Anniversary Ball Bids Being Sold

Bids for the Junior Class Anniversary Ball are being sold today in the Cafeteria between 11 a.m. and 1 p.m., and will be on sale all day in the Activities Office.

The Ball this year takes the place of the Junior Prom. It commemorates the 50th Anniversary of HSC.

Hilltop Calendar Of Coming Events

TODAY—Lumberjack Days continues.

—Drama, Charley's Aunt in Sequoia Theater at 8:15.

—Festival of the Fine Arts begins.

—Baseball, HSC hosts Chico on college diamond at 1 p.m.

—Baseball, Junior Jacks at McKinleyville High.

TOMORROW—Lumberjack Days concludes.

—Delta Zeta Annual Anniversary Banquet.

—Drama, Charley's Aunt, last performance at Sequoia Theater at 8:15.

—50th Anniversary Ball at 9 p.m. at Eureka Inn.

SUNDAY—Baseball, Junior Jacks play The Keg of Arcata at college field.

THURSDAY, May 9—Meeting Board of Trustees and Presidents of California State Colleges on HSC Campus.

—50th Anniversary, Golden Jubilee Banquet in Commons.

Spectators and photographers watch intently as power bucking competition is staged at the Association of Western Forestry Clubs conclave last week here.

Council Retreat Date Changed

The Student Executive Council voted Tuesday night to hold its annual training retreat for new officers May 18 and 19, instead of a week later.

The May 25-26 weekend was picked at last week's meeting but was rescinded because of conflicts with other activities.

The retreat will be held in the Garberville area if suitable arrangements can be made.

The Council also approved two price requests:

Water Show prices will be 25 cents for children, 50 cents for high school students, \$1 for adults, and no charge for ASB card holders.

Delta Zeta pledge dance prices May 17 will be 50 cents stag and 75 cents couples with ASB cards, and 25 cents higher without cards.

Lumberjack Contests Start at 1 p.m. Today

Eleven men's, women's and combined events are scheduled today in the Lumberjack Days Bull of the Woods contest, starting at 1 o'clock in the Field House.

Winners of the Bull of the Woods and Belle of the Woods contests will receive transistor radios, and each individual event winner will get a \$5 certificate from the bookstore.

Events include: double bucking (m, w, coed), single bucking (m, w), log chopping (m, w), axe throw (m), match splitting (w), bull of the woods (m), and tug-of-war (coed).

Winners of each event will receive from one to 10 points, which will determine the overall victors.

A buffet dinner will be held immediately after the contests.

Classes Finish At Noon Today For Celebration

Classes let out at noon today as Lumberjack Days heads into its second phase with a slave auction at 12:15 in front of the College Commons.

Eighteen pledges of the Delta Zeta sorority will be auctioned off to the highest bidder to start off the second day of the celebration.

Lumberjack Days started off with a Spring Sing in the Quad, a comedy movie, "The Birds and The Bees" in the CES auditorium, and a 10 o'clock coffee hour in the CAC last night.

The four hour Bull-of-the-Woods contest begins at 1 p.m. in the field house.

Casino night begins at 8 p.m. in the College Commons. Participants will be able to buy large amounts of play money for nominal sums to lose or break the bank at the various gambling tables. Highlighting the evening will be a talent show and the announcement of the winners of the beard growing and the Ugly Professor contests.

Casino night will conclude with a dance featuring the Intimates.

Saturday the dorm students will have a pancake feed for breakfast. The 50th Anniversary Ball at the Eureka Inn sponsored by the Junior Class will wind up the three day celebration. The semi-formal dance will feature music by the Rhythm Kings.

Lumberjack Days

TODAY

12:00—Classes dismissed

12:15—Slave Auction in front of Cafeteria.

1:00—Bull-of-the-Woods contest begins in field house.

4:30—Buffet Dinner in Commons.

8:00—Casino night in Commons.

9:00—Lumberjack Days Dance in Commons.

SATURDAY

9:00—Pancake breakfast.

—Junior Class "Anniversary Ball" at Eureka Inn.

Food, Program Bids Now Due

Service clubs interested in submitting bids for the food and program concessions during the 1963 football season should file their bids to the Graduate Manager's office in the college bookstore by 5 p.m. May 15.

24% Student Body In Grade Trouble

By DALE POTTS

Almost 500 HSC undergraduate students failed to keep their accumulative grades above a 2.0 average during the 1962 fall semester according to figures released by Mr. Robert Anderson, Associate Dean of Admissions and Records.

Mr. Anderson says that this is a normal trend and is to be expected. He said, "It is interesting to note that over many years and in spite of increasing admission requirements the proportion of students in academic difficulty has remained the same throughout. This could indicate that classroom performances are improving as entrance requirements are raised."

There were 498 undergraduates whose academic status ranged from warning to disqualification last semester out of a total enrollment of 2100 students. Freshmen topped the list with 236 in scholastic trouble out of a class of 842 registered members.

Mr. Anderson attributed the large number of freshmen on the list to a change in environment. He said, "the classes get smaller as they progress. The students go through a continual weeding out process; they either shape up or ship out."

