W. A. A. Play Day Is Well Attended By High Schools

The awarding of ribbons to the entrants in the individual posture parade together with the awarding of a banner to the Eureka Junior high school for first prize in the group posture competition constituted the high lights of the W. A. A. Greek Olympics, Play Day held on Saturday. The Eureka Senior High School was awarded second prize for group posture. The girls who received ribbons, symbolic of their fitness in individual posture, were: Eba Sundstrom, Eureka Junior High; Eunice Berry, Eureka Senior High; Peggy Partridge, Fortuna, Frances Lanini, Ferndale; Alberta Nix, Hoopa; Helen Arnold, Arcata; and Maxine Hight, Del Norte. During the song contest held at noon, the Eureka Junior High and Arcata tied for first place with Hoopa receiving third prize.

High schools from both Humboldt and Del Norte counties were represented at this annual play day sponsored by the Women's Athletic Association under the direction of Bessie Boehne, general chairman.

During registration the various representatives received wooden plaques upon which were painted the names of squads such as Poseidon, Hermes, Zeus, Athena, and Mars. Chariot races, pyrrhic dancing, Greek ball, episkuros, and harpastum occupied the girls during the morning and afternoon hours.

Toastmistress during the luncheon served in the inner court, cafeteria style, was Vesta Moxon, W. A. A. president, while the song leader was Nathalie Brenner. Speeches were given by Dr. Homer Balabanis on "Heralding the Games," Miss Ann Craig, "The Greek Athlete," and Mrs. Monica Hadley, "Laurels."

Acting as judges in the song contest were Mrs. Raymond Fisher, Miss Helen Garvin, and Nathalie Brenner, while judges of the posture contest were Mrs. Monica Hadley, Mrs. Archie Forson, and Virginia Torp.

Among the physical education instructors attending the "Greek Olympics" with their various representatives were: Marion McMillan, Eureka Senior High; Lucille Winter, Eureka Junior High; Helen Kane, Ferndale; Benona Marke, Orick; Evelyn Murray, Fortuna; Virginia Conlan, Hoopa; Mildred Dickson, South Fork; Evelyn Feilding, Arcata; and Mildred Curtis, Del Norte.

Play day chairmen assisting Bessie Boehne were: Jane Hawley, Valerie Barker, reception; Virginia Frederiksen, registration; Jean Hood, luncheon; Jeanette Christiansen, decoration; Marjorie Cropley, publicity; and Ida May Inskip, orchestra.

Hostesses during the day were Miss Sarah Davies and Miss Stella Little.

N. B. C. TO PRESENT VARIETY OF PLAYS

The Humboldt State College library has received a poster calling attention to the series of plays which will be presented every Sunday at 1 p. m. Eastern standard time (10 a. m. Pacific standard time) by the National Broadcasting Company. The plays will range from Ancient Greece to Broadway. The first play given Sunday, Oct. 16 was: "The Trojan Women," by Euripides. "Everyman," a morality play, was presented October 23. On October 30 will be presented "The Great Magician" by Carra.

Swing Jamboree For Jam Session

It started in the Onyx club, a small nite spot in New York. It spread West, South, and North. It found its way to California. To Los Angeles. To San Francisco. and now the H. S. C. Men's Association is bringing it to Humboldt County.----- THE JAM SESSION.

After playing for four or five hours of the terpsichorean delight of Gothamites the members and leaders of the big name bands found themselves desirous of a little relaxation. So they got together at an out-of-way nite club, and played music! Yes sir! After playing until weary, they took a postmans holiday. But, like the postmans holiday, this was play-the other was work. Benny Goodman, Bud Freeman, Big Gate Teagarden, "Satchelmouth" Armstrong, and a host of other hep cats sat up until dawn as they played a new kind of music-swing music. No sheet music was allowed at the jam session. Just plain old jive.

There are those who will say "swing music-ugh." And of these Paul Whiteman says "I have nothing but contempt for anyone who has nothing but contempt for swing. Music is the greatest in the world, and swing is music.

What kept musicians up until dawn? Well, after working all nite they now had a chance to play. Here they could become artists. They could create. They could put their soul into their work. And when we have conditions like these, the product is usually something really fine.

And that is what the Men's Association is bringing to Humboldt County on Sunday, November 6, at 1 o'clock. For two bits come and have the swellest music you ever heard, eat the best buffet lunch you ever tasted, and have the best time you ever imagined.

