HUMBOLDTERS GO VISITING

Miss Ann Craig, head of the P. E. Department here, accompanied by Miss Eleanor Renfro, drove to Lake County Friday, where the week-end was spent. Miss Craig visited relatives at the Rainbow Resort, while Miss Renfro visited her home at Kelseyville. They returned Sunday to Arcata.

Janet Robinson, who stays at Sunset Hall, visited her parents in Bandon, Oregon, over the week-end. She drove as far as Crescent City with President and Mrs. Gist, and then she was met by her parents.

CAST CHOSEN FOR PLAY AT COLLEGE

Miss Lucy Neely McLane, instructor in dramatics, has selected "The Command Performance" for the fall production and has already chosen practically all the cast of characters. Work on the play will begin immediately. Louis Tallman is scheduled to take the leading part and will play a double role, which according to Miss McLane, affords an unusual opportunity for excellent acting. Tallman has had much experience, having appeared in a great many high school and college plays. The cast of characters is as follows:

Queen Elinor of Moldavia, Madeline Kammerzell.
Queen Elizabeth of Wallachia, Margaret Rogers.
Princess Katherine of Wallachia, Jessie Hinch.
Lydia Petrovie, Harriet Finne.
Prince Alexis of Moldavia and Peter Kraditsch, Louis Tallman.
Count Vollenburg (Chancellor of Moldavia) Leo Schussman.
King Nicholas of Wallachia, Harlan Still.
Hildred Sabidoff, Fred Goodwin.

Paul Masoch, Dale Merriam.
Blondel, Lloyd Wasmuth.
The parts of "Olaf Milosovic" and of the Sergeant will be cast later.

President Gist Receives Honor

President Arthur Gist has recently been appointed to the advisory staff of a new publication under the direction of Vierling Kersey, state superintendent of public instruction. The magazine, "California Journal of Elementary Education," will be distributed without charge to all the elementary teachers in the state. The material will be devoted primarily to problems of organization, administration and supervision.

The advisory staff is composed of prominent educators in the state of California. Gist is the only college president included in the list of advisors.

The publication is to be issued quarterly, and according to announcement, the first number will appear soon.

TOO MANY CUTS LOWER GRADES

Although more freedom probably is accorded students in Humboldt State Teachers College than the students had in high school, there are, however, certain regulations concerning class attendance which limit "freedom" to cut classes.

Since absences over a certain limit may reduce one's grade, or even cause a failure in the course, the following college regulation is printed for the benefit of freshman and of new students who have transferred from other institutions.

"The maximum number of absences in any course allowed a student without excuse is equal to the number of credit units in the course. Each hour's absence from laboratory is counted as one-half or one-third value according to the number of laboratory hours required for a unit of credit. The maximum allowed in Physical Education is two. For every unexcused absence above the cut limit the grade is reduced so that a number of unexcused absences above the cut limit equal to the number

FROSH WELCOMED THURSDAY NIGHT

Welcoming the freshmen class Thursday night, students and alumni of Humboldt, enjoyed a highly successful dance in the college gymnasium. The gymnasium was decorated with ferns, while the lighting effect with Japanese lanterns was especially unique.

Leora Hunter, social chairman for the year, was in charge of the affair, and Paul Ely operated the lights. Music was furnished by Herbert Inskip and his College Pep Band. Patrons and patronesses for the occasion included Mr. and Mrs. Fred Christie, Dr. and Mrs. Vernon L. Hunt, Mr. and Mrs. Chris Christensen, Mr. and Mrs. Robert Gayart, and faculty members and their wives.

Preceding the dance the faculty held an informal reception for the freshmen in the social unit, which was decorated with dark rose dahlias. Herbert Inskip delighted the group with several piano selections, and after everyone got acquainted, the entire body adjourned to the gymnasium.

FEW VETERANS ON COLLEGE SQUAD

"GRID" SUCCESS DEPENDENT ON NEW PLAYERS, Says Coach

With only a few lettermen back and a crop of new material, football prospects at H. S. T. C. are not exceptionally bright. According to Coach Telonicher, the success of the team depends upon how rapidly the new players develop.

