

# 14 Schools Participate In Forestry Conclave

## LumberJack

HUMBOLDT STATE COLLEGE

Vol. XXXVI

ARCATA, CALIF., FRI., APRIL 26, 1963

No. 22

### Hilltop Calendar Of Coming Events

**TODAY**—Track, HSC vs. Cal Aggies at Redwood Bowl  
—Baseball, HSC at U.C. at Davis for doubleheader  
—I.A. Exhibit in Green and Gold Room  
—Forestry Conclave on Campus  
—Drama, Charley's Aunt opens in Sequoia Theater at 8:15  
—Golf, HSC hosts Chico State at Bayside  
—Swimming, FWC Championships  
**TOMORROW**—Forestry Conclave continues  
—Drama, Charley's Aunt continues  
High School business tournament on campus  
**SUNDAY**—Chamber Music  
**TUESDAY**—Track, HSC at Southern Oregon at Ashland  
**THURSDAY**—State college trustees meet on campus

### Foresters Depend On HSC Spurs

The Conclave, a meeting of forest-minded men, will be recorded for historic reference by women.

The HSC Spurs, the sophomore women's service organization, have been recording the discussion sessions, meetings and other important conclave data.

The HSC coeds are exercising their shorthand talents in acquiring reference notes for discussion summaries and for use in directing future conclaves. They will be using tape recorders in obtaining material.

The coeds demonstrated their diversified talents to the delegates and observers further by serving dinner Thursday night at the HSC cafeteria.

### Forestry Events

#### TODAY

8 a.m. — Field trip to G-P Big Lagoon operations.

Noon — Lunch at G-P Cafeteria.

Afternoon — tours of Pacific Lumber Co. of Scotia, PG&E atomic plant, Lazio's fish packing plant and lumber loading at Eureka docks.

6:30 p.m. — Banquet at Eureka Inn with speaker Charles Connaughton of USAF.

9:00 p.m. — Dance following banquet featuring Melodaires.

#### SATURDAY

8:30 a.m. — Various forest sporting events begin in Field House, open to public.

Noon — Lunch and presentation of events.

New faces have been seen on the HSC campus this week as visiting members of 14 western colleges attend the 12th Annual Conclave of the Association of Western Forestry Clubs.

The members of various college forestry clubs are gathered here for the first time as the HSC forestry club hosts the Conclave "in the Redwoods."

The club joined the AWFC in 1959, becoming the 10th member club.

Last year, the HSC contingent tied for first place in over-all competition with the host club, Montana State University.

#### Started in 1938

The AWFC was developed in 1938 at Montana State University as an organization of forestry clubs to promote the exchange of ideas among students in forestry. An annual conclave of member clubs was developed to facilitate this exchange of club programs, ideas, and problems.

Through the year contact is continued through three issues of the AWFC publication Trail Talks and various briefs.

The Conclaves were discontinued during the war and the Association apparently died out until the early 1950's when it was reactivated.

#### 65 Delegates

The conclave is attended by approximately 65 delegates from the 11 member schools: Oregon State University, University of Washington, Washington State University, University of British Columbia, University of Idaho, Montana State University, Utah State University, Colorado State University, Arizona State College at Flagstaff, University of Calif.-Berkeley, and HSC. The University of Arizona has been invited and may become the 12th member of the Association.

Bakersfield and Pasadena junior colleges will send students to attend as observers as they have expressed a desire to become associated members.

The visiting members are staying in Nelson Hall.

During the conclave the delegates will travel the county observing forest practice and operations.

#### Meetings

Discussion meetings during and after their trips will bring forest problems and advancements before the delegates in order to educate members on problems and ideas in different localities of the Western State.

Notable leaders of the forestry profession will be speaking throughout the conclave: "Woody" Metcalf, Professor University of Calif.-Berkeley; Gene Pickett, Forester, Cal-Pacific Redwood; Charles Connaughton, Regional For-

(Continued on Page 4)

## Senate To Debate HSC Athletic Policy

A report with a vital bearing on Humboldt State athletic policy—including participation in post-season games—is expected to be debated by the Academic Senate Thursday evening.

According to Dr. Ralph Roske, chairman of the Senate, the report was on the agenda for last night's meeting but was probably to be postponed because of lack of time.

Prepared by the Academic Senate Committee on Athletic Policy, the report makes recommendations on: the composition and membership of the groups which determine athletic policy, admission or reinstatement of student-athletes, sponsorship of the Thanksgiving Day Football Game, selection of the faculty representative to the Far Western Conference, and post-season athletic contests.

The committee, chaired by Dr. Jack Shaffer, recommends that the Senate Committee on Athletic Policy and the President's Athletic Advisory Committee be replaced by a single Athletic Advisory Committee.

Membership of the new group would be the Chairman of the Division of Health and P.E., the Director of Athletics, the Dean of Students, four faculty members of whom one must be the FWC representative, and two students.

Inclusion of students on a policy-making committee is expected to cause debate in the Senate. Strong opposition to such procedure has been voiced by several members during prior discussions.

In a statement concerning ad-

mission or reinstatement of student-athletes, the report says: "The application for admission or reinstatement, and resultant acceptance or rejection, shall be handled in the same manner as that of any other prospective student. There shall be no special intervention in behalf of the admission or reinstatement of the prospective student-athlete."

No mention is made of past special treatment for athletes, however.

The report continues that because sponsorship of a college activity by an outside organization may "create difficulties in the future," Kiwanis Club sponsorship of the Thanksgiving game should be "studied" by the new committee.

The committee also recommends that the FWC representative not be a member of the P.E. Department or the Department of Athletics.

The section on post-season contests, which comprises the bulk of the report, recommends that the Division of Health and P.E. be required to determine the advisability of taking part in such games, and report its findings to the new committee.

Items to be considered in deciding on a favorable or unfavorable recommendation, as listed in the report, include location, date, housing, financial agreement for team expenses, provision for total team participation if a team is the unit of competition, transportation,

favorable public relations and sponsoring organization.

"Absences from classes shall not be excessive," the report continues. More than five missed days of instruction shall be considered excessive, if the report is adopted without change.

Team members would vote on participation, upon a favorable recommendation by the Athletic Advisory Committee and the President. The vote would be purely consultative, however.

"No student enrolled in the related athletic course in Physical Education shall be compelled to participate in a post-season game as a part of his course assignment," the report says.

Student-athletes' academic pro-

grams would be a major consideration on participation in post-season games, as well.

"Should the participant, in the instructor's opinion, fail to make satisfactory advance arrangements or fail to complete the assignments satisfactorily, he risks failure in the course as does any student with excessive absences and uncompleted work."

The report concludes with the stipulation that membership in the FWC shall not be jeopardized by post-season play.

Members of the committee which drafted the report are Shaffer, Dr. John Borgerson, Dr. Joseph Forbes, Dr. Don Karshner, Dr. Lawrence Kerker, Dr. Giles Sinclair, Mr. Fred Telonicher and Mr. Henry Tropp.

## Lumberjack Outstanding Teacher Poll Starts, Ballots Due May 6

The Lumberjack today initiates a campus contest which will see students select the outstanding teacher at HSC.

