

Attendance Climbs to New High

LUMBERJACK

VOL. XXXIV

ARCATA, CALIF., FRIDAY, FEB. 3, 1961

No. 16

Increase Of More Than 200 Over '60 Enrollment

By SAM KUNKLE

The enrollment figure had climbed once again to a new springtime high last Friday at noon, as student number 1858 donated \$43 towards his higher education. Last year at this time, some two hundred students less had registered.

Penny Operas Slated To Open Here Tonight

Fall Semester Group Presents 3 Performances

Three "operas in miniature" will be presented by the fall semester classes of Dr. Leon Wagner in the Studio Theater Friday and Saturday at 8:15 p.m. and Sunday at 3:30 p.m.

The first act of "The Beggar's Opera," a witty and often cynical commentary on 18th century manners, customs, and morality by John Gay; "Coffee Cantata," by Johann Sebastian Bach; and the contemporary "The Telephone," by Carolo Menotti will make up the program.

This will be the second appearance of the Opera Workshop, which made its debut last May during the Festival of Arts. Organized and directed by Dr. Wagner, it is comprised of a small group of students, faculty and townspeople for the purpose of acquainting both the participants and the public with the musical and dramatic literature of the chamber opera.

After research, observation, and advice, a basic "work costume" was decided upon for the operas, partly to get away from the difficulty of specific and complete costumes for the large variety of chamber operas contemplated in future seasons, and partly to provide Opera Workshop with a simple, yet distinctive and practical outfit of its own.

The identical shirt-blouses for
(CONTINUED ON PAGE 3)

Large Humboldt Student Group Joins 'Who's Who'

Twenty-six Humboldt State students, forming one of the largest groups ever named on campus, joined thousands of others throughout the country in the "Who's Who Among Students in American Universities and Colleges."

The awards were made recently at a Humboldt State basketball game to the following HSC students: Paul A. Asp, senior social science major, ASB treasurer and a member of Green and Gold Key; Glendyne Baldwin, senior elementary education major, chairman of Dad's Day and recent "Outstanding Woman of the Year."

Mary Lou (Barnes) Van Deventer, senior elementary education major, a member of Green and Gold Key; Betty Bird, senior elementary education major, Homecoming queen chairman and cheerleader; Dennis Cahill, senior secondary education major, ASB president.

Mary Jean Campbell, senior elementary education, active in class offices and Newman Club; Donna Lee (Cleveland) Turner, senior elementary education, Green and Gold Key, publication commissioner, cheer leader; Linda J. Dolf, senior elementary education, frosh camp and Lumberjack Day's committee; Neil Evans, senior life science, Green and Gold Key, Assemblies Commissioner.

Patrick J. Gallagher, senior art education, Intercollegiate Knights
(Continued on Page 3)

HSC Projects Included In Brown's Budget

Humboldt State will start many new construction projects if Gov. Pat Brown's budget for construction and advance planning is approved.

Included in the \$1,355,815 budget are provisions for a new corporation yard, outdoor physical education facilities, which includes handball courts and tennis courts, working drawings to remodel the library, planning a marine fisheries laboratory, 300 parking spaces for students and employees, and equipment for the new engineering curriculum, the new education-psychology building and library.

HSC's support budget will be \$2,946,901, which means an enrollment of 1,790, an increase of 120 students is expected.

The staff would be increased from 357 to 372. This increase would include 11 new professors and two librarians.

Hilltop Calendar Of Coming Events

FRI., Feb. 3—HSC-Chico basketball game here at 8:15 p.m. in the Men's Gym. Junior Jack preliminary at 6:30 p.m. Opera Workshop at 8:15 in Sequoia Theater. Admission: ASB card holders, free; adults, \$1; students, 50 cents.

SAT., Feb. 4—HSC-Chico basketball game here at 8:15 p.m. Junior JPack preliminary at 6:30 p.m.

HSC-Chico wrestling match at 10 p.m. in the Men's gym.

HSC-Chico girls basketball game at 9 a.m. in Women's Gym.

Opera Workshop at 8:15 in the Sequoia Theater.

SUN., Feb. 5 — Opera Workshop at 3:30 p.m. in the Sequoia Theater. Admission: ASB card holders, free; adults, \$1; and students, 50 cents.

MON., Feb. 6 — Audubon Screen Tour at 8 p.m. in the Sequoia Theater.

FRI., Feb. 11 — Mardi Gras sponsored by the Newman Club.

Feb. 13-18 — Delta Zeta Rush period.

Lumberjack Staff Announced For Spring Semester

Hugh Clark will continue as Editor of the Humboldt State weekly, the Lumberjack. Clark has been working on the Lumberjack for six semesters and served as Editor last semester.

