## SAN JOSE TAKES TWO FROM HSC IN HOOP SERIES

Showing the best brand of basketball ever to be exhibited in this part of the country, the San Jose Spartans won both games of the annual two-game series with Humboldt.

The first game the Spartans won with ease. They started off with a thirteen point lead and ended up with a 21 point lead at the end of the first half. In the second half the Thunderbolts came to life and outscored the Spartans. The first half lead was too much to overcome. The game ended 54 to 36.

The second contest was anybody's game until about five minutes before the finish. Humboldt was in the lead several times, but the sharp-shooting Spartans overcame this lead.

At the end of the first half San Jose had a six point lead. After the beginning of the second half, the Green and Gold machine of Humboldt tied the score. A few minutes later they forged ahead. The Thunderbolts only kept the lead for a short time. Kosta and Thomas, the Spartan's sharpshooters, began to hit the target and built up a substantial lead. From then on the Spartans led, winning the contest 46 to 39.

Radonich, Kosta, and Thomas were the point gatherers for the Spartans although the team was excellent in all departments of basketball. For Humboldt Biondini and Givins were scorers with Thornton, Seidell, and Saunderson the defensive stars.

## Girls' Basketball Starts Next Week

Noon basketball games for the girls will begin next week. Girls desiring to play in these games are requested to sign up this week. Class games are scheduled to begin in three weeks.

Teams of comparatively equal strength will be chosen for noon competition. Playing on these teams will count as practices toward eligibility for class teams.

Six practices are necessary for class teams. An after school practice for all girls interested in either interclass or noon hour games will be held Thursday at 4 p. m. under the direction of Miss Ann Craig.

Managers for basketball are as follows: Blanche Lowery, general manager; Frances Peterson, freshman; Barbara Crnich, sophomore; Vesta Moxon, junior; Billie Fielding, senior.

## Tap Club To Give Entertainment On Wednesday Eve.

The Tap Club will present an hour of entertainment Wednesday evening, March 2, in the auditorium at 8 o'clock.

The program will include the program given a week ago with additional features. Many people expressed a desire to see the program who were unable to attend the first time, so the second performance is to be given.

A charge of 15c for students and 25c for adults will be made. The proceeds will be used to start a costume fund and to cover expenses.

## TELONICHER TAKES LEAVE OF ABSENCE

As yet no successor has been named for Coach Fred Telonicher who has asked for a year's leave of absence from Humboldt for the purpose of studying natural and physical science at Stanford University.

Telonicher will enter school at the close of the present semester and plans to study until the end of the summer of 1939.

Upon his return to Humboldt, he will take over the duties of the late Robert Poultny which are now under the direction of Dr. Doris Gillespie.

Telonicher has been at Humboldt State College since 1927 and has been athletic director for the past two years.

## Badminton Play Opens At State

The Individual Sports Class of Humboldt State College began their mixed doubles badminton tournament, Monday, February 28, during class hours in the college gym.

This is to be solely a class affair.

Couples who will participate include: Marjorie Wing, and Sedolph Johnson; Lois Ohman and Leland Hadley; Virginia Torp and Ernest Serena; Jean Underwood and William Farber; Frances Ensign and Herbert Gomes; Virginia Vincent and Robert Lawrence; Marjorie Cropley and Eugene Floechini; Mary Scholl and Waldo Gossard; Myrtle Boehne and Charles Arnold; and Ruby McAllister and Wallace Lozensky.

Rules complying with the tournament follows: It is to be a "ladder" type tournament, meaning that players at the bottom of the list must work up by challenging any couple within three places above. If the challenged couple loses they drop back in the places of the challenger. If the challenged couple wins they remain as before. First challenge must be accepted. No challenges until the hour of playing. Play all period. The couple winning two out of three; otherwise one ahead in games win.

## College Janitor Married Sunday

Hoping to get away unnoticed by any of the students or faculty members, Nick Warren, HSC janitor, was married to Mrs. Mary Stemberger of Arcata Sunday morning at 6 a. m. in the Catholic Church in Arcata.

The couple are now spending their honeymoon in San Francisco.

There's the one about the oculist's daughter; two glasses and she was a spectacle.

