## Four Men, Women Run For Offices

By TOM BETTENCOURT

Humboldt State College students will go to the polls Monday to elect four Representatives at Large to the student council.

The balloting will begin at 8 a.m. with voting booths located in the cafeteria until 5, and in Founders Hall from 8 until noon. At noon the Founders Hall polling booth will be moved to the Men's Gym where it also will remain open until 5.

The election will be conducted by the student body council with members handling the booths. Dave Crane, sophomore president is in charge of the election.

Two men and two women students will be elected to represent the student body on the student council. If members of the student body have any questions to be discussed by the student council, these representatives will be the people to contact.

In the event of a tie for the offices between either the men or the women candidates a run-off election will be held within five days of the regular election. The two candidates receiving the highest number of votes in each of the men's and women's division will be elected. The candidates are as follows:

**Pam Schoenbeck**, a junior from Eureka, who transferred to Humboldt from the University of California at Santa Barbara last year. She is majoring in physical education.

**Barbara Link**, a freshman from Menlo Park, where she graduated from Menlo Atherton High School. She is majoring in physical therapy.

**Kay Gerdes**, a senior from Santa Barbara, where she graduated from high school. She is majoring in history. In past years at Humboldt she has held other student body offices, and is a song queen.

**Belinda Thompson**, a sophomore from Arcata, is majoring in education. She is a Spur.

**Sam Kunkle**, from North Carolina is majoring in Forestry. He is an Army veteran. In his junior year he was an exchange student to Germany. He is active in the Forestry Club in which he is treasurer. He is a senior.

**Doug Jager**, from Oakland, is majoring in forestry. He is a graduate of Oakland's Fremont High school. He is active in the Forestry club.

**Ronald R. Ringen** is a junior at Humboldt State majoring in game management. He is from Colton, and a graduate of Colton High School.

**James Currivan** is a forestry major from San Francisco, who is currently a junior at Humboldt State. He is a member of the Forestry club.

All of these students became candidates by having petitions completed with 25 signatures required. In order to be a candidate a student must have a 2.0 grade average, and be a full time student.

### ACTIVITY DEAN RECOVERS

Miss Kate Buchanan, dean of activities, is now in Eugene, Ore., at the home of her parents recovering from a recent operation. Mrs. Mary Reingold, secretary to Miss Buchanan, expects her to be back at college by Jan. 22.

## HSC Professor In Middle Of Chinese Book Dispute

Humboldt State College political science professor Dr. Ross Y. Koen recently charged that the State and Commerce department requested that a book he had written not be circulated, according to a United Press International story filed from New York late last month.

Koen, who also charged Chinese Embassy officials brought pressure on the MacMillan Publishing Company, refused to discuss the story with a Lumberjack reporter last Wednesday morning, saying he would not discuss anything until the Lumberjack apologizes to the faculty.

Bruce Brett, president of the MacMillan Company, said that Koen's book, "The China Lobby in American Politics", has been postponed, but not because of pressure brought by the State and Commerce departments.

According to the UPI story Koen said in San Francisco on Dec. 28, that the State and Commerce departments requested that the book not be circulated. He did not say from whom he had received the information.

The New York wire story said Koen also charged that Chinese Embassy officials brought pressure on MacMillan 10 days before the publication date because the book's preface alleged involvement of some Chinese Nationalist officials in U.S. narcotics traffic. Koen said the embassy threatened to file a libel suit if the book were published.

Brett said there was "no truth" to Koen's charge concerning the State and Commerce departments. He said MacMillan did receive a call from an attorney representing the Chinese Embassy "raising a problem over

the narcotics allegations."

Brett went on to say Dr. Koen said he was not sure he could substantiate these allegations and agreed to drop them. He also stated that there are now some other points that need clarification, resulting in deletions and revisions by Koen. Publication has been postponed pending this clarification.

The UPI story concluded, saying Koen had agreed to make certain deletions in the book, including the references to narcotics, after several months of negotiations with MacMillan.

## Student Panel To Discuss Jazz Sunday Evening

Bill Turner and a panel will discuss jazz, featuring student guests, some noted as musicians, while others will represent the non-authoritative but appreciative listeners category, at the CAC Sunday at 7 p.m.