A special ballot, published in the Lumberjack, is to be completed by May 6 and turned in at box 255A.

Rather than being a popularity contest, based on number of "votes," the contest will be judged on the reasons listed by students in choosing their favorite instructor.

The Lumberjack editorial staff will review the ballots and determine the winner. An award will be presented to the teacher who wins.

Duplicate awards will be granted in case of "ties." Likewise, if in the judges' opinion no teacher is rated outstanding by the students, no award will be presented.

### Lumberjack Outstanding Teacher Ballot

I nominate \_\_\_\_\_ as the outstanding teacher at Humboldt State. I have selected this teacher because:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Place completed ballots in student box 255A, by May 6.

### Poetry Contest Ends Wednesday

Manuscripts for the Dorothy Fish Kerr poetry contest will be accepted until Wednesday, according to Dr. Richard C. Day.

Dr. Day and other members of the English Department will take entries. A total of \$150 will be awarded to winners.

## Arts Festival Starts With Drama Next Week

Three weeks of concentrated art activity comprise this year's Festival of the Arts, which begins May 3 with the second run of Sequoia Masque's production of Charley's Aunt.

Other events on the Festival calendar include:

**CONCERT**, the Studio Band directed by Jerrold Moore, May 7.

**WATER BALLET**, "Syncopated Splash" May 10-11, College Natatorium.

**ART LECTURE**, Harold Paris, sculptor, University of California Berkeley.

**WORKSHOP**, current trends in Educational TV, May 17.

**CONCERT**, Lumberjack Concert Band, Sequoia Theater, May 17.

**DRAMA**, a series of one-act plays sponsored by Sequoia Masque, Studio Theater, May 16-21.

**CONCERT**, the Humboldt Symphony and Humboldt Chorale present Faure's "Requiem," Sequoia Theater, May 19.

**RECITAL**, Thomas Paul, bass, May 20.

**CONCERT**, Chamber Music group and college choir, May 26.

## Spurs' Annual Song Festival Next Thursday

To open Lumberjack Days Thursday, the Spurs are sponsoring a Spring Sing at 6:30 p.m. in Sequoia quad. As master of ceremonies, Rick Stromberg will introduce the various campus organizations who will present a unique rendition of a school song and a special selection of their own choice.

Those groups entered are: Delta Zeta, Tau Kappa Epsilon, Intercollegiate Knights, Tau Beta Sigma and Kappa Kappa Psi, the first, second, and third floors of Sunset Hall, Boot and Blister, Spurs, and last year's winner, Mu Epsilon Psi.

The judging will be based on quality, originality, presentation, and group participation. A perpetual engraved cup will be presented to the winner. Should any one group win three consecutive times it would retain the cup permanently.

## HSC Education Professor To Attend Confab

Dr. Harry L. Griffith, Professor of Education, Humboldt State College, will serve as a discussion group recorder at the second annual California Conference on Higher Education, according to Dr. Frederic W. Hile, higher education executive of the California Teachers Association (CTA).

The conference, to be held May 3-4 at the Thunderbird Hotel, Millbrae, and the Conference Center, CTA State Headquarters building, Burlingame, will feature nationally-known speakers, Dr. Hile said.

Dr. Griffith is one of 60 members of the conference leadership team.

Theme of the two-day meeting will be "Higher Education and the Dignity of Man."

Conference delegates, representing the State College System, junior colleges, the University of California, independent colleges and private industry, will consider the effects of automation, unemployment, technology and science on the humanities and higher education in general.

The conference is sponsored by the CTA Commission on Higher Education.

## Seniors Plan Dinner-Dance

Tickets will be on sale soon for a Senior Class dinner-dance at the American Legion hall in Arcata May 11.

Seniors and their guests will gather from 7 to 12 p.m. for the affair. Tickets will be sold for 50 cents each.

## 'Charley's Aunt' Starts Tonight

Dear old aunty from Brazil" fondles "her" two young friends, Amy Spettigue (Kathy Brown, left) and Kitty Verdun (Daryle Lindley, right). The girls are still unaware that Charley's Aunt (Bill Thompson, center) is in reality a male.

Described as "the epic farce of the 19th century," Brandon Thomas' "Charley's Aunt" opens tonight in Sequoia Theater at 8:30 p.m.

The Sequoia Masque production directed by Mr. George Goodrich features Ivan Arnold in the leading role of Charley Wykeham.

Additional presentations will be made Saturday night and next Friday and Saturday.

Written by Thomas, a playwright and journalist of the Shaw school, the play is an acid, if humorous, critique of the styles, manners and morals of Victorianism.

With the coming of the 1900's the play went on to become one of the most successful and lasting farces of the 20th century.

The story centers around two college students, Charles Wykeham (Ivan Arnold) and Jack Chesney (Jeff Davis).

Other members of the cast include Don Jacobsen as Stephen Spettigue, Kathy Brown as Amy Spettigue, Michael Glimpse as Sir Francis Chesney, Don Christian as Brasset, Linda Dungan as Donna Lucia, Daryle Lindley as Kitty Verdun and Bill Thompson as Fancourt.

Jack Chesney (Jeff Davis, left) plots with their chaperone-to-be, Fancourt (Bill Thompson, center). Charles Wykeham (Ivan Arnold) observes and makes plans for Amy and Kitty.

## Welcome Offered AWFC Delegates

Dr. Edward E. Sturgeon, Forestry Coordinator, welcomed the AWFC delegates with the following message:

On behalf of the faculty of the Forestry Department, Humboldt State College, I look forward to welcoming you to the annual convocation of the AWFC. The members of the forestry staff and I will be very willing to meet you and answer questions for you.

The members of the HSC Forestry Club are pleased to be your hosts and have planned a challenging program for your participation. They will provide you the opportunity to visit wood-using and other industries of the area, representative forest stands of the

North Coast Region and the logging shows attendant to these timber stands.

May your experiences be commensurate with your highest expectations.

**End of a Tradition**—The beloved and venerated Activities Log began to disappear this week, as revealed by this exclusive Lumberjack photo. The cutting was reported to be work of the Chainsawing 1A class, but this was denied by school authorities. Rumors of a "Ban the Slice" march have been heard, as well.

