

Here It Comes, There It Goes

1960-61 ANTICIPATED INCOME: — Athletics: Football, 25,500; Basketball, 1,310; Wrestling, 200; Track, 150; Thanksgiving Donation and Concessions, 850. Drama, 1,327; Music, 150; Choir, 210; ASB Cards, 35,000; Faculty Cards, 1,900; Homecoming, 400; AWS Dance, 50; AWS Fashion Show, 100; Summer Session Fees, 1,225; Summer Session Play, 100; Student Activities (Movies), 150; Bookstore Donation, 7,000; Summer Session Contribution to General Fund, 215. Total — \$88,232.00.

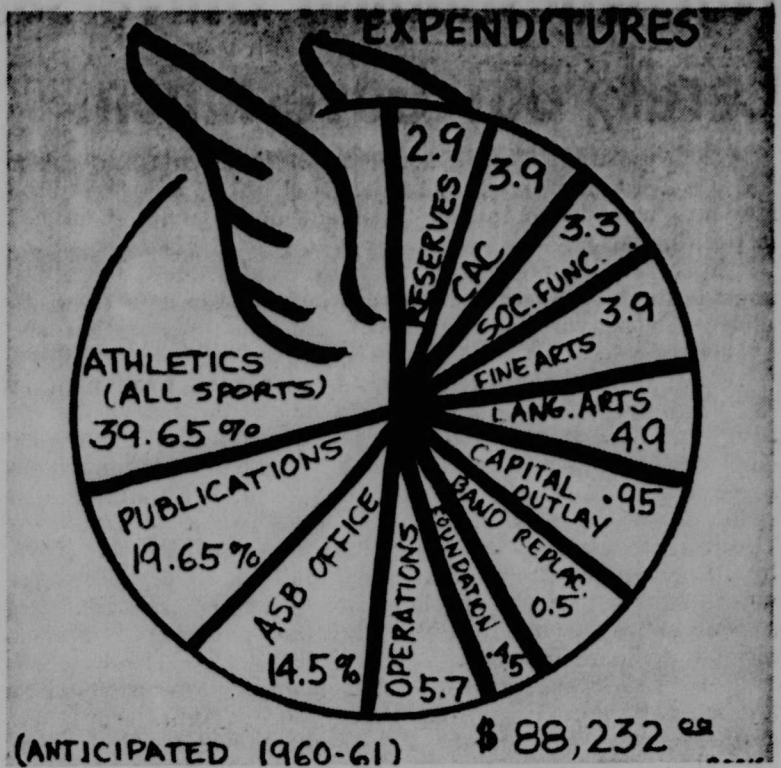

In 11 years, the Humboldt State associated student body budget has grown from a little more than \$25,000 to \$88,232 and in this period the student body has grown from about 500 students to over 2000.

Much of the increase in monies has come from student body cards, and much of that increase from the increase in number of students. Football gate receipts have virtually reached an all-time high each succeeding season.

This annual budget of a little less than \$90,000 is channeled into almost 50 activities and academic activities, including art exhibits, basketball teams, concerts and drama productions.

Last fall, the anticipated income was off. The football team made about \$10,000 more than was expected, but spent \$3,000 on an unexpected trip to Hawaii. However, the remaining \$7,000 has made the entire athletic program self sufficient.

The Lumberjack received over \$900 more than its anticipated \$1600, meeting the previous sums of \$25,000. It was cut in the spring budget because football receipts were expected to be down. However, they rose to an all-time high.

(ANTICIPATED 1960-61) \$88,232.00

1960-61 ANTICIPATED EXPENDITURES: — Athletics: Football, 20,673; Basketball, 4,050.50; Baseball, 2,635.50; Track, 1,937; Wrestling, 500; Tennis, 500; Golf, 500; NAIA Travel, 200; WAA, 475; Training Table, 1500; Athletic Director, 550; Health, 1300; Trainer's supplies, 400. (Total \$35,221).

\$2,280,691 Construction Projects Under Way Here

By DREW DILLARD

The start of construction on three new buildings and several other projects has disrupted street travel and parking on Humboldt State's campus.

Construction of a new library has begun in the parking lot directly west of the Administration Building near the intersection of Plaza and Sequoia streets. Singleton Construction Company has the contract for the \$1,025,200 building which will be 52,818 square feet in area.

A new forestry building is being constructed south of HSC's baseball field. It will have a two-story classroom section with a one-story wing, and will have a separate greenhouse and garage. A special feature will be the wood paneling in the classrooms, offices, and corridors, which will be composed of tan-oak, madrone, curly redwood, pepperwood, fir, and chinquapin.

This wood, all grown in this area, will be supplied by a co-operative project of local firms, HSC, and Dr. William Kerr, retired professor of medicine at the University of California.

This new building, which will cost an estimated \$475,000 and will be 17,823 square feet in area, will also be constructed by the Singleton Construction Company.

Construction has also begun on a new education-psychology building in the vacant lot below the College Elementary School. It will be constructed by the Singleton Construction Company, cost an estimated \$702,400, and will be 24,932 square feet in area.