## Track Season To Get Under Way At Humboldt State

Humboldt State College track season will open soon with many veterans and new men reporting.

Nick Barbieri and Fred Hibler have been rounding up prospects and from the quantity and quality of those they have assembled, they predict Humboldt's best track team.

Many veterans are returning and a good number of newcomers whose ability has been proven, will undoubtedly bolster the squad. The returning veterans include: Vernon Thornton, Fred Hibler, Art Durdan, Nick Barbieri, "Snooks" Edsall, Jim Cady, Frances Givins, Wally Lozensky, Harold Walton, Jim Harris, Walt Monroe, Glenn Peugh, Bob Madson, Amadeo Sandretto, and Keith Emenegger.

Freshmen who have signified their intention of turning out are: Alvin Biondini, Don Mahan, Harry Russell, Bernie Wright, Melvin Eskelson, Dan McCluer, Eugene Floechini, Roderick Belcher, Don Falk, Ted Speier, Norman Belfils, Preston Connick, Darold Schorlig, and Jack Schmidt.

It is likely that the team will make two trips this year. Meets with Santa Rosa and Marin Junior Colleges at those schools are being arranged.

Workouts will begin next week if possible. The field back of the college will be leveled off, measured, and put in shape sometime next week, according to Fred Hibler who has been appointed track manager.

## LET'S SWING IT

Very little enthusiasm has been shown at the recent College noon dances.

The music is good, there is plenty of room to dance, but the students show no willingness to dance.

The noon dance is the place to become better acquainted to relax from studies, and to have a good time. The students of Humboldt College should take this opportunity to do these things and "swing it" at the College noon dances.

## CONGRATULATIONS FROSH

Right here and now we want to spike all rumors recently circulating to the effect that nobody ever studies at Humboldt State. We have held tenaciously to the belief that this was, after all, an institution of learning, and our faith has been justified by the announcement of semester scholarship awards for last term.

Congratulations to the freshman class, which placed nineteen (count 'em) of its members in the ranks of honor students with averages of 2.00 or better. If you think an index of 2.00 isn't hard to get just try it yourself sometime!

Six sophomores, five juniors, nine seniors, and two post-graduate students also are included in the list of top-notchers. This is one of the highest records made at Humboldt for quite some time, and we should be very proud of it. As a matter of fact, we are!

## Norma Thurston Ropes Beefsteaks On Cattle Ranch

Norma Thurston '36 writes from

Onyx, Kern County, where she is teaching that she is getting her fill of beef steaks and horse back riding. She is living on a large cattle ranch.

Miss Thurston recently witnessed the making of one of the coach scenes in "Wells Fargo" which was taken on the ranch.

Miss Lois Cottrell, another former Humbolter, lives only a short distance from Miss Thurston.

## Schoolmasters Club Meets At Humboldt

The Schoolmasters Club of Humboldt County dined in the College Commons Friday evening, February 25, at 6 o'clock. The discussion topic of the evening was "Preparing Students for College."

Maurice Hicklin spoke on English, Dr. Harry MacGinitie talked on science and Bert Wilson on Commerce.

### NOTICE

All freshmen are expected to get health excuses for absences due to illness. Such excuses must be obtained within two days of such absences and must be obtained at the Health Office between 11:50 a.m. and 12:05.

## CAMPUS COMMENTATOR

"Chub" Kotta was the "palg" To begin this chummy, chatty little column for this week, we must pay our due respects and homage to one of us who has forsaken our journalistic (??) ranks for the "land beyond" where all good students go—to the land of books, "edigikashun," and larnin' in general. To her, we express our gratitude for many good columns, and hope that she finds her new life illuminating. Aslo, yours truly hopes to be able to give to you as many readable, laughable, and talkaboutable moments as my noble and charming predecessor. Game Jots and Glancing Glimpses—It would seem that Mari

