

Petition for Referendum On Mandatory ASB Card

BULLETIN

Dean Don Karshner announced late Wednesday afternoon that a petition to withdraw from the mandatory student body card referendum petition is available in the student body president's office in the Campus Activities Center.

Dean Karshner said: "Because of the demand by students who wish to remove their names from the student body referendum petition and their inability to contact students who have the original petitions, a separate petition is located in the ASB president's office in order to make it possible to formalize this request."

By HUGH CLARK
Lumberjack Editor

A coalition group of disgruntled Humboldt State students threatened to curtail 40 or more of some 50 student body financed activities with a petition for a mandatory student body card referendum election, which got underway late last week and was near the half-way point at press time Wednesday.

Meanwhile, opposition in the form of several student leaders, student body members, and several faculty members was lining up to thwart the move. Student body treasurer Paul Asp, treasurer-elect Dick Griffith and the Lumberjack editor have joined in an effort to educate the student body on how its money is being spent.

David Klarner, first-year transfer mathematics major, acting as spokesman for the referendum

group, said approximately 400 students had signed the petition by Tuesday night. The group needs over 700 signatures in order to present the petition to President C. H. Siemens, as the state education code prescribes.

The group says it has brought the question to the students, asking them to sign the petition and let the student body decide for itself if it wants mandatory cards. Paul Marsh, political science major, pointed out some people do not get any benefit from their annual \$20 expenditure. Economics major Frank Jewett said, "Some students do not want a student organization, others want to give the control of the student body back to the students, because the administration is running it now, and others want to have a say in what goes into the Lumberjack."

Others joining the group include several forestry club members, who say they feel they were slighted when the executive council turned down a \$150 request for travel funds three weeks ago, some members of the Forum, off campus publication, started as a protest against the Lumberjack.

The Green and Gold Key, scholastic-activities honorary, released a statement following their meeting Sunday, saying they are concerned because of the harm a non-mandatory student body card would do to the academic and activity program at HSC. The resolution cited several activities that would be affected. It added it is not the time to curtail the scope of the

growth of the student program, and said it is going on record as favoring the universal ASB card. The eleven members present signed the statement.

Asp also said the optional card would be a serious setback to the academic and activity program, of which he is chairman, would be forced to drastically change the budget next year. He said they are turning down worth while request at the present time because there is no money.

"I sincerely hope all students will give this matter very serious consideration before they vote on it. It was here four years ago when the card was not mandatory. I've seen the advances that we have made since it has become universal. I would hate to see HSC go back to the condition that prevailed in the past."

Griffith said the BOF, of which he is a member, is enabled to draw up a budget in advance because of the anticipated card revenue, allotting organizations maximum efficiency in planning their programs.

He pointed out some people should be a "little less egocentric." "They are ruining their chance of getting any help from the student body forever, by withdrawing the mandatory card."

Dr. William Ladd, assistant to the president, released the procedures for a referendum. The petition must be presented to the college president. He then calls a special election, designating polling places and setting up voting supervision by faculty mem-

bers. A two-thirds vote would be necessary for a return to the optional card.

Activities and academic programs now being subsidized by the student body include: basketball, track, wrestling, tennis, golf, swimming, fencing, Women's Athletic Association, trainer's supplies, Sempervirens, Lumberjack, news bureau, Hilltopper, Toyon, drama, radio and television, oral interpretation, forensics, orchestra (Humboldt Symphony), choir programs, Mu Epsilon Psi concerts, band activities, art exhibits, Homecoming, Sno-Ball, Lumberjack Days, Frosh Camp, supplies, Booster Committee, Summer Session Recreation, bookkeeper of ASB, graduate manager salary, student assistant, public liability insurance, Green and Gold Key, car pool, executive council, rally commission, health service, Associated Women's Association, assemblies commission, summer session health service, laundry supplies, and other smaller activities.

Football is the only activity or academic program that is presently self supporting. Thus, the only activity whose program would not be curtailed.

President Siemens said, "It is up to the students to choose whether they want to finance their programs or not to have them at all. All of our government units depend upon a specific and regular system of taxation. This happens to be the Humboldt student body's method."

Meanwhile, Dr. Donald Bux, Howard Goodwin, Dr. Jerry Turner, Milton Dobkin, chairman Division of Language Arts, Lee Barlow, chairman of the Division of Fine and Applied Arts, Dr. David Smith, band director, Dean of Women Kate Buchanan, Dean of Students Don Karshner, Mel Schuler, associate professor of art, all said they feel it would be a grave mistake to have optional student body cards, that their programs would be seriously curtailed and that HSC's athletic, academic and activity programs would suffer because of it.

Examples of these follow:

Dr. Bux, student health center: "We supply much of the drugs and supplies through the \$700 we receive from the student body. Such a move would affect the efficiency of our program."

Professor Barlow: "This would be a grave error. We had difficulties before the mandatory card went into effect. I would venture to say the people behind this move are extremely shortsighted. It would definitely be a step backward for Humboldt State."

Professor Schuler: "Before we had the mandatory student body card, I was held responsible for our displays, and sometimes even paid the freight costs. The costs and risk would be too great for me to undertake again. Overall, we stretch our \$500 budget very well, including our several exhibits and the annual Art Festival. It would hurt our entire program, because the state will not pay for some of these items."