Under him as assistant editor will be Cliff Hawthorne who has had three semesters on the college publication. Vicky Williams will be news editor of the 23 member staff.

Heading the sports department again this semester will be Duane Oneto who has had four semesters of Lumberjack work. He will be assisted by Tom Leitz and Larry Wingfield.

The rest of the staff consist of Martha Gabriel, Feature editor, and reporters Tom Bettencourt, Sue Albrecht, Dan Bryant, Dennis Giuntini, Shelly Gruslin, Dave Hathaway, Sam Kunkle, Anne Householder, Ted Thomas, Betsy Joyce, Drew Dillard, Kay Grede, and Merriene Duncan.

Students, faculty and community singers have been enlisted in the second Opera Workshop, slated Friday and Saturday at 8:15 p.m. and Sunday at 3:30 p.m. in the Sequoia Theater. Shown in a scene for Johann Sebastian Bach's "Coffee Cantata", left to right, are Sarah Hallin, harpsichord accompanist; Rich Ames, Farmer; Joan Iverson, his daughter; Volmer Dean Boyd, narrator; Kay Magnuson, Pat Tilley, Otto Holgerson, Ann Pierson, Judy Nielson, Kathnee Carr, Bill Shreves and Pat Sanderson, members of the chorus. Costumes for the production were designed and sewn by members of the Home Economics Department.

Hundreds of HSC students cluster at the height of spring registration here. Advisors and students are shown in the foreground discussing class schedules while others in the background wait in line for classes.

Welcome to Part Two

The curtain has risen on part two of the 1960-61 Humboldt State school year, and while much has passed, there appears to be considerably more ahead on the horizon.

The horizon is not at all limited as no matter where the area or concentration, there is more to do.

And while HSC is continually growing in almost all phases, with students far and near separating into their special interest areas, we believe this specialization can and in the past has been carried too far.

The conflicts in academics between this department and that department and within the various departments and divisions is nothing less than silly. Professors and students alike have been guilty of carrying on these "feuds".

And this has carried over into activities, which we have always believed generally has a definite connection with academics. And here too, we believe a peace pipe should be smoked, inhaled or what-have-you and the hatchet should be buried forever.

No, we do not think differences should remain unaired or not discussed, but should be done rationally and maturely.

Why should the dramatics people be so far distant from the wildlifers? After all, both are composed of young college students. One isn't oil and the other isn't water, as an observer might well think.

Should the political science department lock itself up in an "ivory tower"? Should some faculty members continue their "cold war" with the administration? Obviously not. But this is truly the situation.

And why should the dramatics department schedule performances that conflict with other long-standing student activities? This happened last fall during homecoming and is about to happen again with the Sweetheart Ball.

Humboldt State is not so big that major activities have to conflict. Whether this is the fault of either or both groups, is not the problem. The real problem is that this problem exists.

As a campus, let's join forces and work toward a better understanding. A place of learning should promote co-operation, not many small bickering factions that really should be one integrated unit.

'We Have Sprung'

After a hectic week of hell involving grades, boards, and long lines, we have entered the promised land, (it wasn't promised to us for sure), and are once again back to bring bits of sunshine into your life. Very small bits that is.

Along with registration and all of the new classes, we were informed we would need the following school supplies which would be necessary for the following class periods.

We needed three giant size protractors for our archery class, one non-smear pencil for Botany 4m, one used telephone for Florida, complete with long distance wire for bookkeeping, two women for marriage lab, one box of cracker jacks for Home Economic Lab, and three bullfrogs for Upper Division Lifesaving.

Beaming with pride on the conquest of these varied items, we proudly carried them to our next class periods in our ox-drawn red wagon. We were rudely awakened when we were again presented a list of texts we would need for the courses.

With a little money we saved from Reno, which was hidden in a tobacco can, we marched bravely onward to the Crookstore. Thirty-seven minutes later, we came out with two drafting tables, three blue prints and four engineers. How were we supposed to know the book store had been moved and the old one is being used for engineering work?

Finally after thrashing around for another hour in the new bookstore we were well supplied for the spring semester. We bought two springs.

Malone Captures Speech Contest

Ronald Malone, presenting a speech on the reform of the electoral college, captured first place in a public speaking contest held recently in the Studio Theatre.

Representatives from each Speech I class presented seven-minute prepared speeches. The contest was co-sponsored by the American Institute of Banking and the HSC Speech department.

This contest is held at the end of each semester. The name of the winner is engraved on a plaque presented by the A. I. B. It is displayed in the Founder's Hall Auditorium. Runners up were presented with certificates of merit.

