Council Accepts Two Bids For Fall Concessions

By ED JESSON

The Student Legislative Council Tuesday voted to award the program sales to Forestry Club and concessions to the Intercollegiate Knights for next year's football games.

Conservation Unlimited along with the Intercollegiate Knights submitted bids for the concessions, with the Forestry Club being the only one bidding for the program sales.

The winning bid for concessions will give the student body 40% of the profits while the remaining 60% will go to the organization.

Chuck Freitas informed council that Tom Amen and Bill Huffman were selected by Lumberjack Enterprises to represent the ASB on the board of directors.

The ASB Treasurer, Dick Visser, handed to council the proposed budget for 1965-66, and announced they will vote on it next week. He encouraged the legislators to study it carefully and ask any questions next week.

Final Publication

Today's issue of the Lumberjack will be the last one for the present semester. The Lumberjack has completely spent its budget for this year and as such, has decided to discontinue publication in order to meet its obligation to the Student Body. We have published 29 issues this year, one above what our budget called for, and one above what has been published in the past.

Our next publication will appear during registration next fall. Interested individuals may participate in the production of the Lumberjack by registering either in Journalism 27 or 127 for credit while serving on the paper's staff next year.

New Policy For Probation And Disqualification

Robert A. Anderson, Associate Dean, Admissions and Records, has announced a new policy concerning probation and disqualification which will go into effect in the fall of next year.

Under this policy, a student is placed on academic probation if either his cumulative grade point average or his grade point average falls below a 2.0 (grade of C on 5-point scale).

A student is removed from probation when he earns a cumulative grade point average of 2.0 (C) in all academic work attempted, and in all such work attempted at Humboldt State.

A student on probation shall be disqualified if: (1) As a lower division student (less than 60 semester hours of college work completed) he falls 15 or more grade points below a 2.0 average on all units attempted or in all units attempted at HSC.

(2) As a junior (60-89½ semester hours of college work completed), he falls nine or more grade points below a 2.0 average on all units attempted or in all units attempted at HSC.

(3) As a senior (90 or more semester hours of college work completed), he falls six or more grade points below a 2.0 average on all units attempted or in all units attempted at HSC.

(4) As an unclassified graduate student, he falls six or more grade points below a 2.0 average on all units attempted or in all units attempted at HSC.

Anderson noted that students on probation under the standards in effect throughout the 1964-65 academic year may continue in attendance as long as they make progress in each semester of attendance toward meeting the new probation and disqualification requirements.

The new policy will go into effect next fall and is part of the stiffening of academic requirements in California's State Colleges.

College Juniors May Borrow \$600 For Senior Year

College juniors who wish to use the summer before their senior year to prepare for post-graduation Peace Corps service now may borrow up to \$600 to help pay their senior year school expenses. Loan repayment may be deferred until after Peace Corps service has been completed.

The loan program, announced today by Peace Corps Director Sargent Shriver, is the product of an agreement between United Student Aid Fund, Inc. (USA Fund) and the Peace Corps Volunteers Fund, a non-profit foundation established by the Peace Corps National Advisory Council.

Privately funded, the loans are guaranteed by USA Fund, a non-profit corporation providing loan guarantees to students on 700 campuses, with the participation of more than 6,000 banks throughout the United States.

Allen D. Marshall, president of the USA Fund, called the loan program "A unique relationship between two private organizations (USA Fund and the Peace Corps Volunteer Fund) jointly benefiting a unique agency of our Federal Government."

Following the eight-week summer program, Advanced Training participants return to their regular college, where they may continue language study on an individual basis. No specific course requirements are made.

After graduation, participants return to a training center for eight weeks more of intensive instruction. Those who successfully complete the final training program then will begin their work abroad as regular Peace Corps Volunteers.

The 20-year old junior biology major from Crescent City was selected queen from a field of three candidates in a student body election.

The other candidates were freshman Sandy Burroughs and sophomore Louise Bonomini, both Spanish majors from Eureka.

Pictures Are Waiting For Many Students

There are 114 students who have not picked up their pictures that were taken for the Sempervirens.

These pictures, which have been in the bookstore for almost three months, are all paid for and all that is necessary to receive them is to walk into the bookstore and identify them.

"It is almost the end of school and I sure would appreciate it if they were picked up," remarked Mrs. Geneva Kinzer of the graduate manager's office.

The pictures were taken by Rapoport Studios of New York for the yearbook.

Lumberjack Days are over! Don't you think it would be wonderful if all weekends could be just as fun filled as the past one. There were just so many activities to go to that I had trouble making up my mind where to go next. The Delta Zeta Slave Auction which is always a much waited for event proved to be quite interesting as well as profitable for everyone concerned — the water show was enjoyed and the Bull of the Woods contest was fun as always. Casino Night and the Saturday activities were really a blast. The events were highlighted by the Annual Spring Formal and so ended a swinging weekend.

