the Lumberjack band will march onto the field to join other Humboldt County bands in the "Star Spangled Banner" and three marches. The mass bands will be conducted by Dr. David M. Smith, director of HSC's bands.

Of interest to HSC students is the fact that Sevell Lufkin will be judging the bugling contest. Ellen C. Sebeck, the Lumberjack majorette, will judge the twirling contests.

Jeff Siemas, winner of last year's bugling contest, will play the "Bugle Call to the Colors."

CAMPUS SCENE

(Continued from Page 5)

Stated for inclusion in the next governor's budget are the physical science building, the education-psychology building, and quarters for the Forestry-Management program.

Planning for campus development and curriculum expansion, developing plans for specific facilities to carry out this expansion, shepherding these projects through hearings with the legislature, State architects bureaus, supervision of building projects, equipping and furnishing completed buildings — all of these activities require immeasurable effort on the part of innumerable people for untold hours of time — all to make our college one of which we may be proud, to create the educational setting and environment to make it a really great educational institution.

2 Greek Letter Groups Chartered

This year marked a significant change on the campus as far as student life is concerned. After debates which extended back at least as far as the early "thirties," national fraternities and sororities have finally been established. Charters have been granted to Delta Sigma Phi fraternity and to Delta Zeta sorority.

For several years, the Intercollegiate Knights and the Spurs have had chapters on the Humboldt campus, but they are service clubs. The new organizations mark the first social Greek-letter societies to gain a foothold here.

HAVE YOU NOTICED THE COVER OF THE HUMBOLDT COUNTY DIRECTORY? Prexy Siemens who is responsible for this fine picture of our Alma Mater, is right on the ball for everything good for Humboldt State.

HSC Wins First Track Title

Jumpers Come-Through To Upset Favorites

By HUGH CLARK

Three freshmen high jumpers came through with the best competitive efforts of their young cinder careers last Saturday afternoon and gave Humboldt State's Lumberjacks a crowning glory to a great track season and its first Far Western Conference Championship.

Led by a strong entry of field participants the Lumberjacks came through to pull one of the FWC's biggest upsets as they knocked over the favored Sacramento State Hornets and the University of Nevada Wolfpack.

Coach Bob Doornink's forces compiled 56 5-6 points to the Hornets 52 1-3, Nevada's 36 1-2, Cal Aggies 30 1-2, Chico State's 25 2-3 and San Francisco's 23.

The Jacks compiled 38½ points in the field events as Larry Krupka jumped 6'4½" to set a new FWC record and tied the HSC school record, Bill Hook latched a first in the discus and took a second in the shot, Roger Biffle tied at 12'6" in the pole vault and Western Flanagan threw the javelin for a new school and conference mark of 196'8".

As Doornink put it, "It was truly a team victory." Down with only the high jump left, Krupka took first, not even jumping prior to this spring, ex-presters Jim Christensen and Bill Crichton tied for a second at 6'3" and Don Black and Loren August pitched in to take one third of a point in their six-way tie for fifth.

It was a hang-on type of spirit that made Keith Weidkamp run his anchor lap of the relay and garner a second place that may have decided the meet. Weidkamp who had previously won the 440-yard run and attempted the 220 was sick, but finished the race with a true competitive spirit.

Doornink was pleased when the meet results showed there was not one senior placing in the meet and that eight freshmen figured prominently in the win.

Co-captain Marshall Stevens placed fourth in the 440 in one of the closest fields ever witnessed in the FWC finals. Manuel Vasquez, who has not experienced one of his best years in the cinder sport, tried gamely and took two thirds in each the 100 and 220-yard dashes.

In the field events it was August with a fourth, by a quarter of an inch. Freshman Frank Alden placed third in the same event. Bob Kaufman was in a three-way tie for third in the pole vault to complete the Jack point makers.

Humboldt after being a bridesmaid in both football and basketball taking second place, finally reached the altar with their first championship of the year and the first cinder title in HSC's history.

Golfers Place Last In FWC Championships

Only out of first place by three strokes at the end of the first day, the Humboldt State Golfers faded badly and finished in last place at last week's Far Western Conference championships.

San Francisco State nabbed the team title and favored Chico State placed second. During the second day of play, Humboldt forfeited a match which hurt them considerably.

Captain Chuck Blackburn placed high individually and is a top choice for the small college NCAA meet later this month. The top Lumberjack golfer was the only shining light at an otherwise dismal Humboldt showing.

