Number Twelve

HOOP SEASON CLOSED WITH VARSITY WIN

The current basketball season was drawn to a close with the annual Varsity vs. J. V. game.

Coach Franny Moore's Sharp shooting J. V.'s started off with a bang. They entered the game eager to win and proceeded very nicely. The Varsity strutted out on the courts with an air of supremacy and a kind look in their eyes for their baby brothers.

The "baby brothers" started earnest work at the very beginning. They out played, out scored, out dribbled, out fought, and made the Varsity men look like a bunch of old women dressed in calico tights. At the end of the first half Franny "William Tells" led to the rhythmic flow of 19 to 7.

At the beginning of the second half the Varsity's barometer was still falling; the ace in the hole looked like a deuce; the spark-plug looked as if it needed a washing and the climax seemed to appear at the wrong time so the J. V.'s kept building up a lead.

It wasn't until the second half was well under way when Captain Lee Seidell said "let's play like we did in the second game of the Chico series." These words appeared to be words of Chundu because in a few minutes the score was 28 to 28. In a lapse of seconds the Varsity led 30 to 28. Then Clarence "Aloisius" Edsall came through with a wonderful hook shot to make it 30 to 30. The game ended 30 to 30. So a five minute extra period was played. In this period Thornton, Givins, and Seidell scored eight points and the J. V.'s scored 2 points. The Varsity won 38 to 32.

"Pooky" Saunderson was coach for the Varsity. Says Pooky, "My men came through like champions and I am proud of them. Yes sir, I'm a proud mentor."

Scoutmastership Class Hears Guest Speaker

Thursday afternoon the class in Scoutmastership had as their guest speaker. Mr. Stump, who talked on "Scouting Methods of Education. The topics he spoke on included; Book Study, Competition, Construction, Dramatizing, Examination, Experimentation, Lecture, Observation, Play, Project, and Recitation.

The speaker said that play should be combined with the rest of the methods.

The Sino-Japanese war has to date cost the Chinese about five million dollars.

Sigma Epsilon Rho Science Club Name

Sigma Epsilon Rho was chosen as the name of the new science fraternity formed from the former Science Club, at the special meeting held among sandwiches and coffee Monday noon in the Botany Lab.

The group also made final plans for the field trip to Trinidad which they will take Saturday afternoon, providing it doesn't rain. The cavacade will leave the College at 11:30. All non-members interested in going should get in touch with Valerie Barker and Irene Paddock who are in charge of transportation and eats respectively.

NEW INTEREST OFFERED BY MR. HORACE JENKINS

Because of the increased importance fingerprinting has assumed today, because applicants are now required to be fingerprinted before renewals of drivers licences are granted, and because there are numerous positions open for fingerprint experts, Horace R. Jenkins, of the industrial education department has introduced an extra-curricular study of fingerprinting methods.

Last week two students were fingerprinted and the prints, weight and height of these people were posted on the bulletin board and the whole college was invited to try and identify them. The first contest of this kind was held in the past and Harold Walton won by selecting three identical prints out of thirty six. He was awarded a twenty cent order on the college book store and other contest winners will receive similar awards.

The contest will be a photographic copy of students' fingerprints so that all students, even those whose prints are recorded may enter the guessing.

Fingerprints are very easy to take and provide an interesting subject for study. Prints may be made by using printer's ink or any kind of oil on the fingers and then gently rolling them on a paper. Studying the various types and groups and attempting to identify them is a fascinating as well as instructive pastime.

Mr. Jenkins has ordered a book on fingerprinting which will be in the library for the use of any interested students.

Mr. and Mrs. Fisher To Be Entertained

Members of the Humboldt State faculty are planning to hold a breakfast in honor of Dr. and Mrs. Raymond H. Fisher at Mrs. Stella Little's cabin at Moonstone beach on Sunday March 13.

PLAN FIELD TRIPS

The class in Invertebrate Zoology, taught by Dr. Doris Gillespie, has finished the study of fishes and plans to on two field trips in this connection sometime this month. The first is a trip to the Prairie Creek Hatchery near Orick, and they also intend to visit the fish docks in Eureka.