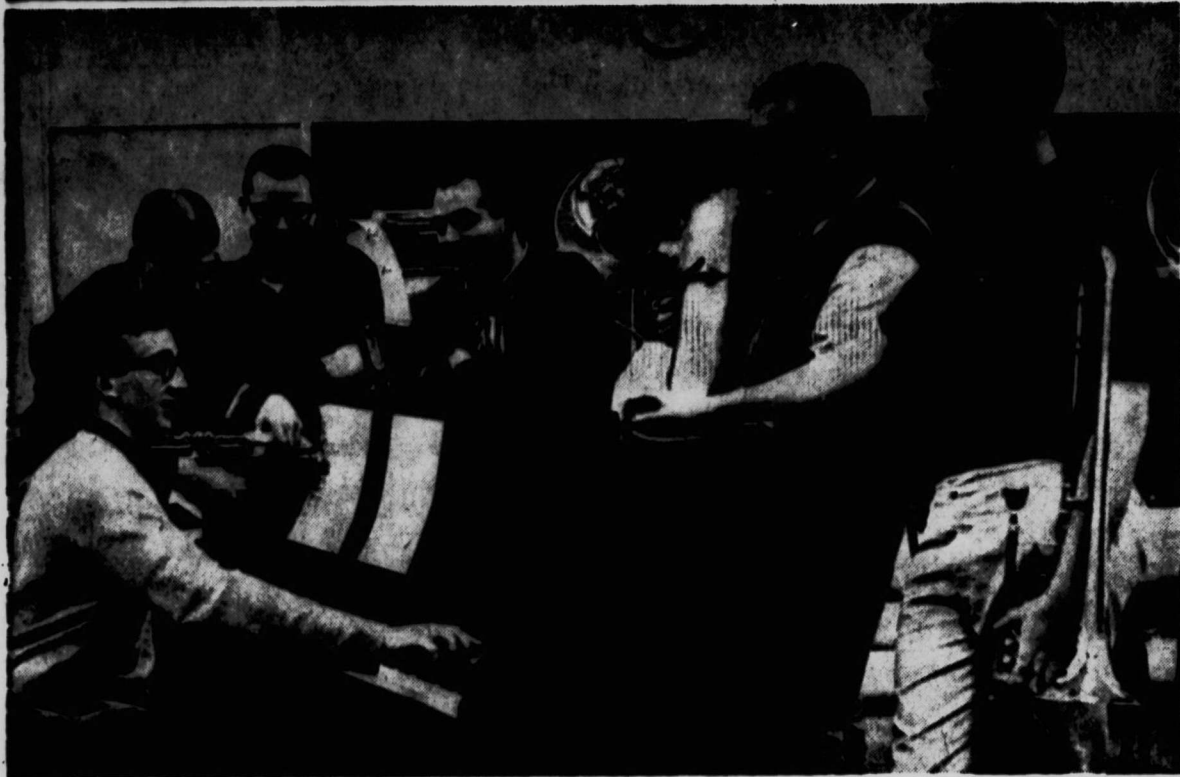

According to the HSC Bulletin students shall be placed on warning if they fall below a "C" average to the extent of 5 1/2 grade points. A student shall be placed on probation if his shortage is six

or more grade points or if the student has failed to achieve a 2.0 cumulative after two semesters on warning. And he is disqualified if he fails to attain a 1.0 average in a given semester (except for first semester freshmen) or does not maintain a 2.0 while on probation.

During the fall semester, 46 students were removed from probation and 39 were reinstated. The reinstated included seven freshmen, 18 sophomores, five juniors and nine seniors.

There were 144 students on warning, 248 on probation and 106 disqualified. Students who were continued on probation included five for more than four semesters, three for four semesters, 13 for three, 32 for two, and 58 for one.

Academic Status	Fresh	Sophomores	Juniors	Seniors	Total
On first warning	95	11	18	4	128
On second warning	7	4	4	1	16
Total on warning	102	15	22	5	144
On probation for the first time	96	29	19	3	147
Continued on probation	10	45	37	19	111
Total on probation	106	74	56	22	258
Disqualified	38	42	18	8	106
Total in academic difficulty	236	131	96	35	498
Undergraduate students	842	494	463	381	2,100
Reinstated	7	18	5	9	39
Removed probation during the semester	1	12	19	14	46

The Humboldt State Jazz Workshop will present the studio band in concert Tuesday night, under the direction of Jerrold Moore. Vic Savant, Jim Olcott, Larry Brown, Dave Clisham, Sal Nygard and Claude Shouse.

MANXMEN TO PLAY

The Manxmen will play Tuesday night from 9 to 10:30 o'clock in the CAC, according to Activities Commissioner Julie Fulkerson.

Sometimes on Friday

Out of The
Frying Pan,
Into The
Cream of Wheat

By Rod Mitchell

Good morning. This morning's diatribe was suggested (unknowingly) by a member of the faculty at HSC, during a discussion of something far removed from our topic today. The trend of thought started during that talk led me to the somewhat chilling presentation before you.

There is an old English folk song about a young swain unlucky in love that ends with "if thou wilt not when thou canst, thou canst not when thou wouldst." This is one old saw with teeth in it. Keep it in mind as you read on.

The four or more years you spend in the rich, intellectual atmosphere of a college community present you with a wonderful opportunity. Indeed, they give you what may be the only opportunity in your lifetime to be truly yourself. At times you may feel constrained, and feel that the pressures at college to conform to a standard of behavior are overly strong, but friend, you ain't seen nothin' yet.

When you step off that platform with diploma in hand you walk into a world where conformity runs riot. Some few of our number may be entrepreneurs, but the vast majority are destined to be bureaucrats. Bureaucracies run on rules. Thousands of rules. Rules that work to force you to conform.

Once you leave the stimulating air of the campus, life can quickly become routine and boring. Whether you are working for General Motors or General Lemnitzer, your area of personal decision is severely limited. Even in this land of free enterprise, only those at the top make many truly independent decisions, and it's a long way to the top. The long trip there can strip you of any creative ability you might have had.

You will find that what you do, what you think, and even what you wear, are conditioned to a frightening degree by pressures to

conform. If you hope to attain any degree of success, you will be forced to think and act in such a way as to favorably impress those above you in the hierarchy. After a time your power of independent thought wanes and your will to dissent atrophies. Your bright-eyed idealism fades and you become a hard-rock conservative fighting tooth and nail to maintain your position.

There are, of course, some occupations which are somewhat immune to this disease, though not completely. Those who teach at the college level are numbered among the few, but they have their pressures, too. However funny the phrase "publish or perish" may seem to you, it's no joke.

I am sorry that I have no cure-all to offer. There is however, a prescription that can stave off the mental mummification for a long period: dedicate your college years to the task of being an angry young man (or woman). Through some oversight, society still permits a bit of dissent from its students. Grasp this opportunity and make the most of it.

Doubt! Dissent! Refuse to accept eternal verities. Make fun of Arthur Schlesinger! Poke holes in Dan Smoot! Read Karl Marx! If you want to make a perfect ass of yourself dancing the stomp, have at it! Throw a potato or two! Define your ideals and go out and defend them. Above all, be a liberal! If there is ever to be a time when you can be liberal in your

Montana State Victor In Forestry Conclave

By CHUCK FREITAS

Overall competitive honors of the 12th Annual Conclave of the Association of Western Forestry Clubs went to Montana State University.

Forty-three delegates from eight western colleges met at Humboldt State last week to bring together professional and educational aspects of forestry in order to discuss problems and developments in that vocation.