Bill Chastain was in second place with a speech on socialized medicine in the US and Jim Ludwig's speech on "Success as a goal in Life" took third. Other speakers in the contest were Jacqueline Hampton, Paul Corbin and Leo Sears.

The three judges of the contest were Charles Welsh, representing the A. I. B., Mrs. Louis Prior, a former high school speech teacher, representing the faculty at large, and Dr. Clyde Roussey, representing the speech department.

Humboldt Student Takes Position With History Survey

James Harper, who received his Masters of Science degree at HSC at the conclusion of the Fall semester, has accepted employment with the Illinois Natural History Survey.

The thesis for his Masters of Science degree was on the Roosevelt elk in Northern Humboldt county.

Harper leaves this week for the Urban, Illinois area. He plans to continue work towards his Doctorate while employed there.

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

"A GUIDE FOR THE DATELESS"

With the cost of dating rising higher and higher it is no wonder that so many of us men are turning to discus throwing. Naturally, we would prefer nuzzling warm coeds to flinging cold discs, but who's got that kind of money? Prices being what they are, the average man today has a simple choice: dating or eating.

Unless the average man happens to be Finster Sigafoss. Finster came to college with the normal ambition of any average man: he wanted to find the prettiest coed on campus and make her his. He looked long and carefully, and at last he found her—a tall job named Kretchma Inskip, with hair like beaten gold.

He asked her for a date. She accepted. He appeared at her sorority house that night, smiling, eager, and carrying a bouquet of modestly priced flowers.

"Now then," said Kretchma, tossing the sleazy flora to a pledge, "where are we going tonight?"

Finster was a man short on cash, but long on ideas. He had prepared an attractive plan for this evening. "How would you like to go out to the Ag campus and see the milking machine?" he asked.

"Ick," she replied.

"Well, what would you like to do?" he asked.

"Come," said she, "to a funny little place I know just outside of town."

And away they went.

The average man today has a simple choice:

The place was Millionaires Roost, a simple country inn made of solid ivory. It was filled with beautiful ladies in backless gowns, handsome men in dickies. Original Rembrandts adorned the walls. Marlboro trays adorned the cigarette girls. Chained to each table was a gypsy violinist.

Finster and Kretchma were seated. "I," said Kretchma to the waiter, "will start with shrimps remoulade. Then I will have lobster and capon in maderia sauce with asparagus spears. For dessert I will have melon stuffed with money."

"And you, Sir?" said the waiter to Finster.

"Just bring me a pack of Marlboros," replied Finster, "for if ever a man needed to settle back and enjoy the mild beneficence of choice tobacco and easy-drawing filtration, it is the shattered hulk you see before you now."

So, smoking the best of all possible cigarettes, Finster watched Kretchma ingest her meal and calculated that every time her fetching young Adam's apple rose and fell, he was out another 97¢. Then he took her home.

It was while saying goodnight that Finster got his brilliant idea. "Listen!" he cried excitedly. "I just had a wonderful notion. Next time we go out, let's go Dutch treat!"

By way of reply, Kretchma slashed him across the face with her housemother and stormed into the house.

"Well, the heck with her," said Finster to himself. "She is just a gold digger and I am well rid of her. I am sure there are many girls just as beautiful as Kretchma who will understand the justice of my position. For after all, girls get as much money from home as men, so what could be more fair than sharing expenses on a date?"

With good heart and high hopes, Finster began a search for a girl who would appreciate the equity of Dutch treat, and you will be pleased to hear that he soon found one—Mary Alice Hematoma, a lovely three-legged girl with sideburns.

© 1961 Max Shulman

We're no experts on Dutch treat, but here's an American treat we recommend with enthusiasm—Marlboro's popular new partner for non-filter smokers—the Philip Morris Commander.

Three Miniature Operas Scheduled This Weekend

(Continued from Page 1)

men and women were designed by Miss Dorothy A. Bissell of the Home Economics Department, with home economics majors assisting and sewing.

The cast of "The Beggar's Opera" includes Dr. Wagner as Peachum, the tavern keeper; Volmer Dean Boyd as Filch; Ellen Connert as Mrs. Peachum; Joan Iverson as Polly; and Boyd as MacHeth.

The "Coffee Cantata" features the madrigal singers as villagers; Boyd as narrator; Phillip Eisel as the Lord; Lynn Ricker as Lovely Bride; Richard Ames as Schendrian; Joan Iverson as Liechen and accompanists Charles Moon at the piano and Leon Wagner at the harpsichord.

"The Telephone" cast features Tansie Rost as Lucy; Frank Wood as Ben; and Sarah Hallin, accompanist.

Admission for the opera is \$1 for adults, 50 cents for students; and ASB card holders will be admitted free.

