## ROUSERS INVITE ALL TO DANCE AT "JOE PALOOKAS BLOWOUT"

SOPHOMORE HONOR SOCIETY  
WILL FEATURE COMIC STRIP  
PEOPLE TOMORROW NITE

Dr. Balabanis escorting Mamie of the comic strips, Miss Johnson journeying escorted by an army and the Ambassador of the comic strips have been two of the themes portrayed in the posters advertising the Joe Palooka Blowout to be held on Friday night of this week in the College Gym under the auspices of the Sophomore Honor Society, the Rousers. So enthusiastic has been the reception of the posters that lock and key have been found necessary to preserve them until the Auction on Friday morning. Terry Atkinson, president of the Rousers, is the artist whose very characteristic poses of the various persons cartooned has taken the college fancy.

The dance is an informal affair open to all who hold bids. Students may invite as many guests as they wish to the dance which will last from 9-12 midnight. Music will be furnished by a six-piece orchestra directed by Herb Inskip of musical fame in Humboldt County. Programs have been prepared by the Rousers which are both unique, and according to Vic Weisel, "very snifty." A comic character is on the front of each one. Speaking from the depths of his experience Herb Moore says every girl will desire one for her memory book or to add to the collection over her mirror.

The decorations of the gym will be very striking. Life size picturization of Tillie and Mac of the comic strip and of a certain very good looking instructor will adorn the walls of the gym. These large figures have been arranged in a series showing the combat between the two men over Tillie of the ruby lips.

## Students Urged to Enter "Silly Symphony" Contest

Any Humboldt student desiring to emulate Walter Disney of "Three-Little-Pigs" fame, will have an opportunity to try out his hand at writing "stories" for animated cartoons.

The department of cinematography of the University of Southern California in connection with the Motion Picture Research Committee "to further the development of the animated graphic art popularly known as the animated cartoon," is sponsoring a contest.

Prizes for the best story for an animated cartoon—Mickey Mouse or Silly Symphony—will be given: First prize, \$100; second, \$50; third, \$25; five prizes of \$10 each with honorable mention ten prizes of \$5 each with honorable mention.

Details of the contest will be found in the circular on the bulletin board.

## Pi Alpha Pi Meeting 7:30 P. M. April 3

The debate which was to have been held at the regular meeting of Pi Alpha Pi upon March 6 will be held in the social unit at 7:30 p. m. next Tuesday, March 20, and the fraternity party which was scheduled for March 20 has been postponed until April 3.

The subject of debate next Tuesday is "Resolved that the state of California should adopt a system of socialized medicine." Buster Marshall and Jack Frost will speak for the affirmative, Mildred Green and Harlan Still for the negative.

## LARGE TURNOUT AS SEASON STARTS

Baseball practice at Humboldt State Teachers College is well under way now and the first practice game of the season is slated for Saturday afternoon. Coach Fred Telonicher has a large number of aspirants working out for each position and from all indications the local team will be better than ever this Spring.

The team is working out each evening at the Arcata League Ball Park, going through stiff sessions of warming up, batting practice, and fielding practice. Numerous "pepper leagues" feature the warming up activities.

Charley Timmons, star pitcher of last year, is back again this year with a faster ball, more hop, and a sharper breaking curve. Timmons has been working out all winter under the

## Humboldt Places Largest Percentage of Teachers

Humboldt State Teachers College has been successful in placing in teaching positions a higher per cent of its recent graduates than any other teachers college in California.

This fact was brought out in a study, "Employment of California State Teachers College Graduates, 1932-1933," made by Dr. J. A. Burkman, teachers college adviser, recently.

Dr. Burkman's study was confined to those who obtained credentials from California teachers colleges during the period, July 1, 1932, to June 30, 1933. During that time 59 received credentials from Humboldt and of that number, nearly 60 per cent (57.6%) had been placed, according to Dr. Burkman's study.