Montana State topped six other schools in overall logging sports competition. They placed first in the single-bucking, double bucking and chopping contests. Top scorer of the logging competition was Jack Shield, as he led the Montana delegation to its first place by taking a first in single bucking, chopping and a second in power sawing.

Arizona State College placed second with Washington State University, Humboldt State, University of California at Berkeley, University of Idaho and Oregon State University following in that order.

Last year the Humboldt State delegation tied for first place with Montana State, the hosting club. Washington State University placed first in the power saw and axe throw competition with Arizona placing first in the surveying quiz.

The HSC forestry club team of Bill Imboden and Ron Gillespie placed first in the dendrology test. The test involves an identification of forest plants and trees from presented specimens or parts thereof.

The sporting events were only

one segment of the conclave. The main objective was to promote forestry through education and in the professional field.

The delegates discussed topics of forestry, its problems, advancements and future with prominent educators and professionals in the field to aid them in their vocational education.

Advanced Music Recital Sunday

The first of a series of student recitals, under the direction of the Music Department staff, will take place Sunday at 8:15 p.m. in Room 131 of the Music Building.

The program, featuring the work of advanced students, will include: Mozart's "Quartet in D Major, K. 285 performed by Lee Gross, flute; Julie Fulkerson, violin; Wilma Silva, viola; and Kenneth Thruston, cello;

Chopin's "Mazurka Opus 24, No. 4 played by Adrienne Pierce, piano. Mahler's "Lieder eines Fahrenden Gesellen" sung by mezzo soprano Eline Detlefsen with Sara Hallin, accompanist.

After an intermission, Sammartini's "Sonata in G Major" will be performed by Kenneth Thruston, cello, and Judith Giannini, piano. Milhaud's "Suite" will be played by Floyd Glende, violin; Joan Byker, clarinet; and Michael Lagen, piano.

Also presented will be Scarlatti's "O Cessate Di Piagarmi" and Greig's "With A Waterlily," by Ella Evenson, contralto, accompanied by Gary Coon.

thinking, it is now. You have the rest of your life to be conservative.

Looking back on four very rewarding years at HSC, my only regret is that I did not ask more questions and raise more heck. (Social pressures to conform force me to forego the term that best describes my feeling.)

A unique stage set goes along with the excellent acting to make the Sequoia Masque production of Charley's Aunt another top event. The play continues tonight and Saturday in Sequoia Theater, at 8:30 p.m.

Charley's Aunt---'Pleasant Air of Frivolity'

By NANCY WILLS

As a total production, "Charley's Aunt," which opened in Sequoia Theater last Friday night, was a bit disappointing.

The Sequoia Masque production of Brandon Thomas' celebrated comedy contained some very good acting, several memorable scenes, and a pleasant air of frivolity — yet it failed to measure up to the Masque's usual standard of theater fare.

The elusive quality which dis-

tinguishes a great production from a merely good one was lacking in Saturday night's performance, possibly due to a weakness in continuity.

The play got off to a slow start, perked up with the entrance of Lord Fancourt Babberley, reached the height of hilarity in the second act's garden romp, and then tapered off to a prolonged anticlimatic finish.

The evening hit its lowest ebb with the appearance of the real aunt, Donna Lucia D'Alvadorez, (Linda Dungan) in the latter part of the second act.

Miss Dungan's appearance was well suited for the role of the stately heiress; her acting, how-

ever, was quite inadequate. Her delivery and expression were poor, weakening the scenes in which she appeared.

It would be difficult to imagine anyone other than Bill Thompson as Babberley, the pseudo 'Charley's Aunt.' His portrayal of the dual role was excellent, never falling out of character and frequently carrying the play through its weak spots. He demonstrated an expert flair for comedy.

As Sir Francis Chesney, Michael Glimpse was equally good. His was an accurate and amusing portrayal of a typical old British military officer—in appearance, stance, manner, and voice.

The two love-stricken Oxford

students, Jack Chesney and Charley Wykeham, were suitably played by Jeff Davis and Ivan Arnold, respectively. Davis' performance was by far the better of the two; however, each seemed to have difficulty consistently maintaining his British accent.

Their fiancées, Kitty Verdun (Daryle Lindley) and Amy Spettigue (Kathleen Brown) were attractively coquettish, fulfilling their roles adequately.

Amy's uncle, Stephen Spettigue was portrayed with zest and appropriate melodrama by Don Jacobson—a fine piece of acting.

Anne Householder was a sweet Ella Delahay, Lord Babberley's ladylove.

And not to be forgotten—Don Christensen as Jack's bewildered and long-suffering butler, Brassett. He added a gentle humor to the general atmosphere of chaos.

Ethelyn Pauley's costumes were outstanding. They contributed the necessary air of English elegance.

The audience was fascinated with Robert Matthew's attractive Victorian sets.

For the most part, director George Goodrich succeeded in creating a realistic 19th century atmosphere.

"Charley's Aunt" is by no means an outstanding production, but it is pleasant entertainment.

Debaters Place Second in Meet In Washington

HSC's debate team, composed of Don Sauls and Larry Hines, took third place at the Pacific Forensics League Tournament held last week at the University of Washington in Seattle.

Hines was also a finalist in extemporaneous speaking.

Whitman College won the tournament and Stanford University was second.

The tournament is the oldest forensics meet on the Pacific Coast and is conducted by invitation only. Twelve colleges participated in the event.

Arts Festival Starts With Exhibits, Drama

The fourth annual Festival of the Arts begins on campus today with the opening of three art exhibits and the third performance of "Charley's Aunt" in Sequoia Theater tonight.

The complete program of events for the 24-day festival was announced this week by Mr. Leland Barlow, chairman of the festival committee which is composed of Mr. John Van Duzer, Mr. Ernest Bednar, Miss Emilla Tschanz, Dr. James Crawford, and Dr. Leon Wagner.

Mr. Barlow revealed a diversified program of music, drama, and art which will be highlighted by a performance by the nationally popular folk singing trio, Peter, Paul, and Mary in the Men's Gym, May 22.

He announced also the appearance of bass-baritone Thomas Paul of New York in a song recital in Sequoia Theater, May 20. Mr. Barlow called Paul "an excellent, up-and-coming recitalist who has performed in many leading concert halls. We are very fortunate to have obtained Mr. Paul for the Festival," he added.