Hornets Win FWC Net Crown; HSC Drops 5-0 Match

Sacramento State Hornets won the Far Western Conference tennis championships last weekend at Sacramento.

The Lumberjacks went as far as the semi-finals in the upper division matches where Tony Damiani beat Gary Peterson 6-1, 61. Damiani won the conference singles championship. In doubles, the semi-final round saw Art Dalianes and Jack Geary lose to Bill Burns and Hal Roach of Sacramento 0-6, 1-6.

In the lower division doubles, Bruce Paige and Jim Darling lost out in the semi-final round after advancing with a 6-1, 6-2 victory over Rich Brown and Ed Petroni of Sacramento.

In a make-up match with San Francisco State, the Lumberjacks were defeated 5-0.

TEKES To Sponsor Donkey Rodeo Tonight At 6 p. m.

As their part of Lumberjack Days, Alpha Sigma Colony of the Tau Kappa Epsilon fraternity will sponsor a Donkey Rodeo tonight at 6:30 in Redwood Bowl.

Contestants will pay an entry fee which will entitle them to a ride on the wild donkeys imported from the farthest corners of the world. Contestants who remain intact the longest, will receive a cash prize.

Humboldt Experiences One Of Best Athletic Seasons.

Editors Note: (the following is a report of a survey taken recently by the Humboldt State Athletic Department.)

With victories fifteen times in twenty-five games, the 1958-59 Lumberjack Basketball Team completed a highly successful season.

The Jacks finished second in the FWC Holiday Tournament and wound up second in the final league standings. A bid to compete in the NAIA District Tournament was received and here Humboldt won the consolation championship by beating Westmont College of Santa Barbara.

The season had many highlights, but probably the outstanding ones were double conference wins over the University of Nevada, which knocked the Wolfpack out of the championship, and the tremendous upset win over Gonzaga University with its 7 foot 3 inch Frenchman.

TENNIS

The Humboldt State College Tennis Team, under the direction of L. W. Kerker, has completed the season with the Far Western Conference Meet held in Sacramento. The Lumberjack squad was victorious in the following matches: They won over Nevada by a score of 4-3, defeated California Aggies 6-1, and the Southern Oregon College team by a score of 4-3. Matches were lost to Chico State 6-1, Sacramento State 7-0, and San Francisco State 5-0.

Jack Geary, two-year letterman, was the number one man; Art Dalianes, a letterman, was number two; Gary Peterson, freshman from San Bruno, was number three; Paul Zinselmair from Fortuna played number four; and Bruce Paige of San Francisco was number five. Jim Darling, freshman from Monterey, played number six. Geary and Dalianes are Eureka High graduates.

Jack Geary and Art Dalianes will play in the NCAA College Division Regional Championships to be held in Chico on May 22 and 23.

TRACK

The 1959 Jacks won their first FWC track crown as the thinclads scored 56 points at Davis to climax the season which saw eight straight dual meet wins. Five school records, including two Far Western Conference standards, fell during the year. Roger Biffle shattered Turkey Thompson's pole vault mark by clearing 14'3". Vester Flanagan pushed the javelin to 196'8" for a new FWC high. Bill Hook brought additional recognition to HSC by marks of 158'8" in the discus and 49'6" in the shot. Three freshmen high jumpers cleared 6'3" during the season and Larry Krupka upped the FWC high of 6'4½" (FWC record, ties HSC record held by Earl Barnum). Keith Weidkamp was the FWC 440 yard dash champion with a time of 49.5. Coach Bob Doornink beamed proudly as he praised his Lumberjacks for the tremendous team effort which brought new regard and esteem for the college. "It was purely a team victory—a come through effort", Doornink said.

BASEBALL

At the time this article was written the team has won eighteen out

of twenty-three games, with four conference games left on the schedule. Humboldt is still in the running for the championship.

This has been a very fine record for a predominately freshman squad as the team has averaged over ten runs per game and has perhaps the best pitching staff in the conference. The final league standings depend upon the results of contests with Sacramento and Cal Aggies.

GOLF

The 1959 Golf Team had a rather "so-so" season winning three matches in dual competition while losing six. In the conference meet we finished in the basement which was a very unfortunate situation due to the fact that one of our players, who had gone home to visit his parents the night before, could not locate the golf course. Otherwise, we could have reported that the team would have been at least in fourth place. Chuck Blackburn, our number one golfer, shot par golf the entire season and is one of the top three golfers in the conference.

