FINAL GRID GAME SET FOR SATURDAY

HUMBOLDT PLAYERS WILL GO
TO SANTA ROSA TO
PLAY S. R. J. C.

The Humboldt State Teachers College football team will play their last game of the year this Saturday with the Santa Rosa Junior College at Santa Rosa.

Coach Fred Telonicher says that if the team can stop the passing attack of their opponents they have a good chance of winning. In all previous games Humboldt's defense on the passing attack has been weak, while the line has stopped many a long gain.

The Santa Rosa team beat the San Francisco State Teachers, 13 to 6 and Menlo Junior College 14 to 13. They lost to the West Coast Army 37-0; to the Marin Junior College 6-0, and also to Modesto and San Mateo.

The Humboldt team will leave tomorrow at noon on one of the Humboldt motor stages.

The game at Santa Rosa was originally planned for Armistice Day, but due to the Armistice Day celebration, the game was pushed ahead one day.

Telonicher will take 25 men him. They are Brownlow, Scott, Oliver, Nielson, Lytel, Caviness, Nellist, Simpson, Tatman, Fleishman, Grossi, Boyce, Penn, Schmeder, Timmons, Dolf, Inskip, Minor, Buxton, Guintini and Haywood, R. Christie, D. Nielsen, Bender, Clark.

Duck Hunters Don't Use Bow and Arrow

The old saying, "Don't believe anything you hear and only half of what you see," will probably be adopted as the slogan of the Archery class in the future.

Tuesday, November 1, the students reported to class, only to be told by a well-meaning fellow student that the coach had gone duck hunting. This particular person supposedly had seen Mr. Telonicher departing on the said hunting expedition.

The archers left class and went their separate ways. However, it seems that the coach did not go hunting, and when he arrived at the gymnasium, found that his class consisted of himself and two other students. As a result, the majority of the archers are minus one cut.

National Sorority Honors Mrs. Howe

Mrs. J. Wendall Howe was appointed secretary of Alpha Chi Omega, a national women's sorority, by the national president. Her province includes Nevada, Arizona, California, and Oregon. She must visit these states once a year, pass on the fitness of candidates, give examinations on the history and laws of the sorority, and grade them.

Mrs. Howe is also associate editor of the national quarterly magazine of the sorority, "The Lyre."

Next summer Mrs. Howe will go east to attend the convention of the sorority at Hotel Shoreham in Washington, D. C., where the "Convention Transcript" is published, of which she is also editor and business manager.

Two new chemical balances have been added to the equipment of the college chemistry department.

Camp Fire Training For College Girls

A camp Fire Girls group, whose members are students of the college desiring to know more about the organization and how to organize and lead Camp Fire Girls activities, has been organized with Mrs. Robert Poultny as guardian and Mrs. Edmund Jeffers as assistant guardian. The group meets at Mrs. Poultny's home every Wednesday evening.

Members of the group are Frances Devoy, Alice Porter, Valeria Del Ponte, Elise Henggi, Elna Gries, Dorothy McGovern, Genevieve Hoaglan, Edith Reback and Elva Quarnheim.

NEW CLUB FORMED BY COLLEGE GIRLS

A kindergarten-primary club has been formed by 20 girls who plan to specialize in that work.

Clara Taubman was elected president of the new club and Janet Woodcock, secretary-treasurer.

It was decided that the project for this year will be the making of articles for the kindergarten room in the new elementary school building which is under construction now.

A committee was appointed to decide on a name for the club.

The club was formed at a party given for the girls by Miss Ruth Bestor of the education faculty. Following the business meeting, the girls played Dutch Whist, first prize being awarded to Virginia MacMillan Endert, while Marion Heney received the prize for the lowest score.

Fortunes of the girls were told by pulling feathers from an owl, the fortunes being written on slips attached to the feathers.

Decorations for the occasion were in keeping with Hallowe'en. Refreshments were served at the close of the evening.

The club will hold its next meeting Thursday evening, November 17, at Miss Bestor's home in the Campus Apartments.