They will discuss their views on current jazz selections which are obtainable in record stores today. Student guests will be Roger Olsen, Joe Romero, Paul Asp and Roland Nielsen.

Recorded selections will be played and Turner will direct ques-

## New HSC Book Store Opened At Ribbon Cutting Ceremony

Opening ceremonies for HSC's new bookstore took place Tuesday as some 150 students and faculty members were on hand to witness President C. H. Siemens cut the ribbon on the new facility on the first floor of the cafeteria.

President Siemens, Dean Don Karshner, and ASB President Dennis Cahill gave short speeches before the group. Dr. Karshner said the old bookstore was 2,400 square feet and the new one has over 6,000 square feet. Cahill added how fortunate the student body was with the new addition and said all students should take advantage of it.

Howard Goodwin, graduate manager, explained that the \$50,000 addition would operate on the same policy as the old bookstore, with few exceptions. He said the paperback section has been great-

ly increased and that the bookstore is open to any suggestions for the stocking of books, school material and other supplies.

He also said the store may stay open an additional hour if next semester's classes and schedules work out. The problem is being worked on and an announcement will be made soon.

## Hilltop Calendar Of Coming Events

**FRI., Jan. 6** — Forestry Club banquet at 7:30 p.m., Redwood Park.

**HSC-Sacramento State there. Junior Jacks-Arcata Merchants in Men's Gym at 7 p.m.**

**SAT., Jan. 7** — HSC-Nevada, there. Junior Jacks-Ned's Men's Wear in Men's Gym at 7 p.m.

**SUN., Jan. 8** — German Film "Felix Krull" with sub-titles in Sequoia Theater at 2:30 and 7:30 p.m. Last program of current film series.

**Cantata, "The Christmas Story" at Our Redeemer's Lutheran Church at 7 p.m. Program replaces December chamber music.**

**MON., Jan. 9** — Representatives at Large elections, 8 a.m. to 5 p.m. in Founders Hall and Men's Gym and cafeteria. Two men and two women representatives to be elected.

## Copies Of Magazine Still Available

Additional copies of the fall edition of Hilltopper, campus feature magazine, are on sale in the college Book Store, according to Ron Sells, editor.

The Christmas edition features the experiences of a beginning teacher, a discussion of the American treatment of Korean refugees in Japan after World War II, a look at education in pre-Communist China, cartoons and picture stories.

tions to the panel and accept questions from the audience. The idea is not to judge the given selection or artist but to evaluate the works in terms of listening pleasure and then elaborate them to provide the audience with more awareness and clarification about jazz today.

## Pressure Groups May Win

Humboldt State is on the verge of losing its representation on the student council to a couple of pressure groups as the result of next Monday's elections.

Apathy on the part of many students and groups has given a certain academic group the opportunity to band with similar and allied groups to form a strong voting block that could well see 'their' hand-picked candidates swept into office.

We do not maintain this group is doing anything wrong, unless organizing is wrong. However, we do believe for students at large to stand by and let this happen is nothing more than apathy toward the democratic process.

We are, of course, referring to one of Humboldt's greatest weaknesses, lack of student voting. It's the shame of each college student to neglect this right and obligation as a citizen of the college community.

Mark our words, if the usual less than half of the student body turns out to vote, this group will be victorious. We have already seen inactive voting give this group election victories this fall.

We would like to see the new representatives at large represent the Humboldt student body, not a portion of it. It's up to the student body whether it will sit aside and allow one select group to choose the officers or go to the polls en masse and pick them itself.

## 4th Delta Sigma Carnation Ball Scheduled Tonight At Baywood Country Club

The Fourth Annual Delta Sigma Phi Carnation Ball will take place tonight at the Baywood Golf and Country Club.

This is the second closed function by the fraternity and several alumni will be on hand to see last year's Dream Girl, Pat Laws, crown the new selection.

Dinner will be served from 8 p.m. to 9 p.m., followed by dancing until 2 a.m.

Guests of honor will be President C. H. Siemens, Dean Ned Girard and faculty advisor to the Delta Sigma Phi, Dr. Carl B. Strand.

