Thunderbolts Win Decisive Victory Over S.O.N.S., 18-7

Herb Hart's Humboldt State varsity opened its 1938 football season Saturday night at Albee stadium with an 18 to 7 victory over Southern Oregon Normal School.

Using many substitutes and never really turning loose all the power and deception the team was capable of, Hart chose to play a conservative game, saving his real stuff for the all-important San Jose game this Friday. This fact coupled with many penalties, made the game rather slow, but Humboldt showed great potentialities and a well-balanced team, with a strong line and excellent back-field material.

Humboldt scored first midway in the first quarter when fullback Nick Barbieri plunged over from the one yard line on a delayed buck. The score was preceded by a 50 yard march with Edsall and Barbieri gaining consistently through the line. John McGrath's conversion attempt was wide.

In the second quarter after a blocked kick by Bill Farber, Barbieri passed first to Givins for 20 yards, then to Farber for 13 yards, and again to Farber 20 yards to a touchdown. McGrath converted but the point was nullified and Humboldt was penalized 15 yards for holding. The second attempt to convert failed.

During the third quarter, Humboldt had the ball in Oregon territory continuously but fumbles and penalties prevented scoring.

Early in the last period, Bill Lee passed 20 yards to Farber, who, aided by a nice block by Art McGrath, ran 25 yards more to a touchdown. John McGrath failed to convert.

With many substitutes in the lineup Humboldt was driven back deep in their own territory by nice kicking. Bill Lee, attempting to kick from behind the goal line, fumbled then recovered, then fumbled again and Southern Oregon finally recovered for a touchdown. The conversion was made on a pass.

Humboldt was clearly the better team throughout the game, but some of the players were over anxious and Humboldt was penalized a total of 80 yards during the game. Fumbles also marred the Thunderbolts showing. Edsall, Longholm, Lee, Barbieri, and Henderson shone in the backfield, and the whole line played an excellent game.

For Southern Oregon, standout were; Russell, and Hudson, in the backfield Brace and Johnson in the line.

Kindergarten Club Has First Meeting

The Kindergarten club of the College Elementary school met recently in the Kindergarten room.

The officers elected at the end of last semester presided over the meeting, which was spent in fixing toys. The officers are President, Blanche Lowry; vice-president, Lanette Gregory; and secretary-treasurer, Virginia Vincent. Members of the club who met once a month for the purpose of improving the Kindergarten room are: Natalie Brenner, Pauline Knudsen, Catherine Caltoft, Helen Woodcock, Shirley Davis, Doris Waldron, Frances Poulson, Irene Paddock, Ardis Goff, Edith Neillist, Lanette Gregory, Blanche Lowry, Virginia Vincent, and Helen Connick. Misses Ruth Bestor, Eleanor McKay, and Dorothy Williams of the elementary school staff.

Frosh Win Victory In Annual Brawl

Too much man power and too much youthful enthusiasm was the story of the annual Frosh Soph brawl last Thursday, which was won by the Frosh. The Sophs put up a game battle but just couldn't quite cut the buck.

The sack race was won by the Frosh, three sacks to two after a long drawn out struggle, and after this opening event, the Frosh went on from there, winning the obstacle relay race by a comfortable margin.

In the football hodge-podge, the Sophs equalled the Frosh performance, but lost by one point on a technical foul. The Frosh scored on a run by Ted Speier, and the Sophs scored on a series of passes, Chetkovich to Belcher to Connick to Wilson.

The next event was the greased pole, which the Sophs successfully defended after a ten-minute encounter. The last event was the tug-of-war, which went to a scoreless tie when the rope broke on the first heave.

There were no serious injuries although several stalwarts received painful temporary injuries. Of course everyone woke up the next morning as stiff as the proverbial board.

PERMISSION TO USE BADMINTON EQUIPMENT

Notice from the physical education department has asked that, in the future, badminton equipment used outside of class hours can only be secured from the Health Office. This regulation has been made necessary because of the fact that equipment has been abused and not replaced in the locker.