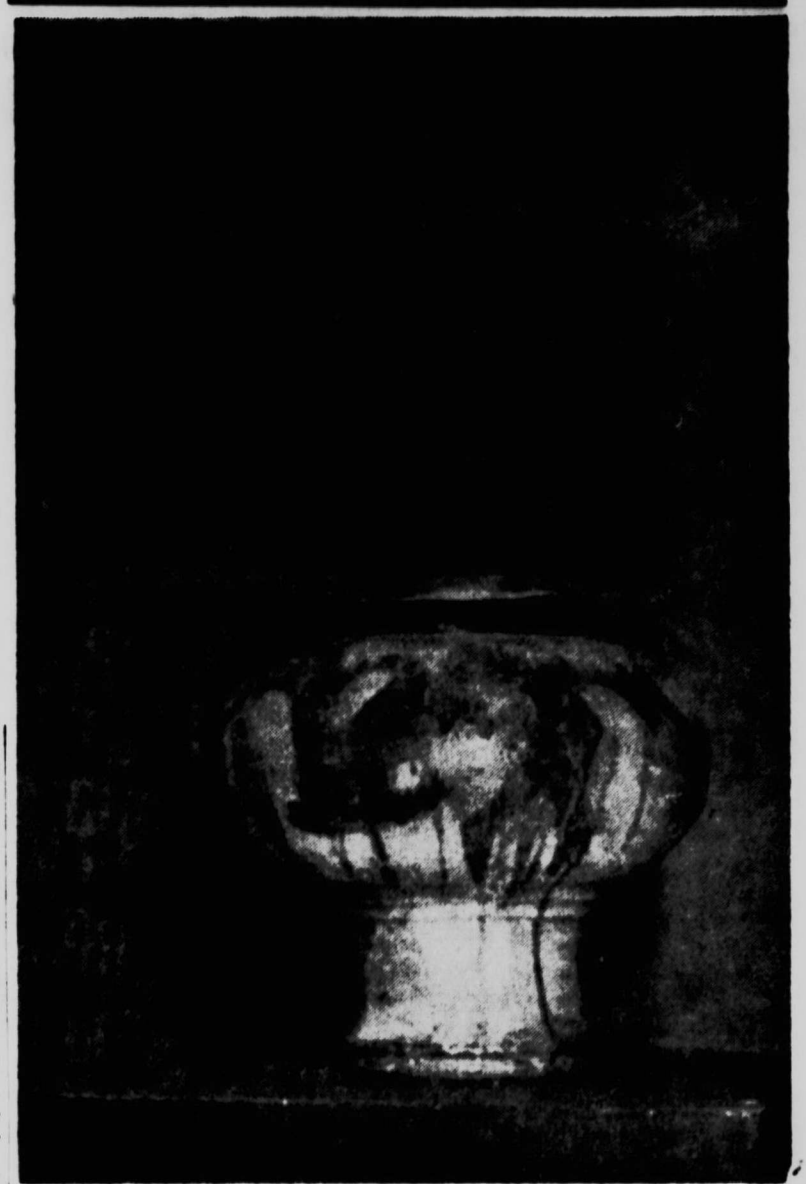

## Prize Winning Crafts Display Now Showing

Currently on display in the gallery of the Art Building is a collection of jewelry, cloth and pottery by six artists who have won state and national competitions and are members of the Designer Craftsmen of California.

The artists are Bob Dhasmers, jeweler; Bruce Anderson, Roy Walker, Win Ng, pottery; Ida Dean Grae and Margery Anderson; weavers.

On Tuesday at 4 p.m. an open house will be held. The display will show until May 3.

Pottery, jewelry and textiles are on display in the Art Building until next Friday.

**WORK in  
EUROPE**

**MORE TRAVEL GRANTS**

Apr. 19, 1963—The American Student Information Service, the only authorized placement service for American students seeking summer jobs in Europe, has increased from 1500 to 2000 the number of travel grants it will award students applying for positions in Europe.

Job openings now available in Europe include positions at factories, resorts, hospitals, farms, summer camps and in offices. Applications are received until May 31.

Interested students may write (naming your school) to Dept. H, ASIS, 22 Ave. de la Liberte, Luxembourg City, Grand Duchy of Luxembourg, for a 20-page prospectus, a complete job selection and application. Send \$1 for the prospectus, handling and an air-mail reply.

The first 5000 inquiries receive a \$1 premium for the new student travel book, Earn, Learn and Travel in Europe.

## 17 Earn 4.0 GPAs, Top 108 on President's List

Seventeen Humboldt State students earned 4.0 grade point averages last semester to head a list of 108 who made the Fall 1962 President's List.

Education-Psychology students were the most numerous with 27 being named. The Physical Science Division placed 14 students on the list, Natural Resources had 11, while the Business, Language Arts and Social Science each had 10. Others listed were Fine and Applied Arts with 8, General Studies with 5, Health and Physical Education with 4 and Biological Science with 3. Elementary Education majors accounted for 25 students which made up the Education-Psychology tally.

Seniors named to the 4.0 list include: Glendel W. Atkinson, Dennis M. Cavallo, Clyde A. Hendrick, Stanley M. Hughes, Donna L. Larson, Joseph R. Mitchell, and Margaret N. Rice.

Juniors on the list include: Vonna T. Dooley, Roderick C. Drewien, Michael G. Kruse, Don McCrea, Karen L. McFarland and Richard C. Orr. Sophomore students include: Patricia S. Anderson, Michael J. Ross and Shirley M. Slagle while Roger G. Barisdale is the lone freshman.

The student's named on the President's List are undergraduates who earned an index of 3.50 or better in 12 or more units of work

during the fall semester. All courses are evaluated with letter grades and students who receive either an "F" or an "Incomplete" are ineligible. Complete lists are located on bulletin boards throughout the campus.

## AWS Meeting Slated May 9, Founders Hall

All HSC women are invited and urged to attend an Associated Women Students meeting May 9 at 7:30 p.m. in Founders Hall Auditorium, according to AWS President Lois Johnson.

Nominations of officers for the 1963-64 school year will be conducted at the meeting. Elections are to be held the following week in the Cafeteria.

Women eligible for office are those who have assisted in any AWS sponsored activities—Women's Day, Mothers' Day Tea, or the Big and Little Sister Party.

Entertainment will be provided and refreshments will be served.

## Women May Be 'Big Sisters'

Humboldt State women have an opportunity to become "big sisters" to incoming freshmen, according to Big and Little Sister Party chairman Virginia Snyder.

Women may sign up in the gym or in Sunset Hall for the program. Duties of those in the activity are to write their "little sisters" during summer vacation and answer questions about HSC, and to meet the new students in the fall.

A party will be held Sept. 18 for formal introduction of the "sisters."

## Civil Conflict Erupts Among Men's Groups

Growing unrest between men's clubs on campus was indicated this weekend when three Intercollegiate Knights "borrowed" the Tau Kappa Epsilon bell, and returned it Monday night at a TKE meeting. The bell weighs 300 pounds.

Saturday night the IK's entered the TKE house unobserved and carried away the TKE bell. At the time of the theft, the TKE's were attending their annual Corinthian Ball at the Baywood Country Club.

According to a female accomplice of the IK's, the IK's parked their car in front of the house, waited for a TKE member to leave, and then walked in and carried the bell to an unidentified truck. The bell was safely taken to a hiding place until its return.

## Philip Hanson to Stage Huckleberry Finn Sunday

Philip Hanson, well known popular "company-of-one" presents his latest one-man show, the beloved "Huckleberry Finn" Sunday in Sequoia Theater.

Hanson, hailed from coast to coast as a master story-teller, will play all the characters, including Huck, Tom Sawyer, Jim the runaway slave, the "King," the "Duke," and the "tormentin' women."

Pop, Huck's father, appears late at night to see if his boy has really learned to read . . . a fate worse than death.

The Twain classic, a blend of humor and nostalgia, will have its musical moments when Jim croons "Noah's Dove" and Mr. Hanson's own composition "Lonesome River."

