

HUMBOLDT LUMBERJACK

VOL. IV

ARCATA, CALIFORNIA, MAY, 4, 1932

NUMBER 31

STUDENTS MAY PRE-REGISTER THIS YEAR

ALL STUDENTS ALLOWED TO PLAN COURSES WITH MISS PLATT

Pre-registration for all students is now being carried on at Humboldt. This is the first time it has been tried here. All classes are being registered for the Summer Session and the regular Fall 1932 semester. The student's programs for the 1933 Spring semester are being planned as well.

Pre-registration will do away with the usual registration day rush and the students will have an opportunity to select their programs. On registration day next fall, students will secure their booklets from files in the registration office, fill out the registrar's information, directory, Student Self Government, President's information and Activity cards and pay their fees. There will be no necessity to have a large staff of advisors. Incoming Freshmen will have a special registration day, as usual.

The schedule for pre-registration is as follows:

April 18-23, Freshmen.
May 1-6, Sophomores.
May 9-13, Juniors.
May 16-27, Seniors.

Lower classmen may register at any time, if they have not as yet done so, but upper classmen are not supposed to register until they are scheduled to do so.

"ROYAL FAMILY" TO BE PRESENTED IN EUREKA MAY 16

The "Royal Family," originally scheduled to be presented May 2, will be given on May 16, at Eureka Junior High School, according to Miss Lucy McLane, dramatics director.

The "Royal Family," one of the best known of the recent plays, had a long run on Broadway. It has been selected for several Campus productions, and was filmed as a moving picture. The action is fast moving, the cast is large and several actors are often on the stage at one time.

The properties and equipment for the play are being made by the dramatic students.

Three New Members Appear on Program

Miss Bernice Rasmussen, George Chrichton and Evan Akins appeared for the first time on the program given by the Pro Musica Club last Thursday at 4 o'clock in the social unit.

Miss Rasmussen, accompanied by Miss Ione Hamilton, played two violin solos—"Sonata in G Minor," by Tartini; "Canzonetta," by Ambrosio.

Mr. Chrichton sang two solos—"Into the Dawn With You," by Lee; "The Little Hills Are Calling," by Morris.

Mr. Akins played three piano solos as follows—"Prelude," by Chopin; "Sonata IX," by Mozart, Variations, Minuetto and Trio.

A tea was held following the program.

Miss Janet Stewart, president of the organization, presided over the affair.

STUDENT BODY OFFICERS TO BE NOMINATED MAY 11

Nominations for Student Body officers will be held Wednesday morning, the third period, May 11, 1932. Primary election of these candidates will be held the following Friday, May 13. Final election will be held May 16, and installation of officers will be conducted May 18.

Former Boxing Instructor Here for Indefinite Stay

Archie Forson, a former student of Humboldt State, is visiting indefinitely here in Arcata.

It will be remembered that Forson instructed boxing classes at the college a year ago. He was responsible for holding the first smoker here, which has become an annual affair.

During the past year, Forson has been boxing in the Bay cities. His last ring exploit was to gain a draw with a fast battler in San Francisco last Friday. His future plans include further work here.

FRESHMEN TO BE AWARDED

Outstanding Freshmen students at Humboldt State Teachers College are to be given awards at the end of each school year beginning this spring by the Chi Sigma Epsilon national honorary fraternity chapter here. Proceeds from the candy sale held last week will go to the buying of a pin or similar award upon which will be engraved the initials of the donor and the receiver for this year.

Qualities to be taken into consideration in making the selection of the outstanding Freshmen are: Scholarship, activities and personal characteristics.

Students Favor Apple Pie and Shortcake Here

The favorite desert at the Commons of both men and women is apple pie according to Miss Ellen Johnson, head of the Humboldt State College Commons. Strawberry shortcake is in greater demand during this season, but apple pie has a year round demand that is almost impossible to fill. French fried potatoes and hot meat sandwiches also sell well. Prune whip is the only dish that is shunned by all. Nobody likes it, eats it or wants it.

POULTNEY LEAVES TO WORK AT U. C.

