NUMBER 16

SENIOR DAY PICNIC TOMORROW IN COURT

LARGE COMMITTEE PREPARED TO SERVE ENTIRE STUDENT BODY

Senior Day activities would be incomplete without a get-together in the form of a picnic luncheon, according to a number of seniors who have promoted the Senior Day Picnic for May 18. From 12 to 1 members of the student body are invited to picnic in the innercourt on the last day of actual class instruction.

Ruth Carroll is general chairman of the committees in charge of this picnic and announces that the freshmen are responsible for the sandwiches, the sophomores for the salad, the juniors for the fruit, the faculty for the coffee and cream, and the seniors for the tag sale. Committee chairmen appointed in the meeting Tuesday noon were: Victor Wiesel, freshman; Louise Parker, sophomore; Herbert Moore, junior; Bertil Munther, senior; Garff Wilson, faculty, and Ann Craig, publicity. It was noticed that committees began functioning rapidly after the first organization meeting.

Miss Louise Struve has co-operated fully with the attempted picnic lunch. The food will all be purchased through Miss Struve and she will supervise its transformation into sandwiches and salad. In addition, the college commons will serve no noonday luncheon on Friday, though the soda fountain will be open after the picnic.

President Gist has given his entire support to this Senior Day picnic in the Inner Court, but urges students to make themselves a committee of one to minimize the job of the clean-up committee. Use the ashcans which will be provided!

Tags are being sold for 15 cents which is a small enough price for the delicious luncheon. Faculty and their wives, and students and their friends are welcome.

Humboldt Faculty Present CCC Program

The faculty is putting on a series of programs at the Prairie Creek CCC Camp.

The first program, given last Monday evening, was a talk by Robert Poultney, professor of zoological and physical science, on "The value of birds in Forestry and Agriculture."

The Men's Glee Club and Garff Wilson, assistant professor of speech, will present a program of music and readings tonight. J. Wendell Howe, assistant professor of biological science, will address the men and officers of the camp next Thursday evening.

CHI SIGMA JUNIORS TO ACT AS USHERS

The junior members of Chi Sigma Epsilon will act as ushers for Commencement, according to Dr. Balabanis, chairman of Commencement. They will be Alma Ruth Sweet, Jessie Hinch, Mary Nielsen and Lester Larsen.

Address Given By College Librarian

An address by C. E. Graves, librarian, on "The Appreciation of Wild Flowers" was given in the auditorium of the college elementary school for the fourth grade yesterday at 11 a. m.; and repeated for the benefit of the upper grades at 2 p. m.

CHOIR RECEIVES FAVORABLE COMMENT

The recent trip made by the college A Cappella Choir gained much favorable publicity for the college, judging by the favorable comment evoked by the singing of the choir, which has received standing invitations to return to Mills College, to Radio KGO and to St. John's Church, Berkeley.

In addition, letters have since been received commending the quality of the singing and the work of the conductor, E. V. Jeffers. Typical expressions in the letters follow:

A writer from Kelseyville said that he had heard much singing, not only in this country, but in Europe, but that he did not recall "having heard a more exquisite harmony" than that of the Humboldt choir.

A member of the music faculty at Castilleja School, Palo Alto, wrote: "You are tremendously to be congratulated on the singing of your A Cappella Choir over the air. Your people did all the good things that bespeak an efficient and painstaking conductor."

A letter from Vierling Kersey, state superintendent of public instruction, stated that a number of the officials of the department of education at Sacramento heard the program over Radio KGO, and that they all join "in expressing to you our congratulations and compliments upon the beautiful and excellent rendition."

Large Percent Placed Already This Year

Announcement of interest from Miss Imogene Platt, registrar and head of the Placement Service, indicates that Humboldt is again coming to the head of the list when it comes to teacher placements.

Of the 40 candidates for positions from the graduating class this year, ten of them have already been placed. This makes a percentage of 25 per cent for the middle of May. Last year's entire placement was 60 per cent.

