7th Faculty Play Reading, 'Dragon's Mouth', To Be Presented Sunday Evening

"Dragon's Mouth", the seventh annual Faculty Play Reading, will be presented in Sequoia Theater Sunday at 8 p.m. Tickets are \$1 for general admission, 50 cents with ASB cards, and may be purchased in the Sequoia Theater box office.

The proceeds of the play reading will be used for a drama scholarship, which is given every year to a high school graduate.

The cast includes Mrs. Joan Brant, wife of Robert Brant, assistant professor of English; Mrs. Charlotte Tropp, wife of Henry Tropp, assistant professor of Mathematics; Dr. James McNelis, associate professor of English; and Thelwall Proctor, assistant professor of Russian. The play is directed by Dr. John Pauley, dean of instruction.

The play concerns four people who are stranded in the port of Dragon's Mouth because of a strange tropical disease that is sweeping the crew of their ship. One of the four is found to have the disease, but it is not known which of the four it is. The play continues as each of the characters reviews his life, not knowing if he is the one who will die.

"Dragon's Mouth" is the first play to be written for this type of theater, although many plays have been adapted for the platform style. It has run in London and recently was successful as an off-Broadway production.

Sempervirens Sales Continue

Sales of subscriptions to the 1961 Sempervirens will continue Monday through April 21, according to George Abbott, publications adviser. Salesmen will be on duty from 10 a.m. to 2 p.m. at the Bookstore entrance to the Cafeteria.

Prices for the annual, which will be delivered in the fall, are \$5 for students holding a one semester ASB card, \$3 for students holding ASB cards for two semesters and \$7 for all others. Faculty members and other college employees pay \$5. For an additional fee of 50 cents, books will be mailed directly to the subscriber's home.

Forestry Students Attend Western Conclave This Week

Five forestry students left Humboldt State Tuesday to attend the Annual Western Forestry Conclave in Fort Collins, Colorado. Arnold Albrecht, Jim Currian, George Pardee, Robert Spivey, and Conrad Nussbaumer made the trip.

This annual event includes representatives from all the forestry schools of the West, including British Columbia. Contests in logging skills cover such events as pole climbing, axe throwing, sawing, and bucking. This year Humboldt's loggers hope to bring back several trophies.

The students will also have an opportunity to view forestry and forest industry in the Colorado area. Discussions are planned to allow the delegates to compare forestry education.

Peace Corps Applications Available

Applications for the Kennedy administration - sponsored Peace Corps are available to Humboldt State students in the Placement Office, Administration Building.

Applicants must be over 18, but if under 21, parents' or guardians' signatures are necessary.

The applications stress that persons wishing to enroll in the Peace Corps plan, which places American youth overseas, must have technical ability, physical stamina and emotional stability. Proficiency in a language is also desirable because many corps members will be living away from any other Americans.

Francis Turns 'Evidence' Over to HUAC

Assemblyman Louis Francis, who has charged that Humboldt State and University of California and other state colleges as being subversive, announced last week he has turned evidence over to the House Un-American Activities Committee.

Francis still refused to divulge the nature of the information or say whether it would prove his allegations.

An Associated Press wire story from Sacramento said Francis received a telegram from Rep. Gordon Scherer (R-Ohio), acknowledging receipt of the information. Scherer said the information would be "carefully evaluated".

Other developments in the controversy last week saw Assemblyman William Munnell (D-Montebello) reveal that FBI Director J. Edgar Hoover has invited Francis to prove his charges.

Majorette Tryout Gets Under Way

Any women desiring to become a twirling majorette for the Lumberjack band should make an appointment with Dr. David Smith, assistant professor of music, for a tryout as soon as possible this spring.

The women trying out will be judged on basic fundamentals of twirling, variety, baton maneuvers, personal appearance and symmetry of face and figure.

Dr. Smith said, "Since I expect to use only one solo majorette, applicants should have a routine prepared for their tryouts."

