

7th Journalism Day Under Way Here

Famed War Photographer, West Coast Bureau Chief Feature Day-Long Program

Humboldt State's Seventh Annual Journalism Day gets under way this morning at 9:30, with a full day of scheduled events.

Journalism Day Program Events

9:00-9:30 a.m. — Registration in the Green and Gold Room.

9:30—General assembly in Founders Hall auditorium. Welcome and introduction by George Abbott, assistant professor of journalism at HSC. Scoop Beal, managing editor of the Humboldt Standard, master of ceremonies.

9:45-10:30—Panel discussion, "Problems Facing Young Journalists." Moderators will be Don Terhush, sports editor of the Standard, and Al Tostado, sports editor of the Times. Panelists will be Hugh Clark, assistant sports editor of the Times as well as Lumberjack editor, Don Carlton, assistant sports editor of the Standard, and Vicky Williams, assistant society editor of the Times and news editor of the Lumberjack.

10:30-11:00—Address by Robert Eunsion, Chief of the Associated Press Bureau of San Francisco and author of "Mig Alley" and "The Pearl King."

11:00-12:00—Photo clinic and exhibit. Address by Joe Rosenthal, photographer of the San Francisco Chronicle and Pulitzer Prize winner for the photo of the flag raising at Iwo Jima. Panelists will be Neil Hubert, photo chief for the Eureka Newspapers, and Dave Hoppe, staff photographer for the Eureka Newspapers.

12:00-12:30—News-writing contest. Cash prizes awarded by the Eureka Newspapers.

12:30-1:30—Reception in the publication offices and campus tours. Students may visit the journalism facilities or any other part of the campus. The reception will be sponsored by Alpha Phi Gamma, national journalism honorary.

1:30-3:00—Lunch in the HSC cafeteria. Scoop Beale will be master of ceremonies and Dr. Cornelius Siemens, president of HSC, will present a welcoming address. Joe Rosenthal will be guest speaker.

Twenty-five high schools and 26 Northern California editors have been invited to attend the affair, co-sponsored by the HSC journalism department and the Eureka Newspapers, Inc.

Two well-known professional journalists highlight the day with talks and workshops. The purpose of the program is to enable high school students to meet professional journalists and to become acquainted with HSC's program and publication facilities.

Bob Eunsion, head of the San Francisco Bureau of the Associated Press and Joe Rosenthal, famous San Francisco Chronicle photographer, are keynote speakers.

Eunsion will be the guest speaker from 10:30 to 11 a.m. in the Founders Hall Auditorium. A panel made up of HSC students discussing the problems of the beginning journalists precede his talk.

He became bureau chief after 13 years with AP, mostly overseas. In 1943 he was assigned to General Douglas MacArthur's headquarters in the southwest Pacific theater.

Eunsion has also been chief of the AP Bureau in Brussels and Tokyo and second in command of the Paris bureau.

Rosenthal, famed for his famous shot of the flag raising ceremonies on Iwo Jima, will address the group at the luncheon from 1:30 to 3 p.m. in the cafeteria. He will also chair the photo clinic.

The visiting students have been invited to visit the Lumberjack Suite in room 13 of the Language Arts Building from 12:30 to 1:30 p.m. The Beta Mu chapter of the Alpha Phi Gamma, national honorary co-educational journalism fraternity, will host the visitors and serve refreshments.

The flag raising of Iwo Jima atop Mount Suribachi is just one of Rosenthal's prize winning photos, but certainly his most famous.

Rosenthal did not see the picture that made him famous until after millions of Americans and allied peoples had seen it.

The photo has been reproduced in Arlington National Cemetery, has been carried on U.S. postage stamps and has been the theme of several parade floats.

Lumberjack Days Start Here Thursday

Famed Photographer's Picture

Here is the historic and world-famous photograph of the Iwo Jima flag raising atop Mount Suribachi, taken during World War II by Joe Rosenthal. Rosenthal is featured speaker at the Seventh Annual Journalism Day here today.

Second Annual Festival Of Arts Opens May 5th

A program of primitive dance will highlight the two-week Second Annual Festival of Arts, May 5 through 21.

Ruth Bedford and Company will present a program of dances native to Africa and Haiti, performed to the accompaniment of a trio of drummers, who will also present solo numbers with song between dances, Saturday, May 20 at 8:15 p.m.

The festival will formally begin with the drama production of "Roadside," by Lynn Riggs, Friday May 5, at 8:15 p.m. in Sequoia Theater. The next performance will be held Saturday, May 6, at the above time and place.

A Chamber Music Concert, featuring the string quartet and the chamber singers, and a water ballet will be held Sunday, May 7. The concert will be held at 8:15 p.m. in Sequoia Theater and the water ballet will be held in the Natatorium at 8:15 p.m.

Art in Action; demonstrations of painting, drawing, sculpture, pottery, design, photography and crafts; and a student recital are scheduled for Tuesday, May 9. The art demonstrations will be held in and around the Art Building from 7-9 p.m. and the recital will be in the Music Building beginning at 8:15 p.m.

The Industrial Arts Exhibit will begin and an art film will be shown on Wednesday, May 10. "The Titan, The Story of Michelangelo" will be shown in room 108 of the Art Building at 7:30 p.m. The exhibit will be held from 8 a.m. to 5 p.m. in the Green and Gold Room.

"Three On A Theme," an oral interpretation by Dr. William B. McCoard, professor of speech, University of Southern California, will be held at 8:15 p.m. in Sequoia Thursday, May 11. The Industrial Art in Action will be held from 1-4 p.m. in the Art Building.

The Green and Gold Concert Band will hold its annual concert, featuring "Music For A Festival, for Military Band" by Gordon Jacob, and "Rondo I from the Sixth Collection" by Bach, May 14, at 8:15 p.m. in Sequoia Theater.

"Creation and Perception in the Visual Art Today," an art lecture, will be presented by George Culler, Director of the San Francisco Museum of Art, Monday, May 15 at 8:15 in Sequoia Theater.

The Studio Band, under the direction of Jerald Moore, will present a jazz workshop Tuesday evening at 8:15 in Sequoia Theater.

RELIGIOUS TALK SET
A lecture explaining Christian Science has been scheduled Sunday, May 7, at 647 14th Street in Arcata, starting at 8 p.m. Miss Lela May Altman of Chicago will present the talk, designed for college students.

Dean William Allaway, Stanford University, will speak on "Exchange Persons in Newly Developing Countries," and the evening will be concluded with a short presentation by Dr. Rao on "Project India." This professor from the University of Mysore will describe how useful such a project can be in his homeland.

Other activities planned this week include an "Ugly Professor" contest. A penny a vote will elect one of a dozen candidates to this role. Many organizations, clubs, and fraternities are sponsoring candidates. Friday, WUS will collaborate with Lumberjack Days in a carnival and dance program.

The carnival will take place in Sequoia Patio from 1-5 p.m. with many clubs sponsoring booths whose proceeds will go to aid the drive. A dance will be held from 9 p.m. to 1 a.m. featuring a casino-type activity sponsored by the Lumberjack Committee.

The Arcata City Council and Assemblyman Frank Belotti have given support to the drive, along with personal messages from President Jack Kennedy; United Nations chief delegate, Adlai Stevenson; U.S. Senator Thomas Kuchel; and Governor Edmund Brown. All these dignitaries have personally endorsed the World University Service program and the Humboldt State College campaign on behalf of WUS.

Eureka Newspapers, Inc. are donating a trophy to the college club, organization, or fraternity that does the most for WUS. They are also making a contribution to the drive.

Paul Conner Elected President Of CSTA
Paul Conner was elected president of the CSTA at the April 17 meeting of the group. Other officers elected were Davey Butler, vice-president; Joyce Daugherty, secretary; Kitty Hemingway, treasurer; and Carol Still, ICS representative.