the eye of a Seidell, because Saturday night Billie Fielding was in the company of the Skipper's older frater, Marlin, who also in monickered "Skip." Eva Mathisen better known as Ole, was beauded by one Elmo Sarvis at the game and they also went to the firemen's ball dancing. As was a large part of the student attendance at the game. Three little freshmen girls were at the game in the company of three dashing Beau Brummels; we refer to Dot Watkins, Marian Goss and Verna Shocker who were with Phil Coons, Bil Brice (of Eureka High) and Don Parker, respectively. Lois and George seemed to have quite a time getting together, Saturday night, but we saw them at the dance, so all must be well again. Doris Gundersen, that violin virtuoso, and Willie McCready, the would-be undertaker, were also a couple in game attendance. Bella Vista a scene of ravioli feed... and San Jose scores again! But this time not against the basketball team, but with a bevy of HSC gals, who all seemed very engrossed in the games, wondering if their dates would be good dancers. They were all in a group at the feed.

The Spartan player whom they called "Ham" didn't have a thing on Humboldt's brotherly twosome; "Ham," it seems, also has a brother who is an all conference champeen; but then, so has our John McGrath (Brother Joe, and of course Brother "Ott") This all cropped out when Coach Hubbard introduced, telling a bit about each of the team members. Wally Lozensky, Amadeo Sandretto, "Hank" Givins, Nick Barbieri, and Vern Thornton all had quite a rivalry trying to vie against each other for the most raviolis. Winner undetermined, must have been a draw. Have you ever sat and watched a group

of rabid fans at an athletic contest chew gum?? It really is a fascinating past time, when the game begins to lag, or one's interest is on the wane. All around the bleachers are wagging jaws, and the ever-present pop of the chewing gum.

Lost, strayed, and stolen...one day last week Mary Eleanor Parks was the unfortunate loser of one beautiful read handkerchief. However due to the keen observation of Sophomore Macpherson, "Pooksie" retrieved her loss in a rather obscure and unexpected spot, which Sophie described as "the third one;" the meaning was a bit vague, Soph....

Oddities. There is a song somewhere that has the line "Today is Friday," which from all reports is the theme song of the brothers McGrath, newest male inhabitants of Sunset Hall. Every Friday, the McGraths hang out their laundering, after having used Lux, Rinso, Fels Naptha, White King, and all the other publized brands of laundry soap.

Bright sayings. Sez Carol Hine, "I've been down learning how to arch." Sez "Bess" Ritola (that little pun-gster) "Have you been a Robin Hood?" One fine spring morning, Mr. G. B. Wilson says in Speech 2A, "and now, Miss Waters, will you read alone, and don't let your voice sound too anemic." How is your blood pressure, Frankie?

Worry of last week...Poor Jackie Walsh was in a quandry as to whether he was going to be able to go out Saturday night because he was in the much-talked-about "dog house." But we see that he was, so all was settled.

Spring has sprung. Or at least it has for Jack Bartlett, who has decked himself out in his spring suit and is looking for some fair damsel with whom he can go walking in the woods. Take 'er easy, Jack.

And so, we will close with the words of one of our faculty members, who, after a student has a stumbling time pronouncing the word, "chivalrous", said "we know so little about chivalry nowadays that we don't even know how to pronounce the word."

## Organize Traffic Patrol At School

A traffic patrol has been established at the College Elementary school to teach the students to obey the safety rules and to insure their safety when crossing the street.

Each day at noon a pupil on either side of the street can be seen holding a stop sign to stop the traffic as the students go home at lunch. The traffic patrol is made up of the following boys:

Gene Orlandi, captain; Homer Arnold and Peter Ball, lieutenants; Jessie Hill, George Rasella, Neil Frost, and Stribley Schussman, patrolmen; John Devlin, alternate.

Jessie Vincent and Betty Anderson, lieutenants; Amelia Relac, Betty Bray, June Cudney, and Marjorie Rimby; Patrolettes; Wilma Tonini and Donna Jacobs are alternates.

Mrs. Nene Pinkerton, classroom teacher, made the caps for the members and Fred Ogilwy and Homer Randle furnished the stop signs for the students.

Leo Schussman, director, stated that this is the first organization of its kind that has been established in this section of the state.

## College Student Attends Shell Oil Sales Conference

Willard Smith, a Humboldt State Student, attended the Shell Oil Company's annual sales conference at Oakland, Friday, February 18.