7th Journalism Day Scheduled Here April 28

Over 150 high school students from many Northern California high schools are expected here for the Seventh Annual Journalism Day April 28. The date was moved up from April 7 because of interference with the end of the high school grading period.

Student representatives to the all-day affair are expected from as far away as Sebastopol, Redding and Crescent City. L. W. Beale, managing editor of the Humboldt Standard, is arranging the speakers and program for the day, which is co-sponsored by the Eureka Newspapers and Humboldt State.

The new cafeteria has allowed the convention to be set for a Friday. The program has been held on Saturday for the past three years because of the crowded dining facilities in Nelson Hall. Attendance has been low during these years because the day interfered with student employment and athletic events.

Five Compete In Far West Debate Finals

Five Humboldt State Forensics squad members are competing today and tomorrow in a tournament which will determine the debate championship of the Far West.

John Rawlinson is entered in individual events while the teams of Holly Bartscht and Marshall Faikie, Jack Turner and Louis Williamson are entered in debates at the Nevada Great Western Invitational Tournament. Colleges from the Canadian border to the Mexican border, including Stanford University of Southern California and the University of Washington are participating in the invitational tournament.

Milton Dobkin, associate professor of speech, is accompanying the students.

State Committee Receives Bill On Parking Fines

A bill to bring 65 percent of California State college's parking fines back to the colleges was presented to the State Committee in Sacramento recently and failed to receive approval.

The bill, presented by San Diego State ASB President, Don Brown, needed a 7-3 approval vote but received a 6-3 vote in favor of the bill. Five committee members were absent causing the vote to be cancelled.

Because of the absentees, the bill may be brought back before the committee. Brown said he intends to approach the committee again.

The bill was debated for 30 minutes, the longest debate of the session. Original time given to present the bill was five minutes. Assemblyman Sheridan Hegland, Judy Hughes, president of Fresno State College's student body, and Brown spoke for the bill.

Lobbyists for the Leagues of Cities and the lobbyists for the County Board of Supervisors spoke against it. The bill was endorsed in principle by the new college board of trustees.

Well-Known Jazz Drummer Billed In Evening Show

"An Evening with Shelly Manne", sponsored by the Assemblies Commission, will be presented Thursday at 8 p.m. in the Women's Gymnasium.

Communist Chief Raps Forum's Scribner Article

The Lumberjack received a carbon copy of a letter mailed to the "Forum", HSC's "off-campus publication", by the Communist Party of Northern California this week.

The letter, written by chairman Albert J. (Mickey) Lima, former Humboldt County resident, and well-known California Communist, said in essence, "The Tom Scribner article (printed in the Forum Feb. 21) is a travesty on the policy of the Communist Party, not only on the question of peaceful transition, but on Cuba and other matters raised in the article."

He added that the "Lumberjack" added "confusion to the discussion" with its March 3 editorial, questioning the good taste of the article.

Lima went on to point out various recent declarations and statements of the United States' communists and international communists, attempting to prove "peaceful transition." He said he does not want to prolong a debate on Socialism and Communism.

TEKES Schedule 2nd Corinthian Ball April 15

The second annual Corinthian Ball sponsored by Tau Kappa Epsilon Fraternity will be held on April 15 at the Eureka Inn. The dance is traditionally the largest event on the TKE social calendar.

Dinner will be served from eight to nine before the dance. Dancing will follow from nine to one. The Melodiers will play for the event.

The general chairman for the dance is Bill Robinson, invitation and publicity chairman is Bob Lopez, and decorations chairman is Bill Connelley. Robinson said over 100 people are expected to attend the event.

The Corinthian Ball is held annually for active members of TKE and pledges. Among the many guests to be honored at the ball is Delia Johnson, TKE Sweetheart this year.

Cast Announced For Final Show

The cast for "Roadside", a comedy to be presented May 5, 6, 12, and 13 in Sequoia Theater, has been announced by Dr. Jerry Turner, director of the final production of the regular season.