Candidates are Mary Lou Robertson, junior elementary education major from Eureka, head song queen and active in campus organizations;

Karen McDonald is active this year as a HSC song queen and a member of Spurs, on campus organization for sophomore women. She is a business administration

major from San Bernardino;

Barbara Maffia, a senior elementary education major from Eureka, is a second semester transfer at HSC. She is active as ASB corresponding secretary.

## Ballots Stuffed In Painting Of Month Contest

The ballot box for the painting of the month in the cafeteria has been stuffed.

Mr. Robert L. Olds, Food and Service manager of the cafeteria requested students to refrain from voting more than once to give all the artists a fair chance.

Pi Kappa Delta, national honorary forensic society, made its first official appearance on the HSC campus in Nov. 1956. The chapter was named California Mu.

(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

### 1961: YEAR OF DECISION

Well sir, here we are in 1961, which shows every sign of being quite a distinguished year. First off, it is the only year since 1951 which begins and ends with the Figure 1. Of course, when it comes to Figure 1's, 1961, though distinguished, can hardly compare with 1911, which, most people agree, had not just two, but three Figure 1's! This, I'll wager, is a record that will stand for at least two hundred years!

1911 was, incidentally, notable for many other things. It was, for example, the year in which the New York Giants played the Philadelphia Athletics in the World Series. As we all know, the New York Giants have since moved to San Francisco and the Philadelphia Athletics to Kansas City. There is a movement afoot at present to move Chicago to Phoenix—the city, not the baseball team. Phoenix, in turn, would of course move to Chicago. It is felt that the change would be broadening for residents of both cities. Many Chicago folks, for example, have never seen an iguana. Many Phoenix folks, on the other hand, have never seen a frostbite.

There are, of course, certain difficulties attending a municipal shift of this size. For instance, to move Chicago you also have to move Lake Michigan. This, in itself, presents no great problem, what with modern scientific advances like electronics and the French cuff. But if you will look at your map, you will find that Lake Michigan is connected to all the other Great Lakes, which in turn are connected to the St. Lawrence Seaway, which

There wasn't any ocean...

in turn is connected to the Atlantic Ocean. You start dragging Lake Michigan to Phoenix and, willy-nilly, you'll be dragging all that other stuff too. This would make our British allies terribly cross, and I can't say as I blame them. I mean, put yourself in their place. What if, for example, you were a British workingman who had been saving and scrimping all year for a summer holiday at Brighton Beach, and then when you got to Brighton Beach there wasn't any ocean? There you'd be with your inner tube and snorkel and nothing to do all day but dance the Lambeth Walk. This, you may be sure, would not make you NATO-minded!

I appeal most earnestly to the residents of Chicago and Phoenix to reconsider. I know it's no bowl of cherries going through life without ever seeing an iguana or a frostbite, but I ask you—Chicagoans, Phoenicians—is it too big a price to pay for preserving the unity of the free world? I am sure that if you search your hearts you will make the right decision, for all of us—whether we live in frostbitten Chicago, iguana-ridden Phoenix, or narrow-lapelled New Haven—are first and foremost Americans!

But I digress. We were speaking of 1961, our new year. And new it is! There is, for one thing, new pleasure in Marlboro Cigarettes. How can there be new pleasure in Marlboros when that fine, flavorful blend, that clean easy draw filter, have not been altered? The answer is simple: each time you light a Marlboro, it is like the first time. The flavor is such that age cannot wither nor custom stale. Marlboro never palls, never jades, never dwindles into dull routine. Each pack, each cigarette, each puff, makes you glad all over again that you are a Marlboro smoker!

So, Marlboros in hand, let us march confidently into 1961. May good fortune attend our ventures! May happiness reign! May Chicago and Phoenix soon recover from their disappointment and join our bright cavalcade into a brave tomorrow!

© 1961 Max Shulman

The makers of Marlboro and of the new unfiltered king-size Philip Morris Commander join Old Max in adding their good wishes for a happy and peaceful 1961.

## Sempervirens Copy Goes To Publisher

1961 Sempervirens editor Ron Kunstal (seated) was sent to the Taylor Publishing Company of Dallas, Texas, prior to Christmas vacation, according to Kunstal. The 224-page book is scheduled for fall delivery with the next deadline set Feb. 25.