Magazine Cutting Serious Offense

The library wishes to call attention to the fact that according to a recommendation of the Executive Council of the Student Body a few years ago the offense of cutting clippings from library magazines or papers may be punished by dismissal from college.

"The mutilation of college property, which, as in this case, it is sometimes impossible to replace, should rightly be considered a serious offense," Mr. Graves said today. "Several cases of this kind have been discovered in the library. It is hoped that all students will co-operate in discouraging any such activities."

Students Gather at President's Home

President and Mrs. Arthur S. Gist held the first of a series of "at homes" for entering students at their residence last Sunday afternoon. Students attending were Arthur Baldry, David Bean, Beryl Boyce, Florence Brown, Lois Canepa, Alfred, Rachel and Ralph Christie, Barbara Collins, Frances De Voy, Chester Edson, Treasure Furber, Kathleen Garner, Naomi Gregory, Hamilton Linser, Clark McCready, Stanley Maxwell, Merton Meng, Charles Schmeder, Adelaide Wethern.

It won't be long now.

Basketball spirit has been rapidly spreading over Humboldt County and now it is stirring at Humboldt State Teachers College.

With the college football season ending this Saturday at Santa Rosa, basketball will commence to reign over Humboldt for the next three or four months.

Coach Fred Telonicher plans to have strong teams in both Varsity and Freshman divisions this year, and shortly after regular practice sessions have been started, these two squads will be pitted against each other to give the coach a line on his material. He stated that it is possible that several of the Frosh players will develop into Varsity material before

H. S. T. C. STUDENT TO PRACTICE LAW

Jeremiah R. Scott, student in Education at Humboldt College, has received notice from the State Bar Association that he has successfully passed the State Bar Examination for lawyers and attorneys. He took the examination at the August meeting of the examination committee. The committee of Bar Examiners has recommended that Scott be admitted to the bar and that he be entitled to practice law in California courts. Mr. Scott must now appear before the State Supreme court to take the attorney's oath at either the November or December meeting of that body.

Mr. Scott is a graduate of Hastings Law School and of the University of San Francisco, where he received his Bachelor of Laws and his Master of Laws degrees. He has had a variety of experience.

He was a surveyor of construction work from 1923 to 1927 in Texas, Mexico and South America. He also has been a lieutenant of the Coast Artillery Corps of the United States Army. For the last two years, Mr. Scott was an athletic director and commandant at the Alamo Military Academy. After completing his work here, Mr. Scott intends to "hang out his shingle" in Eureka.

Former Students Attend S. F. Game

Several former H. S. T. C. students attended the recent football game between San Francisco State and Humboldt State, played at San Francisco.

Among these students were Marie Adams, Ione Russell, Katherine Nellist, Esther Stewart, Rollo Guthridge, Chester Stromberg, Marion Burger, Sylvia Feuerwerker, Benj. Feuerwerker, Cherill Pierce and Pauline Newman.

ACTS AS SUBSTITUTE

Mary Duffy, H. S. T. C. '32, substituted in the primary grades at Smith River, Thursday, October 27, for Maxine Scott Togni, who was ill. Miss Duffy visited over the week end with her sister, Miss Katherine Duffy, who also teaches in the Smith River school.

Puppets Being Made For Japanese Play

In the puppetry classes of Mrs. Stella A. Little of Humboldt State Teachers College, work has started on the new Japanese play, "Her Father's Will," which deals with the marriage problem in Japan.

This play offers a different problem in costuming with Japanese clothes, in stage settings which provide for a garden and an interior scene, and in the construction of the puppets. There are five characters in the play, each to be assigned to individual students.

MUDDY MAID MIRES POLITE PROFESSOR

The next time members of the Zoology 1A class goes "clamming" they probably will wear snowshoes instead of gum boots which proved of little use to those who did wear them.

Dressed in blue jeans and sweaters and armed with shovels, the Zoology 1A class of about 35, with the instructor, Robert Poultny, started on the quest of the elusive clam recently at Field's Landing.

The trip was uneventful until the class crossed a 25-foot deep channel to the mud flats. The first students out of the boats were so eager to pursue the clam that they didn't notice they had landed in the mud until they attempted to wallow out.