ARCHERY NOTICE

Mrs. Monica Hadley of the physical education department has announced that only those students who are placed on an approved archery list may use archery equipment outside of class hours. Those people wishing to have their names on this list must see Mrs. Hadley. To safeguard expensive equipment is the reason for this new ruling.

Special Train Will Leave For San Jose Thursday Night

For \$7.55 a student may leave Eureka Thursday night, arrive in San Jose Friday morning and may stay in the bay area until Sunday night when the train leaves for Eureka. This is the lowest possible rate that can be made by the railroad company. This does not include sleepers.

The price may seem steep but if you figure that this round trip to San Jose is lower than a one way trip to S. F. also this is lower than you can run a car down to San Jose.

If the price seems high ask any student who took the trip to San Jose on the last special. The only heartache was the fact that the football team was beaten, but this year like the "vow boys" of Stanford, the H. S. C. Thunderbolts are going to win or be carried off the field still fighting.

Ask any football player what a rooting section means to the team. A team without a band or rooting section is almost as bad as a game with only one team playing. The football team needs the tooters. The rooters now have a way to go to San Jose, Will you go?

San Jose boasts of two fine hotels in which you can stay. If your friend goes with you, you can share the room and also expenses. The team is staying at the Montgomery Hotel.

Lets ALL get behind this special and go to San Jose with our football team!

W. A. A. Initiation Held At Banquet

Freshman girls were duly initiated into the ranks of the Women's Athletic Association on Wednesday evening, September 28, when they attended a banquet held at the Commons in their honor. The colors, yellow and green, was used in decorating the tables. Invited as special guests to the banquet were the faculty wives. Speeches of welcome were given by Vesta Marke, general chairman of the affair, Miss Ann Craig and Mrs. Monica Hadley, advisors, and Eva Mathisen, program chairman.

The frosh were obligated to eat their food with cooking utensils such as spatulas, sugar scoops, doughnut forks, and dippers.

Each girl introduced the guest at her right in order to help acquaint the members with their guests. While dinner was served Marthabel Scott, song leader, and Nathalie Brenner, tell leader, led the girls in songs and yells. The dancing of "The Virginia Reel" by the W. A. A. members and their guests concluded the evening's entertainment.

Radio Program Will Have Varied News

The College radio program will be held tonight at 7:00 to 7:30 in Eureka. The program was to be held on Thursday night but last minute plans changed the departure of the football team from Thursday night to Thursday morning.

Keith Emenegger is the head of the program and the band will play several selections. Talks will be given by Nick Barbieri and Red Belcher.

Any time anyone wishes to visit the program while it is being produced, they are perfectly welcome to come to the studios in the Vance Hotel and witness the various degrees of "mike fright" to which their friends are subjected when they speak into that little thing that makes strong men shake.

Many Attend Stag Party By Men's Asso.

A success. That is what the Men's Association stag dinner can be called. The dinner, held Sunday night at the Bella Vista, was enjoyed by thirty five students and faculty.

The toastmaster of the evening was Francis Givins, president of the Men's Association. After a toast proposed by John McGrath, short talks were heard from Professors Jenkins, Hicklin and MacGinitie. Mr. Little and Mr. Arnold both gave short reading and Mr. Schussman played two harmonica solos. Coach Hart and Dr. Balabanis sang solos. Dr. Balabanis singing his in Greek. Mr. Kinsman played several selections on the piano. Motion pictures of the 1935 H. S. C. football team and brawl were shown by Mr. Graves, college librarian.

Red Belcher retained his eating championship when he out ate such epicureans as Mose Musante, John McGrath and Nick Barbieri.

TREASURER ANNOUNCES FALL OFFICE HOURS

During the fall semester the student Body office hours will be as follows: Monday, Wednesday, and Friday 9 to 10. Tuesday and Thursday, 10 to 11.

Fred Hibler, Student Body treasurer asks that all persons desiring requisitions should come to the Student Body office during the stated hours. The office is upstairs suite 214 room 1.

NOW IN VAUDEVILLE

A recent announcement in the Arcata Union by Ronald Russel that he was disposing of his Bella Vista store to enter vaudeville brought back memories to Humboldt State Lyceum, the group of college entertainers who formerly made an annual tour of Redwood Empire towns. On one of these tours a feature was a tumbling act of Hazel Mackley (now Mrs. Eldrid Hogan).