Those in the cast are Anne Householder as Hannie, Mrs. Marilyn Beckwith as Mrs. Foster, William Thompson as Pap Radar, John Simpson as Buzzy, Richard Beggs as Red Ike, Paul Conner as Black Ike, Art Hammond as Texas, Thomas Williams as the Marshal, Bernard Mouton as Neb, and Pat O'Leary as the Judge.

Debaters Win 40 Percent
HSC's Forensics Squad, including all beginners, has won 40 percent of its debates this year. This is an admirable score, according to Dr. Edward Steele, associate professor of speech, since the team often meets colleges with students who have had previous experience in high school.

Tickets for the concert, presented in lieu of the annual jazz concert, sponsored by the Humboldt State Student Body, are available at the Bookstore at \$2 general admission and \$1.50 with ASB card. Tickets will also be available at the door.

Manne, an internationally famous drummer and consistent winner of jazz polls, took his first professional job when 18, playing on a ship between New York and Le Havre.

He has been associated with many name bands, including Shorty Rogers and Stan Kenton's groups, which have both appeared in HSC jazz concerts.

In the fall of 1955 Manne organized his own group. He and His Men have made several successful Eastern tours, worked in the Los Angeles area, and played many concerts and TV performances. He has worked in many motion pictures, including "Guys and Dolls", and "The Man with the Golden Arm", on which he was both technical director and Frank Sinatra's coach.

He now has ten contemporary long plays on the market, four of which are Shelly Manne and His Friends albums. The latest, "Peter Gunn", threatens to out-sell their "My Fair Lady", the first jazz recording of the musical.

Appearing with Manne are Russ Freeman, Monty Budwig, Vic Feldman, Joe Gordon, formerly with the Dizzy Gillespie orchestra, and Richie Kamuca, who spent several years with Woody Herman.

'Mandragola' Popular Before Capacity Following

By SHELLY GRUSLIN

"Mandragola", a comedy directed by William Livingston, proved to be a popular play when it appeared before capacity audiences in the Studio Theater last month.

The audience was delighted with the performance of Stanley Mott who played Timotheo, the lecherous, avaricious priest. His performance was good not only in his expression and sensitive interpretation of lines, but also in actions.

One of the weaker parts of the play was to be found in Art Rathburn's portrayal of Callimaco, the young lover. His speech had a regular rise and fall that gave it a sing-song quality. Because of this his emphasis was not good and often the proper inflections were lost. He seemed to be frolicking throughout his part with little concentration or sophistication.

Pat Wilson, who played opposite Rathburn did well in capturing the attitude of a teasing, yet righteous young woman, especially in her scene with Callimaco the morning after their affair. In other places, however, her attitude

and mood were not brought to the audience.

Bill Livingston's work as director of this play is to be commended. Working under the problem of an extremely short rehearsal schedule, he managed to present a very finished show. His set design was pleasing and the blocking, which presented special problems with the small acting area, was worked out well.

Another member of the cast who should be complimented is Pat O'Leary who gave a very amusing performance as Siro.

Phyllis Ferroni was very good in her first role as the coy lady.

Mrs. Marilyn Beckwith handled her role with maturity and experience.

John Simpson showed the audience an obscene stomach and a part well played.

Forestry Club Convention Request Turned Down At Stormy ASB Council Meet

A Forestry Club request for \$150 for five members to travel to the annual American Western Forestry Conclave in Colorado erupted into a full-scale controversy at last month's ASB executive council before being turned down by a 6-5 vote.

The council said it felt it would be dangerous to start a precedent of giving organizations money for travel to conventions regardless of how much "good" is done for Humboldt State.

Earlier in the day the Board of Finance had turned down the request. Then the council voted 5-5, with presiding officer Dennis Cahill, ASB President, casting the deciding vote. Cahill served in the absence of vice-president Dick Maynard. There were six other members missing from the meeting.

In other action the council decided:

—Not to sponsor the Lumberjack Days slave auction.

—Was warned by assemblies commissioner Neil Evans that the vice-president must act as presiding officer when he is attending the meeting, according to the constitution. This had not been done in a previous meeting.