Mr. Poultny helped one of the girls out of the mud. He got her up all right, but in doing so lost his balance when his feet wouldn't move, and sat down in the mud.

The last party to land picked out a nice, hard, sandy beach and had no trouble with the mud at all.

"Dorm" Girls Give Hallowe'en Party

The college women students living at Sunset Hall, gave a Hallowe'en party in the social unit of the college Thursday evening. The program included games, fortune telling and singing. Refreshments of cider and doughnuts were served. The social unit was decorated in black and orange. Cats and witches were placed so that they seemed to be coming from all directions. The committees were as follows:

Program—Harriet Finne, chairman; Alyce Finne, Marion Cutler, Bonita Hughes, Louise Johnston.

Refreshment—Letha Robinson, chairman; Edith Reback, Elna Gries, Mary Shinn.

Decorations—Adelaide Wethern, chairman; Kathleen Garner, Dorothy McGovern, Barbara Collins.

Arcata Rotarians Meet at College

The Rotary Club of Arcata held its weekly meeting in the dining room of the College Commons last Friday. A luncheon was served to the club of which President Arthur S. Gist, Dr. Homer Balabanis, E. V. Jeffers and B. F. Wilson are members.

Miss Ellen Johnson, in charge of the college commons, said that it would be very much appreciated if the students would not use the dining room the fifth period on Friday during the Rotary Club meeting.

CARNEGIE REPORT AFFECTS HUMBOLDT

SUGGESTION IS MADE THAT U.
C. REGENTS CONTROL
TEACHERS COLLEGES

President Arthur S. Gist will speak in Eureka today on the significance for Humboldt College on the recently made Carnegie report on higher education in California; namely, that the report contains a veiled suggestion for the closing of this college. This will be the third address colleges, according to President Gist has made on the way in which the report may affect this section.

The possible danger to Humboldt, as well as to other teachers colleges, according to President Gist, lies in the proposal that the teachers colleges be placed under the Board of Regents of the University of California. At present the teachers colleges are under a director of education, elected every four years, and hence responsible directly to the people of the state.

Under the present system, educational policies of the teachers colleges are worked out by the seven college presidents with the director of education, Vierling Kersey, subject to the approval of the state board of education. This board, having to do with the public schools, is familiar with the problems of teacher training. On the other hand, at the University the training of teachers is but one phase of the university's work, and the Board of Regents, consequently, is likely to have only a secondary interest in teacher-training.

The report, besides recommending the placing of the teachers colleges under the University Board of Regents, recommends that the board be given authority to consolidate certain teachers colleges. State officials have told President Gist that this recommendation is a veiled threat against Humboldt, the youngest and smallest of the teacher colleges. And yet this Redwood Empire has but one four-year educational institution of higher rank, as Humboldt, is the only four-year college in this coast section from the Bay region to Eugene, Oregon.

Students Making Sets for Stage

Sets and costumes for "The Command Performance" and "The Nativity," directed by Miss Lucy Neely McLane, are to be the work of the Advanced Play Production Class.

For "The Command Performance" the class is making sets for the king's palace, including the marking of curtains, painting of tapestry and panels, making over old furniture and remodeling of old sets.

For "The Nativity," the annual Christmas pageant which was especially arranged by Miss McLane, the class is making shepherd's costumes, including tunics, sandals and head dresses.

VISIT PATRICK'S POINT

The Geology 1A class of about 25 members recently motored to Patrick's Point to study the elevated marine terraces and the unconformity of the land. The next trip will be north of Trinidad on the cliffs and along the beach to study petrology, according to Harry Mac Ginitie, instructor.

Recreation Program

The recreation program which has been planned for Humboldt College is a fine one. Opportunity will be given for everyone to participate in some recreational activity. This is something that has been needed at Humboldt for a long time because the recreational phase of Humboldt life had been slightly neglected.

We believe, however, that the recreational program should not interfere with some of the other necessary parts of our college life. Executive committees and boards of control must continue to meet and do business. The "Y" must have its weekly meeting, and the band must practice. We suggest that the activity board make a survey of the other activities in college, and attempt to place individual rather than team games on those days which are needed for the above stated activities.