They will be installed May 15 at a dinner in Eureka.

WUS Sets Indian Dinner, Auction Monday Night

An authentic dinner cooked in the style of India highlights activities planned next Monday through Friday by the World University Service in its first major drive to raise funds for Indian university and college students, at Humboldt State.

Kay Gerdes, senior social science major, is the campus chairman for the fund drive which will commence Monday night with a convocation and an Indian dinner prepared under the supervision of Dr. K. B. Rao, regional executive of the World University Service, using ingredients and special herbs native to his country.

All persons in the Humboldt-Del Norte region have been invited to attend the convocation and dinner with tickets being sold for \$1 for adults and 50 cents for children and are on sale in the bookstore, Hornbrook's in Arcata, and Photo Specialty in Eureka. Meal tickets will be honored for men and women living in the dormitories. Dinner will be served at 6 p.m.

At 8 p.m. following the dinner will be international entertainment and a foreign embassy auction of gifts contributed by the San Francisco foreign consulate offices.

Conducted by Dr. Dale Anderson, co-director of HSC's radio-TV department, the auction will feature foreign prints, books, maps, pamphlets, and posters, part of which are on display at the bookstore. All profits from the event, sponsored by Delta Sigma Phi fraternity, will go to the drive.

In conjunction with the dinner and auction will be a convocation which is open to the community. Dr. Cornelius Siemens, president of Humboldt State College, along with Dr. Ralph Roske, Chairman of the Division of Social Science and World University Service sponsor, will help start the drive by giving short presentations at the convocation.

Dean William Allaway, Stanford University, will speak on "Exchange Persons in Newly Developing Countries," and the evening will be concluded with a short presentation by Dr. Rao on "Project India." This professor from the University of Mysore will describe how useful such a project can be in his homeland.

Other activities planned this week include an "Ugly Professor" contest. A penny a vote will elect one of a dozen candidates to this role. Many organizations, clubs, and fraternities are sponsoring candidates. Friday, WUS will collaborate with Lumberjack Days in a carnival and dance program.

The carnival will take place in Sequoia Patio from 1-5 p.m. with many clubs sponsoring booths whose proceeds will go to aid the drive. A dance will be held from 9 p.m. to 1 a.m. featuring a casino-type activity sponsored by the Lumberjack Committee.

The Arcata City Council and Assemblyman Frank Belotti have given support to the drive, along with personal messages from President Jack Kennedy; United Nations chief delegate, Adlai Stevenson; U.S. Senator Thomas Kuchel; and Governor Edmund Brown. All these dignitaries have personally endorsed the World University Service program and the Humboldt State College campaign on behalf of WUS.

Eureka Newspapers, Inc. are donating a trophy to the college club, organization, or fraternity that does the most for WUS. They are also making a contribution to the drive.

Paul Conner Elected President Of CSTA
Paul Conner was elected president of the CSTA at the April 17 meeting of the group. Other officers elected were Davey Butler, vice-president; Joyce Daugherty, secretary; Kitty Hemingway, treasurer; and Carol Still, ICS representative.

They will be installed May 15 at a dinner in Eureka.

Three-Day Celebration Opens With Campus Sing

By SUE ALBRECHT

The Third Annual Lumberjack Days gets under way next Thursday evening. The Campus Sing sponsored by Spurs will be the first of many events to take place during the three days of activities which conclude Saturday night with the semi-formal Junior Prom.

Thursday evening's events will begin with the Campus Sing from 7-8:15 p.m. in Sequoia Court, followed by a Coffee Hour in the Green and Gold Room from 8:15-9:15. A water ballet show entitled "Out of My Dreams," sponsored by the Women's Recreation Association, will be held in the swimming pool from 8:15-9:45. The last event of the evening will be a movie, "The Golden Age of Comedy," shown at 9:15 in Founders Hall Auditorium.

Friday's most welcome festival will be the dismissal of classes at noon. Bull of the Woods contests, sponsored by CU and the Forestry Club, will be held in the old Coop Area from 12:15-3 p.m. This will include various logging events for both men and women. A Bull and Queen of the woods will be chosen and the winners announced at the Casino Night Dance. An Art Festival, held in the Art Building will also begin at 12:15.

Sequoia Court will be the scene of a carnival from 2-5 sponsored by the World University Service, with all profits going to that organization. The carnival booths will include a Car Wreck, Tricycle Race, Chug-a-lug Contest and Marriage Booth.

A Slave Auction will be held from 3-3:30 in Sequoia Court with all profits going to WUS. Ten new Student Council members, five male and five female, will be auctioned off as dates for the Casino Night dance. The afternoon's activities will be topped off by the Campus Feed at 5:30 in the Cafeteria.

The sophomore class sponsored Casino Night will be held from 7-11 in the Campus Activities Center. Activities at Casino Night will include legal gambling, a floor show and live band. There will be dancing from 9-11 with the profits from the dance going to WUS.

The first showing of the play "Roadside" will begin at 8:15 in Sequoia Theater.

A Treasure Hunt on campus, sponsored by Tau Kappa Epsilon, will be Saturday's first event. It will be followed by a sack lunch hour and band concert in Redwood Bowl at noon. Redwood Bowl will also be the scene of relays and games, including the annual Frog Jumping Contest, sponsored by Delta Sigma Phi. The events held from 12:30-3 will be concluded with a Tug-of-War between all upper division students and lower division students.

The annual Associated Women Students' sponsored Mother's Day Tea will be held from 2-4 Saturday afternoon in the Cafeteria.

Two events will conclude the Lumberjack Days events on Saturday evening. A second showing of "Roadside" will be held at 8:15 in Sequoia Theater. The Junior Prom following the theme "Spring Time Serenade" will be held from 9-11 in the Men's Gym.

Tickets for the play are on reserve in the box office. They are free with ASB cards and are priced at \$1 to non-card holders.

Other plays this year, such as "Androcles and the Lion," and "The Death of a Salesman," had complicated sets that enabled scenes to shift, without a change of set. In "Roadside," however, there is a complete change of set from interior to exterior. This is done by means of a stage technique called the jack-knife. In this play the interior scene is set at an angle to the rest of the stage and then is unfolded with the corner of the interior scene serving as a pivot for the rest of the set.

Tickets for the play are on reserve in the box office. They are free with ASB cards and are priced at \$1 to non-card holders.

The sophomore class sponsored Casino Night will be held from 7-11 in the Campus Activities Center. Activities at Casino Night will include legal gambling, a floor show and live band. There will be dancing from 9-11 with the profits from the dance going to WUS.

Four Student Assemblies Billed; Mathematician Opens Slate This Morning

There will be four student body assemblies, featuring talks by Ph.D.'s, here in the next few days. Mathematician Dr. Leo Moser, a Canadian, opens the series this morning at ten o'clock in a Sequoia Theater presentation.

Toyon, Campus Literary, Goes On Sale Monday

Toyon, the campus literary magazine, will go on sale for 25 cents Monday and Tuesday from 9:45 to 4 p.m. in the Cafeteria and Founders Hall. Short stories, poems and student art work will be featured in the magazine.

Edited by Ken Gatlin, English major from Eureka, the Toyon's staff includes Bill Livingston, Marie Aylward and Dick Turner. Contributions were selected by the staff from works of students at large.

'61 Junior Prom Scheduled May 6

Several innovations have been planned for the 1961 Junior Prom slated Saturday May 6 from 9 p.m. to 1 a.m. in the Men's Gym. The prom is semi-formal and is open to all students.

Jack Moore, junior business administration major from Arcata, has been named general chairman. He will be assisted by Darlene Garcelon, decorations; Sharon Canepa and Mary Lou Robertson, bids; Gerald Gould, refreshments; and Dick Griffith, publicity.