## Barnstorming Trip May Be Lined Up for H.S.T.C.

First collegiate baseball competition for Humboldt State Teachers College will come Wednesday, March 28, when the locals meet the San Francisco State nine in the bay city. Attempts are being made to line up several other games about the same time in that section so the Humboldt team may be gone for a week or more.

There is still a possibility, that the Arcatans may meet the St. Mary's College varsity nine either here or at Moraga, although definite word from Coach Slip Madigan is still forthcoming.

## A CAPPELLA CHOIR TO BROADCAST SUN.

REGULAR SUNDAY MORNING  
SERVICE AT EUREKA PRESBYTERIAN CHURCH OVER  
KIEM

The Humboldt College A Cappella Choir will sing at the regular Sunday morning services at the First Presbyterian Church in Eureka this Sunday, March 18, according to an announcement made Tuesday by Edmund Jeffers, director of the choir. This regular service will be broadcast over KIEM in Eureka at 11 o'clock Sunday morning.

The A Cappella Choir will sing a complete program of religious compositions. Following is the tentative program:

A La Trinita—  
Traditional 15th Century.  
Adoremus Te—Palestrina.  
Gloria Patria—Palestrina.  
Send Forth Thy Spirit—  
Schuetky.  
Cherubim Song—Lincoln.

This is the first radio appearance of the choir which was organized one year ago last fall. Students and friends of the college are urged to tune in on KIEM at 11 o'clock next Sunday morning and hear the Humboldt A Cappella Choir under the direction of Edmund V. Jeffers.

## HUMBOLDT TROUNCES CHICO IN BOTH GAMES

The Davids met the Goliaths and the Davids won. In fact the Davids won twice, the first time by a 31-28 score and the next time by 26-25.

In this particular instance the Davids were the relatively small and inexperienced basketball players of Humboldt State Teachers College and the Goliaths were the relatively large and high touted cagers from Chico State.

Fresh from a victory over San Jose, Far Western Conference champion, the Chico "Wildcats" ran into a little more opposition than they figured on when they came here for games March 2 and 3. The locals, with a none too good record behind them, played sensationally to finish on

## Annabelle Stockton Talks On County History

Annabelle Stockton, junior education major, addressed the Arcata Rotary Club last Friday on "The Early History of Humboldt County," and by special request gave the same talk the next day before the Humboldt County Principal's Association at this organization's dinner in the college commons.

Miss Stockton's talk was first given as a routine report in the class in "History of the Pacific Coast" which was taught by Dr. Vernon J. Puryear, associate professor of social science, the first semester, and was chiefly based on original research among files of old documents and newspapers within the county, and personal interviews with pioneers still living around Shively.

## President Gist Will Speak At Willits

President and Mrs. Arthur S. Gist of Humboldt State Teachers College, and Mrs. Bertha Murray, county superintendent of schools, will leave for Willits Friday afternoon to attend a meeting of grammar school principals of this section of California, which has been called by the state department of education for Saturday, March 17. President Gist will speak on the topic: "Supervisory Activities of Teaching Principals."

## H. S. C. COEDS SCORE IN EASTER PARADE

The "Easter Parade" of Spring fashions given by H. S. T. C. Home Economics department last Friday and Saturday at the State Theatre and the Eureka Inn in co-operation with Daly Brothers' store was another triumph for Humboldt Co-eds, according to all reports. On Friday evening the review was presented at the State Theatre in conjunction with the feature picture "Fashions of 1934" and was witnessed by a packed house.

On Saturday Afternoon a "Fashion Tea" at the Eureka Inn drew over 150 Eureka women to the lounge and main dining room of the Inn, where the dresses were again shown. Miss Zdenka Posic acted as stylist. Miss Louise Struve and members of the home economics department as assistants selected the dresses which were modeled by Marie Goff, Margaret McCammon, Goldie Tamburovich, Eleanor Ritola, Barbara Unsoeld, Maewilda Speer, Mary Mangum, Elma Biasca and Prudence Brundin.

