

Constitution Fails!

LumberJack

HUMBOLDT STATE COLLEGE

Vol. XXXVI

ARCATA, CALIF., FRI., JAN. 18, 1963

No. 14

Year-long Celebration Marks 50th Anniversary

Humboldt State will be observing its Golden Anniversary beginning in April.

The commemoration will begin on April 4, with a Convocation and an Open House in the college's new Library and will conclude on Founder's Day in April of 1964 ending the year-long observance of the college's founding.

Highlighting the year's events will be a Golden Jubilee banquet on May 9. The banquet will coincide with a meeting on campus of the Board of Trustees and the Presidents of the 18 California State Colleges.

Regularly scheduled events of the academic year, such as the annual Festival of the Arts, Commencement, Lumberjack Days and Homecoming will incorporate the Golden Anniversary theme and will feature nationally known speakers and guest artists.

The Golden Anniversary Emblem, designed by former art faculty member William Thonson, will be used on college stationery, programs, place mats and other items throughout the year, and will be supplemented by commemorative cancellations on outgoing mail.

GOLDEN ANNIVERSARY
HUMBOLDT STATE COLLEGE

According to HSC information service, 50 years ago the California legislature appropriated a sum of \$10,000 for the opening of a teacher training institute here, an amount which was augmented by \$30,000 raised locally. A bill authorizing the school was passed on June 16, 1913. The school opened the following spring with an enrollment of 62 pupils, at that time the largest opening student body of any state college except Fresno.

The name was changed from "Normal School" to State College in 1935, when the state authorized the granting of Bachelor degrees in liberal arts.

As the college approaches its 50th year of service, it has an enrollment of nearly 2500 students and the Trustees of the California State College's predict a 12,000 enrollment before the second 50 years is completed.

Gregg Smith Singers Here Tomorrow

The Gregg Smith Singers will wind up a 12-week sold-out tour Saturday at HSC's Sequoia Theater, in a concert starting at 8:15 p. m.

Tickets for the concert are on sale at the ASB bookstore, at 50 cents for student body card holders and \$1 for those without cards.

The Singers' repertoire includes the avant garde complexities of contemporary music as well as Renaissance motets and madrigals, the music of America, and other areas.

Wolfgang Steineke, director of the Darmstadt Festival in 1961, called the Singers the best from America. The group also performed at the Krefeld Festival, the Edinburgh Festival and the Salzburg Festival in 1961, and at the Brussels World Fair in 1958.

The "Glasgow Herald" called the Singers' appearance "Without doubt, one of the great musical events in the 1961 Edinburgh Festival."

Smith's group has recorded "Music for Antiphonal Choirs" on Verve, "Christmas Around the World" on Crown, and "Modern American Choral Music" for Columbia.

EUREKA ARTIST HONORED

Mrs. Charlene Palmer, wife of HSC librarian David Palmer, has her painting, "Portrait of a Lady" currently hanging in a New York art gallery for the Madison—Art Directions Galleries group show, Jan. 5 through Jan. 18. Mrs. Palmer recently presented a one-woman art exhibit in Eureka.

Lacks 33 Votes of Total Needed for Ratification

For the second straight time the Humboldt State Student Body has rejected a change in government as the proposed constitution was turned down by 33 votes.

In the Representative-at-Large election, Wayne Hess and Glenn Dreher won the men's spots with 213 and 196, respectively.

Sherryl Waits and Leanne Perrone are the new women Reps-at-Large. Both collected 23 write-in votes to defeat about a hundred other last minute candidates.

Joan Byker ran a close third with 10 votes in the women's race while Darrell Vaughn tabulated 33 write-in votes to finish behind Hess and Dreher.

In order for the new document to have been accepted 252 yes votes were needed as 392 votes were cast. But there were only 219 (33 short) for, and 160 against. Fifteen votes were ruled invalid because the ballot was not clearly marked.

Meal Ticket Upped \$15

There will be a \$15 increase in cafeteria meal tickets upping the cost to \$250 for the Spring semester according to Dr. Lawrence E. Turner, Chairman of the Board of Directors of Lumberjack Enterprises, Incorporated.

Dr. Turner said: "For several years the cost of meal tickets at the HSC Cafeteria has been kept lower than any other state college in California. A very sincere effort has been made to keep it that way. However, the financial statement for the period from July 1 to December 31, 1962, shows that the Cafeteria is "in the red" in the amount of \$12,500. Under these circumstances, the Board of Directors of Lumberjack Enterprises has no option except to raise the price of food.