The team this year will have a strong line but the backfield will be weak. One reason for the lack of strength in the backfield is that several veterans have become ineligible due to scholastic rulings.

Wayne Simpson and Earl Tattman are the only lettermen left in the backfield. However, there are several new players out for berths in the backfield. Among them are Giuntini, Buxton, Caviness, Grossi and Christopher, all of whom have had considerable experience.

There are several veteran players on the line. Frannie Neilsen has been switched to center this year. Carl Penn and Bill Oliver are working for guard positions, while Harlan Minor, Ernie Brownlow, Clarence Heney and Lee Nellist appear to have a good chance to playing on the

W.A.A. HOLDS SEMI-ANNUAL

The Women's Athletic Association held its semi-annual banquet and initiation Wednesday night. The party was motivated by the depression.

A group of freshman women and transfers from other colleges became members of the organization.

Those in charge of making arrangements for the occasion were:

Initiation committee—Letha Robinson, chairman; Gertrude Hunter, Mary Carter, Donna Ivancich, Mary Neilsen, Janet Stewart, Lois Jackson.

Banquet committee—Elma Biasca, chairman; Ruth Carson, Valeria Del Ponte, Elise Henggi, Alice Porter.

Decorations committee—Elva Baumgartner, chairman; Margaret Rogers, Katherine Cloney, Marian Edson.

Entertainment committee—Melpha Cannam, chairman; Jeanette Peterson, Frances Seidell.

Ruth Carroll was in charge of the orchestra and Katherine Cloney of the community singing.

Men's Glee Club Will Sing Soon

The men's Glee Club will feature an assembly program before Christmas, according to an announcement from the music department this week. A soloist has already been secured, and the male quartet will sing several selections.

Mr. Jeffers has 35 members in the club now, and expects his quota of 40 to be reached before the end of this week.

Outing Enjoyed At Big Lagoon

A group from the W. A. A. held an enjoyable outing at Big Lagoon on Saturday, September 3rd. They motored to the lagoon in the afternoon, had a fine swim, and then had lunch at "Mim" Speyer's cabin in Andersonville. Lucille Winter, President of the Women's Athletic Association, arranged the outing.

Those participating were Eleanor Renfro, Mary Shinn, Bonita Hughes, Annabelle Stockton, of Sunset Hall; Mary Emily Speyer, Jean Baldwin, Alma Ruth Sweet, Lois Jackson, Janet Stewart, Lucille Winter, Ruth Carroll, Monica Wright, Sarah Davies and Ann Craig.

The party returned to Arcata Saturday evening.

FIRST ASSEMBLY IS CONDUCTED

At the first regular assembly, Friday, September 2, President Gist presented the student body with the "President's Cup for Student Teaching." Gist stated that he felt the need of some recognition for a job well done, and a job that would be well done even if such recognition did not exist. The supervisors in the Teacher Training Department will have entire authority in choosing the student excelling in teaching for each semester.

Wayne Simpson, student president, took charge of the assembly and welcomed the freshmen, outlining activities in which they might be interested, and urging that they participate in as many as possible.

Other numbers on the program included selections by Herb's Melody boys, community singing, introduction of new faculty members—Mr. Edmund Jeffers, and Miss Isabelle Craven. Solos by Jeffers, accompanied by his wife, welcome by President Gist, response by Channing Hadley, and the singing of the Alma Mater.

Orchestra Needs String Players

The Humboldt orchestra is in need of string players, according to Conductor Edmund Jeffers. Students who can play violin, cello, string bass, or viola are at a premium. Last Wednesday a turnout of 20 was welcomed by the instructor, but this number included only three strings and the remainder, brass, woodwind, and percussion.

The orchestra will be on hand for any of the programs or socials of the college or community.

If possible a string quartet will be formed, but the number of string players must be increased by at least one. Come on, you "Kreislers!"