Letters To The Editor

Dear Editor:

"I am asking a favor.

"One of the many items in India of which there is a serious shortage is books—a shortage extending into the Indian University libraries themselves. This shortage is extreme to the extent that the U.S. Education Foundation in India (USEFI) has informed me that once I have crated them, I can send an unlimited number overseas collect, where they will be forwarded to the host institutions, in my case Panjab and Allahabad Universities.

"My specific concern is with books on American literature. Especially welcome would be collections of poetry, short stories, drama, essays, and individual novels in the 19th and 20th centuries. Paperbacks (in any condition), older clothbound editions for which you have no further use, or books of critical essays dealing with American literature—all would be welcome.

"These books are not for me, but for the students and the libraries of the host institutions at Chandigarh and Allahabad. The books you donate will remain in India for Indian students, where the principal language of instruction is still English. Especially welcome from you will be books containing material by Henry Thoreau (in particular *Walden*), Walt Whitman, Eugene O'Neill, Robert Frost, and Ernest Hemingway.

"Here is an opportunity to familiarize the Indian student with one of the more civilized aspects of our culture—our literature—at a time when his chief knowledge of America comes to him through the plethora of Hollywood fabrications evoking sex (in its least sophisticated mood) and violence. Like most foreigners, Indians generalize about America from these films largely because they are about all the Indians have to go by.

"I will be happy to receive your contributions at my office, Language Arts Room 9, or at the Language Arts Division Office, or at my home at 301 Beverly Drive, Arcata—or to pick them up at some location convenient to you. My college extension is 403. Naturally, the sooner you can get these books to me, the better for everyone.

"Thank you very much for your kind attention to this matter.

"Sincerely,
Ralph Samuelson

Industrial Arts Exhibit Set Here Next Month

Plans are being formulated by the Industrial Arts Club for the annual Humboldt State College Industrial Arts Exhibit to be held May 10, 11, and 12 in the Green and Gold Room, Dr. Arthur L. Stegeman, associate professor of industrial arts, announced.

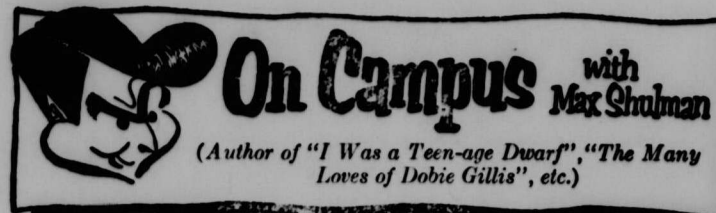

An estimated 200 projects will be submitted by HSC and all the

During the exhibit the I.A. Club will raise funds for a \$100 and a \$50 scholarship to be awarded to outstanding industrial arts high school students in the area.

HOW SMALL CAN YOU GET?

Today let us address ourselves to a question that has long rocked and roiled the academic world: Is a student better off at a small college than at a large college?

To answer this question it is necessary first to define terms. What, exactly, do we mean by a *small* college? Well sir, some say that in order to be called truly small, a college should have an enrollment of not more than four students.

I certainly have no quarrel with this statement; a four-student college must unquestionably be called small. Indeed, one could even call it *intime* if one knew what *intime* meant. But I submit there is such a thing as being too small. Take, for instance, a recent unfortunate occurrence at Crimscott A and M.

Crimscott A and M, situated in a pleasant valley nestled between Denver and Baltimore, was founded by A. and M. Crimscott, two brothers who left Ireland in 1706 to escape the potato famine of 1841. As a result of their foresight, the Crimscott brothers never went without potatoes for one single day of their lives—and mighty grateful they were! One night, full of gratitude after a hearty meal of French fries, cottage fries, hash browns, and au gratin, they decided to show their appreciation to this bountiful land of potatoes by endowing a college. They stipulated that enrollment should never exceed four students because they felt that only by keeping the college this small

could each student be assured of the personalized attention, the camaraderie, the feeling of *belonging*, that is all too often lacking in higher education.