"It is hoped that students will both understand the necessity for this increase, and appreciate the reluctance of the Board to take the step."

Council Checks Rent Fees

The Humboldt State Executive Council has established a committee to investigate ways to collect \$2,400 rent due the ASB for instructional use of the old Bookstore.

The Council learned Tuesday that a verbal contract to pay the rent was going by the boards because the state had not approved the expenditure in the budget.

A second major argument resulted when John Rawlingson asked the Council for equal expense to publish material against the proposed Constitution because Representative-at-Large Pam Schoenbeck had used ASB money to promote the passing of the document.

In other business the Council set up a committee to investigate the present athletic awards system.

Opera Matinee Now on Sunday

Scheduling of the Opera Workshop twin-bill production of "The Medium" and "Captain Lovelock" has been changed to tonight at 8:30 p.m. and Sunday at 3:30 p.m.

The switch from Saturday to Sunday for the final matinee performance was made because of the Saturday night concert of the Gregg Smith Singers.

Both Opera Workshop offerings will be in Founder's Hall. Admission is \$1 for adults and 50 cents for children. ASB card holders will be admitted free.

Books and Coffee All Part of Finals

By PEGGY HARTLEY
Staff Writer

Make that coffee! Hit those books! Cram a semester's studying into two weeks! It's finals time again!!!

Monday the dorms will be in "dead week." No talking in the halls, numerous "silencers" will be given, and muted phone calls and toned down radios and stereos will be in order.

The bookstore will have an extra supply of "No-Doz" on hand for those procrastinating students who will spend a sleepless week.

All night cramming sessions in the dorm rooms and lobby are scheduled for the night before the final. Pajama-clad, coffee-drinking, hours of the school year memorizing the political science cases, the laws of Econ. I, and the scientific principles of Science 1, 2 and 3.

Apartment lights will be burning late into the night and early morning and because residents are studying, not partying.

Freshmen are wondering just what to expect. Having never gone through the mill, they don't know

whether to study, worry or give up.

Experienced seniors are either past the state of worry or in a tizzy if this is their last semester to meet the minimum GPA requirements for that sheepskin.

Professors are pouring over their lecture notes and texts, digging out questions with a rather sadistic pleasure (the students fear).

The administration is getting prepared for a barrage of grades to come in, be processed and mailed out, all within a matter of days.

Ah! But it's a gay, happy and carefree time on ye old hilltop campus.

No Early Registration For '63 Spring Semester

Musicians, debaters, athletes, part-time workers and other members of special on and off-campus groups will be registering along with the rest of the student body next month.

President Cornelius Siemens has approved an Academic Senate resolution which states "That no student be permitted to register early simply because of membership in a group, or employment for a particular purpose, or enrollment in a particular class."

Sophomores or freshmen with a "highly individual problem" may appeal to Dean of Students Dr. Don Karshner, however, for early registration preference.

The Academic Senate passed the resolution last month, 14-7, after hearing a report by a Committee on Early Registration. The report noted that a total of 224 students, or nearly one-tenth of the student body, received preferential registration rights in the Fall semester.

The resolution will not change the new system of graduate students and seniors registering first, juniors second and freshmen and sophomores last.

But Dr. Siemens, in approving the action, stated that the new class system is actually a larger program of preferential registration than was in existence before. He approved the class system and

the no-preference policy for the Spring semester only, and asked the Senate to review its study and come up with a new proposal for the Fall semester.

Largest group receiving early registration rights during the Fall, 1962 semester was the band, with 61 members. Football players received preference in 51 cases, followed by Spurs, 30; student teachers, 27; debaters, 19; health cottage workers, 10; and several other groups with from seven to one early registrants.

Academic Senate members vot-

ing for the abolition of group preference included Dean Homer Balabanis, Dr. Erwin Beilfuss, Mr. Reese Bullen, Dr. Chester Collins, Dr. Robert Dickerson, Mr. William Haverstock, Dr. Bob Kittleson, Dr. James McNelis Jr., Mr. James Mearns, Dr. Roscoe Peithman, Dr. John Russell, Dr. Jasper Sawatzky, Dr. Giles Sinclair and Dean Lawrence Turner.