The electrical and mechanical construction of these buildings will be done by the Brizard Construction Company. The library and psychology-education building will be constructed of re-inforced concrete and the forestry building will be of construction similar to the Wildlife Building.

Bids for these three buildings

were put on a one contract basis to lower estimated costs, according to the office of the Executive Dean, which furnished the statistics for this report.

Singleton Construction Company has also started construction of a catch basin-storm drain behind the Field House. This will act as a reservoir to supply water for the fish hatchery, according to Dr. Richard Ridenhour, assistant professor of natural resources. It will cost an estimated \$59,420.

An \$18,671 radio-press booth is being constructed in the men's gymnasium by the Beacom Construction Company.

HSC's President, Dr. C. H. Siemens, said that the projects, which are in site-development and foundation pouring stage now, should be completed for

(CONTINUED ON PAGE 4)

2000 Prep Music Students Here

More than 1,500 high school and junior high school students will be on campus today to participate in the Annual North Coast Music Festival.

Performances of the bands and orchestras, choirs and choruses from Hoopa, South Fork, Fortuna, Ferndale, St. Bernards, Eureka and Arcata High Schools and Eureka and George Jacobs Junior High Schools will take place in the Men's gym in the morning and Sequoia Theater in the afternoon.

The morning session will be held from 10 to 12:30 a.m. and the afternoon session will be held from 1:30 to 3:30 p.m.

Student Director Named For '61 Frosh Camp

Ross Stromberg, education major, was appointed student director for the 1961 Frosh Camp to be held in September.

Prominent in activities, Stromberg was frosh president, a member of Intercollegiate Knights, rally commissioner, cheerleader and frosh camp co-chairman. Presently he is a member of Delta Sigma Phi and Chi Sigma Epsilon.

Stromberg's job will entail coordination of the two-day period of orientation as well as planning the discussion topics for the groups, and working with the frosh camp budget so as to outline the operational costs. He will also be responsible for production of the Frosh Camp Handbook.

Working with Stromberg will be the Frosh Camp Steering Committee which includes Gary Peterson, Karen McDonald and Sharon Camps. The committee is in charge of accommodations, registration, transportation and recreation.

Approximately 32 counselors have been lined up to supply information, tours and recreation for the 200 incoming Freshmen expected next fall. Training sessions for the counselors begin Wednesday with a meeting set for Redwood Park at 6 p.m.

Outside the Frosh Camp Steering Committee and directing the entire two day period will be the dean of guidance, Dr. E. Nedd Girard. Dr. Girard has headed all Frosh Camps at HSC.

ROSKE TO SPEAK

Dr. Ralph Roske, associate professor of history and chairman of the division of social sciences, will speak at the Aug. 28 through Aug. 30 meeting of the Pacific Coast Branch of the American Historical Association at San Jose State College on the subject, "International Effects of the Gold Rush, 1848-1853."

Biggest and Best Ever

Lumberjack Days Slated To Open with Spring Sing

By SUE ALBRECHT

Lumberjack Days will be the biggest and best ever this year. The long awaited annual campus event begins May 4 with the all-campus Spring Sing and ends with the Junior Prom May 7.

The Spring Sing will be held at 7 p.m., Thursday, in the Sequoia Court, weather permitting. If not, it will be held in Sequoia Theater. Clubs or organizations competing will sing two songs; one a traditional HSC song, the other a song of their choice.

Following the song fest will be a coffee hour in the Green and Gold Room at 8:30 p.m. and a movie "The Golden Age of Comedy" at 9 p.m. A water ballet show sponsored by the Women's Recreation Association will also be held Thursday night at 8:15 in the swimming pool. The theme will be "Out of My Dreams" and the acts, which are all choreographed by students, will be indicative of dreams. The show will be repeated Sunday evening from 8:15 to 9:30.

The festivities will begin at noon on Friday with the Bull of the Woods Contest, a sort of rodeo of logging events sponsored by C.U. and the Forestry Clubs. The contest which will be held on the tennis courts will include such events as wood chopping, axe throwing and several women's events.

A carnival featuring 14 booths and many types of games will be held on Sequoia Court from 2-5 p.m. All profits from the carnival will be donated to the World University Service. A slave auction will be held at 3 p.m. during the carnival. The services of 10 new student council members will be sold to the highest bidder. The profits from this will also go to WUS. A campus feed will be held at 5:30 in the cafeteria. The charge to those without meal tickets will be \$1.35. Students will have a choice of fish plate, a meat plate or Crab a la Newberg.

Friday's last event will be Casino Night sponsored by the Sophomore Class which will be held from 7-11 in the Campus Activities Center. The activities will include bingo, poker, blackjack and other types of legal gambling. There will be a dance band, floor show and

dancing from 9-1 sponsored by the Lumberjack Days committee, with the profits going to WUS. The winner of the Ugly Professor Contest will be announced at the Casino Dance.

Voting for the Ugliest Professor will take place the week of May 1-5 in the cafeteria. A penny equals one vote with the profits going to WUS.

The annual Mother's Day Tea will also be held on Saturday from 2-4 p.m. by its sponsors the Associated Women Students.

The semi-formal Junior Prom will be Lumberjack Days' final event. The theme "Springtime Serenade" will be followed at the dance which will be held from 9-11 in the Men's Gym.