Traditional spring decorations will be used, following the general theme "Springtime Serenade." Music for the dance will be provided by the Melodiers and bids, at \$2 per couple, will be available next week.

Dr. Moser, professor of mathematics at the University of Alberta, Canada, will speak on "Graph Theory As A Model in the Social Sciences." Dr. Moser has published about 30 research papers on number theory and has also become an expert in mathematical recreations.

He has published over 100 original mathematical problems. In 1960 he was elected a Fellow of the Royal Society of Canada in recognition of his work. At present, he holds the chess championship of Alberta.

"The Role of Exchange Persons in Aiding Newly Developing Nations" will be the topic of Dr. William Allaway of Stanford University, Monday at 11 a.m. He will be introduced by Dr. K. Basakara Rao of India, who will be on campus helping to further the World University Service.

Dr. Allaway has done a great deal of work for WUS; has worked for its student and faculty exchange program as well as those of the Y.M.C.A. and the United Nations. He is currently associated with the student exchange program at Stanford and has spent considerable time in Asia and the Near East working on the exchange persons program for underdeveloped countries.

Tuesday, at 2 p.m. in Sequoia Theater, "Man in Space" will be the topic of Dr. Lawrence R. Zeithlin, psychologist. Dr. Zeithlin is an authority on motivation and perception, audition, and human engineering.

At present he is Senior Psychologist with Dunlap and Associates of Sunnyvale, Calif.

"What's Ahead" will be spoken on by Dr. J. Leroy Thompson, Director of Educational Service Bureau of the "Wall Street Journal," next Friday at 11 a.m. Under the program which Dr. Thompson directs, this magazine is now being required in more than 800 colleges and universities.

Traditional spring decorations will be used, following the general theme "Springtime Serenade." Music for the dance will be provided by the Melodiers and bids, at \$2 per couple, will be available next week.

DENNIS GIUNTINI
... Sempervirens

Dennis Giuntini, Humboldt State athlete and journalist, has been named 1961-62 Sempervirens editor by publications adviser George Abbott.

Giuntini said he would start theme and design work on the 1962 yearbook in June. He served two years on his high school yearbook and four semesters on the Sempervirens. He has written articles for the Hilltopper, Feature Magazine, and has been a Lumberjack reporter for three semesters.

He is a standout football player, lettering the past three years, and he has also played basketball. The education major is also a member of Green and Gold Key, activity honorary, and a member of Alpha Phi Gamma, national co-educational journalism fraternity.

He is also publications commissioner-elect and president of the Beta Mu chapter of Alpha Phi Gamma. Giuntini is married. His wife, Joanne, is physical education division secretary. They live in Eureka. He plans to be a teacher.

DAN BRYANT
... Hilltopper

Dan Bryant, journalism major, has been appointed editor of the 1961 fall edition of the Hilltopper, Humboldt State feature magazine, publications adviser George Abbott announced last night.

He is a spring semester transfer student from Diablo Valley College. Bryant, a junior, served on his Pacific High yearbook, and was a reporter on the DVC "Spartan."

Bryant is a Lumberjack staff reporter this semester. He has covered several main events in addition to his science and assemblies beat.

He will start work on the semi-annual magazine at the start of the fall semester.

Bryant is from Pittsburg. He plans to work public relations after graduation from Humboldt.

Bryant says he plans to expand the Hilltopper with more features on the unusual activities at Humboldt State. He also hopes to use analytical reports and use pictorial features. He will form his staff before the end of the current semester.

CLIFF HAWTHORNE
... Lumberjack

Cliff Hawthorne, Humboldt State journalism major, has been named editor of the Lumberjack for the fall semester, Publications Adviser George Abbott announced last night.

Hawthorne has been a member of the Lumberjack staff the past three semesters. He served first as a reporter, last fall as news editor and this spring as assistant editor. He has also written a humor column.

Hawthorne came to Humboldt from Westfir, Ore., where he attended high school, served as editor of his school paper for two years and was active in student government and athletics. He lives in Fortuna.

He will edit the final two editions of the Lumberjack this spring, before taking over the reins this fall. He said he plans to organize his staff this spring and prepare for an early first issue next fall.

Hawthorne is also employed at the Eureka Newspapers as a sports correspondent.

Hilltop Calendar Of Coming Events

FRI., April 28 — Seventh annual Journalism Day.

Assembly featuring Dr. Yeo Moser at 10 a.m. at Sequoia Theater.

SAT., April 29 — HSC-Sacramento State baseball game at 12 noon in College Field. HSC-Travis Air Force-AAU track meet at 11 a.m.

H S C-Sacramento-Chico-Cal Aggies golf match at 10 a.m. at Bayside.

Lumberjacks 'n' Jills party night at Women's Gym from 8-11 p.m. Admission, 50 cents per person.

SUN., April 30 — Chamber music at 8 p.m. in Music Building.

MON., May 1 — International assembly at 11 a.m. in Sequoia Theater featuring Dr. William Allaway of Stanford University.

Indian curry dinner sponsored by WUS at 6 p.m. in CAC. Admission \$1.00 for adults, 50 cents for children.

TUES., May 2 — Assembly featuring Dr. Lawrence Zeithlin speaking on "Man in Space" at 2 p.m. in Sequoia Theater.

THURS., May 4 — All campus spring sing in Sequoia Court at 7 p.m.

Water Ballet "Out of My Dreams" in College Pool. Admission, 75 cents, adults, 25 cents children.

FRI., May 5 — Classes dismissed at noon.

Lumberjack Days activities all day.

Prep Journalist May Get More Than A Day Off

Today Humboldt State welcomes to its campus almost 150 high school journalism students who are attending the seventh annual Journalism Day, co-sponsored by the Eureka Newspapers Inc. and HSC.

Too often the benefits reaped from conferences such as this are by osmosis only. As former local prep students, we realize the importance placed in visitation days often is simply "Oh boy! A day out of school."

Fortunately, there are too many interesting events on today's program for students to remain disinterested very long. Panel personnel ranges from the most professional, featuring one of the most famous World War II photographers and the West Coast AP Bureau chief and author, to those who have just entered the field.

The educational features of the program, the contests, workshops and speeches, will be broken up by entertaining aspects. A luncheon and a reception to acquaint visiting students with HSC journalism facilities have been slated.

Today we hope that if these high school students come saying "Oh boy! A day out of school," they leave saying "Well, I really got something from this conference."

Our New Face

With the seventh annual Journalism Day taking the limelight here today, the Lumberjack finds the time appropriate to present its new eight column format.

The graduation from a five-column tabloid size to a full standard newspaper size is a first in Humboldt State history. The Lumberjack has always been a small-sized paper and this enlargement will present more news, better advertising display and more formal appearance.

The additional space will allow more club news and a wide coverage of campus events which have previously been neglected because of lack of space. The staff also hopes to revive its humor, fish and game and sports columns as well as other editorial features.

This, we feel, is a step forward for Humboldt State, student publications and the journalism program here. Yes, we have grown from a tabloid to a "big" newspaper. Now, we hope to improve our content and coverage, and give Humboldt students a better as well as a bigger paper.

Food for HSC Thinking ...

A stupid person can sometimes obtain a reputation for knowledge among the non-discerning by becoming a radical, a petition circulator, a slanderer of good names, and one, in general, who is against everything good for the public—or the student body. (A contributor.)

1961 Dad's Day Plans Announced

Advance plans for the 1961 edition of Dad's Day, slated October 21, have been announced by chairman Darlene Garcelon, a junior elementary education major from Eureka.

Last year, dads from as far south as Vista and as far north as Vancouver, Wash. attended, while a group from the Los Angeles area flew up for the event together.