Don't mistake our attitude. By all means, let us have recreation, but let's not neglect the other phases of college life in the quest of a recreation program.

Cinch Notices

The semi-annual cinch notices will soon be making their fall appearance. If you should happen to receive one, remember that you are not to be congratulated for your effort in some of your classes. It means that you have been deficient in a certain class since the beginning of the semester. Take the registrar's notice seriously, not jokingly.

But don't give up. The cinch notice does not mean that you are going to get an "F" in the particular course. It merely is a warning to you that you had better get busy and improve the quality of your work for the next nine weeks or you will flunk.

We noticed in the Chico State "Wildcat" the interesting question, "What would you do if you had only 15 minutes more to live?" The faculty of that institution gave some interesting answers, so our editor decided to ask a few of the Humboldt faculty and students that catching question. Witness the thoughts of our friends when confronted with such a question:

President Arthur Gist: "I think I'd settle my financial accounts."

Dr. H. Balabanis: "I'd curl up in my easy chair and have a good rest."

Mr. H. Hicklin: "I'd look up the editor of the Lumberjack and tell her all the mistakes in the last issue and make her promise not to let it happen again."

Miss V. Stone: "I'd live for those 15 minutes, and would I live!"

Mr. H. Jenkins: "I'd eat a good big piece of apple pie."

Miss A. Craig: "Get out of my office, you silly. I wouldn't be bothered thinking about such a foolish question."

Miss M. Wright: "I'd relax." (Ha-ha!)

Miss I. Davies: "I'd phone my folks."

Miss Ellen Johnson: "I'm not speaking for publication."

"Deever" Stewart: "I'd go down to the Delta or to the Commons and get a great big milk shake."

"Squeal" Winter: "I'd go around and tell every faculty member just what I thought of them."

"Pill" Green: "I don't know. I might sit down and cry."

M. E. Cronin: "I'd get a ham sandwich."

Eleanor McCammon: "I'd probably do a lot of thinking in that short time."

OPINION AT HUMBOLDT

The Department of physical Education wants to continue the policy of having a minimum number of rules regarding the use of the tennis courts. To return this policy, it is essential that every H. S. T. C. student assume responsibility in enforcing the rules whenever the occasion arises. We have had the privilege of using courts that were not ours, so we are willing to share the privilege of using our courts with others provided they abide by our few regulations, namely, that the courts be used for tennis alone, and that tennis shoes be worn when the courts are used.

The Department of Physical education rejoices over the number of students who use the courts. However, the use of the courts by some of the students during the one hour of the week for assemblies or student body meetings seems unwarranted and thoughtless. It is hoped that the student body hereafter will include tennis in its budget. The courts are here because of the efforts of the administration. A mere reminder of these facts should be sufficient to obtain the unsolicited request (not rule) of the department that H. S. T. C. students refrain from using the courts whenever and assembly or student body meeting is scheduled.

Play Field Work

Money Available

President Arthur S. Gist has announced that about \$2900 is available for starting work on the athletic field which will consist of installing a draining system, cutting away a hill and using the dirt to fill the canyon, and erecting bleachers. The amount available will be enough to install the drainage system and to do some excavating. The total cost of proposed improvements will be about \$10,000.

HUMBOLDT SPORTING NEWS

UPPERCLASS WINS FROM FROSH 5 TO 0

In slush and mud ankle high, Monday afternoon, the upperclass hockey team trimmed the frosh to the tune of 5-0. Actual playing time was quite short since many minutes were spent getting the ball out of the puddles.

For the upperclass, Alice Renfro scored two goals, while Lucille Winter, Amy Vance and Ruth Carroll drove in one each. Janet Stewart showed up well at fullback for the winners. For the frosh, Leora Tuohy and Dorothy Yackley were outstanding.