Those voting against the resolution included Dr. George Allen, Mr. Leland Barlow, Dr. Ford Hess, Dean Don Karshner, Dr. Larry Kerker, Dean Ivan Milhouse and Dr. Charles Yocom.

Soft Music, Free Coffee Planned at Registration

Spring semester registration may be more enjoyable and relaxing as new procedures are introduced into the HSC programming system.

At registration, Feb. 7-8, soft music, free coffee and automation will help transform the rigors of waiting out the line into an easier task.

Bottlenecks in the Men's Gym, where actual registration takes

place, will be eliminated as College Registrar Thomas Price has moved the preliminary stations (residence card checks, schedule changes and priority check lists) into the women's gymnasium. This also will allow overhead cover for waiting students in the event of rain.

While free coffee and a taped concert are easing student's pro-

(CONTINUED ON PAGE 8)

With the spring semester revisions, Registrar Price estimates that the average individual should be able to complete his enrollment in less than one-third the time needed six years ago.

Dear Editor:
This is in regards to Roland Kent's letter appearing in the December 21 Lumberjack.

To begin with, I quote from his letter: — "I have a wife and child of two years. Last week we could only spend \$5.00 for food. Our weekly food bill is never over \$10.00." Although this quote has little to do with the main points of his letter, I would like to know just how two adults and a child can be properly, or even adequately, fed on less than \$10.00 per week.

If Mr. Kent can show me how this is done, I shall be glad to buy him lunch for his efforts.

Grapplers To Host Strong Foes

To Face Oregon Teams In Return Encounters

The Humboldt State wrestling team hosts its first pair of matches in over a month when it faces two powerful Oregon teams—OTI and Southern Oregon.

The OTI contest, which is set for 8 p.m. tonight, brings forth a team, which holds a 31-2 victory over the HSC wrestlers. Only a draw by heavyweight Ron Treat with OTI's Jim Madden prevented the Owls from making it a clean sweep.

The feature match promises to be in the 177-pound division where Humboldt's Al Hagerstrand seeks to avenge his only loss this season against OTI's captain Ed Appleman.

Humboldt will again forfeit five points in the 123-pound class since Joe DeFreitas won't be eligible until next semester. Howie Covington (130), a winner against Southern Oregon the first time, will attempt to reverse a close loss to OTI's Dennis Sather. Covington is still hampered, however, by a bad leg.

Larry Nowakowski (137), who didn't compete against either SOC or OTI, faces a pair of tough matches as does Darwin Schager in the 147-pound spot. Gene Vejtasa (157) is still out with a rib injury, so Don Lewis remains in the class ten pounds above his weight. Pete Nasmyth (167) scored his first win of the year at Chico and will be out to do the same against OTI's Veryl Miller.

Tomorrow afternoon at 2 p.m. the grapplers tangle with Southern Oregon. The Owls defeated HSC 28-6 in a previous encounter. Humboldt's only wins were scored on

decisions by Hagerstrand and Covington.

Hagerstrand again has the spotlight when he faces SOC's Glen Moses, who he beat 3-2 last time. The two have now wrestled three times with Hagerstrand holding a 2-1 edge.

Humboldt split two matches last weekend, beating Mare Island, 21-11 and losing narrowly to heavily-favored Chico State, 15-16.

Heavyweight Ron Treat made it four straight pins by getting two more on the trip. Hagerstrand was also impressive, winning a match at Chico in the first round and a decision at Mare Island.

The two keys in the Chico match were Covington's leg injury, which costs him a victory (he settled for a 7-7 tie) and the lack of a 123-pound man.

The wrestlers are idle next weekend, then meet Chico State here on Saturday, Feb. 2 and University of California on Monday, Feb. 4 at Berkeley.

KAVA'S by Norm Kava CORNER

Basketball News: San Francisco State's quintet has a record of four wins and ten losses so far this season. However, the Gators are a good bet to win the Far Western Conference basketball crown.

Credit SF State coach Paul Rundell with some wise scheduling. The Gators faced such teams as Cal Poly (SLO), Santa Clara and San Jose State in pre-conference battles. SF State then embarked on a seven-game, 7500 mile road trip and came home with nothing, but experience. They were 2-10 when the league race started, however they were more than ready.