Hilltop Calendar Of Coming Events

SUN., April 21 — High School Spring music festival.

SAT., April 22 — Sunset and Redwood Hall openhouse from 7-9 p.m.

Triangular track meet at 11:30 a.m. at Redwood Bowl, HSC, Cal Aggies and Redwood Athletic Club.

SUN., April 23 — "Rebel without a Cause" SAC film at 7:30 p.m. in Founders Hall auditorium. Admission, 25 cents.

Faculty women-senior women breakfast at 9:15 a.m. at Baywood Country Club. All graduating senior women are invited.

WED., April 26 — AWS Fashion show at 8:15 p.m. in CES auditorium. Admission 50 cents.

FRI., April 28 — 7th Journalism Day.

An Anarchy

Not Questioning Universal Cards, But Government

"This petition is only a document in circulation, calling for a referendum, a student body election, as to whether students want a compulsory student body card or not. It is nothing else."

Thus, five proponents of the universal student body card abolition move, say they wish to take one step at a time. For their benefit, we will progress with our observation step by step.

First, it is a convenient method for such proponents to say their move is only a document in circulation, calling for a referendum. It may even be said this is a clever way of sidestepping the real issue at hand—whether students want a universal or optional student body card. Why sign the petition if you are satisfied with the present taxation structure? The universal card was legally and democratically approved by 70 percent of the student body May 13, 1956. Now then, what sense is there in another vote if we are satisfied? It is a poor selling point to say, "sign the petition, so we can have a democratic vote."

The idea of majority rule has always been prevalent in a democratic state, providing that minority rights are upheld, and of course, this should also apply to HSC. This group for the abolition of the universal card admits it is "a small minority". It is, at least, silly to think we should take the trouble to re-vote on something we are, for the most part, happy with in the first place.

So let's discuss the real issue on which these people say they will actively campaign if "it should reach the ballot". The committee had a little over 400 signatures early this week, only slightly more than a week ago. Obviously the cause is dragging. This issue boils down to whether we want a student body, whether we want to finance some 40 to 50 activity and academic areas for the students or have nothing at all. A government (ours is quite similar to the federal and state) must tax its people to provide the goods and services most of the people expressly desire. If people are unhappy with the allocations of these tax funds or feel the council or ASB government is not providing a solid program, the object should be to pressure the council for a better program or to attend the budget hearing. The collection has only the slightest connection with HOW the monies are distributed.

If one takes the trouble to debate the point long enough, these proponents will grudgingly admit HSC student government is similar to the state, federal and local level, and some will even admit universal cards are the fairest way yet devised to tax the students. Now, what is their point? Perhaps it is the organization of their own move, which in the words of one, John Funk, "We're not organized. We are working as anarchists." And from David Klarner we learn, "Maybe we don't want any government at HSC."

There you have it. These people are not interested in student body finances, universal cards or a democratic vote, but rather want to destroy all formal organization and set up the world's first successful anarchy.

Council Cancels Retreat, Takes Poll on ASB Card

By CLIFF HAWTHORNE

The executive council voted to cancel plans for its April retreat with the University of Nevada, decided to override the board of finance and give World University Service some \$30 for publicity purposes, and took a poll on the highly controversial universal student body card referendum at a lengthy meeting last week.

Retreat chairman Sam Kunkle told the council only half of the 30 delegates would be able to attend the annual affair. He added many had job commitments and less than one-third of the present council would be on hand, saying, "Nevada deserves better than this, I move we cancel it."

A long discussion followed with council feeling it would be a waste of their time as well as Nevada's. This resulted in a 9-2 vote against holding the retreat. Three members abstained.

The council then decided it would hold a Sunday session in Eureka, where the new and old officers would meet and map plans for next year, and hold a preliminary budget hearing.

Kay Gerdes, Humboldt State's WUS chairman, asked the council to okay \$33.50 for an information insert publication for the Lumberjack to explain WUS and its function. She explained the expenditure had been turned down three times by the Board of Finance.

Treasurer Paul Asp explained the board felt the money should be taken from the WUS proceeds, but Miss Gerdes countered one of her principles was against the spending of charity for adminis-

tration and overhead.

The council passed the measure by a slim 8-5 margin.

Vice-president Dick Maynard asked the council for its feeling on the universal student body card referendum. After a discussion and a budget report by graduate manager Howard Goodwin, ten council members said they were against the referendum and optional card, while three said they had not decided on the issue.

President Dennis Cahill informed the council that members are to serve through June, that their job has not yet expired.

He pointed out that several members had been missing meetings regularly since the ASB elections.

The council welcomed new activities commissioner Jack Moore, who replaced Betty Bird, who resigned two weeks ago because of conflicting student teaching activities.

In other action, the council:

— Heard a report by Asp, who announced budget hearings were being held. Later an open hearing will be held at the student council meeting.