On Friday evening the H. S. T. C. women who worked on the Fashion Show were guests of Daly's at dinner at the Eureka Inn. Miss Struve was presented with a lovely bouquet of flowers, while each girl received a corsage.

## Vote for Favorites At Palooka Poll

There will be a poll conducted at noon today and tomorrow for the purpose of determining who is the most popular boy and girl in Humboldt State. This is in connection with "Joe Palooka's Blowout" and the results will be announced at the affair which is to be held in the college gymnasium on Friday evening, March 16, where the pair will be crowned King and Queen by the master of ceremonies, Joe Paul.

This is something new at Humboldt and it should arouse special interest in the dance, in the opinion of the Rousers, who are sponsoring the "Blowout."

## Former Editor Now With Humboldt Times

Gordon Hadley, former student of Humboldt State Teachers College, is now employed in the capacity of a reporter on the Humboldt Times.

Mr. Hadley was the student editor of the Lumberjack during the last semester and the star center of Humboldt's basketball squad for several seasons.

## VIERLING KERSEY TO DELIVER ADDRESS ON FOUNDERS DAY

POSSIBILITY THAT STATE  
BOARD OF EDUCATION MAY  
ATTEND

A telegram from Vierling Kersey, state superintendent of public instruction, received yesterday said that it was very likely that he would be able to be in Arcata for the Founders Day Program in commemoration of the opening of the college. The principal program will be held in the gymnasium in the evening, beginning at 8 p. m.

There is a possibility that members of the state board of education may come to Arcata with Mr. Kersey, but would have to leave Friday evening. In that event, certain events in their honor might be held during the day. It has been suggested that a general student luncheon be held in the Commons in their honor.

Speakers on the evening program will be Mayor Frank Sweasey of Eureka, President Arthur S. Gist of Humboldt State Teachers College, and Vierling Kersey, state superintendent of public instruction. J. J. Krohn, president of the college improvement association, will preside at the program, and the A Cappella Choir, under the direction of Edmund Jeffers, will sing.

Following the general program, there will be a dance given by the college student body in honor of the occasion. Dancing will begin at 10 a. m. and through a special dispensation will continue until 1 a. m. instead of ending at midnight as is the usual custom with student body dances.

Members of the committee in charge of the general arrangement for the program are Maurice Hicklin, chairman; Mrs. Jessie T. Woodcock and Delbert Jeffers, of the faculty; James Hemphill, president of the student body; Henry Brizard of the College Improvement Association, and Miss Alta McElwain of the Eureka Junior High School faculty, president of the College Alumni Association.

## Several New Books On Library Rental

"Work of Art" by Sinclair Lewis, "The World Is Young" by G. B. Lancaster (who wrote "Pageant"), "Sea Level" by Anne Parrish, and "Rabble in Arms" by Kenneth Roberts (author of "Arundel") are the new rental books in the library this week.

## "Blind Date" Plan

## Experiment of Rousers

There has been considerable talk on the campus about a blind date bureau for the purpose of making the college dances a greater success, but in the past no action has ever been taken.

The Rousers are conducting a blind date bureau for "Joe Palooka's Blowout." Any person who would like a date for the dance Friday night, but sees no chance of getting one, may take a chance and give his name to Mr. Howe, who will place all the names handed in in a hat and draw them out in pairs, which pairs will come to the dance as partners. The drawing will be secret, and none save these directly concerned will know the results.

This innovation may mark the beginning of a new precedent at Humboldt or it may bring an end to the controversy about blind date bureaus; so it is up to those in favor of the plan to put the idea across by supporting it.

## Perfectly True, . . .

## Perfectly Meaningless

Dear Madam:  
Editor Lumberjack.

