Annual Spring Concert To Be Presented Thursday

By BETSY JOYCE

The Annual Spring Concert of the College Choir and the Madrigal Singers will be held Thursday, in Sequoia Theater at 8:15 p.m. under the direction of Dr. Leon Wagner, associate professor of music.

The program to be presented will be the same one that the groups performed on their bi-annual tour of the Northwestern coast, from which they just returned. It has four main sections: sacred hymns and choruses, romantic and contemporary choral songs, folk songs and ballads by the choir, and songs and airs from the sixteenth, seventeenth and eighteenth centuries by the Madrigal singers.

"All pieces are good in their own way", Dr. Wagner says of the program. One of the pieces to be presented is "Quaecumque Sunt Vera" by Haydn-Lutkin, which is Dr. Wagner's alma mater from Northwestern University. "Barb'ry Allen", specially written by Dr. Wagner for treble voices with tenor and soprano solo will feature Volmar Dean Boyd and Joan Iverson as soloists. Anne Pierson, soprano, will be soloist in "The Lass From the Low Country" also by Dr. Wagner.

Admission is free to ASB card holders, \$1 for adults and 50 cents for children and students. Tickets will be on sale at the box office from 1-3 each day and from choir members.

Cancer Film To Be Shown Wednesday

A film on cervical cancer will be shown in the Sequoia Theater Wednesday, free of charge to women students and faculty members.

The film will be shown at 3:30 p.m. and 7:30 p.m. chairman Franny Givins announced.

Humboldt Professor Sees Little Prospect of German Reunification in Future

"I feel there is little prospect of German reunification in the near future", Dr. John Gimbel, assistant professor of history at Humboldt State College, told a group of 300 students and professors recently in Sequoia Theater.

Dr. Gimbel attributed the dim prospect of German Reunification to the outlying differences between the Soviet Union and the Western Allies.

Dr. Gimbel received his A.B. from Luther College, his M.A. from the State University of Iowa, and his Ph. D. from the University of Oregon. He has done additional graduate study at the University of Marburg, Germany, and Iowa State University.

Dr. Gimbel's knowledge of German history, the German language, and his first-hand contacts with the people and institutions of present-day Germany make him eminently qualified to discuss German democracy, and political liberalism.

The difference between the Soviets and Western Allies stated by Dr. Gimbel, ranged from the Soviets wanting a peace treaty and free Berlin to the Western Allies proposing occupation of Germany for at least five more years. The Western Allies also call for a "package deal" of disarmament, zone settlement and finally a peace treaty.

The topic of German reunification has been discussed for 16 years, and according to Dr. Gimbel, Poland, the Free-democratic and Social democratic parties, the businessmen of Germany and public opinion in Germany are in favor of reunification.

"A poll taken in 1950 shows that 9 out of 10 people in Germany support reunification."

(Continued on page 5)

Fred Telonicher Elected Faculty Senate President

General Faculty elections were held last week with run-offs continuing this week. Professor Fred Telonicher was elected president of the faculty. He will serve as leader of the general faculty and will also serve as a member of the Faculty Senate, an advisory board for recommending general college policy.

Also elected were Dr. Louise Watson, physical education professor, as secretary and Dr. Carl Strand, professor of business, as treasurer.

Representatives at large, who will serve as representatives of the faculty on the Senate are Jerry Partain, professor of Forestry; Dr. Roscoe Peithman, Chairman of the Physical Science Department; Reese Bullen, professor of art; Dr. Chester Collins, Associate Dean of Admissions; and Dr. Stanley Spaid, professor of history.

Two run-off elections have been held for the remaining four positions as representatives at large on the Senate. However, no one received the required 89 votes, necessary to be elected.

Because the present method of electing the representatives at large is not working well, and

600 See 'Androcles' Open; Production Continues With 3 More Performances

By CLIFF HAWTHORNE

Over 600 people viewed the opening of George Bernard Shaw's "Androcles and the Lion" in HSC's Sequoia Theater last weekend. The play will end this weekend with performances starting at 8:15 tonight and tomorrow night, with a special matinee to be shown at 2 p.m. tomorrow for the local high school students. Tickets for the performances will be available from 10 to 3 in the Sequoia box office.

Shaw's weak satire on religion was humorously highlighted by outstanding individuals and dampened by others.

Bob Graham, Paul Conner, Bill Livingston and Jack Senteney held the cast of 47 together while the debatable Roman Captain, played by Dick Turner and two individuals portraying Caesar's Gladiators might have helped the production if they left their sword and net in the "Colesium".

The crowd pleasing pair of the timid tailor, played by Graham and the somewhat resemblance of a four legged Lion, filled by Conner kept the play and the audience alive for the hour performance. Graham's natural physical and verbal presentations along with Conner's "uh-huh" and "oh" were backed by a usual fine performance from Livingston as Fervious, Christain at heart but torn between his present God and Mars, the God of war, whom Fervious served in his childhood.

Senteney, portraying the Roman Emperor, Caesar, humorously filled the role of a suitable ruler over "thousands" of Romans.

Lila Cooper, playing Lavina, a Christain female torn between her devotion to her God and a semi-proposal, presented rather undramatically by the Roman Captain, portrayed by Turner, decided she would be thrown to the Lions rather than go against the wishes of her God.

The humorous but anticipated ending of Shaw's production was highlighted by a rather spastic version of Shaw's weak footed waltz by Androcles and the Lion.