## Director Announces Cast For 'Androcles, The Lion'

The cast for "Androcles and the Lion" has been announced by Mike McElhaney, assistant professor of speech and drama, and play director. The play will be presented Feb. 17, 18, 24, and 25 in Sequoia Theater.

The cast of over fifty people includes Paul Conner, the lion; Relia Hammond, Megaera; Bob Graham, Androcles; Marion Brooks, the old beggar; Alvin Randall, Centurion; Richard Turner, Captain; Lila Cooper, Lavinia; Tom Schultz, Lentulus; John Ringoot, Metellus; Bill Livingston, Ferrovius; Floyd Nichols, Spintho; Lee Morrison, ox driver; Brian Kinnear, Retarius; George Robinson, Secutor; Hal Lewis, the editor; Ronald Vaverka, call boy; Graland Rogers, menagerie keeper; Jack Senteney, the emperor.

Also included in the cast are Marie Aylward, Natalie Barlow, Ricki Baumgarten, Carolyn Foutz, Diane Gillespie, Anne Househol-

der, Eleanor McGrew, Judy Mier and Laura Moore as Christian women. The Christian men are Frank Gibson, Jerry Jensen, and Bill Chastain.

Shelly Gruslin, Ellen Kilgo, Tom Schultz, and John Ringoot are the Emperor's Retinue. Roman soldiers are David Cottrell, Tom Lindholm, Clark Smith, Otto Linberg, Teryl Wakeman and Stephen Harrow.

The gladiators will be Brian Kinnear, George Robinson, Dennis Hunter, John Lyell, and Bernie Mouton. Wayne Moss and John Simpson are the arena attendants. The Etruscan slaves are Roger Wakeman, Ben Kuykendall, Wayne Moss, and John Simpson.

## 'The Christmas Story' Scheduled Sunday Evening

"The Christmas Story", a cantata by Heinrich Schuetz, will be presented in lieu of the December chamber music program by HSC music department and community musicians Sunday at 7 p.m. at Our Redeemer's Lutheran church, 14th and D streets, Arcata.

The cantata, originally performed at the Court Chapel in Dresden, Germany, was written in the 17th century by Schuetz, who is known as the father of German music. This is the third annual performance of the selection.

Prof. Charles Fulkerson will direct the performance and other important roles will be taken by Dr. Leon Wagner, in the solo role of the evangelist; Lee Barlow, Herod; and Dr. James Mearns, organist.

## Nurse Students To Graduate At Time of Shortage

Students enrolled in HSC's B. S. degree nursing program will be graduating at a time when California's shortage of nurses reaches almost crisis proportions, according to Miss Helen Allen, coordinator of HSC's nursing education.

Statistics show that presently there are 275 nurses for each 100,000 segment of California's population, Miss Allen said. According to statistics, the ratio most needed for effective care is 350, or at least 75 more nurses per 100,000 than the present ratio.

An expected population expansion of another 10 million by 1970 will call for 15,000 additional nurses in the state to care for the increase. This means, Miss Allen said, that the state needs to acquire 1,101 new graduate nurses annually for the next ten years just to maintain the status quo, and in order to bring the profession up to standard efficiency, 1,275 new nurses annually will be needed.

Humboldt State began an accredited nursing degree program two years ago and will graduate its first class of nurses at the end of the 1961-62 school year. At the present time 13 other state and private colleges in California are offering nursing education curricula, and according to Miss Allen, it is these colleges which must bear the brunt of the nurses training program in the next few years, since the state's 25 hospital training centers are operating at peak capacity and are unable to accept increased enrollments.

Because there is an acute shortage of nurses in Humboldt and Del Norte counties, the advisory committee on nursing education at Humboldt State has been formed, for the purpose of developing the closest possible coordination between Humboldt's training staff and the community it serves.

Mrs. Ruth Dohn, registered nurse and wife of Physician H. Philip Dohn, has been named chairman of the committee. Mrs.

## 'Looking Backward'

As the New Year shifts from low to second, we put our typewriters into reverse and look back on some of the memorable and unmemorable events which sent our typewriters speeding through the 1960 fall semester.

