NUMBER 7

HUGE CAST WILL APPEAR IN COMEDY "THREE MEN ON A HORSE" NEXT WEEK

The smash hit of the decade, that rip-roaring comedy, "Three Men on a Horse" will be presented next Tuesday, Wednesday and Thursday nights with the most colossal cast of actors and athletes ever assembled in the college auditorium.

The play was chosen as a starring vehicle for Freddy Jackson, whose excellence in both the fields of drama and Hawaiian dancing has won him a large and enthusiastic following. Jackson plays the greeting card poet with a talent for picking winning horses. The play follows his development from a mouse to a lion.

The three race track gamblers by who exploit Erwin will be portrayed by John McGrath, Franny Moore and Bill Inskip. Warren Elmore will play the role of John McGrath's girl friend. Erwin's wife Audrey will be played by Audrey Kjer and his bullying brother-in law will be portrayed by Bob Madsen.

Other characters will include: Bill McCready, bartender; Dan Oliver, photographer; Phyllis Benbow, newshawk; Jack Schmidt, elevator boy, and Richard Blackburn and Sherman Washburn, the messenger boys.

Student night will be held Tuesday night January 18. Wednesday night will be for the public and Thursday night a special performance will be given under the sponsorship of the Eureka chapter of the DeMolay. Coffee will not be served but the student co-op will be open for refreshments.

For an evening of rowdy, ribald entertainment, "Three Men On A Horse" is most heartily recommended.

Former Students Give Radio Talk

Three former Humboldt students who are now attending the University of California at Berkeley told of some of their experiences at Berkeley on the regular Humboldt college broadcast over KIEM. Edward Warren told of the classes, acquaintances, and experiences; Kay Wrigley spoke of activities; and Bill Morgan told of the Co-op movement.

Warrene Elmore sang, "Once in a While," which was chosen as the song hit of the week. Miss Elmore also sang, "My little Buckaroo." Sherman Washburn told of sports and news at Humboldt.

MRS. LITTLE IS SECOND PRIZE EXHIBIT WINNER

Mrs. Stella Little of the Art department has just received notice that she won second prize in the sale of Japanese prints that she exhibited during the last week of school before the Christmas holidays.

The announcement of the prize was complete surprise to Mrs. Little because she was unaware that there was any prize offered.

Speech Class To Be Conducted By Special Teacher

To promote a clearer speech and to correct speech defects a new course will be given next semester known as Speech 192. Miss Florence McKinnon, of Eureka Junior High School, who has had special training in this field at San Jose State will teach the course.

There is a two-fold purpose in giving this course. One, is to help student teachers who may not have clear voices, and second, to help student teachers in correcting minor speech defects in their pupils.

In connection with this speech correction course is a news item taken from the Educational Digest. "Prospective teachers in New York City are requested to submit voice recordings with their application and those with defects including provincialism, will have to correct them before being given positions."

WINNING TEAMS TO BE FETED BY WAA ON TUESDAY

The Woman's Athletic Association will hold a dinner at the college commons at noon on January 18 honoring the winning woman's volleyball and field ball teams. Dinner will be twenty-five cents.

The chairman for the affair are as follows: Irene Paddock, publicity; Rose Ivancich, program; Alta May Lester and Ardis Goff, decorations; Helen Connick, foods.

AUTO TRIP

James Gulick, College Elementary school teacher, took an auto trip thru the Sacramento Valley to San Francisco during vacation.

HUMBOLDT BASKETBALL SQUAD TO LEAVE FOR OREGON THURSDAY FOR SERIES WITH ASHLAND, MONMOUTH

Ten of Humboldt's stalwart basketballers will journey to Ashland and Monmouth Thursday, January 13, where they will compete against two of Oregon's best in basketball.

With the return of Vern Thornton and Earl Meneweather to their lineup, Humboldt's chances of winning have been greatly increased.

Little is known of the Oregon team except that they are veterans and that the S. O. N. team won the Oregon state championship last year. The Monmouth school sent a team to enter the A. A. U. tournament in Denver.