The schedule of the three art exhibits is as follows:

Art Building: Sculpture by Harold Paris of the University of California. Exhibit hours: May 5, 12, 19 and 26—2-4 p.m. May 3, May

6-10, May 13-17, May 20-24—8 a.m. to 5 p.m. May 7-8, 14-15, 21-22—7-10 p.m.

Sequoia Theater Foyer: Humboldt State College Art Faculty Exhibit. Exhibit hours: May 5, 12, 19, 26—2-4 p.m. May 12, 19, 26—7:30-10 p.m. May 3, May 6-10, May 13-17, 20-24—8 a.m. to 10 p.m.

Cafeteria: Humboldt State College Art Student Exhibit. Exhibit hours: May 3-26—8 a.m. to 7 p.m.

Art professors Glenn Berry and James Born are the coordinators of the exhibits.

Church Speaker Here Thursday

The First Church of Christ Scientist will present a lecture by Paul K. Wavro Tuesday at 8 p.m. at the Presbyterian Church, 11th and G St., Arcata.

The subject of the lecture will be "How Christian Science Brings Freedom From Limitation."

Paul Wavro is a native of Cleveland, Ohio. Actively interested in youth work, he was awarded the DeMolay Legion of Honor by the International Supreme Council Order of DeMolay.

An authorized teacher of Christian Science since 1949, he is now on nationwide tour as a member of the Christian Science Board of Lectureship. His present home is in Jacksonville, Florida.

Voters to Pick Officers

Seventeen candidates vie for 10 Associated Student Body offices Tuesday and Wednesday in balloting in the Cafeteria.

Polls will be open from 8 a.m. to 4 p.m. both days.

Monday at noon the candidates will be introduced in the Cafeteria. They will make brief speeches later in the day, probably in Sequoia Theater.

Contesting for the 10 ASB positions, each of which offers a voting seat on the Student Executive Council, are these candidates:

President—Jack Turner and Leo Sears.

Vice-President—Dave Crane and Delores Johnson.

Secretary—Sherryl Waits and Judi Hope.

Treasurer—Alvin Spears.

Publications Commissioner—Dale Potts.

Assemblies Commissioner—Neale Ann Barnes and Martha Gabriel.

Awards Commissioner—Jim Cralle and Mike Glimpse.

Rally Commissioner—Rich Hale.

Activities Commissioner — Julie Fulkerson and Kathy Clary.

Organizations Commissioner — Bob Patenaude and Don Moseley.

Spears, Potts and Hale are running unopposed.

Presidential candidate Turner has issued a challenge to debate his rival, Sears, in the assembly to follow the Cafeteria introductions.

Winners in the voting will be invited to attend a training retreat May 18-19, probably in the Garberville area. At that time they will be instructed in the duties and operation of their offices by current Council members.

Major issues face the candidates who emerge on top. A new constitution, a student union and other matters are emerging as key concerns for the 1963-64 slate.

THE CANDIDATES

PRESIDENT

Jack Turner

Junior history major. Vice-President HSC Democratic Club; Vice-President Phi Kappa Delta, 1961-62; President Phi Kappa Delta, 1962-63; President of Junior Class, 1962-63. Received Kneller Award in 1962 and toured Eastern Europe.

Duties of HSC ASB Officers

President

Serves as chief executive officer of the ASB, represents the ASB at intercollegiate and school activities, makes recommendations to the Student Council on appointive offices, including Graduate Manager, supervises the Secretary and Treasurer of the ASB and other officers, calls and presides over all ASB meetings; sits on the Council as a voting member, exercises such other powers necessary for the efficient and proper performance of his duties, and serves as an ex officio member of all committees.

Vice-President

Calls and presides at Council meetings, votes at Council meetings in case of a tie, appoints Council members to committees, assumes duties of the President during his absence and succeeds to the office upon resignation, recall or disqualification of the President, calls and organizes the first meeting of the incoming Freshman Class in the fall and thereafter acts in an advisory capacity to that class.

Secretary

Keeps the records of all proceedings of the ASB and the Council, is responsible for such communications as are approved by the Council or President, attends the Council meetings as a voting member, performs such other duties as are peculiar to the office.

Treasurer

Submits an oral report to the Council each month showing the condition of the ASB finances, acts as agent of communication between the Council and the General Accounting Department, attends Council meetings as a voting member; presides at Board of Finance meetings, gives financial advice to any student organization.

Awards

Sits on the Council as a voting member, formulates and submits drafts of policies pertaining to the presentation of awards to the Council for consideration, keeps a ledger listing and identifying various trophies and awards, sets the time of awards assemblies with the cooperation of the assembly committee.

Organizations

Presides over meetings of the Inter-Club Senate and serves as liaison officer between the ICS and the Council, attends all Council meetings as a voting member, coordinates student activities by working with student club representatives to the ICS, issues writs of mandamus and writs of injunction to the Board of Control upon a 2/3 majority vote of the ICS and upon approval of the Council.

Activities

Sits on the Council as a voting member, is in charge of the student activities program, is presiding officer of the Activities Commission, sets sizes of and organizes the Commission.

Publications

Keeps in close contact with editors and advisers of all campus publications in order to understand their needs, problems, policies, wishes and plans, serves as their representative to the Council, publishes a Council newsletter, sits on the Council as a voting member.

Rally

Attends all Council meetings as a voting member, is in charge of all rally activities of the ASB, coordinates all decorating for athletic events, half-time activities and after-game activities, presides at Rally Committee meetings, organizes and sets size of the Committee with advice of the Committee adviser and Dean of Activities.

Assemblies

Serves as ASB representative on the Faculty Assembly Committee, is in charge of the student assembly program, sits on the Council as a voting member, is presiding officer of the Assembly Committee, organizes and sets size of the Committee.

Fourth Water Show On Next Friday, Saturday

"Syncopated Splash" is the theme of the fourth annual Water Show to be presented Friday, May 10, and Saturday, May 11 in the HSC Natatorium. The event is sponsored by the Women's Recreation Association and is under the direction of Miss Leela Zion, HSC PE instructor.

A variety of numbers will be presented ranging from two "Silly Sallies" out of the roaring twenties era to an underwater adventure in "Nocturne."