Robert H. Poultny, professor of Biological and Physical Science, has obtained leave of absence for the rest of the semester and will leave this weekend to take up a course in Vertebrate Zoology at the University of California in preparation for his Doctor's Degree.

Mr. Poultny will spend six weeks in the field in southern Nevada collecting specimens of various vertebrates. He will spend the second six weeks at the University of California Vertebrate Zoology museum.

HARVEY McCAMMON NOW "PROUD PAPA"

C. W. Frost has received an announcement telling of the birth of a daughter, Catherine Ann, to Mr. and Mrs. J. Harvey McCammon. McCammon was at Humboldt the first semester of the present school year, and transferred to Stanford University to finish work for his degree.

FATHER-IN-LAW OF COACH DIES

Mr. and Mrs. Fred Telonicher were called to Lakeport recently by the death of Mrs. Telonicher's father, Mr. W. C. Moore of Lakeport. Telonicher returned to Humboldt to conduct his classes, but his wife remained in Lakeport for an indefinite stay.

SALESMEN MUST HAVE PERMITS TO SELL HERE

STUDENTS SHOULD ASK TO SEE SOLICITOR'S PERMIT MAKING PURCHASES

If a student while on the college campus is approached by an outside solicitor, the student should ask to see the solicitor's written permission to solicit, signed by President Arthur S. Gist. If solicitors are working without such permission, students are asked to report them to the office.

"The administration is not trying to say who shall talk to students on the campus, but merely trying to protect students from high-pressure salesmen," President Gist said today. Some of these solicitors, who realize that some students have little sales-resistance, show a disposition to depart from the truth. In certain instances solicitors have claimed they had permission from the president to solicit, when no permission had been given. In one instance students were told that their instructor had said the student, to get a grade in the class, must own the book the salesman was peddling.

"I would appreciate students asking to see the solicitor's written permission when they are approached on the campus by salesmen; and I would also appreciate word being sent at once to Miss Davies when solicitors are on the campus.

"I have had some unpleasant experiences with solicitors who forced students to buy and then tried to force collections. I have also had unpleasant experiences with collection agencies trying to force collections from students who had yielded to high-pressure salesmen and bought something they did not want."

Humboldt Auditorium Too Small for Crowds Shown by Music Fest

The increasing number of participants and the drawing power of the music festival held annually at Humboldt State Teachers College demands a larger place than the auditorium, and the next one will probably be held in the big gymnasium, it was announced here.

From every stand point the festival held here last week was a success. Nearly 700 high school students took part in the events. As the auditorium seats less than 500, the halls were crowded.

The program of the future ones will be similar to the one followed before, except some form of entertainment is to be provided for the visiting students. It has been suggested that the Humboldt Staters put on a vaudeville act between the second and third events, from about three until five o'clock.

Woman's Federation Holds Session Here

The Arcata Women's Club entertained delegates to the meeting of the San Francisco District of the California Federation of Women's Clubs Wednesday, April 27, at the Humboldt State Teachers College social unit. About two hundred delegates from the Women's Clubs of eleven counties attended. Miss Jessie Williamson of San Jose, is the president of the organization.

Friend—How did your article on perpetual motion turn out? Author—It's a success. Every time I send it out it comes back.

College Play to be Given At Crescent City Friday

The "Royal Family", a 3-act campus production, which will show at the Eureka Junior High auditorium May 16, will be presented at Crescent City this Friday, according to Lucy Neely McLane, dramatics director.

The cast will go to Crescent City in private cars. The play will be presented at the high school auditorium there. The players will stay at the Hotel Lauff Friday night and will return Saturday.

BALABANIS TO HEAD ROTARY

Dr. Homer P. Balabanis, head of the social science department here, who was recently elected president of the Arcata Rotary Club, will be installed in office July 8. Humboldt State is well represented in the Rotary Club since President Arthur S. Gist is a director, Dr. Balabanis is president-elect, and Bert F. Wilson, of the commercial department, is a member.

The Rotary Club is represented in almost every country in the world and is trying to foster international good will through contacts with business and professional men of all nations, according to Balabanis.