(CONTINUED ON PAGE 5)

Letters To The Editor

"Concerning the letter advanced by our social and intellectual leaders, Green Key-Gold Key, who wish to bring those who are misinformed on the relative merits of compulsory membership to the Associated Student Body to accepting 'our' academic and activity program, I feel that certain clarifications should be made. Our intellectual giants gave these reasons for compulsory student body membership:

"1. A curtailment of funds if membership were to be non-compulsory would occur, not 'necessarily' those such as football and Homecoming, which 'relatively' pay themselves off, but activities such as forensics, drama, concert, and radio-TV, would suffer. The Big Keys (sic) failed, however, to note that the ones which do not pay themselves off are academic programs. A failure to compare the percentage of revenue allocated to the athletic and academic programs was also evident.

2. 'requirement (sic) for membership within any student organization or activity is membership in the Associated Student Body.' The Keys, (sic) it seems, fail to comprehend the fact that for many students this is of very little concern. It is a fact that not all people wish to climb the ladder to social prominence; to many, this type of justification for their existence is unnecessary.

There are some points that the Key Combination (sic) failed to mention, however, for whatever clandestine reasons they may have had. Among these are the following:

1 The fact that among our student body there are some who have a tremendous financial burden and who go to college for reasons other than to watch football games or to go to fraternity parties. These are dedicated students to whom \$20 saved would look pretty good and who would be able to purchase with this amount not the latest type of umbrella or tennis shoe, but necessary schoolbooks.

2. The fact that those who have not sold their souls down the administrative river feel that the matter should be brought up for a vote. That is the reason for the democratic referendum.

I would like to thank the Keys (sic) and their advisor for showing their interest in saving lost souls, and themselves, by attempting to guide us away from our natural, inalienable right to a free election, an election that it does not wish to see held. But since the rung of your ladders may break under the increased burden, we will humbly decline your gracious offers of salvation. Do not overburden yourselves.

Sincerely Yours,
/s/ Gerhard O. Winkler"

HSC Coeds Win Home Ec Awards

Two Humboldt State College co-eds have received citations from a national company as outstanding home economics graduates of the year. They are Arlene Donne of Eureka and Kathleen Batri of Arcata, who will receive their degrees this spring.

The girls were nominated for the 1961 awards by Mrs. Mary B. Farr, head of the home economics department and recommended by other faculty members. The annual contest sees one or two students entering from each college in the United States which offers an home economics major. A student must have, in order to enter, a "B" average and

a recommendation from an instructor in the home economics department.

The program awards to the year's top graduate a one-year business apprenticeship as associate director of the company's Junior Home Service Center, followed by either a permanent position at the company or a graduate school scholarship in home economics. The 1961 award winner is Judith K. Coleman, attending Oregon State College.

A ROBE BY ANY OTHER NAME

As Commencement Day draws near, the question on everyone's lips is: "How did the different disciplines come to be marked by academic robes with hoods of different colors?" Everybody—but everybody—is asking it. I mean I haven't been able to walk ten feet on any campus in America without somebody grabs my elbow and says, "How did the different disciplines come to be marked by academic robes with hoods of different colors, hey?"

This, I must say, is not the usual question asked by collegians who grab my elbow. Usually they say, "Hey, Shorty, got a Marlboro?" And this is right and proper. After all, are they not collegians, and, therefore, the nation's leaders in intelligence and discernment? And do not intelligence and discernment demand the tastiest in tobacco flavor and smoking pleasure? And does not Marlboro deliver a flavor that is uniquely mellow, a selectate filter that is easy drawing, a pack that is soft, a box that is hard? You know it!

But I digress. Back to the colored hoods of academic robes. A doctor of philosophy wears blue, a doctor of medicine wears green, a master of arts wears white, a doctor of humanities wears crimson, a master of library science wears lemon yellow. Why? Why, for example, should a master of library science wear lemon yellow?

Well sir, to answer this vexing question, we must go back to March 29, 1844. On that date the first public library in the United States was established by Ulric Sigafos. All of Mr. Sigafos's neighbors were of course wildly grateful—all, that is, except Wrex Todhunter.

Mr. Todhunter had hated Mr. Sigafos since 1822 when both men had wooed the beautiful Melanie Zitt and Melanie had chosen Mr. Sigafos because she was mad for dancing and Mr. Sigafos knew all the latest steps, like the Missouri Compromise Mambo, the Shay's Rebellion Schottische, and the James K. Polk Polka, while Mr. Todhunter, alas, could not dance at all owing to a wound he had received at the Battle of New Orleans. (He was struck by a falling praline.)

Consumed with jealousy at the success of Mr. Sigafos's library, Mr. Todhunter resolved to open a competing library. This he did, but he lured not a single patron away from Mr. Sigafos. "What has Mr. Sigafos got that I haven't got?" Mr. Todhunter kept asking himself, and finally the answer came to him: books.

So Mr. Todhunter stocked his library with lots of dandy books and soon he was doing more business than his hated rival. But Mr. Sigafos struck back. To regain his clientele, he began serving tea free of charge at his library every afternoon. Thereupon, Mr. Todhunter, not to be outdone, began serving tea with sugar. Thereupon, Mr. Sigafos began serving tea with sugar and cream. Thereupon, Mr. Todhunter began serving tea with sugar and cream and lemon.

This, of course, clinched the victory for Mr. Todhunter because he had the only lemon tree in town—in fact, in the entire state of North Dakota—and since that day lemon yellow has of course been the color on the academic robes of library science.