FOUR POPULAR BOOKS MISSING FROM LIBRARY

The librarian has checked over the rental shelf collection and has discovered that the following four books are missing: Carroll, Neighbor to the Sky; Eberhart, The Pattern; Sims, Call it Freedom; Steinbeck, Of Mice and Men. The co-operation of students in locating any of these books will be appreciated. The librarian states that it may be necessary to discontinue the rental collection unless these losses can be stopped.

Statistics Show Humboldt State Grads Are Wanted

Humboldt State College is the highest of all the California state colleges in the percentage of its graduates with teaching credentials placed in teaching positions, not only from the 1937 class but from the year before also.

This is revealed in the report recently received at the college from Dr. J. A. Burkman of Sacramento, adviser. He compiled the report from statistics sent to him by seven state colleges at the end of the first six weeks of the fall semester.

Humboldt, the report also disclosed, is the only state college that has no teachers course graduate of those years now actively seeking a position. In fact, last year Humboldt College placed every one of its graduates with teachers credentials who desired a position. Several of the girls in the graduating class were not candidates for positions because they planned to be married shortly after commencement.

TAP CLUBBERS MAKE BIG HIT; IN BIG DEMAND

The Humboldt State Tap Club presented their program "Swing" again last Wednesday night in the college Auditorium.

The program included the program that was given three weeks ago with additional numbers.

The program proceeds from the admission charged will be used to start a costume fund and pay the expenses of the program.

The additional acts in the program were as follows: Satan Takes a Holiday, Vesta Moxon: The "Son" (Rhumba), Meredythe Young and Frank Deering; vocal solo, "The Dipsy Doodle," Vernon Thornton; and Richard Jarboe introduced the Big Apple number.

J. Wendell Howe Plans To Continue Work On Doctorate; To Leave HSC This Year

In order to complete the work, on his doctors degree, J. Wendell Howe of the science department has announced his resignation to take effect at the close of the present school year.

Howe came to Humboldt in 1930 and except for a leave of absence which he took last year to study at the University of Washington, has been teaching continuously.

During his stay at Humboldt Howe founded the Science club, Chi Sigma Epsilon, and the Rousers. He established Honor Day at the college, and during his sponsorship of Chi Sigma Epsilon the present system of class honors was formed.

Under his sponsorship, the College Y began the annual task of publishing the football programs.

Howe also drew landscape plans for the gymnasium, the slope south of the Commons, the president's home and the front of the College Elementary school.

Other projects which began under the direction of Howe include the first football special which went to the Santa Rosa game in 1934, a Sunday evening discussion and the annual Commencement breakfast.

At the present time Howe sponsors the Science Club and the Forestry Club.

President Gist stated upon Howe's resignation that during his seven years of service to Humboldt, Howe has done a very conscientious piece of work.

Italian Dessert Recipe Perfected By Fred Jackson

Fred Jackson, popular Science Club president, hula dancer and dramatic actor has added another achievement to his list of laurels. He has turned chef, and made a tremendous hit with "Zabalione," a delicious Italian dessert which he served at the Science Club party last Monday night.

In answer to clamouring gourmets around the college, Jackson has generously agreed to publish the recipe for his famous delicacy. It follows:

13 people,
13 egg yolks,
13 level tablespoons of sugar,
13 hal' egg shells of Marsala wine,

Cook until thick and serve in sherbet glasses. Try it on the old kitchen range;

The University of Illinois owns 2,889 band arrangements by John Phillip Sousa which amounts to about nine tons of paper.

SONS-HUMBOLDT TRACK-BASEBALL MEET IS PLANNED

First track news of the season from Coach Telonicher is the news that the combination track and baseball meet has been tentatively planned with Southern Oregon Normal.

Telonicher wrote to Coach Eberhard, the northern team's coach who replied that he was very much interested but could not say anything definite until his basketball season was over. Their basketball games ended last week.

As soon as the rain ceases, the field in back of the college is to be surveyed by Dudley Davis and a practice track laid out. There will also be a pit for the jumping competition.