Activities already planned include tours of the campus, which by fall will include the new Forestry building, Library, and Education-Psychology building.

Other activities slated are the traditional Dad's Day banquet which will be held in the college cafeteria and it is here that the Dad of the Year will be introduced. Last year Horace Westmoreland, a Weaverlyville businessman, was honored.

To climax the day's activities, dads will attend the Lumberjack-Aggie Mustang football game, sitting in a specially reserved section of the newly renovated Redwood Bowl.

Challenges Ahead for HSC

(Editor's Note: This is the first of a four-part series by outgoing student body officers, regarding challenges that lie ahead for Humboldt State. The first has been submitted by John Bryant and Sam Kunkle. Future articles will come from ASB President Dennis Cahill, Treasurer Paul Asp and Betty Bird, activities commissioner.)

Proposed New Form of Government

Under our present form of student government, the student council is not only the legislature but also the administration, with only the four representatives at large not having an administrative position. The other members of the council have the responsibility of administering a commission, class, or an executive position.

We feel that a more representative form of student government is needed to allow the student body to have a bigger and more equal share in governing itself. The members of the legislature should represent well-defined constituents.

To accomplish this objective, we propose a three body system of government similar to the Federal system of our national and state government. This government would be composed of a one house legislature, an executive branch, and a judicial branch.

The executive branch would consist of an A.S. president and vice-president elected by the students as a whole, the commissioner of offices (which are on the Student Council at the present time),

the A. S. treasurer and secretary, and any new areas which will be created with the growth of the school. These commissioners, treasurer, and secretary will be appointed by the A. S. President with the confirmation of the legislature.

The legislature would consist of one representative from each class, elected by the members of that class, and a representative from each academic division of the college, elected by the members of that division. With nine divisions and four classes this would be a total of thirteen members, with the vice president serving as presiding officer. This body would act on all A. S. expenditures and actions.

The judicial branch would consist of the present Board of Control, tested on the constitution and appointed by the A. S. President with the confirmation of the legislature.

We realize that this is a drastic change in our form of student government and, as a rough draft, should be open to comment, suggestion, and refinement.

/s/ John Bryant
Sr. Class Pres.
/s/ Sam Kunkle
Rep. at Large

Report by Referendum Group on Universal Cards

(Editor's Note: The following is a detailed report by two members of the group acquiring signatures for the universal student body card referendum. To clarify one point for Mr. Funk and Mr. Jewett as well as students, the transition from the "split-card" or two-card system took place May 19, 1958. The student council was responsible for the action, saying it wanted to earmark the extra \$3,000 in income for the student activities center. Since that time the center has gone into operation and presently \$3,300 is being allocated for the campus activities center.)

When suddenly confronted with an issue of contemporary importance it is often of some value to inquire into the past history of the matter. The present controversy over the petition for a referendum election on the mandatory student body fee is a good example of this. The issue has become somewhat confused by implications that the petition for the referendum will in some way automatically do away with the mandatory fee. This is not the case as any mediocre student of political science well knows. This point should not need further elaboration.

If one investigates the history of the mandatory fee at Humboldt as found in the back issues of the Lumberjack, published in the Spring semester of 1956, some interesting facts come to light. In the legal notice that the president of the college is required to publish, in order to bring the mandatory fee to a vote, no mention is made that the fee shall become mandatory. The notice, which appears in the May 4, and May 11, 1956 issues of the Lumberjack, calls for an election on May 14, 1956 on the matter of a "split student body card". Articles and editorials appearing in the Lumberjack of April 27, May 4, and May 11, 1956 argue in favor of the "split card". The "split card" was to work in the following manner; a mandatory fee of \$5.00 per semester (or \$9.50 per year) was to be charged of all students, an optional activities card was also to be made available for \$5.00 per semester.

Aside from the historical context in which it has evolved, the issue of the mandatory fee certainly does present two or more sides. This is just the point. It is not necessary to prove that our side of the discussion provides the final and absolutely correct answer. What must be shown is that there are valid arguments against the mandatory fee, especially the mandatory fee as found at Humboldt State. There is a range or spectrum between the absence of any fee and the maximum \$20.00 per year mandatory fee. The force of any argument for or against the fee depends upon the point on this spectrum at which the argument is directed. These arguments are directed primarily at the \$20.00 end of the spectrum. In a historical sense, however, when the method used to arrive at the \$20.00 per year fee is considered, the arguments must be directed against

the whole idea of the mandatory fee. The articles and editorials favor the mandatory fee on the assumption that it will be instituted in the form of the "split card". With this proposition in mind, 284 students of a student body of 1193 voted in favor of the mandatory fee (120 voted against it). The issue that these people voted on was not the "split card", it was whether or not the State Director of Education should set these fees and whether or not these fees should become mandatory for all students. Once the right to set these fees was granted, the sponsoring college could then recommend a fee to the Director of Education and this fee would become mandatory.

The "split card" was used the next year, then in the Fall of 1958 the "split card" suddenly disappeared and the mandatory fee of \$10.00 per semester was instituted. What had happened? Obviously a new recommendation had been made to the Director of Education that the fee be increased to its legal maximum. There is no question that what was done was legal, whether it was ethical or not is a question that the informed student must answer for himself.

A brief glance at the Lumberjack of 1956 reveals other interesting facts. Apparently Humboldt State had a newspaper before there were mandatory student body fees. If the newspaper is to be believed, there was also an athletic program, a student body organization, a band, a choir, a dramatics department and various other academic and social functions similar to those that exist today.

Aside from the historical context in which it has evolved, the issue of the mandatory fee certainly does present two or more sides. This is just the point. It is not necessary to prove that our side of the discussion provides the final and absolutely correct answer. What must be shown is that there are valid arguments against the mandatory fee, especially the mandatory fee as found at Humboldt State. There is a range or spectrum between the absence of any fee and the maximum \$20.00 per year mandatory fee. The force of any argument for or against the fee depends upon the point on this spectrum at which the argument is directed. These arguments are directed primarily at the \$20.00 end of the spectrum. In a historical sense, however, when the method used to arrive at the \$20.00 per year fee is considered, the arguments must be directed against

Poll Reveals Most Students Favor Universal ASB Card

By HUGH CLARK

A Lumberjack conducted public opinion poll revealed several students are in favor of the present universal student body card system at Humboldt State.

Although there were various opinions in reply to the question, "How do you feel about your universal student body card at Humboldt State," a majority of those questioned under quota sampling said they feel the universal system should be maintained.

MIKE SNAPP, frosh, p.e.—"We should have a split card."

GARY LOZANSKI, soph., biology—"Everyone should buy one. We are helping the school and the school is helping us."

LEWIS EDSON, soph., forestry—"I agree with the referendum, in that it will bring the issue before a vote. I signed it for this reason. However, I would not have signed it for the change, because I don't advocate it."

JIM CRALLE, frosh, social sciences—"Anything else would curtail necessary activities. There should be a mandatory fee for all, with, of course, less charge for part-time students."

RON de la MONTE, frosh, business—"Don't think they should have it."

DEAN CARRIER, senior, game management—"Too many things would have to be left out if we ran our school any other way. It's a necessary evil."

LINDA ARVOLA, soph., p.e.—"I'm in favor of it and think it's necessary."

DON BIRD, graduate, industrial arts—"I'm for it 100 per cent. It's a good idea. We need the money to keep the ASB on its feet."

NANCY MULLEN, frosh, education—"I'm for them."

PAT PLESSAS, frosh, social welfare—"It should be mandatory because of all the activities we have. If you didn't have this method, you would have to have another and it would probably cost more."

DAYNA SLEATER, frosh, nursing—"I don't think married students should have to buy them."

DIANE CLINGER, frosh, speech—"I think they should be mandatory."