(Incidentally, the defeated Mr. Sigafos packed up his library and moved to California where, alas, he failed once more. There were, to be sure, plenty of lemons to serve with his tea, but, alas, there was no cream because the cow was not introduced to California until 1931 by John Wayne.)

500 Hear Dean Balabanis Tell Of 'Good Man'

Approximately 500 students and faculty members attended a general assembly Monday to hear Dean of Instruction Homer P. Balabanis speak on "The Greek Philosophical Ideal of the Good Man."

Dean Balabanis said he believes it appropriate to concentrate more often on humanistic values in this era of the space age where matter, not man, is the focus of attention. He pointed out that man is learning to control and utilize the elemental forces of nature before he has learned to control himself.

The core of Greek philosophical thinking was reflection on man and the virtues which constitute a good man. Prominent Greek philosophers built permanent standards by which men can be guided to this day, according to Dean Balabanis.

Dean Balabanis listed the five primary traits of a good man as they are identified in Greek philosophy.

Courage was defined as acting according to the dictates of your own rational conscience, regardless of possible persecution. Obedience means obedience to the law of the state as long as that law is based on reason. The quality of justice is especially important as a civic virtue. Legal justice based on man-made law cannot be infallible, so it must be tempered with mercy. Temperance is the mastery over self-indulgence and wisdom is the ability to distinguish between the true and untrue, the right and wrong.

Dean Balabanis observed that 2,500 years have passed since Socrates lived and still his ideas and the ideas of other philosophers of his time have not completely penetrated the mind of man. But, he pointed out, the ideas still exist and serve, as do the teachings of Christ, as guides for the good and just man.

FOUR ATTEND CLINIC

Four HSC women are journeying to Chico State College this weekend for a tennis clinic. Besides the clinic, unofficial matches will be played between the two schools. Participating in this event are Gayle Frakes, Michelle Nance, Betty Jean Theophilos, and Marlene Thompson.

30 High Schools Invited To HSC Journalism Day

Invitations have been sent to about 30 high schools in the Redwood Empire area to attend the Seventh Annual Humboldt State Journalism Day to be Friday, April 28. The editors from approximately 25 newspapers in the area have also been invited to attend.

The first school to accept was Hoopa, one of the schools unable to attend last year because of Saturday activities.

A full day's activities have been planned for the young journalists. The program follows:

9:00-9:30 a. m.—Registration in the Green and Gold Room.

9:30—General assembly in Founders Hall auditorium. Welcome and introduction by George Abbott, assistant professor of journalism at HSC. Scoop Beale, managing editor of the Humboldt Standard, master of ceremonies.

9:45-10:30—Panel discussion. "Problems Facing Young Journalists". Moderators will be Don TerBush, sports editor of the Standard, and Al Tostado, sports editor of the Times. Panelists will be Hugh Clark, assistant sports editor of the Times as well as Lumberjack editor, Don Carlton, assistant sports editor of the Standard, Barbara Oberdorf, assistant society editor of the Standard, and Vicky Williams, assistant society editor of the Times and news editor of the Lumberjack.

10:30-11:00—Address by Robert Eunson, Chief of the Associated Press Bureau of San Francisco and author of "Mig Alley" and "The Pearl King".

11:00-12:00—Photo clinic and exhibit. Address by Joe Rosenthal, photographer for the San Francisco Chronicle and Pulitzer Prize winner for the photo of the flag raising at Iwo Jima. Panelists will be Neil Hubert, photo chief for the Eureka Newspapers, and Dave Hoppe, staff photographer for the Eureka Newspapers.

12:00-12:30—Newswriting contest. Cash prizes awarded by the Eureka Newspapers.

12:30-1:30—Reception in the publication offices and campus tours. Students may visit the journalism facilities or any other part of the campus. The reception will be sponsored by Alpha Phi Gamma, national journalism honorary.

1:30-3:00—Lunch in the HSC cafeteria. Scoop Beale will be master of ceremonies and Dr. Cornelius Siemens, president of HSC will present a welcoming address. Joe Rosenthal will be guest speaker.

HSC Professor Speaks On U.S. Aid to Education

Dr. Wilmer Bohlmann, assistant professor of political science, spoke on the current debate regarding federal aid to education, at the Sunnybrae Congregational Church last Sunday.

Dr. Bohlmann primarily examined President Kennedy's position that the Constitution precludes federal aid to private church controlled educational institutions in the form of grants or loans.

President Kennedy's recently expressed conviction is that federal grants to such institutions, especially parochial schools, are unconstitutional. The President has not definitely made this statement regarding loans to such institutions.

The President is attempting to put two bills through Congress concerning the problem. One would definitely exclude federal support to such institutions in the form of grants. The other calls for an examination of the constitutional legality of loans to such institutions.

The debate on aid to religious schools rests on the principle of separation of the church and state in the Constitution. Dr. Bohlmann does not believe Kennedy is entirely correct in his position and feels the problem is really a political question and that discussion of it should not be precluded on Constitutional grounds.

Mrs. Don Karshner took over as head of the drama department while Dr. Karshner was overseas in the Armed Forces. She resigned when he returned in 1946.