IS READING SUPERVISOR

Mrs. Nene Pinkerton, Humboldt graduate and former teacher at the College Elementary School, is now reading supervisor for all primary grades of the Eureka Elementary Schools.

Thunderbolts Will Play At San Jose On Friday Night

Will the Thunderbolts continue to thunder? Friday night at San Jose they will meet the toughest opponent on their schedule. San Jose is the largest State college and Humboldt is the smallest. This year the Spartans have an exceptional team. Over 20 lettermen have returned to Coach Dud DeGroot. Among them is Le Roy Zimmerman who scored both touchdowns against H.S.C. last year. It is rumored that Zimmerman is playing on the second team now as Walt MacPherson has replaced him as starting fullback.

San Jose has already met and defeated three opponents. They were: Tempe State Teachers, U. C. Ramblers and Cal. Tech. In these three games the Spartans have scored more than 120 points to their opponents 19. Their latest victory was a 52-0 win over Cal. Tech.

Humboldt State has met San Jose three times, once at San Jose and twice in Albee stadium. The Spartans have won two, 25-6, and 13-2. The Thunderbolts triumphed in 1936 in Albee stadium to the score of 20-0. This Friday night in San Jose, the Thunderbolts will attempt to even the score and make the series even.

Humboldt State will be outnumbered, out-manned, and outweighed, but win, lose, or draw Humboldt State will never be outfought.

Chi Sigma Epsilon Scholarshap Winner

Frances Nye, June graduate with highest honors from Eureka High School, is this year's winner of the Chi Sigma Epsilon. This scholarship, which covers general student fees for the freshman year, is donated by Chi Sigma Epsilon, the upper division scholastic honor society of Humboldt College. It is awarded to a high school graduate of either Humboldt County, or Del Norte County on the basis of scholastic, character, and participation in student activities. Not only was Miss Nye's scholarship outstanding, but she was very active in student affairs. She was editor of the Junior High Log and of the Redwood Bark, member of the staff of the Log for three years, President of her Freshman class, Vice-President of her Junior class, general chairman of the Senior Prom and the Senior Ball member of the Photograph Club, G.A.A., and Hospitality committee, and director of the high school radio program. We congratulate Miss Nye on her outstanding achievements and wish her continued success at Humboldt College.

A COMMITTEE OF ONE

Every student should appoint himself as a committee of one to enforce outsiders to live to college rules. It has been brought before me many times that outsiders are playing on the college tennis courts in street shoes. Nothing can possibly do more damage to the surface of the court than the wearing of street shoes while playing. Also, it has been noticed that many students and outsiders wear their street shoes while playing in the big gym. In both the courts and the gym, there are large signs prohibiting the wearing of street shoes while using the courts. The students of Humboldt should have pride in their equipment and live up to this regulations and above all enforce them.

FULFILL YOUR OBLIGATIONS

Fifty-five students signed up for the Men's Association Stag Banquet held last Sunday evening, but when the banquet was served, a scant thirty-five appeared on the scene at the Bella Vista Inn.

The sign that was put up on the bulletin board for those intending to go to sign up on was not put there for fun. That sign meant that students who wished the privilege of attending the feed with the men and faculty should sign their names and then come!

Would you sign a check and then not expect to have it cashed? Would you sign an important contract without thinking about what you were signing? No! This is the same principle. Those of you who signed and did not attend are betrayers of a trust—a trust vested in you by the Men's Association to fulfill your obligations.

We have heard some say that they didn't have 75 cents to come. Well, why did you sign if you knew you couldn't afford it? In the future, the Men's Association and all other organizations of the school would appreciate honesty in signing your name to something like this!

Campus Commentator

Well, the Thunderbolts are battling a thousand to date. Let's hope we can say the same next weekend. Predicting the score against San Jose is almost as uncertain as predicting the attire they'll be sporting this fall. We'll say the Thunderbolts cross the San Jose goal line twice even if the Spartans come out in top-hats and tails. Then all that Coach Harts' 60 minute men have to do it keep them from crossing our goal line. Yeah! Its that easy, on paper.