We arrived at the Humboldt Colony a few days early to participate in an event listed on page 34 of the New Student's Guide to Better Living as "Frosh Camp." Approximately 137 now aged freshman engaged in a struggle of mind and body, collaborating with the opposite sex in an all out attack on games, dances, and other moralistic aids of college life.

The "camp" was shortlived as we turned to page 35 and found a word "registration," which dampened our spirits and aspirations of any further education.

Due to the fact that we have only first names (or last names to those who read "Helen's Etiquette Escapade"), we registered four days after the final day of registration. Our classes were of a trial and error nature. As the semester progressed we tried them and sure enough, we erred.

Leaving registration and the war-like aftermath we turned to the lighter side of college life which includes Dad's Day, Homecoming, fall sports and the holiday season.

We took an active part in Dad's Day when we served (for social disbehavior), as guides for the visiting dads. We got carried away somewhere northeast of Founder's Hall and were found six hours later by a forestry summer session class who had been lost for three months. Jointly, we made our way back to the campus in good spirits.

We whistled through "Coming home" festivities pausing briefly

to wet our whistles. We enjoyed the parade, the game, and the many parties that followed the parties that followed the parties.

We watched the best small college team in the nation go all the way to national honors by taking part in the Holiday Bowl, in St. Petersburg, Fla. The land of the Seminoles, Gators, and a group of "Bears" from North Carolina really made a lasting mark on our ornamented skulls.

The holiday vacation brought an enjoyable two weeks of fun and celebration for all. We hope "ya 'al" had as much fun as we did and we wish everyone luck in the coming finals.

Soon a new semester will be upon us and we hope to bring some of the activities and humor that coincide with it to you. A cool yule to all.

# HSC Opens FWC Cage Season Tonight

## Junior Jacks Win, Lose Pair In GV Tourney

The Humboldt State College Junior Jacks won a single game, while losing two, in the Golden Valley Conference Invitational Basketball Tournament Dec. 16 and 17 in Redding.

Marin Junior College sent the Hilltoppers into the consolation bracket Friday with a 58-52 victory. The Arcatans came bouncing back taking a 51-37 win over Napa JC. Joe Taylor and Pat O'Brien connected for 16 points apiece to lead the way.

American River Junior College dumped the 'Jacks in their last contest 71-53. The game was played within hours after the Napa JC contest and it was the winner's 11-man squad that had more rest than Humboldt's seven-man team.

## What's What!

—by Hugh Clark—

### What Are You Complaining About?

We've all heard the common complaint of w-h-a-t a basketball team!

But where we sit, we see a certain "who gives a heck" attitude toward the cage sport here at the Hilltop. Over the past three years, the Lumberjacks have played some top-notch ball and against good competition. Less than a year ago they were pitted in four games, all having a definite bearing on the FWC championship. How many fans attended? Well, maybe 500 at the most.

The club got off to a slow start this season with what anyone will admit was mediocre material. But the crowd and support of the casaba team has been something less than mediocre, to say the least.

The team has won two of its 11 non-conference starts, playing a little less than 200 ball, but that's a lot better than the support coach Franny Givins and his eagers have received.

The team opens on the road this week, playing its conference lid-lifter with Sacramento and then traveling to Nevada where it meets the Wolfpack in a Saturday battle.

A split would be more than the most optimistic is expecting. But what difference would it make to the students at HSC?

Even if the Humboldters were sitting on top, we doubt if supporters would ever fill the gym. We're sure of it.

The answer to this problem is diversified, we know, but no matter how many diversions there are, the cagemen deserve considerably better support.

We'll ask the readers to watch with us to see if as many fans attend all the home games as did in one football game the past fall. Yes, we know there is a difference between the two teams.

• • • • •

Speaking of Givins, the HSC head man was on the receiving end of no small amount of kidding from his counterparts at the Chico Invitational tourney during the holidays when the last-day program printed his name as Granny Givins instead of Franny.

One of the jokers remarked the name was in accordance with Givins' graying hair.

## Plans Under Way For Pair of Dual Swimming Meets

Plans are underway for two dual swimming meets this semester if Dr. Ralph Hassman receives large enough turnout. The meets will be with Far Western Conference opponents.