Miss Sholty to Spend Summer in East

Miss Myrtle Sholty, professor of education, will devote the greater part of the summer vacation to study in the State University at Columbus, Ohio, under Dr. Bode. She will also spend some time in Chicago, and in visiting her mother at her own home in Wabash, Indiana.

A trained dog show was held in the Auditorium of the college elementary school at 10 a. m. today.

COACH ANNOUNCES TENTATIVE PLANS

Judging from tentative plans for next year's play productions, Humboldt State is going to have an outstanding year in dramatics. Garff Bell Wilson, dramatic instructor, announced his intention of presenting two plays next fall at Humboldt State. San Francisco will repay the Humboldt their visit there last year. In early December, Wilson plans to give a special performance at the State Theatre in Eureka.

It is hoped that in the fall, H. S. T. C. players can take a barnstorming tour if the proper facilities and equipment are available for such a trip.

In the Spring, two more plays will be presented here. A three-act performance will be taken to Chico State College. Plays under consideration for the coming year are: "Journey's End," "The Barretts of Wimpole Street," "Dark Tower," "Easy Virtue," "Hay Fever," "The Sign on the Door," and "The Trial of Mary Dugan."

COLLEGE ORCHESTRA IN FINAL CONCERT

The College Symphony Orchestra will present the final concert of the series of three Vesper Musicales Sunday afternoon, May 20, in the college auditorium. The orchestra will be the only organization to present an entire hour concert alone. Miss Katherine Forsythe, a member of the orchestra will assist by playing a solo number on the French Horn, accompanied by Mrs. Edmund Jeffers, pianist for the orchestra.

The Vesper Musicales have proved very successful this year, having been well attended by music lovers throughout the country. The first concert, presented by the Men's and Women's Glee Clubs, was given on May 6, 1934, at which time Miss Dorothy Williams ably assisted with two cello solos. Last Sunday's concert was much enjoyed, especially by the mothers of the women of H. S. T. C. who were special guests. This musicale was presented by the

(Continued on Page Four)

Decoration Committee Appointed by Prexy

President Bertil Munther of the Senior class, has appointed a group of junior and lower class students to act on the decoration committee for Commencement, in accordance with the custom of previous years. J. Wendell Howe of the faculty will direct the work on decorations for Commencement this year. Howe has done all the decorating for the Sunday afternoon concerts.

The following have been appointed:

Herbert Moore, chairman; John Gallop, Irving Manson, Jessie Hinch, Alma Ruth Sweet, Terry Atkinson, Mary Neilson, Coyita Cooper, Evelyn Quarnheim, Eleanor Renfro and Mary Shinn.

Senior Preview Scheduled Today

The Senior Class will be allowed to see a preview of their movie snaps in the social unit today noon, according to Edward Graves who is getting up the movie program. Look on the bulletin board for the time.

PLANS COMPLETED FOR BACCALAUREATE

By mutual consent, the Baccalaureate Service of the Senior Class of '34 will be a Union Service of Eureka churches held in the First Presbyterian Church of Eureka on Sunday evening, May 20, at 7:30. The sermon will be preached by the Rev. Mr. Irvine Askine of the First Presbyterian Church. The Rev. Dr. Roscoe Smith of the Christian Church, and president of the Ministerial Union, will preside.

The service is an annual one for the graduating class and is being held in Eureka because of that city's central location. It is asked that all seniors be sure to attend this service. It is one of the Commencement activities and almost equal in importance to any of the others.

The Presbyterian Church is arranging to have the Baccalaureate Service broadcast over Radio KIEM, so that friends of the senior class may listen in to the program if they are unable to attend. The service is expected to last about one hour, according to Elva Quarnheim who is chairman of the Baccalaureate Service committee.

College Graduate to Travel in Europe

Carmen Alward of the graduating class, is taking an extensive trip through Europe this summer. She will leave immediately after Commencement enroute to New York through the Panama Canal.

