SPOOKS TO ATTEND FROSH RETURN HOP

NO LOW SPIRITS EXPECTED
AT DANCE SET FOR
NOVEMBER 2

A girl will scream. A ghastly, ghost-like hand will clutch at her lily white throat. Of course that may not happen; it is only a guess because the Freshman Social Committee refused to give out the details. "A 'Spook' Dance", they said, "three honest to goodness 'spooks' for every admission."

In short, the Freshman Return Dance is soon to be given. Friday evening, November 2, is the correct date; 9 to 12 are the hours; Cralle's Crooners is the orchestra and a "spine curdling" time for all is the menu. The affair will be informal.

The decoration committee, headed by Mary Magnus, hopes to be able to start work two days previous to the dance because of the large quantity of decorations needed.

Working with the freshman social committee are Lyle Thompson, student body social chairman; Richard Buxton, freshman class president; several members of the freshman class and several faculty members.

The social committee is composed of Harry Falk, chairman; Beryl Unsoeld, Catherine Bull, Arlene Thompson, Jean McLain, Clare Cooperider, Harvie Patterson and Paul Hunter.

Courtright Elected Civic Club President

Gillis Courtright was unanimously elected president of the entire College Civic Club at a meeting Tuesday night, at the home of Prof. Leo Schussman, advisor of the club. Other officers of the club are: Eloise Aune, secretary, and Doris Clark, treasurer.

After the business meeting refreshments were served to those present who were: Janet Woodcock, Maewilda Speer, Helen Sunquist, Jay Jones, Clarion Moxon, Cedric Jasper, Gillis Courtright, Elinor Brown, Leora Tuohy, Pauline Pegolotti, Dorothy McGovern, Barbara Unsoeld, Doris Clark, Patricia Crowley, Laurella Frakes, Mary Nielson, Eloise Aune, Muriel Thorne.

ON HONOR ROLL

Miss Virginia Lee Dickson, former H. S. T. C. student, is now on the honor roll at the University of California. In order to be placed on the honor roll, one must have an average of "B" or better. Miss Dickson is a junior in the College of Commerce. She was allowed full credit at U. C. for her work taken at Humboldt.

BONFIRE TONIGHT

The bonfire will be held at 8 o'clock tonight.

Charles Timmons, student body president, made arrangements for freshmen to work two consecutive periods yesterday and today gathering and piling material. Sam Davis, yell leader, will be master of ceremonies.

There will be dancing in the gymnasium after the bonfire.

More Entries Needed For Golf Tournament

Play in the Sam Beer Trophy Golf Tournament will not start until at least eight contestants sign up, according to Coach Fred Telonicher.

Six golfers have signed up and two more are needed before Telonicher makes the pairings.

Those who have signed so far are William Beer, Eugene Fountain, William Henders, Harry Falk, Richard Albert, and Jay Jones.

"WATCH" FINANCES PRESIDENT WARNS

President Arthur S. Gist of Humboldt has issued a statement warning students to watch their personal finances. The statement follows:

"The Administration feels justified in sounding another warning to the students regarding their personal finances. Young people, especially those who are away from home for the first time, often take too liberal advantage of the credit system in vogue in most stores.

"For a college student it is generally a simple matter to open a charge account. Thus for the first time many students find it an easy matter to secure many things they have coveted for some time. Before some of these students realize the situation, they are almost hopelessly in debt. Thus, the credit system of modern merchandising which is a blessing to people with steady incomes may be a curse to a college student.

"Clear thinking regarding our own personal finances should be learned early in life."

Student Teachers Are Entertained by Head

Miss Myrtle Sholty, director of teacher training, entertained the student teachers at a Sunday evening tea at her home at 14th and I streets October 14. After refreshments were served at small tables, Mary Nielson directed group games, and Barbara Stewart led several songs. Annabelle Stockton gave a reading, "Taking Deaf Uncle Jonah to the Ball Game."

Those present were: Katherine Cloney, Cedric Jasper, Frank Look, Lester Larsen, Barbara Stewart, Katherine Hill, Anna Brandt, Halycon Wilson, Dorothy Dexter, Dave Nielsen, Annabelle Stockton, Mary Nielson, Coyita Cooper, Alma Ruth Sweet, and Miss Sholty.

Dorothy Williams Heads Pro Musica

The Pro Musica Club of H. S. T. C. held their first meeting last Friday afternoon from four to six o'clock.