San Francisco won its two league games from Sacramento (59-44) and Nevada (82-53). The Bay Area men return to league action when they host Alameda State on Wednesday, January 30 in a big game. Rundell's team comes here on Feb. 8 and things should wax pretty hot on that Friday night.

Brad Duggan, a 6'4", 205 pound forward, is SF State's leading scorer and has hit in double figures in 13 out of 14 games. Duggan's brother Kevin, holds almost all of the Gator scoring records. The job of guarding Brad will most likely go to HSC's very fine forward Wendell Hayes.

The Humboldt win at Sacramento was a big one because any time you win on the road in the FWC you've accomplished something. When Nevada, Alameda State and SF State move into the Capitol City, the Hornet's great center Ron Rohrer should be ready for action. Rohrer led Sacramento State all the way to the finals of the small college division of the NCAA and got the MVP award in that tourney.

It's too bad the basketball team doesn't have the support of all the cheerleaders and a pep band. The team has been drawing pretty well, however no one to lead organized cheers is ever in sight. Let's hope there is somebody there when HSC faces Chico next weekend.

Can't help but think how strong the Lumberjack cagers might have been if guards Ron Good and Joe Taylor had come back. Good is ineligible and won't play any basketball until next season, while Taylor dropped out of college this semester, but will return for the upcoming baseball season. To refresh your memories these two men carried the load during last year's rough times.

Cagers Garner Important Split On FWC Trip

A hairline fracture of the left elbow gained the Humboldt State basketball team a split on its road trip and a shot at a high finish in the Far Western Conference cage race.

The Lumberjack, after losing the first game of the trip 68-44 to Nevada, bounced back to defeat defending champion Sacramento State, 58-49. It was the fourth straight setback for the once high-flying Hornets, who sorely miss their great center Ron Rohrer out with that fractured elbow.

Rohrer Out

The Hornets won the Chico Tourney and Rohrer got the Most Valuable Player Trophy, but coach Ev Shelton would probably give it all up today because Ron hurt his elbow in the final game against Chico State.

The victory over Sacramento was well-earned for HSC. The 'Jacks shot well from the floor, hitting on 38 per cent of their shots. Humboldt trailed by two points with around eight minutes left, but it was at this point that the Green and Gold pulled away with a surge of 11 consecutive points.

Wendell Hayes and Larry Krupka led the way with 17 points each. Hayes also grabbed 15 rebounds to top the 'Jacks. Forwards Bob Albers and Bill Baker led the Hornets with 12 points apiece. Albers had a good night as he also grabbed 16 rebounds to lead both squads.

Sacramento's senior guard John Dille, who missed two games due to a leg injury, saw considerable action against HSC and scored eight points.

Cold Night

You must stop Bill Robinson to beat Nevada. The Lumberjacks did it. Larry Krupka with help from his mates held the great 6' 6" sophomore center to "only" 15 points. However, an ice-cold first half performance and a poor floor game cost Humboldt the game.

The Lumberjacks hit only 4 field goals in 33 attempts during a dismal first half performance, which saw them fall behind at 31-15. The second half was fairly even, but it was much too late for any comebacks.

Hayes led the 'Jacks with 12 points and Humboldt had a 41-37 rebounding edge over the Wolf-pack. Nevada shot over 40 per cent from the field, while HSC wound up hitting only 25 per cent.

Seniors Appoint Stock to ICS

Jay Stock was appointed ICS representative for the senior class by president Ron DeForge at a noon meeting held in the CAC on Monday.

DeForge also appointed Miss JoAnn Shubin chairman of a committee to look into selecting a gift for the college from the senior class. Miss Shubin was appointed the class historian.

Bowling Added To 'Mural Slate

A new sport has been added to the Humboldt State intramural program.

Bowling has been okayed to start sometime next semester at Redwood Lanes by Dr. Ford Hess, intramural director. Anyone interested in forming a team or signing up should contact Dr. Hess.

The sport will not count in the team point scoring of intramurals this year because it wasn't scheduled from the start. Competition will be from 3-5 p.m. on either Tuesday or Thursday.

It will cost \$1 to bowl three games and get a pair of bowling shoes if needed. Redwood Lanes is going to donate a trophy to the winning team of the league.

If the program is successful, bowling will be added as a point-scoring sport, team-wise, next year in intramural competition.

The next sport slated for the intramural agenda is volleyball to be followed by basketball. Competition in swimming, track and softball is also slated.