JARBOE AT U. C.

Richard Jarboe, former student at Humboldt and now enrolled at the University of California, is majoring in the speech arts, according to a card received from him by one of the faculty. Jarboe is also enrolled in French C, and Mathematics.

tration, Jean Hood, luncheon; Jeanette Christiansen, decoration; Marjorie Cropley, publicity; and Ida May Inskip, orchestra.

Thunderbolts Hit Stride In 19-0 Win Over S. M. Freshmen

With quick aerial thrusts and a surprising ground attack, Humboldt State Thunderbolts defeated the highly-touted St. Mary's Freshmen, 19-0 Sunday at Albee Stadium.

Completing 10 of 21 passes, and surpassing the Galets in every department of the game, Humboldt at last turned on the heat and showed the fans that they are not the team that lost to San Jose and Cal. Poly. Five men on the team threw passes: Nick Barbieri, Earl Mnweather, Bill Lee, Jack Ellis, and Art McGrath. There was no individual star of the game; all the first string and many of the reserves played excellently. The team worked together nicely as a whole both on offense and defense.

With Jack Ellis keeping the Galets in a hole with his fine kicks, Humboldt finally got the break it was looking for when Keith Henderson recovered a

Continued on page 3

H. S. C. Drama Will Have New Feature

Something new in theatricals will be the feature of the evening when the Humboldt State College dramatic artists present "The Night of January 16th" for the public on the evening of November 17th, and for the students on November 18th according to Theodore Little, director. "The Night of January 16th" is a murder trial without a pre-arranged verdict. A jury will be selected from the audience to determine the guilt or innocence of the defendant, Karen Andre. The jury of twelve will sit on the stage in a jury box during the entire play, and at the end of the trial will be sent to a jury room to decide upon the verdict.

There are two endings to the play and the ending to be used will depend upon the verdict of the jury. Those who wish to serve on the jury will leave their names at the ticket window, and if they are selected to serve on the jury their money which they paid for the tickets will be refunded.

The play has no real hero or heroine. Karen Andre, to be played by Beryl Unsold is the defendant and Keith Emenegger is the prosecuting attorney. The defense attorney will be Sherman Washburn.

This play had a long run in New York, and proved to be popular to play-goers. It promises to be something entirely new to Humboldt play-goers and something to look forward.

MEDICAL SECRETARY

Jean Cooper, a former Humboldt student, is studying at the Zweigman school for Medical Secretaries in San Francisco.

NO RADIO PROGRAM UNTIL NOVEMBER

There will be no radio program for the next several weeks due to difficulties in scheduling the program. When resumed, the program will probably be heard on Thursday. Wednesday is an undesirable day because of the interference of choir practice, as much of the talent used on the program is taken from the choir.

The program will probably be resumed sometime in November after the election campaign programs are off the air. Watch the Lumberjack for further announcements about the time of the program.

Rally Committee Plans Chico Trip

Are there twenty-five loyal Humboldt rooters? If so show it by signing up for the trip to Chico this Saturday and watch our Thunderbolts make it three straight over the Chico Wildcats. This is the last travel game of the season so let's support our team, the team has shown it can come from behind and win, it still has that true Humboldt spirit and now let's see if you have.

Rally chairman Sandretto says that twenty-five students can go to Chico in a bus for \$6.26 round trip. Many students are taking private cars and are looking for passengers. So look around and prepare to invade Chico with the Thunderbolts.

It will be a tough game and the team needs all the support they can get so give it to them. Chico has fine hotels, the park and the Oak. On the last trip to Chico a bus load of Humboldt rooters plus many private cars went with the team and saw Humboldt win out, 14-6.

There will be a pep assembly Wednesday at eleven o'clock. Be sure and sign up for the trip to Chico.

ON TO CHICO

Local Merchants Reward Gridders

Three lucky gridders were John McGrath, Herb Gomes, and Jack Ellis. The three players at breakfast Sunday morning at the Red Robin cafe in Arcata and the proprietor promised them a free supper if they beat St. Mary's. They won and collected and lo and behold they found out that the cook won \$13.00 on the game and promised them another meal if they beat Chico. A hungry football player will play awfully hard for a good meal such as they serve at the Red Robin, home of the foot long hot dogs, so you can count on a victory at Chico as far as McGrath, Ellis and Gomes are concerned.