Huckleberry Finn, premiering at

HSC, is the seventh show in Hanson's one-man repertoire which has been winning international recognition and acclaim.

Tickets may be purchased at Sequoia Theater box office from 1 to 4 p.m. ASB and HSC faculty 75 cents - other adults \$1.50.

## Fall Semester Events Started

Plans for the 1963 Dad's Day and Homecoming got underway this week. Chairman for Dad's Day is Sheryl Waits. Chairman for Homecoming is Lucy Santino.

The committees for the social activities will be meeting each week for the remainder of the semester in order to make plans for the events.

Any student interested in working on either of the committees should contact the chairman of the activities advisor, Art Dalianes.

**PATRONIZE OUR  
ADVERTISERS!**

## UC Historian Speaks Monday

Dr. Armin Rappaport, University of California Professor of History, will speak on "Problems of Latin America for the USA" Monday in the Founders Hall Auditorium.

Dr. Rappaport's talk will be at 1 p.m. He was originally scheduled to speak Tuesday.

The California historian was at HSC last semester to discuss the European Economic Community (Common Market).

# Entry to HSC to Get Tougher

By TOM LAHNERS

Every year college enrollments are getting tougher. Humboldt State College reflects this growth and change.

This school year saw a record enrollment here. According to Robert A. Anderson, Dean of Admissions, 45% of all high school graduates in the state were eligible for admission to college in the fall of 1962. In the fall semester of 1963, however, 39% of all high school graduates will be admissible. Shortly this percentage will be reduced to 33 1/3%.

He said the Registrar's office conducted a study of the freshmen students who applied and were admitted this year. Of those students, nine percent would not be admissible under the new regulations and in 1964, sixteen percent would be inadmissible.

The Donahoe Act, on which the

new requirements are based, aims to increase entrance requirements to the point where only one-third of all high school graduates will be eligible for college entrance. The state sub-committee on Freshman Admission Requirements is now engaged in a study to determine what the college entrance standards should be in order to cut down to the 33 1/3%. The target date for the new requirements is the fall semester of 1964.

Under the new requirements next fall, the high school graduate must have 14 semester grades of "A" or "B" in college preparatory work. If failing in this the aspiring freshman can qualify with 10 semester grades of "A" or "B" work in courses other than college preparatory. In addition he must rank in the 30th percentile or better in a national college entrance examination.

A composite score of 810 or more

in the Scholastic Aptitude Test (S.A.T.) satisfies this requirement. All entering students must take

## Deseret Meet Draws Locals

Three students represented HSC at a Spring Festival for Deseret Clubs from 26 Northern California-Western Nevada colleges and universities last month in Sacramento.

Deseret Club president Peter Cookson was accompanied by Bart and Sharon Holmes to the all-day Saturday conference where Brigham Young University vice president William E. Berret spoke.

The meeting with more than 350 present was followed by a steak dinner, talent program, and dance in the American River State Center.

this test.

All present indications are for more college preparatory courses in high school, higher college entrance test scores, and tougher admission requirements. Dean Anderson further stated, "Although the requirements for college are being increased, the door to high-

er education is not being closed to the high school student."

He said, "The student has the junior college open to him if he fails to realize his potential in high school." After attending junior college for two years, the student can transfer to the four-year college with a "C" or better average.

## Forensics Team Places Second In Nevada Meet

The Humboldt State College forensics team tied for second place at the Nevada Great Western Forensics Tournament held Apr. 5-6.

The tournament was a closed invitational event and only two teams from each college were allowed to participate. 38 colleges and universities from the nine western states were represented.

HSC tied with Stanford, Long Beach State College and Santa Clara. The University of Oregon was the sole undefeated team and won the tournament.

The two teams that represented Humboldt were Larry Hines and Jack Turner, and Michael Palmer and Gary Anderson.

This was the seventh intercol-

legiate speech tournament that Humboldt has participated in this year.

## Knights to Run Used Book Shop

The HSC Intercollegiate Knights are planning to operate a used book agency in the CAC next fall, and have been granted Student Council approval of the activity.

Used books will be taken on consignment from students and local residents. The owner will set a price. If the book is sold the IKs will take 10 per cent of the money, giving the former owner 90 per cent.

Books that are not sold will be returned at the end of the semester.

## Peter, Paul & Mary May Sing Here Next Month

The Student Council approved a price request Tuesday night which will enable Peter, Paul and Mary, famed folksinging group, to appear on campus next month.

The trio will probably appear May 20 in the HSC gym. The Eureka Municipal Auditorium may be used, however, because of its greater seating capacity.

Peter, Paul and Mary require \$3,500 for an appearance. The ASB will provide half of whatever the gate receipts lack toward that amount.

Prices for the performance will be \$2 with ASB card, \$2.50 for high school students, and \$3 for adults and those without cards.

### Band Trip

The Council, in approving another Board of Finance recommendation went on record as permitting the HSC band to use \$3,000 from its 1963-64 and 1964-65 budgets for a trip to Hawaii.

A total of \$12,000 will be needed for the trip to the HSC-Hawaii football game. Along with the \$3,000 from the band budget, funds will come from: \$3,000 provided by band members, \$3,000 from outside donations, and \$3,000 from band projects and/or ASB assistance.

The figures are tentative. The Council's action Tuesday was limited to approving the \$3,000 from the two year's budgets for the trip.

The Council also voted to hold a "retreat" at Benbow Inn May 25-26, for old and new ASB officers. A figure of \$500 was quoted as necessary for the weekend but Graduate Manager Howard Goodwin expects to obtain a lower rate.

Several Council members were in opposition to spending a large amount of money for the trip, and stated that they would not attend if \$500 were spent.

The Council also approved prices of 50 cents with ASB card and \$1 without for a Stanford band concert May 10.

The Council also:

Voted to allow Publications Commissioner Martha Gabriel to select articles for the Council Comment newsletter. Persons not on the Council will be allowed to submit articles.

### 4.0 Recognition

Asked Awards Commissioner Joe Forbes to investigate awarding students with 4.0 grade point marks special recognition.

Set May 24 as tryout date for song queens and cheerleaders, after a recommendation to that effect by Rally Commissioner Pat Plessas. Candidates must have a 2.0 GPA to try out and serve.

Named Ed Jesson as Representative-at-Large to replace Glen Dreher, who has left school. ASB President Jack Moore made the recommendation.

Nominated John Curry, Jesson, and incumbents Gerald Hansen and Bill Wagner as candidates for Lumberjack Enterprises Board of Directors members. The Board will select two of the nominees.

Appointed Redwood Hall pres-

ident Dave Cottrell and Sunset Hall prexy Linda Pinion to the Housing Committee.

Named Dick Spadoni and Jane Spaid to the summer Parking Committee.

## Nominees For ASB Offices As of Tuesday

Eight students had filed nomination petitions for ASB offices as of 5 p.m. Tuesday, according to Activities Adviser Art Dalanes.

Nominees at that time included: President — Jack Turner, Vice President — Delores Johnson, Activities Commissioner — Julie Fulkerson, Organizations Commissioner — Don Mosely, Assemblies Commissioner — Neale Ann Barnes, Secretary — Sheryl Waits, Publications Commissioner — Dale Potts, and Treasurer — Alvin Spears.