Variety Program Slated March 16

Any musician, magician, comedian or dramatist interested in performing his specialty should see Dr. David Smith, assistant professor of music or any member of the HSC band, who are now recruiting talent for the first annual HSC Variety Show, sponsored by the band and planned for March 16.

According to Dr. Smith, only a few more variety acts are needed to fill a program featuring Sarah Hallin playing "Rhapsody in Blue" by George Gershwin accompanied by the band; Roland Neilsen in a percussion novelty number, "The Worried Drummer"; Carmen West in a solo dance number and a dance with the song queens which she choreographed herself; and Jerry Moore and the Studio Band, who will be in the pit and also on stage.

Treasurer is Speaker At 1st Forestry Meet

Some 80 foresters attended the first meeting of the Forestry Club this semester, listening to guest speaker Paul Asp at the "free bean feed". About 20 new members were on hand with the "veterans". Asp, treasurer of the Student Executive Council and guest speaker of the evening, spoke on the main purposes of "Lumberjack Enterprises" to the club.

Asp described how the proposed Lumberjack Enterprises would give the students themselves a word in the operation of such important campus establishments as the cafeteria and the college book store, by giving them representation through three student appointees.

These three students would be selected by the Student Council to serve a two-year term of office and would each have a determining vote in controlling operations of Lumberjack Enterprises.

The Forestry Club anticipates rising to about 100 members this semester and is expecting another active semester of events, including speakers, a barbecue, publication of the yearly magazine "Annual Ring", and a clam bake with the Conservation Unlimited Club.

Dr. Art Stegeman (L), Ray Lemos and Dennis Pontoni examine industrial arts project recently completed by Dan Rakestraw. Surrounding model houses were other projects by Dr. Stegeman's students.

Scale-Model Homes Are First Installment For Industrial Arts Exhibit

By LARRY WINGFIELD

Minute scale-model homes have become the first installment of this spring's annual industrial arts crafts exhibit to be held in May.

Nine students in the industrial arts home planning class completed homes on a one-quarter inch to one-foot scale as part of their fall semester program.

Dr. Art Stegeman, associate professor of industrial arts, says, "This is a very practical type of class, with members learning everything from costs to construction."

Dr. Stegeman, who is also busy with his voluntary, non-paying football coaching duties during the fall, says one of the best projects he has ever received was done by a junior, Dan Rakestraw this fall. Rakestraw chose a two-story hillside house as his project. It included shrubbery, furniture, an inside garden, a family room, a workshop and a dark room among its features.

Dr. Stegeman recalls two projects done in previous years that are among the best, most different

and difficult of any he has seen at Humboldt State.

Earl Barnum turned in an unusual assignment that had the building's rafters slanting from the top of the home to the ground.

Mike Ladd built a parabolic hyperboloid style home, featuring opposite ends of the house curving upward and downward.

The entire class also worked on a large scale model home. It was set from one inch to a foot. This large project was constructed in the Jenkin's Hall facility.

Work in the upper division class saw students also turn in term papers describing their model homes in detail. Most of the work was done during the weekly one-hour lectures and three-hour labs.

'Jacks Battle St. Mary's In Near Win

'Jack Matmen Return To Action Against Wildcats

The Humboldt State matmen return to action tomorrow night at 10:30, meeting the Chico State Wildcats. The match will follow the Humboldt-Chico basketball game.

The teams have met once in Chico with the Wildcats taking an impressive 24-10 victory. However, coach Ralph Hassman is optimistic about the coming match.

Dr. Hassman has been forced to make several alterations in his weight divisions for various reasons.

Bill Vines will wrestle in the 177-pound division in place of Al Hagerstrand who was forced to withdraw from school because of grades. Vines will face Joe Kurtz, who was pinned by Hagerstrand in the earlier match.

Ron Kunstal replaces Gene Vejtasa in the 157-pound class. Vejtasa has failed to turn out for practice. Kunstal, who would wrestle in the 147-pound division, will move up to the heavier class and meet Ken Harris who pinned Vejtasa in Chico.

Dr. Hassman also faces problems in the 123-pound class. Darwin Schager may be forced to drop school because of financial reason, and if he does, his spot will have to be filled.

In the 130-pound tilt Ron daSilva of Humboldt will meet Paul Sengo of Chico. Sengo decided to stay in Chico.

Howard Covington, HSC, and Don Davis, CSC, will battle in the 137-pound match. Davis bested

Covington in the earlier match.

Tony Chess, 'Jack entry, and Stan Benson, 'Cat entry, will hook up in the 147-pound clash. Dr. Hassman has high hopes for Chess, and he said, "Chess is the most improved wrestler on the squad."