Workouts are being held six days a week. Hassman announced times as Monday 7 to 8, Tuesday 2 to 3, Wednesday 7 to 8, Thursday 7 to 8, Friday 1 to 2, and Saturday 1 to 2. All workouts are in the evenings and afternoons.

At the recent FWC fall meeting, the officials decided there would be a FWC swimming meet in San Francisco. Humboldt will attend if swimmers are available.

## 'Jacks Face Sacramento, Nevada in Weekend Pair

The Humboldt State five opens its 1961 Far Western Conference play tonight and tomorrow evening when it meets Sacramento State and the University of Nevada at Sacramento and Reno.

The 'Jacks finished a disastrous vacation trip, winning one, losing five and finishing eighth in the Chico Invitational.

The Hilltoppers begin their campaign against the Hornets in Sacramento tonight. The Capital City five has been rated as one of the FWC crown contenders and has a well balanced squad.

The Hornets finished sixth in the Chico Invitational, the highest position won by a FWC school. They defeated Chico State, but lost the consolation to Chapman.

The Hornet five runs a fast weave type offense. The two leading scorers are Ron Roher and John Dille.

Humboldt travels to Reno Saturday night to play the Wolfpack. The Pack is reportedly loaded this year with veterans and transfers from the east and mid-west.

The Wolfpack has played a

rough caliber of competition this season, playing teams like Bradley.

The 'Jacks will place their hopes on forward Felix Rogers who paced the team in the Chico tourney. The 6'1" forward was third in scoring in the invitational with 56 points.

The rest of the starting lineup includes Larry Krupka at center, Bill Crichton at the other forward, and Ron Good and George Milionis at guards.

## 'Jacks Drop Three in Row At Invitational Tourney

The Humboldt State College Lumberjacks dropped three straight games in the Chico State Invitational Basketball Tournament Dec. 27, 28 and 29.

On opening day the Arcatans were defeated by the Pacific Lutheran five, 67-60, but not before turning in a fine performance against the pre-tourney favorites.

Humboldt jumped to a quick 9-0 lead but the Lutes came back to take a 36-32 lead at the half. Felix Rogers was high point man with 23 points.

In the second game of the tourney, the 'Jacks again came close, but fell to defeat as Chapman College took a 67-56 win.

The winners had to come from behind before they could take a 27-23 halftime lead. Rogers again led the team in scoring as he hit for 17 points.

In the tourney finale the Lumberjacks were defeated by the host Chico State team 64-55. The winners led at intermission 39-32. Larry Krupka was high point man with 18 points.

The Lumberjacks turned in their poorest shooting percentage of the tourney as they managed only 19 for 63, 30 percent.

Chapman College won the tournament over Pacific Lutheran in the final game.

## Packers Draft HSC's Flanagan In Ninth Round

Vester Flanagan, 6'5" 260-pound Humboldt State tackle, was drafted ninth by the Green Bay Packers of the National Football League. The Packers won the Western Division of the NFL but failed to win the National title.

Flanagan was Little All-Coast on both Associated Press and United Press International polls. The junior tackle was also Far Western Conference first team.

Flanagan, only a junior, has been out of high school for four years and is eligible for the professional draft.

He has indicated he will remain at Humboldt for his final year of college ball.

## Cagers Split In Stand With Southern Oregon

The Humboldt State Lumberjacks split a two-game basketball series with the Southern Oregon Red Raiders, then lost to the Willamette University Bearcats at Salem, Ore., in non-conference games over the Christmas holidays.

The Bearcats were just too much for the Lumberjacks, taking a 60-43 win. Fidel Gaviola scored 23 for the winners while Felix Rogers and Larry Krupka had 10 apiece for the losers.

In the opening contest of a two-game card the Red Raiders, behind the shooting of guard Gordon Carrigan, took a 66-62 victory despite a last half move by the Hilltoppers. Carrigan hit for 18 points, while Rogers led Humboldt with 22.

Guard George Milonis tanked 19 points as the Lumberjacks evened up the series with a 59-56 triumph. The 'Jacks hit better than 52 percent while recording their second win of the year.

The Humboldt State Lumberjacks won the FWC title in football in 1956 on the strength of a 26-18 victory over Nevada.