Although the varsity has not yet reached its best form, it will be fit for the battles. To date the team has beaten the Fortuna Rangers and the Alumni, and has been defeated only by the powerful Santa Clara University team.

SPEAKER

Homer P. Balabanis, professor of economics, spoke last week at a meeting of the Eureka P. T. A. on "Social Consciousness and Development of Character."

FOUR PLEDGED TO CHI SIGMA EPSILON AT ASSEMBLY; EUREKA MINISTER IS SPEAKER

Four pledges to Chi Sigma Epsilon were announced in the special assembly last Friday. Chi Sigma Epsilon is the upperclass honor society whose members are chosen on the basis of scholarship, character, and participation in school activities. The pledges were Beryl Unsold, Violet Susan, Eleanor McKay, and Ray Pedrotti.

The speaker at the pledge assembly was Rev. Charles Leachman, rector of Christ Episcopal Church, in Eureka. His topic was "The Foundation of Idealism."

Other numbers on the program were as follows: piano solo, Beethoven Sonata, Virginia Nelson; violin solo, Caprice Viennois, Doris Gunderson; vocal solo, The Spirit Flower, Mr. Edmund Jeffers, history and aims of the society, Dr. Homer P. Balabanis; remarks by President Arthur S. Gist; announcement of the pledges, Hazel Nichols. Myron Schussman, president of Chi Sigma Epsilon, presided over the meeting.

The pledges were honored at a Friday noon luncheon, the feature of which was a quiz given to the new members by John Van Duzer.

(Continued to page 4)

Women's Volley Ball Schedule Is Announced

The following schedule has been announced for women's volleyball games; January 11, Sophomores vs. Upperclassmen; January 12, Freshmen vs. Sophomores; and January 13, Freshmen vs. Upperclassmen.

Women graduates have announced that they desire to play a game with the college women as soon as the schedule is finished.

Lois Hedley Honored With Slumber Party

Miss Lois Hedley was the honored guest at a shower and slumber party held during the Christmas holidays.

Those who attended were Hazel Nichols, Hazel Smith, Eleanor McKay, Marjorie Hyner, Mrs. Ruby McAllister, Lois Hedley, and Frances Poulson.

YOUNGSTERS ARE GIVEN ANNUAL PARTY BY CLUB

The Kindergarten Club held its annual Christmas program for the kindergarten pupils just before the Christmas Holidays. The club furnished a tree and presents for the pupils.

Members of the club are Miss Ruth Bestor, sponsor, and College Elementary supervisor, and the following college students: Eleanor McKay, president; Hazel Smith, secretary-treasurer; Blanche Lowry, vice-president; Hazel Nichols, Mary McCutcheon, Virginia Vincent, Thelma Pesola, Marjorie Hyner, Frances Poulson, Shirley Davis, Gellia Pozzi, Helen Connick, Myrtle Boehne, Violet Susan, Billie Fielding.

Dr. Jenkins Gives Wasserman Test To Humboldt Staters

In cooperation with a state-wide drive to stamp out the disease of syphilis, Dr. Harry Jenkins of the college health department has been giving Wasserman tests to students for the past two weeks.

So far thirty people have been given the tests and appointments are made for two weeks in advance. The service is free and confidential and is available to any student interested.

FRED JACKSON NEW SCIENCE CLUB LEADER

Fred Jackson, H. S. C. junior, was elected president of the Science Club at the meeting on the last Friday before the Christmas vacation.

True Dolson was elected secretary-treasurer, and Fritz Fleischer was elected vice-president. Another vice-president will be elected as Fleischer will be unable to attend the regular meetings.

The Science Club is a recognized chartered club at H. S. C. with J. Wendell Howe, associate professor of biological science as advisor.

In the future all regular meetings will be held in the social unit in the evening.

Many field trips are being planned for next semester by the club.

CIVIL SERVICE EXAMS WILL BE HELD HERE SOON

Bert F. Wilson, director of the Civil Service Placement Bureau at Humboldt State College, has received a new list of examinations to be given during January and February. Following are a few of the state examinations to be given.