We reckon the refs in Saturday nites' game wanted the fans to see all the fine points of football. Everytime something worth yelling about happened, they played it over again. Don't get me wrong; I love football.

Gin Torp is quite a versatile little female. She piloted Door-knob, Lee Flink's "leaping Lena," from Scotia to Arcata with a burnt out bearing, some exceedingly annoyed tappets, and a sleeping Greg McDonald, the nite before the game. She loves her school.

We'd like to remind Tom Amen and Sedolph Johnson that loyal Humboldters are in the habit of remaining in the stands until after we sing the Alma Mater. Ignorance is no excuse, or don't you love your school?

With all due respects to the Humboldt Gridiron, we trust that they'll stand corrected on a few minor details. The score in the Humboldt-San Jose game in '36 was H.S.C. 20; S.J. 0, not 19-0... and far be it from us to quibble over trivialities but that crack about Mister Johnnie McGrath being 177 pound of fighting line-man sorta got us—and Ott too.

Have you got ambition? Aspire to be a janitor. It gives one so much authority. Take Homer Randle, for instance. In his capacity as janitor he was privileged to burn up all the silhouettes, Welcome Frosh letters, and other evi-

dences of hours of labor by the decorations committee. Of course, it would have been much less trouble to save them for another dance but Homer whupped up a fire and burned them. He loves his school.

Jayn Harville played with a boa constrictor at the fair that reminded her of Bill Collier.

Rally Chairman Sandretto dancing the last dance with the very ultra Francis Nye.

The Ivancich sisters making Santa Barbara and Ashland feel at home in Eureka.

Ask Monica Hadley to tell you about the Phantom Pilot.

Art Keithley after a head-on collision with Moe Musante in scrimmage—"Are you man or moose?"

Have you noticed the increase in Coca Cola sales since the advent of football season? I guess that's what they mean when they dub Coach Hart, "a builder of men."

We noticed Julius Hooven sporting a San Quentin haircut, Larry Wurtz sporting Shirley Davis again, and Bettie McWhorter still sporting a blonde and it wasn't Jackie Walsh. (warning to Bob Madsen-keep out of the sun.)

And here's your brain twizzler.... What's more annoying than two windshield wipers beating different tint on one windshield.

Tea in Social Unit Honoring Kinsmans

Miss Helen Garvin of the college faculty was hostess at a tea in the college social unit last Sunday afternoon in honor of Mr. and Mrs. G. Dana Kinsman. Mr. Kinsman is a new member of the college music staff.

Those invited were President and Mrs. Arthur S. Gist. Mr. and Mrs. W. N. Wood. Mr. and Mrs. Brousse. Mr. and Mrs. Maurice Hicklin, John Van Duzer, Misses Fay Jackson, Ruth Carroll, and Sarah Davies of Arcata; Mr. and Mrs. Louis Weichselfelder, Mr. and Mrs. Jack Sutherland, Dr. and Mrs. B. M. Marshall, Mrs. J. R. Blair, Mrs. J. T. Reese, Misses Pearl Jacobsen, Dorothy Williams, Berghitta Leskinen, of Eureka. Mr. and Mrs. William Crane, Miss Ida Caires, and Sam Pond, of Fernald. Loyd Anderson and Misses Dorothy Dale, Meta Johnson and Evelyn Chase of Fortuna. Mr. and Mrs. Edward J. Moidt of Hoopa. Mr. and Mrs. M. Hayes of South Fork; Dan Malone of Scotia.

Mrs. Hicklin and Miss Sarah Davies poured, and Misses Doris Goff and Marianne Lambert, college students, assisted in serving.

H. S. C. DRAMATIST IN N. Y.

Don Starr, Pasadena student who attended Humboldt during '36-'37, is now rehearsing with a large theatrical company in New York. Within the next week the production company plans to give the play on Broadway, according to a letter recently received from Garff Bell Wilson to Bob Madsen. While at H.S.C. Starr was an outstanding thespian. His most outstanding piece of work, according to local critics, was in "Petrified Forest" where he played the role of "Duke Mantee," world famous killer and badman.