Men Asked to Minor In Industrial Arts, Physical Education

Men students who plan to be teachers should have minors in Industrial Arts or Physical Education, or both, and women students should have a minor in music, according to Miss Imogene Platt, registrar.

Most requests coming here for teachers call for training in these subjects in addition to the regular education courses.

SPORT DANCE WAS SUCCESS

Elva Baumgartner, chairman of the social committee of the Student Body, and her assistants were responsible for the success of the sport dance given last Friday night in the college gymnasium. Her assistants were Lucille Winters, Alice Renfro, Ellis MacMillan, Mary Carter and Paul Ely.

The decorations were in keeping with the sport motif. Artificial flowers in a variety of colors were ranged round the walls and banked with greenery. Sport clothes were worn by all.

The patrons and patronesses invited were:

Mr. and Mrs. W. B. McKittrick, Mr. and Mrs. George Harpst, Mr. and Mrs. Len Yocum and Mrs. and Mrs. H. P. Wilson.

NEW BOOKS IN LIBRARY

Some new books have been put on the rental shelf in the library. Among them are "Ann Zu Zan," by Louise Jordan Miln, a Chinese love story with a new and authentic bit of Chinese background. Two others are, "Heat Lightning," by Helen Hill and "Lord of Lonely Valley," by Peter B. Kyne, which is a story of the old west. "Peril at End House," by Agatha Christie is a swiftly moving, highly dramatic story.

BASEBALL TEAM TO INVADE ASHLAND

COACH TELONICHER TO TAKE LARGE SQUAD NORTH FOR PAIR OF CONTESTS

Humboldt State Athletes will continue their feud with the Southern Oregon Normal School this week end when the college baseball team will journey to Ashland to play a two-game series with their old rivals.

The Humboldt team has been considerably handicapped by lack of practice due to the rainy weather, but Coach Fred Telonicher feels that the Ashland team has been unable to practice, also.

Humboldt has lost both of last year's pitchers while Ashland will have both of the chuckers who played against the local team last year. The college divided their last year's series.

Telonicher plans to use Don Cave on the mound the first game with Pierce Quintrell slated to start the second. Wayne Simpson will hold down the catching berth with Howard Gregerson on first, Giuntini at second, Hemphill on third, and "Rookie" Finley at shortstop.

In the outfield Telonicher will start Carl Penn in right field, Dale Merriam, if available, will start in center with either Jack Simpson or Gillis Courtright in left field.

Players who will make the trip will be chosen from the following list: Wayne Simpson, Denny Willis, Don Cave, Pierce Quintrell, Howard Gregerson, Harold Moulton, Ugo Giuntini, Percy Finley, James Hemphill, Wilson Woodcock, Sid Mackins, Carl Penn, Dale Merriam, Jack Simpson, Gillis Courtright, Elmo Seely, Dave Nielsen, Dave Devlin, Frannie Moore and Buster DeMotte.

GOOD WILL TOUR IN LAKE COUNTY PLANNED BY HOWE

J. Wendell Howe of the science department, accompanied by C. E. Morrow, Y. M. C. A. secretary of Eureka, is to take a trip through Lake County this month, visiting about ten high schools. Mr. Howe will be the official representative of Humboldt State Teachers College, and the purpose of his visit to these high schools is to arouse the students interest in this college and encourage them to attend.

Miss Craig Back From Conference

Miss Ann V. Craig, head of the Physical Education Department, returned Monday morning from a conference of the Physical Education Directors which was held in San Francisco Saturday, April 30.

The conference was made up of a committee of representatives from the northern section of the state. The purpose of the committee was to suggest to the State Division of Health and Physical Education a professional curriculum in health and physical education which should be offered by teacher-training institutions to all elementary school teachers.

Personnel of the committee was made up of representatives from groups having to do with the training of the elementary school teachers. Representatives were from Fresno, San Jose, Chico, San Francisco and Humboldt State Teachers College; from State Department of Education, Mills College, San Francisco Public Schools and Oakland Public Schools.

DICTATE PROPERLY!