ARCATA, CALIF., FRIDAY, APRIL 14, 1961

No. 25

Three Projects Under Construction on HSC Campus

Scenes like these have sprung up all over the campus the past couple of weeks. In panel one, excavation is under way on the new psychology-education building. This phase of work has caused considerable re-routing of traffic at the south end of the campus. In panel two, framework of science addition, the

first building to be started under the current construction program. At lower left, work has started in preliminary digging for new library, south of Administration Building. At lower right, earth remover continues operation.

Best Facility On North Coast

Television Installation Nearing Completion Here

Installation of the "best and most complicated television facility on the North Coast" is nearing completion in Humboldt State College's television studio, according to Dr. Dale Anderson and George Goodrich, assistant professors of Radio-Television.

The \$52,000 television set-up consisting of two cameras and a perambulator microphone boom is to be combined with lighting apparatus, a film projector, a slide projector, and a full audio complement, all costing \$20,000, in the studio.

Employees of West Coast Electric Company have been working for the past three weeks installing the complicated audio system under the supervision and checking of Max Grossbard, a contact engineer from the Radio Corporation of America.

Dr. Anderson and Professor

Goodrich hope to have a microwave length beam this fall in order to send programs emanating from the studio here to Eureka channels for transmission.

The equipment is part of a proposed television network linking Humboldt, San Jose, Sacramento, Los Angeles, Fresno and San Francisco state colleges and carrying classroom lectures and demonstration while training students in television broadcasting.

Student Recital Billed Sunday

The Mu Epsilon Psi sponsored Joint Student Recital to be held Sunday, April 16, in the Music Building concert room, will feature works by Mozart, Pergolesi, Britten, Schumann, Lalo, and Dr. Leon Wagner, associate professor of music. The concert, which is free, will begin at 8:15 p.m.

"The Nightingale", a duet written by Dr. Wagner especially for this occasion, is variations on a theme by Tchaikovsky.

Joan Iversen, junior music major, and Joseph McAlister, junior music major will sing both solos and duets in the concert, accompanied by Judy Johnston and Sara Hallin, respectively, on the piano.

Hilltop Calendar Of Coming Events

SAT., April 15 — FWC baseball opener, HSC-Chico State at 1 p.m. in college field.

High school business visitation day.

SUN., April 16 — Joint student recital at 8 p.m. in music auditorium.

MON., April 17 — Assembly, "The Greek Philosophical Ideal of the Good Man", featuring Dr. Homar Balabanis, dean of instruction, at 11 a.m. in Sequoia Theater.

WED., April 19 — Faculty Forum at 8 p.m. in science auditorium, featuring Dr. Andrew J. Karoly in a discussion of "The Action of Brain Mechanisms."

Executive Council Resets Officer Qualifications, Removes Class Officers

By CLIFF HAWTHORNE

The ASB executive council cleared several more controversial sections of the proposed revised constitution last week, formally voting to eliminate class officers from sitting on the council.

The council voted to take away the council seat of the four class officers, 8-1, following a long discussion with senior president John Bryant being the lone holdout.

ASB President Dennis Cahill sponsored a resolution to change the proposed one-year attendance qualification for running for office, to one semester before taking office. This will apply to all officers except the president and vice-president.

In other action the council heard a detailed report from World University Chairman Kay Gerdes who showed letters commending the project from Adlai Stevenson, President J. F. Kennedy, and California Senators Clair Engle and Tom Kuchel. The letters are on display at the library.

The council sent a letter to Shasta College, apologizing for actions of students guilty of malicious mischief at the Redding college during Easter vacation.

Set May 19 as showing of the film "Operation Abolition" at Sequoia Theater. Tom Bair of Arcata will speak against the film, while Fred DuPuis, will speak for it. Milton Dobkin, chairman of Language Arts division, has agreed to be moderator.

Learned that the mandatory student body referendum petition was being circulated, but took no action regarding it.

Voted to present Dr. Harry McGinitie, retired physical science professor, with a lifetime pass to all Humboldt State student body activities.

Announced bids will be accepted for the 1961-62 student directory and for concessions at next fall's football games.

Editorial Post Applications Being Accepted

Editorial positions for the three Humboldt State publications, the Lumberjack, Sempervirens and Hilltopper, are being filled for the Fall semester and applications for the jobs are being accepted, according to publications adviser George Abbott.

The applications should be filed with Mr. Abbott, or may be put in his box in LA 20C before 5 p.m. April 18.

Each application should include the applicant's name, age and year in college; number of semesters at HSC; publications experience, including high school and college; journalism, art and English courses taken; overall grade point average and grade point in journalism, art and English courses; non-academic responsibilities, including employment, family, and extra curricular college activities; occupational or professional objectives; major and minor in colleg; editorship desired; and a statement of qualification and desire.

Journalism courses are considered less important for Hilltopper editors than for Lumberjack candidates and knowledge of art and photography are most important with Sempervirens prospects.

Lumberjack and Hilltopper editors will be appointed for one semester only and the Sempervirens editor will be chosen for the full college year.

Capper-Johnson Reviews Nuclear World Problems

By TED THOMAS

Dr. Karlin Capper-Johnson, professor of political science at Lewis and Clark college in Oregon, presented a lecture entitled "The World Political Crisis" Tuesday at a general student body assembly.

Dr. Capper-Johnson sub-titled the lecture, "Our Problems in a Nuclear World." Emphasis was strongly placed on the problems and dangers resulting from man's recent ability to destroy a great portion of the earth's population in a matter of hours.

According to Dr. Capper-Johnson the newly emerging nations regard democracy as a luxury. It is something they would embrace if they enjoyed the immediate economic ability and the time to adopt it.