Beta Alpha to Initiate
Friday afternoon, September 16, the Beta Alpha Cast of the Alpha Psi Omega dramatic fraternity will hold its semi-annual initiation in the college auditorium. Following the formal initiation, the fraternity will drive to Big Lagoon for a week-end house party. Miss Lucy Neely McLane will accompany the group. Officers of the local cast are as follows:

Louis Tallman, president; Harriet Finne, secretary; Lucy Neely McLane, faculty director.

H.S.T.C. GRADS ARE GETTING POSITIONS

OF 37 WISHING TO TEACH; 21 ALREADY HAVE PLACES

Of the 37 students who were graduated this year from Humboldt State Teachers College and who desired to teach, 21 have positions.

In all, 39 students received degrees from Humboldt this year, either at the regular Commencement in June or at the end of summer school. Of this number, two did not desire positions.

Seven of the other 37 were teachers already having positions who either obtained leave of absence and attended one or more regular sessions here or completed their work by courses in the summer at Humboldt or elsewhere.

Sixteen, or fewer than half of the total number of graduates, as yet have not obtained positions.

In view of the fact that there were fewer vacancies this year because teachers already employed were not giving up their po-

THIRTY "INMATES" AT SUNSET HALL

Sunset Hall has 30 members this fall and will have some real good times. Gertrude Hunter is president of the Hall this semester. She will be assisted by the following:

Vice president—Elna Gries.
Secretary—Letha Robinson.
Treasurer—Marian Cutler.
House Manager—Tudy Stockton.

Social Chairman—Hazel Christensen.

Other girls living at the dormitory are Carmen Alward, Barbara Collins, Adelaids Wethern, Bonita Hughes, Mary Shinn, Janet Robinson, Mary Tosti, Blanche Charles, Edith Reback, Dorothy McGovern, Sarah Hartley, Esther Genzoli, Agnes Combs, Anita Calanchini, Elma Biasca, Vada Hall, Oliva Torgersen, Loise Parker, Kathleen Garner, Alyce Finne, Harriet Finne, Leora Hunter, Eleanor Renfro, Louise Johnstone and Miss Imogene Platt, registrar of the college.

Students Receive Credits at U. of C.

A letter has been received from Marion Diedrichsen, this spring's graduate, who is at the University of California working for a high school credential, along with Dorothy Johnson, another Humboldt graduate. Her letter said that both she and Miss Johnson had received full credit at the university for all their work taken at Humboldt and concludes as follows:

"Since Dorothy and I had both expected that we would have to spend more than a year in order to get our credentials, we are very happy over the standing which we received. This should be encouraging to other Humboldt College students who plan to do graduate work here."

IS IT REALLY A DONATION?

The Humboldt Lumberjack is fast becoming a real advertising medium for the merchants of the county. In previous years business houses have been advertising with a somewhat skeptical idea as to the return value of the money. As a student approached him, one fellow quite wittily put it: "Well, here is my donation." Very strikingly has the editor of the Mariner (Marin Junior College) expressed it. "In the past when a local merchant bought advertising in our paper, he did so in a spirit of Faith, Hope and Charity, apportioned in the ration 1:1:98, respectively. He had little faith in a young paper as advertising medium, little hope of any immediate return, and he very probably considered the expenditure as a small act of charity which might possibly pave his way to a seat in Heaven devoid of ambitious collegiate business managers." That was about the same attitude the Humboldt merchants had.

But if we really figure it out, the Lumberjack has a real advertising value to local business men. We have a reading public of about one thousand. There are about three hundred and fifty students here who probably average fifteen dollars a month in expenditures at local concerns. (This estimate is especially conservative.) In a school year this would amount to more than fifty thousand dollars! When we think of the college payroll of ten thousand dollars a month, we can more easily see the vast amount of money this institution brings to Humboldt. So surely there is a return for advertising in our paper.

The Student Body has heretofore budgeted two hundred dollars a year, a sum which in itself is not sufficient to print this paper. We are dependent upon our advertisers for the remainder of the cost. Readers of the Lumberjack can help the cause by patronizing those who put ads in the paper. When you go into one of our friend's store, mention to him that you saw his ad in the Lumberjack and that you thought you'd drop in to see what he had. Let's convince the business men that their ads are not in vain. Patronize our advertisers!