It seems that several of the instructors in Humboldt State have never had a course in dictating to students. There should be some uniform method of this practice so that those who attend classes and have to write down questions or long sentences for any reason of the instructor, would know what to expect and would be prepared.

One instructor will read a sentence through once and once only, expecting the student to get it entirely. Some students may grasp the idea or even the identical words, but, as a rule, the average student won't. Other instructors read the sentence through twice, one right after the other, and request the students not to begin writing until after the second time. This dual reading impresses some, but not all, and is very easy to get confused.

Assuming that the general run of those attending here are not geniuses, the Lumberjack would suggest the following method of dictating to students: Read the sentence through slowly, wait until the majority of the students are about half through it, then repeat it again. This gives the students a chance to concentrate on the first portion of the sentence the first time and then when they begin to falter, the sentence is repeated and they are allowed to finish, keeping possibility of errors to a minimum and certainly not decreasing speed.

Of course this does not apply to lectures where students are expected to glean the professor's statements and take only those of importance, but to any particular case, where students are expected to take the exact wording of the instructor.

—H—

HIGHER STANDARDS

Beginning next Fall, a grade of "C" or better will be required in "Practice Teaching" here in every field in which a credential is granted. That is to say, any student who gets less than a "C" for Practice Teaching will not receive a credential. This ruling was passed at the regular Faculty meeting April 26.

College Play Day Wednesday Morning

With a great variety of events lined up the annual Humboldt State Teachers College play day will be held Wednesday morning, May 11. Features of the day will be a baseball game between the girls and the faculty and an archery tournament.

The play day will start at 10 o'clock. Among the first events will be Archery, Handball and Volleyball. Howard Johnston and Blanche Roll will have charge of the archery tournament, while Bert Munther and George Monroe will line up four doubles handball matches. Clyde Patenaude and Wilson Woodcock will have charge of the mixed volleyball games.

At 10:15 relays will get under way under the direction of Lucile Winter and Ellis McMillan. There will be 15 teams with 8 men and 7 women as captains. There will be 10 members on a team. No announcement of events will be made until the teams are lined up. At 11 o'clock there will be comical events under the direction of the W. A. A.

Miss Lillian Mohr Hostess at Party

Miss Lillian Mohr was hostess last Monday night, April 25, at an informal dance and taffy pull. The party was held in the social unit at Sunset Hall and the music was furnished by Miss Hazel Christensen. Woodrow Thompson and Henry Bender. H. R. Jenkins made the candy and everyone shared in the pulling it.

The "Dorm" girls present were as follows: Agnes Combs, Oliva Torgersen, Hazel Christensen, Anita Calanchini, Elma Biasca, Vada Hall, Marcia Smith, Harriet and Alice Finne, Gertrude and Leora Hunter, Rigmor Vinum, Marion Deidricksen, Carmen Alward, Louise Johnstone, Bona Hughes, Annabelle Stockton, Marge Kausen, Sara Hartley, Marion Cutler, Ruth Johnson, Jeanette Peterson, Elna Gries, Grace

The program will conclude with the baseball game between the girls' team and the faculty. Evelyn Fielding will arrange the details of the baseball game.

An attack by the enemy had been repulsed with heavy losses, and when the scattered remnants had reassembled in the trench, two non-coms found themselves together.

"Gosh!" ejaculated one. "If they come on again in our present circumstances they'll take our measure."

"I certainly hope so," the other murmured.

"What? You disloyal dog! You want the enemy to take our measure?"

"Oh, I thought you said 'major.'"

Shaw, Esther Genzoli, Elaine and Bernice Rasmussen and Evelyn Renner.

The boys present included Frank Look, James Speiring, Jack Williams, Woodrow Thompson, Henry Bender, Lee Lawson, Louise Erlich, Clarence Henry, Lawrence Clark, Winifred Hauck, Bill Morehouse, Ernest Turner, Henry Eagan and also Mr. and Mrs. Horace Jenkins, Miss Platt and the hostess, Miss Mohr.