It is typical of the citizens of these countries, however, that they consider their nation's freedom from foreign imperialism more important than the freedom of the individual within that nation. This is why the "strong-man," the dictator, comes to the front.

Dr. Capper-Johnson examined several proposals designed to establish world security by checking the danger of an accidentally touched off nuclear war and bringing about a peaceful political and economic evolution of the "backward" nations.

Dr. Capper-Johnson supported the proposal of a "world necessities pool." This would be a united effort among nations to aid financially deprived countries. It would eliminate the feeling of debt by the receiving nation toward one donor and eliminate the hesitancy of that nation to accept the financial aid for this reason.

In conclusion, Dr. Capper-Johnson said it is up to this generation to lift the threat of human annihilation from the shoulders of mankind by "committing ourselves as a community to raising the life and uniting the lives of human beings."

ASW Fashion Show Scheduled April 26

Kay Callison, sophomore physical education major from Eureka, has been named chairman of the annual Associated Women Students fashion show, scheduled April 26.

The showing, with an emphasis on sportswear, will be held at 8:15 p.m. in the College Elementary school. A local clothing store will supply the fashions.

The Chi Sigma Epsilon spelling team defeated the Eureka Business College spelling team by a score of 392 to 388 in a spelling bee broadcast over KHUM in 1948.

WUS Schedules Foreign Auction, Indian Dinner

An auction of books, prints, posters, a Pakistanian tennis racquet, and other foreign gifts donated by the San Francisco consulates will be featured at an Indian dinner, sponsored by World University Service committee, May 1 in the Campus Activities Center.

Delta Sigma Phi will help Dr. B. K. Rao, regional executive of W.U.S. and a native of Mysore, India, prepare and serve the dinner which will begin at 6 p.m. Tickets for the dinner and auction will be on sale for \$1 for adults and 50 cents for children, and will be a donation to Humboldt State's World University Service drive. "The dinner promises to be a unique experience and will include the menu common to the people of India," according to Ross Stromberg, chairman of the event.

Dr. Dale Anderson, director of HSC radio-TV, will be the auctioneer for the foreign embassy auction which will follow the dinner. Gifts from approximately 35 consulates have been donated to W.U.S. for this purpose.

A convocation, Ugly Professor contest and carnival are also planned as part of HSC's World University Service drive to raise \$1,000 for 'Project India.'

FESTIVAL HERE APRIL 21

About 2000 high school and junior high school students are expected on campus for the annual North Coast Music Festival to be held Friday, April 21.

CU Cagers Take Intramural Lead

Conservation Unlimited showed its well rounded strength, soundly defeating the Independent "A" by a score of 61-43 to take sole possession of first place in the 5 p.m. league of the intramural basketball schedule.

The final standings in the 5 p.m. league are: Conservation Unlimited, 8-0; Independent "A" and Independent "B", (tie) 6-2; Block "H", 4-4; Circle "K" and Forestry, (tie), 3-5; Independents "D", 2-5; and Humboldt Village "B" and the Misfits, (tie), 2-6.

Humboldt Village "A" relied on the skill of former varsity lettermen Ed Thomas and Bill Caver

to lead them to a 50-46 win over the Old Timers to capture the 4 p.m. league crown.

Following Humboldt Village "A" which sported a 7-0 record were Old Timers, 6-1; Delta Sigma Phi, 5-2; Sunset Hall, 4-3; Tau Kappa Epsilon, 3-4; Independent "C", 2-5; Redwood II, 1-6; and Redwood III, 0-7.

Coach Tom Schubert, head of the intramural program, said, "The playoff series between the top two teams in each league will be postponed until next Monday."

Have you bought your sempervirens???

THE DEAN YOU SAVE MAY BE YOUR OWN

Now in the waning days of the school year when the hardest heart grows mellow and the very air is charged with memories, let us pause for a moment and pay tribute to that overworked and underappreciated campus figure, your friend and mine, the dean of students.

Policeman and confessor, shepherd and seer, warden and oracle, proconsul and pal, the dean of students is by far the most enigmatic of all academicians. How can we understand him? Well sir, perhaps the best way is to take an average day in the life of an average dean. Here, for example, is what happened last Thursday to Dean Killjoy N. Damper of Duluth A and M.

At 6 a.m. he woke, dressed, lit a Marlboro, and went up on the roof of his house to remove the statue of the Founder which had been placed there during the night by high-spirited undergraduates.

At 7 a.m. he lit a Marlboro and walked briskly to the campus. (The Dean had not been driving his car since it had been placed on the roof of the girls dormitory by high-spirited undergraduates.)

At 7:45 a.m. he arrived on campus, lit a Marlboro, and climbed the bell tower to remove his secretary who had been placed there during the night by high-spirited undergraduates.

At 8 a.m. he reached his office, lit a Marlboro, and met with Derther Sigafos, editor of the student newspaper. Young Sigafos had been writing a series of editorials urging the United States to annex Canada. When his editorials had evoked no response, he had taken matters into his own hands. Accompanied by his sports editor and two copy readers, he had gone over the border and conquered Manitoba. With great patience and several excellent Marlboro Cigarettes, the Dean persuaded young Sigafos to give Manitoba back. Young Sigafos, however, insisted on keeping Winnipeg.

At 9 a.m. the Dean lit a Marlboro and met with Erwin J. Bender, president of the local Sigma Chi chapter, who came to report that the Deke house had been put on top of the Sigma Chi house during the night by high-spirited undergraduates.

At 10 a.m. the Dean lit a Marlboro and went to umpire an intramural softball game on the roof of the law school where the campus baseball diamond had been placed during the night by high-spirited undergraduates.