The 1956 Humboldt State baseball team completed the season with a 9 win and 1 loss record.

Junior Jacks Down Keg Five

Humboldt State's Junior Jacks, behind by three points at halftime, outscored the Keg 40-28 in the last half to post a 66-57 victory.

Behind 29-26 at intermission Jack center Harold Ellis got the winners moving with four straight field goals from the key in the first four minutes of the third period.

High point honors went to the Keg's Ron Godd with 26 points. Jim Potts added 19 for the losers. The well-balanced Hilltopper attack saw five 'Jacks score in double figures with Roger Barisdale, Jim Bonomini, Ken Kline and Gary Owens meshing 12 points apiece.

Jolly Giant To Open

The new, one entrance, Jolly Giant parking lot, which was originally scheduled to open in the fall of 1962, will be available for student and faculty use in late spring.

The permit only parking area has been delayed in its opening because of the rains which have prevented completion of the surfacing, according to Dr. Franklin Matsler.

About 300 cars will be able to park in the 700 foot down lot. Steps and good lighting facilities have been added for easy access.

'Jack Quintet Idle; To Host Chico Next Week

The stage is set next weekend for a big two-game series between the Lumberjack eagles and arch-rival Chico State. Both encounters will be played in the Humboldt State Gym.

Only one game will be a Far Western Conference clash (Friday night) since the 'Jacks and the Wilcats have another league game on Tuesday, Feb. 5 at Chico.

Humboldt, currently 2-1 in FWC competition, and Chico (2-1) both gained important splits in the road last weekend against Sacramento State and Nevada. A victory for either team puts it in contention for all the marbles.

Chico is led by 6'6" junior center Wes Walswick, who hit for 26 points in the 'Cats 65-53 win over Sacramento. Walswick is the tallest regular and leading rebounder. Another fine front-line performer is forward Mike Leitner, a 6'3" senior from San Luis Obispo.

Lou Black (6'1"), Jerry Miller (6'3") and Russ Peterich (6'2") all saw considerable action both last season and early this year. Black was the third leading scorer for Chico with 9.2 average. Miller is an all-around athlete, who is rated excellent on defense. Peterich, a junior from Willows, averaged around seven points a game during the 1961-62 season.

In the backcourt coach Don Scott can call on a pair of steady seniors in Dick Dallagiacomo (6') and Dick Stephens (5'9"). Stephens is rated the fastest man on the Chico team, while Dallagiacomo is a good steady performer.

The Wilcat quintet has been on the upswing ever since their fine

performance in the Chico Invitational Tournament. Chico State was runnerup in that tourney to Sacramento State, losing the final game by just five points.

Humboldt State enters this crucial stage of the season with a good overall mark of 8-6. The Lumberjacks have been especially rugged at home, winning five straight without a setback.

The starting cast will once again be the same for coach Franny Givins' team. It will be Wendell Hayes (6'2") and Punky Rogers (6'1") at forwards; Larry Krupka (6'6") at center; Tom Hope (5'10") and Dennis Baker (5'8") or Jack Atwood (5'10") in the backcourt.

Hayes has been the Lumberjack leading scorer and rebounder ever since he broke into the starting lineup. The Oakland JC transfer is a good bet for All-FWC honors if he continues to perform in the sensational manner that he has in the past few weeks.

Krupka, always tough on defense and the backboards, has developed into a double-figure scorer and this no doubt is a big factor in Humboldt State's improvement.

Following the game at Chico on Feb. 5, the Lumberjacks return home on the weekend of Feb. 8 and 9 to host San Francisco State and Alameda State. Both the Gators (2-0) and the Pioneers (1-1) rate a good shot at the FWC basketball crown.

Government Service Interviews Tuesday

Government representatives will be on campus on Tuesday for interviews with students interested in civil service careers according to HSC Placement Officer James Hoffe.

The placement office has named Jan. 22 as Federal Career Day on campus.

All federal agencies in this area will be represented and personnel will be available for general information throughout the day. Specific job interviews will be held in the Placement Office, room 212, Administration Building.

The Federal Service Entrance Examination filing date deadline is Thursday, Jan. 24. Students are urged to take this examination which is prerequisite to placement in most civil service fields. Information and forms are available in the placement office.