OBEY THE RULES

Early in the year is the time to start good habits and to break bad ones. When you new students and old violators read the placard, "STREET SHOES PROHIBITED ON THIS FLOOR", remember that at Humboldt we try to say what we mean and mean what we say. Surely all the students take some physical activity and possesses gym shoes. It will be better for all concerned if we get the habit of putting those shoes on before playing in the gymnasium.

THIS COMMON COLD

There are a great number of whatever those cold germs are called in the air around this institution. Coughing, sneezing and blowing are common occurrences. Sore throats are the usual ailments. We are on the verge of a real epidemic of the common cold. Let's see what we can do to prevent it. Every student should find out something of the causes of colds and try to prevent one taking a hold on him. Dr. H. L. Jenkins, college physician, will make cold vaccine for any students desiring it. If your throat is the least bit sore, it is a good idea to visit the Health Office and get it sprayed. And the least you can do is be careful where and how you cough and sneeze.

All of us should make a special effort to prevent colds, because the quality of our work here will show a definite drop downward if we are to be pestered by colds throughout the semester.

PATRONIZE OUR ADVERTISERS

OPINION AT HUMBOLDT

Dear Editor:

When loyal alumni ask me all kinds of questions which new students are likely to have presented to them by those who have long departed from their Alma Mater, they seem to gather from my answer that I am much impressed with Humboldt. This is true.

After passing some questions with a "yes" or "no", I go into detail on how the instructors all appear to be glad you are attending the college and how very helpful and patient they seem when students present long lists of questions to be answered.

Do I know anyone? Not very well as yet, but all those who have answered seemingly unimportant questions which I didn't ask the instructors, have been very helpful and friendly.

Sincerely,
HELEN BEAN.

GIVE FROSH CREDIT

The freshmen have been "taking a beating" since their entrance to Humboldt State, so a little commendation and praise should not be out of place now. Those youngsters certainly deserve a lot of credit for their splendid co-operation in the medical examinations which are fast nearing completion. With very few exceptions those first year students were at the Health Unit promptly at the hour their appointment stated. Incidentally, the Health and P. E. Department says there was a "record turnout."

COUNTY SENDS MANY STUDENTS

Ten California counties besides Humboldt are represented in this fall's enrollment at Humboldt College. The counties and their representatives are as follows:

Alameda County: George French of Berkeley.

Del Norte County: Gillis Court-right, Marian Cutler, Ione Hamilton, Elise Henggi and Alva Louise Howe of Crescent City; Valeria Del Ponte and Frank Look of Klamath.

Fresno County: Jean Taylor of Coalinga.

Imperial County: Blanche Charles of Calexico.

Lake County: Louise Parker of Clear Lake Highlands; Mary O'Brien and Eleanor Renfro of Kelseyville; Agnes Combs and Wanda Wright of Lakeport; Kathleen Garner and James Polk of Upper Lake.

Los Angeles County: Wilma Bean of South Pasadena.

Marin County: Eleanor McCammon and Margaret McCammon of Fallon.

Mendocino County: Adelaide Wethern of Laytonville; Bonita Hughes of Potter Valley; Dorothy Salisbury of Redwood Valley; Alyce Finne and Harriet Finne of Ukiah; Vada Hall of Willits.

Solano County: Mark Ely and Paul Ely of Vallejo.

Sonoma County: Louise Johnstone of Petaluma.

COLLEGE LOSES PRACTICE GAME

Humboldt's football team played a practice game with the Ferndale and came out on the short end of a 13 to 7 score.

The college boys drew first blood in the initial quarter when Carl Penn broke through the line and blocked a Ferndale punt. Penn recovered the ball and carried it over the line. A pass, Simpson to Tatman, netted the extra point.

The fast Ferndale team was not to be denied, however, and came back in the second quarter to tie the score. Charlie Goff took the ball over the line and then made the extra point on a quarterback sneak.

The prep school team tallied again in the last quarter but failed to convert. With but three minutes to play, the college received and made a sensational march down the field but fell short when the final whistle blew. The passing combination of Simpson to Tatman completed two long passes which netted most of the Humboldt yardage.