It was a social and business meeting, its purpose being the election of officers for the following term. Those officers elected were: Dorothy Williams, president (re-elected); Barbara Stewart, vice president; Mary Emily Speier, secretary.

The meeting was held at Mrs. Marie Ostrander's home. Waffles were served at the conclusion of the meeting.

DEMOTTE WINS PRIZE

Buster DeMotte, former H. S. T. C. student, won first prize of five dollars in a contest sponsored by a newspaper in Stillwater, Oklahoma, for a prediction of the outcome of the World's Series baseball game. He is attending the A. & M. College at Stillwater and majoring in journalism.

STUDENTS TO SEE TWO COWARD PLAYS

HUMBOLDT AND S.F. PLAYERS
TO APPEAR AT COLLEGE
THIS WEEK-END

"Easy Virtue", Noel Coward's modern social comedy, will be presented here tomorrow night at 8 o'clock by the Humboldt College Players directed by Garff Wilson, as Humboldt's part of the week-end of drama which will be concluded Saturday night with the San Francisco State Teachers College Players presenting another Noel Coward play, "Hay Fever".

"Easy Virtue" concerns the affairs of a "lady with a past" who marries into a sedate English family where she is unable to adjust herself to their customs. Her wit and temper give rise to many interesting situations which she meets in her own way. This role is being played by Margaret McCammon who has had much experience in college dramatics.

Jessie Hinch and Julius Hooven play important roles as the only ones who understand the tempestuous "Larita." Oden Hansen plays John, "Larita's husband." Norma Thurston as "Marian" is the modern religious daughter of the English family.

The other members of the cast are: Colonel and Mrs. Whitaker who are played by Benjamin Marshall and Alma Ruth Sweet. Catherine Bull plays "Hilda" another daughter of the Whittaker's. Bruce Compton is the butler, "Furber." Minor characters in the play are "Philip Borden," Sam Davis; "Mr. Harris," Jack Lennox; "Mrs. Hurst," Eleanor Ritola; "Mrs. Phillips," Frances Paulson; "Nina," Eva Mathisen; "Bobby," Lawrence Clark; "Lucy," Muriel Thorne; "Mary," Beryl Unsoeld; and "Henry," Myron Schussman.

The setting was designed and built by the Dramatics Workshop students people under the direction of John Van Duser.

Eleven members of the San Francisco State College Theatre and their director, Miss Jessie D. Caseboldt, will arrive in Arcata tomorrow. They will attend the production of "Easy Virtue" Friday night and will present "Hay Fever", a three-act comedy which had a successful first showing in San Francisco last week, on Saturday night in the college auditorium.

"Humboldt Alumnus" Is Published Here

The first issue of the "Humboldt Alumnus," a new quarterly publication backed by the combined Alumni Executive Committee and the Alumni Committee of the college faculty, was published October 10. Editors are Miss Alta McElwain, Alumni president, and J. Wendell Howe of the faculty.

The publication contains news of interest to faculty and alumni. There are class notes concerning the activities of the alumni and a special paragraph devoted to an outstanding graduate.

Peter L. Spencer, '17, a former student who after receiving the diploma at H. S. T. C., took an A. B. and entered Stanford University to study for his M. A. He has been Commissioner of Education in the Philippines and is now Professor of Education at Claremont College.

HERBERT STUART HERE

Herbert Stuart, a former student of Humboldt State, was a visitor at college last week. Stuart is now enrolled at the College of Physicians and Surgeons of San Francisco.

William J. Warren, former H. S. T. C. student, has been appointed assistant instructor of electrical engineering at the University of Illinois.

Marseille Spetz Is Dramatics Manager

Marseille Spetz was appointed dramatics manager and Lester Larson, music manager, at a meeting of the executive council last week in the Green Gate room.

The council decided that Humboldt's home game should be played in Albee Stadium and voted \$12 for tickets and advertising.

An advertising committee was picked, consisting of William Ott, Myron Schussman, and Leonard Cloney.

STUDENT TEACHERS CHOOSE OFFICERS

The Student Teachers Club held its first fall meeting in the social unit the evening of October 17. Officers elected for the year are Annabelle Stockton, president; Wayne Simpson, vice president; Mary Nielsen, secretary; and Anna Brandt, treasurer.

Maxine Belloni '34, past-president, told the purpose of the club and how it was organized.

During the social hour which followed the business meeting Jessie Hinch and Alma Ruth Sweet gave readings, and Katherine Cloney, Barbara Stewart, and Mary Emily Speier, accompanied by Merle Morton, sang. Folk dancing by the group was followed by refreshments.