The play, directed by assistant professor of speech-drama, Hugh McElhaney, saw many brilliant costumes and four background sets. A crew of 25 students has been working since Jan. making the 55 costumes.

could, as the election committee fears, result in an un-ending series of elections, the problem has been referred to the faculty for consideration.

Scientist Visits Humboldt State Next Thursday

Dr. Keith A. Brueckner, chairman of the Department of Physics, University of California at La Jolla, will be at Humboldt State to present lectures and informal discussions to students and faculty next Thursday and Friday, according to Dr. R. E. Peithman, chairman of the Division of Physical Sciences.

Scheduled highlights of Dr. Brueckner's visit will be two appearances Thursday, "The World of Research in Physics" at 11 a.m. in the Sequoia Theater and "The Strange Particles of Physics" at 8 p.m. in Science 107. The latter is an open meeting of the Sigma Xi Club, campus science organization.

Hilltop Calendar Of Coming Events

FRI., Feb. 24 — "Androcles and the Lion" at 8:15 p.m. in Sequoia Theater. Admission with ASB card, free; general admission, \$1.

FWC Wrestling championship match at Chico State College at 10 a.m.

SAT., Feb. 25 — "Androcles and the Lion" at 8:15 p.m. in the Sequoia Theater.

Annual Sweetheart Ball from 9 p.m. to 1 a.m. in the Men's Gym. Admission \$2 per couple.

SUN., Feb. 26 — Chamber Music at 8 p.m. in the Music Building. Admission free.

THURS., March 2 — Spring Choir Concert at 8:15 p.m. in the Sequoia Theater with Dr. Leon Wagner directing.

HSC May Lose Student Government

Humboldt State is in danger of losing its real value of student government. Unless something drastic happens in the next three weeks, the spring elections will be nothing more than a farce.

Last year two complete parties ran slates of officers and commissioners and only one independent dared to break-up the HSC "party system." We thought this was bad. But now we learn that there are no parties this year and fewer candidates.

This lack of candidates is probably an outgrowth of lack of votes. Student leaders generally consider it a howling success when they get a turnout of slightly more than one third of the voters.

This past year students allowed Lumberjack Enterprises, no matter how good or bad it seems, to be initiated without more than the passing notice of a couple of interested late-comers the day the Enterprises was to be voted on. There were meetings upon meetings for four months prior to its passing.

Now the council is discussing major changes in the constitution, and that too is receiving little interest. We believe this action deserves serious consideration. Yet, it will probably pass, and someday students will wake up and find out what has happened to their student government.

It is not too late to develop interest. There is still time for candidates to file petitions. And, of course, time for students to vote March 13 and 14.

The Lumberjack hopes to do its part by publicizing the coming elections and proposed constitution changes. No matter what so called "experts" say, they have to be shown evidence that students are apathetic toward student government. This apathy seems pretty obvious to us.

Will the result of this apathy be mockery of student government, which in part, is true, or will it be a complete decline, which is possible?

'Mars Invasion' Set Here Tonight

Radio station KHSC-FM will broadcast a specially scheduled presentation of H. G. Wells' "Invasion from Mars" at 9:30 this evening, according to Dr. Dale Anderson, director of Radio-Television.

The hour-long program features Dr. W. L. Turner in a starring role.

Fraternity Holds Rushing Function

Tau Kappa Epsilon fraternity held its annual rush function last Thursday evening at the fraternity house for prospective pledges.

Under the co-chairmanship of Rene Vit, rush chairman, and Roger Olsen, pledge chairman, the function was considered a success by active members.

Over forty TEKE members and prospective members attended and joined in the song fest. Pledge trainer Olsen announced that the spring pledge class will be officially closed as of tomorrow.

SCTA HEARS REPORTS
Reports of a recent Student California Teachers' Association meeting were made by Humboldt State delegates at the HSC chapter meeting of the SCTA here last week. Some 60 students and faculty were on hand.

I left this town that was misnamed
On the Crookedest Road, or so it's famed
It was 299 I traveled on
All through the night, and just at dawn

At the edge of Willow Creek
I slowed down
But before I could stop I was clear through town
At Willow Creek I made a turn
And headed for Hoopa where I would learn

(To Be Continued)

I went on to Arcata, but left in haste
Down a crooked road to another odd place
Blue Lake it's called, but by mistake
It can't be blue, for there is no lake

Through groves of "Cathedrals in the Sky"
Destined to be but a railroad tie
And on to Eureka, where it is said
"If a man's not drunk, he's drinking or dead"

And so, at once I did embark
For the land that is now eternally dark
Because of the clouds of sawmill dust
My motto was: Humboldt County or bust

As a man of adventure, a man of leisure
I too, wanted to see this creature
To prove or disprove this awesome tale
That made men cringe, and women wail

Hoopa, Salyer, and Willow Creek
From these strange towns the rumors leak
Of a giant beast, half man, half bear
With huge human feet, and shaggy hair

Where the air is dirty, cars never clean
From Humboldt County, (the place I mean)
There comes a story that mystifies,
Of a creature that towers into the skys

In California, green and gold
There is just one weird place to behold
A land of trees and rough terrain
Of sawmill smoke and ceaseless rain

"Meeting Bigfoot"

Two years ago this week our fair Humboldt county was blessed with the return of a former student?, who went by the name of Bigfoot. A guest writer has sent us this first part of a two-part doggerel describing this student. It follows:

and
Santo

TEKES Hold Co-Function Party

Delta Zeta and Tau Kappa Epsilon held a co-function party at the TKE house Friday before the opening performance of "Androcles and the Lion."