N. P. NEILSON SPEAKS HERE

The state department of Physical Education will put out several complete books on health and physical education, according to N. P. Neilson, head of the department, who addressed the Physical Education Majors here last Friday. Several members of our faculty are contributing to the health edition for secondary schools. Mr. Neilson also offered a list of seven factors which governed whether or not teachers in P. E. will get jobs:

Supply and demand, training and experience, intelligence, personality, health, elements of prejudice and luck (which is 95 per cent good management).

He left the majors with the warning to remember to replenish the shelves of the brain with more knowledge after graduation. A desirable motto is:

"Aim high! There is little danger of overshooting the mark when the range is the length of a lifetime."

Golf Tourney Planned Here

The following students of the Humboldt State Teachers College have signed up to participate in a golf tournament which will probably be arranged in the near future: Don Gould, Bill Nellist, Rollo Guthridge, Buster DeMotte, Dave Devlin, Ellis MacMillan, Carl Green, Vada Hall, George Gregory, Ralph Buxton and Harlan Minor.

HUMBOLDT SPORTING NEWS

BOXING BOUTS TO BE HELD THURSDAY

With five bouts lined up ranging from lightweights to heavyweights the Humboldt State Teachers College amateur boxing tournament will be held in the college gymnasium Thursday night starting at 8:30.

Plans had been made to hold three exhibition bouts featuring Eureka boxers, but these fell through when the college administration said nix. Dick Derby, who is in charge of the tournament, says that he is sorry the exhibition fights cannot be held, but that the college students will put on a good show.

The fights will start with the lightweights and finish with the heavyweight bout. Roy Moore will referee all the fights.

Following are the participants:

Lightweights

Fred Goodwin vs. Dudley Davis.

Welterweights

Herb Stuart vs. Earl Tatman.

Middleweights

James Spiering vs. Stick Carson.

Light Heavyweights

Dick Derby vs. Lee Nellist.

Heavyweights

Don Gould vs. Dave Devlin.

College Athletics May Be Controlled By Special Board

Humboldt State may have a board of athletic control (or something like that) if the students see fit to pass a constitutional amendment at the next student body.

A committee, composed of Jane Cotter, Dick Derby, Alice Renfro, Jack Simpson, Coach Fred Telonicher and J. Wendell Howe, was appointed at a recent assembly to draw up the amendment and post it on the bulletin board. It is there now and everyone is requested to "look it over."

Miss Jane Cotter presented the proposition before the assembly and suggested that such a body could contain the following members: Athletic coach, a faculty member, one or two members of the executive council, the athletic manager, and business manager of each sport.

Basketball awards were given the following members of the college cage squad: Ugo Giuntini, Calmer Kincaid, Earl Tatman, Marion McFarland, Wayne Simpson, Gordon Hadley, Jack Simpson, Haven Howatt and Glenn Waldner. Every man plans to return next year.

The Senior Ball will be held at the Eureka Inn this year it was decided at the meeting. As a rule the Ball is held in the gym.

Coach Telonicher was given the power to go ahead and schedule a baseball series with Southern Oregon Normal at Ashland.

It was also decided to give yell leaders, but not team managers, awards for their services in the future.

Financial reports by Ugo Giuntini and Clyde Patenaude explained the money situation of the student body and the Lumberjack.

To make up the cast of the operetta, "Oh, Doctor," presented by the South Fork Union High School, Miss Lucy McLane and three Dramatic Technique students, Jessie Hinch, Margaret Rogers and Madeline Kammerzel went to Miranda Friday, April 22. They stayed over night at Weott.

Upper Class Girls Win Championship

Winning two games in as many days, Hazel Christensen hurled the upper-class baseball team to the girls' interclass championship of Humboldt State last week.

After the Freshmen girls had upset the Sophomores 14-3 Monday afternoon, the upperclass team administered a sound 18-3 defeat to the first year girls Wednesday. Thursday afternoon, the upper - classmen encountered trouble with the Sophs, but "Christy's" strong right arm was equal to the occasion and their opponents were blanked 3-0. Judging from the scores of the first two games, the upperclassmen were 26 runs better than the sophs, but the score of the final tilt does not indicate that this theory was right.