Another merchant in Arcata who backs the football team verbally and literally is Bob Gayhart, proprietor of the Varsity Sweet Shop. Bob gives every member of the squad a banana split at the end of the season.

Freitas R H Meneather L H
Kellinborn F Barbieri F

H. S. C. To Travel To Chico To Meet Wildcats, October 29

The next opponent that the Humboldt Thunderbolts will meet is the Chico Wildcats. The Wildcats have a new coach in Ray Bohler, but he is not a new one to Coach Herb Hart. Bohler was the former coach at Beloit, Wisconsin when Hart coached at Monmouth, incidentally Monmouth won when the two played.

The Wildcats are paced by an exceptionally good backfield in Lang, Kollenborn, Hoffman, and Freitas. Hoffman will be remembered by Humboldt players by his fine playing in 1936 when Humboldt eked out a 14-6 victory at Chico. They have a reserve halfback in Benny Reams, who is probably the fastest runner in football. He was recently credited with a world's record in the 100 yard dash with the time of 9.4, and although most sprinters do not make good football players Reams is one of Chico's best. For the first time this season Humboldt gridders will not be outweighed. Both Chico and Humboldt advantage around 175 pounds in the line and backfield, however Chico has much more reserve power.

Chico has lost two, tied one, and won one game this season. They lost to Cal-Poly 14-7, Nevada 22-0, and tied Cal Aggies 0-0; they beat S. F. State 14-6. Humboldt so far has won two and lost two. They have lost to San Jose and Cal-Poly and have won from Southern Oregon Normal and St. Mary's Freshmen.

The ease and precision in which the Thunderbolts won from St. Mary's Frosh proves that Humboldt is on the up-trend and Chico will have its hands full trying to stop the Thunderbolts. Incidentally Humboldt has won her last two games with Chico and will be trying to make it three for three this Saturday.

Humboldt's aerial attack is at its best, and her ground attack is improving steadily and supporters of the team will see Humboldt at its peak against Chico State. The team will leave by bus for Chico Friday morning. They will stop at Willits for a workout Friday afternoon and then continue to Chico.

The probable starting line-ups are:

CHICO	H.S.C.
Winters L E	Farber L E
Kemp L T	J. McGrath L T
Yount L G	Goble L G
Palmeter C	Torp C
Robinson R G	Gomes R G

P. A. SYSTEM

Have you ever stopped to realize what a convenience the public address system is at football games? How many missed it at the Southern Oregon game? Quite a few, we'll bet. Have you ever thought who makes possible the appearance of the public address system? No? Well, then, we'll tell you that it is the firm of Baldock and Mitchell, Studebaker dealers in Eureka, and M. A. Parry, Westinghouse dealer, who bring this service to you. If you would like this service continued next year, be sure to tell either Baldock and Mitchell or M. A. Parry, true supporters of H. S. C., that you appreciate having the P. A. system.

H

ATTENTION ALUMNI

"The University of Washington will be what we produce for it; we are its parents," said the president of the University of Washington Alumni at their recent homecoming. Those alumni have not cast aside their Alma Mater.

What can you, the Humboldt State College Alumni Association do to assist your Alma Mater?

1. Cooperate with us in ticket drives. 2. Assist us in our efforts to secure adequate modern buildings and equipment. 3. Secure new worthy students for H.S.C. 4. Assist worthy students to finance their way through Humboldt State. 5. Help us establish an athletic training table. 6. Help us build a bigger, better college.

Friends of the college have individually done more for our college than has our parental Alumni Association. Must we always have such a biased Alumni Association? The answer is to become progressive, grow, be considerate, help the college and thereby help yourselves.

Humboldt State College needs support—give it!

Campus Commentator**SLIGHT MISQUOTATION**

Quote: Gaelets to field star-studded-lineup unquote. We reckon most of the stars were in front of their eyes. Weren't the fellers wunnerful? In accounting for their ignominy, one of the St. Mary's boys very modestly said, "When you get a bunch of stars together, you can't have a football team."

MORE OPTIMISM

And the next item on the docket is Chico. Needless to say, we expect the boys to lick their weight in wildcats. We'll be satisfied if they bring home a 13-0 score.