Spring is that season of the year in which everyone should be happy. It is then that life begins anew. Nature springs forth in all her beauty. That old antagonism toward the long, cold nights and sunless days inherited from our Nordic ancestors, who of old battled with nature in the raw, is lost and we experience freedom and exuberance supreme. Yet there is a cold fear clutching at my heart. It has happened so many times before. Unless the bountiful hand of the nature that brings us the beautiful flowers and the sunshine intervenes and blesses man with a change of heart another carefree young professor is doomed. Intuitively I am warned of the approaching disaster. Observation has shown many horrible examples, and history repeats it.

All-College Women's  
Play-Day March 22

"March Winds" is the theme of the all-college women's play-day which is to be held March 22 from 4 till 9 under the auspices of the Women's Athletic Association.

Dorothy Williams, Elva Quarnheim, Janet Stewart and Alice Porter have been named leaders of the North, South, East and West Winds (squads). Squads will be chosen several days before the play-day, and squad leaders expect their entire groups to attend.

An exhibition basketball game between two honor teams chosen by a committee including Miss Ann V. Craig, professor of physical education, Miss Monica Wright, assistant professor of physical education, and Zorie Ivancich, W. A. A. basketball manager, will be a feature of the afternoon program. This game will correspond to the green versus gold game played before the Student Body last year.

Following the afternoon program there will be a banquet and program in the Commons from 6 till 7:30 p. m., after which the rest of the evening will be spent in social games and dancing.

Eleanor Renfro is general chairman in charge of the all-college women's play-day, details of which will be handled by committees under the following committee chairmen: Sports, Mary Shinn; waitresses, Edith Reback; decorations, Katherine Crivelli; program, Alice Barter; publicity, Elva Baumgartner; poster, Eleanor Ritola; mimeographing, Lucille Winter; songs and music, Janet Woodcock; and clean-up, Margery Brenner.

Elementary School  
Holds "Open House"

The college elementary school held open house last Thursday to give the public an opportunity to observe the manner in which the ordinary work of the school is carried on five days a week during the school year, student teachers regularly in charge doing the teaching during the visiting hours.

The kindergarten, first, second and third grade open house was held during the afternoon, and that of the fourth, fifth, sixth, seventh and eighth grades in the evening from seven until nine. The evening session was followed by games for parents, supervisors, and student teachers in the kindergarten and first grade rooms.

Trillium Protected  
By County Ordinance

During the last week or so elementary school children, residents of the community who are not connected with the college, and even H. S. T. C. students have been seen with arms loaded with trillium blossoms undoubtedly picked on the college trails. The scarcity of blossoms at the present time compared with the abundance of them a few weeks ago is proof enough of the effect of this practice. The leaves are always picked with the blossoms and since the plants store up strength in their bulbs through the leaves, picking weakens and eventually kills the bulb. Trillium blossoms wilt rapidly after being picked and give pleasure to a few people for a very short time, whereas in the woods along the trailside, if allowed to live, they will give pleasure to a large number of people for many years.

Incidentally, a county ordinance prohibits picking trilliums without permission of the owner of the property on which they are found, in this case the college, and President Gist has always opposed the practice.

Cash Awards Offered  
College Students

Students who can qualify are offered cash awards up to \$300 each by the National Student League, whose address is given on a communication posted on the bulletin board in the hall as The National Press Building, Washington, D. C.

President Arthur S. Gist stated, when interviewed, that he had never heard of the National Student League before receiving the bulletin mentioned; but that he could not see anything suspicious about their offer. Mr. Gist further stated that any students who think they are qualified for an award under any of the classes described in the bulletin may write the letters specified, and hand them with the required number of stamps to Miss Davies and the administration will send all of those submitted by Humboldt students to Washington together.

Soph Lose Cage  
Game to Upperclass

Upsetting their opponents with a 37-7 score, the upperclass women's basketball team defeated the less experienced sophomore team in a fast game at the Humboldt State Teachers College gym, Tuesday, March 6.