Assistant fish and game warden, January 15, intermediate legal stenographer, January 22; senior legal stenographer, January 22; State forest ranger, January 29; Assistant state forest ranger, January 29; State forest fire lookout, January 29; Engineer, state planning board, February 5; Assistant institution orchardman, February 10.

Further information can be obtained from Mr. Wilson.

Frosh Women Playing Tournament Handball

For the first time freshmen women are playing handball this year in their freshman activities classes. Ladder tournaments are being played in both Mrs. Hadley's and Miss Craig's gym classes. A play-off between the two top couples from each class will be arranged.

ATTENTION FROSH

Freshmen, when first faced with the newer freedom that is college life, have a tendency to run a little wild. After twelve years of direct supervision of courses, and study habits, it is difficult to obtain the necessary self-discipline that college requires.

The evidence that a Freshman is ready for college, is not that he has a diploma from high school, nor that in high school he made creditable grades, but that he is ready to adopt more liberty than he had in college.

Throughout the United States about fifty percent of the freshman leave college and never return. Maybe that's just as well. Some have because they were not mature enough to adjust themselves to a more mature situation. Some might have remained in college had they been supervised as they were in high school. Be that as it may, the time to stop the drifting is now, not after a year of vacillating which leaves the Freshman vaguely wondering what it's all about.

Since the re-opening of the Social Unit under the new rules and system of conduct, there has been no cause for complaint. Students have been conducting themselves in the approved manner with respect to the privilege granted to them. We hope that there will never again be cause to close the doors again. Remember, students using the social unit must sign the pledge.

BOIL IT IN OIL

Dear friends, kind friends, and true friends. Eyes cannot see when they are full of tears. The heart cannot express itself when it is filled with pain, and the hands cannot write when they are trembling.

Tonight, Nov. 11, 1938, the dearest friend of my bosom committed an error. It wasn't a grave error, but one that can be severely criticized. He didn't commit it purposefully but rather because he is a red blooded young man. Because he loves clean sports—manish. Because good, hard, clean competition is the spice of life.

The papers may criticize John

McGrath for losing his head and committing an error. They may try to build him up as a filthy good-for-nothing player or they may sensibly admit that an error of this sort may be committed by any normal human being.

As for myself I think John is and will always be the cleanest, hardest, and most conscientious player in any game he participates in. If I had been in his place I would have done the same. Surely you and I would have felt sorry afterwards. We would have admitted it was our fault just as much as the recipient. I'm sure that John feels the same way. Let's not make John a demagogue of basketball. Let us think of him as John William Patrick McGrath, the

CAMPUS COMMENTATOR

Eleven days of the New Year have passed into the great beyond and Humboldt still goes placidly on its way. The New Year means great happiness for Snooky Edsall and Mary House. Mary has given up all her bad habits under Snooky's influence. 1938 also finds George Feldmiller foremost among Lois Ohman's admirers, and the Gin Torp magnetism drew Jimmy Harris back from the big city (or maybe they don't appreciate his long eyelashes and purty figger as much down there). Bettie McWhorter would like the world to know that she is now footloose and fancy free, while Jackie Walsh is feathering "his nest" in other climes. Futz Littlejohn is losing his love to the Cal Aggies and Ellen Mathieson got a good thing in a small package from Don Hodgson for Xmas.

Theme Songs

Bob Madsen—"I'll tell the world I love you, Margie."

Jean Cooper—"Waiting at the gate for Cady."

Who's who at Humboldt.

The second in our series of famous people at Humboldt serves to introduce Herbie Gomes, the bar bell king of the men's dormitory. Herbie a protegee of Charles Atlas, says, "I once was a 97 pound weakling. Women laughed at me at the beach. I was sickly and tired all the time. The slightest exercise set my heart to fluttering. Take this course from me and you too can have a bulbous biceps in seven easy lessons." Here is the answer to the prayers of those frail fellows who envy the Nick Barbieri's and the Jim Hall's of Humboldt. P. S. Garff Wilson is now taking a post graduate course.

Staters Hit Hoop In Free Throws

In the face of the last minute loss of Frank Saunderson one of the finest guards on the team. Coach Fred Telonicher's squad opened the 1938 Independent League games by defeating the Hollander Sparklers, Tuesday night, 47 to 32 at the civic auditorium.