About 20 Delta Zetas attended with their advisor. An equal number of TKE's were on hand.

After the party, the Greeks and their dates attended the opening performance of the play.

Chairman of the event, Bill Robinson, commented, "The function was a huge success."

PATRONIZE OUR ADVERTISERS ... THEY PATRONIZE US!

On Campus with Max Shulman

(Author of "I Was a Teen-age Dwarf," "The Many Loves of Dobie Gillis," etc.)

"LOVE IN REVERSE"

They met. His heart leapt. "I love you," he cried.

"Me, too, hey," she cried.

"Tell me," he cried, "are you a girl of expensive tastes?"

"No, hey," she cried, "I am a girl of simple tastes."

"Good," he cried, "for my cruel father sends me an allowance barely large enough to support life."

"Money does not matter to me," she cried. "My tastes are simple, my wants are few. Just take me riding in a long, new, yellow convertible and I am content."

"Goodbye," he cried, and ran away as fast as his chubby little legs could carry him, for he had no convertible, nor the money to buy one, nor the means to get the money, short of picking up his stingy father by the ankles and shaking him till his wallet fell out.

He knew he must forget this girl but, lying on his pallet at the dormitory, whimpering and moaning, he knew he could not.

At last an idea came to him: though he did not have the money to buy a convertible, perhaps he had enough to rent one!

Hope reborn, he rushed at once to an automobile rental company and rented a yellow convertible for \$10 down plus 10¢ a mile, and with many a laugh and cheer drove away to pick up the girl.

"Oh, goody," she said when she saw the car. "This suits my simple tastes to a 'T'. Come, let us speed over rolling highways and through bosky dells."

And away they drove. All that day and night they drove and finally, tired but happy, they parked high on a windswept hill.

"Marlboro?" he said.

"Yum yum," she said.

They lit up. They puffed with deep contentment. "You know," he said, "you are like a Marlboro—mild and fresh and relaxing."

"But there is a big difference between Marlboro and me," she said, "because I do not have a Selectate filter nor do I come in soft pack or flip-top box."

They laughed. They kissed. He screamed.

"What is it, my dear," she cried, alarmed.

"Look at the speedometer," he said. "We have driven 200 miles and this car costs 10¢ a mile and I have only \$20 left."

"But that's exactly enough," she said.

"Yes," he said, "but we still have to drive home."

They fell into a profound gloom. He started the motor and backed out of the parking place.

"Hey, look!" she said. "The speedometer doesn't move when you're backing up."

He looked. It was true. "Eureka!" he cried. "That solves my problem. I will drive home in reverse. Then no more miles will register on the speedometer and I will have enough money to pay!"

"I think that's a marvelous idea," she said, and she was right. Because today our hero is in the county jail where food, clothes and lodging are provided free of charge and his allowance is piling up so fast that he will have enough money to take his girl riding again as soon as he is released.

'Calle Mayor' Opens Foreign Series Sunday

"Calle Mayor" (The Lovemaker), a recent Spanish film starring Betsy Blair will be the first of the Spring Foreign Film Series starting Sunday March 5.

There will be one showing at 2:30 p.m. unless pre-sale of season tickets is large enough to warrant a second showing at 7:30 p.m. A \$3 season ticket will be good for four admissions rather than four performances.

The second film, "Des Teuffel's General", will be shown on March 19. This German film starring Curt Jurgens is the story about an anti-Nazi ace pilot in Hitler's Germany. A Russian film called "Gift for Music" will be shown on April 9. The last film, Les Vacances De M. Hulot (Mr. Hulot's Holiday), will be shown on May 21.

Anyone desiring to purchase a season ticket should see any of foreign language instructors.

Debaters Travel To San Mateo For Tourney

Two teams of HSC debators are competing today and tomorrow in a Tyro or lower division debate tournament at the College of San Mateo.

Speech instructor, Leah Grigsby, is accompanying the teams which consist of Pat Wilkins and Holly Bartscht, Louis Williamson and Jack Turner. Williamson, Bartscht and Wilkins will also enter an oral interpretation contest. Turner and Williamson will enter a contest of expository speaking.

With theme, "It's a Woman's World" in background, the Inter-Collegiate Knights provided serving for AWS Women's Banquet held Friday evening. Best Dressed Coed of 1960, Glendee Baldwin (left) presents trophy to this year's winner Linda Arvola (right) during awards ceremony, which included the presentation of sixteen AWS activity awards.

Linda Arvola Selected HSC's Best Dressed Coed At Woman's Day Banquet

By MARTHA GABRIEL

It's a Woman's World no longer!?

With the AWS banquet, selection of Linda Arvola as Best Dressed Coed and presentation of sixteen activity certificates, the annual Woman's Day concluded Friday evening.

The banquet rounded up a full day of activities which included a Pancake Breakfast sponsored by the Home Economics Club; Coffee Hour sponsored by Student Nurses Club; Luncheon sponsored by Student Wives; Bridal Fashion Show sponsored by Spurs and Delta Zeta Sorority; and Faculty Women's Tea sponsored by Phoenix Club.