The scoring of the upperclass forward combination was outstanding, while Amy Vance held her forward to but two points scored on free shots.

The line-ups were as follows:  
Sophomores Upper-Class  
Tuohy, f. 5 Winter, f. 16  
Renfro, f. 2 Carroll, f. 19  
Yackley, f. Neilson, f. 2

Final Interclass Game  
Takes Place Today

In the last encounter of the present interclass basketball season, the Frosh and the Upperclass tangle this afternoon in the college gym. This will be the second meeting of the two teams, the upperclass having taken the first game 29-15. However, the lower-classmen are out to avenge that defeat and tie up the race for the championship. The game should be a battle from start to finish.

The probably starting lineups are as follows:

Frosh	Upper-Class
Tamburovich, c f	R. Carroll
Anderson, f	Winter
Russell, j. c	Quinn
E. Carroll, s. c	Carson, c
Quarnheim, g	Vance
Sunnari, g	Baumgartner

Miss Monica Wright will referee the game, while Miss Ann Craig will umpire. Other officials have not been announced.

The game will start promptly at 4:10 in the gym.

Upperclass Women  
Defeat Frosh Cagers

Playing fast basketball the Upperclass girls' basketball team trounced the Frosh aggregation in their first meeting of the season to the tune of 29-15, Friday afternoon, March 9, in the college gym. The encounter was fast and furious, the experience of the upperclass men being the decisive factor.

Ruth Carroll and Lucille Winter again combined in forward position for the winners, scoring 16 and 13 markers respectively. Strong guard play featured the game, however.

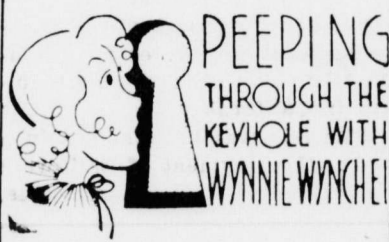

The line-ups were:

Freshmen	Upper-Class
Anderson, f. 5	R. Carroll, f. 16
E. Carroll, f. 10	Winter, f. 13
Russell, j. c	Carson, j. c

Catchers are numerous with Franny Moore, last year's varsity back stopper, out for practice as well as three Freshmen stars in George Burwell, Curt Ruzic, Clyde Brownlow, and Frank Zook.

Veterans in the infield include Jimmy Hemphill, second; Mel Christopher, third, and Wilson Woodcock, short stop. Outfield lettermen are Gillis Courtright, Ugo Giuntini, Carl Penn and Earl Hemenway.

Others out for the team are: Earl Tatman, Harmon Minor, Bill Lambert, Charles Schmeder, Louis Canepa, Dick Brown, Roy Ivan- cich, Tommy Tinker.

## Frosh Trounce Sophs In First Encounter

Playing their first game of basketball at Humboldt State the Freshmen basketball team defeat- ed their more experienced oppo- nents by a score of 38-11 in the College gymnasium, Thursday eve- ning, March 8. Goldie Tamburo- vich led the winners, scoring 24 points, Frances Monohan played good ball for the losers.

The line-ups were as follows:

## Freshmen Nose Out Sophomores 33-28

The Frosh girls' basketball team barely managed to eke out a 33-28 victory over the Sopho- more aggregation Monday after- noon in the college gym.

Goldie Tamburovich, Frosh forward, took high point honors with 23 markers, while Leora Touhey was next in line with 17. The feature of the fast game was the guarding of Evelyn Quar- heim, Frosh guard, and Mary Shinn Sophomore guard.

The lineups were as follows:

Freshmen	Sophomores
Tamburovich, f 23	Renfro, f, 11
Anderson, f, 10	Touhey, f, 17
Russell, h c	Baldwin, j c
E. Carroll, s c	Aune, s c
Quarnehm, g	Shinn, g
Nordquist, g	Pegolotti, g
Sunnari, g	Yackley, g

Referee, Amelia Vance; um- pire, Lucille Winter; scorer, Ruth Carroll; timer, Florence Tucker.