The champions were able to annex the crown with only seven players, all they could muster. They were as follows: Hazel Christensen, Alice Renfro, Marg Kausen, Letha Robinson, Melpha Cannam, Agnes Johnson, and Lucille Winter.

Members of the other teams were:

Frosh—Zorie Ivancich, Mary Emily Speyer, Mary Nielsen, Leora Hunter, June Peterson, Grace Shaw, Lois Jackson, Marjory Todd, Anabelle Stockton and Eloise Chase.

Sophs—Donna Ivancich, Ruth Carroll, Amy Vance, Frances Thompson, Elma Biasca, Ruth Carson, Mildred Green, Wilma Wagle, Audrae Warren and Alice Johnson.

FROSH TAKE TRACK MEET

Either Humboldt State has a bright future or a poor present on the cinder path it was indicated by the results of a track meet last week. The Freshmen decisively trounced the three upperclasses by a 78 to 43 point score.

None of the times, distances, or heights were sensational, although Paul Roberts was clocked at 11.3 in the "115 yard dash." Rollo Garthridge topped the bar at 11 feet in the pole vault for a first place.

Garthridge was the individual

Simpson's Tossers Cop Championship

Wayne Simpson's baseball nine won the championship of the Humboldt State Teachers College Intra-Mural League when Don Gould forfeited the final game of the league schedule because he was unable to muster a full team. The game was suddenly switched and Gould found himself unable to notify all of his men and consequently but five appeared by time for the game.

Simpson's team had previously won two games and had lost none and a victory for Gould's outfit would have resulted in a tie between the two aggregations.

IT DIDN'T USE TO BE THIS WAY SAYS ROWE

By MARK ROWE

One often hears someone say: "It didn't use to be this way." Time has gone on, seemingly taking with it the virtues of the past and leaving only its happy memories. But while Time leaves the memories of the "good old days," the memories of the "not-so-good-old days" are recalled with more difficulty.

To the present students at Humboldt State Teachers College, there are a few inconveniences, such as may be found in any college of this size. Maybe someone has to take some subject when he does not want to; it is true that there is no swimming pool; there should be more athletic equipment to properly develop teams to compare with those of the bigger schools; the men would like to have a real "smoking and lounging room."

Everyone realizes that a few million-dollar donations would help to eliminate these things. But many just can't see why things are as they are. They didn't used to be, they say.

However, Horace R. Jenkins of the industrial arts department, an old timer here on the Humboldt faculty, sometimes, if accosted properly, tells of things that somewhat dim the luster of the aforesaid "good old days."

The college was first down by the tracks where the Hammond Little River lumber yard is. It was moved to its present location in 1915. Humboldt State was then composed of the buildings which are now used for the Commons, music room, "little gym," industrial arts department and the girls' "dorm." The "little gym" was used for an auditorium as well as for a gymnasium.

There were no paved roads to the steps in those days. Think, girlie, of anking up that hill along a muddy trail at a time when it rained nearly thirty inches in January.

Electives weren't in those days. The guy who bemoans his fact of having to take French in place of Chinese or some other easier language should get some satisfaction out of thinking that the student of seventeen years ago took what was offered and liked it.

Mr. Jenkins tells that at one time during the war there was but one male student at Humboldt. What a football team they must have had! This unfortunate student was forced with the difficulty of taking what was offered. It seems that it was at the "gym" hour that he was rendered most uncomfortable. Whether or not he decided to face the horrors of war to that of being forced to take natural dancing, Mr. Jenkins did not say. But anyway, the boy didn't stay.

One of the conveniences of the school in the old days was a swimming hole in the gulch back of the school buildings. It seems that somebody did go swimming in it once, but as there were no showers with which to wash off the mud which one accumulated in the pool, it was abandoned.

DUAL MEET TO BE HELD WITH HIGH SCHOOL STARS

Track athletes of the Humboldt State Teachers College will compete with the Arcata High School cinder stars in a dual meet next Tuesday and Wednesday. Judging from the showing of the college students in their interclass meet they will have their hands full when they tackle the prep school boys.