PENNY PAPPAS, frosh, sociology—"I'm for them. I do think it should come up for a vote. I would vote to keep it like it is."

TOM JOHANANSON, senior group major—"I think it should be a referendum. There shouldn't be a referendum because the majority doesn't know what it wants."

The whole idea of the mandatory fee.

The mandatory fee leaves no provision for the individual who does not want to join the Associated Student Body. There may be several reasons for this choice. First, there is the student who is married or works or both and simply cannot or does not choose to belong to the A.S.B. The requirement that these people join the A.S.B., especially at the price of \$20.00 per year seems grossly unfair. This is a matter of personal taste for some people. Just as some people care to belong to a social organization, others choose not to belong. The right to exercise a free choice on this question, especially when the question is stated in the maximum terms of \$20.00 per year, is the only real pressure that individual students can bring upon the A.S.B. When this choice is not available to the individual, the result is an isolation of the A.S.B. from the great mass of the student body. The A.S.B. is no longer forced to take an interest in the student, rather the student must take an interest in the A.S.B., whether he wants to or not, if he is to get the use of his card. The force of these arguments admittedly decreases as the amount of the mandatory fee decreases, but as stated before, the point at issue is not the mandatory fee but the administration of the delegated power to set the amount of the fee.

To argue in favor of the mandatory fee on the grounds that it provides the only means for an activities program is sheer nonsense. If the mandatory fee were done away with or reduced it is obvious that certain activities of the A.S.B. would have to be curtailed. The jump from this fact to the conclusion that the A.S.B. would collapse is not only misleading but untrue. The A.S.B. existed at Humboldt State for many years before the mandatory fee was instituted. It will continue to exist and grow if and when the mandatory fee is voted out.

JOE ROMERO, senior, art—"It's an absolute necessity. I'm familiar with when they didn't have universal cards, and the ASB and all the activities did not run properly without this financial support."

LARRY LAZIO, graduate, business—"You have to make money to run your organization and this money has to come from somewhere. If people had more feeling for their student body, and the student body for the people, we would be a lot better off."

ROBERT TATE, junior, life science—"I don't know what the benefit of a split card would be. I always get enough from mine. But there are probably some who don't get the full benefit and we should vote to see how many there are. No, I don't know how I would vote at this time."

Annual Square Dance Festival Slated Saturday

The Lumberjacks 'n' Jills, Humboldt State's square dance club, is holding its annual dance festival Saturday night in the women's gym.

Chuck Cline of Eureka will do the calling for the dances which will start at 8 p.m. Refreshments, supplied by the women dancers, who are asked to bring cake or cookies for the occasion, will be served from 11 p.m. until midnight.

The general public, especially square dance groups, are invited to attend. Admission will be \$1 per couple, 50 cents stag.

... And A Lemon

After too many weeks of absence, we have finally persuaded a few inferior people that we should appear again. The fan mail asking why we were not in the paper was too much—so here we are. We would also like to thank the two people who wrote the protests.

We had a student body card check the other day and were cleared to proceed. First they punched Jacobo's card, then Santo's card. Santo punched Jacobo and he in turn punched the puncher.

Today, as superior journalists, we are going to be the number one and two guides for more than 150 high school students. We are still flipping coins (coin) to see who gets the boys and who gets the girls.

We hope that the registration lines were handled efficiently because last year we signed more autographs than the publications staff registered. One sassy little visitor, (we think she was), even had the nerve to ask for our autographs on her well scarred and bruised left knee. She had fallen off the steps near the Music Building earlier in the morning.

We were quite disappointed when we were informed that we could not be guest speakers. It

was decided last year that we would speak because of our glittering personalities, like a fallen star. Deep inside we realize that we were born too late, but we held our own flag raising ceremony at the women's dorm.

Special to those who come down to the journalism suite: You will find several sweet things and one lemon with a moustache.

Music professor Charles Fulkerson joined the HSC faculty in September of 1941. He attended Humboldt State as a student from 1935 to 1938 and then transferred to San Jose College to receive his A.B. Degree.

WATCH FOR OUR
LUCKY LUMBERJACK
CONTEST!

OLD GRAUS NEVER DIE

In just a matter of weeks many of you will be graduating—especially seniors.

You are of course eager to go out in the great world where opportunities are limitless and deans nonexistent. At the same time your hearts are heavy at the thought of losing touch with so many classmates you have come to know and love.

It is my pleasant task today to assure you that graduation need not mean losing touch with classmates; all you have to do is join the Alumni Association and every year you will receive a bright, newsy, chatty bulletin, chock full of information about all your old buddies.

It was her second in four words....

Oh, what a red-letter day it is at my house, the day the Alumni Bulletin arrives! I cancel all my engagements, take the phone off the hook, dismiss my chiropractor, put the ocelot outside, and settle down for an evening of pure pleasure with the Bulletin and (need I add?) a good supply of Marlboro Cigarettes.

Whenever I am having fun, a Marlboro makes the fun even more fun. That flavor, that flavor, that pack or box never fails to heighten my pleasure whether I am watching the television or playing buck euchre or knitting an afghan or reading Mad or enjoying any other fun-filled pursuit you might name—except, of course, spearfishing. But then, how much spearfishing does one do in Clovis, New Mexico, where I live?

But I digress. Let us return to my Alumni Bulletin and let me quote for you the interesting tidings about all my old friends and classmates:

Well, fellow alums, it certainly has been a wing-dinger of a year for all us old grads! Remember Mildred Cheddar and Harry Camembert, those crazy kids who always held hands in Econ II? Well, they're married now and living in Clovis, New Mexico, where Harry rents spearfishing equipment and Mildred has just given birth to a lovely 28-pound daughter, her second in four months. Nice going, Mildred and Harry!

Remember Jethro Brie, the man we voted most likely to succeed? Well, old Jethro is still gathering laurels! Last week he was voted "Motorman of the Year" by his fellow workers in the Duluth streetcar system. "I owe it all to my brakeman," said Jethro in a characteristically modest acceptance speech. Same old Jethro!

Probably the most glamorous time of all us alums was had by Francis Macomber last year. He went on a big game hunting safari all the way to Africa! We received many interesting post cards from Francis until he was, alas, accidentally shot and killed by his wife and white hunter. Tough luck, Francis!

Wilma "Deadeye" Macomber, widow of the late beloved Francis Macomber, was married yesterday to Fred "Sureshot" Quimby, white hunter, in a simple double-ring ceremony in Nairobi. Good luck, Wilma and Fred!

Well, alums, that just about wraps it up for this year. Keep 'em flying!

© 1961 Max Shulman

Secretary's Files Rifled Revised Constitution Goes To Next Year's ASB Council

The executive council received the completed version of the revised student body constitution and voted to turn it over to next year's council at its meeting last week.

The council said it felt there was too little time to present the constitution to the voters in a special election, because many revised portions would require detailed explanation.

Thus, the year-long work by committee members Paul Asp, Helen Wilson, Ross Stromberg and Joe Mayfield will be carried over to this fall when the council will determine whether to put it on the ballot for a general ASB approval, to retain the present

ASB Councils, Old, New, Hold Workshop Meet

Humboldt State's outgoing and incoming executive councils held a joint workshop meeting Sunday, discussing a variety of topics as well as laying the groundwork for the transition in June.

The five-hour session was held in place of the scheduled retreat with University of Nevada, which was cancelled two weeks ago.

The 25 students, including some invited guests, discussed publications, cultural activities, student body finances, student unions, world affairs and better student council-student body relationships in section meetings.

A 45-minute session was devoted to corresponding officers discussing problems, with the old officer preparing his counterpart for the job next fall.

In a general session, discussions of the revised student body constitution, which was turned over to the council-elect last Thursday, and the controversial universal student body card referendum were held.