Miss Alward will visit the British Isles, France, Germany and a number of central European countries.

Senior Class Selects Commencement Speaker

Ruth Carroll, senior student from Arcata, was selected yesterday as class speaker for the Commencement Exercises on May 25, after a vote by the senior class upon a list of students submitted by the office.

The list of Honor Students will not be announced until the Commencement program on the evening of May 25.

Botany Class Will Picnic Friday

The class in Botany 2B will go on its picnic as scheduled regardless of the school picnic which will be given in the Inner Court tomorrow noon, the class decided yesterday afternoon.

The 30 members of the class plan to picnic at Shaw's Crossing and go on a field trip later.

COMMENCEMENT WILL BE HELD ON MAY 25

MOST OUTSTANDING CLASS IN HISTORY OF HUMBOLDT COMPLETES WORK

One of the most energetic and resourceful classes in the history of Humboldt College will receive its credentials at the annual commencement on Friday night, May 25. The arrangements for the commencement which will be held in the gymnasium, are being made by Dr. Homer P. Balabanis, vice president.

The commencement speaker will be Laurence Ware, prominent attorney from Chico, and former president of Chico State Teachers College. It is said that Ware resigned from the presidency of Chico to go into the World War and that he went into the legal profession on his return. President Gist has received a number of congratulations from the other college presidents and from members of the State Board of Education on being able to secure the services of such a fine speaker for commencement.

The college orchestra will play the processional march: "Pomp and Circumstance" by Elgar for the academic procession. The A Cappella Choir will sing three numbers during the commencement program:

Send Forth Thy Spirit...Schultky
A June Moonrise...Delamarter
I Dream of Jeanie, Foster-Clokey

Other arrangements have not been announced. The senior class will choose its commencement speaker. The registrars office and the Scholarship Committee will announce the list of honor students at a later date.

Commencement will be held in the gymnasium, May 25, at 8:00 o'clock, with Dr. Homer P. Balabanis presiding. The faculty will be present in academic dress and march in the procession.

Senior Assembly Is

Feature Tomorrow

The seniors will present their farewell assembly tomorrow morning at 10 o'clock, according to the committee in charge. Actual numbers are being held in deep secrecy, though the press has been able to find out the Student Teaching Cup will be awarded at this program.

The seventh grade of the college elementary school, directed by Valeria Del Ponte, is planning to give a farewell party for the eighth grade in the kindergarten room from 3 to 5 p. m. tomorrow.

A FINE YEAR

The year is almost ended. Now is the time to take stock and see what has been done this year in student body activities. We cannot take time or space to enumerate all of them, but we feel that a very definite step forward has been taken in almost every line of endeavor.

For the first time in history the Humboldt college student has received something in return for his student body membership. He can now attend games, plays, concerts, receive the Lumberjack, medical attention, hospitalization if needed, some dental service, and innumerable small incidental things free of charge. This condition is in distinct contrast to the situation when this graduating class first entered college in 1930.

The number of activities in which the students can participate and the efforts made by those in charge of activities to vary the individuals in every activity makes for better performances all around. This year more students participated in drama and music than ever before. The goal for next year is to increase the opportunities to an even greater extent.

Our athletic teams won a greater percentage of their intercollegiate encounters than ever before. One hardly dares attempt to predict what may be done next year.

Anyway, we have had a well balanced group of student activities this year. Keep up the good work next year!

**Wild Animal Study
In Fifth Grade**

The fifth grade of the college elementary school under Halcyon Wilson and Dorothy Dexter are studying the wild animals of Africa. Work on the project consists of the preparation of a note book, collection of pictures of animals, the writing of original poems about wild animals and writing stories about them.

They tell us that the top of the dome of the National Capitol at Washington is covered with pure gold leaf. Wait until Dillinger finds that out!

**College Players Prove
"The Show Must Go On"**

The law of the theatre is that the show must go in spite of anything that might happen, anything but death itself.