Nelson Hall, completed and occupied as a residence hall in 1940, now houses offices and our Campus Activity Center. It was named for California State Senator Hans Nelson.

Highwaymen Visit HSC For Folk-Music Concert

The Highwaymen, Popular folk singers and billed as one of the outstanding singing groups in the country, will appear at HSC Feb. 24 and give out with their different brand of folk-music in the Men's gym.

The concert is set for 7:00, with admission prices at \$1.75 for ASB card holders and \$2.00 without.

The Highwaymen began their career when they were students of Wesleyan University in Middletown, Conn., where as undergrads in the class of '62, they happened to join the same fraternity.

At one of the house functions, the group got together for party entertainment. The performance at the party started their career. They gave recording a try and United Artists signed them to a record contract in 1960, when they were juniors.

Their initial recording, "Mich-

ael," went on to sell over a million records while their second attempt, "Cottonfields" hit the near-million mark as the group attained national recognition. By the time they graduated—with honors—their niche in the musical world was well-carved.

The Highwaymen are currently on an extensive tour of colleges throughout the country and are continually hampered with transportation problems. Besides their personal luggage, they are equipped with eight guitars, three banjos, bongo drums, maracas, flute, autoharp, bull fiddle and the South American charango.

With their diversified array of instruments, the group has traveled the nation performing on major television shows, leading supper clubs and in concerts at universities throughout the country.

They were recently voted "Most Promising Vocal Group" by the

nation's disc jockeys in the annual year-end poll conducted by Cashbox Magazine, one of the music industry's leading trade publications.

Campus Concerts Ltd. of Beverly Hills, California has presented to Assemblies commissioner Jack Frost the possibility of having the Highwaymen come to HSC for a show if the turnout and receipts of the Highwaymen concert are good enough to warrant a Lumberjack visit.

State Academic Senate May Have Greater Voice

Professors in the California State Colleges will have a greater voice in policy formation if they ratify a proposed constitution for a statewide academic senate which came before the board of trustees Jan. 11 at a meeting on the campus of San Fernando Valley State College in Northridge.

The board took no action but referred the constitution to all faculty members for a vote. If ratified by a majority of the faculty, it will be considered for approval by the trustees next month.

The constitution calls for a senate made up of faculty representatives from all of the campuses to act as an advisory body to the chancellor and the trustees. It was drafted by faculty members and administrators of the 18 colleges in the system at the request of chancellor Glenn S. Dumke. The senate would concern itself largely with academic policy, curriculum and professional status.

Board chairman Louis H. Heilbron said the trustees "look with great interest and favor" on the senate and that they are "sensitive to the importance of obtaining faculty counsel."

Another major new program that was presented to the board was a master curricular plan which provides guidelines for curriculum development in the colleges. Designed to prevent unnecessary duplication of high cost programs, the curricular plan will also be considered for approval next month.

Other agenda items approved were:

- 1) admissions standards for Orange State College, Fullerton, which limits freshmen to the top one-third of high school graduates
- 2) a master plan for the development of Long Beach State College and working drawing for a \$453,700 health services building there

Watkins Denies Grader Charge

By HUGH CLARK

Ted Watkins denied charges he was illegally paid to enter the special First Congressional election in a telephone interview with the Lumberjack Tuesday.

The denial came as a result of charges made by Bill Grader, Democratic candidate for the First Congressional District, who said Watkins was paid "\$5,000 to enter the race."

Grader's charges were made during a luncheon meeting held at Humboldt State Dec. 21 and were published in last week's Jan. 11 issue of the Lumberjack.

The charges came in response to a question from the audience during the hour-long meeting.

Watkins said he did not receive any money and he told the Lumberjack he will seek legal action through his attorney.

Watkins said Grader denied "making these charges when I asked him about them this morning (Tuesday) in a telephone conversation."

The Lumberjack was unable to contact Grader by telephone Tuesday for comment, and his campaign chairman, Roger Kent, said in San Francisco that he could not make any comment since he was "not aware that he (Grader) made such charges."

Watkins, Mendocino city tax consultant, whose nomination petition was rejected by Mendocino County clerk Jim Broadus for not having the required 500 valid signatures, also said the congressional election is illegal and that Republican candidate Don Clausen should have been seated as this district's representative.

The special election will be held Tuesday to choose a replacement for Democrat Clem Miller who was elected posthumously in last

fall's general election after being killed in an air crash during the last month of the campaign. His death came too late for his name to be removed from the ballot.