Well sir, things went along swimmingly until one Saturday a few years ago. On this day Crimscott had a football game scheduled against Minnesota, its traditional rival. Football was, of course, something of a problem at Crimscott, what with only four students enrolled in the entire college. It was easy enough to muster a backfield, but finding a good line—or even a bad line—baffled the most resourceful coaching minds in the country.

Well sir, on the morning of the big game against Minnesota, its traditional rival, a capricious destiny dealt Crimscott a cruel blow—in fact, four cruel blows. Sigafos, the quarterback, woke up that morning with the breakbone fever. Wrichards, the slotback, was unable to start his motorcycle. Beerbohm-Tree, the wingback-tailback, got his necktie caught in his espresso machine. Langerhans, the fullback, was stolen by gypsies.

Consequently, alas, none of the Crimscott team showed up at the game, and Minnesota, its traditional rival, was able to score almost at will. Crimscott was so out of sorts that they immediately broke off football relations with Minnesota, its traditional rival. This later became known as the Dred Scott Decision.

So you can see how only four students might be too small an enrollment. The number I personally favor is twenty. How come? Because when you have twenty students and one of them opens a pack of Marlboro Cigarettes, there are enough to go around for everybody, and no one has to be deprived of Marlboro's fine, mild flavor, of Marlboro's easy-drawing filter, of Marlboro's joy and zest and steadfast companionship, and as a result you have a student body that is filled with sweet content and amity and harmony and concord and togetherness and soft pack and flip-top box.

That's how come.

© 1961 Max Shulman.

You will also find twenty cigarettes—twenty incomparable unfiltered king-size cigarettes—in each pack of Marlboro's new partner in pleasure—the Philip Morris Commander. Welcome aboard!

Political Crisis Talk Scheduled

"The World Political Crisis" will be discussed by Dr. Karlin Menzies Capper-Johnson at the assembly commission - sponsored program Tuesday at 1 p.m. in the Sequoia Theater.

Dr. Capper-Johnson, professor of international affairs at Lewis and Clark College, Portland, Ore., was born and raised in England. He has taught both in England and this country and worked and traveled extensively throughout Europe.

'Gift for Music', Russian Film, To Be Shown

A Russian film "Gift for Music", the third in the Spring Foreign Film Series, will be shown this Sunday at 2:30 p.m. in Sequoia Theater.

The film tells the story of a young war orphan, a gifted piano prodigy, who, befriended by a conductor, is enabled to enter the Moscow Conservatory and is eventually chosen to perform as a soloist.

The film features excerpts from the musical composition of Glinka, Tchaikovsky, Bach, Beethoven, Mozart, and Grieg, played by students at the Conservatory.

Need Important To Obtain HSC Scholarships

Financial need is becoming more and more important in obtaining a scholarship according to Mr. James Hoffe, placement officer for Humboldt State College.

The number of scholarships available to students is increasing every year as more emphasis is placed on obtaining a college degree.

Students that are interested in applying for a scholarship should complete the necessary application before the March 15 deadline. It is not necessary to apply for a specific scholarship as each applicant is considered for all scholarships for which he is eligible.

At the present time there are scholarships available in various amounts ranging from \$50 to several hundred dollars. At the present time the qualifications vary with each of the scholarships, however, academic achievement and financial need are the most important things taken into consideration.

HSC To Host Fall Trustees Meeting

Humboldt State College has been chosen to host the October meeting of the Board of Trustees for the California state colleges, Louis H. Heilbron, Board chairman, announced at a meeting held last weekend at Fresno State College.

ATTEND BUSINESS MEET

Professors S. J. Baird and J. J. Sawatzky attended the California Business Education Association annual meeting held in San Diego the first weekend of spring vacation. Professor Sawatzky participated in the college panel, which discussed current problems in business education, before the group of high school and junior college faculty members and state college teachers concerned with training teachers.

1961 Concession Bid Deadline Set

Campus organizations wishing to submit bids for the 1961 football concession have until April 21 to turn in bids, Graduate Manager Howard Goodwin announced.