## Annual Football Awards To Be Given Tuesday

The annual presentation of football awards will take place Tuesday at 7 p.m. in the college cafeteria. The program is sponsored by the Eureka Kiwanis Club and all other Kiwanis clubs in the area are invited.

Coach Phil Sarboe will present approximately 80 awards to varsity and junior varsity players. Sarboe will also present awards to the outstanding players.

All who wish to attend are invited, and those students with meal tickets may attend for no extra charge. All others will be charged \$1.75.

## HSC Wrestlers To Meet San Quentin, SF State

The Humboldt State wrestlers continue tuning up for the FWC conference championship meet, meeting San Quentin today and San Francisco State tomorrow morning.

The 'Jacks hold a 1-1 seasonal record.

Fred Whitmire and Bill Vines both see their first action this year, turning out late because of football.

Whitmire was FWC champion in the 157 pound division, and he will wrestle in the same division this year after reducing to that weight. He will compete in the 167 bracket tonight.

Vines was Oakland City High School Champion in the 191 division which he will compete in tonight.

The big disappointment of the year has been the failure of Allan Hagerstrand to win a match this year. He won the 177 pound class in the FWC last year and was rated one of the returning stand-

outs. He will try for his first win this year and compete in the 177 pound class.

## HSC Intramurals By DUANE ONETO IC Meets Test

The governing body of Humboldt State's intramural program, the Intramural Council, meets its first real test in perpetuating itself during the next few weeks.

With the new semester about to begin, new representatives will be elected, and Dr. Ford Hess, instrumental in starting the new program, will be replaced by Tom Schubert.

Changing personnel is one of the major problems of the council, and this will be the first time the problem has arisen. The key position in this realignment is chairman of the council, now Gary Peterson.

The responsibility of keeping the organization functioning will be Peterson's. He holds the only position that will be carried over into the new semester.

We hope that the transition will be successful since it has taken two years to organize the program to its present standard.

Intramural tennis enters its third round this week after entries battled through the elements to finish the first two rounds.

The competitors reaching the third round and their opponents are Bill Matson vs. Fred Cross, Rodney Myatt vs. Ray Blacklock, Les Breneman vs. Jim Malone, Art Jones vs. Dr. Ralph Samuelson, Dr. Larry Kerker vs. Andy Longenbaugh, and Dr. Robert Kittleson vs. Dr. Kerker.

Norman Fregie, director of tennis, announced that the third round should be completed by Jan. 19.

Volleyball ended with CU winning the National League while Sunset won the American League. Both teams had 4-0 records.

CU took three victories the final week to clinch the title, defeating Humboldt Village, TKE, and Circle K. In other National action, Faculty defeated Forestry and Humboldt Village while Humboldt Village defeated Circle K and Forestry took TKE.

Sunset also won three games in the final week to take the American League crown. Block H won its only two games by defeating Redwood third and Independents C. In the other two games, Independents C beat Redwood two while Independents A downed Redwood two.

Plans for basketball will be made today at 4 p.m. in the CAC conference room. The schedule and rosters will be discussed.

### FINAL VOLLEYBALL STANDING

National League				
	W	L	Pct.	GB
Sunset	4	0	1.000	—
Independents A	3	1	.750	1
Block H	2	2	.500	2
Independents C	2	2	.500	2
Redwood 3rd	1	3	.250	3
Redwood 2nd	0	4	.000	4

American League				
	W	L	Pct.	GB
CU	4	0	1.000	—
Humboldt Vill.	3	1	.750	1
Faculty	2	2	.500	2
TKE	2	2	.500	2
Forestry	1	3	.250	3
Circle K	0	4	.000	4

## Five Humboldters Named To NAIA All-American Teams

Humboldt State placed five players on the National Association of Intercollegiate Athletics' All Star team. This was the largest number from one school on the teams.

Sal Siino and Drew Roberts received first team berths while Manuel Simas, Cecil Stephens, and Vester Flanagan won second team spots.

The HSC baseballers finished the 1957 season with a double victory. The Jacks routed the Chico State Wildcats, 17-0 and 5-2.

## All-Out Effort Under Way For Staffers On Three Humboldt Publications

An all out effort to fill important reporting and advertising assignments on Lumberjack, Hilltopper and Semper-virens was launched this week by George Abbott, Humboldt State publications advisor.