In the 167-pound, Humboldt's representative, Gene Van Horn, will meet Tom Jenkins of Chico. Jenkins didn't participate in the first match.

John Bobell will return to action representing Humboldt in the heavyweight division. He will face Wayne Cook. Bobell is still hampered by his injury, but will see action.

Intramural Council To Plan Swimming

The Intramural Council will meet today at 4 p.m. in the CAC conference room to complete plans for the intramural swimming program.

Tentative plans have practice sessions set for Feb. 9, 10, 13, and 14 with the intramural meet being held on the 15 and 16.

Basketball is tentatively planned to start Feb. 20.

Gales Squeak Out Win In Last Seconds

By LARRY WINGFIELD

The Humboldt State Lumberjacks turned in one of their finest performances to date, as the highly regarded St. Mary's Gaels were forced to squeak out a 57-56 victory Tuesday night in the Men's gym.

St. Mary's, a contender for the West Coast Athletic Conference title, ran into a fired up band of 'Jacks which took a 36-23 half time lead. The winners went ahead at the end of the first ten minutes by a 16-13 count.

Following the intermission the Gaels came roaring back, throwing up a pressing defense that folded up the Hilltopper attack.

St. Mary's outscored the 'Jacks 19-11 in the third ten minutes of play and were behind only 42-47 going into the final period.

Steve Gray, with 2:59 left, tied the game at 53-53. Then the 'Jacks got a break on a technical foul and with 33 seconds left, Felix Rodgers made the free throw, giving Humboldt a one-point lead and the ball at the center line.

However, the Gaels intercepted a pass with 17 seconds left and with the scoreboard clock showing just seven seconds, Tom Mesehery went in for a lay-in and the winning two points.

St. Mary's All-American center Mesehery was high point man with 18 points; with Gary adding 17. Humboldt's Larry Krupka, Roger and Jack Atwood all hit in the double figures, 16, 14 and 11 respectively.

Junior Jacks In 61-40 Loss To Fortuna Huskies

The Fortuna High Huskies led by guard Don Pullen downed the Humboldt State Junior Jacks Monday 61-40. Don Pullen had 30 points, the highest scored against the Junior Jacks this season.

The Junior Jacks came from behind to tie the score at 27-all at halftime. But the Jacks failed to record a field goal in the third quarter and fell behind 47-29.

In the final period the Huskies continued to pour it on as Pullen scored 12 points.

Irwin Parlato scored 14 for the winners while Joe Taylor and Pat O'Brien had 13 for the Junior Jacks.

Jayvees Attempt To Reverse Loss To Wildcats

The Humboldt State Junior 'Jacks attempt to get back in the win column tonight and tomorrow evening meeting the Chico State Jayvees at 6:30 p.m. both nights.

The Junior 'Jacks will be trying to reverse a two point loss suffered at the last meet of the two clubs.

Chico is lead by Lou Black. He broke the 'Jacks at Chico, scoring 26 points. The flashy guard leads the fast breaking Chico offense.

Leading the Junior 'Jacks, will be Joe Taylor and Pat O'Brien. Taylor leads the Junior 'Jacks in scoring and O'Brien is second.

Gary Powell, third in team scoring, will start at forward along with Mike Glimpse.

Starting at center for the Junior 'Jacks will be 6' 5" Jack Penrod.

CASUAL CAMPUS

By Kay

Welcome, Welcome, Welcome! A new semester has begun and the thought of finals seems like nothing but a bad dream (or should we say nightmare). The old students are wandering around with determined looks that say "this semester is going to be different"; and new students are just wandering around.

Speaking of new faces, the one at the top of this column is. Donna has stepped down to attend to her homemaking duties, so here I am, ready and willing to give you the latest 'news' from our fair campus as well as the latest word in fashions from DALY'S in Eureka.

The girls of Sunset Hall took a break during finals to see Tyra Lee Bell off for her wedding. Ty rushed off to become Mrs. Dick Thompson amid the dreamy wishful looks of her friends.

The drizzling rain and the waiting in lines during registration was made more comfortable this time by the Spurs, sophomore service organization, who served coffee and coffee cake to students outside the men's gym.

The sunny weather lately has brought on beach parties, sun bathing; and members of Delta Sigma Phi took the chance to walk their mascot "Lady" in her custom-made walking jacket.

We join in a cheery welcome to Miss Kate Buchanan, dean of activities, who is back at work after a leave of absence. Miss Buchanan was surprised Monday morning with a "welcome back to work" party in the Campus Activities Center.

To most of the kids living in the dorm, the beginning of classes brought a welcome relief from peanut butter on stale bread, crackers, cheese, and other assorted goodies which they lived on during the week the cafeteria was closed.