"The Front Page" carried out this law last Thursday night in the face of a serious accident that occurred back stage during the first act of the performance. The leading newspaper reporter in the play was supposed to throw a telephone through a window, during a heated argument. Off stage, the property men were holding a sack awaiting the flying telephone. The leading man threw the telephone, not towards the floor, but directly across the back stage. It struck Mary Mangum, the leading lady, forcefully across the face, knocking her unconscious for several minutes.

Between the acts the audience was waiting; but the intermission did not last long. Weak and bruised as she was, Mary took her place in the performance and came through with flying colors. The show had to go on!

**Young Professor Tells
Of Strange Reception**

Mr. Delbert Jeffers, youngest professor in H. S. T. C., came rushing home one afternoon after a hard day of teaching. His bedroom door stood open and he unsuspectingly dashed in. "A man is supposed to have privacy in his own room," he declared, "but right in the middle of my bed was a strange baby! I was astonished! The baby lay there gurgling and smiling up at the ceiling—I dashed out to the kitchen to call the police or something and the baby heard me running around. It started howling! I ran back in the bedroom and back and forth. Never having held a baby in my arms, I dared not attempt it now. So I gently rocked the bed until the baby went to sleep. Then I sneaked out on tip toes."

The professor was seen at the Musical Festival shortly afterwards in great excitement seeking out members of his household for an explanation. The two-

Communication

Editor of the Lumberjack, Arcata, Calif.
Dear Madam:

I very much regret that I was absent from the last Student Body meeting and missed the opportunity to say a few words of recognition for the able manner in which Mr. James Hemphill discharged his duties as President of the Associated Students for the year just closing.

Those who are not in close contact with Student Body affairs have little realization of the time, effort and capacity required for the efficient performance of the duties of the President. Mr. Hemphill has proven himself equal to the task entrusted to him. He has shown a keen interest in student affairs, initiative, patience and balanced judgment, and he grew in usefulness as his responsibilities increased.

The entire student body is indebted to Mr. Hemphill for the service he has rendered them.

HOMER P. BALABANIS,
Vice President.

**Chi Sigma Epsilon,
Rousers, Breakfast**

The second annual Honor Breakfast will be held on Commencement morning in the College Commons, according to announcement made yesterday by Mary Nielson who is in charge of the arrangements. The speaker for commencement will be honored guest of Chi Sigma Epsilon and the Rousers.

It is expected that all the members of the honor societies will be present. Invitations have been sent to alumni members of Chi Sigma Epsilon and the Rousers. Alma Ruth Sweet, the new elected president of Chi Sigma Epsilon, will be installed into office at this time. Other officers who will be ushered in are Jessie Hinch, vice president; Lester Larsen, secretary-treasurer, and Mary Nielsen, historian.

Retiring officers of Chi Sigma Epsilon are Elva Quarnheim, president; Elva Baumgartner, vice president, and Ruth Carroll, secretary-treasurer.

Mr. and Mrs. J. Wendell Howe, Dr. and Mrs. Homer P. Balabanis and President and Mrs. Arthur Gist will be special guests along with Lawrence Ware, the commencement speaker.

The fourth grade of the College elementary school, taught by Ada Sears, held a Mother's Day tea Monday afternoon; and a Flower Show Monday, Tuesday, and Wednesday.

The flowers exhibited were given to the County Hospital Wednesday after the event was over.

month-old guest was the son (or daughter) of a music instructor from a local high school.

Delbert Jeffers has quite recovered from the shock of his strange experience and is reported doing nicely.

**Science Club Holds
Interesting Meeting**

By Martha Sunnari

The members of the Humboldt State Science Club held their May meeting at Clam Beach last week. Undaunted by cold weather, the budding young scientists were soon munching torrid canines and toasting marshmallows about the cheery fire that quickly was made.