Lumberjack editor Hugh Clark and Mr. Abbott are seeking competent students to sell advertising and fill reporting assignments in areas which were not adequately covered first semester because of the shortage of personnel. Especially needed are additional reporters to cover industrial arts, home economics, campus clubs and organizations, science divisions, the natural resources, education, forensics, and some administrative offices.

"Advertising salesmen and photographers are needed by all three publications," Mr. Abbott said. "The staffs of all publications are spread too thin to do the job we want to do. Lack of salesmen to sell Hilltopper has pushed that publication into the red for the first issue, and but for a tremendous effort on the part of editor Ron Sells, who received no credit, we would not have had a magazine."

Virgil O'Quinn, advertising manager for Lumberjack, was credited for putting Lumberjack in a better financial position than it was in last year; however, the lack of advertising due to the business slump resulted in smaller papers,

thus leaving out important stories," according to Mr. Abbott.

Mr. Abbott said the shortage of photographers has been felt most on the yearbook, which did not have a photographer until a month ago but met its first deadline. It was necessary to hire a professional photographer to help Chuck Muser, who joined the annual as a volunteer photographer about a month before Christmas.

"Interested students are urged to include any of the publications on their schedule for the spring semester; however, they should arrange to take Journalism 27 or 127 before the close of registration; otherwise they must apply for permission to change their programs and the result is often disappointing," said the advisor.

Staffs for each of the publications will meet on Tuesday and Thursday mornings next semester. Hours will be, Lumberjack, 9 to 10; Hilltopper, 11 to 12, and Semper-virens, 10 to 11.

In 1956, the HSC debate squad took fourth in a 13 college tournament. Norman Steward lead the squad and captured top honors in the tourney.

## Annual National College Queen Contest Under Way

The seventh annual National College Queen Contest, to select and honor an outstanding American college girl, is again underway. This year, the National Finals will be held in Fort Lauderdale, Fla., with more than \$5,000 in prizes to the winner.

The competition includes a colorful Pageant this April. It will be a highlight of the Easter holiday celebration which annually attracts thousands of college students to Fort Lauderdale. The National College Queen Contest Committee is planning the event in cooperation with leading beach-front hotels and the City of Fort Lauderdale.

The contest will be open to all undergraduate college girls between the ages of 17 and 22. Free

entry blanks and complete details can be obtained by writing to National College Queen Contest Committee, Paramount Building, Suite 1606, 1501 Broadway, New York 36, New York.

The competition is a search to find a truly typical college girl who deserves the national crown. This is not just a "beauty contest." Only 50% of the judging will be based on attractiveness, personality, charm and appearance. Equally important will be scholastic accomplishments, campus activities, hobbies and interest in community affairs.

The prizes to the next National College Queen will include a two-week tour of Europe, visiting famous cities in England, France, and Italy. She will also receive a complete head-to-toe wardrobe of high fashion apparel, and many other merchandise awards. If she is interested in the theater, the winner will also receive a \$1,600 scholarship to the famous Dramatic Workshop in New York City to study with Dr. Saul Colin, who coached such stars as Marlon Brando, Shelly Winters and Geraldine Page.

Any college girl who is officially registered at this school and in good standing, can enter the new contest. Classmates (young men or young women) can also nominate a girl to be an entrant. Mail the name of the nominee to the National College Queen Contest Committee in New York.

## 'Felix Krull', German Film, To Be Presented

The German film "Felix Krull" will be presented in the final program of the fall foreign film series Sunday at 2:30 and 7:30 p.m. at the Sequoia Theater.

The film, directed by Thomas Mann, features Horst Buchholz and is presented with sub-titles.

A film series for the spring semester is being planned because of the interest shown in the fall series, according to Dr. Thelwall Procter, coordinator of the program.

## Delta Sigma Dream Girl Candidates

BARBARA MAFFIA

MARY LOU ROBERTSON

KAREN McDONALD

The Delta Sigma Phi Fraternity Dream Girl contest will wrap-up this evening at the Baywood Golf and Country Club at the group's Fourth Annual Carnation Ball. The

three HSC co-eds left-to-right are Barbara Maffia, Mary Lou Robertson and Karen McDonald.