Election of officers will be Tuesday and Wednesday, May 7 and 8. A runoff election will be held May 9 if necessary.

Petitions for nomination are available in the Activities Office in the CAC, and should be turned in by 5 p.m. Monday.

A 2.0 grade point average is required for nomination, election and holding of office.

### DEADLINE APRIL 30

Deadline for application to the Study Abroad Program of the California State Colleges has been postponed until Tuesday, according to Dr. Frank Wood, HSC coordinator of the program.

## Students May Work, Travel In Germany

Students interested in a Lufthansa German Airlines program for travel, education and work in Germany this summer should contact Test Officer James Cunningham today. Deadline for application to the program is Wednesday.

Temporary employment for American students may now be secured through Lufthansa and the Central Bureau for Employment Assistance.

Men may obtain jobs as unskilled workers and helpers on farms, in trade and commerce, on construction sites, in restaurants and hotels.

Women may work on farms, in industry such as textiles, metal and foods, in restaurants, hotels, homes for the aged, and other areas.

## Forestry

(Continued From Page 1)

ester-Reg. 5; and speakers from the HSC forestry faculty.

Field events will bring the members together in physical competition. Forest sporting events similar to those of Lumberjacks days and academic knowledge tests will draw the conclave to a close.

The finishing highlight will be the presentation of awards at the bean feed presented by the HSC forestry club.

The HSC club will send five delegates into competition against visiting delegates. The representatives are: Bill Imboden, Ted Stubblefield, Bob Clayton, Carl Wolf, and Ron Gillespie.

Clayton and Wolf are returning delegates of last year's first place team.

The officers for the conclave include AWFC president Bob Adams, vice president Bob Clayton, secretary Brian Kennear, and treasurer Skip Howard; all HSC students.

## Summer School Bulletins Ready

"Summer Session isn't just a teacher-training institute," said Dr. Ivan Milhous, HSC Dean of Extended Services last week, "but also offers excellent general education opportunities for continuing students in other fields and for entering freshmen who wish to get a flying start on their educational careers."

Dr. Milhous made the statement in connection with the publication of Humboldt State's 1963 Summer Session Bulletin, newly off the presses and ready for distribution. The bulletin lists over 100 courses and workshops of which 27 meet general education requirements.

The attractive green and gold bulletin, of which 3,500 copies were printed, utilizes the official 50th anniversary motif and offers as its slogan, "Enjoy the summer of study and recreation in the cool green redwood empire region."

Copies of the bulletin are being sent to all high schools in Humboldt, Del Norte, Trinity, and northern Mendocino counties, to all colleges and universities in the state system, and are available in room 111 at HSC or by mail upon request.

### No Registration

"We're trying two interesting and helpful innovations this summer," Dr. Milhous said. "The bulletin lists classes by hour given instead of under the division in which the course is offered, and there won't be any registration lines or any registration day as such."

Classes, he pointed out, are listed in such a way that all classes offered at 8 a.m. are listed together, followed by all classes at 9 a.m., and so on. "Registration lines have been eliminated by having instruction start on opening day," he said, "and the student merely goes to the classes he's chosen and picks

up the course card there." Fees may be paid at any time during the first two days of instruction. Dr. Milhous stated that on the

basis of previous summer school enrollment, he expected between 700 and 800 students at the 1963 session.

Summer Session is scheduled for June 24 to Aug. 2, with commencement for graduating seniors set for Thursday, Aug. 1. Dr. A. D. Graves, a former HSC faculty member, and most recently Acting President at Los Angeles State College, has been selected as the commencement speaker.

A post-session will offer seven special workshops and conferences including two National Science Foundation Institutes, one for high school students and one for high school teachers.

### KHSC HIGHLIGHTS

**LADY BOOKWORM**—Hostess Dee Johnson narrates this new series featuring a simple half hour reading of Mrs. Margaret Merrill's autobiography "Bears in my Kitchen." A McGraw Hill publication, the story deals with the life of a forest ranger's family in the high country.

### LITTLE MAN ON CAMPUS

"HELLO, LOUISE? WOULD YOU MIND PULLIN' YEE SHADES?— I GOT AN 8-O'CLOCK CLASS TOMORROW."

## Successful HSC Career Goal of Fall Frosh Camp

Orientation of transfer students and new freshmen is an additional aid in promoting good student personal associations and success in college life at Humboldt State, according to Frosh Camp director Chuck Freitas.

One form of this aid is Frosh Camp, a fun-filled and informative program of counselors aiding and directing new students and the local area.

Frosh Camp helps new students become a part of our campus and helps freshmen make an easy and successful transition from high school to college.

The camp is held on campus and at local recreational areas combining educational facts and assistance with a diversified social program.

Small informal discussion groups led by student counselors stress education through topics such as school customs, traditions, registering effective study, dating, student government, campus organizations and others.

Another major aspect of frosh camp is the social program. Activities include campfires, skits, rallies, dancing, sports, assemblies and a camper party. These activities help the new student become acquainted with our campus, other stu-

It is an informal program at a very minimum cost. All transportation, living accommodations, and meals during frosh camp are provided. Counselors and campers live in Redwood and Sunset Halls.

Frosh camp for the coming fall semester will be Sept. 6 and 7 with counselors meeting at noon Sept. 5.

Meetings for planning and programming the camp begin the week after Easter vacation and following weekly until Dead Week.

The steering committee for frosh camp include chairman Freitas, Martha Gabriel, Rich Hale and Marilee Starkey with advisors Jim Cunningham and Dr. Ned Girard.

Qualifications for counselors include a 2.0 grade point average, availability for frosh camp dates and the weekly counselor meetings.

Applications may be filled in Room 215, Testing and Counseling, in the Administration Building.

## Spring Semester Pledge Class Announced by DZs

Zeta Iota Chapter of Delta Zeta Sorority has announced its pledge class for the Spring of 1963. Recent pledging ceremonies at the chapter house brought the pledge class to 18, one of the largest in the chapter's history.

The pledges, being guided by Pledge Trainer Belinda Thompson, are: Neal Ann Barnes, Fortuna; Kathy Clary, Trinidad; Linda Edwards, Eureka; Martha Gabriel, Arcata; Lee Ann Geiger, Eureka; Judy Ghera, Arcata; Pat Graves, Arcata.

Sally Hunter, Arcata; Connie Kirkby, Eureka; Vicky Krosch, Bayside; Pat Plessas, Arcata; Michele Pritchett, Corte Madera; Martha Roberts, Arcata; Roberta Sturman, Lafayette; Marie Unruh, Arcata; Judy Vulich, Eureka; Sherryl Waits, Samoa; Paula Will, Eureka.

Neal Ann Barnes, junior mathematics major, has been elected

president of the pledge class and will be assisted by Sherryl Waits as secretary-treasurer and Martha Roberts as song leader.