Later the party roamed about the beach some of the more daring members oventuring into the blue to gaily frolic with the waves. The icy water lost its inspiration for the would-be water sprites as their toes began to acquire a numbed feeling. An interesting diversion occurred when a certain member of our student body and a certain unknown escort, apparently intent upon contemplating the beauties of the universe, suddenly found their car stuck in the sand of the beach. Needless to say, the scientists dashed to the rescue and saved the above mentioned from a sorry plight.

The feature of the informal business meeting which followed was the initiation of a new member Eva Mathisen, who thrilled everyone with a savage dance around the glowing fire and with a vivid account of her first love.

Election of officers for the next term resulted as follows: President, Barbara Jean Russell; vice president, Evelyn Quarnheim; Secretary-treasurer, Ray Hudson. Plans for the Science Club program for the next year were made. The club had as its guest for the meeting Mrs. J. Wendell Howe. Others present were: Barbara Jean Russell, Bessie March, Ray Hudson, Eva Mathieson, Myron Schussman, Evelyn Quarnheim, Goldie Tamburovich, Anna Hull, Jack Gallop, Agnes Johnson, Hjordis Pellas, Harveen McElroy, Margaret Hessel, Devina Taggart, Louise Read, Martha Sunnari, the sponsor Professor J. Wendell Howe, a small black kitten and a small white puppy.

Bill Jurges, shortstop of the Chicago Cubs, is the father of a baby girl. He will find out some of these nights that all of the walking isn't done to first base.

**Third Grade Will
Feature Final Assembly**

The third grade of the college elementary school, will give a "Mother Goose Assembly" featuring songs, rythms and dances next Wednesday at 10 a. m. Katherine Hill is the student teacher in charge of the program.

HUMBOLDT SPORTING NEWS

Older Boys Conference Report Valuable

A recent "Older Boy's Conference" evolved a number of necessities for an ideal school. The results of two discussion groups, composed of 62 boys and leaders, are as follows:

An ideal school is dependent upon:

1. An Ideal Student Body to be Obtained by:

1. Encouragement of self expression.

Both sides of all arguments should be written and presented in the proper form.

3. Having a definite program for developing progressive, competent, inspirational, high-principled leadership among freshmen and sophomores by the examples of upper classmen with ideals.

4. Scholarship should be upheld and encouraged.

5. Developing a student body that will avoid having the chronic grouch, cliques, or poor sportsmanship.

II. An Ideal Faculty Should Consist of:

1. Cooperative, enthusiastic, competent, inspirational teachers with proper ideals of personal conduct.

2. People who possess personality, varied interests, knowledge of subject, good appearance, teaching ability, sense of humor, understanding and sympathy.

Humboldt County Schedules Tournament

An archery tournament to which archers from all the Pacific Coast states will be invited is to be one of the chief features of the Fortuna Fourth of July celebration. There will be an American round for men, and a Columbia round for women. Sixty-nine dollars worth of archery equipment has been purchased, and will be put up as prizes for the winners of the two events. Among these prizes will be a \$30 yew target bow as prize for men,

SENIOR BALL IS OUTSTANDING EVENT

The Senior Banquet and Ball was the outstanding social event of the college year, judging from all the favorable comments from students, faculty and patrons of the college. About 300 friends were the guests of the senior class at the gala ball which followed a formal banquet. The coconut grove effect and the profusion of wild and cultivated flowers made the theme and motif of spring most impressive.

The Banquet program was the outstanding feature of the entire affair. Garff Wilson presented a most worthwhile philosophy for seniors and graduates especially, in his discussion of the "Abundant Life." Mr. Schussman, the senior class advisor, was anxious that the senior keep uppermost in his mind during his after college days, the ideal of service, a thought which enables one to give most to his fellowman. President Gist's "impressions" followed a more humorous vein. And when his mother, Mrs. Lillian Gist, was introduced, the student body at once found out the source of the president's sense of humor. Lucille Winter reminisced of the senior activities during the last year, 1933-34.

After the banquet the group enjoyed dancing till 12:30 to music furnished by Cralle's Crooners.