No action was taken at the meeting.

Educator Named To Summer Staff

Dr. Henry M. Gunn, Superintendent of the Palo Alto City Schools, has been appointed to the 1961 Humboldt State Summer session faculty, according to Dr. Ivan C. Milhous, dean of extended services.

Dr. Gunn, who will offer graduate courses in supervision, school law, and school finance, has served as Palo Alto superintendent for the past eleven years. Previous to this he has been principal of elementary and high schools in Oregon, assistant superintendent of the Portland schools, professor of education at the University of Southern California for one year, leaving this position to become President of the Oregon College of Education at Manmouth.

HSC is considering the organization of an advanced seminar in school administration for experienced administrators who could profit from work with Dr. Gunn. School officials who are interested in this seminar are invited to write to Dean Milhous for further details.

constitution or to set up another form of government.

The present constitution has been labeled as "full of loopholes" by Mayfield and Asp. The revised document has not been completely accepted by council members John Bryant and Sam Kunkle who feel a different form of government should be set up at Humboldt State. (Their proposal appears on page 2 of this week's Lumberjack, under the heading "Challenges Ahead for HSC.")

Secretary Nancy Mendes informed the council some of her minutes have been taken from the student body office. She explained it would be difficult to complete her files if they are not located and issued a plea for their return.

She added the student body office will be locked, and only three or four council members have keys for use of the facilities.

The council was told that the Spurs, sophomore honorary service organization, plans to reduce its membership from 33 to about 20 and does not intend to sell football programs next fall.

Neil Evans complained to the council that parking tickets were given to people attending the Shelly Manne jazz concert, adding he thinks this is poor public relations.

Dean Don Karshner explained that two students informed the night campus patrolman that they were unable to find parking spaces and that they had paid for parking stickers, while the parked cars did not exhibit such decals. They then instructed him to "tag" the cars, which he did.

The council further learned that events that attract off-campus cars can be cleared through Executive Dean Lawrence Turner's office.

Roger Olsen and Evans reported Humboldt may be able to contract either the "Four Freshmen" or the "Limelights" for a fall appearance with a \$1500 guarantee. Both said they felt students have more money in the fall and perhaps the council could make money from the show.

Ward Coates, sophomore transfer student, was appointed to the Board of Finance, filling the vacancy left by Ron Anderson.

The council changed its rules for taking down publicity signs and posters from three days to one full-school day after the event has been held.

Members were reminded that the film, "Operation Abolition" will be shown May 19.

History Contest Deadline Monday

Monday is the final day for Humboldt students to enter papers in the Charles R. Barnum Humboldt history contest for cash prizes of \$100, \$50 and \$25.

Papers may be submitted for the contest on any phase of Humboldt County history according to Dr. Hyman Palis, HSC professor of history. Winning papers in the past have dealt with such subjects as the growth of one of the area's major industries and the history of a community, but these are only examples of many possible areas of research.

Judges for the contest are Dr. Palis and Dr. Ralph Roske. Triplicate copies of all entries must be presented to Dr. Palis in room 131 C of Founder's Hall.

Business Club Plans Banquet

Humboldt State's Business Club is planning its first formal banquet on Wednesday. As of yet the site of the affair has not been selected. A large slate of events has been planned for the dinner.

The newly elected officers that will be officially installed are: Bill Newell, president; Dave Crane, vice-president; Dorothy Slone, secretary; Sandy Lawrence, treasurer; and Bill Shreeves, ICS representative.

Two awards will be given out at the event including a \$100 scholarship and the Wall Street Journal Award for the outstanding business administration major.

7TH & B STS.
EUREKA

Those who attended the annual Conservation Unlimited Banquet recently saw color slides and heard former Humboldt Professor Dr. Raymond Dasmann talk about the African wildlife situation. Dr. Dasmann travelled to Rhodesia recently, studying the game situation in the country and to help in setting up a satisfactory wildlife management policy. Some of the highlights of his program are worth reviewing.

Land use in parts of Rhodesia is noticeably poor. Pictures of once productive land made into desert by the combination of drought, fire, and over-grazing show what real harm can come to an area through poor land management.

Overgrazing of the land, both by wild and domestic animals, has led to serious erosion in many areas. Improper use of fire, supposedly to arrest plant succession and therefore preserve the open range land, has had further harmful effects. Add a drought, and maybe a few good windstorms, and you have an area that might remind a few Fish and Wildlife majors of the place they worked last summer.

So, Rhodesia has its problems. What is going to be done to improve the situation? First, and rather obviously, someone will have to spread the gospel of PROPER use of fire. Rhodesia is probably not far behind the U.S. in its number of self-made game managers, people who only read the book as far as the word burn and then reached for their matches. Once these pyromaniacs are straightened out, the situation should improve somewhat.

However, even when all the firebugs have been successfully indoctrinated, there will still be more work to do. The big problem

Record Fall Graduation List Of 67 Announced

A record number of 67 students completed work on their degrees at the end of last fall semester. These students will receive their diplomas at the June 4 graduation ceremony.

Students completing their work in the Bachelor of Arts were: Glen Baney, Robert Francis Bartley, Donald Howard Bird, Richard Bradley II, Rosemary Brown, John Burger, Pete Carpino, Nicholas Cizmich, Henry Drozdal, Walter Foster, Louis Gurney, Vesta McBride, James McCloskey III, Leslie McKibben and Robert McMahon.

James Marvel, Jack Mays, George Milonis, Pat Morrow, Darrell Leo Mortensen, Fred Nunnemaker, Sander Pitke, Gerald Ray Jr., Ronald Reynolds, Charles Schneider, Salvatore Siino, Larry Smith, Timothy Stoll, John Tanner Jr., and Jean Wagner.

Those who received their Bachelor of Arts Degree and Teaching Credential were: Jacqueline Brackett, May Belle Currier, Helen Dunning, Marjorie Guthrie, Othel Hammons, Lourosa Harris, Vera Kilmer, Mary Shark, Marilyn Van Deventer, and Larry Westlake.

Receiving their Bachelor of Science Degree were: Larry Andrews, James Culver, Warner Forsell, Charles Hazel, George Hughes, Gaylord Inman, Joseph Jarvis, Ernest Kenney, John Kimbell, Leland Mouter Jr., Ellanao Meyer, Melvyn Odemar, Harry Olmsted, David Patterson, Owen Peck, Walter Peterson, Raymond Plourde, Linwood Price, Harry Senn, Wayne Smith and John Thunen.

Three masters degrees were awarded last fall. Josephine Landahl and Russell Tillinghast received their Masters of Arts Degree while James Harper received his Masters of Science Degree.

Louis H. Hielbron, chairman of the new California State College Board of Trustees will be the guest speaker at the June graduation ceremony.

Prep Musicians In Successful Festival Here

Despite the day-long rain, students from six high schools and two junior high schools participated in the Annual North Coast Music Festival last Friday on campus.

The Festival, which has been held here for about the last 12 years, included some tight scheduling, but it worked out fine, according to Floyd Glende, assistant professor of music and head of the event this year.

Prof. Glende adds, "If there is any one group that deserves special praise it is the maintenance staff of the college for all the help they gave us in moving equipment and setting up facilities."

At the Drama Festival in 1947, Chico State presented "Ah Wilderness" at the Humboldt State College auditorium.

Shouldn't Provide Entertainment

Edwards Issues Lincoln Douglas Debate Challenge To ASB Executive Council

By CLIFF HAWTHORNE

Ron Edwards, senior industrial arts major, dramatically challenged any member of the student executive council to a "Lincoln-Douglas" debate regarding the controversial universal student card controversy and referendum at a meeting last Thursday afternoon.