Students enrolled in the Synchronized Swimming class, Water Production class, and members of the WRA are responsible for the original choreography, costume design, script, staging, and make-up.

Performing in the show are Barbara Avilla, Jean Merriam, Joan McClellan, Bonnie Wilkerson, Karen Wrigley, Milene Rawlinson, Diane Stone, Gayle Frakes, Diane Harper, Penny Neville Shoop, Carolyn Foutz, Jim Malone, Linda Arvola, Sue Dresser, Gay Lawrence, Kathy McClean, Betty Edwards, Jonel Alora, Roberta Becker, Sandy Guthridge, Sheryl Miller, Vince Lucido, Kent Johnson, Robert Wygand, and Jane Spaid.

Admission charge is 50 cents for high school students and 25 cents for children. ASB members will be admitted free.

Jayvees With Six Above .300

Latest statistics reveal that the Junior Jack baseball team has no less than six men hitting .300 or better.

Leading the way for the Jayvee team, which has won 13 straight games, is outfielder Don Timmons, who has 10 hits in 18 at bats for a .555 mark. Jon Burgess is belting the ball at a .417 clip (15 for 36) and catcher Chuck Beatty is hitting .378.

Infielders Gary Robeson and Skip Stone are hitting .333 and .318 respectively. The other man above the .300 mark is outfielder Ed Jesson who is hitting .308.

Jon Burgess leads the team in runs batted in with 12, while brother Jay is not far behind with 11.

Howard Kamperman is the leading pitcher with four consecutive wins, while Jim Cosentino has compiled three triumphs. Kamperman leads the team in strikeouts with 27 in 25 innings.

Ex-Whitworth Pitcher Stars

Ferlatte Stars, But Thinclads Beaten Again

An unprecedented performance by Humboldt State distance man Bill Ferlatte failed to stop the Cal Aggie track team from marching to an 86-58 victory here last Saturday.

Ferlatte scored a great triple by winning the 880, mile and two mile. It was the first time this feat has ever been accomplished at Redwood Bowl. The transfer from Marin JC won the half mile in 2:01.8; the mile in 4:35.8; and ran the two mile in 10:26.

Although they lost the meet, the Lumberjacks managed to set new college records. Letterman Tom Farmer broke both stadium and the school marks in the triple jump when he reached 44' 4". Farmer also captured the broad jump at 21' 4 1/2".

Fred Cross broke his own 330-yard intermediate hurdles record by one tenth of a second when he clocked 40.4 against the Aggies.

The men from Davis had two double winners and this just about decided the outcome. Sprinter Marshall Watwood won the 100 and 220 with times of 10.1 and 22.3. Watwood also anchored the 440-yard relay team to set a new Redwood Bowl record (43.6).

Weightman Hank Pfhem was victorious in both the shot (52' 4") and the discus (137' 4 1/2"). Humboldt's Wendell Hayes was a close second in both of these events.

The Cal Aggies' all-round competitor Ken Stevenson was a big factor in the visitors' easy win. Stevenson won the 440 in 50.4 and anchored the winning mile relay quartet (3:27.5). Stevenson also finished second in the high jump and javelin and third in the triple jump.

Lumberjack sprinter Ron Remington was limited to competition in the 440-yard dash and the mile relay due to a slightly pulled leg muscle. Half-miler Jerry Blueford finished a close second to Ferlatte, running one of his better races of the season.

Hurdler John Nisson was edged by the Aggies' Jerry Lilly in the 120-yard highs (16.0) and finished second to Fred Cross in the 330 intermediates. Dale Potts scored HSC's only point in the sprints by taking third in the furlong.

Javelin thrower Phil Fox of the Aggies came through with a good effort of 197 feet.

the 1960 NAIA baseball title and then signed with the Cards. After just a year and half in the minors Washburn made it to the big time where last season he compiled a 12-10 mark.

But that's not all. Ray has started the '63 campaign with a resounding blast and is currently 4-0. He has pitched two shutouts, the latest a three hit masterpiece against the L.A. Dodgers.

This "star" formation and other water ballet scenes will be staged May 10 and 11 in the HSC Water Show.

Golfers Beaten by Nevada, Aggies

The winless Lumberjack golf squad suffered two more setbacks last Saturday in Reno.

Nevada University downed the locals by an 11-4 count and the Cal Aggies scored an easy 12-3 win over HSC.

The only meet remaining on the slate for coach Ford Hess' team is next weekend when they travel to Chico for the Far West-

tern Conference championships.

Humboldt will be a distinct outsider in the FWC meet with San Francisco State and host Chico rated the co-favorites. Other teams competing will include Alameda State, the Cal Aggies, University of Nevada and Sacramento State.

How does Christian Science heal?

You have heard about Christian Science, but how much do you actually know about it?

Here is your opportunity to gain firsthand information about this religion which has brought countless people not only consolation and hope, but healing - dominion over sickness as well as sin.

Your neighbors who are Christian Scientists cordially invite you to a Christian Science lecture. These lectures are free, no collection is taken, and you will not obligate yourself in any way by attending. They last one hour, and are given by members of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Attend a free public lecture:

"HOW CHRISTIAN SCIENCE BRINGS FREEDOM FROM LIMITATION"

by Paul K. Wavro, C.S.B. of Jacksonville, Fla.

TUESDAY, 8 p.m., MAY 7

at the PRESBYTERIAN CHURCH at 11th and G Sts., Arcata, Calif.

ALL ARE WELCOME

CAMPUS CASUALS

By Peggy

Adv.

Hello!!

Long time, no see. After a missed deadline and Easter Vacation, it has been some time since I have had a chance to chat with everyone.

Ah-h-h-h!!! In spring a young man's thoughts turn to...love...and baseball. But the former is especially true of our dear old campus.

Congratulations on the pinning of Sherryl Waits and TKE Bob Fox, and Dorothy Jerland and TKE Chet Wilcox. Best wishes all.

At the Tke Corinthian Ball Chet was also chosen as "Top TEKE". Again, congrats.

And at the event, Jack Beuhler pinned Marilyn Bets.

But whoa — there are even more congratulations due. To Lois Johnson and Dick "Zeus" Wild who are engaged.

Also wearing a lovely ring is Marge Jackson who will soon be Mrs Bill Crichton.