The time is nearing for all to send out those endearing little messages proclaiming whom you desire to be your Valentine. DALY'S Men's Store has the perfect gift for that special guy on Valentine's Day. They are featuring - - -

1. Cotton knit gaucho shirt in white with red stripes or red collar and pocket for only \$4.00.
2. "Arrow" white shirts sporting red polka dots, hearts, or lips which will wash out completely the first time the shirt is washed, \$5.00

3. Special "valentine" Manhattan boxer shorts with a novelty pattern proclaiming "I'm a prisoner Of Love", \$1.50.
4. And "Valentine" hankerchiefs with a pattern which will wash out after it's washed.

For the girls this spring DALY'S Sportswear Department has just the dress to go with spring-fever. These Wendy Woods cotton-sateen dresses with three-quarter or short sleeves sport Mc-Mullin or Italian collars and are available in a variety of fresh prints and stripes. The clever styling and dainty fabrics of these dresses give you a luxurious feeling for a low price, \$11.98.

See 'ya 'round!

HSC Opens Cage Series Tonight

'Jack of the Week

George Milionis has been selected Jack of the Week for his play against San Francisco State during the semester break. The outstanding guard, who graduated at the end of the semester, will be lost for the remainder of the season. Against the Gators, Milionis scored 18 points besides turning in an outstanding floor game.

One-Two From The Bench

Attendance Curtails Grid; HSC Baseball Next?

by Duane Oneto

For the readers of the Lumberjack's sport section, many or few, this is a new column. Hugh Clark has gone on to bigger and better things, we hope we can fill this space as capably as he.

Now that the introduction is out of the way, we shall proceed to the business at hand.

First, we are wondering what implications the curtailing of football at the College of Pacific and the University of Hawaii may have on the college sport scene.

Hawaii's actions remove the high point of the Humboldt State football season. The Lumberjacks hoped Hawaii would be on their schedule in 1962, but the Rainbows dropped the game entirely and Humboldt will have to look elsewhere.

At COP the sport was not completely dropped. That institution decided to play the sport on a smaller scale. In fact, COP officials are seriously considering joining the Far Western Conference, if the Conference will accept the Bengal School.

The reasons for the schools dropping the sport has been lack of attendance. This causes us to wonder if that is the case at Humboldt in baseball. Coach Ced Kinzer has only scheduled three college series at home. Two of the three are Conference, and the third is with Shasta Junior College.

Kinzer has scheduled three series with the College All-Stars which will be played here bringing the total of home games to six.

We wonder whether it is attendance or geographical location? We feel it is a combination of the two, but if attendance increases, we think the home game schedule would also be enlarged.

We were pleased to hear that Dr. Joe Forbes, chairman of the physical education division, is touring Europe. He will visit the British Islands, Germany, Switzerland, and the Scandinavian nations.

Dr. Forbes will be on his leave of absence until the fall semester of 1961, when he returns to resume his duties as division chairman.

While Dr. Forbes is on his leave, Dr. Larry Kerker will act as division head. Tom Schubert will take over Dr. Kerker's job.

Schubert has been coaching the Junior Jacks for the last two years and was teaching part time during the fall semester. He also has taken over the advisorship of the Intramural Council.

Wrestling coach Ralph Hassman received a serious blow to his hopes for a FWC Championship this week when two of his outstanding matmen failed to return for the spring semester.

Darwin Schager and Al Hagerstrand, holder of individual FWC crowns in the 123 and 177 pound divisions respectively, failed to return to classes for the new semester.

Schager, who was bothered by weight problems during the early part of the season, failed to return because of financial problems, while Hagerstrand was forced to leave because of grades.

Question of the Week — When did Humboldt last win the FWC basketball championship? A — 1956.

OTI Wrestlers Post Win Over Humboldt

The Oregon Tech Owls posted a 19-11 win over the Humboldt State Lumberjacks in the Men's gym recently.

Taking wins for HSC were Howard Covington, Tony Chess, and Bill Vines.

Chico Decisions 'Jack Matmen

The Chico State Wildcats defeated the Humboldt State Lumberjacks 24-11 in a wrestling match recently in Chico.

HSC heavyweight John Bobell incurred an old rib injury and was forced to quit, giving Chico five points. He was tied at 4-4 before the injury.

Winning for Humboldt were Darwin Schager, Al Hagerstrand and Bill Vines.

Lumberjacks Meet Chico In Two Games; Out To Revenge One Point Loss

The Humboldt State basketball five returns home tonight and tomorrow, meeting the Chico State Wildcats.

The Lumberjacks will be out for revenge after dropping a heart-breaker to the 'Cats Saturday. After the 'Jacks led throughout the game, the Wildcats overcame a ten-point deficit to take their slim victory.