Saunderson severed his thumb at the first joint while using the circular saw in the woodwork department Tuesday morning. The injury will put him on the shelf for at least six weeks and possibly for the rest of the season.

In spite of the loss of their stellar defensive man, Humboldt took an early lead in the game and held a 24 to 13 advantage at halftime.

The game was marked by 20 fouls, 17 of which were made in the first half. Howatt of the Sparkswellest guy who ever set foot in

NEW HOME OF VICE-PRES. IS NOW OCCUPIED

Christmas eve was spent joyously by Homer P. Balabanis and family beside a roaring fire in their new, eight room, modern-colonial home, which has just been completed and into which they have just moved. The home is ultra-modern in every respect.

On the lower floor, the living room, with its large fireplace, Dr. Balabanis's study, and the breakfast room and kitchen are situated. The combined breakfast room and kitchen have all the latest conveniences for the housewife, with a sink, stove, and cupboards built into the walls. When the grocery boy comes to bring the groceries, he places them in a small elevator, which, in turn, carries them to the kitchen.

A winding stairway, of the same type as those of the old-fashioned southern mansions, leads to the upper floor, and to the four bedrooms and two bathrooms. Paul Balabanis's bedroom has a built-in-bunk and a small desk, while Nancy's bedroom has a built in dresser and window seat.

An automatic heating system which is set by a thermostat provides an even heat to all eight of the rooms. The thermostat can be set at whatever temperature is desirable and that temperature prevails in all rooms. If the temperature goes above a certain degree, the heating system stops automatically; and if it goes below a certain degree, the heating system starts and provides more heat.

"The finishing touches are to be added to the home within the next few weeks, and it will be complete in every detail," says Dr. Balabanis.

FROM S. L. O.

Harry Wineroth, former Humboldt student, spent the Christmas holidays in Arcata visiting friends. Wineroth is now attending California Polytechnic school at San Luis Obispo.

CO-OP RADIO

A six-tube Gruno Radio has been purchased by the Associated Students of Humboldt State College for use in the College Co-op.

XMAS PARTY

Mrs. Elma Folsom of the English department entertained with a Christmas Eve dinner party at her new home. A Christmas tree decorated her corner window.

Mrs. Folsom's guests were Mr. and Mrs. H. T. Cluxton, Mr. and Mrs. Maurice Hicklin, Mrs. Lela Ballew, Miss Zula Ballew, Miss Mary Sample, and Miss Adella Johnson.

NOVEL METHODS

The only way to keep a nudist from being a nudist is to bring a suit against him.

WHAT A LIFE

There is almost always a tie between father and son-and son usually wears it.

AND THEN THERE WAS

The fellow who thought the most outstanding part of the William Tell opera was "The Big Apple."

LOGIC

It is well known that the various systems of philosophy are complicated and confusing to the average college student. So we are heartily in sympathy with the junior, who through the maze has come to the conclusion that:

"I get along with me swell. Once in a while I have a spat with me, but I know better than to get mad at me and then be too bullheaded to talk to me again."

BOIL IT IN OIL

It was so sweet of that dear young thing to comment on my trip experiences. But I could tell by that individual's remarks that he is still sweet and innocent and unaware of big city life. He probably lives somewhere up in the hills and has just heard people talk of the city.

Grateful as I am for the interest shown by the author of the last paper's article, I am sorry he took it to heart so, although I realize that I am a good writer and can write a very touching article.

I am so concerned over last paper's author that I am moved to suggest to him to have his horoscope read. I know that it won't be very complimentary but what more can be expected of a person who would write the kind of an article that he wrote. I know a horoscope can be a very good guide and aid to improving oneself if necessary, because I had mine read.

Of course as I and my friends expected it turned out very favorably—I was endowed with great wisdom, beauty, special ability as a writer, a charming personality and many other abilities along lines of art, music, etc. Of course, I know that I was practically perfect before my horoscope was read, but I wanted to be sure the stars agreed with me. I hate to discourage that author; so I will encourage him by saying that there may be some hope for him in the stars, and that if he will work hard to develop what few possibilities he may have, his wife may be better than miserable. Although from the sarcastic articles that he wrote one would doubt it. However, since my horoscope says that I am a very understanding person, I forgive him, and I extend my most gracious thanks for his interest.