Ernie Brownlow went into the game in the second half and played a great game against his old teammates. The Ferndale backfield proved too fast for the Humboldters, making most of their yardage on end runs.

FAIR SEX START HOCKEY PRACTICE

Sticks are flying down on the athletic field now that the women are starting their hockey season. The frosh are learning their hockey on the fourth and sixth periods, while the upper-class women play during the eighth period.

Wednesday was the first night out, and Miss Wright had the girls practicing "loping"—a new play invented by the aforementioned lady. Some of the girls have a little difficulty with the play, but it is hoped that Squeal and Ruth will learn how it's done before the end of the season.

The interclass schedule has not yet been announced by Amy Vance, hockey manager, but probably the games will get under way about the first of next month.

Little is known of the strength of the freshmen, but one can rest assured that Miss Craig's Babes will "come through" with some good hockey.

The sophomores have almost all of their strong aggregation of last year back again. Dolores Henders, Dona Ivancich, Zorie Ivancich, Mary Emily Speyer, Anabelle Stockton, Lois Jackson, Mary Nielson, Alma Ruth Sweet, Bunny Rassmussen, Elva Baumgartner, Marian Edson, Leora Hunter, Grace Shaw, Jeanette Peterson and Kay Forsythe are all back in school ready to grab the championship.

The champions of the last two years are now Juniors, and will play as upperclassmen. Veterans of the champs include Elma Biasca, Ruth Carson, Melpha Canam, Ruth Carroll, Lucile Winter, Janet Stewart, Melba Daugherty, Letha Robinson, Amy Vance, Bonita Hughes, Elva Quarnheim, and Mildred Green. Besides these the upperclass has the senior quartet, Al Renfro, Hazel Christensen, Evie Fielding, and Vada Hall. It looks like they will be hard to beat.

Class hockey managers and captains will be selected soon.

TENNIS COURTS WILL BE USED

The new tennis courts will be used, according to President Arthur S. Gist, although they have not been officially accepted by the authorities.

President Gist said that advice received were to the effect that both the contractors who built the courts and the company which supplied the materials were of the opinion that to play on the now "soft" surface would enable evaporation to take place more rapidly and thereby help in the hardening process.

In case the students here use the courts, the state will not be obligated to accept them if they do not prove favorable within a reasonable time, Gist pointed out.

If after two months of play the courts are still not accepted by the state, provided the arrangement for their temporary use by students is made, they will probably be torn up and a new surface laid. Whatever happens, Gist stated, the state will be fully protected.

Are Men Weaker?

A University of California professor says biological studies reveal that the male sex is the weaker. Some men found it out merely by getting married.

Let's Have One, Too

From Marin J. C. comes word that an enormous block "M" is to be made and placed on the slope of Mt. Tamalpais. Many high schools and colleges have such an emblem, but where do we stand? Yes, where do we stand.

No Men Allowed

The women students of Marin J. C. are to be hostesses at a convention next spring. The Junior Colleges from Central California are invited to exchange their ideas on social, athletic, and executive questions. A great idea, to say the least

"Three unexcused tardinesses will count as one unexcused absence.

"Excused absences shall include absences for the following reasons:

"Illness of student evidenced by certificate from a physician or from the health office.

"Illness in the family evidenced by a statement from a parent or physician.

"Weather conditions manifestly unfavorable. Statement filed with president's secretary, who, under the direction of the president, will pass upon weather conditions.

"Participation in extra-curricular activities authorized by the instructor in charge of the activity with consent of the president. Statement secured from the instructor in charge of the activity and approval of the president.

"All excused absences are to be filed with the president's secretary within 48 hours after return. Details not understood will be explained by Miss Sarah Davies, secretary to the president, who has charge of recording absences."

Crichton to Enter Ministry

George Crichton, recent Humboldt College graduate, plans to go to San Anselmo to study for the Presbyterian ministry. Crichton participated in student activities here, especially in dramatics and music. He was featured in the "Collegians," the former group of traveling college players, and also took leading roles in plays directed by Miss Lucy Neely McLane.