New Delta Zeta Sorority pledges were treated to breakfast at 10 a.m. As part of the actives' welcoming to the sisterhood, the pledges were prodded out of bed, tucked into coats and slippers, and taken to the chapter house for a pancake breakfast at 6:00. Songs and yawns rounded out the party.

here is a book  
that is  
helping us  
to  
think  
clearly

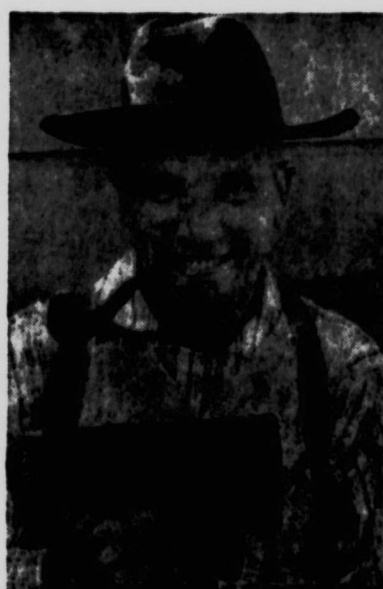

In these troublesome times it takes some doing to keep one's perspective—to appraise world conditions with intelligence—and to come up with satisfying answers. This book, Science and Health with Key to the Scriptures by Mary Baker Eddy, has helped many of us to do this. It can help you, too.

We invite you to come to our meetings and to hear how we are working out our problems through applying the truths of Christian Science.

test is sponsored by the Student Wives. Entries here are (left to right) Jim Music, Lynwood Carranco, Kate Buchanan and Dr. Rudolph Becking. Other entries are expected.

## Frietas Wins Bowlathon

The fight against muscular dystrophy triumphed this weekend to the tune of nearly \$75 as two HSC students lasted 29 hours in a bowling marathon.

Chuck Frietas, from the sponsoring Delta Sigma Phi fraternity, took the contest in the wee hours of Sunday morning when challenger Intercollegiate Knight Vern Moyer conceded.

The pair started bowling at 10 p.m. Friday and continued until 3 a.m. Sunday as Frietas racked up 169 games to Moyer's 160. Donations for the Muscular Dystrophy Fund were made by local merchants during the marathon.

## Spikers Lose To Hornets; Host Aggies Tomorrow

Humboldt State's track team hosts its second straight dual meet, however tomorrow afternoon at 1:30 p.m. there is a big difference. The difference being that the Lumberjacks have a good chance of defeating the Cal Aggies.

Coach Frank Van Deren's team will probably be without the services of ace sprinter Ron Remington, who pulled a leg muscle against Sacramento State.

Humboldt had very few bright spots in dropping a one-sided 114-31 decision to Sacramento State.

## Errors Plague Hornet Nine

The usually powerful Sacramento State baseball team continues to struggle through the 1963 season.

The Hornets split a doubleheader Tuesday against San Jose State and suffered the embarrassment of committing 10 errors for a day of work.

San Jose won the first game with ease when the Spartans' Jim Viser pitched a no hitter. Viser has been San Jose's ace all year long. Hornet pitcher Ross Stone saved coach Cal Boyes team a day of complete frustration when he pitched a one hitter in the nightcap for a 4-0 victory.

The Lumberjacks will face Sacramento State here on Wednesday, May 15 in a Far Western Conference doubleheader. When the two teams met last season the Hornets captured both games.

The Sacramento hitting attack is led by all-FWC performer Tom Pugliese. The chunky first sacker is also a letterman in basketball.

The Aggies lost to the Hornets by a similar score.

Fred Cross finished just third in the 330-yard intermediate hurdles, however the first-year track man set a new HSC record with a 40.5 clocking. The visitors Chuck Maurer won the race in 39.7 for a new stadium record. Maurer also garnered the 120-yard high hurdles in 15.0.

The 'Jacks' Wendell Hays won his specialty, the shot put, by heaving the 16-pound iron ball 49' 3". Hays had a rough time beating Don Biage, who had a foul put further than the winning distance. Wendell also placed a surprise second in the high jump and took third in the discus.

Sacramento's John Kaiser scored an easy 10.0 and 22.4 sweep of the sprints. Teammate Bob Lazark, also noted for his football ability,

got a second in each race with HSC freshman Darian Houpt finishing third.

A pair of sophomores gained second places for Humboldt in the 880-yard, the triple jump and the broad jump. Half miler Bruce Lempke started fast and then hung on for second behind Dennis Davidson, who won the event in 2:00.1. Tom Farmer got off a good triple leap of 42' 9", only an inch off Bill Crichton's college record. Farmer finished behind Maurer in the broad jump, who was completing his neat triple for the day. Reggie Carnahan broke the Redwood Bowl mark for the triple jump by reaching 43' 4".

Lumberjack distance runner Bill Ferlatte finished third in both the mile and two mile. Freshman pole vaulter Larry Miller also took third, missing narrowly at 13 feet which turned out to be the winning height.

## Gators, Aggies Split Twin Bill

San Francisco State remained atop the Far Western Conference baseball standings by splitting a doubleheader with the Cal Aggies.

The Gators won the first game 4-1 in 10 innings behind the pitching of Terry Chirstman, however the Mustangs bounced back to capture the nightcap, 6-4.

## HSC Places In Speech Event

In the National Discussion Contest, the Humboldt State speech department placed 10th in the finals. In this contest 33 colleges and universities competed against one another via tape recordings.

The team was composed of Bob Garzee, chairman; John Curry, Larry Hines and Mike Palmer.

All entries were on tape recordings and were sent to the judges.

## 'Jacks Hope To Beat Cal Aggies, Weather

By RON KUNSTAL  
Sports Writer

The Humboldt State baseball team will attempt to get in its first baseball game since mid-Easter week tomorrow when it tangles twice with the Cal Aggies at 1 p.m. on the Davis diamond.

The 'Jacks who have been plagued with weather problems all season are hopefully waiting for a chance to play a conference tilt. According to statistics, only two games have been played in the Far Western Conference to date. San Francisco State upended Chico State in a doubleheader.

Humboldt ran into a snow flurry in Reno last weekend and was forced to cancel a doubleheader with the University of Nevada while all other conference teams faced the same consequences. According to Jack coach Ced Kinzer, games that are cancelled on road

trips are not made up with the exception of games that may have a bearing on the title.

Kinzer is keeping in contact with the Nevada school so that a possible makeup can be made. A rained out series with the Sacramento State Hornets has been rescheduled for Wednesday, May 15 at 1 p.m. on the Humboldt State diamond. The only remaining home encounter will be a doubleheader with the Chico State Wildcats on Friday, May 3.

The Aggies are a much improved team over last year and have been playing games with Stanford, University of California and the University of Santa Clara. The 'Jacks, who will start a reshuffled lineup, are led by leftfielder Tom DiMercurio who during the Easter road trip upped his batting average to over the .300 mark. DiMercurio led the 'Jacks last year with a .352 average. On the Bay Area Easter trip the 'Jacks won one game, a 3-2 decision over the University of San Francisco Dons. In the two games with the Dons the 'Jacks committed only one error, solving a problem which plagued the team earlier in the season.

Along with the missing of ball games the 'Jacks have also lost three top ball players in second basemen Ted Snapp and Jim Bonomini and pitcher Mike Thurber. Snapp suffered a broken jaw several weeks ago and has not been declared ready for action while Bonomini suffered a severely cut arm in a recent accident. Thurber who pitched well on the Easter trip has reportedly dropped out of school.