Marge, incidentally, works at Daly's and she showed me these darling casual outfits. Stretch Pants! In all colors, pink, red, blue, olive, black and browns. \$11.98. The Zingiest! The utmost in comfort!!! And to wear with them are the newest, but newest Tee-shirts. Prints, stripes, solids, polka dots, at \$6.98.

They certainly do make a neat looking outfit. I would not recommend them for classwear however — there are profs. who will excuse a student for such attire. It has happened!

Remember that song "Who has the ding-dong. Who has the bell?" Well, that is what the TKE's were singing when someone stole their bell. But, then, you can always ask a TKE where they got the bell in the first place?? Ho-hum.

Hope that everyone has a great time and attends all the Lumberjack Days events this week-end. Chairman Rich Hale and committee have been working hard so that all goes well.

Rich, you should take time off from campus work for a swim. And Daly's has the neatest in men's swim trunks. Absolutely all colors, and the wildest color combinations ever. \$5.00 to \$6.95.

You would never have to worry about drowning or not being found. You would be seen under 50' of muddy water in one of Daly's suits.

And congrats on the wedding of Penny Neville and Chuck Schoop. Congrats to you both.

Glad to see so many girls going active in Delta Zetas. Also, it was nice to see HSC well-represented in the Miss Eureka pageant.

Well, with that I shall bid thee adieu.

See ya' in two weeks, I hope.

Peggy

Lumberjack Nine Attempts to Bounce Back

Meets Chico State For Doubleheader at Noon

The 'Jack baseball team got its first taste of action last weekend, but it turned out to be more vinegar than sugar as they dropped a pair of one run decisions, 3-2 and 6-5, to the University of California Aggies. Today at 12 noon the 'Jacks will tangle with the Chico State Wildcats in a doubleheader on the college diamond.

Humboldt pitchers came through with fine performances but miscues spelled the difference in the series. Senior veteran Larry Taylor went the distance in the opening game giving up six hits and striking out eight. Another veteran, Tom Leitz, posted a strong seven innings in the nightcap, retiring the first eight men to face him, but faltered

in the seventh. Reliever Jay Dickinson took over and received the loss although the combination allowed only four hits.

In the opener the Aggies scored a run in the first on a fielder's choice followed by a triple and added another in the third on a double and a single. Humboldt battled back with lone tallies in the fourth and fifth. In the fourth Joe Taylor walked, went to third on a single by Gary Owens and came home when a pitch got by the catcher. In the fifth Owens got life on an error, stole second, went to third on an infield out and scored on a wild pitch.

The Aggies pushed across the big run in the bottom of the sixth on a single, a stolen base, an error and finally a wild pitch by Taylor. Humboldt collected only three hits in the game, made two errors and left six men stranded. Hitting safely for the 'Jacks were Owens, Dave Minor and Gary Mayes.

HSC 000 110 0-2 3 2
Cal Aggies 101 001 x-3 6 3

While Leitz was retiring the first eight batters the 'Jacks jumped on the Aggie starter for three runs in the fourth inning. A pair of errors by the hosts, a single by Mayes, followed by a double by Frank West accounted for the scoring. HSC came back with a pair in the fifth after walks were given to Monty Feekes and Roger Tofft while Owens was safe on a fielder's choice. Tom DiMercurio sacrificed to center and Ralph Mayo singled to bring in another run.

The Aggies showed their offensive power starting in the sixth with a pair of runs on a walk, triple and a sacrifice fly. They tied the score in the seventh on an error, a pair of walks and a three-run triple. In the eighth the Aggies opened with back-to-back singles followed by a sacrifice fly. Meanwhile Humboldt was held in check by Aggie reliever Rich Smith who retired the last 10 men in order.

Cal Aggies 000 002 31x-6 4 4

Finmen In Record Showings

Humboldt State swimmers broke three more school records during the final day of the Far Western Conference Swimming Championships in Chico last weekend.

Vince Lucido and Kent Johnson, a pair of freshmen from Eureka, both established records while winning fourth places in the 100-yard backstroke and breaststroke respectively and the 400-yard freestyle relay team broke its own record while taking fifth place.

Defending champion San Francisco State outlasted host Chico State to capture their second team title, 125-110. Cal Aggies, 1961 champions, were third with 88½, Sacramento State was fourth with 56½ and Humboldt trailed with 33, nine more than a year ago. University of Nevada and Alameda State did not compete.

A crowd of 300 turned out for the third day of the championships to see the swimmers continue their relentless attack on the records book. Winners established new conference records in all 15 events.

Humboldt swimmers, meanwhile, set nine new Lumberjack records, leaving only six former marks intact.

HUMBOLDT STATE

Robbie Wigand — won 200-yard butterfly, second in 500-yard freestyle. Records: 2:18.9 for conference and school record in butterfly, 5:34 for school record in 500 freestyle and 2:01.2 for school record in 200 freestyle.

Vince Lucido — fourth in 200-yard backstroke and 200-yard individual medley. Records: 1:03.8 for school record in backstroke and 2:20.9 for school record in individual medley.

Kent Johnson — fourth in 100-yard breaststroke. Record: 1:10.6 for school record.

Relays — fifth in 400-yard medley relay and fifth in 400-yard freestyle relay. Records: 4:17.2 by Lucido, Johnson, Wigand and Hemsley for school record in medley and 3:47.6 by Cramer, O'Brien, Hemsley and Lucido for school record in freestyle.

Jeff Ellis — Record: 5:47.5 for school record in 400-yard individual medley.

Tennis Team Goes Down To Three Road Defeats

The Humboldt State tennis team traveled a long way last weekend for nothing but experience.

The 'Jacks lost a pair of 6-1 matches to San Francisco State and Alameda State and were whitewashed 7-0 by Sacramento State.

Top man Abbot Squire won HSC's number one singles for the initial time in seven years over SF State by thumping Guy French, 6-2, 6-3. Second man Steve Harrow put up a battle against the Gators' Bill Vaughn before losing 6-4, 7-5.

Humboldt's number three and four singles men, Bill Davis and Jim Gunther, were straight set losers. Fifth man Steve Yeghorian also lost in two sets, 6-0, 6-2. In doubles play the tandems of Squire and Harrow and Davis and Gunther went down to defeat.