"ROOS" STARS

The family spirit of the Thunderbolts is what gives them that "yumph." Marshall Rousseau made a beautiful tackle down on the goal line while he was sitting on the bench, or does this seem too deep for you?

CLOSE SCRUTINY

The casual observer may not have noticed:

Snooky Edsall trekking into the library almost entirely bereft of shirt but sporting a pip of a tan—the students and Ned were quite taken aback.

Harlean Esping, Charlie Fulker, Myron Schussman, and Valerie Vann at the Varsity Club, and Charlie was dead.

THE OLD RECOIL

The old loyalty prompts us to pen a scathing denunciation of several Humboldt insurgents who bet against the Thunderbolts. We know Wally Lozensky and Bill Ziegler won't mind being nominated for the fishpond, but a third leftist has this to say—quote: "You can't tell what those clowns are going to do next. I was so far in the hole I decided to bet against them, and now look at men." Unquote. The cook down at the Red Robin won \$13 on Sunday's game.

GRUB PILE WITH JAM

November 6 is drawing nigh and November 6 to those in the know means Jam session.

Latest reports say there is to be food afterwards. As baby says, "We're going to have a little bread with our jam."

OH, YEAH?

And the "fauxest pas" we've heard in quite a spell is Alex Smith's gag about the car breaking down when he and Beryl Unsoeld were on their way to Crannell to teach.

WHAT IS THIS?

New Today: The Santa Barbara boys are accepting all dinner dates this week. They find shanibers a little short of calories, and besides, every time they start spitting out the seeds, the coach walks by.

And that's thirty for this week people. Don't forget there are only 49 more shopping days till Christmas.

Instructor Draws on his Experience For Material in Extension Course

Dr. Homer Balabanis of Humboldt State College, whose extension course in "World Resources and Population Problems" will meet Tuesday evening at 7 o'clock in the Eureka Senior High School can draw on personal experiences for his material. For Dr. Balabanis saw the results of one of the mass migrations in modern history.

In the fall of 1922, Greek soldiers who were fighting to retain the territories in Asia Minor granted them by the Treaty of Sevres were defeated by the Kemalists. Their retreat to the coast culminated in the disastrous fire at Smyrna; and finally hordes of terror-stricken Greeks, including Dr. Balabanis mother and sister-Greeks whose ancestors had lived in Asia Minor for two thousand years—fled in confusion across the Aegean Sea to Greece.

Almost overnight, a small country, poor in natural resources and already exhausted by ten years of continuous warfare, received a million and a half miserable refugees. About half of these were settled in rural districts of Macedonia and Thrace, but hundreds of thousands remained in the cities, increased manifoldly the population of Athens, and became a terrific economic, social, and sanitary problem.

"Imagine half a million of absolutely destitute people pouring overnight into a city the size and

Wealth of San Francisco," said Dr. Balabanis, "and you can hardly conceive the attending problems. Imagine, however, half a million pouring into Athens which did not even have a modern water system."

These refugees live in any space available in barns in theatres, in churches, even in the royal palace where "apartments" were made by marking off spaces on the floor and hanging up sheets to serve as walls. Refugees were seen cooking in the throne room itself.

When Dr. Balabanis went to Greece for a visit in the summer of 1927, five years later, the affects were still terribly apparent. There were long, continuous lines of one-room dwellings; continuous, because it was cheaper to make the walls on either side serve as the wall for the joining dwelling.

The water shortage was still acute. There was no such thing as a continuous flow: certain districts were allotted certain hours, and these might be in the day or in the middle of the night. Dr. Balabanis saw people from lines for water at seven o'clock in the evening and wait until midnight before they could get their allotments two kerosene cans filled

Library Receives Many New Books

Many new books have been received in the Humboldt State College library from October 1 to October 24. The authors and titles are as follows:

Wyllie, "Our Starland;" Johnson, "Then and Now;" Garner and McCartney, "Child Life Number Book;" Morcomb, "Red Feather;" Hefferman et al., "The Little Red Road;" Mitchell, "Nip and Tuck at Play;" Siebert, "Rights and Privileges of the Press;" Learned and Wood, "The Student and His Knowledge;" Hertzler, "The Horse and Buggy Doctor;" Powers et al., "Psychology in Everyday Living;" Educational Policies Commission, "The Unique Function of Education in American Democracy;" "The Purposes of Education in American Democracy;" "The Structures and Administration of American Democracy;" House and Harman, "Descriptive English Grammar (six copies); Dictionary of American English on Historical Principles (part four); Hitchcock, "Manual of the Grasses of the U. S.;" Sullenger, "Social Determinants in Juvenile Delinquency;" Kluchevsky, "History of Russia, volumes four and 5; Sackett, "The Law of Libel; Brooks, "Child Psychology;" Baird, "Make-up;" Brown and Garwood, "General Principles of play Direction; Miller and Blaydes, "Methods and Materials for Teaching Biological Sciences;" Atlas of American Agriculture—Physical Basis.