The luncheon, included a panel discussion with Mrs. Helen Everett, librarian, Mrs. Helen Allen, nursing, Mrs. Carolyn Faulkenberg, business, speaking on women's careers, education and salaries.

Three complete weddings, formal, semi-formal, informal were modeled, with fashions for the bride, attendants, mothers of bridal couple and parts of trousseau, by members of Spurs and Phoenix Clubs during the 2 p.m. Fashion Show sponsored by Daly's of Eureka.

During the evening banquet in the college cafeteria, Dr. Mildred Benjegerdes, practicing woman physician in Humboldt county, discussed the opportunities for women in the medical profession and her experiences as a homemaker and doctor.

Linda Arvola was announced the Best Dressed Coed and presented a trophy by Glendee Baldwin, last year's winner.

A new precedent was set when Dean Kate Buchanan presented sixteen activity certificates to the

following women for their "behind the scenes work on campus activities". Award winners included Cathy Cornwel, Doris Bodes, Pat Waters, Linda Guelio, Carol Stack, Kitty Memingway, Midge Smith, Barbara Link, Rita Watson, Joan Kolding, Darlene Garcelon, Kay Gerdes, Helen Wilson, Marci Johnson, Martha Gabriel, and Julie Gavey.

FUNDAMENTAL EXAMS

Students who plan to enter the teacher education curriculum should sign up now for the fundamental exams to be held in the Testing Office, room 215 of the Administration Building, March 6. Students can sign up for the tests in room 209 of Founders Hall.

Conservation Club Crab Feed Slated

The annual Conservation Unlimited Club's crab feed will be held at the Mad River beach on February 24.

Thirty-three members are signed up to attend the event which will feature the crab feed, surf fishing, and similar activities.

Only C. U. members can participate.

Humboldt's wrestling team entered intercollegiate competition for the first time in 1959.

Chamber Music Features Piano Quintet Sunday

Dohnanyi's Piano Quintet will be featured in this month's Chamber Music Concert to be held Sunday at 8 p.m. in the Music Building. No admission will be charged for the concert, sixth in the annual series.

The group performing this number will be Charles Fulkerson on the piano, Floyd Glende on the violin, Mrs. Marianne Pinches and Mrs. Esther Thompson on the violas, and Mrs. Jean Fulkerson on the cello. Other numbers on the program will be announced later.

These monthly programs are put on for a two-fold reason, according to Prof. Floyd Glende, assistant professor of music. "To enable performers to continue exploring the vast amount of literature that is called chamber music and to give people in our area the opportunity to participate through listening."

"This means a good deal to me," said the poker player as he stacked the deck.

HSC Extended Services Offers 18 Various Courses

By TOM BETTENCOURT

Humboldt State College's extended services department is offering eighteen different courses this semester, ranging from physical education to mathematics, according to Dr. Ivan O. Milhous, dean of extended services.

Dean Milhous advised that the extended services program is designed to offer courses to the adults of communities from Crescent City to Garberville. The instructors of these courses are regular members of the Humboldt State faculty.

The difference between the extended services department and the regular department is that the classes are taken to the people rather than the people coming to the classes, Dean Milhous pointed out.

Although a wide variety of classes are offered, the majority are in the field of education. Regular students may apply to take the extension courses, however, if students sign up for the classes they should first check with either the registrar's office, or their advisers to make sure of their applicability to particular objectives.

A maximum of twenty-four units earned in extension courses may be applied toward the requirements for a bachelor's degree, but only twelve units of such credit may be transferred from another institution.

Dean Milhous advises that students should keep an accurate record of their totals, to determine when they have reached the limit. Those who wish to transfer extension credit from other institutions are advised that this credit is transferrable only under such terms as govern its acceptance by the original institution for degree purposes, and that most of the colleges and universities place restrictions on the applicability of their own extension credit.

The tuition fee for extension courses is \$10 per unit. However, activity-type courses are \$13 a unit and laboratory courses are \$20 a unit.

Yearbook Staff Completing Second Section

The second semester Semper-virens staff is working on completion of the second section, due Feb. 25 at the Taylor Publishing Company in Dallas, Tex.

Staff members this semester are editor Ron Kunstal; sports editor Dennis Giuntini; photo editor Dawn Montelbetti; index-classes Carol Ayers and Pat Soderberg.

Activities Charlotte Brown, Michele Winters, and Judy Wyland; organizations Miss Montelbetti, Dennis Cahill and Donna Ballard; Advertising Sharon Davenport, Marge Zebo and Keith

Speech Professor Receives Double Forensics Honor

Dr. Edward Steele, speech professor and sponsor of HSC's debate team, recently received two honors.

He was appointed chairman of the Northern California Forensics Association Coaches Committee which plans to re-arrange the districts of the West Point qualifying tournament for the annual West Point Academy championship debate tournament.

Dr. Steele was also selected by a West Point committee to act as one of three professional judges in the final rounds of the championship contest.

This tournament is annually sponsored and partially financed by the West Point Academy. Only Debaters having demonstrated outstanding abilities as evidenced by ratings in major tournaments are permitted to enter.

The qualifying tournament for District I, which consist of California, Utah, Arizona and Nevada, will be held at the University of Pacific April 10 and 11.

Three Teams Win Certificates At Squad Tourney

Certificates of excellence were won by three teams of debaters last Saturday at HSC's regular semester squad tournament. The tournament was held as practice for those participating in inter-collegiate debate.