Kinzer will start veterans Larry Taylor and Tom Leitz in the Aggie pair and will also count on Ron Stammer and Jay Dickinson for relief roles. Dickinson picked up the University of San Francisco win after relieving Thurber, while Leitz pitched a good game against Stanford although losing, 3-0.

The following players will make the Davis trip: Ralph Mayo, first base; Monty Feeles, second base; Joe Taylor, third base; Gary Owens, shortstop; DiMercurio, leftfield; Dave Minor, centerfield; Gary Mayes, rightfield; Frank West and Scott Clow, catchers.

## Finmen in FWC Meet at Chico State

A seven man Lumberjack swim squad is in Chico today competing in the second day of the Far Western Conference meet being held at the Chico State Natatorium.

The Humboldt squad led by freshman Robbie Wigand competed in the 500-yard freestyle, 50-yard freestyle and the 400-yard medley relay yesterday while they will compete in the 200 yard butterfly and 200 yard freestyle today. The three-day affair will conclude tomorrow with the finals in the 100-yard freestyle, 100-yard backstroke, 100-yard breaststroke, 1650-yard freestyle, 100-yard butterfly and the 400-yard freestyle relay.

Six schools were scheduled to compete in the meet headed by defending champion San Francisco State College. Humboldt State has scored one dual meet victory this year, that being over Sonoma State. Losses have come at the expense of San Francisco, Chico State and the Cal Aggies. The most recent loss was by 57-34 count to the Aggies who were much more heavily favored. No school records were set at this meet as the weather hampered the swimmers in the outdoor pool.

Other schools competing are Chico, Davis, Sacramento, and Sonoma. Each school can enter four men in each event with time trials being in the afternoon. Humboldt State with its five freshmen and two veteran entries will have: Jim Cramer in the 50 and 100 free and the 400 freestyle relay;

Jeff Ellis in the 200 and 400 individual medley, and 1650 free; Harry Hemsley in the 100 and 200 free, 400 medley relay and the 400 freestyle relay; Kent Johnson in the 200 individual medley, 400 medley relay and 100 breast; Vince Lu-

cido, in the 200 individual, 400 medley relay, 100 back, and 400 freestyle relay; Dan O'Brien in the 100 and 200 free and 400 freestyle relay; and Robbie Wigand in the 200 and 500 free, 200 butterfly and the 400 medley relay.

**On Campus** with Max Shulman  
(Author of "I Was a Teen-age Dwarf", "The Many Loves of Dobie Gillis", etc.)

### HAPPY TALK

As we all know, conversation is terribly important on a date. When lulls in the conversation run longer than an hour or two, one's partner is inclined to grow logy—even sullen. But occasionally one finds it difficult to keep the talk going, especially when one is having a first date with one. What, then, does one do?

If one is wise, one follows the brilliant example of Harlow Thurlow.

Harlow Thurlow prepares. That is his simple secret. When Harlow is going to take out a new girl, he makes sure in advance that the conversation will not languish. Before the date, he goes to the library and reads all 24 volumes of the encyclopedia and transcribes their contents on his cuffs. Thus he makes sure that no matter what his date's interests are, he will have ample material to keep the conversation alive.

Take, for example, Harlow's first date with Priscilla de Gasser, a fine, strapping, blue-eyed broth of a girl, lavishly constructed and rosy as the dawn.

Harlow was, as always, prepared when he called for Priscilla, and, as always, he did not start to converse immediately. First he took her to dinner because, as everyone knows, it is useless to try to make conversation with an unfed coed. Her attention span is negligible. Also, her stomach rumbles so loud it is difficult to make yourself heard.

*"Wash your cuffs and be my love!"*

So he took her to a fine steak house where he stoked her with goblets of Black Angus and mounds of French fries and thickets of escarole and battalions of petit fours. Then, at last, dinner was over and the waiter brought two finger bowls.

"I hope you enjoyed your dinner, my dear," said Harlow, dipping into his finger bowl.

"Oh, it was grandly-dandy!" said Priscilla. "Now let's go someplace for ribs."

"Later, perhaps," said Harlow. "But right now, I thought we might have a conversation."

"Oh, goody, goody, two-shoes!" cried Priscilla. "I been looking everywhere for a boy who can carry on a intelligent conversation."

"Your search is ended, madam," said Harlow, and pulled back his sleeves and looked at his cuffs to pick a likely topic to start the conversation.

Oh, woe! Oh, lackaday! Those cuffs on which Harlow had painstakingly transcribed so many facts—those cuffs on which he had noted such diverse and fascinating information—those cuffs, I say, were nothing now but a big, blue blur! For Harlow—poor Harlow!—splashing around in the finger bowl, had gotten his cuffs wet and the ink had run and not one word was legible! And Harlow—poor Harlow!—looked upon his cuffs and broke out in a night sweat and fell dumb.

"I must say," said Priscilla after several silent hours, "that you are a very dull fellow. I'm leaving."

With that she flounced away and poor Harlow was too crushed to protest. Sadly he sat and sadly lit a cigarette.

All of a sudden Priscilla came rushing back. "Was that," she asked, "a Marlboro you just lit?"

"Yes," said Harlow.

"Then you are not a dull fellow," she cried, and sprang into his lap. "You are bright! Anybody is bright to smoke such a perfect joy of a cigarette as Marlboro which is just chock full of yummy flavor, which has a Selectate filter which comes in a soft pack that is really soft, and a Flip-Top Box that really flips, and which can be bought wherever cigarettes are sold in all fifty states and Duluth . . . Harlow, tiger, wash your cuffs and be my love."

"Okay," said Harlow, and did, and was.

© 1962 Max Shulman

The makers of Marlboro cigarettes, who print this column at hideous expense throughout the school year, are very happy for Harlow—and for all the rest of you who have discovered the pleasures of Marlboro.

## Golfers Lose Close Match

The winless Lumberjack golf team is set to host a strong Nevada University squad tomorrow at the Bayside links.

Humboldt's best chance for victory so far this season went down the drain when Alameda State edged the 'Jacks 8-7 in a match also contested at Bayside.

Alameda gained its victory by virtue of an 8-1 edge built up in the first three matches. Don Harling, HSC's number one man, lost 2-1 to Allan Boscacci, who fired a 39-39 for a 78. Harling was just one stroke back with a 79 after firing a fine 35 on the back nine.

Humboldt's second man Dick Visser shot an 80, but was handily beaten by Fred Springer's 75.

Springer's three over-par round was good for the day's medalist honors.

In other matches third man Jeff Ziegler lost a close two-stroke decision to Rod Kipp, while Lumberjacks Danny Sousa and Curt Cooper were both victorious. Sousa finished with an 85 to beat Chuck Robertson by seven strokes and Cooper shot a 96 to defeat Terry Peterson (98) in another tight match.

### JUNIOR JACKS WIN

The Junior Jack baseball team exploded for 10 runs in the fourth inning in route to their tenth straight victory, a 10-3 rout of Eureka High.