Those present were Miss Myrtle Sholty, Miss Belle Dickson, Miss Ruth Bestor, and Henry Cluxton, sponsors for the club, and Annabelle Stockton, Evelyn Renner, Jessie Hinch, Wayne Simpson, Katherine Hill, Dorothy Dexter, Frank Look, Coyita Cooper, Dave Nielsen, Anna Brandt, Mary Nielson, Katherine Cloney, Cedric Jasper, Barbara Stewart, Margaret McCammon, Alma Ruth Sweet, Mary Emily Speier, Merle Morton and Maxine Belloni.

Hockey Teams Will Start Play Monday

Girls' hockey teams will swing into action on October 29 when the freshman team battles the upperclass team in the first inter-class hockey game of the season. The girls have been practicing hard during gym periods lately because they hope to win one of the first-string positions. Each girl making a first-string team will be awarded 100 points toward her sweater and letter.

The complete schedule of the season is as follows:

Oct. 29, Upper-class vs. Frosh.
Oct. 30, Sophs vs. Frosh.
Oct. 31, Sophs vs. Upper-class.
Nov. 6, Upper-class vs. Sophs.
Nov. 7, Frosh vs. Upper-class.
Nov. 8, Sophs vs. Frosh.

Associated Students Present 'Sportcast'

The associated Students of Humboldt presented the first of a series of "sportcasts" last Thursday evening over KIEM. William Ott, chairman of the publicity committee, was in charge of the program.

The speakers on the program included Coach Fred Telonicher, who gave facts about the football squad; Captain Robert Caviness, who expressed the feeling of the team, and Charley Erb, sports writer, and a member of California's Wonder Team.

ADDRESSES MONDAY CLUB

Leo G. Schussman, professor of Education at Humboldt State Teachers College, addressed the Monday Club in Fortuna Monday afternoon of this week on "Health and Mental Hygiene."

Miss Louise Johnstone, former Humboldt student, now teacher of the Patrick's Point School, visited the college last week end.

LOCAL FANS TO SEE H.S.T.C. IN ACTION

LICK - WILMERDING TEAM
WILL MEET COLLEGE SAT-
URDAY IN EUREKA

The Humboldt State Teachers College football team will play Lick-Wilmerding Junior College of San Francisco at Albee Stadium at 2:30 this Saturday.

Coach Fred Telonicher has been working on his blockers trying to smooth out his running attack, which he hopes will function more consistently than it did last Saturday. Telonicher has been giving special attention to the blocking for the protection of his passers and kickers. Several new plays have been added which will give the running attack more deception.

Humboldt's team will be in good condition for the Lick-Wilmerding game with the exception of Captain Robert Caviness who has been handicapped by a rib injury.

Coach Pivernetz will arrive in Eureka Saturday morning with a small squad but with what he believes is the hardest-fighting team that he has seen this year. Lick-Wilmerding's record is not as impressive as last year's, which resulted in only one loss out of eight games.

Coach Pivernetz stated that Lick-Wilmerding's best game this year was with Lowell High School, the winners of the city championship of San Francisco. Pivernetz also added that his team will show the Humboldt State team plenty of football this Saturday.

Officials for the contest will be Harry Tucker, referee; Sidney Bartlett, umpire, and Carlton "Dummy" Wells, head-linesman.

Auditors Must Have Cards for Classes

Auditors in college classes must secure regular enrollment cards for those classes, according to word from Miss Imogene Platt, college registrar, yesterday.

"According to the new administrative regulations," Miss Platt said, "auditors must secure auditors' enrollment cards before entering any course that they wish to audit. These cards are to be secured from the registrar's office and must be approved by both the faculty advisor and the registrar."

"This action applies to music, dramatics, and physical education activities as well as to other regular credit courses."

Earl Tatman of Scotia, former H. S. T. C. football star, is recovering from injuries—a fractured cheek bone, black eye, cuts and loosened teeth—which he received when he fell from a lumber pile recently.

See the Game

Saturday afternoon the football teams of Humboldt State Teachers College and Lick-Wilmerding Junior College of San Francisco clash at Albee Stadium in Eureka.

This game will not be just an ordinary game, but one of the few intercollegiate football games played by Humboldt at home. This fact alone should induce every student of Humboldt and his friends to see it.

The 20-odd men who practice each afternoon after school at Humboldt are rapidly getting into shape. They lost the football game last Saturday with San Francisco State Teachers College, but the boys are out to win this game.