The program for the banquet and ball were distinctly formal and attractive. The black and white color scheme was appropriate for the occasion, considering the numbers of different colored formal outfits. The cut for the program covers was furnished through the courtesy of Hotel St. Regis of New York City.

Patrons and patronesses for the social event of the year were: President and Mrs. Arthur Gist, Professor and Mrs. Leo Schussman, Miss Louise Struve, Miss Violet Stone, Dr. and Mrs. Theodore Wrigley, Mr. and Mrs. E. J. Bjord, and Mr. and Mrs. Ralph C. Coke.

Committee chairman in charge of arrangement for the banquet and ball were: Janet Stewart, general chairman; Bertil Munther, Carmen Alward, Mildred Green, Janet Hemphill Alice Porter and Ruth Carroll.

and a \$15 bow as first place trophy for women.

The archers among the students and faculty of H. S. T. C. are especially invited to enter the tournament.

There will not be any target fees charged for this event.

Monica Wright Will Teach Tap Dancing

Miss Monica Wright of the physical education department, announced yesterday her plans to conduct classes in tap dancing during the summer months, commencing on May 26. The classes will meet in the Women's Club House in Arcata.

Miss Wright will give either class lessons or private lessons. Rates are as follows: 12 one-hour class lessons for \$8.50; 18 one-hour class lessons for \$12.50; a single class lesson will be given for 75 cents. Private lessons will be given at the rate of \$1 for each half hour instruction.

Miss Wright who teaches tap dancing and clogging at Humboldt is very well prepared to give the type of instruction she is planning for the summer, having had in addition to work at the University of Washington, private lessons from a well-known dancing school in Seattle, and special work at the Fanchon Marca school of Dancing in Hollywood. Appointments can be made with Miss Wright either at Arcata 107-W or 47. Registration for dancing courses will be between 10 and 12 o'clock on Saturday morning, May 26.

Get Ready for The "Golf Ball"

The fourth annual "Golf Ball" sponsored by the Redwood Empire Golf and Country Club will be held in the Loleta Pavilion on Saturday, May 26. Music for this event will be furnished by Cralle's Crooners, one of the most popular local orchestras, who will specialize in dance hits for which many requests have been received.

The distribution of cash prizes aggregating \$125.00 will be the outstanding feature of the "Golf Ball" in a booth 20 feet long artistically decorated with greens and fresh spring flowers, the prize committee will attend to the task of awarding the prizes, which will be carried out after an unique and delightful fashion. This committee is composed of Dr. Lane Falk, chairman, the Misses Elva Baumgartner, Barbara Cabral, Dorothy Coke, Catherine Englehart, Dorothy McGovern and Amy Vance.

The "Golf Ball" promises to be THE gala dance of the season. Lovers of the terpsichorean and from all parts of Humboldt County plan to attend, to enjoy Cralle's alluring tunes, and to get a share of the many cash prizes. A midnight supper of home-cooked delicacies will be served by the ladies of the Los Amegos Club of Loleta.

The Executive Committee at the "Golf Ball" is composed of Gordon Manary, chairman; Richard Fleisher, general manager; Rufus J. Blitch, treasurer.

During the period between September, 1933, and May, 1934, eight students finished the courses offered by the commercial department, according to Bert F. Wilson, professor of commerce, and even have already secured positions as a result of the commercial training received at Humboldt.

The communists were so quiet in the United States on May Day that we have a suspicion they are beginning to believe that they are the conservative party in America.

Upperclass Leads in Total Championships

The upperclass women managed to win the most championships during the school year 1933-34, a fact ascertained after an incomplete checking of championships in W. A. A. so far this year.

With the tennis tournament still in the fire, the upperclass has won two championships, hockey and volleyball, and have tied for the championship of volleyball. The frosh have won speedball and tied with the upperclass in volleyball. The sophomores copped the archery tournament last week by a wide margin.