Three HSC Projects Under Construction

(CONTINUED FROM PAGE 1)
the Spring semester of the 1961-62 school year.

President Siemens also said that construction of a 300-car parking lot will soon be started in the Jolly Giant Creek area north of the dormitories. This parking lot, which will cost an estimated \$133,500, will be connected with the campus with a foot-path.

Electrical facilities, such as underground cables and 24 additional street-lights, combined with a television co-axial cable to connect the buildings are the reasons for many streets being torn up, according to President Siemens.

HSC's track, unique with its rubberized surface, has been completed, new stadium seating is being proposed, and a new child-care center is being proposed, President Siemens added.

President Siemens also said that HSC may receive some new library books, because the new board of trustees for state colleges is for larger library book collections and plans to give colleges extra allotments in proportion to student increase.

ATTEND FESTIVAL

The annual International Academy of Aquatic Art Festival will be held at the Sacramento City College this weekend. Four Women from Humboldt State are attending this event. They are Linda Arvola, Carolyn Hinckley, Nancy Hunsinger, and Ruth Moore.

CASUAL CAMPUS

By Kay

Spring is really here! Lunch was served outside the cafeteria on Saturday with hamburgers, potato salad, and the works . . . just like a picnic!

You just never know what condition you will find your kitten in when you come home! Marci Johnson and Karen McDonald found this out when they came home to find that some culprits (J.R. and B.A.???) had painted their kitten "Kashka" with finger nail polish. Kashka now sports "hot coral" ears and toes!

Speaking of "Hot Coral," this is just one of the fabulous warm colors in beads this spring. Check the center aisle on Daly's Main Floor! \$1.00 buys yours!

You just have to believe the saying, "in the Spring a young man's fancy turns to love," with all the examples of it (love) on campus. Pam Schoenbeck and Barry Jensen are pinned, Rego Piva and Sherry Dyer, Bob Bartley and Jerry Kennedy are married. At the Corinthian Ball three members of Tau Kappa Epsilon announced their pinnings: Pete Rice and Karla Kaski, Bill Robinson and Joan Iverson, John Lyle and Donna Peoples.

HSC clubs are preparing to turn their favorite professor into Dr. Jeckle - Mr. Hyde for the Ugly Prof contest next week. Plaster of paris, rubber masks, and mud are some of the make-up which will be used by the clubs to make their candidate look the ugliest.

Frank Carroll assures me that no one could ever win an "ugly" contest wearing the Polished Cotton Random Cord Slacks from Daly's Men's Store. Their continental belt style make these a must for Frank, who is the proud owner of two pairs in both pewter and oyster, \$4.98 each.

Are studies frustrating you? Do you get the urge to hit something as hard as you can? The golden opportunity to do just that will confront you during Lumberjack Days! Tom Nelson has donated his car for his fraternity booth, which will feature sledge-hammer blows on the car! (Tom gets the first three). This event is aimed particularly to relieve student frustration.

San Francisco saw much of HSC last week-end with both the World University Service conference and the Newman Club convention taking place in the bay area. HSC was well represented at both!

Carol Maher is on a diet kick . . . that is, forcing her friends to diet while she eats! One of her "dieters" was walking across campus recently and Carol took the opportunity to yell to her, "Hey, fatty!" Unfortunately the professor walking ahead of her thought the words referred to him (maybe he'll forget by finals, Carol!)

Carol really does have something to shout about . . . her new 100% wool hooded Bulky Sweater from Daly's Sportswear! These new jacket length sweaters in black, white, and bone also feature the "stovepipe" collar style. Just the thing for these spring breezes, hey Carol? \$16.98-17.98. See ya 'round!

Truly American Play, by Riggs, To Open May 5

"Roadside", a comedy about people in the Oklahoma Territory, will be presented in the Sequoia Theater, May 5, 6, 12 and 13.

The play is written by Lynn Riggs, who was born in the Indian territory and lived there for several years. During this time he became familiar with the life of the cowboy, with his ideas, his character, and his way of speaking.

Riggs' acquaintance with the cowboy can be seen in most of his plays, including "Roadside". This play is a truly American play, showing the character of the people that is particular to the American frontier. The main characters in the play are typically what one thinks of as American frontier people, with a love of adventure and a great enthusiasm for life.

Riggs has written many plays about the area he knows best, the American West. Among these are "Sump'n Like Wings", "A Lantern to See By", "Roadside", and "Green Grow the Lilacs", which was probably his most famous play and was the basis for the musical comedy "Oklahoma" by Rogers and Hammerstein.

Riggs led an interesting life holding various jobs, including delivery boy, glass factory worker, movie house singer, movie actor, book salesman, and proof reader for the "Wall Street Journal." He also spent some of his life working on his father's cattle ranch. Besides writing plays he has also written books of poetry, including "The Iron Dish."

African Dancers Scheduled Here

A program of primitive African dance will highlight the Second Annual Festival of Arts, to be held May 5 through 21. The Ruth Beckford Dance Company, consisting of eight dancers, will perform the primitive dances for the student body and public.

Many departments will participate in the traditional festival, held for the first time last year. The art, music, English, speech and drama, industrial arts, and home economics departments will all contribute.