At 12 noon the Dean had a luncheon meeting with the president of the university, the bursar, the registrar, and the chairman of the English department at the bottom of the campus swimming pool where the faculty dining room had been placed during the night by high-spirited undergraduates. Marlbors were passed after lunch, but not lit owing to the dampness.

At 2 p.m., back in his office, the Dean lit a Marlboro and received the Canadian minister of war who said that unless young Sigafos gave back Winnipeg, Canada would march. Young Sigafos was summoned and agreed to give back Winnipeg if he could have Saskatoon. The Canadian minister of war at first refused, but finally agreed after young Sigafos placed him on the roof of the mining and metallurgy building.

At 3 p.m. the Dean lit a Marlboro and met with a delegation from the student council who came to present him with a set of matched luggage in honor of his fifty years' service as dean of students. The Dean promptly packed the luggage with his clothing and Marlbors and fled to Utica, New York, where he is now in the aluminum siding game.

© 1961 Max Shulman

To the dean of students and all you other hard-working academic types, here's the new word in smoking pleasure from the makers of Marlboro—king-size unfiltered Philip Morris Commander. Welcome aboard!

Redwood Region Scholarship Set

A \$500 scholarship has been announced for upper division forestry majors by the Redwood Region Conservation Council. Students must have cumulative grade point of 3.00 to be eligible for application.

Applications will be accepted beginning April 30 either in Dr. Edward Sturgeon's office in the Wildlife Building or at the financial aids office, room 312 in the Administration Building.

Spurs Slate Party For Frosh Thursday

A casual party to acquaint prospective Spurs with this year's members has been scheduled Thursday at 7:30 p.m. in the CAC. Interested freshmen girls who will have completed 30 units at the end of the semester, with a 2.5 GPA for the fall semester's work have been invited.

Applications for Spurs are available at the Activities Office or may be obtained at the Smartee Party Thursday.

Corinthian Ball Slated Tomorrow

"Springtime" will be the theme of the annual Tau Kappa Epsilon sponsored Corinthian Ball, scheduled at the Eureka Inn from nine to one tomorrow evening.

General chairman Bill Robinson said that a program has been planned for the dance and the dinner. President Mike Walker will be master of ceremonies. Two scholarship trophies are to be awarded. The first is for the most improved scholar and the other for the fraternity man with the highest overall scholastic standing. Another part of the program will be to recognize the TKE sweetheart for 1960-61, Miss Delia Johnson.

Don't forget to subscribe to your 1961 Sempervirens.

Business Club Features Contests In High School Visitation Day Tomorrow

Contests in typing and shorthand with awards to school teams will highlight the High School Visitation Day program tomorrow, sponsored by the Humboldt State Business Club.

WRA PLANS SOFTBALL

The Women's Recreation Association is sponsoring an softball program open to all women students. Games will be played every Monday evening from 7 to 9. A similar program in gymnastics was recently completed by the WRA.

Loren August, president of Humboldt's Business Club, is to present the trophies to the first and second place teams at the awards assembly in the afternoon. At that time the outstanding business students from each school will also be given recognition on an individual basis, according to professor J. J. Sawatzky.

Group meetings with Humboldt State professors in the areas of accounting, management, secretarial, science, business education, and marketing will be the other major events on the schedule.

In addition, the day's activities include a campus tour, orientation assembly, and demonstration of Humboldt's business facilities.

Those in charge are professor Sawatzky, faculty chairman, and Truman Boler, student chairman; Dr. B. Henderson in typing and professor S. J. Baird in shorthand, faculty chairmen, and Edward Channel, student chairman; Linda Guelfo, tours; Robert Close, facilities; Marge Freeman, registration.

Approximately 150 students from the Fortuna, Arcata, Del Norte, Eureka, and St. Bernard's High Schools are expected to attend, with four-person teams from each high school except St. Bernard's entered in both typing and shorthand.

Dean Balabanis Lectures Monday In HSC Theater

The "Greek Philosophical Ideal of the Good Man" will be the topic of Dr. Homer P. Balabanis, Dean of Instruction, at an assembly Monday April 17, at 11 a.m. in Sequoia Theater.

The lecture was originally given at Faculty Forum, was very enthusiastically received and requested that it be given for a student assembly.

Dean Balabanis came to HSC, which was then Humboldt State Teachers College, in 1923. From 1923 to 1951 he was vice-president of the college, and from 1951 he has been Dean of Instruction. He has also held the title of professor of economics since 1930.

Born in Brussa, Turkey, in 1897, Dr. Balabanis came to the United States at the age of 16 and worked his way through the University of Chicago to obtain his Ph. D. He also obtained a Ph. D. in economics from Stanford.