Track Discussion Held On Tuesday

A Track meeting was held in room 136 last Tuesday noon with track manager Fred Hibler presiding. Points discussed were: Surveying and measuring of the college field for track building of hurdles and jumping standards, and getting every possible man to turn out for the squad.

Dudley Davis will do the preliminary surveying of the track to get it ready for scraping. Manager Hibler said he would try to get the industrial education department to build hurdles and standards.

Cady Brothers In Narrow Escape; Big Tree Hits Quarters

A tree four feet in diameter, which was a land mark, fell between Jim Cady's and his brother's bed while they slept in their sleeping quarters at the midnight last Tuesday during the wind storm. It tore the roof partly off and damaged the house.

Lee Seidell Wins Junior Election Sandretto Is VP

Officers elected were: Lee Seidell, president; Amadeo Sandretto vice-president; Fred Jackson, secretary-treasurer.

A Junior Class meeting was held at 12:30 o'clock last Wednesday in the College auditorium.

SAFETY--AN ASSET

Each year the costs of all accidents total over 2 billion dollars. Safety is the opposite of waste—safety is an asset. Let's be thrifty. Really it is surprising how much we forget. There are many rules in regards to operating motor vehicles. Why not take "self inventory" before a possible accident? It is easier on the conscience and on the pocket book to learn to prevent accidents than to have them. We believe that through a Safety Campaign the students will take that "inventory" before and prevent an accident. Let us brush up on our driving rules and on our driving. May our Safety Campaign be a success.

BOB MADSEN
President Associated Students

BASKETBALL

Humboldt has rung down the official curtain for the 1937-38 basketball season. With the second San Jose game behind them the teams hung up their uniforms and the final major sport for this year faded from the athletic picture. The close of basketball brings back several recollections of a season which was not extraordinary, but one which gives the players and Coach Fred Telonicher credit hard earned and well deserved.

As was expected, the staters copped the Independent League title with no great amount of effort. What speaks well, however, of the Humboldt cagers is their creditable showing against other college teams. They won a surprising number of victories against teams which are the pick of the coast.

When one considers the individuals of this years Green and Gold it is no wonder that they have done so well. Al Biondini and "Hank" Givens are as good a pair of forwards as have trotted onto the local hardwood in several seasons. Biondini, all-county last year at Ferndale climaxed his first college season with a 21 point spree in the last San Jose game and has played outstanding ball the entire season. Givens was a consistent scorer all season, taking individual point honors in the Independent League. Vern Thornton, a lanky center, helped the team through several tight spots during the course of the season. Lee Seidell, guard and captain, continued his usual brand of conservative and smart ball and was of immeasurable value in steadying the entire aggregation. The other guard position was held down by Frank Saunderson and Bud Villa. After the amputation of Saunderson's thumb, early in the season, Villa stepped in like a veteran and took over the vacated position. Saunderson, before his accident, and after it had healed, showed the ability that he alone is capable of.

Signed: BILL BOGGESS

New Book On China At College Library

Do you want to understand what is really happening in China today? In his book "Red Star Over China," found on the rental shelf in the library, Mr. Edgar Snow, chief correspondent in the Far East for the London Daily Herald, tries to portray life in China during the past nine years up to August 1937. This book contains only pictures taken, except by the reds themselves, of the Chinese Red Army, or life in the Soviet District, and Red political and military leaders.

Other new books in the library are "The Proud Heart" by Pearl S. Buck, portraying the life of an American woman with a creative impulse; "The Folklore of Capitalism" by Thurman W. Arnold, analyzing the way America thinks and acts; and "Ships in the Sky" by Gunnar Gunnarsson, an autobiography of the author's childhood.

CAMPUS COMMENTATOR

And a good, good morning to you Tovarichs all (meaning "comrade" in Russian). With the passing of another week we have more comments to make concerning Humboldt Hi-Lights.

Query of the week—Last Friday an anonymous note was deposited in the office of the editor of this worthy publication to the effect that: the "Fielding-Seidell (not to be confused with that of Wing-Seidell) combination was one of long standing, starting in high school," in as much as this is the Seniors' last semester, more should be said about them instead of the usual.... there is a question as to who the tall blond is whom Dorothy Biddings has in tow everywhere." so to all these suggestions, we 'umbly thank the donor, and if he or she finds any more interesting notes, please don't hesitate to put them in the same spot as before.