Dance, Bean Feed Followed by Parade

The funsters and spirit makers of Humboldt had a great time Friday night at the big pre-game rally. First they danced to the strains of Pedro Eimore's boys in the little gym. The dance was enlivened by Paul Jones and Pony Expresses. Then came the bean feed. What a feed. To the rattling of spoons, glass, tin cups and feet, speeches were made by Dr. Balabanis, Sherman Washburn, Henry Trione and Amedeo Sandretto. The band under the direction of Mr. Kinsman played the school songs amid much applause, whistling and banging of tin cups.

When the cheering subsided the entire assembly left for Eureka where they paraded through the streets and sang over the College radio program.

The rally committee was very much pleased with the fine turnout and the show of spirit. Said Amedeo Sandretto, chairman of the rally committee, "Never has there been so much mass spirit, and I think we finally have some good support for our teams."

Highlights on First Game Given by Commentator

By Red Belcher

Well, the Southern Oregon game is past history, and now, before we know it, the San Jose game is upon us. After the showing Humboldt made in the Southern Oregon game, I predict that they will give San Jose at least as tough a game as last year, when the Spartans finally won out in the last quarter, 13-2. And don't forget about 1936 when Humboldt walloped San Jose 20-0. It certainly is not a foregone conclusion, as some people believe, that San Jose will win. Humboldt has just as good a chance as they had in '36.

Bill Farber is as happy catching a football as a kid with an all-day sucker. When Bill caught the first touchdown pass from Nick Barbieri, you could see the grin on his face 50 yards away. When Bill sees a pass coming to him, he gets that "touchdown look" on his face, which consists of that grin and a glassy stare in his eyes. Incidentally Bill played an all-round whale of a game, blocking two punts, making his usual sensational fumble recovery, catching two touchdown passes, and playing a bang-up game on defense.

Brother John, Brother Art, and Cousin Moe playing on one side of the line together were practically an impossible combination. They sort of alternated at piling up the interference and making the tackles. They worked as a very capable trio with Moe having his headgear on the front of his head, John having his on the back of his head, and Art, who had to be different, wearing his on perfectly straight.

The most disappointed player of the game--Art Keithley; the most surprised player--Henry Trione. On the last play of the game, the ball was supposed to go to Keithley, but instead, John McGrath passed the ball back to Trione. Henry was concentrating on his blocking assignment, so when he looked down and found the ball in his hands, he handed the ball to Billy Lee like it was a hot potato. Of course Bill was surprised too, but has the presence of mind to plunge into the line.

For a little guy, Bill sure drives like a fullback--He runs low and reminds you of Windy Moore, except that there is about 50 lbs. difference in weights.

Jack Ellis should learn to hold his temper a little better. He cost Humboldt a 15 yard penalty for slugging when he hit an Oregon man who piled on top of him. Fight is fine, but not in that form, and a 15 yard penalty is no joke. Outside of that one slip, Jack played a fine game as blocking back.

W. Oglesby Scouts Football Opponents

Walf Oglesby, assistant coach of H. S. C., killed two birds with one stone last weekend. Walf went to scout San Jose for Coach Hart and the day after the San Jose game, he left for San Louis Obispo where he saw Cal Poly and Chico State play. Cal Poly won 14-7. Both teams are on Humboldt's schedule. We play Cal Poly the Saturday afternoon after the San Jose game and Chico State at Chico October 28.

Co-Op, Manager Announces Store's Business Hours

The hours of business of the college Co-op, according to Bill Farber, manager will be as follows:

From 7:45 to 9 o'clock in the morning, and then from 11 o'clock until 4:30 in the afternoon.

These hours have been arranged, Farber said, to give students the best of service for buying books, paper, and other supplies and for refreshments at the fountain.

BOIL IT IN OIL

I've heard from several sources that Humboldt State is remote from civilization. Saying this is almost like saying that John McGrath can beat Seabiscuit in the mile and three furlongs.