The competition against Alameda was tightly contested, but the breaks went against HSC. Humboldt's lone win came in the third singles match when Davis won a three setter over Mike Navon, 3-6, 6-3, 10-8.

Three Lectures

Dr. Roscoe Peithman, chairman of the Division of Physical Science, is announcing a three-day visiting lecturer program Monday, Tuesday and Wednesday which will serve as a dedication series for the new Physical Science wing.

The lectures will be at 8:15 each evening in the Wildlife Auditorium and the public is cordially invited.

The series will present three leading scientists of the west coast.

Six HSC Students May Study Overseas in Fall

Six students have been selected for consideration in the California State College Overseas Program for study in Europe.

According to Dr. Frank Wood, Associate Professor of French, the six students will be considered by a selection committee in San Francisco. The candidate selects the country in which he wants to study, either Germany, France or Spain.

The students selected are: Patricia Anderson, France; Neale Ann Barnes, France; Harriet Beedy, Spain; Lorraine Cooper, France; Gerald Hoopes, Germany; and Marilyn Johnson, Spain.

There are four universities cooperating in this program: The University of Aix-Marseille in France, The Free University of Berlin and the University of Heidelberg in

Germany and the University of Madrid in Spain.

Dr. Lantos, in charge of this program, will be on campus May 8, at 3 p.m. to talk primarily to the six candidates, but his visit will be announced and all interested may attend, Dr. Wood said.

State College Trustees Meet at HSC Next Week

On Thursday and Friday the Trustees of the California State Colleges will meet on the Humboldt State College campus.

Preceding the meetings on Friday, the 50th anniversary banquet will be held in the College Commons with the trustees as special guests. Other guests in attendance will be from the Chancellor's office and presidents from other California colleges.

The banquet is by invitation only, but a few tickets will be sold for those individuals that request them.

The Trustees of the California State Colleges are composed of

business and professional people throughout California, including the Governor, Lieutenant Governor and Superintendent of Public Instruction. Although the final guest list has yet to be made up, the President's office feels that Lieutenant Governor Glenn M. Anderson will be in attendance.

Latin America Topic of Talk By UC Historian

Dr. Armin Rappaport, Professor of History from the University of California at Berkeley, discussed "Problems of Latin America for the United States," Monday in the Founders Hall Auditorium.

Dr. Rappaport recently completed a two week trip to Central America where he visited Panama, Costa Rica, Guatemala, and Mexico.

Dr. Rappaport said that during the past 16 years the United States had both public and private interests in Western Europe and has spent \$35 billion out of the total of \$45 billion in foreign aid in revitalizing and resuscitating Europe in order to form a protection for ourselves against Russia.