"The bids must be turned in to me at the Bookstore on or before April 21," Goodwin said.

Concessions include food, ushering, and field patrol.

CASUAL CAMPUS

By Kay

With Easter vacation only a dim memory, the stark realization that finals are a mere seven weeks away has hit most students. Term papers and midterms are the subjects for consideration now!

Added to the young marrieds on campus are Doris and Bill Caldwell and Glendyne and Jim Callison. Both couples were married March 25.

It comes to our attention that Humboldt State is very well represented at Fort Ord, and most of these alums live in one section of the camp. Included in this list are Fred Nunemaker, Fred Whitmire, Ron Peterson, Lou Guernsey, Ike Peterson, Bob Gay, and Dave Shank.

Beach parties promise to highlight the remaining weeks of school and the men will all agree that Daly's Men's Store's terrific selection of new Jantzen swim trunks and Levis Surfers are a must. Included in this selection is the new longer Hawaiian, "Sea Lord", in grey, blue, green pin stripes, \$7.95; and "Sandlubbers" Surfers with handsome terry cloth tops, \$4.98 each.

The pledges of Delta Sigma Phi fraternity are out to get the actives tonight. They have challenged the actives to a volleyball game with high stakes going to the winner.

In case anyone happens to see bearded men training frogs, don't panic! It is no doubt in preparation for Lumberjack Days the first of next month . . . there will be a frog jumping contest and a beard growing contest.

Marcie Johnson, spotted in Daly's the other day was going gaga over "Candy Jones!" This is the brand of the summer cottons in pima, eyelet, stripes, and gingham in Daly's Sportswear Department. These sundresses and puffed sleeved dresses pink, white, lavender, mint, yellow, and blue; at \$15.98 to \$17.98, are cool . . . and how!

Congratulations are in order to Mary Lou Robertson, who was chosen Intercollegiate Knights princess at the recent convention here; and also to HSC's chapter of IK for hosting the first regional convention ever held at our campus.

The thought for today is:

The sunny season is finally here; Your spring wardrobe center is very near;

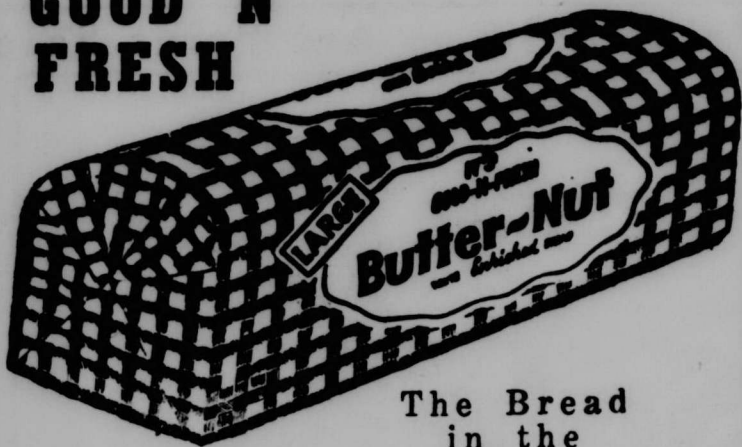

To be well-dressed just follow this lead:

Daly's has whatever you need!

See ya around!

Humboldt Meets Southern Oregon

The Lumberjack track and baseball teams travel to Southern Oregon to meet the Red Raiders in a weekend of sporting events.

Today, the 'Jack nine meets the Red Raiders in a single game with a doubleheader on tap tomorrow. Tomorrow the cindermen hook up in a dual meet.

Coach Bob Doornink's thinclads have high hopes of taking their first win of the season.

The baseball team, under the direction of Ced Kinzer, will be looking for its fourth win of the season. The 'Jacks return to action after compiling a 3-6 Easter trip record.

Starting mound assignment will go to Larry Taylor in the opener and Tom Leitz on Saturday. Don Solberg will probably start in the final game.