The three winning teams were Glenn and Charles Atkinson, Carolyn Doyle and Carol Gertz, Merlene Duncan and Marshall Faik. Contest judges were Gary Goble, John Rawlinson, Ron Edwards, Robert Chegwiddden and Bernard Moulton. Georgiann Steed acted as tournament director.

Foster; sales Joyce Dougherty and Bill Clugston; photographers Chuck Muser, Pete Palmquist, and Vester Flanagan.

Redwood Hall To Be Locked Each Evening

Residences of Redwood Hall received a mild shock during a recent dorm meeting. They were told that the hall would be locked at 11 every night. Later, they were informed that their room keys would fit the outside door and they could get in with them.

The reason given by dorm president John Rawlinson was that items had been stolen from the dorm and non-residents have been found sleeping in the lounge.

Other highlights of the meeting saw Dean Lawrence Turner explain the purpose and function of Lumberjack Enterprises. Discussion and questions lasted for 25 minutes.

Kate Buchanan, dean of activities, told the men if they had any questions or were in doubt about anything, she would be happy to visit or talk things over with them.

House mother, Mrs. Neva Slacks welcomed all the new transfers and wished them a happy stay in the hall.

Clean-Up Group Gets Campaign Under Way March 6

The Campus Clean-Up Committee held its final meeting recently in the CAC in preparation of the clean-up campaign to start March 6.

The committee, headed by Ron Ringen, has decided to concentrate in the cafeteria by displaying posters to remind students to clean the tables after use.

The group has enlisted the aid of KHSC and Lumberjack in promoting the drive, plus the Spurs, which will donate posters.

The committee has adopted the slogan, "Be a Lumberjack, not a Litterjack."

Assisting Ringen are Cyndi Norris, Rita Watson, Marie Alvard, John Lyle, Barbara Link, and Karen Weiss.

Ringen hopes to keep the drive continuing all semester. He said, "We don't want the students to remember for a week and then start forgetting again. We will keep changing the posters," he continued, "in hopes of reminding the students throughout the semester."

By SANDY WILBUR

I wonder how many Cans and Redheads were downed by duck hunters during the season just passed. My guess is that quite a few bit the dust, downed by three types of hunters. Perhaps the light was bad, or maybe the birds made a surprise attack, and a usually skilled and conscientious duck hunter found himself with a redhead in his skullboat.

Accounting for more kills was the small group of "sportsmen" who never read Aldo Leopold, never heard of "ethics" and, therefore, never missed a chance to bag anything that flew by.

Third, and probably taking the biggest toll, are the many, many waterfowlers who can't tell a Canvasback from a wigeon and who call anything that doesn't have a green head a "grey duck". These hunters don't know an illegal bird when they see one and thus, through ignorance, may kill as many Cans and redheads as they do pintails and baldpates.

Of these three toll-takers, the first two will probably exist as long as there are ducks to hunt. However, it should be possible to eliminate the third type. We offer one possible solution, based on the premise that, in order to hunt waterfowl, the hunter must have in his possession a duck stamp. To obtain a duck stamp at the present time, the hunter needs to do nothing but pay his money and sign his name. He needs to know nothing about waterfowl identification—in fact, he doesn't even have to know what a duck looks like. Small wonder, then, that you find all sorts of people in the marsh.

But why couldn't certain restrictions be set up, simple restrictions aimed only at keeping the sport limited to those people who care enough to at least learn what they're shooting at? One such restriction would consist of a simple

identification test, an unlabeled color chart of flying waterfowl to be presented to the applicant. If he can identify the birds, fine. He received his stamp. If not, back to Peterson's Field Guide.

I don't say that a person needs to be a full-fledged waterfowl biologist if he is going to hunt ducks. However, with the need for species management becoming so much more important than mere flyway management, species identification must be mandatory. It isn't hard to learn to identify ducks, but some people need an incentive. It's easy to see that, as long as pintails, gadwalls, wigeons, and redheads are all just "wigeons" to many hunters, the needed species management of our waterfowl will be impossible.

Say, Bill, have you checked your mallards lately? I hear that G. B. and D. R. have added fowl to their rainbow trout dinners.

Executive Council Okays Publishing Of Biblical Quotations In Lumberjack

By HUGH CLARK

The executive council stamped its approval on a request for running Biblical quotations in the Lumberjack, but added the provision that the publishing must be first approved by the Lumberjack staff.

Tim Potter, representing the Christian Science Fellowship, said other students proposed the weekly quotations as a method for bringing the Christian students on campus together.

The council discussed the request but said it could only give its approval, telling Potter the Lumberjack would have to make the decision.

Earlier in the week, Potter appeared before a Lumberjack staff meeting, making an identical request, but was told the staff would vote on his request after some deliberation.

In other action the council heard reports, sent an election rules' code back to the election committee for more work, discussed the retreat to be held in April with the University of Nevada and set up last night's meeting to hear the proposed changes made by the constitution revision committee.

Treasurer Paul Asp reported the Lumberjack has requested \$950 for the remainder of the year, that Dean of Activities Kate Buchanan's office has ordered a United States' and California State Bear Flags for the Campus Activity Center and that \$84 would be given for supervision of the CAC.

President Dennis Cahill reported on the CSCSPA conference, informing the council of the association's action.