The game is going to be good, and you'll be missing a real football game if you are not at Albee Stadium, Saturday afternoon. The football team needs your support to win. Better plan to attend.

Welcome S. F.

A better relationship between the State Teachers Colleges of California is the aim of Humboldt and San Francisco State as S. F. College Theatre Players come here this week end as guests of the Humboldt College Players.

Contesting for superiority will have no place in the presentation of the plays. The aim is to present better plays and arouse the interest of the students and community in acting, staging, lighting and directing as it can be done by enterprising students under the direction of persons with knowledge on these subjects.

Credit Due

William Ott, publicity chairman, is to be commended on his work on the bonfire and for the arrangement and execution of the extensive advertising campaign conducted for the Humboldt-Lick-Wilmerding football game.

Carl Owen is another person who should be commended. He has organized a "pep" band to play at the game and at future athletic contests.

Football and School Spirit

Football is a valuable asset to a college in building up school spirit, morale and feelings of loyalty and unity. We have a team in which we may well take pride. Last Saturday they played a good game against a team representing a college having three to four times as many men students as we have at Humboldt. Furthermore, the San Francisco men have had more high school football experience than our men.

Let's support our football team by showing our interest and enthusiasm. It would be an inspiration to our team and to our coach to have 100 per cent of our faculty and students attend our game on Saturday, in Albee Stadium at 2:30 p. m.

(Signed) ARTHUR S. GIST, President.

"Best Short Stories"

Among Rental Books

Six new books have been placed on the librarian's rental shelf since the last issue of the "Lumberjack." They are as follows:

"The Best Short Stories of 1934 and the Yearbook of the American Short Story" by Edward J. O'Brien. This volume it is said offers many selections that have been quite beyond the reach of the average reader, because much of the finest contemporary writing appears in obscure periodicals of limited circulation.

"The Folks" by Ruth Suckow; its variety of character portrayal, running from provinciality to urbanity, from innocence to sophistication, from troubled idealism to latterday Communism, gives vast scope to this novel.

"Experiment in Autobiography" by H. G. Wells is the intimate story of H. G. Wells' life; "Full Flavour" by Doris Leslie, a story of one woman from her childhood to her old age, and of her marriages, and her family, set against a London background; "While Rome Burns" by Alexander Woolcott, a book of his best horror stories, anecdotes, personal portraits, legendary tales, and reminiscence his first book in six years; "The Man on the White Horse" by Warwick Deeping, a historical novel laid in fourth-century Britain.

Play Banners Cause "Grief" to Director

Much splashing and spilling of paint in the painting of the advertising banner for "Easy Virtue," the next College play, was done by the amateur painters of the Dramatic Workshop in their efforts to complete the banner before the play is given. These banners, which are stretched across the streets above the traffic, have always been a source of much trouble, Garff Wilson, the dramatics instructor, states.

First, the banner has to be painted, then usually a word or two is misspelled and must be corrected even if an air hole has to be cut where the wrong letter is. Second, it has to be hung down-town. After this is done, one of the ropes always breaks, a fact which necessitates someone's climbing up the pole to repair it. After the play the banner is forgotten until the city officials remind the players to remove the banner. A few days after this someone ambles down and lowers the banner.

These happenings of the play banners are getting to be a tradition, as so far they have never failed to occur.

Miss Monica Wright's beginning tap-dancing class had their first test last week on the steps they have learned since the beginning of the term.

In Other Colleges

A co-ed of Sacramento Junior College made a plea through the "Pony Express," student publication, that the girls be placed on the rally committee after the bonfire rally turned out to be such an "exclusive affair."

A straw vote conducted by the "Golden Gater," of C. F. State gave Merriam a slight lead.

Students of San Jose State Teachers College protested against ex-congressman Free's charges that communism was gaining a foothold in their college in a strong article appearing in the "Spartan Daily," student publication.

The "Vitalized School Journalism," publication of the National Association of Student Editors showed in a recent survey that parents read school papers extensively. Do your parents read the "Lumberjack?"

"The Collegian" of Saint Mary's College reports that a debate with the inmates of San Quentin will be held on the question "Resolve; That California should be divided into two states." Saint Mary's will uphold the affirmative and they expect a victory.

"The Royal Family," a three-act comedy, will be presented by Santa Barbara State Teachers College, according to "El Gaucho," the student paper. This play was presented at Humboldt State two years ago.