FOOTBALL

The 1958 season was one of the greatest in the history of the grid sport here at Humboldt State College. We had a very favorable 7 won, 2 lost and 1 tied over-all record, but the highlight of the year, as well as the all-time greatest single achievement comparable to the day when Humboldt defeated San Jose 18 to nothing, was our victory over the University of Hawaii in Honolulu by the score of 12 to 6. Thirty-one members made the trip and each boy played perfectly.

On the 1958 All-Conference Team were seniors, Charles McAninch at end, Dick Cahill at tackle, Gordon More at guard, Zeke VanDeventer at center, and halfbacks Barnum and Mayes. Both Zeke VanDeventer and Cahill were on numerous Little All-Coast selections and Dick Cahill also received a certificate for being chosen on the Little All-American third team. Eight four-year lettermen and five three-year lettermen have completed their playing career for the Lumberjacks. They are Gordon Moore, Charles Miyashiro, Earl Barnum, Jim Colwell, Russ Ashburn, Roy Escarcega, Zeke VanDeventer, Bob Renwick, Jerry Patterson, Dick Cahill, Ozzie Gooden, Chuck McAninch, Ralph Johnson, and Mike Ladd culminated four years as head football manager.

The 1959 season may possibly show more speed, but less power and experience. We employ the free substitution to full capacity.

HSC Hosts Sac In Crucial Series

Lumberjacks Need Two Wins To Remain In Conference Title Race

Humboldt State's Lumberjack baseballers still instilled with a hope for a conference championship, put their bid on the line here tomorrow afternoon when they tangle with the Far Western Conference leading Sacramento State Hornets in a doubleheader at 1 p. m.

The crucial series pit the defending FWC visitors against a hard-fighting Jack nine that bowed out of the conference lead last Saturday when San Francisco Gators nipped Humboldt for a 5-4 first game, extra-inning loss.

A split tomorrow would still leave the Hornets in the lead, and only a double win could put the Jacks back into the lead for their stretch drive. Last week the visitors smashed Nevada's Wolfpack

for a pair of wins and now stand at 5-1.

The game is also one of the featured events of the First Annual Lumberjack Days being staged on campus today and tomorrow. It also marks the last home FWC meeting for this year's successful Lumberjack team.

On Sunday the Humboldters travel to Ashland for a makeup series with the Southern Oregon Red Raiders, beginning at 11:00 a. m. The original series were snowed out.

Commissioner Requests More Officials For Games

Dr. Lawrence Kerker, Commissioner of the North Coast Officials Association said this week there is need for more football and basketball officials in this area. As commissioner, Dr. Kerker is responsible for assigning officials to all the games of the two sports.

Dr. Kerker, assistant professor of health and physical education, has served as commissioner of the association for the past two years. The Association studies and improves the quality of officiating in the North Coast area. He is appointed to the position by the Humboldt-Del Norte section of the CIF League.

Among the many duties of the Commissioner are securing all written publications on forthcoming seasonal activities in football and basketball. He arranges for a preseason officials' clinic. This year Irv Delman, coach at Lincoln High School in San Francisco, conducted the clinic. Each week he gives written examinations on the rules of the particular sports to the officials. Observing officials during game situations, Dr. Kerker said, is one of the most important duties of a Commissioner. After each game he meets with the officials to talk over officiating difficulties.

About 30 officials worked under

Dr. Kerker during the 1958-59 football and basketball seasons. He said officials are selected on the basis of references, written examinations covering rules and mechanics, and practical examinations given to prospective officials.

Officials are in a difficult position, for they have the almost impossible job of satisfying coaches, players and fans, who are all in direct opposition to each other. Obviously, this is quite a difficult situation as most decisions made by an official against one team that any way proves a deterrent to winning is, for the most part, received with dissatisfaction by the followers of that team, Dr. Kerker added.

Therefore, the officials must at all times make every effort to render honest judgment. The officials must be dedicated to their work as athletics are a justifiable part of the education program, he said.

Dr. Kerker came to Humboldt State in 1957 from Peoria, Ill. He is married and the father of two children. In addition to coaching the HSC tennis team the past three years, he is vice president of the Kiwanis Club in Blue Lake, coach of the Babe Ruth Team and committee head of the Cub Scouts in Blue Lake.

TO NCAA MEET

A number of Humboldt State's Lumberjack track team members are now working out in anticipation of the NCAA small college Western Region meet to be held on May 23 at Chico State.