Rally Commissioner Bill Turner said negotiations have been started by Art Dalianes, assistant activities co-ordinator and Dean Don Karshner with Chico State for the return of Lucky Logger. Cahill told the council that Chico's ASB president, John McCarty, told him during the CSCSPA convention that "Lucky" would be returned soon.

Election Rules' Chairman Dave Crane was instructed to re-vamp his proposed election code.

The council voted to table action on class officer elections until after the constitution proposals have been adopted by the council. One suggested change would eliminate class presidents sitting on the council.

An earlier motion to table action on the officers' election until after the ASB elections ended in a 7-7 deadlock. Vice president Dick Maynard voted for the first time since taking office, casting a negative vote.

Dean Karshner told the council Joe Mayfield, a senior, and Ross Stromberg and Gerald Hansen, both juniors had been selected as student members on the Lumberjack Enterprises Board of Directors.

He also told the council the Alumni Association is planning to "go all out" in next fall's Homecoming. Reunions of the 1921, 31, 41, 51 and 61 classes will be held.

Dean Karshner said the Alumni Association is planning a Faculty-Alumni banquet in late April.

The council approved the 1961 football season for \$12 for five home games, as presented by graduate manager Howard Goodwin. graduate manager Howard Goodwin.

Concert Pianist Draws Full House At MEP Concert

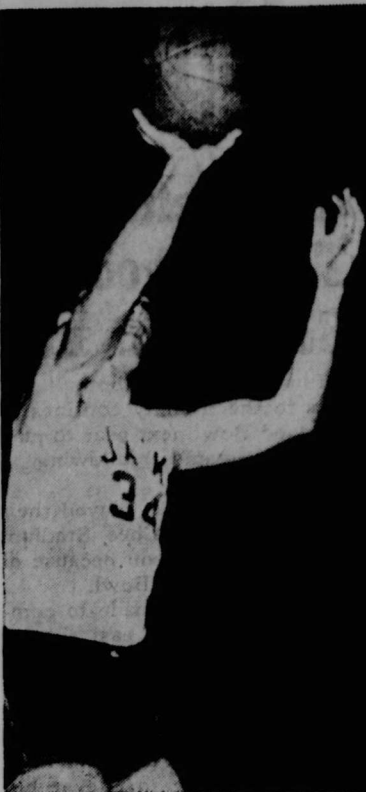

Virginia Danforth, concert pianist, played to an enthusiastic full house Feb. 9, in the College Elementary School Auditorium. The concert was sponsored by Mu Epsilon Psi, music honor society.

Miss Danforth began the well-received program with Concerto Grosso in G Minor by Vivaldi-Bach. Next she presented the charming "Sonata, Opus 26, No. 3" by Clementi. "Mazurka, Opus 24, No. 4"; "Etude, Opus 25, No. 1"; and Etude, Opus 10, No. 9" also by Chopin.

Following the intermission a group entitled "Childrens Corner" was played. The selections, which Miss Danforth announced herself, were "Small Sad Sparrow" by Vivien Fox, "Strange Dance" by Kwashyich, "Lark Song" by Tchaikowsky, and "The Empress Pagoda" from Mother Goose Suite by Ravel.

An ensemble number, "Quartet in G Minor, K.478" by Mozart was performed next by Miss Danforth with assistance from local musicians Floyd Glend on the violin, Mrs. Marianne Pinches on the viola, and Mrs. Jean Fulkerson on the cello.

'Jack Of The Week

Ron Good has been selected Jack of the Week for his improved play in the last two weeks. Good scored 21 points against the Cal Aggies the first time the teams met. He played well in all three games last weekend. The sophomore guard out-jumps most forwards in the Far Western Conference.

Reunification Unlikely After Sixteen Years

(CONTINUED FROM PAGE 1)
ported reunification," stated Dr. Gimbel.

Reasons for German reunification given by Dr. Gimbel includes family sentiments, economic conditions and Germany's uneven population distribution.

Family sentiments are strong in the "old countries" and have an intense bearing on the family. The family love and kinship would again return to Germany with reunification, Dr. Gimbel reported.

Germany's economic conditions relate back to the Potsdam agreement of 1945 that stated the standard of living in Germany was to be no higher than other European countries, other than Great Britain and the Soviet Union. It also called for a total of 25 percent of Germany's western zone removals to go to the sparsely populated eastern zone; the eastern zone would in turn send back food to the westerners.

Reunification would also see the densely populated western zone divided into equal areas. Dr. Gimbel said there are 50,000 people and 524 per square miles in the western zone, while the eastern zone contains 17,000 and 397 people per square mile.

"German reunification must solve many problems presented before 1948 and undue many presented after 1948," Dr. Gimbel summarized. He said one possible solution at present may be a disengagement of the great powers from Europe.

Revision Chairman Explains Changes at ICS Meeting

Ross Stromberg, representing the Constitution Revision Committee, brought before the Inter-Club Senate, the question of the advisability of retaining the various class presidents as members of the Student Council.

Junior Jacks Trip Loggers

The Humboldt State Junior Jacks combined tight defensive and scoring splurges in the second and fourth quarters to trip the Eureka High Loggers Prep champions 43-28.

At the end of one period the score was 7-7, but the Junior Jacks roared ahead 22-15 at half time.

The two teams battled on even ground through the third stanza with the Jacks taking a 30-22 lead into the final eight minutes. Once again the Junior Jacks started hitting and pulled away to take 43-28 victory.