Registrar Addresses

Freshman Orientation

"Getting a college education is a full time, 48-hour a week job," declared Miss Imogene Platt, college registrar, in a lecture recently to the freshman orientation class.

Successful college careers are based upon good study habits and an interest in one's subjects. The student who is accustomed to loafing in high school will find his college work much harder to do. Consistency is an ever necessary element in learning, good grades, Miss Platt declared.

Reliability, too, is checked in the office of the registrar. "Keep your appointments with faculty members, attend to your office notices on the day received or date specified because a record is kept of each case of unreliability; and the college does not recommend students who are not dependable," Miss Platt said.

Girls of Dormitory

On Week-End Trips

A number of Sunset Hall girls spent the week end of October 12th away from Arcata. Margaret McCammon attended the play "A Midsummer Night's Dream" in Berkeley. Eleanor Renfro visited at her home in Kelseyville; Mary Shinn motored to her home in Honeydew. Evelynne Rhea went to her home in Cummings. Anna B. Hull to Gerberville, Gladys Marke to Carlotta, Eleanor Robinson to Bridgeville, Emy Lou Grove and Marjorie Brenner to Scotia, Marie Goff and Evelyn Renner to Waddington, and Lydia Biasca to Metropolitan.

Miss Louise Struve, head resident of Sunset Hall, visited her brother, who is ill in a San Francisco hospital. Miss Sarah Davies and Miss Florence Shearer of the faculty, stayed at the dormitory during her absence.

ESTHER STEWART WEDS

Esther Stewart, '31, and Dewey C. McCauley of Oakland, were married in Oakland October 14. Janet Stewart, her sister, was a bridesmaid. The bride has taught in the Oakland city schools for the past three years. The couple are at home at 2551 Ivy Drive.

SCHMEDER AT U. C.

Charles Schmeder, former Humboldt student has enrolled in the University of California, where he is taking a business course. Schmeder was active in athletics here having had two years of participation of football and baseball.

Garff Bell Wilson of the faculty and Wayne Simpson, and Julius Hooven saw the recent production of "A Midsummer's Night Dream," in Berkeley.

Blind Bogey Tourney Planned for Faculty

A "blind bogey" golf tournament is being planned for the Humboldt College faculty and wives at the Arcata Golf Club at Bella Vista November 2-4. The tournament will be played over eighteen holes and prospective players are to sign up at the caddy house and pay a fee of 25 cents before playing. The money will be spent for prizes.

The committee in charge of the tournament are Dr. Harry L. Jenkins, college physician; Miss Florence Shearer, and Maurice Hicklin of the college faculty. There are twenty-two faculty members and their wives who play golf.

Sight-Singing Class Is Sponsoring Dances

The Sight Singing Class, conducted by Mrs. Marie Clarke Osterlander, is sponsoring dances every Wednesday afternoon from 2 to 5 o'clock, in the south green room of the Commons. All the students are welcome to attend these dances, as it is a "get-together" dance.

"Constellation Cassiopeia" will be the subject of a talk by Mary Jean Russel of the science classes, before the Astronomy Club in Eureka, tonight.

Humboldt Archery Tackle Used By Byrd Expedition Members

A message from Admiral Richard E. Byrd's Second Antarctic Expedition giving an account of the first archery tournament ever held on the polar ice cap was recently received in Arcata by The Humboldt Bowmen, manufacturers of archery tackle, who made part of the equipment taken by the expedition. The Humboldt Bowmen, C. W. "Jack" Frost, who was graduated from H.S.T.C. last May, Archie Forson, former physical education major, and Margaret Frost, a graduate student this semester are located across the street from the college dormitory.

"The tournament was interesting" the message read, "in being the first ever held completely under snow by gas-lantern light with the temperature at fifty degrees below zero. The science storeroom provided a range of forty feet. Aside from the fact that several archers received frost bites and that the target fell and broke an arrow the event was greatly enjoyed by both participants and spectators. "An Antarctic Archery League has been organized, and will hold matches at two week intervals. The bows withstood the polar temperature 100 per cent."