## Upper Class Team Has Further Increased Lead

The Upperclass team success- fully defended its position as leader of the current interclass tournament by defeating the Sophomore cagers 38-11, Tuesday evening in the college gym.

Following are the lineups:

Sophomores	Upperclass
Touhey, 6	Carroll, 14
Renfro 5	Vance 16
Baldwin	Winter 6
Aune	Neilsen 2
Yackley	Carson
Pegolotti	Brandt
Monohan	Biasca
	Quinn
	Baumgartner

The standing of the teams in the tournament is as follows:

Team	Won	Lost	Pct.
Upperclass	3	0	1.000
Freshman	2	1	.667
Sophomores	0	4	.000

Several interesting bits of sta- tistics have been compiled for the present tournament. Lead- ers in scoring to date are Ruth Carroll with 49 markers and Goldie Tamburovich close follow- ing with 47 points. Next in line are Lucille Winter and Leora Touhey with 36 points apiece.

Amy Vance has an enviable record in guarding. Her forward in the three games she has play- ed has made but two points from the field. No other guard in the circuit has anywhere near that clean a record. It is also inter- esting to note that she has not one foul chalked up against her. Next in line in guarding are Elva Baumgartner and Evelyn Quar- heim.

## Archery Is Men's Sport This Semester

Twenty-six men and seven wo- men are enrolled in the archery classes taught by Fred Telonicher, assistant professor of physical ed- ucation the third and fourth pe- riods Tuesdays and Thursdays.

The activities of the class up to this time have been confined to study of the history and theory of archery and practice at short range, but according to Mr. Telonicher the regular archery rounds, and such games as clout shooting and tournament archery will be taken up later in the semester. It is also planned to enter a team or teams in some of the mail-tournaments conducted by the National Archery Associa- tion for college and university archery clubs.

Over half of the men enrolled in archery are wearers of the big H.

## Rally Held After Victory Over Chico

One of the most enthusiastic rallies of the season was staged at H. S. T. C. last week after the victory over Chico State Bas- ketball team.

Spirited talks were given by Garff Bell Wilson, Delbert Jef- fers, Homer Balabanis and Coach Telonicher of the faculty. Mrs. Gist expressed her pleasure over the outcome of the game.

Harlan Still, as yell leader, also added zest to the cheering.

Fred Bixby, Long Beach, is promoting a bull sale for west- ern breeders to be held at Sa- linas during the rodeo next sum- mer.

## Humboldt Trounces Chico

(Continued from Page One)

the long end of the score on both evenings.

Charley Timmons, Humboldt center, scored just exactly one point in the two games, yet was almost directly responsible for the pair of victories. Timmons was the only man near the 6-foot mark for the Arcatans and consequen- ly had to bear the brunt of re- covery at both ends of the court. He played like a demon and fre- quently took the ball away from three or four opponents in a scramble under the basket. His timing was good and he got high in the air to recover more than any other two men on the court. Without Timmons and his super- human efforts, the Humboldters chances for victory would have been rather slim.

Herb Moore and Harry Zook, lightweight forwards, carried off their share of honors in the two games. Zook, the smallest man on the floor, accounted for a total of 24 points, while Moore dropped in 12. These two work- ed together, blocking and pass- ing to the best possible advan- tage.

Earl Hemenway, Bill Henders, and Wayne Simpson held down the guard positions and effec- tively stopped the scoring threats of their giant opponents. These players also worked the ball in well for scoring plays many times. Hemenway won the game the second night with a field goal in the final 20 seconds of the tilt.

Red Irwin, all conference cen-

ter, was the most consistent point scorer for the visitors dropping in a total of 16 in the two nights. Red Roberts, Chico scoring ace throughout most of the year, was held to 4 points in the first game and was unable to score at all in the second.