The tennis championship should go to the upperclass if all predictions based on previous performances pan out. Vance, Winter and Seidell should bring the upperclass to the front with flying colors. At any rate, the whole W. A. A. will be looking to the tournament with much interest, since a frosh win will tie up the final championships, and leave the frosh and upperclass with two championships apiece.

South America Is Interesting Study

Katherine Cloney's sixth grade classes are making a "tour" of South America. Reports are made in class on aspects of native life, industry and conditions which appeal especially to the young "travelers," each of whom has chosen his own method of transportation. Some prefer to go by airplane, some by automobile

"FRONT PAGE" ENDS SUCCESSFUL YEAR

By GRACE E. SCHELL

As a successful conclusion to a year of fine dramatic performances, the Humboldt State Teachers College Players presented "The Front Page", a riotous, clever and quick newspaper melodrama, in the college auditorium on May 10.

The performers of this humorous, swift-moving drama were well cast. Gene Thompson, as a hard-boiled reporter, did a fine bit of acting. George Inskip, as Hildy Johnson, very successfully portrayed the character of a newspaper reporter on a large city newspaper. Humorous situations involving Mary Mangum, leading lady, and Katherine Forsyth, her irritable mother. David Bean, tricky and experienced newspaper man, delighted the audience. Others in the cast deserving special credit were: Jessie Hinch and Herbert Moore who added considerable to the plot of the performance; Henry Bender, Ugo Giuntini, Wayne Simpson, Julius Hoooven, Alfred Chase, Cedric Jasper, Richard Brown, James Henderson, Janet Stewart, and Harry Goble.

Garff Wilson, dramatic instructor, has successfully used a large number of students in the production of plays this year. Previous to the "Front Page", H. S. T. C. presented "Two Crooks and a Lady," and "The Tumblers" in competition with Chico State College. "Death Takes a Holiday" which was very well received at the beginning of the semester, was another outstanding production. "Interfer-

state-wide know A Cappella Choir, the string quartet, and Myron Scussman, violinist. Tea was served after each concert by the members of the Women's Hospitality Committee.

The College Orchestra has made a number of fine appearances this year and is expected to give an appropriate climax to the ensuing Vesper Musicales series. The concert Sunday is free to the public and begins promptly at 3 o'clock. The orchestra, led by director Edmund V. Jeffers, will play the following compositions: Phedre ----- Massenet Andante, from the Fifth Symphony ----- Beethoven Dance Arabe, from the Nutcracker's Suite ---- Tschalkowsky Allegro con Moto, from the Italian Symphony --Mendelssohn March and Procession of Bacchus ----- Delibes

Miss Forsythe will play "Nocturne" from Mendelssohn's Midsummer's Night Dream.

Following this concert, the usual reception and tea will be given by the Women's Hospitality Committee.

Ushers for the concert have been provided by the Women's Hospitality Committee. J. Wendell Howe of the Science Department has been in charge of all decorations for the concerts.

Class Sponsors

Picnic and Swim

The Industrial Education Department sponsored a picnic and swim at Shaw's Crossing last evening to which many of the faculty and students journeyed. Reports of the temperature of the water have not been received by the Lumberjack, but all concerned look well today.

ence" with thirteen characters, was presented on October 19. This, too, was a smash hit. On December 18, the H. S. T. C. Players presented "The Butter and Egg Man." This production also had thirteen good performers in it.

The play productions were not only a success from the standpoint of good acting, they were financially successful. The interest evidenced by the students and the community has helped considerably in the growth of dramatic talent in H. S. T. C.

New Student Body Officials Take Office

Charles Timmons, newly elected Student Body president, took the oath of office at the regular student body meeting held May 3 in the H. S. T. C. auditorium.

President James Hemphill thanked the student body for its support during the past year. He wished to especially thank President Gist and Dr. Balabanis, he said, for their co-operation during his term of Student Body president.