Play starts at 8:15 p.m. both nights following the Junior Jack preliminaries which get underway at 6:30 p.m.

The Wildcats are led by Harold Von Bargen and Keith Calkins. Von Bargen, 6'7" center, leads the 'Cats in scoring and rebounding. The 'Cat center and Larry Krupka, HSC center, will continue their rebounding duel. Krupka led at halftime in Chico but Von Bargen controlled the boards the second half.

Calkins keeps the opponents' defense on its toes by hitting from the outside. The 5'10" guard uses the set and jump shots to average in the double figures.

Jerry Hieman and Fred Obermiller give the Wildcats added rebounding and scoring. Hieman scored the decisive three points that beat the 'Jacks last time.

With the loss of George Milionis due to graduation, Lumber-

jack coach Franny Givins is trying several prospects in the first string guard spot. Joe Taylor, a freshman and ex-Del Norte, has been performing well in the spot, scoring in the double figures against San Francisco.

Felix Rogers, leading Lumberjack scorer, will try to increase his average after marking only 27 points Friday and Saturday.

Givins is hoping that forward Bill Crichton will continue his performance of Saturday. Crichton hit 12 points against Chico, tying his season high.

Starting at the other position will be Ron Good or Joe Brouillard. The two have been battling for the starting spot all season, and Good appears to have the edge.

Tomorrow night's game is a Far Western Conference contest. This evening's is a practice game.

Students Study Art Work In Gallery

Two Humboldt State students give a student art display the "once over" at the Humboldt State Art Gallery. Dave Maldewin, left, and Don Metcalf discuss sculpture work.

'Jack Cagers Drop Road Tests To Gators, 'Cats

Humboldt State's Lumberjacks lost a two game weekend roadtrip, as the San Francisco Gators romped to a 78-50 win on Friday and the Chico State Wildcats eked out a 57-56 victory on Saturday.

The Gators, with the shooting and rebounding of forward Wayne Martin and center Jim Brown, got off to a fast start moving ahead 41-21 at the half.

Brown hit 20 for San Francisco while Larry Krupka had 15.

Saturday night was a heart-breaker for the Hilltoppers as they failed to hold onto a nine-point lead going into the final ten minutes of play.

Harold Von Bergen hit 18 points for Chico while Humboldt's Felix Rogers had 19 and Krupka added 17.

Humboldt went ahead 16-9 after the end of the first ten minutes and held a 30-20 lead at the half. The 'Jacks were ahead 49-40 going

into the final period.

With two and a half minutes left to play Keith Calkins tied it at 54-54, then Jerry Heiman broke the tie with a field goal and a free throw and it was all over. Guard Jack Atwood scored on a 40-footer to give Humboldt their final 2 points.

Play Rehearsals In Session For 'Androcles, Lion'

Rehearsals for Shaw's "Androcles and the Lion" are now in session. The play, which is the story of early Christian persecution, opens Feb. 17 and will also be staged Feb. 18, 24, 25 in the Sequoia Theater.

The play begins with a prologue which features a pantomime between Paul Conner as the lion and Bob Graham as Androcles.

During this delightful pantomime, Androcles removes a thorn from the lion's paw. The lion in return for this favor does not eat Androcles or his wife and the scene ends as the two new friends dance off to the tune of a Viennese waltz.

Radio Station Returns to Air

Humboldt State's radio station, KHSC-FM, returned to the air on Feb. 1. New program brochures are available from Prof. George Goodrich or Dr. Dale Anderson, advisors. Persons wishing to be put on a permanent mailing list may write: Program Brochure, KHSC-FM, Humboldt State College.

More staff members are needed for the Radio-TV classes, Anderson and Goodrich said.

Arlene Donne Named Chairman Of Womens Day

Arlene Donne, senior home economics major from Eureka, was recently named chairman of the AWS-sponsored Women's Day, Feb. 17. Miss Donne has been active in Spurs, service honorary for sophomore women, and as president of the Home Ec Club.

"It's a Woman's World" will be the central theme of the day's extensive activities. Every women's club on campus has been selected to head one of the six activities for the day.

A pancake breakfast for the officers of all women's clubs on campus will start off the day, co-ordinated by the Home Ec Club.

The Student Nurses will sponsor a coffee hour and a program for the luncheon hour will be arranged by the Student Wives club. Tentative plans include four professional women discussing the role of women in each of their fields.

A feature of the day will be a bridal fashion show co-sponsored by the Spurs and Delta Zeta. Three complete wedding parties will be shown, informal, semi-formal and formal. Door prizes from Daly's clothing store will be awarded at the fete, slated for the Sequoia Theater.