A PERFECT PERSON

IN LOS ANGELES

Miss Ruth Bestor, College Elementary school supervisor, visited in Los Angeles and then went to her home in Redlands over the holidays.

TO OREGON

Miss Dorothy Williams, College Elementary School room teacher visited in Coquille over the holidays.

ON LEAVE

Miss Myrtle Sholty of the faculty has taken a one month's leave of absence from college because of illness. President Arthur S. Gist is teaching in Miss Sholty's place.

A SERVICE
FOR EVERY PURSE

Four Pledged To

(Continued from page 1)

Initiation was held at the home of Miss Adella Johnson, advisor of the society, in the evening. After the initiation, the annual Chi Sigma winter banquet was held. About fifty members and alumni were present.

Chi Sigma Epsilon, organized in 1930, now has thirty-five members. Though primarily an honor society, the organization takes an active part in student affairs. It elects the Rousers from the freshman class, and sponsors that organization. It awards the freshman medal each spring, and holds two annual banquets to which all alumni honor students are invited. Last year the first Chi Sigma Epsilon scholarship was awarded, consisting of fees for one year at Humboldt, going to some graduate of a Humboldt or Del Norte County high school.

Following is a brief story on each of the newly elected Chi Sigma Epsilon members:

Violet Susan is the daughter of Mr. and Mrs. Andrew Susan of Arcata, and is a member of the senior class at Humboldt. She was a member of the Rousers in her sophomore year, and has taken active part in dramatics, being president of the Humboldt chapter of the national dramatic fraternity, Alpha Psi Omega. At present she is a member of the Student Body Executive Committee. She is also the author of a number of poems which have appeared in several publications.

Eleanor McKay is senior student, and is the daughter of Mr. and Mrs. William C. McKay of Eureka. She is much interested in teaching work and is this year the president of the Kindergarten Club, a group of student teachers who have accomplished much toward improving the equipment at the training school.

Beryl Unsoeld is a junior, and is well known for her activity in the field of dramatics where she has starred in many performances. She is also a member of the Alpha Psi Omega, and was a Rouser during her sophomore year. She is the daughter of Mr. and Mrs. George Unsoeld, of Coquille, Oregon.

Ray Pedrotti is a member of the class of '39. He is vice-president of the college "Y", has served as Student Body yell leader, and is now holding the position of business manager of the "Sempervirens" ("Sempervirens"). He is the son of Mr. and Mrs. Ray Pedrotti of Fort Bragg.

The Rousers are a sophomore honor society, whose members are chosen on the basis of their scholastic record as freshman. Only eight members are elected each

Gladys Hinman State Delegate To Y Conference

The Humboldt State College "Y" delegate sent to Asilomar this year was Gladys Hinman.

This conference meeting place is near Monterey and is an annual affair held to bring together the Christian group delegates from colleges and to give these representatives a broader view of most of the problems facing the youth of today.

Miss Hinman left Eureka December 24, to attend the conference. She enrolled in the group (there being a number of different discussion groups) entitled "Psychology and Religious Living". This group was conducted by Professor Hattersly of the psychology and philosophy department of Pasadena Junior College. It sought to determine the contribution of Christianity to the solution of individual problems.

There were 470 delegates at the conference this year representing 35 colleges in California, Nevada, Utah, New Mexico, Hawaii. Miss Hinman returned January 2.

WINTER SPORTS THRILL PROFS

Mr. Horace Jenkins of the industrial education department, and his son Channing, with Mr. C. Edward Graves, of the College library and his son Ted spent the week after Christmas at Mount Hood enjoying the skiing and winter sports.

They stayed at the Mazamas Clubhouse which is located at an elevation of 2500 feet and is surrounded by practice slopes for the beginners. Four miles up the mountain is beautiful Timberline Lodge, which was built by the government and which was dedicated by President Roosevelt last October. The party drove up the road and skied down the trail which has been cleared on both sides. The descent is very fast and proved to be a thrilling experience.