This message was the third report received concerning the equipment furnished by the local manufacturers since the expedition sailed a year ago last August. A letter from Dr. Thomas Poulter, head scientist and second in command, sent from Little America on the "Jacob Rup-

pert" when this supply ship returned to the Expedition's base in New Zealand reads:

"Some nine thousand miles from the States we made our first attempt to use our archery equipment by tying a good length of heavy fish line to a hunting arrow so as to pull as near its center of gravity as possible. This line was attached just back of the arrow head with a line ring which slid back on the shaft to the center of gravity. With this arrangement we could shoot our arrows; and when they dropped into the water, the ring slid forward and the arrow was towed smoothly through the water until hauled in. Shooting from the stern of the ship we brought down an albatross which measured nine feet six inches from tip to tip, although it only weighed thirteen pounds. The bird would have made a splendid specimen, but the men were against the addition of such an historic ill omen."

A later message from Dr. Poulter read, "Twilight in Little America now. I shot a 550-pound seal with the bow today."

The archery equipment made by The Humboldt Bowmen for the Antarctic expedition consisted of a forty-six pound six foot fibre-backed lemonwood target bow and a seventy-six pound five-foot four-inch fibre-backed osage hunting bow with 200 partly finished arrows to be feathered and painted by the archers of the expedition as a spare time amusement during the six-month polar night.

Carl Owen Head of Young Republicans

The newly organized Young Republicans' Club of Humboldt recently elected Carl Owen, president; and John Bauriedel, vice president, both of whom are State students; and Fred Moore, Jr., a former student, secretary.

The majority of the members are now attending or have at one time attended Humboldt.

Miss Virginia Stuart, who attended Humboldt State Teachers College last semester, is now enrolled at Merritt Business College of Oakland.

Basketeers May Play House of David Five

The bearded House of David basketball team has written to Coach Fred Telonicher asking for a game of basketball for sometime in the middle of February.

Coach Telonicher is seriously considering the game as the House of David five is a colorful basketball team which has drawn capacity houses in its past appearances in this section.

MISS SHOLTY SPEAKER

Miss Myrtle Sholty, professor of education, was the principal speaker when the county officers of the Federated Women's Club were entertained at the Arcata Woman's Club house on October 15. In keeping with the program topic, "The Paradise of the Pacific," Miss Sholty told of her experiences in Hawaii a few years ago.

BIRTHDAY DINNER HELD

In honor of her birthday, Eleanor Renfro was the guest of honor at a dinner at the Big Four Inn, Sunday night. Those present were Miss Louise Struve, Margaret McCammon, Gladys Marke, Evelynne Rhea, Janet Robison, Mary Shinn, Annabelle Stockton and Eleanor Renfro.

PUPILS VISIT BAKERY

The College Elementary School kindergarten, accompanied by Jessie Hinch, student teacher, visited Tatman's bakery last week. They have just completed an exhibit of pies and pastries made of modeling clay in their play room.

GOING TO PALO ALTO

William Ott and Lyle Thompson are leaving tomorrow, Friday morning for Palo Alto where they plan to see the Stanford USC football game. They will return Sunday.

Bird Has a Job

During the making of the moving picture, "The Penguin Pool Murder," the director was showing a visitor around. As they gazed at the penguin, the director said:

"The bird is hired, and we pay \$150 a week for him."

A little extra standing near by remarked quietly:

"And I had to be born a human!"

Defending Her Dignity

"Jump, lady, jump!" shouted the firemen holding the life net to the movie star who stood at the sixth-story window with the flames raging behind her.

"I'll do nothing of the sort," she shouted back. "Tell the director to send my double here at once."

Teaching Tidiness

Mayor: "I never saw the park littered so with paper as it is this morning. How do you account for it?"

Superintendent: "The park commissioner had leaflets distributed yesterday asking people not to throw paper about."

SCHMUCK AND SON FELLOW STUDENTS

Because Fred H. Schmuck had always planned that when his son, Robert, started to college, he himself would go back to school, both father and son are enrolled at Humboldt this year. Fred Schmuck is a senior in education; Robert is a freshman in the pre-engineering course.

Mr. Schmuck has had a career as an engineer and a teacher. He has been apprentice instructor in the Lackawanna Railroad shops, instructor in machine shop practice in the Buffalo Normal at Buffalo, New York, and in the Buffalo City schools.

He was a Marine Engineer in the U.S. Army Transport Service, and had charge of the equipment that laid the submarine cable between Sitka Alaska and Seattle.

He was instructor in the Puget Sound Navy Yard at Bremerton, Washington, and later in the city schools of Long View, Washington. For the past six years he has been supervisor of trades and industries at the U.S. Indian Service at Santa Fe, New Mexico.

Robert Schmuck graduated from the Santa Fe, New Mexico, High School last spring.

Mr. Schmuck says that when his daughter, Jo Ann, who is now two, starts to college, he is going back again—this time to take graduate work.