Here are the starting lineups:

L. Robinson	R.W. R. Christie
E. Biasca	R.I. M. Shinn
A. Vance	C.F. J. Baldwin
M. Dougherty	L.I. C. Swanson
L. Winter	L.W. P. Quinn
M. Cannam	R.H. R. Trabing
R. Carroll	C.H. L. Tuohy
R. Carson	L.H. P. Pegolotti
J. Stewart	R.F. D. Yackley
B. Charles	L.F. G. Barker
E. Feilding	G. E. Reback

Substitutions

Alice Renfro, L. I. and C. H. Margaret Klinge, G. Referees: Misses Monica Wright and Ann Craig.

There were two casualties in addition to mud splattering, in Monday night's game. "Red" Dougherty is wearing blue glasses because the elusive ball flew up and hit her in the eye. (The editor can sympathize with her.) Evelyn Feilding was banged on the nose and a rather bloody situation arose. Neither injuries are very serious, however.

The postponed game between the Freshmen and the Sophomores will be played Monday afternoon at 4 o'clock.

Faculty Enjoy Poverty Party

The members of the Humboldt State Teachers College Faculty and wives were entertained recently at a Poverty Party which was given at the Schussman home with Mr. and Mrs. Graves and Mr. and Mrs. Schussman acting as hosts and hostesses.

The rooms were cleverly decorated with such elaborate ornaments as tin cans and oil burners, and the guests came in costumes which were suggestive of "hard times."

Instead of the usual evening of cards, the guests indulged in old fashioned games, such as dominoes and tiddledwinks, different games being played at each table. Prizes were awarded to those having the highest scores. Afterwards, refreshments were served at small tables.

Those present, were Mr. and Mrs. Arthur S. Gist, Homer P. Balabanis, Homer Arnold, Maurice Hicklin, Frederic Hollister, J. Wendell Howe, Edmund Jeffers, Horace Jenkins, Robert Poultny, Fred Telonicher, Bert Wilson, Lee Brookins and Gratton Little; Mrs. McCann, Annie Marie Ostrander and Elma M. Folsom; Misses Monica Wright, Ann Craig, Belle Dickson, Sarah Davies, Myrtle Sholty, Lucy Neely McLane, Ruth Bestor, and Imogene Platt, Mr. Harry MacGinitie and the hosts and hostesses, Mr. and Mrs. Leo G. Schussman and C. E. Graves.

Student Is Hostess At Midnight Supper

The list of invited guests included Francis Devoy, Lois Gow, Helgi Paulson, Evan Dixon, Wiley Young, Letha Robinson, Niels Holgersen.

Volley Ball Games In Second Round

The second week of the Intramural Volleyball Tournament sponsored by the Recreation Board is almost completed. Six snappy games have been played in the second round. Monday noon Shaw, Tatman and Owen defeated Nielson, Z. Ivancich and Larsen, respectively. Tuesday noon Carroll, Ely and Hemenway were victorious over Rezzonico, Ray Carson and Forson.

The following is the standing in both leagues up to date:

American League

GRADE PUPILS ARE MAKING CALENDARS

In order to help defray their graduating expenses, pupils of the eighth grade of the College Elementary School under the supervision of Mrs. Stella A. Little, art instructor of Humboldt State Teachers College, are putting out calendars for 1933 to be sold at the college about December 1.

The project started under Helen Gregersen and Grace Palmgren, student teachers; but since the grades have changed the student teachers are now Clyde Patnaude and Valentina Lee Rocha.

The blocks for the calendars which are ready for the press are carved out of linoleum and submitted to Mrs. Little for checking of any errors. After she has approved the accuracy of the dates and printing, the blocks are ready to be printed on paper. The calendars are to be printed and assembled by the eighth grade students on the press in the art room.

Pupils taking part are Charles Arnold, Detlef Bock, William Tracey, Dona Anderson, Warren Elmore, Jack Fickel, Jack Davis, Leland Larsen, Erle Hill, Suzanne Minor, Robert Mitchell, Alta Sequist, John Cripe, Steven Zorich, Maxine Tomini, Betty Lee Fraser, Darold Schorlig, Robert Hardisty, Sybil Oudin.

BERTIL MUNTHNER MADE AN OFFICIAL

Another Humboldt has received recognition as a basketball official. Bertil Munther is now a national approved official, according to information received recently from the National Basketball committee in New York.