The conference was called in order that Shell representatives will have a better understanding of the new sales methods and campaigns that Shell is going to use in 1938.

A plan that will go into effect this year is that any customer that drives into a Shell station may have his crankcase brought to the full mark absolutely free if the station attendant neglects to check the oil.

## Officers Named For Sunset Hall

The election of the officers of the lower unit of Sunset Hall for the spring semester took place last week. Elected to reign from the presidential throne was Beryl "button" Unsoeld, whose major plank runs as follows: "He knows how to treat her, but who'll help buy her a heater." That diminutive gal, Vi Stansberry was elected the vice president; Helen "Scorpio" Hartsook, secretary - treasurer; "Bess" Ritola, social chairman; and Mary Scholl, the house manager who has the idea of improving the living quarters by having the following platform:

"Clean sweep with a broom for every room."

"Iron cord if not iron board for every room."

And thus, the maidens of Sunset Hall are ready for the new semester.

## Banquet Planned For State Alumni

The Humboldt State College alumni will have a banquet for alumni and guests in the College Commons, 6:45 p. m. on Friday, April 1. Reservations should be made by Wednesday, March 30.

The "April Fool" theme will be carried out at the banquet. There will be a program but no formal speeches. Entertainment will be furnished by the college students.

Officers of the Alumni Association this year are: Ethel Pedrazzini, president; Ugo Giuntini vice-president and editor of the alumni bulletin; Janet Stewart, secretary; and Hugh B. Stewart, treasurer.

The officers constitute a committee which is making plans. They have also asked the past presidents to serve with them in looking after the affairs of the association: George Monroe, Alta Mc Elwain Monroe, Clyde Pate-naude, and James Spiering.

## Humboldt Aviators Study Photography In College Class

Three out of the four times that the course in photography has been offered there have been outsiders taking the course. This semester is no exception with Lester Pierce and Roy Downing, aviators, registered in the course. The two men are learning the fundamentals of photography and have been experimenting with aerial photography. Pierce intends to go into aerial photography seriously.

Other photography students have been working with pinhole cameras. Bill Zeigler turned in the best of these, a study of the Eureka waterfront.

With eighteen students taking photography for credit and four auditors, the darkroom with facilities for twelve is over crowded. Improvements will be made in the near future.

## San Souci Club Feted In Scotia

## Hoops-Hardwood

"Hank" Givins, the poet laureate of the basketball team come out with this one.

"Season ends but once a year, But when it ends, It brings good cheer."

(It must be swell to be single again, but after all basketball is over and the lore has worn off.)

Al "Hack" Biondini celebrated the Fourth of July a little early this year. He sure popped the buckets last Friday. San Jose was lucky that Al hadn't warmed up his arms before the game.

"Richie" Blackburn and the rally committee did a splendid bit of work when they gave the basketball teams a banquet out at the Bella Vista. Some favorable comments were heard among the San Jose players. That's the old pepper, "Ritchie."

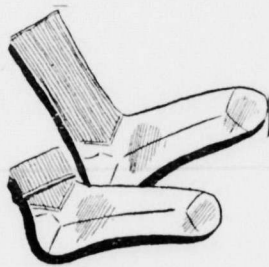

From the Varsity comes this story. During one of the games a man was told to stay in the hole and guard his man. His man moved out a few steps but our "hero" stayed in the hole. Meanwhile another man broke into the hole and made shot after shot. When the coach asked our "romeo" why he didn't guard the man in the hole he replied, "My man wasn't in the hole so I didn't have any one to guard." Some people have all the brains.

Because no one can see more than a few square feet of the court, because the floor is slippery, because the balcony interferes with shots and because one of the baskets is loose the Humboldt vs. San Jose game will be played in the HSC gym instead of the Civic Auditorium. Swell architectural job, I'd say.

Humboldt lost both games but after all San Jose is the winner of the N. C. I. League. So the Thunderbolts need a lot of credit.

Jack Walsh, Curt Sunquist, Willard Woodcock, and Bruce Wylie went swimming Thursday afternoon at Shaw's Crossing.