Edwards then charged the Lumberjack and its editor were not permitting his group, backers of the referendum, equal space and told the council the group would protest state attorney general Stanley Mosk's interpretation of the state education code regarding the referendum, if the interpretation did not agree with his group's beliefs.

Edwards explained he would be appearing on television Monday afternoon, demanding and receiving equal time from the station after ASB treasurer Paul Asp appeared a week ago. He said he would split his 12 minutes with any member who would debate the referendum and universal student body card controversy.

The council refused on the grounds that HSC student government should not provide entertainment for the people of Humboldt County and that student-involved issues should stay on campus.

Asp told the council he was asked to talk on the show, "Focus on Humboldt," and told the audience of the student body budget. He said he did not defend the universal card.

Student observer and assemblies commissioner-elect Jack Frost said he felt Edwards was unfair, since he is an experienced debater, and none of the council has such background.

Hugh Clark, Lumberjack editor, told the council he had offered five students a 300-word letter Monday, and that this group failed to use this opportunity.

Council members Asp and Neil Evans said it was up to the editor what he wanted to print. Clark added if he printed everything that came into his office, every time someone had something he didn't like, Humboldt State would have the largest newspaper in the world.

Earlier Dean Don Karshner reported Executive Dean Lawrence Turner had written to Mosk, requesting an interpretation on procedures of the referendum. Specifically, there is question to how many must vote to change from the universal to the optional system. Edwards said the group would protest the interpretation if it did not favor its stand because he was not sure Dean Turner had adequately presented the case in his letter.

Edwards presented his views in an interview-type program Monday afternoon. He said there were some students, particularly married students, who were not getting benefit from the cards. He served football games as an example of how students use their card for ASB activities.

He told the audience his group needs 50 more names on the petition, adding that there will have to be an election within 15 days after the petition is submitted to President C. H. Siemens.

Industrial Arts Club Holds Dinner

The Industrial Arts Club will hold its annual spaghetti dinner May 10 as a co-function of the Industrial Arts Exhibit to be shown in the Green and Gold Room May 10, 11 and 12.

One-Two From The Bench

A Look At The FWC
Via A Crystal Ball

by Duane Onda

With Far Western Conference championship meets rapidly approaching, we thought a glance into the crystal ball might be appropriate at this time. After a long look, we weren't too happy, but here is what we saw:

SWIMMING—The FWC meet will be held in San Francisco tomorrow with five teams competing. Two of the five, Sacramento State and Chico State, have had no previous meets and will probably send only three or four entries. The Cal Aggies and Lumberjacks are a toss-up, but we see the 'Jacks second with the Aggies third. And that leaves San Francisco State the championship. The Gators have too much depth for the other four colleges.

TRACK—The defending champion University of Nevada should keep the title in its den. The Pack has not lost a dual meet since 1959, and we stay with the winner. The Hornets, Gators, Wildcats, Aggies and Lumberjacks might finish in that order.

TENNIS—Three teams will battle for this one. We pick Sacramento, San Francisco, Chico, Nevada, Humboldt, and Aggies.

GOLF—In this one, we are really going into the dark. But try this: Sacramento, San Francisco, Cal Aggies, Chico, Nevada, and Humboldt.

BASEBALL—Two weeks ago Sacramento was it, but not after losing two to the Aggies. We don't think the Aggies will stand up; so Nevada gets the call with Humboldt, Sacramento, San Francisco, Chico and Aggies rounding out the finish.

Wish us luck. We need it.

Quote from the 1961 Humboldt State College Publicity Brochure, "1961 will be a start-from-scratch year as far as the Lumberjacks' golfing fortunes are concerned. A new coach is making his debut and a nine-man turnout includes only one veteran."

After one match, new coach Ford Hess predicts a .500 season within two years. Many fans may think this is a bit slow, but with the weather handicap and Humboldt's isolation we feel this is fast.

Why is Hess so hopeful? Three reasons are Dick Visser, Dennis McManus, and Dan Harling. They shot 80, 84, and 86 respectively in the opener at Davis.

In the Davis match, they had lower scores than number one man John Yingst who had a bad day and shot 92. If Yingst had shot his average, the 'Jacks would have been in contention.

Visser is a sophomore while Harling and McManus are freshmen. Hess feels, with these three, he might have a winning season, but it takes five players to have a good season. He is hoping to get aid from incoming freshmen.

The 'Jacks scored 14½ points in the Davis meet, more than in any one match last season.

Another factor in favor of the team is a home match Saturday at Bayside. This will be the first home meet in Humboldt State FWC golf history.

Swimmers Wrap Up Season
In FWC Championships

The Humboldt State swimming team wraps up its 1960-61 season in the Far Western Conference championship meet in San Francisco tomorrow.

Coach Ralph Hassman is hopeful of a high finish for his Lumberjacks. The swimming mentor believes San Francisco State and Cal Aggies are the teams to beat.

Hopes for a first place finish suffered a blow when Hassman was informed Ella Gehricke, woman diver, would not be allowed to compete.

Jay Stock and Jim Malone will head up the 'Jacks entry. Stock is favored in the breaststroke events while Malone will handle the butterfly and individual medley races.

Rod Myatt, Dennis Mullins and Bruce Watson will swim the freestyle sprints. Myatt was hindered in his last outing against the Cal Aggies since he swam the butterfly events while Malone was at a tennis match.

Ward Coates and Richard Griffith are entering the freestyle distance races. Griffith showed well in the meet against the Aggies and will swim the 200-yarder while Coates enters the 440-yard race.

Dave Hathaway is the only Lumberjack backstroke and will enter all those style events. The freshman has been working on his turns which hindered him in the Aggie meet.

Hassman will go all out in the 400-yard freestyle relay entering Myatt, Watson, Mullins and Coates while in the medley relay Malone, Stock, Hathaway, and Griffith will combine their talents.

Humboldt Women
Capture Three
Basketball Wins

Ten Humboldt women topped all competition, defeating three colleges, Chico State, Santa Rosa State, and Foothill College during a basketball tournament held at Santa Rosa recently.

Playing against their rival Chico in the first game, Humboldt scored 18 to Chico's 7. Following was a game with the hosting team, Santa Rosa JC, in which Humboldt marched to a 19-13 victory, rounding off the play was an unscheduled game with Foothill College which ended in a 32-6 victory for the Humboldt team.

Participating players were Sandra Abrahamson, Karen Backlund, Gayle Frakes, Marty Gabriel, Marge Jackson, Judy Maas, Mike Nance, Carolyn Sander, B. J. Thoeppel, and Marlene Thompson.

'Jacks In Final Home Baseball Game Tomorrow

Lumberjack Golfers Host
Four-Way Match at Bayside

The Humboldt State golf team hosts a four-way meet at Bayside tomorrow meeting the Sacramento State Hornets, Chico State Wildcats and Cal Aggies at 10 a.m.

Theme Chosen
For 2nd Annual
Swimming Show

"Out of My Dreams" has been chosen as the theme for the second annual swim show which will be presented at the Humboldt State College pool, Thursday and Sunday, May 4 and 7 at 8:15 p.m. The show is presented by the water ballet class and the Women's Recreation Association, and is under the general direction of Miss Leela Zion, Instructor of Health and Physical Education.

Over 40 swimmers have worked on the show, which has been in rehearsal for over three months. "Out of My Dreams" consists of fourteen acts, each depicting a type of dream. The titles range from "Sweet Dreams" to "Nightmare."

Music for the production is also varied. One song used is "I Love My Baby," which is used in a Charleston number in which the swimmers portray flappers from the roaring '20's with swimming suits to suggest that era. Other music includes "Schubert's Unfinished Symphony," "Claire de Lune," "Unchained Melody," and many others, both classical and popular.

Besides the water ballet performances, there will also be a comedy diving act featuring Dave Lussier, George Pardee, and Lloyd Stahl. This act includes comic dives off the high board.