In a statement to the Lumberjack, Watkins said, "It appears impossible that Humboldt State College officials would permit their journalists to report criminal and libelous statements without verification. I must, therefore, assume that Grader did say that I accepted \$5,000 to enter the race."

Watkins, who has run as an independent twice previously, and sought to run a third time before his petition was rejected, said, "No one has ever financed or sponsored me in any election. I run because I like running. I deny these charges and did not take any money."

Watkins said he will not press charges that the election is illegal since the U. S. Constitution makes Congress the judge. "They (The Congress) will determine if the winner of this election shall be seated."

Opera Workshop Interesting

By NANCY WILLS
Staff Writer

The Opera Workshop's "Night at the Opera", directed by Dr. Leon Wagner, offers an evening of interesting entertainment.

The program of two chamber operas opened last Friday and Saturday nights and will be repeated tonight and Sunday afternoon in Founder's Hall Auditorium.

The two operas — Gian-Carlo Menotti's "The Medium" and "Captain Lovelock" by John Duke are as different as night and day.

The first production, "The Medium," reminded this writer of a modern abstract painting—unusual, intriguing, yet somewhat confusing.

It relates the strange story of a modern-day medium and of an unexpected occurrence at one of her seances.

As the medium (Madame Baba), Marianne Haynes was generally convincing. She was excellent expressing fear and anger in her second act solo.

Joan Robinson as Monica (Madame Baba's daughter) had a pleasing voice but her performance was not quite believable.

As the mute Toby, Jerry Blueford spoke not a word; nevertheless,

he succeeded in conveying a sense of helplessness.

Carole Nilson, Leon Wagner, and Barbara Flora performed their roles ably.

"Captain Lovelock," the second opera, was well worth waiting for. The comedy based on Ludvig Holberg's "The Changed Bridegroom" was brisk, witty, and highly entertaining.

"Captain Lovelock" reveals the wild schemes of a maid and two worried daughters to prevent a foolish, wealthy widow (Terentia) from remarrying.

As the maid Pernille, Vivian Brede displayed a flair for slap-

stick. She was appropriately saucy and her voice was exceptionally clear.

Elaine Detlefsen was hilarious as Terentia. The two principals received fine support from Mary Ann Johnston and Millie Branscom as the daughters and Toni Kolotouros as the matchmaker.

Takes Honor Founder's Day

The Tau Kappa Epsilon Fraternity honored their sixty-fourth anniversary with the annual Founder's Day Banquet last Thursday.

The Greek letter society presented Pat Plessas, their '63 Sweetheart, an onyx pendant.

THE BELL TELEPHONE COMPANIES SALUTE: JIM JOHNSON

Jim Johnson (B.S., 1957) was recently appointed District Construction Superintendent in Pacific Telephone's Central District, Los Angeles.

Jim and his team of 157 people handle an expenditure of \$250,000 per month in new outside plant facilities required for telephone growth in Los Angeles.

In his five years with Pacific Telephone, Jim has capably handled many different supervisory assignments. His latest

carries the most responsibility, but he once managed a larger group when he was Assistant Traffic Superintendent in charge of three large Long Distance offices employing 476 operators!

Jim Johnson and the other young men like him in Bell Telephone Companies throughout the country help bring the finest communications service in the world to the homes and businesses of a growing America.

Senator Engle Announces 40 Fellowships

Forty post-doctoral National Defense Language Fellowships will be offered at three National Defense Language and Area Centers next summer announced Senator Clair Engle (D-Calif.) in Washington, D. C.

Senator Engle said that stipends will include tuition and required fees, plus \$1,000 for the eight-week intensive language course.

Men may also apply for an allowance (up to a maximum of four) allowance of \$120 for each dependent and a round trip travel allowance (for the awardee only) from home to the institution.

Men receiving awards in Spanish and African languages will study in summer programs at UCLA. Portuguese will be studied at the University of Texas.

Candidates for fellowships should apply to one of the three Directors of the Language and Area Centers as soon as possible. They are: James S. Coleman, African Language and Area Center, University of California, Los Angeles 24; Henry J. Burman, Latin American Language and Area Center, University of California, Los Angeles 24; and Fred P. Ellison, Language and Area Center for Latin American Studies, University of Texas, Austin, Texas.