3rd Radio-TV Workshop Set for Summer Session

Humboldt State's Radio-Television Department is offering an intensive course of study in educational radio and television production techniques as part of the 1961 summer session.

The workshop will meet for a full four week period (June 26-July 21) and will cover theory and application of effective radio and television broadcasting.

The workshop has been designed for the professional educator as well as for the broadcast professional or student.

Dr. Anderson said workshop students will be given the opportunity to:

1. Gain vital experience in all phases of radio and television production.
2. Gain insight into the philosophical and practical structure of

radio and television.

3. Gain enrichment from a series of lectures presented by various education and commercial broadcast leaders.

Total tuition for the four-week workshop is \$44. Applications for the workshop enrollment and campus housing will be forwarded on request by writing to:

Dr. Dale Anderson
Director of Radio-Television
Humboldt State College

Council Cancels Nevada Retreat

(CONTINUED FROM PAGE 2)

— Heard song queen and yell leader tryouts were underway with 15 trying out for yell leader posts and 16 for song queen jobs. Rally commissioner Bill Turner said a three-member board including himself, a faculty member and former rally commissioner Ross Stromberg would choose the new queens and yell leaders. Dr. Larry Kerker will assist the yell leader tryouts and Dr. David Smith with the song queens.

— Rejected, for the time being, four seal designs submitted by art students for a Humboldt State seal.

— Approved seven of nine provisions for publicity regulations as submitted by Dean of Activities Kate Buchanan. The council said the provisions would be temporary until the voting and publicity regulation code is completed.

It voted not to make it mandatory for students to list names or box numbers for submitting publicity to student boxes and rejected a clause to set a maximum number of posters according to the number of groups participating in an activity.

'Nightingale' Duet Featured at Recital

"The Nightingale", a duet written especially for the occasion by Dr. Leon Wagner, associate professor of music, was sung by Joan Iversen and Joe McCallister, junior music majors, at the Joint Student Recital, held Sunday. The song is variations on a theme by Tchaikovsky and is on the romantic theme with modern tendencies.

The Mu Epsilon Psi sponsored concert also featured works by Mozart, Pergolesi, Beethoven, Schumann and Lalo.

Eureka Wins HSC Business Club Visitation Award

Arcata, Eureka, Fortuna and Del Norte high schools entered teams in typing and shorthand competition at Saturday's High School Visitation Day, sponsored by Humboldt State's Business Club.

Eureka Senior High School won first place in typing and second in shorthand. Arcata Union High School took first place in shorthand. Fortuna High School won second place in typing.

Dr. Don Karshner became head of the speech-drama department at Humboldt State College in September of 1941 when he came here from Menlo School where he was head of the speech correction clinic.

Fashion Show Set Wednesday

Spring fashions will be shown Wednesday at the annual AWS fashion show, slated at 8:15 p.m. in the CES auditorium. Admission for the showing, centered around an "Oriental Enchantment" theme, has been set at 50 cents with ASD card and 75 cents without.

Kay Callison is chairman of the affair, assisted by Carol Slack, decorations, and Arlene Donne, refreshments. Entertainment will be provided during intermission.

Tracksters Host Cal Aggies Tomorrow

Baseballers To Play Two Against San Francisco

The Humboldt State baseball team enters its second Far Western Conference doubleheader tomorrow at 1 p.m. against the San Francisco State Gators in the Bay City.

Both teams have a 1-1 conference record and need a sweep to keep up with the FWC-leading Cal Aggies who upset Sacramento State in two games last Friday.

San Francisco split with the University of Nevada while the Lumberjacks split with Chico State.

Lumberjack coach Ced Kinzer will probably start Al Snarski in the seven inning opener, and Larry Taylor will work the nine inning nightcap. Tom Leitz and Ron Stammer will be on hand for relief duty.

Drew Roberts will start in right field with Dennis Pontoni in center and Ken Matias in left.

The Lumberjack's leading hitter, Tom DiMercurio, will be at shortstop while Monty Feekes rounds out the keystone combination at second.

Outstanding freshman Larry Wimer will open at third and W. L. Taylor starts at first. Joe Siino will handle the catching duties.

Rich Tomasini and Don Lampe will be Kinzer's main bench strength.

FWC STANDINGS

Cal Aggies	2	0	1.000	—
Humboldt State	1	1	.500	1
Chico State	1	1	.500	1
Univ. of Nevada	1	1	.500	1
San Francisco St.	1	1	.500	1
Sacramento	0	2	.500	2

Intramural Track Championships Scheduled Today

The annual intramural track championships will be held today at 4 p.m. Last year, the track finals proved to be one of the most exciting programs on the intramural schedule.

Nine running events and six field events are scheduled at Redwood Bowl. The schedule of running events are: 100 yard dash, 220 yard dash, 440 yard dash, 880 yard run, mile, 180 yard low hurdles, the 120 yard high hurdles and the 440 and 880 yard relays. In both hurdle events the barriers will be set at high school levels.

Included in the field events are: the broadjump, highjump, pole vault, 12 lb. shot put, discus and javelin.

Three entrants are the maximum number that any team may enter in one event while one person can only enter three individual events and the relay.