The choreography and swimming for this show is done by students. Those who worked as choreographers are: Gail Alberst, June Marsh, Kat Callison, Carolyn Foutz, Ruth Moore, Ella Geriche, Betty Edwards, Nancy Hunsinger, Carolyn Hinkley, Sharon Davenport, Marge Zebo, and Jim Malone.

Meet Director
Objects To
Woman Swimmer

Swimming coach Ralph Hassman's bid to have a woman diver enter for the Green and Gold in Far Western Conference meet received a serious setback when he received a letter from meet director Walt Hanson objecting to the Humboldt entrant.

Hassman feels Ella Gehricke, diver in question, has a good chance of winning the FWC diving, and he made an all out effort to get her in the meet.

Hanson stated four objections to the entry:

(1) The implications of the NCAA rules are men competitors by the continued use of "he" when referring to the competitor.

(2) It is the belief of our college (San Francisco State) that the Far Western Conference is a "Men's athletic conference."

(3) It is against the rules of the Division of Girls' and Women for women to compete in intercollegiate competition against men (at San Francisco State).

(4) Hanson personally feels that the national publicity would be detrimental to Far Western Conference.

Station KHSC operated from twelve to one each weekday and was wired into the dorms and the COOP in 1946.

The Lumberjacks have dropped contests to the Hornets and Wildcats. They are meeting the Aggies for the first time this season.

John Yingst will shoot in the number one spot for the 'Jacks while Joe Zualo, Sacramento, Don Lippstren, Chico, and Don Glud, Cal Aggies, will round out the top foursome.

Yingst turned in his top score in the 'Jacks last meet, and coach Ford Hess is looking for a repeat from the junior.

In the number two slot, Dick Visser will enter for HSC against Lindsay Goodell, SSC, Jim Talbot, CSC, and Charles Alcock, CA.

Dennis McManus, Lumberjack, Craig Stalker, Hornet, Sid Schwartz, Wildcat, and Bill Chandler, Aggie will probably compose the number three group.

Humboldt's Don Harling, Sacramento's Frank Newman, Chico's Len Christopherson, and Cal Aggies' Tom Leonard will battle for fourth place honors.

Fifth spot is a toss-up between Terry Wilson, Sacramento, and Don Brisbin, Chico. Humboldt may enter either Milton Ragsdale, Hank Strong, or Marve Wagner. The Sacramento team is favored to take the meet since the highest shooter is Stalker with 84, and the team averages under 79.

HSC Aquariums
Being Arranged
As Tide Pools

The Humboldt State aquariums, located on the lower floor of the Wildlife Building, are being arranged to represent tide pools and stocked with different species of fish so that they will appear more like the natural habitat of ocean dwelling creatures, according to Dr. Richard Ridenhour, assistant professor of natural resources.

One of the aquariums is stocked with fingerling trout and salmon, but, Dr. Ridenhour says, "They aren't doing too well."

Another aquarium contains the octopus the fisheries department obtained from a sports fisherman.

Forestry Professor,
Peter Black, Hired
For Fall Semester

Dr. Edward E. Sturgeon of the Department of Natural Resources this week that a new professor of forestry has been hired for the fall semester.

Peter Black, 26, of New York, plans to complete his doctorate in forestry at Colorado State University in Fort Collins. Specializing in watershed management, he has had work experience at the Coweeta Experimental Station in North Carolina as well as the Priest River Experimental Forest in Idaho. He will instruct in hydrology and other related subjects in forestry.

Sacramento Netters
Drop Humboldt, 9-0

The Sacramento State tennis team continued its domination of the Far Western Conference by defeating Humboldt State, 9-0, Friday. The Lumberjacks were rained out of Saturday's match with San Francisco.

The Hornets have met all the FWC colleges and have not been scored against this season.

HSC Trackmen
Drop 81-21
Meet to Aggies

The Humboldt State track team turned in its best performance of the season Saturday in a losing effort to the Cal Aggies. However the Lumberjacks finished ahead of the Redwood Empire Athletic Club.

The Aggies totaled 81 points, Humboldt 61, and the AAU Club 16 in tri-meet scoring. The Aggies took the dual meet with 74 57 for the Lumberjacks.

Coach Bob Doornink was pleased with the showing of Ron Remington, Frank Newman, Ken Williams, Pat O'Brien and Bob Haley.

Remington took first in the 100-yard dash with a time of :10.1 while Newman won the two-mile in 10:43.6 even though he hasn't been working out due to an ankle injury.

Williams improved his time by 20 seconds in finishing third behind Newman in the two-mile.

O'Brien captured first in the 440-yard dash. He ran the quarter mile in 50 seconds flat. Haley, according to Doornink, "did a real good job in the hurdles." He won the high hurdles and placed second in the lows.

Ray Mechals, currently coaching at St. Bernard's High in Eureka, received Little All-American honors in 1954 and 1955 while playing end for Phil Sarboe's teams. He also received the Mr. Tackle award in 1955.

HSC To Face Hornets
In FWC Double Bill

The Humboldt State baseballers seek to improve their 1-1 Far Western Conference mark tomorrow against the Sacramento State Hornets at the College Field at 12 noon. It is the final home stand of the year.

The Lumberjacks' last outing against San Francisco State was postponed due to rain and will be made up later. The Hornets' contest with the University of Nevada was also postponed, and was played Tuesday.

The Hornets' hopes for their eighth straight FWC baseball championship were dealt a blow two weeks ago when the Cal Aggies swept a doubleheader from the Capital City nine. The double loss put the Hornets in the FWC cellar.

The Hornets took both ends of a twin bill from the Lumberjacks in the annual Easter Week games. The inexperienced 'Jacks fell 5-1 and 5-2.

The main feature of the two games will be the expected pitching duel between Lumberjack ace Larry Taylor (1-0) and the Hornets' number one hurler Dick Black (0-1). Black held the Aggies scoreless for six innings, but gave up three hits in the seventh for the loss. Taylor went nine innings against the Wildcats for his victory.

Working the seven inning opener for the 'Jacks will be Al Snarski (0-1). Tom Leitz and Ron Stammer will be on hand for relief duty.

The Hornets' hitting is led by outfielders Tom Pugliese and Bob Napoli. Dean Andoe, hardhitting catcher rounds out the main power hitters for the club.

The Lumberjacks will line up with W. L. Taylor at first, Monty Feeles at second, Larry Wimer at third, Tom DiMercurio at short, Ken Matias in left, Dennis Pontoni in center, Drew Roberts in right, and Joe Siano catching.

Humboldt Golfer
Shoots 2nd Ace

John Yingst, a member of the Humboldt State golf team, made a hole-in-one, coveted by all golfers, while golfing at the Del Norte golf course Saturday.

Yingst used a wedge to make the 120-yard shot.

"The ball went past the hole, but the back-spin caused by using the wedge caused it to come back and go in," John said. "The trouble is that I was picking up my tee at the time and didn't get to see where the ball went. I thought I'd lost it."

This was the second hole-in-one Yingst has made in his golfing career.

Intramural Track
Championships
Reslated Today

The intramural track and field finals, postponed last Friday because of heavy rains, will be held this afternoon at 4 p.m. on the new rubber track. A combination of nine running events and six field events rounds out the day's activities.

Intramural softball gets under way Monday with two leagues composed of ten teams. The 4 p.m. league is made up of Tau Kappa Epsilon, Delta Sigma Phi, Redwood Third, Sunset, and Independent "C".

The Faculty, Conservation Unlimited, Forestry, Humboldt Village and Circle "K" make up the 5 p.m. league. Two games will be played in each league Monday through Thursday. A playoff game between the winners in the two respective leagues will be held to determine the overall champion, May 15.