H

1. Senior men spend 55 hours per week sleeping.

with the precious fluid.

The influx of penniless hordes made possible industries whose chief asset was cheap labor. Even in 1936, when Dr. Balabanis again visited Greece, a man would work twelve hours a day for not over forty cents, and women were getting less than thirty cents a day.

St. Mary's Game

fumble on the St. Mary's 28 yard line. Two plays gained five yards, and then Nick Barbieri dropped back and threw a perfect pass to Earl Menewether who, aided by a fine block by Bill Farber, ran about 15 yards to score H. S. C.'s first touchdown. John McGrath's place kick for the extra point was blocked.

Midway in the second period, Herb Gomes blocked a St. Mary's punt to give the ball to Humboldt on the Gael's 31 yard line. Then Menewether passed to Lee for a first down on the 18, and Lee cracked through the line for seven yards. On the next play Lee passed to Givins for the second touchdown. The same pass play failed on the conversion attempt.

Late in the second quarter, the frosh unleashed their only power drive of the game, when they marched 40 yards to be stopped by the halftime gun.

In the third period, Humboldt was forced back to their own 8 yard line where Ellis punted to the 32. The safety man fumbled and Bill Farber recovered to set the stage for Humboldt's final score. From here, Menewether ran around end for 13 yards, and then after two unsuccessful line plays Jack Ellis passed from punt formation to Givins who ran to the Gael 23 yard stripe. Barbieri gained 9 yards in two line plunges and Menewether made a first down on the 18. Barbieri picked up five yards and then on an end around play that fooled the frosh completely, Givins ran 13 yards unhampered for the touchdown.

With the reserves in the game in the final minute of play, Lee passed twice to Art McGrath to put the ball on the two yard line. Two plays carried it to the one-foot line when the final gun ended the game.

Defensive stars for Humboldt were Henderson, Farber, Langdon, and Gomes, while outstanding offensive cogs in the Humboldt machine were Menewether, Barbieri, and Lee. The hole-opening ability of Ellis, Goble, and John McGrath was also a big factor in the victory.

For St. Mary's, standouts in the backfield were McPartland and Lankas, and in the forward wall, Henson, Engle, and Moore turned in good games.

MATHISEN AND FALK WIN IN TOURNAMENT

Play in the interclass mixed doubles tournament has been completed with Eva Mathisen and Don Falk emerging as the victors after having defeated Louise Sanders and Rosie Ivancich. Mary Caprile and Barret Kirby are the winners in the loser's tournament having won over Minerva Hill and Tom Amen.

Deck tennis will be the next sport on schedule for the individual sports class, according to Miss Ann Craig.

At San Jose the women enrolled in the Industrial Arts class outnumber the men by five to one. The young ladies are becoming very handy with the hammer and saw. Here's a nickel that they'll be well prepared if any unfortunate males should happen to come under the reign of their rolling pins.

Sports Commentator Lauds Team on Comeback Against St. Mary's

By Red Belcher

TEAM IMPROVED

Let's all give a big hand to Coach Herb Hart and to the football team for the fine comeback they showed to win the St. Mary's Frosh game. There was so much improvement over last week's game that there was no comparison. The blocking was sure and well-timed, the tackling was cleaner and harder, and the defensive play was very strong. Also give a hand to Bill Farber who really showed fine field generalship in calling the plays, after taking some unfair criticism in last week's game.

LANGDON "COMES OUT"

The most improved player in the game was without a doubt big Harold Langdon. This game was the turning point for him, for he had long been tabbed as a fine potential lineman, and he really "came out" in this game. When Humboldt smelled a pass play coming up, Harold would throw the end playing next to him down or at least throw him off balance so he could not get out for the pass right. He should gain confidence with this game, and will be plenty tough from now on.