Gertrude Meisser, '27, is principal of the Grizzly Bluff school, near Ferndale.

Reva Halpern Look, '30, is teaching near Klamath.

Notes and Ideas From Other Campi

By Ugo Giuntini

Elections

While our election time is nearing, other colleges are also busy with the choosing of the officers who will be at the helm of student body affairs for next year. At San Diego State all the candidates are to give acceptance speeches at a special assembly in the near future. It's going to be tough on those who haven't yet taken Public Speaking. Tough luck, candidates.

Poppycock?

According to Cornelius Vanderbilt, "College is pure poppycock from start to finish." The only good things about college are the social contacts made, he states. Maybe yes, maybe no, who can say? Tough luck for the pros if everybody quit.

Tick! Tick!

The women students of San Francisco State have solved the situation about their intercollegiate sports. They are holding a telegraph track meet with a southern school. Each college has its meet and each informs the other of the results. Not bad at all! Tough luck you can't get together!

You're Right!

"More co-eds or none at all!" is the cry of the University of Detroit. From an enrollment of 3620 only 77 are women. That's a sad state of affairs, all right. Tough luck, fellows.

Believe It or Not

The Arizona State Teachers College at Tempe (where Mr. Sweetman is president) is now known under its 6th name since 1886, the year it was founded. That's nothing, it's only half a dozen. Tough luck for the next one!

I Should Say Not!!

Spare the paddle and spoil the frosh, says a college editor. That won't go here at all. Tough luck, frosh!

He Knew His Physics

In answer to a question, "Who is the greatest engineer the world has ever produced, and why?" in a physics examination at Lake Forest College, a freshman gave this answer: "Hoover, because he ditched, drained and damned the United States in two years." Tough luck, Herb!

Fishy, What?

At the University of Redlands, the students are complaining about their cut system. It seems that one unexcused cut makes all the excused ones count as unexcused. Tough luck, students!

Poor Mutt and Jeff!

Harold Lloyd and Jiggs were rated as funnier than Will Rogers in a "sense of humor" test given to 600 students at Stanford recently. Tough luck, Will!

Rub Dirt on 'Em

Campus trousers that stand up unsupported are in favor just now on the campus of the University of Nevada, because of a prize that will be awarded to the male student wearing the dirtiest pair of cords. Tough luck, laundrymen!

Have a Chaw?

Because the upper - classmen do not consider their habits to be sufficiently masculine, Freshmen at one dorm at Carnegie Tech must chew tobacco. Tough luck, Frosh!

No Admittance!

Lessons in contract bridge are being given at Ohio U., but college professors are not admitted to the class. Tough luck, professors!

The End!

This is all the notes and ideas this time. Tough luck readers. Pardon me, good luck!

PLANS COMPLETED FOR INSTALLATION OF NEW MEMBERS

Announcement of a 7 o'clock breakfast to be held May 18, in the Social Unit for the installation of the new members of the Women's Athletic Association, was made at the Executive Board meeting last Wednesday.

In the constitution of the W. A. A. a new ruling has been made this semester concerning the nomination of officers. The constitution reads: "The board shall appoint two members of the association to act with the president as a nominating committee for all W. A. A. officers with the exception of the managers of sports." The committee is composed of Miss Ann V. Craig, physical education instructor; Hazel Christensen, president of the organization; Edith Cameron and Elva Baumgartner. The nomination of officers will be under the direction of this committee and no one else.

It was announced at the meeting that a ballot box will be installed May 11, in the hall for the W. A. A. members to cast

their votes for the new members. Ruth Carroll was appointed chairman of a committee to get a stunt for Play Day, to be held May 11. She will be assisted by Janet Stewart.

The subject of numerals for girls' sweaters was discussed at the meeting, but nothing definite was done.

Hazel Christensen presided at the meeting.

"EVIE" RETURNS

Miss Evelyn Fielding, resident of Sunset Hall, is back in school again, after a two weeks absence due to illness. She spent the past week at the home of her aunt, Mrs. Thomas Hunter, in Arcata.