'Jacks Split With SF State; Take Two From Presidio

By BOB McCORD

Humboldt State's Lumberjacks returned home from the foreign soil, winner of three out of four ball games. The Jacks split a Far Western Conference doubleheader with the San Francisco State Gators Saturday, dropping the opener 5-4 in ten innings and then downing the Gators 9-1 in the nightcap. Against the Presidio of San Francisco, the Jacks took two, 1-0 and 8-6.

Against the Gators in the first game, pitcher Alva Kinney threw a neat six hitter while striking out 15 men. But loose Lumberjack fielding beat him as four unearned San Francisco runs crossed the plate.

Humboldt scored single runs in the first and fourth innings on singles by Joe Beeson and Ken Matias. Matias drove another run across the plate in the sixth and Ron Reynolds unloaded a double in the eighth for the last Lumberjack run.

Bill Drabble hurled the Lumberjacks to victory in the nightcap, allowing only five hits while he was driving in two runs himself with a fourth inning home run. Beeson and Matias got the Jacks first run in the first inning. In the second, Leroy Orozco singled and Bill Perry doubled him home for the Lumberjacks second tally. Drabble's homer in the fourth scored Perry ahead of him to make it 4-0.

A third single by Perry, a hit batsman, Matias second hit, two walks and Orozco's triple ended the Jack's scoring for the day.

Against the Presidio, Jack Maze had a perfect game going until the ninth inning when a Presidio single ruined his no-hitter as well as the perfect game. The Jacks collected eight hits, three by Drabble, but could only push across one run.

In the second game, Gary Mauney pitched the Jacks to an 8-6 victory. Drabble and Beeson led the attack with three and two hits apiece.

HSC Women Drop 11-6 Softball Game To Chico

Chico State's Women softball team handed Humboldt State's Women a solid 11-6 defeat here last Saturday afternoon.

The HSC nine held the smooth-moving Chico team scoreless in the first five innings, but then the visiting women took off for an 11-run streak.

Two early-game homers by Humboldt's Vivian Ralston and Barbara Guernsey produced three runs to give Humboldt an early lead.

Picnic Fun For Everyone

In Your OWN BACKYARD, PATIO, or at the BEACH

Charkoler Barbecue was \$24.50
New, better barrel design.

BUY NOTHING -- BUT BUTTERNUT!

"Ten to one
he forgot the Camels!"

If he did, the odds are he'll be hotfooting it right back for America's most popular cigarette. Nothing else gives you the rich tobacco flavor and easygoing mildness of Camel's costly blend. It stands to reason: the best tobacco makes the best smoke.

Instead of fads
and fancy stuff...

Have a real
cigarette—
have a CAMEL

Comedy Added To Lumberjack Days Activities

By ROGER WERTS

During Lumberjack Days a bit of color will be added by the presentation of a one-act comedy on Friday, May 15, at 3 p. m. in the College Auditorium. It will be directed by Stan Brandenburg in his first directing assignment. Says Brandenburg, "This in itself should be good for a few laughs."

"27 Wagons Full Of Cotton," by Tennessee Williams, is a clever adult play full of Freudian symbolism. It is a Mississippi story that goes like this — Poor backwoods Jack Meighan was doing nicely as a gin (cotton, that is) owner until an Italian, Silvio Viccaro, bought up most of the surrounding land and built a modern, mechanized syndicated cotton gin. Jake, to stay in business, saw fit to burn the new mill and the titillating chain of events which follows offers some fun and laughs which you won't want to miss.

Jake Meighan, played by John Brandenburg, represents an old way of life and a resistance to change. Flora Meighan, his wife, played by Wanda McCray, represents the land and the people and

Speech Students To Hold Awards Banquet May 22

Friday, May 22, members of the forensic squad, drama students, and radio station KHSC outstanding personnel will hold a dinner at Pete's Steak House, Eureka, and annual awards will be made.

According to Dale Anderson, radio adviser, this is the first time radio and television students have been honored in such a way.

Radio station KHSC will terminate broadcasting May 22 and will be resumed when summer school begins in June if enough students take the course.

Television students will continue to produce and present "HSC Present" over Channel 6 during the summer school period.

also presents a resistance to change, but with a gradual resignation to the change and finally outright mockery of the old way of life. Silvio Viccaro, played by Paul Conner, represents the foreigner, the machine age. It is his arrival, the resistance to him and what he represents, and his final triumph around which the play revolves.