Coach Fred Telonicher and the players have been receiving praise for the pair of great wins for the past two weeks and enthusiasm and spirit about the campus is decidedly higher as a result of the victories.

## College Players Score Hit In "Death Takes A Holiday"

By RUTH CARROLL

Displaying unusual artistry in action and ability in design of stage effects, the Humboldt College Players presented Albert Casella's "Death Takes A Holiday" before a capacity audience in the College Auditorium last night. Director Garff Bell Wilson further enlarged upon his fast growing reputation as a producer in Humboldt circles with the presentation of this play which is one of the series for the year along with "Interference," "The Butter and Egg Man," and "The Front Page."

The acting of Julius Hooven as Prince Artie, (Death) was outstanding according to an unanimity of opinion. His voice was fascinating and in fact his whole performance gave the audience just that feeling which Casella intended when he wrote the play. This is Hooven's second appearance in Humboldt College plays in a major role, Philip in Interference having been the first.

Other veterans in the cast played their parts with even more than the expected performance. Jessie Hinch rose to heights in a new role in the last act of this gripping story of death's three day holiday on earth, while Louis Tallman, who has been dominating Humboldt's stage performances for four years, was outstanding as the Duke, lending an air of mystery to the entire proceedings. Others who did excellently in smaller roles in the play included Margaret McCammon, David Bean, Eleanor Ritola and Katherine Forsythe.

Several members of the cast had never made a public performance before the footlights. These included Marie Goff, Gene Lytle, Sam Eastburn, Barbara Unsoeld, Bruce Compton, Lyle Thomson.

In addition to the actual cast, several members of the Dramatic Workshop and other interested persons in the school who helped in the production deserve special mention. Comments were heard from all sides that the setting was undoubtedly the finest that has ever been built for a production at Humboldt State Teachers College. To John Van Duzer and those students who helped him go the credit for the design of the state set. In addition the properties and the costumes were

both appropriate, as was the lighting.

In passing, it might be well to mention that those who attended "Death Takes a Holiday," would be very anxious to back the Dramatic department in the purchase of a new curtain or curtain setting for the auditorium. In the future we should be able to eliminate one of the problems of presentation by eliminating the problem of a dragging and screeching curtain.

The audience deemed the innovation of the serving of coffee between acts as a desirable addition to the performance. Comments from several interested patrons were decidedly favorable. This new system has also been carried out successfully at the Pasadena Little Theatre.

The Humboldt College Symphony Orchestra played one number before opening curtain. "Phedre" played by the 31-piece symphony and directed by Edmund Jeffers, added considerably to the mood of the play.

#### Founders Day Celebrations

Twenty years have passed since the establishment of Humboldt. During that 20 years many events have taken place. These events are social, economic, political and educational.

In the field of education we find many changes, the most tangible being the enormous increase in the enrollments of high school and college students. These enrollment increases are based upon universal belief in advanced learning.

Another important change in education is in its major purpose. We thought of education for vocational and professional reasons 20 years ago. Today higher education is mainly for the intelligent appreciation of life in its broader, deeper and enriched aspects.

Twenty years has seen Humboldt change from temporary buildings and unimproved grounds to modern structures and an improved campus. Twenty years has seen Humboldt change from a two-year normal school to a four-year teachers college whose graduates are admitted into America's leading institutions with full graduate standing.

With these modest beginnings and rapid developments, may we not look forward with confidence and assurance.

(Signed) ARTHUR S. GIST, President.

#### 8th Grade Presents Pennant to School

A large red pennant of red felt with the initials "C. E. S." in gold was presented to the college elementary school by the eighth grade, and accepted in the name of the school by Jean Schussman, president of the Student Council, at the regular weekly assembly in the elementary school auditorium last Wednesday morning.

Preceding the ceremony of presenting and accepting the school pennant a program was given consisting of musical numbers by 7th and 8th grade boys, directed by Henry M. Cluxton, associate professor of education, and Katherine Hill, and tap dances by seventh and eighth grade girls directed by Lucille Winter.