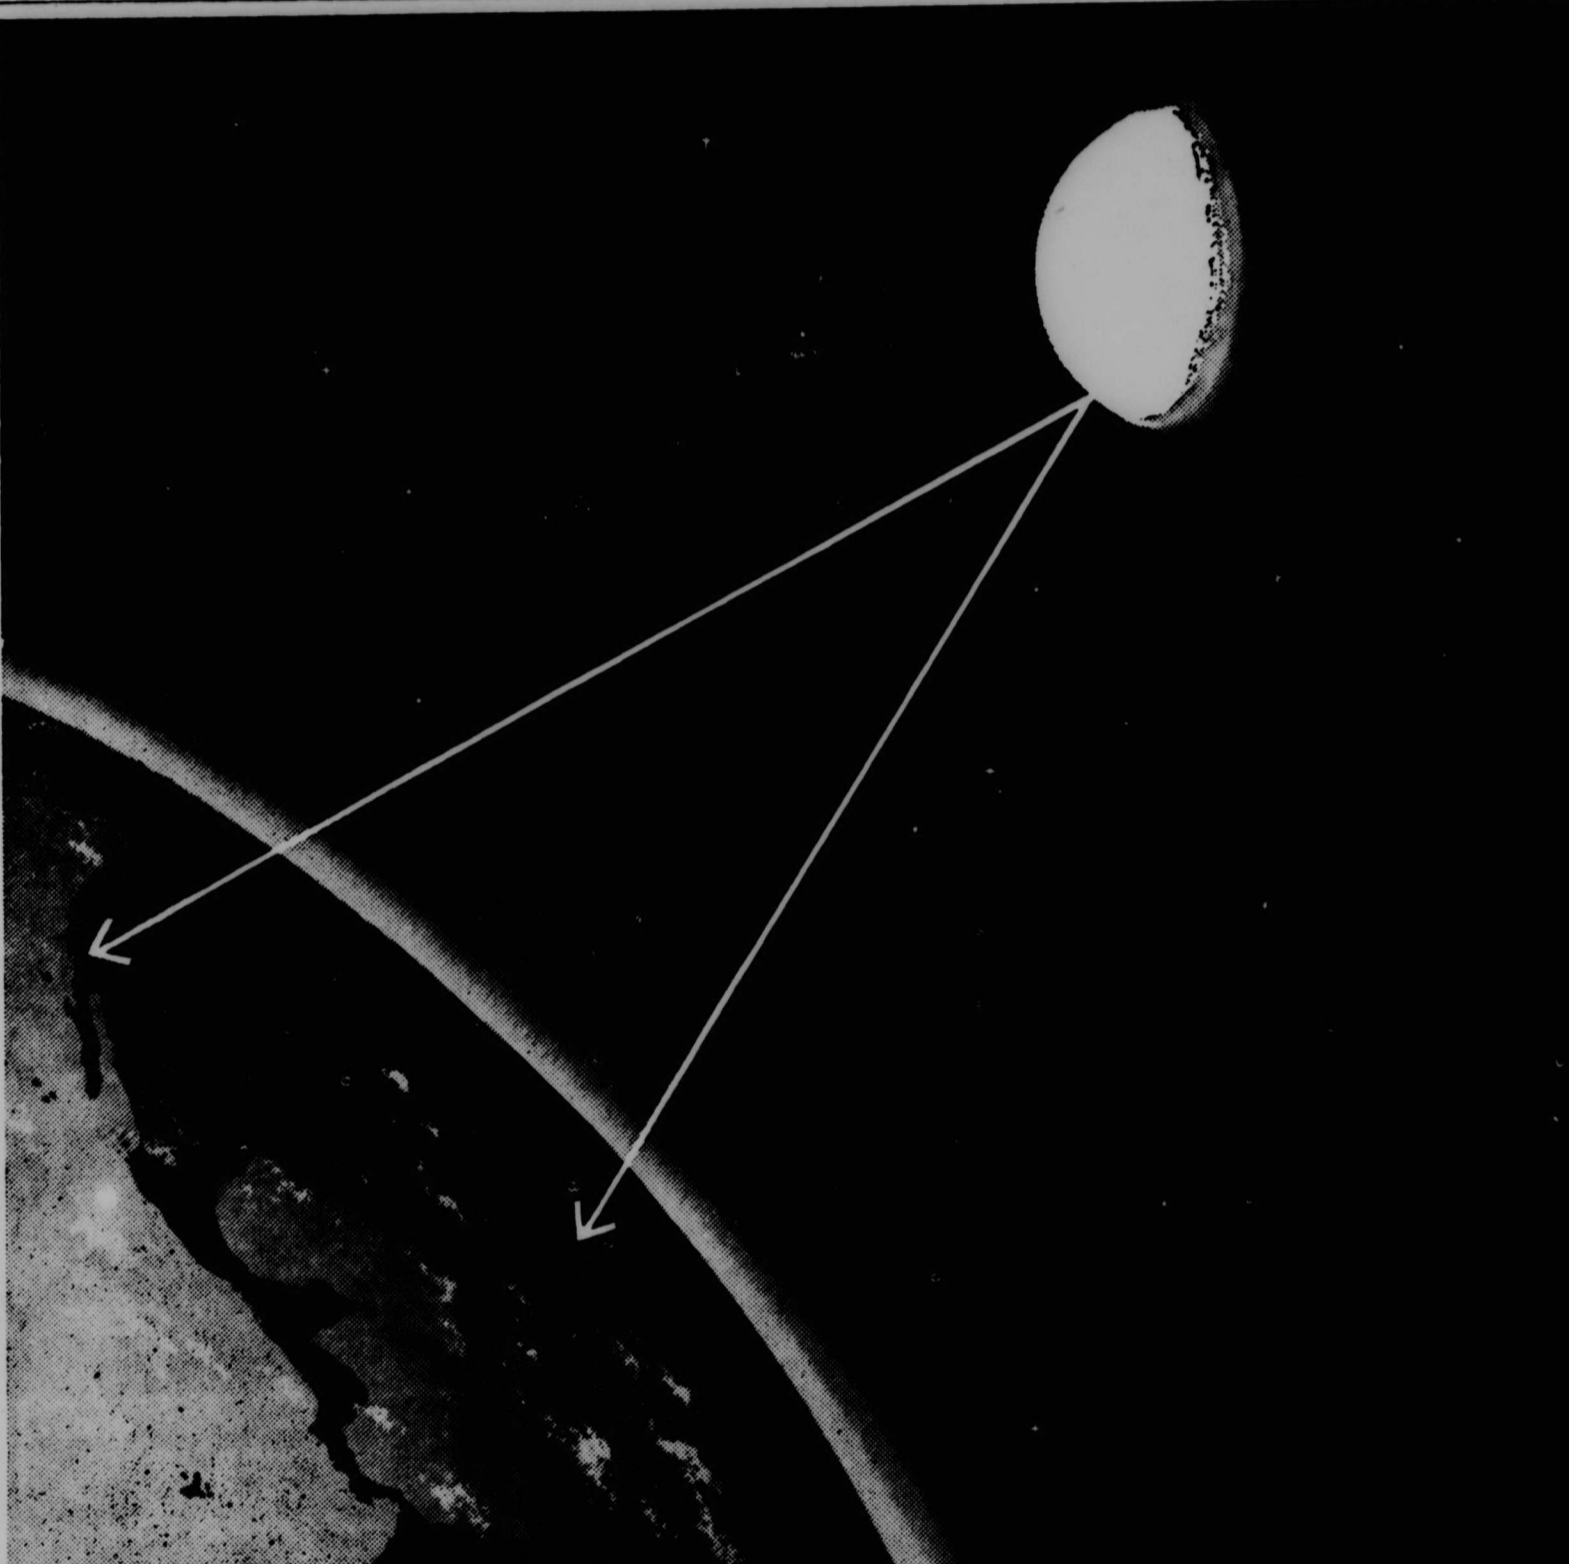

Dr. Balabanis held the positions of Senior Economist with the Office of Price Administration in 1943, and principal divisional assistant with the Department of State in 1941, in Washington, D.C.

He has published the books, "American Discount Market" in 1934, "Travel Sketches of Europe" in 1938, and has contributed articles to Encyclopedia Americana and Americana Annals.

"Junior Miss" was presented in May of 1944. Because of the shortage of men due to the war, male parts were played by members of the faculty and Arcata High School students.

Board Officials To Review Campus Developments

Harry Brakebill, former San Francisco State executive dean and new State College Board member in charge of coordinating campus facilities, will meet here next week sometime to review Humboldt development with President C. H. Siemens and Executive Dean Lawrence Turner.

Keynote of the meeting is expected to be the projection of the HSC master plan, and the proposed start of construction on three major projects next year.

A \$135,000 parking lot is scheduled to be constructed near the dormitories at the Jolly Giant creek area. The development is expected to accommodate 300 cars, with entry to be by way of the Highway 101 Frontage road, north of the present college entrance at 17th Street. The lot will be connected to the campus by a foot-path, President Siemens pointed out.

Another major project is the construction of a \$500,000 corporation yard at the corner of 14th and B street, on property the college is presently purchasing. The present facilities south of Jenkin's Hall, may be used for engineering instruction.

Additional parking and six tennis courts are to be built one block east of the Men's Gymnasium. Site development is expected in the center of the campus where the former book store, the tennis courts and foundation of the old coop now stand.

40 Attend Annual Faculty Reading

The annual faculty play reading was held in Sequoia Theater Sunday. This year, "Dragon's Mouth", a two act play written especially for the platform style of presentation by Priestley and Hawkes, was presented before about 40 onlookers.