Other officers elected to positions in the college student body, were:

Vice president, Mark Roe; secretary, Jessie Hinch; treasurer, Claire Speier; yell leader, Sam Davis; song leader, Mary Emily Speier; publicity manager, Eleanor Ritola. Board of control, Eleanor Renfro, Annabelle Stockton, Frank Look, Thomas Tinker, Harmon Minor, Evelyn Renner.

The new yell leader, with the assistance of Len Hartman, was initiated into his new job of yell leading. Miss Speier led the student body in songs. Judging from these two newly elected officials we are going to have some peppy assemblies next year.

Basketball letters were awarded the men who made our last basketball season so successful a one. Those receiving honor were:

Harry Zook, Bill Henders, Herb Moore, George Inskip, Frances Moore, Earl Hemenway, Charles Timmons.

Jack Frost was awarded the letter H for his splendid management of the football team last year.

Congratulations were given the Tennis Team and the A Cappella Choir on their very successful tours.

Champions Chosen in Final Sports Series

The members of the newly organized class in individual sports have played some interesting tournaments this semester. Play ni Badminton, Paddle Tennis, and Deck Tennis culminated the last week with singles and doubles champions being chosen.

Eloise Aune and Mary Shinn won the paddle tennis doubles title by defeating Doris Clarke and Dorothy Dillon, 6-4, 6-1. Doubles in deck tennis was won by Gene Lytle and Julius Hoooven, who handily defeated a large field of competitors.

Badminton proved very successful as a class activity. The champion singles player will be decided after the final match between Eloise Aune and Jay Jones, Alma Lois Gallagher and Gene Lytle copped the doubles title, after a hard fought series with Eloise Aune and Thelma Pesola. The scores were 15-7, 7-15, 15-8.

From comments on all sides, the individual sports class has been unusually successful, both from the point of view of fun and participation and class instruction. Miss Ann Craig has been in charge of the individual sports class.

Both Mothers Present Sunday at the Gists

The mothers of both President and Mrs. Gist were present on Mothers Day at the Gist home on the campus. Mrs. Dundas, Mrs. Gists mother, whose home is in Oregon, had to leave Sunday, but Mrs. Gist will remain in Arcata throughout the Commencement festivities.

Mrs. Gist has attended a number of functions since her arrival in Arcata. Many have remarked about the origin of the

MOTHERS LUNCHEON PROVES A SUCCESS

One of the most successful events of the year was the luncheon given by the women of Humboldt State Teachers College in honor of their mothers on Mother's Day, March 13. The College Commons was transformed into a Fairy Land with Mother Goose and her family providing the motif for the decorations and program.

Francis Siedell presided as toastmistress at the beautifully appointed 1 o'clock luncheon. Mary Emily Speier, general chairman of the event, gave the welcome address. The remainder of the program was as follows:

"Alice in Wonderland"—Quartet composed of Maewilda Speer, Emy Lou Grove, Zdenka Posic, Alice Person.

Origin of Mother's Day—Miss Louise Struve.

"Three Little Pigs"—Marilyn Hyman and Quartet.

Reading — Margaret McCammon.

String Trio—Dorothy Williams, cello; Mrs. Maurine Miller, violin; Alice Carr, Piano.

Prayer for Mother — Eleanor Renfro.

Mrs. Gist, mother of President Gist, very graciously responded with a few words when called upon.

After the luncheon most of the mothers remained for the concert given by the A Cappella Choir in the college auditorium. Following the concert a tea in the court brought the day to a close.

The college women hope to make the mothers luncheon an annual affair.

Evelyn Renner's sixth grade classes are making a study of ancient Rome, and of the Italian cathedrals, and classic Italian artists. The project consists of individual reports and picture study by the children.

Gist ability in and liking for telling an appropriate joke for every occasion. One brilliant freshman offered a suggestion that the President and his mother collaborate on a book, the title of which might appropriately be: "Jist a few Gist Jokes."

However, the student body is happy to be favored by a visit from the President's mother and sincerely hopes that her stay will be most enjoyable.

The lowest temperature of the year was registered at Davis, Yolo County, on April 4.