To receive the membership, Munther was required to pass a thorough examination based upon situations that arise upon the basketball court. Munther is the second official in Humboldt County to be elected into the officials organization. Frank Mendes, another college student, received the honor several weeks ago.

Dr. Homer Balabanis, professor of social science at Humboldt, spoke on current national and international problems before the Arcata Women's Club Monday afternoon.

HUMBOLDT WINS FROM EUREKA

Making a total of 260 yards from the line of scrimmage to only 36 yards made by Eureka, the Humboldt State team were able to get a lone touchdown and make a conversion for a score of Humboldt 7, Eureka 0.

The college team scored in the first quarter, but from then on the game was just a see-saw up and down Eureka territory.

Humboldt made ten first downs from the line of scrimmage and two from passes for 12 first downs.

Eureka made one first down from scrimmage, three from passes and three from penalties for 7 first downs.

Grossi, Tatman, Fleishmann and Timmons starred in the backfield while Lytle, Oliver and Neilson did some good work on the line.

The Modesto J. C. "Collegian" wants to know if we have "heard about the girl who was so dumb she thought the Hoover Dam was a slogan of the Roosevelt Party?" Have we?

Mahatma Gandhi, Beware!

Co-eds from U. S. C. go after fraternity pins in such a big way that if he isn't warned Gandhi may lose the pin which holds him together. A group of co-eds were discussing his pin when one innocently asked what fraternity he belonged to. Be careful, Gandhi!

Who Said Depression?

A professor at Wisconsin U. uses just two books in a two-unit course; nine dollars each, however, at least it can't be said that this professor isn't doing his part to prevent hoarding.

Lettermen Plan Work

The Order of the "O" at S. O. N. S. in Ashland have taken it upon themselves to carry on the traditions of their school, as well as conduct law and order. Let me ask this, what has happened to our "H" Society?

Whiskerino!

Compton J. C. men are carrying on their annual beard growing contest. The theme song to announce the inauguration has been announced as "Darling I Am Growing Old."

Who Will Win?

While we have cast our ballot for just the office of President, the Chico State students have also voted for Senator from California. It will be interesting to note how our opinion compares with other schools.

COLLEGE CAGE MEN AWAITING WHISTLE

(Continued from page 1)

the season is over.

Nine Letter Men Back

There will be nine letter men back with a total of 17 years college experience behind them. Men trying for their fourth letter on the Humboldt varsity, are Jack Simpson, forward; Gordon Hadley, center; Glenn Waldner, guard. Players with two years behind them, are Howard Gregerson, guard and center, and Leo Sullivan, guard. Men who earned their first letter last year are Earl Tatman, Wayne Simpson, Calmer Kincaid and Ugo Giuntini.

Among the crop of cagers recruited from the high schools of the county are such stars as Earl Hemenway, Chet Edson, Ernie Brownlow, Robert Haywood, Channing Hadley, Don Chamberlain, Ralph Christie, George Inskip and George Newell.

Junior Fleishman and Charley Timmons come here from Samoa Blue Devils and Arcata Firemen respectively. Fleishman played at Eureka High and Timmons at Arcata High previously.

Nine From '31 Frosh

Members of last year's Frosh squad back again this year for berths on the Varsity, are Herb Moore, Clarence Heney, Ralph Buxton, Anthony Gallagher, Oscar Jordfald, Lee Nellist, Lawrence Clark, Winifred Hauck and Neville Crosby.

Lettermen lost through graduation or quitting school from last year, are Haven Howatt and Marion McFarland. Percy Finley

Sailor Loses Track of Time But Student Knows Holidays

Every student at Humboldt is looking forward to the next holiday, but one student, Gordon Hadley, is also looking back one year ago. On this day he was on the S. S. President Monroe, of the Dollar Steamship Company, sailing along the coast of France in the capacity of a fireman. It was 8 o'clock in the morning and he had just got off the 4 to 8 a. m. watch. When he went up on deck, he saw many rugged cliffs; some had large chateaux built upon them. "It was a sight that makes one dream," said Mr. Hadley today.