The play concerned four people together on a ship in the tropics. One was going to die from a strange tropical disease, but the victim was unknown. As the story unfolded the characters examine their lives, pointing out what was good and what was wrong about the way they lived.

HSC Foresters Win 2 Awards

Five forestry students returned to Humboldt State from the Western Forestry Students' Conclave in Colorado this week, with two trophies won in logging contests. George Pardee won the axe-throwing contest, competing against forestry students from the western states. Arnold Albrecht took second place in the scholastic competition, writing on the topic, "Multiple-use Forestry". The students financed their trip to Colorado, to represent Humboldt State in the competition.

Gallagher Named State College Board Chancellor

Dr. Buel G. Gallagher, president of City College of New York, was named last week as chancellor of California's state college system. The 57-year-old educator was picked by the State College Board of Trustees from among 180 candidates for the post. He will receive \$32,000 a year to direct the 15 state colleges. Dr. Gallagher, an ordained minister of the Congregational Church, has been president of CCNY since 1952. Prior to that he was an assistant federal commissioner of education. France awarded him the award of Chevalier of the Legion of Honor for his work in international education. He also served for 10 years as president of Talladega College in Alabama, and was a professor of Christian Ethics at Pacific School of Religion in Berkeley from 1943 to 1949. Dr. Gallagher was a Phi Beta Kappa at Carleton College, Northfield, Minn., where he graduated cum laude in 1925 with a degree in economics.

Choose just the Jet-smooth Chevy you want in one stop at your Chevrolet dealer's

Here's the choice that makes choosing the new car that's right for you easier than ever. Thirty-one models in all—designed to suit almost any taste, priced to suit almost any budget. There's a whole crew of Chevy Corvairs, including thrifty sedans and coupes and four wonderful new wagons. Budget-wise Biscaynes—lowest priced full-sized Chevrolets. Beautiful Bel Airs, sumptuous Impalas and America's only true sports car—the Corvette. Drop by your Chevrolet dealer's and do your new car shopping the easy way—in one convenient stop.