Ad Dept.—March 18 is to be a tremendously big day in the lives of the dorm girls. Why? Well, it is the big night when they give their Dorm Dance in the gym for a purpose not yet officially announced. From all reports this is to be a veddy veddy gala occasion with music by D. Oliver and contingent of followers, only a nominal admission, and an all around good time that promises to be anything but dorm-ant.

Bright sayings—Scene: laid in social unit one rainy day (guess which one); time: anytime, in the afternoon; characters: Mary Handshy, "Wiggs Elmore and Jennie Banducci; topic: Edith Wharton, the well-known novelist; Sez "Wiggs": I've just read another book by Edith Wharton Mary: She died last year, didn't she?

Jennie: Didn't she go to school here last semester?

Tips of the forecast as to what the well-dressed basketball player will wear next season, gathered from a style preview: First of all in the line of sweat shirts—one with elbow length sleeves which had once upon-a-time been wrist length with initials monogrammed on the back, as modeled by one Mel Roberts; the type of sweat-suits to be worn are fashionably of a multicolored pattern, as were worn by Miltie Wiltie Villa: the trousers, which more

resembled pajama pants, were of a lovely (?) red hue with the shirt of green relieved with a bit of white on the shoulders; shorts will be of various patterns and color such as those modeled by John McGrath and "Diamond Jim" Cady. The former's were of mustard-yellow tint, while Cady's were a tattle-tale gray shade.

Words to the Wise—Freshman, take heed to the following: ALL FRESHMEN ARE REQUIRED TO SIT IN THE BALCONY DURING ALL ASSEMBLIES, UNLESS INFORMED OTHERWISE: FAILURE TO DO SO WILL RESULT IN PUBLIC DENUNCIATION — To those seen ambling out of portions of country designated by the romantic as "Lover's Lane" (more specifically, near Blue Lake) may we say—be more careful hereafter as to your exits. If names were mentioned, we would be referring to youngest of Fountain family here at Humboldt and the fellow what got the black eye in the "Bishop Misbehaves" — To those who keep friends waiting, we advise the keeping of the appointments to the dot, but then maybe Ott didn't mind waiting for Mary. Speaking of Ott reminds us of the little prank that he pulled at the dance Friday night, when he wore his yellow slicker until such a time when he became too warm, so proceeded to "dump it" in the middle of the gym floor. These McGraths.

When Bill Crowley went to San Francisco recently to attend the wedding of his sister, he appeared as the very Esquishish young man in a morning coat plus gardenia in button hole, striped trousers, grey spats, and all. Will you dress up for us like that sometime, Bill?

James Stevens, the creator of the Paul Bunyan yarns, had nothing to brag about in his giant creature. Here at Humboldt we have a competitor to Mr. Stevens who goes under the monicker of "Dick" Jarboe. Mr. Jarboe has, by means of his vivid imagination, created an individual whom he calls Joe Bush, and who resides in the room up over the health office, Joe, it seems, was the original cause of Humboldt State's being situated on College Hill; but for more explicit details, maybe Mr. Jarboe would tell you his yarn in his own words sometime.

Dramatic Workshop works extra hours — Sunday afternoon saw part of the workshop class busily at work painting, hinging and

pasting flats in the workshop and in the auditorium. Herbie Gomes pulled a "cute" little prank, that only he could get away, but maybe too much shouldn't be the thing to mention in a paper. "Ole" Mathisen was most becomingly garbed in ancient blue slacks with a brown and yellow blouse, to say nothing of stocking feet. To close a period in which quite a lot was accomplished, the group supped from a repast of potato salad and two kinds of cake, and beverage. But in spite of all the antics enacted, quite a lot was accomplished, to which John Van D. will vouch—maybe.

The winning football of the San Jose game which was the apple of every Humboldt's eye was bestowed upon a student of Eureka High, the cousin of Marj, little Darrell "Bucky" Wing. There ain't no justice, or so they say.