Prexies Attend PSPA Conference

Associated Student Body President, Don Peterson and President-elect, Art Dalaines attended the Pacific Student Presidents Association Conference in Reno last Wednesday through Saturday. Over 80 universities and colleges were represented at the conference.

Pat Mayer Wins Miss Eureka Beauty Contest

Pat Mayer, HSC freshman coed from Lake Arrowhead, is Miss Eureka of 1959.

Miss Mayer presented a dramatic reading of the song "Secret Love," in the talent division of the annual beauty pageant. She will represent Eureka in the Miss California contest, next month.

Miss Eureka was selected on the same qualifications the Miss California and Miss America contests are based on: beauty, poise, personality and talent.

Miss Mayer is one of the new HSC song-queens for 1959-60, and was selected as the freshman class Sweetheart at the annual Sweetheart Ball in the spring semester.

Exhibit Of Famed Potter Shown At Art Building

Pottery by Frank O. Hamilton, one of the outstanding craftsmen in his field is on exhibit in the top floor art gallery of the Art Building during May.

Many beautiful pieces are on exhibit. Most of the pieces are covered pieces made by the high fire stone reduction method. Many of them are glazed pieces but some of the most impressive ones are glazed only on the inside and have engobe designs on the outside.

Hamilton has used most of the standard pottery techniques in this exhibit including majolica, sgraffito, and multi-glaze. All of the pieces are extremely well executed. The pots are made by throwing a lump of clay onto a turning platform and shaping with one hand inside and one hand outside. Lids and trimmings must be made separately and joined to the body.

Hamilton was born in Tennessee in 1923. He studied engineering at the University of Tennessee. After two years he left for service with the U. S. Army Air Corps. He served as a torpedo bomber pilot for five years and was awarded the silver star for action above and beyond the call of duty in the battle of Leyte Gulf against the Japanese Fleet.

He attended Colorado College, Colorado Springs, Colorado before coming to Stanford. Hamilton graduated from Stanford in 1946 with a B. A. degree in Political Science. He studied at the Alliance Francaise in Paris from 1948-49 and spent a number of years writing and collecting rejection slips.

Hamilton started working in clay during the summer of 1952 and today is considered one of the best in his field. He makes pots of a size that is impossible for any but a master craftsman. He has had one-man shows at Dallas, Texas, Gump's Gallery, San Francisco, Legion of Honor Museum, San Francisco, New York City, New York and Wellfleet, Massachusetts.

He is currently teaching "glaze chemistry" at the California School of Fine Arts in San Francisco. He makes his home at Belvedere, California.

Nine Colleges Participate In HSC Pentathlon

Students from nine different colleges attended the Northern California Forensic Association Pentathlon held on campus last Friday and Saturday. The participating colleges included Humboldt, College of the Pacific, San Francisco State, San Jose State, College of San Mateo, Stockton College and Modesto Junior College.

In lower division competition Clayton Morgareidge (SFS) placed first in over-all events; Denise Fedigan (COP), second; and John Rawlinson (HSC), third. Rawlinson also made the finals in all five events and placed first in expository speaking and third in symposium debate.

In upper division competition Dave Randolph (SFS), placed first; Horace Wheatley (COP), second; and Rosemary Clappitt (COP), third.

Many of the HSC forensic squad served as panel chairmen and moderators in the various rounds.

THINKLISH

English: AGILE WOODSMAN

English: ROYAL AUSTRALIAN MAMMAL

English: MUSCLE-MAN CONTEST

English: DELEGATES TO A JAZZ CONVENTION

Thinklish translation: When the secretary of this meeting makes notes, he uses a saxophone. The chairman is the only guy who can rap his gavel with a syn-copated beat. The delegates (in Thinklish it's *heprentatives!*) come from all schools of jazz: hot, cool, and room temperature. But they're in perfect harmony on one thing: the honest taste of a Lucky Strike. Get Luckies yourself. (You'll trumpet their praises.)

English: MALE FOREBEARS

HOW TO MAKE \$25

Take a word—*substitute*, for example. With it, you can make an artificial hedge (*shrubstitute*), a washing machine (*tubstitute*), an English lemonade stand (*pubstitute*) and dehydrated food (*grubstitute*). That's Thinklish—and it's that easy! We're paying \$25 for the Thinklish words judged best—your check is itching to go! Send your words to Lucky Strike, Box 67A, Mt. Vernon, N.Y. Enclose your name, address, college or university and class.