New Chevrolet IMPALA SPORT COUPE
All five Impala models combine Body by Fisher beauty with a new measure of practicality. Door openings of this Sport Coupe, for instance, are over a half-foot wider this year.

New Chevrolet IMPALA CONVERTIBLE
Here's one wide open for fun and a lot of the fun is in Chevy's Jet-smooth ride. Add Turboglide transmission (extra-cost option) to this or any Chevy V8 for tops in easy going.

New Chevy Corvair 500 LAKEWOOD STATION WAGON
Loads of space inside—and still more in the trunk up front. And with all their wagon-size versatility, these rear-engine Lakewoods handle like a charm.

WIDE CHOICE OF OK USED CARS, TOO!
More people are buying new Chevrolets than any other make. So your dealer's got a wide choice of OK Used Cars.

New Chevrolet BEL AIR 4-DOOR SEDAN
Priced just above the thriftiest full-sized Chevrolets, all four Bel Air models bring you beauty that likes to make itself useful. Slimmer and trimmer on the outside; yet inside there's a full measure of Chevrolet's roomy comfort.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's!

HSC Opens Conference Play

Baseballers Sweep Three Straight Over Raiders

The Humboldt State Lumberjacks swept a two day, three game stand from the Southern Oregon Red Raiders at Ashland, Oregon, Friday and Saturday.

Friday the visitors, with Larry Taylor hurling a six-hitter, defeated the Raiders 5-0, then on Saturday the 'Jacks swept a doubleheader 5-4 and 8-0.

Tom DiMercurio gave the Lumberjacks the only run they needed, Friday when he hit a 340-foot homer in the fourth inning. Singles by Wiley Taylor, Joe Siino and Monty Feekes made it 2-0 in the same frame.

Humboldt added three more in the sixth on singles by Larry Wimer and Wiley Taylor, Siino's walk, Feekes' sacrifice, an error and Drew Roberts' second single.

Saturday's doubleheader saw Ron Stammer shine in two relief appearances, along with third baseman Larry Wimer who was the hitting star of the day collecting five hits in nine appearances and driving in five runs.

In the opener, the Raiders scored two in the second inning, but the Hilltoppers came back with four runs on two errors, a walk and Wimer's double.

Southern Oregon tallied once in the fifth, but Humboldt got it back in the seventh on a walk, a sacrifice and Wimer's single.

Al Snarski and Stammer combined efforts in the second game to hurl the 'Jacks to their second shutout of the year.

Humboldt scored four in the fourth on Roberts' double, an error and a pair of two-run singles by Feekes and Wimer. A walk, Snarski's triple and a two-run bobble gave HSC three in the sixth. The 'Jacks added one in the seventh.

Southern Oregon Romps Past HSC Cindermen, 74-56

A triple winner and two double winners were all the Southern Oregon Red Raiders needed, whipping a weakened Humboldt State College track and field team, 74-56, in a non-conference meet at Ashland, Ore., Saturday.

Sprinter Manuel Vasquez suffered a pulled muscle in warm ups and was unable to run either the 100 or 220. Pole vaulter Bud Edson, did not make the trip because of bruised ribs.

Doyle Branson captured the 100 and 220 and edged Humboldt's Frank Alden in the broad jump. Howard Hartman won both hurdles, beating HSC's Bob Haley. Len Dobry won the shot put with a 46'5" toss and the discus with a toss of 131'7".

Bill Crichton and Larry Krupka, Humboldt high jumpers, tied for first place at 6'0" and Haley added a third to give the Hilltoppers their only sweep of the afternoon. Alden and Pat O'Brien ran in that order in the 440, Alden posting a :52.1 for the win.

Rego Piva won the pole vault with a 12' effort and the Lumberjack relay team took first.

HSC Cindermen Travel To Chico For Dual Meet

The Humboldt State track team travels to Chico tomorrow to face the Wildcats in a dual meet at 1 p.m.

The Lumberjacks have failed to win a meet this season, and the hopes of taking a victory tomorrow are slim.

The field events will be the 'Jacks main strength. Larry Krupka and Bill Crichton in the high jump, Cris Carr in the shot put and discus, Frank Alden in the broad jump, and Rego Piva in the pole vault will head the Lumberjack entries.

In the sprints, Ron Remington will enter the 100-yard and 220-yard dashes. Manuel Vasquez may see action if he recovers from a leg injury.

Alden and Pat O'Brien will enter the 440-yard dash.

Rick Stromberg will lead the Lumberjacks in the half mile and Rick Scott runs the mile.

Hassman Pleased With Swimming Team's Showing

The Humboldt State swimming team lost its first collegiate meet to the Cal Aggies 58-18 Saturday.

Coach Ralph Hassman was pleased with the showing of Richard Griffith and Dennis Mullen. The two freestylers made an impressive showing as Griffith gained a two length lead in the relay and Mullen took seconds in the 220-yard and 440-yard freestyle events.

Jay Stock captured the only Lumberjack first in the meet winning the 220-yard breaststroke. He also took second in the 200-yard butterfly.

Dave Hathaway took a third in the 200-yard backstroke and Bruce Watson took a second in the 100-yard freestyle. Rod Myatt rounded out the Lumberjack scoring with a third in the 100-yard freestyle.

Hassman said he was impressed with the team's showing and says, "We'll do fairly well in the Far Western Conference meet, April 29. Jim Malone didn't make this trip but will be in the FWC meet which will help us."

The Humboldt State Lumberjack 1948 football team failed to win the Far Western Conference by one game. The Cal Aggies scored with three minutes remaining to kill HSC's hopes of a title.