Glenn Wallace led the Humboldt State basketball team in 1952-53 with 367 points for an average of 14.1. He led the team scoring in Far Western Conference play scoring 176. Joe Myers was second with 128.

Swimmers To Enter 1st Meet Tomorrow

The Humboldt State swimming team enters its first collegiate meet tomorrow at 3 p.m. against the Cal Aggies at Davis.

Coach Ralph Hassman's swimmers have been meeting Eureka High in several informal meets the past three weeks.

Jay Stock and Jim Malone will pace the Lumberjacks in the breast stroke and butterfly events. Dave Hathaway will represent the 'Jacks in the backstroke events. Other swimmers are Rod Myatt, Marve Nelson, Ward Coates, Bruce Watson, Dennis Mullins and Rich Griffith.

Football at Humboldt State came to life in 1952. The '53 Sem-pervirens had this to say, "Far Western Conference Champions! Winner in seven of eight games played! Undefeated in conference play! Scored 266 points to only 53 by opponents!"

Hornets Break Two Records, Defeat 'Jacks

The Sacramento State Hornets broke two stadium records and tied two others defeating the Humboldt State Lumberjack track and field forces 97-34 recently in Redwood Bowl.

This was the initial running on Humboldt's new all-rubber track and it suited the Hornets just fine as they won 13 out of 15 first places over an injury riddled Hilltopper squad.

HSC high jumpers Bill Crichton and Larry Krupka each leaped six feet to tie for first place. Rego Piva tied Larry Lucas of Sacramento in the pole vault at 12'9".

Hornet Jim Guider tied the bowl record in the high hurdles and broke the record in the low hurdles. Sacramento State's Jackie Williams took a first in the 100 and the 220, tying the record in the former. Shot putter Bill Popejoy topped the bowl record set in 1959 by Bill Hook.

Chris Carr and Vic Hietala gave Humboldt some pleasant surprises as they finished second in the shot put and javelin respectively. HSC's 200-foot javelin thrower Vester Flanagan is out for the season, following an accident while working earlier in the week.

Oceanographic Study Available in Library

An oceanographic study of the area between Trinidad Head and Eel River is now available in the Humboldt State Library.

This study was originally the 1960 edition of the annual report HSC's oceanographic department does for the State of California Water Pollution Control Board, which was submitted in October, 1960.

Baseballers Win Three, Lose Six On Easter Trip

The Humboldt State Lumberjack baseball team concluded its annual Easter road trip winning three and losing six, making a season record of 3-7.

Inactivity took its toll on the 'Jacks in the opening games, but the trip proved that the squad has good potential.

First-game jitters got the best of the Lumberjacks as they dropped both ends of a twin bill to the Chico State Wildcats at Chico, 12-6 and 7-0.

Rain took its toll on the club on Sunday and Monday as respective games against the University of San Francisco and the San Francisco State Gators went down the drain.

Tuesday, errors, uncanny wind, and the Sacramento State Hornets dumped the Hilltoppers twice. Two pitching performances were turned in by Larry Taylor and Tom Leitz, but the Hornets won 5-1 and 5-2. Taylor hurled a five-hitter while Leitz fashioned a three-hitter.

Wednesday, Humboldt could do no wrong as they laced 24 hits good for a 13-1 and 13-7 victories over the Presidio of San Francisco. In the opener Ron Stammer got the win, setting the Toreros down with five hits while fanning eight and walking only one.

Humboldt was busy Thursday. San Francisco State took a 6-3 win Thursday morning, but the 'Jacks came back in the afternoon to down the St. Mary's Gaels at Mor-

Golfers Enter Second Meet

The Humboldt golf team continues to tune up for the Far Western Conference championship, competing in a four-way meet at Chico with the Wildcats, San Francisco State, and Sacramento State tomorrow.

The 'Jacks lost to the Gators in an earlier match and will be meeting the other two for the first time.

The Hornets and Wildcats are two of the top contenders for the FWC championship. The Capital City team has been outstanding in early season action downing the University of Pacific twice and have a three match winning streak.