Graduates who obtained schools were as follows: Alvin George Burns, Hoopa; Edith Cameron, Morek; Lester Dedini, Orick; Wilbur E. Ellis, Lafayette; Marjorie Kausen, Upper Mattole; Benjamin A. Leese, Redwood City; Helen Madsen, Ray; Mildred Mitts, Dows Prairie; Mildred Moe, Rolph; Lucinda Parr, Janes Creek; Blanche Rall, Korb; Marcia Smith, Crescent City; Emil James Spiering, Korb; and Zelma Tomlinson, Orick.

May and June graduates returning to former positions were as follows: Maybert Brush, Pittsburg; Ralph Case, Redwood City; Irvn W. Davies, Arcata High School; Thomas Daven Devlin, Hayward; Lillian Mohr Fox, Pasadena; Alice Hedden, Riverside, and Oliver McCammon, Sausalito.

W. A. A. Play Day in October

The annual Women's Athletic Association Play Day will be held about the middle of October, Lucile Winter, president of W. A. A. has announced.

High schools in Arcata, Eureka, Crescent City, Ferndale, Fortuna, South Fork and several in Mendocino County will be invited to send twenty girls each to represent them at the Play Day here.

LEWIS FLECKENSTEIN RETURNS TO HUMBOLDT

Lewis Fleckenstein, of Arcata, former student of Humboldt State Teachers College in 1927 and 1928, has returned to acquire an A. B. Elementary degree.

Fleckenstein, who lived in Santa Barbara for three years, graduated from Santa Barbara State Teachers College and taught industrial arts in the ninth grade of the Santa Barbara Junior High School for one year.

While attending the State Teachers College at Santa Barbara, Fleckenstein played third base on the college varsity baseball team for two years; and was varsity pole vaulter for two years. Fleckenstein was also a member of the National Honorary Fraternity of Industrial Arts, PI Sigma Chi.

DORM WOMEN ARE HOSTESSES AT TEA

Wednesday afternoon the girls at Sunset Hall gave a tea for the Freshman women in their social unit. Hazel Christensen, social chairman, for the house was in charge of the occasion. She was assisted by the following committees:

Refreshments — Alyce Finne, Bonita Hughes, Tudy Stockton, Dorothy McGovern.

Program — Sara Hartley, Esther Genzoli, Edith Reback.

Clean-up — Adelaide Wethern, Oliva Torgensen, Vada Hall, Gertrude Hunter, Carmen Alward.

Twenty Members In Women's Glee

The Women's Glee Club has about 18 or 20 members to add before its quota is reached. What they lack in number, however, will probably be made up in quality since the Treble Clef Club will automatically become part of the Glee Club.

Any appearance of the club in the near future has not been announced.

GOSSIP BILATERAL

Friday night a group of the girls from Sunset Hall and some fellows from Elmore's held a "hot dog" feed at Council Crest. Tudy Stockton, Bonnie Hughes, Blanche Charles, Miss Craven, Paul Ely, Mark Ely and Bill Morehouse were the lucky participants.

Did any of you notice the two freshmen girls who ate lunch with the faculty women last Thursday noon? The girls were pleased and so were the women, so it was what one might call a congenial group.

Archers!

Skill in making bows and arrows is largely the result of experience. During the past six years I have made and sold over eight hundred bows and seven thousand arrows. No other tackle maker in northern California has had even three per cent of this experience. Arrows on sale at book store. Bows and better grades of Arrows priced on request.

DAVE HARTLEY TO VISIT HERE

Dave Hartley, a former Humboldt State student, who has been employed by the California State Highway Commission for the past year, expects to spend his vacation in this county soon. He is a member of the crew which has been working on the southern end of U. S. Highway 101. The construction began last October at Santa Maria and proceeded south to El Centro. He reports that it was exceedingly hot there, being from 110 to 120 degrees in the day time and from 90 to 105 degrees at night. While in the southern part of the state, Dave visited Mexico and Catalina island. He also attended the Olympic parade and grand opening. From El Centro the construction gradually worked north and the crew is now located in Burlingame. He hopes to visit H. S. T. C. while he is in the county this month.