Before it's forgotten we must make mention of the little incident that occurred last week when Pres. Gist entertained the basketball squad at Giuntoli's. According to a "Scoop" made in the Sunday paper, the fact was revealed that a certain member of the party was extremely embarrassed over the very serious loss of his trousers. What seemed to be the difficulty, maybe, too much raviolis.

Thus we will close with a quotation of Disraeli found in the office of the Lumberjack, which is filled with the personality of Dondero, chief—"A sophisticated rhetorican inebriated with the exuberance of his own verbosity and gifted with an egotistical imagination that can, at all times, command a series of interminable and inconsistent arguments either to glorify himself or malign an opponent." How many do you know and can pronounce.

Melba Dougherty, '34, is teaching at Rhonerville. Incidentally, Melba has changed her name to Sundfors; the event took place during the Institute recess.

SENIORS PLAN TO MEET WEDNESDAYS

The Senior class will meet every Wednesday noon in the South end of the Commons to discuss class activities.

At the meeting held March 1, the seniors set the date for the Senior Ball as the night before Commencement.

Class motion pictures will be taken soon.

Those who attended the dinner meeting held on March 1 were as follows: Hazel Smith, Peggy Morehouse, Billie Fielding, Mary McCutcheon, Thelma Pesola, Catherine Hadley, Carolyn Haley, Marjorie Hyner, Hazel Nichols, Eleanor McKay, Frances Poulson, Ruby McAllister, Mrs. Monica Hadley, Bill Daly, Jim Hemphill, Frannie Moore, George Lowry, and Bill Morehouse.

Dick Derby - HSC Old-Time Star Back At State

With the return of Dick Derby to the Humboldt State Campus a past saga of the college's football history is recalled. Derby first entered Humboldt State in the spring of 1928 and enjoyed playing four full seasons of football. Some of the old timers he played on the gridiron with include "Dobe" Harrison, Bill Petersen, Ab Bradley, and "Butch" Caviness. Playing football in those days did not entail so much glory, Dick remembered, for they went on few trips and seldom won.

In June 1932 Derby transferred to Baldwin-Wallace College, at Beria, Ohio, where in 1935 he received his A. B. Degree. He spent the summer of 1931 at Northwestern University, at Evanston, Illinois where he attended summer school. Last fall he enrolled for a quarter at Stanford.

Derby returned to H. S. C. to get his teaching credentials for general elementary. He is teaching third grade down at the training school. He is very glad to be back and states that he finds everything has changed for the better.

It has been reported on good authority that Dennis "Shag" Willis has been married recently. Congratulations, Denny, for joining the ranks of the Benedicts.

Warrene Elmore Is Selected For Lead In Play

Warrene Elmore, freshman student at HSC, has been chosen for one of the leads in "It's A Knockout," a musical comedy to be presented by the Lions Club of Eureka at the junior high school auditorium on March 17 and 18, under the direction of Miss Hazel Anderson.

Miss Elmore, who had a part in the college production, "Three Men on a Horse," and took a prominent part in high school dramatics, will play the role of Pattie Monroe, an adorable kid, just out of college, who poses through much of the play as an eleven year old orphan. Miss Elmore's part is a singing part.

Len Hartman will play opposite Miss Elmore as Bob Randall, a fighter, who may know plenty besides boxing, but who has a hard time solving Pattie.

Maurine Moffatt will play the part of Pattie's chum, a dainty young lady who can't pronounce her R's. R. J. Minnie will be Caleb Harper, a deaf old man. Cal Kincaid has been assigned to the role of Bob Randall's friend tentatively.

Increase In Meat Prices Scheduled

Due to a slight raise in the price of meats, Mrs. Ellen Walter, director of the college commons, is forced to announce that there will be a slight increase in the main dish menus including meat. When meat is included on the rose plate it will be 25c instead of 20, and individual orders of meat will be 15c instead of ten. The plate lunch at night will be 35c instead of 30c.

This change was brought about, because the commons must be maintained as a self-supporting organization.

'Athletic Wedding' Planned By W. A. A.