HAND IT TO EARL

Of course, Earl Menewether has been given lots of publicity in the past, but to give credit where credit is due, Earl played a fine game Sunday and plays a fine game in every game. The opposing teams are always laying for Earl, too, but he always comes out of those rough pileups with his chin up ready for the next play. He is always an important figure in Humboldt's touchdown drives with his passing and running and he also keeps the old pepper going

in there.

PRAISE FOR ELLIS

I've been panning Jack Ellis in this column for the past three weeks, but I guess I've got to break down and give him a lot of credit for his work in the game Sunday. He got off some fine kicks, and was a big factor in keeping St. Mary's bottled up and in the hole for most of the afternoon. He also threw a nice pass to help in one of the touchdown drives and blocked well all through the game.

HENDERSON, GOMES STAR

My choice for the outstanding defensive stars of the game goes to Keith Henderson and Herbie Gomes. These boys made so many tackles that the Galets were sure that they were playing in their backfield. Herb has been a bulwark on defense in every game this year, and I think he deserves some kind of recognition even if it comes in this characteristic column. Henderson didn't get a chance to pack the ball Sunday but he surely was in there on defense and his recovery of a fumble led to the first touchdown.

TRIONE GOOD PROSPECT

Coach Hart thinks he has a fine backfield prospect in Henry Trione. He says that he is the best prospect out there who has never had experience. Henry is a fast man and Coach Hart likes the way he gets in there and tries all the time when he is only a little guy of 145 pounds. He is now drilling in the tailback spot and will get a chance to play whenever it is possible.

NICK SURPRISES

Nick Barbieri surely surprised everybody with his drive on line plunges. Nick was not rated a hard driver, but nobody can say that he didn't really get in there and go Sunday. Of course, Nick is about as fine a passer as you could hope to find anywhere.

CHICO STRONG

We hope that after the good showing that the Thunderbolts made, that they don't get overconfident for the Chico game. Chico has a good record this year, and they will be out to avenge the last two defeats that Humboldt has handed them. We also hope that as many rooters as possible will make the trip to Chico.

OLIVERA IS CHAMPION IN BARNYARD GOLF

Manuel Olivera was the winner of the horseshoe tournament sponsored by Horace Jenkins of the faculty. Manuel defeated Wallace Lozensky, by the scores of 21-19 and 21-12.

Wallace Lozensky downed Victor Lorenz in the quarter finals by a score of 21-16 and 21-19. Manuel Olivera's toughest match was the quarter finals when he was forced to go three sets with Gerald Geiger the scores were 21-18, 18-21, and 21-19.

A giant milk shake was awarded the winner.

Where your money
will go the farthest
"ON THE PLAZA

DON and JIM'S
MARKET

FRANCIS GIVINS

Francis Givins is now Humboldt's leading scorer with 13 points all made in the St. Mary's game. He scored one touchdown on a pass and ran for the other one on an end around, catching a pass for the extra point.

Other leading scorers are Bill Farber with 12 points and Menewether, Longholm, and Barbieri with six points each.

San Jose State students employed a decidedly different method of choosing partners at a welcoming dance recently. The girls were lined up behind a sheet and the fellows chose their partners by picking a pair of ankels.

Feature of Games Playing of Band

A feature of the football games this fall in Albee Stadium and at rallies at the college has been the playing of the Humboldt State College band directed by G. Dana Kinsman of the college music department. Members of the band and the instruments they play are as follows:

Peggy Airth, snare drum; Charles Arnold, tuba; Myrtle Boehne, flute; Bessie Boehne, cymbals; Bob Bryan, cornet; Walter Carr, trombone; Ruth Carroll, cornet; Jack Davis, trombone; Verne Cooper, bass drum; Quentin Cash, snare drum; Aili Eggert, alto saxophone; Frances Ensign, clarinet; Clark Gilman, trombone;

Training School Gets New Radio

A new combination phonograph and radio, to be used in the music classes, was displayed by Dr. Vernon O. Tolle to the College Elementary School at an assembly held Thursday morning.

A program consisting of skits by the second, third, and fifth grades was also given. The fifth grade was assisted in making costumes for their skit by the class in Practicum in art at Humboldt, under the direction of Miss Stella Little, art instructor of the college. Members of the class in Practicum in art are: Francis Moore, Eva Mathisen, Jean Lawyer, Lois Watkins, Glenn Waldner, Robert Browne, Ardys Goff, Irene Padlock.