"I soon got over my dreamy spell," he continued, "for everyone seemed to come to life. We were nearing the port of Marseilles and the passengers were planning their sight-seeing trips and the crew their good time. We sailed inside the break-water and Le Chateau d'If, where the Count of Monte Cristo was held prisoner in Dumas' novel of that name.

"The boat didn't need any tug to tie us up to the pier as the piers were parallel to the ship when we entered the harbor. This made it much easier to dock. I am not sure, but I think I was the first one down the gang-plank, into a taxi and up to the city. The docks are about one mile from the central part of the city, so it is almost necessary

and Denny Willis, guards, both members of last year's squad, also are not back.

Humboldt's collegiate schedule this year includes games with Southern Oregon Normal School, Santa Rosa Junior College, San Francisco State Teachers College and possibly Marin Junior College, according to Telonicher.

W. A. A. GIVES TEAM SEND OFF

A novel idea was introduced yesterday when the Women's Athletic Association sponsored a football luncheon rally in the Commons from 12 until 12:45. The motif of the luncheon was a send-off for the football team, which will journey to Santa Rosa November 11. At 12 o'clock the school band furnished some peppy music in the court and at 12:15 all members of the Student Body were admitted to the south end of the Commons to take part in the rally. At 12:20 snappy yells and songs were in order, and at 12:25 a stunt was presented.

At 12:30 short responses were given to toasts from the line, the backfield, the bench and the sidelines. Bob Caviness represented the line, Captain Wayne Simpson, the backfield, Coach Telonicher, the bench and Mr. Wilson, the sidelines. The rally came to a close at 12:40 with more peppy yells and songs, and was voted one of the most successful projects put on this year. Committees in charge of the affair were as follows:

Waitresses: W. A. A. board members.

Ushers: Amy Vance, chairman; assisted by Donna Ivanchich and Zorie Ivanchich.

Decoration: Leora Hunter, chairman, assisted by Hazel Christensen and Jeanette Peterson.

Clean-Up: Helen Marks, chairman, assisted by Frosh members of W. A. A.

Ticket Sale: Jean Baldwin, chairman, assisted by Dot Yackley, Janet Woodcock and Leora Tuhoey.

Poster: Laurella Frakes.
Invitation: Katherine Forsythe.
Stunt and Song: Katherine Cloney, chairman, assisted by Janet Stewart and Melpha Canam.

Miss Lois Peebles of Eureka, former H. S. T. C. student, was a recent college visitor. She may re-enter Humboldt the second semester.

to take a taxi.

"As we entered the harbor, I noticed that all the ships in port were decorated with flags. It looked unusual, but I thought maybe the President of France was in town. As I rode up town, there were more flags and decorations. No one was on the streets and everything looked dead. I had saved about 500 francs or \$25, to buy perfume, gloves and various things, as this was our last stop in Europe before New York City. I told the driver to stop, and I started for a place to do my shopping.

Every store in Marseilles must have been closed, for I looked from one end of the city to the other. Finally in desperation I tried the door of a shop. The door opened, and in I went. The proprietor sent out and brought back a great variety of perfume. I picked out what I wanted and left.

"I still hadn't found out why everything was so quiet. The fact is, I didn't even know what day of the week it was, as in the previous six weeks we had spent most of our time out at sea. Puzzled I went back to the ship and asked one of the engineers.

"Why, don't you know this is Armistice Day," he said."

Student Teachers

Entertained at Tea

Miss Myrtle Sholty and Miss Belle Dickson, of the H. S. T. C. education faculty, entertained the student teachers of the college elementary school at a tea given at their home Sunday, October 30.

The program consisted of readings by Harriet Finne, followed by musical numbers on the radio. The house was decorated with russet and yellow chrysanthemums. Refreshments were served at the close of the afternoon.

Archers!

Will accept vegetables, meat, butter, eggs, firewood, turkey feathers, or labor in payment for bows and arrows. Might even be persuaded to accept gold, silver, or other such mythical species of legal tender; but, before you offer me anything of that sort remember that I am quite frail and might not survive too severe a shock. Labor mentioned consists of sandpapering an acre or so of hardwood lumber, and of houseswork, mainly dish-washing.