## Books . . .

### LITTLE ME

The Intimate Memoirs of that Great Star of Stage, Screen and Television, Belle Poitrine as told to Patrick Dennis. Crest Books t570 (75c)

After Hedda, "Lolly," Joan, Za Za, Bette and "Gypsy Rose," it was inevitable that that famous screen personality Belle Poitrine should release her memoirs. With the help of Patrick Dennis, she has created a new "high" in the art of "show business" autobiography.

Belle's life has encompassed every conceivable "adventure" and mishap, from her "girlhood" in Venezuela, Ill., where she was a social "outcast" due to her mother's "profession," to Hollywood, where to many she is still an outcast.

Belle "spares nothing" in her description of her life. Her five husbands play a major "role" in the book, from Fred Poitrine, her World War I "doughboy" to A. K. Frobisher, her most recent husband, who died when he was swept out to sea by a tidal wave.

There are 150 photographs in LITTLE ME, showing Belle in many of her pictures, including that famous "Garden of Eden scene" in *Paradise Lost*, which she starred with "Letch" Feely. Besides "Letch" (Hubby No. 4) there are also pictures of all your movie favorites: "Pixie" Portnoy, "Tex" Lonestar, Helen Highwater, Magdalena Montezuma, Dudley DuPont, and "lovable" Carstairs Bagley.

Many critics have actually gone so far as to call this warm and human book "hilarious," "enormously funny" and "the most outlandish collection of narrative and nonsense ever put between two covers." One even said he thought it was "funny" the way Miss Poitrine used quotation marks "indiscriminantly." Frankly, I do not see what is so "unusual" about this.

## . . . and Records

### MONO

**I'M A WOMAN** Peggy Lee Capitol \$3.98

Peggy Lee once again proves that she is one of our most accomplished singers. To this collection she brings her own brand of vocal skill and sprightly arrangements. Especially good: *Alley Cat Song*, *Taste of Honey*, the title song, and *You're Nobody Till Somebody Loves You*.

### STEREO

**A FUNNY THING HAPPENED TO ME ON THE WAY TO THE FORUM** Capitol \$6.98

This is the Original Cast Album of one of Broadway's big hits. It is built around a Roman comedy by Plautius (!) and stars Zero Mostel. It is all rather jolly stuff, some of it superior material. I liked especially the number *Every Man Should Have a Maid*. The use of stereo has added to the illusion of theater presence.

## Study Program In Sweden For Grad Students

State College graduate students will have the opportunity to study in Sweden during 1963-64 under a new program announced by Chancellor Glenn S. Dumke.

Students who achieve graduate standing by September of this year and whose fields of study are the social sciences and related disciplines will be eligible to participate in the program which will be conducted at the International Graduate School of the University of Stockholm.

Dumke said the Swedish program includes seminars in international relations, political science, economics, public administration, sociology and social welfare. The official language of instruction at the International Graduate School is English.

Cost of the program to students is \$1,020 plus travel and incidentals. Application forms and further information may be obtained at the Office of the Dean of Students. Deadline for applying is May 8.

### OF MICE AND MEN

"Of Mice and Men," latest in the Activities Commission's series of films, will be shown Tuesday at 7:30 p.m. in Sequoia Theater.

## Wilcox Selected As 'Top Teke'

Chester Wilcox, a charter member of Theta Epsilon Chapter of Tau Kappa Epsilon, was named as the Top Teke at last Saturday's Fourth Annual Corinthian Ball held at the Baywood Country Club.

Other members who received awards were Mike Walker as the Top Scholar and Sal Nygard as the Most Improved Scholar. Previous holders of these awards were Walker and Howard Hoffer.

The annual Ozark Jubilee will be held tomorrow night with music being provided by the Intimates. Loren Steele, Roger Paine and Phil Hubbs are in charge of the event. Other social activities on tap for the coming weeks include a luau scheduled for early in May.

## Arcata Preps Win Speech Tourney Here

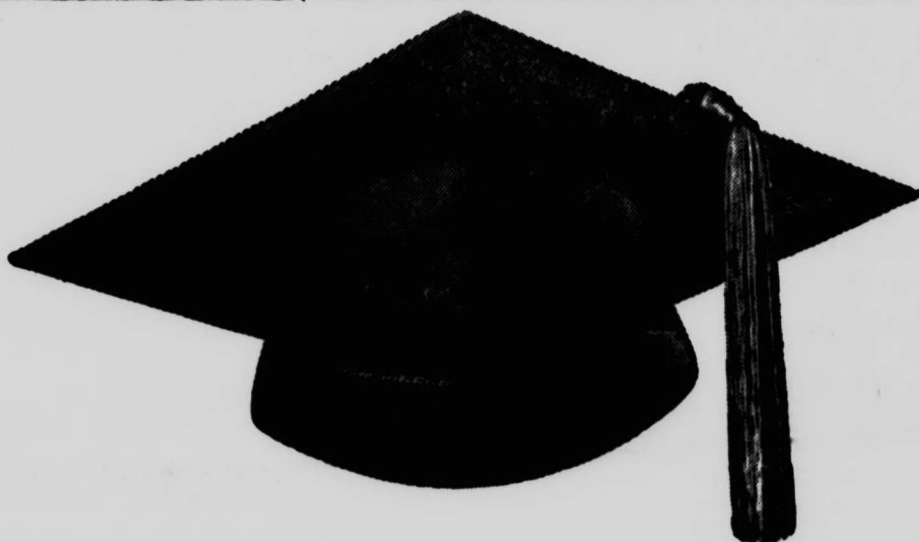

Arcata Union High School won the sweepstakes award at the Seventh Annual Redwood Forensic Tournament held on the HSC campus, March 15-16.

The HSC Chapter of Pi Kappa Delta, the National Forensic honorary, ran the tournament and HSC forensic squad members and faculty members were assigned as judges for the contest.

One hundred-ten students from the high school participated in this annual contest with Arcata taking sweepstakes, Del Norte second place and Eureka third.

The students participated in five speech categories: debate, Oxford style, and Lincoln-Douglas style; extemporaneous, two types of Oral Interpretation and Oratory.

Jack Turner, president of forensic honorary, was in charge of the two day tournament and the following people were in charge of the speech categories: Yvonne Ching, oratory; Delores Johnson, serious interpretation; Barbara Backlund, Humorous interpretation; Francis Glover, Extemporaneous; and Larry Hines, debate.

Guess who offered me an executive position with a leading organization, where I'll get good pay, further my education, and enjoy world travel?

My uncle.

In this case, nepotism's a pretty good idea. But of course you've got to measure up to get it. To be admitted to Air Force Officer Training School, you've got to be a good student with skills or aptitudes we can use.

Air Force OTS is an intensive three-month course leading to a commission as a second lieutenant. As an Air Force officer, you'll be a leader on the Aerospace Team—and be a part of a vital aspect of our defense effort.

Here's a chance for ambitious college men and women to assume great responsibility. It's a fine opportunity to serve your country, while you get a flying head start on the technology of the future.

We welcome your application for OTS now—but this program may not be open to you in a year or so. If you're within 210 days of graduation, get full information about Air Force OTS from your local Air Force recruiter.