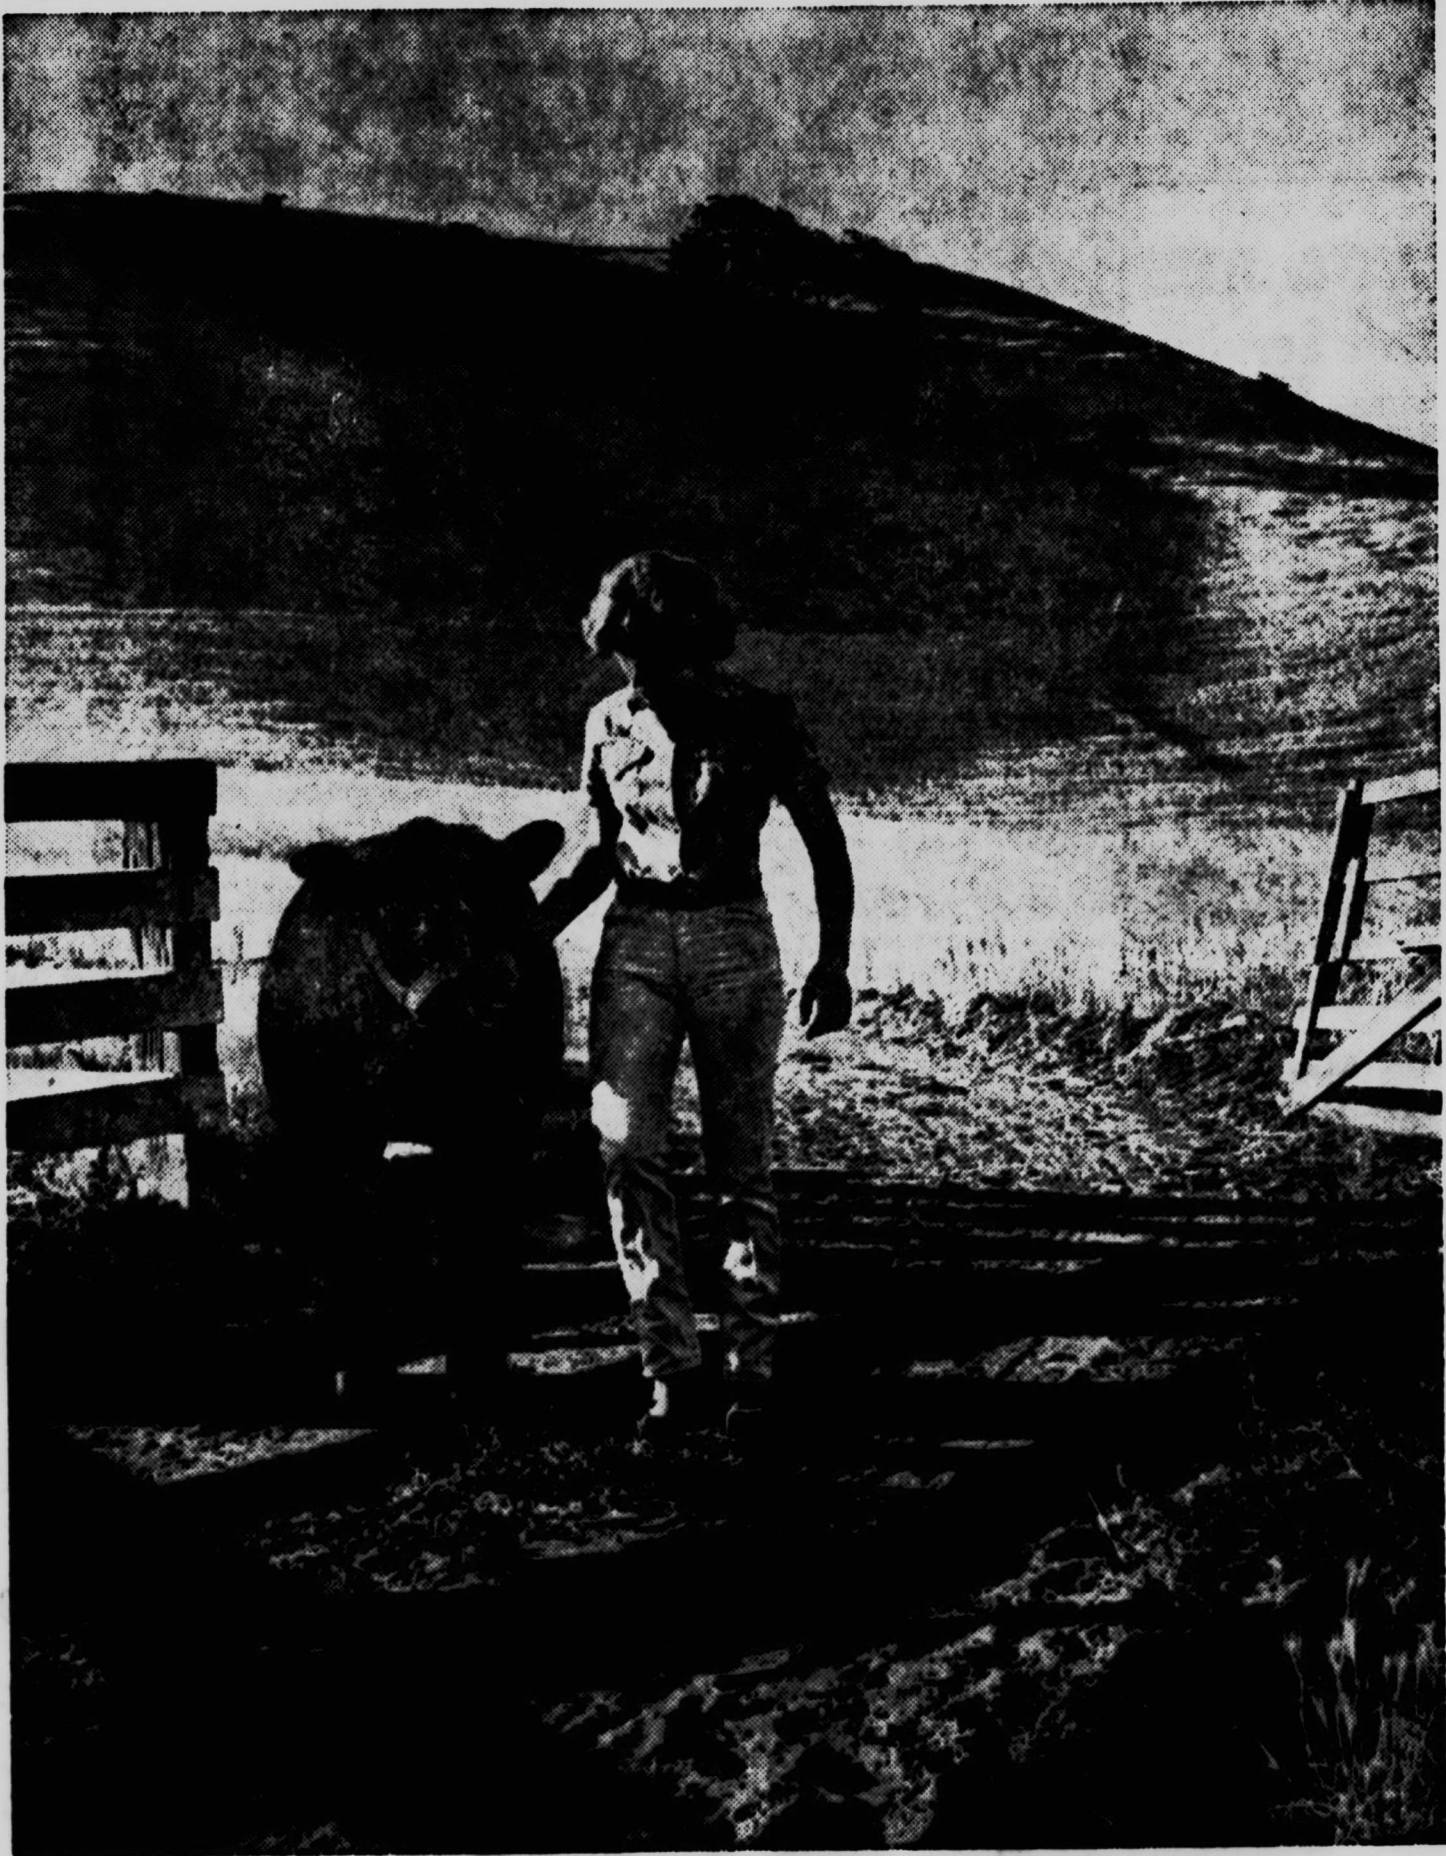

The second interest has been in Asia where \$9 billion has been spent in foreign aid. Latin America, in comparison, has received \$1 billion.

Dr. Rappaport believes that the tables are turning and that the United States is finding that perhaps the security it needs is not so dependent on Europe and Asia but rather on Latin America.

The Professor said, "Castro's Cuba can be divided into two types of threats: first the physical threat, and secondly, the danger ideologically."

He said, "the following statistics demonstrate the oppression and poverty that lead these people to look toward Communism for help. The annual per capita income for the Latin American is \$4-600 and the average wage per day is 20 cents."

On August 17, 1961, the Alliance for Progress was formed and for the last three years it has been trying to provide aid in the form of dividing the land.

Do you think Charlie can win a ribbon?

That's what Joan Anderson, 4-H girl, is striving for: a blue ribbon for Charlie at the County Fair.

Working for excellence is one of many fine principles which the 4-H Club and Future Farmers of America inspire in their youthful members.

Honoring their purposes, our Company annually provides 74 first-year college scholarships for 4-H and

FFA to award to deserving members in the West, Alaska and Hawaii.

Joan Anderson plans to apply for one of these.

This is part of the nearly \$1 1/2 million we contribute annually for scholarships, fellowships, grants, services and materials for schools. We deem it a privilege to give this support.

Planning ahead to serve you better