Intramural chairman Tom Schubert said, "We would like to encourage all unattached runners to participate in the meet."

The final games of the intramural basketball schedule were played last week with Humboldt Village A's defeating Conservation Unlimited by a score of 53-49. The Village achieved their first place victory behind the sharp shooting of former varsity letterman Ed Thomas who collected 24 points. High scorer for the losers was Jim Potts with 15.

In the third place game the Old Timers were not able to muster a sufficient number of players and consequently forfeited the game to Independent "A".

Softball will start soon. It will be the final competition in the intramurals this year. There will be only one league and two games a night will be scheduled. Each organization will be responsible for providing its players with gloves and one umpire for the games. The games will be held on the football field.

NETTERS DROP MATCHES

The Southern Oregon Red Raider tennis squad took a 7-2 victory over the Humboldt State Lumberjacks Friday at Ashland, then almost duplicated it Saturday, posting a 6-1 triumph.

Trackmen Drop 90-40 Decision To Chico State

Chico State's Wildcats posted a 90½-40½ victory over the Humboldt State Lumberjack track and field force in a dual meet at Chico Saturday.

Hilltopper Chris Carr led the 'Jack effort with a double victory in the shot put and discus. He took the shot with a 43'10½" toss, and hurled the discus 132'2¼". Gordon Bobell was runnerup in both events, he went over 40 feet in the shot put, and placed third in the javelin.

Travis Hatcher won both the high and low hurdles for Chico. HSC's Bob Haley was second in the lows, while teammate Dave Littleton edged him for second in the highs.

Humboldt won the mile run as Rick Scott returned to his 1960 winning ways with a 4:34.9 clocking. Ron Remington turned in a :23.1 220 run for the win, while Dave Engman of Chico won the 100 in :10.5. Pat O'Brien placed second in the 440.

Hilltoppers Looking For First Dual Win

The Humboldt State cindermen, looking for their first win, face the Cal Aggies Saturday in Redwood Bowl at 11:30 A.M., entering the meet as 15-point underdogs.

The Lumberjacks have a season record of 0-5 in dual meets. The main Lumberjack strength will be in the field events. Chris Carr captured two firsts in the shot put and discus against Chico. Gordon Bobell adds depth in those two events. The Aggies will enter Hansel Cope and Clarence Nicodemus in the discus and Bill Burton in the shot put.

Bill Crichton and Larry Krupka continue to add points in the high jump for the Lumberjacks. The two basketballers will find competition from Mike Gray.

Rego Piva will head the Lumberjacks pole vaulters with Hector Escardo and Ernest Perellinetti representing the Aggies. Frank Alden will enter the broad

jump for the Lumberjacks.

In the sprints, Manuel Vasquez and Ron Remington will be the Hilltopper's mainstays while the Aggies will enter Grant Artist, Tim Fitzharris and Phil Fox.

Lumberjacks Alden and Pat O'Brien will face Aggies Tony Feller and Charles Shumway in the 440.

In the distance races, Rick Stromberg and Rick Scott will lead the Lumberjacks while Dick Kirk and Mickey Thole will head the Aggies' entry.

Dave Littleton and Bob Haley will face Escardo and Dud Stone in the hurdles.

Lumberjacks, Wildcats Split FWC Doubleheader

The Humboldt State Lumberjacks posted a 5-1 victory in the second half of a doubleheader, gaining a split with the Chico State Wildcats, who won the opener 5-4, here last Saturday.

In the opening game of the Far Western Conference doubleheader, Humboldt drew first blood with a lone tally in the first frame. Larry Wimer singled, Ken Matias got life on an error and Tom DiMercurio doubled.

Chico catcher Mario Serafin got the Wildcats back in the contest when he hit a grand slam home run over the left field fence.

Humboldt got three in the sixth when Dennis Pontoni opened the inning with a home run over the left field barrier. Then a base on balls, a pair of infield bobbles, W. L. Taylor's sacrifice bunt and

Monty Feekes' sacrifice fly to right accounted for two markers.

But Chico came back in the top of the seventh on Marshall Kreuter's single, a sacrifice and Bob Stalder's double to win it.

Righthander Larry Taylor pitched a four hitter in the night cap and was only in serious trouble in the sixth when the Wildcats got their lone tally when Martin doubled and Wade Wall singled.

The Hilltoppers scored twice in the seventh when Pontoni walked, DiMercurio singled, W. Taylor's suicide squeeze bunt and a delayed double steal by Feekes and DiMercurio.

In the eighth three 'Jacks came home featuring a pair of walks and singles by Wimer, Matias, Drew Roberts and W. L. Taylor.

Nehmen Face Gators, Hornets In Pair at SF

The Humboldt State tennis team wraps up its pre-FWC practice matches today and tomorrow traveling to San Francisco to meet Sacramento State and San Francisco State.

The Lumberjacks have lost five matches in as many starts this season.

Coach Larry Kerker said he has little hope of taking a victory against either the Hornets or Gators.

Garry Peterson will play in the number one spot for the Jacks with Bruce Paige, Les Brinkman, Steve Harrow and Gary Hunt rounding out the traveling squad.