Rino Controversy Erupts; Council Keeps Verbal Pact

By CLIFF HAWTHORNE

The Humboldt State degree ring controversy returned twice last week to haunt the executive council, with the student lawmakers finally deciding to maintain their verbal contract with the Herf-Jones company.

The hassle started two weeks ago when Balfour Company's salesman Dwight Gabbert questioned the morals of the council in business dealings while acquiring the rings.

A special meeting to re-open the controversy was held last Wednesday following a request by the Ring Committee Chairman, senior art major Joe Romero.

A motion by Sophomore Class President Dave Crane was adopted by a 13-1 vote, with awards commissioner Gary Peterson dissenting.

Crane's motion asked that the council sign a legal and binding contract, ending the matter. Graduate Manager Howard Goodwin and Dean of Students Don Karshner were instructed to ink the customary 10-year contract with Herf-Jones.

Romero, who was charged by Gabbert as "acting in bad faith", asked the council to give Balfour "a chance" and "look at both sides of the story," wanting the council to see Balfour's completed design.

"We tried it for one year and it just hasn't worked out in terms of the class elections in which as few as 30 students may elect a president," stated Stromberg. "This, plus the fact that the Council has grown too large and impersonal leads me to believe that the class presidents should no longer be seated on the Student Council."

He also stated the Council is too big, and, consequently, too much time is being wasted in discussing small, inconsequential matters.

Also brought before the Senate by Stromberg was the proposed changes in the qualifications for student body officers. "Of all the college constitutions studied by the committee, we found that Humboldt required the lowest grade point average for the student body offices of president and vice president."

The proposed change will hike the present 2 point cumulative average up to 2.5 cumulative or better. The remaining student body officers would be required to have a minimum 2.25 cumulative. This change, if ratified, would not only protect the student body from incompetent officers but would also protect the students from taking on more than they can handle.

'Jack Baseballers Open Season Tomorrow

One-Two From The Bench

Dr. Hassman Has Problems

by Duane Oneto

Dr. Ralph Hassman is having the same problems approving an intercollegiate swimming program as Gordon Schroeder, former HSC wrestling coach, had with the grappling sport.

It took Schroeder two years to start the grappling sport, and Hassman may get swimming in one.

The recommendation for swimming as an intercollegiate sport is now before the Athletic Advisory Board. If the Board approves the recommendation, as is expected, it will go to the Board of Finance, to be included in the 1961-62 budget.

If the Finance Board approves money for the swimming team in the budget, the Student Council must approve. After the Council makes its recommendation, President C. H. Siemens makes final approval.

Once this is completed, Hassman will still have the problem of credit. He has to have enough swimmers to justify the class with the Academic Council.

However, it is very unlikely that Hassman could receive one without the other.

Dr. Larry Kerker, acting chairman of the Physical Education Department, assures; "I'm reasonably sure they will get credit for the class since football, basketball and the other intercollegiate sports do."

Hassman and his seven hopefuls are working out on their own time about ten hours a week. Hopeful swimmers are Jim Malone, Jay Stock, Ward Coatz, Dave Hathaway, Rod Myatt, Richard Griffith and Dennis Mullen.

Hassman will take the team to the Far Western Conference meet in San Francisco April 29, after an opener with Cal Aggies April 2 at Davis.

Mustangs, Hornets Sink 'Jacks in Weekend Pair

The Cal Aggies and the Sacramento Hornets took a two-game home stand from the Humboldt State Lumberjacks last weekend. The Aggies took a 73-59 win Friday, while the Capitol City five posted a 53-51 victory Saturday.

Hilltop Jayvees Suffer Two Game Setback

Humboldt State's Junior Jacks lost a two-game stand the past weekend. Friday, Watson and Meehan of Eureka took a 56-51 win and Saturday Arcata's Ned's Men's Wear posted a 66-57 victory.

The Hilltoppers held a 14-13 edge at the end of the first ten minutes with Watsons. Ken Wagner then hit ten points to give the winners a 27-22 halftime edge.

At the end of the third ten minute period the 'Jacks were behind four points 40-36. Humboldt forward Gary Powell fouled out with about three minutes remaining, and Watsons promptly shot out of reach.

Wagner was high with 20 while Pat O'Brien had 14 and Powell added 11.

Saturday was a duplicate of Friday as the hosting Jayvees went ahead 20-12 in the first ten minutes with guards O'Brien and Marv Fregi scored seven and six respectively.

Ned's came back with a strong defense as the losers lead at intermission was 27-26. In a wild second half the winners came back to take a 42-36 lead going into the final ten minutes.

Each team lost a player on fouls and a technical foul was called on Junior Jack Coach Tom Schubert, who protested the fifth foul on Powell.

Former Humboldt varsity stars

Friday's Far Western Conference clash saw the Aggies take a 13-8 lead at the end of the first ten minutes and then shoot to a 32-18 margin at the half. With 15:07 left to play the winners had built their lead to 21 points.

Moments later, the Hilltoppers launched a full court press which cut the Aggie lead to 11 points. However, the Aggies cashed in at the free throw line and Humboldt fouled to get possession.

Tim Indart had 21 points for the evening while Larry Krupka and Ron Good had 13 each for the losers.

Saturday's non-conference battle saw forward Ron Rohrer hitting with a jump shot with 27 seconds left to give the Hornets the nod.