No Humboldt isn't remote from civilization. The only thing it is remote from large population centers. But this set-back is made up by the congeniality, friendship and cooperativeness of the people in this community.

Where in the world can you find a small group of business men and workers who are willing to sacrifice time, money, and duties just to try and make something out of a small school? Where on this universe can you find a small student body as in Humboldt fighting for recognition as well as we are doing? There is only one answer to these two questions. In short and confidentially--No where!

However, our work isn't done as yet. We cannot raise Humboldt to the head of other colleges in one or two years. It takes time; five, six, even ten years. We have Humboldt going on the upward trend. Yes, slow but sure--let's not quit now. There's no time like the present for a little extra push. Let's show the people of this community that we, the student body, are pushing twice as hard as they are.

Nick Barbieri, Student Body Pres. P. S. Keep that "Pepper" that you have shown the past week!

Course a Student Follows Sets Subject Requirements

"Why do I have to take that subject? Jane Doe is a freshman, too, and she did not have to register for it."

That question, one of the faculty advisors said recently, is frequently asked by students. The reason is, the advisor explained, that while all freshmen take about the same subjects, there are certain differences depending on whether the student is enrolled for a teaching credential or whether he is taking lower division college work, popularly known as the "junior college" course with the intention of transferring to the University of California after two years of work at Humboldt State.

In the first place, the advisor continued, the university specifies ten in some cases, eleven--of the usual sixteen high school units required for graduation, as follows:

History one unit--may consist of any two semesters of history, civics, or social science approved by the principal.

English, three units--any six semesters in English, public speaking, journalism or drama, approved by the principal.

Mathematics, two units--a year of elementary or advanced algebra, and a year of plane geometry or of solid geometry and trigonometry.

Science, one unit--a third or fourth year laboratory science.

Foreign language--two units in the same language.

Restricted elective--a year of advanced third and fourth year mathematics, foreign language, chemistry, physics or two years in a second language.

If the student did not take one or more of these subjects in high school, he must "make them up" in college; that is, he must take work in the same field. Subjects to make up high school deficiencies are not counted in the student's total of college credits, since they are, in effect, "put back into high school." Any of these can be "made up" in college except the mathematics.

matics; the college does not offer courses in high school algebra or in plane geometry. Students have to make arrangements with some nearby high school to make up these subjects. In addition, the student is supposed to have made an average of "B" in all these subjects.

Students taking the "junior certificate" course have certain additional subjects specified in college. Each must have at least fifteen units in not more than two foreign languages. Each year of high school work in a foreign language will be counted in satisfaction of three units of this requirement--if "C" grades or above were made in high school. He must also have at least twelve units of a physical science, he can count high school physics or chemistry as three units each for this requirement. Finally, the "junior college" students must take three year courses of at least six units each in subjects of college level chosen from certain groups.

The usual English and history taken by freshmen constitute two of these groups; as a rule, entering students at Humboldt are enrolled in the course in philosophy which is counted as a third group. In some cases students who have taken three years of high school mathematics can substitute a year of college mathematics for the six units in philosophy if they desire.

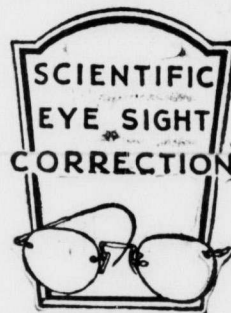

The foregoing are the general requirements for students taking the "junior college" courses, requirements which are specified by the university.

LIBRARIAN EXPLAINS

Students are advised by C. Edward Graves, college librarian, to take full advantage of the rental collection of modern books now in the school library.

There are thirty-five novels which were the leading books of the current year; among them are "My Son," "Fanny Kemble," "The Big Four," and "Dark River."

Any student may use the books, for which a nominal fee is charged. Fiction books for five cents for each four days.

Drama Department Starts Fall Play

Work on the play the dramatics department under the direction of Theodore Little is planning to present this fall, is progressing rapidly. The name of the play is "The Night of January 16th" and is a "Who-done-it" type of comedy drama.

More than 50 students tried out for the parts and final selections are now being made.