On March 18 the WAA will present their extravaganza of the semester when they put on their "Athletic Wedding," directed by Jane Shanessy. This show, which promises to be one of the seasons' best, is to be presented to the student body at a regular meeting. The exact plot of the show has, as yet, not been officially revealed, but really is to be "something." The cast of the show includes Marian MacPherson, Alice Silva, Eva Mathisen, Virginia Belloni, Marthabel Scott, Dorothy Barnes, Warrene Elmore, Jean Cooper, Frances Petersen, Rosie Ivancich, Margaret Harris, Mary Eleanor Parks, Hope Dondero, and Victorine Evangelisti. Don't forget the WAA show a week from Friday, with no charge per capita.

Leora Touhey, '37, is principal of the Elementary School at Blue Lake.

Now that the basketball season is over, I would like to thank the referees for the wonderful cooperation in the games that the college played. They might not be the best in the world, but they did their best. So thanks to you Nelson, Mendes, and Bun Hadley.

President Gist gave the squad a banquet last Thursday. The men on the squad wish to express their thanks for having the best President in these here United States.

At the basketball banquet Roderrick "sleep-walker" Belcher took all the honors. He was the ink of the crowd. He took the prize with two good jokes and almost lost his pantaloons, tsh, tsh, "Rodie."

Pooky "Little Mentor" Saunderson was acting coach of the Varsity when they played the J. V.'s. At the end of the extra period he rushed across the court and shook hands with the losing coach, Franny Moore, and said, "My boys were only teasing you."

A bouquet of roses to Wally "Wind of the Valley" Lozensky for admitting he was a chump for not going out for the Varsity team. Forget this season "Wind of the Valley," point for the next.

From Washington State comes the word that Harold Achilles Del Ponte made the first honor role. Congrats Achilles. The chances for the former Thunderbolt to repeat look very poor. You see he has taken wrestling for his activity. Oh, woe is me.

BOIL IT IN OIL

Dear Boil it in Oil:

I write this letter to you, because it is the only place I know of that might be able to help me get a little information. It is on the subject of blind date bureaus. For years, I have heard about them, and the name has quite intrigued me. Most colleges maintain permanent ones and I'd like to know just how they function and what success they have. I believe Humboldt had one years ago and I know last year there was some talk about establishing one. Sounds mighty interesting to me. Is there anyone who can enlighten me?

Yours sincerely,

H

Summer Camp Fire Camp Offers Good Chance For Women

The Camp Fire Girls of the Humboldt Council are in need of counselors for their summer camp Camp Kimtu. There is no salary connected with the position but living expenses for six weeks are included. Among the things asked for on the application blanks are: Camp fire experience, camping experience, references, photographs and camp activities at which you could assist, such as: Swimming, Rowing, Canoeing, Land Sports, Camp Craft, Nature, Camp Handicraft, General Program, Dramatics, Music, Dancing, Office, First Aid Dietetics.

No one need apply unless they are prepared to refrain from the use of tobacco or liquor in any form from the day camp starts until the return at the end of the camping season. This to include days off.

This position offers an excellent opportunity for college girls to spend an inexpensive as well as healthful summer.

Big Turnout For Baseball Squad

Baseball practice at Humboldt College started Monday. Those reporting were:

Dudley Davis, Francis Givins, Bernie Wright, Earl Mereweather, Michael Chetkovich, Al Gilman, and Jack Schmidt, outfielders; Jack Ellis, Bud Villa, Ted Speiers, Lee Seidell, Roderick Belcher, Jack Walsh, Wally Lozensky, and Darold Schorlig, infielders; Wesley Hunter, Francis Moore, Art McGrath, and Manuel Oliviera, catchers; Nick Barbieri, Bruce Wylie, Albert Stapp, Bill Farber and Don Parker, pitchers. Jack Ellis will coach and organize the team.

TAP CLUB AGAIN PRESENTS 'SWING'

Since the successful public performance of the Tap club program on March, the tap dancers and especially the "Big Apple" dancers are in demand. Both will dance for the Gingham Ball and the PTA.

The "Big Apple" dancers will dance at the Varsity next Friday night; they will dance in Fortuna on Saturday.

The Tap Club are planning a bigger and better program for next year.