Lumberjacks, 'Cats Meet In Doubleheader Here

By DUANE ONETO
Lumberjack Sports Editor

The Humboldt State baseball team opens its 1961 Far Western Conference tomorrow in a doubleheader against the Chico State Wildcats on the College Field at 1 p.m.

Matches in Row HSC Netmen Drop Three

The Chico State Wildcats and the University of Nevada Wolfpack took identical 4-3 victories over the Humboldt State Lumberjack tennis squad in Chico Saturday.

Chico's Jim Brant opened with a 6-1, 6-1 win over Gary Peterson, and John Oldemeyer followed with a 6-0, 6-1 verdict over Bruce Paige.

Wildcats Kevin Gugat defeated Steve Harrow 5-7, 8-6, 12-6. Gary Hunt broke the shutout with a 6-2, 6-4 win over Jerry Wisneor, but Les Brinkman fell, 10-8, 6-3 to Ron Whiting. Humboldt swept the doubles as Peterson and Hunt downed Oldemeyer and Jeff Valiant 6-4, 6-4, and Brinkman and Paige scored a 6-2, 3-6, 6-1 win over Doug Clark and Leon Beene.

Nevada got off to a fast start as Juan Page defeated Peterson 6-3, 12-10. Paige then lost to Dave Bramm 6-3, 6-4 before Harrow posted a 6-2, 6-1 win over Lewis Purkey.

Jim Mathewson took a 3-6, 7-5, 4-6 verdict over Hunt, but Brinkman turned back Lynn Brust 4-6, 6-0, 6-2. Doubles action saw Page and Bramm defeat Hunt and Peterson 6-2, 6-2 and Brinkman and Paige edged Purkey and Mathewson, 8-6, 6-1.

The Cal Aggies ruined the Lumberjacks debut with a 5-2 victory Friday.

Bill Kelsay took a 7-5, 6-4 win over Harrow. Gary Hunt held a 4-1 lead in each set, before dropping a 6-4, 7-4 decision to Ron Dick.

In the number one singles match Tim Patterson took a 6-1, 6-3 win over Peterson and Lowell Nault took a 7-5, 6-2 victory over Paige.

Brinkman, in the closest match of the day, defeated John Osbin 4-6, 6-4, 6-4. Peterson and Hunt lost a 6-4, 6-1 match to Patterson and Nault in the first doubles, and Harrow and Brinkman combined for a 6-4, 1-6, 6-4 triumph over Gil Mathieu and Osborn.

Tennis Team Looks For First Victory

The Humboldt State tennis team attempts to win its first match today and tomorrow traveling to Ashland, Ore. to face the Southern Oregon Red Raiders.

The teams meet today at 1 p.m. and tomorrow morning at 10.

Gary Peterson will open in the number one spot for the 'Jacks with Bruce Paige filling the second slot. Steve Harrow, Gary Hunt, and Les Brinkman will play in the next three positions.

The Lumberjacks failed to win in their first three matches last weekend, losing to the Cal Aggies, Chico State, and the University of Nevada.

The Lumberjacks have compiled a 6-7 exhibition record. However, the 'Jacks failed to win against an FWC opponent. They have lost two games to Sacramento State and Chico State and one to San Francisco State.

The Lumberjacks have shown improvement in the last two weeks according to coach Ced Kinzer. Kinzer attributes the improvement to playing experience since the Lumberjacks have played 10 of their 13 games within a two week period.

Larry E. Taylor will start the opening game for the Hilltoppers. He has compiled a 1-5 record in the practice games, but has been working against the rougher opponents.

A big question facing Kinzer is the sore shoulder of Al Snarski. Snarski has a 1-1 mark, losing to the University of California and besting Southern Oregon. Snarski may start the second game.

Kinzer will look for bullpen strength from Tom Leitz and Ron Stammer. Lietz (2-2) pitched six innings against Southern Oregon but has arm trouble. Stammer (1-0) worked well in relief in the late innings against the Raiders Saturday.

Also working in the bullpen will be lefty Don Solberg and Bob Foreman.

The main Lumberjack hitting will come from Tom DiMercurio. The hard-hitting shortstop leads the team in RBI's. Kinzer is also hoping that Larry Wimer continues his hitting. The freshman third baseman collected five hits in nine trips Saturday, stealing four bases.

Monty Feekes and Rich Tomasini have been hitting well in the practice games and may produce in conference play. Feekes will start at second base and Tomasini in right field.

Team captain Dennis Pontoni will start in center with Ken Matias in left.

W. Larry Taylor will hold down the first base spot. Taylor is a three-year veteran returning after a stint in the service.

Handling the catching duties will be Joe Siino with W. Taylor slated to see some action behind the plate.

Marion Mayes was selected as Most Valuable Player of Humboldt's 1957 football team.

Gators, Cats Whip Golfers
The San Francisco State Gators and the Chico State Wildcats took turns defeating the Humboldt State Lumberjack golf squad at Chico Saturday.
Chico downed the visiting 'Jacks 14 1/2 - 1/2, and the Gators had a little more trouble 10 1/2 - 4 1/2.
Dennis McManus was low man for Humboldt, carding a 79. Dick Visser was second with an 81, followed by Don Harling's 83, Milt Ragsdale's 87 and John Yingst's 91.

CICKLID LONE OCCUPANT
The sole occupant of the small aquarium in front of the division office in the Wildlife Building is a South American fish commonly known as a velvet cicklid, according to Dr. John W. DeWitt, associate professor of fisheries.