TEACH AT HIGH SCHOOL

OFFICERS EXPLAIN REQUISITION PLAN

The Student Executive Committee has adopted a resolution whereby the system of requisitions for purchasing articles for the clubs and organizations under the Associated Student Body will be explained to the Humboldt merchants, college students, and faculty advisers.

The following letter will be sent to the merchants and is printed here so students may know under what conditions they can spend Student Body money.

"The rules of the Associated Students of Humboldt State Teachers College provide that no director or sponsor of any student body activity shall involve the Associated Student Body in any financial responsibility without specific authority in the form of a requisition signed by the President of the Associated Students, the Treasurer of the Associated Students and the College Financial Secretary."

"We therefore beg to inform you that the Associated Students of Humboldt State Teachers College will not be responsible for any bills incurred for the purchase of goods or service on account of the Student Body or sponsor unless such purchase of goods or service is accompanied at the time by a requisition authorizing the purchase."

Eureka's Bird Club Votes to Buy Film

The moving pictures which C. Edward Graves, librarian, has taken with the movie camera given to the college by the class of 1934, have interested the "Marbled Murrelet" Club of Eureka, who voted at their last meeting to buy film for recording movies of bird life of Humboldt County. These pictures will be taken by Mr. Graves and added to the films kept on record by the college.

The "Marbled Murrelet" Club, of which Robert H. Poultny, professor of biological and physical science, is president, is a group of ornithologists who are making a special study of local bird life. Recently Mr. Graves showed them moving pictures taken on a trip to Castle Rock, where sea birds are abundant. There were several pictures of murrelets, petrels, puffins, auklets, gulls and cormorants. At present many migratory birds are stopping here and there are opportunities for pictures.

Mr. Graves has already started taking pictures on the films allowed for in the student body budget. These will record typical student body activities throughout the whole school year. Fifty feet of film was taken of the Freshman Roundup. These, together with pictures of each senior taken next spring, will be preserved as a permanent record of Humboldt College life.

Violet Sandberg, Humboldt graduate, and Ralph B. Young were married in Eureka on October 6. The couple will live in Chico.

Humboldt College Boys Go Places And Do Things In Seven Chapters

Chapter 1

IVANCICH HIKES

Roy Ivancich, Humboldt football player, narrowly missed walking to San Francisco Friday when he missed the bus in Eureka. Returning to the stage depot after leaving for a few minutes Ivancich found the stage carrying college players had left.

He immediately started to hail rides to San Francisco. However, before he succeeded in getting a ride, the Humboldt Stage arrived on the scene. The stage had not left town, luckily for Ivancich, but had merely stopped to get gas.

Chapter 2

TELONICHER WINS

Near Redway Coach Telonicher got out and ran interference for the stage when a construction crew blocked the road with a "bulldozer" road-scraper. Telonicher won a short verbal battle with the crew and the road was quickly cleared after several blasts of powder had been set off near the stage. When asked what he told the road crew, Telonicher said that he told them that he had a fellow named Merriam on the bus who would back him up if the state highway crew refused to clear the road promptly.

Chapter 3

JOE PAUL EATS

At Garberville the varsity stopped for their first meal. Joe Paul did not seem to be satisfied with the meal. "My this salad tastes rotten," were his words as he sat eating a cactus plant by mistake.

Speaking of eating, Humboldt did plenty of it on the trip. It was all "Uncle Freddy" and Manager Courtwright could do to keep the boys from clearing the restaurants of all available food.

Chapter 4

CASE OF HARRY ZOOK

Nearing Cloverdale Harry Zook suddenly discovered that a former girl friend was following in a

new car. It took all the players to keep him on the bus. After much hand-waving and shouting Zook decided to throw out a note to the following car. "Meet me in Santa Rosa; we are stopping there" or words to that effect were hurriedly written on a scrap of paper. So infatuated was Mister Zook that he threw away a five-dollar pencil belonging to Alfred Abrahamsen instead of the note and wrath descended upon him.

Chapter 5

SCOUTS SANTA ROSA

At Santa Rosa Fred Telonicher left the stage to scout the Santa Rosa Junior College team in their game with the College of Pacific frosh. Gillis Courtwright tucked the players in bed Friday night in the Stanford Hotel in San Francisco.

Chapter 6

ELEVATOR AND TELEGRAM

An automobile elevator in the hotel and numerous telegrams from Humboldt kept the boys on their toes Saturday morning. A telegram from Garff Wilson told the Humboldt players to do their best and to tell a Joe Paul joke and they couldn't help but win.