HORACE JENKINS GIVES SKI TALK

One of the features of last week's radio program was a speech by Horace R. Jenkins of the Industrial Education department on Skiing and Ski making. Sports were given by Nick Barbieri, and "Something About Everybody" was given by Audrey Kjer. Music on the program consisted of a piano selection, Contrast by Lee Sims, played by Virginia Nelson; and a saxophone solo, "Some of These Days," by Alvin Biondini.

Beryl Unsoeld made an announcement regarding the "Dorm Girls" dance which will be held on Friday, March 18. Keith Emenegger told of scholarship honors, which have just been announced by the Dean's office.

The "Song Hit of the Week," a transcribed number, was "Let That Be a Lesson to You."

Industrial Education Students Plan To Hold Big Party

Thursday, March 18 will be a gala day for the members of the industrial education department and their friends if all works out as planned. Marjorie Cropley, whose birthday falls on that date, has been named chairman of a committee which is planning a party for that night. They plan to eat in Social Unit at six o'clock, attend the new Arcata Theatre and then those who choose will go to the Gingham Ball.

All members of the industrial education department and their friends, who have the price of the dinner and the show are cordially welcome.

"What do you think of our little college town?"

"I'd call it rather unique."

"Wazzat?"

"From the Latin words 'unus,' meaning one, and 'equus,' meaning horse."

Exchange

"SAFETY" THEME OF FRIDAY MEET

A general assembly was called Friday morning March 4 in conjunction with the safety campaign the Executive Council of Humboldt State is conducting during the month of March. A motion picture entitled "We Drivers" furnished through the courtesy of the Highway patrol was shown by C. E. Graves, librarian.

The film showed the necessity for observing the following precepts: both hands on the wheel, do not speed, watch and heed the signs, keep to the right, keep sober, do not drive when fatigued, have good brakes, and have good lights.

Several students were called upon to furnish entertainment at the beginning of the general assembly while the audience waited for the motion picture to be rewound. Those participating in the impromptu program were: Richard Jarboe, who recited a parody on "Show Me the Way To Go Home"; Ida May Inskip, who played the piano solo, "Once In a While"; the men's trio, consisting of Bill Inskip, Don Parker and Frank Dearing who sang "Josephine" accompanied by Marthabel Scott; and Karen Loft who sang "The Chimney Corner", accompanied by Marthabel Scott.

CORRECTION

In the last issue of the Lumberjack the statement was made that "Jack Bartlett is the new library assistant, taking the place formerly held by Frances Poulson." This is incorrect. Several months ago Jack Bartlett became one of the library assistants, sharing the work with Frances Poulson. They're both library assistants at the present time. No one has been displaced.

All the teachers in the Arcata Elementary School are members of the Humboldt State College Alumni Association, according to the report of the treasurer. All but one of the teachers on the staff are graduates of Humboldt State, and this teacher has taken much work at Humboldt and feels that the Alumni Association is a worthwhile activity. H. B. Stewart, the principal, has reason to be proud of his all-Humboldt faculty.

New Book Lists How To Pronounce Popular Names

How do you pronounce Dionne? Are you sure that you are right? Charles Earle Funk's book, "What's the name Please?" will confirm or refute your arguments. In regards to the quints he states "In France the name is pronounced dee-onn; in Canada the name is usually slurred to almost dze-onn. And please, oh please, put the stress on quin: quin'tou-plet." Another name listed is that of the late United States Secretary of War Dern. Mr. Funk says it is pronounced "Just as one would (or might) say, 'I don't give a dern.'"

Dan Oliver's Boys Hold Dance Friday

Dan Oliver's orchestra sponsored a dance in the gym last Friday night from 8:30 to 12:00. The men's trio, Frank Deering, Bill Inskip, and Don Parker, sang, and the Big Apple was danced by the following: Frank Deering, Bud Villa, Mrs. Hadley, Rosie Ivancich, Keith Henderson, Heln Hartsook, Rita Sandlin, John McGrath, Bill Farber and Mary Scholl.

Wayne Simpson, '35, is teaching Physical Education at one of the Ventura Junior High Schools.