Did you see that "Rat Fink" Mike Wagner gambling away his fortunes? I'll bet Mike lost his shirt! Not really though cause you can't lose with a "Rat Fink" and Mike looked extra sharp in his Rat Fink shirt, the latest thing from Daly's Men's Store. The Rat Fink, an ivy shirt made by Kennington, has the new button down "R.F." look. The new higher full fashion roll collar with removable flexitized stays that allow a fellow to shape the collar as desired.

The Rat Fink has a brother, the Surf Fink which has a stand up fashion collar "for that California leisure look." Both these men's duds are tapered in wash 'n wear stretch cotton in black, brandies apricot, paint box blue, peanut butter, earth green, sanstone, cloud blue and jonquil. Short sleeves only. \$5.95. S-M-L.

Our congratulations go to several couples who were pinned recently. A few weeks ago the men of Delta Sigma Phi were heard serenading at the girls dorm as a pinning ceremony was being held. The honored girls were Karen Reese, pinned to Tom Moore and Ruth Bodner, pinned to Steve Ruden. Delta Sig Bob Shelsta and Nancy Perrin were also recently pinned.

The TKE Corinthian Ball was an exciting event for Pete Silva as that was the night he pinned Susie Winters. Congratulations to all couples.

Delta Zeta Linda Edwards has purchased the neatest outfit from Daly's 2nd Floor Sportswear Department. A Bobbie Brooks skirt and blouse. Linda chose from Mix 'n Match pastels of blue, pink and green. Her skirt is the popular A-line style. \$9.00 although the straight skirt \$8.00 sizes 5-15 look just as stylish with the matching blouses of stripes, checks, and prints or the Helanca Knit Shells \$5.00 sizes 9-15. These outfits are made of easiest care cotton and are really the most for campus wear.

Daly's Bridal Salon is becoming a very popular place these days with coeds. Why? June brides you know! One in particular who is flashing a new diamond is Sue Bramwell, a junior nursing major. I guess wedding bells will be ringing soon. Congratulations Sue.

May 14th is the date that the Delta Zeta's are holding their annual Anniversary Banquet at the Eureka Inn. Special huzzahs to these girls! They've done an outstanding job in the past years of their existence. The best of luck to them in the future!

Ahoy there! The date has been set! The Delta Sigma Phi house is the place! Mucho activity in preparation for their annual Sailors Ball to be held May 15th. The event is the Delta Sig's big spring "informal" and has in the past been a rip roaring occasion! This year will be no exception! All you DSP landlubbers can wet your feet! It will no doubt be a real Ball!

Orchestra, Choral Groups Combine Thursday Eve.

Humboldt Choral, A Cappella Choir, and Madrigal Singers will combine with the Symphony Orchestra next Thursday evening at 8:15 to perform R. Vaughan Williams' "Dona Nobis Pacem," a cantata for soprano and baritone solo, chorus, and orchestra. Vocal soloists will be Mrs. Russell Connett, soprano, and Dr. Leon Wagner, baritone. The work, to be sung by the combined 156 voice choir, is based on writings by Walt Whitman, John Bright, Jeremiah, Daniel, and Haggai. The orchestra will also perform Schubert's "Unfinished Symphony." This will be the farewell concert of three graduating first chair musicians, said professor Fulkerson, conductor of the program. They are Ken Thurston, cello; Ken Davis, oboe; and Lee Gross, flute.

Professor Fulkerson, director of the orchestra and chorale, recently received the 1965 Who's Who Award from the Alumni Association. A banquet was held in his honor last weekend.

There will be only one performance of the concert on Thursday.

Dorm Hall News

Students April Byard, Barbara Moon, Ed Waldapfel, along with Housing Administrator Jack Altman recently attended the National Association for College and University Residence Hall Conference.

The three day affair, for the purpose of discussing the problems of residence halls, was held on the Washington State Campus.

The conference was based on four rounds of discussions groups. Since each round consisted of five topics, the Humboldt delegates split up and attended different groups. By doing this they were able to obtain more information and ideas that would benefit residence halls here.

After the discussion groups, a panel consisting of three administrators and three students met to talk over relationships between the students and the administrators of residence halls.

Activities at the conference included two speakers. Dr. J. Albin Yokie, National Association of College and University Residence Halls advisor, spoke on "Residence Hall Programs," and Dr. Robert Gordon, Dean of Men at Stanford University, spoke on "The Changing Role of the College Student."

Housing Administrator Jack Altman recently announced the new Resident Assistant for the residence halls next year.

For Sunset Hall they are: First floor, Sandy Loverich; second floor, Nancy Dykes; and third floor, Sonja Arneson. For Redwood Hall, Ed Jenson will handle first floor, while Gerald Keys will be in charge of second floor and Mark Smith will be on third. The R.A. for Nelson will be Al Strippen.

Mr. Altman commented that the selection of these students is extremely important since they play a vital role as a link between the hall occupants and the administration. He also said that he felt that a resident assistant's job is good experience for any student planning to enter public relations.

Dorm resident applications for the fall semester have reached 640 with the available housing being only 442.