Telonicher took Wilson's advice and said that if the going got too hard, he would stop the game and let Paul wise-crack. But Humboldt was too busy that afternoon.

Chapter 7

MISTAKEN FOR U. C. L. A.

Humboldt's varsity was mistaken for the U. C. L. A. team as several fans phoned the hotel asking for one player or another. Saturday night the players "went places" in the big city. Some went to the Palace Hotel, some to the Beach, some to the theatre and some to their rooms.

A waitress in a restaurant asked if Everett Watkins was the team's mascot, and Bill Lambert got a suit of clothes cleaned on the strength of his claim that his father was mayor of Eureka once.

Society Hears Arnold On German Philosophy

"German Philosophy" was the title of an address delivered to the Delphian Society in Eureka by Homer Arnold of the Humboldt College faculty Tuesday.

"The philosophy of the Germans goes back many centuries," stated Mr. Arnold, "it is their philosophical doctrines that show up in their policies of aggressiveness, boldness and their idea that 'might makes right'."

B. F. Wilson Giving Course for Bankers

B. F. Wilson, professor of commerce at Humboldt State Teachers College, is giving a course in commercial law one evening each week at the Eureka Junior High School. It began on October 8, and will continue for 26 weeks.

The course is being offered for bankers of Humboldt County and is under the auspices of the American Institute of Banking.

CLUB SEES OIL FILM

A film on the methods of oil production was shown before the Science Club last Wednesday noon. The film was obtained by Professor J. Wendell Howe, and C. Edward Graves, librarian, ran the machine. Those present were Hjordis Pellas, Harveen McElroy, Bessie March, Goldie Tambourovich, Margaret Taylor, John Gallop, Ray Hudson and Barbara Jean Russell.

Co-eds of San Jose Teach Awhile, Marry

More brides than schoolma'ams are being produced by the San Jose State Teachers College, according to a recent survey in which it was found that 75 per cent of the co-eds get married within five years after graduation.

"And they are perfectly right, too," says Dr. George Freeland, dean of the college of education. "It's the only sensible course. When you fall in love, get married," he advises his students and "then work out your problems together. A young man isn't worth his salt if he postpones marriage several years to get his degree."

Toronto U. Students Planning Date Bureau

Students at the University of Toronto are considering a scheme to overcome the difficulty of becoming acquainted with co-eds and the establishment of a "date bureau" may be made.

The editorial staff of "The Varsity," student publication, has the plan under consideration, but in the meantime a co-ed in the second year has already formulated plans for a "date bureau" which she intends to operate herself.

RUSSIA TO BE TOPIC

"Russia and the 'Great Reforms,'" will be the topic of Dr. Vernon J. Puryear's lecture in his University of California History Extension Course to be given next Tuesday, October 30, in the Eureka High School.

Recently Dr. Puryear lectured on The Crimean War. The period now being covered by Dr. Puryear is from 1853 to 1865.

FORMER STUDENT HONORED

Marjorie Todd, former student of H. S. T. C. was elected president of the "Margaret Snell" Hall at Oregon State College, where she is now attending school.

S.F.T.C. DEFEATS HUMBOLDT 21 TO 7

The San Francisco State Teachers College football team defeated Humboldt State Teachers College 21 to 7 at Ewing Field last Saturday.

San Francisco staged a 40-yard march late in the second quarter with Krieger going 13 yards on a spinner play for the first touchdown of the game. Then San Francisco scored six more points two minutes later when Peterson blocked Moore's attempted kick, and Krieger recovered for a touch-down. Peterson failed in his place kick.

San Francisco scored two more points for a safety when Paul's pass was grounded in the end zone. The final S. F. State score came in the fourth quarter when Thurston batted Zook's pass into the air, caught the ball and scored, making the score 21 to 0 in S. F. State's favor.

Humboldt's score came in the fourth quarter. Paul caught the

kick-off and ran the 50-yard line. Zook gained six yards at left tackle. Timmons picked up 22 yards on a single reverse. Paul gained 12 at right tackle. A seven-yard pass from Zook to Henders together with a five-yard penalty for off-side gave Humboldt another first down. A 15-yard penalty for unnecessary roughness placed the ball on the three-yard line. Moore and Zook gained a yard, and on third down Moore plunged over for a touch-down.

Moore converted with a place-kick, making the final score 21 to 7 for San Francisco.