Mr. Graves took movies of the trip, some of them in color which he has promised to show to students as soon as they are developed. Along with these will be shown some of the movies taken this fall, which includes pictures of the St. Mary's game, the Frosh-Sophomore Brawl, the football game against Arcata High, the Biology field trip and shots of the archery class. These will be exhibited in the near future.

Varsity Defeats Alumni, Jayvees Trim Alleycats

Humboldt's basketballers hung up another string of victories last week when they defeated the Alumni and the Alleycats Athletic Club.

Francis Givens led the varsity with ten points and Saunderson followed with nine. Franny Moore paced the Alumni with eight points.

Jim Cady starred for the Jayvees with 14 points.

Mills College Plans Publishing Verse Anthology

Mills College has been chosen to publish the 1938 edition of "First the Blade," an anthology of student verse sponsored by the Intercollegiate Fellowship of Creative Arts. All manuscripts should be addressed to them.

Any undergraduate student registered during the scholastic year of 1937-1938 in a California University, College, or Junior College is eligible as a contributor. February 7, 1938, is the closing date for contributions to the contest.

Prizes will be awarded for the most outstanding poem and for the best poems in the following forms: sonnet, narrative, free verse, blank verse, lyric, and French verse form.

Miss Dorothy Dexter, a former Humboldt student, won the state prize in free verse in 1934, her last year at Humboldt. She is now attending the University of Oregon where she is majoring in English and working for her Ph. D. degree.

Bob Morrison Spends Holidays With Parents

Robert Morrison, U. S. Navy, spent Christmas with his parents Mr. and Mrs. Edward Morrison of Korb. Morrison attended Humboldt State in 1934-35 and is now stationed on the U. S. S. Ranger, airplane carrier, which is now at Bremerton, Washington.

"SEMPERVIRENS" NEW NAME OF SCHOOL ANNUAL

After a close race between Green and Gold and Sempervirens the latter was selected by student vote as the name for the new annual. Those who suggested the name and who will be presented with free annuals are: Carl Owen, Helen Hartsook, Lynette Gregory and Audrey Kjer.

Work on the forthcoming publication has been progressing satisfactorily. The art work under the capable direction of Gladys Marke is almost finished. The theme of the annual is to be the history of Humboldt shipping, and Miss Marke has planned a series of four color plates, the first to be an early time shipping vessel, the last a modern freighter. The cover, tentatively chosen will have a small ship in one corner, and will be of green embossed leather with gold lettering.

HARVEY HARPER IN AUTO MISHAP

Harvey Harper, member of the freshman class at H. S. C. had a mishap during the Christmas vacation when the automobile in which he was traveling collided with an oil truck. Harper, who was just recovering from an operation on his shoulder, had the scar torn open. His mother suffered a broken arm in the accident.

Elementary Classes

Have Music Assembly

Music was the feature at a Christmas assembly presented by the pupils of the College Elementary School December 17.

There were musical numbers by the Elementary School orchestra, by the string instrument ensemble; and an echo choir by the upper grades. The primary grades sang songs from their seats. The eighth grade presented a shadow play under the direction of H. T. Cluxton, supervisor. A scene from Dickens "Christmas Carol" was dramatized by the seventh grade.

Assembly Undergoes

Changes During Xmas

A state engineer on a visit to the college last month suggested that the seats in the auditorium be raised to promote better seeing and hearing facilities for those in the back rows.

This work was completed during the Christmas holidays and the four back rows of chairs were elevated.

TWO STUDENTS AT TEACHERS CONFAB IN L. A.

Frances Poulson and James Hemphill, two Humboldt State College Students, were sent to the California Teachers' Association meeting in Los Angeles in December.

Two student delegates from each of the seven state colleges of California attended the meeting. The object was to see whether these colleges wanted to organize junior groups in the colleges. The question is to be brought before the student teachers of these State colleges by the representatives sent to the conference.

spring, to hold active membership for one year, after which they are associate members. Rousers now attending Humboldt who were elected last June are: Charles Glenn, Valerie Barker, and Matthew Fountain.