There are slightly more applicants this year at this time than last according to Jack Altman, housing manager.

Men applicants have been placed on a long waiting list and off campus housing is being suggested to them. The quota for the men was filled in March. However, some applicants may cancel reservations and others will be denied admission to the college.

Each year half of the residents facilities are reserved for returning dorm students and the other half for new students. There are more applicants in both categories than spaces.

Junior Jacks Finish Season With 2 Wins

Two victories last week enabled the Junior Jacks to close out their season with an impressive 16-6 record.

Brian McGrew shutout Arcata 1-0 in one of his usual fine pitching performances. He also scored the game's only run when he reached first on a walk, was advanced to second by Marshall Falgot's bunt single, and came in on a single by Mike Wolfington.

A ten run outburst by the Hilltop batsmen in the first inning proved fatal to McKinleyville as the collegiates ended their season with a 15-5 slugfest.

Starter Ken Overmoe received credit for the victory, but had fine relief help from Jim Constantino.

'Jacks In Home Final Tomorrow

Double-Header On Home Field With Chico State

Coach Oed Kinser's baseball team will be out for its first Far Western Conference double-header sweep when they host the Chico State Wildcats in the final home games of the season for the 'Jacks.

The first game is scheduled to start at 1 p.m. on the Humboldt diamond.

The 'Jacks failed in their fourth bid for a sweep last weekend when they were edged by Nevada in the night-cap after winning the opener.

The 'Jacks now sport a 3-5 FWC record and a 18-10-1 overall mark.

Coach Dick Marshall's Wildcats come into tomorrow's contest with a 3-7 league mark and 10-11 overall.

The Wildcats are led by Ed Fisher who is last year's leading hitter with a .310 average and Mike Hull, the team's leading fielder at

third base or shortstop.

Two returning pitchers, Russell Peterich and Richard Maher lead the Wildcats in the pitching department.

Coach Kinser will probably go with his usual top starters in tomorrow's twin bill with righthander Dennis Filkins and lefty Bill Wilkinson.

Last Friday the Lumberjacks split their double-header with the Wolfpack as the 'Jacks won the opener behind Filkins' four hit pitching 9-0 and dropped the night cap 16-15.

Racquet Men In Sacramento For FWC Match Today and Tomorrow

The Lumberjack tennis team left Arcata yesterday for the Far Western Conference match to be held today and tomorrow in Sacramento.

The 'Jacks finished up their regular match play with two games last week. On Thursday the Hill-toppers won their final league

match of the season as they beat Chico State and Friday the 'Jacks were defeated in a non-conference match with Southern Oregon 5-2. The split last weekend left the 'Jacks with a 5-2 league record and a 5-3 over-all mark.

Last year the 'Jacks tied for the championship with two other teams with this same 5-2 mark but this year it was only good enough for a second place finish.

In the FWC Meet today and tomorrow the 'Jacks should be in the running for a top place but, should run into rough competition from San Francisco State, Cal State at Hayward, and Sacramento State.

Golfers At Davis For FWC Finals

Coach Franny Givin's golf squad scored a 14½ to 6½ win over the Cal Aggies at the Baywood golf course last Saturday.

Dennis McManus topped Dick Auger 2½ to ½. Then teammate Don Harling bowed to Mason Meyer 2 to 1 and the Aggies claim the first team match 2 to 1. In the following match, however, Dave Perry and Doug Brown beat Mike Salkin and Gary LaBlanc 2 to 1 and 3 to 0, earning the team match 2 to 1. Dick Visser earned Medalist honors with his 75 score.

The Hilltoppers left for the FWC Finals in Davis yesterday sporting a 4-3 season's record. McManus, Harling, Perry, Roger Sesna and either Visser or Brown competed Thursday and today. Coach Givins could make no sure predictions but said that "if we play well we could pull third place."

Joe Cool from the valley . . . Yes, the Lumberjack track men will meet many Joe Cool's like the one above when they enter the FWC Championships tomorrow at Sacramento. Sacramento State and Nevada have been listed as the favorites to win.

Thinclads in FWC Championships Tomorrow at Sacramento State

Tomorrow the Lumberjack track squad will travel to Sacramento for the Far Western Conference Track Championships which start at 1 p.m.

The University of Nevada and Sacramento State College will battle it out for the team title as they have shown to be the two strongest teams in the conference.

Dr. Hassman will be taking the following trackmen to the conference meet: Tom Atzet, Dennis Cain, John Cates, Roger Davy, Jim Douglas, Brian Furman, Craig Edberg, Tom Farmer, Ralph Johnson, Fred Kogler, Bruce Lempke, Ken Lybeck, John Lewis, Rod Quesnell, Pete Sturman and Ed Wallace.

Last Thursday night the Hilltoppers suffered a 102-48 defeat by the Chico State Wildcats.

The Wildcats grabbed 13 of the 18 first places. First places were taken by Rod Quesnell in the 880, Ken Lybeck in the 1 mile run, Roger Davy in the discus, and Tom Farmer in the triple jump.