## SCHOLARS ARE FETED AT TEA

A tea honoring students with outstanding scholastic records for the fall semester was given by Chi Sigma Epsilon Monday afternoon. The social unit was decorated for the occasion with greenery and cut flowers.

Two college artists contributed to the program, Charles Fulkerson, who played 3 piano solos, Similitude, Deep Purple and Manhattan Serenade; and Doris Gunderson who played two violin solos. John Van Duzer led a quiz which the guests answered as best they could and to conclude the affair, each guest rose, introduced himself and told the system of brownieing which got him a place in the "upper crust."

## BOIL IT IN OIL

Patiently, like China, have we endured this trifle of 'Brownie versus Cords'. Now that the inconsequential tirade has been allowed to assume such stupid proportions the popular undercurrent urges me to attempt to startle the principals with malignant protest.

Does not the 'Brownie' monicker apply to such few people, regardless of sex and do not the owners of 'cords' represent a very small faction? Why, can't we just administer an overdose by hypo to this personal issue by relenting to term 'brownie' and by realizing that our profs did a little time in learning the metamorphosis of the term and diffuse the current of sentiment to regard 'cords' as a fellow's sanctity—not to be infringed upon?

Hasn't the situation reached undue heights when your column is affronted by a slandering of the methods used to obtain grades, along with the price question to remedy the stench of cords, which apparently repose upright in a secluded corner unassisted?

I think that the time has arrived to divert the discussion to other channels; so I appeal to you: Will you have the perspicuity for the peace and contentment of a few troubled and disgusted person to: **BURY THE DARN WORTHLESS SPACE FILLING EPISODE.**

If you need articles to just fill up space, I will be very glad to institute a Pro & Con column regarding the major issues that INTELLIGENT people are interested in.

Furthermore, I will be glad to personally supervise a public election to assume its demise

## Assembly Arouses Interest For San Jose Cage Game

A special pep assembly was held last Friday morning in the auditorium to arouse interest in the Humboldt-San Jose basketball games.

Coach Fred Telonicher introduced each member of the squad to the audience and spoke briefly about each player's ability. Those introduced were: John McGrath, Francis Givins, Earl Meneweather, Art McGrath, Lee Seidell, Bud Villa, Mel Roberts, Jim Cady, Curt Wilson, and Alvin Biondini. Frank Sanderson and Vernon Thornton, the members of the squad who were not present, were commented on by Coach Telonicher.

Cheer Leader Richard Blackburn and Coach Telonicher expressed their wish for a large turnout for the games. The final minutes of the assembly were given over to the practice of yells to be used at the games.

## College Players Open Rehearsals For "Holiday"

The play, "Holiday", is now being rehearsed under the direction of Garff Bell Wilson, associate professor of speech. It will be given in the Humboldt State College auditorium on the twenty-third and twenty-fourth of March.

The cast is as follows:

"Linda Seton," Beryl Unsoeld; "John Case," Sherman Washburn; "Julia Seton," Carol Hine; "Ned Seton," Laverne Elmore; "Edward Seton," Roderick Belcher; "Nick Potter," Bill Inskip; "Susan Potter," Frances Waters; "Laura Cram," Vivian Larsen.

Those who will play the parts of "Seton Cram," "Delia," Henry and "Charles" have not been chosen as yet.

A movie was made of "Holiday" with Ann Harding several years ago. It is being produced again this year with Katherine Hepburn in the leading role.

Following "Holiday," three-one act plays will be produced by Violet Susan, Richard Jarboe and Carl Owen, who are students in Mr. Wilson's play production course. Two of the plays will be "Fumed Oak" and "The Red Peppers" from Noel Coward's group of nine one act plays entitled "Tonight at 8:30." The third play has not been selected.

The last play to be given this semester will be "Ceiling Zero" which will be presented after the Chico festival in May.

## Parent Teachers Give Pictures For Attendance Award

The Arcata P. T. A. is giving away two pictures for attendance awards, one at the Arcata Elementary School, and one at the College Elementary. One vote is given for each parent present. The grade having the most votes receives the picture for the month, and the grade receiving the picture the most times in the year gets to keep it permanently.

### REALITY

She: don't you know what good clean fun is?