### Governor Rolph's Party Visits Humboldt State

Members of Governor Rolph's party honored H. S. T. C. with a visit while on their way through the Redwood Empire last Tuesday, March 6. The Governor was unable to attend the meeting because of illness.

Earl Lee Kelly, administrator of public works and a former Eureka, introduced the members of the party: Micheal J. Burns, our legislative representative, Arthur Dawes, William Eastman of the division of highways, Frank Young, of the labor division, Harry Colenberg, deputy director of public works and a former newspaper man, and Mr. Roland Vandergrift who deals with the finance of the state.

Mr. Vandergrift is one of the best educated men in the legislature, having been professor of history before entering politics. He spoke to the students about our state and its government, about the advantage of education. "It is a privilege to live in California, the state with the grandest background, the finest history, the only state that has been under seven flags," said the director of the California budget. He further showed how education can be a back ground for anything and particularly toward producing competent, well-trained people for government positions. "Each citizen should decide to take a part in the government," Mr. Vandergrift declared.

President Gist and James Hemphill, Student Body president, expressed the pleasure of the students at having the distinguished guests visit Humboldt State and extended them an invitation to return.

### Field Trip Proves More Than Successful

Has anyone noticed that far away look in Elma Biasca's eyes the past few days? It is not definitely known but it is suspected that Elma's thoughts and heart are far over the ocean with the Swedish Steamer "Boren."

A few days ago Elma is reported to have received a letter from a certain officer on board the boat by the name of Stan. We also understand that he is quite handsome and has curly brown hair.

Elma first met Stan when she was a member of an Ornithology Class field trip which was invited to inspect the boat. She was asked to read the letter to the class last week and although there were several pages of writing, she apparently did not read more than five or six lines and it is believed that there might have been something personal contained in the remainder. It is also possible that she was unable to decipher the writing as Stan for a while was a telegraph and wireless operator on a Swedish boat and confessed himself that he is not too excellent a penman.

### Archery Points in W. A. A. System Now

Archery has been added to the sports in which team points are awarded by the W. A. A. The same regulations apply to archery as to other sports.

The basis of the award will be a round of 30 arrows at 30 yards, to be shot at a date which will be announced in a later issue of the Lumberjack.

Mary Nielson is archery manager of the W. A. A.

### W. A. A. Will Send Delegates to Meeting

Ruth Carroll and Eleanor Renfro, president and treasurer of the Women's Athletic Association, have been selected by the W. A. A. board to represent the local organization at the Western Sectional Conference of the Athletic Federation of College Women which will be held on the Santa Barbara State College campus April 5, 6 and 7. The two Humboldt representatives will motor to Santa Barbara with Miss Monica Wright of the Physical Education department.

Humboldt's W. A. A. joined the A. F. C. W. during the fall semester of this year, and this is the first affair of the A. F. C. W. that the local group has been able to attend. However, the W. A. A. did hold a week end conference with the W. A. A. presidents of Mills College, San Jose State College and San Francisco State College, shortly after joining the federation.

### Youngsters Take Trip To Escort Bunny Home

The college elementary school kindergarten and first grade children accompanied by Barbara Stewart and Dorothy Dexter, student teachers, made a field trip last Friday morning with the twin objectives of learning how baby chicks behave at home, and to escort the first grade's brand new rabbit, "Busy Billy," to his spring home in the elementary school building.

### Spring Must Be Here, Says Reporter

It must be spring?

At least it must be nearing Spring time if we are to judge from the latest "doings" of our Student Body President Jim Hemphill. It seems that "Hemp" is of the opinion that hirsute adornment for the upper lip is quite the thing and hence for this and possibly other reasons has failed to drag his razor over all portions of his face eligible to be shaved.

Have you noticed the reddish tint of this superfluous growth?