Fall season tickets for regular patrons will be one dollar. These patrons are entitled to reserved seats for the plays to be presented during the fall semester. Seats for the season will be assigned in the order in which reservations are made.

The dramatic workshop crew, under the direction of John Van Duzer, has started work on the stage, and is aiding in installing a ventilating system which will make the auditorium more comfortable for the patrons.

Two regular subscription plays will be given during the fall semester. San Francisco State College will present one of these plays, "Night Must Fall". There will also be several workshop productions under Student Directors for those who wish to experiment with their hidden talents in dramatics, according to Mr. Little.

H

STUDENTS TAKE NOTICE

Any student who carries or desires to carry, more than seventeen units of work, according to Miss Craig of the physical education department, must undergo a physical examination and secure a permit from the health office enabling him to do so. In doing this, the student is saved from endangering his health because of poor eye sight or health. This requirement is important for the student's welfare.

Former H.S.C. Prof. Writes Experiences

Gariff Bell Wilson, H.S.C. faculty member now on leave, narrowly escaped the big eastern hurricane, according to a letter received here from Wilson by Bob Madsen. Mr. Wilson was director of drama at Humboldt and is now attending Cornell University studying for his doctor's degree.

The letter in part is as follows: "I do have an awfully soft spot in my heart for Humboldt, and I'm going to miss it."

"I arrived in Ithaca two days ago after a very nice trip across the country. I was planning to stop in New York City for a couple of days; however, I ran into that awful storm you've been reading about; so after spending one night I started out for Ithaca. It was a bad day for driving. I was almost blown off the road several times.

"Today I've been on the campus, meeting my new associates and getting acquainted with my new duties. The graduate assistants have to supervise the production end of all the shows...and the Cornell Theatre gives a new show every two or three weeks. I'm afraid I'm going to be very busy.

"I haven't seen much of the campus yet, or met many people. Those I have met seem very hospitable. Incidentally, right in front of our desk (another graduate and I share a desk, and six of us share one typewriter) is a large plaster head of--guess whom--Alexander Von Humboldt! It was just taken down off a building and found its way to this office."

H

MANY HONOR STUDENTS ENROLL AT COLLEGE

Semester honors are awarded to all regular students carrying a load of twelve or more semester units who receive "A" and "B" grades in all subjects of one or more credit units taken during the semester. According to a report received from the recording office, the following students were on the honor roll for the spring semester. Valerie Barker, Martin Cabalzar, Catherine Caltoft, Dudley Davis Frances Etter, Fritz Fleischer, Dorothy Fountain, Matthew Fountain Lanette Gregory, Katherine Hadley, Berta Haggmark, Arline Harrington, Lois Hedley, Neska Jeffers, Lester Larsen, George Lowry, Eleanor McKay, Francis Moore, Lillian Nicholson, Ray Pedrotti, Myron Schussman, Alberta Starkey, Beryl Unsöld, Helen Woodcock and Waldo Gosard. All but seven of these students are enrolled in college again this semester.

H

Carl Owen, former Humboldt student, is now at San Francisco State College. Carl was the organizer and director of the H.S.C. pep band for several years.

W.A.A. Will Be Hosts At Annual Play Day

The Women's Athletic Association of Humboldt State College will again play host, at their annual play day, to the high school girls of Humboldt and Del Norte Counties on Saturday, October 22 at the college.

Among the high schools which will be represented are the Eureka Junior High, Eureka Senior High, Fortuna, Ferndale, South Fork, Arcata, Orick, Hoopa, and Del Norte. The number of girls from each school will be determined by the size of the various student bodies.

Bessie Boehne, junior student, has been appointed general chairman of the affair. The committee chairman who will assist Miss Boehne are: sports, Vesta Marke; decoration, Jeanette Christiansen; program, Marjorie Wing; luncheon, Jean Hood; publicity, Marjorie Cropley; registration, Virginia Frederiksen; equipment, Jane Hawley; songs, Marthabel Scott, and orchestra, Ida May Inskip.