Hazel Hagne, cornet; Jean Hood, French horn; Roberta Hood, cornet; Allen Lowry, tuba; Beryl McCann, cornet; Don Malone, clarinet; Margaret Monroe, cornet; Wallace Naye, clarinet; Jack Schmidt, clarinet; Alberta Starkey, flute; Myron Schussman, tuba; Jean Schussman, baritone; LaVerne Elmore, French horn; Charles Fulkerson, piccolo; Ray Pedrotti, clarinet.

Student Is Given Surprise Party

A surprise birthday party was given in honor of Virginia Belloni by a group of her college classmates on Monday, October 10, from 12 to 1 p. m. on the north front lawn of the college where a pot-luck luncheon was served to the guests.

Those attending were: Bessie Boehne, Marjorie Copley, Jean Hood, Myrtle Boehne, Mary Flocchini, Roberta Hood, Irene Hinckley, and the honored guest, Virginia Belloni.

JOE McGRATH WINS SCHOLASTIC HONORS

Joe McGrath, brother of Art and John McGrath, was one of the 13 new members admitted to membership in Alpha Phi Gamma Upsilon, Saint Mary's College honor society, according to the Saint Mary's Collegian.

Eligibility requirements for membership in the organization are participation in some extra-curricular activity, and the maintenance of the 2.0 or better grade average for two or more consecutive semesters.

Arline Harrington was confined to her room at the dormitory for several days last week with the flu. Marthabel Scott was also ill with a cold.

Extension Course Meets Tuesdays

The extension course in social science, "World Resources and Population," being given by Dr. Homer Balabanis of Humboldt College, hereafter will meet at 7 o'clock on senior high school. This was decided on by the class at its first meeting last week.

"The maldistribution of natural resources over the world relative to the destiny of population is at the bottom of all world conflicts at present," said Dr. Balabanis in introducing the subject at the first meeting of the class. The world is divided into two groups of nations the 'haves' and the 'have-nots.'

"Four solutions present themselves: First, restoration of the channels of international trade so that those who have no resources within their boundaries will be able to obtain them by trade; second, freedom of migration, so that people from thickly populated areas might migrate to those where resources are relatively abundant; third, redistribution of natural resources through the re-apportionment of colonial territories; fourth, control of population growth, particularly in areas where the ration of population to resources is highest."

Dr. Balabanis in future lectures will explore these various possibilities. He will also discuss more intensively population trends in the United States and their economic and social significances.

VISITS CAMPUS

Jim "Fire Engine" Cady, last year's freshman president, was a visitor on the campus last week. Cady is now employed in Hammond's Crannell woods. While attending Humboldt he was a member of the football and basketball squads. He plans to enroll next year to continue with his majoring in physical education.

TAKE TEST

Approximately one hundred and fifty students took the college aptitude test last Friday morning in the auditorium. All new students are required to take the test each semester.

Student Prefers Small College

"I wanted to attend a small college, so I chose Humboldt State College." This was the reason Jack Cook, transfer from Coalinga Junior College, gave when asked why he came to H. S. C.

Cook attended Coalinga J. C. which is at Coalinga, Fresno County, for two years. While there he played end for two years on the football squad. He also was a member of the track team, competing in the two-mile run. This fall Cook went to Fresno State for one day and realized that friendship, cooperation, and hospitality would be found in a small college. When he was informed that Humboldt was the smallest of the colleges he packed his belongings and came here.

Cook is majoring in education and is working toward general Junior high school and a special Physical Education credential. He is out for football and shows promise as an end. Cook said that he is greatly pleased with Humboldt State College and is impressed with the beauty of the Redwood Empire.

RESERVATIONS NEEDED FOR SEASON TICKETS

Students wishing to make seat reservations for their parents or relatives for the first college play to be presented on November 17, should do so at once according to Theodore Little, dramatics coach. He or any member of the play cast of "The Night of January 16th," may issue these reservations. All seats are reserved, and those who want the best seats are advised to get their tickets at once.

LIBRARIAN LECTURES

C. Edward Graves, college librarian, has given several lectures to the freshman orientation class concerning the use of books and card catalogue in the library.