A tea will be conducted by the Phoenix Club after the fashion show and the Women's Day on campus will wind up with a banquet sponsored by the Women's Recreation Association. During the banquet, Miss Kate Buchanan, dean of activities, will present awards to active women on campus. The Best Dressed Coed will also be named during the banquet.

Daniels Elected Honorable Duke Of IK's for 1961

Officers of the Humboldt State Intercollegiate Knights were recently elected for the 1961 spring and fall semesters.

Don Daniels, a senior in business administration was re-elected as the Honorable Duke of the Yurok Chapter. The Vice Duke was won by Lester Hunt, a junior psychology major. Jack Moore, a junior in business administration was elected Worthy Scribe.

The Chancellor of the Exchequer is Gerald Hansen, a junior accounting major. Pledge Master will be Leo Lawrence, a senior math major. Bradford Vaughan, a junior in education was elected as Assistant Pledge Master. Bill Lyman was chosen Knight at Arms.

Spur Rummage Sale Tomorrow

Articles from clothing to used phonographs and overshoes will be available at the Spur rummage sale tomorrow. The sale is scheduled from 10 a.m. to 4 p.m. in the Eagles Hall at 11th and J streets.

Barbara Munther has acted as general chairman for the sale, the major money-making project for the on campus service organization.

The sophomore women members of the group will be sorting and pricing the rummage today at the Elmer Miller home in McKinleyville.

FIN

FUR

By SANDY WILBUR

Fall turned to Winter, and now Winter is slowly turning into glorious Spring. The ducks that flew south before autumn's storms are returning once again to their homelands. This must be what happened to CU's wood duck.

Last fall, the bird mysteriously vanished while on display at registration. Last week, again during registration, it reappeared just as mysteriously, accompanied by three yellow (soap) ducklings.

Maybe I made a mistake last year when I said that someone had "borrowed" the duck. Maybe it was just following an age-old instinct common to all waterfowl. I'm almost satisfied with this explanation but one question occurs to me: How often does a DAD (it was a male) come home from the sunny southland with a family? Mother Nature acts in strange ways at times.

To go from the ridiculous to the important or perhaps vice versa, there had been so much talk about the Kings Peak area that I decided to drive down and have a look. The exploration route was the road (loosely speaking) that leads from Garberville up over the King Range and down to the coast at Shelter Cove.

It looked like terrific country for a nice long rugged hike but lack of any safe place to leave the car and a host of extremely unfriendly "No Trespassing" and "Enter at your own risk" signs prompted us to backtrack over the hill with just a glimpse of the country to the north and south.

However, even such a brief glance showed me a few things: 1) the country in question is too steep and rugged to provide "recreation" for a great many people.

However, 2) an area of such natural beauty and interest should not be shut off for the hikers and auto tourists who are now shut out because of poor access roads and a "shield" of private land between road and public domain.

Therefore, 3) access roads should be improved to the point where they are suitable for a standard automobile, and

4) entry routes through private land into the public domain should be established.

As a final step, 5) a state or county park could be established in the Shelter Cove area with a minimum of land acquisition necessary.

This small area, rather than a gigantic land mass extending the whole length of the range, would serve the necessary purposes of affording car-campers a place to stay and furnishing hikers with a convenient starting place for hikes into the back country.

As for the grandiose DEVELOPMENT plans that have been suggested for the area, they seem unnecessary, illogical, and a needless cause for bad blood between conservationists and land-owners. The whole problem seems to be one of ACCESS, so why not concentrate on ACCESS and leave the million dollar productions to Hollywood?

One final note concerns next

Monday night's Audubon Screen Tour, to be presented by CU in Sequoia Theater at 8:00 p.m. This tour, "Animals at Home and Afield", will be presented by Robert Hermes, a nationally-known photographer and naturalist. It promises to be one of the best of the series.

Plans Under Way For Frosh Ball

Plans are now being made for the annual Freshman Sweetheart Ball, which will be held Feb. 24 at the Shrine Park in Eureka.

Elections were held yesterday and will continue today in the cafeteria to elect the five finalists for Freshman Sweetheart, who will be crowned at the dance. Only freshmen are eligible to vote and frosh cards are required.

Cost for the dance will be \$2 per couple.

Wildlife Students Plan For Annual Easter Field Trip

Twenty upper division wildlife and fisheries students, to be accompanied by Dr. Richard Genelly and Dr. Richard Ridenhour, will leave Easter vacation on their annual field trip.

The trip, which is arranged with the cooperation of the California Department of Fish and Game, will cover points of interest to both wildlife and fisheries students. It is listed in HSC's catalogue as a complete course of one unit.

A list of the points to be visited has not been planned.