A Cappella Choir Selections Made

G. Dana Kinsman, associate professor of music at Humboldt State College who has been conducting try-outs for his A Cappella Choir, has announced his tentative selections as follows:

First sopranos—Marjorie Bull, June Gregory, Pauline Knudsen, Marjorie Wing.

Second sopranos—Jane Anderson, Bette Cairns, Edith Jennings, Dolores Scholl.

First altos—Marjorie Barnes, Barbara Bird, Hazel Hagne, Arlene Harrington, Marthabel Siott.

Second altos: Dorothy Barnes, Martha Dolson, Ida Mae Inskip, Lynette Swan, Valerie Vann.

First tenors—Richard Davis Laverne Elmore, Dan Grace, Earl Meneweather.

Second tenors—Martin Cabalzar, Moe Musante, Jack Schmidt, Ted Speir.

Baritones—Allan Lowry, Ray Pedrotti, Amadeo Sandretto, Myron Schussman.

Basses—Roderick Belcher, Albert Gilman, William Inskip, Don Malone, Willard Woodcock.

The choir rehearses on Monday and Wednesday evenings, beginning at 7:45 o'clock.

H

NEW EQUIPMENT IN SOCIAL UNIT

A new electric range of the very latest type has been installed in the social unit kitchen replacing the very antique range that has been in use for ever so many years. New china glassware and cooking utensils are also being purchased for this unit.

This equipment has been added to the department for use in the Hostess course being taught by Mrs. Walter. The Course involves a study of different types of meal service, and etiquette involved in each. Meals will be prepared and served for special occasions, such as luncheon, parties, teas, and students taking the course will receive practical training in serving and food preparation.

The Home Economics department is prepared to offer a minor in Home Economics, and not less than two years work toward a major in Home Economics.

H

IN TELONICHER HOME

Dr. Harry MacGinitie, of the college science department and family are living in the Fred Telonicher home at Sequoia and Laurel Drive. Mr. Telonicher and family will be in Palo Alto this year. Mr. Telonicher will attend Stanford.

Number Units For Ann Craig to Honor Class Rating Given Mr. and Mrs. Hart

"How do I stand? Am I a junior?"

This, or a similar question, is frequently asked at the Recorder's office. The answer is to be found on Page 19 of the college catalog. Students with less than thirty semester units of credit are classified as freshmen; those having from thirty to fifty-nine semester units are classified as sophomores; those with from sixty to eighty-nine units as juniors; and those having ninety or more as seniors.

H

NOW AT DAVIS

Helene Hansen, former Humboldt State student, is now in Davis at the branch of the College of Agriculture of the University of California, where she is studying home economics. She conducted demonstrations at the recent state fair at Sacramento, receiving college credit for the work. She plans to attend the Humboldt-San Jose football game.

H

Pep Assembly Shows Great Deal of Spirit

A special student body assembly was called Wednesday morning by student body president Nick Barbieri.

A discussion arose on the question of the feasibility of a training table for the football team. After considerable argument it was decided that a training table would not be practical this year. Without further discussion the proposed student body budget was adopted.

President Arthur S. Gist spoke on the coming football season and urged the support of the students be given the team. The Kick-Off dinner was announced and President Gist invited all college students to attend the affair.

The assembly adjourned with the singing of the Alma Mater.

H

HOLD WEEKLY ASSEMBLY

The College Elementary School is planning to hold weekly assemblies to be under the direction of the various grades and correlated with their units of work.

Miss Ann Craig of the physical education department has extended an invitation to all Humboldt State College graduate majors in physical education to attend a buffet supper at her apartment after the Humboldt-Cal Poly football game on October 14. The affair is to be given in honor of Coach and Mrs. Herbert Hart.

H

FORMER STUDENTS ARE WED; LIVE IN WASH. D. C.

Emy Lou Grove, former H.S.C. student, and Dick Buxton, former President-elect of the Associated Students for 1936-37, were married recently at Scotia. Immediately following the wedding reception the couple left for Washington, D. C. where they will reside.

Buxton will be employed in the offices of the Bureau of Investigation having recently passed civil service examinations.

H

Mrs. Stella Little of the college art department is now living in Arcata, in the new apartment building she and Mr. Little erected recently near the campus.