Humboldt led 16-9 at the end of the first ten minutes and 26-20 at intermission. The losers built up a 13 point lead early in the second half.

Then center Larry Krupka pulled up lame with a charley horse in the second half, taking away a great deal of Humboldt's backboard strength.

Sacramento State outscored the Hilltoppers 21-8 in the final ten minutes which told the story of the games outcome.

Felix Rogers had 20 points for the evening while John Dille scored 18 for the winners.

Jerry Hathaway and Grant Erhart put the game away for Ned's as the former hit for six points and the latter made seven free throws.

Hathaway had 14 points while O'Brien and Fregi had 18 and 17 for the losing Jayvees.

Grid Returns To Redwood Bowl Next Fall

Humboldt State football returns to the friendly confines of Redwood Bowl next year to play its home games following a year's absence.

The Lumberjacks played their home games at Albee Stadium in Eureka last season because of renovation of the Bowl.

Plans are being made to complete stands on the east side of the field, old student rooters side, that will hold 2,500 spectators.

Howard Goodwin, graduate manager, said, "We should have a bigger capacity than ever before."

The 2,500 new seats plus the 2,000 covered ones gives a seating capacity of 4,500. Plans are being discussed to move the 1,100 baseball seats into the Bowl as extras. This will make the capacity 5,600, the largest ever at the Bowl.

HSC's record home attendance was set last fall when 9500 attended the Whitworth NAIA Western Playoff game.

'Jack Grapplers Defend Title At Chico Today

The Humboldt State wrestling team travels to Chico today to defend its Far Western Conference Wrestling Championship.

The Lumberjacks are underdogs since they have lost to all FWC teams, - Chico State, Cal Aggies, and San Francisco State.

Darwin Schager, Ron da Silva, Howard Covington, and John Bobell are Humboldt's main hopes.

Schager has defeated all FWC opponents in the 123-pound class while da Silva has lost only to Chico's Paul Sengo.

Covington, 137-pound, and Vines- 177-pound have lost to the Cal Aggies, and John Bobell, heavyweight, has lost once to Chico's Wayne Cook in two starts.

Coach Ralph Hassman will enter Tony Chess in the 147-pound division, and Gene Van Horn in the 167-pound class. Carl Struby will represent the Green and Gold in the 157-pound match.

CU Mermen Win Annual Intramural Swimming Meet

Conservation Unlimited took an early lead and went on to take an impressive win in the intramural swimming meet Friday.

After the first day's competition, CU took a commanding 33 point lead over Sunset Hall, 65-32.

CU totaled 121 points for first place while Tau Kappa Epsilon had 59, Sunset Hall 56, Delta Sigma Phi 51, Block H 10, and Humboldt Village 3 followed.

Rod Myatt, Jay Stock, and Jim Malone led the conservationists as each took three firsts. Dave Hathaway added two for the TKE.

Basketball Team Fails To Win

The Sacramento State Hornets paced by John Dille killed all hopes of Humboldt State winning its fifth basketball game of the year Monday, downing the Lumberjacks 66-57.

Dille had 29 points, fifteen coming in the second half. Ron Rohrer added 17 for the Hornets while Felix Rogers and Larry Krupka were high for the Lumberjacks with 16 and 14 respectively.

HSC Faces Pro Hurlers In Four-Game Weekend

The Humboldt State horsehiders open their 1961 season with doubleheaders tomorrow and Sunday at the College Field against the College All-Stars at 1 p.m.

The All-Stars consist of former Humboldt State greats, semi-pro and professional players, managed by Al Deniz.

The 'Jacks will face four professional pitchers in the four games. Wade Hammond, who was in the New York Yankees system and Alva Kinney, Chicago White Sox organization, will start in Saturday's games while Steve Cottrell, Boston Red Sox, and Hugo Pappstien will start in Sunday's affair.

Catching for the Stars will be Al Schrader, former HSC All-Conference backstop who reports to the San Diego Padres this spring.

Ron Reynolds will start at first base. He played at Humboldt last year and was All Far Western Conference.

Bob Tomasini, former St. Mary's player, will start at second and Don Carter will be at short stop. He has played triple A ball in the Brave's system.

The outfield will consist of Al Deniz, Nick Cizmich, and Jack Altman. Deniz and Cizmich are former Humboldters while Altman has collegiate and professional experience.

Kinzer has a choice of five pitchers to use in the four games. Larry Taylor and Al Snarski will probably start Saturday's games with Tom Leitz starting Sunday.

Kinzer has two new men, Bob Foreman and Don Solberg, to start at second.

Other tentative starters are Joe Siino, catcher; Larry Taylor, first base; Monty Feeles, second base; Larry Wimer, third base, Tom Di-Mercurio, shortstop, and outfielders Ken Matias in left, Dennis Pontoni in center, and Frank Buda in right.

Kinzer has been shifting his line up and may make several changes in this starting alignment before game time.

Hilltop Swimmers Enter First Meet

The Humboldt State swimming team entered its first competition Tuesday against the Eureka High Loggers in Eureka.

Lumberjack coach Ralph Hassman described the meet as "time trials".

The 'Jack squad includes eight men and one woman.

Those participating in the meet were Jim Malone, Richard Griffith, Rod Myatt, Bruce Watson, Jay Stock, Jim Coates, Dennis Mullins, Dave Hathaway and Ella Gehricke.
